

# Vyasa Pujā

August 13 - 2020

The Glorious 124th Appearance Day of our beloved Spiritual Master  
His Divine Grace Om Vishnupada Paramahansa Parivrajakacharya Astottara-sata  
**SRI SRIMAD A.C. BHAKTIVEDANTA SWAMI PRABHUPADA**  
Founder-Acharya: ISKCON

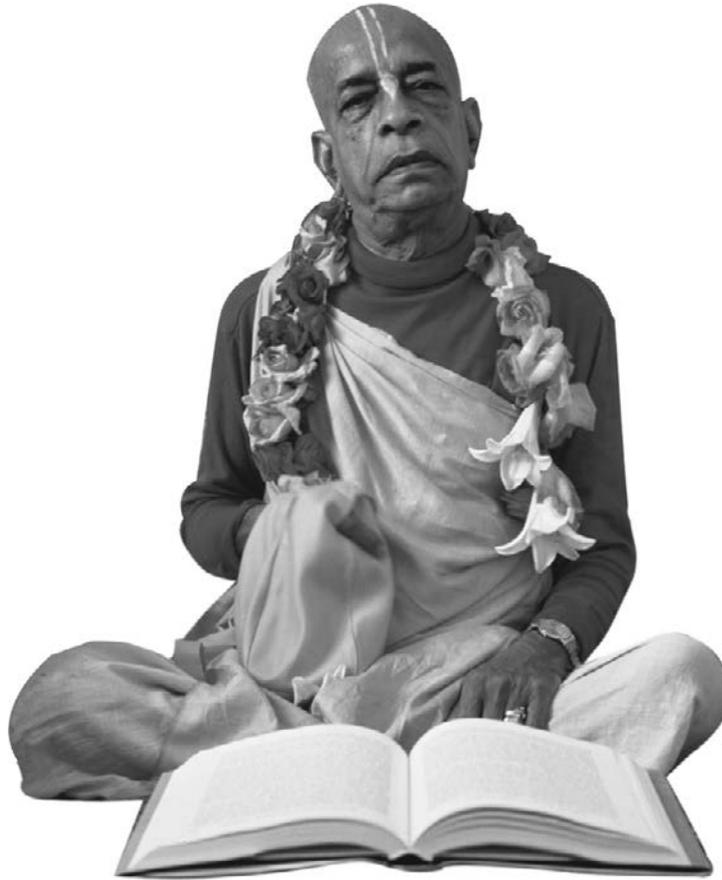

## MEANING OF VYASA PUJA

The Spiritual Master is the representative of Vyasadeva. Vyasadeva is the original spiritual master because he compiled and disseminated the Vedic knowledge. Therefore, according to the Vedic system, on the birthday of the spiritual master the disciples conduct the ceremony called Vyasa Puja.

As part of the Vyasa Puja ceremony, the disciples and followers of Srila Prabhupada offer homage to him by writing about his glories. Hearing the glories of the bonafide spiritual master has the same effect as hearing the glories of Lord Krishna the hearer becomes purified and awakens his dormant Krishna consciousness.

This book is a compilation of the glorification of His Divine Grace A.C. Bhaktivendanta Swami Prabhupada by his devotees on the occasion of his 124th Vyasa Puja.

**PRAYERS TO OUR BELOVED SPIRITUAL MASTER SRILA PRABHUPADA**

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale  
śrīmate bhaktivedānta-svāmin iti nāmine*

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda, who is very dear to Lord Kṛṣṇa on this earth, having taken shelter at His lotus feet.

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe  
nirviśeṣa-sūnyavādi-pāścātya-deśa-tāriṇe*

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvatī Gosvāmī. You are kindly preaching the message of Lord Caitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

*om ajñāna-timirāndhasya jñānāñjana-śalākayā  
cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge.

## Madhu Pandit Dasa

---

Dear Srila Prabhupada,

Please accept my most respectful obeisance unto your divine lotus feet. All glories to Your Divine Grace, the Founder and Acharya of the International Society for Krishna Consciousness.

I remember, in the year 1998, one GBC member of other ISKCON, who was inclined towards *rtvik* system of *diksha*, told me that philosophical conclusion apart, the *rtvik* system of initiation will practically fail because all devotees want a 'living guru.' When I replied that Srila Prabhupada is also a living guru, he replied that people need a 'living guru, who is in flesh and blood.' He was implying practically, but not philosophically. He said if he found some day, *rtvik* temples and devotees in large numbers doing *sankirtana*, then he would accept that the *rtvik* system of *diksha* works and that Srila Prabhupada might have desired it. He said *rtviks* so far have been talking since 1977 and they cannot even have 10 devotees to come together for a *sankirtana*. He is still a sitting GBC of that ISKCON.

Srila Prabhupada, it is 20 years since we have been following your instruction as per July 9th 1977 for initiation. Since then, thousands of devotees have been initiated through the representational system of *rtviks*, who officiate Your Divine Grace during the initiation ceremonies, give initiation to them on your behalf and connect them to you as your disciples. Today these thousands can join in *sankirtana*, united as your disciples, and prove what this GBC member never expected in 1998 would come to be a reality. I pray that this could make them open their eyes and see that you continue to make disciples all over the world even now, to this day, although they still do not accept or allow this system in other ISKCON temples. They forbid anyone from becoming a disciple of Your Divine Grace in their camp. So very unfortunate.

Srila Prabhupada, when you gave the written institutional directive for *rtvik* system, you knew that is the only way to keep the movement united. The fact is that you introduced a new term *rtvik* clearly, because that was exactly what you meant it to be. You foresaw that any other system would eventually fragment the movement into multiple guru-disciple camps.

You repeatedly stated in your teachings that you wanted everyone to be a 'guru' and save the world. In the light of your July 9th 1977 order, this instruction clearly referred to everyone taking role of *siksha guru*, since you had clearly excluded others through the order from taking the role of *diksha guru*. Acting as *siksha gurus*, you desired that more and more conditioned souls be brought to the shelter of Your Divine Grace as your disciple and continue to guide all the Vaishnavas to advance as disciples of Your Divine Grace.

I was just imagining what the status of the movement would have been in this world, had it continued to function the way it was until 1977. What peaks of preaching would have been achieved by now, for your glory. It is unfortunate that huge setbacks to the movement were suffered due to the deviant guru system, wherein several of your leading disciples who became so-called *diksha gurus* fell from grace. Not only did the movement lose these stalwart leaders, but also lost thousands of their 'disciples' who were bewildered by the question, "How can a bonafide guru fall down ? "

If everything was left as it was, pre-1977, these very capable leaders of the movement who served you to set up this world-wide movement, would all still be here and would have expanded your mission many times more than

what it is today. As senior advanced devotees, they could have played the role of *siksha gurus* and created a genuine network of Vaishnava relationship, by offering *sadhu sangha* for all the young devotees of Srila Prabhupada's movement. Thereby, they would have trained thousands of sincere souls how to surrender to Srila Prabhupada, as they themselves had the good fortune to learn pre-1978. For every newcomer to the movement, Your Divine Grace would be the only *sadh-guru*.

Unfortunately, today anyone who enters an ISKCON temple with *tilak* and bead bag would have to soon encounter the question, "Whose disciple are you?" No one has to suffer this irrelevant encounter in temples of the ISKCON Bangalore group. Thank you, Srila Prabhupada, for giving us these temples where one can practice Krishna consciousness as your direct disciples, at the same time be constantly inspired by *sadhu sangha*, and make healthy progress in spiritual life.

Srila Prabhupada, you are constantly guiding the movement even after winding up of your manifest presence on this earth. A pre-1977 disciple of Srila Prabhupada made this offensive statement, "If Srila Prabhupada is your guru, you write to him and see if you will get a reply. Then I will accept Srila Prabhupada is your guru." To this, we put a question back to him, "Would he respond to you, Prabhu, if you wrote to him now, although you were initiated before 1977?" He said "No." We asked, "Now do you think Srila Prabhupada cannot act as your guru if you don't get a reply?" This silenced him. Srila Prabhupada has amply answered such questions of his current disciples in so many other ways, as he had done pre-1977. The guru guides his disciples from their heart.

Recently while I was writing a new module for 'Soulful Japa,' on how to invoke the feeling of faith in the presence of Nama Prabhu before us, I came across the beautiful understanding of unmanifest presence of Krishna or *aprakata* presence, from the purports of Your Divine Grace. Usually we conclude that unmanifest means He is not present. However, Srila Prabhupada is talking about "unmanifest *presence*" and not "unmanifest *absence*," as you see below.

### SB 3.2.12 Purport

"When the Lord's pastimes are visible to the human eye, they are called *prakata*, and when they are not visible they are called *aprakata*. In fact, the Lord's pastimes never stop, just as the sun never leaves the sky."

In the same way, Srila Prabhupada, your pastimes in the movement as the Founder-Acharya and *sadh-guru* of everyone never ceases to be.

CC *Madhya* 13.155 Purport says:

"Krishna has two kinds of presence—*prakata* and *aprakata*, manifest and unmanifest. These are identical for the sincere devotee. "

It is said that the *gopis* of Vrindavan always felt the presence of Krishna everyday, even when He was living in Dwaraka. But that presence was, by design of Krishna, only the *aprakata* presence or un-manifest presence. It is not that the *gopis* were blind so they could not experience *prakata*-presence. This makes us understand the famous statement that Krishna never steps out of Vrindavan. For Him, *prakata*-presence and *aprakata*-presence, both refer to his 'presence' and not 'absence.' Only God and His pure devotees can have un-manifest presence anywhere and anytime because of His omnipotent nature. The pure devotee shares the omnipotent nature of the Lord in his service to His Lord.

When You Divine Grace said, “I live in my books,” it means you are actually living there in your un-manifest presence, in a transcendental plane. As soon as anyone faithfully and submissively reads what you are saying, Your Divine Grace will give him the experience of your unmanifest presence and he will hear from you directly. Such reading will be no different from being before you pre-1978 and hearing you. Time and space does not limit you, Srila Prabhupada. Your Divine Grace responds to anyone seeking help, by giving him the experience of your unmanifest presence from a transcendental plane. We have unlimited stories of such reciprocation from you, post 1977. It is not some imagination to think that you are everywhere in your movement, without limitations of time and space. All limitations are ours.

As the Acharya of the Hare Krishna Movement, you are not only living amidst us in the form your books and you deity, you mystically manifest through the churning process of group discussions among Vaishnavas, of how to carry forward your mission. For this, you created the GBC. How much mercy we get from you depends on our level of faith in you unmanifest pastimes. In your un-manifest presence, Your Divine Grace can mystically guide every one of your faithful disciples. If not for your guidance, it would have been impossible to expand your mission with Your Divine Grace as the sole Acarya in the last 20 years.

Even during Your Divine Grace's manifest *lila*, only a handful of devotees got your direct association. Most of the devotees, thousands in number, did not get ‘personally’ instructed, chastised and corrected by Your Divine Grace. You were guiding your sincere disciples even then, mystically, through your un-manifest presence, though your manifest presence was in different parts of the world. An institutional mechanism was set up by Your Divine Grace for *sadhu sangha*, where senior Vaishnavas would teach and correct the younger devotees. The institution you created has a role to play, along with your direct role in mystically fulfilling all the needs of each of your thousands of disciples. Srila Prabhupada, we have seen that you can mystically do all that your manifest presence did, and even more, in the last 20 years. Anybody who thinks that they are the ones who are running the movement will be mercifully shown the truth by Your Divine Grace, the hard way, sooner or later as it has happened in the history of ISKCON post 1977. Whether it is this ISKCON or that ISKCON, Your Divine Grace is the topmost leader of the Hare Krishna Movement at all times.

Yet whatever reforms they are trying to make of Your Divine Grace “in the centre of devotees lives,” will only be patch work solution that will not last, as long as the disciples think that their present guru is the one who delivers them to Krishna. Srila Prabhupada, we are sure that by your unmanifest pastime, you will straighten out any flawed practice, whether in ‘this’ ISKCON or ‘that’ ISKCON, over time. This is the only hope for this world. It is up to Your Divine Grace, what you want to do with us. We will keep serving you with faith.

Lochana Dasa Thakura, in his *Chaitanya Mangala*, predicted that a *senapati*, or a “great general,” would come and accomplish Lord Chaitanya Mahaprabhu's mission of *prativite ache yata nagaradi gram, sarvatra prachar haibe mora nama* or “In every town and village of the world, My name will be heard.” (*Chaitanya Bhagavat, Antya 4, text 126*).

Srila Prabhupada, you are that *senapati* who took the *sankirtana* movement to every nook and corner of the world. You are the current empowered visionary servant of the six Goswamis, the original visionaries of Lord Chaitanya’s transcendental preaching mission for educating the whole world in Krishna Consciousness. It is more and more evident that that you will always lead this movement.

On this auspicious day of your divine appearance, I beg at your lotus feet, that you continue to shower your mercy upon this fallen soul, and chastise me, punish me, even if it is the hard way, as I am spiritually dumb to understand your sublime and divine instructions, which can make me advance quicker to achieve pure *bhakti*. My only prayer is to make me your faithful servant eternally.

Your aspiring servant,

Madhu Pandit Dasa, President, ISKCON – Bangalore.

Dear Srila Prabhupada, please accept my humble obeisances. All glories to Your Divine Grace.

Please accept the following offering and bless this poor soul.

### The Spiritual Master Takes Charge of the Disciple

There are a few biographical accounts of Srila Prabhupada's first initiation ceremony in September 1966 when he introduced initiation for the first time in the new society he had just founded, ISKCON. It is important to closely study how Srila Prabhupada introduced the concept and ceremony and explained its meaning to the new students who were gradually becoming serious in Krishna consciousness.

1. Srila Prabhupada Lilamrita, Volume 2: *Planting the Seed, New York, 1965-66* by Satsvarupa Dasa Goswami says:

"And now," he (Srila Prabhupada) said at length, "I will tell you what is meant by initiation. Initiation means that the spiritual master accepts the student and agrees to take charge, and the student accepts the spiritual master and agrees to worship him as God." He paused. No one spoke. "Any questions?" And when there were none, he got up and walked out. (emphasis added)

2. *The Hare Krishna Explosion: The birth of Krishna consciousness in America (1966-1969)* by Hayagriva Das writes:

The next morning, after the lecture, Stanley raises his hand and asks. "Swamiji, some of us are wondering what initiation' actually means," he says in his most humble manner.

At first, Swamiji doesn't answer, but sits quietly on the dais, his head held high. A long minute passes as we await his answer. "Yes," he finally says, clearing his throat. "Now I will tell you. Initiation means that the spiritual master accepts the student and agrees to take charge of him, and the student accepts the spiritual master and agrees to worship him as God." (emphasis added)

3. *My Days with Prabhupada, A Memoir* by Umapati Swami writes:

It was the day before the initiation. Morning class had just finished in the storefront. "Now," said the Swami, "I will tell you what initiation is. Initiation means the spiritual master accepts the student and takes charge of him, and the student accepts the spiritual master and agrees to worship him as God." The Swami stood up and walked out the side door. (emphasis added)

The important point that is repeated in all three accounts is “the spiritual master taking charge of the disciple.” Srila Prabhupada writes what this taking charge means:

According to śāstra, the duty of the guru is to take the disciple back home, back to Godhead. If he is unable to do so and instead hinders the disciple in going back to Godhead, he should not be a guru. *Gurur na sa syāt* (Śrīmad-Bhāgavatam 5.5.18). One should not become a guru if he cannot enable his disciple to advance in Kṛṣṇa consciousness. The goal of life is to become a devotee of Lord Kṛṣṇa so that one may be freed from the bondage of material existence (*tyaktvā dehaṁ punar janma naiti mām eti so 'rjuna* [Bg 4.9]). The spiritual master helps the disciple attain this stage by developing Kṛṣṇa consciousness. (Śrīmad-Bhāgavatam 8.20.1 purport)

Devotees remember these anecdotes with Srila Prabhupada that show how seriously he regarded the responsibility of the guru - *to take charge* to deliver the disciple:

Once in 1976 at the New Māyāpur farm in France, you were sitting under a tree preaching to us. I was coming and going, as my small baby kept making noise. Then a devotee asked a question: “In the guru-pūjā song we sing, ‘You are my spiritual master life after life.’ Śrīla Prabhupāda, does this mean that if we don’t make it this lifetime you will come back to save us?” You answered firmly, banging your fist on the little bookstand before you, “You make it this lifetime, don’t make me come back.” - Nikuṅjavāsīnī-devī dāsī in Vyasa Puja offering, 1996.

The same devotee recalls the same anecdote in yet another occasion:

Nikuṅjavāsīnī Dāsī: "That evening, Prabhupāda took a short walk around New Mayapur, and afterward he sat down under a tree and gave a brief talk. When he asked for questions, one devotee said, 'In the Guru-vandana, it says that the spiritual master is our guru life after life. So if we don't make it back to Godhead in this lifetime, does it mean that you will come back to save us?' Śrīla Prabhupāda put down his fist on the little table in front of him and said sternly, 'You make it in this lifetime. Don't make me come back!'" (Srila Prabhupada and His Disciples in Germany by Vedavyasa Dasa)

Another time I said, “I want to serve you life after life,” and you interjected, “But don’t make me come back!” – HH Jayapataka Swami in Vyasa Puja offering, 2011.

In yet another occasion, Srila Prabhupada explained conclusively and definitively how this a serious responsibility of the guru:

“My Guru Mahārāja used to say like that, "Finish this business in this life. Don't delay for the next life." He was telling also that "Don't give me trouble again to come here to deliver you." That is the responsibility of spiritual master. Spiritual master responsibility is to take the disciple to Kṛṣṇa, until he is able to do—to help him, to help him, to help him. That is the verdict of the śāstras. Just like Bilvamaṅgala Ṭhākura. His spiritual master delivered him, taking the shape of a prostitute.” (Srila Prabhupada lecture, Feb 11<sup>th</sup>, 1971, Gorakhpur)

Once I had a conversation with a highly respected Madhva scholar and subsequently with HH Vishvesha Tirtha Swami of Pejavar Mutt on the subject who they consider will deliver the Madhvas (followers of Sri Madhvacharyas). The standard understanding among the Madhvas in their *sampradaya* is that it requires

extraordinary spiritual qualifications to be able to disentangle a soul from the cycle of *samsara* and take him back to Vaikuntha *loka*. They regard Sri Madhvacharya as the one who has such *adhikara* (ability, authority, qualification and responsibility). Hence they consider Sri Madhvacharya to be the deliverer of all the followers of Madhva *sampradaya*. HH Vishvesha Tirtha Swami too reiterated the same understanding. The Madhva scholar also stated that it is standard for the Sri Vaishnavas to consider Sri Ramanujacharya to be their deliverer who takes the Sri Vaishnavas to Vaikuntha. And similarly the *smarthas* consider their *brahma-sayujya* is by the blessings of Sri Shankaracharya.

Every ISKCON devotee should be taught and trained to regard Srila Prabhupada as the one who has the extraordinary qualifications to deliver all ISKCON devotees and take them to Goloka Vrindavana. This understanding should be standardized and institutionalized in the minds and hearts of all ISKCON devotees. This is the essence of the Guruavastakam song we sing every day during Mangala-arati and Sri Guru-vandana song we sing every day during Srila Prabhupada guru-puja in all ISKCON temples.

May these divine instructions of Srila Prabhupada and these convictions always shine in my heart.

Your aspiring servant,

Chanchalpathi Dasa,

President, Hare Krishna Movement – Vrindavan, Sr. Vice President, ISKCON - Bangalore, President - Hare Krishna Movement – Jaipur.

Dear Srila Prabhupada,

### Srila Prabhupada's ISKCON

#### Founder Acharya - Forever Acharya

Your Divine Grace has come at the request of Lord Gauranga to save the people of this age, and you tirelessly worked to establish a process of *Bhagavata dharma* which the people can follow and easily achieve the ultimate shelter of the Lord. Hence, your rightful position is that of The Acharya of this Movement, solely responsible for the spiritual welfare of the devotees in this house you built for all. However, people with short sightedness and narrow understanding, and with the aim to usurp your position, try to establish that you are not the Sole Acharya of this movement, but only the Founder Acharya. Thus meaning, that others will continue in the position of Acharya after your physical presence. This is painful, even wrong and even offensive.

Only the specially chosen one from the divine realm of the Lord could have done what Srila Prabhupada has done - create a house the whole world could be sheltered in, and practice Krishna consciousness. A 'house' is a place of shelter where one can carry out his *dharmas* in his lifetime. And a Krishna conscious house is certainly the ultimate spiritual shelter. Sheltered by the Supreme Being. *Ashraya* of all. Maintainer of All. Shelter does not limit to a physical walled place. But the practical process for attaining the Lord's lotus feet is the real shelter, the house, given by Srila Prabhupada. This is shelter of the heart, of the soul, and evoked by change in consciousness, a consciousness that is the consequence of practicing the process given by the Acharya. A new process never before

known to the world of spiritual seekers, which works at the core of the heart, as stated in *Srimad Bhagavatam* 1.2.21:

*bhidyate hṛdaya-granthiś*

*chidyante sarva-saṁśayāḥ*

*kṣīyante cāśya karmāṇi*

*dr̥ṣṭa evātmanīśvare*

"Thus the knot in the heart is pierced, and all misgivings are cut to pieces. The chain of fruitive actions is terminated when one sees the self as master." A process appealing to the modern world and doable by the fallen souls in *Kali yuga*.

Hence, Srila Prabhupada is The Acharya – not just as the beginner, Founder Acharya. He is The Acharya of the process of Krishna consciousness, as this is the process that will be practiced in ISKCON for all time to come.

Srila Prabhupada shares the very same place as Adi Shankara, Ramanuja and Madhva . They are all beginners of a process. Was there no Sri Vaishnava Acharya before Ramanuja? Great personalities like the Alwars or Natha Muni or the great Yamuna. Yet, Ramanuja is considered the Acharya, the Acharya of consolidating a process, planned and clearly set for the commoners of this *yuga*. Following which, a seeker gets qualified to be approved as a resident of Vaikunta. Approved by the Acharya. Hence an Acharya is forever, as long as that particular process of salvation is practiced. Hence, Srila Prabhupada, is the Acharya of ISKCON forever. That does not undermine the previous *acharyas* like Vishwanatha Chakravarti Thakura or Bhaktivinode Thakura, nor will it undermine or supersede any number of great devotees that this line would produce now or in future. For, all will be ‘Gurus’ – *shiksha gurus* or teachers - teachers, who follow and lead the path set by The Acharya.

It is the Acharya who creates a *parampara* - a *parampara* that can be followed by all as per the time and condition. He is considered to be The Acharya by people of all generations to come. For it is solely through his blessing that one is approved to be a resident of the spiritual abode – Home - Godhead. *Yad gatva na nivartente tat dhamam pararam mama* – going back there being the only purpose for all souls as stated in the *Bhagavad-gita*.

Propagating the process set by the Acharyas is the *dharma* of the followers of the Acharya, ‘representing him’ in all acts of preaching and guiding the world. This understanding does not make the future gurus jobless or irrelevant, as they currently fear. This fear pushes them to usurp the position of the Acharya, even when they are not ready to correctly represent the Acharya. They should serve the souls on behalf of the Acharya, leaving it to the Acharya to decide the final spiritual destiny of the soul. Whatever they receive - worship, name, fame, followers - they should accept in an officiating position on behalf of the Acharya. Never compromising the glory of the Acharya.

This is not a conclusion arrived due to the mistakes of a few immature disciples of the Acharya during the early times, but a *paaramparik* truth. It is not necessarily limited to the *shastric* quotes, as the Lord Himself gives credence to set tradition as a sanctified system to follow.

Could this conclusion turn out to be wrong? The decision of giving a place more than ‘necessary,’ as considered generally by the world, to The Chosen One, will never be wrong. The Absolute Person – Purushottama - is always

indebted to those who consider His chosen one more than even Himself. And such a process as per the above – whatever, one may call it, gets its sanctity from Him. This is the traditional and the correct attitude to the Acharya. No one can call it fanaticism.

However, this alone does not make the institution he created, Srila Prabhupada's ISKCON. It becomes so only when the process followed is as close to the scheme of Srila Prabhupada as he intended it to be. That is the ISKCON, which is vibrant in preaching, active temples, disciplined followers, temples filled with devotees who are faithful, feeling at home, satisfied, and ready to sacrifice. With leaders who are self-less, patient, friendly, loving but firm, with internal strength, fearlessness, and highly principled. And success (be it external project, public appreciation, or influence), not at the cost of compromising the framework and structure and the very fabric of *Bhagavata dharma*?

Prabhupada's house is run by him, always, through his leaders collectively and with their individual strengths, a perfect formula for administration in this age. One individual can't always be correct, while a group can be. Group strength is the foundation of his house. This system frees the leaders from possible danger of unilateralism and corruption – corruption of the spiritual position, the danger of letting the followers down by misuse of their faith, or by considering one's own interest as the interest of the Acharya. Thus keeping the system rightly placed in the *sampradaya* and the *parampara* conclusions, backed by practical conduct.

My humble prayer at your lotus feet, Gurudeva, is that we may grow in the direction set by you, in purity, faith and obedience. That we be worthy of being in your glorious house, and better our attempts to serve your mission for your glory.

Your worthless servant,

Jai Chaitanya Dasa,

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet on this most auspicious day of your divine appearance. All glories to Your Divine Grace.

Looking back at my spiritual journey after coming in touch with Your Divine Grace, I can clearly see that You have been bestowing your causeless mercy on me, because of which I have been engaged in devotional service. Every prayer of mine has been answered by you. But I must shamelessly admit that I have been unable to increase my service. I am still dragging my feet on the path of Krishna consciousness.

Srila Prabhupada, it is our good fortune that you are constantly guiding all of us in our practice and preaching. I would like to mention one example of you bestowing your mercy on a particular soul to bring him to Krishna consciousness and inspire him to make rapid advancement. This example is one among many hundreds and thousands of people who have benefitted by your movement in our area of preaching.

In 2001, one person came to our temple for the first time, after he had suffered a great loss in his business. I just told him to start chanting one round of Hare Krishna mantra *japa* every day. Being inspired by Your Divine Grace, he became very steady in his chanting and very quickly increased his *japa* to sixteen rounds per day, as instructed by you. In a few months, he began reading your books and started to follow the regulative principles. Then he started donating to the temple from his savings. Over the years, his health started deteriorating. But he kept on doing the daily *sadhana*. Now, after nineteen years of being in touch with the temple, he has donated a significant portion of his savings to the temple. All the time he is engaged in chanting *japa* and reading devotional literature and offering prayers to Lord Krishna. This transformation has been possible only because you have liberally bestowed your mercy on this soul.

Reflecting on the transformation that has happened in the life of this devotee, I can clearly see that I am not accepting your mercy for transforming my heart, even though I keep telling others to do so. I have become complacent about my devotional service because I am just chanting the minimum sixteen rounds of *japa*. I am not as eager as this devotee to increase the number of rounds of *japa*. Nor am I reading as much as this devotee is engaged in reading devotional literature. I am not having the same determination that he is having in offering his prayers to Lord Krishna to go back to Godhead. On this most auspicious day of your divine appearance, I pray that I may also develop the same eagerness to chant and read and offer prayers to become fixed and determined to do devotional service with the intensity that this sincere soul performs his service.

In all scriptures it is said that devotional service has to be performed in the association of devotees. We are blessed and fortunate to get the good association of enthusiastic devotees who are dedicated to follow Your Divine Grace. Srila Bhaktivinode Thakur especially mentions that one should have association of more advanced devotees.

In this regard you have explained in the *Srimad Bhagavatam* (SB 3.32.42): “One must be prepared to offer the necessary respect and honour to the spiritual master. He should not be unnecessarily envious of his Godbrothers. Rather, if a Godbrother is more enlightened and advanced in Kṛṣṇa consciousness, one should accept him as almost equal to the spiritual master, and one should be happy to see such Godbrothers advance in Kṛṣṇa consciousness.”

Srila Prabhupada, I am very fortunate to have more enlightened and advanced Godbrothers who are fully dedicated to your mission. Even though I am undeserving, only because of your mercy, I am receiving valuable guidance from my advanced Godbrothers.

I have accepted *sannyasa* in order to reconfirm my dedication to serve your mission. As you have explained in several places in your books, I want to practice *yukta vairagya* and avoid *phalgu vairagya*. In the spirit of practicing *yukta vairagya*, may I always engage all available resources in the service of your mission.

May I always remember the *tapasya* you underwent for starting this movement and working tirelessly for preaching Krishna consciousness throughout the whole world. May I be always alert and conscious to properly utilize all the spiritual assets you have so kindly left behind for the future generations of devotees to nurture their spiritual life in this Krishna consciousness movement.

Although I am a lazy person, I do have a desire to give up my laziness and work hard to spread the Krishna consciousness movement. This desire has developed only because of the association of my advanced Godbrothers. Therefore, I am praying for your causeless mercy to effectively fill all available time in the service of your mission.

In SB 3.32.42 you also mention: “A devotee should always be very kind to the general public in instructing Kṛiṣṇa consciousness because that is the only solution for getting out of the clutches of *māyā*. That is really humanitarian work, for it is the way to show mercy to other people who need it very badly.”

I am a very selfish devotee and I am satisfied with my personal practice of Krishna consciousness. But after reading the above instruction, I want to give up my selfish interest and work hard for distributing Krishna consciousness to the general public.

Please pardon my offenses and continue to shower your unlimited mercy on this fallen soul.

Begging to remain always under the shelter of your lotus feet,

Your insignificant disciple,

Stoka Krishna Swami

President, Hare Krishna Movement – Chennai, Vice President, ISKCON – Bangalore, Dean of Vaishnava Studies.

## Amitasana Dasa

Respected Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Srila Prabhupada, on this special day I beg you to give me inspiration, intelligence, determination and strength to accept only things that please you and reject things that displease you.

Srila Prabhupada, on this special day I beg you to infuse my mind with only those desires that are your desires for me. Let me always remain dependent upon your mercy to execute such desires.

Srila Prabhupada, on this special day I beg your mercy so that I always remain meek and humble. Let me always remember the true source of my abilities and power.

Arjuna mentions to Yudhisthira Maharaja in *Srimad-Bhagavatam*:

“I have the very same Gandiva bow, the same arrows, the same chariot drawn by the same horses, and I use them as the same Arjuna to whom all the kings offered their due respects. But in the absence of Lord Krishna, all of them, at a moment’s notice, have become null and void.” == REF. SB 1.15.21

You have so mercifully given us what we should pray and aspire for:

“Simply our prayer should be, My dear Krishna, please remind me to always chant Your Holy Name, please do not put me into forgetfulness. You are sitting within me as Supersoul, so You can put me into forgetfulness or into remembering You. So please do not put me into forgetfulness. Please always remind me to chant Hare Krishna.”

Srila Prabhupada, on this special day I beg your mercy, so that I do not forget my first duty, which you have mentioned in the following quote:

“If one remembers his first duty - keeping in constant contact with the Supreme Personality of Godhead - everything will be successful.” == REF.SB 4.24.72

Srila Prabhupada, in life there are:

1. Things that we know
2. Things we know that we don't know
3. Things we don't know that we don't know

Your inconceivable mercy and greatness falls in the third category. Srila Prabhupada, during this lockdown we were very fortunate to have your inconceivable mercy in the form of wonderful sessions by HG Madhu Pandit Prabhu on SOULFUL JAPA and on KRISHNA CONSCIOUSNESS – HAPPINESS AND PLEASURE. These sessions have helped me and other devotees immensely. Thank you for your kindness on all of us.

Please allow me to remain your servant eternally,

Amitasana Dasa - President, Hare Krishna Movement – Mumbai.

Dear Srila Prabhupada,

Please accept my humble obeisance.

The current situation in the world is that of constant fear. The fear results from too much attachment to this material body: *Sada samudvigna dhiyam asat grihat.*

Of course, by your mercy, the devotees are able to see that this is the Supreme Lord in His ghastly form of Kala: “*Time I am, the great destroyer of the worlds, and I have come here to destroy all people.*”

It is only by your mercy and divine teachings that devotees can become fearless, even in the midst of greatest fear.

*"Being in any situation in the material world is like standing on thin ice. At any moment it can cave in and collapse. The difficulties of life may come as seasonal changes, but we should not be disturbed by all those difficulties. Our process is to chant, and that will gradually clear everything in due course. You should go on with your work with enthusiasm and everything will be solved. We are on the sound footing of Krishna consciousness."*

I was just listening to some of your nectarine instructions on how one should be so determined just like the Pandavas, who attained the supreme abode in the very same body.

**What do we learn from the Pandavas ? :**

“*Tad-dhyāna udriktayā. ... So the Pāṇḍavas, always they were thinking of Kṛiṣṇa. While they were eating, they were sitting, they were sleeping, they were talking, they were fighting-Kṛiṣṇa. This is Kṛiṣṇa consciousness.*”

**Anyone can do that even in this life.**

“So anyone can do that. Kṛiṣṇa consciousness is so nice. If in our ordinary life we deal with Kṛiṣṇa as Arjuna did and the Pāṇḍavas did, so where is the difficulty for us? There is no difficulty. Simply we have to practice it. And that practice is bhaktyā. “

“So this is possible. If you become devotee of Kṛiṣṇa, then you can live with Kṛiṣṇa, even in this life. Even in this life. Because Kṛiṣṇa is omnipotent, if you are really devotee of Kṛiṣṇa, He will talk with you, He will dance with you, He will eat with you, everything.”

**How this is made possible.**

“Viśuddha means purified. Our consciousness is not purified at the present moment, but if we purify it... That purification also is possible by becoming in touch with Kṛiṣṇa always. And this touch is very easily made possible. Śṛṇvatām. This is the chance, śṛṇvatām. Śṛṇvatām means by hearing, by aural reception.”

**By whom it can be achieved.**

“So this beautiful body will be resulted in three things: either stool, earth or ash. And we are taking so much care—for stool, earth, and ashes. And the occupier of the body? Forgotten.”

“And it can be achieved by persons, ekānta-matayo gatim. A person who has decided, "Now, in this life, I must go back to home, back to Godhead," for him, it is possible. This decision.”

Srila Prabhupada, on this glorious Vyasa Puja appearance, I take the opportunity to pray fervently; kindly have mercy on this conditioned soul. I have become too bewildered, being attached to this material body and its expansions. Kindly take me out of this illusion and make me fearless, being attached to your lotus feet, which can in a true sense award fearlessness.

Your lowly servant,

Rajiv Lochan Dasa - President, ISKCON – Hubli.

Dear Srila Prabhupada,

Please accept my humble obeisance unto the dust of your lotus feet and all glories to Your Divine Grace.

This year, we will celebrate the Vyasa-puja festival under a pandemic by the name COVID-19. We have all seen what a pandemic means with all the phases of spread.

In the beginning, they named the pandemic COVID. Then they gave it a shape, a spiked globe with odd colours. Later, people saw the "number of cases" every day. People heard about COVID in all communication channels, including newspapers. People started becoming conscious of sneezes and coughs as a signal for the disease. People received innumerable guidelines, sometimes conflicting, to deal with the pandemic. We saw people going through various emotional responses like depression, hopelessness, suicide, etc.

We also saw a panicked search for vaccines. When people heard that a vaccine was ready, they grew hopeful, but only to learn that it is useful 70-80% of the time. People became even more anxious for a perfect one. As of today, there are many vaccines under discovery stage with no hope for a perfect one. Now, everyone understands the importance of an ideal vaccine in times of pandemic.

We see people cribbing about the limitations of science, experts and health facilities in the wake of a real pandemic. More ominously, people heard something scary: The scientists estimate that there are 1.67 million unknown viruses of the type that have previously emerged in people. A project by name "Predict" discovered 1000 new viruses that can hop over to humans. While scientists could not find a vaccine for SARs of 2002, even after 18 years, they are busy finding vaccines for a more severe version of SARs called COVID! And if one thinks of thousands of viruses ready to jump to humans, one can only become overwhelmed and helpless.

But, this helpless situation is not new. You declared the Absolute Truth in one of your lectures:

"In the material world, because we have not surrendered to Krishna we are always wandering helpless. Everyone here feeling helpless. Even though one is millionaire, even though one is President, but he's feeling helpless. This is the position, material conditional life." (Lecture on SB 1.15.31 -- Los Angeles, December 9, 1973: )

You have aptly described the current situation of the science in your transcendental purports:

"There are many calamities like excessive heat, cold, rains, or no rains, and the after-effects are famine, disease, and epidemic. The aggregate result is the agony of the body and mind. Man-made material science cannot do anything to counteract these threefold miseries. They are all punishments from the superior energy of Maya under the direction of the Supreme Lord." (Srimad-Bhagavatam 1.14.10, Purport)

While the world is thinking that it is reeling under a pandemic only now, it is not a fact. You revealed that the world is ALWAYS under an epidemic called Maya:

"We are living in the kingdom of Maya, so Maya's influence is very great in the material world. It is just like an epidemic. So one has to become immune very carefully by Krishna Consciousness." (Letter to Srimati -- London 11 November, 1969)

Who can understand this statement in its depth? While people struggle for a perfect vaccine for one pandemic, you have given an ideal vaccine for ALL pandemics: Krishna Consciousness.

You also gave the method of Chanting the Holy Names of Krishna:

"By chanting, one becomes purified externally and internally. So keep on chanting, you keep yourself purified, Maya cannot touch you. Maya's contamination will not touch you. Just like if you take a vaccine, the infectious disease will not touch you."

You are the Acharya who disclosed the full information about the Maya Pandemic as well as the Ideal Vaccine for it. But, we fail to understand that we are always under the pandemic called Maya.

You have mercifully given all the instructions for taking the vaccine of Holy Name perfectly:

"To chant the holy name under the direction of a pure devotee is offenseless chanting." (SB 1.18.19, Translation and Purport)

Despite knowing the vaccine and the method to take it, the actual problem is with us. At least, I fail to be anxious to administer the vaccine.

By your mercy alone, I will be able to chant the Holy Names offenselessly.

On this auspicious day of your appearance, please bless this weak servant with the capacity to chant the Holy Names of the Lord so that you are pleased. I pray that you may be pleased to bless me with strength and empowerment to execute your desires.

I beg Your Divine Grace to forgive me for all the offenses that I have committed at your lotus feet and keep me always in your service. I also beg all my god-brothers to forgive me for any offenses that I have committed to them, to improve my services to you.

Your aspiring servant,

Satya Gaura Chandra Dasa,

Dear Srila Prabhupada,

Please accept my most humble obeisance. All glories to Your Divine Grace.

You are an infinite ocean of wonderful qualities. Your glories are unfathomable and your mercy un-paralleled. The world will never see such a magnanimous personality ever in the future. You had forsaken every kind of comfort just for the suffering humanity. You were living a comfortable life in Vrindavan, but you chose to undergo all kinds of hardships just for the welfare of the whole world. Whenever I think of the incident of your going to America at age 70, with no acquaintance, no money, no support, I am reminded of your unlimited compassion and your inexhaustible energy to preach Krishna consciousness in any situation. We have so much to learn from this episode of yours, Srila Prabhupada. You are the perfect example of *para dukkha dukhi*. You were so much concerned for the sufferings of everyone that everything else became secondary and the only thought in your mind was – how to relieve the pains and distress of everyone and make them truly happy.

You had very strong conviction in the chanting the holy names of Krishna and by your teachings you firmly established that only by chanting the Hare Krishna *mahamantra* can one be relieved from all anxiety and trouble. This is the only solution and there is no other solution. In the book *Nectar of Instruction*, you write in your purport “*One must know that for jaundice, sugar candy is the only specific medicine. Similarly, in the present confused state of humanity, Kṛiṣṇa consciousness, the chanting of the holy name of the Lord—Hare Kṛiṣṇa, Hare Kṛiṣṇa, Kṛiṣṇa Kṛiṣṇa, Hare Hare/ Hare Rāma, Hare Rāma, Rāma Rāma, Hare Hare—is the only remedy for setting the world alright.*”

The current situation that the whole world is facing due to the pandemic is the best example of how the material world is replete with all kinds of sufferings and miseries. People are now worried how things will be set right and when normalcy will resume. The world is worried about poverty, mental health, unemployment, economic downturn and a host of other things. Everybody is concerned how and when these things will be adjusted. But you have given the simple and effective solution – in a talk on *Bhagavad-gita* in London in the year 1973 you said, “*If this Kṛishna consciousness movement is taken seriously all over the world and they perform sankīrtana-yajña, everything will be adjusted immediately. Everything.*” You emphatically said that not only everything will be adjusted but also that everything will be adjusted immediately. This is the power of *sankīrtana* or chanting of the holy name. This is the direction given by Krishna and Chaitanya Mahaprabhu. You further went on to say, “*People have to take the advantage of (this) direction, perfect direction, without any mistake, and they will be happy.*”

Srila Prabhupada, please instil in me the firm faith you had in the chanting of Hare Krishna. Please purify me of all the contaminations accumulated deep inside my heart. Although I keep trying to cleanse myself, I fail almost always. But your words that we should keep trying always, we should never give up, we should go on endeavouring with determination and one day we will be successful, give me so much of hope and assurance. You said in your books and letters to disciples:

*“Go on with your chanting regularly as much as possible, that will protect you from the attack of Maya, without any doubt.” (ref Letter to George, 1973 )*

*By chanting the Hare Krishna mahāmantra, one will be safe without a doubt. (ref Srimad Bhagavatam 6.1.63)*

*Simply by chanting the holy names of the Lord one can without a doubt become spiritually advanced. (ref Srimad Bhagavatam 4.30.22)*

*By chanting Kṛishna's names, one will be transferred to the supreme planet, Kṛishnaloka, without a doubt. (ref Bhagavad-gita 8.7)*

*Always remember therefore to chant Hare Krishna, and that will save you in all circumstances without any doubt.” (ref Letter to several disciples, 1972 )*

These words of yours, Srila Prabhupada, have been inspiring me always. When I hear these words from your books, I feel you are directly talking to me and personally inspiring me to become more serious in spiritual life. I feel you are giving me your personal association. These words of yours are the life and soul of all devotees. Thank you, Srila Prabhupada, for giving us such wonderful and inspiring instructions. Thank you for continuing to accept me in spite of all my frailty. Thank you for allowing me to serve you and your devotees in spite of all my shortcomings. Thank you for being so kind and merciful to this insignificant soul. Thank you for giving us a wonderful goal to aspire for – to go back home, back to Godhead and a wonderful method to achieve that goal – by chanting of the Hare Krishna *mahamantra*.

Thank you Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my most humble and respectful obeisance. All glories to Your Divine Grace.

Prabhupada, you immortalised your prediction for ISKCON when you famously wrote in your Srimad Bhagavatam purport that when an Acharya leaves the world, things are bound to get disordered – but the sincere disciples, by strictly following his instructions, try to relieve the situation. So, it has come to pass that after your disappearance from our vision, things became disordered in the movement for decades together. It was but natural, considering that you are one of the most powerful Acharyas the world has seen. As you so aptly observed, Nityananda Prabhu delivered only one Jagai and Madhai, but Your Divine Grace is delivering tens of thousands of Jagais and Madhais. No other Acharya in history has scaled such stupendous heights in preaching. So, this disorderliness was bound to happen, as per your own words, after you disappeared from our vision.

But now, your sincere disciples from your Bangalore temple have attempted to relieve the situation by strictly following your instructions, be it the system of initiations as per your July 9<sup>th</sup>, 1977 directive or your Direction of Management. Being pleased with their efforts, you have manifested your will through them. Starting in 1997 with a solitary temple in Bangalore, your pure movement has now spread all across India and beyond, to the shores of America and other countries. It is indeed nothing short of a miracle how the Bangalore temple has risen like a phoenix from the ashes of a perverted, malevolent, subversive culture which had replaced Your Divine Grace with unqualified ambitious, short sighted, rubber stamped, conditioned souls at the centre of your divine mission. That single temple has now morphed into a formidable organization truly representative of the divine mission of Your Divine Grace, much to the consternation of those who considered your sincere disciples their bête noire and vilified them no end, only for Your Divine Grace to make them eat humble pie.

The year gone by has been a momentous one in your mission. The Soulful Japa sessions have revealed a plan of Your Divine Grace to enhance the quality of our chanting the holy name through your sincere disciples. It has, in my humble opinion, ushered in the next spiritual revolution within your movement. It was your ardent desire and concern that your GBC should focus on improving the quality of chanting of the devotees, which now is definitely happening. These sessions have catapulted the devotees from listless, mechanical, burdensome, dry, inattentive chanting to dynamically involved, joyful, focused chanting. Surely this will snowball into a movement within your movement, which should please Your Divine Grace no end. That I am a beneficiary, albeit unqualified, of this revolution, does indeed gladden me no end.

On a personal front, Your Divine Grace has been very merciful to this fallen soul, forgiving me for my offences for which I had to suffer no end, being unable to chant properly or to repeat your words for the last couple of years. I have lived the word – mukam karoti vacalam. I had literally become a muka, but Your Divine Grace has

truly made this hopeless muka, a vacala- an unprecedented gesture of mercy from Your Divine Grace. And knowing me to be a weakling, you have placed me in the midst of the wonderfully bright and sincere devotees of Jaipur temple, making me a recipient of all their warmth and affection, which I least deserve for all the offences I have committed at the feet of Vaishnavas all these years. Despite the prevalent trepidation in the community due to my disrepute and offensive nature, devotees have welcomed me with open arms and are making me feel quite at home very easily. I cannot express my gratitude enough to Your Divine Grace or to the devotees for showering so much love and affection on this fallen soul. I only pray that I be of some humble service to all of them in return.

Your insignificant servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you.

In the last few years, we have been facing threefold miseries in the form of political pressures, financial crises, health issues, cyclones, pandemic, etc. This material world is a place of miseries and amidst sufferings, we conditioned souls are seeking temporary relief in the form of family and friendship. Although they seem to be giving immediate relief, they add more pain to the disease. In *Srimad Bhagavatam*, even atonement is seen as temporary relief. In your class on atonement, you have mentioned: In every scripture of the world there is atonement. Like in the Christian religion, their *prāyaścitta* is to confess. The Bible advises that we have to make some atonement and confess our sinful activities. In the same way, the Vedic scriptures also say that "Before death, we must make some atonement; otherwise we will continue in our next life." *tasmāt puraivaṣv iha pāpa-niṣkṛtau yateta mṛtyor avipadyatātmanā* (SB 6.1.8). "Before we meet our death." *doṣasya dr̥ṣṭvā guru-lāghavam yathā*. We have to make atonement according to the gravity of our sinful activities." *yathā bhiṣak cikitseta rujām nidānavit*. Just like *nidānavit*. *Nidāna* means an expert physician. He prescribes medicine and advises treatment according to the gravity of the disease. Similarly, we have to undergo atonement for sinful activities according to gravity. That is the treatment.

Hearing this, Maharaj Parikshit, being intelligent not only as a king but as a great devotee of Krishna replied, "What is the use of this kind of atonement?" *dr̥ṣṭa-śrutābhyām yat pāpamjānann apy ātmano hitamkaroti bhūyo vivaśaḥprāyaścittam atho katham* (SB 6.1.9) "Sir, what is the value of this atonement? If people continue to act sinfully, then what is the use of this kind of *prāyaścitta*?" This is a very intelligent question. Suppose a man suffering from venereal disease goes to a doctor and he prescribes some medicine and gives him some diagnosis that "You should live in this way, in that way." But after the disease is cured, immediately if he commits the same sinful act, then what is the value of the treatment? The same thing, *nāmnād balād yasya hi pāpa-buddhiḥ*. In every society, this is going on. In our Kṛṣṇa conscious society or those who are Vaiṣṇava, some of them are thinking that "I am chanting Hare Kṛṣṇa mantra, so if I commit some sinful act, then I shall again chant Hare Kṛṣṇa and it will be adjusted." And Christians also think like that, that "I may commit sins throughout the whole week, and on Sunday I shall go to the church and confess it. It will be counteracted." So this defective conclusion of the human society is interrupted here by the question of Mahārāja Parīkṣit. So people know that "There is resultant action of this kind of sinful activity. Just like a man who has stolen, committed theft, he sees that he is arrested or punished and put into the prison, but still he continues stealing. Similarly, we are hearing from the *sāstra* that: "*māmsa*, means, *mām sa khadati*. Therefore flesh is called *māmsa*. "The animal which I am killing, he will have the right to kill me and eat me." That is going on, repetition: "I kill you this life. Next life you kill me. In this life, you have become a cow or goat. Next time I'll become a cow or goat. You have the right to kill me." This is called *karma-bandhana*. Still one cannot get out of this atonement and sinful activity until he takes shelter of pure devotees and serves them without personal motives. Such pure devotees can purify even places of pilgrimages.

Although we are given the opportunity to stay in Jagannath Dham, we are not able to serve Dham in the way you have prescribed for people. We are unable to influence and change their hearts. There are non-vegetarian stalls on the grand road where Lord Jagannath moves every year to Gundicha temple on His *ratha*. People are fanatic

not to allow devotees in Jagannath temple, but do not prohibit drinking alcohol, smoking, and dancing, playing cinema songs in temple streets of Jagannath Puri.

Your mercy on them can definitely change such fallen people through *prasadam* distribution. Every year, thousands of people receive *prasadam* during Ratha Yatra. Unfortunately during this pandemic period, we are not able to do anything. We desire to have a *prasadam* distribution program daily on our campus. This is possible only by your mercy on us.

Lord Jagannath is famous as Patitapavan in Odisha. If He blesses, all the fallen souls like us will be able to offer some service to Jagannath Dham. People in Odisha and Bengal are mostly fish eaters but still, Lord Jagannath accepts their devotional services. We can realize their love for Jagannath in their hard work, cooking faithfully to Lord Jagannath, and offering Him 56 items daily.

Our prayers to you are to make us your sincere servants in preaching the message of *Bhagavad-gita* without compromise, and at the same time, being wise according to time, place and circumstances. We want the pilgrims to accept your pure devotee position and take your guidance in Jagannath Puri.

Please bless me to sincerely represent your teachings by practice, and be truthful to Vaishnavas and be a humble servant of Vaishnavas who gave me mercy to serve. Please guide me day to day in your services. Your younger disciples inspire us to remain enthusiastic in all circumstances.

Thanks for keeping me with your sincere followers.

Trying to be your servant,

Dear Srila Prabhupada,

In this very same Vrindavan Dham, you had come to participate in the Braja Mandala Parikrama organized by your spiritual master, Srila Bhaktisiddhanta Sarasvati Thakur. Every day devotees would be taken to different pilgrimage spots, *lilasthalis* of the Lord. One such day it was scheduled that Srila Sarasvathi Thakur will address the devotees, so you stayed to hear from your spiritual master; you did not go for *parikrama*, opining that you will hear your spiritual master.

Later Srila Bhaktisiddhanta acknowledged this quality about you and said, “He does not go away, he listens,” and he appreciated that you were always attentively hearing your spiritual master’s instructions.

In this regard, the sages of Namisharanya said this about Suta Goswami:

*vettha tvam saumya tat sarvam tattvatas tad-anugrahāt*

*brūyuh snigdhasya śiṣyasya guravo guhyam apy uta*

And because you are submissive, your spiritual masters have endowed you with all the favours bestowed upon a gentle disciple. Therefore, you can tell us all that you have scientifically learned from them. (SB 1.1.8)

Here, sages of Namisharanya appreciate the good qualities of Suta Goswami, which make him perfectly endowed to speak the *Bhagavata* before the sages. They appreciate his being the perfect disciple.

Just as Suta Goswami was blessed and endowed him with favours by his spiritual masters, you have been blessed by your spiritual master, Srila Bhaktisiddhanta. Just as Suta Goswami was blessed to speak the wonderful *Srimad Bhagavatam* to the sages, you have been blessed to spread the teachings of *Bhagavata* far and wide through your Bhaktivedanta purports. One cannot be a perfect spiritual master unless he is a perfect disciple. You were the perfect disciple of Srila Bhaktisiddhanta. You were the gentle disciple, the one who fully controlled in his senses, the perfect submissive follower. The entire truth of the *Bhagavata* was revealed to you by the blessings of your spiritual master.

Suta Goswami spoke the *Bhagavata* to great sages and blessed them with transcendental knowledge, but you are more merciful than Suta Goswami. You are ever-present in your books and are delivering even the most fallen conditioned souls of this dark age by injecting the transcendental message of *Bhagavata* into their ears. You are indeed the most merciful boat given by Krishna to us fallen conditioned souls.

We mortals cannot fathom your transcendental relationship with your spiritual master, but we can perceive the fact that you are indeed that gentle, pure and submissive disciple. Just as you were blessed by your spiritual master, please bless me that I may also become the gentle, pure and submissive disciple of Your Divine Grace.

Praying for your mercy to become your sincere servant,

Bharatarshabha Dasa - Vice President, Hare Krishna Movement – Vrindavan

My dearest Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet. All glories to Your Divine Grace.

The monstrous Covid 19 pandemic has created an unprecedented situation in the world where life and businesses have been disrupted badly. Even during such troubled times your words have authenticated that devotees who chant Hare Krishna are immune to the anxieties people go through. In fact, we realised this adversity of pandemic has come as blessing in disguise, as we are able to spend quality time on Soulful Japa sessions by His Grace Madhu Pandit Prabhu. Because of the able leadership of His Grace Madhu Pandit Prabhu, His grace Chanchalpathi

Prabhu and other senior Vaishnavas, today we are fortunate to have Your Divine Grace as our sole *diksha* guru in your own movement as desired by you. During these days we have great opportunities to hear your pastimes from senior Vaishnavas who are doing substantial service unto you. When we hear such glorification of your wonderful transcendental qualities, we feel blessed and understand how unworthy people like us are brought by you under the influence of the eternal potency of the Lord. Every sane man who hears about you or reads your books, will surrender to your lotus feet. I am personally aspiring and praying to be engaged in the service of those who have whole-heartedly surrendered unto you and became instruments in pushing your movement forward.

Srila Prabhupada, out of the limitless depths of your compassion, you have walked amongst the most wretched and sinful persons, humbly begging them to sing the holy name and further the spread of your mission through your sincere disciples. It is truly a miracle that you have even attracted persons as low and unfortunate as me into singing God's name. The Lord must be extremely pleased with you for carrying on the mission of Lord Chaitanya Mahaprabhu, leaving a legacy for us to follow and spreading the preaching by taking up chanting Hare Krishna *maha mantra*. I thank you for giving me the opportunity whole-heartedly and I beg to remain at your lotus feet eternally. Though I am most unqualified and unfit to be your disciple, you have chosen this fallen soul to lead the preaching work at Ahmedabad. I must beg for your mercy to discipline my thoughts, words and deeds at all time, places and circumstance, and to engage myself in the service of your empowered Vaishnavas, which will make you happy. Apart from pleasing you, my life is useless and meaningless.

In your teachings you have always emphasised a civilisation based on cow and land. We have around sixty cows and bulls in the service of Sri Sri Radha Madhav, and slowly we want to increase the herd. For that, we are in the process of acquiring the agriculture land where we intend to do organic farming and expand our *gaushala* activities. Please bless us to succeed in this endeavour. I sincerely pray unto Your Divine Grace that I can become an insignificant instrument in executing this new project.

Your fallen servant,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All Glories to Your Divine Grace, “*the saviour of the whole world and the ever well-wisher*”

Srila Prabhupada on the 124<sup>th</sup> Divine Appearance Day, I’m making an insufficient attempt to write a few lines of praise and gratitude as an offering unto your lotus Feet. Because such an attempt is only to be compared to showing a candle to the sun. Still, I am making a feeble attempt over here; please forgive me for my mistakes.

The spiritual master is considered as the representative of Krishna. In Bhagawad Gita Krishna says, that He is the proprietor of everything, and also the friend and ever well-wisher of all Living Beings; Srila Prabhupada, you would always sign in your letter, “*Your ever well-wisher*”. I used to wonder, what does this mean? Later I could understand, that unless we comprehend this principle we cannot properly practice our devotional life. Unless we have this faith unless we have trust that Krishna as well as the spiritual master, and their representatives, they are our ever well-wishers. That means whatever we surrender to them we should have complete faith that it is in our best interest. Whatever they asked us to do they are never trying to cheat us. They are never trying to exploit us. But they are our best friends, trying to help us and give us the greatest of all benedictions. We must have that faith. Otherwise, when the test comes we will fail. The test is when we have to surrender and at that point of surrender there must be trust, there must be faith. That yes, this person is my ever well-wisher.

Srila Prabhupada you used to tell us that if you want to make proper spiritual advancement you simply have to have faith in one thing, that your guru has not come to cheat you. Everyone else is cheating you. But your guru is not cheating you, he is your friend and he is giving to you only. He is only concerned with your interest. The guru is never exploiting you. The guru is the best well-wishing friend. Faith is the most important in our spiritual life. Faith that the guru is not coming to cheat us. Faith that Krishna is our friend and guru is His representative on earth. If we do not have this faith, we cannot make proper spiritual advancement. In the (Śvetāśvatara Upaniṣad 6.23) it is said,

*yasya deve parā bhaktir  
yathā deve tathā gurau  
tasyaite kathitā hy arthāḥ  
prakāśante mahātmanaḥ*

*One who has implicit faith in guru and Krishna that they are our friends and well wishers, all the imports of Vedic knowledge are automatically revealed.* So therefore we must very, very carefully cultivate the seed of faith within our heart. Therefore, we should never ever in our life tolerate hearing offenses which are minimizing the position of Krishna or our spiritual master because these words have a very, very deep effect on the subtle consciousness and create havoc to our faith. So therefore one must be very, very careful by the order of Krishna to protect his spiritual life, by protecting his faith, by maintaining the trust that “*guru is our ever well-wisher*” because Krishna is our ever well-wisher.

Ever well-wisher means “forever”; That means Srila Prabhupada you are not only the well-wisher of this life. Family, relatives and friends, they are our well-wishers. But their all well-wishing sentiments only survive for a few years. At the time they die or at the time we die, they are not any longer our well-wisher. In fact, they will not even recognize who we are! So we may have many well-wishers in this world. But only a pure devotee, who is acting on behalf of Krishna, can be our ever well-wisher. If we have this faith, then and only then, can we attain peace. Because then only can we accept that Krishna is the proprietor of everything and trust that we can give everything to Krishna. It all belongs to Him. I’ll use everything for His enjoyment because by doing so, it will be the ultimate service that I can do for all living beings and that is the ultimate benefit I can derive in my own heart and in my own life. I have that faith in you Srila Prabhupada, who is the representative of Krishna because after all, I can only love Krishna to the extent I will learn how to love my guru. If I love your divine grace and have faith and trust in you then there is no fear for me. And It can manifest only with firm faith in sadhu-sanga, associating with devotees who have faith, by hearing from them and by rendering service to them.

According to the Vedic system, on the birthday of the spiritual master the disciples conduct the ceremony called Vyāsa-pūjā, because the spiritual master is the representative of Vyāsadeva. Srila Prabhupada your descent to this material world is for the same purpose of Srila Vyasadev, *to spread the holy name of Krsna (Hare Krishna Mahamantra) and then distribute the message of Bhagawad Gita and Srimad Bhagwatham.* The worldwide Hare Krishna movement established by Your divine grace, very compassionately is actually providing the shelter and association of sadhus to all the fallen conditioned souls, who are lost in this ocean of material existence, thereby giving them the understanding that Spiritual Master and Krishna is our ever well-wisher friend, and we have to just surrender to them, and chant and hear the holynames of God *Hare Krishna Hare Krishna, Krishna Krishna Hare Hare; Hare Rama Hare Rama, Rama Rama Hare Hare.*

Srila Prabhupada, you were living the life of a sannyāsi, and you had no material wealth but you had an unlimited treasure house of love and compassion for every living being. You were begging for a ticket, on a steam cargo ship to New York City, to carry out the order of your spiritual master, to spread the message of Bhagavad gita in the English speaking world. You were not begging for the ticket for yourself, you were begging for all of us. You did not need anything. You had everything. You were living in Vrindavana in divine consciousness. Yet you sacrificed your comfort because you wanted to reach out to the world with the message of Krishna consciousness, thereby establishing the sankirtan movement of Lord Chaitanya Mahaprabhu.

In a span of 10 years, you had established a worldwide Hare Krishna Movement, with 108 thriving temples, with thousands of devotees chanting the holy name of Krishna. It was nothing less than a miracle. Completely contrast to a situation, which I remember reading in your biography, there was a time when you were the only book distributor, you would take the magazines and go from tea shop to store in your old age trying to convince people to accept the message of Krishna in the form of Back to Godhead. And in a few years’ time, you had become the

largest publisher of Indian Vedic literature in the history of the world, by establishing the Bhaktivedanta Book Trust (BBT). Sometimes distributing tens and thousands of Bhagavad Gita in one day. And for doing this what was your motivation? Selfless, unconditional love for your spiritual master and Krishna. Selfless unconditional compassion for all of us, to share the highest treasures of the spiritual world, which can be easily attained by simply dovetailing our propensities and life in a spirit of devotion toward Krishna and chanting His holy names. Srila Prabhupada for me this is your un-paralleled gift to humanity. harer nāma harer nāma, harer nāmaiva kevalam, kalau nāsty eva nāsty eva, nāsty eva gatiḥ anyathā. You would always say simply chant the holy names, clean your heart and feel the real joy of life. His Grace Sri Madhu Pandit Prabhu is the flag bearer of your divine mission of spreading the glories of chanting the Hare Krishna Maha mantra. We are greatly benefitting from his endeavor; In his Soulful-Japa module, I came across such a level of detailing, that I felt we can become a scientist of Nama Chintamani, after all, it is a science too.

I am eternally indebted and most grateful to you Srila Prabhupada for so kindly allowing this fallen soul to be engaged in serving you by assisting you in your great mission of compassion, which is the mission of Lord Sri Krishna Caitanya Mahaprabhu. And to whatever extent I have the fortune of sharing your teachings and your grace into others' lives, to that degree, I am your worthy servant.

So today on this auspicious glorious occasion of the appearance of your divine grace Srila Prabhupada, I take your mercy to my heart by simply accepting as a priority in our life the chanting of the names of the God attentively "Hare Krishna Hare Krishna, Krishna Krishna, Hare Hare; Hare Rama Hare Rama, Rama Rama, Hare Hare", and follow the regulative principles, take association of devotees, and share this great fortune with others. I beg for your mercy to always keep this fallen soul at your lotus Feet as I have no other shelter other than Your lotus feet.

Srila Prabhupada Ki Jai !

All Glories to Srila Prabhupada.

Your aspiring servant,

Janardhana Dasa - President, Hare Krishna Movement - Guwahati

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

Where can we find a soul more compassionate than you, a soul more merciful than you, a soul more kind as you, who is more softer than a rose in your dealings with everyone, more dedicated to the service of Krishna, a soul more humble, more grave, more respectful, more obedient than you, more tolerant, a soul more renounced, a soul more dear to Krishna, more sincere and hard-working, more bold and truthful, more expert in preaching, more scholarly, more daring than you in the service of the Lord; more accommodative, more dependable, more protective and caring than you; more delightful in serving Krishna and guru, more blissful, more entertaining, more inspiring personality, more charming than you; more artistic than you; more expert in cooking, a soul more knowledgeable, a person who can make the complex knowledge of the scriptures more easily understandable

than you, more scientific in explaining scriptures and the science of Krishna than you, more attractive than you and your talks and conversations, and last but not the least most pleasing servant of Radharani and Krishna, more pleasing servant of the guru parampara in this world.

One may wonder, is this a fanatic glorifying of a person and is it true that someone can possess all of the above qualities. Looks weird, isn't it? But actually the scriptures describe that the pure devotees of the Lord are embodiments of all divine qualities. What is listed is just an INTRODUCTION TO THE UNLIMITED QUALITIES OF A PURE DEVOTEE LIKE SRILA PRABHUPADA OR WHAT WE CALL THE TIP OF AN ICEBERG IN THE UNLIMITED OCEAN OF DIVINE QUALITIES OF A PURE DEVOTEE.

As the scriptures enjoin –

*yasyāsti bhaktir bhagavaty akiñcanā  
sarvair guṇais tatra samāsate surāḥ  
harāv abhaktasya kuto mahad-guṇā  
mano-rathenāsati dhāvato bahiḥ*

"One who has unflinching devotion for the Personality of Godhead has all the good qualities of the demigods. But one who is not a devotee of the Lord has only material qualifications that are of little value. This is because he is hovering on the mental plane and is certain to be attracted by the glaring material energy." (SB 5.18.12)

And glorifying the pure devotee purifies and advances one's Krishna consciousness. None of the above qualities are exaggerated, but true qualities displayed by Srila Prabhupada during his manifest presence in this world. There are many instances to explain each of those qualities exhibited by him. In fact, Prabhupada never claimed that he had any of those qualities but as his sincere followers and disciples, we have glorified him as our duty. It is also our duty to introduce the pure devotee to the world, as the *jivas* are searching for a genuine spiritual shelter. Where can they find any other shelter than your lotus feet, O Prabhupada?

Oh respected readers, please dive into the deep ocean of the divine qualities of a pure devotee and not just move on the surface of its ocean. Drown and drench yourself in the divine waters of the qualities of the pure devotees. Bathe in them, drink those ambrosial nectarine qualities which are the tonic for our diseased condition of material life, to make us forget material situation, being absorbed in this nectar. Please experience this personally by reading the pastimes of Prabhupada and you will agree with me. Thank you Prabhupada, for giving this opportunity to enjoy glorifying you and spreading your glories.

You have given the highest of everything in spiritual life - highest scripture – *Bhagavad-gita As It Is*, *Srimad Bhagavatam* and *Chaitanya Charitamrita*, the Supreme Lord Krishna, the greatest mantra-the Hare Krishna *maha mantra*, the most important *yuga dharma* - *Harinama sankirtana*, the best form of food – the delicious Krishna *prasadam*, the highest career – being a devotee of the Lord and engaging in His devotional service, which is aspired to by even Indra, Brahma and other great demigods and sages, the highest future - back to the Kingdom of God. Somehow, I should not fail to utilise these facilities in this life.

You have gone to places never imagined or even could be imagined by anyone in the world - Bowery street in New York, Russia, Germany, communist countries, Africa, Australia, Europe etc and approached people whom no one would even think of - the LSD, psychedelics, drunkards etc; and gave them Krishna *bhakti*.

People always want a living example of the *Bhagavad-gita* or *Srimad Bhagavatam* book. We emphatically say that it is you Prabhupada, that even today the world can see as a living Gita or Bhagavata, whom people can relate to and be inspired to follow. One on whom we can repose our faith, our loyalty, our trust, our surrender, our sacrifice, our very existence. So fortunate to have such a soul in this Kali Yuga. All glories to this Kali Yuga, for I do not know whether Prabhupad was there or will be there in other yugas in this world. This time we got the opportunity and let's get the full benefit of his association through his books, lectures, pastimes and meditation and service to the ISKCON movement.

The countries, continents and lands are purified by your touch, the food is purified by your honouring, the agricultural lands and crops are delivered by your accepting foodstuffs from them, the people across the world were purified by your mere presence, the water is purified by your touch, the utensils, paraphernalia, the *pancha bhutas* and minds, intelligence and egos of people are purified by your contact or association with them. So much so, that *Srimad Bhagavatam* openly says that even holy places of pilgrimage want the presence of pure devotees so that they become purified by their touch and even Ganga wants the pure devotee to bathe in her and purify her.

Angry people were calmed by your association, greedy people were fully satisfied in Krishna consciousness alone, lusty people were attracted to Radha's and Krishna's beauty, sweetness of *sankirtana* and tasty Krishna *prasadam*; envious people were pacified by your kind dealings, ambitious, passionate people were turned to create ambitions on their spiritual journey and in serving Krishna, thieves converted to devotees, drug addicts changed to Krishna addicts, sinful people were made into most pious spiritually elevated souls, ignorant people were turned into great speakers on *Bhagavata* philosophy, meat eaters were turned to compassionate souls, those who were not artists produced world-class paintings and pictures of Krishna, most souls uninterested in spiritual life became most serious in spiritual life, argumentative people were dumb-founded by your scientific Krishna conscious arguments. You defeated many intimidating difficult radio jockeys, interviewers, reporters by your intelligence, logic, reasoning and wit - the list is endless. In summary, you won over everyone's heart, Srila Prabhupada. Only you could do it and I see no one else who could do it. How can we satisfy all *jivas* and enchant them? It is such a difficult task, but you did it. All glories to Your Divine Grace.

All glories to this Kaliyuga to have hosted Srila Prabhupada, that it makes us wonder whether this is Kaliyuga or Satya yuga.

All glories to Mother Earth to have received Srila Prabhupada to walk across the length and breadth of her land.

All glories to all different countries that received Srila Prabhupada for they are now purified by the dust of his lotus feet.

All glories to all people, including strangers, followers, well-wishers, disciples, who met Srila Prabhupada, for they had the rare opportunity to meet, talk or even see the direct representative of the Supreme Lord. How fortunate they are!

All glories to technology, which was given the best use in the service of the Lord by you, Srila Prabhupada.

Just to reminisce on some of your divine qualities –

How Prabhupada, you brought about anxiety of separation from Krishna in a small child also, by your expert preaching!

“Prabhupāda received an invitation to Chief Justice of Madras, Vira Swami's home, during Feb of 1972. The two became friends, and the chief justice requested to join the Kṛṣṇa consciousness movement as soon as possible. He liked Prabhupāda's followers, especially three-year-old Sarasvatī, and gave her a six-inch silver *mūrti* of Kṛṣṇa playing the flute.

Another evening, Mr. Vira Swami came to see Prabhupāda, and Prabhupāda mentioned that he thought Sarasvatī too young to have such a valuable silver *mūrti* and that he had taken it from her and was going to give her another one. But while they were talking, Sarasvatī burst into the room and ran to her mother, crying, "Krishna is gone!"

Śrīla Prabhupāda then called her forward and asked, "Sarasvatī, where is Kṛṣṇa?"

In anxiety, Sarasvatī replied, "I don't know. Someone took Him."

Prabhupāda repeated, "But where is Kṛṣṇa?"

Sarasvatī replied, "I don't know."

"Is He under the cushion?" Prabhupāda suggested. And Sarasvatī ran over to the cushion Prabhupāda pointed to. She picked it up, but Kṛṣṇa was not there.

"Is He on the shelf?" Prabhupāda asked. Sarasvatī ran to the shelf. Her eyes darted in all directions.

"Where is Kṛṣṇa?" Sarasvatī began appealing to the faces of the devotees, glancing at their hands, looking behind their backs, searching everywhere.

Prabhupāda, intently watching Sarasvatī, began reciting a verse about the six Gosvāmīs: *he rādhe vraja-devī ke ca lalite he nanda-suno kutah*. "This is the mood of the Gosvāmīs," he said. "They never said, 'Now I have seen God. Now I am satisfied.' No, rather they were saying, 'Where is Rādhā? Where is Kṛṣṇa? Where are You all now? Are You on Govardhana, or are You under the trees on the bank of the Yamunā? Where are You?' In this way they expressed their moods of Kṛṣṇa consciousness."

Sarasvatī's anxiety had become heightened to the point of tears. One of the devotees then hinted, "Sarasvatī, where is Kṛṣṇa? Who has Kṛṣṇa?" Sarasvatī's eyes widened. She exclaimed, "Prabhupāda has Kṛṣṇa!" and she rushed up to Prabhupāda, convinced that he was holding Kṛṣṇa. And Prabhupāda reached behind his seat and pulled out a small Kṛṣṇa *mūrti* similar to the silver Kṛṣṇa he had taken from her.

"Here is Kṛṣṇa, Sarasvatī," Prabhupāda said. Sarasvatī was in ecstasy.

All the devotees were struck by Prabhupāda's exchange of devotional feelings with even a small child; by his expertise, he had created within her a mood of separation from Kṛṣṇa. Prabhupāda continued explaining to the chief justice about the mood of separation from Kṛṣṇa.

### Your compassion –

Govinda Dasi: On one particular afternoon in New Jersey, Srila Prabhupada was comfortably seated in a chair, and I was sitting on the ground beside him. He was softly chanting *japa*. Suddenly, beside my sitting place I saw a large brown slug in all its slimy ugliness. Somewhat repulsed I leaned away from the creature. Srila Prabhupada looked at me quizzically and I said: "Ugh, look at this," pointing to the slimy, sliding creature. **Srila Prabhupada leaned forward and looked at the slug, his face grew full of love and compassion, and he said to me: 'Chant to the poor creature,'** and so I sat there, chanting Hare Krishna to the slimy, yet benedicted slug for some time until he slithered away. He had incredible compassion even for the most abominable creature.

### Most merciful-

Even you are a drunkard and are fond of tasting wine, I recommend that you simply think: "This taste of wine is Kṛiṣṇa." That will make you a *yogī*, the greatest *yogī*. If you simply think this: "I am tasting wine-oh, a very nice taste-this is Kṛiṣṇa." Is there any loss if you think like that? This is Kṛiṣṇa consciousness."

Of course this does not mean that one should drink consciously,, but if one is addicted to drinking, even then they are not condemned if they take to Krishna consciousness because, by remembering Krishna, one is sure to become purified and give up drinking one day.

In this way, you showed mercy even to drunkards and did not reject them because of their bad habits. You are so accommodating and tolerant, Srila Prabhupada.

### Your respectful nature–

During his extensive preaching tours, he was usually greeted at temples by adoring throngs of devotees and guests. On one such visit to the New York City temple in 1976, as he strode gracefully down the centre aisle amid a multitude of beaming devotees assembled in the front lobby, they all paid obeisance to him, as is the custom when receiving a worshipable guest. At that time a young *gurukula* boy, who had innocently bowed down too far into the aisle, was eased backwards by the devotee next to him, so as not to obstruct the path. When Srila Prabhupada reached the boy, he stopped, placed his hand on his head and looked at him with affection, as if to make sure that his feelings had not been hurt. In this instance, and in all of his personal dealings, Srila Prabhupada treated everyone he met with the utmost respect, thus softening their hearts and rekindling their spiritual sentiments

**Your renouncement** - During Srila Prabhupada's years spent in Vrindavana preparing for his eventual journey to the West, he lived very simply in a tiny room in the courtyard of the Radha- Damodara temple. After preaching vigorously in the West for a number of years, Srila Prabhupada had access to much opulence, yet he never claimed any of it as his own and used every penny in the service of Krishna.

Srila Prabhupada you once have said,"There is a need for the science of Kṛiṣṇa in human society for all the suffering humanity of the world, and we simply request the leading personalities of all nations to take to the science of Kṛiṣṇa for their own good, for the good of society, and for the good of all the people of the world." So it is confirmed herein by the example of Mahārāja Yudhiṣṭhira, the personality of goodness. **In India the people hanker after Rāma-rājya because the Personality of Godhead was the ideal king and all other kings or emperors**

in India controlled the destiny of the world for the prosperity of every living being who took birth on the earth. By your desire this will come true even now in the near future.

Please give us the necessary strength to preach and practise Krishna consciousness nicely.

I beg pardon for all the offences committed at your lotus feet and unto the feet of all Vaishnavas.

Begging for your kind mercy upon this fallen soul. Please accept me. By the strength of your mercy I will be able to serve you and the Supreme Lord Krishna and Lord Chaitanya eternally and learn to respect all Vaishnavas and every living entity.

Your insignificant servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet and all glories unto you.

Thank you Srila Prabhupada for giving me the opportunity of serving the divine mission of Lord Chaitanya for one more year. I pray to you to please bless me that may I continue in my services day after day and year after year without any break.

*Hari-bhakti-vilasa* 1.34 glorifies pure devotees with these qualities: A person who desires to learn the science of devotional service should take shelter of an *acarya*; who is a knower of the Vedas; who has conquered the six enemies – lust, anger, greed, illusion, pride and envy; who has intense devotion for the lotus feet of the Lord Sri Krishna; who knows the rules and regulations that must be practiced on the path of pure devotional service and that are described in the Vedas and *Pancaratra*s; who is respected by other saintly persons; and whose senses are fully under control. He should then serve the *acarya* with his body, mind and words.

By the mercy of Lord Krishna we are fortunate to have you, who possesses all the qualities mentioned in the above verse. *Srimad Bhagavatam* also describes the symptoms of a disciple in the verse SB 11.10.6:

The servant or disciple of the spiritual master should be free from false prestige, never considering himself to be the doer. He should be active and never lazy and should give up all sense of proprietorship over the objects of the senses, including his wife, children, home and society. He should be endowed with feelings of loving friendship toward the spiritual master and should never become deviated or bewildered. The servant or disciple should always desire advancement in spiritual understanding, should not envy anyone and should always avoid useless conversation.

I aspire to develop these qualities and become a sincere servant of Your Divine Grace.

When I see different devotees offer homages in various wonderful ways, I always feel that I could not possess those qualities in me, to present my thoughts similarly. When I sit to write the offering, many thoughts cross my mind, but because of my limitation in expressing, I am not able to fully present them. Please forgive me. Whatever I am today, it is only because of your mercy. Whatever I have learnt in these years, or am still trying to

learn/understand, is only by your blessings. Just as Lord Brahma is praying to Lord Krishna that in his endeavour for creation he does not become proud and lose the opportunity, similarly I am also praying to you to please protect me from the unwanted desires, pride and so on. Your Divine Grace is continuously teaching us through your books, lectures, your pastimes, through devotees' narrations, revelations, senior devotees. Let me be attentive in understanding your desires and be competent to execute my services sincerely and seriously.

Please bless me that I may have intense desire for chanting the holy name of the Lord with eagerness, that I appreciate other Vaishnavas, relish the association of senior Vaishnavas and have commitment for practicing *sadhana*.

Your insignificant and most fallen servant

Dear Srila Prabhupada,

Please accept my humble obeisance unto the dust of your lotus feet. All glories to you.

On this most auspicious occasion of Vyasa Puja, I am one of the most fortunate ones to submit this offering. Even though I do not see an iota of qualification in me to make this offering, but it is the kind mercy of Your Divine Grace that I am again and again getting this great opportunity every year to glorify you; the grand spiritual master of this world, who is the most dear devotee of Lord Sri Krishna. I cannot fathom the quantum of fortune I have got to have your divine association in this life day after day. And I am trying to understand this immense mercy and your glory since the time I started coming to Krishna consciousness. On this day let me recount one fortunate incident that has been one of the factors in being blessed by your association.

In the year 1999, I had got into a professional college. This was the beginning of my freedom from parental or family care, as I was being exposed to a new way of life in college and with college friends. In school days we are much restricted by parents. But in college, we get to explore and see the world with much freedom. I was getting exposed to many material enjoyments and allurements. And at the same time, I was, in the depth of my heart, looking for spiritual knowledge. It was at that time, I had purchased *Isopanishad* written by some *mayavadi*. I was very inquisitive to know the Vedas, the classic Indian texts. However, I was stuck in the very first invocation prayer, *om purnam adah purnam idam* verse. For a college student like me, who had no spiritual training till then, this was very a complicated *tattva* to understand. Over and above, the author's explanation was so confusing. So I was trying to contemplate on the verse to decipher the meaning of the *shloka* day in and day out. Even in my college classes, while travelling by bus, while eating I was trying to figure out what is the meaning of the verse. The author was explaining about illusion, rope, snake that was very difficult for me to understand and connect with the actual verse. There seemed a complete disconnect with what the author was saying and with what the real verse was.

In that confused state, I attended a lecture on *Bhagavad-gita* in ISKCON Bangalore. Fortunately, I had started attending the classes in the temple at the same time. In that particular class, the devotee who was speaking, suddenly took up the *Isopanishad* invocation verse in the midst of explaining the *Bhagavad-gita shloka*. It was totally unexpected. I was surprised at how the devotee knew that I am inquisitive about this *shloka*. The devotee

explained that verse so clearly. At that moment, in a few seconds, I could understand the verse with so much clarity. I was in so much mental stress to understand this verse for so many months. But a few seconds of the devotee's explanation had made all the clouds in my mind vanish. It was such a relief to me. With a positive feeling, confidence and relief, I purchased *Isopanishad* book from ISKCON temple counter and started reading. When I read the translation given by you and the purport to this verse, the meaning was so clear. I could understand and accept that the Supreme Lord who is transcendental, is complete and that many complete units are emanating from that complete. And this is due to His being transcendental in nature. On that day, I was shocked to see the coincidence between my deep inquiry and the matching answer that I received. I was unable to understand how this coincidence could happen. How could that speaker know my inner inquiry? At that time I was so happy and I developed deep faith in your divine books (and institution), that they are the solution for all my questions. Your Divine Grace had mystically and mercifully brought me to your association and provided me the answer. This was all your mercy and through your mercy I could get the Lord's mercy in getting the answer to my inquiry. Thank you very much, Srila Prabhupada, for that reciprocation. And every time I read your books, I can feel your reciprocation, that you are guiding me through these books which appear to be really living in terms of the reciprocation. The connect and coincidences have only increased through the years.

In one of the *Srimad Bhagavatam* purports, you have mentioned, "The perfection of transcendental life can be achieved simply by touching the holy dust of the lotus feet of a holy man." And in another place you have mentioned, "Somehow or other, if one meets a saintly person and achieves his favour, then the entire mission of one's human life is fulfilled." I am so fortunate to have this touch and association through the dust of your lotus feet, through your divine books. Even though I was wandering like a goalless beggar, Your Divine Grace mercifully brought me to your association and blessed me with Krishna consciousness.

In spite of these great fortunes and your causeless mercy, I am not serious in Krishna consciousness. Even though you have given me so many wonderful opportunities, I am unable to take advantage of it. I am unable to follow all your instructions. I am becoming my own enemy with enjoyment tendencies, material attachment and weakness of heart. Dear Srila Prabhupada, kindly help me in removing this self-enemy of false enjoyer and become your true servant.

In one of the purports to *Srimad Bhagavatam* you have mentioned, "In Viśvanātha Cakravartī Ṭhākura's eight stanzas of prayer to the spiritual master, it is clearly stated that simply by satisfying the spiritual master one can achieve the supreme success in life, and in spite of executing all ritualistic performances, if one cannot satisfy the spiritual master, one has no access to spiritual perfection." It is a great fortune for me in this life that simply by satisfying you, I can satisfy Lord Krishna. It is not easy to satisfy the Lord, as He is inaccessible to us. But by your mercy, we have the fortune to satisfy the Lord. I want to develop great faith in this and make my life centred on this.

Dear Srila Prabhupada, please bless me to follow this instruction of yours sincerely. I beg Your Divine Grace to forgive me for all the offences that I have committed at your lotus feet and to keep me always in your service. I also beg all devotees to forgive me for all offences that I have committed to them so that I can improve my services to you.

Your unworthy servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

But for the transcendental knowledge that you have mercifully revealed, all of us would be perplexed about the prevailing situation in the whole world today.

You have revealed that everything that happens in this world is in the complete control of the Lord and nothing happens without His sanction.

That is a great solace to all the devotees, who take this opportunity to depend more intensely on the Lord for their ultimate protection.

Though the prevailing pandemic is a difficult situation for the whole world, devotees per se have benefitted a lot by diving deep into your books, listening to your lectures, unprecedented online preaching, attending online sessions by senior Vaishnavas every day and also trying to improve their quality of chanting by the expert guidance of His Grace Madhu Pandit Prabhu's Soulful Japa sessions.

Srila Prabhupada, you have taught the art of turning every situation into an opportunity for increasing our dependence on the Lord, leading to purification and spiritual progress.

Covid warriors' cars have a Covid Pass stuck on the wind screen saying " On Urgent Covid Duty."

Whenever I see this, I always remember how Your Divine Grace is always "ON URGENT PREACHING DUTY" to save the entire Humanity from the deadly pandemic called MATERIALISM , MAYAVADA and SHUNYAVADA.

You are so anxious to save the conditioned souls from this danger, that You did not care for even the bare necessities of your transcendental body and burnt the midnight oil to dictate the Bhaktivedanta purports, replying and guiding devotees through your letters.

You continuously travelled, established Krishna temples, lectured, managed your great institution, and guided devotees in all aspects of Krishna consciousness and BUILT A HOME IN WHICH THE WHOLE WORLD CAN LIVE IN.

You are relentless and tireless and uncompromising in this matter of urgency of alleviating the suffering of mankind and delivering them.

You are the ocean of mercy and the Lord and master of the devotees.

Nothing but a strong blow of your mercy can wake me up from the deep slumber and ignorance of lust, laziness, sleep, pretention, procrastination and material conception.

I am a rebellious and offensive soul.

Please give me an attitude of simplicity, submissiveness and sincerity towards your institution and your devotees.

I beg pardon from all your Vaishnava devotees for all my offences.

There is no other hope for me.

Dear Srila Prabhupada, please save me from falling away from the shelter of your lotus feet.

May your glories be proclaimed throughout the three worlds.

Your fallen, pretentious, ungrateful soul,

Radhakanta Dasa - General Manger, ISKCON – Bangalore.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. Certainly there is no one more worthy of glorification than you, especially on this most auspicious day of your appearance in this world. You have appeared to succeed in the mission of Lord Sri Chaitanya Mahaprabhu and Lord Sri Krishna for the same reason for which They appeared from the spiritual world as stated in the *Bhagavad-gita* (4.8):

*paritranaya sadhunam vinasaya ca duskrtam*

*dharma-samsthapanarthaya sambhavami yuge yuge*

I would like to express my sincere gratitude and appreciation for engaging us in your devotional service. Devotional service to you and rendering service unto you by following your instructions and under direction of proper authority, is the only real mission of our life. Our independence from that position is our downfall in our spiritual life.

Srila Prabhupada, thank you for giving us the opportunity of hearing, chanting and preaching, distributing books and *prasadam* and serving Sri Sri Radha Krishna Deities in the temple. This is the most wonderful and fascinating commitment in our life. We are your disciples by your mercy but we don't at all feel qualified to serve you or be with you. Actually, we can't understand you at all. We don't think of ourselves as your exclusive servants. We are simply aspiring to become the servant of the servant of your servant. If Krishna will accept a little service in this way, that will be a great benediction to us. You have kindly placed us under your care and we feel safe and connected to you in this way. What more do we actually require in this life? There is no higher happiness than preaching on your behalf with the mind absorbed in you. There is no greater goal than to perfectly execute each instruction given by Your Divine Grace.

We are longing for the day when we will no longer be attracted by any subtle or gross forms of materialism, when there will be no bewilderment due to pride and false prestige, and when we will have a drop of potency to convey your message and convince people to join Krishna consciousness. Srila Prabhupada, please allow us to fully purify ourselves by serving you and please give us the benediction that we will never ever leave your service.

Your servant,

Radhaprana Dasa - President, Hare Krishna Ashram – Penang, Malaysia

Dear Srila Prabhupada,

Hare Krishna, Please accept my humble obeisance. All glories unto you, Srila Prabhupada.

Every year of Krishna consciousness has been more thrilling than the previous year and accompanied by huge learning to develop humility. Travelling and preaching to different cities of North India gave me lot of maturity in devotional service. Later, travelling to Kathmandu opened a new avenue to think differently for delivering the message of Krishna consciousness in a different setup. Altogether the services gave an exposure to think out of the box and endeavor to achieve the assigned task successfully, depending on your kind mercy all the time. This whole experience was befitting for me to completely take shelter unto your lotus feet, anticipating your causeless reciprocation to complete my services for your divine pleasure without getting carried away by name and fame and attachment to luxuries.

I have been blessed to have the wonderful and great association of the exalted senior devotees guiding the whole movement and the devotees relentlessly and tirelessly, in spite of various challenges that come about in the course of executing the duties of management of the temple affairs in the material world.

As *chaitya guru*, you keep guiding all the devotees who are willing to take your help and instruct externally through your divine association and the senior devotees' lectures, and trying to build a good spiritual society without mundane politics. But Maya always keeps posing challenges to check the stability and intensity of our eagerness to continue Krishna consciousness and Srila Prabhupada's instructions without deviation, and to purify all the devotees, especially those in management, who are handling the services to guide the community towards a holistic and all-inclusive goal, of giving opportunity and engaging every devotee in the service of the Lord. In this process, some devotees who are not spiritually strong will commit blunders of Vaishnava *aparadha* and risk losing Krishna consciousness.

I see the power of Maya daily, where she greatly influences the practicing devotees in all our centers, who are getting gradually trained and exposed to the culture and spiritual standards of our temple organization, and infects them too much with envy, jealousy of other devotees due to pride, hatred and seeking power in the organization without endeavoring to practice humility.

The day the devotees start doing soulful *japa*, your movement will be filled with good-spirited devotees completely focused on serving your lotus feet, adhering to the instructions of the superior authorities, to help further the activities in the mission of the Lord, instead of becoming prey to Maya's tactics.

Service to Sri Sri Radha Gopinathji and Sri Sri Nitai Gauranga has been blissful and I am very fortunate to have the opportunity to render my services unto your lotus feet, in spite of being unqualified in all respects. From the point of allowing me as a full time missionary, making me your disciple and rendering the most intricate, delicate, complicated and tough service of a Temple President. I have been trying to maintain a humble and servant attitude without getting puffed up. But due to the disqualification of my sinful nature and offensive mentality, it has not been successful. So, I beg for your unlimited mercy to keep me grounded always, to the reality of my actual position as a unworthy disciple of yours. As of now you can see no good quality in me, Srila Prabhupada. There is unlimited scope for me to learn from all Vaishnavas and improve every day, to develop all the good qualities of a devotee. I am the most neophyte devotee in the whole organization.

Even though we have great scope for preaching in USA, I need more spiritual strength to overcome the forces of Maya and to be able to derive inspiration from Your Divine Self and the senior devotees, to create new standards for the temple you have allocated me to manage. I feel sorry for all those who may miss serving your lotus feet and get into unnecessary traps of their own mind or negative influences. Please bless me to be always careful and not fall down or be allured by the so-called glorification/*guru bhava* and power-seeking tendencies. I beg to seek your constant guidance to use the power rightly, to exclusively and only serve your cause with high accountability, maintain high transparency and to strictly not allow any non-devotional behavior in the community as part of my assigned spiritual roles and responsibilities. As soon as there is power, there will be so many who would always try to pull us down. I take this as your mercy to purify me, as a reaction to my past misdeeds and I am completely responsible for it.

This year you have bestowed more mercy for this fallen soul to engage in all the services of the temple and realize my position as a servant of the servant of the servant, a hundred times removed.

I am eternally indebted to you for engaging me in full time devotional service, as I have realized that when there is a lot of free time and no positive devotional engagement, then the idle mind works like a devil's workshop and may unnecessarily harm the community and other devotees. There are so many services which can be rendered in the temple and I feel there is lack of time for completing the tasks. The greatest benefit that I have derived by being part of the temple, is understanding how to live in a temple and devotional atmosphere, which runs as an organization to facilitate services to all devotees, in order to develop humility as the biggest project of our lives, getting completely absorbed in Krishna's service.

My only prayer is to make me fully conscious and realize this statement of Sri Chaitanya Mahaprabhu and getting this etched in my heart eternally, so that there is a place made for your lotus feet and Nama Prabhu's lotus feet to reside in my currently polluted hear,t replete with desires for sense gratification.

*tṛṇād api sunīcena taror api sahiṣṇunā  
amāninā mānadena kīrtanīyaḥ sadā hariḥ*

"One can chant the holy name of the Lord in a humble state of mind, thinking himself lower than the straw in the street. One should be more tolerant than the tree, devoid of all sense of false prestige and ready to offer all respects to others. In such a state of mind one can chant the holy name of the Lord constantly." (*Śikṣāṣṭaka* 3)

My only wish is to simply follow the orders of my superior authorities, to please them with my services to the best of my ability, without making any Vaishnava offenses and be like a faithful dog in your mission, under the care of your senior disciples, until the end of life. I would always like to seek guidance and blessings of senior Vaishnavas, to help develop strong spiritual standing, to take up more responsibilities in serving your mission in a humble state of mind.

Even with an iota of the devotion of the senior devotees bestowed upon me, I consider myself to me the most fortunate soul.

Your most fallen servant,

Shuklambhara Dasa Brahmachari - President, India Heritage Foundation – New Jersey, USA

Dear Srila Prabhupāda,

Please accept my humble obeisance unto your divine lotus feet. All glories to Your Divine Grace.

I am indebted to you, Srila Prabhupāda, to be a part of your glorious Hare Kṛiṣṇa Movement.

I do not have a trace of any Vaishnava quality and am full of faults, weaknesses and offenses, but you still retain me in your services and continue to reciprocate mercifully with me. I do not know why. It is purely out of compassion for this fallen conditioned soul.

In the *Śrīmad-Bhāgavatam*, Sri Prahlāda Maharaja offers prayers to Lord Narasimha Dev :

*evam janam nipatitam prabhavahi-kūpe  
kāmābhikāmam anu yah prapatan prasaṅgāt  
krtvātmasāt surarṣiṇā bhagavān grhītaḥ  
so 'ham katham nu visrje tava bhṛtya-sevām*

"My dear Lord, the Supreme Personality of Godhead, on account of my association with material desires one after another, gradually I have now fallen in the blind well full of snakes. But Your servant Nārada Muni kindly accepted me as his disciple and instructed me how to achieve this transcendental position. Therefore my first duty is to serve him. And how can I leave it?" [ *Śrīmad-Bhāgavatam* 7.9.28]

Only by your causeless mercy, Srila Prabhupāda, could I get any idea of Kṛiṣṇa consciousness and only through your transcendental love, my attachment for Lord Sri Kṛiṣṇa can develop.

What could I offer to Lord Kṛiṣṇa?

He is Ātmārāma and resides in the spiritual world, where He is always served with great reverence and affection by hundreds and thousands of goddesses of fortune.

What could I ever do to please Kṛiṣṇa?

You were pleased even by the awkward attempt of His child, trying to walk. Thus by your mercy only, Kṛiṣṇa granted devotional service.

Your mission is so great, Srila Prabhupāda, and I am so insignificant, but still you have engaged me in preaching, in the same spirit expressed by Sri Prahlāda Maharaja.

I pray to remain eternally engaged in your loving service and to help others, which is the same life that you have given me.

On this auspicious occasion, I have one prayer, Srila Prabhupāda:

Let me decide to follow you, repeat your message, serve your mission and have your association, through your glorious institution.

If you so desire, please give me spiritual strength to follow *sadhana* programme strictly, follow four regulative principles and chant Hare Kṛiṣṇa *mahamantra* offenselessly, following your innumerable nectarine instructions.

I beg Your Divine Grace to forgive me for all the offences that I have committed at your lotus feet.

I also beg all my God brothers to forgive me for any offenses that I have committed to them, so that I can improve my services to you.

Trying to be your servant,

Sridham Krishna Dasa - General Manager, ISKCON – Bangalore.

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet on this most auspicious appearance day anniversary of Your Divine Grace.

In the *Srimad Bhagavatam*, King Parikshit Maharaja says:

*muktanam api siddhanam*

*narayanan - parayanam*

*su- durlabha prasantatma*

*kotiv api maha –mune*

O great sage, among many millions who are liberated and perfect in the knowledge of liberation, one may be a devotee of Lord Narayana, or Krishna. Such devotees, who are fully peaceful, are extremely rare. (SB 6.14.5)

This verse clearly states that pure devotees are extremely rare even among millions of liberated and perfected beings. Is it not the greatest fortune of this world, that a pure devotee like you came from the spiritual world, just to deliver the fallen souls in fulfilment of Lord Chaitanya's mission:

*tate krsna bhaje, kare gurura sevana*

*maya-jala chute, paya krsnera carana*

If the conditioned soul engages in the service of the Lord and simultaneously carries out the orders of his spiritual master and serves him, he can get out of the clutches of *maya* and become eligible for shelter at Krishna's lotus feet. (CC *Madhya-lila* 22.25)

*sri guru karuna sindhu,*

*sdhama janara bandhu,*

*lokanath, lokera jivana,  
ha ha prabhu koro doyo deho more pada-chaya,

O spiritual master, ocean of mercy and friend of the fallen souls, you are the teacher of everyone and the life of all people. O master! Be merciful unto me and give me the shade of your lotus feet. May your glories now be proclaimed throughout the three worlds.

*karpanya dosopahata svabhavah prcchami tvam

Now I am confused about my duty and have lost all composure because of miserly weakness. In this condition, I am asking you to tell me for certain what is best for me. Now I am your disciple and a soul surrendered unto you. Please instruct me.

You are the only person who can best guide me. You are the only person suitable to give *diksa.kovidaih* : expert person, in the study of the revealed scriptures, knows process as *diksa*. All glories to your auspicious 124<sup>th</sup> appearance on this planet. Your glorified appearance is to deliver and continue to deliver the countless conditioned soul from the mire of material existence and show them the path back to Godhead. Please shower your causeless mercy upon me and guide me to the path back to Godhead.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to Your Divine Grace.

Srila Prabhupada, you wrote in a letter in 1972 about tolerance and not fault finding:

*'Devotee means he is able to tolerate all kinds of discomfort and whims of the material nature, and because he is too much absorbed in serving Krishna he takes no time to become angry or take offense with others or find out some fault. No. Devotee means very liberal and kind to everyone, always gentleman under all kinds of conditions of life.'*

And in another letter in 1969, you wrote about the right 'Vaikuntha attitude' we should all develop:

*'This is called Vaikuntha attitude. In the Vaikuntha factually there is no fault in anyone, but there is another type of competition. The competition is that one devotee thinks of other devotees how nicely they are serving the Lord. In the material world the attitude is that everyone likes to think that I am doing better than others. This is material conception. In the Spiritual Sky it is just the opposite: Everyone thinks that my contemporary devotees are doing better than me.'*

*We are trained to address Godbrothers as Prabhu, which means Master. This means we shall try to find out always the serving side of our Godbrothers. Sometimes there are misgivings, but we should try to overlook.'*

You guided us in knowing how our only tie is 'Love of Godhead' and how we have to be careful to create an atmosphere where no one feels maltreated:

*'Otherwise, I have received one complaint from an Indian devotee at Mayapur, Prabharupa Das Brahmachary, that he is maltreated by our American devotees. Kindly inquire into this matter and do the needful. Either Indian or foreign, whoever joins us they are not under any obligation, our only tie is Love of Godhead. It should be our definite policy that nobody is ill-treated such that he may go away. We recruit a person to join us after spending gallons of blood. Everyone comes for reformation, you cannot expect everyone to be perfect, rather it is our duty to make everyone perfect as far as possible. So we shall be very much cautious and careful in this connection.'*

Srila Prabhupada, please guide me to inculcate these values in myself and others so that we can all develop a 'Vaikuntha attitude' to enthusiastically serve Their Lordships Sri Krishna Balarama.

Begging to be your eternal servant,

Vikram Krishna Dasa - President, India Heritage Foundation – Sunnyvale, California, USA

Dear Srila Prabhupada

Please accept my humble obeisance. All glories to Srila Prabhupada.

Dandavats and Hare Krishna.

I would like to express my heartfelt greetings to you Srila Prabhupada on this most auspicious occasion of your appearance day.

One hundred and twenty four years ago, you appeared physically in this world, and in 1977, exactly 43 years ago, you disappeared physically from this material world. When you appeared I was nowhere present in this current physical form and when you disappeared I was too young to even recognize your physical presence.

But when I'm writing to you this Vyasa Puja offering in the year 2020, neither of the above mentioned details have any relevance to my relationship with you.

If I wish to take your association, guidance and shelter, you are always available for me and you have personally manifested your presence through your instructions, books, teachings and through your organization always.

Your teachings which appear to non-devotees as abstract, appears so real to me, that I experience the presence of your personality through the consciousness which you left behind in your teachings, books, lectures, devotees and temples.

You always said in all of your teachings that the holy name and the willingness to surrender to Guru and Krishna will elevate a person to experience Krishna consciousness.

This is the essential secret to touch you, feel you and experience you, dear Srila Prabhupada. I pray that I develop this ability to surrender to you and Krishna so that I can experience your consciousness, which I suppose is the ultimate consciousness or Krishna Consciousness.

In the Vaishnava *bhajan Ohe Vaishnava Thakura* composed by Srila Bhaktivinoda Thakura he says:

*krsna se tomara, krsna dite paro,  
tomara sakati ache  
ami to' kañgala, 'krsna' 'krsna' boli',  
dhai tava pache pache*

Krishna is yours. You have the power to give Him to me. I am simply your servant running behind you shouting, "Krishna! Krishna!"

So please, dear Prabhupada, I pray that you grant me this wish that I may always be guided and led by your remembrance and instructions.

This year 2020 has been a tumultuous year for the whole world. The various material challenges that the entire world is facing is unprecedented. Personally too it has been a very challenging year for me. Various issues have taken a tremendous toll on me and it is only through your mercy that I have been able to sustain myself in this journey. Although I do not warrant or deserve to receive any of your mercy or guidance, yet your benevolence has no precedent or reason. You simply bestow your causeless mercy on fallen souls like me.

In your mission to establish Krishna consciousness all over the world, you underwent unprecedented *tapasyas*. Please give me a small speck of this strength of character that you possessed, to suffer all types of trials and tribulations, but continue in your mission undaunted and establish Krishna consciousness all over the world.

The current as well as the upcoming times are going to be very challenging. We will have to adopt new methods of preaching, we will have to evolve different approaches to establish and reach out to people in ways that we have never done before. In this new and unknown journey, your guidance and presence is all the more important and relevant. Simply said, you are indispensable; without your guidance, we all, as your disciples, will be lost in the ocean of material existence. Please take charge of this ship as you have been doing, from the time of creation of your Krishna consciousness organization and guide us rigidly to abide by your instructions and teachings.

The whole world, in spite of passing through these trying times, is still nowhere near to understanding the importance or relevance of Krishna consciousness. They are on their own material trip, completely oblivious to real reasons of material misery. In this dismal scenario, you are our only hope and guide. I pray to you to be present with all your disciples and take charge and guide all us from this difficult period of existence.

As mentioned in the *Srimad Bhagavatham*:

*tvaṁ naḥ sandarśito dhātrā*

*dustaraṁ nistitīṛṣatām*

*kalim̐ sattva-haraṁ puṁsām*

*kaṛṇa-dhāra ivārṇavam*

## TRANSLATION

We think that we have met Your Goodness by the will of Providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being.

I request you to kindly become the captain of our ship and guide us from this most miserable material world.

Praying once again for your causeless mercy and shelter at your lotus feet.

Your unworthy servant,

Vyomapada Dasa - President, Hare Krishna Movement – Bhilai.

My Dear Srila Prabhupada,

Please accept my humble obeisance at the dust of your lotus feet.

I am feeling very blessed to have one more wonderful year of enhanced spiritual understanding and getting deeper into self-realisation on my journey of eternal life, under the “shelter of your care and your expert guidance,” in the form of your institution and your sincere disciples who are all seriously and eagerly aspiring to serve you. My sincere prayer to you on this auspicious occasion of your 124th appearance day, is that you please always keep me in the association of your sincere disciples, life after life.

Srila Pabhupada, you are the *senapati bhakta* of Sri Chaitanya Mahaprabhu. Just like Lord Chaitanya who is known as *patita-pavana* – who appeared just to deliver the most fallen, similarly Srila Prabhupada, in your manifest pastimes especially during the initial years of your lone struggle to establish the movement in America, you moved to Bowery ( the most horrible place with unspeakable corruption even in the consciousness of all the American nationals) for carrying on the mission of your spiritual master Srila Bhaktisiddhanta Saraswati Goswami Prabhupada. The Bowery is actually not a place for a gentleman. The Bowery is known all over the world as “Skid Row,” a place of ruined and homeless alcoholics. Thefts were commonplace; a man's pockets might be searched ten or twenty times while he slept. Your only mission to go to America and to begin preaching the topmost philosophy of Krishna consciousness in a place like Bowery, is your unlimited causeless mercy for delivery of the most wretched souls and your display of unlimited compassion- *sri guru karuna sindhu adhama janara bandhu*. All this stands as a testimony to the world, as a history forever, that you are truly the commander-in-chief of Lord Chaitanya’s army.

Srila Prabhupada, you mention in one of your Bhaktivedanta purports in *Srimad Bhagavatam*: “Anyone who is fixed in the service of the lotus feet of Govinda is called *tīrtha-pāda*; he does not need to travel on various pilgrimages, for he can enjoy all the benefits of such travel simply by engaging in the service of the lotus feet of the Lord. Such a pure devotee, who has implicit faith in the lotus feet of the Lord, can create sacred places in any part of the world where he decides to remain. *Tīrthī-kurvanti tīrthāni* (SB 1.13.10). The places are sanctified due to the presence of pure devotees; any place automatically becomes a place of pilgrimage if either the Lord or His pure devotee remains or resides there. In other words, such a pure devotee, who is engaged one hundred percent in the service of the Lord, can remain anywhere in the universe, and that part of the universe immediately becomes a sacred place where he can peacefully render service to the Lord as the Lord desires.”

Srila Prabhupada, you have transformed all those places across the globe wherever you travelled during your manifest pastimes, to sacred places or *tīrtha* and anyone even now travelling to these places and following your instructions, performing devotion to Lord Krishna in these places, has the same opportunity to elevate himself as a pure devotee. This is again a demonstration of your unlimited compassion to deliver all the fallen souls of this *Kali yuga*.

Lord Chaitanya Mahaprabhu in His *Siksastaka* has instructed us all- *anandambudhi vardhanam* - spiritual happiness is the ocean of happiness which increases constantly— as one of the progressive experiences, a *sadhaka* can actually feel in his spiritual journey. The more we enter into that spiritual bliss, the more we become joyful.

In the *Sri Sad-goswamy-astaka* by Srila Srinvasa Acharya- the six Goswamis of Vrindavan have been very nicely glorified as follows:

*śrī-gaurāṅga-guṇānuvarṇana-vidhau śraddhā-samṛddhy-anvitau*  
*pāpottāpa-nikṛntanau tanu-bhṛtām govinda-gānāmṛtaiḥ*  
*ānandāmbudhi-varধানaika-nipuṇau kaivalya-nistārakau*  
*vande rūpa-sanātanau raghu-yugau śrī-jīva-gopālakau*

“I offer my respectful obeisance unto the six Gosvāmīs, namely Śrī Rūpa Gosvāmī, Śrī Sanātana Gosvāmī, Śrī Raghunātha Bhaṭṭa Gosvāmī, Śrī Raghunātha dāsa Gosvāmī, Śrī Jīva Gosvāmī, and Śrī Gopāla Bhaṭṭa Gosvāmī, who are very much enriched in understanding of Lord Chaitanya and who are thus expert in narrating His transcendental qualities. They can purify all conditioned souls from the reactions of their sinful activities by pouring upon them transcendental songs about Govinda. As such, they are very expert in increasing the limits of the ocean of transcendental bliss, and they are the saviors of the living entities from the devouring mouth of liberation.”

Srila Prabhupada, as a sincere follower in the footsteps of the six Goswamis and current link in the line of disciplic succession that goes back to Lord Krishna, you have demonstrated by your personal example, in fulfilling the instruction of your Gurudeva -“..... to preach in English the cult of Sri Chaitanya Mahaprabhu.....,” all the glorifications made for the six Goswamis as quoted above.

1. About six Goswamis, it is glorified- **“They can purify all conditioned souls from the reactions of their sinful activities by pouring upon them transcendental songs about Govinda.”**

Srila Prabhupada, during the very early days of your stay in America on 2 Feb 1966, before you had any western disciples, before you had founded ISKCON, you had purchased a reel-to-reel tape recorder for \$54.02. Srila Prabhupada, while you spent few cents for your bodily sustenance during those difficult days, you had spent dollars, quite a major expenditure at that time, on the purchase of your first tape recorder, to carry on your mission to those whom you were yet to meet and it shows your strong resolve to fulfill the orders of your spiritual master.

In your diary you have made the following historical words after your first tape recording:

*“ Thursday 3 February 1966*

*N.Y.*

*Today there was a very nice demonstration of tape-record Samkirtan by me.*

*It is all Grace of Sri Chaitanya Mahaprabhu. Srila Haridas Thakur said that the transcendental sound of Hari Nama would even purify the heart of birds and beasts. Today this statement of Thakur Haridas is corroborated. These American cannot understand even a word's meaning of the Sankirtan and yet they were so much attracted? It is all Sri Chaitanya Mahaprabhu's power; there is no credit for me.”*

Srila Prabhupada, you used the tape recorder (T.R.) for recording your classes, *kirtans* and *bhajans*. On 11 Feb 1966, you make the following entry in your diary:

*“There was no response of the visitors invited to come and join Hari Kirtan this evening at 7/30 pm. But I alone executed the Kirtan ceremony with my T.R. till 10 pm.”*

Srila Prabhupada, your sweet transcendental *kirtans* were so enchanting, that even an impersonalist like Dr.Mishra, who was very much opposed to the philosophy of personalism, very openly appreciated you.

Dr. Mishra: *“I have never seen or met any devotee who sang so much. And his kirtana was just ambrosial. If you pay attention and become relaxed, that voice has very electrical vibrations on your heart. You cannot avoid it. Ninety-nine percent of the students, whether they liked it or not, got up and danced and chanted. And I felt very blessed to meet such a great soul.”* (SP Lilamrita Vol 2 ).

Srila Prabhupada, your far-sighted vision in preserving the nectar coming out from your lotus mouth, is your compassion to create a permanent legacy of invaluable transcendental sound, to be made available to all humanity for their deliverance. Now with the advanced gadgets like smart phones and laptops, anyone can have your powerful association anytime, anywhere and it is only a click away.

As you mention in one of the purports of *Srimad Bhagavatam*: *“ As a highly potent drug injected intravenously acts at once on the whole body, the transcendental topics of the Lord injected through the ear by the pure devotee of the Lord can act very efficiently. Aural realization of the transcendental messages implies total realization, just as fructification of one part of a tree implies fructification of all other parts. This realization for a moment in the association of pure devotees like Śukadeva Gosvāmī prepares one's complete life for eternity.”*

And later on, your famous *kirtans* at Tompkins Square Park in New York and at Golden Gate Park in San Francisco, are all demonstrations of your causeless mercy to the people of America, to purify them instantly from their sinful reactions and inspire them to adopt the path of devotional service.

2. The six Goswamis were –“**very expert in increasing the limits of the ocean of transcendental bliss.**”

Srila Prabhupada, you have established the mission of Krishna consciousness, just to make the whole world truly happy. Below are some references from your teachings which expresses your desire to the entire humanity:

- Śrīla Prabhupāda: So, you just follow in their footsteps, and your desire will be fulfilled. We are training them how to become purified and happy. That is our mission we want to see everyone happy. *Sarve sukhino bhavantu*. People do not know how to become happy. They do not take the standard path to become happy. They manufacture their own way. That is the difficulty. (*Perfect Questions, Perfect Answers*)
- Intelligent persons should therefore try to achieve the ultimate transmigration, which is to go back home, back to Godhead. That should be the aim of life. Unfortunately, people do not know this. Therefore, we are trying to render our humble service to human society by teaching, "You are attempting to become happy in so many ways, but instead of becoming happy you are becoming frustrated. So please take this Kṛiṣṇa consciousness and you will actually become happy." Imparting this knowledge is our mission. (*DWT 4: The True Goal of Dharma*)
- This is our mission. We don't say that you change your life. We simply say that in whatever position you are, you please chant. That's all You please chant. You will be happy. You will be prosperous. Kṛiṣṇa will be pleased upon you, and you will be never in scarcity. Is it not a very nice thing? You will never be unhappy, you will never be in scarcity. That... It is guaranteed here. (BG lecture Dec 1966, New York)
- Your life will be sublime. So practice it; make an experiment of this mantra. You will be happy. Our mission is to see everyone, *sarve sukhino bhavantu*. Everyone be happy. We are not here to exploit somebody. We are not selling this mantra, but we are distributing free. Please take it and be happy. That is our mission. (Lecture London 1969).
- Our mission is very nice. We want to see everyone happy. We don't want anything from anyone. We don't say that "You give me fee, then I give you some mantra." No, we don't say that. Our instruction is free. I want to see that they are doing it and they are happy, that's all. *Rādhā-kṛiṣṇa bolo, saṅge calo, ei-mātra bhikhā cāi* [from *Gītāvalī*], this Bhaktivinoda's, "You simply chant Hare Kṛiṣṇa and come with me. This much I want. I don't want anything else." (Conversation, Sydney 1972)
- Live with us and you will be happy. We can guarantee you will be happy. Yes. Hare Kṛiṣṇa. Our Vedic mission is *sarve sukhino bhavantu*: everyone be happy. This is our mission. And we know how to become happy. That is our credit. ....We know. How to become happy, we know. Therefore, you can inform others also how to become happy. Happiness is our birthright. *Ānandamayo*

'*bhyāsāt* [*Vedānta-sūtra* 1.1.12]. Living entity is *ānandamaya*, full of happiness, but they have fallen in a different condition.(Conversation, July 1972, San Diego)

- Ultimate transmigration means go back to home, back to Godhead. That should be the actual aim of life. That is first-class intelligent. But they do not know. Therefore we are trying to render our humble service to the human society, to give this information, that "You are trying for so many things for becoming happy, but instead of being happy, you are becoming hippie. **So please take this Kṛiṣṇa consciousness, and actually you will be happy.**" That is our mission. That is our mission.(Lecture, Sept 1972, New Vrindavan)

3. About the six Goswamis it is further glorified—**"They are the saviors of the living entities from the devouring mouth of liberation."**

Srila Prabhupada, we all offer our prayers to you every day with the following :

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe*

*nirviśeṣa-sūnyavādi-pāścātya-deśa-tāriṇe*

"Our respectful obeisance are unto you, O spiritual master, servant of Sarasvatī Gosvāmī. You are kindly preaching the message of Lord Caitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism."

From the very beginning of your preaching activities in America, you directly preached the pure philosophy of Lord Chaitanya Mahāprabhu and Lord Krishna boldly, and openly opposed any other doctrines of impersonalism or voidism in your teachings and never compromised in this aspect. So, all your followers got a very clear message about the pristine teachings of Lord Krishna as presented in the *Bhagavad-gīta* and *Srīmad Bhagavatam As It Is*, which talks only on personal philosophy of pure devotional service to Lord Krishna.

Your compassion to the people of the Western countries, to carry on the mission of preaching the philosophy of Sri Chaitanya Mahāprabhu even at your personal inconvenience, is nicely expressed in your own words in the diary entry you made as below:

"Sunday March 6, 1966

*According to Mayapur Panjika\* today is Adhivas day of Gour Purnima. Devotees at Vrindaban and Nabadwipa are enjoying the celebration. I am here alone without any devotee companion. But I have come here to serve the Lord and not for personal happiness. I am prepared to live in hell even if I am able to serve the Lord. Sri Chaitanya Mahāprabhu wanted that His mission should be propagated all over the world and that is my objective. I do not mind the inconvenience personally felt.*

ACB"

In a lecture on *Bhagavad-gīta* you delivered at Dr.Mishra's yoga studio, you make this point again clear:

“Just like at Vṛndāvana, at Vṛndāvana... That is practical. Now here I am sitting, New York, a very great, the world's greatest city, so magnificent city, but my heart is always hankering after that Vṛndāvana.....I shall be very happy to return to my Vṛndāvana, that sacred place. **"But then why you are...?"** Now, because it is my duty. I have brought some message for you people. Because I am ordered by superior, my spiritual master, that **"Whatever you have learned, you should go to the Western countries, and you must distribute this knowledge."** So, in spite of all my difficulties, all my inconveniences, I am here because I am in duty. I, I... That is my personal convenience, if I go and sit down at Vṛndāvana, I shall be very comfortable there. And I'll be, I'll have no anxiety, nothing of the sort. You see? **But I have taken all the risk in the old age because I am in duty-bound. I am in duty-bound.** So, I have to execute my duty in spite of all my inconveniences. That is the idea. (*Bhagavad-gītā* Chapter 2 Text 11 given on March 4, 1966 when Śrīla Prabhupāda was living at the yoga studio of Dr. Mishra.)

The author of *Chaitanya Charitamṛta*, Srila Krishnadasa Kaviraja, glorifies the magnanimous mercy of Lord Chaitanya as follows:

*śrī-kṛṣṇa-caitanya-dayā karaha vicāra*

*vicāra karile citte pābe camatkāra*

If you are indeed interested in logic and argument, kindly apply it to the mercy of Śrī Chaitanya Mahāprabhu. If you do so, you will find it to be strikingly wonderful.

Srila Prabhupada, you are personally acting in the lives of all your sincere followers even today, and will continue to guide any sincere follower for the next 10,000 years. If we start making a detailed analysis of all your pastimes, we can very clearly see how your causeless mercy and compassion is overwhelming, far-reaching, unprecedented and remarkably, strikingly wonderful.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on the auspicious occasion of your Vyasa Puja.

Thank you, Gurudeva for your ceaseless sacrifice for spreading the mission of Lord Caitanya across the world. You are the epitome of Bhakti who as an Acarya even with different physical ailments taught us to engage in the divine service of Krishna and Srimati Radharani. Your own appearance in this material world is to infect everyone with the love of Godhead.

Your commentaries on Srimad Bhagavad-gita and Srimad Bhagavatam are unparalleled and are the unique masterpiece that if one can apply it in their daily life will surely start showing the symptoms of pure love for Krishna. And that is the rarest gift that we have received from you, your lectures, books and so on. The highest philanthropic service to humanity.

You have already owned me through initiation two and a half years back and uplifted this soul of the lowest of the mankind and sowed bhakti lata bhija in me. In the midst of such pandemic, your Vaikuntha voice and your nectarean instructions in the form of literature are the only solace to us. I sincerely hope you are pleased with my service and continue to bless and empower me with your mercy. Your mercy is all I am made of.

Your most fallen servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet, our only saving grace in this miserable world. On this cherished day of Vyāsa Pūjā, all glories are unto you, Srila Prabhupāda, for you, are the bestower of the divine wisdom of bhakti, the divine master and eternal well-wishing friend. You took all the hardships and risks to spread the wonderful message of Lord Chaitanya to all entities. As you have said of your Guru Mahārāja, Sri Srimad Bhaktisiddhanta Sarasvatī, most beloved of souls, "He lives forever by His Divine instructions, and the follower lives with Him." So also, anyone who drinks of the nectar of your message finds eternal life full of bliss and perfect knowledge. After our uncountable sinful lives, it is by your mercy only that we got the chance to reclaim our constitutional position as Lord Krishna's eternal parts and parcels. The Lord has spoken that one who claims to be His devotee is not His devotee, but one who is the devotee of His devotee is actually His devotee. So it's my prayer to become absorbed continuously in service to your divine lotus feet, which afford all fallen souls, such as myself, the only suitable passage for crossing over this difficult ocean of Kali.

In the Chaitanya-caritāmṛta this is confirmed—that only by the mercy of such a pure devotee as yourself can one approach the Supreme Personality of Godhead Lord Sri Krishna. Thus you have made your most blessed appearance in this hellish world on this holiest day so that all conditioned souls may be delivered simply by regular hearing of your transcendental message. This transcendental message is coming exactly in line with the purest disciplic succession descending from the Absolute Truth Sri Krishna Chaitanya Mahāprabhu and following directly in the footsteps of Srila Rūpa Goswāmi. Such authorized teachings help us understand the truth, saving us from impersonal philosophy and enjoy the unlimited nectarean ocean of devotional service. It gives a better understanding of our factual position as the eternal servants of the all-beautiful

Supreme Personality of Godhead, Krishna. It's hardly possible to express enough gratitude for the mercy Srila Prabhupada you have bestowed upon us. Please keep me under Your Divine shelter and allow me to serve Your Divine Grace eternally and be an instrument in the execution of Your Divine Grace's will.

Your Insignificant servant,  
Abhiram Chaitanya Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to you on this auspicious day of your appearance! It is yet one more year in the service of Your Divine Grace. Thank you so much for giving me such a wonderful opportunity to glorify you and continue to engage me in your transcendental mission. Initially, when I came to Krishna consciousness, I didn't know how long I will be able to serve in your movement? I really didn't know the purpose and mood of serving in your mission. But as days passed, my vision is getting cleared. By your causeless mercy, I found a perfect life and the chance for a perfect death. This reminds me of the words of Sri Dhruva Maharaja - *kācaṁ vicinvann api divya-ratnaṁ svāmin kṛtārtho 'smi varaṁ na yāce* - "I came here for something which is just like broken pieces of glass, but I have got the diamond."

It is said that the pure devotee is kept in the hand of Krishna just like a very precious jewel. When we hold something precious in our hand, we are very careful; similarly, Krishna holds the pure devotee and takes care of him. Therefore, Srila Prabhupada, you are Krishna's mercy jewel, mercy incarnation of Krishna who is distributing the Krishna Prema. What inspires me the most and make me keep going, are the unlimited, wonderful, diamond-like qualities which you possess and display during your manifest Lila and ongoing unmanifest Lila. Just like the most valuable diamond which displays many brilliant facets. As you see from various angles, beauty keeps increasing. There is a beautiful analogy which I have come across in the Bhagavad Gita about the diamond and gold ring in one of the purports, "When a diamond is set in a golden ring, it looks very nice. The gold is glorified, and at the same time, the diamond is glorified." Similarly, you are the most wonderful diamond, and we as disciples are the golden ring. Just as the gold ring is beautiful as far as it is bedecked with the diamond jewel, our existence in this world is glorified only in connection with you. If not we are just like garbage in the trash in this material world.

It is described in the shastras that in the lower planetary systems there is no other source of light like the sun, moon or electricity. The only light which makes the entire planet look as if it is fully illuminated is the special jewel which the inhabitants of a lower planetary system possess. This will disseminate darkness in the lower planets. Similarly, the dense darkness which is there in my heart could be dispelled only by your presence. You are the jewel which each one of us has to possess; otherwise, it is very difficult for us to come out of the dense darkness of Kali. Once, while you were in London, during a press conference a reporter asked you why you had come. You responded by explaining how the British rulers had plundered India. They had stolen whatever they thought was valuable and taken it away for their enjoyment. "But", you added, "the British had left the most valuable items of India behind." The reporter wanted to know what they were. You responded that the most precious thing is Srimad Bhagavatam and the holy name, which are the real jewels. You declared that you had come to freely deliver these most valuable jewels. Srila Prabhupada, you are the crest jewel among all Gaudiya Vaishnava acharyas, who on behalf of Lord Caitanya, still distributing the jewels of Krishna consciousness all over the world.

Recently I was going through the lives of previous acharyas. Each and every acharya has wonderful powers by which they were making the conditioned souls take shelter of Lord Chaitanya. One such acharya which I came across is Abhirama Gopala Thakura. He had a whip named "Jaya Mangala", by which he was bestowing Krishna Prema. In the same way, you also have this whip which is "The Bhaktivedanta Purports". Whoever comes in touch with these literature written by you will attain Krishna Prema. Lakhs and lakhs of people are getting benefitted by this whip of yours. Srila Prabhupada, I am very much indebted to you for everything that I have at present. Even for the very life air, I am completely dependent on

you. Without you, there cannot be any Krishna consciousness, and without Krishna consciousness, life is just waste and meaningless. On this most auspicious day of your divine appearance, I pray sincerely to you, to make me engage in your mission eternally and always possess the jewel of obedience unto your instructions.

To My Beloved Spiritual Master,

Om Vishnu pad paramhansa parivarajakcharya astotra his divine grace Abahay Charanaravindra Bhaktivedanta Swami Srila Prabhupada.

Your presence is all auspicious, Your teaching for the soul is fully nutritious. Feeling your presence in your instruction, Following your direction fills me with conviction. You are brighter than the sun, purer than gold, In Mahaprabhu's army, I have been enrolled. Source of dedication, ocean of determination, The thoroughly honest, Mahaprabhu's closest. Brave as a lion, who has tolerance like a tree, You are the man who has Vaikuntha's backdoor key. Established strong guru tattva in Iskcon, Reminded again & again what happened in matha don't repeat in Iskcon. Denying guru tattva is polished atheism, Not able to associate with guru tattva is the spiritual dwarfism. One who has the mercy of Krishna is guided to you, One who has your mercy is guided to Mahaprabhu's crew. Ultra nice system, empowered authorities you have given, Let my mind be always through authorities driven. The secret of success is not budging an inch from guru's instruction, Bless me to be always immune to this budging infection.

Prabhupada 2 years have passed, and you have blessed me sufficiently, Bless me more to serve you patiently and efficiently. Prabhupada, accept me as your dog, accept me as your disciple, In this life make me strictly follow all 4 regulative principles.

Your Eternal Fallen Servant,

Dear Srila Prabhupada,

I offer my respectful obeisances unto Srila Prabhupada, Sri Gaurachandra and all the devotees in the line of our Guru parampara, Sri Sri Radha Madhava and all their associates and all the Vaishnavas. O my master Srila Prabhupada on this auspicious day of your divine appearance in this material world out of your divine love and compassion towards fallen jivas, you descended from the eternal abode of divine love - Sri Sri Goloka Vrindavan Dham. You are very dear to Sri Sachinandana Gaurahari who is the embodiment of pure love, possessed by Srimati Radharani. You come to this material world to give the highest "Krishna Prema" preached in the line of Lord Chaitanya Mahaprabhu. Your real glories cannot be appreciated and understood in this material world. It's only by Your causeless mercy we conditioned and unfortunate jivas get an opportunity to associate and relish your divinity. You are from Goloka where there is no anxiety lamentation and fear. I am most unqualified, sometimes I am happy and sometimes distressed, burning with lamentation, fear, and greedy to enjoy more and more. In such a state of mind, how will I be able to glorify your divine transcendental qualities?

I am really unqualified and unworthy to be in your movement but it's only by the unconditional causeless mercy you have chosen me. I never hankered nor was I willing to do bhakti as I was well situated in my family business. But your waves of divine mercy brought me here. You are freely distributing the sweetness of Krishna consciousness, the sweetness of devotion service everywhere. But even though people are not willing to taste and relish this wonderful intoxicating sweetness you forcibly make them drink this divine nectar. This is your very special compassion. This is possible only because you are

always relishing this nectar of devotional service of Sri Sri Radha Madhava in your heart. There is nobody in this entire material world where they feel genuine compassion towards the suffering soul, you are unhappy to see their suffering and pain (para dukha dukhi). Only a pure Vaishnava like your divine grace from Param Dham can have that genuine divine compassion infested with pure love.

Krishna in Bhagavad Gita has put forth many conditions for surrendering and some of the conditions are he should have some faith, he should be pious, he should be austere, he should be a friend and a devotee, non-envious or he has to possess some kind of eagerness at the least. But Prabhupada without considering any of these qualifications you opened the doors to all kinds of people even though they had no sukriti, not austere, no faith, no past samskaras, family background, education, colour caste, no proper mental status, envious, unclean, uncivilised, insane even to the extent of such sinful persons who have no place in hell, you gave them the sweetness of your divine mercy and you are still distributing in the pure mood of lord Chaitanya without discrimination. Due to this, You are the real Jagat Guru of the entire creation. You are the life and soul of the entire creation. Your glories are spread all over the three worlds. This type of mood is very very rare in the entire creation. This is not found in any other sampradaya. This topmost mood of Vraja gopis in Vrindavana taught by lord Chaitanya is distributed freely to the lowest of Jivas in Kali Yuga. Your servants are distributing Harinama and Harikatha throughout the world. This is your special mercy and due to this, you are the pure manifestation of Mahaprabhu's Prema the most munificent incarnation. You preached the glories of Harinama all over the globe, in every town and village as per the prediction of Mahaprabhu "*prithvite ache yata nagaradi grama sarvatra prachara haibe mora nama.*" At the present moment, you are owning the biggest branch in Mahaprabhu's parampara and it is still growing.

In your books, as you have mentioned about the extraordinary glories of devotional service. But I see very less changes happening in me. Day by day I am losing faith. I am becoming more and more unhappy uninterested in doing daily Sadhana and services due to my offensive nature. In such a situation I am feeling helpless and it is too disturbing for me regarding my behaviour and it is creating problems for other devotees as well, as I am receiving complaints about me regularly. I beg your mercy to remove my anarthas impeding my devotional service. So I shall always pray for your mercy hoping that this situation may change and I develop real spiritual genuine Shraddha and enthusiasm in serving your preaching mission. On this auspicious day I simply pray that whether I am inside temple or outside temple, in forgetfulness, in Ignorance avidya, I seek protection, love and caring and guidance at every moment. Please consider this, O my dear master makes me your servant by severing the knots of doubts which arise in my heart.

Aspiring to be your eternal servant life afterlife,  
Advaita Chandra Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances on this most auspicious appearance day of Your Divine Grace. Although the words are written and spoken by you are transcendental, it requires a proper place, time and situation to be understood by a disciple. I am extremely thankful to you that by your divine will, you choose to disclose the meaning of these words when your disciple needs the most. Similarly, I have encountered two amazing phrases, that have been told by you and repeated by your disciples many times; "Be in the association of devotees", and "I have created a place where the whole world can live." I went through many emotional and egotistical turmoils in my ashram life. They actually made me understand how complicated the living entities become when they leave the association of Krishna and want to gratify their senses independently. Maya is already waiting to capture him.

*kṛṣṇa-bahirmukha haṣā bhoga-vāschā kare  
nikaṭa-stha māyā tāre jāpaṭiyā dhare*

The natural position of the living entity is to serve the Lord in a transcendental loving attitude. When the living entity wants to become Kṛiṣṇa himself or imitate Kṛiṣṇa, he falls down into the material world. Thank you for making me understand

that I am complex and devotees are really simple. Yes, this has given me a realization that your divine words are just like the 'words written on a stone'. Actually, in vaiṣṇavā sangha everyone is evolving. I am grateful to you for making me realise this principle through your sincere disciples. Only you know well to hit the iron when it is red hot and when there were disturbances in my mind you hit it really hard. This got registered in my brain that never to leave the association of devotees and Kala teaches everyone. I am extremely joyful that Your Divine Grace is personally protecting our bhakti-lata bija, although we fail to water it daily. Apparently, if one is in difficulty, he can recognise the hands of Krishna. Similarly, you have made me capable enough to become the recipient of your causeless mercy, even in difficult times. Whereas, some may even leave your hand but even in my dreams, I should think of leaving your divine shelter.

Actually Krishna conscious temples are centres where under one roof everybody can live if we are connected to one stream, one source, one support, one link, one person, one captain, one master and one transcendental personality like your holy grace. Just as Shankaracharya mention that let there be one scripture, one religion, one occupation that is Bhagavad Gita and one God for the whole world Sri Krishna and one mantra,

*Hare Kṛṣṇa, Hare Kṛṣṇa Kṛṣṇa Kṛṣṇa, Hare Hare  
Hare Rāma, Hare RāmaRāma Rāma, Hare Hare.*

Although there are unlimited qualities in the spiritual master just as in Supreme lord himself, one quality that struck me the most when I was reading your Lilamrita was that of being simpler, humbleness unfathomed, really down to earth. The conversation was like that:

“Srila Prabhupada”, a devotee asked, “may we publish pictures of you without tilaka?”

“Yes,” he replied, “my Guru Mahārāja has been recorded without tilaka?”

“Yes,” the devotee replied, “I have seen that picture. I have seen you look in that very same way, with the very same expression as in the picture of your Guru Mahārāja.”

“You have only seen the glitter;” Prabhupada corrected. “He is gold. I am only iron. Iron can never be gold. But you have seen the glitter of real gold.”

Once again I play fervently to attend the shelter of your Lotus feet, please Srila Prabhupada never leaves my hand although ignorantly a child sometimes leaves the hand of his parents and suffers afterwards. Once you said that 'my books are like gold'. I feel your books are Chintamani which is found only in the spiritual world. Thanking you once again for all unlimited gifts, happiness, pleasures, anxiety in Krishna consciousness that you have given to each one of us in the form of kirtan, deity services, prasadam, devotee association concept of real spiritual family and eagerly waiting for bestowing many more benedictions like this.

Dear Srila Prabhupada, I beg unto you to fulfil this desire of mine that I should never leave the association of devotees and Iskcon as one phrase has clearly been registered in my mind that only your dead body should go out of Iskcon. If possible I want to hear all your nectarean pastimes, lectures and your disciples' lectures and associate with them more thickly, for this, if you so desire, please make my vessel of spiritual understanding wider to receive your causeless mercy. Seeking your mercy eternally,

Your Unworthy servant,  
Advaitasuta Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. On this auspicious day, I am thankful to you for giving a very nice Vaishnava community. Prabhupada you are well-wisher. You give Krishna consciousness to everyone. Prabhupada you are very kind that you gave me the opportunity to serve you. Without your mercy, nothing can happen. In the purport of a Vaishnava song you say, “keno va achaya prana kichu bali... "Why I am living? I do not make an association with the

devotees. I do not take part in the sankirtana movement. I do not understand what is Krishna. I do not understand what is Lord Chaitanya. Then what for I am living?" This is lamentation. "What is happiness? What is the standard of my happiness? Why I am living?" Narottama dasa kena na gela. "Why I did not die long, long ago? I should have died. What is the meaning of my living?" So it is not Narottama Dasa Thakura's lamentation. Every one of us should think like that, that "If we cannot make an association with devotees if we do not understand what is Krishna consciousness movement if we do not come in touch with Lord Chaitanya and associates, it was better for me to die. And there is no other remedy." Prabhupada gives me shelter at your lotus feet. You are seated in every disciple's heart. You know what your disciple needs and what is lacking. According to his ability and time, you give. Prabhupada you are very merciful; you gave me the opportunity to serve Radha Madhav. In this age, there is no possibility to serve the Lord. By your causeless mercy, you gave this opportunity to all. Prabhupada gives me strength so that I can follow 4 regulative principles please give me blessings so that I always live in the association with the devotee.

Your Menial Servant,

व्यास पूजा के इस पावन अवसर पर श्री गुरुदेव महाराज के चरणों में मेरा कोटि कोटि दंडवत प्रणाम।

श्रील प्रभुपाद सिर्फ मेरे या आपके ही गुरु नहीं है बल्कि वे जगतगुरु हैं। उन्हें जगतगुरु कहना अतिशयोक्ति नहीं होगी। उन्होंने अपने उम्र की परवाह न करते हुए 70 वर्ष की आयु में बिना धन-संपत्ति के विदेशों में जाकर कृष्ण भक्ति का प्रचार करके अनगिनत शिष्य बनाए और उनका उद्धार किया। यह सब उनके द्वारा ही संभव हो सका क्योंकि उन पर भगवान कृष्ण की अपार कृपा थी। यह शिष्य बनाने की परंपरा आज भी चालू है और अगले दस हजार वर्षों तक रहेगी। उनसे हरिनाम दीक्षा प्राप्त करके मुझे अपने ऊपर गर्व महसूस होता है। इस मनुष्य जीवन को सार्थक बनाने के लिए श्रील प्रभुपाद द्वारा बताए गए चार नियामक सिद्धांतों का कठोरता से पालन करते हुए हमेशा कृष्ण प्रसाद ग्रहण करना एवं हरि नाम का जप करते हुए कृष्ण भक्ति में निरंतर मन को लगाए रखना है। श्रील प्रभुपाद से यही निवेदन है कि मुझे इतनी शक्ति दे कि मैं भगवान की भक्ति में आगे बढ़ता रहा हूं।

आपका दास,

My humble obeisance into the lotus feet of Srila Prabhupada.

The word "GURU" strikes with the idea that a person who himself is a devotee of Lord and tries to engage others in the same stream of waters. So was my Guru Maharaja His Divine Grace A.C Bhaktivedanta Swami Prabhupada. He is none other than one of the close devotee of Lord Sri Krishna. He came into my life not too long but four years before. However, I was visiting the temple but not with a mood of surrender instead with that of enjoyment. That was somewhat my goal of life. Though Bhagavad-gita was on my shelf, I never tried to read it. It all happened so that I once, as usual, came to temple but was attracted by some astonishing boards and that was the day I got the blessings of My Guru Maharaja and Lord Krishna. After that my life had a sudden change. I used to take one step, but my Guru Maharaja was with me who helped to take another. It was always he who was with me, is with me and will be with me. Guru Maharaja, please bestow your kind of blessings on me forever and always keep me under your merciful shelter. Hare Krishna.

Your Dasa,

Ajay Govind Dasa.

Oh Gurudeva, you are the only person who understood me and gave your lotus feet's shelter. Hankering for completeness, happiness, knowledge, I wandered from pillar to post. By your mercy, I am able to understand the real face of the world. There are still so many things to be unpacked. I am sure that there is a definite purpose for me in your movement otherwise there is no chance that you take me in and keep. Oh Gurudeva, please keep guiding me in this and the next life. Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. Just like Anantadeva, is eternally describing Lord's glories with his unlimited hoods and still, He is not able to complete the Lord's glories. Similarly, Prabhupada your glories are unlimited, and even if I get unlimited mouths to speak or describe or if I get the unlimited sky to write upon your glories, it will still not be complete. I'll be a failure in that because your glories are limitless. Prabhupada you are the only reason anyone knows the word 'Hare Krishna'. Prabhupada you are the Founder-Acharya of the Worldwide Hare Krishna Movement. Prabhupada you are the only reason the world knows about Krishna. Prabhupada you are the only reason the whole world got a fortune to have Bhagavad-gita.

Prabhupada you are the only reason the world knows about Chaitanya Mahaprabhu. Before that, everyone used to think he is an ordinary human being, a saintly person, a sannyasi, but you made us aware that He is none other than the Supreme Personality of Godhead. Prabhupada you are the only reason we came to about a planet Goloka Vrindavan which beyond the Vaikuntha-Loka. Prabhupada you opened more than a hundred temples all over the world in just 11 years of span. You

wrote 7000 personal letters to your disciples. Prabhupada you have done unthinkable and unfathomable. You are the prime example of the most realized soul and so far beyond any description and since you came in my life, it has taken a drastic change. the hat I was earlier, and now what I have become is all by Your causeless mercy. And only because of your causeless mercy I able to join your mission. Prabhupada I beg you, please never ever let me go away from your shelter. I want to die while serving you and your movement. Prabhupada I beg of you, again and again, please never let me leave your lotus feet.

Dear Srila Prabhupada,

Kindly accept my humble obeisance. I wish to present an ode, On this day of your appearance. The mood of a preacher, By examples, you taught. By mailing letter, By smashing Oneness and Naught. Factual meaning of non-violence Now spread worldwide.

Sacrificing Vrindaban's ambiance, Was thus bonafide. Your Bhaktivedanta purport, Unravels the big secret. With seva-cum-sadhana support, No more Maya attacks, you bet! With humility and exhort, You administered the Holy Name. Our disease is cut short.

When concurrent chanting-cum-hearing is the aim. Simha Guru had desired, To infuse the Englishmen. Though none of 'em dared, Only you could enlighten. You are grooming us so nicely, When'll we understand your mood! Fanning our feeble desire precisely.

If not you then who would? No sadhusanga, No personal endeavour, Dust from a pure bhakta, That's the only saviour. O Prabhupad! Kindly inspire to contribute, Despite those superfluous things, alas! To offer you a humble tribute.

My Beloved spiritual master,

All glories unto you. Please accept my humble obeisance unto your divine lotus feet. I have nothing to offer. Whatever I have, is given by you only. As you said many times that “One who takes up Krishna consciousness is not a loser. As I left a small family and Krishna gave me a big family with thousands of children with so much opulence.” And you engaged everyone and everything in Krishna’s service. By your mercy, I am also the part of this big family and you are the eternal father of this family. As a father, you gave everything to your children to be engaged in Krishna’s service. Srila Prabhupada transcendental knowledge given by you in your books is also most confidential because only your serious and sincere disciple can have access. I was not knowing that how much great stress one should give in chanting and relishing each word of Hare Krishna Maha-mantra. By your grace only and through such serious and sincere devotees I could know this, otherwise, due to my greatly polluted mind, I have no personal strength to get such directions for chanting.

Prahlada Maharaja says,

*naitan manas tava kathāsu vikunṭha-nātha samprīyate durita-duṣṭam asādhu tīvram  
kāmatūram harṣa-śoka-bhayaiṣaṇārtam tasmin katham tava gatiṁ vimṛśāmi dīnaḥ SB 7.9.39*

*“My dear Lord of the Vaikuṅṭha planets, where there is no anxiety, my mind is extremely sinful and lusty, being sometimes so-called happy and sometimes so-called distressed. My mind is full of lamentation and fear, and it always seeks more and more money. Thus it has become most polluted and is never satisfied in topics concerning You. I am therefore most fallen and poor. In such a status of life, how shall I be able to discuss Your activities?”*

When the whole world is going through the crisis of COVID-19 pandemic, your disciples are under your shelter completely protected and maintained by you and charged with more and more spiritual strength through Nama Prabhu. This year some of our godbrothers left your organization, it is very painful but I know you will never forget them. Srila Prabhupada, give me the remembrance so that I may not forget you. Please give me the strength so that I can accept the rectifying instructions of a sadhu which are actually meant to drive away from the Maya and never leave devotees' association.

Your Eternal Servant, Amrita Gopala Dasa.

জয় শ্রীল প্রভুপাদ!

আপনার শুভ জন্মদিনে জানাই শতকোটি প্রণাম। অজ্ঞতার অন্ধকারে আমার জন্ম হয়েছিল। আপনার জ্ঞানের মাধ্যমে আমি আলোকরশ্মি দর্শন করতে পেরেছি। প্রতিষ্ঠার মাধ্যমে আমরা প্রতিদিন ভগবান শ্রীকৃষ্ণের আশীর্বাদ লাভ করে ধন্য হই। শ্রীকৃষ্ণের দিব্য রূপ দর্শন করি কীর্তন করি।

আপনি এটাই চেয়েছিলেন প্রতিটি মানুষ ভগবানের নাম গান করুক, সাধাসিধে জীবন যাপন করুক, এবং দুর্ভাবনা থেকে মুক্ত হয়ে সুখী হওক। নববৃন্দবন ও পৃথিবীর অন্যান্য কেন্দ্রে শিশুভক্তদের জন্য বিদ্যালয় স্থাপন করেছেন যাতে শিশুরা সেখানে সংস্কৃত ভাষা, বৈদিক শিক্ষা পায়। এবং তিনি সর্বদা গ্রন্থের উপরে জোর দিতেন। প্রভুপাদ বলতেন যতগুলি ভাষা সম্ভব বই ছাপাও এবং বিতরণ করো। কৃষ্ণভাবনামৃত গ্রন্থের মাধ্যমেই প্রচার হবে। আচার্য শ্রীল প্রভুপাদ এই গ্রন্থগুলিকে চিৎজগতের জানালা বলে বর্ণনা করেছেন। প্রভুপাদের অগাধ পান্ডিত্যে আমি বিস্মৃত।

তাঁর দিব্য গুণাবলী সকলকে মুগ্ধ করেছে। সমস্ত পৃথিবীর মানুষ তাকে বর্তমান যুগের শ্রেষ্ঠ পণ্ডিত বলে গণ্য করেছে। আচার্য শ্রীল প্রভুপাদের গ্রন্থাবলী বহু ভাষায় অনুবাদিত হয়েছে। তার অপূর্ব সুন্দর অনুবাদি গ্রন্থগুলি কে আকর্ষণ করে নি, তাতে ভগবদ্ভক্তির যে ভাব ব্যক্ত হয়েছে তা নিঃসন্দেহে সকলকে আকৃষ্ট করেছে।

সেই জন্য প্রভুপাদের গ্রন্থসকল বিশ্ববিদ্যালয় গুলিতে স্থান পেয়েছে। তার শ্রেষ্ঠ অবদান হচ্ছে তাঁর গ্রন্থ সমূহ। তিনি কেবল গ্রন্থের শ্লোকগুলোরি প্রবর্তন করেনি। তিনি এমন ভাবে তার প্রচার করেছেন যে তা অন্য সমস্ত অনুবাদ থেকে সম্পূর্ণ ভিন্ন। তিনি সর্বদা বলতেন আমি থাকি না থাকি আমার বাণী থাকবে চিরকাল। আমি ভক্তিবাদান্ত শ্রীল প্রভুপাদের কাছে চির কৃতজ্ঞ কারণ তিনি কৃষ্ণভাবনামৃতের সহজ সরল পন্থা দেশবাসির কাছে দান করে গেছেন। এবং প্রভুপাদের কৃপায় আমি অবশ্যই সুন্দরতম পৃথিবীতে ভগবান কৃষ্ণের সেবা করার সুযোগ পেয়েছি। তাই আচার্য শ্রীল প্রভুপাদের কাছে আজকের এই শুভজন্মদিনে আমার প্রার্থনা আমি যেন জন্মজন্মান্তর আপনার চরণকমল সেবা করে আপনার আদেশ পালন করে থাকি।

Dear Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet. Half a decade has passed with much more realizations and revelations changing feeble faith into a strong faith in Krishna consciousness by your causeless mercy. In one of the Srimad Bhagavatam lectures in Mayapur in the month of February 1977, you had mentioned that Prahlada Maharaja by birth he was pure devotee but still he had to go through trials and tribulations. Even before his birth, Prahlada Maharaja was attacked by demigods while in his mother's womb. You also mentioned that Jesus Christ who also was a pure devotee had to go through trials and was crucified brutally. But the common thing about both was they never forgot Krishna for a moment

even though in midst of greatest danger. This is the symptom of a pure devotee Nitya Siddha. After hearing this class when I observed the year and month when it was spoken I was totally surprised because this was the time when your health was not up to the mark and lot of ups and downs we're going on in 1977. But still, you were very enthusiastic to travel the entire world, go out and expand Krishna conscious movement. Still, you were inspiring devotees by your personal presence, conducting sankirtans, writing letters to devotees and translating Srimad Bhagavatam till last breath.

Like Prahlada Maharaja who never forgot Krishna in trials and tribulations similarly you also never forgot Krishna in midst of greatest dangers. I am very happy to have a spiritual master who is a Nitya Siddha and is at par with Prahlada Maharaja who never forgets Krishna. On this Auspicious day, I seek your blessings Srila Prabhupada as it is becoming difficult to practice Bhakti day by day with progress of kali-yuga, many trials I may have to face but by your mercy, I may remember Krishna at that time and be in the association of devotees.

Aspiring to be Servant of Your Servant, Anupama Govinda Dasa.

श्रील प्रभुपाद जी श्री गुरुदेव महाराज के चरण कमलों में मेरा कोटि कोटि दंडवत प्रणाम।

गुरुदेव आपके पावन जन्मोत्सव पर हार्दिक शुभकामनाएं। प्रभुपाद जी की कृपा से पिछले वर्ष भक्तों के साथ वृंदावन जाने का मौका मिला और वहाँ प्रभुजी कृष्ण की लीलाओं के बारे में बताते थे तो बहुत अच्छा लगता था। पिछले और पैदल गोवर्धन परिक्रमा की किन्तु पता ही नहीं चला। यह प्रभुपाद जी की कृपा है। परिक्रमा करते समय नितार्ई गौरांग की पालकी उठाने का मौका मिला। भक्तों के साथ यात्रा करने में जो आनंद है वह और किसी के साथ नहीं है। उनके साथ बहुत कुछ जानने को मिलता है। प्रभुपाद जी कहते हैं अभ्यास से सब कुछ संभव। और यदि हम कृष्णा प्रसाद भी लेते हैं तो जीव नियंत्रित हो जाती है और एक सीमा तक उस पर ताला लग जाता है। फिर यथा समय इन्द्रियाँ भी नियंत्रित हो जाती है। हमारी जितनी इंद्रियाँ हैं वह भगवान की सेवा में लग सकती है। हम इतने भाग्यशाली हैं कि हमें भगवान कृष्ण की सेवा करने का मौका मिला।

भगवद्गीता पढ़कर बहुत कुछ जानने को मिला। मेरे मन में कई प्रश्न थे पर अब उन सब के बारे में पता चला। कुछ ऐसा हुआ कि मैं कुछ सोचती रहती थी तो जब भागवत क्लास में जाते थे तो उसी के बारे में चर्चा होती थी। तो मुझे लगता था कि गुरु महाराज मेरे मन की बात समझ जाते हैं। गुरु महाराज से प्रार्थना करती हूँ मुझे शक्ति दें कि मैं भक्ति में दृढ़ता से आगे बढ़ूँ और मनुष्य जीवन को सफल करूँ।

आपकी नित्य सेविका, अष्टलक्ष्मी देवी दासी.

Respected Srila Prabhupada,

I feel blessed to be given a place at Your lotus feet and receive your teachings. We both husband & wife are fortunate by your causeless mercy because we had our elder son who has received your mercy and joined your mission as a full-time devotee in HKM Ahmedabad group. After so many years of practising in Krishna conscious movement we are not able to get the perfect path, clean our heart in this Maya attachment, not opening our eye covered with darkness, now by your mercy we are able to follow your shown path by following four principle rules and to be associated with your mission by the support of HKM Ahmedabad devotee group. By "SANGA" of pure devotees of temple & your preaching, I would like to express my deepest and sincerest gratitude unto you for your causeless mercy that you have showered upon me and my wife. By your causeless mercy this year 2020 on 7th February, we have been initiated and given chance to follow the spiritual path shown by you for crossing over this ocean of material existence. Thank you for saving me from Maya and giving the right way of Bhakti.

Your Servant, Bhagavan Chaitanya Dasa.

## Chandramukhi Devi Dasi

Dear Srila Prabhupada,

First of all, I would like to pay my obeisances to you my Guru Maharaj. I am so lucky to have you as the most precious gift given by Krishna; in the form of an eternal guru to me. Initiation is a new beginning to understand your instructions and follow them sincerely. You have given footsteps to practice Krishna consciousness so nicely, elaborately and systematic and finally make the human life successful. I pray for your causeless mercy to follow these practices regularly and sincerely to achieve the human goal of life. You used to instruct to follow four regulative principles and chant a minimum of 16 rounds of Maha Mantra daily. So earlier, I used to think how is it possible that only this much practices can deliver a conditioned soul. But now by the mercy of yours, one can understand that your intense and deep love for Krishna makes your disciples practice and finally achieve the goal of human life. If a pure devotee like you gives this harinam, then only it can deliver a

conditioned soul. So how merciful you are to me for giving me this harinam, but unfortunately I have no value for this priceless gift because of many anarthas inside me. So begging your causeless mercy to serve harinam seriously and finally understand how to attain real Love for Krishna.

Another set of instructions for grihastha are deity worship of the most loving incarnation of the Supreme Lord Sri Chaitanya Mahaprabhu and Sri Nityanand Prabhu. This is such a fortunate thing for me to serve these deities and attain mercy by serving the munificent incarnation directly. All family members can feel that the Lord is the centre of the house, and our only duty is to serve the Lord and you. Through you, only one can understand that this deity worship is Lord's mercy incarnation to facilitate fallen souls to do his direct service and firstly remove all anarthas and finally attain the love for the Krishna. So please bless me to serve from the bottom of my heart for the pleasure of Krishna. Your clear cut instructions for us is to honour only Krishna prasadam is very much interesting as well easy to follow. Because by this practice sadhak can gradually manage the urges of senses and finally uses his senses in the devotional service of yours and Krishna only. By this Prasadam one's physical body becomes spiritualized gradually. But please let me know when can I serve you perfectly with all my senses and consciousness to please you and Krishna. Your books are the medium for me to associate any time which inspires any conditioned soul to practice Krishna Consciousness services regularly and seriously. Your implausible and unbelievable efforts to write these books always thrills one to read it again and again. You are so merciful to the fallen souls that by your books one can understand his original constitutional position and awaken himself as an eternal servant of the Supreme Lord Krishna and please him unconditionally and uninterruptedly. But being in the force of guna, Kala and karma I can not do anything except begging your causeless mercy.

Through your wonderful lectures, one understands this very loving and merciful form of Paramatma, who always sits in the heart of every jiva to guide him every moment and finally help him to go back to Godhead. Parmatma is the original friend, protector, seer, instructor, ever well-wisher and Ishvara who always inspires every soul to behave, feel and think according to his desire and free will. So who else can have this much power and capacity to help every jiva to this extent? Who else can love every soul this much life afterlife? But unfortunately, I m not able to realize this Paramatma form in my heart as well in every jiva because of bodily conception. So when will the day come when I will be able to feel an eternal relationship with Paramatma? To conclude, your mercy and love upon me are limitless and causeless. You understand my position being very tiny and insignificant. But due to false pride and ego, I used to think that I must be the king of this world to Lord over. So with this illusion, how will I be able to serve and please you without your causeless mercy? With this illusion, when will I be able to take part in your mission to preach Krishna Consciousness? I always feel that if I can devote my every life in the mission of spreading Krishna consciousness, I will never be able to repay my debt towards you. All glories unto you.

Your Servant,  
Chandramukhi Devi Dasi.

हरे कृष्ण, प्रभुपाद के चरणों में मेरा शत-शत प्रणाम।

हर बार की तरह इस बार भी मुझे आपकी सेवा में कुछ लिखने का अवसर प्राप्त हुआ। श्रील प्रभुपाद इस वर्ष कोरोना वायरस और लॉकडाउन जैसी परिस्थिति के कारण हम मंदिर में सेवा नहीं कर पाए लेकिन आपके द्वारा दिए गए निर्देश और आपकी पुस्तकों का अध्ययन करके हमने घर पर ही भगवान की सेवा का पूरा आनंद उठाया। यह सब आपकी कृपा से ही संभव हो सका। प्रभुपाद इस लॉकडाउन में मुझे अधिक समय मिल पाने के कारण मैंने भागवत का अधिक अध्ययन किया और अपने आप को आध्यात्मिक क्षेत्र में आगे बढ़ाने का अच्छा समय निकाला। आपकी कृपा से हमारे हरे कृष्णा मंदिर से साधु संघ का आयोजन किया गया जिसका हमने पूरा लाभ उठाया और श्रवण और कीर्तन करने का अच्छा अवसर मिला। प्रभुपाद इस लॉकडाउन में ध्यानपूर्वक जब हुआ क्योंकि रोज रोज श्रवण करने से अच्छाजाप करने का उत्साह प्राप्त होता रहा जिससे भगवान की अच्छी सेवा करने का मौका मिला। प्रभुपाद में आपकी सेवा में इसी तरह लगी रहूँ, यही मेरी इच्छा है। प्रणाम।

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to you. Mercy is the divine quality of the Lord and his devotees. Lord Krishna being the supreme personality of Godhead shows his unlimited mercy on the living entity by providing facility either in Mahamaya energy or Yogamaya according to the desire of living entity. After knowing this aspect I got the idea that why devotees always aspire to be in Krishna Consciousness because this thought puts them in Yogamaya which is ever blissful. You are on the same level who always remembers Krishna. So before going further my heartily desire is to remember your divine instructions always in my eternal journey of Krishna Conscious life. Once I read in Chaitanya Charitamrita that Chanting itself can give the love of Godhead but devotee needs Spiritual master because there are many chances for him to fall down. Your instructions are eternal for us because jiva carries his freewill always and to serve Krishna eternally we need you and your instructions always. My only wish is to worship and follow your instructions always. Whatever I have learned and understood because of you and devotees association. Association is a very important part of the advancement of sadhana and your mercy has given us a wonderful opportunity for association. You have created so nice institute for souls who want to practice bhakti marga and achieve perfection in the very same life. I feel that the main obstacle in bhakti is material aspiration and envy to other Devotees whether he is junior or senior.

Surprisingly you have mentioned all this in 10 offences which we read every day in the morning. Srila Prabhupada after reading it many times it did not get into my heart till I fell down heavily in the pool of material lust. Chaitanya Mahaprabhu once mentioned about material life to Raghunath Goswami, he told that material life is like a place where people pass stool. After reading this there is no surprise a human being becoming a pig because he practised his all life in such a way that pig life suites his consciousness. Material life is very much contagious for the people like me, but somewhere or somehow I got the little glimpses of devotion which I feel much higher than any kind of material position what a jiva can get in this material world. I left the ashram and came outside of ashram life because of my independent desire, after coming out I am able to understand the actual purpose and meaning of ashram. In the ashram, the devotee must have only one goal that is service to Krishna, in the association of other devotees without having their own personal agenda or ambition. Living entity struggles in this material world because of his independent desire and if we carry the same thing in ashram then our existence will continue in this material world. Having independent thought will make us suffocate even being inside the ashram. An ashram is the sample Vaikuntha to come out from kuntha but unfortunately, many devotees come out of it and I am one of them. Your Shelter is the golden opportunity for us to purify ourselves but desire to enjoy independently and envy to Krishna forces to move in materialistic mode. I don't know why I get overwhelmed by emotion whenever I think of this statement. It may be on a mental platform but I feel to cry whenever I think of me leaving ashram and coming outside. I do not find the courage to get back again inside the ashram. I hope to join your mission in full spirit.

Now, my only desire is to remember your divine instructions always and follow it. I am so much indebted to you for your showing mercy upon me again. You have brought me back even after going far away from your instructions. This not the first time but many times you brought me back to Krishna consciousness. Now my only desire is to remember your instructions always. At last, my desire is to serve you throughout my eternity and it can be possible by your mercy only. I don't see any effort put by me to remember Krishna, it is your causeless mercy only which brought me to Krishna. By personal effort, a devotee may reach up to Krishna and understand that Krishna is the ultimate but he will miss out on the purpose of Chaitanya Mahaprabhu being in this material world. Conclusions of Mahaprabhu's pastimes can be understood by a pure Devotee who is the humble servant of Gopis. We are so fortunate to get such an exalted Personality as our Spiritual Master. You are worshipable even by Brahma and other demigods. It is our good fortune to get a Master like you. I feel very perturbed when I see the Devotee who does not accept you as Diksha guru and accept someone.

Being a most merciful Acharya and Guru you always forgive the mistakes. You might have got higher plans for ISKCON. They are worshipping you every day in the morning but they surrender themselves to someone else who is not authorized to deliver the soul from this material world and give them the love of Godhead. Still, you maintain all your

mischievous disciples, that I can see with my own personal example. To maintain the purity of devotional attitude and service you are maintaining the Hare Krishna Movement worldwide. Gracefully you have inspired Sri Madhu Pandit Prabhu to maintain this institute. He is doing wonderful services at your lotus feet. By his enthusiasm, we also get enthusiasm to serve your mission. Pls keep inspiring all of us to serve Chaitanya Mahaprabhu in this world or other. Pls show your special favour to me because I am a weak disciple in carrying your order. Bless me that I can serve your mission and devotees with all devotion and surrender. Kindly excuse me for all my offences. I promise you not to break any regulative principle further in my life. Give me the strength to follow your instructions and serve your mission.

Your most fallen servant,  
Dhanurdhar Dasa,

कृपया मेरे विनम्र निवेदन को स्वीकार करें और मेरे अपराधों को क्षमा करें। मैं कल्पना भी नहीं कर सकता कि मेरा जीवन आज कहाँ होता यदि आप प्रकट नहीं हुए होते और आपने अपना आशीर्वाद नहीं दिया होता। जबसे मैंने दीक्षा ली है, आपने हमेशा मेरे हृदय में वास किया है और मेरे सबसे घनिष्ठ शुभचिंतक रहे हैं। ऐसा लगता है कि मेरा और आपका शाश्वत सम्बन्ध है। आप अभी भी अपनी तस्वीरों और मूर्तियों के रूप में हमारे समक्ष उपस्थित हैं एवं आपकी वाणी तथा निर्देश आपके द्वारा प्रकाशित पुस्तकों में मौजूद हैं, जिनका मैं नित्य सेवन कर लाभान्वित होता हूँ। हे प्रभु मैं आपका सबसे अयोग्य सेवक हूँ। मेरे अंदर कोई अच्छी योग्यता नहीं है, अल्प बुद्धि है, एवं अत्यंत पतीत तथा दीन आत्मा हूँ और आपकी अहैतुकी दया का पात्र हूँ। अतः आप मुझपर अपनी अत्यधिक करुणा बनाये रखें। मुझे आपकी सेवा करने का निरंतर निर्देश देते रहें। मैं आपसे प्रार्थना करता हूँ कि मुझे अपनी शाश्वत सेवा में रखें।

Jai Om Vishnupada Paramahansa Parivrajakacharya Ashtottara 108 Sri Srimad His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada ki jai,

Jivas are bereft of Lord's association when they act impiously, hence Krishna leaves them, like a thunderbolt sometimes, however, despite our faults and due to your unlimited causeless mercy, you still engage us in Krishna's service, it's so sublime! You are reciprocating with countless unlimited jivas in so many planets, in so many universes, goodness me! No wonder, you are the Great Stalwart Commander-in-chief of Chaitanya Mahaprabhu's Army! People go to pilgrimages to dump their sins, in turn overloading the very pious place, However, that very sacrilege becomes pure again, sanctified by the presence of His Divine Grace! You descended to this material world, with great patience to deliver all the sinful, and underwent all tribulations, such great tolerance; Yet this is nothing but your humble expression of love for Krishna, pure transcendental exuberance. Such a great organization you built, with Kali-yuga souls born of broken character; you are the Real Chintamani, who has achieved the impossible feat of transforming even the mlecchas and yavanas into Pure Vaishnavas.

Guru Maharaj, you are always engaged, satatam, in Service of Sri Shyama and Gauri, and by your benevolence, so many devotees, including me, get to personally serve Sri Radha and Sri Hari. You are *a maha bhagavata, uttama-adhikari, paramahansa, parivrajakacharya,*

You are on a mission to conquer the entire globe and rid it of shunya- and mayavada. The secret of success and essence of all scriptures boils down to only one principle, *yasya prasada bhagavat prasado, yasya prasadan na gatih kuto 'pi!* by your strength, one can cross over the entire ocean of material distress, and if you are displeased, can't even make a tinge of Spiritual progress. Nothing is impossible for you, for Krishna is your property, and Only you can deliver him to us, o great Samaritan, Kindly makes us qualified even to fancy such an exorbitant aspiration. Your whole life was a Magnificent

ode to Bhaktisiddhanta Maharaja's last instruction, Even though supremely qualified, it painted an unfathomable wonderful picture of humility and divine subservience. Even to glorify you, my beloved Spiritual master, we require your very selves' blessings, favour and sanction, Thank you for giving me an opportunity to write few words in your honour, glory and appreciation. Please be graciously pleased with me, even though I am your unworthy servitor, Yet fulfil my desire that I remain your eternal worshipper.

Your fallen servant,  
Dinabandhu Krishna Dasa.

জয় প্রভুপাদ জয় গুরুদেব,

हरे कृष्ण, मैं खुद को उस लायक भी नहीं समझता हूँ कि आपके बारे में कुछ लिख या बोल सकूँ। मैं यह समझ रहा हूँ कि जो भी मैं भगवान श्री राधा माधव की सेवा या साधु संग कर पा रहा हूँ वह सब मुझपर आपकी कृपा है। अन्यथा मेरे जैसे तुच्छ प्राणी आपके बारे में क्या बोल सकते हैं, जो भगवान कृष्ण के आशीष अवतार हैं। मुझे पता है कि मैंने कोई ऐसा काम नहीं किया है जो मैं अपने बल पर भगवान श्री नितार्ई गौरंगा की सेवा करूँ। यह सब मुझपर आपकी अहैतुकी कृपा ही हो है जो इस भवसागर में मुझे आध्यात्मिक आनंद का रास्ता मिल सका। खासकर इस वर्ष तो मेरे जीवन में आनंद का सीमा नहीं रहा जब मुझे पता चला कि मैं दीक्षा ले सकता हूँ। 7 फरवरी 2020 को आपकी कृपा से दीक्षा लेने के बाद मैंने यह अनुभव किया कि आप सर्वदा मेरे साथ हैं। 2015 से 2020 के बीच मेरा आध्यात्मिक सफर बहुत आनंद में रहा परंतु 7 फरवरी 2020 से यानी जब से मैंने दीक्षा लिया है तब से मुझे ऐसा लगता है कि मुझपर आपकी कृपा बढ़ गई है। हे गुरुदेव, हे पतित आत्माओं के मित्र। मेरी यही अभिलाषा है कि मैं सदा आपके मार्गदर्शन में भगवान कृष्ण की सेवा करता रहूँ। चाहे यह लोक हो या परलोक, जन्म जन्मांतर में आप मेरे गुरु हो यह मेरा सबसे बड़ा सौभाग्य होगा। हे गुरुदेव मैं संसार का सबसे बड़ा तुच्छ और मूर्ख प्राणी हूँ भी आपकी कृपा से आपके बारे में कुछ लिखने का समर्थ हो सका है अगर कहीं कुछ या कभी भी मेरे से गलती हो गई हो तो मूर्ख समझ कर माफ कर दीजिएगा। हे गुरुदेव मेरी एक शेष इच्छा है कि मैं फुलटाइम आपके मार्गदर्शन में भगवान कृष्ण की सेवा कर पाऊँ। जय गुरुदेव।

Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet on this most auspicious day of your appearance. Srila Prabhupada, I'm unfit to sufficiently glorify your attributes as the most compassionate servant of Lord Chaitanya Mahaprabhu. It is only by your kindness that I'm able to speak the transcendental glories you possess. Thank you, Srila Prabhupada, for sanctioning daily transcendental services at the lotus feet of Sri Sri Radha-Madhava every day. We are engaged in various dynamic and exciting services beginning from morning 4 am up to 10 pm in the form of mangal arati, Japa of 16 rounds, kirtan, prasadam, hearing Bhagavatam, preaching Lord Chaitanya's teachings as delineated by Your Divine Grace. Every day is filled with thrill and enthusiasm by the above engagements. My journey has been so exciting all through that these four years; ashram life seems to have passed in farthing time. It is only by your grace that people around the world are taking up Krishna consciousness just by reading your transcendental books, which are being distributed all over the world by your beloved disciples.

Srila Prabhupada, I distinctly see that you are active in my life by guiding me through the heart at all times despite my many shortcomings in following your instructions. You are guiding and mentoring the devotees both internally and externally via realizations in the heart and authority structure you have set up. Nothing is left over to manoeuvre regarding matters for developing pure devotional service, which culminates in Krishna Prema. This is nothing but your causeless mercy. As commented by Lord Chaitanya Mahaprabhu:-

*brahmāṇḍa bhramite kona bhāgyavān jīva  
guru-kṛṣṇa-prasāde pāya bhakti-latā-bija*

I relish remembering countless blessings awarded to me by Your Divine Grace. Had not you picked me up and nurtured by admitting into devotees association, I don't know where and in which filth I would have suffered. Thank you so much, Srila Prabhupada, for everything I have today! Who would not take your shelter? Even Lord Krishna says that those who claim to be His devotees are not His devotees, but those who are devotees of His devotees are indeed His devotees. Srila Prabhupada, all the truths are revealed, and the bubble of ignorance burst out forever simply by pleasing you. I desire to become a humble servant of your servants so that I genuinely become your servant and live my life following your guidance coming through authority structure. Srila Prabhupada, may I become your pure disciple and devotee.

Your Insignificant Servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. It is only by your mercy that I could render a little bit of devotional service under the shelter of Sri Sri Radha Madhav and your lotus feet for one more year. Thank you Srila Prabhupada for giving this excellent opportunity to an unworthy person like me. In the last one year few soldiers have left your army, please don't let this small soldier go. I do not have any capability to fight Maya and the forces of this material world. When a jiva has fallen to this samsara Sagara, there is no possibility of his getting saved unless an already free person comes to save him. Thank you Srila Prabhupada for coming to save this drowning jiva. In this material world, miseries always shower upon us like rain, and jiva gets drenched from top to bottom. But at the same time, I feel that some devotees are thoroughly dry. It's just because they have taken shelter of your lotus feet. And they are bringing other jivas to your lotus feet.

You've stated in one of the purports of the third canto that only a grossly foolish and a Paramahansa can remain happy in this material world. Rest in the middle suffer material pangs. A Foolish person is utterly ignorant of the material miseries, and a Paramahansa is at the lotus feet of the Lord. It's astonishing to see that the ignorant people of kali yuga are able to understand that there is something called as misery in this material world. I have read 'Lilamrita' and cherished your pastimes. Especially your visit to Kenya where you have chastised your African disciples because of their expertise in cooking. You've chastised them saying that the food they've prepared is actually 'Hog's food'. This particular incident inspired me to learn cooking, and because of your mercy now I'm able to serve the deities and the Vaishnavas in a very insignificant way. Please keep on guiding me in the same way through your disciples, your books, and your instructions so that I may be able to able to serve you even more intensely and with more dedication.

Your Insignificant servant,  
Jagannath Suta Dasa.

Dear Srila Prabhupada,

I request you to accept my obeisance and forgive the offences I have committed over my lifetimes. I am very grateful and fortunate to be a part of this glorious HKM/ISKCON family. I offer you my humble prayers on this auspicious day of your appearance in this material world. Please give me the strength to follow your divine instructions with faith and conviction. Please bless me so that I can follow your footsteps. After my initiation with your blessings, I was able to read the Srimad Bhagavatam. I also had the divine opportunity of experiencing Nirjala Ekadashi. Initially, it was difficult for me, but now, by your grace, I am able to do it. Without your blessings, Prabhupada, I would not have been able to do it. This year, by your grace and lord Krishna's blessings, we performed the Jagannatha Ratha Yatra in our home. It was wonderful.

During this lockdown, I had the opportunity to further my spiritual journey and my faith in Lord Krishna and you had grown stronger and deeper. I pledge to sincerely chant the holy names and regularly study your transcendental books. I fall at your lotus feet and beseech you to undo all my shortcomings that have arisen due to my selfish ego and spiritual laziness. I hope to take part in advancing your divine movement.

Your Eternal Servant,  
Jitendriya Bhakt Dasa.

Dearest Srila Prabhupāda,

Please accept my worthless prostrate obeisances. You have given us a simple instruction—"Chant Hare Krishna and be happy"—but the illusion is always pushing me back, allowing me to stop following the instructions and go back to material life. But in your books and lectures, you have put so much knowledge and instruction to help me that just by reading your books nectar of knowledge is entering the ears, inundating the minds and hearts with a transcendental power that helps us to push back the illusion. The spiritual master's mercy is described, *mūkaṁ karoti vācālam*. Mūkaṁ means dumb, one who cannot speak. He becomes a great lecturer or speaker. Although he is dumb he can become a great lecturer, *mūkaṁ karoti vācālam*. Paṅguṁ laṅghayate girim, and one who is lame, who cannot walk, he can cross over the mountains. *Mūkaṁ karoti vācālam paṅguṁ laṅghayate... Yat kṛpā tam ahaṁ vande*, that by whose mercy these things are possible, I offer my respectful obeisances unto you.

The servants of God come to propagate God-consciousness, and intelligent people should cooperate with them in every respect. By serving the servant of God, one can please God more than by directly serving the Lord. The Lord is more pleased when He sees that His servants are properly respected because such servants risk everything for the service of the Lord and so are very dear to the Lord. Please give us your grace and strength so that we may stick to your lotus feet and continue this most exalted mission that you have started. You always enthuse your disciples with your ever-dynamic preaching ideas. Your desire is to see that every human being becomes Krishna conscious. Please let me be an instrument in your hand to help you accomplish this difficult work for the pleasure of Krishna. All glories to you, Srila Prabhupāda!

All glories to you Srila Prabhupada! Your appearance day is the one and only auspicious day in my life Srila Prabhupad, you have come to only give Your and Krishna's mercy. Your Divine appearance has given a meaning to my existence, as well as innumerable souls lives. You have put an end to search for all my unsolved questions through the simple yet profound wisdom, which has brought a change of heart, faith on eternity.

Year after year you bring a much deeper understanding towards the goal of life, your unparalleled Mercy, affection has only held me through these storms which taught a Lifetime Lessons. If I look back and see I only find you all along with me in this path holding my hand and taking me, else I would have got lost, fallen anywhere and everywhere. Without your presence Srila Prabhupada I couldn't have lived. My only hope to continue this life is your Divine Grace's mercy, your personal guidance, love, affection, your shelter. I'm eternally indebted to you my dear Father - for only you who are so immensely compassionate towards fallen souls like me can bring an eternal light of Lord Chaitanya in our life. You gave Krishna's words to us, you gave glimpses of Eternal world, you gave association of your Devotees, you gave a shelter - ISKCON to execute Parampara Acharyas mission, you gave access to unlimited instruction, lessons of love which was just hidden until you opened it up in your Divine teachings, you are always giving us your intensely personal love by which still we are able to live and conduct ourselves in this world of duality and make our path towards the Ultimate Goal of life.

Srila Prabhupada it's my personal experience that You always reside in our hearts as Krishna resides as Paramatma, know what is happening in your disciple's heart, you always reciprocate as a most compassionate dear Father, in all times and guide us through the darkest phases of life. I have no words to describe your compassion, Mercy, I just offer myself to you, for the eternity I belong to You; for Your causeless mercy, unlimited grace, your compassionate love showered on the most degraded soul like me. I just pray to you that I serve you with purity, dedication, love and devotion for my eternity. Your transcendental will is still acting in our lives, just this fact alone is proof that you never die. You live in your books, your lectures, your conversations, your deity, your preaching, Your visions and ambitions, exactly in the same way when you were personally present, You lived on this earth in past and you are even now living on this earth amongst us, without you personally being present Lord Chaitanya's mission wouldn't have reached this height today and you shall continue to live on this planet to deliver fallen souls like us.

I'm very Thankful to Lord for sending you in my life, without you I cannot even imagine myself, on this auspicious day, by your grace, I'm begging you to always use me in your service in any way you desire. Let me carry your mood in mind and your Divine Grace in Heart. Let me never dilute this life blessed by You, in success or failure, honour or dishonour, happiness or distress; please, Oh Dearmost merciful Eternal Father - Srila Prabhupada, please never leave my hand, always keep me at your Divine Lotus feet, until my last breath please engage me in your service, you are my only shelter and refuge. Kunti Maharani says the Ganges rushes towards ocean In all forces, I beg you let my mind and soul with all eagerness serve you unalloyed and always dwell at your divine Lotus Feet.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Thank you Prabhupada, it was by your grace that I could complete one more year in the service of Their Lordships. This year, the lockdown came as a blessing in disguise. I attended fantastic Japa sessions to improve my chanting, learned newer ways of conducting various online activities and also could serve other devotees in their devotional skill development. On this journey in Krishna consciousness, whenever I felt stuck up in any dilemma, I prayed to you and in no time, you reciprocated by imparting precious instructions through various sources. In this regard, I recently came across an incredible pastime of yours, “Those were the times when the ISKCON Mayapur temple

land was just purchased. It was an empty paddy field having a few huts with thatched roofs and mud everywhere. Srila Prabhupada was staying in a small brick hut. I always wanted to be his cook and Krishna had rewarded me. But this service was full of innumerable challenges.

There were no facilities at all. I was living in a small tent. There were only two buckets of water to cook and Prabhupada's assistant would come every day to grab one of the buckets to heat water for his bath. Each day, I had to confront the treasurer who assumed his duty was not to give money and I would have arguments concerning funds for his bhoga every day. Then, while going to buy vegetables, I had to fight concerning payment with the Rikshawala, with the boatman, with the vegetable vendors. They all expected ten times the proper amount from a white person. And I was faced with not only the service of Guru but also the service of my husband and daughter. Amidst all the severe hardships, I was thinking, "How can I please Srila Prabhupada?" I wanted to cook perfectly for him. I would think about it all day. But every single day, there was something improper in my cooking. One day there was too much salt and the next day there was too little. I was mortified. Moreover, I was shocked when I realized that Prabhupada's god-brothers are severely criticizing him for having a female cook at his service. I felt devastated. One day, the same god-brothers came to dine with Srila Prabhupada. So, I made lunch for all of them and brought it to his room. He was sitting at the other end like a royal king, and on each side of him were old, stately Vaishnavas with dandas. I was terrified of being in their presence, but I had to go in. I entirely covered my head and hands with my saree and got down on the floor on my hands and knees and gently kept the prasadam.

As soon as I offered obeisances and was coming out, Srila Prabhupada said to all of them in a commanding tone, "Yes, she is the one who cooks for me, and all I do is criticize her. But you know, she would slit her throat for me, and I would slit my throat for her. Everyone was stunned. There was a deafening silence in the room. I was overwhelmed with his love and felt like melting down at the spot. By the time I exited, my saree was wet with tears." Oh Prabhupada, when I read this pastime and especially that bold and profound statement, I got goosebumps. I understood that a disciple should always be ready to face any challenge to serve his Guru, and not only that, the more exciting part was that the Guru would also go up to any extent for such disciple. I felt ecstatic. That is the extent of love you show to anyone who serves you sincerely. Therefore, I fall flat before you to beg that I may always be blessed to serve you. Let no material desires, distractions or disturbances capture my mind from fully committing myself to you. Let me always get challenged, encouraged & embarrassed by your pastimes. Only in that way, my life will become successful.

Your Servant,  
Krishna Kripa Dasa.

मैं जगतगुरु श्रील प्रभुपाद के चरण कमलों में दंडवत प्रणाम करता हूँ।

मैं अपने आप को बड़ा ही भाग्यशाली समझता हूँ कि मुझे एक तत्वदर्शी और प्रामाणिक गुरु के चरण कमलों में स्थान प्राप्त हुआ है। मैं मेरे गुरु का आभारी हूँ कि मेरे जैसे तुच्छ और पापी को उन्होंने अपने माध्यम से भगवान कृष्ण की सेवा करने का मौका दिया और मैं जीवन भर उनके बताये हुए निर्देशों का पालन करके उन्हें प्रसन्न करने का प्रयत्न करूँगा। साथ ही मैं कोशिश करूँगा कि जो मौका मुझे मेरे दयालु गुरु ने दिया है उसमें तन मन और धन से उनका सहयोग करूँ। मैं भगवान कृष्ण से प्रार्थना करता हूँ कि जैसे इस जन्म में मुझे मेरे गुरु का आश्रय प्राप्त हुआ है वैसे हर व्यक्ति पर मेरे गुरु की कृपा सदा बनी रहे और हम भगवान की सेवा और कृपा प्राप्त कर सकें। वैसे तो हमारे गुरु की उदारता के बारे में जितना लिखे उतना कम है फिर भी मैं उनको दंडवत प्रणाम करके उनकी आज्ञा से अपने शब्दों को पूर्ण करता हूँ। हरे कृष्ण।

My old story (sad part) – before meeting You

“Many like Tom, Dick and Harries,

I tried their all worldly theories.

Unable to overcome material miseries,

lived like an ass leaving genuine queries.”

My new story (Good part) - after meeting You

“Happiness isn't a tale of the fairy,

Guru's order we have to just carry.

He says - simply chant the name of “Hari”,

And cast aside all material worries.”

Vignapti – Begging for mercy

Let me take your instruction into heart, your words as Life and Soul,

Let me remember You as my only saviour, & remain thankful.

Let me remain under your louts' feet, where worries don't dare,

Let me remain as Your loyal servant, under your eternal care.

O my Lord....! My ever well-wisher, I worship you in my heart's core, Let me completely surrender myself, without worrying any more. Your insignificant disciple, hoping for your mercy

Jai Srila Prabhupada,

All glories to Srila Prabhupada. My humble obeisances to you Srila Prabhupada. Please keep me under the shelter of your lotus feet. Over many many births, my lording mentality has lead to entanglement in this material world forgetful of Krishna. Through your teachings, you have shown me an ideal path leading towards Krishna, the ultimate goal. Recently the pandemic COVID 19 has opened my eyes to understand the importance of spiritual life. The present scenario is such that everyone is scared of getting infected and quarantined for 14 days away from loved ones. Through your teachings, we have come to know that we are quarantined since innumerable births being forgetful of Krishna and are ignorant of this fact due to illusion. By following your teachings and instructions we have come to know that real quarantine ends, the day we go back home, back to Godhead and associate with Krishna, our ever Supreme wellwisher.

Sadhusanga is one of the most important instructions you have given. This lockdown many such associations were possible and we utilized this opportunity to the maximum extent by sravanam. Based on your guidance and teachings senior Vaishnavas gave sublime lectures motivating us to chant more quality rounds. One of such association was Soulful Japa sessions taken by His Grace Madhu Pandit Prabhu by which I was able to chant more efficiently, quality rounds. Due to these Soulful Japa sessions, I felt excited and enthusiastic in doing my Japa rounds. Prabhupada, I am heartily grateful to you for directing my life in such a way that I am engaged in Krishna conscious activities throughout the day like chanting, reading, cooking, Deity worship etc. for giving pleasure to Krishna. I sincerely pray at your lotus feet to give me the strength to follow your teachings and instructions with unflinching faith and determination.

Your Eternal Servant, Mahaguna Devi Dasi.

Hare Krishna! Dear Srila Prabhupada,

Please accept my Dandvat pranam unto your lotus feet. This year is very super special for me Srila Prabhupada as you have accepted me as your disciple servant by giving me initiation and a new name. Thank you so much for your kind and unlimited mercy on a fallen soul like me. Further in this year, because of your causeless mercy, I am able to read your books namely Bhakti Rasamrita Sindhu and second reading of Srimad Bhagavatam. This direct association with your holiness through books is constantly deepening and strengthening my faith in Guru, Sadhu and Shastra. This is constantly giving me encouragement and new ideas for Book Distribution service and other services. Also, Lockdown period of 2 months was a big blessing in disguise from your holiness. I have experienced your unlimited mercy on me during this lockdown period because of which there was a constant Krishna Conscious Happiness and Joy in spite of a lot of problems of personal health, social, professional and related issues. Further, Special nectar of “Soulful Japa” in the form your golden and diamond quotes have started giving me a great experience while chanting the holy name of Supreme Lord Shri Krishna. Especially, chanting with your holiness during Soulful Japa training using your audio in the background was amazingly blissful.

Further, through your endless mercy, I am constantly getting a lot of Sadhu Sanga and Senior Vaishnava Association both in the online and offline modes. This is giving me a lot of hope to progress further on the never-ending path of the spiritual journey as shown by your holiness. Kindly bestow your more and more mercy on me. Srila Prabhupada ki Jay.

My Dear Srila Prabhupada,

Please accept my humble obeisances unto you. All glories to you, the savior of the fallen.

By your Grace, I got a wonderful opportunity in this life for again reviving my eternal consciousness by being in your movement. It is the greatest fortune by being in this transcendental journey which is carried out by my expert spiritual master. By the mercy of Krishna, I have got shelter of you. By the mercy of my guru, I have great hope that one day I will meet Krishna. Staying in this Movement, in the association of devotees, I am able to see the improvement in my consciousness. When I read your books day by day I am able to realize the intricacies of the material world, and the philosophical subject matter becomes more and more transparent. I am continuously striving for my spiritual advancement, under your shelter. My only prayer to you is that please give me the guidance to serve you better and please always keep me in the association of devotees.

Your Eternal servant,

I am writing this offering to glorify my glorious spiritual master Srila Prabhupada,

You are the only Maya blaster who has saved us all, from the greatest disaster.

Your past times are a multitude  
And the books you wrote helped us in great magnitude  
No words can describe that gratitude  
I pray that I offer this offering with the right attitude

Through your mercy, only the greatest gift I received is to be with your disciples  
In this world of cheating and duplicity  
Sincerity can be found solely in this community  
Being a part of this glorious association  
Has always been a matter of jubilation

To think of those tough times which were unseen  
That hard work and dedication was all behind the scenes  
But time has passed without a doubt  
And so have the memories beyond a count

How could I ever pay to you and devotees  
Something that would be true to my identity  
So on this Vyasa Puja day, I simply want to say  
That without your shelter and mercy, there would be no way  
As you have always so kindly explained  
The anxiety to serve might be our only gain

My Dearest spiritual master, please hear this poem if you please and do as you please with your help, anything can be accomplished with great ease. Please grant me eternal shelter in the service of your lotus feet

Your fallen servant,  
Mithileshwar Dasa.

Dear Srila Prabhupada,

The word 'GURU' means a lot to me. My Guru Maharaja, Srila Prabhupada gave me the real meaning of my life. He taught me who am I? Why I am here? Only because of his mercy now I understand the real goal of my life. He is very Kripalu, distributing 'Krishna Prema' through his books and lectures. Only because of my Guru Maharaja, my life got totally changed. I got detached from material things and got attached to the things that are connected with Krishna. Nowadays I like reading Srimad Bhagavatam, hearing about Krishna, travelling to Dhams. All these things happened only because of his mercy. He has given me new birth. I have not seen him, but each and every moment I feel his presence. He talks to me when I need to talk. He walks with me when I need him. When I hear his voice through his videos, I feel he is just beside me and giving me instructions to chant well and be serious in Krishna consciousness. His motivations always push me towards Krishna.

I offer my lots of obeisances to my Guru Maharaja, my well-wisher. Always keep me under your shelter.

Your servant,

We unable to have darshan of our Supreme father at our temple. Anyhow temple made the facility through youtube daily live darshan, arati, a lecture from 8 pm to 9 pm on different subjects and Lords past time Lila, etc. The daily seva of Sri Sri Nitai Gauranga with kirtan and reading Bhagavad-gita is giving pleasure at home. नमस्ते सारस्वतेदेवे गौर वाणी प्रचारिणे। निर्विशेष शून्यवादी पाश्चात्य देश तारिणे॥*

श्रील प्रभुपाद कृपया मेरा दण्डवत प्रणाम स्वीकार करें ,

यह वर्ष प्रत्येक वर्ष से कुछ भिन्न था, इस वर्ष में एक अनुभव हुआ जिसे लॉक डाउन कहा गया। हम हमेशा से ये कहते आ रहे है हमारे पास समय नहीं है, अन्यथा मैं प्रभुपाद की सारी पुस्तके पढ़ लेता और जप भी बहुत अच्छे से करता, रोजाना प्रवचन सुनता। हालाँकि अभी भी मैं आपके द्वारा दिए गए निर्देशों का पालन कर रहा हूँ, नित्य १६ माला जप कर रहा हूँ, प्रतिदिन १ घंटा अध्ययन भी कर रहा हूँ, परन्तु लॉक डाउन के दरम्यान वरिष्ठ वैष्णवों के ऑनलाइन संग के द्वारा बहुत अच्छे से हरिनाम के बारे में तथा गुरु और शिष्य के मध्य संबंधों के बारे में जानने को मिला। उस से मेरे जप की गुणवत्ता में कुछ सुधार हुआ है, ये मेने स्वयं महसूस किया है। प्रायः हम सभी को श्रील प्रभुपाद की कृपा का कुछ अनुभव है। जब हम दृढ़तापूर्वक विधि का पालन करते है, हम श्रील प्रभुपाद की कृपा का अनुभव करते है किन्तु श्रील प्रभुपाद इतने कृपालु है कि इतनी दृढ़तापूर्वक पालन न कर पाने पर भी हमें उनकी कृपा का अनुभव होता है। वे सदा हमारा ध्यान रखते हैं। ये भी एक अनुभव हुआ कि प्रभुपाद आप प्रत्येक कदम पर मेरी सहायता कर रहे है और मुझे आध्यात्मिक जीवन की ओर अग्रसर कर रहे है।

श्रील प्रभुपाद आप एक पत्र में लिखते है कि "चाहे कोई व्यक्ति भगवान की कृपा प्राप्त करने का अधिकारी है अथवा नहीं, परन्तु यदि वह भगवान के किसी शुद्ध भक्त को प्रसन्न कर लेता है तो भगवान उस से तुरंत संतुष्ट हो जाते हैं।" मैं भी प्रतिदिन यही कोशिश करता हूँ कि मैं आपको किस प्रकार प्रसन्न कर सकूँ। अथवा आपके इस मूवमेंट को मैं किस प्रकार सेवा प्रदान कर सकूँ। कृपया मुझे आपकी नित्य सेवा में लगाए रखें और इस प्रकार मुझ पर कृपा बनाये रखें। मैं ये भी समझ पा रहा हूँ कि गुरुसेवा अर्थात श्रील प्रभुपाद के लिए सेवा एक बहुत ही गहन विषय है, और ये सेवा का भाव ही कृष्णभावनामृत का मूल आधारस्तम्भ है। कृपया मुझे इस सेवा में लगाए रखें और आपकी अहेतुकी कृपा बनाये रखें। श्रीमद भागवतम के प्रथम स्कंध में आप लिखते है कि भक्ति की विधि सहज है, परन्तु उसका पालन करना कठिन है। भक्ति में प्रगति करने के लिए भक्तों का संग अनिवार्य है, और इसी विधि का पालन करते हुए हमारे अहमदाबाद के हरे कृष्णा मूवमेंट में प्रत्येक रविवार को साधुसंग का आयोजन किया जा रहा है ये एक बहुत ही उत्कृष्ट कार्यक्रम है, इसमें एक बार आपके द्वारा लिखी गयी पुस्तक "उपदेशामृत" के एक वाक्य पर चर्चा हुई, वह वाक्य इस प्रकार है, "कृष्णभावनामृत में साधक की प्रगति उसकी मनोवृत्ति पर निर्भर करती है" इस वाक्य को आधार मानते हुए मैं यही कोशिश करता हूँ कि मैं किस प्रकार अपनी मनोवृत्ति को आपकी शिक्षाओं पर केंद्रित कर सकूँ। श्रील प्रभुपाद आप मुझे यह शक्ति प्रदान कीजिए कि मैं आजीवन आपकी सेवा में प्रवृत्त रहूँ।

आपका नित्य दास, नदिया निमाई दास.

Dear Srila Prabhupada,

I cannot find the words to express my gratitude towards your loving association and encouragement. Yes, Srila Prabhupada, this year so many changes have come into my life & brought me to such a situation that the whole family had to stay together since we could not go out. So we had to stay 24 hours together. After which, you made me understand, that where am I in bhakti and how much I still have to improve in myself. You made chant every day, but “*cheto darpan marjanam*” has not yet happened within me. How much sinful I am, I still have kama, krodha, moh, maya, enviousness etc.. So many anarthas are still inside me. It is in this lockdown that I understood and realized my true self. Simultaneously, you inspired me to read your books, hear your talks and lectures and see your videos more and more. The sound of your voice vibrates in my ears. Your smile shines in my eyes, your footsteps are walking in my heart. I feel your presence whenever I call the people to chant the Holy Name of the Lord. I am a fallen soul, so I always pray to you Srila Prabhupada to give the proper intelligence to the people whom I call, so that after which they can start chanting the Holy Name with your blessings. It is you who can motivate them to do so.

Please bless me and all the people connected with me. Please Dear Prabhupada, if you feel, please shower your causeless mercy upon us and bless us to chant the Holy Name of the Lord more attentively. So I can find determination & steadiness in my devotional service. I cannot imagine my life without you Srila Prabhupada, without Sri Sri Radha Madhav and without the wonderful Vaishnava Sangh. Thank you very much Srila Prabhupada for giving us such nice devotees’ association who are always energetic and enthusiastic to spread Krishna consciousness. I am so grateful to you and I pray to remain your humble servant. Always in your Seva

Your Humble Servant,  
Nama Sankirtana Devi Dasi.

My dear most adored Gurudev Srila Prabhupada,

When the message came to express my gratitude, I was seeking guidance from you and decided to write on your ” *yasya prasadat bhagavat prasado.*”

This means to me your grace to travel towards the transcendental world of Lord Nityananda Gaurang Bhagwan, Lord Radha Madhav and Lord Jagannath, 15 years before, I was closely associated with another Mission in letter and spirit. But one fine morning in May 98-99, your first grace was showered by way of inspiring me to buy sets of books written by you from your devotees who have surrendered at your feet for a lifetime. The second grace was experienced when I started reading Kento one which transformed me from my inner heart and mind was devoted to Lord Krishna. This happened in 2003-05. One fine morning of March 05, I could clearly understand that time was ripened to surrender to Lord Chaitanya Mahaprabhu and I became the lifetime member of our ISCKON on Gokulastami. This was the third experienced grace.

Based on this grace, you inspired me to study books written by you more on Chaitanya Charitamrit and Chaitanya Bhagavatam and also engaged in serving Lord Nityanand-Chaitnya Mahaprabhu, Lord Radha Shyam Sunder and Lord Jagannath. Lord Jagannath waited for me for 32 years to serve them three silver Chakras and I could do this service to him in 2010. This was your fifth grace which converted me as one of the most sincere devotees of Lord Jagannath. The Lord Jagannath reciprocated by way of accepting me and my family as His Devotees which culminated into most intimated devotional service to Lord Jagannath on His own Rath when Lord was returning to Sri Mandir known as Bahuda Rath Yatra in 2013. Simultaneously, I got the job in Ahemdabad which gave me the opportunity to come in contact with Hare Krishna Temple at Gandhinagar. This contact enabled me to develop an eternal relationship through your grace which was manifested through their most trusted disciples.

This relationship got solidified eternally by way of becoming yajman for the installation ceremony of Lord Nityananda-Chaitanya Mahaprabhu and Lord Radha Madhav during the period from 2008 to 2013-15 This was your visible 6th,7th and 8th grace. The biggest and visible grace came through your one of the dearest disciple of yours who strongly persuaded me to formerly become your disciple on 19th April 2015. You are so kind to me that my wife also became your disciples From this onwards, our devotion has been intensified so much so that I am able to get up around 4 am every morning and follow all devotional practices as established by you. This was your visible 9th grace which has converted my all family including three lovely grand-daughters as your devotees. Prior to this, Lord Bal Gopalji arrived along with your disciples of Hare Krishna Mandir at our home Ahmedabad on 22nd March 2011. The presence of Lord Bal Gopal has transformed our home as a temple. Your this grace has transformed our whole family to be eternal devotees of Bal Gopal for this birth and births to follow. This was your 10th grace. Last but not the least is one where you graced to stay at your Mayapur Temple for 18 days and visited all locations of Lila of Lord Gaurav Nitay which moves me visibly and experienced the presence of Lord throughout the stay and otherwise also. This was your 11th grace and took place in 2014-15.

When I looked back over the last 15 years, I go on experiencing your grace at every step of mine and has become your eternal disciple for this life and life to follows. I along with my family members earnestly pray you to continue to shower your grace so that I can reach to final destiny "Paramdham" of Lord Radha Madhav, Lord Gaurav Nitay and Lord Jagannath. Jai Prabhupada! Jay Gaurav Nitay! Jay Lord Radha Madhav and Lord Jagannath!

Your Eternal servants,  
Nand Gopa Dasa,  
Nayana Gopi Devi Dasi.

Dear, Srila Prabhupada,

Please accept my Obeisance's at the lotus feet. I am so happy to be introduced to the Krishna Consciousness Movement introduced by you. It has been almost 11 years now. I and My family are so lucky to be a part of the Krishna Consciousness Movement. If I talk about my personal changes I am regularly chanting my rounds & reading Bhagavad-gita, Srimad Bhagavatam & Krishna Book At night. A person like me who used to wake up at 8 Am is now waking up between 5 -6 am. This year so many changes have come in my life. It brought me to a situation where the whole family had to stay together, as we could not go out. We stayed 24 hours together. After which you made me understand, that where am I in Bhakti and how much I still have to improve in myself. You made chant every day but "*cheto darpan marjanam*" had not yet happened in me. How sinful I am; I still have kama, krodha, moha, mada, evny, etc. In fact this year onwards every day at night 8 Pm, we all sit in the Home Temple and do kirtan together with the entire family. Then post-dinner prasadam, every day one family member tells a short and nice story from Krishna book or Bhagavatam, etc... to the other members. Then we all do one mala together before sleeping.

When I listen to your lectures or see your videos, I get the power for the whole day to face challenges in daily activities. I am a businessman but now I have no fear of my future since Lord Krishna is with me. I have found the purpose of my life. Through this Movement, I have become very much subtle, slowly my greed & anger are becoming lesser. Whenever anything happens good or bad I try to understand that it is the Lord's wish or my previous Karmas. I have decided to contribute as much as possible on this planet Earth towards Krishna Consciousness. For doing that I keep doing the following, Whenever I meet a new customer, after finishing the business talks, I definitely talk about Krishna, His pastimes, His greatness etc. I keep my Japa bag together. Whenever I attend Sunday classes I try to recite the same to any person I meet. I also talk about our Akshaya Patra & Krishna Consciousness Movement. Many of my relatives, friends and colleagues know about this so they also get interested too. They also attend classes, functions, etc.

Dear Srila Prabhupada, these are just a few gestures, please help me & guide me more and more. My dream is to dedicate my life towards the Krishna Consciousness Movement, after the age of 55. So, before that please help me and guide me in

a manner so I can arrange for my family. Well, I know the Lord takes care of all but even though, as a human being as the Lord says just do your karma and leave the results in me. My ultimate dream is to go back to the Supreme Personality of Godhead. So please guide and help me. I love you a lot. Hare Krishna.

Your Humble Servant,  
Narakriti Krishna Dasa.

*om ajśāna-timirāndhasya jśānāśjana-sālākayā cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

*nama om vishnu-padaya krishna-preshtaya bhu-tale  
srimate bhaktivedanta-svamin iti namine*

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at His lotus feet.

*namas te sarasvate deve gaura-vani-pracharine  
nirvishesha-shunyavadi-pashchatya-desha-tarine*

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvati Gosvami. You are kindly preaching the message of Lord Chaitanya deva and delivering the Western countries, which are filled with impersonalism and voidism.

Srila Prabhupada! Gurudev! Please accept my humble obeisances unto your divine lotus feet. If you were not there, I am not sure where would I have been. In the place of dualities and miseries, amidst the temporary existence and relationships, falsely hoping to be happy, loved and cared by family, friends and society, I do not know since how many lifetimes I am being trapped by Maya and have wasted life ignorantly. On this auspicious day of your divine appearance, I would like to express my heartfelt gratitude unto you by quoting following prayer offered by Srila Raghunath das Goswami unto his Gurudev in his Śrī Mukta-carita,

*nāma-śreṣṭhaṁ manum api śacī-pūtraṁ atra svarūpaṁ  
rūpaṁ tasyāgrajam uru-pūriṁ māthurīṁ goṣṭhavāṭīm  
rādhā-kuṇḍaṁ giri-varam ago! rādhikā-mādhavāśāṁ  
prāpto yasya prathita-kṛpayā śrī-guruṁ taṁ nato 'smi*

I am fully indebted to Śrī Gurudeva. Why? He has given me so many things: the highest conception of the holy name of Kṛiṣṇa, the highest form of sound which contains the highest form of thought, aspiration, ideal, everything. And he has given me the service of our great saviour, Śrī Chaitanya Mahāprabhu, and His dear most assistant, Śrī Svarūpa Dāmodara. He has brought me in connection with Śrī Rūpa, who was ordered to distribute the heart's innermost dealings, the highest devotional love, rāgānugā-bhakti. Gurudeva has given me Śrīla Sanātana Gosvāmī, who gives sambandha-jśāna, a proper understanding of our relationship with Śrī Kṛiṣṇa, and he has given me Mathurā-maṇḍala, which will help me in my remembrance of Rādhā and Govinda wherever I shall cast my glance. By his grace, Gurudeva has revealed the superexcellent position of Rādhā-kuṇḍa, the favourite place of Rādhā and Govinda for Their pastimes and this Girirāja Govardhāna. Lastly, he has given me the hope that one day I can obtain the service of Śrī Śrī Rādhikā and Mādhava. I have been given all these assurances by my Gurudeva, so I bow my head with all my respects to his lotus feet.

Srila Prabhupada! I do not want to be fooled anymore by Maya. On this auspicious divine appearance of yours, I would like to humbly express my innermost desire unto you by quoting a prayer by Srila Das Goswami in his Śrī Stava Kalpadruma,

*tvaṁ gopikā vṛṣa-raves tanayāntike 'si  
sevādhikāriṇi guro nija-pāda-padme*

*dāsyam̐ pradāya kuru mām̐ vraja-kānane śrī-  
rādhāṅghri-sevana-rase sukhinīm̐ sukhābdhau*

O Gurudeva! You are a gopī in the company of the daughter of Vṛṣabhānu Mahārāja and can bestow Her service. Bestowing upon me the shelter of your lotus feet, kindly make me happily engaged within the ocean of the blissful mellows of service to Śrīmatī Rādhikā's lotus feet in the kuṣjas of Vraja. Prabhupada! Thank you for saving me from the clutches of Maya and engaging me in the service of Sri Sri Radha Madhav. Please be kind and merciful unto me and protect me from the further traps of Maya. May your glories spread all over the three universes I take shelter of your divine lotus feet. All glories to Srila Prabhupada! All glories to Gurudev!

Your Servant,  
Nayanabhiram Dasa.

हरे कृष्ण, श्रील प्रभुपाद आपको सादर प्रणाम,

जबसे हमने आपकी शरण प्राप्त की है तब से हमारे जीवन का लक्ष्य पूरा बदल गया है। प्रभुपाद आपके प्रवचन सुनकर हमने इस भौतिक जीवन में रहकर भी भक्तिमय जीवन व्यतीत करते हैं। हमें आपके बताए मार्ग पर चलने के लिए हरे कृष्ण मंदिर द्वारा सभी प्रकार की शिक्षाएँ दी जाती हैं। मुझे पढ़ना लिखना नहीं आता फिर भी प्रभुपाद हरे कृष्ण मंदिर भाड़ज के कारण हमारे जीवन में आपकी उपस्थिति की कभी कमी नहीं पड़ती। हमें इतनी मदद मिलती है की सोते जागते आपके बारे में विचार चलता है। हमें मंदिर की ओर से नितार्ई गौरांग की सेवा प्राप्त हुई और घर में नित्य सेवा-पूजा और कीर्तन करते हैं।

प्रभुपाद हमपर आपकी कृपा बनाये रखना और भक्ति में आगे बढ़ने की राह दिखाते रहना। आपके चरण कमलों में सदा हमारा वास रहे ऐसी कृष्ण भगवान् को प्रार्थना करती हूँ।

*mukam karoti vachalam pangum langhayate girim  
yat-kripa tam aham vande sri-gurum dina-taranam*

All glories to Srila Prabhupada,

One more year has passed under your divine shelter. You have showered causeless mercy on this most fallen soul. Sometimes I think there is no English word that can equate or help to express your compassion upon me. You are a mercy incarnation of Lord Sri Krishna. I can recall an incident, where despite knowing the people who wanted to poison you, you still didn't disclose their identity because you had a higher purpose and a bigger vision. You wished to give them a chance to practice and progress in Krishna consciousness. You knew very well that only by chanting and performing devotional service such jivas could be purified from all their sins. The same thing I can see in the attempts of your sincere disciples. Despite my so many anarthas and shortcomings, your divine movement has accepted me not only that they even provided me with all the facilities to practice Krishna consciousness, although I am unworthy of that.

I heard in your classes saying "this ISKCON is my body" and just like any other common man who knows how to take care of his body. Your Divine Grace also took charge of his body at the right time, brought the proper treatment and successfully cured the disease. It is the same movement; it is the same body which going to stay for another ten thousand years. When one of our Centres was going through you a difficult time, I was wondering how can there be a loophole in your divine system. But the same system, the same body (ISKCON) has a unique self-healing capacity. You made your system in such a way that it can resolve any problem, difficulty or challenge that may come at the managerial level. Just like an expert doctor who can give proper treatment for any disease and make the body active or functional in a short time.

For the past few months, I am trying to study Bhagavad-gita scrutinizingly. Before starting, I thought let me study Bhagavad-gita and present in a way that it appeals to the people, even at the cost of taking out spiritual principles and presenting it as problems solving technique. But when I started studying, I found that Bhagavad-gita is meant only for elevating a person to Krishna consciousness and taking out any other meaning will be the biggest injustice to its teachings. If we are successful in making people Krishna conscious, automatically all good can come to them. You also taught me that Bhagavad-gita should be read in the mood of a learner, not in the spirit of a teacher. Teaching may be secondary. This was a big lesson in my Study. Your miraculous intervention always brought new life to my Krishna conscious practice. I feel greatly fortunate under you, and your sincere disciples' care. Following your instruction is the only thing that you expect from me and the only thing that I must be serious about.

Your Aspiring Servant,  
Pada Padma Dasa.

आदरणीय गुरुदेव श्रील प्रभुपादजी,

कृपया आपके चरण-कमलों में, इस तुच्छ-दास का प्रणाम स्वीकार करें। प्रत्येक वर्ष की तरह, आज फिर वह दिव्य-क्षण आ चुका है जब प्रत्येक शिष्य अपने गुरु को श्रद्धाभाव समर्पित करता है। वास्तव में, एक गंभीर शिष्य के हृदय में गुरु का स्मरण और उनके प्रति समर्पण भाव प्रत्येक क्षण ही होता है, परन्तु आज व्यास-पूजा अवसर पर, गुरु का गुणगान करना, उनकी असीम अनुकम्पा का अनुभव तथा हृदय के भीतर के भावों को शब्दों के माध्यम से समर्पित करना, अपने आप में एक विशिष्ट सेवा का अवसर है।

यह दिन प्रत्येक शिष्य के लिए सर्वाधिक विशेष है क्योंकि आज ही के दिन परम पुरुषोत्तम भगवान श्रीकृष्ण की अहैतुकी कृपा का साक्षात्कार आपके आविर्भाव का द्वारा होता है और साथ ही आपके आविर्भाव के माध्यम से ही हमें प्रथम ज्ञान का पाठ मिलता है कि भगवान श्रीकृष्ण के आदेश की पालना ही जीव का सर्वोपरि धर्म और सेवा है। और उसी का आचरण सिखाने हेतु आप स्वयं व्यास-विग्रह रूप में हम सभी को मार्गदर्शन देने हेतु भगवद-धाम से इस मलीन माया-जगत में आते हैं। परन्तु मुझ जैसे संकीर्ण मानसिकता वाले जीव को इसी का अनुशरण करने में कठिनाई का अनुभव होता है तथा कृष्णचेतना एवं ज्ञान की अपेक्षा मनचेतना एवं भ्रम में अधिक रूचि दिखाई देती है। यह मेरा दुर्भाग्य ही है कि मैं आपकी अहैतुकी कृपा और संग का समुचित लाभ नहीं ले पा रहा हूँ।

चैतन्य-चरितामृतोक्त है:

*"साधू संग, साधू संग, सर्व शास्त्रे कय ।  
लभ मात्र साधू संग, सर्व सिद्धि हय ॥"*

यह आपके संग का ही प्रभाव है जिसके फलस्वरूप सम्पूर्ण विश्व में आज हम सभी शिष्य कृष्णभावनामृत का आस्वादन कर रहे हैं। वैश्विक दृष्टिकोण से यह अत्यंत विस्मयादिबोधक है परन्तु आपकी चरित्रिक एवं आध्यात्मिक पवित्रता ने म्लेक्ष्य-तुल्य जीवों को कृष्णभक्त-तुल्य जीवों में परिवर्तित कर दिया। स्वयं की चेतना मैं परिवर्तन ला पाना कठिन है, लेकिन सर्वसमाज की चेतना को परिवर्तित कर पाना अत्यंत दुष्कर है, परन्तु आपने इसकार्य को साकार करे।

आपका दास, पद्मनाभा दास.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. With the blessings of all the Vaishnavas & Their Lordships, I am writing the 8th Vyasa Puja offering. Srila Prabhupada, you gave me a transcendental opportunity of serving this Lord Chaitanya's movement from the last 6 yrs. I am highly privileged for being part of the Lord's mission. Without accepting Your divine purpose in this world as one's life's mission, one cannot serve this Lord Chaitanya's sankirtana movement as life & soul. The impediments, challenges, tests & trails in the journey of a missionary life make one more earnest in preaching Krishna Consciousness. This earnestness to distribute the message of Lord Chaitanya Mahaprabhu is possible for a devotee who accepts the guru's mission as one's life mission. Srila Gaura Kishora Dasa Babaji once explained about the consideration of Lord Krishna, "It will be difficult for Me to repay the debt to those who have surrendered themselves to

such Vaishnavas, who are as dear to Me as My life. I will become the servant to those who are affectionate to My pure devotees, and thus I will easily come under their control." With this statement of Srila Gaura Kishora Dasa Babaji Maharaj, one can understand how incredibly fortunate are we to serve your lotus feet.

Srila Prabhupada, kindly bless me to serve Lord Gauranga Mahaprabhu to His heart's content. As explained in Chaitanya Charitamrta, this Lord Chaitanya's Sankirtan movement spreads across the universe. It is not limited to the planet earth, and Lord Chaitanya Mahaprabhu's pastimes continue in many universes. I don't have any desire to go back to Godhead, but, in every life, I only beg to be always in the association of Lord Gauranga & His eternal associates. Srila Prabhupada, you are mercy personified. One gets amazed to see your earthly pastimes. Previously, you engaged the most fallen souls in building this movement. It is inexplicable for a human being like me to describe your shower of causeless mercy. Even though I am one of the most fallen souls with thousands of limitations, you kindly made me part of your movement. My heart is arid, devoid of happiness. Please grant me your uninterrupted association & fill my heart with transcendental bliss. You kindly granted me an opportunity to understand soulful Japa sessions of your beloved disciple. It intensified my relationship with Nama Prabhu. But, unfortunately, I am so fallen, I am not able to follow the instructions properly. I humbly beg to grant me the association of Nama Prabhu uninterruptedly. Srila Prabhupada, you are the only person who can bless me with the association of Krishna, I have no other hope. It is said in the Nectar of Devotion, "One can attain pure devotional service, only by the association of pure devotees, not by any means." Srila Prabhupada, I sincerely beg your constant association. The goal of everyone in Iskcon is to become a pure devotee. I am eagerly anticipating your causeless mercy to transcend my conditioned life. "sri-guru-charane rati, ei se uttama-gati, je prasade pure sarva asha."

Your most fallen servant, Param Dhama Dasa.

श्रील प्रभुपाद को प्रणाम,

मैं आपको बारम्बार प्रणाम करती हूँ। हे गुरुदेव जबसे मैं आपके शरण में आयी हूँ मेरा जीवन धन्य हो गया है। हे गुरुदेव आपकी कृपा और आपके भक्त, प्रभु लोगों के संपर्क में आकर बहुत कुछ सीखने को मिला। अभी कोरोना की वजह से चार महीने से हम लोग मंदिर नहीं आ सके लेकिन घर पर मंगल आरती, भोग लगाना तथा 16 माला जप करना, श्रीमद् भागवतम पढ़ना रोज का हिस्सा बना है। आपकी कृपा से मंदिर में प्रभुजी इंटरनेट पर साधु संग कार्यक्रम आयोजित करते हैं जिसमें वह रोज नए नए विषयों पर चर्चा करते हैं और उससे हमें बहुत सारी जानकारी मिलती है। हे गुरुदेव आपकी कृपा से हमारा जीवन बदल गया है। लिखने के लिए बहुत कुछ है लेकिन मुझे समझ नहीं आ रहा कि कैसे लिखूं। इसलिए हे गुरुदेव आप अपनी कृपा और अपना आशीर्वाद हमारे ऊपर हमेशा बनाए रखें जिससे हमारा मन अध्यात्म की ओर बढ़ता रहे और अन्य कहीं ना भटके। मैं आपके चरणों की दासी आपको बारंबार प्रणाम करती हूँ।

हरे कृष्ण, श्रील प्रभुपाद आपको सादर दंडवत प्रणाम,

हम भौतिक जगत में बद्ध जीव के रूप में यहाँ वहाँ भटकते थे। पर हमें हरे कृष्ण मंदिर भाड़ज में आपके लिखित ग्रन्थ पुस्तकें, भगवद्गीता एवं श्रीमद् भागवतम मिले। हमने पूरी लगन से पढ़ा और हमारा हृदय परिवर्तन हुआ है। हमने जबसे आपकी शरण ले ली है तबसे हमारा हृदय परिवर्तन हुआ है। आपके आशीर्वाद और हरे कृष्ण मंदिर के मार्गदर्शन में हमने दीक्षा ग्रहण की और हमें आपसे एक आध्यात्मिक नाम प्रदान हुआ है। हम आपके बताये हुए मार्ग पर चलते हैं और श्री श्री नीति गौरांग की सेवा पूजा भी करते हैं और कीर्तन भी करते हैं। इस कोरोना महामारी में हमें पता ही नहीं चला - सिर्फ आपके पुस्तक, मंदिर के प्रवचन और माला जप करने में ही समय काम पड़ता था। आपकी शरण मिलने से हमें नवीन आध्यात्मिक संचार मिला है तथा भक्ति करने का सुअवसर प्राप्त हुआ है। हे प्रभुपाद आपके चरण कमलों में अत्यंत भक्ति एवं श्रद्धापूर्वक नतमस्तक होता हूँ। कृपया हमें भक्ति में आगे बढ़ने की ऐसी प्रेरणा देते रहना।

Dear Srila Prabhupāda,

Please accept my humble obeisances unto your lotus feet. All glories unto Your Divine Grace. You had always said that the material nature is constantly changing and the foolish attempts to lord over the material nature to enjoy sense gratification are an insane manifestation of the conditioned souls' perverted consciousness. This very action today has brought great fear in people's hearts all over the World in the form of a virus named COVID-19. But Your Divine Grace often quoted this verse of Srimad Bhagavatam (6.17.28) assuring our sole engagement in whatever situation may be at hand.

*nārāyaṇa-parāḥ sarve na kutaścana bibhyati  
svargāpavarga-narakeṣv api tulyārtha-darśinaḥ*

*“Devotees solely engaged in the devotional service of the Supreme Personality of Godhead, Nārāyaṇa, never fear any condition of life. For them the heavenly planets, liberation and the hellish planets are all the same, for such devotees are interested only in the service of the Lord.”*

Your Divine Grace is the living example of this wonderful verse. Despite trying situations and odd people you never turned back from executing the orders of your glorious Spiritual master, thus setting a perfect example of an Acharya how to be dedicated in serving the instructions of the bona fide spiritual master. I ardently pray to you, to shower your mercy unto this fallen disciple so that I may get a spark of this dedication & devotion unto your lotus feet and carry out my duties under your divine guidance. And as the saying goes “blessings in disguise”, this current situation indeed turned to be so. By the guidance of our senior god-brothers especially HG Madhu Pandit Prabhu upon whom you showered your mercy to understand the transcendental nature of Hare Krishna Nama Prabhu and spread the proper way & mood to relate with the transcendental Supreme Personality of Godhead sound incarnate. Though there is a very long way to go in chanting Japa soulfully, this has awakened a great glimpse of hope that sooner or later, I'll be able to relish that spiritual association which you have kindly revealed in the pages of your divine books.

Thank you so much for taking care & nurturing me from the time of accepting me as a disciple to date despite my many shortcomings. You have tolerated my foolish behavior knowing well what kind of incompetent person I am. I beg for forgiveness for all the aparadhas I have committed knowingly and unknowingly unto your lotus feet.

Aspiring to be the servant of your servants, Pratāparudra Dāsa.

प्रातः स्मरणीय, परम वंदनीय तथा परम श्रद्धेय प्रिय श्रील प्रभुपाद,

आपके चरणकमलों में कोटि – कोटि प्रणाम, आज आपके प्रति यह श्रद्धांजलि लिखते हुए मेरे हृदय में बारम्बार मेरा यह जीवन चलचित्र की भांति चल रहा है। वह समय जो मैंने व्यर्थ बिताया, और दूसरा भाग यह जब से मुझे आपका आश्रय प्राप्त हुआ। किसी भी जीव के लिये आपके द्वारा स्थापित इस्कान संस्था के नियम ही भौतिक जगत कि कठिन परिस्थिति से निकलने का एक मात्र मार्ग हैं। जब मैं आपके द्वारा प्रदत्त शिक्षाओं के माध्यम से यह समझ पाती हूँ कि सम्पूर्ण संसार श्री कृष्ण के द्वारा प्रकट किया गया है और उनकी सेवा ही जीव मात्र का एकमात्र धर्म है, तो अपने विगत जीवन के प्रति अत्यंत ग्लानि से भर जाती हूँ। मैंने अपने जीवन का अधिकांश समय अंधकार में बिता दिया। अब मेरे समझ में यह आ गया है कि हमें आपके द्वारा बताये गये नियमों का दृढ़ता से पालन करना चाहिये। यह समझ हमें एकमात्र आपने ही प्रदान की है।

जब भी मैं आपके प्रवचनों को सुनती हूँ तो यह समझ में आता है कि वास्तविक गुरु की अपने शिष्य के चरित्र निर्माण में क्या भूमिका होती है। और प्रमाणिक परम्परा में दीक्षा मिलने का क्या महत्त्व है। अनेक तथाकथित कथावाचक जो गुरु बने हुए हैं वे किस प्रकार गलत शिक्षा दे रहे हैं तथा जनसाधारण को दिग्भ्रमित कर रहे हैं। और सनातन संस्कृति पर कुठाराघात कर रहे हैं। आपने अपने ग्रंथों के माध्यम से सनातन धर्म की सभी शिक्षाओं को यथारूप तथा सुग्राह्य रूप में प्रस्तुत किया है ताकि हम इन शिक्षाओं को सरलता से समझ और ग्रहण कर सकें। आपने हम पर जो असीम कृपा की है यह हमारी बुद्धि के परे है।

आपकी अत्यंत तुच्छ सेविका, प्रेममयी गोपी देवी दासी.

All glories to Srila Prabhupada,

My humble obeisances at the lotus feet of my Spiritual Master. As mentioned in the Gurvastaka Prayers the material life is compared with a blazing forest fire. No matter what amount of material activities we carry on for satisfaction of self, family, relatives and friends we experience only glimpses of happiness and bucket full of distress, hankering and dissatisfaction. After taking the shelter of your lotus feet, apparently I am carrying out the same material activities along with instructions given by you, I definitely feel that my material distresses have reduced and now my majority of activities are centered around Guru, Gauranga and Krsna. After joining your Krsna Consciousness movement I sincerely regret why I had not been a part of your movement before. The level of satisfaction, contentment and happiness I experience now is the differentiating factor that was lacking in my previous years before joining your movement.

While reading your Lilamrita pastimes, I was really amazed and moved as to how you have single-handedly started the movement and established an institution wherein a chance or opportunity is given to all desiring candidates to chant, think and work for Krsna, The Supreme Personality of Godhead. In this world we see that all great things we get, comes with a huge cost. However, you have given a chance to all the fallen souls like me to create the greatest asset of human life that is Krsna consciousness, which remains as eternal Spiritual balance, is absolutely free and can be executed very happily. You have very nicely taught and demonstrated as to how practically we can follow the five aspects of Bhakti as stressed by Chaitanya Mahaprabhu and by this way we can engage our whole day in Krsna consciousness. My family including my wife and kid have been engaged in practicing the instructions set by you and temple authorities. The bliss which we experience is immense and never ending. I really feel insignificant in expressing my heartfelt gratitude to you and aspire to firmly be guided by your teachings and instructions for achieving the goal of human life that is back to Godhead.

Your eternal servant,

Raghunandan Nitai Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. When I used to hear devotees saying the spiritual master is an ocean of mercy, more than a decade ago, I could feel the impact of Your Divine Grace in their lives. Now being acquainted with the Kripa, I am feeling unable to put it in words, the escapade. Life under your shelter has been and will be full of transcendental adventures. The uncertainty, doubts and fear of what's next in the face of unexpected results makes one remember the following verse:

*mukam karoti vachalam pangum langhayate girim  
yat-kripa tam aham vande shri-gurum dina-taranam*

*"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains."*

This verse sums up the disciple's attitude. Your Divine Grace, in a letter to Brahmananda -- Seattle 16th October, 1968, conveyed it: I beg to acknowledge receipt of your letter dated Oct. 10, 1968, and I am so much grateful to you for your kind sentiments for me. It is all Krishna's Grace that He has sent such nice assistants to me, for executing the mission of my Spiritual Master. Personally, I am nonentity; I have come here on the order of my Spiritual Master, and He has kindly sent you all boys to assist me. So whatever is being done, there is no credit for me, but all the credit goes to my Spiritual Master, because He has arranged everything, and I am simply to abide by His order. Please bless me not only to be eternally engaged in your service but also with at least 1% of that servitor attitude which you have for your revered spiritual master, Jaya om Vishnu-pada paramahansa parivrajakacharya ashtottara-shata Shri Srimad Bhaktisiddhanta Sarasvati Goswami Maharaja Prabhupada.

Your fallen servant,  
Rasa Parayana Dasa.

Dear SrilaPrabhupada,

Please accept my humble obeisances on the auspicious occasion of your 124th divine appearance day. Your appearance is transcendental, divine-like that of the Supreme Lord Krishna and is most special for us. Although, It is not very uncommon for people to celebrate their day of birth, yet celebrating your divine appearance is not on the same level as done by ordinary men. Your appearance has a great cause & purpose of achieving the mandate of Lord ie to relieve us from pangs of sufferings experienced in material world due to forgetfulness of Lord Krishna & revive our lost consciousness, The Krishna Consciousness. Today, your appearance is being celebrated by your beloved disciples throughout the world to express our love & gratitude unto your divine grace. I humbly thank from the core of my heart for guiding me to take to the process of Krishna Conscious life & beg to give me the strength to take this forward at the highest standard. Srila Bhaktivinod Thakura mentions in his prayers,

*enechi auśadhi māyā nāśibāro lāgi' hari-nāma mahā-mantra lao tumi māgi'*

i.e., Lord Chaitanya Appeared to distribute the medicine of the Holy name to cure the disease of intoxication caused by association with Illusory energy of the Lord. Similarly, Your divine grace appeared to take forward the mission & teachings of Lord Chaitanya. Hence your activities are nivṛtta-guṇa-vṛttaye, i.e. free from the influence of activities of material modes of nature. How can you be influenced by the 'Guna Vrtti', when the very purpose of your appearance is to free us from

them. You have nothing to do with the activities of modes of material nature. You are aloof & beyond its influence. Common men like us are not free from its influence & taking shelter of your instructions are the only way to cut through the knots of bondage caused due to time immemorial association with the material nature.

I beg again & again to forgive me of all offenses performed consciously or unconsciously at the lotus feet of your divine grace. Please mercifully bless me so that my actions are directed solely towards pleasing your divine grace & fervently offer prayers unto your lotus feet to benedict me to conduct Nama Japa without offense. Although the process is easy, uncontrolled mind obstructs to invest my full attention to hear the holy name. I am confident that only by your assistance, I can resist the force of mind.

Your most insignificant servant,  
Rayarama Dasa.

Dear Srila Prabhupada,

Please accept my respectful and humble obeisance unto your lotus feet. The appearance of the Supreme Lord is undoubtedly an auspicious moment across the three worlds, and everyone feels the vibrations - as they await the most auspicious moment. And at His appearance, the atmosphere becomes completely surcharged. Srila Prabhupada, I feel that when you went to the western world, the same vibration would have taken place and those who personally saw or met you would have felt some different vibrations altogether. You have appeared in this material world to rescue the suffering humanity at large, and that has undoubtedly made people move from the suffering world to the Vaikuntha corridors that you have created. But only a few fortunate people take advantage of it. You are directly giving us Krishna as he has sent you, and of this, there is no doubt. Srila Prabhupada, there is every possibility that we put down the weapons before the strong Maya in the war, but the weapons that you have given are not ordinary. Thus in my personal life, you have always protected me. I strongly feel that every moment you are holding my hand and making me walk on the right path, just as a helping father does to his small child. Srila Prabhupada, how you wanted us to do the Japa was brought to the light by one of the senior devotees, HG Shri Madhu Pandit Prabhu, who has extensively helped us out. I was thrilled to know his realization about the holy name, and by perceiving his revelation on Nama Prabhu, I was very much inspired to follow the process. I can understand that this is your causeless mercy which is flowing through him upon me and many other Vaishnavas.

There is a prediction of your appearance by the previous acharyas. Surely, the prediction of Lord and His bona fide representatives never go untrue as you wrote the answer in the below text of Bhagavatam purport.

*When the Lord makes a prediction, He fulfils that prediction through some of His devotees. Similarly, Lord Caitanya Mahāprabhu predicted that both His glorious names and the Hare Kṛṣṇa mahā-mantra would be broadcast in all the towns and villages of the world. Śrīla Bhaktivinoda Thākura and Śrīla Bhaktisiddhānta Sarasvatī Prabhupāda desired to fulfil this great prediction, and we are following in their footsteps. [...] Intelligent men should therefore seriously consider this Kṛṣṇa consciousness movement and fully utilize the instructions of Bhagavad-gītā as preached without adulteration by His pure devotees. (SB 4.22.42 Purport)*

Lord Chaitanya gave the name to Haridas Thakur as “Namacharya” and as per the prediction by previous acharyas, and you have done the prachar of the same holy name throughout the globe, and you can thus be called as “Nama Prachar Acharya”. You Thank you Srila Prabhupada for your blessings upon this fallen conditioned soul. Kindly grant me shelter at your lotus feet.

Your aspiring servant,  
Rohini Nandan Dasa.

Dear Srila Prabhupada,

Please accept my most humble obeisances at the dust of your divine lotus feet. All glories to Your Divine Grace. Thank you Srila Prabhupada for giving me an opportunity to glorify you on this sacred occasion of your 124th Vyasa-puja celebration.

As stated in Chaitanya charitamrta

*brahmāṇḍa bhramite kona bhāgyavān jīva  
guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja CC M 19.151*

*“Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service.”*

It's my great fortune that by Your causeless mercy I received the seed of bhakti in this life and made this life meaningful forever. Everyone in this material world hankers after something in his life. Sometimes he gets it and sometimes not but still he will have the hope and keep trying to get it. But in my case, I neither thought nor hankered for spiritual life or spiritual master like you. But as years passed by being in your movement, I realize that whatever I have achieved till now it's all by Your causeless mercy. As Krishna created Dwarka city under the Sea to protect the citizens of Mathura from the attack of Jarasandha and he transferred everyone from Mathura to Dwarka within one night and saved them. Krishna created one Dwarka city to protect his loving devotees but you created Dwarka all over the world to protect the conditioned souls of this material world who are continuously being suffering from the onslaughts of Maya and reviving their original Krishna consciousness. It's my great fortune that without any qualification you allowed me to be the servant of Sri Sri Radha Madhav. I had never dreamt in my life that I can become a personal servant of the Supreme Personality of Godhead in this life. To dress Them, Decorate Them, feed Them, and to be in Their house is not an easy thing. You created Vaikunta all over the world so that every jiva can experience real sat cit ananda in this life and aspire to return to eternal Goloka Vrindavan in this life itself. As sastras state that it's not an easy thing to get an opportunity to serve Sri Hari in this human form of life. Only by your causeless mercy today am realizing these things that how fortunate I am to be disciple of His Divine Grace A C Bhaktivedanta Swami Prabhupada. Thank you Srila Prabhupada for instilling faith in me to realize that Krishna is the only object of worship and he is the only one who is dear to us and one's goal in life is to serve him. To understand and glorify Krishna's birth and activities is not an easy thing. In the same way to glorify confidential servant of Krishna like you is also not an easy thing. I just tried to glorify you in broken words like a child

speaks to his father. Srila Prabhupada! Please allow me to serve you eternally, please instruct me and make me realize how to serve you for the rest of my life. Please bless me so that i will never ever loose taste in chanting the Holy names of Krishna and never ever give up the association of the devotees. Please forgive this insignificant soul for all the offenses knowingly or unknowingly committed unto Your Divine Grace's lotus feet.

Your insignificant Servant,

*"I was born in the darkest ignorance and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him."*

My dear Spiritual Father,

Please accept my humble obeisances at your lotus feet. All glories to your divine grace on this 124<sup>th</sup> anniversary day of your appearance. I have a great fortune of receiving the shelter and mercy of such an exalted spiritual master as your divine grace.

*mukam karoti vachalam, pangum langhayate girim yat kripa tam aham vande shree guru deena taranam*

*"By the mercy of the guru, even the dumb man can become the greatest orator and even a lame man can cross mountains."*

By your mercy and only by your mercy, let me try to glorify you by offering these few words. We are bewildered in the blazing fire of this material world. By your mercy only we are able to identify what is really beneficial for us. I am fortunate enough that you have accepted my whole family at the service of Your lotus feet. The world today is struggling with a ferocious pandemic. Millions of people are rendered jobless and are under great depression. The world economy is in turmoil. Rate of committing suicide is on increase. But we under the shelter of your lotus feet, are completely free from the anxiety and worry for the future. From your divine teachings we know that this material world is like a forest fire and by your mercy alone we can transcend this with ease. You have given us the Vedic literature as it is and very easy to understand. You taught the most fallen *jiva* like me that Lord Krishna is the Supreme Personality of Godhead and the cause of all causes. You have taught us about the *yugadharma* of this age of kali. But I feel that I am not able to contribute to your mission wholeheartedly. Kindly empower me so that I can offer myself completely to your mission and be able to distribute the nama prabhu as you have ordered us.

Your most fallen servant,

Hare Krishna Srila Prabhupada,

Kindly accept my sincere obeisance unto your lotus feet. This is my humble submission to you as I am getting the opportunity to express in writing to my spiritual master. This is the eighth year of my Krishna consciousness. I am reading the Bhagavad-gita repeatedly to understand more valuable divine knowledge and also listening to Srimad Bhagavatam. Somehow I have improved in kirtan. I am also reading your letters to have valuable information and to acquire knowledge that was given to senior disciples. I have a desire to start preaching widely and have started some of preaching seva, book distribution, along with likely Satyanarayana Pooja, Sri Srinivas Thiru Kalayanam, 56 bogh activities in the nearby Sri Balaji temple at Gandhinagar. Some more activities to start in Gandhinagar. I shall write in the next homage offering after implementation. Trying to destroy one by one my mind enemy which are diverting me from Krishna consciousness. This has become clear to me by understanding from Gita.

Previous year our visit to the temple was affected due to the non-availability of the vehicle. This year by Lord's grace we got a new vehicle but we were locked down due to virus pandemic. All obstacles and suffering pass away in Krishna consciousness with your causeless mercy and blessing. I shall start visiting the temple shortly to render some service. I have not done much in service and desire to do more. Kindly Give me all the strength and guide me forever to improve the quality of Japa, kirtan, service, and spiritual knowledge.

Kindly forgive my mistakes in the spiritual path. Thanks a lot for this moment. Srila Prabhupada, please guide me to serve you in a better way. I am still not satisfied with my service unto you as an initiated disciple. My sincere Obeisance unto your lotus feet. Srila Prabhupada ki Jay! Hare Krishna.

Your insignificant servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you. It is my great privilege and honour to get this opportunity to offer a few words of gratitude on this most auspicious day of your appearance. I look back now and wonder how swiftly eight long years have passed since you accepted me as your disciple. With every passing day, your divine instructions have only become more and more meaningful and exciting as I am attempting to practice them to my little capacity. Srila Prabhupada, I thank you from the core of my heart to have tolerated and born me so mercifully along with my anarthas for so long. I understood an essential concept from your teachings that repeatedly hearing your divine nectarine instructions can alone remove all the deep-rooted anarthas that I have discovered or yet to be discovered in me.

Last year has brought many pleasurable experiences while executing the services that you have kindly bestowed upon me. In the course of trying to understand how to satisfy you by rightly rendering these services, I explored many times that it is only by your directions and guidance is it possible actually to execute your orders correctly. The more I adopt the principles that you have laid, the more I feel indebted to you. I can't account for my good fortune every day when I recall

how mercifully you have begun the process of unfolding the dormant Krishna Consciousness within me. A higher perspective of your transcendental nature was bestowed upon me when I started discovering your *Bhaumya Lila* when you were physically blessing all devotees. Your activities certainly bewilder a conditioned soul like me, but at the same time, it awakens the natural loving relationship that one need to have towards the eternal spiritual master. This day also reminds me of your lecture on the divine disappearance of our grand spiritual master His Divine Grace Srila Bhaktisiddhanta Saraswati in which you mention about the plan of Krishna to have brought you to this world for fulfilling His mission. It is Krishna who has led me to your divine shelter, and it is up to me now to identify the eternal relationship that I have with you and act in that relation. Often, people wonder how I can give up my worldly life for someone whom we haven't seen physically, as is the case with me and most of the present-day devotees. Still, the fact is they fail to recognize that you have manifested yourself in so many millions of disciples to bless us to get closer to you and ultimately Krishna.

Their Lordships Sri Sri Radha Madhav, Sri Sri Nitai Gauranga and Sri Narasimhadev have causelessly showered Their mercy upon me just due to your prayers and invitation to come and reside in this temple at Ahmedabad. There can be no way I can ever think of repaying even a grain of debt against the insurmountable mercy that you have showered and are continuing to shower upon the most undeserving soul like me. As you have repeatedly described in your teachings that a disciple can never repay his debts to the spiritual master, I shall be happy to remain always indebted to you so that I can remember you more and more. I thank you Srila Prabhupada an unlimited number of times for helping personally to discover the right understanding at the right time through your example. I pray to you to continue showering the dust from your lotus feet and allow me to attain your eternal shelter if you so desire.

Your insignificant servant,

Shyam Charan Dasa.

My Dear Guru Maharaja Srila Prabhupada,  
Please accept my humble obeisance,

I have come across the story of a mountain climber, who was desperate to conquer a great mountain. Unfortunately he fell down from mountain in dark. In those moments of stillness, suspended in the air with the rope tied around his waist he began to shout, "Help me God!" A moment later he heard a deep voice desperately say. "What do you want?" "Save me," he pleaded. "Do you really believe I can?" "Of course." the climber shouted. God replied, "Then, cut the rope." Not having enough faith on whom he called, the man gasped and just held tighter to the rope. The next day a rescue team found a frozen mountain climber, hanging strongly to a rope – two feet off the ground. Here we can see the lack of faith on whom we are philosophically believe not practically.

How can we have faith on Krishna who is invisible to our material senses?

Srila Prabhupada you have mentioned in so many places about increasing the faith on Krishna by associating with His holy name Hare Krishna mantra, where Lord is personally present with His full potencies on our tongue. But as we are deeply attached to the bodily concept of conditioned life which is not allowing ourselves to believe and receive the mercy of Lord in full.

Srila Prabhupada, you have quoted that "chanting is our Life and Soul". Since some months I was trying to concentrate on chanting and hearing. But because of unnecessary thoughts literally I was struggling not able to come out of thinking while chanting.

Miraculously You have showered mercy on devotees during the lockdown. HG Madhupandit Prabhu started Soulful Japa modules. From day one I am following those sessions as I am eagerly waiting for to address my all difficulties through the one and only solution Hare Krishna Maha-mantra. Sessions are really helping in increasing the faith on Lord's sound form

and emphasizing how to tackle the mind to achieve our purpose of joining in the temple i.e., try to purifying our existence by peaceful chanting in the association of devotees and go back to Godhead within this life.

Now I have an answer for ...Do you put your confidence in some 'rope'? Or can you trust God with those things that are beyond your control? Now I am having little confidence that I can progress in pleasing my spiritual master and in turn Lord Krishna. By using a tiny virus Lord, You have locked-down the entire world of human beings. You have given the freedom to the entire creation except for human beings. This is a wonderful transcendental act that without disturbing Your creation You are teaching a good lesson to the culprits that human life is meant for God-realization and going back to Godhead, and not for compromising to settle down in this miserable world.

Savior of whole world Jagad Guru Srila Prabhupada ki Jai...

Your fortunate Servant,

Smita Krishna Dasa.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet. All glories unto your divine grace!

I firstly offer my sincere gratitude unto Your divine grace for giving me another chance to glorify you on this auspicious day of your divine appearance. Although the opportunity to glorify the spiritual master on the Vyasa Puja day is so special for a disciple, let me, at the same time, not miss the wonderful opportunity to remember and glorify you every other day while singing the Gurushtakam and the Guru vandhana prayers when we worship you. May I always remember that this rare opportunity of glorifying you is too valuable to lose for any other pleasure I may assume to derive out of my concocted ideas. Dear Prabhupada, Your mercy is what I am made of and so let me never forget to glorify you and offer my gratitude unto you for all that you have given me.

While the whole world is gripped in fear, suffering due to the pandemic, how fortunate are we, the devotees in your mission! You have given us the highest gift - freedom from the fear of death. What more can one ask for! By your mercy, this grip of death remains no more fearful to us than the grip of its mother cat for the kitten.

Day after day while the world is suffering due to the contagion, by your divine arrangement your devotees are receiving more and more mercy in various forms. Living with the Lord in His abode, we forgot what it is to worry for our maintenance. A chance to hear unending Krishna Katha through sadhusanga, a chance to participate in blissful sankirtana, a chance to continue preaching Lord's unending glories using modern technology, a chance to practice simple living and high thinking – nowhere there is deprivation or scarcity! Most important of all was that we had delightful dawn, in knowing the ways and means to please Nama Prabhu which we thoroughly understood to be the sole purpose of our existence. I cherish this rare opportunity that I am bestowed with, in being able to be a part of this wonderful mission of yours. Glorious is your mission and glorious are the devotees who are directly inspired by you and serving you untiringly! There is no peace and pleasure in the entire existence than under the shelter of your lotus feet in this mission, Srila Prabhupada!

Dear Prabhupada, though externally mind always gets carried away by unfavourable situations and gets overwhelmed being tossed by the waves of the material ocean, I am observing how carefully your divine grace is ready to help each one of us. You are the expert captain of this lifesaving boat of this Krishna consciousness movement!

As we sing daily in the Guru vandhana prayers,

*śrī-guru-caraṇe rati, ei se uttama gati, je prasāde pure sarva āśā*

*“Attachment to the lotus feet of the spiritual master is the best means of spiritual advancement. By his mercy, all desires for spiritual perfection are fulfilled.”*

Dear Prabhupada, in spite of being filled with so many disqualifications, your causeless mercy is the only hope for me to fulfil my desire to render service to your mission all my life to my fullest capacity. No other desire should sprout in my heart which does not align with or serve this ultimate desire. Your shelter is the only saving grace for me who is forlorn in this mire of material existence.

I pray utterly unto you to bless me with the opportunity to follow in the footsteps of your sincere devotees who have no other desire than pleasing you and are always attached to your lotus feet. I pray that I may be able to serve them and serve your divine grace through life afterlife.

Your unworthy servant,  
Srivilasini Devi Dasi.

## Tulsi Priya Devi Dasi

मेरे परम् पूज्य गुरुदेव,

कृष्णकृपामूर्ति ॐ विष्णुपाद परमहंस परिव्राजकाचार्य १०८ श्री श्रीमद भक्तिवेदांत स्वामी श्रीलाप्रभुपाद को सादर वंदन,

चैतन्य चरितामृत में भगवान श्री चैतन्य महाप्रभु श्रील रूप गोस्वामी को उपदेश देते हैं कि बद्ध जीव अपने अस्तित्व की दुःखमय दशा भोगते हुए जन्मजमांतर भटकता रहता है। परन्तु जब जीवात्मा इस भौतिक जंजाल से मुक्त होने के लिए तीव्र रूप से उत्कंठित बनता है तब वह उसके हृदय में परमात्मा रूप में विराजमान श्री कृष्ण की शरण में जाता है। श्रीमद भगवद्गीता में भी परमपिता श्री कृष्ण ने निर्देश दिया है की "सर्व धर्मानपरित्यज्य माम् एकम शरणम ब्रज।" अतः जो जीव भौतिक रूप से संतुष्ट होना चाहता है और इस प्रकृति पर अपना प्रभुत्व स्थापित करना चाहता है उसे भगवान ऐसा अवसर प्रदान करते हैं। किन्तु जो जीव इस प्रयास से हताश हो जाता है और इस भौतिक बंधनो से मुक्त होने के लिए आतुर हो जाता है, तब भगवान उसे अंदर से ज्ञान प्रदान करते हैं (दिव्य ज्ञान हृदे प्रकाशीतो) कि वह भगवान और गुरु की शरण में जाए। क्योंकि भगवान या उनके प्रतिनिधि के अलावा अन्य कोई उसे यह ज्ञान नहीं दे सकता। गुरु का आश्रय लेने से गुरु उसे बहार से और परमात्मा उसे भीतर से मार्गदर्शन देते हैं। और इस मार्गदर्शन से वह कृष्णभावना के मार्ग

पर अग्रेसर होते हुए आसानी से माया की पकड़ से छूट जाता है। जब तक परमेश्वर की कृपा प्राप्त न हो तब तक जीव को अपनी स्वाभाविक स्वरूप अवस्था प्राप्त होने कोई सम्भावना नहीं।

गुरु अनुग्रह के आविर्भाव है। गुरु से बोध, ज्ञान और उपदेश प्राप्त करके जीवात्मा धीरे धीरे कृष्णभावनाभावित हो सकता है। गुरु जीव के हृदय में भक्ति का बीज बोते हैं। जो उनके उपदेशामृत के श्रवण से फलता है और धीरे धीरे वह पौधा और बाद में वृक्ष बनता है और जीवन धन्य बनता है। यह चैतन्य चरितामृत और भगवद्गीता के कथन का मैंने अपने जीवन में अनुभव किया है। २-३ साल पहले के मेरे जीवन का विचार करने पर यह अनुभूति होती है की मैं कैसा बद्ध जीवन व्यतीत कर रही थी और भौतिक बंधनो में जकड़े हुए के बावजूद जीवन में कोई कमी महसूस नहीं हो रही थी। परन्तु गुरुदेव आपने अपनी कृपादृष्टि से मेरे जीवन को पूरी तरह बदल दिया है। मेरे इस कृष्णभावनामृत में आने से मैं कौन हूँ? मेरे जीवन का उद्देश्य क्या है? इन प्रश्नों से मैं अपने आपको जान पायी हूँ। आपके अथक परिश्रम के फलस्वरूप आपकी पुस्तके और हरे कृष्ण मंदिर के भक्तों से श्रवण करने पर मेरे अंतर में कृष्ण भावना को जगा पायी हूँ। आपकी कृपा से पिछले साल श्री श्री नितार्ई-गौरांग प्रभु हमारे घर पधारे हैं और हमारी सेवा स्वीकार कर हम पर अपनी करुणा बरसा रहे हैं। १ माला से लेकर ४, ८, १२ और १६ माला और इस तरह इस साल इस तुच्छ सेविका को आपने अपनी छत्र छाया देकर दीक्षा भी प्रदान कर दी। जिससे मेरी आध्यात्मिक उन्नति हो और उसका अनुभव में खुद भी कर रही हूँ। उदहारण के तौर पर, पिछले १ साल से श्रीमद् भागवतम का पाठ अब नित्य रूप से कर रही हूँ और उसमें आने वाले सिद्धांत को भी थोड़ा-बहुत समझ पा रही हूँ। इस साल आये हुए कोविड-१९ लोकडाउन के २ महीने में अन्य लोग घर बैठे हुए बोर हो गए थे लेकिन आपके पुस्तके पढ़ कर समय का सदुपयोग कर पायी। और एकबार में हिज ग्रेस श्री मधु पंडित प्रभुजी का विशेष उल्लेख करना चाहूंगी। उनके द्वारा शुरू किये गए 'Soulful Japa' कार्यक्रम में उन्होंने जो वैष्णवों का मार्गदर्शन किया है वो अविस्मरणीय है। उनके द्वारा दिए गए रेकार्डिंग "प्रभुपाद"स गोल्डन कॉमेंट्स " ने मेरे जपा को अद्भुत बना दिया है। उस रेकार्डिंग के साथ जप करने में साक्षात् आपश्री की अनुभूति कर पा रही हूँ और आपकी कृपा पा रही हूँ। साथ में यह आशा करती हूँ कि आगे भी आप हम पर अपनी कृपादृष्टि बनाये रखें।

हरे कृष्ण, मेरे गुरु और जगतगुरु श्रीला प्रभुपाद को मेरा सादर प्रणाम ।

मुझे आज मेरे भाग्य पर बड़ा ही गर्व है कि मुझे श्रील प्रभुपाद जैसे प्रामाणिक गुरु का आश्रय प्राप्त हुआ है, जिसे मैं मेरा सौभाग्य मांगती हूँ। मैं भगवान कृष्ण का शुक्रिया अदा करती हूँ कि मुझे श्रील प्रभुपाद जैसे एक शुद्ध भक्त के चरणकमल का आश्रय मिला और साथ ही मैं यह भी बताना चाहती हूँ कि इस अंधकारमय जीवन में श्रील प्रभुपाद जी एक भक्ति का प्रकाश लेकर आए और मुझे जैसे पापी और पतीत जीव का उद्धार किया। मेरे जीवन को कृष्ण भावना भावित जीवन बनाने का एक मौका दिया। इस मौके के लिए मैं आजीवन आपकी ऋणी रहूंगी और वैसे तो मेरे गुरुदेव कहते हैं कि गुरु और कृष्णा के आश्रय लेने वाले को कभी भी इस भौतिक जीवन में नहीं लौटना पड़ता है परन्तु फिर भी कोई कारणवश मेरी भक्ति पूर्ण नहीं होती और मुझे एक और जन्म लेना पड़े तो मेरी भगवान से यही प्रार्थना है कि मुझे श्रील प्रभुपाद जी का आश्रय मिले। वैसे तो मेरे गुरु की करुणा का कोई अंत नहीं है परंतु मैं मेरे गुरु श्रील प्रभुपाद जी को दंडवत प्रणाम करके अपनी वाणी को यहीं समाप्त करती हूँ। हरे कृष्ण जय श्रील प्रभुपाद।

## Ugrasen Dasa

Dear Srila Prabhupada,

I offer my respectful obeisances at your Lotus Feet.

It's a splendid opportunity for me to glorify a pure devotee like you because Hari-bhakti-sudhodaya (13.2) says.

*akṣnoḥ phalaṁ tvāḍṛśa-darśanaṁ hi tanoḥ phalaṁ tvāḍṛśa-gātra-saṅgaḥ  
jihvā-phalaṁ tvāḍṛśa-kīrtanaṁ hi su-durlabhā bhāgavatā hi loke*

“O devotee of the Lord, to see you is the perfection of the eyes, to touch your body is the perfection of bodily activities, and to glorify your qualities is the perfection of the tongue, for it is very rare to find a pure devotee like you.”

You are indeed the Commander-in-Chief of Lord Chaitanya's army. The commander must be a powerful person, and it's evident from your pastimes you have performed here. Going to Western countries and converting mlecchas into first-class devotees. It's challenging to make one dedicate his whole life in the service of Lord and that too more with the Western people.

There are many such pastimes in which devotees were part of it and also now. Because still, you are there and engaging all of us in Lord Chaitanya's movement. You are personally guiding each devotee very scrutinizingly and carefully so that they can advance spiritually. As you said ISKCON is your body, and that truly is because without your presence its nothing. It is because of you that Lordships are accepting our service else we don't have any qualification.

A disciple must know about his spiritual master to understand his instructions, mood, devotion towards Lord, etc. The spiritual master's life is to teach so that his disciples can follow it. As the Sanskrit word Ācārya itself means that one who teaches by his example. So if we'll try to please you, our life will become successful.

So kindly reveal to me about you so that I can become more attached to you and follow your instructions nicely.

Your insignificant servant,

Ugrasen Dasa.

नमस्ते सारस्वते देवे गौर वाणी प्रचारिणे निर्विशेष शून्यवादी पाश्चात्य देश तारिने॥

जय श्रील प्रभुपाद,

भौतिक जगत में क्षितिज पर आपका प्राकट्य गौड़ीय गगन में एक देदीप्यमान नक्षत्र की भांति प्रलयान्त प्रकाशमान रहेगा। आपका आविर्भाव दिवस इस पृथ्वी का सर्वाधिक सौभाग्यशाली दिवस है। असंख्य जीवों का उद्धार करने की योजना का भगवान की करुणाशक्ति का मूर्तिमानरूप आपके व्यक्तित्व में समाहित है। कृष्णकृपामूर्ति नाम तथा आपका जीवन अभिन्न है। आपको प्रणाम करने हेतु प्रणाम मंत्र न केवल शब्द मात्र है बल्कि आपके व्यक्तित्व की महिमा को समझने के लिए वेदांत सूत्र की भांति अन्धकार में उत्पन्न अज्ञान से प्रस्त जीवात्मा के लिए वैदिक मंत्र है। जिस प्रकार से एक पक्षी आकाश की लम्बाई व चौड़ाई नहीं माप सकता, एक मछली समुद्र की गहराई नहीं माप सकती उसी प्रकार आपकी अहैतुकी कृपा का मूल्य नहीं चुकाया जा सकता है।

जीवात्मा के असली स्वरूप का ज्ञान करवाना और उसके आत्यंतिक दुःख निवृत्ति की योजना बनाना और स्वयं एक आदर्श पिता व करुणा से युक्त स्नेहिल पिता की भांति आपने विश्व समुदाय को अपने एक अद्भुत व्यक्तित्व के रूप में आनेवाली पीढ़ी के लिए प्रेरणामूर्ति बनकर दीर्घकाल तक अपनी संस्था व साहित्य तथा अनुयायियों के माध्यम से ईश्वर विहीन तथा दिग्भ्रमित सभ्यता का मार्गदर्शन करते रहेंगे। आपके द्वारा लिखित वैदिक पुस्तकों में निहित ज्ञान का प्रचार आपकी का प्रभावशाली ढंग है। परंतु उससे भी ज्यादा महत्वपूर्ण प्रचार एवं आचार है। अनंत ज्ञान सिंधु को आपने बिंदु कणों के रूप में रुकलित करके संकीर्तन कार्यक्रम के माध्यम से सुलभ कराया है। मेरी आध्यात्मिक यात्रा के मार्ग में अनेक उतार चढ़ाव आये परन्तु आपके उपदेशनुसार हरे कृष्ण मूवमेंट के सहारे कितना भी कमजोर साधक हो, वह इस दुर्गम जगत की भीषण कठिनाइयों एवं संघर्षों का सामना करने में पर्याप्त समर्थ हो सकेगा उसका प्रत्यक्ष अनुभव मैं अपने व्यक्तिगत जीवन में साक्षात्कार करता हूँ। आज के इस पावन अवसर पर पुनः एक आध्यात्मिक गुरु के चरण में आश्रय लेने का गूढ़ निहितार्थ क्या होता है? उस रहस्य को प्रकट करने की याचना के साथ अपना अभिप्राय निवेदन करता हूँ।

आपका शिष्य,

विद्या सागर निमाई दास.

## Virupaksha Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

This year the world faced a terrifying pandemic of COVID-19. As everyone was panic-stricken and bewildered, we could see your mission moving on undeterred and peacefully. On the micro-level, people struggled to make ends meet and on macro-level nations worried over the crashing of the economy. But your disciples carried on unscathed by all this. Instead, they were not only well maintained and safe but also actively involved in helping the needy during this global crisis. Crores of meals got served for free in this pandemic when the nation was shut down, and even survival was at stake.

When the big brains of the world were busy worrying over survival, you began a grand mission of liberation; by distributing crores of prasadam meals. When the world was struggling for existence, you took the opportunity to prepare millions of jivas for their spiritual journey through the distribution of prasadam. The starving got not only food but also the divine mercy unavailable to the devatas. People should take a lesson from this that wherever your mission reaches, all auspiciousness follows, material as well as spiritual.

Sri Chaitanya Charitamrita (Madhya-lila 25.122) enjoins:

*sarva-deśa-kāla-daśāya janera kartavya guru-pāṣe sei bhakti praṣṭavya, śrotavya*

*"It is, therefore, the duty of every man-in every country, in every circumstance and at all times: to accept the bona fide spiritual master, question him about devotional service and listen to him explain the process."*

It entails that every human being in every part of the world must search out for and approach a bona fide spiritual master, and serve him in every circumstance. But in this kali yuga, the entire population is oblivious of this duty, and they can't pursue this path. To help the fallen conditioned souls execute this inevitable duty, you established yourself all over the world and still expanding. This displays your boundless compassion as to how you reached out to the oblivious souls and rescued them. The verse mentions it as 'duty' of every man; one who doesn't perform his duty becomes an offender for negligence. But you saved us by waking us up to this imperative duty and giving us your shelter.

Furthermore, you are distributing this mercy ever increasingly. When Lord Chaitanya Mahaprabhu gave this order, He also blessed us to execute this order and be saved from becoming an offender. Your Divine Grace is that blessing personified.

The shloka also entails that in every circumstance, one must follow the spiritual master. It is possible only by staying unaffected from the threefold miseries of this world. We saw this for real, during this pandemic crisis, as to how your mission has kept us immune to all worldly circumstances. Whatever crisis the world underwent, your devotees continued devotional service with unchanged ease and enthusiasm. This institution is a practical proof of your earnestness to deliver us from this dukhalayam and take us back to Krishna. You have executed this solidly and unshakingly. That's why you are 'jagad-guru', the Acharya of the whole world.

People often have mistaken your preaching spirit of intensely spreading the Krishna Consciousness Movement as motivated by personal ambitions. But they fail to understand that if you weren't so earnest, literally the whole world would go to hell. Your ambitious are not personal but for pleasing Lord Krishna. The same spirit I see in your sincere disciples as they untiringly and rigorously engage in expanding your mission, for the sole purpose of pleasing you. Please bless me with the same spirit. May I faithfully serve them and make my life meaningful.

Srila Prabhupada I am eternally indebted to you for the constant mercy you shower upon me. I long to serve you with utmost sincerity. Let all my inhibitions and reservations shatter apart. May this body wither away in your service alone.

Your insignificant servant,

Virupaksha Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

On this most auspicious occasion, I am filled with great joy while remembering everything that you have given me. Your blessings upon me are proof of your vast greatness and compassion. I am attempting here to thank you for the blessings which you have showered on me through various means:

Thank you Srila Prabhupada for coming to my life, which was filled with immense anxiety for existence.

Thank you Srila Prabhupada for freeing me from the traps of bogus philosophies and bogus gurus.

Thank you Srila Prabhupada for saving me from the onslaught of sufferings, being imparted by this age of hypocrisy and quarrel.

Thank you Srila Prabhupada for putting me in the association of your sincere disciples, who are attempting to sincerely serve you by all means.

Thank you Srila Prabhupada for giving me an opportunity to serve the Supremely Divine Couple Sri Sri Radha Madhav.

Thank you Srila Prabhupada for being personally present in my life through your books and your voice.

Thank you Srila Prabhupada for engaging me in varieties of services like mindful-spiritful-soulful Japa, deity dressing, cooking, assisting devotees, preaching, and many more.

Thank you Srila Prabhupada for bringing me more closer to you in this lockdown period of corona pandemic.

Thank you Srila Prabhupada for continuously protecting me through your disciples, through your books, through your voice, through service engagements, and through many more means.

My humble prayers unto your lotus feet are: "Please keep me under your shelter birth after birth. Please do not let me move an inch away from your shelter. For this life, please keep me in the association of your disciples till my last breath."

Your Servant, Vrajesh Tanaya Dasa.

## Vrindavan Purandar Dasa

---

ॐ अज्ञान तिमिरान्धस्य ज्ञानाञ्जन शलाकया । चक्षुरुन्मीलितं येन तस्मै श्री गुरवे नमः ॥

Dear Srila Prabhupada,

Please accept my obeisance. All glories to Your Divine Grace. I find myself unfit to write to you, so I beg your mercy and express my feelings.

I always wondered that our Bharat-bhumi is very pious since the creation. The reasons are. From Varah to Buddha, all the incarnations took birth in India. All the sacred places like Vrindavan Dham, Navdip Dham, Dwaraka & Jagannatha Puri Dham are in India. All the holy rivers like Ganga, Yamuna are in India. All the great saints and sages appeared in India. Yet, Indian people always confused in the below questions.

(अथातो ब्रह्म जिज्ञासा) Who am I? What is the goal of life? Who is GOD? What is the relationship between me and GOD?

It is not a question of knowledge. So much of Vedic knowledge is available here. But people lack in proper guidance. They are not able to discriminate, between pure Gold and Glitters. It may be due to the effect of Kali. Where to find discrimination? I was also one of them. But by your mercy, I have heard from you.

Therefore, the Vedic Injunction is to approach a Spiritual Master.

तद विज्ञानार्थं स गुरुम एवाभिगच्छेत्

Similarly In Bhagvad Gita, Shri Krishna also declares:

तद विधि प्रणिपातेन परिप्रश्नेन सेव्या उपदेक्ष्यन्ति ते ज्ञानं ज्ञानिना तत्त्वदर्शिना

Shrimad Bhagvatam also gives similar advice.

तस्माद् गुरुं प्रपद्येत जिज्ञासुः श्रेय उत्तमम् । शाब्दे परे च निष्णातं ब्रह्मण्युपशमाश्रयम्

Same teachings Shri Chaitanya Mahaprabhu is giving:

ब्रह्माण्ड भ्रमिते कौन भाग्यवान जिव गुरु -कृष्णा प्रसादे पाए भक्ति लता बीज

We have to take the shelter of a Spiritual Master. I am so lucky that I have found you as my Bonafide Guru and you showered your causeless mercy and took me under your shelter. Srila Vishwanath Chakravarti Thakur expresses that Without your mercy, one cannot get the mercy of Lord Shri Krishna.

यस्य प्रसादाद् भागवत प्रसादो यस्य अप्रसादाद् न गति कुतो अपि

Yet, I hereby admit that initially, I was hesitating to come under your shelter. And I also realized that till the time I did not accept you as my master (pranipat), I was not able to understand the Vedic knowledge such as Bhagavad Gita and Shrimad Bhagavatam despite my sincere efforts. The moment I accepted you as my spiritual master, the same knowledge became understandable. This way, you taught me that Pranipat and Seva are very important in Bhakti. So I realize that I came to a proper place and met you as a Tatvadarshi.

चक्षु दान दिलो जेई जन्मे जन्मे प्रभु सेई दिव्य ज्ञान हृदे प्रकाशित

After initiation, I can feel that your mercy has touched a new high, and I can experience it. And Bhakti is all about self-realization. Earlier for me, two things were there “Knowledge -Gyan and Ignorance - agyan”. But I understood that only Knowing “Gyan” is not sufficient. But, Doing practical experience “Vishist Gyan – Vigyan” is even more important in Bhakti. Unless one taste the sweet mellows of Rasagolla, whatever knowledge of preparation he may have, it is useless.

Earlier, there was everything already in existence. The holy name, Holy places, rituals and works of literature, etc. Everything was there, and we already knew it. For example, so many times, I have been to Dwarikadham, and also worshipping Lord. But the personal connection with the Lord was not there. So there was no change in my life. You introduced us and got acquainted with Lord. You also teach us the way how to worship the Lord. What he likes and what he dislikes. I always try to remember you and Krishna, and to some extent, I succeed so far. I understood that so many ways you provided us to be in the Krishna Consciousness.

I sometimes question myself, how I can repay you? So I try to walk on your instructions and seek your mercy as always.

Yours Seva, Vrindvan Purandar Dasa.

Hare Krishna Prabhupada,

Please accept my humble obeisances to you. All glories to you. Thank you so much for everything you have done for me and for giving me the right knowledge and guidance.

Earlier, before coming to Krishna Consciousness, my association was not good and I was addicted to bad habits, but after coming in touch with your devotees, I started chanting my rounds regularly, a positive change started in my life. I started to love Krishna, it also brings some other changes such as level of confidence, good moral values, concentration, getting out of bad habits, etc. Thank you so much to Hare Krishna Mandir devotees also who helped me so much. All glories to all the devotees. I strongly seek to study your books more and more and increase my hearing and chanting of 16 rounds at least. Please forgive me if I have done any mistakes in writing this. Hare Krishna.

Your Servant, Bhakta Aakash Shailesh Oza.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Oh, master, no aspect of my life is hidden from you. Whenever I find myself disturbed or frustrated, I just go through your prescribed medicine i.e., chanting of the Hare Krishna Maha Mantra and easily overcome all the problems. Thank you, Prabhupada, for everything. It was by your grace that I could be the part of Folk, where I came to know more about myself and the real goal. So, after shifting outside of Folk, I don't know why but it feels like something significant aspect which I have missed. Like this year, the lockdown came as a blessing in disguise for me as I could take parts in quizzes and games, which connects with godliness. I also could hear the Bhagavatam lectures and your points describing the lives of great devotees. As you know that even now also I am not much sincere towards Krishna Consciousness, but I am trying to away from Maya and perform some spiritual activities. I read Bhagavad-gita, chant, play Kartal, etc. I beg you that no material desires, distractions or disturbances affect me anyhow.

Last but not least, I just want to share a funny incident. I am sharing a room with two people. They are very fond of eating meat. But whenever they take their meals, I loudly sing "Hare Krishna Hare Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama hare hare" and they start abusing and shouting at me like anything. But they didn't know that somehow they were listening to the Hare Krishna Mahamantra. It fed their hungry soul, and they left eating non-veg and started chanting with me. At last, I would like to pray to your lotus feet that please show mercy and bless me so that I may never leave your shelter whatever the circumstances may be. Please accept me as your unworthy servant.

Your Servant,

Bhakta Abhinav Srivastava.

Dear Prabhupada,

Please accept my prostrated obeisances at your divine lotus feet. It has been a wonderful experience in Krishna Consciousness from the past 4 years. It is through your blessings I have been able to associate with devotees and practice Krishna Consciousness. I thank you for your Divine mercy on this fallen soul. If it wasn't for your kind mercy, I can imagine my life to be swimming in a pool full of anxieties and material entanglements. It's due to your special mercy that I'm able to advance in Krishna Consciousness more and more even during the Corona lockdown, being far from devotees but still in their close association. Prabhupada, I am that fallen soul who has still not recognized the Greatness of Guru and Gauranga. I thus want to realize the infinite potential of Guru and Gauranga truly within my heart & cultivate the belief that nothing is impossible to achieve with their kind love and devotion.

As it is said in CC: *Harer nama Harer nama Harer namaiva kevalam Kalau nasty eva nasty eva nasty eva gatih anyatha*. I request you to make me chant more and more or even beat me up with your stick so that I could realize Krishna's amazing creations with awestruck wonder and thus can develop the ecstatic love and devotion within my impure heart in this special age of Kali where Krishna is present with all His energies in the holy name i.e. as Nama Prabhu. If your causeless mercy is there, then I shall also preach and spread this message of Gaura Hari to many more fallen souls whosoever comes in touch with me by your mercy. I pray at your Lotus Feet and continue to seek blessings for further advancement in Krishna Consciousness so that all my doubts are cleared and my diseased mind cured, thus being ready to serve Krishna in full devotion. Looking forward to that day when I will meet you up there in Goloka Vrindavana and enjoy Krishna's real love with you.

Your Extremely Fallen Servant,

Bhakta Abhishek Bansal.

जय श्रील प्रभुपाद,

यदि आप मेरे जीवन में आध्यात्मिक गुरु बनकर ना आए होते तो मैं भी जीवन के लक्ष्य को ना जान कर भौतिक जगत में सुख प्राप्त और सुख ढूँढने का सतत प्रयास करता रहता। मैं नहीं समझ पाता कि जीवन में क्या प्राप्त करने हेतु और क्या नहीं मैं नहीं समझ पाता कि आज तक मैंने जो कुछ किया जो पाया वह सिर्फ अर्पण करना और क्यों मैंने यह पाया। मैं अपना सीष आपके कमल चरणों में सदा झुक कर आपको धन्यवाद दूंगा कि आप की कृपा से यह जीवन को नई दिशा मिली। जिस तरह इस संसार में सच्चाई कम दिखावा ज्यादा है उसी तरह लोग अपने दिखावे के अनुसार कई लोगों ने श्रीमद्भागवत गीता को अपने अनुभव के आधार पर लिख दिया किंतु आपने इसे यथारूप लिखकर भगवत भक्ति सिखाई। कई मायावादी लोगों के सवाल थे कि राम और कृष्ण तो भारत में ही थे पश्चात देशों में उन्हें कोई नहीं जानता परंतु आपने अपने आचरण से और भगवत भक्ति से यह साबित कर बताया कि भगवान पूरे ब्रह्मांड में अपने प्रेम प्रदान करते हैं तो यह पाश्चत्य देश क्या है।

आपकी कृपा से मैंने इतना जाना कि भगवान कौन है। जब से मैंने आपके सिखाए पथ पर चलने का प्रयत्न किया तब से मेरी आध्यात्मिक उन्नति होना शुरू हुई। किस तरह से भक्ति करनी है, कैसा आचरण करना है, आर्च विग्रह की सेवा कैसे करें, यह सब इस परंपरा से जानने का अवसर मिला। आपके आचरण से हमें आध्यात्मिक सुख प्राप्त करने की प्रेरणा मिली जो केवल भगवान कृष्ण को प्रसन्न करने में है। यदि धन सौंदर्य और ऐश्वर्य से ही सुख मिलता तो लोग इसे मोल देकर प्राप्त कर लेते हमारे भौतिक उपाधि हमें सुख दे सकते तो धनी लोग और धन कमाने की अपेक्षा रखने वाले सुख भोग रहे होते परंतु माया के आवरण में हमें भौतिक जगत जेल की तरह सुख का स्थान लगता है जिसे प्राप्त करते करते कुछ लोग की उम्र बीत जाती है और कुछ आत्महत्या कर लेते हैं जैसे आज के समाज में हो रहा है।

आपने हमें जप सिखाया संकीर्तन सिखाया प्रसाद ग्रहण करना सिखाया, भगवान की अन्य सेवाएं सिखाई और आचरण सिखाया। आपने हमें भगवान कृष्ण की दी गई शिक्षाएं द्वारा सिखाया की हम कैसे कर्म बंधन से मुक्त होकर अपना काम कर सकते हैं। आप हमेशा से यही सिखाते आए हैं कि कृष्ण प्राप्ति कैसे करें यदि एक बार मनुष्य अपना सारा कार्य भगवत प्रेम और भगवत प्राप्ति के लिए करना शुरू कर दें तो सतह वह सुखी हो जाएगा। जिस प्रकार दुखी व्यक्ति की संगति से केवल दुख प्राप्त होता है उसी प्रकार साधु संग में रहने से साधु की संगति से हमें सतगुणों की प्राप्ति होती है। साधु हमें भगवत प्रेम करना सिखाते हैं ताकि हमें जीवन के परम सुख को प्राप्त कर सकें।

आपका दास,  
भक्त अभिषेक मिश्रा.

Dear Srila Prabhupada,

A drop of lemon is enough for milk in a jar, A ray of light is enough to lighten the dark, but for he who has come from beyond stars, this world is just a little, mighty mark.

A servant, to whom the lord we call, executed a perilous task for the lord, who rescued mankind from the fall, By spreading the holy name of the lord. Began he, from land too distant, filled with hippies who scar the land, hippies turned happies in an instant, the grace of him was such so grand. Humble as the grass was his stand, always narrating pastimes of God, all this in a span of falling sand, I offer my obeisance to such a pure devotee of lord.

Thank You.

All Respect to His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada,

I offer my obeisances to you, all glories to you. Any gratitude I can show to you will be insufficient. Because of your mercy, I am now able to see this world as 'Dukhalayam' and as strange it may seem to most I appreciate it. And I hope for your mercy to see this world as Dukhalayam-Ashaswatam. Prabhupada, in this world there are so many miseries but still, people don't

want to realize that even after realizing also they are so ignorant that they still don't consider that. All people are going in a rat race want to pursue Happiness but in ignorance, they don't even see that no happiness is there in this material world. By your mercy only I got to know all these things, please bless me always. Thank you.

Dear Srila Prabhupada,

I offer my obeisances to you. Earlier, I was in a very bad mental state, I was unsatisfied with life and didn't know the meaning of life. Marks, money, ambition, substance, opposite gender did provide some happiness, but that was comparable to hog life. I started looking online for spiritual help the popular 'gurus'. They did help in the beginning, but the day I went to ISKCON Temple in Vadodara and heard the kirtan I started crying uncontrollably. For a man crying in public was never an option for me but I couldn't help it. I cried and cried and felt a huge relief. That day I didn't need to debate whether God exists or not, I was lucky to feel his presence. Long story short, that day one year ago I was in all the bad habits and today I chant 8-16 rounds. By your mercy only I got all these and now I am feeling blessed that I came in touch with you, please shower your mercy always on me. Thank you.

Hare Krishna Prabhupada,

Please accept my humble obeisances, All glories to Jagad Guru Srila Prabhupada and Gauranga.

Prabhupada, you've been the one who has given me a rebirth. Yes, Prabhupada, before joining the Krishna consciousness movement, I was tired of my life, there was a time when I questioned my very purpose of this life. I'd lost hope in everything. I just wished to end my life there. But somehow I came in touch with HKM devotees and radiance club in my college. I was still upset with the instances that took place in my life but I got a ray of hope and came to know the very purpose of my life. I wasn't happy then, but not sad too. I got something which is always and which will always be with me, even in hard times & that is chanting of the holy names of the lord. You narrated very well in your lecture that in my absence if the audio which I have recorded will be played, it will be me speaking, as that is my energy. Your lectures gave an understanding which is beyond this material conception of life. Association of devotees helped me a lot. They guide me whenever I need their help or whenever I'm in the dilemma of troublesome incidences of this life.

My life is still not easy. I have faced many hurdles and continuing to face them currently as well. But I am no more that person which I used to be before joining your movement. I have Lord Krishna and yourself with me so I am no more in a troublesome situation. I have no words to express my gratitude towards you. I'm lacking vocabulary for the same. Thank you infinite times my dear beloved spiritual master Srila Prabhupada, for guiding and inspiring me as well as showing me the path which leads to happiness, knowledge and eternity and where I can see Krishna face to face.

Your servant,  
Bhakta Amiraj Vala.

Dear Srila Prabhupada,

Please accept my humble obeisances to your lotus feet. It was almost a year back when I stepped into Parul University, Vadodara for pursuing a degree in Bachelors of Hotel Management. I live in the campus hostel, yet my heart is always racing to come to the nearest temple which here by your grace. So immediately after finishing my college I run to the temple and have the magnificent darshan of Their Lordships and you seated on your Vyasasana, showering your mercy. Looking at the deities and by your grace, I chant and feel the peace within my heart. After a few months, You send your disciple Amogh Virya Prabhu to my life and with the entry of your devotees, my life started to change with increased curiosity in me to know more about the vast spiritual knowledge you have given to the world. Prabhu introduces the actual meaning of Mahamantra, just the way you had introduced to the westerners. It helped me to take the right decision and keep my mind calm. It's only by your mercy, had I got the opportunity to associate with your devotees.

Because of your simple method of chanting, somehow or the other I was feeling the mantra helping me increase my love for Lord Krishna. Just then the Lord reciprocated me and my devotee friend by giving us the flight internship; this built me immense faith which I already had developed earlier. It's by your grace that I was able to taste the mahaprasad which tasted delicious. Slowly my journey in Krishna Consciousness became intense when I was introduced to the FOLK program which is conducted under your guidance. I enjoyed this community of your disciples helping youth like us, to advance in Krishna consciousness. I thank from all my heart and express my humble gratitude for sending so many spiritual gifts one after the other. O Spiritual Master, I am very much needed of your mercy at this hour and realize more about my duties. I beg for your mercy to help me engage in serving you and your disciples.

Your Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances to you. Prabhupada, you taught me a scientific relation of Krishna consciousness and its beautiful impact on human life. You established the International Society for Krishna Consciousness (ISKCON), you preached the chanting of the holy names of Krishna with full conviction to the world, taught that food prepared with loving intent as an offering to Krishna becomes "Prasadam". By your mercy only I got to know that distribution of prasadam and "kirtan" is a major outreach activity of this Hare Krishna Movement and it is the life and soul for you. By your causeless mercy only I am able to chant the most sublime mantra,

*"Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare"*

*"O Energy of God Supreme Personality of Godhead [Krishna], please engage me in Your service!"*

Srila Prabhupada, you said that this mantra should be chanted just like a child calling for its mother. It can be chanted at any time for relief from the miseries of material existence and to develop our love of God and I am chanting this mantra. I beg you to please keep on showering your causeless mercy on this fallen conditioned soul.

Saviour of the whole world Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. I can very well remember that day of my life in the year 2017 when during our college visit to the temple, I came in touch with one of your gentle devotees for the first time. HG Shyam Charan Prabhu was very kind-hearted & humble. He gave a tremendous motivating speech concerning the aim and welfare activities of The Akshaya Patra Foundation to provide food to support the education system. I got highly inspired and registered as a PLC member. It was your first mercy you had bestowed upon me even though I had never heard your name and about ISKCON. Later I met your disciples in our college. There he shared a fundamental knowledge about how human life is different and auspicious and also made us aware of the harsh reality of life. I was shocked that how intelligently a humble Saint shared the most important thing within only one hour. And at the end of the session, I got a chance to taste the Maha-Maha-Prasadam. I liked the behaviour of the volunteers as well. I slowly started attending all the sessions and started chanting Hare Krishna Maha Mantra. I also visited LDCE Folk Residency and relished Maha Prasadam till neck.

My journey began like this. I came in touch with many folk boys, started visiting the temple very often & took association with many devotees. They revealed to me about your transcendental personality. I attended the Bhagavad-gita and Bhagavatam classes. All the doubts got cleared and I also understood that questions and doubts should always arise in the mind of an intellectual person. In the year 2018, I received your ashraya of chanting 4 rounds. By your grace, I got a chance to render some services for abhishekam ceremony, book distribution program etc. I also got a chance to visit the holy pilgrimage of Nava-Dvipa Mayapur-Dham with your devotees. I read many books of yours which inspired me a lot. Many times high and low points came in my life, but I do not remember you giving me a chance to get disappointed. Your divine qualities and your enthusiasm towards the service of the Lord and compassion towards the welfare of the entire world always motivated and encouraged me in my life. I wish the plenty flow of your divine mercy gets propagated through your disciples, and the whole world gets benefited. By your kindness and under your shelter, the entire world is chanting the maha-mantra.

Aspiring to get the shelter of your lotus feet,  
Bhakta Aniket.

Dear Jagatguru Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet.

I am the most fortunate to have found shelter at the lotus feet of a bona fide spiritual master. So on the most auspicious day of your appearance day, I beg that you please accept this offering as a humble attempt to somehow or other reciprocate with your causeless mercy.

Furthermore, I beg you to kindly remove the anarthas covering me, so that I can properly receive and follow your instructions and try to serve your lotus feet with ever-increasing purity, love and devotion. I am far from being sincere, far from being qualified to be a shisya. I am an offender who has not been following the rule of chanting 16 rounds but still, you have kept me in your service, and for this, I am eternally grateful. Please accept this meagre offering as a plea to better me in the only way possible — by taking refuge of your divine, soothing and inconceivably potent lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisances. I have seen so many ups and down in Krishna consciousness and still able to practice Krishna consciousness, it is because of your causeless mercy only. Having received many instructions through books, association, and your lecture, it was really difficult to follow perfectly but I tried to follow up to a certain level by your causeless mercy. That itself gives more and more willingness for putting efforts into devotional service. By your grace, it has been an amazing journey of nearly half-decade in chanting the holy name of supreme personality of godhead Sri, Krishna. As you have said, "What cannot be achieved through the performance of the Vedic rituals can be easily achieved through the chanting of the Lord's holy name". It's you who brought the importance of a holy name in my life. With your blessings, I am reading Krishna book, listening to lectures, and chanting regularly. You have mentioned clearly in lectures and books, how this material world is a prison for the living entity and world has seen it during this pandemic. With your mercy this year I got a chance to visit Iskcon Bangalore and Tirupati Balaji. This spiritual trips helped in my spiritual life. Please Prabhupada, be merciful on me and give me more strength to follow your instructions nicely.

Your Servant,

Dear Prabhupada,

My humble and respectful obeisance unto your lotus feet, It been six years under your shelter and I'm relishing mercy of your institution and association of devotees. Only by your mercy I have slowly started realizing the nectar of Krishna consciousness is limitless and it gives ever-increasing bliss. However, I don't possess any qualifications to attain Krishna consciousness, it's your causeless mercy that is always eager to pull me from this ocean of material existence. With your blessings this year I got a chance to visit some of the holy places like Banaras, Tirupati, Dwarka, and Hare Krishna hill. This Yatra of holy Dham has given encouragement to my bhakti. Also, I have started reading Chaitanya Charitamrita. The past times of lord and their pure devotees are always mysterious to a fallen soul like me, but by your device purports and lectures,

I'm trying to drink a drop out of the ocean. Since material ups and downs are creating havoc in my life, your lotus feet are the only shelter for me. Please be merciful on this fallen servant so that I can Improve my interest in soulful Chanting and pure devotional service to Krishna.

Dear Prabhupada,

Please accept my humble obeisances at your lotus feet.

It's going to be more than one year for me in Krishna Consciousness. I learned a lot of things about life, who we are, and a lot more. I want to remain in Krishna Consciousness throughout my life. It's by your mercy that I am able to chant 4 rounds every day, I am trying my best in realizing the best of chanting. You gave me an opportunity to perform in a prestigious act and also you gave me an Abhishekam service, I got an opportunity to fan the Lord. All these services helped me to clean my heart and soul. This trivial service is only by your grace. I know that I am not doing my daily sadhana up to the mark and also I am not doing my best in other activities. But it's only by your mercy that, I build up immense faith, that one day my understanding will mature and I will be able to see things with a broader Krishna conscious perspective. I also got an opportunity to cook on Radhashtami, I made 4 items for the pleasure of Radharani. I had never entered the kitchen for cooking before. It's only by your divine teachings that I understood the importance of offering food to the deity and accepting the remnants as prasadam. You also gave me a great opportunity to distribute your books and meet a new soul and spread Krishna Consciousness.

Thank you, Srila Prabhupada for giving me such amazing services in this one year. I request you to give me more services for my purification. I beg forgiveness at your lotus feet Srila Prabhupada for the mistakes I have done, or the offences I might have committed knowingly or unknowingly. I beg for your causeless compassion, to strengthen me for working hard and to lead a disciplined life. Kindly engage me in serving the Supreme Lord and sanctify my soul and heart. Kindly give me shelter under your lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. It's been 5 years, I came to know about you and your community. This is the safest place on earth which you gave to the whole world to revive their consciousness for Shri Krishna. Since last 2 years, I am personally associated with you. As I took shelter under your lotus feet on the occasion of your 122nd Vyas puja celebrations, I took a vow to follow all your instructions as much as a Hari-Naam initiated devotee is supposed to follow. But I failed to keep the vow to follow your simple instructions. I am really sorry about that, Prabhupada. Last year when I was in Pune, I had a great chance to continue my spiritual practice but due to my negligence, I could not perform my duty properly. As you always say that death is sure to come at any moment, one has to be fully prepared for it to well receive but the nitya-baddha jivas like me are fully engaged in gross material activities just for the sake of sense enjoyment. This is not at all fruitful in this life or life after death. Though coming out from this useless material cycle is very-very difficult, your lotus feet can save a person from drowning in the ocean of materialism. As said in the prayer sung by Shri Narottam Das Thakur: śrī-guru-carāṇe rati, ei se uttama-gati, je prasāde pūre sarva āśā. Attachment to his lotus feet is the perfection that fulfils all desires. Also, I pray to Shri Balabhadra to

shower mercy on my all fellow Krishna Conscious friends & relatives and also for myself for our overall spiritual wellness. Jagadguru Srila Prabhupada Ki Jai.

Your Servant,  
Bhakta Anurag Dave.

“જ્યારે ખબર પડી કે ઇંદ્રિયો નું ચિંતન કરવાથી, આશક્તિ પેદા થાય છે અને તેનાથી કામના ઉદ્ભવે છે જેના પરિણામ સ્વરૂપ ક્રોધનો ઉદ્ભવ થાય છે, ક્રોધ થી મોહ અને મોહથી સ્મરણશક્તિ નો નાશ થાય છે જેના પરિણામે બુદ્ધિ નો નાશ થાય છે અને મનુષ્ય વિનાશ પામે છે.” મનમાં બુલેટ ટ્રેનની ઝડપે દોડી રહેલા વિચારો ન થોભાવવા ની મારી કેટલાય મહિનાઓ ની મથામણોનો જેણે અંત આણ્યો એ મંત્ર જાપ ના સાધનનો ઉપયોગ કરતા શીખવવા બદલ આપના અઘાગ પરિશ્રમ ને હું વિનવું છું.

કૃષ્ણની કૃપા આપના જેવા શુદ્ધ ભક્તો દ્વારા અમારા પર હમેશાં રહે એવી પ્રાર્થના સાથે હું મારી કલમ ને વિરામ આપુ છું.

Hare Krishna Srila Prabhupada,

Please accept my humble obeisances. I remember how I was loitering in my busy and useless lifestyle. I don't know how your blessings and mercy fell upon me, and I was given a chance to chant Hare Krishna Mahamantra. It is very much needed in once a life to situate in real constitutional position; otherwise, these blessings in the form of the human body will be uselessly spent. In order to advance in the spiritual life, one must need to please his spiritual master by following his instructions coming in authorized Guru Parampara. I am in this moment trying to chant the Hare Krishna Mahamantra and rendering devotional service, whatever is there in my capacity. This has been very much enlightening for me to upgrade and see the difference between spiritual life and material life. I beg your causeless mercy so that my decision to follow you unflinchingly may not flicker, and I continue to follow you being amidst your disciples. My only wish is to have my consciousness purified and be situated at the Lotus Feet of Lord Krishna. I thank you Prabhupada, you picked me. Thank you Prabhupada, you saved me, and I wish you will keep me in your movement and engage me in your preaching service.

Dear Srila Prabhupada,

Please accept my humble obeisance onto your lotus feet. There are no amounts of words with which I can express my gratitude towards your causeless mercy which you have upon a useless fallen conditioned soul like me. The last few months have been of turbulence for me with not being able to perform the authorized services given by you, for Lord Chaitanya Mahaprabhu's mission due to my inabilities and lack of knowledge. I had been under the illusion of Maya and had fallen down, but you have picked me up from the illusion and engaged me in the services of Sri Sri Radha Madhava. Sooner or later you have always communicated your transcendental message to me through your books, lectures and through the association of your disciples. From your divine teachings, I have understood that chastisement has to be also taken in a positive manner to improve our services. By your grace, I was able to know this teaching and now trying to practice the same in my devotional services every day.

This is the greatest understanding you have given me to keep me steady and continue my devotional services and also not giving up my association with your devotees. I am really thankful to you, for having picked me up out of all the millions & billions of souls out there in the world and giving me the rarest of rarest opportunity to serve you. I am fortunate to serve you dear Srila Prabhupada and also The Supreme Personality of Godhead, Krishna in this lifetime and to fulfil the purpose of my birth and existence in this material world. I beg unto you, for your mercy to always keep me engaged in your services.

Aspiring to be your humble servant life afterlife,

Dear Srila Prabhupada,

Please accept my humble obeisance to you. I came in contact with the Hare Krishna Movement a few months ago and that has made a huge difference to my life. Through your books, I got a deeper insight into my life and my existence. It is your mercy that has awakened the dormant love for Lord Krishna in my heart. I am very pleased to tell you that I am able to adhere to the regulative principles and also chant the holy names of my beloved Lord. I am very excited to tell you that once I and my family also prepared sweet rice for Krishna and we took it as Prasadam. From then on we have been preparing something or the other for Lord Krishna. We are also discussing and relishing the nectarine pastimes of Lord Krishna. I want to thank you for establishing this movement for the fallen people like me to enjoy this sublime art of Krishna Consciousness. All these have been possible just because of your blessings. Dear Srila Prabhupada, I humbly bow down and request you to bless me and shower mercy on me, so that I can serve you, your mission, and Lord Krishna.

Your Servant, Bhakta Atanu Biswas.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Thank you Prabhupada, it was by your grace that I have started my journey from the very first year in Krishna Consciousness, and this year, the lockdown came as a blessing in disguise. I used to chant in the morning regularly.

*ekāki āmāra, nāhi pāya bala, hari-nāma-saṅkīrtane  
tumi kṛpā kori', śraddhā-bindu diyā, deho' kṛṣṇa-nāma-dhane*

On this journey in Krishna Consciousness, whenever I felt stuck up in any dilemma, I prayed to you & in no time, you reciprocated by imparting precious instructions through various sources. Therefore, I fall flat before you to beg that I may always be blessed to serve you. Let no material desires, distractions or disturbances capture my mind from fully committing me to you. Let me always get challenged, encouraged & motivated by your pastimes. Only in that way, my life will become successful. Dear Srila Prabhupada, I just ask for your causeless mercy to be bestowed upon me so that I can successfully progress in this mission of Lord Chaitanya. And only by Your grace, am I able to understand the science behind my existence and utilize this form of life in advancing in Krishna consciousness. Kindly help this fallen soul to wake up from the darkness and at once and engage in the services of Lord Krishna.

Your Servant,  
Bhakta Atul Dhamija.

Dear Srila Prabhupada,

From childhood only I had an internal wish to visit ISKCON. On television, I used to see the morning Aarti of Iskcon Juhu. Due to the pressure of studies and different things, these habits were left aside, and also I did not know how to visit that temple or how to get into ISKCON.

When I was in the first year of college, I came in contact with Folk Pune and then my dream start coming true. Again, the Aarti which I used to hear in class 7 with the same rhythm and started pleasing my ears. I started chanting in every session and taking prasadam. These activities started purifying me internally. I came to know many shlokas of Bhagwat Gita through which I came to know who we actually are, what actually is our duty being a human being, why were we born. When I celebrated Radha Ashtami for the first time, my mind was blown by seeing 200+ items of food. Till that date, it was imagination for me.

My Lord by your mercy, finally I visited ISKCON Juhu later on and I felt the blessings of yours and the deity of Radha Krishna was so beautiful that I remained speechless. Then I visited HKM Ahmedabad where I played Holi with flowers. That was an amazing experience. Even the wealthiest people didn't get it. I felt like I am the luckiest one to get it. But Srila Prabhupada, it was only possible by the mercy of yours. I don't know in future where I will be or in which condition I will be, but I just want to stay connected with you. Hare Krishna

Your Servant,

Dear Prabhupada,

I offer my respectful obeisances to you.

*Jaya Shri Krishna Chaitanya Prabhu Nityananda Shri Advaita Gadadhara Srivasadhi Gaura Bhakt Vrinda  
Hare Krishna Hare Krishna Krishna, Krishna Krishna Hare Hare, Hare Ram Hare Ram, Ram Ram Hare Hare*

I am really grateful to express my gratitude to you. Through Lord Krishna's mercy and indomitable will, Srila Prabhupad was able to establish the ISKCON (International Society of Krishna Consciousness Movement) spreading Lord's word all across the world. Also, establishing the 'Akshaya Patra' organization which funds the most special hostels in the world known as Folk (Friends of Lord Krishna) Hostel that are spread across all major Indian cities. Akshaya Patra organization has served more than 3 crore meals during this lockdown period.

I got one such opportunity to connect with the Folk hostel Pune under the benign guidance of devotees and humble camaraderie of Folk boys. My first visit to the Folk house was back in July 2019. I was a fresher in my college and was exploring the area around my college when I met the Folk boys and they took me to a little trek where we visited a temple and came back to the Folk house for dinner. That was the first time I had dinner there and it was home like delicious. After that, on all the Sundays of that semester, I visited the Folk hostel. Initially, my visits were focused more on food, but later they shifted to the special knowledge that these hostels are built to spread "The Most Sacred Knowledge". I am grateful to almighty that at such an early age, I was exposed to the knowledge that is 'The Ultimate'. All Thanks to you. Through Folk, I was exposed to 'Krishna Consciousness' in a very meticulous manner, step by step. I have attended many sessions, trips, and power-packed kirtans.

The importance and significance of chanting in our daily life were well inculcated by them. I am grateful to Lord that I am able to chant one round daily. One round might not seem such a big number but I feel happy that I'm able to continue to it. Through the continuous connection with devotees, I am confident this number will also increase it further. Chanting daily has changed a lot of things in my life. I am more clear in whatever I do, the clarity which very rare to experience. It has increased my spectrum of thinking and taken me to another level. Not to sound too preachy, but one must start with at least one round of chanting daily and then experience the change. Through a recent activity 'La Gita Fete' which was conducted from 18 May 2020 to 4 June 2020. An 18 days course of 'Shrimad Bhagavad Gita'. In which we used to have a daily video lecture followed by a 50 marks quiz. Through Lord's mercy, I was able to score a decent 93.4% in that course. It was such a life-changing opportunity. The book which is kept wrapped in a red cloth in most Hindu households is still underrated among the masses. This book provided me with the knowledge that is the source of each and everything in this world.

Understanding this sacred knowledge helped me realize my true nature and helped me understand the world around me. It reduced so many barriers to thinking and transcended my vision. It helped me realize my true identity. It reaffirmed my beliefs of sticking to practicalities in life along with being aware of my transcendental nature. I also feel happy and elated that I have cultivated a Pooja habit in my personal life. What I feel is that this knowledge will not only help me in growing personally but also help others (My family, friends) connected to me. Learning this knowledge and spreading it will always be my pleasure. People like you are rarely born in this mortal world. Your years of hard work and dedication will continue to inspire generation after generation towards 'Krishna Consciousness'. Words cannot express that gratitude I have towards you, anything in your praise would be an understatement. You are always in my prayers and I thank you daily for what change you've brought in my life. Best Regards to my family and friends. I seek the Lord's mercy and your blessings to them. Shelter them with your graceful presence. Hare Krishna.

Your Servant,

Bhaka Bhanuday Singh Tomar.

Dear Srila Prabhupada,

Please accept my humble obeisances. At first, I was just a person with no right guidance and no direction and then the summer internship happened. I learned so much about you and your goal which inspired me tremendously. I learned that even at the most critical condition of life if you have set a goal and dedicate towards it then anything is possible to achieve. Just like you did for instance when you travelled to the West from India and you were chanting the Hare Krishna Mahamantra in a park, you were accompanied by hippies and your goal at that time was to spread the knowledge of Krishna Consciousness and now it is all over the world, only because of your hard work and dedication to spreading the message of Lord Krishna. Furthermore, I learned so much about Lord Krishna that I had assumed to have known. It was indeed a blessing!

Dear Srila Prabhupada, your immense help to this mankind where you have created history in the human race, has benefited lakhs of people and I am one of them. No other personality can achieve such a worldwide movement involving thousands of dedicated disciples for your service. All this is possible because of your love for Lord Krishna and the faith in the holy name. Words fall short to thank you. So, by setting such a fine example, you have immensely motivated me to accomplish my goal no matter whatever the circumstances it be or obstacles i may encounter. I want to thank you for being my guide and showing me the right path. I beg at your lotus feet to and kindly engage me in your service.

Your Humble Student,  
Bhakta Bhavik Kumbharana.

Dear Srila Prabhupada,

I offer my obeisances to you. From the day I was born life was just going on in its way. There was no one to make me understand the real purpose of life. I was always having some questions related to God, human beings, nature. I was very curious to know my answers, but have not found anyone to whom I can ask these questions. In July 2019, for my engineering, I went to Bharti Vidyapeeth COE, Pune. I didn't know that this was going to be a turning point in my life. One day, on our college campus some boys were distributing passes to attend the Folk session which was on Sunday. So I and my friends decided to go there to have food as our mess remains close on Sunday night. That was the day from where I got to know about the Hare Krishna Mantra. All our seniors were very friendly and guided us on what to do in the next four years and what not to do. After attending a few sessions my thinking was becoming day by day mature and was gaining a different perspective to look at life. The devotees which held the sessions were very frank and they make me understand the principles of Bhagavad Gita in a very nice manner. I don't get to know how's that one and a half hour got passed away every Sunday. The same thing which was repeated in every session was to chant Hare Krishna Mantra. So I thought why are they emphasizing this mantra so much and I thought to practice this mantra daily. After that a lot of changes, I was able to see in myself.

Now I am able to concentrate and focus more on my work. All the negative thoughts vanished away. I was able to remain more positive. I begin to realize the importance of this maha-mantra. Now I get to know why so many successful people, top business leaders and coaches chant this mantra. Chanting is having immense benefits. Slowly, slowly I increased the number of rounds and my interest in scriptures began to develop. We went to a number of trips where I make a lot of friends and have a very good association with all the devotees and Folk members. I have never found such seniors who are so supportive and are ready to help anytime. My communicating, marketing skills began to develop. I learned how to interact with different people. The celebration of all the festivals is so grand here and I love the Mahaprasadam after that...I thank Lord Krishna and Srila Prabhupada to give me this fortune that I could get to know about Krishna and serve him. My happiness definition has changed now, really this is real happiness. I would say the people who get an opportunity to serve

and love Lord Krishna are the luckiest persons on this planet. Krishna is the only one whom we can fully trust, He is always there to protect his devotees and can go to any extent for making his devotees life enriched with happiness and prosperity. The miracle is going to happen in one's life who come to Krishna Consciousness. I was all stuck in this material world and was thinking only this is life as I have just tasted the lower taste, but now I am happy that I came to Krishna consciousness and developing a higher taste and get the real purpose, meaning, and goal of life. At last, I would just say the chant and be happy. Thank you, Prabhupada,

Your Servant,  
Bhakta Bhupesh.

Please accept my humble obeisances Srila Prabhupada,

All glories to you on this auspicious day. I am currently pursuing my Bachelor's degree at Parul University. I am very fortunate and thankful to ISKCON for giving me a golden chance to write about the spiritual master. I came across the spiritual life when I was in 7th standard. At that time our family used to attend Ramacharit manas (Lord Ram's glory) on every occasion of Lord Rama. But at that time, I wasn't much aware of Lord Krishna and his glory. When I shifted to Kota for the coaching, my mother packed all my necessary things, including Srimad Bhagavad-gita, the Iskcon edition. When I asked my mother that why I should read Bhagavad-gita during my NEET, she replied, "Your textbook may let you crack the NEET entrance, but this book will enlighten you to crack every problem of your life. I couldn't understand a bit. But due to lack of time and pressure of study, and being honest due to lack of interest, I read only 15-20 pages from that Holy book.

सर्वकर्मण्यपि सदा कुर्वाणो मद्भ्यपाश्रयः । मत्प्रसादादवाप्नोति शाश्वतं पदमव्ययम् ॥५६

*sarva-karmāṇy api sadā kurvāṇo mad-vyapāśrayaḥ mat-prasādād avāpnōti śāśvataṁ padam avyayam*

Though engaged in all kinds of activities, My pure devotee, under My protection, reaches the eternal and imperishable abode by My grace. This sloka inspires me highly. If you are engaged in all kinds of activities, but if you chant Maha-mantra and be Krishna's devotee, He will never leave your hand. I was genuinely engaged with my study and research. I came across the folk group and my spiritual education started from that day. I gain the basis of spirituality and learnt about the spiritual

world and how to enter. Although I had a wrong perspective that understanding Gita is tough, it became easy by the guidance of devotees and blessings of spiritual master Srila Prabhupada.

And then everything changed. Once, I was so confused about my life, that why life originates, how evolution occurred, what is the purpose of life, who controlled everything, how everything is managed, etc. During the early days, I felt, why these people force me to chant. What are their profits? Are they misguiding me? Will it affect my studies? Is it a proper time to enter in spiritual life? In fact, when Prabhu told me to visit temple suddenly, being a student from another state I was so nervous about going and then Prabhu convenience me and my family. Now Without chanting, I feel like something is missing from my life. Krishna consciousness now is a crucial part of my life. Everyone can feel Krishna. He is so kind that you take 10 steps towards him, He will take 100 steps towards you. And this is possible only because of Prabhupada. Without him, we can't know what is the value of chanting Maha-mantra. The book written by the spiritual master is a book of priceless knowledge and wisdom. We never get time; we have to find out the time. I used to give this useless excuse but now I can understand it. And lastly, we cannot write about Krishna and Prabhupada because no words can describe their glory.

Your Servant,  
Bhakta Biswaranjan.

Dear Srila Prabhupada,

Please accept my humble and respectful obeisance unto Your lotus feet. I am very much thankful to you for showing your mercy and giving me the opportunity to follow Krishna consciousness. It is just by Your causeless mercy that I have come in association with Hare Krishna Movement, your devotees, stayed in Folk to practice sadhana and live Satvik so as to drive my life along with a spiritual dimension. By Krishna's and your causeless mercy, I got married last year and I am really blessed to have her Krishna Conscious. O master, please give her a shelter of Your lotus feet so that we can chant, practice Krishna Consciousness and grow spiritually together and follow the life of idle Grahasta (married couple). O, master! By your grace, I am able to chant four rounds daily for a few months. Moreover, we (I and my wife) also sing Narashima arati every evening without a miss. However, I strongly desire to continue chanting and read your books when I get a breathing time in my schedule. By your blessing and with the unalloyed service of Your devotees, I am still nicely associated with the temple, chanting, prasadam, festivals and ecstatic kirtans. Once again, O master I am very thankful to You for giving me an opportunity to live a Krishna Conscious life. With this short note and respectful obeisance, I end my prayer. Hare Krishna!!

Yours Sincerely, Bhakta Brijesh Soni.

Blessings of Gurudev Srila Prabhupada have opened my eyes with the torch of spiritual knowledge and brought me to this Hare Krishna Movement, Ahmedabad. In the last three years, I got deep knowledge about Krishna Bhakti. With the blessings of Gurudev Srila Prabhupada, I am chanting daily 16 rounds of Hare Krishna Mantra, reading Srimad Bhagavad-gita and taking Krishna Prasadam daily. It's become an important part of routine life and it has brought full satisfaction in life. Gurudev Srila Prabhupada, I request you to give me such blessings more and more so that I can preach to others to join Hare Krishna Movement. Thank you so much Gurudev Srila Prabhupada.

Dear Srila Prabhupada,

I offer my humble obeisances unto you. I'm thankful to you for pulling me in towards your ever positive energy/movement, where I can find my true purpose of life. I'm grateful to you for taking me under your shelter and for guiding me through your books and kirtans. I would like to request you to help me remember your sayings and instructions, and follow them in day-to-day life. I'm thankful to you, for choosing me as your servant. These days there is a lot of misguidance amongst me, wherein remembering you and your teachings prevent me from falling back to the down-trodden life I had, before coming in touch with Krishna Consciousness. I thank you for enlightening me when I have fallen again and again in the trap of Maya and have gone astray from my duties. I have surrendered unto Lord Krishna and every day henceforth work just to see, how I can serve him more. I'm very nervous about my life ahead and pray to you, to stay by my side for support so that I can fulfil my duties to the Lord.

Dear srila Prabhupada,

Please accept my humble obeisance at your lotus feet. As I am writing this year's Vyasa Puja offering, I feel myself very blessed for this. Before coming to the temple, I had a lot of confusion about myself, my life, and the whole world. But after coming to your lotus feet, I have realized a lot of things to be changing in my life. I am very grateful to you for accepting such a soul like me as your student, as a disciple, although I have no good qualities and always remain absorbed in the material pleasures. I have made certain promises to you, but all promises are not fulfilled by me with full commitment. I beg forgiveness for that and continue my effort to fulfill it. Please provide me the strength to follow your footsteps and achieve the real goal of life. Also, provide me the strength to chant the prescribed rounds regularly and attentively. I am very thankful to you for the spiritual support and for choosing me as your servant. Please keep me absorbed in your services.

Dear Srila Prabhupada,

With your mercy, I am able to continue the 4th year of my Krishna conscious services in the Sri Radha Madhav Mandir, Bhadaj. I am chanting minimum 8 rounds daily without missing even in the home town also with all my farming and household works. I feel it's a great opportunity to serve with dedicated devotees even though as an employee in this movement, I do all my duties with interest as a service, not as a work.

With all your mercy I am able to avoid Bhoga and try to honor only prasadam most of the time. If not possible to get prasadam, I prefer to fast. And got a nice devotees association where they are making me understand Krishna's teachings that human life is meant to come out of all miseries and go back to Godhead. This knowledge has increased the value and meaning of my life and I am obliged to you that you have saved me from miserable material Karmi life. I will continue to advance in Krishna consciousness.

Srila Prabhupada, I require your full support and guidance to achieve this in all circumstances. Please bless me to become an insignificant servant of Sri Sri Radha Madhav for my entire life.

Dear Srila Prabhupada,

I often wonder what I would be if I hadn't read any of your books. As usual human inquiries and searches for the existence of Supreme God, so was I Searching for the answer, since childhood. When there was no internet, I asked people, mostly elders, who is the Supreme God? Some said Lord Vishnu; some said Shiva. I was always confused between the two. Later, to add salt to the fire, came bhramavadis, parmatma vadis, mayavadis and other religious leaders, cults which deteriorated my bhramjigyasa, and I was turned into a mere object of the science-based mental speculator.

After a few years, I started from scratch and speculated purport of Vedas and upnishads and also, different mayavadi based philosophies that satisfied my intellect, but I was illusioned to believe some "formless energy of the universe as Supreme God". One day I realized, I was not that happy because complex subjective problems and contradictory theories, doubts arose within my mind. Satisfaction was lacking as I was feeding my intellect (buddhi), not a soul (aatma). I came to a conclusion through speculation that people who practice bhakti are happier and have contentment, compared to other people.

I went to ISKCON, your worldwide institution, and purchased and read your books like "Life comes from Life", "Easy journey to other planets", "Path of perfection" and I sought some clarity. Like this continued for years. At one time I read Bhagavad Gita twice, but only the shlokas (Trying to convince myself that I can understand the essence only by shlokas) but eventually failed after reading all 700 shlokas twice, full clarity was not gained as I was trying to understand Krishna by mental speculation. As you said in one purport of Bhagavad Gita: "Understanding Krishna through mental speculation is like a bee licking the glass bottle of honey". The honey can only be tasted by the grace of a guru. When I participated in " La geta fete " organized by HKM Bhadaj, Due to Lord Krishna's Mercy and your grace, I completed Bhagavad Gita in a few days and read it thoroughly. I was so joyous at one time that— a night person like me, slept at 9 PM, woke up at 3 AM, and started reading Bhagavad Gita after chanting. I was so intrigued by your writing, your divine perception, while explaining Gita, that at the last day, I finished the last 5 chapters in one sitting.

After the last shloka of Arjuna : "*naṣṭo mohaḥ smṛitir labdhā tvat-prasādān mayāchyuta sthito 'smi gata-sandehaḥ kariṣhye vachanam tava*" I literally felt goosebumps and some strange sudden burst of excitement crawls up beneath me every time when I recall that moment. By the power of your words, I was able to understand the perspective of Krishna and Arjuna, So I literally felt " *Roma-harshitam* " (Goosebumps) like Arjuna such is the writing power of a pure devotee and guru.

Without your knowledge and original translation, I would've still searched like a dog looking into the abyss, enchanted by the ghastly spells of Maya, I would've become a mayavadi and could've been doomed as I doubted everything " sankshay aatma vinashyati." Like Lord Krishna saves his devotees, He sent His associate to the world, to save humanity from getting deteriorated. A million thanks to you and your efforts to enlighten the "mudhas" like us who are entrapped by the fierce clutches of Maya. I would always be grateful to you, Prabhupada, for selflessly giving the humanity "Krishna conscious

movement" and writing English commentary on deep introspective books for the betterment of humanity. Humanity will never forget you, I will never forget you.

Your Servant,  
Bhakta Dhruvit Pandit.

Dear Srila Prabhupada,

I offer my respectful obeisances to your lotus feet.

I am very fortunate enough to get into Krishna Consciousness 2 years ago and didn't hear about you before. On the first day of my spiritual life, I got a ticket to the Dwarka trip with FOLK boys and some temple devotees. The kind of association I got there was just unparalleled, and then I searched who is giving inspiration to all and found the name "Srila Prabhupada".

Though I am not qualified enough to talk about you but I would like to show my gratitude to you for showering mercy upon such a fallen soul like me. Please be the strength of my life and help me to proceed in KC.

Your servant,  
Bhakta Dhruvitman Dey.

Dear Srila Prabhupada,

I offer my respect unto your lotus again and again.

I am immensely fortunate that I have met Srila Prabhupada, a great realized soul.

By whose association I could understand real purpose and goal of life. He has taught me how one can become a pure devotee. By following the path lead by him, one can easily progress in devotion and attain the ultimate goal of life which is Krishna-Prema. Prabhupada you dedicated your entire life to spread the message of Godhead via Bhagavad-Gita and Srimad Bhagavatam. I take pride that I am the disciple of Srila Prabhupada even though I am not eligible.

You are listed among the great acharya who appear in this material world for the benefit of the suffering souls, by showing them the path of liberation. Srila Prabhupada you are very kind to your disciples that you have forgiven almost the biggest mistakes of your disciples. So, your forgiving and kind-hearted nature attracted many devotees to your Movement.

Your smile is the same reflection as Krishna's. Whenever you smile there is a good positive vibration that motivates your disciples and makes them strong and depends on Krishna's protection from Maya. The way you lived your life was full of struggle and sacrifice just to save us. Hats off to your great effort which will remain ever glorious.

Your mercy seeker,  
Bhakta Dhruv Patel.

Dear Srila Prabhupada,

Please accept my humble obeisances to you.

Frankly speaking, earlier I was confused and exhausted and my life was full of miseries. But one day, I saw His Grace Rasa Parayan Prabhu taking a lecture on Gita based on the teachings given by you. I had a lot of questions and I have been asking these questions and getting satisfying answers through your teachings.

You helped me to get out of big illusions. You showed me the actual meaning and purpose of life. Only because of your mercy and guidance, I am able to progress in Krishna Consciousness. I am grateful to be part of this amazing spiritual organization.

Thanking you.

Your fallen servant,

Bhakta Digvijaysinh.

Dear Srila Prabhupada,

Please accept my humble obeisances.

My journey with you started in 2009. I was in a state of turmoil and unrest in my college life because nothing was happening as I planned. I had too many backlogs and no support from anyone. It was only you and your mercy upon me which I am thankful for. So, on this Vyas Puja day, I am glad to offer my offerint onto you.

Then I met with people from FOLK, afterward, I started visiting the FOLK hostel and eating prasadam. I also started following all the principles and reading your books on a regular basis. They gave a lot of insight into life and stability that there is someone to look after me. After that, I went on various tours and try to distribute your books. Service gave me immense happiness. From then my life was changed, there was positivity all around and I had exponential growth. Now, I am a self-made man. Chanting, reading your books gave me a lot of stability and wisdom. Please be merciful on me always.

Dear Srila Prabhupada, you have lighted up my life from darkness. You have given me opportunities to serve you and your mission. I am happy and satisfied with my trivial time of my life in serving a movement established by a sincere hard work of a pure devotee of Lord Krishna. 11 years of happiness and inner peace. I am grateful for everything; you have given me and guided me through your divine teachings.

I pray at your lotus feet to kindly engage me to associate with your disciples and serve you and Lord Krishna

Your Servant,

Bhakta Dipak.

Dear Srila Prabhupada,

Please accept my humble obeisances,

I think I am too young and fallen conditioned soul to say about you and I think I do not deserve to talk about you. Because of your Krishna consciousness movement, I was able to know about Supreme Lord Sri Krishna. Srila Prabhupada, I am able to get rid of my problems by finding solutions for them from Bhagavad Gita. It is only because of your grace.

In Bhagavad Gita Lord Krishna says:

“Tad viddhi pranipatena,pariprasnena sevaya

*Upadeksyanti te jnanam, jnanians tattva-darsnah” - BG 4.34*

*“As said by Lord Krishna, to approach Him, it is only possible by a Spiritual Master like you. I am rendering my service to you. Only you can impart knowledge to me because you are the self-realized soul who knows the truth.”*

In my view, you are the embodiment of Lord Vishnu's mercy. You are the best spiritual master from whom I submissively want to take shelter.

Thanks for making us aware of Lord Krishna. I am indebted to you for making me conscious about Lord Krishna. I am expressing my gratitude to you.

I pray at your lotus feet to kindly help in engaging me in the services of Lord Krishna.

All glories to you on this auspicious day.

Your humble servant,

Bhakta Dwijesh Bingumalla.

## **Bhakta Etcharla Revanth Rao**

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

All glories unto you.

I never thought that the words "*Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare*" will give me happiness, strength, knowledge, dare to face the obstacles. In other words, the whole of real life. I am glad to offer my feelings.

I think most people only think about themselves. They don't know who they are. I was also one such person. Life always gives us choices. I also got the option of Krishna consciousness on one side & routine life on the other. I moved a step forward and chose Krishna. From that day, I feel Krishna is on my side. It changed my lifestyle completely. I was one such person who rarely felt that god exists. I came to know that God is everywhere. I am thankful to the devotees, who played a significant role in changing my life. They gave me the true power & the right path. I believe everyone should know about the great book Bhagavad-Gita. You will get every answer related to spirituality and human life in this book.

In this virtual world, everyone should know about Supreme Personality Sri Krishna. Knowledge should be shared with everyone. As every action has a reaction in pair, if you spread knowledge, worship Krishna, walk on the right way with Krishna, in return, you will always get bigger than you can ever imagine. I am once again thankful for this opportunity.

I am sorry if I have done any mistakes. I believe you will forgive me and will be there with me throughout my life.

Your obedient servant,

Bhakta Etcharla Revanth Rao.

Dear Srila Prabhupada,

I offer my humble obeisances to you.

You have guided me through my bad and good times and didn't let me stop doing my spiritual activities. Your books are only guiding force to survive through my ups and downs with a smile on my face and not letting me stop my spiritual activities. Before interaction with ISKCON and your books, I wasn't at all aware of spiritual life. You make me understand what spiritual life means and my role of being a social animal or human being. I, from my bottom of the heart, want to thank you for all the means you have provided me for practicing spiritual activities.

Please accept me as your student and guide me in all the possible ways.

हे श्री कृष्ण के परम प्यारे शुद्ध भक्त महात्मा जगद् गुरु श्रील प्रभुपाद जी,  
आपको करबद्ध हरे कृष्ण व कोटि-कोटि दंडवत प्रणाम ।

आप इस घोर कलियुग में पृथ्वी पर्यंत के अज्ञान रूप अंधकार से ग्रस्त मानव बंधुओं को श्री चैतन्य महाप्रभु से प्रदत्त वैदिक ज्ञान एवं भक्ति रूप संदेशों का प्रकाश फैला रहे हैं। मेरे जैसे अधम और पापी जनों का उद्धार कर रहे हैं। सांसारिक जीवन रूपी जंगल में लगी आग को शांत करने के लिये जो कृपा रूपी विशाल मेघों की वर्षा से इस अग्नि का शमन करते हैं, ऐसे दिव्य गुणों के सागर आपके चरणकमलों में मैं सादर वंदना करता हूँ। आपके चरणकमल ही एकमात्र साधन हैं जिनके द्वारा हम शुद्ध भक्तिमय सेवा प्राप्त कर सकते हैं। आपकी कृपा से भौतिक क्लेशों के महासागर को पार करके श्रीकृष्ण की कृपा प्राप्त कर सकते हैं। आपने श्रीमद् भगवद् गीता एवं श्रीमद् भागवत पुराण जैसे ग्रंथों का विभिन्न भाषाओं में अनुवाद तथा तात्पर्य लिखा है। बच्चों से लेकर बूढ़ों तक के सभी वय के साधारण जिज्ञासु मनुष्यों के लिये धर्म व भगवान् के बारे में आपने सरल साहित्य रचकर विभिन्न भाषाओं में अनुवाद करके आप विशेष कृष्णभावनामृत का सहज ज्ञान प्रदान कर रहे हैं। श्री राधा माधव मंदिर द्वारा आप ही के साहित्य को सरलता से समझाने के लिये विभिन्न सांस्कृतिक प्रवृत्तियों की जा रही हैं। मंदिर की ओर से धर्म यात्राओं का आयोजन करके समय समय पर एवं स्थल स्थल पर उनके पीछे जुड़े सुसंगत इतिहास का वर्णन करके महत्व प्रदर्शित किया जा रहा है, जिससे कृष्णभावना का भाव उजागर होता है।

आपने अंतर्राष्ट्रीय कृष्णभावनामृत संघ की रचना करके अपनी वृद्धावस्था की चिंता न करते हुए विश्व के छहों महाद्वीपों की चौदह परिक्रमाएँ की थीं। निर्विशेष और शून्यवाद से व्याप्त सारे पाश्चात्य जगत् का भी उद्धार हो रहा है। आपका यश तीनों लोकों में फैला हुआ है। आप अगर इस पृथ्वी पर न आते तो आप के बिना सारे भूलोक पर अज्ञान रूपी अंधकार छा गया होता। हे गुरुदेव, करुणासिंधु तथा पतितात्माओं के मित्र, मुझ पर दया करके अपने चरणकमलों की छाया दीजिये। दंडवत प्रणाम व हरे कृष्ण।

आपका ही-एक पतितात्मा,  
भक्त गौरीशंकर वर्मा।

*namah om vishnu padaya krishna pristhaya bhutale, srimate bhaktivedanta swamin iti namine  
namaste saraswate deve gauravani pracharine, nirvishesha shunyavadi paschatyadesh tarine*

Respected Srila Prabhupada,

Hare Krishna. Please accept my homage offering through this letter under your Lotus feet.

It has been eight years since I and my family are engaged in Krishna consciousness. We took it as our lifestyle and Lord's Instructions as our life's goal. Please shower Your and Lord Sri Sri Nitai Gauranga's mercy on us.

This year, on Vyasa Puja, I humbly pray at your lotus feet, that kindly keep us under your shelter, guidance, and teachings forever. This way we can improve more and more towards Krishna consciousness, and I am not sure if we will be able to attain the Krishna's love, but at least we can be his servants under his Lotus Feet.

We used to worship Lord Shiva at our home with the utmost care and Bhakti before we joined Krishna consciousness. We didn't know about it but used to worship all the Devi Devatas. By the Lord's grace, we were guided towards Krishna consciousness through you and your disciples. That's the turning point of my life too, and I started following the principles taught by you. We started learning, and understanding about the Supreme Personality of Godhead, and His knowledge got injected through your teachings. Our lifestyle changed, and now we are in Krishna consciousness for more than eight years, trying to improve more.

This year, the Covid19 Pandemic has hit us and everybody is considering this year as bad, but for me, it is different. I find it as a good and lucky year for me because, since I started my occupation, I was not able to Chant mala – The Hare Krishna Maha-mantra properly. But since we are under lockdown and working from home, I got the chance to Chant the Lord's name properly. I can dedicate myself to the same. I remember from your teachings that one should not see whether the situation is wrong, nothing can be done but should find a way to keep the Lord in mind and start making your tight path towards Krishna consciousness. Apart from this, in this Pandemic, I got a unique chance; to showcase myself in my career

too, with your and Lord's blessing. Thank you so much for guiding us in the darkest times like this Pandemic. It is considered one of the essential qualities to remain neutral in all the situations, whether good or bad, and I m realizing that I can be strong and also affectionate towards all living beings.

One of the best parts now is, I eagerly wait for every Ekadashi because I get excited to do alankar services to their Lordships Sri Sri Nitai Gauranga at our home. Since we are not able to go to Temple for Lord's darshan due to this Pandemic, I wait for Ekadashi to come so that I can do Abhishekam and decoration to the Deities. They become happy, which can be experienced by having their darshan. Their happiness and love are all we need. And this too is because of you O Gurudev! Thank you once again for this great opportunity.

I am trying to spread Krishna consciousness to some people whom I know intimately, who can understand the Lord and his knowledge, with your guidance and mercy. But I still struggle it out. Please help me O Gurudeva, so that I can become firm in Krishna consciousness and share your divine teachings with others to help them in their life. Kindly consider my humble request at your lotus feet and please show the same mercy to those, whom I am trying to engage in Krishna Consciousness. They may also join me in the service to you and the Supreme Personality of the God Head – Lord Krishna.

Once again, thank you for your blessings and mercy O! Gurudev. Thank you for keeping us under your Lotus Feet. Thank you for guiding us towards the right path of Krishna bhakti. Thank you for all the opportunities and for being with us all the way. Hare Krishna.

All the Glories to Sri Sri Nitai Gauranga!! All the Glories to Sri Sri Narsimha Dev Bhagavan!! All the Glories to Sri Sri Radha Madhav!! All the Glories to Srila Prabhupad!!

Yours Sincerely,  
Bhakta Gokulkumar Naidu.

Dear Srila Prabhupada,

Please accept my most humble obeisances in the dust of your lotus feet.

I beg you to kindly shower your mercy to follow all the instructions which you have given. Srila Prabhupada, you transfer me from the lower humanity to Vaishnava. Because of your mercy, I am chanting the name of the supreme lord. Prabhupada, I sincerely admit that I'm not capable of serving you in any way, I am not chanting 16 rounds, not listening Bhagavatam daily & not reading your book every day. But from my heart, I eagerly want to serve you and follow all of your instructions.

My only desire is to serve you. Please provide me the opportunity to serve you sincerely. I also thank you for the guidance which you are giving me for my spiritual progress.

Your eternal servant,

सबसे पहले मैं श्री श्री राधा माधव, श्रील प्रभुपाद जी एवं हरे कृष्ण मंदिर के सभी प्रभु जी को मेरा प्रणाम।

2004 से बेंगलुरु इस्कॉन से जुड़ा। 2007 में मैंने श्रील प्रभुपाद जी का शरण लिया तब से मैं खुशहाल जीवन जी रहा हूँ। इस भौतिक जगत में रहकर भी श्रील प्रभुपाद जी की कृपा से मुझे भक्ति का रास्ता मिला और मैं चाहता हूँ कि आगे भी प्रभुपाद जी मेरे ऊपर कृपा बनाए रखें।

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

I am feeling fortunate to be able to offer the Vyasa puja offerings. Remembering the first time I saw you when I went to ISKCON Tirupati with my family, wondering how people all across the world are worshipping Krishna, being small then I don't know it was your mercy, your unflinching determination to follow the orders of your guru Maharaj His Divine Grace Srila Bhakti Siddhanta Saraswathi Goswami Maharaj. If anyone has that same faith in your words, he is sure to get success in this life itself. You are the eternal carrier of the Sanatana dharma, for people who question your physical presence. Your presence can be realized through your pastimes, books, lectures, disciples, the temples you established...what not, in every activity associated with Krishna consciousness. Hearing your pastimes from your disciples is helping us understand your eagerness to spread the movement of Lord Caitanya, will always motivate a preacher to do more than what he is doing. If one be able to follow the instructions given by you sincerely, then he can always find your guidance in his life.

Your books are the only way for the people who are in search of pure knowledge, and for those who are in search of eternity. They contain the solution for every problem that we faced and ever going to face. The books are so simple that most ignorant people like me can also understand the essence of Lord Chaitanya's teachings. It is definite that whoever reads your book, will definitely feel the change in his heart if not then it's only due to their arrogance and lack of service attitude.

You have taught the world how to eat properly; ISKCON is known for its pure vegetarian food (prasadam).

Your life is an example to know how to act in Krishna consciousness, and service unto your lotus feet is the only way to progress in Krishna consciousness.

Oh! Savior of the whole world, please bless me with your service, let me not deviate even for a second from your service so that the nescience may not pull me.

Your aspiring servant,

Bhakta Gopalakrishna Bale.

## Bhakta Gourav Shukla

Hare Krishna,

Please accept my humble obeisances at your lotus feet.

The best thing which I received from you in this life is your blessings. Your guidance gives me light in the hour of darkness and vision in the mind. With your blessings, I had a very beautiful darshan of Lord Krishna. I thank your sincere disciples for giving me this opportunity to express my gratitude.

Near my institution, in this remote location, I have only one temple, and your disciples are even preaching here, it's amazing as Lord Chaitanya wanted to spread the maha-mantra in every corner of the world. With your blessings, I relished the divine prasadam, which I am never going to forget. Your revolutionary ideas of worshipping Lord Krishna and being conscious of him in every work is the best way by which I can channelize my energy. With your blessings, I got a vision to understand what Maya is.

I am still lacking discipline, but I am sure to get it with your blessings as you are very compassionate on all living entities. I have no words to express my gratitude for your causeless compassion but I know you are aware of my inner feelings.

Thank you.

Your servant, Bhakta Gourav Shukla.

हरे कृष्ण, मेरे गुरु महाराज के श्री चरणों में कोटी कोटी प्रणाम,

ए.सी.भक्तीवेदांत स्वामी प्रभुपादजी एक महापुरुष, प्रामाणीक गुरु हैं, जिनके द्वारा हम भगवान् श्री कृष्ण समझने और उनकी भक्ती करने में सफल हो सकते हैं। प्रभुपादजीने अपने सारे भक्तों को भगवद्गीता के ज्ञान का उपदेश दिया है। प्रभुपादजी ने सारे विश्व में भगवद्गीता और भगवान् श्री कृष्ण का प्रचार किया है, जिसके कारण आज विश्व में लोग भगवद्गीता और भगवान् श्री कृष्ण का सम्मान करते हैं और भगवान् की ओर प्रेरित होकर भगवान् की सेवा करते हैं। प्रभुपादजी की शरण में जाकर मुझे सच्चे गुरु मिलने का आनंद है। प्रभुपादजी को अपने गुरु के रूप में स्वीकार करके भगवान् की सेवा कैसे की जाती है वो जानने को मिला। भगवान् की अलग अलग लीलाओं के बारे में जानने को मिला। प्रभुपादजी के शरण में जाकर मुझे एक नया आध्यात्मिक जीवन मिला, उससे आज मैं बहुत खुश हूँ। वैसे मैं मंदिर के संपर्क में आने से पहले कोसों दूर था, भगवान् के बारे में जानने की कोई जिज्ञासा नहीं थी। मंदिर के संपर्क में आकर प्रभुपाद जी के बारे में जानने को मिला। प्रभुपादजी की अलग अलग भाषा में अनुवाद की गई भगवद्गीता और श्रीमद् भागवतम का ज्ञान मिला। इस कलियुग में एक अच्छे गुरु की आवश्यकता होती है, जो भगवान् की भक्ती में सहयोग दे जो मुझे प्रभुपादजी के रूप में गुरु मिल गये हैं। हरे कृष्ण.

आपके सेवक,  
भक्त हार्दिक पटेल.

Hare Krishna,

Dandvat pranam to Srila Prabhupadaji, all Parampara Acharyas and all Vaishnavas.

I am very thankful to Srila Prabhupada, our highly respected Acharya, for changing my life totally. In the Hare Krishna Movement, where I was exposed to parampara knowledge through the clear cut teachings of Srila Prabhupada, has helped me to understand my actual goal of life. Now by your mercy, I have understood the real meaning of bhakti and about the spiritual world. Just because of your blessings today I clearly know that Supreme God is Krishna. Under your guidance and by your blessings I am confident enough that, - "one day I will reach the real goal".

Earlier, I had very bad habits in life like eating onion, garlic, and drinking alcohol sometimes, but when your blessings started to flow in my life there is a miraculous change. Now I am doing 16 rounds of Hare Krishna Maha-mantra and following 4 regulative principles. I'm aspiring to surrender my life unto you. Please keep your kindness and love upon me forever. Please forgive me for my known or unknown mistakes done in the past or if done in the future.

Please kindly keep your blessings always upon me.

Dear Prabhupada,

I humbly express my gratitude at your lotus feet, for planting a seed of Krishna's love and devotion in my heart.

It is stated in Srimad Bhagavatam by you that "It is the sign of the love of God, which is the ultimate end of life. By chanting the holy name of Krishna one attains the stage of love of God". I feel blessed to have received the gift of Holy Name by your causeless mercy. After a struggle of many years, finally I am able to chant 16 rounds and serving Lordship Sri Sri Nitai Gauranga at our home.

You have mentioned in Srimad Bhagavatam that an expert spiritual master knows the art of utilizing everything to glorify the Lord, and I have started to experience the same in my life. Thank you for exposing me to the Godly spiritual culture and lifestyle, which is the only way to perfect the mission of human life and purify one's existence. Every change goes through 3 stages i.e. accept, adopt, and adapt. While I have humbly accepted your spiritual instructions, kindly bless me with the patience and perseverance to adopt the principles of loving devotional service as recommended by you and make further progress on this path.

Thank you for making me realize the prime objective of my life and inspiring me to surrender unto Lord Sri Krishna.

Your humble servant,  
Bhakta Harish Trivedi.

पूजनीय कृष्णकृपामूर्ति ऐ.सी. भक्तिवेदांत स्वामी प्रभुपाद,

मैं आपको सादर प्रणाम करता हूँ। आश्रय लेने से पहले मैं दो माला करता था। तब मुझे काम की वजह से टाइम नहीं मिलता था और मन मेरा बेचैन रहता था। काम का टेंशन रहता था। अब आप का आश्रय लेने के बाद प्रतिदिन 4 माला करता था और अब 16 माला करने लगा हूँ। पूरा दिन काम होने के बाद भी 16 माला करने का टाइम मिल जाता है और मेरा मन शांत रहता है। पूरे दिन प्रभु जी का नाम लेता रहता हूँ। भगवान मुझ पर ऐसे ही कृपा बनाए रखें कि हम आध्यात्मिक मार्ग से कभी ना भटके, भगवान को भूले नहीं और मैं भगवान का नाम लेता रहा हूँ। आपके चरण में बार-बार प्रणाम करता हूँ

Dear Srila Prabhupada,

Please accept my humble obeisances on the occasion of your 124th Vyasa Puja. All glories to Your Divine Grace. The verdict of all revealed scriptures is that by even a moment's association with a pure devotee, one can attain all success. Srila Prabhupada, thank you for giving the whole world this very valuable and very rare gift of Krishna Consciousness. You are the true ambassador of spiritual knowledge to the whole world. My humble prayers at your lotus feet today is that please bestow this most precious gift of chanting the Hare Krishna Maha Mantra on this fallen soul so that I may attain the most valuable goal of life – attaining perfection in Krishna Consciousness in this very life. The whole world has to surrender to someone or other for some sort of benefit. But by your grace, I got to know to whom to surrender for the ultimate benefit. People are hankering for some sort of happiness but you guided me to the real happiness of the world.

Thank you Prabhupad for keeping me under your shelter and also engaging me in Radha Madhav's service especially garland making during Lockdown period and giving me the opportunity to celebrate the festivals in the temple. Prabhupada, please continue to shower your mercy on me, just as the Ganges forever flows to the sea without hindrance, let my attraction be constantly drawn unto Krishna without being diverted to anything else.

Your Servant, Bhakta Himanshu Sahare.

हरे कृष्ण, जय श्री अभय चरणारविन्द भक्तिवेदांत स्वामी श्रील प्रभुपादजी के चरण कमलों में दंडवत प्रणाम।

मैं पिछले 2 सालों से मंदिर से जुड़ा हूँ. मंदिर से जुड़ने से पहले मेरी लाइफ बहुत ही साधारण सी थी। मुझे यह भी नहीं पता था कि जीवन का अंतिम लक्ष्य क्या होना चाहिए। जिस तरह एक नाव को यदि पानी में छोड़ दिया जाए और यदि उसको कोई चलाने वाला ना हो तो नाव पानी के बहाव के साथ इधर-उधर बहती रहती है। और किसी मंजिल तक नहीं पहुंच पाती। ठीक उसी तरह मेरे जीवन का भी कोई लक्ष्य नहीं था। मेरा जीवन भी इस नाव की तरह था परंतु श्रील प्रभुपाद जी ने मुझे जीवन का लक्ष्य और उस पर चलने का मार्ग बताया। मंदिर से जुड़ने के बाद मुझे जीवन का लक्ष्य क्या होता है, उसे किस तरह पाया जाता है, जैसे मेरे अनेक सवालों के जवाब जो मेरे मन में बहुत समय से थे उनके जवाब मिल गए। मुझे जीवन का सही मार्गदर्शन मिला है कि किस तरह से हम भगवान की भक्ति करके भगवत धाम जा सकते हैं और यह दुख भरे संसार जहां केवल दुख ही दुख है उससे हम मुक्त हो सकें। ऐसा नहीं है कि मंदिर से जुड़ने के बाद मेरे दुख कम हो गए या मैं बहुत सुखी हो गया परंतु दुख सहन करने की क्षमता बढ़ गई है। पहले कुछ समस्या आती थी तो मन बहुत विचलित रहता था। परंतु अब कुछ भी समस्या हो सब कुछ भगवान पर छोड़ देते हैं और वह समस्या समय के साथ हल हो जाती है। जीवन में काफी बार भक्ति में भी बहुत उतार-चढ़ाव आते रहते हैं परंतु श्रील प्रभुपाद जी ने अपने अनुयाई (प्रभु जी) के माध्यम से हमें हमेशा भक्ति का मार्ग बताया। जब भी हम भक्ति में दूर जाते या कोई समस्या आती तो प्रभुपाद जी की किताबों के जरिए या प्रभु जी के जरिए हमें प्रभुपाद जी ने हमेशा हाथ पकड़ के रखा और भक्ति का मार्ग बताया। मैं इसलिए श्रील प्रभुपाद जी को दंडवत प्रणाम करता हूँ और प्रार्थना करता हूँ कि प्रभु जी मेरा हाथ कभी नहीं छोड़े। मैं तो माया से घिरा हुआ हूँ। बहुत सारी बुराइयां हैं। उसके बावजूद मेरे गुरु जी ने मेरा हाथ थामा और मुझे भक्ति के मार्ग पर ले कर आए। मुझे विश्वास है कि प्रभुपाद जी के मार्गदर्शन और आशीर्वाद से अपने जीवन के अंतिम लक्ष्य जो भगवत प्राप्ति है वहां पहुंच सकूँ।

आपका सेवक, भक्त हितेंद्र मौर्य.

Dear Srila Prabhupada,

Please accept my humble obeisances to your lotus feet.

Back in 2012 sitting in the assembly hall of SVNIT, chanting the first round of Hare Krishna maha-mantra, I had no idea what I was doing. I did as I was instructed to do and later, I realized that the very act was the starting point of my guru shishya relation (guru instructs and disciple follows) with complete faith in you. I also realized that this particular incident did not happen by chance. It was destined to happen for a real guru to never leave his disciple behind.

Dear Srila Prabhupada, before coming to the shelter of your lotus feet I was amongst the most fallen of mankind. It was only due to your selfless mercy that I got introduced directly to the nectar of Krishna consciousness. The movement that you started, was like an oasis of Krishna bhakti that you built for many fallen souls like me, all glories to you.

Your books have helped the most “mandha” and “mudhas” to understand the message of Lord Krishna. Please accept my humble obeisance unto your lotus feet. In my personal experience, I had always felt the presence of your blessing to the point of personal care. I had personally felt your presence as a Spiritual Master guiding this disciple to the right path of Krishna consciousness. Whatever little devotional service that I had done was only due to your merciful arrangements.

This is the debt that I will never be able to pay. Dear Srila Prabhupada nothing is hidden from you, you know that from the beginning I had not always followed your instructions; I don't possess intense bhakti as others do, and I don't have any spiritual knowledge as others do. I am so fallen. Yet you never left me behind, you pulled me and gave me more opportunities. You never let me go. O my Spiritual Master how I will be able to repay you?

Dear Srila Prabhupada, I only ask at your lotus feet, to kindly pick this fallen soul from the ocean of sufferings as you have always had. Please bless me to serve you and engage myself in loving the Lord.

Your humble servant,

Bhakta Ishan Sharma.

પૂજ્ય ગુરુદેવ શ્રીલ પ્રભુપાદજી,

આપના ચરણ કમલમા દંડવત પ્રણામ કરું છું.

ગુરુદેવ, આપની કૃપાથી મને સહ પરિવાર આપના મિશન નો એક ભાગ બનાવી અમને સેવાનો જે મોકો મળ્યો છે તેના માટે હું હૃદયપૂર્વક આપનો આભારી છું.

આપના આશીર્વાદથી જ હરેકૃષ્ણ મંદિરના સંપર્કમાં આવી મને જીવનમાં આધ્યાત્મિકતાનું મહત્વ સમજાવ્યું છે. આધ્યાત્મિક જીવન માટે પ્રામાણિક ગુરુ નું કેટલું મહત્વ છે એ જાણવા મળ્યું અને આપના ચરણોમાં આશ્રય મળ્યો તેનો મને ખૂબ આનંદ છે.

હરે કૃષ્ણ મહામંત્ર ના જાપ, આપના પુસ્તકો વાંચવાથી, ભગવાનની સેવા અને આપના ભક્તો ના સંગમાં રહેવાથી જીવનમાં જે પરિવર્તનો આવ્યા છે તે અવર્ણનીય છે. વ્યક્તિ પોતાની કલા અને કૌશલ્યને ભગવાનની સેવામાં સમર્પિત કરીને જ સાચા આનંદની અનુભૂતિ કરી શકે છે તે સમજાયું છે.

હે ગુરુદેવ આપની કૃપા મારા અને મારા પરિવાર પર બની રહે અને આપના ચરણોમાં દીક્ષા મળે તેવી અભિલાષા છે.

આપનો દાસ,

જગદીશ ભટ્ટ.

Dear Srila Prabhupada,

Please accept my humble obeisances to you.

As the candle removes the darkness, in the same way by the grace of the spiritual master the spiritual knowledge removes the darkness, ignorance of every doubting soul. I know myself as a soul and what are the things which bind the soul in this material world. This bright spiritual knowledge is available only by reading the Bhagavad Gita which is compiled by you in a simple language. I came across the nature of the soul and also who is the Supersoul and so many things like who is the supreme controller and what is the final goal of every soul. All these elements are otherwise hard to analyze. But it is your concern and mercy upon us that you made this transcendental knowledge easy to understand and approachable.

Everybody worships Lord Krishna, and chant the Mahamantra given by you,

*“HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE, HARE RAMA HARE RAMA RAMA RAMA HARE HARE”*

is only possible because you were compassionate to us. You wanted Lord Krishna's message and Lord Chaitanya's methods to be spread all over this planet and you dedicated your life in this mission

Every soul becomes pure and more and more attracted to Lord Krishna just by hearing or chanting the mantra which Lord Chaitanya has personally reciprocated to you to fulfill his prophecy. Now in this 'KALIYUGA' by your grace, every doubting soul like me, is trying to become purified and free from all kinds of sins. Your disciples here are serving your mission through youth-related programs like FOLK and other such activities.

This deeply attracts every individual towards your mission. All the devotees are very supportive towards chanting of the holy name of Lord Krishna, and they always conversing about Lord Krishna and His pastimes which is the most sublime thing. It's by your grace that I am able to associate with your humble devotees and gradually come under your movement to seek your shelter

Dear Srila Prabhupada, always bless me with your mercy to chant the Lord's holy name in your mood and serve your lotus feet.

Your Servant,

Bhakta Jaideep Sahu.

My Dear Srila Prabhupada,

Please accept My Dandavat pranam by heart Gurudev. Srila Prabhupada, You are empowered incarnation of Krishna, who appeared in the form of a Jagad-guru. You can deliver the entire world by your sweet will. Krishna has infinite Knowledge, wealth, fame, strength, beauty and renunciation likewise You too have infinite glories. I am afraid how I can, with a poor fund of knowledge and intelligence do justice to Your glories in this letter and please you. I can only try with your blessings. You have continued Guru shisya parampara / disciplic Succession and spread Krishna consciousness all around the globe and made it a storming movement. A movement which has helped millions in past and is helping millions of people currently to understand what the Sanatan truth is and take to Krishna Consciousness. You have taught who Krishna is, how to love Krishna, how to render loving service to Krishna. You have conveyed the words of Krishna –“As It Is” through the literary works and you have given nice, easily understandable and heart-piercing explanations. All your books help especially the newbies on the path of Krishna Consciousness a lot and make them more and more devoted each day.

Your devotion to the mission of the Lord can be witnessed currently by the way you have expertly set up the institution. That even today we can see your presence principally, by which you are guiding each individual and your initiated disciples

continuing to serve your mission very well and expand it even more. A fallen soul like me gets the chance to connect with you. My beloved Gurudev, you have inscribed Krishna in the hearts of your disciples so well. Even in this yuga, with so many religions, so many religious institutions, so many philosophies, many so-called masters and their misleading paths of realization where anyone can get easily lost. But Your disciples are not just among those anyone, that I'm telling from my experience. Your teachings keep them on the right path. O my Master, with your grace many have returned back home back to godhead and many will return back to Krishna for eternity. Like floating wooden plank in a river reaches ocean in the end, a soul surrendered to You reaches Krishna in the end. O I am so fortunate, so fortunate that I got shelter under your ever blessing Lotus feet. Hare Krishna.

Your Servant Forever,  
Bhakta Jaimin Patel.

Dear Srila Prabhupada,

I offer my respectful obeisances to you. It is about my life with your disciples. Prabhupada, being a food lover, I can literally go to any place nearby which can satisfy my hunger for flavours, but this time it was just more than food; it was the values that were bestowed upon us by these seniors who were way more different than those alcoholic ones who could be found sitting throughout the day at teal stalls around. Then the entry of my favourite speaker in my life, my Folk guide who was a different personality within himself. The way he uses to interact with us and give a scientific and logical solution to every question asked by us is unforgettable. No sooner did I got across the name of our spiritual master, Srila Prabhupada, I had started developing my interest in spiritual activities than those materialistic ones whose end result was just greed and sorrow. The trip to Prati-Balaji temple with all my friends was something unexpected; it was the first time wherein I was travelling by doing Kirtan instead of playing the Bollywood music, there I learnt something that kirtan does nothing great but spreads happiness by devotion. I had the problem of feeling anxious before my exams even if I had prepared well; the folk boys came in rescue again and used to organize kirtan, prasadam just the night before the exam when all my other peers were engaged in last-minute studies.

On a record till date, no devotee has ever talked to me with a high pitch of voice, instead, they always talk calmly irrespective of the age. Such were the Sankars of His Divine Grace Srila Prabhupada. The most important skill that I developed from there was the introduction of meditation in my life which was a completely unique experience. Later I came to know that be it, anyone, they all have a sole primary spiritual master Srila Prabhupada. Thank you for guiding me to this spiritual path.

Your Servant,  
Bhakta Jayesh Patil.

पूज्य गुरुदेव श्रील प्रभुपाद, आपके चरणों में कोटि-कोटि नमन ।

मैं पिछले 1 साल से हरे कृष्ण महामंत्र का जप कर रहा हूँ । हरे कृष्ण मंदिर में भगवान कृष्ण के शुद्ध भक्तों के साथ मुझे रहने एवं उनके संघ का सौभाग्य प्राप्त हुआ है । अभी मेरे अंदर बहुत सारी कमियाँ हैं जिन्हें मुझे धीरे धीरे कृष्ण भावना मृत में रहते हुए दूर करना है और एक शुद्ध भक्त बनना है । मैं चाहता हूँ कि आपकी कृपा से मुझे यह समझ आए कि कृष्ण प्रेम क्या होता है । आप की असीम कृपा रही तो एक दिन मुझे कृष्ण प्रेम जरूर प्राप्त होगा । आपने जो कार्य पूरे विश्व के लिए किया है वह मेरे लिए समझना भी अकल्पनीय है । यह मानव जीवन मेरे लिए एक मौका है जिससे मैं जन्म-मृत्यु के चक्र से बाहर निकल सकता हूँ और भगवान कृष्ण के धाम पुनः लौट सकता हूँ । भगवत धाम की प्राप्ति ही मानव जीवन का चरम लक्ष्य है और यह हम कभी नहीं कर पाते अगर आप इस पृथ्वी पर अवतरण नहीं लेते । आप भगवान के एक शब्द भक्त हैं और चैतन्य महाप्रभु की भविष्यवाणी को सच करने के लिए इस पृथ्वी पर अवतरित हुए । आप की पुस्तकें पढ़ कर मुझे बहुत ज्ञान प्राप्त हुआ । यह जानकर मुझे अति प्रसन्नता हुई कि आपने अकेले श्रीमद भगवतम के 18000 श्लोकों का अंग्रेजी में अनुवाद किया । आपने न्यूयॉर्क जाकर कठिन परिस्थितियों में इस्कॉन की स्थापना की और वहाँ से 108 मंदिर बना कर पूरे विश्व को

कृष्ण भावनामृत समझाई । आपके इन कठिन कार्यों की वजह से आज पूरे विश्व का कल्याण हुआ है । आप पूरी रात्रि जाग कर किताबे लिखते और अपने शिष्यों की आध्यात्मिक उन्नति में उनकी मदद करते। आप से मेरी विनम्र विनती है कि कृपा करके मुझ पर अपनी दिव्य दृष्टि बनाए रखें ।

आपका सेवक,  
भक्त कपिल यादव.

Om Vishnupada Paramhansa Parivrajakacharya A.C Bhaktivedanta Swami Srila Prabhupada

Dear Gurudev,

Please accept my obeisances at your lotus feet and bless me for progress in Bhakti. What is a more auspicious occasion to start thanking you than Vyasa Puja? Thus, as a novice in Vishnu Bhakti, I am writing to you for the first time. I was a soul living as an atheist and in ignorance under the influence of Kali Yuga before Sri Hari and you showered your mercy upon me to come to the highest platform of a living being; Bhakti. The Vrajvasis, especially the Gopis, have performed a lot of austerities to get Krishna, but I did not do anything, still, you chose me to give the mahamritam. The devotees of Hare Krishna Movement, Bhadaj, Ahmedabad have come here due to your special mercy upon us. If you had not appeared in this world, there might not have been authorized Sampraday, which can preach about Krishna Prema, with Radha Tattva, which was unknown to the general public. In your glorification, the first thing I would like to mention is the hard work and knowledge you have put in for translating various scriptures like Srimad Bhagavad-gita, Srimad Bhagavatam, Sri Chaitanya Caritamrta, etc., word by word. Your patience is the most fabulous thing I have ever seen. How can you be so neutral even in happiness and distress? How can you be so acceptant, forgiving and calm even if Lord Jagannath's deity was mishandled? You have also taken a lot of trouble to build a few temples, where there were a lot of problems, especially in Mumbai and Mayapur for the benefit of us. But you said that you had promised Sri Sri Radha Rasbihari for a good temple, just for their pleasure.

A world which was divided in so-called 'isms', were brought together only under one ism, Vaishnavism. You dictated Srimad Bhagavatam until the last moment, following Srila Bhaktisiddhanta Sarasvati Thakur, your Gurudev's order. You chanted 16 rounds daily just because your disciples would not say "our guru himself doesn't chant, why should we chant?", even though it's not required for you as you have already reached Krishna Prema stage. Also, you slept for less than 2 hours so that you can render devotional service unto Sri Purushottam Vighraha. Now I have realized my highest aim is to become Krishna conscious fully and develop taste in reading Srimad Bhagavatam, chanting, etc. I wanted to write some poem, but I could not think of it. So I am presenting a few lines;

श्रील प्रभुपादस्य चरण नमन करोमि  
श्रील प्रभुपादस्य मुखामृत नमन करोमि  
श्रील प्रभुपादस्य कृपादृष्टि नमन करोमि

I bow down before your feet that reform the world. I bow down to your nectar-like mouth, which delivers the knowledge in Sampraday. And I bow down to your merciful glance, by which the fallen becomes elevated. I hope to receive a letter from you someday. Thank you millions and millions of times.

Your Student,  
Bhakta Kaushik Harshad R.

Jai Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. On this pious occasion of Vyasa-puja. How can I glorify you? I am a fallen soul with a lot of bad qualities, became speechless. As I am hearing your pastimes how you are so merciful, so compassionate towards us especially for me. I have done a lot of mistakes and offence in Krishna consciousness unto you and Krishna. Oh, ocean of mercy by your causeless mercy still I am in Krishna consciousness otherwise I left it. Because of material thinking or mental concoction, there was doubt in my mind against your teachings and your disciples, but sorascal I was,

“sri-guru karuna-sindhu, adhama janara bandhu,”

O spiritual master, O ocean of mercy and friend of fallen, you are one who is more merciful than Chaitanya Mahaprabhu you transform my heart and give place of your shade of lotus feet and keep showering your mercy on me so that I will never ever do this again. So, I request you to guide me so that I can try to serve you to the best of my abilities, although not qualified to do so. By just following your little instruction and association of your disciple I'm being able to get out of the influence of three modes of material nature. Krishna has always been super exceedingly merciful on me throughout my life and I pray him to keep me under the shade of his and Yours lotus feet forever. You and Krishna know my heart very well. Please help me stay strong in practising Krishna Consciousness and attain your and Krishna's love. Give me sufficient strength, intelligence so I can do so.

Your Servant of Servant,

Bhakta Kelvin.

पूजनीय श्रील प्रभुपाद, आपके चरणों में सादर नमन ।

यह मैं अच्छे से जानता हूँ कि अगर कोई अपने घर का पता भूल कर इस भौतिक दुनिया में यूँ ही घूमता रहे तो उसकी हालत कितनी खराब होगी । जब तक मुझे आपका आध्यात्मिक संग नहीं मिला मेरी हालत भी कुछ इसी तरह बहुत ही खराब थी । मुझे इस भौतिक दुनिया में बहुत सारी चीजें आश्चर्यचकित कर रही थी मगर आपने समझाया कि वह सिर्फ एक भ्रम है । आप ही की कृपा से मुझे यह समझ में आया की भक्ति कैसे की जाती है और खुश कैसे रहा जाता है । आपकी कृपा से मुझे भक्तों का संघ प्राप्त हुआ । अब मैं रोज भगवत गीता पढ़ता हूँ और मुझे अपनी सारी कठिनाइयों के निवारण इस पुस्तक में मिल रहे हैं । यदि इस संसार में किसी व्यक्ति को भगवत धाम जाना है तो उसके लिए केवल आपकी शरण लेनी पड़ेगी । अगर हम आपके कहे अनुसार 4 नियमों का पालन करेंगे और प्रतिदिन भक्ति में समय व्यतीत करेंगे तो जरूर ही यह मनुष्य जीवन सार्थक होगा । आप ही की कृपा से मैं रोज 16 माला का जप कर रहा हूँ और श्री श्री राधा माधव मंदिर जाकर भगवान का दर्शन कर रहा हूँ मुझे भक्तों का संघ और भगवान का महाप्रसाद अत्यधिक प्रिय लगता है । प्रभुपाद, आपकी कृपा से कृष्ण भावना मृत में मैं अब और भी गंभीरता पूर्वक भाग लेना चाहता हूँ । आपके भक्तों के संघ की वजह से मुझ में बहुत अच्छे बदलाव आ रहे हैं । कृपा करके मुझे आपके भक्तों की शरण में बनाए रखें । मुझ पर आप की असीम कृपा बनाए रखें।

आपका दास,

भक्त केतन पढियार.

તારીખ-૧૯-૨-૨૦૨૦ આજે સવારે પથારીમાંથી ઉઠતાની સાથે આપની કૃપાથી એવો સંકલ્પ જાગ્યો કે આજે વિજયા એકાદશી છે, તો એકાદશી કરવી તથા શ્રી શ્રી રાધા માધવ ના દર્શને ભાડજ જવું છે. અને આ વાત મે મારી પત્ની ને કહેતા કહ્યું કે આજે હું સાંજે ૪ વાગ્યે ઘરે આવીશ તું તૈયાર રહેજે આપણે મંદિર જઈશું. અને, ત્યાંજ મારા ફોન માં ગૂગલ ફોટો નો મેસેજ આવ્યો કે, તમે ૧૯-૨-૨૦૧૯ ના દિવસે શ્રી શ્રી રાધા માધવ મંદિરે આજ થી એક વર્ષ પહેલાં ગયા હતા. અને તેના મેં ફોટો જોયા. આ સંયોગ જોઈ હું વિચારતો થઈ ગયો કે નક્કીઆમાં ભગવાન ની કંઈ મરજી હશે તથા શ્રી શ્રી અભયચરણારવિદ ભક્તિ વેદાંત સ્વામી પ્રભુપાદ ગુરુદેવ ની કોઈ મરજી હોવાથી આ સંયોગ સર્જાયો હશે. એ દિવસે સાંજે અમે મંદિરે દર્શન કર્યા તથા ત્યાંથી આપની પ્રેરણાથી(૧) શ્રીમદ્ ભાગવત ના પ્રથમ સ્કંધ (૨) ભગવાન શ્રી ચૈતન્ય મહાપ્રભુના દિવ્ય ઉપદેશો (૩) ઘર માં શ્રી કૃષ્ણભક્તિ માટે ની માર્ગદર્શિકા નામની ત્રણ બુક આપની અંતર પ્રેરણાથી ખરીદી તથા ઘરે આવી તેનું વાંચન મનન શરુ થયું આ દિવસેથી મારા અધ્યાત્મિક જીવનમાં શ્રી કૃષ્ણકૃપા તથા ગુરુકૃપાથી વસંતઋતુનો શુભારંભ થયો આ વાંચન કરતા મનમાં અહોભાવ થતો હતો કે આ ગ્રંથ શ્રીમદ્ ભાગવત ઉપર ટીકા લખનાર ગુરુદેવ શ્રી પ્રભુપાદે કૃષ્ણકૃપાથી આટલી મોટી ઉંમરે ખુબજ મહેનતથી આ ગ્રંથ નું અનુવાદન દુનિયાની લગભગ દરેક ભાષાઓમાં કરી ને મારા જેવા ઘણા બધા જીવ ના જીવન માં કૃષ્ણભાવનામૃત નું પ્રાદૂરભાવ કરવાની કૃપા કરી હતી. ત્યારપછી આવતી અગિયારસ તારીખ ૬-૩-૨૦૨૦ ના દિવસે જ્યારે મંદિરે સાંજે દર્શન કરવા ગયા ત્યારે શ્રીમદ્ ભાગવતના સંપૂર્ણ સ્કંધનો સેટ લીધો. ત્યારે મંદિર ના સંત નો સંપર્ક થયો. ત્યારે તેમણે જણાવ્યું કે આ શ્રીમદ્ ભાગવત નું પૂજન આપ જણાવશો તે દિવસે આપના ઘરે આવીને કરી આપીશું તથા હરિનામ સંકીર્તન કરીશું. આ જાણીને મને ઘણો આનંદ થયો કે હું મનમાં વિચારતો હતો કે અમારા નવા renovation કરાવેલ ઘરમાં રહેવા ગયા પછી કોઈ વાસ્તુ કે હવન કરાવેલ નહતા તો આ હરીનામ સંકીર્તન નો લ્હાવો સામે થી ભગવાને આયોજન કરી આપ્યો. અને ઘણો આનંદ મન માં વ્યાપી ગયો તથા ત્યારપછીની આવતી અગિયારસે તા -૧૯-૩-૨૦૨૦ ના રોજ પાપમોચીની અગિયારસના દિવસે મંદિર ના સંત સાથે નક્કી કર્યું. ત્યારે તેઓ બાકી સંત સાથે આ દિવસે આવીને શ્રીમદ્ ભાગવત નું પૂજન આરતી તથા હરિનામ સંકીર્તન કરી અમારી ઉપર કૃપા કરી હતી. ત્યારે આ ઇસ્કોન નામ ની સંસ્થા ના સ્થાપક શ્રી ગુરુદેવ પ્રભુપાદ ની અસીમકૃપા નો અનુભવ થયો તથા આપની સ્થાપેલી આ ઇસ્કોન સંસ્થા નું સાચું મૂલ્ય સમજાયું કે કેવી રીતે તે દરેક સામાન્ય માનવીના જીવનમાં પરિવર્તન લાવે છે. આપની કૃપાથી મે પણ મારા ઘરમંદિર માં શ્રી રાધા કૃષ્ણ ના અર્ચાવિગ્રહ ને સ્થાપીને તેમની સેવા શરુ કરી તથા તેમને સવાર સાંજ ભોગ સેવા શરુ કરી. અને તેનો પ્રસાદ ઘર ના દરેક સભ્યોએ લેવા ની શરુઆત કરી. આ શરુઆત થી મેં મંદિર ના સંત ના કેહવાથી લસણ ડુંગળી નો ત્યાગ પણ સહજ રીતે થઈ ગયો તથા એકાદશી વ્રત નું પાલન પણ સહજ રીતે થવા લાગ્યું ત્યારે સમજાયું કે સંત ના કરેલા ઉપદેશ માં કેટલી તાકાત હોય છે. આપના ના કેહવા પ્રમાણે સાધુ સંગના આ ફાયદા સમજાયા .

તારીખ ૨૨-૩-૨૦૨૦ ના દિવસ થી ભારત માં Corona સંક્રમણ ફેલાવાથી Lockdown ની શરુઆત થઈ. અને મારા જીવન માં આ સમય નો સદઉપયોગ શ્રીમદ્ ભાગવત ના વાંચન માં થયો. તેના કારણે મારા જીવન માં શ્રી સદગુરુ પ્રભુપાદ ની કૃપા થી મારી ભૌતિક ઇન્દ્રીયો ના વિષયો ના Lockdown ની શરુઆત થઈ . દેશ દુનિયા માં ચાલતી. Corona ના Lockdown નો અંત તો ઈશ્વર કૃપા થી આવી જશે. પણ શ્રી સદગુરુ ના ચરણો મા આવી પ્રાર્થના સાથે વિરમું છું કે મારી ફૂલી ફાલેલી લાલાહિત ઇન્દ્રીયો ના વિષયો નું Lockdown આજીવન ચાલુ રહે અને આ ભૌતિક ઇન્દ્રીયો આધ્યાત્મિક ઇન્દ્રીયોમાં રૂપાંતરણ પામી શ્રી શ્રી રાધા માધવ તથા શ્રી પ્રભુપાદ તથા નિતાઈ ગૌર ની ચરણ સેવા પામે.

હરે કૃષ્ણ.

નિત્ય કૃષ્ણદાસ એવા કેતન ના,

ભક્ત કેતન વાળા.

Dear Srila Prabhupada,

Please accept my humble obeisance, all glories to you, Srila Prabhupada. By your mercy one more year passed in Krishna Consciousness, this year I have developed my faith in you and Krishna. Since the last one year, I have heard lectures and because of hearing lectures daily, I see the things as they are, mind become peaceful, improvement in chanting, and also increase in spiritual knowledge. By your mercy Prabhupada, I visited Vrindavan Dham and after that now I am more detached to material things and engaging myself more and more in Krishna consciousness activities. Dear Prabhupada, I am requesting you please shower your mercy so that I will never fall down from this Krishna Consciousness path.

Hare Krishna,

Please accept my humble obeisances. All glories to Srila Prabhupada,

Today I am living only because of our ISKCON Samsthapaka Acharya, His Divine Grace A.C. Bhaktivedanta Srila Prabhupada. It's just your mercy Prabhupada that I can see something; foolishly I used to think that because of my spiritual assets I have come to Krishna. I am such a fool and stupid, forgetting the fact that Prabhupada's lotus feet have brought me to Krishna. Some say Prabhupada is dead and gone. Prabhupada is still living and responding to his sincere followers. It's a fact nobody can deny. I pray to Lord Krishna to give more guru nistha and serve him life afterlife, Prabhupada I can't repay you for the mercy you have bestowed upon me. I was just trash; you made me a human being. I am eternally grateful to you and will serve you and will serve your instructions.

Your Worthless Servant,

Dear Prabhupada,

Please accept my humble obeisances. From the beginning, my entire life circulated around the mundane things, but when I came in touch with you through the devotees of Hare Krishna Movement, I feel a different aura that motivates me without any material desires. At that point, I really feel the power of a spiritual master like you who gave me the name of Krishna. In the past days, when I was in school, I attended Lord Jagannath's Ratha Yatra, but my life got transformed only by listening to your story of founding the Hare Krishna Movement. Therefore, I fall flat before you to beg that I may always be blessed to serve you. Let no material desires, distractions or disturbances capture my mind from fully committing myself to you. Let me always get challenged, encouraged and embarrassed by your pastimes. Only in that way, my life will become successful.

Your Servant,  
Bhakta Kunal Tyagi.

Dear Spiritual Master Srila Prabhupada,

All Glories to You, All Glories to You. I pay my humble obeisances to your lotus feet. Gurudev, due to your mercy I am steadily progressing in Krishna consciousness despite being surrounded by the stiff materialistic environment. I firmly believe that you are protecting me from falling down. Your books are constantly enlightening us and day by day removing the material covering from my heart. The system (ISKCON) that you have set up is the only ray of hope for us fallen souls to rise and move ahead in the life, else the materialistic societies have become so hopeless that at every step there is an existential danger.

Gurudev, it is due to your teachings only that despite so many instances of setbacks, the inclinations towards Krishna consciousness never degrades. I have full faith that with your blessings one day I will definitely pass the test that Maya puts before me every time I make some progress in Krishna Consciousness. Gurudev, whenever I leap 10 steps ahead in Krishna Consciousness, the Maya tosses me 20 steps back in materialistic condition. But surprisingly I never gave up with the hope that-“ one day I will definitely accept your showering mercy upon me fully and with your grace, I will make ample progress.” Gurudev, I am confident that You are standing behind me and supporting me in the path of Krishna consciousness, therefore, I promise you that I will never drift away from your mission, let havoc come in any degree.

Your Servant,

Bhakta Kundan Negi.

Because of that now I know that Krishna is the supreme personality of Godhead and Hare Krishna Mantra is the life and soul.

*"Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare"*

In the end thanks to all Prabhujis and FOLK guides for guiding me in Krishna consciousness.

Dear Srila Prabhupada,

Although a believer in spirituality, I was always curious about the real meaning of this life. Was it to fulfill my parent's dreams? Or to Fulfill my endless desires? Or to find a job and keep working for promotions? I never understood it. But then by Krishna's grace, I came in touch with the ISKCON movement. Initially, everything seemed bizarre, and I felt as if it's like any other Hindu Sampradaya. It was actually during my close association with Devotees and readings of Bhagavad-Gita and Prabhupada's books that I realized the true value of my life! I am forever indebted to our spiritual master, Srila Prabhupada for his guidance and this movement. Being someone who use to find happiness in being intoxicated, I have changed into someone who gets 'high' on Chanting Hare Krishna mantra. All thanks to our spiritual master.

I pay my sincere obeisance to Srila Prabhupada.

Your Servant,

Bhakta Mahesh Solanki.

Our Beloved Spiritual Master Srila Prabhupada,

Please accept my humble obeisance. Firstly, I want to express my gratitude for keeping me under your shelter for the last three years. But the Kala factor of Krishna is very powerful and it moves on. It was only possible by your Grace, I am also thankful for all the preaching opportunities provided to me by your Grace. This was all possible by your mercy, for it was you who took the task of preaching this message of Krishna Consciousness at such an old age so that conditioned souls like me can get benefitted. I beg for your mercy to accept me in Lord Chaitanya's army. All the conditions may not be in favour but I know that by your causeless mercy you can deliver any conditioned soul and nobody can check that. I also pray for my friends so that they can also make crucial decisions without any impediments. On this auspicious day, I ask for your forgiveness for any offences I may have committed. No matter what position or field I maybe please always engage me in your service and always allow me to be in your devotee's association. Please continue to shower your mercy on this conditioned soul.

Your Humble Servant,

Bhakta Mangaldeep.

Please accept my humble obeisance unto Your lotus feet. After getting your guidance through various forms such as books, an association of devotees and Sri Sri Radha Madhav temple, I can be able to purify this valuable form of life. After chanting Hare Krishna mantra my life became totally changed. Sometimes I think and wonder am I the same who was there a few months ago? I feel like having entered in a peaceful world and where I can think only of Krishna. I beg your mercy so I can get out this material life and go back at Krishna Dham.

Dear Srila Prabhupada,

I offer my humble obeisances to you. I'm your sincere follower and disciple and I want to thank you very much for changing my life by pulling me from the darkest phase of my life. You have done so many things for fallen peoples like me that, if we want to pay for your good deeds, we'll not able to pay even for hundreds and hundreds of lives. Before I met you, I was a madman, a foolish, dirty-minded, egoistic, disobedient, most fallen, most sinful, and most unfortunate person. But by your unconditional mercy, I'm now able to see things as they are in reality. Only by your mercy, I'm now able to associate with your temples, disciples, books, lectures, etc. Please always keep your mercy on me so that I'll not fall down again in the material pool and please always remind me that I'm your eternal servant and also an eternal servant of Nitai-Gauranga and Radha-Madhava. Please make me capable so that I can follow your every instructions and advance in Krishna Consciousness and contribute my whole life in this transcendental Hare Krishna Movement by which I can spread your message to the world and serve you and Krishna with my fullest of my ability.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet. Being a conditioned soul, I may not be able to glorify your divine grace but still, I try to make a humble attempt. Before I came to the Krishna Consciousness, I didn't know what is the purpose of life? Why we are here? Even the most important question, who am I? So many doubts in the mind. I tried most of the philosophies and even I read Bhagavad Gita to find out the answers to these questions but still, I am dissatisfied. One day, I came to the contact of one devotee of the Hare Krishna Movement through the college sessions. He taught me what is the purpose of life and how to get out of this miserable condition of life. He always said that without Guru's mercy you cannot make progress in spiritual life. I thanked my spiritual master Srila Prabhupada, who is the ocean of mercy on this auspicious occasion of Vyas Puja for giving me very rare opportunity to serve Krishna by devotional service, the real understanding of Bhagavad Gita and make me able to chant Hare Krishna maha-mantra which is nondifferent from Krishna himself.

Your Fortunate Servant,  
Bhakta Milan Parmar.

Dear Prabhupada,

Please accept my humble obeisances. It has been a year since I am practising Krishna Consciousness and in the association of devotees, chanting regularly, reading your books especially "Bhagavad Gita As It Is", doing sankirtan, eating prasadam. All of this is because of your causeless mercy. A year back, I was a short-tempered person and easily got annoyed and depressed by little things. But, I am a completely changed person now. Nowadays, I don't get annoyed or frustrated. It is like I've understood the purpose of this material life and where I have to shift my more focus. I find it very impressive about the changes that have come inside me since the past year. It would be impossible without your causeless mercy. I seek your blessings for future endeavours and also provide me with the strength to continue Krishna Consciousness and help me to get free from this material entanglement. I am grateful to you for all these blessings upon me. Jai Srila Prabhupada!

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to you on this auspicious day of your appearance! I am such a fortunate soul that I can take the shelter of your lotus feet during the first year of my college. I started my college journey as a normal human being in the mode of ignorance, but after coming to association with the Hare Krishna Movement, my perspective of viewing the world is completely changed. Now I can understand the real value and motive of this human form of life.

I offer my respectful obeisances unto you, the personified energy of Śrī Chaitanya Mahāprabhu's mercy, who delivers devotional service enriched with conjugal love of Śrī Śrī Rādhā and Kṛṣṇa, coming exactly in the line of the revelation of Śrīla Rūpa Gosvāmī. I pray that I will get your causeless mercy and able to serve you day and night birth after birth.

Dear Srila Prabhupada,

Hare Krishna. Please accept my humble, respectful obeisances. I have no words to thank you for showering your divine blessings on me, which has given me the strength and a clear way to start my journey to self-realization. Ever since I came under your divine guidance, my life has been totally transformed. It is a difficult balancing act to fulfil the responsibilities of a Grihastha and follow regulative principles, but with each passing year, I feel the power of your guidance to achieve that balance without much difficulty. Today, my life revolves around chanting the Hare Krishna Maha-mantra and trying to live my life in keeping with the regulative principles. I know that I have a long way ahead of me in my journey, but feel more confident that I can make good progress. With your blessings and the wisdom from your books as well as the guidance of the devotees at the mandir, everything seems possible. All glories to you.

My Dear Srila Prabhupada,

I offer my humble obeisance at your lotus feet. I would like to thank you for saving my life by very mercifully and compassionately distributing the most precious gift of Krishna Consciousness all over the world for free. Before coming in contact with you, I had no idea of the objective of the human form of life, how to be a first-class human. I had no idea about spiritual life, spirituality, and devotional service. Prabhupada, for spiritually uplifting the entire humanity you have very kindly introduced the chanting and sankirtana of Hare Krishna Mahamantra to the whole world. Before your preaching mission, chanting and sankirtana of Hare Krishna Mahamantra were limited only to the land of India and devotees of Lord Chaitanya. But for saving the entire human race from falling down to an animalistic way of life and ultimately to hell, you have very kindly introduced the chanting and sankirtana of Hare Krishna Mahamantra to the whole world. You are truly the greatest spiritual ambassador of India and the spiritual kingdom.

I have no words to glorify your mercy, compassion, patience, and magnanimity. Whenever I read your Bhaktivedanta purports of Bhagavad Gita As It Is and your other books, I feel like Lord Krishna is directly speaking to me through your books. You have presented the greatest gift of pure love of Krishna and unalloyed loving devotional service to Shri Shri Radha Krishna Chandra through your books, teachings, messages, and your personal behaviour which was not known to the whole world except Gaudiya Vaishnava devotees in the land of Bengal and Odisha. Without knowing Lord Chaitanya and teachings of Lord Chaitanya no one could know the deepest secrets, emotions, and feelings of pure loving devotional service of Shri Shri Radha Krishna. You have very mercifully presented these deepest secrets and the highest Vaishnava philosophy in a simple language and manner in your books, lectures, and conversations, so that common people could read them and get benefitted from them. You have created ISKCON, a global spiritual organization for helping spiritually suffering human beings all over this planet. You have very kindly established so many temples of Shri Shri Radha Krishna all over the world so that people could somehow come in contact with the devotees and engage in the devotional service of Shri Krishna and thus ultimately revive their dormant eternal loving relationship with Lord Krishna.

For the benefit of the masses, you introduced the Shri Jagannath Ratha Yatra festival in the western world. Now by the mercy of Lord Jagannath and Lord Chaitanya, the festival of Shri Jagannath Ratha Yatra is celebrated worldwide with great enthusiasm, joy, and happiness. When you travelled to America for preaching the message of Krishna consciousness, Lord Jagannath also travelled along with you and now He is worshipped all over the world with great faith, devotion, love, and joy. You introduced the chanting of Hare Krishna Mahamantra to the whole world. I consider myself extremely fortunate that though I don't have any good quality and no qualification at all, but still by your causeless mercy and by the sincere efforts of your dedicated disciples and followers, somehow I am trying to chant and serve Nama Prabhu. Almost the whole world had no idea of Lord Chaitanya, Hare Krishna Mahamantra what to speak of unalloyed loving devotional service of Shri Shri Radha Madhava. But with unbounded compassion, mercy, determination, dedication, patience, and facing so many difficulties, you preached the message of Lord Chaitanya all over the world, spreading the chanting and sankirtana of Hare Krishna. For me, you are the personification of mercy and compassion. For me you are the deliverer of the most fallen and degraded living entities, you are the Patit Paavan, Kali Paavan Avatar. Whenever I read about an ideal person, a perfect gentleman, a perfect devotee I always think of you and I just cannot fathom my good fortune to have come in contact with you. You have freely distributed the Hare Krishna maha-mantra, all over the world without any discrimination for the ultimate welfare of the suffering living entities. Though we are unfit, unworthy, and devoid of any good qualification, still out of your causeless mercy and compassion, you distributed and still distributing the Hare Krishna maha-mantra for saving the human beings from the unending cycle of repeated birth and death.

Dear Srila Prabhupada, I have no qualifications, intelligence, and words to properly glorify your divine personality and transcendental pastimes. Please forgive me if I have committed any offences at your lotus feet for I am the most degraded and wretched person in the whole world. Please kindly accept me as the servant of your sincere disciples and followers and kindly guide me on the path of loving devotional service of Lord Chaitanya and Shri Shri Radha Madhava. Please bless me

so that I may serve your instructions and mission with complete dedication. I cannot repay you for what you have very kindly and mercifully gifted me. I offer my deepest gratitude and humble obeisance at your lotus feet. I want to serve you and your mission with sincerity and dedication. Kindly engage me in Your loving service.

Your Most Fallen Insignificant Servant,  
Bhakta Narinder Singh.

Dear Srila Prabhupada,

By your grace, I am fortunate to have developed a love for Krishna. I am glad to be a part of this family, and by your blessings, I got this valuable opportunity to present my experience before you. I would like to share my lifestyle before coming to Krishna consciousness. Earlier, I was addicted to some sort of temporary happiness like movies, parties, etc. But even taking pleasure in that, I didn't get anything which is useful for my life, and also I was not aware of spiritual life at that time. Life was going on but with no real happiness. But after knowing about the Hare Krishna Movement, I went there to explore spiritual knowledge, and also to see the devotees who are always trying to give guidelines on Bhagavad-gita. There I realized the importance of devotees in my life. Devotees are always available to help anyone to make them happy. Only by your mercy that I got in touch with these devotees who are available 24/7 to help me. Your sincere devotees are always trying to serve your mission by book distributions and other youth-related events which inspired me to take shelter of your established institution. I have no words to express my happiness as I am a part of this family and improving my life spiritually with more inner-peace. I read your divine books and the most powerful book to mankind, Bhagavad-gita. Please be merciful and bless me so that I may apply these teachings in my life.

Dear Srila Prabhupada, I am truly inspired by your transcendental teachings and beg for your mercy to engage me in your services and help me attain Krishna Prema. Thank you.

Your Servant,  
Bhakta Naveen Kumar N.

## **Bhakta Neeladri Bose S**

Dear Srila Prabhupada,

Please accept my humble obeisances unto your divine grace. It has been approximately three years I am in your shelter. Many times I struggled to be in your shelter but you hold me back and I was saved from being slaughtered by Maya. When I see people in and around me being in ignorance, not knowing the real purpose of life. Due to your mercy, I am not in their position currently. You have showed the purpose of not only this life but of millions of life. People give their life and energy in a single purpose which is also karmi. So Why cannot I put efforts to please you, which is the permanent happiness and most satisfaction a person can get. Prabhupada I was searching for glass pieces but you gave me a diamond. I recently started reading Srimad Bhagwatam and realized how much pain and devotion you took to write these books. Sometimes when we go out for book distribution, many times people tell they don't have time. I imagine if you would also tell the same then many lives would have been different rather serving Maya. People praise material books, the author gets many prizes but they are insignificant like an insect in front of knowledge you have given in your books. Everyone is clueless about his/her life and going on and on in this rat race. We see nowadays, people get in quarrel for the slightest of reason. People literally take pills for depression and all and ultimately give up their life which is the most precious gift they have got. You have taught me how to utilize my life, otherwise everyone in this material world was teaching me how to waste it in sense gratification. If all the knowledge of the world is combined then also it will be insignificant as an insect in front of knowledge you have put in your books. Whenever a thought comes to skip book reading, suddenly the thought that you have taken

so much pain and effort to write this book comes. These books have changed millions of lives and will continue to do so in future and I want to be part of this lila of yours.

I suppose nowadays material success seems to me like merely like dust for which I have been running my life. I don't know whether in coming years how advance or progress I will make in the spiritual life, one thing is sure that I will never leave your dhoti(instructions). You have taught me to stay in the spiritual life come what may in life. Sometimes when I am unable to do certain service allotted to me, I would always remember you. When I see your smiling face all my problems and tribulations get vanish.

This year is full of realizations which has showed me how temporary the world is. Each and every knowledge you have in your books, lectures etc, is coming true in every aspect. I remember I had heard in your lecture only" Maya is powerful but if you surrender to Krishna, no Maya can harm you".

Thank you for making me awaken my dormant Krishna consciousness. Thank you for making me understand how rare is the human form of life and how was wasting these years, I came to know through you only. Thank you, Prabhupada for showing me my real father who is waiting for me. At last I would like to pray under your lotus feet that please show mercy and bless me so that I may never leave your shelter whatever circumstances may be. May I serve you and Krishna till my last breath. Please accept me as an unworthy servant. Thanking you,

Yours Insignificant servant of servant,  
Bhakta Neeladri S Bose.

*nama om vishnu padaya krishna presthaya bhutale, srimate bhaktivedanta swamin iti namine  
namaste sarasvati deve gaura vani pracarine, nirvisesa sunyavadi pascatya desha tarine*

Dear Srila Prabhupada, On this holy and auspicious appearance day (Vyasa-Puja) of my Spiritual Master, I would like to express my heartfelt gratitude to my beloved spiritual master, who literally saved my life by his mercy. I offer my infinite dandavats at his lotus feet, who had mercifully carried the glorious message of Sri Chaitanya Mahaprabhu's, which is the only saving grace in this age of Kali. By thus canvassing the glorious message of Sankirtana in the entire world, he has set his own example of full surrender to the order of His Divine Spiritual Master Srila Bhaktisiddhanta Sarasvati Thakur.

Dear Srila Prabhupada, I was in deep darkness, but you kindly awakened me by the torchlight of knowledge. I do remember the day when I, fortunately, received "Bhagavad-Gita - As It Is" from my father and that turned my life. Your instruction is so sublime and powerful that it can ignite the spark of devotion towards Lord Krishna, even in an atheist. After contacting Hare Krishna Movement my life has totally changed. You taught us that the only way to avoid the influence of ignorance is to always associate with Holy name by the sublime transcendental process of chanting: "*Hare Krishna Hare Krishna Krishna Krishna Hare Hare/Hare Rama Hare Rama Rama Rama Hare Hare*"

You are the great emissary of Lord Krishna, the Supreme Personality of Godhead, who kindly broadcasted the His message on surface of the globe. As per the prediction of Lord Sri Chaitanya and conceptualized by His Divine Grace Bhakti Vinod Thakur and Bhakti Siddhanta Saraswati Goswami Srila Prabhupada, which was eventually executed by Your Divine Grace. Your tremendous contribution to human society cannot be re-paid and particularly your books are profoundly preaching in western world, which is otherwise very difficult. But by your grace their life is change and they have become Krishna conscious. You are the great spiritual ambassador to the human society who has a mission of uplifting the modern human society from degradation by bringing them nearer to God. You are really inspirational for today's modern youths. By Your grace, Srila Prabhupada, thousands and thousands of lowborn mleccas and yavanas like people have been transformed into Vaishnava, devotees of the Supreme Personality of Godhead, Lord Sri Krishna. By your grace alone, Srila Prabhupada, scores of atheists and agnostics are now beginning to understand who is God and who not God is. They are now serving and praying to Lord Krishna, instead of denying and defaming. All the devotees are enjoying Harinam

Sankirtan. By your grace, I chant Hare Krishna mantra nicely. Thank you very much for everything, Srila Prabhupada. All glories to your lotus feet.

Your servant,  
Bhakta Nihal Shiroy.

Dear Srila Prabhupada,

Please accept my humble obeisances unto you. On this auspicious day of your glorious Vyasa Puja, I'm very happy to get the chance to glorify your divine grace, this auspicious day I want to express my deep heart feeling upon you kindly accept my prayer and gratitude. All glories to Your Divine Grace!! when I was in college 1st year and I just got in touch with your movement, at that time I was very much inclined with new startups and working hard for a few drops of so-called happiness. But by your causeless mercy suddenly one day a devotee met me and discuss your divine mission. When I heard from him about your movement which you started at the age of 70, without money, without any support, more than two heart attacks, you have built more than 108 ISCKON centers around all over the globe and more than 10000 full-time devotees. I was shocked, further that devotee shared that the outcome of this mission has no more birth, no more death, no more disease, and no more old age in this material world and I understood that what I'm doing is like a black dot in a big white wall.

All glories to Your Divine Grace!! whatever you gave us nothing more than required in my life, my only request is to please engage me in service of Your lotus feet, I am begging you to allow me to serve and please you more and more. Don't kick me away, please destroy my foolishness and let me do service in your and Lord Chaitanya Mahaprabhu's mission. You once stated that we may have many problems in life but just by one kick of Yours, all our problems will be solved. Sila Prabhupada only you are the savior of the whole world let me beg strength from you so that I can try to serve Lord Chaitanya Mahaprabhu mission, at last, but not least you give me an ocean of transcendental blissfulness, joy, happiness and so on, I'm unable to repay whatever you gave. so only request is to you, please make me your servant so that I can try to serve your lotus feet. Srila Prabhupada! give me strength so that I will become more sincere, humble, and intelligent enough to always seek the shelter at your lotus feet by submissively hearing, understanding, and carrying out your divine instructions. I pray for your blessings to distribute the message of Lord Chaitanya Mahaprabhu. Begging to remain always under your shelter.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your divine lotus feet, By the arrangement of Krishna, We could faithfully meet. Srila Prabhupada, we all know about, The immense pain you went through to distribute the love of Godhead. Even to the people having dull head. None can ever pay your debt.

For saving us from the cycle of birth and death. Thank you for making a house, In which the whole world can thrive. For one who has done service unto you, Gets all mercy from the Supreme. You gave summum bonum of all vedas, Like Gita & Bhagvatam which is the cream. Your glories are so magnificent. That I am incapable to present. By your Divine instructions, You are still guiding us in your absence. Although our mother gave us birth, But by your mere association. You gave us second birth. Another chance to make our life worth. Clouds carry the rain shower, Extinguishing the forest fire. You bear the same power, To deliver us from the material mire. You gave us sun of Krishna Consciousness, While we were in the darkest ignorance. Without your expert guidance, Who could ever attain divine transcendence?

Dear Bhaktivedanta Swami Srila Prabhupada,

I offer my humble obeisances to you. Millions of young and old are obliged to have your existence on the Earth. Amongst billions of beings, rarely we are blessed with Masters like you who discover the true meaning of life and purpose and spread it with other Bhakts. In this fast life, people think humanity is getting smarter in fact I fell it's getting even dumber and disconnected with the smartest, the spiritual world. The spiritual world I believe doesn't have the communication via vibrations(sound) or particulate matter (light) but via energies of the soul. Thank you for letting us on the path of self-discovery and discipline. I am a Young beneficiary of your knowledge, and I would try my best to do justice to that knowledge by practicing Bhakti in this fast-paced life. Hare Krishna

Your aspiring servant,

Bhakta Nitish Jain.

Dear Srila Prabhupada,

Please accept my humble obeisances unto you. All glories to you Prabhupada. In my life, I have gone through many people's biography and every time I learned something new and always tried to adopt the good things from them. But when it comes to your story, every second of your life is pure gold. I'm trying to adopt many things but it is difficult for me to adopt 100%. Well, it is difficult for anybody to be like you! Until I became aware of your bhakti movement, I used to believe that almost every story is fake; all the stories in Vedas, scriptures, and stories of the spiritual world. And that didn't happen all of a sudden. Once I was a believer but there was no one who could give me the answers of how, why, how it's possible, etc. And when there is no answer you start believing that the question must be wrong and that leads to disbelief in the basic concept of God. But now I am getting the answers and have established the faith in the only Almighty Lord Krishna.

Your Servant,

Bhakta Om Prakash Pandey.

Thank you for giving me the most confidential knowledge of Krishna consciousness. Hare Krishna.

आदरणीय श्रील प्रभुपाद दण्डवत प्रणाम।

आपकी संस्था इस्कॉन के संपर्क में मैं दिल्ली में आया था जब मैं कम मूल्य पर आवास और भोजन की जगह ढूँढ रहा था तो घूमते घूमते मुखर्जी नगर में कुछ भक्त लोगों से संपर्क हुआ। उन्होंने सारी बातचीत करके इस्कॉन के बेस में कम राशि में रहने की अनुमति दी। वहां पर एक अच्छी दिनचर्या देखने को मिली और फिर एक भक्त मुझे रिठाला में अवस्थित मंदिर पर ले गए। वहां अत्यंत स्वादिष्ट प्रसाद का सेवन किया और आरती में भाग लेकर बहुत आनंद आया। इस प्रकार एक महीने के दौरान मुझे बहुत कुछ सीखनेका मौका मिला। वहां जो सीखा उसको शब्दों में बयां कर पाना मुश्किल है। आपकी असीम कृपा के कारण मेरे मन की बोहोत सी शंकाये दूर हुई। वहां पर नरसिंह देव जी की आरती में मुझे भी उपस्थित होने का अवसर मिला। श्रील प्रभुपाद, आपकी कृपा के लिए बहुत बहुत धन्यवाद।

आपका सेवक,

Jay Srila Prabhupada,

I offer my most humble obeisances to You. Before coming to Krishna Consciousness I was not knowing about Iskcon, you. I was like Krishna is just like other demigods and he is the same. But after getting the touch of your word and lectures, books, etc, now I could see Krishna as Supreme and this is the only process to go back to godhead. Prabhupada, whatever progress I have made in the path of self-realization because of you. You have declared that Krishna is the supreme personality of the godhead and everyone is mere His servant, no other position, I have full faith in your word just keep me in your association always. Please bless me with your grace and love.

Your Servant,

Bhakta Parth Pandya.

Dear Srila Prabhupada,

All glories to you. It has been three years that I am in touch with ISKCON and its devotee association. Being a part of the Hare Krishna movement is always a feeling of joy, happiness, and satisfaction of the soul. I always feel joyful while doing services in the glories of the Supreme Personality of Godhead Lord Krishna and you. By your mercy, I got to know that our soul needs food in terms of spiritualism and transcendental Knowledge, as same as food (grains, fruits, etc.) required by the body for the survival of our life and that food is processed in ISKCON that was founded by you. Being a consumer of that processed food is my greatest fortune. The most valuable gift from you to this world is "Bhagavad-Gita As It Is" because it transformed my life completely. Beyond that, your disciples provided me an understanding of "Bhagavad-Gita As It Is." It has given me the right thinking at the right time that is a spiritual approach towards life. Whatever I

understand from "Bhagavad-Gita As It Is," I can say that beyond this knowledge, nothing has remained to gain-it is the ultimate. One more thing I want to tell is that you are not only my spiritual master but also my inspiration because your story of establishing ISKCON at the age of 70 years by facing millions of problems in the western country always inspires me to do good things that seem unachievable at first look. Thank you.

Your Servant,

Bhakta Patel Ankit.

Dear Srila Prabhupada,

Please accept my humble obeisances. I believe this to be a great privilege to be a part of the Krishna consciousness and association of your devotees. Like when I was not in touch with devotees and Krishna consciousness, I had many questions and doubts regarding this material world, but when I came to in touch with devotees and started reading some books of spiritual knowledge then it clarified all my doubts. In this process, I came to know about the great, most useful, instructive book Bhagavad Gita. The Bhagavad Gita seems to be a bit difficult to understand ourselves but when it comes from the lotus mouth of a true devotee like you, explaining the book, and then one can understand it completely. Like chanting regularly and participating in some Krishna conscious activities brought a remarkable change in my life. I want to really bow in front of you for your divine blessings for throwing light on all the fallen souls who are in the darkness of the material world, which has benefitted many of the souls. Thanking you and your devotees for helping me. I ask for your kind mercy upon me so that I can engage myself in the services of you and your devotees.

Your Servant,

Bhakta Pavan B.

Dear Srila Prabhupada,

Please accept my respectful obeisances to you. All glories to you on this auspicious day. Today in this society we are facing so many problems, but after listening to your words I realized the true purpose of leading our life is to love Lord Krishna and live with unlimited happiness and joy. Who is a Guru? What we think most of the time is a "GURU" is the one who helps us to fulfill our dreams. But in reality, the guru's business is to see that no human being suffers in the material world and is to bring his disciples from darkness to light. One thing you said beautifully, "I was born in the darkest ignorance, and my guru, my spiritual master, opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him." It is your mercy, Srila Prabhupada, that I am connected to this Movement. In this society, all the people think that religion is to pray different gods but through your divine instructions I came to know that "Religion means to know GOD and to love Him". The terms "Religion" is a combination of two words, 'Re' means again and 'ligion' means to connect with so, the term Religion means to connect again with the Supreme. Every living being on this earth is disconnected from its true source, i.e. eternal pure consciousness. I am grateful to have a great divine person like you. Only by your instructions, I am able to walk on the right path in life. Nowadays all are thinking to achieve happiness in the material nature and want to gratify their senses, but our body is just a vehicle and the driver is soul so we are not thinking about our soul happiness which is real happiness to lead a wonderful life by serving Lord Krishna. For this purpose, a bonafide spiritual master like you is more important, who can guide us and tell us the real meaning of life, Through your instructions, I got a key, an easy way to access real happiness that is by chanting "HARE KRISHNA" Maha-mantra. O spiritual master, you have contributed your life to educate fallen people like me in the right way to lead a happy life. I am offering myself onto your lotus feet.

Your humble servant,

Bhakta Pebbeti Tarun Reddy

Dear Srila Prabhupada,

Please accept my humble obeisances. I have devoted more than two years, and have learned more about humanity and way to look into my own life, And it has also made me better. I have traveled to Dwarka, Vrindavan, Mathura, JU Temple and many other temples on its way. I started chanting, every day it is possible to chant and realize the greatness of Lord Shri Krishna. When I visited Vrindavan for the first time, I thought about the temple but then I realized your sacrifice is more than anything else. Because no one has given their entire life for spreading the message of God and his Greatness. Thank you, Gurudev for Giving me a chance to know about God. And I would also like to thank your Disciples for giving me a chance to know about you.

ॐ अज्ञान तिमिरान्धस्य ज्ञानाञ्जनशलाकया। चक्षुरुन्मीलितं येन तस्मै श्री गुरुवे नमः ॥

इसका अर्थ है कि, 'मैं घोर अज्ञान के अंधकार में उत्पन्न हुआ था और मेरे गुरु ने अपने ज्ञान रूपी प्रकाश से मेरी आंखें खोल दीं। मैं उन्हें सादर नमस्कार करता हूँ।"

पूज्य गुरुदेव श्रील प्रभुपाद,

अपने इस तुच्छ सेवक का प्रणाम स्वीकार करें। आपकी असीम अनुकम्पा के प्रति अपनी व्यासंजलि व्यक्त करते समय मैं भूतकाल में जा पहुँचा। मैं स्पष्ट रूप से यह देख पा रहा था कि आज से कुछ वर्ष पूर्व मैं कितने अंधकार में जीवन व्यतीत कर रहा था। आपके द्वारा निर्देशित पथ पर चलतेहुए आज धीरे धीरे प्रकाश की ओर उन्मुख हो रहा हूँ। आपने भक्ति मार्ग पर चलते हुए भगवद प्राप्ति का जो सरल तरीका बताया है वह निस्संदेह अद्भुत है। कभी कभी मेरे मन में यह प्रश्न उठता है कि चार नियामकों पालन, १६ माला का जप और मात्र प्रसाद ग्रहण द्वारा क्या हम भगवान को प्राप्त कर सकते हैं? भगवान की प्राप्ति के लिए ऋषि - मुनि हजारों वर्षों तक तपस्या करते हैं। जीव जन्म-जन्मांतर तक विभिन्न योनियों में भटकते हैं। विभिन्न प्रकार के यज्ञादि करते हैं। फिर भी भगवान की प्राप्ति नहीं हो पाती है। जबकि आपके द्वारा प्रदत्त ज्ञान हमें सीधा भगवद धाम की प्राप्ति कराने में सक्षम है, वह भी मात्र इसी जन्म में। इतना ही नहीं, जो हमारा आध्यात्मिक ज्ञान नष्टप्राय हो चुका था आपने उसका यथारूप पुनर्माजर्ज किया है। आपने भगवद-गीता, श्रीमद भागवतम तथा अनेक ग्रंथों की रचना कर के हमारे आध्यात्मिक ज्ञान को सरल रूप में प्रस्तुत किया है। मानव समाज इसके लिए सदैव आभारी रहेगा। मैं आपसे सिर्फ यह याचना करता हूँ कि आप मुझे इतना योग्य बनायें कि मैं आपके 'हरे कृष्णा आंदोलन' का एक हिस्सा बन सकूँ।

आपका दास,

भक्त पीयूष राणपुरा.

*nama om vishnu-padaya krishna-preshthaya bhu-tale srimate bhaktivedanta swamin iti namine  
namaste saraswati deve gaura-vani-pracharine nirvishesha-shunyavadi pashchatya-desha-tarine*

Dear Srila Prabhupada,

I offer my respected obeisances to you. My consciousness developed as I grew older and I came to know about god. My mother and my maternal grandmother would always tell me stories of pastimes of Lord Krishna, Lord Rama, and Lord Vishnu. Unlike other kids, I heard the sweet pastimes of Lord Sri Hari as my bedtime stories before going to sleep rather than listening to mundane materialistic stories like Aladdin and the Magic Lamp, Tarzan, Mogli, not even Pancha Tantra tales. Those were famous and were commonly told to children before they go to sleep. I used to read many books written by Srila Prabhupada, those were translated into Hindi and my mother tongue Odia. I remember having Hindi versions like Bhagavad Gita Yatharoop, Bhakti Rasamrit Sindhu, Mrityu Ki Parajay, and Odia version like Bhagwan Sri Krishna (The

famous Krsna Book). At that time I would just see the colorful pictures in the cover of the book as well as the picture of beautiful paintings that were printed inside.

I have been visiting temples since I was a few days old. But still, I would feel something was missing. Later when I grew older, like I was 5 – 6 years old I knew finally what was missing. It's the kirtan which is only sung on the weekends or on special occasions. I felt that kirtan was the only thing through which I could offer something to Lord Sri Hari. As a kid, I was not given the responsibilities of vigraha seva, the prasada that was offered would be consumed by me and my taste buds would enjoy those sweet ladoos. Hence I loved kirtan as I could connect to Lord instantly whereas I found lectures boring.

ISKCON Bhubaneswar was the 1<sup>st</sup> temple that I visited in my childhood that had kirtan on a daily basis. After that, I would love to visit every day because I could sing or enjoy listening to kirtans and listen to lectures on the pastimes of Lord Krishna. At that time I was already 10 years old and lectures about Lord Krishna were not boring as I could understand the meanings and depth of emotions of the speaker's heart. When I was 14 years old, I started to learn more about tattva. The first book that I read was "BEYOND ILLUSION AND DOUBTS". At that time, I was a vivid reader of books that were written by scientists and astrophysicists about Dinosaurs, Inventions, and the Universe. Hence, I found this book very interesting as Srila Prabhupada would discuss, answer the doubts of disciples. He would agree, disagree, and re-define many theories and beliefs of Western philosophers, Scientists, and social reformers. Later I got several books like "The Science of Self-Realization", "Easy Journey to Other Planets", "Beyond Birth and Death". I guess from my selection of books based on the titles, people could understand that till that I had materialistic psychology.

I always wondered that who was those two golden statues along with Radha-Krishna and Jagannath-Balabhadra-Subhadra deities at every ISKCON/ Gaudiya Maths that I visited. Because of your mercy, I finally came to know about Great Lord Sachinandan Goura Hari. In most of the ISKCON temples, they had Nitai-Goura vigraha and in some of the Gaudiya Maths, they had Goura-Gadadhara vigraha. I simply can't put in the words what symptoms I experienced after learning about Lord Gouranga. I instantly asked myself that why didn't I learn about Lord Gauranga earlier, later I understood that unless you do not get the blessing of Lord Sri Hari and Vaishnavas you were not eligible to learn about the most merciful incarnation, the root of all incarnation, the golden incarnation, the avatar, Lord Gouranga Mahaprabhu. I was 18 years old then.

For two years, I read online articles about Lord Chaitanya Mahaprabhu. I couldn't buy any books as I didn't get a chance to visit any of your centers, also I got myself too involved in different activities such as manufacturing of model planes, organizing fests, and other club activities in my engineering college. During my internship at IIT Gandhinagar, I met your Disciples, I used to ask him all my doubts that were unanswered in all these years and he would answer them very patiently and precisely. Because of your disciples, I came more closer and became keener to know about Lord Krishna and Lord Chaitanya Mahaprabhu.

He recommended me to read "Teachings of Lord Chaitanya" and "Life Comes from Life" and to hear your lectures on Youtube. Out of my interests, I purchased the book "Krisna, The Supreme Personality of Godhead". I started reading it and it was like Djin vu. All the stories that I used to hear in my childhood were written in a very detailed manner along with other confidential information about Lord Krishna's pastimes.

Now, I think what if you were not there or had decided to spend the rest of your life in Vrindavan before departing? What if Srila Bhaktisiddhanta Saraswati Maharaj didn't address Srila Prabhupada to preach in the USA? What if these books were not written in English? As most of the Indian youth is comfortable in this foreign language rather than reading books in Hindi or their own mother tongue. Who would have translated the beautiful Bengali verses and Sanskrit verses in English?

*yadi gaura nā hoito, tabe ki hoito, kemane dharita de?  
rādhāra mahimā, prema-rasa-sīmā, jagate jānāta ke*

If Lord Gaura had not appeared as the yuga-avatar in this age of Kali, then what would happen to us? How could we have tolerated living? Who in this universe would have ever learned about the topmost limits of loving mellows that comprise the glory of Sri Radha?

Similarly,

*yadi prabhupada na haita tabe ki hoito e jivana bahita kise?*

*nitai-gaurera apara karuna ke dita sakala dese*

If you had not come, what would have happened? How could we have passed our lives? Who else would have distributed the unlimited mercy of Lord Nityananda and Lord Gauranga all over the world? If you were not there we would be thinking of merging into God or become one with God, which was so stupid thought and distastes me after experiencing bhakti, Prema, and love of Lord Krishna. Because of you, this Krishna Consciousness is still continuing and spreading across the globe and it's our fortune that we are part of it. Thank You Srila Prabhupada for everything.

Your eternal servant,  
Bhakta Prem Sangam Mishra.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. As I have recently started my spiritual life during La Gita Fete season. I learned a lot of things pertaining to spirituality. My life has improved a lot after that. All these are happening due to the mercy of Srila Prabhupada and Lord Krishna. I am also chanting on a daily basis. Earlier, this was not the case. I magnified my spiritual knowledge and also I am trying to apply it in all activities. La Gita Fete episodes inspired me to read Bhagavad Gita translated by Prabhupada. This brought me a drastic change in me. All these improvements are due to the mercy of Srila Prabhupada and Lord Krishna. I will always be thankful to you for giving this valuable gem. Sorry for any mistakes. Thank you.

Your servant,  
Bhakta Premjit Kumar.

Dear Srila Prabhupada,

I offer my humble obeisances to you. I am very happy and emotional to share my experiences and feelings with one of the purest devotees of Lord Krishna. It was the year 2017 when I came in contact with Krishna devotees and realized who Krishna actually is. Certainly, it was the turning point in my life. It is due to your mercy that I am introduced to chanting. Sometimes when I am unable to chant due to some reasons, I genuinely feel low from inside. But by your mercy, I am motivated to chant the Lord's holy name and I am immediately uplifted. Everything seemed stable with never-ending happiness from within. Sometimes I wonder, I could have joined a better college, but something strokes me from within that I must pursue my education in Pune and fortunately, I was in the association with your devotees, because it was how the Lord had planned for me. I am deeply inspired by your divine teachings for making me realize the importance of my life and understanding the real meaning of love, which is otherwise materialistically understood. I feel so lucky to be in the association of your devotees. I pray at your lotus feet, to always bless me and keep me engaged in the service of Krishna

Your Servant,  
Bhakta Prithvi Singh Khichi.

Dear Srila Prabhupada,

Please accept my humble obeisances to your lotus feet. The Spiritual master is considered at the level of the Supreme Personality of Godhead and is worshipped as such. In the same spirit, the glories of Spiritual master are limitless. There are innumerable glories that can be recited in your name. I want to thank you for a specific glory of yours i.e. Your Disciples. Out of the multitude of mercy that you so benevolently showered on the living entities of this planet, your disciples will always have a special place in my heart. Time and again, whenever in doubt, your disciples in the form of FOLK Guides are always there to help to gain a spiritual understanding out of a confounding situation. Devotees, out of their kind heart and liberal mind, without paying heed to past mistakes of mine, are always ready to guide. They are ever-ready with brimming enthusiasm, resolute determination, and full faith in your teachings to help others in the need of spiritual guidance. Half of the problems go away by just talking to the devotees. The beauty of taking guidance from devotees is that – it increases our faith in You and Lord Krishna. Befitting comparison with the BG 18.37 verse, the words of devotees are sometimes perceived by me as difficult to follow, but when one starts walking on that path, the plan unfolds itself. Devotees mentoring genuinely help me a lot and they did so with full humility - because I know, that they always remember You and pay their respects unto You.

Reflecting on the past, I should have worked with diligence when the opportunity presented itself. Struggle for existence hits the hardest when one is alone and away from the comforts of home, but with your disciples and through your books and lectures to cling onto, life becomes workable. Many times I think that I have squandered all the good fortune that came by its own accord and walked onto the downward spiral of life. Life has been confusing lately, lack of a directive, like an arrow without a target. But I thank all my good fortune by which I came in contact with some of the finest men to ever grace this creation of Lord Krishna. In solitude, I always remember them. You guide your disciples and they guide us, thus maintaining and upholding the principles of parampara, for this, I am ever grateful to You.

Your most fallen servant,  
Bhakta Punit Samal.

Dear Srila Prabhupada,

I offer my respectful obeisance to you. I am very grateful that you have given me your association and made me realize the real goal of life. Many learned scholars and expert in Vedic literature do not know about the path to attain godhead or the main purpose of life is to go back home back to godhead, but you out of your causeless mercy has enlightened me about the main purpose of human life despite me not possessing any good qualities. Your books are like nectar in this world full of poison, showing the right path and direction in any circumstance of life and most importantly you have given the secret of happiness into this world. I thank you for all the spiritual literature composed by you and will be always eager to read your books and learn the new dimensions of spiritual life. I feel very fortunate that by your grace this year I was able to take Upasak level Ashraya and taking a step forward in my spiritual life under the shelter of your lotus feet. I pray that you always keep me engaged at the service of your lotus feet and make me subject to your causeless mercy without which there is no possibility of advancement in spiritual life. Let me have faith in your divine instructions and your movement by which I can render service to Krishna. Please provide me the ability and sense that I become completely dependent on you as you are the only savior and my eternal spiritual master. Dear Prabhupada, please continue providing me strength like you have been doing all along. Always keep me in the association of devotees and make me attached more and more to your movement. Prabhupada I want you to give me strength in preaching this message of Krishna Consciousness till my last breath and increase my enthusiasm in chanting the holy name of the lord. Following your instructions is my ultimate goal

and to fulfill that I will make every possible effort. At last, I want to say I will be always indebted to you, and please bless me with your mercy always.

Dear Srila Prabhupada,

Hare Krishna,

Please accept my humble obeisances at Your lotus feet. Thanks, Prabhupada to give me shelter in your world wide family of Hare Krishna Movement. You are the one who spread 'Hari Nam Sankirtan' to the whole world and bring thousands of thousands of people to Krishna Consciousness and made Shri Chaitanya Mahaprabhu's prediction true. Thanks, Gurudev for translating more than 60 Vedic scriptures and made many fallen souls like me Krishna consciousness. In the previous month, I participated in 'La Gita Fete' online course of "Bhagavad Gita as it is" organized by our HKM AHMEDABAD, So I got the opportunity to read and understand the holy book by your mercy. BG brought many changes in my life, BG changed my vision to see the things...it will uplift the Krishna consciousness in any human being without any doubt. Please Gurudev help me to get up early in the morning...so I can increase my chanting and perform most of the spiritual activities in the morning. Prabhupada! Please forgive me for all offenses done by me in the service of Lord Krishna or any Vaishnava aparadha done by me in consciously or unconsciously and always be merciful to me and all Vaishnava devotees.

Dear Srila Prabhupada,

Please accept my humble obeisances. Before I came in touch with “FOLK” I was just wasting my life. I realized it after joining “FOLK”. I came to know what is the spiritual world actually, how huge and beautiful it is! My lifestyle change completely. I believed in God before joining “FOLK” but after joining I started loving Him. I came to know how to live a livelihood, how to be a good human being, how to overcome problems, and most importantly I got proof of God’s existence! How to offer prayers, benefits of eating unfinished food of pure devotees, and much more. Without joining “FOLK” I wouldn’t be knowing anything. Now I read your books, chant “Hare Krishna” maha-mantra every day, read and try to apply Bhagavad Gita As It Is on a daily basis. Now I want to come out of this material world and want to be a good disciple of yours. I am so thankful for the guidance you gave me. At last, I would like to say a very special thanks to “FOLK”. It has been very enjoyable. I thank you for everything that has happened to me so far. I find it really impressive about the changes that have come inside me. It was impossible without your guidance and your movement! I have become a better person by your grace. I humbly request you to always guide me in the right way and give me the strength to do what is right in every situation! Thanking you.

Dear Srila Prabhupada,

Please accept my humble obeisances. Dear Master, every time when I get this moment to thank you for everything you have done and still doing for fallen souls like me, my mind becomes blank and I actually find no words by which I can express my thanking to you. You are the only hope for the people who are looking for the supreme, our eternal father. But don't know how to find and how to get connected with him by any possible method. By your great hard work, you established such a divine movement to help lost people.

I am blessed that I got connected with Hare Krishna Movement. I am learning from your teachings with the help of your devotees. There are very hard-working devotees who are doing so many efforts for the people like me, so that we can elevate to spirituality and understand the meaning of this human life. You have surely showered your mercy and blessed me, that is why I am able to understand the reality of this material world and the bliss in serving Guru and Lord Krishna. Even after getting so much from you, I request you to bless me, so that I will do my sadhana sincerely and follow your instructions strictly in any condition.

Jaya Srila Prabhupada,

Hare Krishna!!! I wish to submit that due to your infinite mercy and blessings of, Sri Sri Nitai Gauranga & Sri Sri Radha Madhav, yet another fulfilling year has been added into my life even in this pandemic situation due to COVID-19. In the past few months, not only I got a chance to work from home but also to keep a constant spiritual touch with you. In the course of regular implementation of your teachings in my routine life, for excelling in Krishna consciousness, I often faced problems in chanting quantitatively and qualitatively. But let me take this opportunity to pray and get your blessings on this occasion. Whatever one does on this path, I now firmly believe that you and your teachings, through various means, will take a living entity back to Godhead. I know you are always there to shower your mercy, love, and care towards each devotee. One who wants to advance on this path of Krishna consciousness, that is why you are known as - "Jagatguru". Please accept my sincere apologies and give shelter under your ownership if I have missed anything to progress on Prema bhakti. Hare Krishna !!

Srila Prabhupada,

Please accept my humble obeisance unto your Lotus feet. I'm so blessed that I got the opportunity to know about Krishna consciousness and progress in spiritual life. Before joining Krishna consciousness I was having no clarity between existence and God but now I am very much clear that I am part and parcel of the Supreme soul and carry the qualities like God. Your teaching has helped me a lot in my life. I can see improvement in my life in many areas, spiritually as well as materially. I was able to understand the difference between karma, vikarma and akarma and now I know the importance of akarma. I have started practicing returning my results back to Krishna. He is the ultimate owner of the whole world and I am just a medium. Things that I am doing are, chanting 4 rounds in the morning, giving bath to the Lord, offering lamp, fragrance and Tulsi to the Lord, offering a lamp to Tulasi, Tulasi pooja daily. I also offer bhog daily and take it as a prasadam. I've

recited Madhurashtakam. Please bless me that I can recite Brahma-samhita. Also, bless me that I can do consistent progress on reading Shrimad Bhagwatam.

Yours sincerely,

श्रील प्रभुपाद को प्रणाम,

जब से मैंने श्रील प्रभुपाद को अपना गुरु माना है तब से मेरे जीवन में बहुत बदलाव आए है। मैं पहले बहुत नशा करता था जो कि अब छूट गया है। ऐसे प्रमाणिक गुरु बहुत भाग्य से मिलते हैं। ऐसे शुद्ध गुरु की शरण ग्रहण करने से हमें भगवान कृष्ण की भक्ति प्राप्त होती हैं। क्योंकि प्रमाणिक गुरु भगवान के ज्ञान से पूर्ण होते हैं इसलिए हमें प्रमाणिक गुरु की शरण ग्रहण करनी चाहिए तभी हमारा ज्ञान पूर्ण होगा। गुरु की आज्ञा का पालन करने से हमें दिव्य ज्ञान की प्राप्ति होती है जिससे हम भगवान की भक्ति कर पाएंगे। जब से मैंने श्रील प्रभुपाद की शरण ली है तब से मेरे जीवन में बहुत बदलाव आए हैं। मैं पहले भगवान के बारे कुछ नहीं जानता था परन्तु अब मुझे भगवान के बारे में समझ आने लगा है। प्रमाणिक गुरु की सेवा करने से हमारे अवगुण दूर हो जाते हैं जैसे की मेरा गांजा, दारू, नशा जैसी बुरी आदते दूर हो गई है। मैं श्रील प्रभुपाद से प्रार्थना करता हूँ की वे मुझे हमेशा अपनी शरण में रखें। आपकी शरण लेने के पश्चात मुझे जीवन का वास्तविक लक्ष्य मालूम पड़ा है और भक्ति के बारे में पता चला है। अब मैं जीवन में बहुत शांति महसूस करता हूँ। अब मुझे वास्तविक लक्ष्य दिखाई दे रहा है जो है गुरु की शरण में रहना और भगवान की भक्ति करना।

आपका सेवक,

નમઃ ઓમ વિષ્ણુ પાદાય કૃષ્ણ પ્રેસ્ઠાય ભૂતવે , શ્રીમતે ભક્તિવેદાંત સ્વામિન ઇતિ નામિને.

નમસ્તે સારસ્વતે દેવે ગૌરવાણી પ્રચારીણે, નિર્વિશેષ શૂન્યવાદી પાશ્ચાત્ય દેશ તારીણે.

હું છેલ્લા અઢી વર્ષથી હરે કૃષ્ણ મુવમેંટ સાથે જોડાએલ છું. અને તા.01/03/2020 ના રોજ શ્રીલ પ્રભુપાદની કૃપાથી સાધક તરીકે આશ્રય લીધેલ છે. પહેલાં શ્રદ્ધાવાન આશ્રય લીધા બાદ મારામાં નિયમિતતા આવી છે પણ સાધક નો આશ્રય લીધા પછી દ્રઢતા પણ આવવા લાગી છે. શ્રીલ પ્રભુપાદની કૃપાથી દરરોજ આઠ માળા કરવાનો સંકલ્પ કરેલ છે. જે અત્યારે રોજની ૮ થી ૧૬ માળા કરું છું.

મેં લીધેલ બીજા નાનામોટા તમામ સંકલ્પો જેવા કે યા-કોફી, ડુંગળી-વસણ, તમાકુ-મસાલા વિગેરે જે હું ખાતો હતો તે વ્યસન બંધ કરવા માટે જરૂરી મનની મક્કમતા માટે શ્રદ્ધેય ગુરુજી શ્રીલ પ્રભુપાદની મારા ઉપર જે કૃપા થયેલ છે તે મારી જીવગી માટે અત્યંત મહત્વની છે.

મેં મંદિરમાં ચાલતો ગીતા લાઈફ કોર્ષ પૂર્ણ કરેલ છે. જેનાથી ભગવદ્ ગીતા મારા જીવનમાં આધ્યાત્મિક દ્રષ્ટિએ અને રુટીન લાઈફમાં પણ સરળતાથી કઈ રીતે ઉપયોગી થઈ શકે તે શીખવા મળ્યું. સદ્ગુરુ શ્રીલ પ્રભુપાદના બીજા અન્ય પુસ્તકોનું વાંચન કરવાની ટેવ પડી છે. જો કે પુસ્તક વાંચનમાં ઘણી વખત આળસ આવે છે. પરંતુ મને વિશ્વાસ છે કે આ આળસ પણ શ્રીલ પ્રભુપાદની કૃપાથી દૂર થઈ જશે.

મંદિરમાં દર રવિવારે તેમજ ઉત્સવોમાં હાજર રહી સેવા આપવાથી અને પ્રાસાદમ લેવાથી તેમજ મંદિરમાં હાજર રહેતા વૈષ્ણવોના સંપર્કમાં રહેવાથી મારી કૃષ્ણ ભક્તિમાં નિષ્ઠા દ્રઢ થઈ છે.

શ્રીલ પ્રભુપાદ જેવા સાચા અને સમર્થ ગુરુ મળ્યાનો અતિ આનંદ અને ગર્વ છે. જો કે તેઓના મારી ભૌતિક દ્રષ્ટિથી દર્શન કર્યા નથી પરંતુ તેઓના પુસ્તકોના જ્ઞાન યક્ષુ દ્વારા દર્શન કર્યા છે એવા મારા પરમ પૂજ્ય ગુરુજી શ્રીલ પ્રભુપાદને ગુરુપૂર્ણિમા ઉત્સવ નિમિત્તે સાદર વંદન.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Your glories and pastimes are beyond the reach of words. Conditioned souls like me in this material world are actually very fortunate to receive your causeless mercy due to which we are able to relish the transcendental feeling of being in Krishna Consciousness. Even after your disappearance from this temporary material world, you are still reclaiming a lot of fallen conditioned souls back to Krishna's abode just as you had done it during your physical presence. If not for you, it would have almost been impossible for conditioned souls who are wandering in this material world to take pleasure in Krishna Katha. I was also one of those souls rotting in the gutter of the material world but you, having showered your causeless mercy upon me have lifted me from that gutter and has put me in a Krishna Conscious environment. When I came to your center for the first time, guru puja was going on and I started dancing with the other devotees. At that time when I saw you for the first time, there was awe of energy being transferred to me as if they wanted to tell me something. I then captured that moment and it is still close to my heart even after 3 years of being in Krishna Consciousness.

Words will fail to thank your grace for the opportunity you have given me. I will remain ever indebted to you as it is impossible to pay you back for whatever you have done and the transformation you brought in my life. I will try my level best to do whatever is possible from my side to contribute to your mission. This is my word. I beg your mercy to help me make the right decisions at the right times. I beg your mercy so that I will always remain at your shelter as your servant, serving you to the fullest of my potential. Begging your mercy Prabhupada...

Your fallen servant,  
Bhakta Ramprakash Babu.

Dear Srila Prabhupada,

All Glories to His Divine Grace A C Bhaktivedanta Swami Srila Prabhupada

Before joining the ISKCON group, I had an unstable job, life was full of struggle, no source of proper income, and many times I use to get angry without any reason. I was not knowing who I am and what to do in this material world. I was living a hopeless life.

After joining the ISKCON group in the presence of Srila Prabhupada, the spiritual guru, I got a stable job, life is full of joy and happiness. By the blessing of my guru Srila Prabhupada, I started Chanting Hare Krishna Maha-mantra, 8 rounds Daily. I get to do seva in Mandir like Gau Shala, Japa Mandap, Tilak Counter, Matchless Gift Center, and Prasadam counter. I got deep knowledge of who I am and my duty is to serve Lord Krishna. I understand that in this material world we are facing the cycle of birth and death. If I want to come out of the cycle of birth and death then I have to serve Lord Krishna without any exception. If I serve Lord Krishna he will definitely secure me and help me through Srila Prabhupada at any time without fail. After joining the ISKCON group I got a full explanation of Gita through Gita Life Course. I started performing worship and bhoga offering to Lord Krishna and to know more about Lord Krishna I started reading books written by Srila Prabhupada. I regularly go to Hare Krishna Mandir and offer my Seva to Lord Krishna. I thank my Guru Srila Prabhupada for guiding me in each and every part of life in this material world and inspiring me to progress on the path of devotion.

Your servant,  
Bhakta Ritesh Srivastav.

Respected Guru Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace!

Most of us are writing this letter to you at a time when the entire world is facing the severe impact of the pandemic. A tiny little living entity, which is not even visible normally, has the power to bring the entire world to a standstill for almost a month and continues to trouble even now with almost 1 crore plus cases. Humans who consider themselves as one of the most powerful and intelligent living beings on the planet have been humbled. They have no solution on how to protect themselves from the COVID virus. Almost six months have passed since the pandemic occurred, but we don't even know for sure how exactly the virus transmits itself let alone finding a treatment. Such is the power of the creation of God that such a tiny particle has left the most intelligent creature clueless. We know that it's only when Krishna will decide to shower his blessings, will we be able to get a vaccine/ permanent treatment for COVID. Despite the opportunity for this self-realization, most of the fellow humans are still occupied in debating and wasting time on irrelevant things. However, we being associated with the Hare Krishna Movement are fortunate enough to utilize our time more meaningfully thanks to the guidance and efforts put in by the senior disciples of the temple by organizing online activities. The continued association with the Hare Krishna Movement that we have had for the past 3 years, has helped us understand the essence of the Vedic knowledge. This in turn has provided us the much needed internal strength to remain mentally and emotionally strong in the current times of adversity. We remain thankful to your mercy in choosing us to follow the right path in life.

Last year I had mentioned the challenge of not being able to find adequate time for bhakti/Chanting and that material world keeps demanding more and more time. Post-Covid, the time available for service towards God has increased. However, as things are normalizing the material world has again started taking a larger share of the time. The internal dispute has now increased on where should be the cut-off between material growth viz. spiritual growth. While the goal is well to know that the focus has to be on spiritual advancements, I need to improve upon the ability to balance and at times restrict the demand of time by the material world. I seek your guidance on the way forward

Please continue to bestow your mercy on this humble servant of yours,  
Bhakta Rohan Mandora.

Dearest Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

I have been in touch with the movement since the year 2015, & had a lot of ups and downs. I am extremely happy to tell you that I'm back on the right track. This lockdown has proved to be a great benefiting factor for my spiritual life as I have started to practice bhakti rigorously like I used to do before. I want to thank Krishna for always keeping his mercy upon me through his devotees who are doing so much for fallen souls like me to help us realize our true goal of going back to godhead and giving opportunities to practice spirituality nicely.

I always knew that I won't be happy by merely being successful materially as I have tasted the sweet nectar of Krishna Consciousness. Please provide me strength so that I can practice bhakti more nicely and ultimately give my everything to this movement so that millions of fallen souls like me can see through this veil of Maya and enjoy real happiness and satisfaction. Thank you for never leaving my side and always helping me to inch closer to attaining my real goal.

Your humble servant, Bhakta Rohan Singh.

Respected Srila Prabhupada

Tears start rolling from my eyes when I think of those days when I was studying away from home and feeling lonely and miserable. Your disciples helped me to take shelter of Your Divine Grace in Mangalore temple and currently I am in touch with Ahmedabad Temple. It is because of you that I know who Krishna is. Even in a million birth, I can't thank you enough.

Krishna consciousness gave me the strength to fight depression and become happy. Your books showed me the right path of devotion. Chanting Hare Krishna Maha-mantra the is biggest achievement of my life. It is because of the causeless mercy of Krishna and his pure devotees that people like me are salvaged from the darkness of this Kaliyuga.

Hare Krishna.

Dandvata pranam,

Bhakta Ronak Choksi.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

I am so grateful to be your disciple. By your grace, I came in contact with the environment which I was always fond of. You are the driving force behind my devotion and the little spiritual knowledge I have. Your messages are always helpful for me when I am in trouble. You have always been the beacon of light who shined brightly in my life of darkness.

You taught me how to make a balanced life and how to deal with this material world although I am leaning progressively under the FOLK. It's only by your mercy that this divine arrangement took place in my life.

I was under your shelter in Folk. I am from Maharashtra. When I was encouraged to go to Gujarat and take the admission in an engineering college, I was totally blank regarding the place and none of my friends were there before. I started my journey like this with a tinge of hope that I would end up on the right path.

As I reached there, I found the college not that much interesting yet I was accepting, I was in the mood to go back. And at that time, one of the students with the same field came with his parents for admission and we both were in the same mindset of going back and he started convincing his father to go back. Coincidentally, at the same time, we were in search of a room because the hostel was full.

By our good fortune, we found FOLK, and we were invited to the temple in Ahmedabad before the admission process. Then Paramdham Prabhu, the disciple you sent, explained to me regarding FOLK. The environment of the temple changed my decision. And FOLK was the major reason for me to get admitted in the college. All these incidents happened because the Lord planned it in that way and I was guided to the right path by a bona fide spiritual master.

How I wished I lived in your presence back then serving you. Nevertheless, you have given us everything that you could, your audios and videos also have the same purity and knowledge. You have done a lot to society and me with personal reciprocation. And there are no words enough to glorify you.

So, I beg you to kindly forgive my offenses and engage me in the service of your mission and bless me to overcome the obstacles that come in my spiritual path.

Jai Srila Prabhupada.

Your Servant,

Bhakta Roshan J.

Dear Srila Prabhupada,

Please accept my humble obeisance on to your lotus feet Again and again. Even the words which are spoken by me, are taught by you.

Another year has just passed on and has made me more strong in practicing Krishna consciousness. The reason behind this is only and only your mercy. It is because of your blessings and the intelligence which is also given by you, under your shelter that I have been able to practice it. The most important thing that keeps me going is your teachings, your quotes & your life examples.

There are times when I fall very severely and get shattered and feel that I will not be able to do anything in life. But just as a child falls, gets some pain, and looks at his parents for some help or love at the moment. In the same manner, I feel that you have always been there with me, no matter which part of the world I am struggling, fighting. Still, every single time I have felt alone, I have always had your hand asking me to stand up, rise, and again start, and that makes me feel that I can never be alone and low as I always have you and Krishna with me forever. And that helps me to manage to be a little safe and follow the regulative principles in any situation of life, no matter where I am, how I am. Still, at every instance of life, I have your quotes, teachings with me that keep me going and make me secure. I know that without your causeless mercy and your grace, It was not at all possible for me to survive in this world. Whenever I feel that I am not able to work, survive or follow Krishna consciousness at the same time, I feel blessed to have support through your devotees that makes me go one step further and practice it more nicely, no matter how hard it gets. Still, it is only by Your grace and by the Lord's blessings that it becomes possible for me to follow this in different conditions and situations and different countries as well. Again During this period and this year I come across Many ups and down in my life , well at every instance of life I learn something different but this time it was something different as this time I was somewhere it was very difficult for me to find temple, an atmosphere to follow and in such a country where most of the people have a very much tamsic nature and very poor eating habits, still I was managing somehow by chanting , praying to the Sri Sri Radha Madhav frame in my room and talking to your frame in my room and after almost 2-3 Months of struggle, fight and desire to have darshan of Lord somehow I got a Sri Balaji temple that was very much near from my place and having a glance of Lord made me cry as due to the pain of separation and as you always speak through your devotees, again and as always one of the devotees who I have been in constant touch with encouraged me and cleared all my doubts and problems that made it more more comfortable for me to follow each and everything and since then I have never looked back, I have been visiting that Balaji temple since then till now and will keep continuing doing the same by your blessings and whenever at any moment I fall or feel low or shattered I can always see your hand and support of your devotees in making me go strong and rise and for sure I know that it was you who has ever given me strength to Face every problem and difficulties in life and you have been my savior as always. I feel blessed to be your follower as the teachings taught by you are a boon to humanity and are the only thing that is making me go strong in Krishna consciousness outside the temple/Folk Hostel atmosphere.

Dear Master, please help me in purifying myself, my existence. Please do not leave me ever in this ocean of difficulties and problems as there have been times when Maya acts, showing me a hard and challenging time. It gets stronger over me making my mind contaminated and does not let me practice your instructions strictly, sincerely, and seriously or making it difficult for me to follow the instructions. that has been given you for everyone to make our life successful. But it is you, your teachings, and the support and your presence through your devotees that always keep me going and saves me from ruining this precious life given by Lord to me. Please protect me, save me from this state of illusion, only by your causeless mercy and your will I will be saved from this illusion. I will be able to practice all your instructions in the best way and engage myself in your transcendental devotional service.

During this pandemic and the lockdown period. It sometimes really became hard for me to resist but I can never be thankful for your teachings and mostly to the devotees with whom I had been in touch as those instructions from you and association of those devotees really made me different from the entire world and made me overcome my obstacles that I was facing in

my Krishna conscious as well as healthy life that really made me strong in following all the regulative principles as well as following my sadhana as much as I could during this hard time that the world has been going through and the most important thing that I have always cherished and felt blessed by you is my faith in Krishna and the attraction and devotion to him no matter what in life but I was never ever that much close to Krishna and this is a fact that most of the devotees that I have been in touch with also know but now after getting shelter under your teachings each day of my life makes me feel one step closer to Krishna. Even when I go to the temple and stand in front of Govinda, joining my hands. I always feel as if he is talking to me. I know you and Krishna are always there with me in the form of your teachings, guidance, your devotees. However, still, in the end, I would like to say please bless me, my family members and the rest of the world to fight back in this pandemic and become more and more Krishna conscious which makes out faith in Krishna stronger and stronger as each moment of our life passes by.

Your blessings made it possible for my parents to take up chanting and since that time they have been consistently and continuously chanting, there have been times that sometimes I am not able to complete my 16 rounds, but at the same time I have made it my habit that usually I do achieve them, but in case if someday I am not I have fixed number of rounds that I should complete if I am not able to do 16 but not being able to complete 16 is very rare or unusual as you have been the force and power behind that, I would request to keep showering your blessings and mercy on me and my parents forever so that all of us keep continuing this habit of chanting and also stay stronger in following your instructions irrespective of the places and situations we are in. Please direct us with your kind mercy so that we may achieve the goal of this human life that has been provided by Lord to me. I beg you to forgive all my offenses.

Thanking you will never be enough through my Vyas Puja offering as your teachings and blessings are not ordinary as it is helping me in getting more and more closer to Lord Krishna. I am seeking your eternal protection.

Your loving servant,

Bhakta Sagar Dalal.

Dear Prabhupada,

Please accept my most humble obeisances unto your lotus feet, All glories to you.

Thank you, Thank you so much Srila Prabhupada that because of your causeless mercy I have been saved from losing myself in the whirlpool of material existence and from making a vain attempt for getting happiness in this material world through sense gratification. If you didn't come in my life then I have never ever realized that this material world is "duhkhalayam asasvatam" and birth, death, old age, and disease are real problems of life. It is only because of your causeless mercy that I am able to understand transcendental knowledge, to chant Hare Krishna maha-mantra, to read your books and I am getting divine association of devotees.

In many instances Srila Prabhupada, you said that there are four classes of men: a lazy intelligent, busy intelligent, lazy fool, and a busy fool, and also you told that the goal of life should be to become lazy intelligent, not a busy fool. Although I have faith in your words and knowing about the futility of materialistic life still I am a little bit reluctant to become completely lazy intelligent. I have firm faith in you that one day, by your causeless mercy and divine blessings upon me, your compassion towards me I will become completely lazy intelligent and will take shelter of your lotus feet eternally, and hence I will be part of your glorious army and dedicate my life in serving you and Lord Krishna.

Aspiring to be a servant of your servant, most fallen conditioned soul,

My Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Prabhupada, you and your instructions are so powerful that if one just tries to follow your instructions once, then he is gradually attracted to serving you. This is what happened with me; before coming to Krishna Consciousness I was living a confused and fearful animalistic life in ignorance, but after I got your association through your disciples, I started to understand things as they are, you opened my eyes and now I am trying to follow your instructions. Now, there is a lot of change within me; the change is that before I used to fear about my future but now, whatever may be the situation, I know that you and Krishna are there to handle everything, I just have to surrender unto you. So if just by following a little of your instructions that also improperly, I am feeling so relieved then I couldn't imagine what will happen if I follow your all instructions properly; but it is very foolish that I am not following your instructions. My only aim of life is to please and serve you but I am not determined, but I am trying to do so, please shower your blessings always on me.

I will always try to serve and please you.

Your insignificant servant,

I have been very fortunate to have your causeless mercy upon me. Its been very difficult to follow the four regulative principles and chanting this whole year. Whenever I deviated from this, you have very merciful to guided me back into the devotional service. You have always given me the right direction, instruction, and motivation to continue in the path of Krishna consciousness. I only beg of you to keep me at Your lotus feet for your service. Dear Prabhupada,

Please accept my humble obeisances.

I always believed that spirituality is a way of living, a way which creates internal alignment of mind, body, and soul and connects us to the divine, higher consciousness. This always led me to think that if people always keep their conscience and faith in supreme ahead of whatever they do, they will always be on the right path and never go astray. My belief and way of thinking got even more solidified by your grace after attending a course on Bhagavad Gita – The teachings of which taught me a range of many important pointers to focus upon and of course the correct way to live life. For the first time upon hearing the voice of you dear Srila Prabhupada, chanting Hare Krishna Mahamantra, I felt harmonious and soothing. Then after it intrigued me to know more about you, understand you, your life, and the work which is done by you for every one of us.

I was amazed and moved to know about your life's journey and your immense devotion to Lord Sri Krishna. The way you how you fulfilled the desire of your Spiritual Master's words and dedicated your entire life to spread the message of Lord

Krishna, just touched me. I am really thankful to you for translating Srimad Bhagavad Gita to English and later by your mercy to many other languages and making it available to everyone, thus keeping its essence and spreading the message of Lord Shri Krishna in the truest sense.

Bhagawad Gita As it is translated by you guides all of us to understand who they actually are in this materialistic world, and I believe you will keep guiding not only the youth but generations to come and show them the right path. Your life, teachings, and way of living have always made me think things in a different way. Certain times even hearing your conversation with other devotees gives a new thought and new perspective to see things differently. I know no bounds to my joy for the Bhagavad Gita As it is and read and understand it, listen to the past times of Sri Krishna from your lotus mouth.

Your servant,

Bhakta Sanskar Rao.

হে প্রভুপাদ, আপনি যদি জগতে প্রকটিত না হইতেন তবে মোর কি দশা হইত. তোমার অহৈতুকি কৃপা বিনা কেমনি করে নিজের চেষ্টিয় ভগবদ মুখি হতে পারতো. সত্যিই আপনি মহা পতিত পাবন.

হে গুরুদেব, কৃষ্ণকে ভুলিয়া মায়ার ভজনা করিতেছি, শুধুমাত্র বিষয় ভোগেতে চিন্ত প্রবল আসক্ত. শ্রীকৃষ্ণ ভজিতে মোর নাহি চাহে কোন মতি.

হে গুরুদেব ! তব শ্রীচরণে মোর এই প্রার্থনা শ্রীকৃষ্ণ ভজনে যেন মোর হয় রতি. তব কৃপা বিনা মোর নাহি অন্য কোন বল, তব কৃপাকন আমার সম্বল. ওহে বৈষ্ণব ঠাকুর কৃপা কর মোরে কৃপা কর মোরে.

তোমার অযোগ্য সেবক

Dear Srila Prabhupada,

Please accept my humble obeisances to you. All glories to you.

O Spiritual Master, I am so fortunate that I took shelter of a bona fide and an authorized spiritual master. Otherwise, Srila Prabhupada if you were not there then I would have been deluded as well as illusioned by so many worldly things and would have considered temporary pleasures as permanent happiness and would have never thought of something existing beyond this material world.

O Spiritual Master, from my childhood, I was god conscious just like my mother, I prayed to different demigods and also thought that Krishna is same like others demigods, at that time I prayed only to fulfill my insignificant desires thinking that Gods are made to fulfill our desires because at that time I didn't have knowledge about the Supreme Personality of Godhead. But due to your mercy, I got to know about soul and super soul and who is the real creator.

O Spiritual Master, when I read Srimad Bhagavatam I was enlightened from within. Srila Prabhupada, how interestingly you described the creation in the Bhagavatam, how from Lord Krishna different incarnation emanates and how this universe is created, how Brahma came single-handedly from Lord Krishna, this shows the omnipotence of Lord Krishna. Only a bonafide Acharya like you could give exact knowledge, as it is. It increases the curiosity to know more about the qualities of the Lord under your guidance.

Prabhupada in this year 2020, it is indeed "Dukhalyam asasvatam". Humans try with their own intelligence to have some sort of happiness here. By your mercy, I was able to stay in the Hare Krishna Mandir Ahmedabad for such a long period of time, in this pandemic otherwise I would have just forgone this opportunity. At the temple in lock downtime I had immense realizations regarding the outside world with so many increasing cases. People were in fear, they were afraid of their death, trying to save themselves and their family members at that time I realized your divine instructions from Srimad Bhagavatam sloka:

*dehāpatya-kalatrādiṣv ātma-sainyeṣv asatsv api*

*Teṣāṁ pramatto nidhanam paśyann api na paśyati.*

People in this world thinking family members, relatives as 'atma sainyesv', soldiers for them but they do not know that when death arrives, there is no one to save. I also realized that on contrary to the material world, devotees are enjoying their lives, doing services, engaging FOLK boys those who were at homes with different Krishna Consciousness series. My stay at the temple was really blissful. Enjoying, playing with cows, doing garland services, learning mridanga, and so on. Truly devotees' life is full of bliss under the shelter of you, Dear Srila Prabhupada.

Srila Prabhupada as you told, sometimes obstacles will come but this will not stop the journey to preach the Krishna consciousness. I've written some lines for you that I want to share:

Srila Prabhupada, always hold me from your lotus hand, Please do not release Otherwise, I'll fall down again in this vicious circle Of birth, death, old age, and disease. I am conditioned, Srila Prabhupada But you are a realized soul, It is by your mercy only That I got to know about my real goal. Srila Prabhupada, as you said many souls will come, many will go But if one is fixed by the principles of this Krishna Consciousness then he will automatically grow. It is only due to your mercy, Srila Prabhupada that I am here And by your teachings, I realized How this human form is so rare

So why we humans are here wasting our time in so many worldly things,

Srila Prabhupada, please help me and take me away back to home by flapping wings...

Thank you.

Your most fallen servant,

Bhakta Sarthak Saxena.

Dear Srila Prabhupada,

Please accept my humble obeisances to your lotus feet.

All glories to you on this auspicious day of your appearance.

Fortunately, because of your causeless mercy, I came in contact with Krishna consciousness five years ago, and from that day, magic started. Because of you and your disciples, I got a very beautiful and rare opportunity to understand about myself that I am not this body but a soul, and we all are part and parcel of the super soul. Before coming in contact with Krishna consciousness I had no idea about real happiness, I was just wandering from one bad habit to another in search of happiness, but after coming to FOLK, I realized the actual definition of happiness and that is to be constantly engaged in devotional services of the Lord, constantly meditating on the Lord, Lord's pastimes, activities, etc.

My dear Srila Prabhupada, by your grace, I got good intelligence to serve the Lord and his devotees. I wish to serve you and your mission with whatever means I can, I beg to you and Krishna to please let me serve your devotees till my last breath. By your grace, I got the knowledge that eventually we have to serve, either we will serve our mind, senses family, society, or we will serve Krishna.

Earlier, I have done many Vaishnava offenses, broke regulative principles, so as a result of that, now I am not able to chant properly, not able to read your books. Please forgive me for all these mistakes if you so desire. I am now distracted from your lotus feet and roaming on the wrong path due to my material desires, please forgive me and protect me from falling from the glorious, wonderful and correct platform of Krishna consciousness.

Please give me the right intelligence and let me always remember that this material world is full of miseries, and our only aim is to serve the Lord with love and devotion. Due to my wrong decision and lack of determination, I am not able to join your army, but still, I desire to do devotional service. Please be merciful on this fallen soul and make me eligible to join the army of Lord Chaitanya, if not you, then who else can awaken me? I request you on your appearance day, to please engage me and inspire me to serve in whatever manner I can.

Your most fallen servant,

Bhakta Sarvesh Malewar.

Dear Srila Prabhupada,

Please accept my humble obeisances to you.

My life has changed a lot after I started chanting Hare Krishna Mahamantra regularly, now I am happy with my life and I just want to stay connected with you for this life. I feel a sense of spiritual enlightenment in me whenever I hear your voice and listen to your audios. It is just due to your causeless mercy that I am able to practice Krishna Consciousness every day.

Now, I finally realized my strength and weaknesses, and before, when I was not chanting the Hare Krishna Mahamantra, life was very difficult for me, but after chanting Hare Krishna Mahamantra, my life has changed for the better. I feel very relaxed and happy. I am enjoying reading your books and really I am feeling very positive. Whenever I feel lonely or sad I

listen to your audios and read books and watch videos. I got a lot of real knowledge about life from your books. I feel connected to you directly and I am thankful to you. Due to your mercy upon me, I am now able to chant Hare Krishna Mahamantra regularly.

You have given all that you could. I only beg for you to bestow mercy upon me to follow your instructions and practice Krishna consciousness and serve your mission.

Your Servant,

Bhakta Sayan Das.

My Dear Srila Prabhupada,

My humble dandavats and obeisance unto the lotus feet of Spiritual Master Srila Prabhupada.

This year has been quite eventful, although not for very good reasons. The home stuck followers got a very great opportunity to listen to a string of lectures by our beloved and very respected Madhu Pandit Prabhu Ji, all expounding in great detail the path to learning the art of soulful Japa. This increased our intimacy with our Japa and our Aradhya. Similarly, we were blessed to hear from temple devotees and other Vaishnavas on varied aspects of Krishna consciousness. The extent of their efforts in facilitating our learning is very humbling.

The happenings all around highlighted the ephemeral nature of the life we covet so much and gave us a strong impetus and opportunity to complete our Krishna consciousness in this very life. Prabhupada's blessings shall surely guide us through the maze of this material world.

Master Prabhupada, I pay my homage to you to have enabled me to be a part of this transcendental bliss. Hare Krishna.

Your servant,

Bhakta Sharad Shukla.

हरे कृष्ण,

श्री राधा कृष्ण और श्रील प्रभुपाद को मेरा दण्डवत प्रणाम।

मैं मंदिर से 1 साल से जुड़ी हूँ। जब श्रीमद्भगवद गीता सीखने आई थी तब मुझे जीवन का परम लक्ष्य क्या है, वह पता चला। मेरे जीवन में नया सवेरा हुआ, मंदिर के प्रभुजी से आध्यात्मिक मार्ग में कैसे आगे बढ़ना है उसका मार्गदर्शन मिला। श्री राधा कृष्ण और श्रील प्रभुपाद की कृपा से कृष्ण भक्ति में निष्ठा जागरूक हुई है। आज मेरा पूरा जीवन बदल गया है, प्रभु के लिए भोजन बनाना, भोग चढ़ाना और प्रसाद ग्रहण करने में परम आनन्द की अनुभूति होती है। मंत्र जप के प्रभाव से घर के सभी सदस्यों में एक पॉजिटिव बदलाव आया है। बस यही प्रार्थना है श्री राधा कृष्ण और श्रील प्रभुपाद की हमारे जीवन के अंतिम लक्ष्य तक पहुँचने में आध्यात्मिक मार्गदर्शन मिलाता रहे यही अरज है मेरी प्रणाम स्वीकार करे, और अपनी कृपा बनाए रखे।

आपका दास,

Dear Srila Prabhupada,

*om ajnana-timirandhasya jnananjana-salakaya  
caksur unmilitam yena tasmai sri-gurave namah*

Please accept my humble obeisances unto your lotus feet. Yet another year has been completed since I have been joined in your mission, so this would be my 3<sup>rd</sup> Vyasa Puja Offering on this auspicious day of your appearance. All glories to your Divine Grace. I am feeling so so much obliged that I have been given this opportunity. Only by the mercy of guru and Krishna, such a person receives the seed of the creeper of devotional service.

*brahmāṇḍa bhramite kona bhāgyavān guru-kṛṣṇa-prasāde pāya bhakti-latā-bīj*

This year has gone so quickly, by the pangs of Kala. Also, this year was really a great struggle for me, because Maya was really acting so so greatly on me and many times I was being driven by her and the results were as always hankering and lamenting. But by your mercy and lord's care for his most abominable and fallen devotee soul like me, I was somehow able to manage to get into the track again.

Firstly I am really very very sorry for my offenses done to you or devotees or lord, knowingly or unknowingly, so please forgive me for that as a Father forgives to his son. I cannot imagine my life without you and your causeless mercy towards a fallen soul like me by inaugurating a worldwide movement in the footsteps of Chaitanya Mahaprabhu's Mission.

O Prabhupada never ever allows me to leave your lotus feet and your shelter, because as soon as I leave your shelter I am feeling like a lost child in a fair or crowd. This material world is a place of "Dukhalayam Ashashvatam" and day after day people are becoming lower than animals also. I am feeling unsafe when I am not able to follow your instructions and get into material entanglement.

Now let me tell you about my current situation. I am totally not able to follow your instructions and not able to do Sadhana regularly, I am not able to figure out why it is happening to me even after receiving so many instructions on this subject matter. I am a little worried about any Vaishnava Offense done by me to any devotee unknowingly or knowingly!! Due to that may be my bhakti got stopped at one position. So I really beg for mercy towards me so that I can again BOUNCE BACK and continue my journey of crossing the ocean of nescience on your boat.

Please show somewhat extra mercy on me.

I promise to be regular and consistent on my sadhana and I will never forget Krishna and you in any situation it might be.

Your most fallen servant,

Bhakta Shashank Bhattacharya.

Dear Srila Prabhupada,

Please accept my humble obeisances unto you, all glories to you.

Today is your 124th Vyasa puja and I am writing this to offer my humble respects to you. But, in reality, I am not qualified enough to write even an alphabet to such a great and pure devotee of Sri Krishna who has preached the message of Krishna Consciousness all over the world to everyone.

I have been staying under your shelter, in folk for three years and I feel very fortunate enough to be chosen by you and Sri Sri Radha Madhav to receive your causeless mercy. As we sing daily in the Mangala Aarti: "Samsara Davanala", it relates best with this year 2020. I can clearly see how this world is actually burning and how you are saving your devotees from

this fire. This year was filled with ups and downs for me and unfortunately, I have been away from the association of devotees for months. Now I feel how important is devotee association as I have not been able to practice bhakti as I used to do before in folk. So Srila Prabhupada, this is my humble request. Please never keep this soul bereft of devotee association wherever I wander.

I can't pay you back for the mercy you showered upon me but the thing I can do is follow your basic instructions at least. i.e. 16 rounds and 4 regulative principles. And I promise I'll try to follow it throughout my entire life. I just need your blessings and mercy. This is my last year in folk and I have so many memories here, under your shelter. We have got the chance to perform various devotional activities that I will relish throughout my entire life. Moreover, I got wonderful godbrothers who helped me and gave me the motivation to continue in bhakti whenever I felt low. Each and every moment spent in folk is memorable for me and it gives intense happiness relishing them and all this is possible by your mercy. You have provided us with wonderful mentors who come for us traveling all the way long just to make us Krishna conscious and to save our lives. I thank you with the bottom of my heart for all of this, Srila Prabhupada.

Thank you, Prabhupada for saving me and keeping me under your shelter. Please guide me throughout my life so that I won't get lost in this material world and forget my real purpose.

Your insignificant servant,

Bhakta Shashank Singh.

Hare Krishna Srila Prabhupada,

I offer my respectful obeisances to you.

This Vyas puja will be shorter, one which I am going to write for this year, but I will try to be meaningful this time. All the knowledge that I have to realize today this year is just because of You. The best thing about you is you presented the clarity on Krishna consciousness and made the whole process easy, but the main problem is with us that we don't follow it. Now I am going to write two things that struck me the most.

1. Lord Chaitanya Mahaprabhu is Lord Krishna himself; we all know, and he descended this kali yuga. But this time he didn't come to kill or fight from anyone instead his only business this is to spread the nama rupa avatar of the lord now this thing tell us that how powerful is the nama rupa . That this was the no.1 priority of the lord Chaitanya but it got possible because of your arrival on this planet. So this proves, the nama rupa is so important that See the faith I can't have the courage as you have in him.

2. Like in Mahabharat's time, only a few were knowing the who is lord Krishna, and even at the time of Kurukshetra's fight also Maya's illusion acted on them like no one was able to recognize the lord except few and that was also because of lord mercy on them. So, now the same thing in this kali yuga also only a few know this intimate knowledge it is just because of our spiritual master as you showered causeless mercy on us and there are specific rules also change from this time from the Mahabharat times. That when we received this knowledge, our prime duty is to spread this knowledge

I am trying to respect this mercy myself. I hope that I will be able to manage the experience which you gave me and I beg you to give me strength.

Your Servant,

Bhakta Shivang Dhasmana.

My Dear Spiritual Master,

*om ajśāna-timirāndhasya jśānāśjana-śālākayā cakṣur unmīlitam yena tasmai śrī-gurave namah*

Please accept my humble obeisances at your lotus feet.

Srila Prabhupada! Let me have faith in your divine instruction that by becoming a devotee of Krishna, I will be rendering the best service to my father, mother, forefathers, grandfather, everyone.

As days and months pass by in Krishna consciousness, I consider myself to be more and more fortunate because gradually I get realizations of your transcendental position. It's wonderful to have an association with a pure devotee, especially while I'm in this material world because this world is already filled up with atheists, Mayavadis, so-called scholars, and non-devotees in general.

It's impossible to approach supreme lord Krishna and render direct service unto him. However, in the case of chanting, we can render direct service to the Lord, but that chanting is also possible due to your causeless mercy. You're our service carrier to their lordships and we receive back the mercy of the Lord through you only.

Thank you so much, Srila Prabhupada for presenting things as it is. You're a confidential servant of the Lord and you are still present within this planet through your books, temples, devotees, and the system which they follow.

I'm so much fallen that I can't even follow each and every instruction without your mercy. I faced many challenges, especially during the last 8-9 months. It was almost impossible to continue my journey in Krishna Consciousness without the support of the devotees. During those days, I had not seen many ups and downs in Krishna consciousness. In fact, I had seen only downs and downs in Krishna consciousness due to the challenging situations, surroundings, and circumstances.

After undergoing through tremendous struggle and crossing over each hurdle, I have approached your lotus feet. My dear spiritual master, thank you so much for showing your causeless mercy upon this poor soul.

This year, 2020 may be the worst year for the whole world, but for me, it has turned out to be the best and a life-changing year. Because finally, I have decided to serve your lotus feet by my contribution to your mission as a full-time devotee.

Please accept this insignificant soul and provide me shelter under your lotus feet. Please use this person in whatever way you want to spread the glories of the supreme lord and help me to purify my existence.

I have no words to express my gratitude to you for providing me an opportunity to take part in the divine eternal Leela of Nama-Prabhu.

Your insignificant servant,

Bhakta Shivang Mehta.

Dear Srila Prabhupada,

I offer my obeisances to you.

Thank you, Krishna and Srila Prabhupada Ji for coming into my life. Before coming into Krishna Consciousness, I knew about the goal of life but didn't know the right path. I used to pray to the demigods for liberation because I thought that demigods could give me liberation free me from birth, death, and miseries. But then I came to know that it was not so. Demigods can only give results of fruitive activities and pious karma. After coming in touch with HKM, I came to know about the difference between demigods and God. Now I know that only God can give liberation. Now, I also know about the spiritual world and the material world. Only the spiritual world is good. In the material world, only miseries as said by

Krishna in the Bhagavad Gita. Thank you, Prabhupada and Krishna for bringing me into your institution. I have completed one year, approximately, in HKM. This year, HKM organized the La Gita Fete course to spread the knowledge of Bhagavad Gita. I will never forget these 18 days. If Krishna and Prabhupada had not come into my life, I would never have understood Krishna Consciousness. Thank you, Srila Prabhupada for everything you have done for us.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisances.

I sincerely thank you for everything I have received in my life. It is my great fortune that I came in touch with a pure devotee like you. When I got in touch with HKM Ahmedabad in the year 2014, my life got changed completely. I was searching for true happiness & satisfaction which I received in your shelter in the form of FOLK Residency. I got a clear spiritual vision of life. I could understand the truth of life by your grace. Thanks to you, my spiritual master Srila Prabhupada. I offer my prayers and respectful obeisance to you.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine lotus feet, All glories to you.

I am very happy that I got the chance to write the Vyasa Puja offering. Thank you Gurudev Srila Prabhupada. My life has been saved because of you. Otherwise, I would have been stuck in this Maya. Your Divine Grace has given me the privilege of serving Lord Krishna and I am very fortunate to have met you. For this reason, my life has improved. Before coming in touch with ISKCON, I never used to understand Lord Krishna but because of you, I can serve Lord Krishna today.

Because of you, I am chanting the holy name today. I would like to take this opportunity to beg for your mercy so that I can be more firm and fixed up in Krishna Consciousness. Because of you, I am remembering the name of God every day.

Gurudev, may such a blessing be the only prayer.

Dear Srila Prabhupada,

All glories to you!

Please accept my humble obeisances unto your divine lotus feet whose dust is like nectar for me.

On this auspicious occasion of your appearance, I would like to thank you for bringing the light of knowledge in my life. If you wouldn't have shown your divine mercy to me, I would have been rotting in this material world just as the street dog is loitering in the street without his master.

I am very happy to tell you that I am following all the four regulative principles - No intoxication(including tea & coffee), No Meat-eating, No illicit sex and No gambling since the day I've understand Kṛṣṇa Consciousness. Also, I am doing 8 rounds of chanting of the holy name regularly by your mercy. I've learned some humility, respect, and tolerance which I'm applying according to my understanding. I've also visited the Dwarka Dham with the devotees and relished, enjoyed, and felt the presence of Kṛṣṇa and you with us on that trip. Please, tell Kṛṣṇa that I love him the same as much he loves me.

We have been taught in school about science and it's greatness but you through your books have made me realize that science is nothing without understanding Kṛṣṇa. You truly have shown me great mercy in spite of my previous abominable mistakes that I've done before becoming Kṛṣṇa conscious. I haven't thought that in the first year itself I will read Srimad Bhagavad Gita but by your mercy, I've read it and relished the nectar of your purport. Previously, I had many material persons as role models aspiring to become like them one day but today I've you as my role model.

Please bestow your mercy upon me like this so that I can be free from Maya and advance in Kṛṣṇa consciousness. And also help me so that I can chant 16 rounds daily. I was so abominable that I don't think, Kṛṣṇa would have given the mercy to the fallen soul like me to chant the holy name from my tongue but because of your mercy, I am chanting the holy name and relishing its nectar. Please help me in helping your movement so that I can preach and spread Kṛṣṇa consciousness remembering you and Kṛṣṇa.

*yasya prasada bhagavat-prasado

*“By the mercy of the spiritual master, one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.”*

Prabhupada, please bestow your mercy upon me so that I can do all the work remembering you and Kṛṣṇa. Also, help me in having an uninterrupted interest in reading your books and chanting and relishing them.

Thank you for everything. I don't want to imagine my life without you.

Your eternal servant,

Bhakta Shubham Poddar.

Dear Srila Prabhupada,

I offer my respectful obeisances to you, all glories to you.

From the day when I was born, there was always a misconception of the bodily concept of life endorsed in darkness and ignorance, which was deeply rooted in the heart and never thought of being beyond the bodily concept of life. I never thought of myself being part and parcel of Lord Krishna. As the years passed by, at the age of 17, I took admission in Bharati Vidyapeeth situated in Pune, Maharashtra, in July 2019.

Within three days of my stay in Pune, two of my seniors approached me. They were your followers and devotees of Lord Krishna as well. They gave me a pass for the session named ABVP (Alumni Bharati Vidyapeeth), which was going to happen in the marketplace behind our university campus. I dressed well for the first session and went there with my friends in an exciting mood. The meeting was interactive, and I got many ideas about college life from the alumnus. From that day, they held a meeting every Sunday, followed by feasting. All my friends went there, but unfortunately, my parents didn't allow me to go.

In this way, two months passed & I was always thinking about the mahaprasadam and association of devotees. Later one day, I got a call from a devotee. Initially, I ignored it, but then I picked up & confirmed that I am coming to attend the session. In this way, my KC journey again started. All the sessions were fascinating and interactive. We celebrated many festivals like Radha- Ashtami, where for the first time, I have danced in Sankirtan, Kartik Month, and a regular congregation of chanting after my exams got over. When I got interested in chanting, I asked one devotee to give me a chanting bag and chanting beads, so that I can chant one round daily in my hostel.

In December after semester exams, we went to ISKCON BANGALORE, which was a turning point in my life. That trip made me realize how we can always think of Krishna without any distractions. And then, I made up my mind to shift to the FOLK residency next semester. The peaceful, spiritual, divine, and holy environment there is not available in any of the nearby hostels. The knowledge of the absolute, reading your books, attending Mangala aarti, kirtan, a pleasant environment for study, and many facilities were present there. It was never like a hostel but a "home away from home." There we also celebrated many festivals and went for trips like Hampi, Hare Krishna Mandir - Ahmedabad for Gaur Purnima, without asking my parents. And my parents never knew about it because of your mercy. Also, in this Covid-19 lockdown situation, I am getting very interactive devotee associations online, which is helping me to grow and advance in spiritual life.

You planned that a lowly person like me could chant Hare Krishna & attend those spiritual sessions. I always think if you would not have preached this knowledge of the absolute to the world, those like me who are craving for happiness would have been running after false happiness. By your causeless mercy, I can connect with the Supreme Personality of the Godhead. Without your mercy, I would have never advanced in spiritual life.

Last but not least, I want to thank all the devotees who have given me the opportunity to show my gratitude, respect, and homage to you. And now, I can declare very boldly that I have found my real love and happiness.

Thank you Srila Prabhupada.

Your Servant,

Bhakta Shubhankar Bagchi.

पूजनीय गुरुवर श्रील प्रभुपाद,

आपके चरण कमलों में दंडवत प्रणाम। मेरी अज्ञानता के कारण हमारे घर में हम सारे देवी देवताओं को भगवान ही मानकर पूजा और आराधना करते आ रहे थे। मुझे कृष्ण भावनामृत के बारे में कुछ भी नहीं पता था। मुझे बचपन से कुछ प्रश्न झकझोर कर रख देते थे, जैसे कि इंसान का जन्म क्यों होता है? उसकी मृत्यु क्यों होती है? और जन्म और मृत्यु के समय के बीच में मनुष्य को क्या करना चाहिए? मैंने छठी कक्षा से यह प्रश्न बहुत लोगों से पूछे। मुझे मेरे शिक्षक, बुजुर्ग व्यक्ति, पंडित जी, आदि से कभी संतुष्ट करने वाला उत्तर नहीं मिला। इसी खोज में एक बार एक शिक्षक ने मुझे श्रीमद्भगवद्गीता पढ़ने की सलाह दी। मैं 2 साल से भगवत गीता ढूँढता रहा। अचानक एक दिन जब मैं गुजरात आया तो इस्कॉन भक्त जनों से मेरी मुलाकात हुई। भगवे वस्त्र धारण करे हुए थे, सिर पर लंबा सा तिलक लगाए हुए थे, और उन्होंने शिखा भी रखी थी। उन्होंने बताया कि वे मुंबई से किताब वितरण करने के लिए गुजरात आए हुए हैं। मैं यह जानकर आश्चर्यचकित हो गया जब मुझे पता चला कि सातवीं कक्षा में मुझे गीता देने वाले और कोई नहीं बल्कि इस्कॉन के भक्त जन थे। लेकिन मैंने बारहवीं कक्षा के बाद ही गीता पढ़ी और 8 वर्ष के बाद में उसी कृष्ण भावना मृत का एक सेवक बन गया। मैं अपने आप को बहुत भाग्यशाली मानता हूँ कि पूजनीय गुरुवर श्रील प्रभुपाद की असीम कृपा से बुध जैसे अज्ञानी को भी आध्यात्मिक ज्ञान की प्राप्ति हुई। मैं आपका जन्म जन्मांतर तक यह सौभाग्य प्राप्त करने की वजह से आभारी रहूँगा।

आपका नित्य दास,

भक्त श्याम यादव.

Dear Beloved Srila Prabhupada,

Please accept my humble obeisances again and again. All glories to your lotus feet. On the occasion of your Vyasa-puja, the day of your appearance in this world. By your grace, Srila Prabhupada, you made such an incredible sacrifice of travelling by steamship across the Atlantic Ocean at the advanced age of 69 -- suffering two heart attacks in the process and arriving on the shores of America armed with a mere seven dollars worth of rupees, a few books and an unshakable desire to serve the mission of your spiritual master, His Divine Grace Srila Bhaktisiddhanta Sarasvati Gosvami Maharaj Prabhupada. Despite the overwhelming odds against you, your arrival was clearly predicted by the great acarya in the disciplic succession, Srila Bhaktivinoda Thakura, a century ago, and thus your success was already guaranteed. Because of your completely selfless endeavour, the entire universe is now awakening from an age-old sleep of godless ignorance to the joyous and eternal sound of Lord Caitanya's hari-nama sankirtana.

By your grace, Srila Prabhupada, so many people once attached to grossly sinful activities such as meat-eating, intoxication, gambling, and illicit sex life are now blissfully following the rules and regulations of vaidhi-bhakti under your expert guidance. Now I would love to address my beautiful and peaceful journey in Krishna consciousness to date. I feel privileged to be a part of your mission, where I have learned so much about life and Lord Krishna, I am 100 per cent sure that, the kind of knowledge, wisdom, etiquettes, and skills I have acquired after coming under your protection, I think could not have acquired anywhere else in this world. The most important thing is our position, our position in this world, and our position in front of Lord Krishna. I was un-touched by these facts that, what is my actual position, but luckily by your grace and mercy at an early age, I got touched by these facts. Talking about the present time, I see people wondering what they want to do in life, where they are heading in life, what they have made of their life till now, what is the ultimate goal or aim in life and so on... But a devotee who has your mercy is already aware of such basic questions of life, in short, you have made our lives so easy, simple, and smooth that it's almost unbelievable to think otherwise. I thank you again Srila Prabhupada, for everything you have made me achieve and for making me this fortunate that I could write this letter on your appearance day, Srila Prabhupada. All glories to your lotus feet.

Your Servant, Bhakta Siddharth Dhiman.

Dear Srila Prabhupada,

Please accept my respectful obeisances to you. I was in a dilemma before I came in contact with Krishna consciousness and then I found your video of chanting Hare Krishna and it changed my mind about God forever. It did not just help me to face my problems but also made me realize that who we are and what is our relationship with God. I came to know about the meaning of causeless happiness. I am very thankful to you to guide my mind towards the path of happiness and made me realize why I am suffering here. Prabhupad I am so busy in this material world that I didn't get proper time to serve you. Please show your mercy by always guiding me in the right direction and showing the path to this fallen soul. It has just been 2-3 months since I am reading Bhagavad Gita and chanting Hare Krishna and it has brought a holistic change in my personality. I am very grateful for all the blessings on me and always want to be guided by you especially in my darkest times. Please give me the strength to fight the problems in my life and to bring perfection in my life. Please allow me to serve you Srila Prabhupada. Thanking You.

Your Servant,

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet. Prabhupada, you know that the last year was very difficult for me. So many problems came in my life: college problems, health problems, and the worst problem is the association of non-devotees. As you know Prabhupada, for some reason I am not a part of folk, and whenever I am not in folk my Krishna Conscious life almost comes to an end. As a result of this, I am not able to do Japa properly. I try to do a pujari service because you know this is my favourite service. But because of my weak sadhana, I am not able to do that also. Prabhupada, so many pressurizing situations came in my life because of college issues. Everyone was laughing at me and criticizing me but I know that all this was due to my fault. Whenever such a downfall arises I take a moment out to meditate on your statement that without Vaishnava association, it is very hard to make progress in Krishna Consciousness and the same thing is happening to me I am not in the association of devotees and not sharing my problem with devotees. Under such situations, my spiritual life was almost about to end. But you were always there with me, I am very thankful to you for giving me the potency to chant the holy names of Krishna which is the highest perfection of life. Also, I want to confess that I have committed offences towards other "Vaishnavas" many times, either physically or mentally. Please forgive me for the offences. which I have committed knowingly or unknowingly. Your presence can be felt by the one who surrenders to Your lotus feet and I beg for that mercy. Your instructions can be received by one who is pure and I beg for that purity. You are the most merciful and magnanimous personality in this age of Kali who has spread knowledge of Krishna consciousness throughout the world with no discrimination. Your presence makes the air pure and spiritual. Your words make the world elevated. Prabhupada, although you are a Nitya-Sidha and you do not belong to this world and neither do you have any personal work here but even then, you kindly appeared and faced so many challenges just for saving us. This itself shows how compassionate, magnificent, and kind you are. I request You to give me this knowledge of Krishna Bhakti and engage me in your service. I am the most fallen soul who has no attachment to the name of the supreme person Krishna and not to your instructions. I beg for your mercy so that I can chant the holy name and indulge myself in your service and serve your mission. Give me blessings so that I become eligible for receiving and distributing the holy name of Krishna.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare.*

In the end, I want to thank you Prabhupada because when everyone left me in deep sorrow, your instructions always motivated me to fight them back. When Maya Devi covers my soul, it is your words that give hope of spirituality to me. When my senses overwhelm my body, it's your mercy which brings me out of it. When I fell alone and broken, it is your presence which helps me to get out of it. Thank you, Prabhupada for being with me every time.

Your Fallen Servant Seeking for your mercy, Bhakta Sourabh Shukla.

Dear Srila Prabhupada,

Please accept my humble obeisances to you.

It was almost two years back when I first stepped into IIT Gandhinagar for pursuing my Masters. IIT's, being one of the elites in its class, the burden of our curriculum has equally been very tendinous. It was our mind that has always been deprived of every relaxation. Schedule sailed us through our first odd semester and then came the day when that first phase marathon was over. That evening I decided to take a stroll. I was so much tired from my core that a break was very inevitable. While I was busy cooking all this in my head, I don't know, but as if something was attracting me towards itself. By the time I came to my self-sense, I was already at the backside of our hostel building, though I haven't started to end up being there. I started exploring if I get to see anything worth remembering, suddenly something grabbed my attention and that piqued my curiosity. I discerned someone draped in the saffron, and I started making my steps closer towards that place. The closer I was getting the clearer the picture I was receiving. Eventually, I reached the spot. I perceived a sadhu sitting there who was deeply engrossed in something fascinating. He was delineating some stories which I gradually understood as the nectarine past times of our beloved Lord Krishna. There started my journey with The Hare Krishna Movement. With passing time, I was enlightened about the very founder of the movement of which our Hare Krishna Mandir is a part of. He is A.C. Bhaktivedanta Swami Prabhupada, our spiritual teacher.

My association with HKM started deepening and with every additional session, I felt the calmness inside me. This was alongside coupled with the darshan of our very own Krishna. The serenity in his eyes and the love in that idyllic atmosphere, it's just irrevocable. I understood one thing, provided one is ready to surrender to the almighty, the rest of the process is a cakewalk. Chanting the holy name is so powerful in itself, that it can easily blossom ones dormant ecstatic love towards Krishna. We are breathing in one of the most dreadful of all the yugas, the kali yuga. Expecting any good from this kali yuga is as good as expecting mango from a neem tree. To bring out this world from the darkness within, Srila Prabhupada followed the footsteps of Sri Chaitanya in preaching the maha-mantra for the betterment of humanity. He taught that one must induce oneself into chanting from infancy itself. This elegant holy name has all the powers. It bestows the most sought after thing on this planet, the inner fulfilment. The core idea towards attaining inner peace is doing things as an offering towards Krishna, say it be eating, dancing, or chanting. Krishna himself is an embodiment of love and forgiveness. He is so merciful that he has clearly mentioned: "if you surrender unto me, I will free you up from all your sins", and what we need to do is chant the maha-mantra keeping our faith and love towards the Godhead. Chaitanya Mahaprabhu himself has already mentioned that "*ceto-darpana-marjanam*" which means that only by chanting the maha-mantra the heart gets purified and we can be freed from the bodily designation. One can get oneself out of this vicious cycle of birth and death in this material world. But to accomplish the same Krishna has mentioned that "*asraddadhanah purusa dharmasyasya parantapa, aprapya mam*", which means that if one has no faith in the Bhagavad-Gita, one cannot get Krishna. This indicates that the test the faithfulness of the devotees in the path of their devotional service.

I would love to conclude by depicting the spiritual goal that the entire humanity must aspire to achieve. Krishna is so merciful that he has even abridged this for us in his 15th Text of Chapter 8: "*mam upetya punar janma, dukhalayam asasvatam, napnuvanti mahatmanah, samsiddhim paramam gatah*". This shloka narrates that one who attains the Godhead are the great souls and are the yogis in devotion. They need not return in this miserable world, for they have attained the highest perfection.

Your Servant,

Bhakta Sourav Mukul Tewari.

Dear Srila Prabhupada,

Please accept my humble obeisances. It is my great fortune that I came in touch with a pure devotee. By your mercy, I have realized the purpose of life is to serve Lord Krishna and his devotees. There have always been some or other obstacles on the path of devotional service. But just because of your causeless mercy, I have always succeeded in the goal of serving the Lord. Dear Srila Prabhupada, I cannot express my gratitude in words, for you have come to this material world to deliver the lowest, fallen soul. Your glorious achievements are the inspiration for our generations. It is impossible for the ordinary soul to achieve such a task worldwide. It's because of your dedication and deep love for Lord Krishna has made you stand up in the history of human mankind. Just like Lord Krishna has personally reciprocated, I plead at your lotus feet to help me to dedicate this life to the service of Lord Krishna and attain the highest perfection of life. It is a tough time for me right now. I pray for mercy at your lotus feet to bless me with devotional service to Lord Krishna. Life was not going well for me before I came under the shelter of your lotus feet. It is because of your causeless mercy that has made me happy and Krishna conscious. Please shower your mercy on all of us.

Your Servant,

Dear Srila Prabhupada,

Gurudev please bless the insignificant materialistic and most unfortunate disciple of yours with the transcendental and auspicious dust of your divine lotus feet so that I may be able to make progress unhindered on the path of Krishna consciousness. After many millions of births and by divine providence does a soul get an opportunity to associate with your exalted devotees and approach the Supreme Personality of Godhead Lord Krishna through your divine instructions. The nectar of divine and confidential transcendental knowledge is unlocked only by your grace and mercy on your true devotees. How much pain and suffering you have personally taken upon yourself to liberate us misguided and lost souls and herd us back to Krishna. you passed all the challenges that Maya Devi put before you when you embarked to fulfill the wish of your Gurudev which is actually an order from lord Gaurasundara Himself. Lord Gaura Chandra had prophesized that Krishna Sankirtan will happen across all the corners of the world. You executed the will of the Supreme Lord by overcoming all the insurmountable challenges that were placed on the path of your mission. Finally, Lord Krishna, Himself blessed you and you have delivered divine hope and the name of the true Supreme Lord Krishna to all his children across the world.

Not paying any heed to your own material comfort you gave up everything to ensure that humanity realises the true purpose of human birth and not keep hankering after sensory fulfilment and material desire just as a filthy hog keeps enjoying itself in the trash and refuse. You lighted the eternal lamp of nama japa and Bhakti yoga in the hearts of hapless humans whose heart had been filled with material dust. It was never easy but you never give up. So many atheists, demons and mayavadis tried to stop you from spreading the light of Bhagavatam and you defeated all of them to ensure that mankind rediscovered its true constitutional position of being an eternal servant of Lord Krishna. There is no peace that can be everlasting until it is transcendental in nature and selfish in service of the Supreme Lord and done with complete submission and devotion. You showed the path back to Godhead through your preaching, books and Kirtana. You said that anyone who is looking to discover the true purpose of life and find Krishna need only read your books. Yes, you are eternal with all your disciples and devotees and your readers through your books. The words in your book are from Krishna and that is why anyone who reads them with humility devotion and sense of surrender discovers the hidden gem of how Krishna is a Supreme Controller and the ultimate destination of all souls. Your words ensure that your true follower gets the strength to sever the exceptionally strong umbilical cord of Maya that can confound exalted demigods like Bramha and Mahesh.

Thus again and time again, I humbly throw myself at your Lotus feet that are the bona fide gateway to Goloka and pray with tears in my eyes that comes over whatever might happen and the howsoever desperate situation might be, let my devotion to Lord Krishna and you never waiver. As the eternal flame burns bright unhindered by rain wind or other factors the flame of devotion and Krishna consciousness inside me be never extinguished. Hare Krishna.

Your Unfortunate Disciple,  
Bhakta Sudeep Sanyal.

Dear Srila Prabhupada,

Please accept my humble obeisances. You have given all of us a beautiful chance to read and understand the Bhagavad Gita with the help of translations and purports. Through this one can learn the true meaning of this life given by Lord Krishna and thus he can indulge himself in chanting the name of God "Hare Krishna". I got to know about the glories of chanting Hare Krishna Mahamantra. It was all possible by your grace only. Thank you very much Srila Prabhupada.

I am feeling very happy that I am a part of your movement for the last 1 year. I had not met any other person like your beloved disciples and devotees who changed my life. Because of your Grace, they saved my life and brought it to the right path. Now I am very eagerly enjoying this path of real happiness, and I beg you to take me into your divine shelter and relieve my senses of incompleteness without you and I am working fully with my spirit and soul for your movement of preaching Hari Naam in this material world till the end of my life. Dear Srila Prabhupada,

Kindly, please accept my obeisance at your lotus feet. Initially, up to the age of my '20s, I was a youth who did many shameful & sinful activities like eating non-veg, drinking alcohol, etc. It seems to be normal at that time since my family was in favour of eating non-veg, etc. I was a worshipper of different demigods. I was not even aware of what ISKCON means. Life was running very simple, smoothly, and happily. Suddenly, the whole scenario was changed in my life; something strange happened to me in my college life. I was very depressed at the moment. I got the job in a Chinese company from the campus placement, there the environment and talks were the same as eating non-veg, drinking alcohol, etc. Still, I felt like normal life. In that period of the year, very bad things started to happen with me, as very the dear most cousin of my same age did suicide by jumping off from the 5th-floor building, I lost my job, etc. At that very period, I was very helpless. My cousin's suicide was a very shocking thing in my family.

I thought about why he suicide. Suicide was not the way to the solutions—being myself tensed and depressed. I started watching many motivational and inspirational videos. I was searching for a solution to my life. Thereafter, I came across the videos of the devotee talking about life. I started watching the videos of devotees of ISKCON, where I came to know what ISKCON means and who is the Founder of ISKCON. Then, I came to know about you; I started watching your videos, which helped me from the great depression. If you had not entered my life, I would not be alive till now, So you are my life saver and changer. I am so grateful and thankful for what you did. Thereafter, I joined PDPU for Mtech; there, I met a Devotee who became my friend. He gave me chanting beads, and I started to chant with 1-2 rounds. By chanting, I felt relaxed, I gave up easily eating non-veg, onion-garlic, alcohol, etc. I prayed a lot to have an association of devotees, where I can advance my spiritual life. After many months passed, I came in association with devotees of HKM, Ahmedabad. I became very grateful to you and Krishna for providing the association of devotees. Now, I am doing 12-16 rounds daily, following four regulative principles and having an association of devotees. But many times, I fall from the path. I request you to provide me blessing and mercy unto me so that I can walk through your footstep and participate with enthusiasm in this path and preach others to follow your footsteps. Kindly shower your mercy and blessings unto me, and please always remain with us in our hearts.

Please accept my prayers:

Dear Most spiritual master, Srila Prabhupada,

Please accept my humble prostration at your lotus feet. All glories to you. With your grace, we all are floating in the ocean of the greatest knowledge of Krishna Consciousness. I think I am one of the fortunate persons in the world to participate in this Krishna Consciousness Movement. I completed the Bhagavad Gita course with your blessings which changed me to a dedicated devotee of Lord Krishna. Before this course, I didn't have any knowledge about Bhagavad Gita. But now I realized the glories of Bhagavad Gita and realized the difference between soul and spirit. After reading it, I am emotionally stable and by your mercy, help me implement the teachings in my life. I was unclearly piety, but it turned into a perfect faith only when the Krishna Consciousness Movement, the movement you started for fallen souls like me, came into my life. O spiritual master, by your Bhagavad Gita As It Is made me realize the true philosophy of God. By mind, speech and action (Manasa, Vacha, Karmana) I soulfully surrender to you so that the virtues I practice will always protect me. You made me realize that meditating on Lord Krishna by being vigilant is the real joy. My behaviour has changed deeply.

My sincere thanks to your Krishna Consciousness Movement which you have started decades back in America, has influenced me so much. Please help in conveying this knowledge to my friends and acquaintances. Hence I request you to always shower your blessings on me so that I can overcome all the obstacles in my spiritual life. All glories to you Srila Prabhupada.

Dear Srila Prabhupada, Hare Krishna !

Please accept my humble obeisances at Your lotus feet,

*nama om vishnupadaya krishna presthaya bhutale  
srimate bhaktivedanta swamin iti namine*

"On this auspicious day of your Vyasa Puja celebration, I offer my respectful obeisances unto my Spiritual Master who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge." For the past two years, I have been associating with Hare Krishna Mandir Bhadaj, Ahmedabad. I regularly visit the temple with my family, associate with devotees and chant the Hare Krishna mantra. By your grace, I have taken 'ashraya' of four rounds. I don't have Nitai Gauranga at my home, but I worship Srila Prabhupada, Chaitanya Mahaprabhu, as well as Radha Madhav, and sometimes I chant eight rounds to 16 rounds. By the mercy of Lord Krishna, may I continue to engage in your service as you see fit? I am a soul surrendered at your lotus feet. Let me be able to follow the rules and regulations like waking up early, chanting 16 rounds in the morning, attending Mangala arati, engaging in more and more services with greater enthusiasm.

*'હરે કૃષ્ણ હરે કૃષ્ણ કૃષ્ણ કૃષ્ણ હરે હરે હરે રામ હરે રામ રામ રામ હરે હરે*

Regarding the Mahamantra; by chanting, I forget the entire day's fatigue in a moment and find peace of mind. Hare Krishna Mahamantra gives me peace of mind and my soul gets immense pleasure. Srila Prabhupada, I would like to thank you for saving me from material life. Please forgive me for the offences, done knowingly or unknowingly, unto your or any other Vaishnava's lotus feet, out of my ignorance. Hare Krishna.

Trying to become your sincere servant,

Dear Srila Prabhupada,

Please accept my humble obeisances. My dear beloved Srila Prabhupada, It is revealed in the scriptures that the order of spiritual master should be the life and soul of disciple. Your holiness is the testimony whose only desire was to fulfil the order of His Divine Grace Bhaktisiddhanta Sarasvati Thakura. In the year 1936, you had been ordered by your spiritual master to spread the literature of Krishna Consciousness in English. When it comes to Book distribution, your books have been distributed more than half-billion since 1965. You really demonstrated what it really means to execute the order of spiritual master with life and soul. I seek your strength to fulfil the orders of my immediate authorities with life and soul. This immense achievement in that time of your life makes me stand out with overflowing respect and love for your compassion to deliver the stone-hearted people of this age. You have been my motivations, inspiration and the light of hope to guide me and make me walk in the perfection of realizing this human form of life. I beg at your lotus feet to engage me in the service of Lord Krishna.

Your Servant,

Dear Srila Prabhupada,

Please accept my humble obeisance to your lotus feet. All glories to you. Since the day I came in to touch with Krishna Consciousness Movement, my efforts were always to bring new souls to you, for only you can expertly engage anybody in Krishna's service. During this effort, I've always desired how nice it would be if my parents could take to Krishna consciousness. This year a miracle happened, by your mercy, my parents could have darshan of Sri Vrindavan Dham and Sri Dwaraka Dham in the association of temple devotees. It was the life-changing experience for them. All the wrong conceptions that they had in mind about the Krishna Consciousness Movement were washed out by Dham Yatra in the association of devotees. My father has started chanting 4 rounds of Hare Krishna Maha-mantra and is reading Prabhupada's books. My mother joins him in hearing Gujarati lectures. They are very much excited to go on next Dham Yatra. Additionally, they came to temple on the auspicious day of 'Gita Jayanti' to participate in shloka chanting in front of Sri Sri Radha Madhava. Please keep showering your mercy upon them so they may progress in Krishna's service. This year by your mercy I got the chance to stay in the temple and serve for two months and could associate with senior devotees and take guidance. I wish to get more such chances so that I can spend more time in the association of devotees and serve the mission.

Hare Krishna, Jai Srila Prabhupada,

Please accept my humble obeisance, I am fallen soul and not able to follow your instructions. I pray to you, give some mercy to this fallen soul to start following your instruction seriously. I am always remembering your one instruction that you told, "In any condition don't leave Krishna consciousness, at least hold my dhoti I will take you back home back to Godhead". I trying somehow to increase Krishna consciousness and trying to increase chanting Hare Krishna Maha-mantra rounds, read your books, follow your instructions, but I am stuck with family responsibility and also not able to overcome ignorance. I know whenever I chant, I get energy but I don't know how Maya attacks and again I fall down. Please Prabhupada, help me to overcome this and guide me so I can do more service to Krishna and you. In this world, so many traps are there and we can protect ourselves by following your instructions. I want to thank you that due to some practice of Krishna consciousness that I did as per your instructions in past and I am able to protect myself from all the traps.

I remember your one example given about tree, "when gardener plants a seed and when it's in the initial stage he takes care of plant's growth by removing weeds. If he neglects to remove weeds then the real purpose of growing plant is lost. But once the plant is grown up and becomes a strong tree then no weeds can affect that tree. Similarly, when I practice Krishna consciousness, you are protecting me from Maya. Thanks for giving all valuable knowledge due to which I feel always protected. All glories to Srila Prabhupada. Hare Krishna.

Your Servant,  
BhaktaVed Prakash.

Dear Srila Prabhupada,

I offer my obeisances to you. I am very much honoured to write about you. Whenever I feel low in my life, I just remember your struggle for establishing ISKCON which I read in your lilamrita. Whatever struggles came in your life you took it as a challenge, in fact, by that challenges your faith on Krishna became firmer and firmer as you knew that whatever happened in your life, either good or bad is Krishna's blessing. You always used to say that whatever we do, we need to keep Krishna as the centre. Somehow or the other by your grace I got to know about Harinam. I just humbly seek your blessings so that I can take Harinam more seriously and serve you and Krishna with utmost sincerity.

Your Humble Servant,

I offer my respectful obeisances unto His Divine Grace AC Bhaktivedanta Swami Prabhupada who is very dear to Lord Krishna having taken shelter at his lotus feet.

Dear Prabhupada,

Before I came in touch with your teachings I have very unhappy, confused and frightened. I didn't understand why there was so much of suffering in the world. Everywhere I turned, I saw cruelty and pain, misery and hopelessness. Nothing made sense to me. Like everyone around me, I tried to find some satisfaction in sense enjoyment but my feeble attempts were always met with frustration. I constantly felt like something was missing. Just when I was about to give up the final shred of hope, I found the shelter of Hare Krishna Mandir, Ahmedabad. I had found the Absolute Truth. I was immediately convinced that you were the perfect spiritual master and I knew that I had to become your disciple. And by your mercy, I am on the way to becoming more Krishna conscious.

Srila Prabhupada, you saved me from a life of misery and ignorance. You gave me hope. By your mercy, the seed of bhakti was planted within my heart and from that moment there was no turning back. I continue to stumble and succumb to the illusory energy but by your grace, I have never lost faith and hope and every day of my life. I am feeling so much gratitude and appreciation for being delivered by you into the light of Krishna consciousness. My only wish is that you may accept this poor fallen person's offering at your lotus feet on this auspicious day of celebrating your appearance in this world.

Your Servant,  
Bhakta Vijal J Prajapati.

Dear Prabhupada,

My entry in Folk Hostel was only because of your mercy. Initially, during my stay, I was facing many difficulties in following the Folk rules and regulations because of being an agnostic. God was something I never believed in. If you were not present to guide me from within, I would have just become a materialistic man whose only aim was to gratify his senses. But now, after practising Krishna consciousness for three years, I have realized that I was so wrong. Because of your mercy towards me, I am able to chant the holy name of the Lord 1728 times daily. Your teachings have changed my perspective toward God. Also, because of your teachings, it is becoming possible for me to overcome my ego problems. I learned to be gentle and humble towards my godbrothers as well as the outside world. During the COVID 19 pandemic, despite being away from devotees and godbrothers, I was still in your association by doing menial service of making quizzes. Also, during that time, I understood the struggles undertaken by you and your devotees in founding & developing ISKCON, in which anyone can come to perfect his spiritual life and his love for Krishna.

Also, after coming in touch with your lotus feet, I am able to honour the delicious prasadam. After joining folk, I went on a trip to ISKCON Bangalore, Tirupati Balaji, and Hare Krishna Temple in Jaipur with my fellow Folk boys and the fun I had in that trip was the best I had ever experienced in my entire life. Also, during my trip to ISKCON Juhu, when I heard your pastimes, I was able to understand the struggles and efforts taken by you for constructing this beautiful temple. The Hare Krishna Temple in Ahmedabad now seems like a second home to me. By your grace, I have got a fantastic Folk Guide who always clears my doubts regarding my spiritual life. Only after his association, I was able to grow in my life spiritually. Also,

my fellow godbrothers are very helpful and caring. Thank you, Prabhupada, for giving me this wonderful opportunity, and please bless me so that I can progress in my spiritual life more.

Your Aspiring Servant,

Hare Krishna, All glories to Srila Prabhupada,

I have received a little bit of knowledge from Prabhupada's books, and thus I am writing today. Because of Srila Prabhupada only, I realised the importance and significance of Lord Krishna in my life. It makes me stable and peaceful. At my home, I experience the effects of prasadam, kirtan, and a spiritual atmosphere. Its effects are visible on ourselves, parents and kids. In future, I pray for the mercy of Prabhupada, that I keep walking on the path shown by him, and always keep Krishna in the centre of my life.

Dear Srila Prabhupada,

I offer my respectful obeisances to you.

I am fortunate that you came into my life. My journey to the Hare Krishna movement started in 2015 after coming in touch with a temple devotee. He always encouraged me to take up chanting and offered me one of your books "Life comes from Life". After reading that book I got an interest in spirituality. Gradually I started getting real meaning of life. Each time when I visit the temple, it gave me peace of mind. Amidst this lockdown as things were not going in a planned manner I was passing days at my home, due to your mercy only I got a message from my Folk guide to join the Folk quiz group. Afterward, when I joined that group I felt so fortunate that all the devotees who are at the temple working so hard to spread the Krishna Consciousness to the fallen like me and I am in touch with them. Prabhupada, I am trying to follow your instructions but every time it gives me goosebumps whenever I hear about the hardships you faced in your life and especially your Journey to the West. I am grateful that through your mercy, I started practicing Krishna Consciousness, it uplifted me spiritually. I am also feeling fortunate that I am reading your books and attending the activities happening in HKM Ahmedabad especially "LA FETE GITA". It has given me the meaning of life through the teachings of Bhagavad Gita.

In this world when others are entangled in the so-called happiness, you have taught us how to focus our mind on the Supreme Personality of Godhead, Lord Sri Krishna, and carry out our activities. My words may fall short to glorify you more, but always shower mercy on me and forgive me if I have made any mistake.

Hare Krishna.

Your servant,

Bhakta Vyas Shrinath.

Dear Srila prabhupada,

I offer my respectful obeisances unto you. All glories to you.

I was living a life of ignorance doing all kinds of sinful activities, but when I came to know about Krishna consciousness movement, I decided to take it seriously, by leaving my ignorant and sinful life, I started living like a small child in the association of devotees in FOLK residency. It's been 1 year that I started living, chanting, & doing services. These all Sadana made my life very joyful and happy.

Just by living with the devotees, I gradually progressed in KC. Now, I got a clear vision of the goal of life. आदरणीय गुरु जी

श्री श्रीमद कृष्ण कृपा मूर्ति अभय चरणारविन्द भक्तिवेदांत स्वामी श्रील प्रभुपाद के चरणों में मेरा दंडवत प्रणाम। आप की संस्था के संपर्क में आकर आप के द्वारा मुझे यह पता चला है कि

भगवान श्री कृष्ण ही सभी के मालिक हैं ।

भगवान श्री कृष्ण ही सभी सृष्टि के पालनहार है और उन्ही के इच्छा से सारा ब्रह्माण्ड चलता है।

सभी जीवों का कल्याण केवल भगवान श्री कृष्ण ही कर सकते है।

भगवान पूर्ण साकार है उनका तेज निराकार है।

नियामक सिद्धांत

- 1) नशा नहीं करना (शराब, सिगरेट, चाय, कॉफ़ी आदि)
- 2) जुआ नहीं खेलना (गैबलिंग, लॉटरी, शेयर मार्किट आदि)
- 3) पराई स्त्री के साथ अवैध सम्बन्ध नहीं रखना।
- 4) मांसाहार नहीं करना।

ना तो हमें नॉनवेजीटेरियन रहना है नहीं हमें वेजीटेरियन रहना है हमें कृष्णोटेरियन रहना है (वैष्णव),

और भगवत नाम कीर्तन ही कलयुग में हमें इस भाव सागर से मुक्त करा पायेगा वो भी किसी प्रामाणिक गुरु के आदेशानुसार और भगवान के भक्तों के संग रहकर ही हम भगवान श्री कृष्ण के वैकुण्ठ धाम जा पाएंगे।

मैं इस्कॉन से पहले कई और संस्था, गुरु आदि से जुड़ा हुआ था पर मुझे यह ज्ञान जो आप ने दिया वो कहीं नहीं मिला पर इस्कॉन से जुड़ते ही आज मुझे बहुत सुकून मिला है। मुझे पता चल गया कि हम शरीर नहीं है, आत्मा है और जो आत्मा है वह ना तो जल सकती है नहीं बह सकती है नहीं मरती है।

आत्मा अमर है। शरीर अपने अंतिम समय व्यक्ति के मन में जो भाव रहता है उसके अनुसार ही उसका अगला जन्म होता है यह सत्य मुझे इस्कॉन द्वारा ही पता चला।

मुझे पूरी तरह इस्कॉन से जुड़े आज लगभग 10 महीने हो चुके है इन 10 महीनों में मेने

हरे कृष्ण हरे कृष्ण कृष्ण कृष्ण हरे हरे हरे राम हरे राम राम राम हरे हरे जो हरे कृष्ण

महा मंत्र है उसका एक माला जप करना शुरू किया और हाल ही में मेने लगभग 20 दिनों से 16 माला भी जप करना शुरू कर दिया है।

नियम भी पालन कर रहा हूँ।

एकादशी का व्रत कर रहा हूँ।

भगवत गीता पढ़ना शुरू किया हूँ।

रोज तुलसी महारानी को जल चढ़ाता हूँ।

इस्कॉन से जुड़ कर और भी बहुत कुछ मेरे जीवन में परिवर्तन आया है। मैं सदा इस्कॉन से जुड़ा रहना चाहता हूँ। प्रभुपादजी, आप मुझ पर इस प्रकार कृपा बरसाए रखना और मेरा मार्ग दर्शन करते रहियेगा। मुझे वैकुण्ठ जाना है और अपनी स्वभाविक स्थिति में आना है जो की कृष्ण के नित्य दास के रूप में हैं। यह सिर्फ आपकी कृपा से ही संभव है। मेरी आपसे यह प्रार्थना है की आप मेरा साथ कभी ना छोड़े और मुझे भगवान् कृष्ण की सेवा में लगाए रखे।

आपका आज्ञाकारी दास,

भक्त योगेश सोनी.

Dear Srila Prabhupada,

I offer my humble obeisance to your lotus feet.

I am very thankful to Lord Krishna that I have come in the contact with Srila Prabhupada through my Folk guide. You are the reason that I have entered into spiritual life. Chanting the name of the Lord is the most beautiful thing we can do. We visited the Ahmedabad temple on the occasion of Vijaya Dashami and enjoyed very well, we stayed there. Later we visited the beautiful Dwarka Nagri of Lord Krishna. Meeting Krishna in his city was very great. I am doing my best to be Krishna conscious. Please show me your mercy and engage me in your service.

Dear Srila Prabhupada,

I request you to accept my humble obeisance and salutations unto your lotus feet. Another year has passed under your shelter; you are forgiving my sins and mistakes and giving me repeated chances to progress in Krishna consciousness. It is by your causeless mercy I am able to chant the holy name and serve the Lord, or else I am so fallen that I can't imagine what would have happened to me as a result of my Karma.

*jogyata- vicare, kichu nahi pain, tomara karuna-sara  
karuna na hoile kandiya-kandiya prana na rakhibo ara*

*"If you examine me, you will find no qualities. Your mercy is all I am made of. If you are not merciful unto me, I can only weep, and will not be able to maintain my life."*

It is you Srila Prabhupada, who has used even my brokenness and engaged me in the service of the Lord. It is your grace, who saved me when I took the wrong step and blessed me with another life to serve the Lord, and thus, I wish to dedicate this life of mine to you. I am so fortunate that despite my perpetual mistakes, you have shown trust in me, and have continued to bless me with opportunities and engaged me in the service of the Lord. Prabhupada your perfection in knowledge of Krishna consciousness cuts the arguments of absurd and material philosophy like a hot knife through butter. You are the quintessential example of ardent devotion, a preacher, and a pure servant of the Lord. Your exemplary courage and humble nature to spread Sri Chaitanya Mahaprabhu's Sankirtana movement are very inspiring to me to be a preacher.

*guru-mukha-padma-vakya, cittete koriya-aikya ar na koriho mane asa*

My only wish is to have conscious purified by the words emanating from lotus mouth. And it is my intense craving to learn to be dependent on you and Lord Krishna and thus, to serve you and Krishna may become the only purpose of my life. I humbly pray that a day comes when I become eligible to offer my salutations to you as your sincere servant.

Your Aspiring Servant,  
Bhaktin Aasvi Ranpura.

Respected His Divine Grace A.C. Bhaktivedanta Srila Prabhupada,

Hare Krishna Srila Prabhupada, I submit my obeisance to your lotus feet. My last visit of Hare Krishna Temple Ahmedabad Bhadaj on the occasion of Gaura Purnima 2020. After that I unable to visit the temple because of this virus pandemic period so I missed the sounds of Kartal, mridanga, kirtan, darshan and service. We started kirtan with Kartal at my home for 1 hour every day with different kirtans of Lord Krishna. Because of this coronavirus I unable to give my last final year exam but I didn't take any tension regarding my exam and instead of that I use to do service for Lord Nitai Gauranga by making of mukut, decoration of dresses which is stitched by my mother and cooking bhogha. I expect that this coronavirus pandemic should be completed by August 2020. So that we all congregation devotees can take part in services on the occasion of Sri Krishna Janmashtami and the service should be continued. Srila Prabhupada, if obstacles come in my Krishna consciousness, give me guidance and strength to improve my spiritual path and overcome the obstacles. Please, forgive me if I made mistake by word or phrase while writing this offering homage to you.

Your's sincere and Obedient child,

सबसे प्रिय श्रील प्रभुपाद, आपको मेरा सादर प्रणाम।

मैं अहमदाबाद के राधा माधव मंदिर से जुड़ी हुई हूँ। मैं पहले भक्ति में रुचि नहीं रखती थी। भगवान पर विश्वास था, लेकिन परम पुरुषोत्तम भगवान एक ही होते हैं, यह पता नहीं था। आपके मेरे जीवन में आने से मुझे पता चला की एक ही भगवान है, और वह है भगवान कृष्ण। मैंने बहुत साल पहले कृष्ण पुस्तक के दो पृष्ठ पढ़े थे। भगवद गीता में आपकी तस्वीर देखी थी। तब पता भी नहीं था की आपको मैं अपने गुरुदेव के रूप में स्वीकार करूँगी और आपकी कृपा मेरे पर सदैव बनी रहेगी। मैंने कभी हरे कृष्ण महामंत्र का जप नहीं किया था। आप के संपर्क में आने से पहले मैं अलग-अलग देवी-देवताओं का जप किया करती थी। परंतु आपकी कृपा से मुझे हरे कृष्ण महा मंत्र मिला। आपकी कृपा से आज मैं प्रतिदिन १६ माला कर रही हूँ। आपकी पुस्तके पढ़ कर समझ आ रहा है पहले जीवन कैसा था और अब क्या परिवर्तन आए हैं। आपको और कृष्ण को जानने का प्रयत्न कर रही हूँ। केवल आपकी कृपा से मुझे भगवान कृष्ण के बारे में जानने का अवसर मिला। आपके और राधा माधव की कृपा से मैं वृंदावन जा सकी। वहां जाने का मेरा बहुत मन था। मैं आपकी कृपा से जल्दी उठ कर जप करती हूँ। आपके आने से मेरा जीवन बहुत बदल गया है। मुझे आप गुरु के तौर पर मिले और आपका आश्रय दिया, यह मेरे जीवन का सबसे बड़ा उपहार है

आपको कोटि-कोटि प्रणाम की आप मेरे जीवन में है और और मेरी यही अभिलाषा है कि आध्यात्मिक जीवन के मार्ग में आपके और राधा माधव के आशीर्वाद से मुझे और ज्यादा आगे बढ़ना है। आप मेरे भक्ति के पथ में मेरे साथ रहे और मुझे आगे बढ़ने का मौका प्राप्त हुआ, इसलिए आपका धन्यवाद। क्योंकि मैं प्रथम बार आप को पत्र लिख रही हूँ, लिखते समय अगर कुछ भूल हुई हो तो कृपया मुझे क्षमा करें।

आपकी सेविका,  
भक्त अक्षता पटेल.

Dear Sirla Prabhupada,

Please accept my humble obeisances, All glories to you on this most auspicious day.

*om̐ aṣṣāna-timirāndhasya jṣānāṣjana-sālākayā cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ  
śrī-chaitanya-mano-bhīṣṭaṁ sthāpitaṁ yena bhū-tale svayaṁ rūpaḥ kadā mahyaṁ dadāti sva-padāntikam*

*“I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.”*

When will Śrīla Rūpa Gosvāmī Prabhupāda, who has established within this material world the mission to fulfil the desire of Lord Chaitanya, give me shelter under his lotus feet? Guru is the one who connects the living beings to the Supreme Lord. Guru is the one who becomes a bridge between conditioned souls and Sri Sri Radha Madhav. Guru is a tattva element. He is not limited to a body or a form. Life is an ocean of love. Flow the lamp of knowledge in it. By Krishna’s mercy a person gets the bona fide spiritual master and by the grace of bona fide spiritual master one gets Krishna, that’s why it is said that “These temples, they are just like the oasis in the desert for the conditioned souls to quench the thirst of their desire for real happiness”. Srila Prabhupada, you have given Krishna consciousness in a very palatable way including all the sides of life by chanting Hare Krishna maha-mantra, along with dancing and singing. Your philosophy includes all the different activities of humankind of any field in this world. And as such in the Kali Yuga it is very easy, relishable and makes our lives full of happiness and success in Krishna consciousness. Srila Prabhupada, you have taught us about serving and honouring prasadam. If someone practices to eat prasadam even if there is some little sinful activity involved, one becomes free from the result of sinful acts.

You have taught us that even by chanting holy names once daily, Krishna will never forget us. That’s the power of Krishna bhakti and along with the guidance of Prabhupada, Krishna will never leave His devotee in any crisis. Preaching is more important than managing. Just because you are preaching beautifully and distributing so much prasada, the management will follow like a shadow and Krishna send you never-ending of help to people. We never imagined in our lives. All these things are nothing but your causeless mercy only. You give us the inspiration to become a pure devotee means fully qualified with all the noble qualities even though we didn’t deserve it. It is by Your Divine Grace, we have come to know that what should be the goal of life? For what, we should strive? In the world of Kali-yuga all things are disturbing and useless. But our Vedic literature and knowledge of Bhagavad-gita which is very confidential and essence of all the literature which is not possible to understand without the mercy of a spiritual master. You presented Bhagavad-Gita in such a way like a goldsmith presents gold in the midst of all rubbish things. Srila Prabhupada, in spite of your old age, even got two heart attacks, no physical and financial support you has taken so many difficulties to spread Krishna Consciousness across the world as the name of ISKCON. It shows how compassionate you are upon fallen condition souls like us, just like a father can do anything to save his child in a similar way you came here to save all of us. It is impossible for a disciple to repay his spiritual master. Even in this world, people feel gratitude for material things on different platforms but thing which you have given to the world is never compared with any other things. This is an opportunity to live in a world where guru like you has given a true & real way of doing Krishna bhakti, chanting Harinam, aarati, prasadam, reading Bhagavat-gita and lot more things will help us to go one step closer to Krishna in every second.

The Guru’s form is the best to meditate upon, the Guru’s feet are the best for worship and the Guru’s word is a mantra for every devotee. Srila Prabhupada, in the last we would say only that please never neglect us from your lotus feet, there will be ups & downs while practising spiritual life, please give us the strength to face the situation & whenever we make any mistake please guide us. Thank you Srila Prabhupada for giving me a chance to come back to the spiritual world.

Your Humble Servant,  
Bhaktin Anasuya Nayee.

श्रील प्रभुपाद, आपके चरणों में कोटी कोटी प्रणाम।

आपकी कृपा से मुझे कृष्ण भक्ति प्राप्त हुए है। और आपकी कृपा से ही मुझे और मेरे पूरे परिवार को नितार्ई गौरांग की सेवा करने का सौभाग्य प्राप्त हुआ। आपके आशीर्वाद से मैं पिछले चार साल से कृष्ण भावनामृत में जुड़ी हुई हूँ। कृष्णभावनामृत में जुड़ने से पहले मेने कभी नाम या मंत्र जप नहीं किया था और न ही कभी माला की थी। अब मैं नियमित रूप से माला करती हूँ। कृष्णभावनामृत में जुड़ने से मेरे जीवन में जो भी परिवर्तन आया है उसके लिए मैं आपकी बोहत आभारी हूँ। मैं आपसे प्रार्थना करती हूँ कि आप पनी कृपा दृष्टि मुझ पर बनाए रखिए और मुझे कृष्णभक्ति में और भी आगे बढ़ाएं।

प्रभुपाद जी के चरणों में मेरा दंडवत प्रणाम।

इस्कॉन के संस्थापक एक महान व्यक्ति को मेरा दंडवत प्रणाम। आपकी कृपा से बड़े-बड़े शहरों में फोक रेजिडेंसी की स्थापना की गई जिससे वहां पढ़ने गए बच्चे बुरी संगति से बच गए। जब मेरा बेटा पुणे शहर में अपनी पढ़ाई करने गया तो मुझे बहुत चिंता थी कि मेरा बच्चा कहीं बिगड़ नहीं जाए। लेकिन ठाकुर जी की कृपा से वह बुरी संगति से बच गया और इस कौन के माध्यम से आपके साथ जुड़ गया। मैं ठाकुर जी और श्रील प्रभुपाद जी का कोटि-कोटि धन्यवाद करती हूँ। मेरे पास उनका धन्यवाद करने के लिए शब्दों की कमी है। आपने मेरी सारी चिंता को दूर किया। लेकिन जब मेरा बेटा इस्कॉन से जुड़ा तो मुझे इस्कॉन का पता नहीं था। इस्कॉन कैसी संस्था है, यह क्या करती है, इसका उद्देश्य क्या है, मुझे काफी संदेह हुआ। शुरुआत में मुझे अपने बेटे पर विश्वास नहीं हुआ। बाद में मैंने अपनी बहन जो कि पहले से ही ठाकुर जी की भक्त है, उनसे पूछा कि यह इस्कॉन कौन सी संस्था है? जब उसने मुझे इस्कॉन और हरे कृष्ण महामंत्र के बारे में समझाया तब जाकर मुझे पूर्ण विश्वास हुआ।

यह सब होने के बाद आपने मुझे अपने बेटे के माध्यम से समझाया कि कृष्ण जी सारे देवी देवताओं में सबसे बड़े हैं। वह परम पुरुषोत्तम भगवान हैं। हमें उन्हीं की पूजा करनी चाहिए। लेकिन हम साथ-साथ देवी देवताओं का भी आदर नमस्कार कर सकते हैं। लेकिन सबसे ऊपर ठाकुर जी हैं क्योंकि वह जगत पिता है। आपकी कृपा से मैंने एकादशी का व्रत रखना भी शुरू किया। धीरे-धीरे मैंने ठाकुर जी को भोग लगाना शुरू किया। वर्ष 2019 में मुझे वृंदावन जाने का सौभाग्य प्राप्त हुआ जहां से मैंने बहुत कुछ सीखा। मैं बहुत ज्यादा पूजा-पाठ तो नहीं कर पाती लेकिन कोशिश जरूर करती हूँ। मेरी आपसे प्रार्थना है कि ठाकुर जी हमारे सारे परिवार को अपने चरणों में लगा ले और हम निरंतर उनकी पूजा करते रहें। यह ठाकुर जी की प्रेरणा ही थी कि 4 साल पहले मैंने अपने रिश्तेदार से शौकिया तौर पर वृंदावन से राधा रानी और ठाकुर जी की मूर्तियां मंगवाई पर उस समय मुझे ठाकुर जी के बारे में और आपके बारे में ज्यादा जानकारी नहीं थी। मेरे बेटे को ठाकुर जी को घर लाने का सौभाग्य प्राप्त हुआ। उसी के हाथों ठाकुर जी मेरे घर पर पधारे मैं आपसे प्रार्थना करती हूँ कि मैं आध्यात्मिक जीवन में कुछ ना कुछ सीखने की कोशिश कर रही हूँ। कृपया मेरी मदद करें।

मैं भी अहमदाबाद के इस्कॉन मंदिर से जुड़ रही हूँ। वहां पर कृष्ण कृपा प्रभु जी से फोन पर ही कभी-कभी कुछ सीखने का अवसर प्राप्त होता है। आप के संपर्क में आने से पहले मैं जीवन में बहुत चिंता किया करती थी, लेकिन जब से मैं ठाकुर जी की शरण में आई हूँ मैंने सारी चिंताएं उनके चरणों में अर्पित कर दी है। अब मुझे पूर्ण विश्वास है कि हमारे तारणहार जब ठाकुर जी ही हैं, जो भी कुछ करना है सिर्फ उन्हें ही करना है। तो मैं चिंता करने वाली कौन होती हूँ?

प्रभुपाद जी, मैं बुद्धिहीन हूँ और मुझे कुछ भी ढंग से नहीं पता। मेरी आपसे विनम्र निवेदन है कि आप हमारे सारे परिवार को कृष्ण प्रेम प्रदान कीजिए और सदबुद्धि दीजिए।

आपकी दासी,  
भक्तिन आशु।

Dear Srila Prabhupada,

Please accept my humble obeisances to you. "Jagannatha Swami Nayana pathagami bhavatu me": which means I seek your holy darshan wherever I glimpse. This date back to the 1st of September, 1896; that auspicious moment when we the humans were venerated by the advent of our spiritual teacher, Abhay Charanaravinda Bhaktivedanta Swami Prabhupada. It

is propitious for the cause that coincidentally it was Janmashtami when our very Godhead blessed us with his divine incarnation on this Earth. He was born to Gaur Mohan Dey and Rajani Dey. The beauty in this is that both of his parents were ardent devotees of Krishna. He mastered his grip over English and Sanskrit while he was sailing through his studies in Scottish Church College at Kolkata. The broader affair towards the Hare Krishna Movement was budded with the foundation of The Gaudiya Chaitanya Math by Bhaktivedanta Saraswati Thakur in the year 1918. It was him who crafted Srila Prabhupada with such perfection. This movement was escalated to its matured grandstand in the year 1972, with the inception of Iskcon in Mayapur, and was entirely led by none other than Srila Prabhupada. This was not the first time that Prabhupada guided such an enormous initiative. It was in the year 1969 that he established Sri Radha Londoneshwar on the 14th of December.

Embarking such things and that too on an alien soil was in itself a milestone. Still, when we venture deep down in his thoughts, we find the only glorification that he ever expected from the people is that they understand Krishna and appreciate how important it is to surrender unto Him. See the beauty of the Law of Attraction, His tacit urge for the betterment of the people was well understood, and in no time, he was able to amass a large clan of like-minded individuals. This spree of Krishna consciousness spread like wildfires. It respected no boundaries, no privileges towards any race or sex or religion. People have started understanding the beauty and elegance of Krishna. It's so addictive and transcendental. I often wonder, isn't he a mystery! It was just him, with his wit, perseverance, and dedication that made him establish this institute for the sole purpose of salvation from this material world. He himself has been an irrepressible powerhouse. Rightly said: "Age is just a number" because the time when he was busy in the making, he was more than 70 years old. His followers were utterly captivated by his monasticism. His feeling of oneness and simple living was making him a popular leader. He has always emphasized on improving the standard of consciousness rather than improving the standard of living.

An astrologer prepared the horoscope for Srila Prabhupada and revealed: "when this child will reach the age of 70, he will cross the ocean, become a great teacher of religion and will establish 108 Krishna temples". Now we all know how accurate the astrologer was. In short, Srila Prabhupada stressed that Krishna was not the property of India; he is universal and the best friend to all the living entities. Krishna is Eternal, Krishna is Omnipresent, Krishna is Glorified in every language of the world. If anybody followed Him, it would indeed bring peace and brotherhood not only to humanity but also to all living entities, Mother Nature and the environment. He is a real representative of Sri Krishna Chaitanya, who is predicted in the Bhagavad Purana. His Sankirtan movement would be spread throughout the world and was uniquely empowered with faith and perseverance to accomplish the incredible service. So we can say that Srila Prabhupada has brought the oriental principle of the traditional civilization to the west. He was able to successfully convince the mass, "Engage your mind always in thinking of Krishna, offer obeisance and worship Krishna. Being completely absorbed in Krishna, surely you will come to Krishna". He pointed out that the highest goal in human life is to develop unalloyed love of Krishna, The supreme personality of Godhead. When one is situated on the transcendental stage, he attains the most coveted position- The stage of loving God. Prabhupada taught that this is the highest stage of perfection for human beings, being engrossed in the material body; the conditioned soul increases the pages of history by all kinds of material activities. He was sure to be baffled in an attempt to attain the ultimate goal of life. Oh, mighty lord, I have no desire to any numbers of followers, I only want Your causeless devotional service birth by birth. Hare Krishna!

Your Servant,

Bhakta Bandana Pathak Tewari.

Dear Srila Prabhupada,

I offer my respectful obeisances unto the lotus feet of my spiritual master Srila Prabhupada and unto all the Vaishnavas. Srila Prabhupada, by your mercy you have opened my eyes with the torch of knowledge. I bow down unto your lotus feet.

I am one of the most insignificant jivas. By the grace of Lord Krishna, I have found refuge in the lotus feet of Your Divine Grace. I have received the mercy of your constant guidance to advance on the spiritual path. I am thankful to Your Divine Grace, as it is by your mercy only that I came in touch with this Hare Krishna Movement 3 years ago. Due to your blessing, I was chanting 16 rounds for a while, but now, due to more studies, I chant only 4 rounds daily. I practice devotional service to Lord Krishna at home in all possible ways. I was not getting time to read your books but you have made the arrangement to read them through Bal Sanskriti classes. In this year 2020, I lost my precious time in various activities. But with your mercy, I kept chanting my rounds and I offered the aratis in mind during the difficult times. However, one more arrangement was made with your mercy. That was 'Sadhusanga' for everyone, every night during the lockdown period so that no one gets detached from the Lord's association. By your mercy, I have left eating non-prasadam.

Your Divine Grace has inspired me to stay in Krishna consciousness and do karma. Everything that is happening in my life is happening only by the grace of you, Srila Prabhupada and Lord Krishna. O Gurudev! My only prayer is to keep me engaged in your eternal service and my desire is to get more and more interest in Harinam and all other spiritual activities. Please keep showering your mercy on me and my family. Thank you so much Srila Prabhupada.

Servant of your Servant, Bhaktin Charmi Patel.

Dear Beloved Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to Your Divine Grace. Thank you for coming to this world to save us in spite of the tremendous difficulties and obstacles which you had to face alone, depending solely on the mercy

of the Supreme Lord Krishna and your eternal spiritual master, Srila Bhaktisiddhanta Sarasvati Thakura. You are the servitor of the Supreme Personality of Godhead. I am amongst the most fallen of living entities and yet, by your unlimited compassion, you have glanced at me and now my life has become successful. Who can properly describe the glories of Your Divine Grace? Five years have passed since I came in touch with HKM Bhadaj temple and was so mercifully blessed with your divine association. Somehow or other you allowed me to join your happy family of loving devotees and it changed my life forever. You saved me, Srila Prabhupada, and I am eternally thankful and indebted to you. Although I have no qualifications whatsoever, today I come before you with a humble prayer in my heart. Nowadays this Corona storm is running all over the world, so please give me the strength to be stable and Krishna conscious. And every moment, remind me of You and Lord Krishna. Thank you very much, Srila Prabhupada. All glories to your lotus feet.

Hare Krishna, Dear Srila Prabhupada,

All glories to Srila Prabhupada. I request you to accept my humble obeisances unto your lotus feet. First, I didn't believe in these things, but when I started visiting the temple and heard your instructions, my notions about spirituality changed. From then on, even my lifestyle got changed while trying to inculcate your teachings in my life. From the movement Bhagavad-gita came in my life, my thoughts changed, and I got more and more involved in it. I started visiting the temple and attending culture camp, which created a way towards Krishna consciousness. Those were wonderful moments over there. Thereafter, I started visiting the temple every Sunday and took part in all the activities held there. That experience stood with me ever since. When I visited Vrindavan, I used to rise early in the morning and attend Mangala aarti daily. From this, I got a habit of waking up early in the morning and chanting Hare Krishna Mahamantra and reading Bhagavad-gita. Listening to you, reading your books and chanting the maha-mantra are my only interests. Anything else feels like an I'm waiting for the day when I become a pure devotee and get involved in your service in every possible way.

Your Aspiring disciple,  
Bhaktin Chunrry Nevatia.

हरे कृष्ण, परम पूज्य श्रील प्रभुपाद के चरणों मे कोटि कोटि नमन,

श्रील प्रभुपाद जी की असीम कृपा मुझ पर और मेरे परिवार पर सदा बनाये रखे और हम सभी कृष्णा भक्ति की ओर दिन प्रतिदिन अग्रसर रहे। परम पूज्य गुरुदेव जी की चरण कमल की कृपा के कारण ही हम सपरिवार कृष्ण भक्ति की तरफ चल पड़े। इस दौरान हमारे जीवन मे बहुत सारे बदलाव आए। कभी मन विचलित हुआ तो गुरुजी कृपा और वरिष्ठ प्रभुजनों ने उसका समाधान कर आगे का मार्ग दर्शन किया। श्रील प्रभुपाद जी से यही प्रार्थना है की आप अपनी कृपादृष्टि हमारे परिवार पर इसी तरह बनाये रखें ताकि हम सपरिवार श्री राधा माधव की सेवा और भक्ति की ओर तीव्र गति से बढ़तीरहें।

Hare Krishna, Dear Srila Prabhupada,

Please accept my most humble obeisances unto the dust of Your Lotus Feet. All Glories to Your Divine Grace. My humble gratitude to You Srila Prabhupada for constantly providing me with an opportunity to serve you, by your inconceivable causeless mercy. I have faced lots of challenges and hurdles in my life, spiritually and physically. But by Your Divine Grace, I got the strength to fight against the problems of my life. I cannot imagine my life and myself without you and

your mercy Srila Prabhupada. You are alive in your books, lectures and in each and every word. Your books are real "Touchstone" just like you Srila Prabhupada. The examples given in Your books are life-changing and showing the reality of this Kali-Yuga. You are not just a Spiritual Master, but my eternal father who always drags me to light from the darkness of this age. You are my only inspiration and faith in my Krishna consciousness journey. Please Srila Prabhupada, have mercy upon me, though I don't deserve it. May I eternally be at the service unto your lotus feet and unto the lotus feet of Sri Sri Radha Madhav.

Dear Srila Prabhupada,

Please accept my humble and respectful obeisances unto your lotus feet. At this Junction of my life, I thank you for making me realize the actual goal of my life and what is real happiness. Actually I am initiated and connected to another organization. Never in my life, I was able to know the actual reason why I was in this world. By reading your books and hearing your lectures, my life has changed completely. I am now chanting 16 rounds daily. Some times back I had confusion and doubt on this process, but as I continued chanting and heard your lectures and of devotees, my illusion got cleared. I was inspired by my son who is a Folk boy right now to chant holy names of the lord and practice Krishna Consciousness. Before coming to Krishna Consciousness I thought myself to be very big in spirituality as I did many fasting, did worship many demigods. But when I came to Krishna Consciousness, I realized how ignorant I was.

Before this, I never felt so satisfied with spiritual practices. I have no fear to say that I learned from your institution the real goal of my life. I am thankful to all devotees and you to give my son the right path in his life. I am currently reading Srimad Bhagavatam and relishing the pastimes of the lord. All this is because of your tireless efforts. My perspective of seeing this whole world has changed, many times I feel that books you have written are directly dictated by Krishna. When I listen to kirtans I get mesmerized. Many times I struggle in chanting and in the spiritual life, but you always help. This situation in 2020 has really opened my eyes and shown how fallible this material world is. I am thankful to you Prabhupada Ji and all respected devotees for enlightening my path and make me understand the goal of life which is Krishna Bhakti.

Your servant, Bhaktin Geetika Bose S.

પૂજ્ય ગુરુ શ્રીલ પ્રભુપાદજી,

આપના શ્રીચરણોમાં સાદર પ્રણામ.

હે ગુરુદેવ, તમારા ચરણોમાં આશ્રય મળ્યો અને કૃષ્ણભક્તિ ની જે પ્રેરણા મળી તે માટે હું આપની ખુબ આભારી છું. આપની કૃપાથી મનુષ્ય જીવનનો સાચો ઉદ્દેશ્ય સમજવા મળ્યો છે અને આધ્યાત્મિક પ્રગતિનો માર્ગ મળ્યો છે. ભગવાનના દાસ બનીને ભગવાનની કૃપા પ્રાપ્ત કરવા માટેની પ્રેરણા મળી છે.

ભગવાન શ્રી શ્રી નીતાઈ ગૌરાંગની સેવાનો અમને જે લાભ મળ્યો તેનો મને અપાર આનંદ છે. ભગવાનની વિવિધ સેવા દ્વારા, હરે કૃષ્ણ મહામંત્ર ના જાપ દ્વારા અને આપના પુસ્તકો ના માધ્યમથી અમારા જીવનમાં ઘણા પરિવર્તનો આવ્યા છે. આ ભૌતિક જગતમાં રહીને પણ કૃષ્ણ ભાવનામૃતમાં કઈ રીતે રહેવું અને ભગવાનની ચેતનામાં જીવન વ્યતિત કરવું એ સમજાયું છે.

હે ગુરુદેવ તમે કરુણાના સાગર છો. આપની જ અસીમ કૃપાથી દરેક ઉત્સવમાં અમને નવી નવી સેવાનો મોકો મળે છે અને ભક્તો ના સંગમાં રહીને કૃષ્ણ પ્રેમની પ્રાપ્તિ થાય છે. આપ હંમેશા અમારુ માર્ગદર્શન કરતા રહો અને આપની કૃપા હંમેશા અમારા સૌ પર બની રહે તેવી આશા છે.

આપની શિષ્યા,

પરમ પૂજ્ય શ્રીલ પ્રભુપાદ,

વ્યાસ પુજા કે પાવન અવસર પર તમારા ચરણોમાં મારા દંડવત્ પ્રમાણ સ્વીકાર કરો.

ગુરુજી તમારા આશીર્વાદ થી અમને જીવ,માયા અને ભગવાન ની ઓળખ થઈ છે. તમારી અસીમ કૃપાથી મને ભક્ત બનવા માટે જે લાયકાત હોવી જોઈએ, એ મંદિર ના મહાન ભક્તો દ્વારા અમને સમજાવા મા આવે છે. હુ એવા પ્રયત્નો કરું છું કે મારા મન, વચન અને કર્મ દ્વારા શ્રી શ્રી રાધા માધવ ની સેવા માં રહુ છું. હે ગુરુદેવ હું જ્યારે જ્યારે તમને પ્રણામ કરુ છું, ત્યારે મન માં બસ એક જ વિચાર આવે છે કે અમારા માં હંમેશા ને માટે તમારી કૃપા બની રહે.

હે દયાનિધિ, અમે તમારા બાળકો છીએ. તમે અમને સત્ય ની રાહ પર લઈ જાવ, હે કૃપા નિધાન, હે દયા કે સાગર તમે તમારા ચરણ કમલ મા અમને રાખો. અમે નિયમિત ૧૬ માલા કરીએ છીએ અને તેમજ નિત્ય કીર્તન અને કૃષ્ણ ની સેવા માં લીન રહીએ છીએ.

શ્રીલ પ્રભુપાદ ની કૃપા થી અમે છેલ્લા ૨ વર્ષ થી અમે અમદાવાદ 'હરે કૃષ્ણ' મંદિર (ભાડજ) મા જોડાયા ત્યાર થી રાધા માધવ અને પ્રભુપાદ ની સેવા કરવાની તક મળી છે. મંદીર માં દર રવિવારે અલગ અલગ પ્રોગ્રામ ચાલતા હોય છે. જેમા ભક્તો ને ભગવાન વિશે જ્ઞાન આપવામાં આવે છે. શ્રીલ

પ્રભુપાદ ની કૃપા થી અને એમનાં ભક્તો ના સંપર્ક મા રહી ને ભક્તિ કરવાની પ્રેરણા મળે છે અને અલગ અલગ ભગવાન ની લીલા ઓ વિશે જ્ઞાન મળે છે.

ગુરુ કોઈ યદેરો, શરીર કે નામ નથી જેના આ પૃથ્વી ની આજુબાજુ 'વાતાવરણ' એને જીવન જીવવા યોગ્ય બનાવે છે. એમ ગુરુનુ "વ્હાલાવરણ" આપણ ને જીવન જીવવા યોગ્ય રાખે છે.

ગુરુ શીખવે નહીં, જીવે...

ગુરુ મેળવવા નહીં, પામવા માટે તૈયાર કરે...

ગુરુ આશીર્વાદ નહીં, અજવાળું આપે...

ગુરુ ઈશ્વર નથી પણ ઈશ્વર ને સમજાવવાની 'હેન્ડબુક મેન્યુઅલ' છે...

ગુરુ ની પરીક્ષા નહીં પ્રતીક્ષા કરાય ગુરુ રુક્ષ નથી ક્યારેક રુદ્ર હોય શકે ગુરુ વૃક્ષ છે, જો આપણે એમના સુધી જઈ શકીએ તો છાયા અને ફળ બેઉ મળે અને જો ના પહોંચી એ તો જન્મો જન્મ ભટકવું પડે. પ્રભુપાદ ની છત્રછાયા અને તેમની કૃપા વગર ભવોભવ માંથી બહાર નીકળી ભગવદ્ ધામ પહોંચવું શક્ય જ નથી. હું સદ્ભાગી છું કે મારા ગુરુ એ મારો સ્વીકાર કર્યો છે. મારા ગુરુ ના બતાવેલા માર્ગ પર હું પુરી પ્રામાણીકતા થી ચાલી શકુ એવી કૃપા પણ પ્રભુપાદજી વરસાવતા રહે મારા ઘરે નીતાઈ ગૌરાંગ નથી પણ પ્રભુપાદજી, ચૈતન્ય મહાપ્રભુ, તેમજ રાધા માધવ ની નિત્ય સેવા પૂજા કરીએ છીએ. સવારે વહેલા ઊઠીને ૧૬ માલા જાપ કરીએ છીએ. તેમજ આરતી, કીર્તન, અને ભોજન અર્પણ કરીએ છીએ કાંઈ પણ ભોજન બનાવી અટેવે ભગવાન ને પહેલા અર્પણ કરીએ છીએ. પ્રભુપાદ ની પુસ્તકો નું વાંચન કરીએ છીએ પણ વધારે ને વધારે વંચાય એવા પ્રભુ અમને આશીર્વાદ આપો.

*'હરે કૃષ્ણ હરે કૃષ્ણ કૃષ્ણ કૃષ્ણ હરે હરે હરે રામ હરે રામ રામ રામ હરે હરે'*

આ મહામંત્ર વિશે તો શું કહેવું? જપ કરતાં આખા દિવસ નો થાક એક ક્ષણ માં ભુલાઈ જાય છે અને માનસિક શાંતિ મળે છે હા ક્યારેક અપરાધ પણ થઈ જાય છે જે માટે હું ક્ષમા યાચના કરું છું.

પૂજ્યપાદ જગદ્ ગુરુ શ્રી ભક્તિવેદાંત સ્વામીજી,

मैं घोर अंधकार के अज्ञान में उत्पन्न हुई थी। आपने ज्ञानरूपी प्रकाश से मेरी आँखें खोल दीं। मैं आपको सादर नमस्कार करती हूँ। मेरी ओर से पंचांग प्रणाम स्वीकार हो व हरे कृष्ण। आए हो मेरी जिंदगी में आप बहार बनके। आप ही की कृपा से मेरे भाग्य खुल गये हैं। कृष्णभक्ति में लीन इस आंतर्राष्ट्रीय कृष्णभावनामृत सोसायटी की स्थापना कर आपने जो महान कार्य किया है। कृष्णभक्ति की निर्मल धारा देशविदेश के कोने कोने में बहने लगी है। जिस प्रकार एक मेघ वन में लगी हुई दावाग्नि पर जल की वर्षा करके उसे शांत कर देता है, उसी प्रकार आपने सांसारिक जीवन की प्रज्वलित अग्नि को शांत करके भौतिक जगत का उद्धार किया है। मुझे आपकी ही कृपा से श्री कृष्ण की कृपा प्राप्त हुई है। आपने ही श्री चैतन्य महाप्रभु के संदेश का प्रचार किया है तथा निर्विशेष और शून्यवाद से व्याप्त पाश्चात जगत का उद्धार किया है। आज की पीढ़ी जो अपनी दिशा से भटक रही है, उसको सही दिशा दिखाने का

कार्य आपके ही अनुयायी बहुत अच्छी तरह कर रहे हैं। बच्चों के लिये जो कार्यक्रम मंदिरों की ओर से चल रहे हैं वे बहुत ही सराहनीय हैं। बचपन से ही अगर बच्चों को सही संस्कार मिलेंगे तो उन्हें भटकने के मौके कम ही रहेंगे। आपकी कृपा के बिना कोई सद् गति प्राप्त नहीं कर सकता। आध्यात्मिक गुरु के चरणकमल ही एकमात्र साधन हैं जिनके द्वारा हम शुद्ध भक्ति प्राप्त कर सकते हैं। आपकी कृपा से जीव भौतिक क्लेशों के महासागर को पार कर सकता है तथा श्री कृष्ण की कृपा प्राप्त कर सकता है। आप ही हमें प्रेमाभक्ति प्रदान करते हैं और अविद्या का विनाश करते हैं। आपके लिखे साहित्य की पुस्तकें पढ़कर हमें प्रेरणा मिली है। आप ही की लिखी भगवद् गीता के तात्पर्यों ने हमारे दिल को छू लिया है। आपने ही इस दासी को मार्ग में पड़े तृण से भी अधिक नम्र बना दिया है। आपसे ही सभी कष्टों को सहन करने की शक्ति प्राप्त हुई है। आपकी कृपा ही एकमात्र मेरे जीवन का सार है। ऐसी ही कृपा आप मेरे ऊपर बनाये रखना जी।

आपकी दासी,  
भक्तिन कृष्णा वर्मा।

હરે કૃષ્ણ,

મારા ગુરુ મહારાજના ચરણો માં કોટી કોટી વંદન

એ.સી. ભક્તિવેદાંત સ્વામી પ્રભુપાદજી ના ચરણો માં હું વંદન કરું છું. તે એક બહુ આધ્યાત્મિક અને મહાપુરુષ છે. તેમણા દ્વારા બધા ભક્તોમાં આધ્યાત્મિકતા ફેલાય છે. હું તેમના દ્વારા થયેલી ભક્તિ થી બહુ આનંદમય છું. મારા જીવનમાં પણ તેમણા દ્વારા અપાયેલી ભક્તિ આવે એવી પ્રાર્થના કરું છું. શ્રીવ પ્રભુપાદ દ્વારા ભગવદ્ગીતા અને શ્રીમદ્ ભાગવતમનો પ્રચાર ઘણા દેશોમાં ફેલાયેલો છે. બધા ભક્તોના જીવનમાં તેમનો સંદેશો ભગવદ્ગીતા અને ભાગવતમ દ્વારા ઉતર્યો છે. અને મારા જીવનમાં પણ તે પ્રચાર અને સંદેશો ઉતરે તેવી પ્રાર્થના કરું છું. તેમના દ્વારા અપાયેલ શ્રી કૃષ્ણ ના વર્ણન જાણવાની વધુ ને વધુ ઈચ્છા થાય છે, અને હું શ્રી કૃષ્ણ ભગવાનને મારું આખું જીવન સમર્પિત કરી દેવા માંગું છું.

એ.સી.ભક્તિવેદાંત સ્વામી પ્રભુપાદજીના ચરણોમાં પ્રાર્થના કરું છું, કે તેમના દ્વારા મારા જીવનમાં આધ્યાત્મિકતા પ્રસરે અને એમના બતાવેલ માર્ગ પર હું સેવક બની યાવું તે જ પ્રાર્થના છે.

હરે કૃષ્ણ.

Dear Srila Prabhupada,

*Om ajnana-timirandhasya jnananjan- salakaya Caksur unmilitam yena tasmai sri-gurave namah*

Please accept my humble obeisance at your lotus feet on 124th anniversary of your divine appearance. It's a great pleasure for me to write a letter of gratitude to you for selecting me a devotee for Krishna consciousness. I now started feeling that all these years I was living in darkness since I didn't have the taste of God-realization. But no regrets Prabhupada; I am thankful to Lord Krishna that better late than never. At least now, I pray to you to show mercy upon me and my family and help us to progress in Krishna consciousness so that I can serve Lord more and more. To start with I could leave some material things like onion, garlic, tea, coffee, chocolate etc. which were my favourite things. By Lord's grace, I could easily give them up. I even started getting up 4'o clock in the morning and finish my chanting in that auspicious time. I started reading Bhagavat Gita and Srimad Bhagavatham books regularly. I even regularly offer the 'Bhog' I make and then accept it as prasad. Prabhupada, please help me in advancing in Krishna consciousness and help me in attending classes in the temple.

The last but not the least help me in controlling my anger and egoism. Thank you Srila Prabhupad for creating such an excellent platform so that we can think and act for Krishna always. Jai Srila Prabhupada!!!

Your Humble Servant,  
Bhaktin Kumuda R.

Hare Krishna. Dear Srila Prabhupada,

My spiritual association with the Hare Krishna Mandir began in September 2016. We began with attending the Spiritual Retreat classes, followed by the Bhagavad Gita classes (Gita Life course and Gita Trainer's Course). These courses, through which I got introduced to Srila Prabhupada's teaching, have been extremely helpful in spiritually orienting myself. Now I try to follow a couple of GTC teachings in my everyday life. The first and foremost thing is as I wake up in the morning, I tell "Krishna, I surrender to you: guide me to conduct myself in your path". On some Sundays, I was assigned the duty of helping the newcomers to the Mandir to chant the Maha-mantra, along with my fellow GTC learners. This helped me personally to concentrate while chanting much better than I was earlier, as I remind myself that I should implement what I am telling others to do. During this service, we had the opportunity to meet with a variety of people and some time, the number of participants for the chanting would be very less. This used to remind me of the struggles that Srila Prabhupada encountered when he went to the US to preach the Western people. I definitely need to go a long way in regularly reading Srila Prabhupada's books, but I now have made it as a habit to read at least a page of his book most of the days, and read one shloka of Bhagavad-gita with the purport every day.

I made it as a habit to engage in devotional service of the Lord at home and eat only the prasadam. The other important lesson that I have learnt from the Bhagavad-gita and the way the temple devotees function is to 'give the best in everything that is done and expect none for the duty performed'. This has helped me to improve in discharging my personal and official responsibilities much better than before. Though I would not say that I have completely detached myself from expectations of any sort for my duties performed either for me or for others, at least I have fewer disappointments. We were blessed to go on pilgrimage to Ahobilam with the temple devotees. This was a wonderful spiritual experience. I thought I would never be able to climb the hill and have the darshan of the Lord. But when I saw two devotees carrying the vigrahas of Sri Nitai Gauranga and Srila Prabhupada and climbing the hill and further towards the Ugrasthambha, I sent a silent prayer to Lord to give us the mental and physical strength to climb and have darshan of Lord Narashimha in different locations of the Hill. That was entirely Lord's grace that we had darshan without any physical discomfort.

The late quarter of 2019 and since the beginning of 2020, there has been a lot of disruptions in my Sunday schedule of going to the Mandir. Nevertheless, as the Mandir is continuously providing the spiritual lessons through the electronic media, the gap is fulfilled a bit, though I long to go to the Mandir and have darshan in person. Jai Srila Prabhupada. Hare Krishna.

Bhakta Lalitha Narayanan,

आदरणीय श्रील प्रभुपाद, दण्डवत प्रणाम।

कहते हैं कुछ चीजें आप बयां नहीं कर सकते, उनका होना ही जीवन का सफल होना है, जैसे हमारे प्रभुपाद का होना, उनकी दया-दृष्टि कुछ यूँ पड़ी, मानों जीवन कष्ट से आनंद बन गया, हम तो बस उनको (बिहारी जी) जानते थे, पर पहचान तो कराई आपने, हम सब तो तुच्छ प्राणी मात्र थे, इंसान कहलाने का दर्जा दिलाया आपने, हम भी उस भोग-विलास की दौड़ में थे, उठ खड़े हो सके ये सिखलाया आपने, रेंग-रेंग कर कुढ़ रहे थे, ऊंगली पकड़ उठाया आपने, घनघोर पापों से भरें, मुक्ति की राह बताया आपने, श्याम नाम से निर्धनों को, धनवान बनाया आपने, कैसे करें धन्यवाद आपका, शब्दों का अकाल पड़ा,

हे "प्रभुपाद" हमारे, जो जीवनदान दिया, उसे अपने ही चरणों में लगा लो। बड़े धन्यभाग्य हमारे, जो हम आपके सहारे, कभी हम भी रीझ जाते हैं अपनी किस्मत पर, कि सहारे उनके पड़े, खुद हरि जिनके करीब खड़े, आहो-भाग्य हमारे जो आप इस जीवन में पधारे।

Respected Srila Prabhupada,

*“Sri Guru Carana Padma, kevala bhakati sadma Bando moi savadhana mate  
Jahara prasade bhai, e bhava toriya jai, Krsna - prapti hoy jaha hoy te”*

I feel truly blessed to be given ashraya at your lotus feet and receive your blessings every day. My life has got a new meaning ever since I started coming to the Hare Krishna Mandir and attending poojas and pravachans, and taking part in the various sevas to the best of my ability. As a member of the Vaishnavi Club, I am getting religious instructions and the chance to do my small bit in spreading the message of Krishna to my neighbours. I pray that I am given the strength to continue doing seva till my last breath. Though I am observing Ekadashi since my childhood, my association with the temple has made me observe the holy day with more spirituality. I feel blessed to perform abhishekams for the Lords Nitai and Gauranga and offer my prayers at their lotus feet. I have been chanting sixteen rounds of the Hare Krishna Maha-mantra every day. I have realized that it has helped me in meeting life's challenges more positively. I pray that all your blessings are always with me and will guide me on my spiritual journey Pranaam. Hare Krishna.

Your servant,  
Bhakta Leela Narayanan.

Dear Gurudev,

I offer my obeisance to you.

I was engaged in working and not spending adequate time in thinking about God. All this was there until I and my family were introduced to Hare Krishna Mandir (HKM), Bhadaj Ahmedabad. My son, Kaushik, regularly shared with me the learnings of the 'Gita Life Course' sessions. This changed my perception of thoughts that I had about life and our existence in this world.

I am astonished when I came to know about the ways you inspired people and brought Krishna consciousness among the public. It is because of the association with HKM devotees, things got changed in my family including few habits. For instance, we don't take meat, tea, and coffee these days. Further, I (of course my family) started chanting the 'Hare Krishna Maha-mantra'.

Although the changes in me are due to our association with the devotees of HKM, the source of inspiration is certainly from you.

Please shower your mercy on us.

Seeking your blessings,  
Bhaktin Manju Bhashini.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto Your Divine Grace.

Srila Prabhupada, please give me more and more knowledge about Krishna consciousness so that I remain attached to this path of devotional service and also be able to explain this knowledge to my family, village people, etc. Please give me the right thoughts, knowledge, and energy through which I can follow the right path.

Srila Prabhupada, please make me a fully Krishna conscious devotee, I want to change myself from this material world to the world of Krishna consciousness which is not possible without your mercy. Krishna consciousness is not easy to practice in this world of Maya. There are so many people in this world who disagree or don't like bhakti. Prabhupada, please give me the intelligence to encourage them to follow this path of bhakti.

I am lucky that I got this Krishna consciousness right from my childhood. I feel that Krishna consciousness is very easy in this world of Maya if I practice more and more and then one day I can surely reach Krishna

Srila Prabhupada, I am deeply inspired by the way you preached Krishna consciousness all over the world. Following in your footsteps, I wish to preach and convince people. But I am incapable of doing so on my own. Please shower your mercy on me and teach me the right way to preach them and convince them to take up Krishna consciousness.

Prabhupada in my daily routine, sometimes I think of reading books or chanting more rounds, But my mind drags me away to some other work. Please keep my mind fixed in your service and never let my mind forget to do Lord's service.

Thank you Srila Prabhupada and thank you Lord Krishna for giving me this gift of Krishna consciousness.

Jaya Srila Prabhupada.

Your servant,

Bhaktin Meshwa Patel.

Guruji Srila AC Bhaktivedanta Swami Prabhupada, Kindly accept my humble obeisances and to your Lotus feet.

Your appearance day is very beneficial to the whole of mankind in this Kali Yuga. As already stated in the Vedic scriptures that in Kali Yuga demons will be residing in the form of emotions of people, which reside in themselves only, so the enemy is within the individual only.

There is no enemy outside, it is all about mind game. To overcome this disaster in human life, Lord Krishna has sent you as a bona fide spiritual master in this world. Because of you only we came to know that Lord Krishna is the Supreme Truth and all living entities are His part and parcel. Moreover, all living entities are not the same as Krishna but only a fragment of Him having individual existence after death.

Apart from these the Vedic scriptures presented by Srila Prabhupada give the knowledge of human life, its journey, and life after death. They also teach us the most important thing that how to make death graceful, which is very important to get liberation from this cycle of birth and death. Therefore, I would like to thank you from bottom of my heart to for awakening me about life the truth of life and I request you to shower your blessings upon me so that I can overcome material mysteries.

Thanking you.

Thankfully yours,

Dear Srila Prabhupada,

Please accept my respectful adoration unto your divine lotus feet.

I find myself very fortunate and unfortunate at the same time. Fortunate-to have a spiritual master like you and unfortunate that I got to know about this journey too late. I understand that without your blessings it won't be possible to understand this whole spiritual world. So, on this Vyasa- puja Mahotsav I would like to take this opportunity to thank you from deep within my heart for accepting me as a Sevak devotee in the service of Sri Sri Radha Madhav.

After attending the Gita course and hearing from your beloved disciples, I could definitely say that I have wasted so many years of my life by not offering my prayers to Lord Krishna. But, now when I know that we are-

*mamaivāṅśō jīvalōkē jīvabhūtaḥ sanātanaḥ.

And, I can only pray to be sincere devotee which is not at all possible without your guidance and blessings. Please bless me to remain engaged in the service of Sri Sri Radha Madhav.

My Dear His Divine Grace A.C. Bhaktivedanta Swami Prabhupada,

Hare Krishna,

I came across Krishna consciousness through Gita classes of my Parents. Srila Prabhupada brought light to a whole another side of life to me through his teachings and his book in " Bhagavad-gita -As It Is". (There are many books written by him that I want to read but Gita being the stepping stone in this new world). I feel utmost gratitude when I say this that I now know where my goal should be, where my peace and happiness lies. In the lotus feet of Sri Krishna and Srila Prabhupada. His words are Pearls of wisdom, due to which I could easily and deeply understand the "The Truth of Life or The Main Purpose of My life ". Thank you for guiding me. Offering my homage in the path of Krishna consciousness.

Before all this, I was in a pool of material world and sense gratification. I still feel there is a long way to go, but now I have the guru who can guide me through it and make me aware of my wrongs and rights. So, I can consciously withdraw myself from it with the help of Sri Krishna and Srila Prabhupada.

I express my utmost gratitude in changing me and saving me from this material world. Thank you for taking me under your Ashraya. It brings me immense Hope and Satisfaction that I am on a spiritual path of transcendental knowledge imparted by Sri Krishna and explained beautifully by Srila Prabhupada. Thank you so much. My guru Srila Prabhupada.

Hare Krishna.

Dear Srila Prabhupada,

I pay my respectful obeisances to His Divine Grace A C Bhaktivedanta Swami Prabhupada.

Firstly, I thank you Srila Prabhupada, who struggled to give us a better life and opportunities. Hey Prabhupada! I am very very grateful to you for blessing me with such a blissful life. I can't thank you in words! You opened my eyes when I was sinking in the ocean of darkness. You held my hand when I was lost. You guided me in every situation. I am obliged to a great extent. Thank u so much.

It's been 7 years since I first visited Hare Krishna temple. A lot has changed. Every year I try to make myself better and try to progress in Krishna consciousness. Through your books, you have made me know Krishna better; not only Krishna but all His associates also. You have made me know Krishna is the Supreme Personality of Godhead. I now chant 4 to 6 rounds daily... I try my best to keep up this score. You gave me a chance to visit many pilgrimage places. Every year I enjoy the festivals in the temple. When I am in the temple I forget all my stress. It's such a positive environment there!

I have been taking Bal Sanskriti classes for 7 years and all devotees are always very enthusiastic to preach us more and more about this mission. I thank them too. Right now I am reading your book 'On the way to Krishna'. This book has helped me know how to chant properly. Most importantly it has made me know who Krishna is and what real happiness is.

I conclude by saying how thankful I am. I sometimes think what would have happened if it weren't for you. And I am really very sorry for the mistakes I commit. I am deeply and truly sorry. Please forgive me for all my misdeeds. Once again thank you so much for being a part of my life.<

Please continue blessing me with your mercy Srila Prabhupada! Hare Krishna.

Your Servant of the servant,

Bhaktin Radhika Bangar.

*गुरुर्ब्रह्मा गुरुर्विष्णुः गुरुर्देवो महेश्वरः। गुरुः साक्षात् परं ब्रह्म तस्मै श्री गुरवे नमः ॥*

'गुरु बिना ज्ञान नहीं' यह सत्य है। हमें हमारे जीवनकाल में प्रामाणिक गुरु की खोज करके उनके उपदेशों का पालन करते हुए, गुरु के प्रति कृतज्ञता प्रकट करनी चाहिए। हम इतने भाग्यशाली हैं कि हमें श्रील प्रभुपाद आध्यात्मिक गुरु के रूप में मिले हैं। इनके बताये रास्ते पर चल कर हम जीवन एवं मृत्यु के इस चक्र से बहार निकलने का प्रयास कर रहे हैं।

*पुनरपि जनमम पुनरपि मरणम्, पुनरपि जननी जठरे शयनम् ।  
इह संसारे बहु दुस्तारे , कृपया पाहे पाहि मुरारी ॥*

अगर हम कृष्ण मुरारी की कृपा पाते हैं तो इस जन्म मृत्यु के चक्कर से निकल सकते हैं। किन्तु कृष्ण की कृपा पाने के लिए पहले गुरु की कृपा पाना आवश्यक है। प्रभुपादजी ने हमें कृष्ण भावनामृत का सरल रास्ता दिखा कर हम कृपा बरसाई है। प्रभुपादजी सही अर्थ में आचार्य हैं। उन्होंने अपने आचरण से हमें शिक्षाएं दी हैं। प्रभुपादजी खुद माला पर जप, अर्च-विग्रह की पूजा, प्रसाद सेवन, चार नियामक सिद्धांत का पालन करते थे। इस तरह ऐसे सरल रस्ते पर चल कर हम भी कृष्णभावनाभावित होकर भगवद धाम जाने के योग्य बन सकते हैं। मैं भी इस पथ पर अग्रसर होने का प्रयास कर रही हूँ। हे प्रभुपादजी

मुझ पतित जीव पर अपनी कृपा बरसा कर मेरे भक्ति मार्ग में आनेवाली बाधाओं से मुझे बाहर निकाल कर भक्ति में अग्रसर होने का मार्ग दिखाइए। हे प्रभुपादजी आपके चरणकमलों में मेरा सादर प्रणाम स्वीकार करें और मुझ पर निरंतर अपनी कृपा बरसाएं जिससे इस दावानल से भरे संसार से हम मुक्ति पा सकें।

आपकी दासी,  
भक्त राजश्री राणपुरा.

I pay my respects to my spiritual master and to all Vaishnava's lotus feet.

I am one of the trivial creatures. By the grace of Lord Krishna, I have found refuge in the lotus feet of my Guru.

O Gurudev By bringing me under your shelter, you have opened my closed eyes and blessed me with advancement on the spiritual path. I have been chanting 16 rounds every day for the last three years. Due to this, my life has changed a lot in terms of physical and mental thoughts. I used to eat anything (non-prasadam) from outside when I was not attached to this temple before. But now I only eat Krishna Prasadam.

Your grace has inspired me to stay in Krishna consciousness and to do karma. Everything that is happening in my life is happening only by the grace of Gurudev and Lord Krishna. O Gurudev! My only prayer is to keep me engaged in your daily service and my desire is to get more and more interested in Harinam.

Koti koti pranam at the lotus feet of Jagatguru Srila Prabhupada. Thank you, Gurudev for such blessing upon me and my family.

Your servant of servant,

Respected Gurudev,

It is your blessing that I have got this opportunity to offer my humble obeisance at your divine lotus feet and to all the devotees of Hare Krishna Temple, Ahmedabad. All Glories to you on this most auspicious appearance day of your divine grace.

Gurudev, it is very rare to get a human form and even more rare to get the association of a guru like you. Your divine lotus feet are the only guiding force to get pure devotional services of lord Krishna. By your merciful glance, this insignificant soul can pass through this physical world. In these 5 years of my Krishna conscious life, I have understood that one can get true and eternal joy only by serving Krishna. I want to engage myself more and more in Krishna's devotional services but it is not possible without your mercy. So Gurudev, please have your merciful glance upon me to overcome all the hurdles, to do regular sadhana, and to move ahead on this divine path shown by you.

Gurudev, Please shower your blessings on me to surrender and increase my love towards Lord Krishna, so that I am empowered to meet the challenges of life by taking the support of divine lotus feet of Krishna. Please give me the strength to follow your instructions and to become a humble servant of your devotees to serve your mission.

Your humble servant, Bhaktin Renu Mandora.

Gurudev by following the path that you have shown us and with your blessing my life is getting better and better with each passing day, it took me years of many trials to be at a place where I am today.

I consider myself lucky as with the blessing of Sri Sri Radha Madhav I got the opportunity to serve Their Lordships and Sri Sri Nitai-Gauranga in my house. Prabhuji of Hare Krishna temple has helped me a lot in learning about the spiritual life. I learned to chant, offer worship, bhoga offering, and so on.

As I chant my rounds, read your books, listen sadhu-sanga from Prabhuji. My heart experiences some joy and bliss. I bow to your lotus feet and pray that I always follow and remember things that I have learned.

Gurudev, I beg you to always give me the strength to never leave your lotus feet in success or failure, happiness or distress honor or dishonor because you are my only shed.

All glories to Srila Prabhupada, all glories to Radha Madhav.

your insignificant servant,

Dear Srila Prabhupada,

I was 16 years old agnostic and searching for answers about God's existence. My grandfather died when I was five but he read a copy of Tulsidasji's Ramcharitmanas and left it for me hoping I would read that. Before I opened that book, I prayed that if God exists, he will help me find answers and that I'll try to be unbiased and read Ramcharitmanas with a sincere and open mind. Words will never be enough to explain how Ramcharitmanas transformed my life. I would cry reading it, amazed by the beauty of Sri Rama. I felt a seed of love for Sri Rama was planted in my heart. However, even after reading it, I was ignorant of many things. I read it like a child who has just learned words reads, without understanding the depth of it.

Initially, I started reading books by Srila Prabhupada but didn't understand much, but I couldn't help but admire how scholarly He was and how authentic he was in translating everything. Unlike so-called modern Gurus, Srila Prabhupada didn't invent his wisdom; he simply tried to say what Krsna said. That struck me. It felt like most so-called Gurus only

wanted to spout their wisdom, but Srila Prabhupada humbly wanted to truly and accurately say what Krsna wanted to say. Sometime later, I was entrenched in material difficulties of life. Years later, despite achieving incredible material success, I felt immensely depressed. I felt like nothing could make me happy or whole. I must've been 26, and I just happened to watch the movie on Srila Prabhupada. I was in Mumbai on that morning, and while I was at the theatre, I saw some very excited devotees from Iskcon clad in saffron waiting for their ticket. The joy on their faces was unmissable. I watched the movie and was extremely inspired. I had no idea what he had to go through at that age just so that he could follow his Guru's order. I got more curious, and I started reading a beautiful book written on him by one of his disciples - "Swami in a Strange Land". I was shocked after reading that. It inspired me to know that Srila Prabhupada worked so hard to try and invoke love for Krsna in our hearts. I remember reading that after taking sannyasa he would go in Delhi heat at that age to sell "Back to Godhead" newspaper. And I wondered surely he could be in Vaikuntha why would a soul like that come and do such work - only out of compassion for materialists. I felt immense love for his feet.

While I was going through my depression, I would listen to Govindam Adi Purusam, and it would make me happy. I carefully and patiently read Srimad Bhagavatam Canto 1, and finally, I started understanding the importance of deity worship, japa, kirtan etc. I started understanding Ramcharitmanas from a whole new perspective. When I read about how Shri Hari protected Ambarisa Maharaja, I felt immense love for Shri Hari and Ambarish Maharaja and I decided to at least not eat grains on Ekadashi. When I was younger I always used to feel that for me reading Ramcharitmanas was better than the taste of nectar and I felt immense anxiety that what if in my next life I forget everything and never happen to read Ramcharitmanas. However, when I read in Srimad Bhagavatam that Krsna promises that whatever little seed of devotion we have He shall protect it and nurture I cried tears of joy. In this age of Kali I feel idiots and ignorant people surround me. My college professors would say horrible stuff about Shri Ram, and I would argue telling how wrong they were. Garbage Bollywood movies try to subvert our beautiful Shastra and insult those who follow Sanatan Dharma. Idiots masquerading as intellectuals try to tell us why we don't need God. Worst of all, characterless fake Gurus and impersonalists take away everything that can inspire love for Godhead and instead propound their Mayavadi Bhasya. At such a time, Srila Prabhupada stands out, holding his hand trying to lift us all from this maddening ocean of sense gratification and ignorance. If only we listen to him, his words sound bitter at first but give eternal sweetness. The mercy of a Vaishnava is transcendental and eternal. What Srila Prabhupada provides is eternal salvation from eternal damnation. I bow to His feet and the feet of all Vaishnavas including Tulsidasji, Narsi Mehta, Mirabai and all others by whose mercy my ignorant self can see the beauty of Sri Rama. I hope I'm forever blessed and protected by Vaishnavas so I'm always humble. I feel one can overcome every deficiency, but overcoming the lack of humility is the hardest because when we lack humility, we can't love God. I hope I'm protected from false pride in the same manner as Lord Narsimha protects Prahlada Maharaja.

*Hare Krsna Hare Krsna Krsna Krsna Hare Hare Hare Ram Hare Ram Ram Ram Hare Hare.*

Srila Prabhupada inspires me so much that if I'm ever walking. When I see his photo or hear his name, it feels as if he is staring at me disappointedly saying "But you're not chanting." Then immediately in my mind, I start chanting 'Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare'.

Srila Prabhupada ki Jai. Chaitanya Mahaprabhu ki Jai.

Bhakthin Sanskruti VSB.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your Lotus Feet. All glories to your divine grace.

Dear Prabhupada, no words can glorify you. Your movement is the greatest gift to mankind. You brought a revolution in this world by giving us the most precious gift of Krishna Bhakti. In this iron age of Kali, we all are in crisis and you are the only hope. Chanting of holy name given by you is helping all of us in surviving in this material world full of anxieties.

We're truly blessed Thank you for allowing me to be a part of this Krishna Conscious society and giving me the opportunity to serve Lord Radha Madhav. Since my association with the Hare Krishna Movement from my school days. I have come across many such wonderful and miraculous incidents that have shaped my life since then. I found the meaning of real happiness in all the devotional services and the association of devotees. All because of your causeless mercy.

By Your Divine Grace, I received Krishna Bhakti in this life, but I'm very feeble that I can hardly hold on. My desire to enjoy this material world weighs heavily upon me though I see the dangers of materialistic life. Kindly free me from this horrible forest of materialistic enjoyment. As I am an unqualified person for not being able to perform my duties properly please give me the strength to restrain my words, actions, and thoughts.

Please give me the inspiration and intelligence to understand and preach your mission to others.

Your humble servant,

Dear Srila Prabhupada,

*om ajnana-timirandhasya jnananjan- salakaya caksur unmilitam yena tasmai sri-gurave namah*

Please accept my humble obeisance at your lotus feet on the 124th anniversary of your divine appearance.

Your appearance in this age of kali is your causeless mercy on the conditioned souls suffering in this world. To remove this darkness, you have given us the holy name of the Supreme Lord Sri Krishna. To establish faith in such people, you have explained in your books, the science of devotional service beginning with the chanting of the holy name.

You have translated Bhagavad-gita and Bhagavatam and explained it with purports. By merely reading or hearing even one line of your purport, any person can experience a change of heart. He begins to travel his path back home back to Godhead. You are the ideal acharya because you teach us everything about spiritual life by your example.

Revisiting, the past one year many thanks that under devotee's guidance, I have been nicely performing my sadhana and rendering various services. By your mercy only I have been able to take Charanashraya for doing 16 rounds this year. I got an opportunity to read Bhagavad-gita with purports which in-turn helped me a lot to be more fixed and stable and learn more about Lord Krishna

The pandemic is a disguise in a blessing through which I got an opportunity to know more about soulful Japa and Japa modules through the association of His Grace Shri Madhupandit Prabhuji.

Desire is there to do more service to the lord and towards this great mission, and make people chant more and involve them in Krishna conscious movement. Please bless me Prabhupada, that I can read & understand your books & help others too in utilizing this knowledge for the ultimate benefit.

Please give me shelter at your lotus feet & bless me that I always remember you, whatever my situation be. Thank you Srila Prabhupada for creating such a nice platform so that we can think of and act for Krishna always.

Jai Srila Prabhupada.

Your humble servant,  
Bhakta Satyavathi U V.

Dear Srila Prabhupada,

I offer my humble obeisances to your Lotus Feet. You showered your causeless mercy onto fallen souls like me who are only revolving with our desires into an illusory wheel of birth and death yet being strangers to this fact. The past few years have been full of ups and downs. It is purely by your mercy that no matter which part of the world I am, I am still able to serve the Lordships. Being in illusion, I was drowning in the dark well. Thank you Srila Prabhupada for tweaking me from inside every now and then, whenever this soul saw diversions, you pulled it back to the place where it suits them best. O mercy personified, I just wonder how you can be so merciful on the most degraded soul like me. Thank you for giving me this realization that real happiness cannot be obtained from material opulence. You fulfilled the subtle desires which were unconsciously struck. I always used to wonder what it is like to be in the deity room and doing Seva there. You gave this wretched soul an opportunity to clean the deity room which all alone filled me with joy and bliss. You made me realize the power of Maha Prasadam, it surely can change a person, you just need to wait and see the difference. Give me that much strength Srila Prabhupada, so that I may be stout like a rod in tough days of life and could water my Bhakti Lata Bija no matter where I breathe. Please help me in confidently delivering your message to others for it is the place where I lag the most. Always aspiring to serve the mission in any possible way and I pray that I may never get baffled by any material opulence.

Help me dear Spiritual Master to become serious, disciplined, truthful, confident, kind, firm, selfless, and faithful. Bless me so that I may never get baffled by any material opulence. Please help me in improving my chanting. Thank you, Dear Srila Prabhupada, for helping me learn all the small and big things, for all the realizations you let me have in some way or other. I am grateful to you, for always being there in either of the ways whenever this insignificant soul needed you, for guiding me when I was going wrong, for forcing me from inside not quit at any moment, for letting me know how much powerful and effective is the association with devotees. With a desire of serving Lord throughout life in every possible way, I just bow down to your Lotus Feet. Dear Srila Prabhupada, I thank you for your causeless mercy on this fallen soul.

Your Aspiring Servant,  
Bhaktin Shanvee Chouhan.

Hare Krishna, All glories to Srila Prabhupada,

When the Britishers came to India to steal the things, they had forgotten to take the main essence of our religion, i.e. Bhagavad-gita, which Srila Prabhupada had personally gone to give them. First, I didn't believe in these things, but when I heard this answer, I got impressed and understood the essence of life. From this, even my way of living changed by having Bhagavad Gita at my place. From the movement Bhagavad Gita came in my life, my way of thinking changed and I got more and more involved in it. I started visiting the temple, which paved a way towards Krishna consciousness. It was a really wonderful moment over there.

Please accept my humble obeisances,

All glories to Sri Prabhupada. I find Srila Prabhupada talking to me, helping me, guiding me, and at times scolding me just like a father taking care of his daughter. Since long I was thirsty for a real guru. I feel blessed after having him. I feel complete and satisfied. My work productivity has increased. I am happy that my whole family is gradually heading towards Krishna consciousness. I realised my "tamo guna" reduced. Previously I was fond of eating onion and garlic, and I was a chronic tea addict but for the last 8 months, I have not taken tea even once. I feel prasadam delicious and energetic and it made me a good cook. I am deeply fond of Radha Madhav gaushala. It is a place where I find a lot of peace, energy and positivity. I pray and beg Krishna to grant me mercy that to move ahead with determination along with my family on this path of Krishna consciousness and make real sense of our life. I have realised Prabhupada literally helping me in the most crucial situation of my life. It is purely because of guru mercy on this rotten creature like me. I pray to God to keep me progressing on this path.

हे गुरुदेव, हे दया के सागर, आपकी दासी पर दया कीजिए और अपने एवं कृष्ण के चरणकमलों की छाया प्रदान कीजिए। हम बद्ध जीव हैं और जन्म जन्मांतर से इस संसार रूपी दुखालय में दुख भोग रहे हैं। प्रभुपाद आपसे जुड़कर हमारी उस आदि पुरुष को जानने की जिज्ञासा शांत हुई। नहीं तो हम देवी देवताओं को ही भगवान मानकर उनकी भी पूजा करते थे। लेकिन अब पता चला कि पानी पेड़ की जड़ में डालना है, हर पत्ते और डाली पर नहीं। वैसे ही पूजा और सेवा भी सिर्फ भगवान कृष्ण की ही करनी है। आपने ही हमें परम करुणामय अवतार भगवान चैतन्य महाप्रभु और नित्यानंद प्रभु का आश्रय दिलाया जो इस कलयुग में कृष्ण प्रेम बांटने आए हैं, जो हमें भोग विषयों को त्याग कर हरि नाम जपना सिखाते हैं। प्रभुपाद, आप की किताबें मुझे आपका संग प्रदान करती हैं। आप की किताबें पढ़ते समय मुझे यही महसूस होता है कि जैसे आप मेरे सामने आकर मुझे कृष्ण ज्ञान दे रहे हैं। आपने अपनी किताबों में हर जिज्ञासा का अंत किया है। आपने हमें कृष्ण से प्रेम करना, कृष्ण की सेवा करना और कृष्ण से हमारा भूला हुआ सनातनसम्बन्ध याद दिलाया है। हमें वैष्णव आचार्यों की शिक्षाएं सिखाई, उनके जीवन चरित्र बताएं और सबसे पहले आपने हमें हरि नाम संकीर्तन सिखाया। आपको कोटि-कोटि धन्यवाद। आपने हमारे जीवन को ध्यात्मिक उन्नति प्रदान की। हे गुरुदेव अब मैं आपकी कृपा प्राप्त करके कृतार्थ होना चाहती हूँ। मैं बुद्धिहीन, शक्तिहीन पतीत आत्मा हूँ। मुझे आप कृष्ण प्रेम प्रदान कीजिए। कृष्ण की शुद्ध भक्ति ही अब मेरे जीवन का एकमात्र उद्देश्य है और यह बिना गुरु कृपा के संभव नहीं। जय प्रभुपाद, हरे कृष्ण।

जब तक आप मेरे जीवन में नहीं आए थे मैं इस भौतिक संसार में पूर्ण तरह से ग्रस्त थी । आप हमारे घर पर भगवत गीता के माध्यम से आए । लेकिन हमें आपके बारे में व भगवत गीता के बारे में कुछ भी ज्ञान नहीं था। बाद में मुझे पता पड़ा कि भगवत गीता को आपने ही यथारूप अनुवादित किया है। मुझे यह मालूम नहीं था कि जब भी जीवन में संकट आता है तब आप हमारे साथ हमेशा अपनी वाणी के स्वरूप में भगवत गीता के माध्यम से विद्यमान होते हैं । आपकी कृपा से हम हरे कृष्ण मंदिर के संपर्क में आए और उसके बाद भगवान श्री श्री राधा माधव के शुद्ध भक्त बनने की कोशिश कर रहे हैं । हम आपके दिए हुए सारे नियमों का पालन करने की कोशिश कर रहे हैं और अपने व अपने परिवार को श्रीकृष्ण की शुद्ध भक्ति में आगे बढ़ाने का प्रयास कर रहे हैं हम आपके नियम का पालन करने की कोशिश कर रहे हैं और अपना मन श्रीकृष्ण शुद्ध भक्ति में आगे बढ़ने का प्रयास कर रहे हैं। पहले हमने भक्ति में आकर हरे कृष्ण मंत्र की दो माला से शुरुआत की बाद में 4 फिर 8 और फिर अभी हम 16 माला जप कर रहे हैं । लेकिन माला करते वक्त हमारा ध्यान इधर-उधर भटकता है। हे गुरुदेव आप से प्रार्थना है कि कृपा करके मेरा मन माला करते हुए ना भटके ऐसी कृपा कीजिए । आपके बारे में कुछ भी लिखने की मेरी पात्रता नहीं है इसलिए कुछ गलत लिखा हो तो कृपा करके क्षमा कीजिए ।

My Thousand Pranams at Pujya Guru Srila Prabhupada's lotus feet!

Guru's teachings have immensely benefitted me. How I conduct my everyday life has improved a lot. As per Guru's instructions, I mainly follow the following: 1. Chant Hare Krishna maha-mantra as many times as possible. 2. Read, listen to Bhagavad-gita and Bhagavatam discourses whenever possible and 3. Think about Supreme Lord Krishna always and dedicate every action of mine to Him. These have made me gain a lot of internal peace, become less competitive in the worldly rat race and gain a more positive attitude. Understanding the larger purpose of life that everything belongs to and driven by my Lord Shri Krishna made me a happy person. I am more rejoicing, as my Lord does not lead to me any difficulties, and He gives me more than what I can wish for. My humble gratitude to Pujya guru Srilaprabhupada for fortifying my devotion to my Lord Shri Krishna.

Dear Srila Prabhupada,

I offer my humble obeisance at your lotus feet. As a sailor helps people to cross the river with a boat, you have helped several people to cross over the river-like life with devotion. Your pure devotion towards Lord Krishna has only resulted in Krishna consciousness worldwide. In the hardest time of your life, your faith in Krishna gave you the strength to spread Krishna consciousness. And today because of your influence throughout the world, I can proudly say that with the grace of God, I and my family are a part of the Hare Krishna Movement. I have earned a vast knowledge of Lord Krishna and his life through the devotees. They not only teach us how to become a faithful servant of the Lord but also the way of living all the expects of life in a virtuous way and become a noble person. Your life journey always influences the devotees and people to live life for God. Life is full of difficulties, but a devotee's belief in Krishna helps him to cross every obstacle with a smile. गुरु के चरणों में वंदन,

हरे कृष्ण ,

आज व्यास पूजा के पावन अवसर पर मेरा प्रणाम स्वीकार कीजिए। मुझे मंदिर से जुड़े 2 साल हुए हैं। इन 2 सालों में मुझे गुरु की कृपा से बहुत कुछ सीखने को मिला है कि किस प्रकार मनुष्य अपने जीवन को एक नई दिशा दे सकता है और अपने आध्यात्मिक जीवन में उन्नति कर सकता है। प्रभुपादजी आपकी कृपा से हमें यह पता चला कि भगवान और देवी देवता में क्या अंतर है। हमें यह मालूम हुआ कि अपने जीवन का परम लक्ष्य उन्नति नहीं अपितु जन्म मरण के बंधन से मुक्त होकर भगवत धाम की प्राप्ति करना है। प्रभुपाद जी की कृपा से हमें जप करने का रास्ता मिला जिससे हम अपने मन को शांत रख सकते हैं। प्रभुपादजी की कृपा से हमें भगवत गीता पढ़ने का मौका मिला जिससे हम अपने जीवन में बहुत बदलाव महसूस करते हैं। गुरु की कृपा से मुझे ज्ञान प्राप्त हुआ कि किस प्रकार से भोजन को भगवान को अर्पित कर प्रसाद के रूप में अपने घर के सभी सदस्यों को खिला सकूँ। भगवत गीता में लिखा भी है बिना भगवान को अर्पण किया भोजन पाप के समान है। गुरु की कृपा से ही मुझे सही मार्ग मिला कि आज मैं अपने बच्चों को आध्यात्मिक ज्ञान देने में कुछ समर्थ हुई हूँ। अब जब भी कोई समस्या आती है तो गुरु की कृपा से उसका हल भी मिल जाता है। आज व्यासपूजा के पावन अवसर पर प्रभुपादजी को बहुत धन्यवाद बोलना चाहती हूँ। मेरी गुरु जी से यही प्रार्थना है कि मैंने जो भी गलती की है या करती हूँ इसके लिए गुरु जी मुझे क्षमा करें तथा आगे भी भक्ति में मुझे मार्ग दिखाएं।

आपकी शिष्या,

Hare Krishna Prabhuji, Dear Father Srila Prabhupada,

I am not worthy to write about our Dear Father Srila Prabhupada. But he has given me this golden opportunity to voice my thoughts, which is why I am here. I am extremely grateful to my Dear Father for teaching me how to find true happiness in the worship of Krishna. I wish to devote the rest of my life to the purpose of Krishna consciousness. My Dear Father helped me realize that devotion through Kirtan was a spiritual high superior power. Before my introduction to Hare Krishna, I was searching for false happiness in the wrong places. For example - gossip, shopping, and Indian TV serials. My Dear Father taught me how to find true spiritual happiness. He helped me understand the meaning of Krishna, and develop a strict discipline by doing Hare Krishna Maha-mantra chanting.

Anytime I feel stressed or confused, I remember his saying "I am here my child, let me help you". That thought clears my mind, helps me relax, and gives me the strength to handle my problems. From my experience, the contribution of my Dear Father is very valuable and will have a lifelong impact on me. I lost my path going back to Home, and only my Dear Father held my hand to show me the right path. You will always be with me, thank you for everything, My Dear Father. Hare Krishna. Thanking you.

My Dear Srila Prabhupada,

At the point of “CULMINATION”

At the point of culmination,

I think I was bewildered

I was confused in myself

Was a body or a soul

I was.....

The night of nescience doesn't last long

There he was,

With a stick of righteousness in his hand

With strict nature to correct

But with the love of Godhead

Since four years under his nurture

I sometimes feel the lack of his presence  
But still, he lives in his books  
So does he say  
And so does he.  
Let me bow down before Him  
Again and again  
Because he is the reason for what I am  
“At this point of culmination”  
A thousand time  
Let me do so.....

Your humble servant,  
Bhaktin Vishwa Thakkar.

Dear Srila Prabhupada,

Please accept my humble and respectful obeisance unto your lotus feet. I am very much thankful to you for showing your mercy and allowing me to follow Krishna consciousness. It is just by Your causeless mercy that I have come in association with the Hare Krishna Movement. By Krishna’s and your causeless mercy, I got married last year, and I am blessed to have him and for making me practice Krishna consciousness. O master, please give us the shelter of your lotus feet so that we can chant, practice Krishna Consciousness and grow spiritually together and follow ideal married life. O, master! By your grace, I am able to chant 1 round daily since the past few days. Moreover, we (me and my husband) also sing Narshima arati every evening without a miss. However, I strongly desire to continue chanting and read your books when I get a breathing time in my schedule. By your blessing and with the unalloyed service of your devotees, I am still nicely associated with the temple, chanting, prasadam, festivals and ecstatic kirtans.

Once again, O master, I am very thankful to you for giving me an opportunity to live a Krishna conscious life. With this short note and respectful obeisance, I end my prayer. Hare Krishna!!

Yours Sincerely,  
Bhaktin Yashika Brijesh Soni.

Dear Srila Prabhupada,

I can only imagine how horrible my life would have been if you would not have given shelter by bestowing your causeless mercy on this undeserving soul. Looking back during the days when I was a student, I used to think that the ultimate destination for a person is a successful career, fame, family and money. Despite several hard attempts, whenever I faced failure in material life, I used to question everyone and found no guidance. It was only after severe heartbreaks both at personal and professional level, that I finally found the answers through you when I visited ISKCON. Today I realized that it was a process that I had to go through. One has to be broken to be sculpted properly. I cannot thank you enough for shaping me in the right way to realize how rare this human form of life is, which I was wasting away by only endeavoring in material struggles.

The more I read the scriptures, the more I realize the value of a guru in our life. Earlier I used to think that I must have done a lot of sinful activities in my past life that I have been a lost, struggling soul. But now I feel I must have done at least one good activity that I got this mercy from you when you accepted me as your disciple. Without your shelter I would have just wasted this life also and would not have even endeavored in the right direction.

Whenever I recollect those days when I didn't even know that Lord Krishna is THE Supreme Personality of Godhead, I feel a shiver down the spine thinking how ignorant and directionless a life I was living. Your causeless mercy to help realize the presence of Nama-prabhu in our everyday chanting has given a new meaning to my life. Especially during these testing times of Corona where companies are getting closed, big establishments are getting wiped out and those people who were thinking themselves unconquerable are facing the wrath of times, I can easily relate to your teachings and how we should use every moment of our lives to practice Krishna Consciousness. I cannot thank you enough for your guidance in my daily life, and for your blessings and forgiveness that you have bestowed upon me despite falling several times. I just feel surprised. I have been a victim of *maya* and there are moments when I fall but I can only ask for your forgiveness, continued blessings, and guidance to move firmly and steadily in this amazing Krishna conscious journey—the real journey of a human life.

Your forever servant,  
Abhijit Krishna Dasa.

Dear Srila Prabhupada,

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhanta Sarasvati Goswami. You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

One cannot establish the path of true dharma by logic, nor by deep study of scriptures as there are innumerable scriptures in the world to puzzle one, nor is it possible to do so by approaching the philosophers as each of them have their own opinions. The real principles of dharma are hidden in the heart of pure devotees of the Lord. One must, therefore, follow in the footsteps of such great devotees and their representatives. Krishna brings a sincere soul to a Guru and the Guru takes him to Krishna. I can understand that our coming to you was an arrangement by the will of providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being.

You have given us the complete and the highest understanding of the Absolute Truth. We find a variety of presentations in the spiritual marketplace of this material world, each having its own philosophy, practices and understandings of the Absolute Truth. Many of them appear to be quite alluring and convincing, promising wonderful results in the end. In contrast to this, your presentation shows that all the Vedic conclusions are in harmony with each other and aim towards Krishna. Srila Prabhupada, kindly protect me from these flowery paths and keep me at your shelter. You have mercifully revealed to us that Krishna is the Supreme Personality of Godhead and that our constitutional position is that of being his eternal servant. And that our natural engagement is that of rendering loving devotional service unto him.

The world situation is rapidly changing. As time passes Kali-yuga unravels itself more and more. Six months ago no one had expected that such a situation would come upon us. The worst is yet to come. All of your predictions are beginning to come true one after another. Srila Prabhupada, you always spoke strongly about the dangers of a materialistic civilization whose so-called advancement lies in the development of sense gratification. Instead of becoming godly, we have entered a race with dogs to see who can do better at eating, sleeping, mating and defending. The raging COVID pandemic that we all face now has particularly made it very clear that something is not right. As Bhaktisiddhanta Sarasvati Thakura says “This material world is not fit for living for any gentleman.” Just like a fish out of the water, we are right now out of the water of Krishna consciousness and in the awkward situation of material struggle for existence. Thinking of this life and the world as all in all, everyone is hopefully engaged in an attempt to be happy that often ends otherwise, and in due course makes people ponder if it's actually achievable. Bound to social dogmas and being oblivious to the harsh realities of life, people are unable to break themselves free from their lifestyles and remain perpetually in their day and night dreams.

People are now beginning to realize that everything in existence is worthy of their respect and that we are all connected. The weight of their actions and its implications on life forms are more evident than ever. Unemployment is on the rise and those working fear pay cuts and layoffs. Students are uncertain of their future. A supposed free world is now forced into a horrible lock down. On a positive note, with all the demons locked inside their homes and their activities put to a hard stop, Mother Earth is healing, Pollution is clearing off, air is more breathable, Mother Yamuna, amongst many other rivers, is clear again. The situation makes people think differently and also gives them an opportunity to rethink what life is all about.

Srila Prabhupada, we however, remain untouched from these difficulties, thanks to the umbrella of the spiritual environment you have given us. I also feel very much grateful to all the Vaishnavas who are sincerely taking your mission ahead. Srila Prabhupada, kindly bestow your causeless mercy upon me and make me instrumental in your mission.

Aspiring servant of your servants,  
Abhimanyu Suta Dasa.

Dear Srila Prabhupada,  
Please accept my humble obeisances. All glories unto you on this auspicious day of your appearance.

*om ajnana-timirandhasya jnananjana-salakaya

“I offer my respectful obeisances unto my spiritual master who, with the torchlight of knowledge, has opened my eyes, which were blinded by the darkness of ignorance.” I immensely thank you for graciously giving me an opportunity to come in touch with your causeless mercy. Although I'm unworthy and undeserving, still you have magnanimously showered such a wonderful blessing upon me.

“This is the business of the disciple, how to glorify the spiritual master, parampara. I glorify my spiritual master, you glorify your spiritual master. If we simply do that, glorify, then Krishna is glorified.”

(Lecture on SB 1.5.23 - Vrindavana, August 4, 1974)

Thank your dear Srila Prabhupada for showing your causeless mercy upon me. Your personal life examples like your true love and compassion for conditioned souls, your firm determination to carry out your spiritual master's order, your complete dependence upon the Lord, your expertise in presenting Krishna consciousness perfectly according to time, place and circumstances, your humility, your tolerance and many more have always been a great source of inspiration for me. All your qualities are sublime and friendly to all living entities. There are many wonderful pastimes where many devotees positively transformed their life just by coming in touch with you either directly or indirectly.

*yasya prasada bhagavat-prasado yasyaprasadan na gatih kuto 'pi  
dhyayan stuvams tasya yasas tri-sandhyam vande guroh sri-caranaravindam*

*"By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master."*

Although the whole world faced difficult times in the past few months and still are undergoing, but only because of your causeless mercy I was completely aloof from all these things by getting shelter in your temple, ISKCON Bangalore, and being engaged in devotional service whole day by your disciples who are day in and day out trying their best to glorify you and spread your glories around the globe.

I beg you to please bless me to do my best to glorify you. Help me to learn the art of being nonenvious of all other living entities, develop staunch faith and determination towards chanting of the Holy names with my utmost attention, develop a meek and humble attitude towards other Vaishnavas, and come out of my ignorant and selfish nature.

Thank You, Srila Prabhupada.

Your aspiring servant,  
Abhinava Krishna Dasa.

My dear eternal father and most worshipable Srila Prabhupada,

Please accept my humble obeisances in the dust of your transcendental lotus feet. All glories to Your Divine Grace! All glories to your sincere followers!

Feel so fortunate being in the midst of Vaishnavas, where everything is centred around you Srila Prabhupada. It is not just the lip service but put into practice in Srila Prabhupada's ISKCON Bangalore and affiliated centres. Although my first exposure to Krishna consciousness happened in Mumbai, by your causeless mercy I have landed up in ISKCON Bangalore and continuing my spiritual pursuit.

Material danger is not meant for devotees. This is also confirmed in the *Srimad-Bhagavatam* (10.14.58): *padam padam yad vipadam na tesam*. In this material world there are dangers at every step, but they are not meant for devotees who have fully surrendered unto the lotus feet of the Lord. The pure devotees of Lord Visnu may rest assured that the Lord will protect them, and as long as they are in this material world they should fully engage in devotional service by preaching the message of Sri Caitanya Mahaprabhu and Lord Krsna, namely chanting Hare Krsna and the other aspects of Krsna consciousness. (A Second Chance, Chapter 21)

In the same line, the ongoing Covid19 pandemic has created such havoc in the life of people globally, nationally and locally. Even in this challenging situation, we feel safe under the guidance of the senior Vaishnavas here, who not only are themselves fully engaged in the preaching missions of Srila Prabhupada but are also giving the same opportunity for all devotees to engage in their respective services in spite of the demoralizing effect on many of the Temple's spiritual programs and activities due to this outbreak.

Srila Prabhupada, personally, it is a blessing in disguise, having gotten an opportunity to reside within the temple premises like a full-time devotee with the best possible care. Moreover, I have the satisfaction of using this opportunity to the best of my capacity in performing my *sadhana* and engaging in my authorized services. I am indebted to you and my senior Vaishnava authorities here for this privilege.

I know very little about devotional service, I have no attraction for the process of devotional service, I have no good qualities, but I am convinced that by following and serving you and your mission, all my shortcomings will be overlooked by the Supreme Lord and I will be allowed to serve you eternally.

Srila Prabhupada, please allow me to become a surrendered soul at your divine lotus feet. Please forgive my innumerable offences and continue to shower your mercy upon this undeserving fallen soul. I cannot sufficiently express my gratitude for what you have done by giving me this unique opportunity of pure devotional service. May your fame and glories continue to be known and chanted throughout the three worlds. All glories to Your Divine Grace!

Your most insignificant and unworthy servant,  
Abhirama Dasa.

*om ajnana-timirandhasya jnananjana-salakaya  
caksur unmilitam yena tasmai sri-gurave namah*

In loving appreciation of His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada on his 124th appearance day, Day of Nandotsav.

My dear eternal father Srila Prabhupada,

On this most auspicious day of your appearance on planet earth, I would like to offer you my heartfelt thanks along with some humble words of praise.

Dear master, please give me this much spiritual strength so I can always utilize my thinking, feeling, willing power to serve your great mission.

Dear master, you nicely present us the knowledge of *Bhagavad-gita* which is coming in the descending process.

*Bhagavad-gita* instructions of Krishna relieves our burning heart in all circumstances of time and space.

In *Srimad-Bhagavatam* purports, you nicely explain whatever Krishna does for the *jivas*, it benefits the *jiva*, whether they perceive it or not. Just like you narrate the pastime of King Indradyumna, he took the curse of Agastya Rishi as a mercy of the Lord. Next birth he gets a chance to invoke his old memory at the critical time. And Lord reciprocates with him, gives him ultimate *ananda*.

Dear Prabhupada, I am not serious in devotional service, at present not a devotee as well. I am struggling to cross over all material problems. I am weak both mentally and emotionally. I am getting disturbed, disappointed, even agitated for frivolous things. In this condition, how can I preach to others? Unless I become very strong mentally or emotionally I will not be able to preach to others.

So I beg you to bestow your causeless mercy to cross over these problems and become very strong in Krishna consciousness and strictly follow devotees who are following you. I may not have any independent desire other than serving your mission Srila Prabhupada. I beg your pardon for having committed offence either knowingly or unknowingly against you and any of your disciples. I wish that I may not commit an offence against any devotee in future.

Jai Prabhupada!

Your most weak servant,  
Acharya Nishtha Das.

My dear spiritual master Srila Prabhupada, please accept my humble obeisances unto your lotus feet. All glories to you.

Another wonderful year passed by of your advent in this material world 124 years ago. Many conditioned souls liberated by your transcendental causeless mercy are the witness year after year. Even though this material world is not liked by *nitya-siddhas* like you, when Krishna desires you come to this nasty place to liberate fallen conditioned souls who are completely lost in this world of nuisance. My dear Srila Prabhupada, the way you have bestowed your mercy upon me and accepted me as your disciple, no amount of words can explain your glories. Even though I am not qualified, you accepted me seeing my desire to serve your most glorious mission. From the day I came in touch with you, I have really started living a meaningful life as a human being. The lifestyle and discipline you have given us is capable enough to uproot our *anarthas* day by day and purify our existence. Srila Prabhupada, it is very pleasing to you if I also develop pure and unalloyed love for Sri Sri Radha Krishna-chandra. It wasn't that you only wanted us to spread the teachings of pure devotional service, but you desired that we, as your disciples, also achieve that goal. In a lecture in San Francisco in 1975, you said: "So my position is that I want to see that at least one disciple has become pure devotee. Of course, I have got many sincere and pure devotees. That is my good luck."

Srila Prabhupada, I feel your guidance in my life every day. The more I dedicate myself to your service and instructions, the more I feel your personal presence in my life. I would beg again and again to remain under the guidance of your divine grace. I always miss your wonderful pastimes which make me attached to your lotus feet more and more in the feelings of separation of your personal presence. I shall always remain as your menial servant and join you one day the abode of the Divine Couple. This is my aspiration. I beg for your blessings to serve you enthusiastically and follow your instructions rigidly.

Dear Srila Prabhupada, the three worlds knows how you have spread the glories of holy name by the order of your spiritual master and saved numerous conditioned souls from this world of nuisance. It is unparalleled and beyond the imagination of an ordinary man. You left Vrindavana and travelled to America in old age, when people seek rest. Encircling the globe 14 times, you established 108 temples across the globe and produced over 80 volumes of transcendental books, all of these within a short period of 11 years. This extraordinary prowess can only be exhibited by a pure devotee of Krishna. I am very fortunate to receive your causeless mercy. Being a part of your spiritual mission, I wish you spread your glorious mission to each and every person by your blessings. I shall remain your servant forever, kindly empower me to follow your words.

Your humble servant,  
Achyuta Agraja Dasa.

ॐ अज्ञान तिमिरान्धस्य ज्ञानाञ्जन शलाकया। चक्षुरुन्मीलितं येन तस्मै श्री गुरवे नमः॥

जय श्रील प्रभुपाद,

घायल हुआ प्रणय समर में, सूख गए हर्ष के समंदर, भटके जीवन पथ पर जब, मिला ना कोई उत्तर,  
अन्धकार में थी तब, साथ मेरे वेदना प्रहर, नित जीवन के संघर्षों में, रहा ना कुछ सुंदर,  
छल का डेरा है पग-पग, और ये भयभीत भँवर, विकट समस्या देखो, छा गया कैसे अविनि पर,  
फिर हृदयाकाश में उदय हुआ, एक नूतन दिनकर, धधक सिंधु पार कर, था जब ज्वार भयंकर।  
देखो ! वैकुंठ से आए प्रभुपाद उतरकर। भूल गए हैं सब, कृष्ण से अपने संबंध, अज्ञान वश लगा, अध्यात्म में प्रतिबंध,  
अटल अपने पथ पर, संघर्षों को झेल कर, प्रेम करुणा बाटने, आया कोई समुद्रयात्रा कर। देखो ! वैकुंठ से आए प्रभुपाद उतरकर।  
समस्या थी जटिल, जब स्थल था मकतल, डिगे नहीं पथ से, जब संकल्प था अचल, हरि क्रांति को, इस धरा पर फैलाकर,  
दिया सबको मूल्यवान, अनुपम अवसर। देखो ! वैकुंठ से आए प्रभुपाद उतरकर। इन्द्रियां भोग, प्रबल इच्छा, रही हृदय में जलकर,  
छूट रही जीवन डोर, मन में है द्वंद परस्पर, कृष्ण इंद्रियों को संतुष्ट, परम लक्ष्य बनाकर, दिव्य कृपा कर हमपर, गूढ़ रहस्य बताकर।

देखो ! वैकुंठ से आए प्रभुपाद उतरकर । कृष्ण का कठोर नियम, मांगे आत्मसमर्पण, श्री चैतन्य अवतार, दिया कृष्ण प्रेम दर्पण, परंतु आपकी की कृपा, है उनसे भी बढ़कर, जगत-जाल से, अकारण पार कराकर। देखो ! वैकुंठ से आए प्रभुपाद उतरकर।

देह धारण में लिप्त, यह हृदय और मन, भौतिक विचार मे, सदैव करता मंथन, विकल जीवन को, अविकल बनाकर, नाम प्रभु की कृपा को, सब पर बरसाकर। देखो! वैकुंठ से आए प्रभुपाद उतरकर। इस भौतिक संसार का, न कोई छोर है, अनिश्चित है निकलना, सिंधु घनघोर है, महाप्रभु का संदेश, वो आया लेकर, भ्रमित जीवन पथ को ,राह दिखाकर ।

देखो ! वैकुंठ से आए प्रभुपाद उतरकर। संत नगरी से आया, भगवान का डाकिया, सुनो ये संदेश, स्वयं कृष्ण है जग-मुखिया, जप लो हरि मंत्र को, उच्च स्वर में बोलकर, अनुसरण करो आदेशों को, जीवन होगा हितकर, भवसागर पार, निःसंदेह रहो यह जानकर ।

देखो! वैकुंठ से आए प्रभुपाद उतरकर।

Dear Srila Prabhupada.

Please accept my humble obeisances.

I do not have any words to describe how much mercy you have shown on this fallen soul. I am surprised that for people like me you have taken all the risks and pains. I have experienced that it is difficult to guide people to Krishna. It is a very difficult service because you have to be the epitome of goodness, mercy and virtue yourself to guide someone back to Godhead. And you have taken up this unthankful work for not just one or two devotees but for thousands of devotees when you were physically present and for the entire Iskcon for all generations to come. This I believe is impossible for any soul to do. And thus you are a mahatma among the mahatmas.

You do this thankless and serene service only for the pleasure of Krishna. The Maya Devi's service to keep devotees in illusion is indeed very difficult. But the service of the spiritual master is much more difficult to pull the reluctant soul out of Maya and take him to Krishna. This is not just one-lifetime activity but multiple but you have chosen to do it for our sake. I can never pay this debt. Save for some small service I offer to the best of my capacity.

This way I wish to be indebted to you for lifetimes after lifetimes and serving you forever.

Thank you Srila Prabhupada.

Your servant,

Achyutananda Dasa.

Dear Srila Prabhupada,

I offer my respectful obeisances unto Your Divine Grace, my spiritual master, who has opened my eyes blinded by darkness of ignorance, with the torchlight of knowledge.

Guru Maharaja, by your causeless mercy and hard struggle you have given us this transcendental knowledge for our benefit. I am just plucking sweet fruits from your transcendental tree.

Last year, by you causeless mercy, I have started reading *Srimad-Bhagavatam*. It's a great experience, but without your purports I would not be able to understand any of the philosophical meanings behind this book. All the purports are written with love and affection. From the day of reading the guidance of Vidura to Dhritarashtra my mind is always running with this instruction, because from last few years I was having a desire to serve your mission as a full time devotee, but due to uncontrolled desire and material affection, I was unsuccessful. I beg for your forgiveness.

Guru Maharaja, I had an opportunity every Saturday and Sunday to serve your devotees in your temple, but from last couple of months as you are aware this practical devotional service is paused due to the pandemic situation. With great efforts of your devotees I am able to attend online classes.

Guru Maharaja, please bless me with Your Divine Grace and keep me always at your lotus feet. I also beg for your and other Vaishnavas' forgiveness if I have committed any offences knowingly or unknowingly.

Your insignificant servant,  
Adi Karta Krishna Dasa.

Obeisances unto your divine lotus feet.

*namas te sarasvate deve gaura-vani-pracarine nirvisesa-sunyavadi-pascatyā-desā-tarīne*

This is a very grateful moment for me to express my gratitude towards you. As we everyday sing this song 'sri-guru karuna-sindhu, adhama janara bandhu', so practically you have proven these lines by giving a Krishna conscious life to person like me. Because of this mercy now I came to know how much greatness a pure devotee has. Especially a pure devotee like you who has taken all types of trouble to give this opportunity to all fallen souls of this Kali-yuga and it continues even after many years of your physically leaving from this world and will be continue in future in more density.

Change in my personal life is a practical proof for your divine presence in this movement. Experiencing divine consciousness without your physical presence is the proof of your divine presence. Without qualifications, I'm getting this matchless gift by you. From all this evidence we can easily understand that you are not an ordinary person like us but an extraordinary person with extraordinary activities. You are the messenger of the Supreme Personality of Godhead, Krishna. There are ample examples to make us believe that Your Divine Grace is not an ordinary person but a pure devotee of the Lord who has descended from spiritual heaven to this world for delivering the fallen souls like me. So there are no limits on the glorification of a pure devotee like you but as per my limited brain, I'll try to give my humble thanks to Your Divine Grace for pulling me up from the stringent laws of this material world.

I want to be your eternal servant, please take me to your shelter so I can serve you without break and will not again get a fall down from this position as your servitor.

You mostly fallen servant,  
Ajay Krishna Das.

My eternal spiritual master Srila Prabhupada,

Please accept my humble obeisances at Your Lotus feet. All glories to Your Divine Grace.

I had heard from one of the senior devotees that every single instruction of yours has the potency to inspire the creation of a global organization in itself that can serve the humanity by flooding Krishna consciousness all over the world. In your letter dated 23 August 1971, you remarked as follows-

*“I have already told you all several times, in India, respectable gentlemen want to educate their children through the English medium. If we can organize such an institution such as St. Xavier's College in Calcutta and Bombay and we can give them instruction through the English medium and raise them in a Krishna Conscious culture we shall get an unlimited number of students from respectable families of India. Such institution will be very much welcome especially in Bombay and Delhi. So think over this matter how best to organize such an institution as St. Xavier's college. Our mission is solid. Our philosophy is not utopian. Our men are being trained for exemplary character. So we shall have a unique position all over the world provided we stick to the principles, namely unflinching faith in Spiritual Master and Krishna, chanting not less than 16 rounds regularly and following the regulative principles. Then our men will conquer all over the world.”*

Under the guidance of your senior disciples, we started the Basil Woods educational initiative as a humble attempt to pursue the vision laid out by you as above. While the response from the preschools were far beyond encouraging, the attempt to take the next leap in terms of starting a full-fledged international school project in Gunjur, Bangalore by procuring land and setting up the campus infrastructure, looked daunting to us at the outset. The financial wherewithal required, the experience required to run the operations and the project management capabilities were a question mark to us. As we set out to commence the Basil Woods International School project in Bangalore, we realized that it is You who have decided to manifest Your vision and that we need to just execute our duties sincerely as a ‘*nimitta*’ for Your divine plan to mystically unfold itself. By your mercy, the infrastructure setup of your Gunjur campus is nearing completion and the virtual academic sessions have begun for this academic year. At every step, You are inspiring all of us to push ourselves further every single day. Under the able leadership of your senior disciples, I am sure this initiative of yours will grow into a mammoth institution in the coming years.

Thank you Srila Prabhupada, for keeping me in your service despite all my material and spiritual shortcomings. My prayer at Your Lotus feet is to always keep me under the divine shelter of your mission, life afterlife, which is the only hope for a conditioned soul like me to progress in my spiritual journey. Please inspire me and guide me through the medium of your books, lectures, your disciples and your organization to maintain the right consciousness, in the face of all the challenges of the material world. I have also received an invaluable gift from you in the form of the ‘Soulful Japa’ course consisting of a wonderful curation of your instructions on Japa by HG Madhu Pandit Prabhu. Thank you Srila Prabhupada for this, and kindly give me the strength to implement these insights into my chanting. Please bless me to help me overcome my laxity in serving you, and empower me to follow your instructions diligently in order to be worthy of your service.

Your aspiring servant,

Akhilatma Krishna Dasa.

Jai Srila Prabhupada. I offer my humble and respectful obeisances onto your lotus feet which is the only shelter and hope to me in this life's journey of Krishna consciousness.

Srila Prabhupada, you are the only one who speaks on behalf of Krishna, so, you are the real Guru, as you speak in the disciplic succession of Krishna. Therefore, you are so worshipped in this world by the devotees of Lord Sri Krishna with such great faith.

Thus, you had made us very serious to understand spiritual life, so, we require you alone as our beloved spiritual master for all guidance. Yes, Srila Prabhupada, it is a question of necessity, as we have to come to you and surrender there.

Srila Prabhupada, you are the true and bona fide representative of Krishna and all our former *acharyas*. And thus, you gave us a better understanding that all *acharyas* are representative of Krishna; therefore, we are getting such a great opportunity to offer the same respect to you as you offer to God. So, when we are surrendering ourselves to you, the true bona fide guru, that means we are surrendering to God. God is accepting our surrender through you Srila Prabhupada. *Yasya prasada bhagavat-prasado*. If I surrender to you, that means Krishna is pleased.

In all the *shastras*, Vedic literature, the authority says guru is as good as God. But, guru will never say that "I am God." The disciple's duty is to offer respect to guru as he offers respect to God. Just like you have been addressed as "Prabhupada." *Prabhu* means "the Lord" and *pada* means "the position." "One who has taken the position of the Lord."

Guru, there may be many gurus, thousands... it doesn't matter, but their philosophy must be one: to teach everyone that Krishna is the Supreme Personality of Godhead. Yes Srila Prabhupada, with your sublime and transcendental teachings, we could learn this saying. So, therefore you are very important for us because we are getting a chance to know about the Supreme Personality of Godhead Sri Krishna, who is our ultimate destination.

Dear Srila Prabhupada, if I could imagine and if Lord Sri Krishna would have not sent you to this world, then this world would not have experienced Krishna in anyway!! You had come here as a saviour of this material world and gave so much which no one would have...!!??

So, we could see there is so much need to spread this movement of Krishna consciousness all over and the humble attempt in this regards is ON by your great followers and thus I am being a very small part of the same, trying my best to serve you Srila Prabhupada. Please continue to bestow your causeless mercy on this most insignificant member, who is not eligible to become even a speck of dust at your lotus feet! But, this being a very kind, sincere and humble request to you to just use me however you like, as I surrender completely unto you.

And hence, still continuing to desire to be your most insignificant servant of the servant of the servant,  
Akinchana Caitanya Dasa.

Dear Srila Prabhupada,

Please accept our most humble obeisances at your lotus feet. All glories to your Divine Grace.

It is our greatest fortune and privilege to have been blessed with the opportunity to write this Vyasa-puja offering on the auspicious occasion of your 124th appearance day.

We are aware that our inexperienced letter will not be able to praise your transcendental activities in a befitting manner. The glories of Your Divine Grace are so great that even advanced Vaishnavas and scholars will only be able to describe them in a summary, just like pointing towards the moon through the branches of a tree. Yet, we are dutifully making this attempt to glorify your *lilas* in obedience to the traditions of our disciplic succession. We feel confident that you will kindly accept this insignificant offering despite its inadequacies, just as an affectionate father wholeheartedly accepts the broken, unintelligible words of his infant children with great joy and satisfaction.

A deep concern that the inhabitants of this world should not continue to suffer terrible pains and miseries is the reason for your appearance. You patiently teach us the sublime path of *bhakti-yoga* and give us the matchless gift of Krishna consciousness despite our reluctance to gratefully accept it. How can we fathom the compassion which unceasingly emanates from your heart for the sake of stubborn and ignorant souls like us? We cannot even begin to write about the causeless mercy you have so kindly bestowed in our own lives.

In this world, where despair knocks our doors every moment and danger lurks at every step, the sublime process you have so kindly given is our only solace. Your instructions provide peace, strength, determination, fearlessness and hope. Our single-minded endeavour should be to apply ourselves faithfully to your instructions, thus making the best use of the available time and prepare ourselves for the ultimate test of death.

As an embodiment of compassion, you are giving us your association in various ways. You are always with us through your books, instructions and Deity form. You have given us a potent spiritual programme following which we will not only be able to face the onslaught of the three kinds of miseries but achieve the highest goal of returning home to Krishna.

You have given us the spiritual touchstone of the Hare Krishna *maha-mantra* with which we can achieve all spiritual success and attract the mercy of the Lord. You have taught us that by practising the four regulative principles of freedom, we can become sinless and pass the insurmountable tests of Maya. The systematic path of devotional service expertly devised for our benefit by combining the essence of *Bhagavata* and *Pancaratra margas* are meant to make us fortunate and help us move forward in spiritual life.

By continuously associating with your *vani*, we can always feel your presence and direction. We can be part of your lectures and discourses, participate in morning walks and conversations and be a part of your entourage every day, in the same way as it was done during your manifest presence. We can read your instructive and enlightening letters to overcome obstacles in our daily situations. We can be instantly transported to the eternal pastimes of Lord Krishna and Sri Caitanya Mahaprabhu by reading your books. Your temples offer us a chance to develop a personal relationship with the Deities and participate in the various festivals and programmes enthusiastically. Your dedicated devotees and followers are carrying on your mission and are supporting us in leading a Krishna conscious life. In these ways, your guidance is always available for your sincere disciples and followers without any limitations of time, distance or other material considerations.

Despite all these facilities, we have not been able to apply ourselves properly to the path given by Your Divine Grace. There are numerous flaws in our *sadhana* despite your merciful guidance and concessions. We have not made use of this pleasing medicine and diet of Krishna consciousness due to our own lethargy and negligence. We are able to continue with Krishna consciousness with all our shortcomings only due to your unlimited patience and tolerance.

On this auspicious occasion, we beg of you to once again forgive our frailties and bless us with the strength to carefully execute your orders. Please bless us to always act as per your desire and quickly come to a position where all our actions are dedicated to your satisfaction. We pray to you that we simply endeavour to serve your instructions to the best of our abilities and not be anxious about anything else. Please instill in us the implicit faith that Guru and Krishna know everything and will always act in our best interest for our deliverance. Please give us the shade of your lotus feet, may your glories be spread everywhere.

Your aspiring servants and disciples,  
Amalabhakta Dasa and Sugopi Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisances onto your lotus feet.

All glories to you on this auspicious day of your Vyasa-puja!

This year 2020, it has been 5 years of my initiation. It is by your causeless mercy that even a fallen soul like me has been able to come back to be in the association of devotees after being away for 4 long years. I am writing this Vyasa-puja offering after a long gap of 5 years.

Srila Prabhupada, I lost a wonderful opportunity to join your movement as a full time devotee back in 2016 as I had to go back to my native to help my father's business. He was bedridden after a prolonged disease. I continued my school business as Principal in my native, was able to do very well and after receiving very good name, fame and wealth from the business, I completely forgot my spiritual duties and vows which I had taken during my initiation. Also I got married in 2018. In fact, I thought this is the end of my spiritual life.

But, Srila Prabhupada, it was 2019 FOLK Trip to Dwaraka and Somnath in which I regained my spiritual strength being in association of devotees and spiritual power of Dhama, with the help of my FOLK guide and also with the support of my wife Gopi, who has been showing keen interest in KC, I finally decided to come back to Bangalore leaving my own business. As I was not able to continue my *sadhana* back in my native and almost became like a karmic person.

Dear Prabhupada, I pray to your lotus feet to always keep me under your shelter and guide me towards the path of spiritual advancement. Nowadays I am serving as a Senior Facilitator in NIVE (National Institute of Value Education), ISKCON Bangalore. By your blessings, I am doing well and seek more glances of yours on me to serve you better.

Please bless me to keep up my promise which I gave you on the day of my initiation.

Servant of your servant,  
Ambuja Nayana Krishna Dasa.

Ma Sucah.

Dear Srila Prabhupada I am convinced about your love and protection for me.

The present pandemic (Covid-19) has brought the entire world on its toes. There is an atmosphere of fear, insecurity, and scarcity in the outside world.

Srila Prabhupada, I am so blessed you have given me shelter in the ISKCON Bangalore during this pandemic.

Since the day I have shifted to ISKCON Bangalore every day is rejuvenating. Every day I get golden opportunity to attend *mangala-arati*, *darshana-arati* and *Bhagavatam* class.

Srila Prabhupada, it always excites me how mystically you resolve my doubts.

Srila Prabhupada, I had a doubt how will the *sankirtana* movement reach every nook and corner of the world when people are engaging in more and more sense gratification. I doubted the prophecy of Lord Chaitanya Mahaprabhu.

Recently Ramayana was telecast on Doordarshan. The entire country watched the glories of Lord Sri Rama. Teleserial Ramayana has set a world record by becoming the highest viewed entertainment program globally. You made me realize everything is under the control of the Lord. Lord Chaitanya's prophecy will become true at the right time. Kindly use me as your instrument in the propagating mission of Lord Chaitanya.

Dear Srila Prabhupada, after your disappearance *guru-tattva* was compromised in ISKCON. Twenty years back you made us realize you are the only spiritual master of ISKCON.

I feel it was the first revolution that took place in ISKCON after your disappearance.

I see one such revolution taking place in 2020. You always emphasized on the importance of chanting. It was always mysterious for me to connect all the dots of chanting due to my own ignorance.

You are mercifully dictating *Soulful Japa* modules from your beloved disciple Madhu Pandit Dasa.

Your golden and diamond quotes on *japa* are my source of inspiration. So many of us are getting benefited from the *Soulful Japa* modules.

I believe Srila Prabhupada *Soulful Japa* is the second revolution that you are trying to bring in each of our lives.

Thank you Srila Prabhupada once again for your love and protection.

Your aspiring servant,  
Anadi Krishna Dasa.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet. All glories to Your Divine Grace.

In this world, life is constantly tossed around by the waves of dualities. When these waves hit us, as practicing devotees, we will be affected and go through emotional and physical sufferings. But we have one fixed point to hold on to amidst these turbulent waves. We have a safe boat to cross over these dualistic situations. Just by remembering your instructions and endeavouring to follow them brings that fixedness and steadiness in life. Thank you very much, Srila Prabhupada, for giving Krishna consciousness to this fallen soul like me.

Gurudeva, please give this servant just one drop of mercy. I am lower than a blade of grass. O Master be merciful unto me. Give me the shade of your lotus feet. When will such mercy fall to this fallen soul who is weak and devoid of intelligence? I offer you all respects, for thus I may have the energy to know you correctly. Then, by chanting the holy name, all my offenses will cease.

Srila Narottama dasa Thakura says, *chadiya vaisnava-seva nistara payeche keba*: “without serving a pure devotee, one cannot advance in spiritual life.” (SB 4.22.22)

The service of the spiritual master is essential. If there is no chance to serve the spiritual master directly, a devotee should serve him by remembering his instructions. There is no difference between the spiritual master's instructions and the spiritual master himself. In his absence, therefore, his words of direction should be the pride of the disciple. (CC Adi 1.35)

Srila Prabhupada, you are our eternal well-wisher. From the depths of my hearts I thank you for saving me and giving my live to the real purpose. Please bless me so that I can remain to some extent useful to your mission and perform devotional services to the best of my abilities. Please bless me so that I can cultivate a healthy service attitude and remain united to serve Their Lordships under your guidance. Srila Vishvanatha Chakravarti Thakur writes,

*yasya prasada bhagavat-prasado

Please allow me to be with you and your instructions. Please help me to get in touch with many new souls in our IISc campus, so that they will also experience your sublime programs.

Hare Krishna, Srila Prabhupada...

Your aspiring servant,  
Anagha Govinda Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you.

The glories of the spiritual master are unlimited and can never be glorified by any ordinary human being like me. It is by the mercy of Your Divine Grace that I can try to glorify you to the best possible extent within my capacity.

All these years, from your teachings I have come to understand the key aspects of Krishna consciousness like chanting and hearing, following the four regulative principles, understanding the science of Krishna and performing devotional service unto Him in association with devotees. Of these, the easiest, as well as challenging one is “ASSOCIATION OF DEVOTEES.”

From your books and conversation, I was able to get numerous instructions on this aspect of merits in devotee association and below is the summary which I have compiled.

Devotee association helps one to develop factual devotional service to God, makes life successful, makes one completely happy, can bring one to the perfection stage and certainly frees one from the material clutches.

Even half a moment of association of a pure devotee in this material world is the greatest treasure for human society, it helps one give up the material opulence awarded by the external energy Maya.

Devotee association helps one to give up the association of non-devotees, is supremely auspicious for all living entities, it is the beginning of faith in devotional service, clears misgivings of material existence, is the greatest treasure house for mankind, is the one good opportunity in this material world, awakens faith in devotional service to Krishna and is the only way to get out of the miserable condition.

This is a very easy means to always engage in Krishna consciousness, it purifies the heart, weakens our strong desire to achieve liberation by merging into the brahman effulgence, is the only auspicious activity and one can become the highest qualified man by the association of pure devotee.

By association, one's attraction to Krishna is awakened, we can become purified of our acquired bad habits, develop our dormant love for Krishna, is sure to receive transcendental knowledge very easily. By this, a person comes to the knowledge that Lord Krishna is the original Supersoul and it becomes possible to cross over the ocean of material ignorance and get elevated to the platform of self-realization.

By association, one can get rid of all sins accumulated by mundane association and one's nature changes and it cannot be compared to the attainment of heavenly planets.

From your instructions above, it is very clear that just by associating with the devotee of the Lord we obtain everything required for progressing towards the spiritual world, till going back home, back to Godhead.

Dear Srila Prabhupada, in your pastimes with your ardent disciple HG Yamuna Dasi, you had once told her that “ISKCON is where you are chanting the holy names of Krishna” and that “Association can be two or two hundred. But you must be compatible. If you are two and you are compatible you can go back to Godhead. But if you are two hundred and not compatible...” Here you opened your eyes wide and said, “Then no one will make any advancement.” This instruction has made a significant impact on me and I sincerely pray to grace me with this compatibility in the association of devotees.

I have also realized that obeying the spiritual master but not his representatives are like obeying laws of government but not the officers authorized by the government.

In a recent Srimad Bhagavatam class, I heard that the main advantage of the association of a devotee is that “when we are in association, any of our *anartas* will be identified and rectified, which otherwise will not happen and we will continue to do the same *anartas* if we are bereft of devotee association”.

This year, by your causeless mercy, I got an opportunity to read the *Sri Caitanya-caritamrta*, which was long pending on my to-do list. I relished the nectar of the pastimes of Lord Sri Caitanya Mahaprabhu and His associates.

This year, I also got an opportunity to serve the Deities Sri Sri Radha Krishna-chandra personally by being part of the *raj-bhoga* team, a service that I desired for a very long time which now got fructified by your mercy on this worthless *jiva*.

Your ardent disciple, HG Madhu Pandit Prabhu gave us a series of instructions on techniques of enhancing the quality of our *japa* and progress towards soulful *japa*. Though I am still a complete amateur in this, some of the techniques to hear and chant and also move from mindless chanting to mindful chanting has been of great help to me. The golden commandment of, “We have to chant and hear the same sound” and the diamond commandments of: “Rather, the recommended method is chanting loudly and hearing Hare Krishna.”

Though theoretically, I have been able to grasp the philosophy through your books, I always fail in the practical execution of the same. So, I beg at your lotus feet to give me the right consciousness, ability, intelligence, attitude and tolerance to properly associate with the devotees, develop a cordial relationship with all of them and execute my services assigned by you in a mutually loving and compatible manner.

Your servant, Ananda Gopi Devi Dasi.

All glories to Srila Prabhupada.

Please accept my humble obeisances unto your divine lotus feet.

Dear Srila Prabhupada, out of your causeless mercy, you have accepted me as your disciple. You showed me the spiritual way and showed how to practice Krishna consciousness, I would have been suffering in this material world with a lot of miseries.

I humbly seek your mercy and blessings so that I can continue to serve you eternally at your lotus feet, to be always in the association of devotees and chant attentively.

Your humble and insignificant servant,  
Ananga Manjari Devi Dasi.

Dear Srila Prabhupada,

Please accept my most humble and respectful obeisances unto your divine lotus feet on this particular occasion. As far as my personal devotional life is concerned, last year there were many ups and downs, learnt from lots from mistakes. You are bestowing unlimited blessings unto this fallen soul, and you are always there to help and guide me in right direction. I am very much obliged to you for keeping me in your divine shelter even though I do not deserve it at all. You are the only hope. Please keep bestowing me with spiritual strength so that I can purify my thoughts and actions.

This lockdown has helped me to study your books especially *Srimad-Bhagavatam* more scrutinizingly. Your books are ultimatium, they have everything in them, by reading them sincerely one can enter into the spiritual realm and understand clearly and precisely what is the meaning of pure devotion and take one to the platform of complete ecstasy. Thank you so much for giving a sublime transcendental gift to human society. In almost all the Bhaktivedanta Purports you have mentioned that chanting of Hare Krishna *mantra* is the only sublime method to realize Krishna in this age of Kali-yuga.

Please bestow me with causeless mercy so that I can chant Hare Krishna *maha-mantra* with utmost sincerity. The glories of Hare Krishna *maha-mantra* is mentioned in many places in Vedic literature like:

When Sarvabhauma Bhattacharya asked the Lord Caitanya Mahaprabhu, which item was most important in the execution of devotional service, Sri Caitanya Mahaprabhu immediately answered that the most important item is the chanting of the holy names of the Lord—Hare Krsna, Hare Krsna, Krsna Krsna, Hare Hare/ Hare Rama, Hare Rama, Rama Rama, Hare Hare.

The personified *Vedas* say: “Those who have tasted the nectar of devotion by relishing the transcendental vibration of chanting Lord glories—Hare Krsna, Hare Krsna, Krsna Krsna, Hare Hare/ Hare Rama, Hare Rama, Rama Rama, Hare Hare—do not care for any other spiritual bliss or for material comforts, which appear to the pure devotee as less important than the straw in the street.”

Krishna can, however, be known as such by the causeless mercy of the pure devotee and by no other way. (Ref BG 2.29 Purport)

On this auspicious occasion, I sincerely pray unto your divine lotus feet to bestow mercy on me so that I could develop required purity in the heart to move on devotional path. Thank you very much Srila Prabhupada for everything, which you have provided to me.

Your fallen servant,  
Anantha Sesa Dasa. ISKCON, Bangalore.

Hare Krishna!

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories, all glories, all glories unto You.

I am trying to offer this humble written offering to Your Divine Grace, on the day of Guru-purnima, which is the appearance day of Srila Vyasadeva, and offered on the most auspicious day of 124th year of your appearance in this material world. You are the true representative of Srila Vyasadeva, who is the literary incarnation of the Supreme Personality of Godhead, Sri Krishna. This is your position because you directly dissect this material world and show to all the conditioned souls like me, the true nature of this material creation, which is compared to a prison house by all the authorized Vedic scriptures and the Supreme Lord Himself as well! You mentioned this with your nectarean words in a lecture on *Srimad-Bhagavatam*

(6.3.16-17) in Gorakhpur, February 10, 1971, and many other places, in conversations, correspondences, etc: "My Guru Maharaja used to say that "This is not the place for a gentleman to live." True to your spiritual vision and wisdom, time and again we get to see in this material world, the innumerable sufferings and miseries inflicted upon the living entities by the three modes of material nature under the influence of Kali like *adhyatmika*, *adhibhautika* and *adhidaivika kleshas*. Thank you Srila Prabhupada for constantly reminding me to prepare myself to go back to Godhead, the spiritual abode, which is my original home.

I am writing this offering at a time when the whole world is in a very peculiar situation, which none of the contemporary generations has ever seen in our lifetimes—the so-called Covid-19 pandemic, caused by the novel Coronavirus, which started in the last week of the year 2019 in China and eventually spread across the world. You know the real truth behind this great event! I greatly miss you on this occasion and wished to see your boldness and conviction on matters like this and innumerable other subject matters like the one below, you mentioned on a morning walk, on June 4, 1976, in Los Angeles:

**Ramesvara:** So now these governments are very rascal. They are cheating the people deliberately.

**Prabhupada:** Well, government means combination of cheaters like you. What do you expect more than that? If you are cheaters, then you go to the government. Someway or other get vote. Bribe or something nefarious you do and get vote, and they become cheap government man. And then do your business. Because you are cheater, you have come to the post of prestige and power. What you will do? You know simply only cheat.

**Tamala Krsna:** So he'll cheat more.

**Prabhupada:** That's all. You have now got the power. You cheat more.

**Ramesvara:** The people in America that claim that the American government is controlled by Communists. They say that these big, big bankers, the very rich, rich people, that they are actually..., their theory is Communist government, or, not Communist, dictatorship, and that they are secretly manipulating.

**Prabhupada:** What is their aim?

**Ramesvara:** Power.

**Prabhupada:** Power..., anyone who has got money, he has got power. That is open secret. What is the secret? (laughs) If you have got money, you have got all power.

**Ramesvara:** They're very expert in making the people think that this is democracy and that the people have power. (static)

**Prabhupada:** If you can purchase vote by paying money, then where is democracy?

**Ramesvara:** Just like one of their arguments is that these rich bankers, they can control how much money is being printed.

**Prabhupada:** Yes, suppose I stand for presidency, and I take money from bank and bribe and get vote.

**Ramesvara:** So they can actually create, by their control, a depression.

**Prabhupada:** Yes, money can buy. The real thing is money. That is stated in the *Bhagavata*. Money is the criterion in the Kali-yuga. [this degraded age of quarrel] If you have got money, then you don't require anything; you can purchase anything.

**Ramesvara:** Purchase justice.

**Prabhupada:** Oh, yes, anything. That is stated in the *Bhagavata*. So therefore people are trying to get money somehow or other. Then he knows, "I get all power." The present struggle is everyone is trying to get more, more, more, more money. Because everyone knows if I get money then I....

**Ramesvara:** So there is this theory that there is a conspiracy all over the world that the rich men to control.

**Prabhupada:** That is, we say. If you have got money, you can make conspiracy or anything, whatever you like. Conspiracy I cannot make, I have no money, I cannot make conspiracy. But if I have got money, I can develop a conspiracy with my money. That one man asked, "Have you got any intelligence?" The man began to.... "Let me see." "What is that?" "I am seeing my pocket." "Why pocket?" "Intelligence means pocket." If there is money in my pocket, then there is intelligence. Otherwise, there is no intelligence. And Canakya Pandita also said, *daridra-doso guna-rasir nasi*. A man may be very, very big, qualified man, but if he's poor, everything's finished. *Daridra-doso guna-rasir nasi.*"

Srila Prabhupada, I am convinced that you are a perfectly empowered sensitive pure devotee of the Lord, endowed with all the mystic potencies, specifically to see past, present and future in this instance! You are with us and guiding us through your immutable divine interventions and instructions. Thank you, Srila Prabhupada!

Another bombshell. You were having a room conversation on January 21, 1977 in Bhubaneswar:

**Ramesvara:** There was one question I had, Srila Prabhupada. You have written in the Third Volume of the First Canto different instructions for the age of Kali, how there'll be compulsory marriage and so on and so on. And you mentioned about the gold standard, that this is very bad, this artificial standard of monetary exchange.

**Prabhupada:** Oh, yes. It is very bad.

**Ramesvara:** In the future this is something that we should try to correct.

**Prabhupada:** You should introduce coin, real money.

**Hari-sauri:** Real gold coins. No paper.

**Prabhupada:** Anyone has got money... It is fact. And what is this nonsense, keeping some paper and thinking he has got money? How cheating it is going on, from government's side. And therefore artificial inflation. You can print, so the price is increased. Because you haven't got to pay him real money, you print and pay him, and he will ask, "Give me this money. Then I'll supply." "All right, take." "You print and pay." And so on....

Thank you, Srila Prabhupada on enlightening on the complex subject matters, which even the so-called most intelligent person of this material world wouldn't be able to decipher, which is just another common sense transcendental spiritual perspective to you, thereby giving me solace in cherishing your abilities!!!

A few months back, when I came across one of your morning walk conversations on June 23, 1977, Vrndavana:

*"Prabhupāda: No, artificially you can do for a while. Unless it is sound footing, it cannot stay. You can cheat some people for some time..., no, all time. You can cheat some people for all time, and all people for some time, not all people for all time. This is the... That was their business, to cheat some people for all time and cheat all people for some time. But not all people for all time. That is not possible."*

...it struck me like a thunderbolt and I felt all the more protected by Your Divine Grace's guidance and protection and was completely fearless by your mercy alone!!! Thank you, Srila Prabhupada.

Srila Prabhupada, we missed the grandeur of many, many festivals this year due to the unfortunate situation. But, you gave me ample opportunities for many new services as well, like driving the Supreme Lords Sri Jagannatha and Baladeva from Vaikuntha Hill to Hare Krishna Hill and back among many other new services!!! However, it gave me a great lesson to value properly all those in future at least, what you have bestowed to me by your causeless mercy. Thank you once again.

I beg at your lotus feet to always keep me as one of the specks and keep me always engaged in your and your loving disciples' service.

Thank you Srila Prabhupada once again for all your causeless mercies and sincerely beg your forgiveness for the shortcomings in meeting to your expectations of developing all the 26 qualities of a pure devotee in Krishna consciousness. Sorry!!!

Your glories are unlimited, Srila Prabhupada; whereas my words, intelligence and everything else is limited! Please don't leave me life after life...

Jai Srila Prabhupada!!!

I desire to remain a servant of your true servants, Anantha Kirthi Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance and all glories to you.

Srila Prabhupada, you showered your mercy on me by selecting me in your army.

Prabhupada, please provide me all intelligence and strength to follow the instructions of temple (ISKCON Bangalore) authorities to serve your mission. Please use me where ever and however you want, I don't have any preferences in my life. I just want to be in your shelter and serve your mission and Krishna throughout my life.

Please give me consciousness and strength to serve Nama-prabhu throughout my life.

Your servant, Anantha Narayana Dasa.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet on this most auspicious day of your divine appearance.

Today is the celebration of your appearance within this world. I'm grateful to Lord Krishna for sending you to rescue the lost and suffering souls. A tiny COVID-19 virus has sent the world into a frenzy and brought the world to its knees. At this time, I find it apt to recall words from your Lila with a disciple named Prabhupada Dasa

Prabhupada Dasa: Srila Prabhupada just looked at me, shook his head, and he spoke to me very strongly and he said, "Simply join us. We will solve all your problems." Of course, in hindsight, we understand the depth of what Srila Prabhupada was talking about, no more birth, no more death, no more disease, no more old age.

My realization by your causeless mercy is that if somehow or the other one takes the shelter of your lotus feet and follows your instructions in the association of the Vaishnavas who are serving you, he becomes fortunate. I see that by your mercy, even amidst this pandemic I have experienced no fear although we exercise great precaution. Thank you, Prabhupada. When I hear about people's miseries sometimes even for basic sustenance and livelihood, I understand what "shade of your lotus feet" means and I wish for more people to come under this transcendental shade which is ubiquitous all around the world as ISKCON.

Although I'm unqualified, thank you for fulfilling a small desire of mine—to preach your Lila of establishing 108 temples. I felt like an affluent father's bewildered son! The opulence you possess is beyond my imagination. Please bless me and guide me so that I may imbibe your zeal and relentless preaching spirit to preach the Holy Name and expand the Krishna consciousness movement.

Srila Prabhupada you've engaged me in preaching services and in an effort to carry out your instruction I was trying to understand how should a preacher be, how should a sadhu be, and I found this striking verse from the *Srimad-Bhagavatam*:

*titiksavah karunikah  
suhrdah sarva-dehinam  
ajata-satravah santah  
sadhavah sadhu-bhusanah*

"The symptoms of a sadhu are that he is tolerant, merciful and friendly to all living entities. He has no enemies, he is peaceful, he abides by the scriptures, and all his characteristics are sublime."

Srila Prabhupada, it's an exhilarating experience for me when I read your revolutionary Lila's and get to perceive your transcendental qualities by your grace. I make a tiny attempt here to glorify your phenomenal qualities.

1. **Tolerant** - Although your first year in New York was difficult—4 feet of snow, no positive replies or help from well-wishers, Godbrothers or the government, no proper or permanent place of residence, no monetary support, unfamiliar culture and what not? You tolerated and continued preaching and translating.

2. **Merciful** - You were always concerned about the spiritual progress of the world because material progress automatically follows spiritual progress. One needn't work hard for material progress. In Melbourne, Australia, you saw some professionals suited up and hurrying across the road to work. Seeing this seemingly usual scene, you shed tears and said to Cittahari Prabhu, "How can they be saved?"

3. **Friendly to all living entities** - After a huge success in Delhi, you visited Vrindavana and at Govardhana, you were honoring *prasadam*. A dog came by and Malati Mataji was about to chase it away. You stopped her and threw a piece of your *maha-prasadam samosa* to the dog, stating "No living entity should go hungry in Krishna's Dhama!"

4. **He has no enemies** - When the Naxalites in Mayapur sent you death threats, troubled your disciples and created a ruckus in your program, you didn't see them as enemies. You met them in person and convinced them that we are preaching spiritual communism.

5. **Peaceful** - In Mauritius, when the chauffeured car (arranged by the President) you were traveling in met with an accident, Brahmananda Prabhu and Pusta Krishna Prabhu were horrified but you were completely peaceful. Upon returning you asked a disciple to read from *Sri Caitanya-caritamrta*. You were so tranquil and never mentioned the incident again.

6. **Abides by the scriptures** - The whole world has windows to the spiritual sky - the Krishna paintings of ISKCON. At Boston and a few other places, in a composed manner you would correct the devotees who were painting Krishna pictures, all the while quoting from the *sastras* - Krishna is *navayauvanam*. His hair should not be longer than the shoulders, No moustache, Krishna is never beyond the age of a young boy that has some light hair on his lip like... All from the scriptures. You are a living Bhagavata, Prabhupada! Your words are the scriptures!

Your pastimes are full of meaning & unlimited bliss...

Srila Prabhupada, I'm particularly fascinated by how you worked so hard for Krishna, sleeping barely 2 hours. I pray to you that, "May I never spare any effort to work hard for preaching Krishna consciousness." I pray to you that, "May I completely depend on your protection, mercy and guidance while executing my services in cooperation with your sincere disciples."

I am absolutely confident about your causeless mercy, the only saving grace in this world. I pray that may you uproot all my distorted ideas, disbeliefs and misunderstandings which are material, deep-rooted and accompanying me from many lifetimes by your purports and instructions, and instill sincere, complete, first-class, fixed up, firm, full, perfect, rigid, staunch and strong faith in Krishna consciousness.

I wish to surrender as Lord Krishna demands in the *Bhagavad-gita*, which is impossible without your causeless mercy. Therefore, please teach me how to surrender to the Vaishnavas, to you-Srila Prabhupada, to the Holy Name and to Sri Sri Radha Krishna.

Thank you, Srila Prabhupada, for this swan-like divine life of devotional service.

Begging to always remain in the service of your lotus feet,

Your insignificant disciple,

Anantha Shayana Dasa.

## Angada Prana Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Thank you so much Srila Prabhupada for all your love, kindness, mercy and blessings upon me. Thank you for all your protection and guidance throughout. Thank you Srila Prabhupada for giving me *harinama diksha*. Thank you for accepting me as your disciple and giving me such a beautiful initiated name “Angada Prana Dasa.” It’s an honor for me to have you as my spiritual master. I feel truly blessed to be in your movement and serve your mission.

Its been almost 16 months now since I joined full time. Currently I am engaged in doing Suchi Bhakta Services. These services are fully engaging and nice. I am able to do more than I thought. The reciprocation from you and Lord keeps me encouraged to do the services nicely. Sometimes when it becomes difficult, I feel tired and low, then some devotee will come and encourage. Thank you Srila Prabhupada for all your guidance through your disciples and authority. Whenever I have any problem, I reveal and discuss with authority, and I get the solution and it works always. Your disciples are amazing, very kind, so compassionate, so broad-minded and sometimes so strict, which is required. I always get inspired by seeing their dedication and desire to help and serve the devotees. My authority, Temple Commander Hari Bhakta Prabhu has never hesitated to give me time even late in the night. He will hear my problem very patiently and will give his wonderful guidance. Just by meeting your disciples, by taking their association, by seeing their true desire and pure intention to help us, half of the problem gets solved. And I feel peaceful, confident and enthusiastic to continue rendering devotional service.

I feel awe and reverence by seeing our leaders in the movement, by seeing their exemplary behavior, by seeing their wisdom and knowledge. They all have these qualities because they are truly following your instructions Srila Prabhupada and with pure intention trying to serve your mission. They are really working so hard to expand your mission, opening new centers, picking up your desires one by one and trying to fulfill those desires, for example, mass food distribution through Akshaya Patra Foundation, Skyscraper Krishna Temple in Vrindavana Dhama, etc. There are many other big projects like Vaikuntha Hill Project in Bangalore and many more in different places. By seeing them I feel that your movement is in the right hands. The leaders in our movement are also guiding us in our spiritual progress through their wisdom and knowledge which they have got from you. I feel truly happy and satisfied to be able to render some service here, play some part, and contribute something.

During my *bhakta* services I got some opportunity to serve your disciples (leaders in the movement) personally as personal assistant to them and learnt so many things from them. I got to see and know how deeply, lovingly and respectfully they follow your instructions. They have immense desire to serve you, to glorify you and preach your words, and they are doing all of these under your guidance. I consider myself very fortunate to be in association of such dedicated disciples of yours.

Dear Srila Prabhupada, I want to thank you for your reciprocation and protection that you provided upon me when I went to my native for my brother's marriage in saffron dress. I was fearful as to how my parents, relatives and other people would react and I was feeling nervous. But I kept praying to you and Lord Krishna, and you reciprocated by giving me the strength to face the situation. It was an incredible experience and full of reciprocation right from the train journey onwards. In answer to my prayers, you and Lord Krishna sent the right people and I could discuss about Krishna, about chanting, *kirtanas*, reading *Bhagavad-gita slokas*, etc with those people on the train. Everything went well at home also, some relatives appreciated my decision of joining ISKCON. My parents and brother arranged for a house *kirtana* program on the next day of my arrival in which some devotees and some *gurukula* students came from nearby ISKCON temple. We invited relatives, neighbors and it was a nice program with Krishna *katha*, *kirtanas*, *arati*, one round of chanting, and *prasadam*. I got to know that so many people liked the program and they all are looking for such kind of association. Some of the relatives and neighbors took up chanting a few rounds. In my brother's marriage all the items were cooked without onion-garlic and we offered the items, then everyone got the opportunity to take *prasadam*. All these things happened by yours and Lord Krishna's mercy. I had never thought that everything would go so well, but you and Lord Krishna answered all my prayers and was always guiding me throughout.

Thank you Srila Prabhupada for blessing my parents and family members. They have to some extent understood the importance of chanting, importance of spiritual life. My mother is chanting sincerely 8 rounds now consistently. She has expressed to me once that she has a desire that some preaching activity, spreading of Hari-nama should happen from our house in Ranchi. She tells me that now our house has become famous for *kirtana* and people around know that we are Krishna devotees. Dear Srila Prabhupada, I pray to your lotus feet to please engage my parents and family members also in your divine mission. Last, but not the least, please keep me engaged thoroughly in your service. Please help me, dear Srila Prabhupada, to purify myself so that I can render devotional service nicely with all my heart and soul.

Awaiting your mercy,  
Your servant,  
Angada Prana Dasa.

## Aniruddha Balaram Dasa

Dear Srila Prabhupada,  
Please accept my humble obeisances.

I am very much thankful to you for giving me such a beautiful opportunity to be in this association of devotees.

The best thing is to be in the guidance of devotees and if we do things which are authorized then we will be always safe.

Especially by the mercy of Madhu Pandit Prabhu, I got a lot of interest in doing soulful *japa*.

Also during this Corona virus pandemic, it taught us that people who are working so hard for the material game are not getting any support or help of any material things. So staying in the devotee community is a blissful experience.

Your servant,  
Aniruddha Balaram Dasa.

*namas te sarasvate deve gaura-vani-pracarine nirvisesa-sunyavadi-pascatya-desatarine*

Dear Srila Prabhupada,  
Please accept my humble obeisances. All glories unto you.

This April 1, 2020, I completed one year of directly serving your lotus body, your ISKCON organization, under the guidance of your senior disciples. You have mentioned in your lectures that ISKCON centers are actually Vaikuntha in this material world. What more fortune can I expect that I am coming to Vaikuntha every day to render service to your mission. This is completely your causeless mercy on this unqualified, abominable *jiva*!

Dear Srila Prabhupada, in this humble offering at your lotus feet on the occasion of Vyasa-puja this year, I would beg from Your Divine Grace your mercy on the below.

Firstly, I beg to always keep me engaged full-time in the service of your lotus body, your ISKCON organization, until my last breath in this lifetime. Please never ever make me leave ISKCON whatever the situation may be, whatever may be the plans of Maya.

I always contemplate on your below instructions in this regard:

“Our ISKCON should be taken as being a family-based upon love and trust, so as the father becomes unhappy when one of his children wishes to break family connections I also become unhappy when there are difficulties within our ISKCON family. So please do not consider leaving as you are spiritual children of mine” (Letter to Isana and Vibhavati, Calcutta, 21 September 1970)

“He is my spiritual son and I shall never allow him to fall down. When I return I shall drag him forcibly and make all right again. Anyone who has once come to me has become my beloved son...” (Letter to Rayarama, Navadvipa, November 2 1967)

Dear Srila Prabhupada, I beg at your lotus feet, please grace this beloved spiritual son of yours, and in case there is a scenario of me having to leave ISKCON, please drag me back forcibly into full-time service at ISKCON and grace me with eternal service at your lotus feet.

My second beg for mercy is on my *sadhana*. I have been continuously failing to meet the minimum expectations set by you in this regard. I have not been able to improve the quality of my chanting even a bit. On the contrary, it is degrading as days pass by. I have heard that one of your disciples had begged for your *kripa*, since he was unsure if he can achieve *sadhana-siddhi*. Though I am no way qualified to beg like that, I fervently pray to please grace me with your causeless *kripa* and only by your mercy can I make any attempts to please you with my service to your lotus feet, to your organization ISKCON and execute my *sadhana* in a way that is pleasing to you.

Dear Srila Prabhupada, I once again beg at your lotus feet to please protect me from all attacks of Maya, to remain strong on the spiritual platform and please bless me to improve my devotional service. Kindly forgive the innumerable mistakes I keep committing in my service. Bless me not to commit mistakes which will displease my authorities and please keep me engaged full time in your service at ISKCON until my last breath.

You are my only savior, my life and soul, my everything, life after life and I am so indebted to you for accepting me, an extremely unqualified abominable soul, under your shelter and gracing me with your love and service to your lotus feet and your mission. Please, please don't let go of me.

Trying to be your servant,  
Anuttama Krishna Dasa.

Dear Srila Prabhupada,  
Please accept my humble obeisance.

Your initial disciples were very promising to your words and instructions. They assisted in executing all your ideas. But as days passed some of them swayed by illusion, neither they obeyed you nor even respected you. Instead, they tried to find an independent spiritual path. Having diverted from your lotus feet they only experienced bitterness in this world. By this, they learnt that all the spiritual nectar they were tasting is not because of their effort or determination, but, was by your mercy. You have personally led them, even though they were not qualified. Having understood their faults and impotency, some of them reinstated back to your shelter. With all the tolerance and compassion that no worldly man could ever match, you had given shelter to them and cared for their spiritual well-being. This quality of mercy you showed on them exclaims your divine personality.

It is said, "to catch the thief, the police should chase faster than the thief." A thief is always under the illusion that he has every opportunity to carry on with his plans stealthily. Similarly, the materialists have been working very hard to rob all of nature's gifts days after day. By your teachings, you shed light on the fact that these materialists shall pay for their actions. Your instructions have finally come true. Such a fast-paced human race has now come to standstill, just because of an unseen virus. Only if the leaders of the world would heed to your instructions, could they correct their actions? While, under your able guidance, thousands of your disciples are free from shock, dismay, and betrayal.

In *Srimad-Bhagavatam* (5.8.30) you have said: "Association is very meaningful; therefore, ISKCON tries to perfect one who enters the society." Srila Prabhupada, thank you for giving us ISKCON temples around the world, which proved to be the real healing centres to the spiritually starving, misdirected populace. While the world is looking for solutions to the increasing problems, your followers are relieved of all sufferings.

Any small learning or skill I develop, I start thinking myself unparalleled. Only after I come across your statements declaring the insignificant position of a fallen soul, I try to come to my senses. Srila Prabhupada, I pray to you to shower special mercy on me, to rigidly follow in your footsteps.

Your servant,  
Arjuna Sakha Dasa.

Dear Srila Prabhupada,  
Please accept my humble obeisances at your lotus feet  
All glories to Your Divine Grace!

My gratitude unto you on this auspicious day of your appearance.

Dear Srila Prabhupada, it is by Your Divine Grace and blessings I do well both materially and spiritually.

Dear spiritual master, you have always encouraged your disciples to be enthusiastic and patient on this path. I now keep this instruction close to my heart and I realize strongly that this path is a long-term effort. Due to my own lack I have struggled to be steady on this path and have made many mistakes and faced failures, but because of your mercy, the desire to serve the Lord has always stuck with me throughout. I am grateful to you for always inspiring me within to serve the Lord and never give up.

In my journey now, I complain less, can see reverses as the mercy of the Lord, be more detached, appreciate others, do my work as a duty. I have become a better person to myself and others. All these good could not have been possible without your mercy.

Dear spiritual master, a disciple is always indebted to his master. I compare myself to the monkey who when given valuable jewels does not recognize its value and considers it ordinary. Similarly, I fail to fully appreciate what I have received from you and in this regard, I would commit myself to increase my association with devotees, read your books attentively and engage in practical service to increase my faith and appreciation.

Dear spiritual master, I pray to you that I receive the strength to always be honest and I may do good to myself and others. I pray to you for strength to continue on this path with enthusiasm and patience. I pray to you to endure the difficulties I face on this path and I pray for strength to fulfill your orders.

Your servant,  
Arjuna Sarathi Dasa.

Srila Prabhupada,

Please accept my humble obeisances! All glories to Guru and Gauranga!!

Thank you Prabhupadaji for engaging me in the transcendental service for the satisfaction of Krishna. Otherwise, I would have been acting whimsically under the force of three *gunas* and further getting caught up in perpetual entanglement. As mentioned by Yamdutas, the messenger of Yamaraja:

*dehy ajno 'jita-sad-vargo necchan karmani karyate  
kosakara ivatmanam karmanacchadya muhyati*

“The foolish embodied living entity, inept at controlling his senses and mind, is forced to act according to the influence of the modes of material nature, against his desires. He is like a silkworm that uses its own saliva to create a cocoon and then becomes trapped in it, with no possibility of getting out. The living entity traps himself in a network of his own fruitive activities and then can find no way to release himself. Thus he is always bewildered, and repeatedly he dies.” (*Srimad-Bhagavatam* 6.1.52)

I am only a sample example but you have saved millions of *jiva-atmas* around the world and will continue to save the future generation through your Bhaktivedanta purports. By your causeless grace you have distributed this transcendental knowledge and set up an institution wherein all the people in the world can get a chance to grow in the experience of spiritual steadiness and develop taste for transcendental relationship with Krishna. What miracle Your Divine Grace has performed in the short span of 12 years has never been attempted by anyone in history. So many *acharyas* have preached this absolute message of Godhead but only within the Indian subcontinent. Others who attempted outside India have propagated either diluted message or a complete Mayavada theory. As *Srimad-Bhagavatam* (5.1.30) describes about Priyavrata Maharaja: *bhagavad-upasanopacitanti-purusa-prabhavas*, in the same way, you are the empowered commander of Sri Chaitanya Mahaprabhu to perform these super-human activities by the mercy of the Supreme Lord Krishna. Personally, I have no qualification to understand the spiritual knowledge about my eternal relationship with Krishna, but only hope is to attentively hear from Your Divine Grace and carry out your instructions to the best of my capacity. The same is confirmed by Lord Krishna in the *Bhagavad-gita*:

*anye tv evam ajanantah srutvanyebhya upasate  
te 'pi catitaranty eva mrtyum sruti-parayanah*

“Again there are those who, although not conversant in spiritual knowledge, begin to worship the Supreme Person upon hearing about Him from others. Because of their tendency to hear from authorities, they also transcend the path of birth and death.” (*Bhagavad-gita* 13.26)

Even all the good *karma* and religious activities one might have performed in the previous lives, put together, can't bring such a good fortune for a living entity to get the shelter at the lotus feet of a pure devotee of the Supreme Lord. It can happen only by the mercy of Your Divine Grace and Lord Krishna. This is corroborated by Sri Chaitanya Mahaprabhu: *brahmanda bhramite kona bhagyavan jiva guru-krsna-prasade paya bhakti-lata-bija*. Thank you for engaging me as an instrument in the transcendental broadcasting program. I am obliged to you for keeping me under the shadow of your lotus feet.

Endeavouring to serve your lotus feet,  
Atma Tattva Dasa.

## Atmarama Bhakta Dasa

Dear Srila Prabhupada!  
Please accept my humble obeisances!  
All glories unto you!

"What inspired you to follow this path?" an elderly gentleman questioned me, staring with widened eyes and wonder. The people around him stopped their actions and looked at me waiting to hear my answer. I responded by saying how everything about our Krishna consciousness movement is all attractive and how I got inspired by almost everything.

But I later began to wonder as to what specifically had inspired me?

Of course, it all began by me reading a copy of the *Bhagavad-gita As It Is* which was lying idle at my home for about 3 decades, followed by the enchanting experience of chanting *japa*, then there was the visit to the temple and seeing the

captivating Deities of Sri Sri Radha Krishna-chandra, or was it the delicious *prasadam* with an unforgettable taste, then there was this out of the world *kirtanas*, or was it the mesmerizing philosophy and science of Sri Chaitanya Mahaprabhu, or the *impactful* association of the senior devotees and practitioners, then there were the practical devotional services that brought me up to a whole new personal level of worshipping the Supreme Lord, or was it your countless reciprocations and influence in our lives?

Definitely I can pick any of these options and many more as well, but I will pick the one factor which is behind all of these other factors, and that is none other than Your Divine Grace.

I remember in one of your interviews you state, "I have not come to earn money from your country, but I have come to your country to give you something sublime not to take from you, not to exploit you, but to give you something sublime." (Srila Prabhupada Interview, San Francisco, March 9, 1968). When you make this statement it's not a boastful statement made out of pride, but rather a practical reality.

Srila Prabhupada, what you have given to this world is immense and unfathomable. An important point to note is that it is not that you have given something and gone away like the so-called great people glorified on this planet for their contributions. But you stay on and you are still giving and you will continue to give into the future for the welfare of the entire world.

Every day millions of souls are being benefited through your movement by coming in touch with your books, instructions, your devotees or through your other welfare schemes like Akshaya Patra, etc. Even during this current pandemic a lot of people are realizing the importance of your teachings and are taking up Krishna consciousness with great enthusiasm. Also, your instructions and guidelines on *varnashrama* system, farm communities, simple living, etc. are being very much appreciated at this current hour and also thought of as the positive alternative for the present and the future.

Today is the auspicious occasion of your divine appearance day, which is the most important festival for all of us. The festival where we celebrate by thanking you and glorifying your unlimited gem-like qualities as our eternal spiritual master and the representative of Srila Vyasadeva.

I only pray on this event that this celebration of Vyasa-puja doesn't end by the end of today, but it goes on in me day after day for eternity.

Your servant,  
Atmarama Bhakta Dasa.

Dear Srila Prabhupada,

I came here to be the Managing Director of this world;  
You told me to manage my own inner world.

I wanted every Tom, Dick and Harry to be my menial servant,  
But my Senses, Mind, and Intelligence kept me as their servant.

I made "To be the Master of all" as my secret Vision Statement;  
You gave "To be the Servant of all" as the right replacement.

I aimed *ahara, nidra, bhaya, maithunam* as my only Mission;  
You gifted *sravanam, kirtanam, visnoh smaranam*, feeling compassion.

To achieve my so-called vision, I lived in *karmi sangha*;  
For us to achieve real vision, you built *sadhu sangha*.

Ms. Maya Devi & associates became my all-time clients;  
You reintroduced Lord Krishna and associates as my only clients.

I was proud to have Lust, Anger, and Greed as my topmost qualifications;  
You scolded, “Rascal! If you want to be saved from hell, leave them, they are disqualifications”.

I made Intoxication, Illicit sex, Gambling, and Meat-eating as the pillars of my life;  
You told me to break them and take Austerity, Cleanliness, Truthfulness, and Mercy to rebuild my life.

I merely lived like a Pounds-and-shillings Man;  
You hinted me to leave all that; reminding I am Human.

I always drew Puja, Pratistha, Labha as my fat pay;  
You cautioned me to keep them at bay and get Love of Godhead as pay.

I counted, quarters Q1, Q2, Q3 and Q4, profit after profit.  
You pointed them as Birth, Disease, Old Age and Death; defeat after defeat.

To improve my business, I went to “gurus” who pose as expert teachers;  
You are The Real Jagad-guru exposing all such nonsense cheaters.

I invested all my incomes in my sense gratification;  
You told me to invest my self in Krishna to get real satisfaction.

In illusion, I thought: I am this body and I have a soul merely.  
You taught: I am trapped in this body and I am a soul really.

Frustrated; I never knew, I was getting cheated by Maya mercilessly;  
Finally, Krishna sent me to you, for I can get saved causelessly.

Landed in this Dark Material World, I didn't really know any other alternative;  
You showed me the Bright Spiritual World which is actually our native.

This world is full of those who are trapped in Maya's huge fraud business;  
Please give me the strength to help them; I can't see their helplessness.

Thank you Prabhupada for the shade of your lotus feet;  
My only plea is: Please make sure, I never leave it.

Thus humbly submits, feeling quite fervent,  
Avinasha-candra dasa, your most unfit servant.

Please accept my humble obeisances. All glories to you!

*ebe jasa ghusuk tribhuvana: “Your fame is spread all over the three worlds!”*

Prabhupada, you once said this material world is a horrible place and you didn't want to come here. Yet, out of your causeless mercy, you came here to deliver the fallen souls. Out of all the fallen souls, I am the most fallen.

Prabhupada through your books, temples, movement, disciples, you have been enlightening the world with the message of Chaitanya Mahaprabhu. One day the world will realize your unparalleled contribution and follow your instructions. You

have given the simplest process of self realization: chanting 16 rounds of Hare Krishna *maha-mantra* and four regulative principles namely: No meat eating, no gambling, no intoxication, no illicit sex.

Prabhupada, you often rightfully said the real disease is “forgetfulness of Krishna.” Living entity forgetful of Krishna and his relationship with Krishna is suffering in the material world. Living entities are always harassed with birth, death, old-age, disease.

Prabhupada, when you were four years old a deadly plague hit Kolkata badly. Your father invited *sankritana* chanters to the house. You joined the singing and dancing of the holy name and shortly the plague subdued. In present times the entire world is under the grip of a pandemic disease Covid-19. People in general are deprived of your *darshana*, Lordships *darshana*, holy name and *prasadam* as the footfall in temples is reduced. Prabhupada, if you wish, bless us to survive the current situation, overcome the pandemic, so we can engage in your service and see your movement reach to its full glory.

Prabhupada, thank you for engaging me in your service. This year I have been engaged in Srila Prabhupada Lila website and Srila Prabhupada Photos website. Kindly engage me in years to come, if you wish so.

Your humble servant,  
Balaveera Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All Glories to Your Divine Grace.

Prabhupada, on this auspicious occasion of your 124th Vyasa-puja, I wish in all the three worlds may your glories be remembered and spread, and all the living entities feel happy by chanting your name and chanting the holy names of Lord Sri Krishna. I am also very much grateful and delighted to witness this auspicious occasion of your Vyasa-puja as a full time missionary in the association of all my Godbrothers and all my senior devotees who are serving your mission sincerely day and night.

Prabhupada, I feel myself so fortunate to receive Your Divine Grace. There are so many unlimited *jivas* in this material world who have forgotten their real original identity as a servant of the Supreme Lord Krishna. To remove their ignorance and to show them the way how they can reach from this material world to spiritual Vaikuntha lokas, great spiritual masters like Your Divine Grace descend from the spiritual world to this material world by the order of the Supreme Lord.

Among so many unlimited *jivas* in this material world, only a few fortunate souls will get the seed of devotional service. One among them is myself. I am an initiated disciple of Your Divine Grace who is coming in *guru parampara* descending from Lord Brahma, who is born out of the navel of the Supreme Personality of Godhead Lord Sri Krishna. Contemplating and remembering this itself is a great joy and matchless gift.

Thank you Srila Prabhupada for your causeless mercy upon me. Because of my heart weakness, I may be committing some offense but you are always showing constant compassion upon me in helping me some way or the other by giving inspiration through your lectures, and through the association of senior Vaishnavas. Thank you Srila Prabhupada for all your blessings. I will pray unto you on this auspicious day to give me the strength to practice your instructions seriously. Just by serving Your Divine Grace sincerely one can get an experience and realization of the ocean of *sat-cit-ananda* consciousness. Recently I heard in one of the morning *mangala-arati* quotes, “Spiritual master should be considered as good as the Supreme Personality of Godhead Himself. A little deviation on this path will create problems in spiritual progress of a disciple.” Prabhupada, please bless me with strong faith and the strength to stick to this understanding which will help me to surrender unto your grace through the authority system set up by Your Divine Grace.

Srila Prabhupada, on this auspicious day I would like to glorify His Grace Madhu Pandit Prabhu for constantly giving his valuable realizations on the aspect of improving the *japa* through his wonderful *Soulful Japa* modules. This gave me so

much energy and inspiration to practice devotional service. So I pray unto you to let me deeply study and understand the modules given by *prabhu*. By reading, understanding and practicing these modules my life will become successful.

Thank you Srila Prabhu. Jai Jai Srila Prabhupada.

Aspiring to be servant of your servant,  
Bhagavatottama dasa.

## Brahmananda Dasa

Dear Srila Prabhupada,

Please accept my prostrated obeisances at your lotus feet. Kindly allow me to serve you and stay in the association of you and your devotees, life after life.

The new disease Covid-19 is creating havoc around the globe. People are scared to death, literally and nobody has a clue how this will end. All the demoniac people who thought that they were the controllers of everything on the earth have been shown the hard way the extent of control they really have. For me also, it is an eye-opener on the Lord's omnipotence and the miserable nature of the material world. Whenever I heard you and senior devotees speak of,

“janma-mṛtyu-jarā-vyādhī-duḥkha-doṣānudarśanam [Bg. 13.9]”,

I never thought about how easily diseases can become devastating. But with the outbreak of corona, the realization has been bestowed on me by you that the material world has no fixed order, anytime, my time in this body can be finished. It's high time I took full shelter of your grace's lotus feet. Corona has taught me that uncertainty is the real certainty of the material world.

*padam padam padam yad vipadam na tesam [SB 10.14.58]*

Was yet another verse you showed me the deeper meaning of. I theoretically heard this shloka many times without ever delving deep into its meaning and import. It never occurred to me that in a span of a few months the entire world order can be changed and the glitter of the modern world dimmed low. This material life is so dangerous that a living man today can be a dead man tomorrow. Nothing is really permanent in this material world. You had said this so many times in your lectures but somehow, fool that I am, I missed its import. Unwisely, I was busy trying to improve my material situation. Now, please give me the strength to engage myself and my family in your service, seriously.

It has been on my mind for a few years to lead a simple life modeling the instructions given by you for Vedic farm life. Leaving aside the stressful job, polluted city, I have a desire to live amidst nature, growing my own food, preaching my Kṛṣṇa consciousness in the surrounding areas and bringing up kids in a natural environment. I don't know whether this decision is right for my Kṛṣṇa consciousness nor whether it could at all be fulfilled. I request your guidance in making the right decision.

Your devotees at ISKCON Bangalore are providing me opportunities for improving my Kṛṣṇa consciousness. Due to their benevolence, I am getting services in the temple and outside. Please bless me that I may engage wholeheartedly in the service given by the temple authorities, however small it may be. Let my past be behind me and new enthusiasm flow to my consciousness to serve you. Let your lectures be the daily bread for my ears. Let the storehouse of spiritual knowledge that you have given – the Vedic literature – be my daily guiding light. Let the temples you established, and not home, be my real shelter.

Aspiring to do some service that pleases you,

Your most fallen servant,

Brahmananda Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances to your lotus feet,

All glories to Your Divine Grace!

*om ajšana-timirāndhasya jṣānāṣjana-salākayā*

*chakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

I was born in the darkest ignorance, and you opened my eyes with the torch of knowledge. I offer my respectful obeisances unto you again and again.

It gives me immense joy to glorify your divine qualities on this auspicious day of your glorious Vyasa Puja. Your divine qualities has changed the heart of many people including the heart of the thief.

Once one person in Bombay when he failed to get job, he started picking pockets. This landed him in Arthur Road Jail. There, in a dust-bin, he found a copy of Back to Godhead (BTG) Magazine. While going through the magazine he was immediately attracted to your photograph and to your golden wristwatch. He vowed that when he gets released, he will steal the watch.

On release, he walked all the way and somehow reached Juhu temple. There he came to know that you are in Hyderabad. After a few days by the permission of temple authorities he meets you in Hyderabad with great eagerness. At that time by understanding his mind, you asked him “You want this watch?” and you immediately removed it and gave it to him. He immediately says “No”, but you insisted him to keep the watch. But just by coming in touch with your divine grace, his heart was completely changed and he had lost all the interest in the watch.

After some time when you came to Bombay he was helping the devotees in the kitchen and he saw that other devotees were missing. On inquiry he came to know that you are initiating devotees. He immediately took permission of kitchen devotees and reaches to main temple hall. You noticed him standing in a corner and invited him to take initiation. When you saw that he has not prepared for initiation and not brought the chanting beads, you immediately took your own personal chanting beads and gave it to him. Meanwhile a very shocked GBC sannyasi asked you, “I’m sure you are not going to initiate him”. You said, “I know what I’m doing”. Then You initiated him as “Haridas”.

Haridas had a weakness, he liked chocolates. Due to his old habits, he would retain some of the money given to him to purchase flowers. With this money he would buy chocolates. One day when Haridas while going through your room, he saw you and paid obsequies. While paying obsequies, the Cadbury’s 5-Star chocolates which he was hiding in his bead bag, just slipped out and fell right in front of you. He had no means to escape or lie as you caught him red-handed. So he offered one chocolate to you. When you saw the cover, you told him “Haridas, we don’t eat such things, if you like to eat sweets, then come with me”. At that time you personally made a halawa and given to Haridas. Later on, Haridas gives up stealing completely by your association. Haridas reminisces today, “I am now running Govindas restaurant and having prasadam cooked by so many devotees, but I have yet to taste halawa like the one Srila Prabhupada made for me.” Srila Prabhupada, you always gave us higher taste just to help us to give up lower taste.

The Supreme Personality of Godhead Sri Krishna sent you to this world to save all of us from this ocean of ignorance. Your compassionate glance and your transcendental books saved us from the entanglement of repeated birth and death. Your books are the law books for entire humanity to get liberated from this material world and to attain loving devotional service of Their Lordships.

Out of your unlimited compassion, you travelled extensively across the globe like Narada Muni and delivered many fallen souls by broadcasting the message of Supreme Lord. Many social restrictions mentioned in the scriptures cannot restrict you, as you are “Paramahansa Uttama Adikari Spiritual Master”. You have demonstrated this practically.

At the age of 70, to fulfill the desire of your spiritual master, you crossed the ocean and traveled to the west all alone!

You didn’t care for your bodily discomfort and illness. You had full faith in Hare Krishna Nama Prabhu that, he will protect you from all dangers!

You reached a place where everyone is engrossed in sense gratification densely and made that as the only objective of their life. You transformed their heart by giving them transcendental knowledge, which was impossible for many spiritualists!

Like Lord Shiva, You lived among the people, who are lowest among the mankind and delivered them from grossest ignorance!

Like Supreme ord, you showed your unlimited compassion to everyone who comes in touch with you. You never discriminated/mistreated anyone based on caste, creed, religion, gender etc. You built a house where the whole world can live peacefully!

Your words are like topmost scriptures, whoever reads / hears them with faith will surely get liberated. I never come across any literature which is as pure, perfect, and free from all mistakes, like yours!

Sri Caitanya-caritamrta Madya 17.80 it is said

*mūkaṁ karoti vācāṁ paṅguṁ langhayate girim*

*yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam*

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. Srila Prabhupada, please bless me to serve you and your mission in a way you desire and keep me always under your special protection.

Srila Prabhupada, your association is the highest goal of my life. In your physical absence, please bless me with your association by awarding inquisitiveness to hear your Vani and remembrance of your divine lotus feet always, may my attachment for you always grow. I beg to shower your causeless mercy upon me to abide by your instructions and to take your every instruction as my heart and soul.

Aspiring to become your eternal servant,

Braja Hari Dasa.

Dear Srila Prabhupada,

Please accept my unlimited millions and millions of pranams at your lotus feet.

I am an insignificant person, it is by your causeless mercy that I am practicing Kṛṣṇa bhakti. This day is indeed of utmost importance for all the devotees of ISKCON throughout the world for it is the birth of their future deliverer Srila Prabhupada. I shall remain forever indebted for having bestowed upon us the glorious pastimes of going back home, back to Godhead by reading your transcendental books and following your instructions.

It is only because of you that today we all are aware of the ultimate goal of life and working towards achieving it. It is only with your mercy that we shall all one day make it to the spiritual world. On this great occasion, I pray to you Srila Prabhupada to please grant me service at your lotus feet, so that by serving your mission we may be able to make rapid progress in our endeavor in spiritual life.

Only by your mercy, I find myself spirituality stronger getting the taste to the holy name. I hope I can please you by following your orders and advancing in devotional service.

I offer my respectful obeisances unto lotus feet of such a Spiritual Master who is an ocean of auspicious qualities.

All glories to Srila Prabhupada!

Your humble servant,  
Brajeshwari Devi Dasi.

Dear Srila Prabhupada,

Please accept my most respectful, humble obeisance on to your lotus feet on this most auspicious appearance day of your Divine Grace.

Another one more wonderful year has passed by. Thank you Srila Prabhupada for giving me an opportunity to serve your lotus feet under the guidance of your sincere disciples having firm faith and conviction in your transcendental vani and holy name.

Vyasa Puja homage offering is a great opportunity for me to remind myself and express my heartfelt gratitude to you for all the royal material and spiritual comfort and facilities provided to the insignificant soul like me through your kind institution. It is really "Royal" in the sense that outside ISKCON nobody can even imagine this kind of most spiritually comforting experience even in the midst of all kinds of uncertain and dynamic situations like covid-19. It is really your causeless mercy on me. This situation, I am experiencing every day and every moment. If I become a little conscious of my

sadhana, services, association of devotees, visualizing and dreaming for a better future of our institution that you have created etc...

Everything is there in this institution for our spiritual advancement along with whatever is required for our sensual, mental and intellectual demands too. Only readiness to accept your instructions strictly and following in a disciplined manner as suggested by the spiritual authority system is required, which is the complete responsibility of the individual practitioners like me.

As I recollect, the journey so far for me it is really enlivening, as it demands full surrender to you and Krishna in all the situations and circumstances by following the very powerful spiritual process given by you. Otherwise, we will never surrender nor understand what is full surrender, which becomes a theoretical and philosophical concept in our lives, which may gradually fade away due to lack of realization and experience. I really am convinced that simply becoming obedient and following your instructions and system set by Your Divine grace everything is taken care mystically whatever required for a devotee to become Krishna conscious.

Please bless me on this auspicious day to become more obedient and not misusing your causeless mercy given to me in all aspects of my life rather using everything in your glories mission of spreading Krishna consciousness.

I beg your Divine Grace to forgive me for all the offenses that I have committed knowingly and unknowingly at your lotus feet and your disciples.

Please bless me with necessary internal and external strength to follow the preliminary instructions like chanting 16 rounds of Hare Krishna mantra very attentively, follow the four regulative principles very strictly and be always engaged in your loving services eternally.

Trying to be your humble servant,

Chaitanya Chandra Dasa.

Hare Kṛṣṇa

All glories to my Spiritual Master, Srila Prabhupad Jagatguru of the whole world.

As we are becoming old and seeing many practical situations and problems in life, I am seeing the solutions for all the problems is only the Supreme Personality of Godhead Kṛṣṇa. This much understanding and knowledge about these matters cannot be given by material knowledge. This was taught by my Spiritual Master. I am so dull now and then but still, I got this transcendental knowledge from my Guru. I desire "Always remember Kṛṣṇa and don't forget Kṛṣṇa" in any circumstances of my life. Always Prabhupada used to say, "Follow 4 regulative principles and chant 16 rounds that will make life perfect". I strongly desire to follow Prabhupada's instructions in my life until my death. He is so merciful that I got his association in this lifetime and don't want to lose it forever.

I am such a fool, dumbhead, to me also he gave his mercy to chant the holy names of the Lord, and do devotional service to the Lordships, and this is the real wealth for this life.

Haribol!

All glories to Guru and Gauranga,  
Chandravali Devi Dasi.

ಇತಿ ನಿಮ್ಮ ವಿಧೇಯ ಶಿಷ್ಯ,

Dear Srila Prabhupada,

Please accept my humble obeisances !!!

I always have communicating my problems to you and praying to you to give me the strength to execute service assigned by you nicely and without any faults. I want to thank you for your help to me in my service to the organization and for giving me the strength to speak on Krishna Conscious subject matter. I still feel very weak and unable to execute your will and I depend on you entirely for giving me strength and determination to execute your will. Prabhupada I feel so many changes in me from the time I came into Krishna Consciousness. I have become more calm and composed. My focus has increased. I am able to understand so many things that I never understood before in my life. But I can understand that still I have a long way to go from controlling my mind which is still full of unwanted garbage like Lust, Anger, Greed, Attachment, Arrogance and Jealousy. I need your help and direction to overcome these evils in me. I am sure I will get all the help required from you, but this is just a prayer to let you know.

Recently I was reading the pastimes of one of the previous Acharyas in our parampara, where it was mentioned that the Acharya rejected the association of a person as it would disturb his *hari bhajan*, as the person was materially inclined and showed slight discrepancy his service due to material attachment. But you being a maha bhagvata yourself and having perfected chanting of Hare Krishna Maha Mantra still have accepted a fallen person like me with no good qualifications and given shelter at your lotus feet, taking into consideration all my materialistic tendencies. I am very much grateful to you for your mercy Srila Prabhupada and for giving association to me constantly through your books, lectures and your disciples.

I don't think I will be able to perfect Krishna Consciousness in this life and go back to godhead. But I am trying as far as my limited capacity and if I can get your mercy then anything is possible. I am not at all qualified to be your disciple and even to be in devotee association. I commit a lot of offences due to ignorance towards other Vaishnavas and I don't even realize. Please forgive me for all my mistakes.

Right now I am struggling in sadhana and service, I am getting all the help needed by my merciful god-brothers and I have to thank you for giving me such a nice devotee association ( *sadhu sangha* ). As you are all-merciful, so are all your disciples and I am truly blessed to have the best Vaishnava association on the entire planet, with Vaishnavas who are sticking on to each and every word that has come from your lotus mouth and diligently following them in their lives. I am blessed to be in the most beautiful ISKCON temple in the world with the most beautiful deities of Sri Sri Radha Krishna Chandra, Sri Sri Krishna Balaram, Sri Sri Nitai Gauranga, Sri Srinivasa Govinda, Sri Krishna Rukmini Satyabhama, Sri Prahalada Narasimhadev and Sri Hanuman and Sri Garudadev.

I humbly pray to you to always keep me in your shelter, my mind is presently my enemy and at any time can deceive me. I am very much prone to be carried away by Maya and will not be able to save myself unless I get your mercy and blessings. Please continue to be my ever well-wisher and please help me serve your mission and your disciples.

*sampade vipade, jivane-marane*

*day mama gela, tuwa o-pada barane*

“In good fortune or in bad, in life or at death, all my difficulties have disappeared by choosing those feet of Yours as my only shelter.”

Trying to be your eternal disciple,

om̐ ajsāna-timirāndhasya jṣānāṣjana-śalākayā  
cakṣur unmlītaṁ yena tasmai śrī-gurave namaḥ

Dear Srila Prabhupada,

Please accept my most humble obeisances at Your Lotus Feet. All glories unto Your Lotus Feet, which are the shelter for most fallen souls.

Especially on your divine appearance day, I first strive to express my unbounded gratitude for keeping me in this movement for the past 17 years in spite of me not eligible to associate with your transcendental movement. In spite of your abundance mercy on me, I am exercising my free will motivated by my evil mind and desires and wandering with no proper spiritual growth.

This year entire world is under different situations due to Corona Virus. But, In these situations as well, You have given me an opportunity to improve my sadhana and progress in my spiritual life being at home.

Srila Prabhupada, in the purport of *Bhagavad-gītā* 13.8-12, You have mentioned that,

“If one is in full Kṛṣṇa consciousness, he can make his home very happy, because this process of Kṛṣṇa consciousness is very easy. One need only chant Hare Kṛṣṇa, Hare Kṛṣṇa, Kṛṣṇa Kṛṣṇa, Hare Hare/ Hare Rāma, Hare Rāma, Rāma Rāma, Hare Hare, accept the remnants of foodstuffs offered to Kṛṣṇa, have some discussion on books like *Bhagavad-gītā* and *Śrīmad-Bhāgavatam*, and engage oneself in Deity worship. These four things will make one happy. One should train the members of his family in this way. The family members can sit down morning and evening and chant together Hare Kṛṣṇa, Hare Kṛṣṇa, Kṛṣṇa Kṛṣṇa, Hare Hare/ Hare Rāma, Hare Rāma, Rāma Rāma, Hare Hare. If one can mold his family life in this way to develop Kṛṣṇa consciousness, following these four principles, then there is no need to change from family life to renounced life.”

Srila Prabhupada, after we moved into this new house we have been able to improve our deity worship standards, please help me by giving me consciousness, strength, and determination to follow the process of Krishna consciousness mention in your purport.

Srila Prabhupada in the same Purport you have mentioned that,

“One can never restrict the coming and going of happiness and distress, so one should be detached from the materialistic way of life and be automatically equipoised in both cases. Generally, when we get something desirable we are very happy, and when we get something undesirable we are distressed. But if we are actually in the spiritual position these things will not agitate us.”

Srila Prabhupada, without understanding this basic aspect of Krishan Consciousness, I keep shifting between happiness and distress, not hankering to progress towards the spiritual position you have been mentioning in your purports.

I feel I am becoming older both mentally and physically, but if I turn back and see the progress of my spiritual path I am still at the beginning of the path. Please give me the strength to make up for myself to follow your purports.

As Sripada Shankaracharya says in his *Guru-ashtakam*:

sadangddivedo mukhe Sastraividya  
kavitvAdi gadyarir supadyaril karoti,  
manScenna lagnarh guroranghripadme  
tatah kifi tatalr kim tatah kift tatah kim.

“The Vedas with their six limbs and the knowledge of all sciences may be on one’s lips; one may possess the poetic gift and may compose fine prose and poetry; yet if one’s mind is not centered upon the lotus feet of the Guru, what is the use, what is the use, what is the use?”

Srila Prabhupada, even with such qualities a person is of no use if he is not attached to Gurus Lotus Feet, what to talk of myself who don’t have any qualities. Please give me strength and desire to get attached to your Lotus Feet.

In the purport of *Srimad Bhagavatam* 4.20.24, You mentioned that “The words *satām prasaṅgān mama vīrya-sarṁvidah* (*Bhāg.* 3.25.25) mean that glorification of the Lord is potent when uttered from the mouth of a pure devotee. The

Lord has innumerable devotees all over the universe, and they have been glorifying the Lord since time immemorial and for an unlimited time.”

Srila Prabhupada, in a limited time of your pastime on this earth, You have glorified unlimited pastimes of the Lord, please give me strength and desire to listen to those glorifications from you every day.

Srila Prabhupada, please forgive me for all the offenses committed at Your Lotus Feet and protect me from committing further offenses.

Srila Prabhupada, please bless me with spiritual strength to continue my spiritual life without falling prey to my mind and desires. Please always keep me under the shelter of Your Lotus Feet.

Trying to be Your servant,

Charu Krishna Dasa

Dear Srila Prabhupada,

All glories unto you, please accept my humble obeisances.

Thank you Srila Prabhupada for blessing me with a meaningful life. If not for your association through your divine instructions, I would just be whiling away my time in the name of living a life; it would just go in vain. Your vani has been very strong support for me and helps me in remaining focused in my feeble practice of Kṛṣṇa consciousness.

I have a lot to express, but with my faulty and limited vocabulary and dull mind, am unable to do so. In fact ‘Thank you’ is a very small word and does not suffice, but still oh dear Srila Prabhupada, kindly accept this insignificant offering at your lotus feet.

Please cast your merciful glance on me oh my master and please help me be worthy of being called your disciple, although I am nowhere close, still a long way to go.

Thank you Srila Prabhupada for your causeless mercy in the form of various service opportunities through your sincere disciples. Am truly blessed to be associated with your wonderful movement. Please help me render service and practice sadhana with the right consciousness and attitude.

O Lord, O Prabhupāda, may you always be the object of my vision. Only the name of Kṛṣṇa can destroy my pride and illusion. Although my mind and intelligence are contaminated by wicked inclinations, I meditate upon your lotus feet in causeless devotion.

Eternally indebted to you,

Aspiring to be a servant of your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance,

You have spread this Krishna consciousness movement throughout the world, in each and every continent and major cities of the world, the holy name of Krishna is chanted. We know that one cannot spread the glories of the holy name without being empowered. And you are that empowered Personality coming in disciplic succession.

At the present moment, there are so many philosophers, yogis, mystics showing different pathways for the world. But the truth is that none of them is really a spiritual path. The paths shown by them are leading people in general to more and more complications. Different so-called spiritual leaders are wasting time and energy of people by talking impersonalism. Different yogic teachings shown by them comes under material teaching, there is no spirit or spirituality in it.

It is said that the people of the world are sleeping in illusion. The Lord asks and makes arrangements for every living entity to wake up from this sleep and engage in His service. According to scriptures, this is the aim of life. This awakening of living entities happens through the voice of pure devotees like you. Many people in the past have awakened to the service of Krishna, many are happening now and many more will happen in the future. We are very much indebted to you for keeping a record of all your lectures morning walks and other conversations. Due to all audio and video recordings kept by your disciples, we are still able to access you.

Pure devotees like you, always engage in the service of the Lord and making other fallen living entities also to engage in the service of Lord. You have a direct connection with Krishna. Your voice may be like an ordinary voice but it is spiritual. As soon as a sleeping living entity hears your powerful voice, there is an immediate effect on the person who is hearing it. The effect is the forgetfulness of the Lord is gone. The person immediately remembers his lost relationship with the Supreme Lord Krishna.

Finally, I want to thank you for the opportunities given by you for serving in your mission. I want to beg your causeless mercy on me.

Your aspiring disciple,

Dasharatha Suta Dasa.

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvatī Gosvāmī. You are kindly preaching the message of Lord Caitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

*om ajñāna-timirāndhasya jñānāñjana-śalākayā  
cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥa*

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge.

On this most auspicious day of your divine appearance, I would like to thank you for the mercy that you have showered unto me and all other living entities. At a very old age, you have traveled to the west to spread the Krishna conscious message as per the guidance and instructions of your spiritual master. Almost 30 days you were on Jaladuta and suffered 2 heart attacks. When you reached New York, the situation was not conducive because of the war going on at that time and the majority of the people had become hippies.

You are such a great soul that after all these odds also, you preached the Krishna conscious message and transformed the lives of hippies to happies. As you said, because of the unflinching faith in Lord Krishna, you could easily surpass all the obstacles. I am thankful to you that you have shown and guided us on how to utilize this life in the service of Lord Krishna. You have transformed many lives including mine; I am indebted to your causeless mercy. I request you to kindly help me to remain under the shelter of your lotus feet so that I can engage myself in the service of your lotus feet and in the service of Sri Sri Radha Krishnachandra. I request you to kindly give me strength so that I can continue to follow your instructions properly without any offense. Thank you for the wonderful gift of devotional service that you have given me.

Thank you Srila Prabhupada!!!

Your servant,  
Deenanatha Krishna Dasa.

With your association, we get to know our connection with Krishna has been for many lives and he has been guiding us as Paramatma and he send mahatma like you to guide us.

I will consider my life to be eternally blissful to know my relationship with Krishna through Guru like you and would love to serve throughout.

Please never let me go out of track and always help me to remain a servitor of the Lord and serve you life after life.

Shri Srimad His Divine Grace Srila A. C. Bhaktivedanta Swami Prabhupada

Dear Srila Prabhupad, My thousands and thousands of obeisances unto your lotus feet.

First of all, I want to congratulate you on your 124th auspicious appearance day in this material world.

And I am very glad that I have an opportunity to present my offering to you on this auspicious occasion of your Vyasa puja.

You are a representation of Guru *tattva*. An *Acharya* who have appeared to deliver the most fallen souls and I am one among those fallen souls. You have given the scientific method to understand this spiritual science in a logical way for the present generation by which the science of Kṛṣṇa consciousness can be applied in every aspect of life. Even the non-devotees are convinced by this logical explanation of yours given in your books and lectures. Even an atheist who is reluctant to accept Lord is also defeated by this scientific teaching of yours. And that's how your glory is spreading day after day more and more everywhere. I don't have enough words to glorify you because of my inability, my apologies. As you are always there in my heart and I am there in yours. As our relation as spiritual father and son, Guru and disciple are eternal. I thank Lord for this. In spite of all material calamities, I could overcome all this only because of the knowledge given by you, either from your books or your audio lectures. It is because of your causeless mercy that my realization in the spiritual life is growing every day every moment in spite of being drowned in this material calamities.

I would like to inform you that I have cut off my associations from those who are not favorable in my spiritual path, although they were very difficult to be identified. But I could do so because of the spiritual vision given by you in the form of knowledge and I applied it with faith and it worked. I also realize that there is no one else in this world for me except you. If it wasn't you, then my life would have been hell.

I know that you have left me some tasks, which I would like to fulfill. Although it is Kṛṣṇa who does everything, it is my duty to give my best and I will. But I will also pray to Kṛṣṇa to provide all the necessities required, safeguard me, help me and bless me that I would be successful. This intellectual weapon of Kṛṣṇa consciousness will destroy the hypocrisy created by followers of kali in society. Bless me more with these ammunitions of knowledge in Krishna consciousness, devotion, purity and dependency on Sri Sri Radha Shyam Sundar. Things are clearer now and this is just the beginning. Your satisfaction is my destination.

I promise to do my best. I will always be at your service life afterlife forever.

Kindly forgive me for any offenses committed unto your lotus feet.

Always at your service, Dhira Madhava Dasa.

## **Dinasharana Gauranga Dasa**

Dear Srila Prabhupada,

Please accept my most respectful and humble obeisances at your lotus feet. All glories to Your Divine Grace.

We are living amidst a global pandemic which has made life very uncertain. The words from Bhagavatam that every step in this material world is filled with danger has become true literally. Yet, people still keep making plans to combat all the miseries which material nature throws at us. I would have also been one among them without your association. You have taught us that being Krishna conscious is the only and ultimate solution to solve all problems in this material world. The goal of human life is crystal clear only because of you.

Every passing year has made me realize that our personal endeavor to practice Krishna consciousness plays a very small part in one's spiritual progress and that there is a big gap between possessing Jnana and Vignana. One's own endeavor will help in accumulating Jnana but it needs the special mercy of the spiritual master to change that into realized knowledge or Vignana. It is simply not enough to possess theoretical knowledge. I hope that one day, whatever little knowledge I possess becomes realized knowledge by your causeless mercy.

Please forgive me for the offenses that I have committed knowingly and unknowingly at your lotus feet and your disciples. The ultimate goal of human life is to perform pure devotional service to the Supreme Lord under the guidance of a pure devotee and his disciples. Please bless me so that I attain this goal very soon. I beg you to keep this undeserving soul always under the shelter of your lotus feet, life after life.

Your most fallen servant, Dinasharana Gauranga Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you. My *koti koti pranams* at your lotus feet.

One more year has been passed by, but I know very well how much you have to tolerate my offenses of not following your transcendental instructions. When I reflect on myself, I see that it is only you Srila Prabhupada, who kindly gave me all the possible associations to uplift my consciousness. Guru means heavy and your instructions are also heavy but if someone follows your instructions, then by your mercy, you relieve them from the sufferings of this world. But I'm so fallen and unfortunate that even after knowing this, I'm not following the same. It is very astonishing to see that since many trillions of births, I have been rotting in this material world and changing bodies thinking that I can enjoy in different bodies, but you by your causeless mercy provided shelter to me and assured to take me back to Godhead without my background verification. Oh, how fortunate I am.

Kṛṣṇa says in Bhagavad Gita 8.5

anta-kale ca mam Eva smaran muktva kalevaram  
yah prayati sa mad-bhavam yati nasty atra samsayah

*“And whoever, at the time of death, quits his body, remembering Me alone, at once attains My nature. Of this, there is no doubt”*

But Srila Prabhupada, you have instructed how to remember Kṛṣṇa in Bhaktivedanta purports of Śrī Caitanya-caritāmṛta Madhya 22.113 –

*“Therefore one must strictly chant the Hare Krishna Maha-mantra twenty-four hours daily. One may have other duties to perform under the direction of the spiritual master, but he must first abide by the spiritual master's order to chant a certain number of rounds. In our Kṛṣṇa consciousness movement, we have recommended that the neophyte chant at least sixteen rounds. This chanting of sixteen rounds is absolutely necessary if one wants to remember Kṛṣṇa and not forget Him. Of all the regulative principles, the spiritual master's order to chant at least sixteen rounds is most essential”*

Thank you for giving an opportunity to associate with wonderful devotees in Bhakti Sanga Conference japa and exemplified devotees who are living by your teachings seriously and always inspiring me.

On this auspicious occasion, I would like to beg at your lotus feet, to bless me, to take complete shelter of Holy Name of Krishna without committing any offenses.

Your unworthy servant,  
Dvarakesha Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories unto you, Srila Prabhupada!!

The leaders are pillars of Iskcon but Prabhupada you are the roof that gives shelter. Without roof pillars are incomplete, similarly, if you are not there Prabhupada these pillars are useless. If they keep you for the sake of sake then it won't help. It's a haunted house without you Prabhupada.

Thank you Prabhupada for saving me from sleepwalking into hell. Prabhupada without you I would have never known who Krishna is for millions of lifetimes. I would have not known what the word Supreme Personality of Godhead means. I am eternally thankful to you.

Everything belongs to you Prabhupada. You are the master of masters, the true master and the original Mystic.

It is you who has started Svachh bhakti yojna across the globe. Importance of shudh bhakti pure devotional service is spread by you and I have immensely benefited by Param guru Prabhupada yojana started by ISKCON Bangalore where I am directly connected to you. Such a fortune is blessed by you unto me.

Parents, religion, rules, regulations and Nation could not able to control the youth, but you have controlled and converted hippies to happies using your love and affection. I am trapped in a world of words, where it never matters what it means. However, your books are guiding me to live on.

Kindly continue showering your blessing on me and forgive me for the mistakes I do.

Your fallen servant, Gadadhara Dasa.

*namaste saraswati deve gaura-vani-pracharine nirvishesha-shunyavadi pashchatya-desa-tarine*

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhanta Sarasvati Goswami. You are kindly preaching the message of Lord Caitanya and delivering the Western countries, which are filled with impersonalism and voidism.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of your vyasapuja!

Thank you very much for your guidance and association through your transcendental books, temples, devotees association. Thanks for giving me the opportunity to render transcendental devotional service to the Supreme Personality of Godhead, Sri Krishna. Thanks for accepting my little seva and offerings. My eternal indebtedness to you Srila Prabhupada, for all that you have given me and Nama Prabhu to dance on my tongue, though I am not qualified to chant. Kindly forgive this neophyte for all offenses I may have committed when chanting the Holy Name. My special thanks to HG Madhupandit Prabhu for his motivational and inspirational talks on Soulful Japa. My Japa quality has improved to a great extent after following his wonderful tips.

I was recently referring to your purport Mukunda Malastotra Verse 1, where you say “When a neophyte devotee deviates from the path of pure devotion and wants to simultaneously enjoy sense gratification and discharge devotional service, the all-merciful Lord very tactfully corrects the bewildered devotee by exhibiting before him the real nature of this material world. In the material world all relationships are actually mercenary but are covered by an illusory curtain of so-called love and affection. The so-called wives and husbands, parents and children, and masters and servants are all concerned with reciprocal material profit. As soon as the shroud of illusion is removed, the dead body of material so-called love and affection is at once manifest to the naked eye. The Lord expertly removes the shroud of illusion for the neophyte devotee by depriving him of his material assets, and thus the devotee finds himself alone in the midst of his so-called relatives. In this helpless condition he experiences the awkwardness of his so-called relationships with his so-called wife and children. When a man is financially ruined, no one loves him, not even his wife or children. Such a poverty-stricken devotee more perfectly fixes his faith in the Lord, and the Lord then delivers him from the fate of frustration.” I realized that, it would very much relates to my situation and boost me to become stronger spiritually. Thanks for the realization.

Again and again, I beg you to kindly bestow your causeless mercy upon this neophyte to cross over nescience. Kindly uplift my consciousness to transcendental goodness in the service of Lord, to follow your instructions and regulative principles carefully.

Your humble servant, Gajendra Bhakta Dasa.

*om ajñāna-timirāndhasya jñānāñjana-śalākayā*

*caḥṣur unmīlitam yena tasmai śrī-gurave namaḥ*

I was born in the darkest ignorance and my Spiritual Master Srila Prabhupada opened my eyes with the torch of knowledge. I offer my respectful obeisances unto Him.

All Glories to Sri Sri Guru and Gauranga!! All Glories to my dearest Ācārya Srila Prabhupada!!

Ācārya on this auspicious day of your appearance on this planet, I beg for your causeless mercy on this fallen soul. It's only by your "causeless anugraha" that this soul will be able to perform even squirrel's service at your divine lotus feet.

I came to your school on this auspicious appearance day 12 Years ago. From that day knowingly and before that unknowingly, to my knowledge you are consistently guiding this soul in multifarious forms. Ācārya I am really thankful for giving us a spiritual school whereby we are learning day by day how to get more attached to our divine Lord Sri Sri Radha Krishnachandra.

You have got Sri Sri Radha Krishnachandra to appear at this divine Hill just for us. You are also training us at this school as to how to please our deities by various sevas. It's your school Ācārya which has provided me the courage to face this world. It's your school which has provided me the intelligence to survive in this world. It's your school which has provided me the fame when I try to parrot mouth your teachings.

When a disciple is determined to fulfill the instructions of his Spiritual Master then a divine strength enters him. You had proved this personally by constructing 108 temples in just 10 years which displays your determination to fulfill the instructions of your Spiritual Master amidst so many hurdles. Ācārya please bestow me also that determination that I could serve your instructions without any deviation in my faith. My heart and soul should just strive to serve your instructions without any deviation. This is all my request onto your lotus feet.

You have shown me many surprises during these past 2 years that I have no words to explain. You have controlled my high temper by providing required knowledge and intelligence. Yet I know that there would be many tests from your end to check my temper. I humbly request your anugraha to pass all these tests and get selected for your service.

I thank you for providing me a wonderful opportunity to preach to my father-in-law and bring him into this spiritual school. Ācārya, you know that real dream of Mahaprabhu whereby I have been allotted a big task. I believe those words of Mahaprabhu to be truth than any dream. If this is your desire, please help me to achieve that target thereby pleasing Mahaprabhu via your causeless mercy.

Just like Arjuna's mars force was lifted by Lord Kṛṣṇa to proceed to fight at Kurukshetra, in the same way, your divine teachings have lifted the mars force in me to fight against my ignorant family members to uplift their spiritual score. Thanks, Ācārya for all that you have bestowed on this deeply fallen soul. Ācārya I wish that very soon my Prabhu and my mother should surrender onto your lotus feet and start serving you eternally. Let your hands be always on my mother to provide her the intelligence to understand that her kids are already under the spiritual care of Vaishnavas. Always keep me in the torch of your divine knowledge that I don't commit any Vaishnava aparadha even in ignorance. Forgive me for being rash on my Prabhu so that he proceeds for his spiritual progress.

Always your servant,

Ganga Maiya Devi Dasi.

Dear Srila Prabhupada,

Please Accept my Humble Obeisance, All glories unto you,

I would like to offer the following realizations & prayers to your lotus feet, my dear Lord, and my master. As I took the new responsibility of becoming a father, please give me strength, endurance, and conviction to conduct responsibly to elevate my self and my family to fully serve your lotus feet. In the purport of the verse SB 5.5.18, you clarify that Śukrācārya was not a pure devotee, he was more or less inclined to fruitive activity, and he objected when Bali Mahārāja promised to give everything to Lord Viṣṇu. Actually, one is supposed to give everything to the Lord because everything belongs to the Lord. But, I m a fruitive worker and engulfed in the thought of material advancement and a strong feeling of possessiveness despite constantly hearing your instructions through your books and your disciples. Kindly give me *jnana, bala & kriya shakti* to come out of this *anartha* mentality.

While chanting the Hare Krishna *maha-mantra*, My mind wanders everywhere except hearing. In the conversation during Morning Walk -- February 3, 1975, Hawaii: one devotee asks,

'Śrīla Prabhupāda, it's very difficult to control my mind when I chant. It wanders.' You replied, "So what is the controlling of mind? You have to chant and hear, that's all. You have to chant with your tongue, and the sound you hear, that's all. What is the question of mind?" I am too fallen and my strong attachment to this material nature does not allow me to hear the Holy name. I am failing every day following this prime principle that you have taught. Please, I fervently pray at your lotus feet that by Your Grace this strong attachment and attraction is removed from my heart and strong attraction for following your instruction and serve your lotus feet be manifest in my heart.

Dear Srila Prabhupada, you always suggest that, '*sādhu-saṅga, sādhu-saṅga-sarva-śāstre kaya lava-mātra sādhu saṅge sarva siddhi haya* (CC Madhya 22.54), whenever I get the opportunity to associate with devotees instead of me taking association and derive spiritual benefit, I offend or find fault in their behavior. Because of this nature, I stagnate and do not make any progress in my spiritual life and sometimes falls down. Be your grace, your divine instructions should always float in my mind and never fall for this offensive mentality.

Your servant,

Garuda Narayana Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of your divine lotus feet. All glories to you & your sincere devotees @ Srila Prabhupada's ISKCON.

Homage to you every moment of my life for keeping me afloat spiritually in this material world. The unleashing tamo/rajo guna influence in this era is trying to strongly pull me out of the Kṛṣṇa conscious orbit, but the association of your sincere devotees is helping me to sustain & overcome these frequent hurdles. Your divine grace is very amazing to rediscover again and again the power of your inking and Vani which is making your sincere devotees here to stretch out and accomplish the miracles.

The Missile-1 Akshya Patra is already running successfully in the orbit and enriching the souls to move towards back to godhead and Now, thanks to COVID -19 which has supported with its Lockdown for more number of jivas to get anchored to the New Missile – THE SOULFUL JAPA once again by your sincere TRUE devotee Sri Madhu Pandit Prabhu.

I am now almost on the rehabilitation track of the mindful japa and with the inspiration of many devotees who are already on the track of soulful japa, I am trying to focus & further progress towards the same. All glories to his divine grace Sri

Madhu Pandit Prabhu for bringing this TRUE understanding on chanting of the Holy Name and strengthening our shraddha towards Nama Prabhu.

On this auspicious occasion of your Vyasa puja, even though I am an ungrateful/untruthful servant of your devotees, I desire to humbly request you to shower your causeless mercy on me to stay connected with your sincere devotees & for having my path clear towards reaching you.

Yours most fallen insignificant student,  
Giridhari Krishna Dasa.

All glories to Srila Prabhupada

Dear Srila Prabhupada, your servant Gopeshvara Dasa at your lotus feet. I offer my respectable obeisances onto your lotus feet.

Srila Prabhupada your glorious life is an example and inspiration for me to live Krishna conscious life. In Bhagavad-gita verse 2.54, Arjuna asks 4 questions to Krishna about sthita-prajña, your life is the answer for those 4 questions. In the bhakta module, I read that devotee means by seeing him one will remember Kṛṣṇa. Your glorious acts are such that no need of seeing you Prabhupada just by hearing the name of ISKCON one will remember Kṛṣṇa that's your service to mankind, established 108 temples making Krishna as a center this is pure devotional service.a

*anyābhilāṣitā-sūnyamjñāna-karmādy-anāvṛtam*

*ānukūlyena kṛṣṇānu-sīlanam bhaktir uttamā*

The way you took the glories of HOLY NAME to the western world by taking your spiritual master (Śrī Śrīmad Bhaktisiddhānta Sarasvatī Gosvāmī Mahārāja Prabhupāda) as life and soul is a real inspiration to me. In Bhagavatam I read that real independence is depending on Kṛṣṇa, you are a perfect example of this. When Naxals were disturbing the pandal program in Bengal, your intense singing and prayers even changed their heart. It's like Nityananda Prabhu's mercy changed Jagai and Madhai, Chaitanya Mahaprabhu ecstatic chanting and dancing made animals to chant and dance in Jharkhand forest as same your purity changed all hippies to happies and flooded the western world with Hare Krishna maha-mantra.

In CC Antya lila it's mentioned

*“If by chance a servant falls down & goes somewhere glories is that master who captures him & brings him back by the hair”*

You are that glories master Prabhupada, when Umapathi Prabhu left and came back or Kirtanananda Maharaj craziness, every time you brought them back and gave shelter at your lotus feet. Either you are in Bowery Street or Vrindavan, the place where you are it is Vrindavan. By sleeping only 2hrs daily, you gave us tremendous literature, No one can do this much causeless service to mankind. Even now jivas are joining into movement by reading your books, I am one among them. Even at very bad health condition, you preferred to go to London, you never cared for material body, indeed you showed how to engage this machine in serving guru and Kṛṣṇa. Your glories are unlimited. In one line your life is an example for every shloka of Bhagavad Gita and every word of Bhagavatam. The organization you created is inconceivable, even now in present condition the whole world becomes upside down due to COVID but still all devotees are chanting 16 rounds and following your instructions. This is a real miracle. Prabhupad you have presented everything boldly and never hide anything, even enemies will get captivated by your character. You have mentioned in one of the purports in Bhagavatam that “The Kṛṣṇa consciousness movement is spreading now all over the world, and sometimes I think that even though I am crippled in many ways, if one of my disciples becomes as strong as Dhruva Mahārāja, then he will be able to carry me with him to Vaikuṅṭhaloka.” You took such a humble position, it even melts stone-hearted persons, it is an example for me to learn how to be humble.

Even though I have no qualification, by your causeless mercy you have accepted me as your disciple. By your mercy, I am progressing little by little in Kṛṣṇa consciousness. It's your mercy Prabhupada that I had sustained in all those struggling days from Jan – Mar 2019. It's your mercy Prabhupada at right time I got association from Madhu Pandit Prabhu, helped so much to overcome few anarthas. It's your mercy when my chanting and reading went out of the track, you helped me through two godbrothers. Like a father protects a child, you have protected me at every hard stage. In the presence/guidance of an expert father, the child never fails in achieving the goal. You are an expert father Prabhupada, I have no worry. Only one worry I have now that is how to follow your instructions without deviation. You gave everything Prabhupada, gave me the holy name to chant, loving godbrothers, respected superiors who are guiding every moment, you yourself there in your books to guide me. What I have now and what I am now, is your causeless mercy.

Since from the past 5 months I am in cooking service, it's a very great blessing to cook for Radha – Kṛṣṇa Chandra. It's a very special moment when I did first offering Kaju pan on Brahmotsava for all their Lordships. Your mercy that I am learning and cooking for their lordships in the guidance of Neeraja nayana Prabhu and Hari Bhakta Prabhu. Bless me Prabhupada with nice consciousness while cooking.

Please, give strength to follow your instruction and protect me from not committing Vaisnava offences.

Your servant,

Gopeshvara Dasa.

Dear Srila Prabhupada,

I offer my respectful obeisances unto your lotus feet on this auspicious occasion of 124<sup>th</sup> Vyasa puja.

Prabhupada, I have no qualification to offer, because of my contaminated consciousness. I am very much attached to worldly activities and I am blind to spiritual knowledge. When I examine myself, I have committed so many sinful activities. Nevertheless, I am now present before you and seeking enlightenment from your Divine Grace.

I feel something is missing in my life, inspite of so many plans and associated with so many people, nothing has filled that gap and everything failed. But, by your divine touch, that gap is filled, satisfied fully and I understood the ultimate goal of life.

Srila Prabhupada,

Your 12 'Golden quotes' and 5 'Diamond quotes',

1. "Chant Hare Kṛṣṇa and exactly the same sound you hear" (Golden quote)
2. "You chant Hare Kṛṣṇa loudly and hear Hare Krishna" (Diamond quote)

are sufficient to attain the ultimate goal of life, detachment from material entanglement and attachment to Kṛṣṇa.

Prabhupada, your divine grace said that "make every house like a temple". I was not understanding why our Guru Maharaj is encouraging like this when there are many big and beautiful temples of ISKCON, what is the necessity of temple again in the house, what we can perform in the house with so many botherations and constraints.

Now I realized that when the entire world is in anxiety, panic, fear, and danger due to covid19. We never felt that discomfort because of your divine guidelines. We are performing the same activities (chanting, deity worship, bhoga offering, attending Śrīmad-Bhāgavatam classes online, conducting classes online, reading transcendental books of your Divine Grace) and following almost same timings in the house, like temple programs. What would have been our fate without these transcendental activities at home in this situation. It would have been panic, fear, anxiety and danger.

Thank you, Prabhupada for your transcendental guidance, by which we can easily cross over any miserable condition by simply following your divine instructions. I was feeling separation from Kṛṣṇa and His devotees, because there was no entry

to temple for senior citizens (65 years and above) but, by your divine association (vani) feeling of separation has not stayed for a lon time.

Srila Prabhuapad,

In Vrindavan meditations on 12<sup>th</sup> March your Divine Grace quoted “In his book Saranagati Srila Bhaktivinod Thakur stated whenever a house holder glorifies the Supreme Lord in his home, his activities are immediately transformed into the activities of Goloka Vrindavan.” (Your divine grace also described in Chaitanya Caritamritha Madhya lila 7.69 purport, glorification of Lord by house holder). The most sinful and unworthy man like me, being situated on earth planet, you have given me wonderful opportunity to serve Krishna at Goloka Vrindavan. This is what the function of soul, hankering for rendering submissive loving service to the Lord which is the ultimate goal of life.

Although I am essentially spiritual, due to my false identification, I fell into the blind well of materialistic life, because of my being in the material body, my qualities, my senses are being misused. Hence, I have been put under the influence of material nature and struggling for existence on the path of repeated birth and death, by the arrangement of Maya. Srila Prabhupada, by your matchless gifts, repeated chanting and hearing and Bhagavad-gītā reading can stop repeated birth and death.

Thank you, Srila Prabhupada.

Your humble servant,  
Govinda Kirtana Dasa.

Dear Srila Prabhupada,

*nama om vishnu-padaya krishna-preshthaya bhutale srimate bhaktivedanta-swamin iti namine  
namas te saraswate deve gaura-vani-pracharine nirvishesha shunyavadi pashchatya desha tarine*

Please accept my humble obeisance, All glories to Your Divine Grace!  
Please bless me that I remain engaged in Your service life after life.

It is Your will, to be present with us even after Your physical departure. I am able to feel Your presence through the organization created by You. You could have left winding up Your pastimes during Your physical departure. It is very natural for someone to wind up his responsibilities before exiting; he settles everything and hands over his responsibilities, someone. Even great personalities like King Parikshit, King Yudhishtira, King Priyavrata and many great saintly personalities did the same. But You settled only managerial aspects of ISKCON, and deliberately making it clear that You will continue to stay to liberate more and more conditioned living beings for a prolonged time. It is Your unparalleled compassion prevailing this Krishna Consciousness movement today. You also explained how difficult it is to turn a conditioned soul to a devotee; You mentioned, *it takes gallons of blood!*

You also said " Therefore to become a guru is not an easy task. You see? He has to take all the poisons and absorb them. So sometimes—because he is not Kṛṣṇa—sometimes there is some trouble. Therefore Caitanya Mahāprabhu has forbidden, "Don't make many śiṣyas, many disciples." But for preaching work we have to accept many disciples—for expanding preaching—even if we suffer. That's a fact. The spiritual master has to take responsibility for all the sinful activities of his disciples.

Srila Prabhupada, I am eternally indebted to You for being most munificent.

Your preaching program is creating many devotees year after year. Every time we discuss about the shortage of devotees for many services. This only shows how You are actively inspiring our leaders to come up with innumerable engagements in Your mission. This is something mystical and you said – *dead man can't preach!*

Srila Prabhupada, thank You for giving us such a wonderful platform to render devotional service.

Dear Srila Prabhupada, You had mentioned, that those whoever take shelter of Krishna and Guru, they are always protected. We could practically see this during the present pandemic struggle. You are not only protecting devotees, but Your mission also served prasadam to millions of suffering beings. This service has been appreciated around the globe. You mentioned “*Lord Chaitanya’s program was simply kirtana and prasadam distribution. Lord Caitanya never spoke philosophy in public. When He met big scholars like Sarvabhauma Bhattacharya he spoke philosophy, otherwise for the mass of people, kirtana and prasadam distribution. So continue this program, it is very pleasing to Lord Caitanya*” I see every word of Yours is filled with deeper understanding and direction for all of us to carry out Your mission, year after year.

You also had explained earlier how this modern civilization is a big farce.

You mentioned in Srimad-Bhagavatam 1.10.5, purport: The artificial way of living depending on factories and tools can render so-called happiness only to a limited number at the cost of millions. Since the energy of the mass of people is engaged in factory production, the natural products are being hampered, and for this the mass is unhappy. Without being educated properly, the mass of people are following in the footsteps of the vested interests by exploiting natural reserves, and therefore there is acute competition between individual and individual, and nation and nation. There is no control by the trained agent of the Lord.

You derived way out like this - It is by ignorance that people think that by opening factories they will be happy. Why should they open factories? There is no need. There is so much land, and one can produce one's own food grains and eat sumptuously without any factory. Milk is also available without a factory. The factory cannot produce milk or grains. The present scarcity of food in the world is largely due to such factories. When everyone is working in the city to produce nuts and bolts, who will produce food grains? Simple living and high thinking is the solution to economic problems. – Teachings of Queen Kunti, Chapter 18

We are able to practically see this in the present scenario and appreciate Your guidance. We witnessed how just by closing down factories for a few days started healing the nature. This shows how Your instructions and books will stand the test of time and prove to the world about its relevance again and again.

You have given us so many objectives to achieve in Your mission. Srila Prabhupada, kindly bless me and bless all devotees who are serving Your mission with sufficient abilities to reach there.

Dear Srila Prabhupada, I feel so grateful for having received Your mercy. In spite I have all imperfections and *anarthas*, still, You have accepted me for Your service. You have trusted me more than what I really deserve. Kindly give me the strength to make up myself to the expected standards of devotional service.

At last, I am thankful to You for this one more year of devotional service and I humbly pray at Your lotus feet to keep me with you life after life

Your fallen servant,  
Gunakara Rama Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

In the past one year, I have learnt to appreciate only more and more about you. As Srila Sanatana Gosvami says in his Hari Bhakti vilasa (2.12),

“*yathā kāñcanatām yāti kāmsyam rasa-vidhānataḥ  
tathā dīkṣā-vidhānena dvijatvaṁ jāyate nṛṇām*”

"As bell metal, when mixed with mercury, is transformed to gold, a person, even though not golden pure, can be transformed into a brahmana, or dvija, simply by the initiation process."

All the Vaishnava Acharyas have applied this formula and converted many people into Vaishnavas while travelling and preaching all over India but you have done this not only by travelling all over the world but also empowered your books saying that anyone who reads your books have become initiated by you and your books have indeed created many wonders. I have met many people who have started chanting and following the regulative principles simply by coming in touch with your books.

Once, I was reading about the pastime where Yamunacharya saw Ramanujacharya for the first time and he immediately recognized him to be his successor. Suddenly I remembered a similar incident when your spiritual master saw you for the first time, he did not tell you about the importance of the human form of life or other things like attend Bhagavatham class daily, etc. , but directly told to you preach the message of Lord Chaitanya indicating he has recognized you. This is one of the many proofs that you came here directly from Vaikuntha on the order of Krishna though you were roaming as one among the people in general.

I also understood how Impersonalism has deeply penetrated into the hearts of the people even amongst the Vaishnava community and how you have effectively nullified it. Once a person asked you when a person offers food to your photo, whether you accept it and the food gets purified or the process of offering itself makes it purified. In the beginning I could not understand this question when I read. Later I realized the latter is the Impersonalism and the former is the Personalism. That's when I also understood the depth of your statement that this ISKCON/Hare Krishna Movement is non-different from you. Whoever comes in touch with this movement even without meeting you personally makes progress over a period of time even when he unable to follow your instructions properly simply because he has come in touch with your movement/books which is non-different from you.

Also I could appreciate your books and your statement that you take time to think and present the spiritual subject matters in a way we can understand, only when I read the book "Brahma Samhita". You made your books so simple for us that even a newcomer without any background could understand the philosophy in a short span of time unlike earlier days when people needed to study the entire Vedas for years together.

Srila Prabhupada, please bless me that I would be able to understand you and your instructions and statements more deeply and implement them in the coming days so that I can be able to please you in the way you desire and become a perfect instrument in your hands.

Your aspiring disciple,

Guru Charana Dasa.

*mukham karoti vacalam pangum langhayate girim*

*yat krpā tam aham vande śrī-gurum dīna-tāraṇam*

I offer my respectful obeisance unto my spiritual master Śrīla Prabhupāda, the representative of the eternal paramparā, who has delivered the most fallen, and by whose mercy the lame can cross over mountains and the dumb can speak eloquently. Thank You Srila Prabhupada, to allow me to serve your divine grace mission one more year. This year you have thought me many lessons of life which may take many years to learn in life. Srila Prabhupada, as it is said in SB that "Pure devotee's appearance and disappearance are practically on the same level as that of the Lord."(SB.1.6.29). It means As Krishna's birth and activities are divine, your birth and activities also are divine, for example:

As the appearance of Lord Krishna & His different incarnations was predicted in vedic literature by Vyasadev before His appearance in this world, in same way Your divine grace appearance was also predicted by Srila Bhaktivinoda Thakur before Your appearance in this world as follow:

A personality will soon appear and he will travel all over the world to spread the teachings of Lord Chaitanya.

Very soon the chanting of Harinam sankirtan will be spread all over the world. Oh, when will that day come when people from America, England, France, Germany, Russia will take up kartals and mrdangas and chant Hare Krishna in their town?

When will that day come when the fair-skinned foreigners will come to Sri Mayapur-Dham and join with the Bengalis Vaishnavas to chant, Jai Sacinandan, Jai sacinandan, when will that day be?

As the day of Krishna's appearance i.e. "Janamastmi" on this earth is most auspicious. In the same way Your divine grace appearance day i.e. "Vyas puja" on this earth is also most auspicious & glorious because you had come to take back all conditioned soul to Back To Home Back To Godhead.

As Krishna Said in BG4.7," He will appear to deliver the pious and to annihilate the miscreants, as well as to reestablish the principles of religion." In the same way, You also appear to kill the demonic tendency of the jivas and re-established their lost relationship with Krishna. Moreover, you deliver both pious as well as impious people by giving them Krishna Consciousness.

As Krishna has built Dwarka city in midst of ocean to protect his devotees from the attack of Jarāsandha and Kālayavana, In same way You had built an ISKCON organization in the ocean of nescience ( *bhavasamudra*) to protect Your disciples from the attack of Maya's bewildering & covering potency.

As Krishna's sanjivani-rasa glance revived dead cowherd boys in Kaliya lila. In the same way, Your sanjivani-rasa glance has revived us from deathlike trance to blissful transcendental devotional service to Lord Krishna.

As Krishna said in BG "if someone at the time of his death remembers Me alone, he will attain My abode." In the same way, once one devotee asked you questioned that If end of my life if I remember Your divine grace instead of Krishna, will I go back to godhead? And Your divine grace answered "Yes result will be the same."

As Krishna never leaves Vrindavana. In the same way, Your divine grace also never leaves Your Position as "Diksha Guru" in Iskcon.

As Krishna's so-called disappearance from this world is for bewildering to an atheist who says that Krishna is no more present now and defy his position as supreme Personality of Godhead and claim themselves as GOD, in the same way, Your divine grace's so-called disappearance from this world is also for bewildering to Kali-chela in Iskcon, who thinks that Your divine grace no more presence and defy your position as sole Diksha Guru in ISKCON and falsely claim themselves as Guru.

As Krishna is still present in His Holy name, instructions & His deity form in Kaliyuga. In the same way, your divine grace is still living in every page of your transcendental books, Deity and in heart of all devotees who have accepted You as spiritual Master.

Srila Prabhupada please forgive me for all my offenses which I committed knowingly or unknowingly in service of Your divine grace, all Vaishnavas and our worshipable deity Sri Sri Radha Krishna Chandra. Srila Prabhupada I beg you please give me direction, intelligence & strength to execute the order of my authorities.

Your most fallen servant,

Hari Bhakta Dasa.

My dear spiritual master, Srila Prabhupada.

All glories unto you. Please accept my humble and respectful obeisances.

1. Srila Prabhupada you live in your deities. You reciprocate with me and you accept my services. Thank you

“The photos of my murti are very nice. The murti of the Spiritual Master should be treated as good as the Deity. Saksad-dharitvena samasta-sastrair, uktas tatha bhavyata eva sadbhiih/kintu prabhor yah priya eva tasya, the guru should be treated as good as God. This is stated in all the sastras. The difference is that God is master-God and guru is servant-God. So the installation ceremony for such a murti should be similar to that done for other Deities. All Temples can have this Deity if they like.” - Srila Prabhupada letter - Mayapur, January 29, 1976

2. Srila Prabhupada you are my guru. Even though I commit many mistakes, you patiently teach me the process of devotional service. Thank you

“Lord R̥ṣabhadeva told His sons: If he is a father instructing his sons, a spiritual master instructing his disciples, or a king instructing his citizens, he must instruct them as I have advised. Without being angry, he should continue giving instructions, even if his disciple, son or citizen is sometimes unable to follow his order.” - SB 5.5.15 Translation

3. Srila Prabhupada you are the window to the spiritual world. Through you, I can see Krishna. You are the transparent via medium to Krishna.

4. Srila Prabhupada you are my pilgrimage. You are the reason to visit sacred places. Wherever you are, Krishna is present.

“Maharaja Yudhisthira told Vidura that pure devotees like him are personified holy places because the Supreme Personality of Godhead is always with them in their hearts. By their association, sinful persons are freed from sinful reactions, and therefore wherever a pure devotee goes is a sacred place of pilgrimage.” - SB 1.13.10

5. Srila Prabhupada you are my parampara system. You are the current link of the Brahma Madhva Gaudiya parampara. Krishna accepts my services unto Him only through you. Only through you, I can serve the parampara system. Only through you, I can serve Krishna. Only through you, I can reach Krishna. Thank you

6. Srila Prabhupada you care for me. Thank you

“Be careful about your health first. This information is not only for you but all my noble sons. I am an old man. I may live or die it does not matter. But you must live for a long time to push on this Krishna Consciousness movement.” - Letter to Rayarama - San Francisco, December 21, 1967

7. Srila Prabhupada, you have taught me how to glorify Krishna by glorifying you

“This is the business of the disciple, how to glorify the spiritual master, paramparā. I glorify my spiritual master; you glorify your spiritual master. If we simply do that, glorify, then Krishna is glorified.” - Lecture on SB 1.5.23 - Vrindavan, August 4, 1974

Please accept my humble homage unto your lotus feet, on this special occasion of Sri Vyasa Puja 2020 – 124<sup>th</sup> Appearance day of your Divine Grace.

Servant at your lotus feet,

Hari Smarana Dasa.

My Dear Gurudev,

Please accept my humble obeisances unto your lotus feet.

All Glories to Jagadguru Srila Prabhupada. All Glories unto you on this auspicious day of your Vyasa puja.

I offer my humble obeisances unto my Spiritual Master who has kindly opened my ignorant eyes with the torch of knowledge. I am always indebted to you for saving me from this blazing material existence. Just like a forest fire cannot be extinguished without the help of rain, without the mercy of your Divine Grace, the conditioned souls entrapped within this material world have no hopes of getting liberated.

Recently I started reading your Lilamrta book, which gives a very detailed description of your life. From your early childhood, by Kṛṣṇa's Grace, you were born in a Vaishnava family, where you naturally got inclined to Kṛṣṇa bhakti. Later, when you met your Spiritual Master, Srila Bhakti Siddhanta Saraswathi Goswami Maharaj, your life was completely dedicated in establishing the mission of Lord Caitanya.

Even though you faced so many challenges before going to America, trying to establish a League of Devotees in Jhansi, having to go through so many hurdles, one thing which is most striking is the strong determination and faith in Kṛṣṇa that always encouraged you even during pitfalls. Your character is exemplary when it comes to showing compassion on every living entity, since you knew the medicine you would prescribe to cure them of this material disease and put an end to this temporary existence. Even though none of your Godbrothers supported your mission of spreading Lord Caitanya's mission in the western countries, the determination you had in that ripe age to somehow reach the message of your Spiritual Master, shows the undeterred faith you had on Kṛṣṇa. With almost no support from family members nor the Government inspite of repeated requests, with the Lords' sanction, you travelled all the way to an unknown country with complete faith in Kṛṣṇa. In America, with a group of hippies, who were most unclean in their habits, you showed compassion upon them and presented the philosophy of Krishna consciousness in a pure state without compromising on the four regulative principles. Like a loving father, you guided them in every aspect, patiently correcting their mistakes and establishing a Vaishnava culture which was unknown to the western world. Your entire life is a testimony, which encourages every aspiring devotee to take shelter unto you because you lived what you preached. Every moment of your life was spent in preaching and in distributing the holy names of the Lord to the suffering humanity.

Although not deserving, you accepted me as your disciple. I know, I have a lot of shortcomings and till today I am only trying to be your disciple. I am very much encouraged by reading your pastimes, the faith you had on your Spiritual Master, and feel most blessed to be a part of this *parampara*. Please help me to focus more on my *sadhana*, help me to be more compassionate on everyone, for until we feel compassion for others, we will not be able to distribute the holy names of the Lord. I am bound to my family duties and responsibilities and unable to spend more time on service. Please guide me to manage my time more effectively because even one moment spent in Kṛṣṇa conscious activity bears permanent results. Help me in all my endeavours towards being a part of this movement and serving your mission.

Yours most insignificant servant,  
Harini Devi Dasi.

Dear Srila Prabhupada

Please accept my humble obeisances.

It is by your mercy that I could understand the difficult and challenging situations in the material world and still remained positive in my spiritual life. Chaitanya Mahaprabhu delivered Jagai and Madhai. You came to this world to deliver millions of Jagai and Madhai's and I am one among them who somehow came in touch with your mission of Krishna consciousness.

More than being fortunate, I consider this to be your causeless mercy only. Sharanagati to guru is the first step of devotional life. I have surrendered to you and consider myself to be a puppet in your hand. I will dance as you want to; I will act as you want to; I will do everything as you want to. My dear spiritual master, I fall at your lotus feet to give me the strength to serve you. I request you to always keep me at the service of your devotees who are always serving you.

My words are not enough to glorify you nor am I eligible to glorify you. I don't want to be stagnant water in devotional service. Please pick me up and help me to progress further.

Although I sing daily in the guru arati "ara na koriho mane asha", I still have a lot of material desires in my heart. Please help me to come out of all the contaminations in my heart and keep me at the service of your devotees.

Your fallen servant,

Haripradha Devi Dasi.

My Dear Eternal Spiritual Master Srila Pabhupada,

Please accept my humble obeisances unto your lotus feet.

On this most auspicious day, I feel very fortunate to be in ISKCON Bangalore where your divine will is perfectly executed by the leaders here. I feel ashamed of myself when I think about my past activities. In spite of all my disqualifications you are mercifully allowing me to perform devotional services. Thank you Prabhupada for your unlimited compassion upon me.

Just like Lord Ananta is unable to glorify Lord Krishna's unlimited qualities and if all living entities in this material world combined together attempting to describe your unlimited qualities it would be an impossible task to completely describe all your unlimited glories.

Srila Prabhupada you have compassionately appeared in this material world and always conscious to deliver all the living entities from the cycle of birth and death

Once Srila Prabhupada, you held up the Parker pen and told "in Bengali 'Par-kar'. In Bengali, Par - means bhava sagar, the ocean of birth and death. And kar - means to cross over the river by boat. By always doing Hari Nam Sankirtan, Lord Krishna will carry you across the ocean of repeated birth and death."

Srila Prabhupada, Your first disciple Acharya Prabhakar said that on Sri Krishna Janmashtami in 1954, he had to go to Delhi. When he returned to Jhansi, he took a little rest, woke up at 1:00 am and heard Srila Prabhupada, you were ecstatically playing mridanga in the temple room. Prabhupada you were chanting in total bliss. Acharya Prabhakar went upstairs and saw you were bouncing around the temple room performing kirtan. Prabhupada you were wearing a kadamba flower garland that went all the way down to your lotus feet. Kadamba flowers are very rare in Jhansi and when they are available they are usually the size of a golf ball. But the ones Prabhupada you were wearing was big, the size of tennis balls. And he said that the atmosphere right down to the atoms in the room was not material, aprakrita. The place was surcharged with the fragrance of the heavenly planets. Acharya Prabhakar wanted to ask you, "Where did this garland come from? It is not available from the market." But Srila Prabhupada has no answer. His Divine Grace you just kept on performing kirtan, bouncing round the room and chanting. The next morning Acharya Prabhakar asked you, Srila Prabhupada, "Where did you get the garland, why did it have such a rich fragrance, and why were you feeling so blissful?"

Acharya Prabhakar recollects Srila Prabhupada you told him that, "I was chanting Krishna's holy name. And Krishna appeared and gave me this garland. I went to touch His feet and He disappeared. Because of that I was dancing around the temple room."

Srimad Bhagavatam says

*ācāryam mām vijānīyān navamanyeta karhicit  
na martya-buddhyāsūyeta sarva-deva-mayo guru*

One should know the ācārya as Krishna Himself and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods. *na martya-buddhya* we should never assume that you are an ordinary human being

In 1968 in Commonwealth Pier, Boston, As you walked under a steel bridge, Prabhupāda you pointed upward with your walking cane and said, "Look"-a sign under the bridge read UNALLOYED STEEL-"they have unalloyed steel, and we have unalloyed devotional service." The bona fide spiritual master always engages in unalloyed devotional service to the Supreme Personality of Godhead. By this test, he is known to be a direct manifestation of the Lord and a genuine representative of Śrī Nityānanda Prabhu. Such a spiritual master is known as ācāryadeva

You have taught us the pure devotional service, pleasing Krishna is our goal of life. We must not be disappointed that no one is hearing Krsna consciousness. We will say it to the moon and stars and all directions. We will cry in the wilderness, because Krsna is everywhere. We want to get a certificate from Krsna that, "This man has done something for Me.' Not popularity. If a pack of asses says you are good, what is that? We have to please Krsna's senses with purified senses"

In all the ancient literatures of devotional service and in the more recent songs of Śrīla Narottama dāsa Ṭhākura, Śrīla Bhaktivinoda Ṭhākura and other unalloyed Vaiṣṇavas, the spiritual master is always considered either one of the confidential associates of Śrīmatī Rādhārāṇī or a manifested representation of Śrīla Nityānanda Prabhu.

On this most auspicious day, I beg forgiveness for all my unlimited offenses unto your lotus feet and all my unlimited offenses I have committed against your disciples

Please bless me to become more and more humble to all devotees. Please bless me to remember your Divine form, qualities, and instructions at the time of death.

Thank you Srila Prabhupada

Your most unqualified servant, Hemanga Chaitanya Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

All glories to you.

5000 years ago Lord Krishna appeared and drawn every living entity in the pools of ecstasy. Lord Krishna left Vrindavan and never came back. All the great devotees, especially gopis of vrindavan spent all their lives just by remembering the loving pastimes of Krishna. Krishna is unlimited, so are His glories. Sri Ananata deva's 1000 hoods are singing Krishna's glories from millions of years and yet He is not satisfied. Lord Sri Chaitanya appeared and again immersed everyone who saw him or met him, in the ocean of Krishna Prema. Lord Chaitanya distributed Krishna prema to everyone without asking for any qualification.

Similarly, Guru Maharaj, you appeared and distributed Krishna consciousness to everyone, without asking any qualification. Devotees who served you in your physical presence, were lost in the ocean of ecstasy. Till now we find so many of them living their life just by holding onto your memories.

I happen to meet a devotee by name Keshi Shatru dasa, who was visiting Vrindavan after spending all his savings. I guess he was in ecstasy in all the meetings which I had with him. He was still holding your letter in which you initiated him. Although he saw you only once in his life, he was totally moved and purchased by you. Not only him, but millions more were mesmerized by you. Even now just by hearing your wonderful activities, people dedicate lives for your mission. Long back a senior devotee mentioned that you are Lord's Shaktyavesh avatara. At that time, because of my arrogance and ignorance, I could not digest this fact. But, now when I hear your glorious activities and memories, my mind forces me to accept this fact, that you are Lord Krishna's Shaktyavesh avatara.

Thank you Srila Prabhupada for coming to save all of us and to give us an opportunity to serve Krishna- The Supreme personality of Godhead.

Simply wonderful. Milk laddu – easy to make and wonderful in taste. No one can explain the way you have presented Krishna conscious philosophy to this nescience world. You have presented the philosophy of Krishna consciousness in such a simple way that any lame man can understand and apply in his life.

Srila Prabhupada, you are the only hope of my life. Without your mercy I am nothing. We are eternally grateful for having you as our spiritual master. With your mercy I have come under the shelter of the Lord and have got service. Please keep your merciful glance on me eternally so that I don't fall down from Bhakti marg.

I will eternally try to preach your message to self and others. May my mind always be conscious of you and your instructions.

Your eternal servant,  
Hemavarna Gaura Dasa.

My Dear Srila Prabhupada,

Hare Kṛṣṇa. Please accept my humble obeisances at your lotus feet. All glories unto you.

*yasya deve parā bhaktir yathā deve tathāgura  
tasyaite kathitā hy arthāḥ prakāśante mahātmanaḥ*

*“Only unto those great souls who have implicit faith in both the Lord and the spiritual master are all the tenets of the Vedic scriptures automatically revealed.” [ŚU 6.23]*

Lord Sri Caitanya Mahaprabhu is the most munificent incarnation of Kṛṣṇa. He gave us the essence of Vedic knowledge, the chanting of the Hare Kṛṣṇa Mahamantra. You are the pure representative of Lord Sri Caitanya Mahaprabhu who spread the Sankirtan movement throughout the whole world without discrimination of people's background. You spoke the highest truth in the most simple manner where even a common man could understand and appreciate it. Your Divine Grace did not compromise on the principles while spreading the message of Lord Sri Caitanya Mahaprabhu and it is evident in the results; just by presenting your message with purity, people are accepting Lord Kṛṣṇa as the Supreme and taking up to the chanting of Lord Kṛṣṇa's holy name and their lives are being transformed.

Actually the greatest favour that Lord Kṛṣṇa has done upon us is your Divine Grace. You still live in your immutable instructions and in the words of your representatives. We just have to be the carriers of these instructions which is actually a part of our sadhana and which in-turn will purify us.

Srila Prabhupada, in this unprecedented humanitarian crisis which the whole of humanity is going through, the only refuge for me is your lotus feet. On this most auspicious day of Vyasa puja, I beg to your Divine Grace to accept this inadequate offering of glorifications in form of this letter and also forgive me for all the offenses that I have committed at your lotus feet. I beg you to keep me always in the service of your devotees and protect me from attraction towards Maya.

Your fallen servant, Ikshvaku Dasa.

All glories to you dear Srila Prabhupada.

Please accept my humble obeisances at your divine lotus feet.

For a devotee, the glories of spiritual master cannot be described in just a few words but can be experienced beyond boundaries.

I want to thank you for giving me the shelter of devotees, under which all of them are serving the Supreme Lord together, to satisfy you, by following your divine instructions. Because of your causeless mercy alone, I could take up this Krishna Consciousness philosophy, understand and render devotional service to the Lord. Only by your compassion, this darkness of Maya will be removed and the sun-like Krishna will shine within our hearts. It is only the spiritual master who can rescue us from this blazing fire of material existence.

Seeing a person like you is the perfection of one's eyesight, touching your lotus feet is the perfection of the sense of touch, and glorifying your good qualities is the tongue's real activity, for in the material world it is very difficult to find a pure devotee of the Lord.

When I was going through a lot of challenges especially with respect to the body, I reminded that "Krishna says that our body is just like a Yantra (Machine) in the journey of the soul and the real happiness is experienced by utilizing it in the service of the Lord" then I could able to continue my services better.

Krishna says in the Bhagavad-Gita that "The senses are so strong and impetuous, O Arjuna, that they forcibly carry away the mind even of a man of discrimination who is endeavoring to control them". So, neither I have the intelligence nor I have put any sincere effort to control my mind and senses. Therefore, I seek your favor falling at your feet to help me in this regard. Please shower upon me the required strength to subdue the ever flickering mind and uncontrollable senses.

Even though I am fortunate enough to get your shelter but I am not very sincere in following your instructions. Please be merciful upon me and help me to develop sincerity in your service.

Aspiring to become your humble servant,

Jagatpati Dasa.

प्रिय श्रीला प्रभुपाद ,

आपके चरण कमलों में मेरा सादर प्रणाम स्वीकार करें ।

*ॐ अज्ञान तिमिरान्धस्य ज्ञानाञ्जन शलाकया । चक्षुरुन्मीलितं येन तस्मै श्री गुरवे नमः ॥*

अभी सारा संसार कोरोना विषाणु से ग्रसित है, और वह कुछ समय तक रहेगा, फिर चला जाएगा । पर अगर कोई व्यक्ति इस विषाणु से ग्रसित होता है, तो वह या तो ठीक हो जाएगा या वह उसके प्रभाव से मर जाएगा । अगर वह मर भी जाए तो उसे इस विषाणु से छूटकारा तो मिल ही जाएगा । परन्तु आपकी कृपामय विषाणु जो, व्यक्ति को जन्म-जन्मांतर तक नहीं छोड़ता है, और साथ में आनंद प्रदान करता है । पर कोरोना विषाणु लोगों की जान तक ले लेता है । इसीलिए आपका करुणा-मय विषाणु महान है । हम हर दिन सुबह गुरु पूजा गाते हैं " चक्षु दान दिलो जेई जन्मे -जन्मे प्रभु सेई, दिव्य ज्ञान हृदय प्रकाशितो "

जिसका अर्थ है कि गुरु हर जन्म में अपने शिष्यों का साथ नहीं छोड़ता, और हर जन्म में आकर, हृदय में दिव्य ज्ञान प्रदान करता है। आप धन्य हैं प्रभुपाद जी । प्रभुपाद जी आपकी कृपा से और आपके भक्तों की कृपा से तथा आपके आदेशों से मैं समझ सका की हरिनाम का जाप कैसे किया जाता है । मैं पहले नहीं जानता था कि वास्तविक जाप कैसे किया जाता है , पर आपके भक्तों की कृपा से मैं समझ पाया की वास्तव में हरिनाम जाप क्या है । आप कहते हैं कि "गुरु,साधु,शास्त्र" यह तीन चीजों के मिलाप से व्यक्ति भक्ति में अग्रसर होता है, इसमें अगर एक भी चीज नहीं होती है तो व्यक्ति भक्ति में आगे नहीं बढ़ सकता है । यह बात सत्य है की मैंने भी इस बात की अनुभूति आपके कृपा से ही की है । इसका लाभ अभी बहुत सारे भक्तों को इस संस्था द्वारा मिल रहा है । आपकी कृपा असीम है और सभी को भक्ति में आगे बढ़ने में मदद मिल रही है ।

मैने अपने जीवन काल में अनुभव किया है कि इस ज्ञान से कई लोगों का अज्ञान दूर हुआ है। यह ज्ञान वास्तव में ऐसा ज्ञान है कि, कोई भी व्यक्ति इसे सुनता है तो उसका अज्ञान दूर हो जाता है। वह अध्यात्म में आगे बढ़ता है और भगवान के प्रति उसकी श्रद्धा दृढ़ होती जाती है। श्रीला प्रभुपाद आपकी जय हो। आपके इस कार्य से अगणित भक्तों को यह कृपा मिल रही है। मुझ अवगणनिय भक्त पर कृपा करके हृदय में मेरा मार्गदर्शन करें एवं अज्ञान रूपी अंधकार को और दूर करें।

आपका सेवक,

Hare Krishna

Dear Srila Prabhupada,

Please accept my humble obeisances!

I have a lot to share with you. I know you would be knowing all whats inside my heart, as you are the only one who can see my soul directly. Another year has passed, and I am practising Krishna consciousness – still holding on. Yes, there hasn't been anything special to talk about, but for your causeless mercy which has kept me going on till now. I am eternally indebted and grateful for this causeless mercy, Srila Prabhupada because of which I am here writing this offering to you.

Your mercy delivers all types of people, and this isn't limited to those who surrender to you directly, Srila Prabhupada. Not only your disciples. Rose Forkash, the mother of your disciple Lilashakti, was initially shocked at her daughter joining the Hare Krishna movement. But she was happy that her daughter left drugs and being a hippy. She met you and she was impressed by you instantly. She started visiting the temple regularly and one day she brought her parents to the temple. Lilashakti told them about her experience of sankirtan and Rose Forkash's parents immediately were interested. Some devotees gave her parents some Back to Godhead magazines, and they started approaching people up and down the street offering the magazines. They were so overjoyed every time they gave out a magazine and were even more thrilled when they entered the temple. Rose's father was so enthusiastic that he kissed the door as he entered, and was just struck by the beauty of the deities. Prabhupada, these aren't your disciples or your sannyasis, or your regular book distributors. These were common Americans having just been taken over by your mercy. Rose Forkash was a recipient of a lot of your mercy. She later started a group toward the late 70s and started speaking to other parents like herself and convinced them about the authenticity of your movement against the backdrop of the brainwashing charges. A few years ago, she took initiation from one of your disciples, while in her nineties. Today, closing on a hundred years of age, she continues to chant and encourages others to chant as well.

Your mercy is also coupled with loving affection to each one of your disciples. Once while on a visit to Geneva, you had asked your disciple, the local temple president, Guru Gauranga Prabhu, as to where Lilavati was. She was the devotee who was typing your manuscripts. Guru Gauranga Prabhu was not aware that she had arrived, but when he found out about her, he got to know that she was down with hepatitis and was in the hospital. You made Guru Gauranga Prabhu make all the arrangements – prasadam, books and association. You made sure that all the devotees go visit and that she has association as well as prasadam.

Once when you arrived in Los Angeles, you were very sick Srila Prabhupada. The temple leaders had made it clear, that there were not going to be any airport greetings, and that you were not to be disturbed at all. Racitambari mathaji was crestfallen. Her only service was to make the cookies that you would generally distribute after the Bhagavatam class. Still, she went ahead and made the cookies so she can offer it to your photo. But that day beyond everyone's expectation you showed up for guru puja. You were so ill that you had to be helped by two devotees. Your voice was very feeble but still, you gave Bhagavatam class. And as the class got over, the devotees were about to help you down, when you said in the microphone: "Where are the cookies? The children are waiting for the cookies." You were quite ill, still you had the heart

for those children, and you waited till every child received the last bit of morsel. And as the kirtan started you threw the rest of the cookies out into the crowd and there was a rain of mercy that day.

On that same visit, Bhavananda Prabhu was with you one day and you remarked to him, “This world is a horrible place, but Lord Krishna said to me, ‘You come down and write those books.’ And I said, ‘Oh, I do not want to go there. It is a horrible place.’ And Lord Krishna said, ‘No, no, you come down and write those books. I will take care of everything.’”

The Chaitanya Bhagavata describes the deliverance of Jagai and Madhai. Lord Chaitanya absolved the sins of Jagai and Madhai completely, so much so that they became known as brahmacharis. But how sinful were they? Lord Yamaraja regularly witnessed Lord Chaitanya’s pastimes. Seeing the deliverance of Jagai and Madhai, Yamaraja asked his assistant Chitrugupta as to what extent were the sins committed by Jagai and Madhai. Chitrugupta began his reply with a sigh of relief: Oh there is no point in talking about that! Chitrugupta, who was the principal secretary of Yamaraja had to put a hundred thousand scribes just to write down the sins of Jagai and Madhai. Writing continuously for one month, these two scribes couldn’t complete the list of their sins. Even hearing their sinful deeds with a hundred thousand years, would still be insufficient. Chitrugupta’s scribes ended up being so frustrated just writing those sins, that Chitrugupta had to chastise them just to keep them in pace with the rate that Jagai and Madhai were sinning. But within a moment, Sri Gauranga absorbed all their sins that the golden avatar became black – Gaurachandra becoming Gokulachandra. Hearing the greatness of Chaitanya Mahaprabhu, Yamaraja fainted on the spot!

Srila Prabhupada, if this is the account of the number of sins of Jagai and Madhai, then I can imagine how many sins did countless Jagais and Madhais perform before coming in touch with you. As Kali-yuga approached, Chitrugupta would have had, not a hundred thousand, but millions of scribes under him, just to record the various sins being committed. The records were piling up. Chitrugupta would have been at his wit’s end just by seeing the endless mountains and mountains of records that his deputies have been piling up. A scary sight indeed, but being pure Vaishnavas, Chitrugupta and Yamaraja would have wept at the sad plight of all these people who were destined for hell in their next lives. That was until your arrival Srila Prabhupada. Once again Yamaraja and Chitrugupta are rejoicing. They are singing your praise, Srila Prabhupada, as a pure representative of Lord Chaitanya, and some of those mountains of records are being pushed into a bottomless pit, now that all the sins have been nullified by your movement. Seeing all this Lord Chaitanya will be smiling, and with tears in his eyes, proudly say, “My commander-in-chief has gone to the material world, undergoing so many troubles, and is successfully fulfilling My mission. He hasn’t just ended his mission in his one lifetime but is continuing it for the next ten thousand years through his books. Through his books, he is still present there in that material world waiting for anyone who is ready to surrender to him, and he will not return till he delivers every soul who sincerely takes to Krishna consciousness.”

Your mercy, which delivers me and saves me, has a meaning. Which is the same as your pastimes and glories, Srila Prabhupada Both are nectar for me. Nothing can be tasty as nectar. And nectar is what can bring one back to life. Your mercy has made me what I am till now. And it is what keeps me alive.

As you would be aware I was in a service that was directly involved in spreading your glories, Srila Prabhupada. A few days back, I was asked to leave that service and move to another service. Inside I did feel empty and my heart was fearing to miss your direct association. In some way, I felt like your personal servant whom you had decided to send away. I know any service to you is the same but still who wouldn’t miss your personal service, Prabhupada? A few days after I received this news I was in the department and I needed to refer a book. So I proceeded towards our library (which is really an overflowing cupboard) to get it. I opened the cupboard and found a large purple book in front of me. It wasn’t the book I was looking for, but nevertheless I had never seen it before. I turned it to see the name. The title of the book was “What is so special about Srila Prabhupada?” “Everything!” I thought. Still the title was intriguing. I was eager to know what more was special about you. There was no author’s name. I opened it, and the initial pages were for prayers and dedications. I skipped through and stopped at one page. It had a pastime recollected by one of your disciples. When you had first been to Mayapur with your Western disciples, you had directly gone to the ISKCON land. Seeing this some of your god-brothers commented that you didn’t even stop at Chaitanya Math. This was where the Samadhi of Srila Bhaktisiddhanta Sarasvati Thakura is located.

Their point was that you had gone first to your own land instead of visiting your spiritual master. When you heard that you had replied, "Do they think that I am ever separated from my spiritual master, even for a moment? My spiritual master is always with me."

That was your instruction for me Srila Prabhupada. A devotee must always consider his spiritual master to be present with him by his words of instruction. You had been to your spiritual master's Samadhi a few days before you started for your mission in the West to seek his blessings. In fact, you hardly had any physical association with your spiritual master. Your whole movement was started after the disappearance of Srila Bhaktisiddhanta Sarasvati Thakura. Srila Bhaktisiddhanta Sarasvati was always seeing your activities and was guiding you from within your heart. I cannot say that I can place you in my heart and feel your association in your vani, Srila Prabhupada. I still want to be with you always and I have to be guided by you in every step. I am the perennial rascal that can never learn. Please forgive me in this regard Srila Prabhupada, but I pray that you keep guiding me in every step of my life and that I learn to see you in your books, in your temples and always have your lotus feet in my heart. Srila Narottama Dasa Thakura remembers the lotus feet of Srila Rupa Goswami in longing, but I place my mind at your lotus feet Srila Prabhupada, and I want to remember them the same way Srila Narottama Dasa Thakura did.

śrī-rūpa-mañjarī-pada, sei mora sampada,  
sei mor bhajana-pūjana  
sei mora prāṇa-dhana, sei mora ābharāṇa,  
sei mor jīvanera jīvana

Your sacred lotus feet are my real wealth. They are the object of my bhajana and puja, the treasure of my heart, and they are my ornaments and the very life of my life.

anukūla habe vidhi, se-pade hoibe siddhi,  
nirakhibo e dui nayane

By the power of those lotus feet, my activities will become favourable to devotion, I will achieve spiritual perfection, and with these two eyes, I shall be able to actually see.

And lastly I pray in the mood of Srila Narottama,

tuwā adarśana-ahi, garale jārālo dehī,  
cīro-dina tāpita jīvana  
hā hā rūpa koro doyā, deho more pada-chāyā,  
narottama loilo śaraṇa

The serpent in the form of separation from You has poisoned my whole body, and my life is permanently miserable. O my Lord, please bestow Your mercy upon me. Give me the shade of Your lotus feet. Narottama Dasa takes shelter of You.

Srila Prabhupada, please have mercy on me. Just like on countless occasions you have been merciful to the parents and even grandparents of one of your disciples, to the many innocent children, and to the many souls that have sought shelter from you, please bless me to never forget you and eternally be serving your lotus feet. Please bless me that I meditate on the glories of your lotus feet and also tell others about those glories. I need your mercy even to chant the Holy Name Srila Prabhupada, to arrest my mind and place it at the lotus feet of the Holy Name. Just as Srila Bhaktivinoda Thakura sings, "ekākī āmāra, nāhi pāya bala, hari-nāma-saṅkīrtane, tumi kṛpā kori', śraddhā-bindu diyā, deho' kṛṣṇa-nāma-dhane", please have mercy on me, so that I can get a little taste for the treasure trove that is the Holy Name. Without your mercy it is not possible. Please bless me that I don't offend any Vaishnava and see all of them as your parts and parcels, and I remain undisturbed just like you no matter what situation I am in.

Begging for your mercy,  
Jaya Govinda Dasa.

Dear Srila Prabhupada,

I offer my humble obeisance unto your lotus feet.

Within the last year, so many changes have happened. Thanks to COVID. My son is now staying in the temple and doing his service. He is getting the association of senior devotees. Prabhupada, please accept his service and let him not come back to the Maya world.

During this lockdown period, you gave all of us so much service that we never felt any problem. So, the secret to being happy is to involve always in the service of Kṛṣṇa. Another important thing is all of us are now into learning Bhagavad-gītā nicely - mainly reciting. The full-day goes into teaching Bhagavad-gītā. Children are also learning. Thanks for using me as an instrument. Please always engage me in that way.

Another wonderful thing is the soulful Japa classes. Oh, Kṛṣṇa! So much is there in Japa. Please keep our Madhu Pandit Prabhu with all good health and long life. We all sincerely pray for that. Whoever hears his class, his life will change. He is a touchstone. My Prabhu is also hearing soulful Japa classes and doing nice Japa.

Prabhupada, I am always indebted to you. I cannot think of my life without you. Your books are wonderful. It helps us to connect to Kṛṣṇa. How to distribute your books this year? Please do some miracle and let the situation be alright by this year end so that we can nicely participate in book distribution. You do wonders through your books. Let me be an instrument in distributing this year also.

Your worthless servant,  
Jayasakhi Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Thank you for bestowing the wonderful opportunity of glorifying your Divine Grace on the auspicious day of your 124th appearance day i.e. Vyasa Puja. Your Divine Grace's appearance and accomplishments are a turning point not only in Gaudiya Vaisnavism but in the very history of human civilization. Your deeds are self-evident, unprecedented and matchless.

*sā śraddhayā bhagavad-dharma-caryayā*

*jijñāsayādhyātmika-yoga-niṣṭhayā*

*yogeśvaropāsanayā ca nityam*

*punya-śravaṇ-kathayā punyayā ca*

Attachment for the Supreme can be increased by practising devotional service, inquiring about the Supreme Personality of Godhead, applying bhakti-yoga in life, worshipping the Yogeśvara, the Supreme Personality of Godhead, and by hearing and chanting about the glories of the Supreme Personality of Godhead. These actions are pious in themselves. (SB 4.22.22)

Thank You Srila Prabhupada, for educating all living entities in order to check the imbalance of values in life and to achieve real perfection of human life, as it is revealed in the Bhagavad-gita and Srimad Bhagavatam.

Thank You Srila Prabhupada for giving the association of devotees which helps us to go nearer to Krishna at a time when billions of bewildered jīvas are engulfed in the darkness of the age, vainly searching for their true identities, through pseudo spiritualism, and other anomalies.

Thank You Srila Prabhupada, for revealing the holy place of transcendental pastimes, dedicated to the personality of Godhead. By visiting holy places like Vrindavan and Mayapur, the consciousness of devotees gets purified.

Prahlāda Mahārāja says:

*naiṣāṁ matis tāvad urukramāṅghrim  
spr̥ṣaty anarthāpagamo yad-arthah  
mahīyasāṁ pāda-rajo-'bhiṣekaṁ  
niṣkiñcanānām na vṛñīta yāvat*

One should take shelter of a pure devotee, who has nothing to do with this material world but is simply engaged in devotional service. By serving him only, one can transcend the qualitative material condition. In this verse, it is recommended (yogeshvara-upāsanayā) that one serve the lotus feet of the topmost yogī, or the devotee. To serve the topmost devotee means to hear from him about the glories of the Supreme Personality of Godhead. (SB 7.5.32)

Śrīla Prabhupāda, you are the perfect master, the perfect disciple. You continued the principles of Śrīla Bhaktisiddhānta, flying in aeroplanes, driving in motorcars, constructing huge temples, using printing presses, and handling billions of dollars without extracting even a farthing for own personal sense pleasure, bestowing the matchless gift of love of Krishna to whomsoever you touch.

Śrīla Prabhupāda, I humbly pray that you accept my service in the beating of the bṛhat mṛdaṅga, life afterlife so that my existence is purified. Without serving a pure devotee, one cannot advance in spiritual life.

Srila Prabhupada, on this auspicious occasion, I pray to You for protection from all sort of distractions from being conscious of Lord Krishna. Please help me to overcome my anarthas which are rooting out from my monkey mind. Please bestow Your causeless mercy so that I can purify my mind and senses.

Your unworthy servant,

Jivana Mukta Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you.

Apart from turning the world upside down, the Pandemic brought many wonderful insights to me;

I am able to appreciate the words of Lord Krishna in Bhagavad Gita 9.22 – Yoga kshemam vahamy aham. Krishna promises to personally take care of his unalloyed devotees by providing what they lack and preserving what they have. At our Hare Krishna Hill, devotees have not gone out for preaching nor fund raising since the last 4 months due to the Pandemic, But they are continuing to live their daily life of sadhana, festivals and services without any interruption. This is a wonder and is certainly due to your and Krishnachandra's blessings upon us. I am moved by your care and protection during these challenging times.

These last four months, I am able to almost complete the 6 volume biography of your divine grace – Srila Prabhupada Lilamrita. This has been very moving and has brought me more closer to you.

It's a wonder that , I am coming from a medical background, I am now engaged in Akshaya Patra's kitchen project. I am getting introduced to the world of construction – design consultants, PMC, General contractor, concept designs, detailed designs, BOQ, drafting contract.....etc. I am aware, this is all happening by your blessings for a larger purpose.

My faith in your teachings is steadily going up as I am delightfully able to appreciate the increasing freedom from the agitations of the mind and the senses simply by executing your instructions on daily sadhana. Although, I have a long way to go, but my convictions in the process of Sadhana Bhakti are deepening gradually.

Prabhupada, kindly bestow your mercy so that I may always be engaged in the loving service of the servant of your servant. May I constantly endeavor to become pure, so that I may become a suitable instrument to propagate your glories.

Your servant, Kalakantha Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you.

If an ordinary person encounters another person with low character he would try to be away from such person, but you are so glorious that you pickup even people of the lowest character and give them the highest benediction, such is the nature of your character.

vede gāy jāhāra carito....The Vedic scriptures sing of your character

*mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim*

*yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam*

(Madhya 17.80)

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. As advised by Lord Brahmā, one should remember this śāstric injunction if one desires success in his life.

Impossible things becomes possible only by your causeless mercy.

Your mercy can turn even a hard-hearted person into a soft-hearted person devoted to the lord.

Your vision is always on the spiritual platform. You see everyone as part and parcel of Lord Krishna.

You are never disturbed by the external dualities of this material world but save others from dualities.

You have created an organization which nurtures Krishna Bhakti systematically in this material world.

When ones tendency to serve Krishna, love Krishna is transformed into the propensity for sense enjoyment he comes to this material world and entangles himself.

You imbibe Krishna Consciousness into such fallen conditioned souls and transform, elevate them again from the lustful propensities to love Krishna. You situate them into their constitutional position.

I beg you to always keep me engaged me in serving Your lotus feet.

Your's insignificant Servant, Kalanidhi Dasa.

My Beloved Spiritual Master Srila Prabhupad,

When I was reading the Fourth Canto of Srimad Bhagavatam, in a purport you mentioned that,

*“A joker's activities simply arouse laughter, and a person who tries to repay the spiritual master or teacher of the transcendental message of Krishna becomes a laughingstock just like a joker because it is not possible to repay such a debt.” [Ref. SB 4.22.47]*

Similarly, I like to be indebted eternally. So, again and again, I will be dragged by your lotus feet. When Karma drags me, it is miserable suffering. But, when your mercy drags me, it is transcendental pleasure. Please provide me that pleasure.

In this auspicious event, I just wish to retell, your transcendental pastime. Which coincide with the pastimes of Alvars, the pure devotees of Lord Narayana. Even though you are very fond of Kulashekara Alvar and his Mukunda Mala Verses, here I just remembering the first three Alvars, who are the pioneers to him.

Poigai Alvar, Bhoothathalvar and Peyalvar are called Mudhal Alvars (First three Alvars), the main incident in their life is, One day, in Kanchipuram, Poigai Alvar, appeared in a lotus. The very next day, in Mahabalipuram Bhoothathalvar, appeared in a flower, and the following day Peyalvar appeared in Adi Kesava Perumal temple in Mylapore.

Lord Vishnu appeared to the Mudhal Alvars at Thirukkoilur. It was day time but it darkened and started raining heavily. The wandering Poigai found a small room that had space for one person to lie down. Bhoothath arrived there looking for a hiding place and Poigai accommodated him, with both sitting together. After some time, Pey also came to the same place seeking shelter from the heavy downpour. All three preferred to stand because of a lack of space. It was densely dark inside the small space and they were not able to see each other. They were discussing Bhagavata.

They suddenly felt a fourth person forcing his way amongst them. Lightning struck and briefly lit up the room. The three Alvars noticed that the fourth person had a charming face that was sublime and divine. The trio could immediately realize that it was Lord Vishnu who was huddling amongst them. Poigai wished to see Lord Vishnu's face continuously but could only catch a glimpse when the lightning struck. Desiring continuous light, he instantly composed one hundred songs wishing the earth to be a big pot full of ghee where the sun could be the burning wick.

The song is also interpreted as the Alvar praying to the Lord to remove the darkness and asking for His unlimited knowledge and power. Bhoothathalvar also sang 100 songs desiring to light the lamp constantly through ardent love for Lord Vishnu. Peyalvar sang another 100 songs where he described the enchanting charm of the divine face and the association of Lord Narayana equipped with Chakra and Shankha, and His divine consort Goddess Lakshmi.

The works of these earliest saints contributed to the philosophical and theological ideas of Vaishnavism. Along with the three Saiva Nayanmars, they influenced the ruling Pallava kings of South India, resulting in changing the religious geography from Buddhism and Jainism to the two sects of Hinduism or Sanatana Dharma.

Similarly, when the entire world again forgot the teachings of great Acharyas, they made Sense Gratification is the only goal of life and So many bogus religions popped up. The Supreme Lord Krishna decided again to enact his transcendental pastime with his confidential servant. But, this time the Supreme Lord's soldiers are not sufficient. He selected the commander-in-chief (Senadhipathi – Bhakta) to propagate his teachings.

So, in October of 1952, You (Srila Prabhupada) began preaching Krishna consciousness in Jhansi, India. With the support of local doctors and businessmen, by establishing an organization—the League of Devotees—dedicated to spreading Krishna consciousness in India and abroad.

In the Radha Memorial Building in Jhansi, in a small room, similar to the confined space of the Mudhal Alvars, the Supreme Lord appeared to you Srila Prabhupada. Bahushira Dasa narrates this pastime.

**Bahushira:** After Prabhupada's disappearance I began helping Satsvarupa with the *Lilamrta* by interviewing people in India who had known Srila Prabhupada. One of them was Acharya Prabhakara Misra, Prabhupada's first disciple. Acharya Prabhakara was clean-cut, well behaved, and articulate. His demeanor impressed me. He had an M.A. and Ph.D. and was a very cultured Sanskrit scholar and teacher. In Jhansi Prabhupada had told Acharya Prabhakara, "I met you here because I saw you in a dream and I knew I was supposed to come here." Prabhupada and he would do *bhajan* together, they'd hold Ratha-yatra festivals, and they'd have programs in villages in the area.

Acharya Prabhakara said that on Krishna Janmashtami in 1954, he had to go to Delhi. When he came back to Jhansi, he took a little rest, woke up at 1:00 a.m., and heard Prabhupada ecstatically playing *mridanga* in the temple room. Prabhupada

was chanting in total bliss. Acharya Prabhakara went upstairs and saw Prabhupada bouncing around the temple room doing *kirtan*. Prabhupada was wearing a *kadamba* flower garland that went all the way down to his feet. *Kadamba* flowers are very rare in Jhansi and when they are available they are usually the size of a golf ball, but the ones on Prabhupada's garland were big—the size of tennis balls. And he said the atmosphere and aroma were *aprakrt*—nonmaterial. It was surcharged and smelled like the heavenly planets. Acharya Prabhakara wanted to ask Srila Prabhupada, “Where did this garland come from? You can't buy it in the market.” But Prabhupada wouldn't answer. He just kept doing *kirtan*, bouncing around the temple room chanting. The next morning Acharya Prabhakara asked Srila Prabhupada, “Where did you get the garland, why did it smell so much, and why were you feeling so blissful?” Srila Prabhupada told him, “I was chanting to Krishna and feeling some love for Him, and He appeared and gave me this garland. I went to touch His feet, and He disappeared. Because of that, I was dancing around the temple room.” Prabhupada was crying.

Acharya Prabhakara was very believable and I felt that what he said was valid. He also said that sometimes Srila Prabhupada's mood was to do *kirtan* intensely. He would chant on and on and on—for three days straight without eating and sleeping. Ordinarily, we never hear about Srila Prabhupada chanting for two or three days straight. We hear that sometimes he wouldn't eat for long periods, especially near the end, but remarkably, in Jhansi, he was doing *kirtan* for a long time without eating and sleeping. And the result of his *bhajan* was that Krishna appeared.

(Ref: Srila Prabhupada – Remembrances, Ch 44. Siddhanta Dasa, ITV)

After this incident, you (Srila Prabhupada) took the complete mercy of the Supreme Lord and built a worldwide organization for the propagation of Krishna consciousness. Thus again *Santana-dharma* is introduced and established all over the world.

**Conclusion:** It is said that after the Lord appeared to the Mudhal Alvars in a small room in Thiru Kovilur, the *Divya-prabandham* started with *Mudhal Tiruvandadhi* (First 100 Songs), *Irاندam Tiruvandadhi* (Second 100 Songs), and *Mundram Tiruvandadhi* (Third 100 Songs) and it was further extended by other Alvars. The religions which were apparently overpowering *Sanatana-dharma* at that time were subdued by the philosophical influence of the Mudhal Alvars. This was one of the main reasons for the Supreme Lord blessing them with His *Darshana*.

Similarly, to establish a proper base for *Santana-dharma*, the Supreme Lord appeared to His pure devotee in a small room in Jhansi and empowered him to subdue the other religions. With the transcendental message of Srimad Bhagavatam, Srimad Bhagavad Gita, and with further commenting on many books of Acharyas, and by the mercy of the Supreme Lord, you (Srila Prabhupada) traveled the length and breadth of the world and established the supremacy of Krishna consciousness over all other religions.

I am desiring to remain at your lotus feet forever as your humble servant,

Kalyana Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet at the auspicious occasion of your appearance day.

All glories to you! The transformation you have brought about in my consciousness is substantial and it was impossible without your mercy. My offering on this occasion is but a lackluster expression of mercy you have bestowed upon me, the conditioned soul. It is always a delight to speak of your glories.

The pool of perceptions and conceptions usually from which present human society derive their vision forms the basis of life today, as it's said; it is an ocean of opinions which forms the fundamentals. This is done to an extent where authorized literature or scriptures are been interpreted to suit perceptions of the interpreter. This forms the basis of literature today which broadens and deepens human knowledge, and is available in tons! When society is masked with this kind of literature

it becomes almost impossible for a person to have clarity of his existence. Presently the purpose for which literature are produced, not only baffles one's real purpose of existence but becomes a source of misery. It is disheartening to see how the generations of humankind are trained and pushed into the battlefield of unauthorized literature.

In this kind of situation I found solace in the literature you have produced; the basis of which are authorized scriptures, which you have purported not only shows the true spirit and intent of this pure literature but also explains in a way suitable for present time place and circumstances which are easy to accept by the reader.

The way you give clarity to life is gradual, unequivocal, Infuses conviction, and amazing through this literature. By giving the right understanding of each idea which forms the fundamental basis of life today; you have exposed polished animalism and brought out and explained ultimate understanding of each word pertaining to its context

To cite an example how you have exposed the masked version of interpretations I take the word (idea); nonviolence, this word (idea) is been interpreted in such a way the entire nation(s) are carried away by the unauthorized interpretations which have caused only violence in the history which contradicts and distorts the plain meaning of the word itself. You explain in the purport of Bhagavad Gita as It Is 13.8.

“Nonviolence is generally taken to mean not killing or destroying the body, but actually nonviolence means not to put others into distress. People, in general, are trapped by ignorance in the material concept of life, and they perpetually suffer material pains. So, unless one elevates people to spiritual knowledge, one is practicing violence. One should try his best to distribute real knowledge to the people, so that they may become enlightened and leave this material entanglement. That is nonviolence.”

This is just one example, but your literature is a plethora of such right understandings. Which can guide the leaders and Human society in whole to the right purpose of life without which it is impossible and a failure to solve real problems through material advancement.

Aspiring to be your servant,

Kamala Paada Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances, all glories to you.

I'm very much privileged to be a part of your wonderful organization that has the potential to conquer the entire planet by injecting the message of Godhead and to give an opportunity to humans to serve the Supreme Lord Sri Krishna. Srila Prabhupada, You have made the process so simple that even a layman like me can take up to God Consciousness. I humbly want to thank you for situating me amidst wonderful devotees who are very sincere in serving your lotus feet.

I would like to list down few events that happened in my life and want to be grateful for.

1. To have given me a very loving and caring authority
2. To get an amazing opportunity to improve my chanting in order to please Nama prabhu by the way he wants (i.e. through soulful Japa modules)
3. Providing shelter in the Temple amidst the pandemic with all safety precautions.

4. Providing opulent Mahaprasadam throughout my Krishna consciousness journey.
5. For providing an opportunity to render devotional service under the guidance of senior devotees.

All these rare things have happened only by your grace. There's no doubt about it.

I am thrilled to hear your nectarian pastimes in different perspectives through many senior devotees of ISKCON Bangalore. It inspires me a lot and also increases my reverence to your divine grace.

When most of the spiritualists in India were just carrying out their reserved understanding of scriptural injunctions, You brought a massive revolution in the society by taking the Sankirtan movement all over the globe with no reservations in terms of class of people.

A sweet pastime that touched my heart to the core: During a morning walk, in Dallas, with your disciples, near a golf course, you asked "what were the men in golf court doing?" when devotees replied that "they're playing golf", you had tears and said "see, how these men are wasting their time, hitting the ball".

This hit me hard and it set a great example to me about how a Pure Vaishnava is *Para dukha dukhi*, A Vaishnava is unhappy to see others suffering. In spite of them being a complete stranger, you still carried your compassion towards the men who were sporting. If this is the level of compassion you have for a random stranger, I can't imagine or estimate the amount of love and care that you would have for your sincere devotees, and I'm overjoyed to be serving such nice and sincere devotees to whom you have showered your compassion on, so that I also get glanced by you.

Also please help me overcome my anarthas that are on my path to serve your mission, I pray to you that I must intensify my surrender towards my authority so that I can break all the barriers that are in my path of serving your mission 24X7. I know I am worthless to ask for such a position, but all I know is that, your mercy is causeless. I used to wonder what the actual meaning of the word "causeless" is, you have answered me by giving the greatest gift of Hare Krishna Mantra, your sublime books and lectures, your wonderful organization and so on

Slowly I began to understand your position as Jagadguru. I can foresee your vision of expanding the Sankirtana movement which will prolong in this Kaliyuga through devotees who are sincerely trying to follow your instructions.

I have heard this statement many times "Prabhupada has built a home where the whole world could stay in". This is an absolute fact.

I, therefore, sincerely request you keep this worthless beggar as a tiny instrument in your mission and that is my goal of life.

Trying to be your servant,

Kamalaksha Krishna Dasa.

Dear Srila Prabhupada,

All glories to you. Please accept my humble obeisances at your lotus feet on this most auspicious appearance day.

*mukam karoti vachalam pangum langhayate girim*

*yat-kripa tam aham vande shri-gurum dina-taranam*

"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns the dumb into eloquent speakers and enables the lame to cross mountains."

Srila Prabhupada, You have given us everything which is required for us to advance in Krishna Consciousness and you have practically shown us by your example. You have established 108 temples worldwide, and have about ten thousand initiated disciples and a congregational following in millions just in 11 years. You were writing and translating up to the last days of

your eighty-one-year stay on earth and gave 80 volumes of books and performed many extraordinary activities to spread this Krishna Consciousness movement.

Srila Prabhupada, it is by your causeless mercy only I came in contact with Krishna Consciousness movement and now somehow or other trying to please you by doing devotional service in the association of devotees @ ISKCON Bangalore, otherwise I was loitering in the streets of Nepal. In *Caitanya-caritamrita (Madhya 22. 107)* it is mention that

*nitya-siddha kṛṣṇa-prema 'sādhya' kabhu naya  
śravaṇādi-śuddha-citte karaye udaya*

Krishna Consciousness is dormant in everyone's heart, and when one comes in contact with devotees, it is awakened. Krishna consciousness is not artificial. Just as a young boy awakens his natural attraction for a young girl in her association, similarly, if one hears about Krishna in the association of devotees, he awakens his dormant Krishna consciousness.

O Gurudeva, you have taught us to take anxiety for Krishna because Krishna anxiety itself is the first-class devotional service. If one becomes anxious like that, then he is perfect. *na labhyate janma-koṭi-sukṛtair* [Cc. Madhya 8.70]. After many, many millions of lives of pious activities one can get such anxiety. This is not so easy, to become anxious for Krishna. We don't think it is like ordinary anxiety. *Koṭi-sukṛtibhi*. If one becomes fully anxious for Krishna, then that is the highest stage of perfection.

Recently I came across one letter which you had written to one of your disciples and is more striking to me. In that you had mentioned “actually, nothing in Krishna consciousness is an accident, but sometimes Krishna will put us into a seemingly unfavorable situation just to help us realize that he is the Controller. In the material world, all these situations are meant for tribulation, but in Krishna consciousness, they are meant for advancement. Kunti Devi is always praying "Let the trouble come again and again, so that I may have the opportunity to surrender to You." So to accept any situation as Krishna's mercy is to advance in spiritual life. You just try your best to serve Lord Krishna, and if any perplexing circumstances arise, just pray to Krishna to give you strength. These bodily relationships are only temporary. Our real relationship is with Krishna. Try to cultivate that.”

Dear Srila Prabhupada, I beg your mercy so that I can always practice Krishna Consciousness in the association of devotees and make me an instrument to push on this divine movement.

Your aspiring disciple,

Kamalasana Dasa.

Dear Srila Prabhupada,

My submissive and humble offering to my beloved Spiritual Master Srila Prabhupada, who is the direct representative of the Supreme Personality of Godhead Lord Kṛṣṇa.

You are so magnanimous and bold to have taken the teachings of Lord Caitanya by traveling in a cargo ship at the ripened age of 70 yrs with only a trunkload of books and successfully spreading Kṛṣṇa consciousness to the western world by building 108 temples and liberating thousands of disciples in just 12 years, thus displaying the purity of a Vaishnava Acharya. Srila Prabhupada, you were born to burn all our sins and take us all back to Yashoda Nandana who has the eyes of sun and moon. You taught us simple living and high thinking and smashed all our bad habits with a masterstroke.

You are the shelter of all the misdirected populace, so please provide me an opportunity to serve your mission like a squirrel and get freed from the pangs of Kali-yuga. You are the role model of the whole world and anybody who follows your cult will not roll back to this material world. You wrote that it is very difficult to live in this material world and it is not the right place for a gentleman. You rightly said that in this age of kali, people will work very hard just to fill their belly and rally towards the aimless destiny entangled with family affairs and social pride. You said that it is very difficult to swim in this

ocean of life and reach the shore and advised us to hold your dhoti tightly (Follow your instructions strictly) so that we reach the sanatana world without a return ticket. By becoming your book reader, the rider of my mind will never cross the divider and is governed always towards the pure consciousness of Kṛṣṇa.

Without you, I am just a tiny ant and with you, I become a huge elephant. You made me relish the higher taste and enriched me towards the enchanting dormant state. Before His departure, Lord Kṛṣṇa told Uddhava that He is present in the Śrīmad-Bhāgavatam likewise your divine grace has assured us that you are living in your books and we can take the benefit of your association without stoppage. The powerful words in your books and lectures cultivated my knowledge of Kṛṣṇa cult and made me surrender to the will of the Supreme Lord as the ultimate goal of human birth, for which I will always be indebted unto your Divine Grace.

Your insignificant servant,  
Kanai Gopal Dasa (Kashiram).

Dear Śrīla Prabhupāda,

Please accept my most humble obeisances at the dust of your lotus feet. All glories to your divine personality, and all glories to your appearance day.

Śrīla Prabhupāda, you appeared on this planet to deliver fallen souls like me from the clutches of deadly Māyā.

I was wandering like an animal in this material world and hankering for sense gratification without knowing the purpose of this human life. So you appeared on this planet the day after the appearance of the Supreme Personality of Godhead, Lord Śrī Kṛṣṇa. Even though You enabled me to purify my senses by engaging me in the different activities and in association and guidance of all the Vaishnavas of your great Society but because of my foolish nature couldn't take it so seriously. This great ISKCON is the only shelter for those who want to be saved from the thrashings of Māyā and in the end go back home, back to Godhead.

Śrīla Prabhupāda, you built a house in which the whole world can live. This house is transcendental and so purifying that no sooner does one enter it, that he is purified. This is only because of your causeless mercy upon fallen souls like me. So this, your Kṛṣṇa consciousness movement, is a very important movement, but I am so dull that I don't take this movement seriously. I am begging for your mercy on this most auspicious day, Śrī Vyāsa-pūjā, so that I can understand the significance of your movement in this lifetime and go to the eternal abode of Lord Śrī Kṛṣṇa, Your causeless mercy can arouse a desire in me to serve your lotus feet by taking this movement very seriously.

In the end, I beg forgiveness from all the Vaishnavas for all my offenses which I committed unto their feet and I fall at your lotus feet and beg for your mercy.

Your unworthy servant,  
Kanhaiya Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine lotus feet.

On your auspicious appearance day, I feel so grateful to you for lifting up from deep ignorance using the torch of knowledge. I remember one of the prayers from Lord Brahma from Srimad Bhagavatam.

*athāpi te deva padāmbuja-dvaya-prasāda-leśānugrḥīta eva hi  
jānāti tattvaṁ bhagavan-mahimno na cānya eko 'pi ciraṁ vicinvan*

“My Lord, if one is favored by even a slight trace of the mercy of Your lotus feet, he can understand the greatness of Your personality. But those who speculate to understand the Supreme Personality of Godhead are unable to know You, even though they continue to study the Vedas for many years.”

You have given the following purport: Lord Kṛṣṇa is very eager to bestow His mercy upon the conditioned living beings, who are uselessly struggling with the Lord's illusory energy, Māyā. The conditioned soul struggles for happiness through sense gratification and for knowledge through mental speculation. Both processes ultimately bring him to a morose and hopeless condition. If the conditioned soul surrenders to the lotus feet of Lord Kṛṣṇa and thus acquires even a trace of His causeless mercy, the whole situation is changed, and the living entity can begin his real life of bliss and knowledge in Kṛṣṇa consciousness.

This very much connects in my life. I was struggling with the Lord's illusory energy and finally, it is only Krishna's mercy that I came in touch with you. After understanding about the weightage of the Vedic culture during the first few months in touch with Krishna consciousness philosophy, I decided that if at all I have to take initiation that should be from you and you only. Like any conditioned soul, I was struggling for happiness and as it is mentioned in the verse, I was searching that happiness through varieties of sense gratification and also for knowledge through mental speculation. I went in search of this knowledge to some organizations but I couldn't find any substance in that. My first touch was when I came in touch with your book, “Teachings of Lord Chaitanya”. When I read that book, I was amazed and I really wondered how so wonderfully Krishna consciousness was presented. Thus you brought all hopes to become happy in my life and I began my journey towards real-life of bliss and knowledge. It is not so easy to pay back you even if I take many lives. I am always indebted to you.

Srila Prabhupada, you know the current pandemic situation which is going on. Initially, when my authority told about the fund situation of the temple, I was worrying so much. But to my surprise, nothing related to Krishna consciousness happiness in terms of prasadam or temple atmosphere fell short. The efforts taken by Madhu Pandit Prabhu, Chanchalapati Prabhu, other senior devotees and other devotees of the temple is making me still fly high in happiness. Although I couldn't live up to the expectation, I could understand the opulence of Krishna in this case as you always pointed out. My hairs stand at the end when I remind these things again and again. Their concern for the devotees' health is simply wonderful. I am so happy and confident that you have kept me under strong leaders. Srila Prabhupada, please give me strength so that I remain faithful to all these leaders under any situation.

Srila Prabhupada, I mentioned last time that I was confused about whether I was doing devotional service according to your satisfaction or not and that still persists in my mind. Whenever it comes to Sadhana, I am trying to follow as much as possible. But when it comes to service, I am also trying my best but really don't know whether I am giving my best or not. I sometimes go mad thinking for long hours on this. Apart from this, there are some general disturbances coming from the mind too which obstructs me to spend quality hours in service. Right now what is stopping me is the quality of service which I am performing. Please help me overcome these struggles. Please give me intelligence and strength to follow my authorities. Please engage me in more services so that my mind does not get deviated and waste my time.

With whatever I understood from the last many years of my Krishna consciousness journey,

Krishna is unlimitedly merciful and patient that even when I fall off track, He lifted me and put me back on track. I have realized His touch in my life. Not only in my life, when I go to the place where I am doing my service, many students fall trap to the atheistic philosophy and even blaspheme Krishna. I wondered how Krishna being the Supreme Lord is so tolerant and able to hear so much from insignificant jivas.

Even though the perfect knowledge is available and a devotee absorbs and practices it, once the craving for any material object comes in his mind, it is very difficult to get out of it. So, the sincerity should be towards the spiritual authorities and not to have any independent thinking. Execute the devotional service as per authorities' thinking and be happy always.

I am trying my best Srila Prabhupada yet I always feel that I cannot match other devotees' sincerity. I am confident that as of now, I have so many sincere devotees around me. The devotees around me are much better than me and they deserve more. I sincerely pray to you that please give all these devotees more strength to take your movement which I always aspire for, to greater heights and keep me as a humble servant to all these devotees without any false egos. Let me not be affected by any social conditions and practice my devotional service as far as possible. With all contaminations, I don't even know whether I deserve to go back to Krishna as you desire, Prabhupad. I pray that let me be sincere to you and the senior devotees as long as I live.

Your humble servant,

Karuna Keshava Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your glorious lotus feet on this auspicious occasion.

Dear Prabhupada, firstly I should thank you for allowing me to continue my Kṛṣṇa consciousness without considering my offences. Dear Srila Prabhupada, Please accept my sincere thanks for the following most valuable gifts given by you,

1. Hare Kṛṣṇa Mahamantra.
2. Kṛṣṇa ashraya satsang.
3. Women's special class.
4. Śrīmad-Bhāgavatam class.
5. Association from Bangalore temple.

Hare Kṛṣṇa Mahamantra:

Dear Srila Prabhupada all these years I was mechanically chanting without touching the real Nama, the most valuable jewels given by you. But you revealed the secret of soulful japa through your dear devotee Madhu Pandit Prabhu just to show the compassion towards a fallen soul like me. The journey of soulful japa itself is joyful. It's really amazing. I have no words to express my gratitude for this compassionate work. Please bless me to be a sincere practitioner of soulful japa. Only by your mercy, I can be successful in anything.

Srila Prabhupada stories:

Dear Srila Prabhupada, Please accept my sincere gratitude and pranams for this wonderful gift of Srila Prabhupada's story. While I am hearing about you from Chanchalapathi Prabhu, I am able to feel your presence and compassion towards the fallen souls. This is really wonderful.

Everything in Kṛṣṇa consciousness is unasked gifts. I am so dull headed I don't know how to utilize this gift properly. Please bless me to utilize this wonderful gift in a proper way without wasting my human form of life. Dear Srila Prabhupada, Please bless me to improve the following devotional aspect:

1. Japa,
2. Reading your books like a school student,
3. Practical devotional service,
4. Book distribution,
5. Strong desire and determination to devotional service.

Dear Srila Prabhupada, I have heard in one of the lecture that if love is there, everything is possible. Please bless me, to have such a loving attitude towards devotional service. My sincere pranams to all the Vaishnavas who are spreading this Kṛṣṇa consciousness movement.

Aspiring to become your servant of servant,

Dear Srila Prabhupada,  
Please accept my humble obeisances!  
All glories to your Divine Grace!

You have mentioned: "Our business to preach, but to practice personally that is our main business. To practice personally, that is our main business." (Room Conversation -June 24, 1976, New Vrindaban).

I speak on the qualities to be developed, but I personally feel it challenging to practice what I preach. I beg for your mercy and guidance to follow what I speak. Out of your compassion you have bestowed your mercy upon this ignorant fool to be engaged in the devotional service to Their Lordships.

I do not have a trace of any Vaishnava quality and am full of faults, weakness and offenses, but you still retain me in your services and continue to reciprocate mercifully with me. I do not know why? It is purely out of compassion for this fallen conditioned soul.

*krsna se tomara, krsna dite para.* Krishna is yours; you have the power to give Him to me. (*Sarangati*)

I humbly pray at your lotus feet, my dear spiritual master, to bestow upon this useless soul to develop attachment and taste for the Nama-prabhu.

In *Prema-bhakti-candrika*, it is said *guru-carane rati, ei se uttama gati, je prasade pure sarva asa*. Attachment to the lotus feet of the spiritual master is the best means of spiritual advancement. By his mercy all desires for spiritual perfection are fulfilled.

I beg that you may please forgive me for all the unlimited offenses I have committed to you.

I also beg all my Godbrothers to forgive me for any offenses I have committed to them, so that I can improve my service to you. Thank you Srila Prabhupada for the wonderful gift of Krishna consciousness.

Your aspiring servant,  
Keshava Balarama Dasa.

Dearest Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

All glories to your Divine Grace whose merciful glance wields like a powerful mace upon nature's menace.

You are the best leader for all the fallen souls like me. You act as the representative of Lord Hari by removing all my qualms in every step of this material life. Your divine association purifies my mind. Your clear-cut instructions pave way for new challenges in my spiritual journey. Your attention protects my whole family. Your affection acts like a silver lining by finding something good in every bad situation. Your appreciation removes all materialistic attachments and arouses my spiritual desires. Your patience upon my lazy attitude has multiplied my love towards you. You are the sculptor of my fate. You have replaced the position of Paramatma in my heart as overseer and permitter, influencing Lord Kṛṣṇa as the transcendental enjoyer and director. You are the blazing sun of Lord Gauranga's mission and cooling moon of every Vaishnava's vision.

In this catastrophe caused by pandemic, people are only talking about Corona, whereas we are able to remember the teachings of the *Parama Karuna*.

I beg you to please transform this caterpillar into a beautiful butterfly by rekindling the fire of meticulous sadhana so that I can be fit to influence your two young soldiers placed under my care.

Thank you Srila Prabhupada for becoming my spiritual father.

Your eternal disciple and aspiring menial servant,

My Dear Srila Prabhupada,

All Glories to Your Divine Grace!

Please accept my humble obeisances at your lotus feet, on this auspicious day of your appearance.

Srila Prabhupada with your causeless mercy and compassion on conditioned souls, you have made your valuable appearance to save the conditioned souls from the cycle of birth and death and send us everyone back to home, back to Godhead.

I was not aware until I came in contact with your transcendental books (which is the torchlight of real knowledge) and devotees (Dedicated Real spiritual soldiers of Sankirtan Movement of Sri Chaintanya Mahaprabhu) of ISKCON, that I am actually in the cycle of birth and death, by your causeless mercy which was bestowed upon me, the most fallen and insignificant soul, made me aware through the teachings of your books what is the real constitutional position of the conditioned soul, who I am, why I am suffering, how I can mitigate my permanent sufferings of life.

Srila Prabhupada, your only mission and vision is to take all the conditioned souls back to Goloka Vrindavan, the eternal spiritual world, the world which is full of knowledge, bliss and eternity and place them all in the actual position as an eternal servant of Sri Sri Radha Krishna chandra.

Srila Prabhupada, you have very mercifully given all the blessings through transcendental literature in the form of your books, by devotee association, by your temples, by engaging oneself in Kirtan, by offerings to Deities, by honouring Krishna prasadam, one can easily cultivate and prepare oneself sufficient fit in achieving the supreme destination without any doubt. But I am so fallen I cannot even follow the simple process given to me every day.

I am always praying and paying humble obeisances to your lotus feet, my Dear Guru Maharaja, Srila Prabhupada, please engage me in your service and bless me and hold my hands tightly to make me cross the material ocean and transfer me to the eternal home and engage me in the eternal service of Your Divine Grace and Lord Gauranga.

I remember that, in one of the videos, Srila Prabhupada you have told that you have seen your spiritual master only few countable times in your lifetime, but you have followed the instructions very strictly given to you by Srila Bhaktisiddhanta Saraswati Thakur Maharaj, this was very inspiring to me, please shower your mercy on me to receive required strength to serve you just like how you served your Guru Maharaj.

I have never heard and seen before until I have seen the last minute heart touching video, you are translating and providing purports and your disciples were recording, this shows your determination, please bless me with the required determination to follow your instructions to the core of my heart.

My Dearest Gurudev, You are the only hope to me, please bestow your causeless mercy which enables sufficient strength to follow all the rules and regulations (chanting 16 rounds, 4 regulative principles rigidly) so that I will not be lost in unfavorable strong waves of material desires created by Maya.

Aspiring to be always a dust particle at Your Divine Grace's lotus feet, All Glories to Your Divine Grace and Lord Gauranga,  
Your insignificant, useless, fallen servant,  
Kripalu Keshava Dasa.

Jai Srila Prabhupada!

All glories to jagad-guru Srila Prabhupada. Please accept my humble obeisances at your lotus feet.

As you may already know, I've been struggling with my senses and unwanted material desires. Again and again I just fall and become a better *kalira chela*. But yes, I am still trying to be Vaishnava's *chela* and still trying to become a human being engaged in devotional activities.

My main purpose in writing to you is to get some mercy from Your Divine Grace. Please bless me to serve your disciples by recording, arranging *kirtana* songs as I have some skills. But due to my situations and procrastination habits am unable to complete any given projects. As I understand these are transcendental engagements, I fail to complete them mostly because I'm not qualified to do this even though I have the skills and resources. But I feel very engaged with such projects. Therefore I request you to please help me to stay clean with four regulative principles and chant with little lesser offenses. Please help me to take shelter of the holy name and your lotus feet.

I don't want to waste your precious time by writing longer, but please, I don't have any other hope than Your Divine Grace.  
Yours absolutely unworthy,  
Krishna Krida Dasa.

Dear Srila Prabhupada,  
Please accept my humble obeisance. All glories onto you.

Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities.

As I sing this every day, I'm amazed by your compassionate quality, you have bestowed upon the fallen souls like me. Thank you Prabhupada.

"By the mercy of the spiritual master one receives the benediction of Kṛṣṇa. Without the grace of the spiritual master, one cannot make any advancement."

*yasya prasādād bhagavat-prasādo*

*yasyāprasādān na gatiḥ kuto 'pi*

It's by your mercy that I have been engaged in the devotional service to Krishna, Thank you Srila Prabhupada. As I have understood from your teachings, the goal of Krishna Consciousness is to sincerely please the authorities by which one could make advancement. Please bestow a particle of sincerity & intelligence quality upon me, who is bereft of it. When a devotee is in great danger, he sees that danger to be the great mercy of the Lord because it is an opportunity to think of the Lord very sincerely and with undiverted attention. We can see this to be true from the example of Gajendra, who anxiously prayed to the Lord and thus received an immediate chance to return home, back to Godhead.

I pray unto you, whatever situation I'm in, let me always remember You & Krishna.

Last year by your grace & by the blessings of your representatives I was engaged to personally bath their Lordship's on the day of Janmashtami & to engage many young members on the occasion, this is just your lila in the kali yuga to engage the fallen souls in the service of the Lord. Thank you Srila Prabhupada.

Just like Lord Krishna lifted Govardhan hill & gave protection to all residence of Vrindavan beneath the Govardhan hill, likewise, this year during lockdown you have given shelter. Thank you Srila Prabhupada.

I pray unto you to bestow your blessing unto your representatives who are tirelessly endeavoring to expand the Krishna Consciousness movement.

All glories unto you Prabhupada!

Your servant,  
Krishna Madhav Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto the dust of your lotus feet and all glories to Your Divine Grace. Srila Prabhupada! By your blessings and special mercy, we are able to distribute Krishna prasadam daily for about 120 peoples in Vrindavan dham. This is really a great service that you have given to me. As you mentioned in one of your letters that "If we distribute our Prasadam, our literature, try to sell our books and other literature and go on playing our records and sell them, I think that will be proper utilization of our Krishna Conscious energy". Thank you Prabhupada and please bless me to increase this service more and more.

Srila Prabhupada! Just by your causeless mercy and your blessings, I am trying my level best to train my son 'Charukesh' to take up Krishna consciousness and making him to surrender to Krishna. As you said in SB 6.4.44 "If one begets children with the purpose of training them to surrender to Kṛṣṇa, fatherhood is very good and if one endeavor in this line of service, Krishna will be very much pleased and will shower His blessing more and more.". Prabhupada, please also bless him to take initiation and become your disciple to spread Krishna Consciousness by practice and preaching.

Srila Prabhupada! We all know that we have to repay you for your outstanding work on Bhagavad-gita, Srimad Bhagavatam & Chaitanya Charitamrita. Nobody can give such commentary as you did with very nice common knowingly examples by which every conditional soul will get liberated by just following them.

Srila Prabhupada! We need your blessings to read, understand and practice the Krishna Consciousness as per your instructions and also please bless us that we as a family never fall down again by the attack of Maya like it has been observed that total GBC team (direct disciples of you) which you have nominated has totally collapsed due to their own faults and their attraction to the Maya outside.

Srila Prabhupada! I am begging at your lotus feet please bless us to be associate with great Vaishnavas who are really on the path of KC (without looking for their fame or worldly desires) and sincerely serving them, you and the Lord. With your blessings, my father & mother are chanting every day 16 rounds, and also please bless all of us to increase more spirituality and spreading Krishna Consciousness to Grihastas by organizing preaching programs.

Your humble servant,

Dear Gurudeva,

Please accept my humble obeisance. All glories unto you.

This past one year was very special in terms of how the whole year went about Prabhupada. Be it organizing a Ravana-dahana event on a mass gathering for the first time in this city, or be it the descending of Lord Jagannatha Baladeva Subhadra-devi from their Vaikuntha *dhama*, stepping outside after their appearance on that land, or be it the explosion of online marketing and video streaming platforms from temple, or be it the handling of Corona virus and lock-downs. These last twelve months were something different from the previous calendar years. Such wide range of activities our movement witnessed which I came across somewhere that “the movements of persons completely surrendered to the guru and Kṛṣṇa cannot be understood by such speculative methods”. It is a fact that the Absolute Truth, Supreme Personality of Godhead, cannot be known by the material argument or sensual inspection, and similarly the servant of the Absolute Truth can never be known by any means except devotion (*bhaktya mam abhijanati* [Bg. 18.55]).

*yanra citte krsna-prema karaye udaya  
tanra vakya, kriya, mudra vijneha na bujhaya*

"Even the most learned man cannot understand the words, activities and symptoms of a person situated in love of Godhead. (*Caitanya-caritamṛta, Madhya-lila 23.29*)

It is almost four months since the temple was closed to public since the new pandemic surfaced up, which is spreading at lightning speed among all the class of people. Just a small insignificant living entity, not even visible to naked eyes, is creating havoc all over the world both medically and financially. But from Krishna conscious point of view, this was a blessing in disguise I feel Prabhupada. Despite the fact that people are struggling, this whole pandemic has made people realize the importance of being oneself, spending time with their near and dear ones, giving due respect to other living entities, importance of nature, ancient Vedic wisdom such as Ayurveda, etc. Even among devotees it has made lot of transformations such as spending their quality time with the Nama-prabhu (under the guidance of our senior devotees, meditating on your instructions more deeply, better *sadhana*, etc.).

These times which we are passing through are very turbulent, Srila Prabhupada, just like your ocean crossing to America, undertaken to fulfill the order of your spiritual master, Srila Bhaktisiddhanta Sarasvati Thakura. Despite the turmoil of your sea journey, you felt the constant presence of your Guru Maharaja, and you took solace in reading *Caitanya-caritamṛta*. In the same way, I feel your constant presence, for you are like an expert captain constantly guiding me through all of life's trying experiences, through thick and thin—my ever-present preceptor and dearest friend.

“Human life is meant for God realization, and the human being is given higher intelligence for this purpose. Those who believe that this higher intelligence is meant to attain a higher state should follow the instructions of the Vedic literatures. By taking such instructions from higher authorities, one can actually become situated in perfect knowledge and give real meaning to life.” (The Nectar of Instruction, Text 2, purport)

I like this phrase very much, that “one can actually become situated in perfect knowledge and give real meaning to life.” Beyond theoretical acceptance, you are assuring us that one can attain this superb stage of life, in which our very existence is a manifestation of your transcendental wisdom. I pray for your mercy, Srila Prabhupada, to continue to strive tirelessly for continued progress toward that perfection.

Today we celebrate your 124th Vyasa-puja ceremony, a function you taught us the meaning of and personally instructed us how to perform.

In order to be someone’s representative, one must share the same faith, experience, and realization. “Sri Vyasadeva is the original spiritual preceptor for all men. And all other preceptors are considered to be his representatives. A representative is one who can exactly present the viewpoint of Sri Vyasadeva.” (*Srimad-Bhagavatam* 1.1.5 purport)

Out of his compassion for the fallen living entities, Srila Vyasadeva compiled the *Srimad-Bhagavatam*:

*anarthopasamam saksad bhakti-yogam adhoksaje  
lokasyajanato vidvams cakre satvata-samhitam*

“The material miseries of the living entity, which are superfluous to him, can be directly mitigated by the linking process of devotional service. But the mass of people do not know this, and therefore the learned Vyasadeva compiled this Vedic literature, which is in relation to the Supreme Truth.” (*Srimad-Bhagavatam* 1.7.6)

The faith and experience that inspired Srila Vyasadeva to give the world *Srimad-Bhagavatam* are rooted in his spiritual vision, described in *Srimad-Bhagavatam* 1.7.3–8. You have described his meditative trance as follows:

Srila Vyasadeva saw the all-perfect Personality of Godhead. This statement suggests that the complete unit of the Personality of Godhead includes His parts and parcels also. He saw, therefore, His different energies, namely the internal energy, the marginal energy and the external energy. He also saw His different plenary portions and parts of the plenary portions, namely His different incarnations also, and he specifically observed the unwanted miseries of the conditioned souls, who are bewildered by the external energy. And at last he saw the remedial measure for the conditioned souls, namely, the process of devotional service. (*Srimad-Bhagavatam* 1.7.6 purport)

You too have acted out of intense compassion for the fallen living entities. Traveling to America at such an advanced age and tirelessly translating the *Srimad-Bhagavatam* provide ample evidence of your compassion. Similarly, the faith and experience that inspired you are rooted in your spiritual vision, a meditative trance remarkably similar to that of Srila Vyasadeva. It is because you share the same faith, experience, and realizations as Srila Vyasadeva that you are his true representative.

Therefore it is very much appropriate sentiment that I offer you Vyasa-puja. Please accept my offering, presented in the manner taught to me by you, “with all the humility at my command.”

Your servant,  
Ksheerabdhi Shayana Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. Srila Prabhupada, by your Divine Grace and causeless mercy my Prabhu and I were able to take initiation and officially accept you as our Spiritual Master. I am very thankful to you for being blessed with a Kṛṣṇa conscious family where I have got a wonderful opportunity to dovetail my family, career, and spiritual commitments. Srila Prabhupada, thank you so much for keeping me in the association of devotees which has helped in constantly reminding me of the real purpose of my life, though I have an uncontrolled mind that compels me to deviate from Kṛṣṇa consciousness. Srila Prabhupada, my Prabhu and I are trying hard to have a child who can be one of your humble disciples by your causeless mercy. Please bless us with a child who can serve your mission and be your eternal servant.

The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities.

Your instructions are saving grace for us in this material world. You have painstakingly written so many books and gave us divine knowledge. Millions of people are getting benefitted through your books and becoming devotees. Only you can do this. I always desire your personal association Prabhupad. This desire is becoming stronger and stronger as I hear your engrossing pastimes. I can understand that your Vani is not different than you. If we live by your instructions, you are always with us every moment.

Prabhupada: There are two things: life or death. So if I die, where is the wrong? And if there is death, that is natural.

Jayapataka: For you, Śrīla Prabhupāda, to be alive or to die is no different because you are in the transcendental position, but for us, when you leave the body then we are bereft of your association. So for us, it is very unfortunate.

Prabhupada: You live by my words, by my training. Mm. (Room Conversation 1 -- November 10, 1977, Vrndavana

There is no way we can pay back for giving an opportunity to complete our spiritual journey. But I am sure you will be pleased if I make spiritual advancement. Please bestow your causeless mercy to follow your instruction sincerely, seriously, and more vigorously than ever. Please use me in your mission as you desire. *prati-janme kori āśā caraṇera dhūli* , I desire the dust of your holy feet in every birth I may take.

On this auspicious day of your divine appearance please bless this not so serious servant attached to your lotus feet ever and please forgive me for the offenses I have committed to Vaishnavas knowingly or unknowingly.

Hare Krishna.

My Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto your Divine Grace.

It's been almost a year since your Divine Grace has accepted me by your causeless mercy, as your disciple. I'm eternally indebted to your Divine Grace. Thank you for saving me from becoming a disciple of some ISKCON unauthorized gurus.

As I'm writing this offering, I realize one more year of my human life has gone without doing intense devotional service. Chanting 16 rounds and following 4 regulative principles have become regular routine to be followed rather than pure devotional service to be done with full enthusiasm and vigor. Without your Grace, it is impossible. Please bestow a drop of your mercy so that I may resume my sadhana with utsaha, nischaya and dhairya.

This year material nature has been slapping everyone to the reality of material existence – full of misery and temporary. As this Covid-19 Pandemic hits, I realized how much I'm attached to material life and making all the plans to settle down here comfortably - everything to be baffled by one single slap of Maya.

The words spoken and written by your Divine Grace give so much solace to the heart full of fear and apprehension. I want to take complete shelter at your Lotus feet (Abhayacharanaravinda) and do my Sadhana bhakti with a full heart.

I thank you for giving me an opportunity to serve your disciple and devotee association so that I may not fall down.

Due to my past conditionings, there is so much hankering to be independent. When my mind was wandering over this, suddenly your words hit hard on the mind. You explained to one of your disciples who also wants to be independent and asked– why I cannot be independent. You explained “the street dog is independent, it doesn't have a master, his life is miserable whereas a dog who has master enjoys all the luxuries that a master has” so what do you want to be? It was like you are asking me – why you want to be independent.

I don't want to be independent. I always want to be under your discipline and protection. I want to be your dog, not just a dog but an obedient dog. Please accept me as your dog and give me the strength to always remain your dog. That is my sincere prayer at your lotus feet. Again and again, thank you so much for bestowing your causeless mercy upon me.

Trying to be your humble and obedient servant,

Lilavati Devi Dasi.

Hare Krishna

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you and your lotus feet!!

Although it is impossible to glorify a Vaishnava to the fullest extent, by your grace's mercy I'm offering a heartfelt homage unto you. Srila Prabhupada I have learned many qualities such as tolerance, humility. Srila Prabhupada although the scriptures are very vast and apaurusheya, which were created by no one they are ever-existing as the supreme Lord. In the age of Kali, we are all ever lazy, dumb (manda, sumanda matayoh), we are very unfortunate (manda bhagya), to follow scriptures and authorised process is very difficult. For our own benefit you made it very sublime and easy. As the scriptures are meant for highly intelligent, qualified people. And we are unable to understand those.

Srila Prabhupada, you gave very basic instructions, still we are unable to follow day to day as it is, that's why we have to hold on to your lotus feet as your grace mentioned in your letter, to go back to Godhead. That connection is the authorities and temple President. We are very fortunate to have this system.

Whole world is full of people who are after material gain (we cannot believe other materially motivated spiritualists, those who are interested only in money, fame, power, donations and followers). So we have this privilege to follow your divine grace's true servant, Sriman MPP. Pure devotee is a person who is anyaabhilashitah shunyah, our temple president is truly anyabhilashitah shunyah, who took personal inconveniences to give your divine grace to all of us.

As we are nearing to Vyasa Pooja, it is a small token of my personal experiences that I would like to confess & offer unto you. It's hard to express in words about my learnings, I am not qualified enough to glorify your glories, your institution provide everything which saves sadhaka's time in hardship of attaining these things, instead one can focus on spiritual life and service. It's true vasidaiva kutumbakam.

We are all manda sumanda matayoh, on top we are manda bhagya too, and so I depended on your causeless mercy.

However, with my humblest experience & with a full heart I would like to share that I am so very fortunate to be in this institution which is non-different from you. It's been possible because of you that the attraction towards NAMA is increased. I understood the importance of NAMA because of listening to you and your direct representatives. Soulful Japa is technically, scientifically presented which likes even the minds of a manda. Truly a sublime program.!

Waiting for your mercy,

Lokamangala Krsna Dasa.

Dear Srila Prabhupada,

"I offer my respectful obeisances unto your lotus feet, who is very dear to Lord Krishna, having taken shelter at His lotus feet. O spiritual master, servant of Bhaktisiddhanta Sarasvati Gosvami. You are kindly preaching the message of Lord Caitanya deva and delivering the whole world which is filled with impersonalism and voidism."

I'm your humble servant Madhava Chaitanya Dasa. If I'm in devotion service till date than it is only due to your causeless mercy Srila Prabhupada. The last couple of years were challenging to me due to the impact of health. I had to struggle myself to complete my daily 16 rounds of japa. Your daily quotes and books were keeping me inspired to continue my devotional life and chant the holy name. I'm in a confused state about my personal life whether to get married or stay single. Kindly, guide me and give me direction to lead my future life.

This year entire world is struggling due to Corona Virus attack. This deadly virus has not left even devotees. In these worst situations as well, we devotees of ISKCON Bangalore and group of temples under your shelter able to practice devotional service and chanting the holy name of Lord without any difficulties. I'm very much thankful to you Srila Prabhupada for inspiring Sri Madhu pandit Prabhu to talk on advanced topics like soulful japa sessions during this lockdown period. The soulful japa sessions are helping me improve my daily japa and get a deep understanding about the holy name which otherwise would not be possible.

In this Kali-yuga only way to remain happy is chanting the holy name of the Lord. I'm aware of this fact still my mind goes behind material objects. Srila Prabhupada please help me in concentrating my mind on the holy name and loving devotion to Lord Krishna. The devotional service to Lord Krishna frees one from 3-fold miseries of the material world but still my senses engage in service of Maya. Srila Prabhupada kindly, engage me and my senses in your service.

Srila Prabhupada it is very difficult to describe your teachings and love for all the devotees. Your love is like a sky where there is no measurement conventions by mathematics. Your love and causeless mercy is keeping me in Krishna Consciousness.

Kindly, keep your mercy on this fallen soul and direct me within on daily basis.

Your servant,

Madhava Chaitanya Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance's, All glories to Srila Prabhupada!

In Srimad Bhagavatam, the sages of Naimiṣāraṇya says...

*tvam naḥ sandarśito dhātrā dustaram nistitīrṣatām*

*kalim sattva-haram puṁsām karṇa-dhāra ivārṇavam*

We think that we have met Your Goodness by the will of providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being.

In one of your wonderful pastimes with disciples, as a captain of the ship, you have been guiding the 3 couples Mukunda prabhu & Janaki mataji, Guru Das & Yamuna mataji and Shyamasundar prabhu & Malati mataji to open a center in London. They were completely new, inexperienced, and opening a new temple at a new place is challenging. You have been always encouraging and guiding them like a spiritual father.

In the same way, when my mother is sick, I had been to my home town and during this time coronavirus pandemic was rampant across the world. There is a lockdown for a month across the country and I was stuck at my home. I was completely confused, how do I reach back to temple. The temple authorities advised me to take a vehicle and reach Hyderabad immediately. Till late night I have been trying through many travelers to reach Hyderabad and then to Bangalore, but I couldn't succeed that night due to inter-state border lockdown.

Next day early morning, fortunately one cab person agreed to drop me at Hyderabad. As I took the ride to Hyderabad, there were obstacles due to inter-state border lockdown. The border police were not allowing any vehicle to pass/cross the border.

We pleaded them, but they were reluctant. I had no hope that I would cross the border and informed the same to temple authorities. They advised me to go back home and stay safe. As I was returning back home, the driver stopped at one point and trying to see other possible options to cross the border. There was a small mud road, which was connecting to a village, luckily this road was open, but during the day time, even this road was locked. So, we took this route to see if we can try to cross the border, as in the village the police aren't strict.

As we were traveling... traveling... in the village route, by Krishna's blessings we crossed the state border and headed towards Hyderabad. As we continued our journey, there were many obstacles again in the check posts by the police...we tried to escape them at all the check posts and finally reached Hyderabad airport for Bangalore.

As I reached Bangalore and heading towards the temple, I was contemplating and bewildered.. I had no hope that I would reach Bangalore temple in this lockdown due to pandemic, which is contagious and infectious.

Srila Prabhupada, you have been always been a savior... although I had no hope that I would reach back to Bangalore, but you have pulled me at your shelter and guided me to take village route. You have been always a guide and savior in all circumstances, at all times, in all places like a captain.

Thank you Srila Prabhupada.

Your most fallen servant,

Madhava Hari Dasa.

om ajnana-timirandhasya jnananjana-salakaya  
caksur unmilitam yena tasmai sri-gurave namah

Dear Srila Prabhupada,

Please accept the humble obeisances at your lotus feet from this fallen soul. I beg for your mercy and blessings again and again which is keeping me alive and pumping life air into this fallen soul to practice Krishna consciousness. Even to offer Vyasa puja, I need your blessings as my mind goes blank thinking how I can put my feelings into words as I'm incapable of glorifying your divine grace. Only thing I can do is to repeat your words to glorify you as one takes water from Ganges and offer the same water back into it.

Recently while I was hearing your BG lecture, I came across a wonderful explanation on why we need Guru? You say "So all of a sudden to transfer the attachment to Kṛṣṇa and give up our all attachment for this material world, that is called renounced order of life. But Kṛṣṇa says, "You do this," but it is not so easy. It is not so easy. Therefore we have to go to the person... *Tad-vijñānārtham sa gurum eva abhigacchet* [MU 1.2.12]. This is the śāst..., Vedic injunction, that in order to learn that art, how to transfer your attachment to Kṛṣṇa, you must approach to guru. He will teach you. So this Kṛṣṇa consciousness movement means that we are teaching people how to give up this material attachment and become attached to Kṛṣṇa. Attachment cannot be given up. That is not possible. Attachment should be purified. That is wanted." These nectarine words made me feel how fortunate I'm to get your mercy to transfer my attachment from the material life to Krishna with your expert guidance through your words, books, and authorities. All glories to your divine grace for accepting me as your disciple even though I'm highly unqualified.

It's been almost 9 months that I'm away from my dearest home, the Vaikunta on this earthly planet HK hill. I miss the devotees association, Their Lordships beautiful darshan, prasadam, kirtan services and many more things. Please bless me and help me to prepare my mind to somehow eternally take shelter of your lotus feet.

I really thank you from the bottom of my heart for your causeless, unlimited and unconditional mercy for helping me associate with you through your nectarian lectures, books and your representatives' constant guidance to keep me in Krishna consciousness even though I'm far away.

From the past a few months, one realization by your mercy is helping me understand the futility of this material world. I keep thinking even if a person wants to live and enjoy next 30 years it's just 10 thousand days. On top of that, body won't remain young throughout. It's the real illusion if one thinks he can enjoy this body and this material world. This brings me sometimes on spiritual track whenever I think I can or want to enjoy this material world. The question raises how long?

Srila Prabhupada I'm eternally obliged to you. Please bless me to serve you always at any state of mind, place, time, circumstances, and situations.

Your eternally unqualified servant,  
Madhura Nimai Dasa.

Dear Srila Prabhupada,

Kindly accept my respectful obeisances at your lotus feet. How much ever I glorify your activities that is not sufficient enough. Within 10 years you did so much and created a miracle in the world, but I am, being in the movement for the past 13 years, unable to develop the good qualities and give proper respect to Vaishnavas. Fools and rascals like me you have brought into this movement and gave the good opportunity to serve the Supreme Lord Kṛṣṇa.

I never expected that I will come in contact with this Kṛṣṇa consciousness movement. You are so merciful and compassionate to me. I am so grateful to you, I never forget this gift in my life. I am trying to follow your instructions properly but sometimes I feel I am not qualified to be in the movement. Please guide me in every step in this perplexing condition.

Hare Kṛṣṇa,

Our dear loving Spiritual Master A.C Bhaktivedanta Swami Prabhupada,

Please accept my most humble and prostrated obeisances unto the dust of your lotus feet on this glorious day of your 124<sup>th</sup> Appearance Day. Although we are not qualified enough to glorify you, because of you, your disciples, ISKCON Bangalore and its devotee's causeless mercy, fallen souls like us can make an attempt to glorify you.

At present due to the COVID pandemic, we were in lockdown at our homes, but by the mercy of your pure devotees of ISKCON Bangalore who made it a very blissful lockdown by broadcasting various programs through different means of social media like topics from Srimad Bhagavad Gita by His Holiness Stoka Krishna Maharaj, Srila Prabhupada stories by His Grace Chanchalpathi Prabhu, Pastimes of Sri Chaithanya Mahaprabhu by His Grace Vasudev Keshav Prabhu, and last but not the least especially “ The Soulful Japa Sessions “ by His Grace Madhu Pandit Prabhu, changed the way we were chanting the Hare Krishna Mahamantra altogether for good. It's a blissful, faithful, merciful, delightful, peaceful, loving experience with full of bhakti that was taught to us to be practiced to Nāma Prabhu all our lifetime.

What impressed us the most is Krishna Himself speaks to Arjuna about his Nāma being the greatest which is quoted from Adi Purana by Srila Sanatana Goswami in Hari Bhakti Vilasa 11-465-469 told by your pure devotee Madhu Pandit Prabhu in Soulful Japa session as follows.

There is no knowledge equal to my Nāma. No vow is equal to My Nāma. No meditation is like Nāma. No result is like Nāma.

No renunciation is like my Nāma. No peace like my Nāma. No piety is like my Nāma. No goal of life is like my Nāma.

My Nāma is supreme liberation. My Nāma is the Supreme goal. My Nāma the topmost place. My Nāma is the Supreme abode.

My Nāma is Supreme devotion. My Nāma is the Supreme thought. My Nāma is Supreme happiness. My Nāma is Supreme meditation.

My Nāma is the life of all living entities. My Nāma is the Supreme Lord and Master. My Nāma is the supreme object of worship. My Nāma is the supreme guru.

To conclude, the chanting of the Nāma is everything, and Kṛṣṇa consciousness starts with chanting and also ends with soulful chanting.

To know about the importance of chanting, Srila Prabhupada asked a few devotees who were with him, “*Why do you think I wrote all these books?*”

Devotees gave different reasons. Someone said, “*You wrote these books to tell us about the philosophy of Kṛṣṇa, philosophy of Gita*”.

Prabhupada said, “*No.*”

Someone else said, “*Prabhupada, you wanted to teach us about bhakti.*”

Prabhupada said, “*No.*”

Like this, the devotees were giving different reasons.

Somehow Prabhupada was not satisfied. He said I wrote all these books to convince you to chant Hare Kṛṣṇa. Chanting the Hare Kṛṣṇa mantra is so important. The Lord's avatar in this yuga is in the form of the Holy Name. So Srila Prabhupada wanted us to chant the holy name.

*Hare Kṛṣṇa, Hare Kṛṣṇa, Kṛṣṇa Kṛṣṇa, Hare Hare  
Hare Rāma, Hare Rāma, Rāma Rāma, Hare Hare*

My dear Spiritual Master Srila Prabhupada always keep us in the association of your pure devotees and also in their services, life after life as they are very dear to you and Sri Sri Radha Krishnachandra, as they have got your unlimited blessings so as to bless us to chant offenselessly and soulfully as taught to us in the Soulful Japa Sessions.

We, again and again, offer our respectful obeisances unto the dust of your lotus feet and also pray to be an eternal servant of yourself and your pure devotees.

Your most insignificant unworthy fallen servant, always starving for your, ISKCON Bangalore and your pure devotee's mercy.

Your servant,  
Mahabhadra Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to Your Divine Grace!

Vision 2020! This phrase was most heard of while I was growing up. It was a promise made by the erstwhile government of a glorious future of an Incredible India by 2020! The government declared that India would be a 'developed nation', much like the Western countries, such as the USA, fulfilling the 'Great American Dream' many Indian youth foster while pursuing their college education. While the year 2020 has indeed arrived, many Indians are thankful that we have actually not caught up with the Americans, at least in terms of the number of the COVID-19 cases, though the American president Donald Trump just declared India to be a 'developed nation' now.

While the world reels in the COVID-19 chaos and everyone is thinking 2020 is jinxed, here we are, a tiny group, that is most fortunate to be under the shelter of Your Divine Grace, nestled in the premises of your house, the Hare Krishna Hill, 67 feet above the city's mundane world. The 2020 year is indeed special and memorable to me and my spouse, for we are one of the very few recipients of your special mercy. While no other householders got this opportunity, we have been fortunate to reside here at the temple premises since March 23, for the last five months. Having recognized how weak, especially I am in my *sadhana*, you have bestowed your special mercy upon me, allowing me to not only attend the daily *sadhana* but also monitor the live online program, to enable my other godbrothers and godsisters to participate in the program from their confinements at home. What a blessing for this wretched soul!

In these last few months, I have relished living in the community and received the mercy and love of my senior godbrothers, and godsisters, and learnt to 'swim' in the training pool, so I learn how to relate with other Vaishnavas when eventually one day I get to the spiritual world in the company of Kṛṣṇa and you.

I thank you also for bestowing us with readymade nectar of Soulful Japa, which was received by your sincere disciple Sri Madhu Pandit Prabhu, after years of *Tapasya*, in such an easily understandable and readily applicable manner. I am also grateful for the multiple spiritual sessions filled with realizations that have been bestowed upon us by our senior godbrothers such as Chanchalapati Prabhu, Stoka Krishna Maharaj, Jai Chaitanya Prabhu, Vasudev Keshav Prabhu, Sridham Krishna Prabhu, and others, which we are sharing with the world outside via the YouTube and other online media.

We have also been immensely blessed to witness the special miracle of Lord Jagannatha, making the impossible into transcendently possible and sweet for His devotees. It is only because of your mercy that Jagannath decided to bestow His darshan to only the residents of Hare Krishna hill with the special opportunity of receiving Him and His transcendental siblings Baladev and Subhadra and pulling Their chariot upon our hill, and staying with us and receiving our worship and services for one week! We had also the great fortune to see them off, by pulling their chariot down the hill and then carry

Your Divine Grace back up the hill on the same chariot! This especially sweet *lila* of Jagannath for only us, a handful of devotees made me ecstatic and wondering how could I, such a sinful and wretched candidate get this mercy. I can safely conclude that it is nothing but only due to your constant causeless mercy upon me.

Besides all this special mercy, I must beg to confess that you have also not missed giving me one extra special mercy too. An opportunity to relish the transcendental nectarean Rajbhog prasadam every day, which has never been possible before. Of course, I keep reminding myself to restrain myself considering the calories I am putting inside this body which is your property. I also thank you for bestowing your special mercy on my spouse to engage in cooking for Their Lordships daily.

Please bless me and enable me to live up to the standards required to reach out your message of Kṛṣṇa consciousness to the entire world with this age's advanced online communication. I have been assigned services under the E-Presence department which is in effect the Deity Worship, Book Distribution and Sankirtana in the post-COVID-19 world. Please bless me to be able to render productive service in this regard and be instrumental in carrying your message effectively and efficiently to the entire population of the world.

We pray again and again unto your lotus feet to continue bestowing this special mercy upon us and help us to engage ourselves completely with body, mind, and intelligence, and our very self in your eternal devotional service, although we are completely underserving for such mercy.

I beg to remain,

Your eternal servant and insignificant disciple,  
Mahotsaha Chaitanya Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

One more year has passed in ISKCON, I am trying my best to keep myself engaged in your service although I am unworthy & incompetent to offer any meaningful service unto your lotus feet. As years pass by, I do not know whether I am developing the required Vaishnava qualities as expected by you from all your disciples & followers. Even though externally I try to pose as a devotee, internally I am afflicted with all the qualities of a conditioned soul such as anger, material desires, envy, false ego, etc. Day & night I am harassed by these enemies and I find no hope to release myself from them.

But I have unflinching faith that if I persistently engage in your service & serve your mission, by your grace I would be freed from all these disturbances created by these anarthas of my heart. By constantly associating with the words of your Divine Grace, one can externally and internally be cleansed of all contaminations. Service to your lotus feet is the saving grace to protect oneself from all the tribulations of the material existence.

Dear Srila Prabhupada kindly give me the will power by which I remain neutral to all material dualities. I remain unaffected by bodily pleasures & pains, fame & defame, etc. Please bestow upon me the qualities of tolerance & forbearance to bear all the bodily inconveniences. Let me not be affected by any bodily or mental dualities & remain steadfast in your service.

In all circumstances to remain engaged in your service, to follow your instructions, to remain connected with your words is the greatest pleasure in this world. Your service is the antiseptic for all material contaminations & protection from all dangers of the material world.

Srila Prabhupada kindly bless me with the seva & constant remembrance of your lotus feet in my heart.

Your menial servant,  
Meghashyam Dasa,  
ISKCON Bangalore.

My Dear Srila Prabhupad,

I beg to offer my most fallen obeisances at your lotus feet.

om ajnana-timirandhasya jnananjana-salakaya cakshur unmilitam yena tasmai sri-gurave namah

Every year when I start writing my Vyasapuja offering for you I run out of words and do not understand from where do I start since your mercy is what I'm made up of.

Srila Prabhupad, I have heard from devotees that if you do not know how to offer prayers or glorify the spiritual master you should simply repeat the prayers and glorifications offered by Acharyas or pure devotees and I am one among them who do not really know how to offer a prayer or glorify my spiritual master still.

On this most auspicious day being your divine appearance, I am humbly trying to present a small token of appreciation of your transcendental qualities, which are as deep as an ocean. Just as Lord Ananta Sesha could not still finish describing the unfathomable qualities of Lord Krishna with his many thousands of mouths spread through his many thousands of his hoods until date, similarly I too find it impossible to come to the end of your exalted qualities.

Your qualities are so magnanimous that so many tried to imitate but only to prove themselves as utter failures. This is in fact a privilege for me to glorify you to my hearts' content as by doing so I will for sure be purified.

As stated in Srimad Bhagvatam "This human form of the body is a most valuable boat, and the spiritual master is the captain, *guru-karṇadhāram*, to guide the boat in plying across the ocean of nescience. The instruction of Kṛṣṇa is a favorable breeze. One must use all these facilities to cross over the ocean of nescience. Since the spiritual master is the captain, one must serve the spiritual master very sincerely so that by his mercy one will be able to get the mercy of the Supreme Lord.

A significant word here is *acyuta-balaḥ*. The spiritual master is certainly very merciful to his disciples, and consequently by satisfying him a devotee gets strength from the Supreme Personality of Godhead. Śrī Caitanya Mahāprabhu therefore says, *guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja*: (CC Madhya 19.151) one must first please the spiritual master, and then one automatically pleases Krishna and gets the strength with which to cross the ocean of nescience. If one seriously desires to return home, back to Godhead, one must therefore become strong enough by pleasing the spiritual master, for thus one gets the weapon with which to conquer the enemy, and one also gets the grace of Krishna."

(Śrīmad-Bhāgavatam 7.15.45, Purport)

Srila Prabhupad, I have fallen into the ocean of material existence because of my selfish activities, which are without beginning, and I see no means of deliverance from this great ocean of nescience. I have seen my heart burning Day and night from the poison of these worldly activities, and because of this, my mind never finds any satisfaction or happiness. There are Hundreds and thousands of desires, like nooses around my neck, constantly giving me misery and trouble. In that great ocean of nescience play the waves of materialistic tendency. In this world, there are many thieves and rogues, of whom six are prominent; lust, anger, greed, illusion, and madness. They are causing me great fear, and in this way, my life is coming to an end. The highway robbers' fruitive activity has cheated me and misled me, and finally, it's throwing me into the ocean of misery. At such a time as this, teach me to control my six passions; rectify my six faults, bestow upon me the six qualities, and offer unto me the six kinds of holy association.

Srila Prabhupad one thing I know for sure is Krishna is yours; you have the power to give Him to me. I'm simply requesting you to accept this fallen servant and fix me as a particle of dust on Your lotus feet. Kindly give shelter to this Mithilesh Dasa.

O most merciful and glorious spiritual master, please accept as Your eternal servant.

Your most insignificant Servant, Mithilesh Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of your lotus feet.

om ajñāna-timirāndhasya jñānāñjana-śalākayā cakṣur unmilitam yena tasmai śrī-gurave namaḥ

*The Spiritual Master is the torchlight of knowledge for one who is in the darkness of ignorance in this material world. Srila Prabhupada, you are the light of our life in this world of inauspiciousness and miseries.*

Dear Srila Prabhupada, you have given us the real PEACE formula. No one can have peace as long as he thinks “I am the proprietor “, but when a person understands that God is the proprietor of everything and the friend of everyone( Suhradama sarva bhutānām) and the enjoyer of all he becomes very peaceful.

Dear Srila Prabhupada, you have taught us that it is not possible to understand what is God by our own mental speculations, we have to hear and we have to accept. You have given us the knowledge of Bhagavad-gītā which should not be taken for sentimentality or fanaticism, but this knowledge is both Jnana and Vijnana, theoretical wisdom and scientific knowledge and if one becomes well versed in this knowledge one will attain liberation from all miseries and what is this knowledge as Kṛṣṇa says in Bg 9.2

rāja-vidyā rāja-guhyam pavitram idam uttamam  
pratyakṣāvagamam dharmyam su-sukham kartum avyayam

*“This knowledge is the king of education, the most secret of all secrets. It is the purest knowledge, and because it gives direct perception of the self by realization, it is the perfection of religion. It is everlasting, and it is joyfully performed.”* Srila Prabhupada you have made us realize that this topmost knowledge (rāja-vidya rāja-guhyam) is Kṛṣṇa consciousness because it is the purest transcendental and if one follows this path of knowledge, he will personally understand how far he has progressed down the path of perfection (pratyakṣāvagamam dharmyam) and also it is very happily and joyfully executed (su-sukham kartum) and also it is permanent (avyayam).

You have also told us that there is no loss in this process, in which there is chanting, dancing, and eating prasadam and discussing Bhagavad-gītā.

Srila Prabhupada, you have also given us what is the REAL KNOWLEDGE which is to understand “what I am” and unless we understand what we are we cannot attain real knowledge only after realizing that we are not these bodies can we enter into real knowledge and understand what we actually are. But this kind of knowledge is not easily attainable, but it is made very easy by the mercy of Kṛṣṇa and Lord Caitanya Mahaprabhu through the process of chanting *Hare Kṛṣṇa, Hare Kṛṣṇa, Kṛṣṇa Kṛṣṇa, Hare Hare/ Hare Rāma, Hare Rāma, Rāma Rāma, Hare Hare*. This process of chanting is most practical.

You have given us this Hare Kṛṣṇa Mahamantra which is a sound (shabda) that is non-different from Kṛṣṇa. Srila Prabhupada, I beg your mercy to chant the holy name faithfully, with determination, with sincerity and offenselessly. You have told us that hearing is no less important than seeing, we can hear Kṛṣṇa and realize his presence through sound. You have shown us the goal of human life which is going back home back to Godhead by performing the highest devotional service which is the chanting of the holy name of the Lord. My heartfelt gratitude to you my dear beloved Spiritual Master.

Dear Srila Prabhupada, I always, always contemplate on your pastime of making the hippies Kṛṣṇa conscious which seems to be impossible for anyone else other than my dear Spiritual Master who is the saktyavesha avatar of Sri Kṛṣṇa.

Dear Srila Prabhupada my desire is only to be in association with and the service of the devotees of the Lord who are in your service. As I have read from your Kṛṣṇa book that worshipping the devotees of the Lord is the real worship of Kṛṣṇa. I beg you to keep me in your service and mission under your sincere servants, this is my greatest desire in life which is not possible without your causeless mercy, I once again beg for your mercy.

Your humble servant, Mitravinda Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you.

Prabhupada, year after year, the journey of my Krishna consciousness is bringing in new realizations on my spiritual journey. As the saying goes to become a beautiful piece of art the stone needs to allow it's master, the sculptor, to hit him and remove all the unwanted pieces in him. Though the process is painful, but what comes out through the process of *surrendrance* is a beautiful piece of art.

I liked this below extract from your letter to Syamasundara dated July 15, 1969.

It doesn't matter if things are going a little slow; but make everything slow but sure. That is a good principle. To do things hastily and incorrectly is not good. There is a proverb in Bengali *sabure mawaphale*. This means that all valuable nuts like almonds, macadamias, walnuts, coconuts, etc. all take a long time to fructify. Anything valuable takes a little time to come into existence. Therefore there is no harm in waiting for the best thing. But everything is well that ends well: That should be the principle.

Dear Prabhupada, please bless me with patience to practice and preach the principles of Krishna consciousness for the rest of my life. This Vyasa-puja I should specially thank a lot of my Godbrothers who kept me going in Krishna consciousness, when the journey seemed too difficult to traverse even a foot. I remember writing in my last year's Vyasa-puja offering that the next year is going to be very special for me. I think it indeed has been.

I have entered a new phase of my life, *grihastha-ashrama*. Seeking your blessings to continue serving you with doubled strength for the rest of my life. And of course, the most important icing on the cake this year has been the number of realizations you have bestowed upon this fallen soul. And a lot more special blessings on the personal front which I will reserve for a personal sharing with you.

Thank you Prabhupada for all the blessings you are showering on this conditioned soul. I need and pray for more in the coming days as *maya* seems to be fond of me and seems to shower more of it's love on me.

Prabhupada, please keep me as a *bhakta* always. My best days of Krishna consciousness was during the *bhakta* time when I joined ISKCON as a full-time missionary. I yearn for those realizations and moments of special feelings again and again. Bless me to delve deep into your Bhaktivedanta purports for that keeps me safe in Krishna's hands.

Jai Srila Prabhupada!

Your fallen servant,  
Mohana Chaitanya Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Falling in the dust of your transcendental lotus feet and praying for your eternal benediction, I would like to offer a poem on this auspicious day of the opening of your divine pastimes in this world.

Many years have arrived & passed in flash

Still struggling between mind & body clash

Aspire to keep You & Krishna in my eye lash

Such sight is nonetheless a transcendental cash

Kali, which deteriorates the good quality  
Has forcibly put me in delusion & duality  
You appeared as representation of supreme personality  
Shown on this fallen soul your magnanimity

Earlier I have worked day & night hard in passion  
With an unknown tomorrow, brings up tension  
Your message & instruction, for me are compassion  
Realizing which brings end of material expansion

Fortunately I have met your goodness  
None other than by will of providence  
Left aside so called material happiness  
Glad to be in Vaikuntha temple as a residence

Entire life as you have mentioned in your comment  
That never forgotten Krishna even for a moment  
Your message about Krishna are always strong & coherent  
Such Lord's empowerment you have displayed as your talent

Your window glance on, how for a morsel child & dog rival  
Now by your mercy Akshya Patra feeds millions with no interval  
Every corner of the world celebrating the Holy name festival  
Wonders happening all around just because of your arrival

Esoteric principle of Bhakti, which Lord Chaitanya bestowed  
Like rainy clouds whole over the world you have showered  
Being insignificant part of worldwide movement you have endowed  
I am incapable to repay back what I have borrowed

Corona pandemic entered our lives as deadly serpent  
With conviction on Krishna's protection we don't repent  
Rather to spread Krishna consciousness, this is the right moment

To change people's heart please bestow us with required talent

Many propaganda & philosophy talk about God realization

Best is walking the path paved by you, is my visualization

You have built up an organization with devotee's association

Result of which people offer their gratitude to you with salutation

You have spent sleepless nights setting aside ease & comforts

Compiled international spiritual law book with virtually no supports

Your conviction on Krishna is expressed in your writing efforts

Which is celebrated as most profound BhaktiVedanta Purports

I seek blessings again & again from your divine grace

So my mind may not fall again into pity rat race

Rather constantly serve you in this spiritual base

And successfully attain goal of human life with happy days

A great leap in my *Sadhana* & internal purification

After joining the banner of your bonafide institution

Even though unqualified, you have picked me for initiation

By your mercy I would able to follow *Brahmana* regulation

Yours presence in your instructions is my lifelong learning

Which ensure success in journey of my heart cleaning

Please forgive me for offenses I have committed in my dealing

You will remain as eternal guide & companion in my feeling.

Aspiring to become your humble servant,

Mrigendra Dasa.

*dhyana moolam guru murti  
puja moolam gurur padam

Dear Srila Prabhupada,

On this most sacred occasion of your 124th appearance anniversary in this world, I fall in the dust of your lotus feet and beg for the ability to properly glorify your divine and magnanimous character.

I read in your Bhaktivedanta purports:

Foolish people think that devotional service is flattering the Lord to get special mercy. Factually the pure devotees who are engaged in the transcendental loving service of the Lord are not a mercantile community. A mercantile house renders service to someone in exchange for values. The pure devotee does not render service unto the Lord for such exchange, and therefore the full mercy of the Lord is open for him. [SB 1.8.29 P]

Dear Srila Prabhupada, both in your transcendental writings and lectures, and the precepts of your glorious life, you have continually demonstrated the highest standard of pure devotional service to Lord Krishna, showing us the perfect example of what a pure devotee is, and how we can attempt to follow in your footsteps. By following your example and teachings, I hope to come to the standard outlined above in your purports, to render service to you and Sri Krishna with a desire for service only and not some exchange, and then we may become eligible for your full mercy.

By Your Mercy I am blessed with a baby girl. Please bestow your mercy upon her so that one day she becomes servant of the servant of the servant of Srimati Radharani.

I pray, dear Srila Prabhupada, to help us to serve you in the mood you have written in your purports. I pray that your mercy may always be open to your lowly servants, such as myself. I pray to always receive the purification from your Bhaktivedanta purports and the words emanating from your lotus lips. Only by association with your devotees and your transcendental books and lectures, can I ever hope to advance in this lifetime, and come back home to your lotus feet.

I pray, dear Srila Prabhupada, please don't kick me away from your association.

Your lowly servant,  
Murari Krishna Dasa.

My dear Guru Maharaj Srila Prabhupada,

Please accept my most humble obeisance. All glories to Your Divine Grace. On this auspicious 124th appearance day of your divine grace, I wish to glorify you.

Today the world is facing the pandemic of coronavirus and your divine grace had already predicted it and given solutions in Bhakti Vedanta Purports, pastimes and teachings.

SB 10.3.21 purport :

*The Hare Kṛṣṇa movement is also an incarnation of Kṛṣṇa in the form of the holy name (nāma-rūpe). Every one of us who is actually afraid of the asuric rulers and politicians must welcome this incarnation of Kṛṣṇa. Then we will surely be protected from the harassment of asuric rulers. At the present moment these rulers are so powerful that by hook or by crook they capture the highest posts in government and harass countless numbers of people on the plea of national security or some emergency. Then*

*again, one asura defeats another asura, but the public continues to suffer. Therefore, the entire world is in a precarious condition, and the only hope is this Hare Kṛṣṇa movement*

These Bhakti Vedanta Purports are the true light to the entire world as we can clearly see that similar world situations are manifesting exactly according to these purports.

You have explained why such diseases happen and how to cure them and importantly what is the biggest disease compared to all such material diseases.

As you told why such sufferings happen: -

*In SB 6.1.32 lecture at Honolulu: -. How you can violate the nature's law? It is not possible. Nature's law is so strict, a little deviation will put you into suffering.. And if you violate more and more and more, then you suffer more and more and more. This is the law. You cannot escape.*

For this pandemic, experts are advising to be clean and hygienic which you had already taught in SB 4.27.24 Purport:-

*..According to the Vedic principles, one should rise early in the morning, take bath, chant Hare Kṛṣṇa, offer maṅgala-ārati to the Deities, study Vedic literature, take prasāda and engage in dressing and decorating the Deities..Whether one lives in India or outside of India, he is called a yavana or mleccha if he does not follow the Vedic principles. One who does not actually follow the hygienic principles prescribed in the Vedic rules and regulations will be subjected to many contagious diseases.*

And you have practically taught this when The West Virginia state health authorities had placed a quarantine order on New Vrindaban because some devotees had become sick with jaundice. Then Prabhupada you told them if it is necessary to make alterations you may do so... "If the water supply is sufficient, there is no question of insanitation. Disease comes when there are dirty conditions...

Similarly, ISKCON BANGALORE under your constant guidance has implemented many *hygienic principles* & alterations in order to handle this pandemic and by your mercy, everything is going well controlled.

And more importantly, you had enlightened us that the biggest disease is the disease of material existence i.e. Janma-mṛtyu-jarā-vyādhi [Bg. 13.9] and how to conquer it.

" His disease can be cured only when he meets and follows the expert physician, the bona fide spiritual master. When the conditioned soul faithfully follows the instructions of a bona fide spiritual master, his material disease is cured, he is promoted to the liberated stage, and he again attains to the devotional service of Kṛṣṇa and goes back home, back to Kṛṣṇa."- TLC

Srila Prabhupada, You are an expert magician who can make this biggest disease disappear from anyone's life as you confirmed in your pastime with magician Sarkar :- When you challenge."Sarkarji, I am a better magician than you!" Laughing, Mr. Sarkar asked, "Oh, how is that?" "You can make coins disappear," Prabhupada said, "but can you make birth, old age, disease, and death disappear?" "No Swamiji, I cannot." "Well I can," Mr. Sarkar conceded defeat. "Yes, you are definitely a better magician than me." J

Śrīla Prabhupāda, when you were in quarantine because of not being immunized against yellow fever you said, "What do they think? I can get yellow fever? Anyone who is cent per cent engaged in Kṛṣṇa's service, there is no question of material contamination. He cannot be infected with any disease."

I beg to be infected with love and devotion for you so that I can be cent per cent engaged in your devotional service. Please bestow your mercy unto me.

Your Servant,  
Nanda Gopala Dasa.

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale śrīmate bhaktivedānta-svāmin iti nāmine*

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe nirviśeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

Dear Śrīla Prabhupāda,

Please accept my humble obeisances unto your divine lotus feet.

People ask why we need somebody's (guru's) help to see GOD. Since God is everywhere he would be easily accessible. It is an intelligent question which even I had before coming in touch with Iskcon. And you have beautifully answered it giving a simple example. You said just like when I wear my glasses I can see things clearly similarly Guru helps you see Krishna clearly. Yes, our senses are blunt. We do not have the capacity to understand even this material world. Then what about Krishna? Krishna is Parabrahman. He is a personality. He is the Supreme Personality of Godhead. I cannot understand Him on my own. I need a special blessing from His intimate friend. This is why I pray:

om ajñāna-timirāndhasya jñānāñjana-śalākayā

caḡsur unmīlitaṃ yena tasmai śrī-gurave namaḥ

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Look at today's world. Everyone has his own view. Long ago I read a book on advertising. They gave an example. Say company A and B manufacture soap powder. And both performed so bad in last quarter that Company B sold 1 box and Company A sold 2 boxes only. Now how can Company A entuse people to buy its product? The answer is that Company A started advertising that For every 2 boxes purchased of company A only 1 is purchased of company B. Which means that company A's product is superior. Which one will you prefer? I laughed at the ingenuity of the advertisers at that time. But today when I see the world it looks so depressing. Anybody with a Jio sim and 3,000Rs mobile phone can write his own narratives and tweet. NO need to fact check. No care for the sentiments of the general public. They are spreading lies to divide people on the basis of caste, creed, colour or anything just to push their own selfish agenda. But soon a time will come that both these agenda and people behind it will disappear. Why don't they think about the eternal soul? Why do they waste there valuable time? And from within this dark web of lies for somebody to come and surrender to Krishna is definitely a mystical process. Yet you are doing this miracle all over the world.

I had heard a story sometime back. A person was frustrated with life and wanted to end it all. So he connected his air-conditioner to the exhaust and sat in the car with his motor running. As he was waiting for death a devotee knocked on his window and showed him your book "Beyond birth and death". Somehow the person reconciled with the book's name, so he purchased it, read it and soon became a devotee. Daily your books are answering questions of people who are searching after the truth. They somehow mystically reach those people who desire these answers.

You have built a house where the whole world can live in. Our life is simply chanting, dancing and philosophizing. We can chant 24 hours. We can dance without cares. Life is simply bliss. And when we are tired of dancing, we can philosophize. Read, hear and repeat the same to others. Our leaders are so encouraging. Bangalore is filled with innocent people whom we can preach. Good low hanging fruits. Even with such a favorable environment, I am not able to discharge my duties properly. Please bless me with a drop of your energy so that I can also add some value in your great mission.

Your servant,

Nanda Kishora Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa puja.

I abandon you, my Lord, & came to this world of pain & sorrow. Now I submit my tale of distress at your lotus feet. As a pet son on the lap of my parents, I passed my time by playing & laughing. My parent's affection helped me to forget these miseries of birth, death, old age & disease. I thought the world is very nice & beautiful. I was traveling for work from one place to another every day & I was maintaining my family with undivided attention.

Now after coming to your Divine Grace I know your lotus feet are a refuge free from all sorrows, fear & eternally full of sweet nectar. At the soles of those lotus feet, I surrender myself & all I possess. O Lord there is no other protection than you in this world. At last, I know myself to be your eternal servant whose maintenance you have assured. Life without you held nothing but sorrow & darkness.

You are the ideal Acharya because you teach us everything about spiritual life by your personal example. Even though you have been empowered by Lord Caitanya to spread the holy name of Kṛṣṇa throughout the world you perform your devotional service strictly following the instructions of your Spiritual Master.

On this most auspicious day, I humbly beg you to continue to shower your blessings on me to make me an instrument in serving your mission. I beg you to give me the inner strength to take all austerities in serving your mission. Please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Your insignificant & most fallen servant,  
Nandana Acharya Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your your divine lotus feet.

I, an insignificant living entity, completely blinded with materialism and a poor fallen soul have got my original spiritual identity by your causeless mercy upon me.

I first read your transcendental literature and gradually increased my participation in the Hare Krishna Movement established by Your Divine Grace. This has contributed to my life by making it valuable and I feel its eternal need for the human society who are entangled in the ocean of repeated birth and death. You are the only hope to free these living entities from the ocean of nescience. Only by Your Divine Grace can one achieve the highest perfection of life.

The purports of Your Divine Grace are filled with eternal transcendental knowledge and bliss. The more I read them, I consider myself very fortunate to get enlightened and feel motivated to distribute the same. By Krishna's mercy I am trying my best within my capacity to distribute this divine knowledge through your books in the Gita Counter from the past many years. Thank you for awarding me this special service and bestowing upon me your special *kripa*.

Your humble servant,  
Nareshwara Dasa.

Dear Srila Prabhupada,

Kindly accept my humble obeisances at your lotus feet.

Your compassionate teachings and merciful distribution of Holy Names of Krishna had influenced millions of lives. You have given Krishna to all of us and accepted us in the ship of your captainship for going back to the abode of Krishna. Recently I came across the following incident mentioned in *Srila Prabhupada-lilamrta* which took place in 1977 in Vrindavana:

Early one morning Srila Prabhupada awoke suddenly. "I had a dream," he said to the devotees attending him. "There was a big assembly of drunkards and chanters. The drunkards were madmen. Some of the drunkards were becoming chanters. They cannot stop fighting. The drunkards were so crazy."

"Were you there also?" asked Tamala Krsna.

"Yes, I was standing there also."

"Were some of the chanters becoming drunkards?"

"Chanters cannot fall down," said Srila Prabhupada. "Their names are listed-back to home, back to Godhead. They are in Krsna's family."

Thank you Srila Prabhupada for listing our names for going back to Godhead and making us in Krishna's Family. I don't find any way to repay you. Hence, I completely accept you as my Master birth after birth. Let me not desire anything else but your service.

In the first week of December 2016, I had visited VK Hill temple to buy *Bhagavad-gita*. It was evening. I purchased *Bhagavad-gita* and sat in the temple hall. We decided to attend evening program in the temple. After a few minutes of *kirtana*, your lecture was played and we heard it till the end. That was my first encounter with Your Divine Grace and I was convinced that Your Divine Grace knows the science of God. On that day I had no clue that the mercy of Your Divine Grace is going to save me and I would be part of your glorious movement. Today I am writing this offering from the same VK Hill Temple, in fact from the same corner of the temple where I had heard you first. Such is the association of a *mahabhagavata* like Your Divine Grace.

Ajamila then saw three awkward persons with deformed bodily features, fierce, twisted faces, and hair standing erect on their bodies. With ropes in their hands, they had come to take him away to the abode of Yamaraja. When he saw them he was extremely bewildered, and because of attachment to his child, who was playing a short distance away, Ajamila began to call him loudly by his name. Thus with tears in his eyes he somehow or other chanted the holy name of Narayana. Yamdutas were snatching the soul from the core of the heart of Ajamila but with resounding voices the messengers of Lord Visnu, the Visnudutas, forbade them to do so. Surprisingly, Ajamila escaped this terrible fate. After the conversation between Yamadutas and Visnudutas, when Ajamila wanted to say something to the Visnudutas they disappeared. Ajamila was thrilled and was thinking "Was this a dream I saw, or was it reality?" Thus Ajamila was saved. Because of a moment's association with devotees [the Visnudutas], Ajamila detached himself from the material conception of life with determination. Thus freed from all material attraction, he immediately started for Hardwar.

Dear Srila Prabhupada, incidents that you have saved me and many other souls may not be as dramatic as that of saving Ajamila but it is the fact that you have saved us in a similar way. Thank you Srila Prabhupada for saving this undeserving soul having no credits of past devotional services. It is your causeless mercy which purifies the entire planet and changes hearts of many Jagai and Madhais.

Your extraordinary personality had made deep impact on this ordinary soul. I think in all my past births I had never encountered a personality like you. Your humility stunts me and your extraordinary service to your Guru surprises me. On this occasion I recall the following incident which is mentioned in *Lilamrita*:

A mustached man standing at the back of the room asked, "Are you Allen Ginsberg's guru?" Many of the devotees knew that the question was loaded and that to answer either yes or no would be difficult.

Srila Prabhupada replied, "I am nobody's guru. I am everybody's servant." To the devotees, the whole exchange became transcendental due to Swamiji's reply. Swamiji had not simply given a clever response; he had answered out of a deep, natural humility.

Dear Srila Prabhupada, let me take millions of births on account of my sinful history but I only desire to remain a humble servant of your devotees in all those births I would take.

Your humble servant, Natavara Gaura Dasa.

My dear Srila Prabhupada,

All glories to you and your divine mission of spreading the holy name of the Lord everywhere! Please accept my humble obeisance!!

Through your divine instructions, you have told us an innumerable number of times that we have to solve the real problems of life (birth, death, old age and disease) and go back to the spiritual abode. As long as we have material bodies, we will be subjected to these. So, as directed by you on the basis of Sāstrās, the only way to get out of these bondages is to get rid of the material body and attain the original spiritual body in spiritual planets. Based on the teachings of Shri Chaitanya Mahaprabhu, you have given us a very simple process to achieve this, which is to purify our consciousness by chanting the holy names of Lord Krishna, hearing and reading about Him, honour the mahaprasadam offered to Him, rendering devotional service etc. Although these activities might appear to be very simple, they are extremely powerful and the only means to cross the vast ocean of material existence and enter the abode of the Supreme Lord.

Every one of us remain indebted to you for showering your causeless mercy upon us, although many (especially me) are not qualified for the same! Today, from a materialistic person's perspective, the whole world is badly affected by the novel coronavirus COVID 19. There are so many mortalities around. Even the most powerful nations are not spared by this microorganism. This has put all the economic developments in the world to halt. Many people are baffled. This is a gentle reminder to one of the Vedic instructions, often repeated by you in your books, that there is a danger at every step in this material world (*padam padam yad vipadam*). At this time most of the people are frustrated by the situation and many would perhaps have understood that material developments only give temporary solutions of the problems. So, this is the perfect time for them to turn their face towards Krishna and attain the ultimate happiness. I pray at your lotus feet to bless them to use this opportunity and become Krishna conscious. My dear spiritual master, I would like to thank you for always guiding us towards perfection through your instructions. Although many times, due to my past bad karmas or misfortune, I am not able to follow the path properly. Kindly bless me, so that my tendencies to commit mistakes reduces and I can become an instrument in your hands.

Your servant, Nava Yogendra Dasa.

My dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet,

As it is sung in Guru vandana prayers "*Vede gaya Jahara charito*". I may try to glorify you with my little knowledge.

The best way to remember your mercy flowing to me is the day when I was sitting in my college library not knowing that the very day would be a turning point in my life. I was fortunate to be a friend of one of my classmates who was attending

the evening classes at one of the Folk residencies. He invited me also. From that day when I saw the devotees there who had worked in high-end companies and serving in ISKCON. I thought I was running and vying for all those companies and they are leaving everything and serving there. So there must be something extraordinary in it that got me very interested. I know now that it was all by your mercy that I was put into that thinking. Then there was no turning back. With all the blessings of the Vaishnavas, I am now going good in my Spiritual life however still miles to go in learning many Vaisnava etiquettes.

Recently I have got very interested in reading your transcendental letters written by you to the devotees. There your loving advice, instructions, solutions has given me a new light in dealing with the daily challenges be it material or spiritual. I relish reading a lot of those letters.

I yearn for your mercy to properly execute the orders of my authorities though many times I am given service more than my abilities. But I am very much confident that if any new service or new tasks are given to me then the required intelligence will also come. The only criteria is my wholehearted acceptance. Please bless me to accept all the services wholeheartedly and execute them on the spiritual platform of Krishna consciousness amicably with the Vaisnavas under the expert aegis of authorities here.

Your eternal servant,

Neeraja Nayana Dasa.

Dear Srila Prabhupada,

My humble obeisance on the lotus feet of Srila Prabhupada. My spiritual master gives me enough strength and courage to face all challenges in life. Only with your causeless mercy, I can cross the ocean of Maya. Even in this pandemic situation your books and instructions are helping me a lot to manage the things in a proper way.

Oh my spiritual master ISKCON provides a platform for us to connect with devotees. Through various electronic gadgets, we are able to get connected with devotees in this current situation. Without the association of devotees, nobody can progress spiritually.

With the mercy of our spiritual master last year I got initiated. I request my spiritual master to guide me on how to progress spiritually.

Waves from the ocean of Maya are disturbing me in many ways. But your instructions through books and chanting helping me to face these problems.

I hope Srila Prabhupada will always guide me to go forward with the required *jnana bala* and *kriya*. Please listen to my prayers and give suggestions whenever or where ever required.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

We are really blessed to have you with us always, the contribution what you have made to this world by writing many transcendental Vedic literature, delivering thousands of lectures and giving constant guidance to your disciples, is matchless, and it cannot be measured by any means. Though it is very difficult to go back to the abode of the Lord, you

have simplified the process of going back home back to Godhead by simply chanting 16 rounds of Hare Kṛṣṇa Mahamantra and following 4 regulative principles. Moreover you have personally promised, that those who follow this, you will take them back home back to Godhead, your words can never be proven false, as you caught hold of the lotus feet of Lord Kṛṣṇa, this is stated in Śrīmad-Bhāgavatam where in Lord Brahma tells Narada, O Narada because I have caught hold of the lotus feet of the Supreme Personality of Godhead Hari, with great zeal, whatever I say never proved to be false, nor the progress of my mind have ever deterred, nor my senses ever degraded by temporary attachment of matter (SB 2,6,34)

Dear Srila Prabhupada, you are the most magnanimous Spiritual Master. Seeing our fallen condition, you have simplified the most complicated process for our benefit, one who does not take advantage of this is certainly a great fool. Our authorities teaching the philosophy of guru tattva is very much a current reality, just following physical guru is proven to be a failure, vani seva, following the instructions of the bonafide Spiritual Master is life and soul and is eternal as you conveyed to us in different lectures in your manifest pastimes in this material world.

In the midst of covid19 pandemic in the year 2020, I am struggling to raise donations for the mission, but by our blessings and philosophy and the struggle you put forward in your manifested lila gives us the impetus to go forward and execute our service to Sri Sri Radha Krishnachandra,

Hope by end of the year 2020 pandemic covid19 may get exhausted, so that I can execute our service to Their Lordships Sri Sri Radha Krishnachandra without any hindrance.

Dear Srila Prabhupada, on this auspicious day, I sincerely pray to you to bless me to practice Krishna consciousness very sincerely and preach this sublime message with full enthusiasm till my last breath without caring for bodily comfort.

Hare Kṛṣṇa, Jai Srila Prabhupada.

Your humble servant,  
Nilotpala Shyama Dasa.

*tvaṁ naḥ sandarśito dhātrā*

*dustaraṁ nistitīrṣatām*

*kalim sattva-haraṁ puṁsām*

*karṇa-dhāra ivārṇavam*

*“We think that we have met your goodness by the will of providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of kali, which deteriorates all the good qualities of a human being.”-SB 1.1.22*

Jai Srila Prabhupada!! This verse I am quoting here out of gratitude for you, because it's a huge saver for me, especially during this corona phase.

All the miseries are offered by nature because of the lack of divine qualities in human beings and as a result of the accumulation of sinful reactions, the whole world suffers. Why I mentioned it as a huge save is because if you had not saved me I would have been chanting “Corona, Corona” instead of “Hare Krishna Hare Krishna”. Before this epidemic started, I still had a little belief that there is some pleasure in the outside world. But Lord Krishna's statement that this world is “duhkalayam ashashvatam” has become true and I am practically seeing it now and the so-called pleasure is just an eyewash situation offered by Maya. Now I am realizing why You endeavoured to spread KC throughout the world as if there is an emergency situation in this world. If this Krishna consciousness movement doesn't spread all over the world, it is certain that people will catch hold of the four strong pillars of sinful life namely illicit sex, intoxication, meat-eating and gambling. All kinds of miseries in this age arises due to these sinful pillars. Even great people in the society die because of a tiny super-potent virus manufactured in the laboratory named “sinful acts”.

So as a servant of Your desire to save this world, let me engage in preaching this Krishna Conscious happiness to others. Also please bless me to humbly serve Your disciples who are empowered by You and are sincerely and seriously serving You by chanting sincerely and preaching Your message which is non-different from Lord Krishna's message. The secret of Vedic wisdom is "Nāma Tattva", which only rare souls get the understanding and realization about it. So you are currently revealing this highest wisdom to this world through Your sincere disciple.

During this lockdown phase, being inside the temple I am getting an experience of Vedic Guru Kula system where the disciple stays with his guru in guru's ashram and learns all the secrets of one's own spiritual prosperity and the spiritual prosperity of the society. In this Guru Kula phase, a student is completely detached from the activities of the karmic world. In the last four months, I have learnt only 1 thing and that one thing is everything i.e panacea for all the troubles, that is chanting of Hare Krishna Mahamantra offenselessly. It is very amazing that Supreme Lord Krishna who doesn't give even a toenail darshan to even liberated persons has become accessible to an ordinary person like me. I was thinking about how it is possible!! Then I got the answer that Lord descended on my tongue as Hare Krishna Mantra not because I am great, but because Prabhupada and Lord are great and merciful. That's why Lord chose to descend on my tongue. When all-merciful Nāma is chanted by You ,Nāma becomes most merciful, I think that Naama Prabhu is in the most merciful stage now. Because simply by chanting 16 rounds for 2 hours in a day, anyone can reach the highest stage of perfection by the awakening of sat(eternity), cit(full of knowledge) and Ananda(Ever-increasing ocean of transcendental bliss).

In Chaitanya MahaPrabhu's verses like "Prithivite aache yata nagaradi grama" and also "mora senapathi bhaktha", no one knew who that devotee commander is who is going to deliver Hare Krishna mantra throughout the world. Even today many don't link the above-mentioned verses with Your activities and Your achievements, but it is clearly evident that no one in this current era has done this achievement of taking Lord Krishna all over the world, in the form of Hare Krishna Mahamantra. In this most degraded Kali-yuga, as commander-in-chief of Lord's army you have shot the bullet of Krishna consciousness all over the world, which is the only saviour.

Thank You very much, my dear Gurudev, for showing me the path to an eternal blissful life full of transcendental knowledge. Your striking instruction which I relish often is "everyone thinks I am Indian, I am American, I am cat, I am dog, I am this, I am that..body..we have to cleanse this bodily concept of life...Every soul is a part and parcel of Krishna".

So let me be your humble servant and please make me strong in Krishna consciousness and make my existence meaningful.

I conclude my offering by quoting a verse from Srimad Bhagavatam SB 1.9.12

*aho kaṣṭam aho 'nyāyāṁ yad yūyāṁ dharma-nandanāḥ  
jīvitum nārhatha kliṣṭam vipra-dharmācyutāśrayāḥ*

Bhīṣmadeva said: Oh, what terrible sufferings and what terrible injustices you good souls suffer for being the sons of religion personified. You did not deserve to remain alive under those tribulations, yet you were protected by the brāhmaṇas, God and religion.

I get immense strength from this verse that if I am protected by You, Vaishnavas, Lord Krishna and Krishna Conscious dharma tribulations can't shake me.

Jai Srila Prabhupada!!. May Your fame be spread all over the three worlds!!

Your Servant,

Nishkincana Nitai Dasa.

## Nitai Chand Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

Kaliya was an offender of Garuda. He also dared to pollute Vrindavan, the holiest place in the entire existence. He had a body of a serpent portraying his sinful past. Despite all this, Kṛṣṇa did something extremely rare and wonderful. Firstly, He gave Kaliya the touch of the dust of His Lotus Feet, which great sages remain devoid of even after performing severe austerities. Next, unlike other demons, He spared Kaliya's life and kicked him to surrender. Finally, Kṛṣṇa gave him pure devotional service.

In the same way, Jagai and Madhai were offenders of Nityananda Prabhu. They were sinful men of the topmost order. But, Lord Caitanya made them surrender under fear of His Sudarshana. Finally, He also gave them pure devotional service.

However, in kali-yuga, there are innumerable offenders who never care for Kṛṣṇa or His devotees. The sins of such people are skyrocketing. The tsunami of crisis in the world is but a proof of the level of their sinful acts. Despite all this, Srila Prabhupada, you force thousands of such mlecchas, yaavans, and candalas to surrender their lives to Kṛṣṇa just by manifesting your words to them. My use of the word force is to indicate your causeless mercy. In particular, your arduous efforts to preach to the ever-unwilling fallen souls to surrender to Kṛṣṇa. Whoever comes in touch with your divine words and shows an inkling of attraction becomes a devotee of Kṛṣṇa. Kṛṣṇa set one Kaliya, Lord Caitanya set two, Jagai and Madhai, however, you, Srila Prabhupada set thousands of such offensive and grossly sinful fallen souls on the path of pure devotional service. Moreover, the flow of your causeless mercy is far from over. Such is the glory of your ocean of mercy. All glories to you Srila Prabhupada!

In the Kaliya Lila, Krishna also manifested His sankirtana. At that time, the elderly Gopis were chanting Kṛṣṇa's pastime, the demigods were playing mrdanga, kartal and many other instruments, while Kṛṣṇa was dancing on the hoods of Kaliya. Kṛṣṇa also by his lila potency gathered all devotees on the banks of Yamuna to take part in His extraordinary Kaliya daman sankirtana.

In the Jagai Madhai Lila, Lord Nityananda Prabhu and Srila Haridas Thakur were out for the street sankirtana and it became the cause of deliverance for Jagai and Madhai.

But, Srila Prabhupada, you were specifically empowered with the sankirtana opulence of the Lord. It was in wide display in your manifest lila. Your transcendental words in the form of your books became the most powerful medium to spread sankirtana around the world. However, you institutionalized this power to enable devotees to spread the movement as part of your unmanifest lila. Your glories have to spread further to many millions more. It will happen when we devotees who have an attraction for your words put a concerted effort for spreading sankirtana – Harinama and your books.

Finally, Srila Prabhupada, let me submit that the greatest fortune I had in my entire material existence was to receive your causeless mercy through your divine words. I pray to your lotus feet that I never lose attraction for your words. For it is clear to me that following your instructions is my only savior.

Your humble servant,  
Nitai Chand Dasa.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet. With the passage of each year, I have greater respect for you, Srila Prabhupada. Not only did you expertly present the most profound and sublime philosophy, you personally lived it at every moment and in your action. You simultaneously crafted the ways and means via your Bhaktivedanta purports. So many people are becoming inspired by your books, and so many of them want to offer themselves to your mission. The festivals organized by your devotees successfully attracts so many people and effectively inject Krishna consciousness into their hearts.

Your example teaches me that love is not a cheap thing, but a matter of all-out endeavour to serve the instructions and mission of one's spiritual master and Krishna. You put it so nicely in a *Bhagavad-gita* lecture: "So this Krishna consciousness movement means how to become dear to Krishna: "How Krishna will love me.""

Your example teaches me that our lives, to the very end, must be dedicated to preaching Krishna consciousness.

I humbly pray to you to give me a drop of determination and mercy by which I can be always fixed at your lotus feet and never deviate from the principles of truthfulness, cleanliness, mercy, and austerity.

May I forever feel indebted to you and engage in your service.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

Your glories have no limits. No one ever in the history of time has spread Lord's mercy to the fallen conditioned souls as you did. Even Caitanya Mahaprabhu who is the most munificent incarnation took Jagai and Madhai under His shelter on a condition that they quit all bad habits. However, you, Srila Prabhupada, unconditionally took thousands of fallen conditioned souls under your shelter. So many times, you had to face impediments and tribulations to spread the mission of Lord Caitanya, just to save us all from the miserable state of material existence. Like an ignorant fool, I was wasting my human birth in all sorts of sinful and ignorant activities. However, by your mercy, with the torchlight of knowledge, you made me understand the real goal of human life and thus you saved me from the most dangerous type of fear.

I definitely do not qualify to gain your mercy. But somehow, you set your glance upon me in earnest compassion and gave me the shelter of your lotus feet. Despite my offenses and lack of qualifications, you continue to guide me and engage me in performing devotional service, whether it was in Melbourne, Hong Kong, Hyderabad or Bangalore. Just so that I do not deviate from the path of Kṛṣṇa consciousness you protect me by always sending great association of the devotees for me.

So many times you check my false pride by putting me into situations to make me realize my faults. I am definitely the most fallen soul to whom you have given the benediction to come into Kṛṣṇa consciousness. It is your causeless mercy that I can sense your care, protection, chastisement, and love.

O Srila Prabhupada, please bless me so I can always follow your instructions and make them my life and soul. Please continue to shower your mercy upon me, so I can seek the determination to reach the stage of soulful japa. Thereby, come to the stage of unalloyed and uninterrupted devotional service to Sri Sri Radha Krishna. I know it is possible only and only by your merciful blessings. I pray to your lotus feet that I never deviate from the path of pure devotional service that you have set for us.

Please bless me that I eternally continue to serve you and your mission.

Your humble servant,

My dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to you, the savior of the fallen.

It has been almost 7 years now. I and my family are very fortunate to be in this movement. You have given me real meaning for my life by disclosing the most confidential knowledge that Sri Kṛṣṇa is the Supreme Personality of Godhead and the goal is to join Him again.

Srila Prabhupada, only by your causeless mercy I am able to chant and follow the regulative principles, on my own effort it is highly impossible. Thank you very much for guiding me in this journey. You are the only hope in this material world who can lift us from the pangs of this cycle of birth and death by giving the knowledge of absolute truth Sri Kṛṣṇa. After knowing the truth of life, still, I am making a lot of mistakes in practicing Kṛṣṇa consciousness, kindly forgive me and hold my hand and mind and take me in your way. I have complete faith in you, and you are my eternal father, I beg your causeless mercy so that I can follow your words.

Dear Srila Prabhupada only by your selfless effort and eagerness to give Kṛṣṇa consciousness to the fallen souls of this material world, today we all are chanting and dancing in front of the Lord. It gives so much pleasure to me just to hear your pastimes written by your disciples. I don't feel any difference between your pastimes and Sri Kṛṣṇa's pastimes, both give the same happiness.

One of your pastimes, I heard from your disciple that once you went to Kumba mela along with your disciples to take bath where the sacred rivers Ganga, Yamuna, Sarasvati meet. All your disciples went to take bath in the morning in the river and you were still in the tent with some of your disciples. One old devotee came to your tent and paid his obeisances and washed your feet with great love and gave the charanamrith to all your disciples and sprinkled on his head. You asked him if he had been to kumba mela to take bath in the sacred river? The devotee replied that the charanamrith which comes out from your lotus feet is as good as taking bath in river Ganges, so I have taken bath here itself. Prabhupada's disciples said Hari Bol!!!! with great joy.

Yes, Srila Prabhupada you are the only hope and savior of this whole world. I cannot repay you what you have given to me, But please give me a chance to serve you and your mission.

Your insignificant servant,

Because they are just like wish-fulfilling trees, I pray that they may bestow their mercy, thereby bringing my sadness to an end”.

My Dear Spiritual Master Srila Prabhupāda,

Please accept my humble obeisances at your lotus feet.

All glories to your Divine Grace!

I am writing to you with the deepest sincerity, affection, and fondness recuperated by your magnanimous compassion during these carked and discommoded times that I have had been encountering in the recent past and continuing. During these elusive times, you've been a great source of inspiration through your divine guidance leading me to peace and tranquillity and have shown me that path of perfection to overcome my present sadness underwriting me. I have during these times always remembered you and asked for your compassionate guidance, which has given me solace to overcome my sorrows. you have always acted as my torchbearer and showed me the right way to go back to Godhead.

My current times in my family, friends, and otherwise have been very troublesome and very disturbing and you have through your 'voice' taken me out of this like Gajendra Moksha and saved me. I shall always remain highly indebted to you for your mercy towards me and my family. The eternal bond between disciple and Spiritual Master begins from the first day he hears. Therefore, our relationship began from that day when I first heard you in a recorded message of Srimad Bhāgavatam.

Thank you for giving and teaching me how to chant the holy names and how to worship the deities and the holy tulasi plant; for explaining the meaning of scriptures like Bhagavad-gitā, Srimad-Bhāgavatam, and Caitanya-charitāmṛta; for prasāda; and for the most precious gift of all: the family of devotees.

With eternal gratitude,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Srila Prabhupada, I don't have the right perception, nor do I have any knowledge but I have strong faith in your teachings and in the holy name of Lord Krishna.

After coming unto your shelter, I realized that your shelter is my only hope to get out from the clutches of Maya . You have given us so simple process to attain Krishna Prema.

I would like to ask forgiveness to all the offenses which I committed knowingly and unknowingly. Help me to continue to be connected with this movement and always keep showering your blessings upon me.

Jai Srila Prabhupada,

Your Servant, Pavan Putra Dasa.

My dear spiritual father Srila Prabhupada,  
All glories unto you!  
Please accept my humble and respectful obeisance.

Dear Father, you created a home where the whole world can live peacefully. These are not just words but a practical realization as I am able to see that you are taking care of your disciple with so much care when the whole world is boiling in the blazing fire of material existence, full of fear and anxiety. The blind leaders have no clue about this—the dealings of Krishna's *maha-maya* potency to destroy all the possibilities of the material propensity of the *nitya-baddha* entities in order to teach them to turn towards Krishna. What more do I need, my dear father, than the cooling shade of Your Divine *charana-aravinda* eternally?

Dear Master, you gave the transcendental books full of nectarine Bhaktivedanta purports which is ever-relishing for your sincere followers and acts as a guide at every step of their lives. These books are like a cooling breeze on a full-moon night unlike any book of this world which is pregnant with one or combination of three modes of material nature, which is expertly fueling the blazing fire of material existence. What more can I desire, my dear master, than to live and die with your divine instructions rendered in your Bhaktivedanta books and letters and realize it life after life?

Dear Ever well-wisher, what a glorious gift have you gifted this unworthy self? You have gifted me your dear Hare Krishna Nama-prabhu who is all-sweet *surya* of *sat-cit-ananda* incarnation of the Supreme Personality of Godhead, Krishna. This exhibits that you are the chosen personality for representing the *parampara* of Sri Krishna Chaitanya by the Lord Himself as you have preached to 'Chant and be happy' to even the most unworthy ones. What more can I beg, My Guardian, than to get your divine mercy to distinctly chant and attentively hear and serve our merciful Hare Krishna Nama-prabhu day-after-day till eternity?

Dear Lord, you gave me an opportunity to peek and have a glimpse of disgusting motives of Maya-devi in the form affection and attraction for parents, siblings, relatives, beloved, leaders of national and international forum and humanity at large—all of whom I revered and awed in the past as my need and inspiration. But it is now seen as flickering pleasure, without any eternal relation to my soul. What more can I ask, My Lord, than for your divine spiritual ambiance to deepen my love for Sri Radha-Krishna-chandra so that all the Maya infested motives in my *cittam*, which I am thinking as mine, be flushed to revive the soul's real glory of being ever-subservient to Their Lordships and lovingly engage in Their service life after life?

Dear benevolent father, you took the burden of preaching the message of Sri Gauranga Mahaprabhu to make the chanting of the holy name of Krishna known far and wide especially in the Western countries on the order of your Divine Master Sri Srimad Bhaktisiddhanta Sarasvati Thakura Prabhupada, just like Lord Nityananda Prabhu, Who considered preaching of Holy Name is more important than personal comfort. Hence, you are rightly honoured as the Nama-pracharaka Acharya of Kali Yuga representing Sri Gaura-Nitai. What more can my existence be than to serve loyally the mission of our Gaudiya *parampara*, to somehow or other reduce the anxiety of Sri Chaitanya Mahaprabhu by rightfully delivering the message to all meek, humble and sometimes even to the ruffians—which is actually doing good to self and others?

Dear 'Prabhu'pada, you have given shelter at all planes of existence to all who have surrendered, especially to your devotees who have dedicated their *kaya-vaca-manasa* to execute your divine instructions. This reminds me of a verse in *Padma Purana* from a conversation between Lord Siva to Mother Parvati:

*aradhanam sarvesam visnor aradhanam param  
tasmāt parataram devī tādīyanam samarcanam*

'My dear Devi, although the Vedas recommend worship of demigods, the worship of Lord Visnu is topmost. However, above the worship of Lord Visnu is the rendering of service to Vaisnavas, who are related to Lord Visnu.' (Cc Madhya 11.31)

What more glory can be mine, my dear Prabhupada, than to be a foot soldier under the direct command to serve the most faithful and ever-dedicated Vaishnava Generals (Prabhus) of your transcendental army at ISKCON-Bangalore & group, of which you are the sole commander-in-chief?

Dear all-merciful father, Srila Gaura-kisora Das Babaji Maharaja once said: “Please take note that those sādhus who speak sharp words to drive away the witch of the illusory energy are actually the only real devotees of Kṛṣṇa and friends of the living entities. The conditioned living being experiences the distressful quarrelling of his wife and close relatives and is rudely treated by them until death, yet he never desires to leave their association. On the other hand, he absorbs himself in trying to appease and serve them. But when a devotee of the Lord, who is always desirous of the living entity’s ultimate welfare, chides him just once with instructions meant to drive away Maya, then that conditioned entity immediately makes plans to leave the saintly person for his entire life. If you actually want to perform devotional service properly, then you must accept the harsh language of the sadhu as the medicine by which Maya can be given up. By this one can obtain the necessary spiritual advancement to successfully chant the Holy Name.”

What more can I wish, than to allow the all-merciful sharp words of a true sadhu like you to penetrate the valleys of *anarthas* in my *cittam* and empower my soul to completely surrender at your glorious *charana-aravinda*, and to constantly meditate on your instructions and be engaged in fulfilling your transcendental desires?

Thank you, dear Prabhupada, for letting me start dedicating myself for your glorious mission this year.

What more can these words pronounce? Your glories are countless, so make me dance, make me dance, my dear Master, as you like; so that one day this fallen self will be able to render service purely at your Divine Lotus Feet.

Your eternal-servant,  
Pavana Nitai Dasa.

Dear Srila Prabhupada, Please accept my most respectful obeisance unto your lotus feet on this auspicious day of your divine appearance.

Your appearance is not like any ordinary human being, you appear just to deliver the fallen conditioned souls from the clutches of material existence.

*saṁsāra-dāvānala-līḍha-loka-  
trāṇāya kārūṇya-ghanāghanatvam  
prāptasya kalyāṇa-guṇārṇavasya  
vande guroḥ śrī-caraṇāravindam*

*The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities.*

Srila Prabhupada, before meeting you through ISKCON, I was so covered by illusion that I didn’t even know that I was suffering the pangs of birth and death. But you opened my eyes. Every moment I have been tortured by this material existence. From millions of lifetimes I have been suffering, covered by illusion. The shocking thing is I didn’t even know that I was suffering, why am I suffering? What is the goal of my life?

Thank you Srila Prabhupada, I eternally indebted to you for picking me from this ocean of material existence. At this point of time, O Guru Maharaj, I would like to pray you,

*om ajñāna-timirāndhasya jñānānjana-śalākayā*

*cakṣur unmīlitam yena tasmai śrī-gurave namaḥ*

*I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.*

I would offer my prostrated obeisances with deep gratitude to you again and again and again.

In Srimad Bhagavatam 6.16.6 purport, it is said

Being Harassed life after life by the laws of nature, the living entity wanders throughout the entire universe in different planets and different species of life. Somehow or other, if he is fortunate enough, he comes in touch with a devotee who reforms his entire life. Then the living entity goes back home, back to Godhead. Therefore it is said:

*janame janame sabe pitā mātā pāya*

*kṛṣṇa guru nahi mile baja hari ei*

In the transmigration of the soul through different bodies, everyone, in every form of life—be it human, animal, tree or demigod—gets a father and mother. This is not very difficult. The difficulty is to obtain a bona fide spiritual master and Kṛṣṇa. Therefore the duty of a human being is to **capture the opportunity** to come in touch with Kṛṣṇa's representative, the bona fide spiritual master. Under the guidance of the spiritual master, the spiritual father, one can return home, back to Godhead.

Srila Prabhupada, considering past one-year incidents, I got convinced that I am fully covered by the three modes of material nature, I try to avoid or escape some situations for a certain reason, but the same situations keep coming, later by your mercy I learnt that if a certain situation is coming, again and again, that means you are teaching me something there, I have got to learn something there. Prabhupada, you are so careful about me that I learn to handle the situation just by surrendering to you and praying to you.

You explained this in Srimad Bhagavatam 4.8.71 purport as

A spiritual master is expert in giving special instructions to each of his disciples, and if the disciple executes the order of the spiritual master, that is the way of his perfection.

I also learnt that just by following your instructions, I can come out of this three modes of material nature, which is also described in Srimad Bhagavatam 7.15.25 as

*rajas tamaś ca sattvena sattvaṁ copaśamena ca*

*etat sarvaṁ gurau bhaktyā puruṣo hy aṅjasā jayet*

One must conquer the modes of passion and ignorance by developing the mode of goodness, and then one must become detached from the mode of goodness by promoting oneself to the platform of śuddha-sattva. All this can be automatically done if one engages in the service of the spiritual master with faith and devotion. In this way one can conquer the influence of the modes of nature.

Srila Prabhupada, kindly forgive me for all of my offenses knowingly or unknowingly committed towards you, holy name, deities, and devotees.

Please help me to chant and hear the holy name with devotion and attention exactly how you have instructed. Please help me to follow 4 regulative principles strictly in the mind, body, words and help me to follow authorities exactly what they say without any personal motives, please keep me under good association of devotees. Kindly help me to please **Krishna**, for that is the only goal of my life.

Aspiring to be your humble, obedient, disciplined disciple,

Phaniraja Dasa.

Jai Srila Prabhupada,

Please bless me in my spiritual life, always give protection and strength. I do not have much knowledge about writing but I am always trying to follow rules and regulations strictly. Last year, I started service in chanter's club in the temple during the weekend program for visitors. Please give me the energy to do devotional services in a proper way. This year due to COVID19, after Gaura Purnima there has been no service in the temple and I don't know this will last till when. Please remove the disease as soon as possible so that I can get festival services soon. From 2007, I have never missed festival services. I am feeling very uncomfortable. Please help me to read your books regularly. Always give me the devotees' association. Please guide me.

Your servant's servant, Phanishwara Dasa.

Dear Srila Prabhupada,

Let me offer my humble obeisances unto lotus feet of my beloved spiritual master his divine Grace A C Bhaktivedanta Swami Prabhupada on the occasion of his 124th appearance day in this world.

My dear Srila Prabhupada, it is your causeless mercy upon me to be in your organization and it's a great opportunity for me to serve the senior Vaishnava who is engaged very seriously in serving your mission. Because of your causeless mercy, you made me understand that there is no pleasure in sense enjoyment rather unlimited miseries and sufferings in this, you forced me to give up this and lead a life of a devotee.

I offer my respectful humble obeisances unto your lotus feet again and again for having rigorous enthusiasm to serve.

Your eternal humble servant, Pradyumna Dasa.

## Prahlada Prana Dasa

---

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you, who are the most intimate servant of HDG Srila Bhaktisiddhanta Sarasvati Gosvami Prabhupada!

*tava kathamrtam tapta-jivanam kavibhir iditam kalmasapaham  
savana-mangalam srimad atatam bhuvibhanti ye bhuri-da janah*

"My Lord, the nectar of Your words and the descriptions of Your activities are the life and soul of those who are always aggrieved in this material world. These narrations are transmitted by exalted personalities, and they eradicate all sinful reactions. Whoever hears these narrations attains all good fortune. These narrations are broadcast all over the world and are filled with spiritual power. Those who spread the message of Godhead are certainly the most munificent welfare workers." (Bhag. 10.31.9)

Prabhupada, your sublime books are full of descriptions about the Supreme Lord and His activities. Your books are the root cause of the heart transformation of innumerable people in this world. Before coming in touch with you everyone was wandering blindly, without any aim in their lives. All were engaged in full material enjoyment, but after reading your transcendental books everyone got completely changed. This is one of the examples for the above-mentioned verse from *Srimad-Bhagavatam*, "These narrations are transmitted by exalted personalities." You have spread Lord Krishna's glories to each and every village and town, you have spread this *sankirtana* movement all over the world—this is another evidence

that you are most munificent as mentioned in above *Srimad-Bhagavatam* verse “Those who spread the message of Godhead are certainly the most munificent welfare workers.”

To work for Krishna and not to labour hard like an animal for one's own sense gratification, this changing process is called *bhakti*. In your purports you have conveyed such thorough understanding of the process of devotional service, such as hearing, chanting and remembering, etc. by which one can attain the highest goal of human life and not to miss the special opportunity of human life.

When one accepts a bona fide spiritual master, then one can learn how to distinguish between matter and spirit, and that becomes the stepping stone for one's spiritual journey. A spiritual master teaches his students how to get free from the material concept of life by various instructions. Otherwise, how can one, who is completely situated on the bodily platform, understand? To understand this one requires a great amount of good fortune and that great fortune was created by you in our lives. Actually everyone is suffering in this miserable world different kinds of happiness and distress, under the illusion of sense enjoyment, and are fooled by lust and desire to lord over all others. To overcome all these sufferings one has to become Krishna conscious and liberate himself, to transfer to the spiritual world. How can this happen? It's possible only when one gets the mercy of a pure devotee or come in touch with the his literature. Whatever way one performs devotional service under the proper guidance of a bona fide spiritual master, then there cannot be any more ignorance (ignorance of the real position of the self).

Prabhupada you are a touchstone. What touchstone does is, it converts any amount of iron into gold, and still it remains as it is. Similarly, a pure devotee of the Lord, by the grace of the Supreme Lord, He acts exactly like a touchstone. You converted this hard iron-like person into a shining gold. You changed this wretched, unworthy, unqualified person into a devotee of Lord Hari. You changed this most low born abominable *candala* into a qualified *brahmana* and gave a wonderful opportunity to worship the Supreme Lord. “One whose heart is not clean cannot think of the transcendental pastimes of the Supreme Lord, but if one can once again place the Supreme Personality of Godhead in his heart, he very easily becomes qualified to renounce material attachment” (SB 5.8.38 purport). This is possible only when one gets the dust of a pure devotee of the Lord and follows his instructions wholeheartedly. Then only one gets the strength to be freed from all material entanglement and place the lotus feet of Lord Sri Krishna in one's heart.

Prabhupada, there are so many dangers in this material world. This material world is a miserable place where there are dangers at every steps and I may fall down at any time. But if you bestow your causeless mercy upon this tiny *jiva* and keep me always under the shelter of your divine lotus feet and in the association of your sincere disciples, then only, by constantly chanting the Hare Krishna *maha-mantra*, I will be able to safeguard myself in the waves of this material ocean, in which however expert a swimmer one may be, he cannot survive and will drown in this great ocean.

You are a true Vaishnava whose only desire is to rescue others from this world of birth and death. You were always compassionate towards fallen souls. You worked so much to spread this Krishna consciousness all over the world. We can feel your heart overflowing with this intense form of Vaishnava love. A real Vaishnava is always unhappy by seeing others in a miserable condition.

By your causeless mercy this year one more beautiful desire of mine got fulfilled. This year there was a great pandemic of COVID-19, and because of this situation, I got a wonderful opportunity to serve you in an alternative way by making varieties of garlands for the pleasure of Their Lordships and for your divine pleasure. Even though you know very well that I don't possess any such qualities, but your grace offered me the required intelligence to serve you in different ways. This year one more wonderful incident took place in HK temple, i.e. Lord Jagganatha along with Baladeva and Subhadra from VK Hill—They came to HK hill and we had nice Ratha-yatra festival. Moreover, Their Lordships resided in HK Hill for one week and after that we had Bahuda Ratha-yatra. That entire week stay of Their Lordships created a festive mood everyday and we got a glorious chance to serve them. Gurudeva, thank you very much for bestowing your causeless mercy upon us and giving us shelter under your divine lotus feet, which are worshipable by everyone throughout the entire three worlds.

Prabhupada, request you to please accept this poorest homage of mine at the dust of your lotus feet.

Your useless servant, Prahalad Prana Dasa.

## Prarthana Devi Dasi

My humble obeisances unto the lotus feet of my beloved Gurudev Srila Prabhupada.

I am so fortunate Prabhupada to be your disciple. I thank you, Prabhupada, for giving me an opportunity to take to spiritual path and practice. I beg for your help in every step of my life so that I can practice Kṛṣṇa consciousness well, to please you and advance in the spiritual path and reach up to your expectation.

You are the only hope for me to uplift me from this material world. Please shower your mercy Prabhupada.

## Pruthu Dasa

Dear Srila Prabhupada, My Guru Maharaja,

Please accept my humble obeisance unto your lotus feet. All glories to you on this auspicious day of your Vyasapuja.

*om ajśāna-timirāndhasya jśānāśjana-śalākayā  
cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

"I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him."

Srila Prabhupada, literally I was loitering from one species of life to another species of life without knowing the actual relationship between Lord Krishna the Supersoul and the individual soul, by your and Krishna's causeless mercy now in

this human form of life I got to know what is the relationship between atma & Parmatma. I just feel so fortunate by your mercy that I got absolute understanding of the purpose of this human form of life which is to be Krishna conscious. I came to know that the soul's original position is “*jiver swaroopa hoye nitya Krishna das*” that is I am an eternal servant of Krishna.

Srila Prabhupada I always read and remember your letter, which you had written to Devananada on 23rd November, 1968, – A prayer to Sri Krishna from Srila Prabhupada –

*“My dear Krishna, please remind me to always chant your Holy Name, please do not put me into forgetfulness. You are sitting within me as Supersoul, so you can put me into forgetfulness or into remembering you. So please do not put me into forgetfulness. Please always remind me to chant, even you send me in to the hell, it doesn't matter, just so long as I can always chant Hare Krishna”.*

Srila Prabhupada I humbly request at your lotus feet, please continue to guide me & bless me so that I can chant 16 rounds of Hare Krishna maha-mantra daily without offenses and follow the four regulative principles without fail. From the bottom of my heart I really thank you so much for your causeless mercy and guidance. I really do not have words to express my gratitude to you Srila Prabhupada however one thing I beg is for yours & Sri Sri Radha Krishna chandra's mercy be always upon me and please count me one among your disciples.

Your humble servant,

Pruthu Dasa.

All glories to Srila Prabhupada!

Dear Srila Prabhupada, first of all I beg your mercy for writing this homage offering unto your lotus feet. Srila Prabhupada this insignificant soul is trying to glorify the transcendental glories through this homage offering. Kindly beg pardon for mistakes and inappropriate expression of feelings unto you Srila Prabhupada.

*om ajnana-timirandhasya jnananjana-salakaya  
caksur unmilitam yena tasmai sri-gurave namah*

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

*nama om visnu-padaya krsna-presthaya bhu-tale srimate bhaktivedanta-svamin iti namine*

*namas te sarasvate deve gaura-vani-pracarine nirvisesa-sunyavadi-pascatyadesa-tarine*

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at His lotus feet.

Our respectful obeisances are unto you, O Srila Prabhupada, servant of Sarasvati Gosvami. You are kindly preaching the message of Lord Caitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

Srila Prabhupada please accept my humble obeisances unto the dust of your lotus feet. This auspicious 124th anniversary of your divine appearance celebration gives one more great opportunity to glorify you.

I beg you to become pleased with me, for I am sobbing aloud and crying, "ALAS!" "ALAS!" in a great pitiful uproar just to petition you. By your own divine qualities, please favour this most unworthy soul and keep me always at your lotus feet. You are just like oceans of compassion.

Srila Prabhupada, as a neophyte I see your gifts as your words and your movement. Your words consist of philosophy, claims and instructions.

Your PHILOSOPHY is simple: Sri Krishna is the ultimate goal.

Your CLAIM is very serious: Only those who follow YOUR instructions will reach that ultimate goal (Sri Krishna).

And your INSTRUCTIONS are the most straight forward. They cover every move, every act and every thought. Without doubt, with full authority and gravity.

Just like in an ocean of water when we drop a stone in, it spreads waves across the ocean

In just twelve years, in spite of your advanced age, you circled the globe fourteen times and spread the waves of Krishna consciousness movement across the globe. In spite of such a vigorous schedule, you continued to write prolifically. Your writings constitute a veritable library of Vedic philosophy, religion, literature and culture which provided shelter for numerous *jivas*.

*yasya prasada bhagavat-prasado  
yasyaprasadan na gatih kuto 'pi  
dhyayan stuvams tasya yasas tri-sandhyam  
vande guroh sri-caranaravindam*

By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.

By your mercy even a moment association of your devotees one can achieve all perfection, You have given us the opportunity to become perfect by following regulative principles, chanting 16 rounds of Hare Kṛṣṇa Mahamantra, You always showed faith in us and unflinching faith in the holy name of Lord Kṛṣṇa and it made our desire to become a devotee. You have accepted Your Gurumaharaj orders sincerely and you successfully established the ISKCON movement all over the world. Many people have benefited by your association, by reading your books, visiting ISKCON temples, you have distributed your waves of kindness to all who visited you and one big benefit is being a member of ISKCON society.

Please allow me to remain in the association of your followers, the greatest danger is to lose the shelter of your lotus feet, my desire is to continue being your servant of the servant of the servant. I can offer my heart and soul to you in your service.

Dear Srila Prabhupada,  
Please accept my humble obeisances. All glories unto your divine grace.

I believe that every moment in my life, there is scope for improvement. I am never perfect. And the situations are never the same. Just, for example, the COVID situation has brought a huge impact on the entire world and in devotees' day-to-day activities as well. If your causeless mercy is not on me, within a few moments, I may go into the clutches of Maya.

The entire world may be looking at the year 2020 to be inauspicious, but still, I think I got to learn many things because of the pandemic, otherwise, it would have taken a few years. Even the association of the senior devotees through regular online sessions was/is an awesome opportunity.

Many times, I might develop pride due to the success in the services. But, please bless me to be humble. Let me always remember that without your mercy, without Lord Krishna's mercy I can see no success in devotional service.

I beg for your mercy so that I can:

- A. Stay as a simple and humble servant of yours.
- B. Always be engaged in devotional service.
- C. Avoid prajalpa and waste time in unnecessary things.
- D. Commit no offenses against any, especially Vaishnavas.
- E. Be away from lust, greed, anger, false ego, enviousness etc.
- F. Be in the association of the devotees always.
- H. Chant the holy names of Lord Krishna attentively and offenselessly.

Your servant,  
Radha Mohana Dasa.

Dear Spiritual Master Srila Prabhupada,

Please accept my respectful obeisances unto you.

I was born in the darkest ignorance and you opened my eyes with the torch of knowledge.

Human life is compared to a boat that provides one an opportunity to cross over this ocean of repeated birth and death. How will I cross over this ocean of nescience unless I take guidance and association from an expert guru like you?! Srila Prabhupada, please give me the strength to bear all trials and troubles and free me from all desires. I have no one for proper guidance except you and I always want to continue to spend my time following your instructions.

In this long life, I have committed so many mistakes knowingly and unknowingly and you have been so kind enough to forgive all my offenses committed at your lotus feet and bestowing your eternal association in this long journey back to home, back to Godhead and attain shelter at the lotus feet of Sri Sri Radha Krishnachandra.

Thanks a million for being so merciful unto this fallen soul.

Your unworthy servant,  
Radhaleeshwari Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet on the most auspicious day of your Divine Grace. All glories to your Divine Grace.

Thank you Srila Prabhupada to give me one more opportunity to this insignificant disciple to glorify you. Srila Prabhupada I don't know how to glorify you because the words in the dictionary are also less for your glorification. Srila Prabhupada please continue showering your blessings upon this disciple to advance in spiritual more and more that I can serve You and to the Supreme Lord best of the best way, without you I am nothing and helpless.

Srila Prabhupada how you are very KIND towards the whole world that at your old age you have taken so difficulty and travelled through the whole world and given the Krishna Bhakti to the all the fallen souls, I am one of them who was rotting in this material world and was getting beaten by Maya but you saved me and engaged me in the service of your divine grace and the Supreme Lord. It's all your Kind Srila Prabhupada. Srila Prabhupada how do not make anyone your ENEMY, Prabhupada when you started this movement whole world became enemy of your movement, especially the communist countries like Russia, where your disciples risked their life for your service and you converted the whole communist country into Krishna-ist country, today which comes under one of the Top 10 Krishna conscious country, where ISKCON operates 120 centres across Russia, runs schools for children, publishes dozens of book titles in Russian and distributes free food to the poor and victims of natural disasters.

Srila Prabhupada, it is because of your spiritual quality and straightforwardness present of Lord Krishna's original message through the Bhagavad-Gita As It Is, what Lord Krishna has instructed to Arjun in the battlefield of Kurukṣetra. People took that message and began to understand the message and received through great delight which has been mentioned in Bhagavad Gita As It Is. Such was the powerful effect of your TRUTHFULNESS, and The Bhagavad Gita As IT Is the book which read by the largest number in the whole world, and it has been changed my life also after reading your books.

Srila Prabhupada you perfectly exhibited the MAGNANIMOUS nature of a pure devotee of Lord Krishna. The spiritual value what you have given were filled tremendously in the whole world, you gave us a wonderful philosophy, knowledge of our true spiritual identities, beautiful deities of Krishna to worship, the all auspicious holy name of Krishna and Delicious Krishna prasadam. Also, you gave us the spiritually enlivening association of devotees, but in return for all these things for yourself, you have not asked anything. Simply asked us to refrain from sinful activities, chant Hare Krishna and distribute the knowledge of Krishna conscious to others. One is said to be DESIRELESS when his only interest lies in satisfying the transcendental senses of Lord Krishna. The living entities' desires are flowing like a river in their heart, but you taught us the process of Krishna consciousness where one can change the quality of those desires from material to spiritual. This DESIRELESSNESS is one of your qualities, which inspires me to serve the Lord without any desire. Because a pure devotee of Lord Krishna is desireless, he is naturally INDIFFERENT TO MATERIAL ACQUISITION. Material facilities may come and go, but that does not concern him in the least. Srila Prabhupada once you have pointed out that if you had simply sat beneath a tree and preached, very few people would have come to listen. Therefore, to effectively deliver the message of Lord Krishna, you constructed beautifully ornate temples. At no time, however, you desirous of settling in comfortably to enjoy these facilities, choosing instead to follow a rigorous schedule of traveling and

preaching, which no comparison at all, this quality inspires me each and every time an extra step and an extra mileage for you and your mission. A pure devotee never depends on the accumulation of MATERIAL POSSESSIONS for his happiness. He accepts only what is necessary to perform devotional service and maintains full awareness that these facilities are actually the property of the Lord. During the years spent in Vrindavana preparing for your eventual journey to West, you lived in very simply in a tiny room in the courtyard of the Radha-Damodar Temple. After preaching vigorously in the west for a number of years, you had access to much opulence, yet you have never claimed any of it as your own and used every penny in the service of Krishna. Srila Prabhupada this one of your quality which I am trying to develop within me. Srila Prabhupada how you are FIXED and determined to carry out diligently the words of your Spiritual Master to preach the Krishna conscious in English, and you took the words of your spiritual master as life and soul. As a result of your fixed determination, all of your preaching activities were crowned with glorious success. Srila Prabhupada your HUMILITY was inconceivably deep and heartfelt, and it inspires me a lot, one of your lecture touching the heart deeply where you mentioned to your disciples as they are the representative of your spiritual master, also you have mentioned that all of you sent to assist in the preaching mission. By this expression of sincere gratitude, you displayed the mood of devout humility. Anyone pursuing the spiritual path should aspire to follow in your footsteps also in this regard. A devotee of Lord Krishna should always GRAVE, and you have mentioned gravity means always serious about Krishna consciousness but not act artificially, Srila Prabhupada your personality was a most vibrant, still, your life abounded with laughter and spiritual enjoyment, yet you are very serious about Krishna Consciousness, that you have never forgotten Lord Krishna, not even for a moment and in this way you displayed the perfect GRAVITY. Srila Prabhupada you are NOT DEFIANT, being endowed with all humility and respect, so after the first discussion with Srila Bhaktisiddhanta Saraswati Thakur, you graciously surrendered to him and accepted him as your Spiritual Master. From this transcendently instructive pastime, one can see how a pure devotee of Lord Krishna is never defiant, and also how one must conduct himself in the presence of genuinely advanced Vaishnavas, if one wishes to rise to the platform of spiritual consciousness. Srila Prabhupada although you are a personal associate of Lord Krishna, capable of giving spiritual guidance to the entire world, but you always surrendered to the lotus feet of your spiritual master and never evinced even a hint of defiance in your character.

Srila Prabhupada how you are very RESPECTFUL to all living beings because, you see them as parts and parcels of the Supreme Lord Krishna, with fully in love. Also, you treated everyone whom you met with the utmost respect, thus softening their hearts and rekindling their spiritual sentiments. Srila Prabhupada as you see EQUALLY to the spiritual nature of all beings, regardless of their temporary material forms. As you observe that all souls, in their pure state, are qualitatively equal, though their individual spiritual identities are unique. In addition, you are always trying to uplift them and sees and treats everyone in that spirit. Srila Prabhupada you perfectly exhibited this sublime quality and was thus the ideal representative of Lord Caitanya and Lord Nityananda, desired to flood the entire world with the love of Krishna. You constantly immersed in distributing their mercy to everyone, and you humbly requested your disciples to assist you in this effort. You have never seen anyone nor of any of your disciple in unequally. You see here is someone let me engage him in the service of Krishna without seeing any quality and qualification nor even any difference. This is called panditah sama-darsinah. vidya-vinaya-sampanne brahmane gavi hastini suni caiva sva-pake ca panditah sama-darsinah The humble sage, by virtue of true knowledge, sees with equal vision a learned and gentle brahmana, a cow, an elephant, a dog and a dog-eater [outcaste].

Srila Prabhupada you exhibited summit CLEANLINESS, both internally and externally. Your heart and mind were constantly submerged in the purifying waters of love of Godhead, and your shining body was always engaged in Lord Krishna's pure devotional service. Srila Prabhupada your cleanliness was so profound and far-reaching that not only you yourself impeccable, but you also purified the lives of thousands of young men and women who had previously possessed no proper concept of spiritual or bodily cleanliness. Srila Prabhupada you have described some of your lecturers that the mind of the pure devotee as being very PEACEFUL, like a pond filled with crystal-clear water, beautiful lotus flower, and swans gliding across it. This much state of mind is a natural quality of one who is situated in transcendence, at the lotus feet of Krishna. Srila Prabhupada you are very peaceful due to your own pure Krishna consciousness. Shouldering the immense pressure and responsibility of a worldwide spiritual family, with its concomitant problems, Srila Prabhupada you gracefully meted out love, guidance, and practical instructions with full composure, never once losing touch with his

peaceful Lord Krishna. Srila Prabhupada's mild demeanor was another very attractive feature of your divine personality. In the material world, when a person attains a position of high authority, he often becomes influenced by false pride and loses the quality of gentleness in his behavior. Thus he becomes a source of anxiety for his subordinates. Srila Prabhupada, although you are the world's greatest spiritual authority, never displayed even a drop of false pride and always maintained a MILDNESS around which everyone felt at ease.

Srila Prabhupada you are poetic, not only in the literary sense, as evidenced by your beautiful poems which glorifies your spiritual master and Lord Krishna, but in every aspect of your personality as well. Your gesturing, walking, talking, singing, smiling, dancing, and worship were all done with a natural POETIC grace, as befitting a swanlike pure devotee of the Lord. The living entity in the material world has become mad due to the influence of Maya. In reality, he is an eternal spiritual spark, part, and parcel of Krishna, but in illusion, he sees himself as a material body, forgets his intimate relationship with the Lord, and fails to see how everything around him is emanating from the Absolute Truth. But Srila Prabhupada you are never under such misconceptions, however, as evidenced by your pure devotional service. Out of natural humility, you never promoted your own elevated status, but once, when pressed by your disciples for information concerning your position, you modestly replied, "Never was there a moment when I have not thought of Krishna in this life." Srila Prabhupada your unwavering remembrance of Krishna provided the perfectly effulgent example of spiritual SANITY, and by faithfully serving your lotus feet we will soon become free from our material illusion. Srila Prabhupada you being situated in the internal spiritual energy of Lord Krishna, you are FAULTLESS, free from the four material defects, namely the tendency to commit mistakes, to be in the illusion, to cheat others, and to possess imperfect senses. Because you performed your devotional activities in a mood of full surrender to Lord Krishna, you are guided by the personal hand of the Lord and was consequently mistake-free. Your freedom from illusion was shown by the fact that, through your preaching work, millions of souls were enlightened with spiritual knowledge. By sacrificing your own bodily comforts for the service of mankind, you demonstrated your complete freedom from the tendency to cheat others. And finally, your eyes, being smeared with the ointment of love of God, were fully spiritual, as were the rest of the senses, which were ever engaged in the transcendental loving service of Sri Krishna.

Srila Prabhupada you are complete SURRENDER TO LORD KRISHNA, was shown by your constant engagement in devotional service with mind, body, and words. Another symptom of a soulfully surrendered to Krishna is absolute detachment from the bodily concept of life. At the advanced age of seventy, despite several heart attacks and many other ordeals, you single-handedly penetrated Maya's formidable stronghold and planted the seed of devotional service in the hearts of thousands of fallen souls. You are able to do this because you are completely free from material attachment, and full surrender to Krishna. Srila Prabhupada although you have received the most opulent prasadam, presented to you in grand amounts by loving disciples, you have never indulged in luxury, taking only modest portions and distributing the remainder to the devotees. As a rule, one in the renounced order of life is forbidden to eat delicious food. Srila Prabhupada, however, you never victimized by these culinary delights. You always maintained full spiritual potency and complete dedication to satisfying the transcendental senses of Lord Krishna.

An aspiring devotee of Lord Krishna, who is serious about spiritual life, strives to CONTROL THE SIX BAD QUALITIES, namely, lust, anger, greed, illusion, madness, and envy, which act like deadly poison upon the consciousness if not subdued. The practical method for accomplishing this is to actively engage the body, mind and words in the lord's devotional service, which has the potency to neutralize these vices, as a serpent is robbed of its capacity to inject poison when its fangs are removed. Srila Prabhupada you didn't need to control these vices, however, as they were completely absent from your nature. You are like a *vaidurya* gem, manifesting many beautiful, transcendental qualities at every moment. It is stated in the Krishna book, the story of Sudama Brahmana that when loving service is rendered to Lord Krishna, the entire creation benefits. Thus, a pure devotee of the Lord, who always engages in devotional service, PERFORMS WELFARE WORK FOR EVERYONE. Srila Prabhupada you served Lord Krishna wholeheartedly and without deviation during your lila in this planet. In this way you benefited the entire world, indirectly, by your own pure devotional service, and directly, by offering a potent spiritual program, capable of eradicating the material existence of anyone who takes to it seriously. Your welfare work did not stop with your physical disappearance, however, as the preaching force you set, in motion will continue to

spiritually uplift the inhabitants of this planet for the next ten thousand years. Srila Prabhupada when you arrived in America in 1965, you have faced the tremendous challenge of attracting gross materialists to the sublime spiritual process of Krishna consciousness. Although such a feat seemed impossible, you miraculously ignited a spiritual explosion, the vibrations are still resonating throughout the world. You demonstrated unprecedented preaching skill by presenting Krishna consciousness perfectly according to time and circumstance, offering such an attractive and palatable spiritual program that any sincere soul could easily follow. Today, at Ratha-yatra festivals all over the world, millions of people chant, dance, wave and cheer in a universal expression of appreciation, as Lord Jagannatha's colourful chariots float through the city streets. From this it is clear that Srila Prabhupada you are so EXPERT that, even in your physical absence, Krishna consciousness is being spread far and wide by the faithful application of your instructions. According to Vaishnava philosophy, being silent means to engage the tongue in speaking only about topics related to Lord Krishna. Srila Bhaktisiddhanta Sarasvati Thakura used to encourage silence in his disciples, telling them, "Nonsense talk breeds nonsense thought, breeds nonsense action, breeds birth, death, old age, and disease. Srila Prabhupada, you are being the foremost disciple of your spiritual master, the chief exponent of this adage in the modern age, single-handedly spreading Krishna-katha all over the world through your lectures, discussions, books and translating work. Your words are a river of nectar flowing mercifully into the hearts of the devotees, and in due course of time, this mighty river will SILENCE. A pure devotee of Krishna is always COMPASSIONATE upon the fallen souls, who are suffering greatly in the blazing fire of material life. He is ever busy making arrangements to relieve their distress and is pleased when he sees them advancing on the path of spiritual happiness. Srila Prabhupada you are compassion personified, dedicated your every breath to spreading Krishna consciousness, resting only a few hours every night to keep body and soul together. In the Bhagavad-gita Lord Krishna states that He is the FRIEND of all living beings. As the Lord's intimate associate, Srila Prabhupada you also displayed friendship to all by dint of your constant engagement in spiritual welfare activities. In the material world, friendships are formed on the basis of mutual sense gratification, and when sense gratification is disturbed, the relationship is either damaged or discontinued. Srila Prabhupada you are a true friend to all, however, because you formed relationships with others motivated by your unalloyed desire to assist everyone in achieving the highest goal of life. You never desired to exploit anyone, and if there was ever an offense committed against you or some difficulty caused by others, you never took it seriously. Srila Prabhupada, you accepted the karma of all your disciples, and you had to undergo what appeared to be suffering. In spite of this, you never withdrew your mercy and friendship. Significantly, you always closed the letters to your disciples with the words, "Your ever well-wisher." The spiritual friendship of a pure devotee like you Srila Prabhupada is the rarest of gems, and intelligent persons will certainly appreciate, revere, and guard it as life's dearest treasure. Thank you Srila Prabhupada for your guidance to write offerings on your glorification. Prabhupada I am finding difficulty in some of the aspects of devotional service e.g. mind goes here and there when I am reading your books when I am chanting this mind disturbs so much. But I thank you Srila Prabhupada if I compare today myself down to the 5 years, there is a tremendous change has been happened in controlling the mind and senses, it is because of you, the day you have given me the holy name from that time onwards the mercy of Nama Prabhu flows upon me constantly as the water flows in the river without any stop. So my only request to you that please continue your mercy as water flows in the river without any stop than only I can be able to chant the holy name attentively, clearly and distinctly, for this, I need the strength, intelligence, and ability from you, which I don't have. Srila Prabhupada by your mercy this year I have got benefitted by Soulful Japa, which has been shared by HG Madhu Pandit Prabhu, with various modules, which helped me to improve the quality of Japa. Srila Prabhupada please guide me that I shouldn't commit any offenses unto the lotus of Vaishnavas, forgive the offenses if I have committed unto your lotus feet. Srila Prabhupada please forgive me any offenses in writing offerings to you, as I was thinking this time what to write for your glorification, suddenly thought came I should glorify your qualities, then I thought it is only and only your guidance, but it was a challenge how to write, but by your mercy, I could pen down a few lines.

Thank you Srila Prabhupada to make eligible to write offerings to you.

Your Eternal Servant,

Radhapati Dasa, ISKCON Bangalore.

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe nirviṣeṣa-sūnyavādi-pāścātya-deśa-tāriṇe*

Dear Śrīla Prabhupāda,

Kindly accept my most humble obeisances at your lotus feet. On this most auspicious day of your appearance, I wish to express my deepest gratitude for your causeless mercy upon me. As the altar doors open for darshan at 4.30 am every morning and our day begins with “ Samsara dava nalalida loka “, I would just vibrate with my tongue without absorbing in the meaning of the verse. Presently, with an uproar of the pandemic the world is going through waging a war against the people and seeing the trauma all over the world, I am able to relate with the divine words of great Acharyas. The divine instructions in the form of Bhaktivedanta Purports pouring out from the core of your heart out of compassion, which were written setting aside your night sleep just to wake up the suffering souls who are in deep slumber and to bring about a ray of hope in this material world. As per your prediction, your books would be the future law books for references. Many souls got attracted to Lord Krishna and his teachings by your grace. During the pre-independence period, Britishers had made various plans to stop humongous gatherings at Puri Jagannath Ratha yatra by giving lame reasons but they couldn't succeed in their attempts. On the other hand, Your Divine Grace could carry Lord Jagannath out of Puri for the first time and arrange grand Ratha yatra in all the major cities across the world bringing about real glory to the name “The Lord of the Universe“. Generally, people glorify Mahatma Gandhiji for driving-away the Britishers from India and getting us the Independence. But Your grace could able to engage the Britishers in the transcendental loving service of Lord Krishna by showering your causeless mercy upon them. Prabhupada, you are a divine hypnotist.

On this occasion, I would like to recollect your divine instructions in a room conversation dated Nov 20, 1966 in Newyork.

Student: What is disease?

Prabhupāda: Oh? You have never suffered from disease? You have never suffered from disease?

Student: I've had, I've had the mumps and the measles and whooping cough, [laughter] which is what everyone has, and you get over...

Prabhupāda: Everyone has, that does not mean because..., that does not mean... Everyone is now suffering from this winter season, but that does not mean that is not suffering. So we have to admit that we are always in suffering.

Student: If I've never known happiness, I feel sure I've never known suffering either.

Prabhupāda: That is due to your ignorance. We are in suffering. We don't want to die; the death is there. We don't want to be diseased; the disease is there. We don't want to become old; the old age is there. So we don't..., so many things we don't want, but they are forced upon us. And any sane man will admit that these are sufferings. But if you are accustomed to these sufferings so you say, "It is all right," that is a different thing. But naturally, any sane man, he won't like to be diseased. He won't like to be old. He won't like to die. You see? Why this movement? Because if there is war, there will be death. So people are afraid. They're making agitation, "There should be no war." So don't you... Do you think that death is very pleasurable thing?

Student: I have never experienced...

Prabhupāda: You have experienced; you have forgotten. You have exper... Several times you have died, you have experienced, but you have forgotten. Forgetfulness... Forgetfulness is no excuse. Forgetfulness is no excuse. Suppose a child forgot some suffering. That does not mean that he did not suffer.

Student: No, I agree. I agree. But...

Prabhupāda: Yes. So suffering's there. You have to take version from realized souls, from, I mean to say, authorities, that this... Just like in the Bhagavad-gītā it is said that duḥkhālayam aśāśvatam [Bg. 8.15]: [After attaining Me, the great souls,

who are yogīs in devotion, never return to this temporary world, which is full of miseries, because they have attained the highest perfection.] "This place is full of miseries." So one has to realize it. Unless we understand that this place is miserable, there is no question how to get out of it.

Student: So we have to...

Prabhupāda: Similarly, a person who does not develop this miserable condition of this world, he is not fully developed. Just like the animals. Animals, they do not understand what is misery. They do not understand. They are satisfied. [break] [end]

Kindly shower your mercy to realize and internalize all your instructions and follow them sincerely. I humbly beg from the core of my heart to engage me in your service and help me to build faith by purifying the consciousness which is presently full of contamination.

Trying to be your servant,

Raghukula Nandana Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to Srila Prabhupada.

All glories to you on this auspicious day of your Vyasa puja.

Prabhupada with your special mercy we were able to have daily darshan arati of Lord Radha Krishna chandra. For several years, we both were chanting Hare Krishna Maha mantra daily but we received immense essence of chanting only after receiving ritvik initiation. Only after receiving initiation, our lifestyle, puja vidhana, ahara paddhati changed with this we were able to find peace in life.

Prabhupada we are very grateful to you for spreading Krishna consciousness, Srimad Bhagavatam and Bhagavad Gita to the whole world.

Prabhupada you are an inspiration to the whole world, even at the age of 70+ years, you traveled around the world several times for spreading the knowledge of Krishna Nama, due to this crores of Vaishnavas are benefitted.

Dear Śrīla Prabhupāda,

Please accept my humble obeisance at the dust of your lotus feet on this most auspicious day of Your Divine appearance. On this most auspicious day, I am here with a minute offering just to worship You and remembering Your lotus feet.

Śrīla Prabhupāda, Your greatest gift for the humankind is Your purports. Last year we have been to the countryside for book distribution. One grandfather, a cowherd man, about 70 years old pickup Telugu Krishna Book and read almost for 30 minutes and told that he had a lot of spiritual books from great personalities, but "Your book is very special and none of the books he has have the depth of the details". Śrīla Prabhupāda, Your books are being relished by great scholars and as well as common people.

Śrīla Prabhupāda, in BG 7.1 purport, by referring to SB 1.2.17~21 verses, you wrote: “In the Śrīmad-Bhāgavatam this process of understanding Kṛṣṇa, the Supreme Personality of Godhead, the Absolute Truth, is described in the Second Chapter of the First Canto as follows:”. Though I have read above SB verses a couple of times, I could not realize that Srila Sūta Gosvāmī is giving the process of understanding the Supreme Personality of Godhead, due to not studying the scriptures scrutinizingly. After reading Your Divine purport in BG 7.1, I could co-related the verses of SB 1.2.17~21. They help the reader to get the highest depth of knowledge, co-relate the topic being discussed. They fulfil the thirst of expert and thoughtful men. Śrīla Prabhupāda, Your purports are touchstones, by simply reading a single purport with attentively, the touchstone turns one into the supreme realization that we are eternal and servant of The Lord. Thank You for such a great gift for us.

*“O expert and thoughtful men, relish Bhativedanta’s purports, the mature fruit of the desire tree of Vedic literatures. It emanated from the hands of Śrīla Prabhupada. Therefore, this fruit has become even more tasteful, although its nectarean juice was already relishable for all, including liberated souls.”*

Dear Śrīla Prabhupāda, Personally, I have no hope for relishing the nectar in chanting the Hare Krishna Maha Mantra, due to the contamination and dust accumulated in millions of births. But I am confident that by following your instructions one day I will be relishing the nectar in chanting. Oh my Guru Deva, let me with all my earnestness pray at your lotus feet to allow me to suffer a lot for which I am destined due to my past misdoings and released from such misdoings so that I will get chance to relish the taste of the holy names of the Lord.

Your insignificant servant,

Raja Rama Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances

First of all, I thank you a lot for showing mercy upon me. by which I am able to practice Kṛṣṇa Consciousness, even though I don't have any qualification.

When so many bogus gurus are loitering in the world, I think I am fortunate to have a glorious Spiritual Master like you. You are a true servant of Lord Kṛṣṇa.

The world is going through a tough phase now, but your Divine Grace has warned many times in your lectures, books, conversations that various calamities are going to come in the near future and one can be peaceful only if one practices Kṛṣṇa Consciousness.

You have told that all solutions for all problems are there in this framework of Kṛṣṇa Consciousness which you have made. I thank you a lot for giving me the idea of reciting various prayers in Śrīmad-Bhāgavatam like Gajendra’s prayers, killing of Hiranyaksa by Varahadeva etc, which has really helped me a lot to overcome from various negative energies and extremely dangerous situations. Your lectures and books are very soothing for any conditioned soul, only thing is one should be sincere in following your rules.

I am eternally indebted to you, and I wish to be your eternal servant.

Your unqualified servant,

Rajashekara Dasa.

Dear Gurudeva Srila Prabhupada

Please accept my humble obeisances on this auspicious occasion of your 124th appearance day at your lotus feet

All Glories unto You

I thank you so much for guiding me to advance in Krishna Consciousness day after day and year after year through your books, lectures, morning walk conversations etc.

Prabhupada, after spending around 3 yrs of my life in Ashram, I feel that I have made a lot of advancement in my spiritual life and I'm confident that I will make more in the years to come by. The morning program that you have given us, and also living in a devotee community helped me a lot in making this advancement.

I thank You for the below-mentioned points.

- 1)Clear understanding of Bhagavad Gita which I have got by reading it, and attending your lectures on it.
- 2)Better health this year.
- 3)Making my realization stronger that we are not this body and also trying to act on that platform.

I read in one of your pastime which is mentioned below:

Srutakirti Dasa: After the morning walk, Srila Prabhupada walked through the side door and up the stairs. Whoever had been on the walk would come inside and chant, "Jai, Prabhupada!" as Prabhupada regally walked upstairs. Once when Prabhupada was halfway up, he smiled and looked down at us. We were all New Vrindavan boys, Kirtanananda, Kuladri, and I. Then Prabhupada looked up the stairs and said, "I want to run up these stairs. I used to run up stairs, but now the body won't allow it. This is how we can understand we are not this body." For Prabhupada, everything was an example we could learn from. Prabhupada said, "That desire is still there, unchanged. I still want to run, but now I can't." Of course anyone that walked with Srila Prabhupada in the morning knew that we practically ran. His pace was incredible. So Prabhupada's example was a bluff, but he used it to instruct us about the spirit soul.

- 4)For giving me an opportunity to join Iskcon Bangalore ashram. because of which I have benefitted Immensely.

You have changed my life altogether by giving me this opportunity. and I thank you ever so much for that.

Prabhupada, I can't tell you how much inspiration I got after joining Ashram.

I got an opportunity to live with elevated Vaishnavas who have changed my consciousness Altogether through their words, actions, convictions, examples, realizations.

Please continue to guide me, and make me your humble and your dear servant Prabhupada.

Your insignificant disciple,

Rama Govinda Dasa.

Dear Srila Prabhupada,

I thank you from the core of my heart for giving me shelter at ISKCON Bangalore to serve your mission as a full time devotee. Last year, in my Vyasa Puja offering to you, I was begging for your mercy to give me an opportunity in this life to serve your mission as a full-time devotee amidst of so many obstacles. This year your Grace has granted me the same. I am very blessed to be part of your divine mission. One thing that motivated me in your teachings was, "Simple Living and High Thinking", Your Grace mentioned at several places that not to trust this material civilization and one day it will collapse. We all are seeing a sample of it in the form of Corona pandemic where entire world came on its knees as they have no idea about how to find peace. From your teachings I am firmly convinced that everything is in control of Krishna and nothing can happen without Krishna's sweet will. Many people are struggling to have one meal per day, people are walking on roads for thousands of miles to reach their hometowns to survive. Here I am at your shelter in chanting 16 rounds every day and honouring Krishna Prasadam. It is all due to your mercy upon me.

Across the world many great personalities have accepted that mother nature is taking revenge on us for our sinful activities. In one of your conversations, you mentioned as below

"Every ten or fifteen years there is a big war—a wholesale slaughterhouse for humankind. But these rascals—they do not see it, that by the law of karma, every action must have its reaction. You are killing innocent cows and other animals—nature will take revenge. Just wait. As soon as the time is right, nature will gather all these rascals and slaughter them. Finished. They'll fight amongst themselves—Protestants and Catholics, Russia and America, this one and that one. It is going on. Why? That is nature's law. Tit for tat. 'You have killed. Now you kill yourselves.' "(Srila Prabhupada Conversation, Paris, June 11, 1974)

It is clear indication that mass slaughtering of humans is happening now and even though we say this reason to people, they are so ignorant that they can't even digest the fact that there is life existing apart from working in the corporate office. I am very grateful to you and Lord Krishna for motivating me to quit my job at the right time and surrender to your mission. I am begging you to please use me as an instrument in reaching your message to many jivas around the world.

Srila Prabhupada, my prayers unto you is to always keep me under your shelter and don't let me go away from you. Please give me sufficient strength to face the obstacles in surrendering to Krishna and always engage in your divine mission.

Your humble servant,

Rama Sevaka Dasa.

Hare Krishna,

Please Accept my humble obeisances. All Glories to Guru and Gauranga.

I am acknowledging my faults and begging your pardon for the same, Gurudev kindly shower your causeless mercy on us for executing unalloyed devotional service through your guidance for the better advancement of my spiritual journey.

Certain moments, I am totally confused about what is best for my progress and through the guidance of senior devotees I am trying to overcome the defects for better part of my life.

Gurudev, please give me the strength to propagate this Kṛṣṇa consciousness, so that your fame can be spread all over the three worlds.

“Ebe Jasa Ghusuk Tribhuvana”

Gurudev, please guide us to surrender to the lotus feet of “Nitai Gauranga.”

“Yatha Yatha Gaura Padaravinde,

Vindeta Bhaktim Krta Punya Rasih,

Tatha Tathot Sarpati Hrdya Kasmad,

Radha Padambhoja Sudhambu Rasih.

To the degree that we surrender to Lord Caitanya's service, to that degree we acquire qualification for service to Radharani's Lotus Feet in Vraja. {CC. Text -88}

Gurudev please guide us, not to commit "Vaishnava Aparadha" during our service in our daily routine works and give us the strength to follow our authorities to execute smooth running of works. The sole reason is that I am finding it very much difficult to adhere to the words of authority at certain times due to my stubborn attitude.

Gurudev please shower your blessing to be patient and tolerant in any circumstances of our daily routine engagements.

Gurudev once again I am begging you to shower your causeless mercy" on me & to our family.

For now and forever your eternal servant,

Ramanisha Dasa.

My Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your Divine Grace.

It is said in the Caitanya Caritamrta (Madhya 19.151)

*brahmāṇḍa bhramite kona bhāgyavān jīva  
guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja*

"According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Kṛṣṇa. By the mercy of both Kṛṣṇa and the spiritual master, such a person receives the seed of the creeper of devotional service".

Every single time I contemplate on the above verse, I am amazed by thinking again and again about my great fortune to have come in touch with your Divine Grace. This very word "kona bhagyavan" indicate that I am one of those greatly fortunate souls who have received your mercy. You have aptly said that in every birth we will have father and mother, but it is not possible to have a guru and Kṛṣṇa.

You are the indefatigable defender of the Vaishnava Siddhanta and you preached the message of Lord Sri Caitanya Mahaprabhu all over the world. Your preaching is like the roaring of a lion by which you nullified all the atheists and voidists. Yet you are most humble than a blade of grass and exemplified this essential behavior of a pure Vaishnava. You are the rightful representative of Srila Vyasadeva and your every word is filled with Vedic imports. Your every action reminds us of Krishna. You are like a storehouse of all good qualities.

You have given immutable instructions for all times under which we can seek our shelter always. Even in the current crisis situation which is unexpected, listening to your words gives me energy and strength to face the challenges.

Srila Prabhupada, I am eternally indebted to you for having blessed me with the greatest thing in the universe; the chanting of Hare Kṛṣṇa Maha mantra, not seeing my disqualifications and undeserving nature. On this most auspicious occasion of Vyasa puja, I beg you for your mercy and strength so that I can make spiritual progress on the path chalked out by you.

Your insignificant servant,

Ramapriya Devi Dasi.

Dear Srila Prabhupada,  
Please accept my humble obeisances unto your lotus feet,  
All Glories to you.

Life has become joyous and blissful from the day I have stepped in your Krishna Consciousness Movement. I always wonder how days have passed so quickly being in brahmachari ashram life. By your grace, I have got nice godbrothers & caring authorities in the ashram.

I remember one of your quotes which goes,

" Without Krishna Consciousness, one may enjoy all material comforts but one cannot have happiness. We are therefore trying to give human society the opportunity for a life of happiness, good health, peace of mind and all good qualities through God-consciousness."

I really feel this has come true in my life. Srila Prabhupada! You have been so kind and generous to bestow your compassion and mercy on me.

Past Three years I have been engaged in Fund Raising service in the temple. In this, I have received good respects and results by your grace. But often my rascal mind takes pleasure within giving credit to himself.

With respect to this case, I remember one story which read like this: A donkey was carrying a deity of Lord Krishna on his back for an important annual religious puja. When he passed through the villages on the way, villagers bowed to the deity of Lord Krishna. In every village, a crowd would throng to pay obeisance. The donkey started thinking that people were bowing to him and was thrilled with this newfound respect. After leaving the Deity at the place of the puja, his master loaded vegetables on him and they stayed their return journey. This time, nobody was paying any attention to the donkey. The cold-shouldered donkey felt so frustrated that he started braying to invite the attention of villagers - who became irritated with his non-stop braying and started beating him.

This story makes me realise, I am like this donkey who is falsely relishing the name, fame, respect, adoration, credit of results which is actually meant for you. Please protect me Prabhupada from the danger of taking the credit of these things to myself and let me always offer them to you.

Please bless me Srila Prabhupada to become a fully surrendered puppet in your hand so that you can make me dance as you wish. Let me be always engaged in rendering devotional service at your divine glorious lotus feet with full enthusiasm, patience and determination. Let me be always enthusiastic in attending full morning Sadhana with proper attention.

Please bless me to serve these Four personalities in my day to day life of Krishna Consciousness.

1. Holy Name: By hearing attentively
2. Guru(Srila Prabhupada): By reading his books and practically applying it
3. Deities: Personal service to the deities
4. Vaisnavas: Personal service to the vaisnavas

Your Servant,  
Rasa Vihari Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance, all glories unto your lotus feet.

Material life is like a roller coaster, taking us through the ups and downs of happiness and distress. This tossing between pain and pleasure will continue as long as we are attached to this material body. It is only your divine instructions and the sword of knowledge of the Bhagavad gītā that can cut off all our attachments.

Srila Prabhupada, the more I read your books, the more my consciousness becomes illuminated and the tainted filters of my perception are becoming clear. All that is to be known to attain the spiritual world is already given by you in your books. You have been mysteriously guiding my wife and me through your purports. Please bless me, to now act on your instructions and purify my consciousness to remember Lord Kṛṣṇa always. Please engage me in devotional service in the association of your devotees, who are sincerely serving your mission.

As my beloved Spiritual Master, you know what is best for me. Always looking forward to your guidance Srila Prabhupada.

Your fallen servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

On this most auspicious day of your appearance, I feel so ashamed of myself, like every year this year also I need to be forced to write an offering to your Divine grace. After so many years being under your shelter, still I am not able to even glorify by few words what your Divine Grace means to me and my life. At least a voluntary effort from my part would have been deeply appreciated by your Divine Grace. But still, you let me enjoy my spiritual life with your Divine Grace as is always the case because you know very well that without it I wouldn't survive. Every year when I write the offering by force, I pray that the next year I would make an offering with love and try to make a little advancement on my spiritual journey. But still this auspicious day every year is a special moment for this day many devotees express their hearts feelings of what your Divine Grace means to them and your Divine presence in their lives. This day is a real blessing or else we will really miss out what a glorious life you have given us in the form of ISKCON which we really come to know when more and more devotees share experiences of their Spiritual journey with their Spiritual Master. On this day we have the opportunity to hear other Vaiṣṇavas' glorification of Your Divine Grace. This gives us an opportunity to better understand and appreciate the divine qualities and divine past times that your Divine Grace has with all the devotees in ISKCON. We hear of Krishna's past times in Krishna book and we wonder how could Krishna do all those wonderful and mystical things but when we see and hear your past times with the devotees then we really appreciate how wonderful was Krishna's Lila's and that everything is a reality and not just a story or myth.

You trained us to pray to Krishna by calling His holy name, requesting him to please engage us in his service. Distress or happiness our only hope is the holy name and you kindly blessed us with this great hope. I ask your kind forgiveness for all my shortcomings and mistakes. I pray that Your Divine Grace will remain merciful to this fallen soul, who desires to remain attached to serving your instructions.

Thank you very much, Śrīla Prabhupāda, for everything you have given us.

All glories to Your Divine Grace!

Your servant, Raseshvara Dasa.

On the auspicious day of your divine appearance, I am begging your forgiveness for all the offenses that I have done by not following your instructions carefully and finding sense gratification in all that I have done especially in the name of devotional service. Please help me to follow your instructions. I am falling down again and again. Please help me to get up and walk in the path, which is guided only by you.

With sincere prayers at your lotus feet, begging that this offering may be pleasing to you, Lord Kṛṣṇa and all the Vaishnava devotees.

*ॐ अज्ञान तिमिरान्धस्य ज्ञानाञ्जन शलाकया । चक्षुरुन्मीलितं येन तस्मै श्री गुरवे नमः ॥*

मेरे गुरुदेव जी, आपके महिमा की बढ़ाई करने की शक्ति मेरी लेखिनी में नहीं है। आप तो जगत गुरु हैं। इस जगत के हजारों-लाखों पतित जीवों का आपने उद्धार किया है। विदेशों में रहने वाले पतित जीव, जो नशा, जुआ तथा मांस भक्षण में लगे थे, उन सबको आपने अपनी वाणी के प्रभाव से, हरे कृष्ण महामंत्र के प्रभाव से सात्विक भक्त बना दिया। वे सारे जीव, "चार नियामक सिद्धांत" को स्वीकार कर कृष्ण भावना भावित होने लगे। गुरुदेव जी ये सब आश्चर्यजनक लगता है, सबको! परन्तु सत्य है। आपने ऐसा किया है।

गुरुदेव जी, मैं 70 साल की महिला हूँ। छः- सात सालों से आपसे दीक्षा लेने का सोच रही थी, परन्तु पता नहीं क्या बात थी, ठीक दीक्षा के समय कुछ न कुछ अड़चनों के आने के कारण, हो नहीं पाया था। पिछले साल मुझपर कुछ परेशानियाँ आईं, परन्तु ये परेशानी मेरे लिए वरदान साबित हुईं। मैंने पिछले साल अगस्त में आपसे दीक्षा ली। गुरुदेव जी मैं आपकी बहुत-बहुत आभारी हूँ की आपने मुझे अपनी शिष्या बनाया। दीक्षा के बाद से मुझमें काफी परिवर्तन आया है और मुझे यह महसूस होता है की यह सब आपकी कृपा से हुआ है। मैं हर समय आपकी उपस्थिति का अनुभव करती हूँ, और ऐसा लगता है की आप मुझे सहारा दे रहे हैं। मैं प्रतिदिन हरे कृष्ण महामंत्र के सोलह माला का जप करती हूँ। परन्तु मन स्थिर नहीं हो पाता है। लेकिन मुझे आत्मविश्वास है की आपकी कृपा से मैं ध्यान पूर्वक जप कर सकूँगी। बाकी के खाली समय में, मैं 'श्रीमद् भगवद् गीता', 'श्रीमद् भागवतम्' तथा आपकी अन्य पुस्तकों का पठन करती हूँ, और ऐसा लगता है की आपके प्रति श्रद्धा तथा कृष्ण प्रेम में विश्वास बढ़ता जा रहा है। अपने चरण कमलों में स्थान देने के लिए बहुत बहुत धन्यवाद।

कृपया अपनी कृपा दृष्टि इस दासी पर सदा बनाए रखिये गा।

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet and all glories to you on this auspicious occasion of your 124<sup>th</sup> Vyasapuja day.

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. My respectful obeisances are unto you, O spiritual master, servant of Sarasvati Gosvami. You are kindly preaching the message of Lord Chaitanya deva and delivering the Western countries, which are filled with impersonalism and voidism.

Dear master, I am so insignificant and fallen rascal who do not know how to express gratitude to my life savior, master, father and who is everything to me. Please give me intelligence to speak about your glories as far as possible for my limited brain.

My Lord, I have been roaming in this creation, life after life with ignorance, by not knowing what is reality, who am I, what is the purpose of my life, just like all other living entities but turning point to my life has come with your causeless mercy upon me on 2011, the very first time I had darshan of Your Divine Grace, from that time my life has changed. The most pious demigods, so called brahmanas are also not aware of the most secret confidential knowledge about the Supreme Lord. I do not know about body, mind and soul as well as their interactions and also power of modes of material natures. Everyone including me is struggling to maintain the body and trying to satisfy senses. If one is little more intelligent he plans to reach heavenly planets. I too was conditioned by this mentality till the point when I touched your lotus feet. Your Divine Grace has shown unlimited compassion unto me by instructing me about the philosophy of Krishna Consciousness, by giving Hare Krishna Maha-Mantra which is absolute and confidential.

brahmāṇḍa bhramite kona bhāgyavān jīva

*guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja*

[CC- Madhya-19.151]

Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Kṛiṣṇa. By the mercy of both Kṛiṣṇa and the spiritual master, such a person receives the seed of the creeper of devotional service.

It is impossible for a fool like me to get bonafide spiritual master and mercy of Krishna since I am the most sinful person in this world, I bet one cannot find who is more sinful than me in these three worlds, but Your Divine Grace is so merciful unto me that you gave me this knowledge out of compassion. Your Divine Grace is distributor of love of Godhead to most the sinful persons like me. Your Divine Grace is directly distributing the mercy of most magnanimous incarnation of Lord as Sri Chaitanya Mahaprabhu.

As a sinful person my tendency is always to fall for material sense gratification. Sri Krishna, the Supreme Lord is the well-wisher of everyone and He sanctions fruits for all living entities based on their desire. But Your Divine Grace is so compassionate unto me when I was falling for such traps, you saved me from all these material inebriates by personally involving in my life. I am so insensitive person who took so much time to experience your personal touch in my life but by Your Grace I have personally experienced Your unlimited mercy during last Vyasapuja day and also this year when I am stuck at home, due to the current pandemic situation.

It is not possible for me to be in Krishna Consciousness without your mercy as it is proved several times, I had been carried away by material desires but Your Divine Grace has saved me, saving me and is continuously saving me from all these. My wish is always to live like a dust particle at Your Lotus Feet, as it is mentioned in SB 5.12.12

*rahūgaṇaitat tapasā na yāti, na cejyayā nirvapaṇād gṛhād vā*

*na cchandasā naiva jalāgni-sūryair, vinā mahat-pāda-rajo-'bhiṣekam*

[SB-5.12.12]

Unless one has the opportunity to smear his entire body with the dust of the lotus feet of great devotees, one cannot realize the Absolute Truth. One cannot realize the Absolute Truth simply by observing celibacy [brahmacarya], strictly following the rules and regulations of householder life, leaving home as a vanaprastha, accepting sannyasa, or undergoing severe penances in winter by keeping oneself submerged in water or surrounding oneself in summer by fire and the scorching heat of the sun. There are many other processes to understand the Absolute Truth, but the Absolute Truth is only revealed to one who has attained the mercy of a great devotee.

Engaging oneself in the devotional service of Supreme Lord Krishna is the highest duty of human life and it is achieved only by your mercy. Until and unless one smears the dust from your lotus feet, it is impossible to realize the Supreme Lord. Knowing my [every living entity] position Your Divine Grace has established ISKCON, given so many books on this philosophy, established standard rules. Your Divine Grace has taken so much struggle at the age of 70 with massive heart strokes to preach this movement on the order of Om Vishnupada Paramahansa Parivrajakacarya Astottara Sata Srimat His Devine Grace Bhaktisidhanta Sarasvati Thakura and also passed on the same will to your disciples.

So my only wish is to always please you by taking your instructions as my life and soul, my only desire is to serve Your Divine Grace life after life, wherever I would be, either in hell or heaven by distributing this Krishna consciousness to common people on your order. But my Lord I cannot to do this until unless I get your mercy, so please cast your merciful glances upon me. I want to follow all your instructions without deviating avoiding four sinful activities, meat eating, intoxication, gambling and illicit sex and always chanting minimum of 16 rounds, 24 hours engaging in preaching work for your satisfaction, always reading your books, always living in devotees association, this is only possible by surrendering myself completely [*pranair arthair dhiya vaca*] unto Your Lotus Feet. I want to serve you by joining Brahmachari Ashram, my dear father please grant me this wish as you are so compassionate to your sons and there is no other hope for me than Your Lotus Feet.

I have seen your causeless mercy how you have kicked out all obstacles of your disciples in the path of devotional service, your compassion on every Jiva i.e how you asked your devotees to distribute Krishna Consciousness to the entire world, distribute prasadam for less intelligent, chanted loudly to benefit all other non-moving entities how compassionately you have delivered so many lower species like ants, ghosts and trees suffering in this world. As mentioned by Vishvanatha Chakravarthy Thakura in Gurvastaka

*Yasya prasadat bhagavat prasado, Yasya 'prasadan na gati 'kutopi*

By satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied. And by not satisfying the spiritual master, there is no chance of being promoted to the plane of Kṛṣṇa consciousness.

*Guru-mukha-padma-vakya cittete koriya aikya, ār nā koriho mane āśā*

My only wish is to have my consciousness purified by the words emanating from his lotus mouth. Attachment to his lotus feet is the perfection that fulfills all desires, please give me benediction that I always surrender at your lotus feet by serving your instructions.

*sriguru karuna sindo adhama janara bando, Lokenath lokera jivana*

*haha prabhu koro doya deho more pada-chaya, Ebe jasa gusus tribuvana*

Our spiritual master is the ocean of mercy, the friend of the poor, and the lord and master of the devotees. O master be merciful unto me. Give me the shade of your lotus feet. Your fame is spread all over the three worlds. I take shelter of Your Lotus Feet, I offer my humble prayers unto Your Lotus Feet to continuously engage in your service and praying at your Lotus Feet to give me the knowledge to understand and follow your instructions life after life.

Seeking shelter at Your Lotus Feet.

Your insignificant and most fallen servant,

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace.

Thank you so much Srila Prabhupada, for one more wonderful year in your movement, which was filled with many learnings and realizations.

it is said that:

yat-sevayā bhagavataḥ  
kūṭa-sthasya madhu-dviṣaḥ  
rati-rāso bhavet tīvraḥ  
pādayor vyasanārdanaḥ

By serving the feet of the spiritual master, one is enabled to develop transcendental ecstasy in the service of the Personality of Godhead, who is the unchangeable enemy of the Madhu demon and whose service vanquishes one's material distresses.

To get an opportunity to serve a bonafide spiritual master, it's a rarest of the rare things. But you have, so mercifully, opened up a market place, where anyone can easily buy this opportunity. And that market place is your divine organization.

Srila Prabhupada you said that, just by reading your books, one will go back to Godhead. Generally while preaching, we come across innocent people who easily accept our philosophy. But in some tough times, we get to encounter some unfortunate souls. Even after spending hours and trying to explain the philosophy, making them understand becomes really a hard task. Even after that they land up saying I am god, or something nonsense. This gives me a realization that I am actually a very very fortunate one to be picked up by your divine grace, and blessed to understand the Truth AS IT IS, which I feel is not ordinary. Not only just understanding, but you have also put me in the right place to practice all your teachings.

Though this is a great fortune, as the years are passing by, to go through the purification process, it's becoming tougher and tougher. Whenever anarthas in me are manifesting, I become hopeless. Then I go and pray to the Deities that I have been mercifully picked up and made to understand my actual goal. But the point where I currently stand now, is far far away from the goal and I feel completely hopeless.

Srila Bhaktivinoda Thakura sings,

tomāra sevāya, duḥkha hoyā jato,  
se-o to' parama sukha  
sevā-sukha-duḥkha, parama sampada,  
nāśaye avidyā-duḥkha

*"Troubles encountered in Your service shall be the cause of great happiness, for in Your devotional service joy and sorrow are equally great riches. Both destroy the misery of ignorance."*

As it's expressed here, to feel misery in the Lord's service as pleasure, is currently, beyond my ability. But then, a ray of hope arises in my heart saying that, my spiritual master is very expert and powerful in delivering the most fallen, and there is strong evidence of this.

Then this hope grew up like a mountain when I came across lines given below in your letters, Srila Prabhupada. (Letter to Rayarama Nov/2/1967) Regarding Kirtanananda, I can't allow him to become Keith again. He is my spiritual son, and I shall never allow him to fall down. When I return, I shall drag him and make alright again. "Anyone who has ONCE come to me, has become my beloved son". Temporarily one may display some māyic affliction, but that can't prolong. (Letter to Umapati 23/Nov/1967) Any good soul who approaches me once for spiritual enlightenment ""is supposed to be depending on my responsibility to get him back to Krishna, back to home". The disciple may misunderstand a bona fide

spiritual master, being obliged to do so under the pressure of Maya's influence. But a bona fide spiritual master never let's go a devotee once accepted.

So, I pray that, let me go through these purification tests or exams, because they accelerate my progress. It's said that those favoured by God, have their paths set by thorns. I pray that, let that favour be upon me and let me walk through fearlessly under your shelter. It's also said that impediments and failures make one strong if we don't give up. So, let there be impediments and failures but bless me that I don't give up your lotus feet.

Thank you so much for everything that you have blessed me with, Srila Prabhupada.

your humble servant,  
Rama Raghava Dasa.

O My Dear All Merciful Spiritual Master Srila Prabhupada

Please accept my humble obeisances at your Divine Lotus Feet. All glories on to you.

Chaitanya Mahāprabhu while travelling to Sri Jagannatha Puri, visited Remuna. After narrating the pastimes of Mādhavendra Purī to other devotees, he glorified Mādhavendra Purī saying

purīra prema-parākāṣṭhā karaha vicāra

*alaukika prema citte lāge camatkāra*

Chaitanya Mahāprabhu said. “Indeed, one is struck with wonder to hear of his activities. After receiving the transcendental orders of Gopāla, this great personality travelled thousands of miles just to collect sandalwood by begging.

Without considering his personal comforts, Mādhavendra Purī carried one maund [about eighty-two pounds] of sandalwood and twenty tolās [about eight ounces] of camphor to smear over the body of Gopāla. This transcendental pleasure was sufficient for him.

Mādhavendra Purī was not at all anxious during the long journey to Vṛndāvana through the provinces governed by the Muslims, and filled with unlimited numbers of watchmen. His only enjoyment was in carrying the load of sandalwood to Vṛndāvana for Gopāla.

This is the natural result of intense love of Godhead. The devotee does not consider personal inconveniences or impediments. In all circumstances he wants to serve the Supreme Personality of Godhead.”

In the purport to above statement of Chaitanya Mahāprabhu you mentioned that “It is natural for those who have developed intense love for Kṛṣṇa not to care for personal inconvenience and impediments. Such devotees are simply determined to execute the order of the Supreme Personality of Godhead or His representative, the spiritual master. In all circumstances, even amidst the greatest dangers, they undeviatingly carry on with the greatest determination. This definitely proves the intense love of the servitor.”

It is simply wonderful to reminisce how you have exhibited your intense love for Lord Krishna and your spiritual master. You were living in Vrindavana doing bhajan and translating books. On the order of your spiritual master, you had travelled thousands of miles just to spread the message of Krishna Consciousness.

For that, without considering your personal comforts carried 200 sets of Srimad Bhagavatham in a trunk on a cargo ship. You were completely satisfied with the opportunity to deliver this message across the world.

You were not anxious during the long journey about how you will survive in USA. You were completely dependent on the Lord, and continued your journey in spite of two heart attacks on the ship. You did not worry about where to live, where to eat, and how to get money. Although not a farthing with you, yet you were not afraid of surviving in USA. Your only

concern was how to deliver the message of Krishna Consciousness to the westerners. We saw this mood in you through the poems which you had written in the Boston pier.

Just like Lord tested the love of Mādhavendra Purī, he tested you also. Once you reached USA, you had tried various means to spread the Bhagavata message and to establish a centre. You had tried Sally, Sumati morarji, few big donors in India and your god-brothers. All attempts appeared to be unsuccessful. When you received a non-cooperative letter from your god-brother, you replied him back saying “It is not very encouraging, still I am not a man to be disappointed”. Then you had exhibited your determination and dependency on the Lord. You started chanting in the Tompkins square park. When Lord saw that you have passed the examination, mercifully sent people, money, assets to assist you. You often mentioned that when a devotee sincerely serves, Lord will send everything that is required to spread the mission.

“Such behaviour exhibited in loving service between the devotee and the devotee’s lovable object, Śrī Kṛṣṇa, is transcendental. It is not possible for a common man to understand. Common men do not even have the capacity.”

Owing to your intense love for Krishna, you had mercifully awakened the love for Krishna and attraction for His holy name through your pure chanting in the hearts of the people who never heard Krishna. Anybody will be struck with wonder to hear of your transcendental activities, your transcendental achievements, and qualities.

On this auspicious occasion, I beg you to consider this lowly fallen soul and bestow a particle of attraction to the Holy Name of Krishna.

Dear Srila Prabhupada,

My ever well-wisher and eternal master.

Please accept my humble obeisances. All glories to your Divine Grace on your divine appearance day.

Please accept my insignificant offering unto your lotus feet.

Srila Prabhupada! You have always told that Krishna is the ultimate protector and maintainer, but to me it struck hard during the crisis of COVID pandemic. During this pandemic, millions are infected, millions have lost their lives and many more millions were left starving and in hopelessness.

But at Hare Krishna Hill, there was no tinge of fear nor insecurity nor is confusion on what will happen to me. It is this time I realised your golden commands

“*Aham tvām sarva-pāpēbhyo mokṣayisyāmi [Bg. 18.66]. When Kṛṣṇa gives you protection, that is real protection.*”

Outside world has no idea on how Lord's will is fulfilled. They gave unbecoming credit to doctors, police and others. But I am very convinced that none of them would protect their near and dear ones like you have bestowed your transcendental protection on us through your able disciples and organisation.

In your Lila, a devotee recalls how he was saved from Army draft board.

Govinda: After Srila Prabhupada's stroke, he and Gaurasundar and I were living in New Jersey for three weeks in the spring of 1968, and during that time Gaurasundar was called to an Army draft appointment in New York. Gaurasundar and I were in anxiety because he didn't want to fight a war that he didn't believe in, and that Srila Prabhupada did not support. Before Gaurasundar left to catch the train to New York, he bowed down to Swamiji, who said, "Don't worry, Krishna will protect you. He will take care of everything." That day Srila Prabhupada mentioned Gaurasundar several times, and was thinking of him. In the evening when Gaurasundar returned, he came up the stairs with a big smile on his face. He was very happy. Immediately Swamiji called Gaurasundar into his room. "What happened?" Gaurasundar explained that he was wearing a silken cord with a three-inch high murti of Lord Jagannatha around his neck and he also had big red chanting beads. The doctors who had never seen such odd things decided, he was not psychiatrically competent for the Army. Srila Prabhupada said, "Yes, if we are sincere, Krishna will protect us. He will make all arrangements. You have chosen Krishna's service, not the Army's service, so Krishna has arranged everything perfectly."

In the same way, I was constantly tricked by maya, but the nama you have given me during diksha protected me in all circumstances. My dear divine master! On this day I take a vow to reach out this same protection to all the souls who are struggling with a hope of material happiness even as death is approaching them. Please give me your *kripa bindu* to strengthen my Krishna Consciousness, and spread it to the fellow *jivas*.

Servant of your servants,

Sachinandana Dasa.

मेरे परम आदरणीय श्रील प्रभुपाद आपके चरण कमलों में मेरा कोटि कोटि प्रणाम

आपकी दिव्य गुणों का कोई कितना भी गुणगान करें पर वह तुच्छ है जिस तरह अनंत देव अपने अनगिनत मुख से पूर्ण पुरुषोत्तम भगवान श्री कृष्ण का गुणगान करते उनके गुणों का अंत नहीं पाते उसी तरह आपके शिष्य भी आपके गुणों का अंत नहीं पाते, प्रभुपाद आपको अपने गुरु के रूप में पाकर मैं अपने आप को परम सौभाग्यशाली समझता हूं आप जैसे शुद्ध भक्त के चरण कमलों का आश्रय पाना अत्यंत दुर्लभ है जैसा कि आपके हस्त कमल से किए गए श्रीमद्भागवत पुराण के अनुवाद में एक श्लोक में श्री सुकदेव गोस्वामी महाराज परीक्षित से कहते हैं ६.१४.५

*muktānām api siddhānām nārāyaṇa-parāyaṇaḥ  
sudurlabhaḥ praśāntātmā koṭiṣv api mahā-mune*

*O great sage, among many millions who are liberated and perfect in knowledge of liberation, one may be a devotee of Lord Nārāyaṇa or Kṛiṣṇa. Such devotees, who are fully peaceful, are extremely rare.*

लेकिन हम जैसे बद्ध एवं पतीत जीवों पर अपनी अपार करुणा दिखा कर आपने इस अत्यंत दुर्लभ को भी अत्यंत सुलभ बना दिया है तथा यह आपकी हमारे ऊपर अकारण कृपा है अन्यथा मैं आपके चरण कमलों के आश्रय पाने योग्य नहीं था, जब आप अपनी वृद्धा अवस्था में अमेरिका गए और वहां जाकर वहां के असभ्य युवा तथा युवतियों को कृष्ण भावनामृत बनाने का जो अतुलनीय प्रयास किया वो ऐतिहासिक है क्योंकि इसके पहले आज तक किसी ने भी ऐसे असभ्य लोगों को कृष्ण भक्त बनाने के लिए इतनी दया नहीं दिखाई. वह लोग जो मांस, मदिरा, अवैध यौन संबंध, जुआ, से पूर्णता लिप्त थे जो एक अत्यंत ही घातक रोग है ऐसा रोग जो शरीर के अंत होने के बाद भी उस रोग का अंत नहीं होता क्योंकि यह रोग इंद्र तृप्ति की इच्छा से उत्पन्न होती है और यह हर योनि में उपलब्ध है और अगर इस रोग का उत्तम उपचार नहीं किया गया तो यह जन्म जन्मांतर तक रोगी को भीतर से या फिर आध्यात्मिक रूप से खोखला

बनाते रहता है लेकिन आपके पास इसका उत्तम इलाज भी था आपने उन्हें हरि नाम, हरे कृष्णा हरे कृष्णा कृष्ण कृष्ण हरे हरे हरे राम हरे राम राम राम हरे हरे! के मिश्री का पान कराया जैसा कि श्रील रूप गोस्वामी अपने उपदेशामृत में कहते हैं

*syāt kṛṣṇa-nāma-caritādi-sitāpy avidyā- pittopatapta-rasanasya na rocikā nu  
kintv ādarād anudinaṁ khalu saiva juṣṭā svādvī kramād bhavati tad-gada-mūla-hantrī*

TRANSLATION: *The holy name, character, pastimes and activities of Kṛṣṇa are all transcendently sweet like sugar candy. Although the tongue of one afflicted by the jaundice of avidyā [ignorance] cannot taste anything sweet, it is wonderful that simply by carefully chanting these sweet names every day, a natural relish awakens within his tongue, and his disease is gradually destroyed at the root.*

और मांस मदिरा जुआ तथा अवैध यौन संबंध जैसे जौडिस से मुक्त कराया, आपने 70 साल की वृद्धा अवस्था में उनके लिए भोजन बना - बनाकर कृष्ण प्रसाद के रूप में खिलाया आपने उनके झूठे बर्तन भी धोए ऐसा प्रेम तो दो लोग ही कर सकते हैं एक स्वयं भगवान श्री कृष्ण और दूसरा उनके शुद्ध भक्त, शास्त्र कहते हैं गुरु को भगवान के बराबर का सम्मान देना चाहिए लेकिन आपने इसकी कभी परवाह नहीं की उल्टे आपने अपने शिष्य को ही भगवान जैसा समझ कर उनकी सेवा की, इसलिए आपके दिव्य गुणों का जितना भी बखान किया जाए वो उतना ही कम, है प्रभुपाद आपके इस तुच्छ सेवक को अपने चरण कमलों की छत्रछाया में हमेशा बनाए रखना यही मेरा आपसे निवेदन है.

आपका सेवक,

Dear Srila Prabhupada,

Please accept our humble obeisances.

My words can barely touch the full reality of your manifest existence, but at least by trying to glorify you, I can hope for but a drop of your mercy and inspiration in reciprocation.

Srila Prabhupada, you are forever inspiring so many hundreds and thousands of devotees around the world to take shelter of Krishna's holy names and the nine processes of His devotional service. Without your divine presence and constant inspiration, I would be totally helpless and lost in this material ocean of nescience.

Recently I was reading your conversations recorded from your morning walks in Los Angeles in the year 1974. You said that there were two great battles in history. One was between Rama and Ravana, and the other was at Kuruksetra. The heroes in both the battles were Vaisnavas. You then went on to say that we are going to produce such Vaisnavas, not these dull rascals sitting down. We don't want these kinds of Vaisnavas—sitting-down rascals. We want Arjuna or we want no one. That is a Vaisnavas. I was wondering how we could be expected to display the qualities of Vaisnavas such as Arjuna and Hanuman. I realized how you had perfectly displayed such qualities in your devotional service. Did Hanuman not leap across the ocean to Lanka and then, upon finding Mother Sita, proceed to wreak havoc on the kingdom of Lanka single-handedly? In the same way, Srila Prabhupada, you crossed the ocean to the kingdom of many Ravana, single-handedly declared war against Maya, and brought many materialistic people out of their ignorance. Just as Hanuman had only weapons of rocks and trees against the sophisticated armory of Ravana, in the same way, you enlisted young people with little or no spiritual culture and engaged them in preaching against sense gratification, impersonalism and voidism by your strong devotion to Lord's holy name.

The whole material world presents increasing challenges for the Krishna consciousness movement. The moral fiber of human society is quickly being vanquished and demolished as Kali-yuga progresses. Every day we witness more and more decay within society. The situation appears more and more hopeless. However, regardless of how fallen people become, and possibly because of their increased, fallen condition, we should become as ever-determined as you always were in

presenting Krishna consciousness as the only panacea for resolving all the problems of individuals and society. I have absolutely no doubt that the solutions you have presented to us all constitute the sole remedy for today's fallen condition. I simply need to learn how to present the perfect philosophy of Krishna consciousness in such a way that more and more people will take to it. But for this, I need to become blessed and empowered by chanting and hearing the Hare Krishna maha-mantra with all sincerity and rapt attention.

As stated in the Caitanya-caritāmṛta (Antya 7.11), kali-kālera dharma—kṛṣṇanāma-saṅkīrtana/ kṛṣṇa-śakti vinā nahe tāra pravartana: “The fundamental religious system in the Age of Kali is the chanting of the holy name of Krishna. One cannot spread the holy name of Krishna without being specifically empowered by Lord Kṛṣṇa.” I am therefore begging Your Divine Grace and all those sincere souls who are rendering sincere service to your divine mission to give me the strength, courage, and determination to push forward this great movement of Krishna consciousness. Please forgive my uncountable shortcomings and give me your kind blessings so that I can advance in devotional service and become a small instrument in your divine mission.

May your glories and fame become increasingly known all over the three worlds. May you ever remain the shining light and hope for our present suffering humanity. Without your divine inspiration, there would be no hope for any of us.

Thank you, Srila Prabhupada. All glories unto you!

Trying to become a servant of your servant,

Sampati Dasa.

Dear Srila Prabhupada,

All Glories unto You, Please accept my humble obeisances at Your Lotus Feet.

Srila Prabhupada I thank you for giving me an incredible opportunity to serve you and your mission.

You have mercifully revealed the treasure of the Holy Name to the entire world which has been brought down by Sri Chaitanya Mahaprabhu. And also given directions how to access that treasure. “Chant distinctly and hear carefully”. In fact this treasure is the sum and substance of spiritual life.

As you have said, faith and devotion are the two important items that one should have while chanting the Holy Name of the Lord.

But I don't find myself having sufficient faith. I pray to you Oh! Prabhupada

*tumi kṛpā kori', śraddhā-bindu diyā,*

*deho' kṛṣṇa-nāma-dhane*

*“Please bless me by giving me just one drop of faith with which to obtain the great treasure of the holy name of Kṛṣṇa.”*

*Only you can give Kṛṣṇa, because Kṛṣṇa is yours.*

*kṛṣṇa se tomāra, kṛṣṇa dite pāro,*

*tomāra śakati ācheJ*

Another significant gift which is the source of all transcendental gifts that I have got is Your Divine Grace's service. As you have said in your prayer to Lord Kṛṣṇa which was written onboard jaladutta

*tomāra se śakti pele guru-sebāya bastu mile*

*jībana sārthak jadi hoy*

*sei se sevā pāile tāhale sukhī hale*

*taba saṅga bhāgyate miloy*

If you bestow your power, by serving the spiritual master one attains the Absolute Truth-one's life becomes successful. If that service is obtained, then one becomes happy and gets your association due to good fortune.

Thus I have got an incredible opportunity to serve you by the mercy of Kṛṣṇa and Vaishnavas, which when rendered sincerely and seriously can bestow upon all the transcendental gifts, and is an assurance to get the association of Kṛṣṇa.

So Srila Prabhupada just as Prahlada maharaja prays to Narsimhadev

*kṛtvātmāsāt surarṣiṇā bhagavan grhītaḥ*

*so 'ham katham nu visrje tava bhṛtya-sevām (SB 7.9.28)*

“Your servant Nārada Muni kindly accepted me as his disciple and instructed me how to achieve this transcendental position. Therefore, my first duty is

to serve him. How could I leave his service?” Similarly, let my only aspiration be, to be always engaged in service of your Lotus Feet.

Your aspiring servant,

Sanaka Kumara Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances.

I just got to hear a pastime about Srila Prabhupada from a devotee. Once Srila Prabhupada was out, and few devotees also went with him. All the devotees went on book distribution. Just one devotee thought that he will sit near his lotus feet. It went on for an hour. Prabhupada constantly watched the devotee who was doing book distribution for an hour, but never the devotee who was sitting under his lotus feet. This devotee also understood if I have to grab the attention of Srila Prabhupada, then I should also be there doing preaching activity not just staying close to him. This clearly indicates that Srila Prabhupada was happier when his mission or the instruction of his Spiritual Master was fulfilled. He never cared for his personal health comfort.

When they built big quartz in Bombay and offered to Srila Prabhupada, he immediately called Mr. Seth who helped in the construction of the temple and said, "You always say you cannot lead an austere lifestyle. Why don't you come and stay in this room?". Srila Prabhupada told him that a corner of the room was enough for him to sleep. This shows your humility.

I am trying to follow but failing constantly, and only you can pick me up and place me under your lotus feet.

I have no hope other than you and your devotees who are like a desire tree.

I request all the devotees to forgive me for my offenses, and help me in progressing my Kṛṣṇa Consciousness.

*vancha-kalpatarubhyash cha kripa-sindhubhya eva cha  
patitanam pavanebhyo vaishnavebhyo namo namaha*

Trying to become servant,

Sanat Kumar Dasa.

Jai Srila Prabhupada...

Please accept my humble obeisances at your Lotus Feet on the auspicious occasion of your Vyasa Puja

Oh eternal father of all living entities

\*Your glories will be glorified by pure devotees, not like me useless insignificant soul.

Though I'm not qualified person, by your causeless mercy, you accepted me also as your servant.

A Child may think that now my father has gone outside for business purpose, till then let me follow his instruction to satisfy him. So this child never feel any separation till his father comes back.

Similarly, I never felt your physical absence, and I'm also feeling that you have gone to some countries, to rescue most fallen souls like me there. I'm feeling your presence by reading your books.

As you said a person can serve his master by two ways VAPU(BODY) and VANI(INSTRUCTION)

VAPU is good but that may not be possible at all times, whereas one can serve his master through VANI at all times by following his instructions.

So my humble request is to give your devotees' association always, and give strength to complete all allocated services on time though my foolish mind will keep on trying to enjoy sense gratification independent of Lord. Your devotees' association alone can make everything perfect in this material world and even in the spiritual world.

Your eternal servant of servants,

Sanatana Dhama Dasa.

Dear Srila Prabhupada,

I offer my respectful obeisances unto you, who is very dear to Lord Kṛṣṇa, having taken shelter at His Lotus Feet

My respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhānta Sarasvatī Gosvāmī. You are kindly preaching the message of Lord Chaitanyadeva, and delivering the Western countries which are filled with impersonalism and voidism.

I am very thankful to you and the authorities for giving me many opportunities to render service for my purification and accepting me to be a part of your mission to spread Name Prabhu's glories.

I am getting realization for how much patience and compassion required for a devotee to preach Nama Prabhu glories while executing FOLK Services. I feel an ordinary conditioned soul like me can never understand your unlimited compassion towards living entities. While doing my service, I realized so many anarthas which I am carrying. Through the authority system you developed, I came to know, anartha means, "What stops one to not follow your instructions and authorities instructions". By this one definition, whenever I am introspecting, I come to know my fruitive intentions behind my actions, and what attitude I am having. I thank you, dear Srila Prabhupad, for this realization. This helped me to do my sadhana more seriously, to come out of these anarthas. Every day hundreds of thoughts popping in my mind which are pulling me back from executing your instructions sincerely. If at all I am executing any of your instructions, it is only because of inspiration from Your books, inspiration from senior devotee classes, devotees association in ashram, and environment you had setup in ISKCON.

Dear Srila Prabhupada, the great mercy I received this year from you is Soulful Japa modules through HG Madhu Pandit Prabhu.

As you wrote in Jaladuta dairy, your only hope is your faith in your guru HDG Srila Bhakti Siddantha Saraswathi Thakur and Hare Krishna Nama Prabhu.

*bhakti nāi beda nāi nāme khub daro  
"bhaktivedānta" nām ebe sārthak kor*

"I have no devotion, nor do I have any knowledge, but I have strong faith in the name of Kṛṣṇa."

I can see the same spirit in HG Madhupandit Prabhu and other Senior devotees, having the same faith in you and Hare Krishna Nama Prabhu. I am very delighted to have such a devotees association every day through Srimad Bhagavatam classes. Even though you gave guidance and support to become a nice devotee, I am unable to maintain the same spirit in Holy Name as Your Divine Grace having. I thank HG Madhu Pandit Prabhu and other Senior devotees for having the same faith and also for stressing importance on Spiritual master and Nama Prabhu which your divine grace had. During the lockdown, I had opportunities to hear about your glories by HG Chanchalpathi Prabhu. These narrations by Prabhu, uplifting my consciousness and to know, the struggle you faced to spread Nama Prabhu to everyone, and your only purpose in life is executing your spiritual master's instructions.

Previously, I was just doing services that were assigned to me. Last year after the Janmashtami festival I was introspecting what pure devotional service means. Then I have gone through prayers by different devotees in Srimad Bhagavatam and Chaitanya Charitamrutha, and I found in these prayers, all great devotees talking about how fortunate to get Lord's service and their feelings for the Guru and Supreme Lord. Then I realized it's all about having the right value and right feelings as per Parampara for the services. Then I decided to contemplate on prayers of different devotees to change my background consciousness and feelings for services I am rendering. When I heard from HG Madhu Pandit Prabhu that background consciousness is the main key ingredient to decide the quality of devotional service I am rendering, and which can be developed by contemplating your purports, then I felt very happy for having the same understanding for the devotional service.

As you mentioned in your prayer unto the Lotus Feet of Krsna

*sei se sevā pāile tāhale sukhi hale  
taba saṅga bhāgyate miloy*

"Only by serving you (Spiritual Master), one becomes happy and gets the association of the Supreme Lord."

Also as you mentioned in the Teachings of Lord Chaitanya, Chap 18.

"Unless one is under the shelter of a realized spiritual master, his understanding of the Supreme is simply foolishness."

Dear Srila Prabhupada, I thank you for giving shelter at your lotus feet, and giving me an understanding that the perfection of life is always be engaged in Lord Krishna's Service.

On this glorious day, therefore, I pray to the Nama Prabhu, my purpose of existence should be always following and executing your instructions and be obedient to my authorities. I also pray to you, dear Srila Prabhupada, I should always use my freewill for following your instructions in any condition. I also beg forgiveness from you if any offenses I committed unto you and your loving disciples.

Thank you for the opportunity to remember you on your Vyāsa-Pūjā day.

Servant of your servant,  
Sanatana Govinda Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your Lotus Feet on this auspicious day of your Divine Appearance.

During the last year, I again experienced how one cannot satisfy any person in this material world. In verse 9 of the third chapter of Bhagavad-gītā, it is mentioned that work should be done as a sacrifice to Vishnu.

We learnt a hard way that how much ever you try to serve and satisfy a person in this material world, one cannot be assured of getting a favorable result. Not that we didn't have such experiences in the past, but this one was very disturbing and bitter. We happened to help one of our close relatives during the period of lockdown. We served him selflessly, and provided him the comforts and necessities. We looked after him even more than a family member with lot of care and respect. Yet, to our utter surprise and shock, we were given to understand that we failed to satisfy him. Rather for all this, we in return had to face insults and abuses and mean allegations.

I tried to console myself on the basis of teachings of Bhagavad-gītā and Śrīmad-Bhāgavatam as taught to me by yourself, that we should do our duty without any expectation of a favorable result, and give up the results of our activities unto the Lord. Let the Lord grant us whatever fruits He wishes. With this understanding, I thought we shall endure whatever tribulations we may be facing considering them as the mercy of the Lord while understanding that we actually deserve much more than this due to our past misdeeds.

As has been mentioned in Śrīmad-Bhāgavatam (SB 10.14.8), which reads as follows:

*tat te 'nukampām su-samīkṣamāno  
bhuñjāna evātma-kṛtaṁ vipākam  
hṛd-vāg-vapurbbhir vidadhan namas te  
jīveta yo mukti-pade sa dāya-bhāk*

I pray that may we get the strength to endure tribulations in the form of insults, disappointments, dejection, failures, and reverses, and at the same time execute devotional service wherein the vigor and eagerness to perform devotional service is in the least affected. My faith in Kṛṣṇa and in His delivery of justice should always be strong and unquestionable even in the midst of daunting circumstances all the time, thinking that how Kṛṣṇa has been merciful in reducing the reaction of past misdeeds while I deserve much more.

Request your pardon for any offence that I may have committed unto your lotus feet and unto the feet of other Vaishnavas.

Eternally yours,

Sanjaya Krishna Dasa.

*nama om visnu-padaya krsna-presthaya bhu-tale srimate bhaktivedanta-svamin iti namine*

*namas te sarasvate deve gaura-vani-pracarine nirvisesa-sunyavadi-pascatya-desatarine*

It's said in *Hari-bhakti-sudhodaya* that the purpose of visual sense is fulfilled simply by seeing a Vaishnava, and to touch the body of a Vaishnava is the fulfilment of this bodily touch. The tongue is meant for glorifying transcendental qualities of a Vaishnava, because in this world it is very difficult to find a pure devotee of the Lord like Your Divine Grace.

It is also stated in the *Padma Purana* that of all types of worship, the worship of the Supreme Person is the highest, but higher still is the worship of the Lord's devotees.

I thank you My dear Krishna-chandra, the Supreme Personality of Godhead, without whose sanction not a blade of grass moves, for establishing this system of celebrating Vyasa-puja in this world, wherein the most fallen soul like me gets an

opportunity to glorify Your pure devotee, my beloved spiritual master Srila Prabhupada, who is a narottama within this world. Traditionally, the spiritual master is shown highest respect by offering him the seat of Vyasadeva, the Vyasasana, and by celebrating his appearance day with the worship ceremony, Vyasa-puja. Part of Vyasa-puja is the presentation by disciples of attempts to glorify the spiritual master in their own words.

Srila Prabhupada, Krishna-chandra is more pleased to see honour and respect shown to His devotee like you than to receive such glorification Himself, just as the father is more appreciative of a compliment to his favourite son than to himself.

Srila Prabhupada, by Your Divine Grace I have happily completed one year of Krishna conscious life in ISKCON Bangalore *ashrama*.

Srila Prabhupada, although by the will of providence the whole world is undergoing the anxiety and fear of a special whip of maya in the form of COVID-19 at present; I am so fortunate to stay happily at your home—ISKCON Bangalore *ashrama*, in the association of gem-like devotees, daily chanting, dancing, rendering little service, honouring *balya-bhoga*, *raja-bhoga prasadam* offered to Radha-Krishna-chandra without any sort of anxiety or fear. It's all by your causeless mercy only Srila Prabhupada.

*patrapatra-vicara nahi, nahi sthanasthana  
yei yanha paya, tanha kare prema-dana*

Srila Prabhupada, “In distributing love of Godhead, Caitanya Mahaprabhu and His associates did not consider who was a fit candidate and who was not, nor where such distribution should or should not take place. They made no conditions. Wherever they got the opportunity, the members of the Panca-tattva distributed love of Godhead.”. Similarly, you being the commander in chief of Sri Chaitanya Mahaprabhu’s army distributed the Hare Krishna *maha-mantra*—a call of love to the whole world, exactly following in the footsteps.

Lord Caitanya taught *apani acari' bhakti karila pracara*.

Many are called guru, but you actually have the qualification of a *jagad-guru* and a *mahatma*, as defined in the authoritative scriptures. You are the best example of whatever you have taught. Just like one cannot find a grain of mistake in the supreme character of Sri Chaitanya Mahaprabhu, so are you, who is a pure confidential messenger of Sri Chaitanya Mahaprabhu. One who accepts you as his spiritual master attains the perfection of life without a doubt.

Therefore my only claim to your grace is that I am a most fallen soul, a wretched sinner entrapped within the traps of *tamas* (ignorance) and *rajas* (passion). You are a *jagad-guru*, a pure and confidential devotee of the Krishna-chandra, kindly save me Srila Prabhupada.

In ten short years, you have accomplished so much; more than the mind can realize. You have created so many great devotees, fully engaged in the service of Lord Krsna, whom my envious nature cannot fully appreciate or appropriately praise.

Srila Prabhupada, I am so weak and insignificant. I can be maintained by your causeless mercy alone.

Srila Prabhupada, as you are acting through the chain of authority system in ISKCON, kindly shower me your special mercy to honour the words of my authorities in your institution without any reservation. Bless me to cultivate an attitude to please them in all respect.

Aspiring to serve you eternally, unconditionally in all humility without any duplicity, under your expert guidance.

Your eternal servant, as a particle of dust at your lotus feet,  
Sankarshana Narayana Dasa.

All glories to our beloved spiritual master Srila Prabhupada

Please accept my sincere and humble obeisances at your Divine Lotus Feet. I am very excited and happy to write this Vyasa puja offering on this auspicious 124th appearance day.

Dear Srila Prabhupada, you have given me one more year to glorify you as very dear to Krishna, and it's your purely causeless mercy that I got this opportunity to write.

First and foremost my sincere obeisance to your transcendental books, which made me join your mission and serve you and your mission as full time devotee. Once a reporter had asked you, what will happen to your movement after your departure? You said that you will never die, and you will live through your books. So all your disciples at that time chanted Hari bol!, Jai Srila Prabhupada!. Always our temple senior devotees keep asking us, and telling us to read Srila Prabhupada's books. It is important and keeps us always in safe position. Whenever I start reading your books especially Bhagavat-Gita As It Is, I feel very nice as if I am reading for the first time. I get a better understanding from each reading. Your books are the backbone to our spiritual growth. I sometimes criticize my junior god brothers not to read Srila Prabhupada's books just for the authority sake, to read them as a matter of duty and understand them by personal experience. I feel newer and newer experiences, joy, and some kind of peacefulness.

When I feel depressed and demotivated, I feel like listening to your lectures or read just any one of your books. It mitigates all my feelings of moroseness, and I feel I have gained strength.

Srila Prabhupada I remember once you said you read your own books because it was dictated by Krishna, and because there something new to learn . Anyone who reads your books with earnestness and seriousness, will develop Krishna Prema.

How much ever we glorify your transcendental pastimes, it is endless. Just as Krishna is unlimited, as your pure and personally empowered by Krishna, even your pastimes are unlimited. Your mercy towards conditional souls like me attracts them to Krishna Consciousness

When shastras, all acharyas glorify your position as pure devotee, I being so insignificant, what and how can I glorify you?

I just came across one verse from Sri Vyasa deva in His Guru Gita glorifying guru position

*Sadguru tam namani*

*Brahmanandam paramasukhadham kevalan jnana Murthy*

*Dvandathitam gaganasudhram tattvamasyadilakyam*

*Bhavathitham trigunathitham Vimalamachalam*

*"which states one who is fully absorbed in supreme Brahman, bestower of supreme joy, who is embodiment of wisdom, who is free from dualities, merciful just like vast open sky. Krishna is one and who is eternal, Krishna is one Supreme personality of Godhead, so you are one spiritual master. You are stainless. You have immovable conviction and presentation about Krishna as the supreme lord, as Supreme enjoyer, as Supreme Master and all are His eternal servants. You are spreading this knowledge to all condition souls without any discrimination to become Krishna Conscious."*

I once heard a song written by great mayavada philosopher Adi Shankaracharya, still he glorified your position as Guru.

The Supreme Lord, moved by the devout and reverential homage of his disciples in accordance with scriptural prescriptions in countless former births, incarnates out of compassion in the form of a Guru; he thereby comes within the orbit of sight, freely transmits to them the wisdom concerning Ultimate Reality, and enables them to cross over the ocean of sorrowful samsara, the realm of conditioned existence.

Even lord Krishna Himself glorified you in Srimad Bhagavatham

*ācāryam mām vijānīyān navamanyeta karhicit  
na martya-buddhyāsūyeta sarva-deva-mayo guruḥ*

"One should know the ācārya as Myself, and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods."

If this is your glorious position what and how I can glorify you? I don't have any qualifications, but I have strong faith in you and Krishna that I will be protected and progress in my Krishna Consciousness life and attain my eternal shelter under Krishna.

On this auspicious occasion I pray at your lotus feet. Please be merciful towards me so that I can follow and execute your instructions which you have told me at time of initiation. By following this I can satisfy you and Krishna.

Give me strength to overcome struggles in material existence which is full of dangerous positions, and I don't have any strength of my own.

I pray again to help me serve your lotus feet, and let me not miss this greatest opportunity which you have given me by picking me up from this world of maya.

At present entire world is suffering from corona virus where people are suffering and dying. I remember just as Krishna saved all His devotees of Vrindavana from great devastating rain, similarly you have saved all your ISKCON devotees by giving us shelter in a home that you have built where entire world can stay. Not only stay, serve you and Krishna.

Dear Srila Prabhupada please give me shade of your lotus feet.

Trying to be your servant,

Sankirtana Dasa, ISKCON Bangalore.

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories to your divine grace.

Your divine appearance and the lila's you performed on the earthy planet has spiritually benefited and continue to benefit billions of fallen condition souls. I am one of the beneficiaries of your unlimited and boundless mercy. The more I read about your most wonderful and amazing pastimes and how you have delivered countless living entities from the darkest region of ignorance and engaged them in loving devotional service of the lord. I feel so humbled that such a great spiritual Vaikuntha personality has very kindly accepted me as one of his disciples although I never deserved it at all.

I recently heard in one of the Bhagvatam Class that a moment of association of a pure devotee is enough to cut the hard knot of material bondage. I hear every now and then how by your vani and vapu association and causeless mercy, countless devotees have been able to cut the hard knot of material bondage.

O master I would humbly like to submit before you that this unworthy disciple of yours is still unable to do so. It is certainly because I am not able to follow the process perfectly and I lack spiritual strength only by your mercy it is possible for me to do anything. I am solely dependent on your causeless mercy. I beg you Srila Prabhupada that please give me enough strength so that I am able to cut the hard knot of family affection and serve your mission as a full time missionary. You are a friend of the fallen and ever well wisher of everyone please let your merciful glance fall upon this fallen servant of yours so that I am at least be able to follow your instructions at all three levels manasa, karmana and vacha.

Please bless me my lord that I remain your servant life after life. I have no hope from anyone but only you.

Your servant,

Sarathi Krishna Dasa.

Hare Kṛṣṇa.

All glories to Srila Prabhupada. Please accept my humble obeisances.

I would like to express my gratitude for finally being able to get initiated from you. This was my dream for ages. To get initiated from a bonafide Guru before I die was my dream, and because of your special mercy on this most fallen person, I got this opportunity. The way you guided me to get darshan of original Dwarkadhish at Dakor in such a short time just before initiation day, was a miracle. On the day of initiation, I could feel the love and blessings from you Srila Prabhupada raining upon me throughout the process of initiation. When I started begging for Guru Dakshina, I felt like even though I am not capable to serve you, how mercifully you broke my ego and made me a beggar for you. I would like to be a servant beggar for you till eternity, Srila Prabhupada, I had to wait for my initiation, but I knew it was all your plan of making me cultivate patience, humility, tolerance, and assisting me in developing a service attitude. So the wait to become your disciple after millions of life was so special. I traveled from South India to North India, east to west. Then finally I got initiated. You made me dance according to your tune all across India, and I loved dancing to your tune Srila Prabhupada. Oh Srila Prabhupada, I am so grateful to you on being initiated on Nityananda Trayodashi. I had always felt a special connection with Lord Nityananda, since the day I received His deity from the Ganges in Mayapur. Also, I was initiated just before the great pandemic of Coronavirus, as a result even though I was in Mumbai, the hot spot of Coronavirus, and even though I had two attacks of health issues, still I recovered without having to get admitted in the hospital. All around my building, people were Covid 19 positive, but I was saved twice by the mercy of you Srila Prabhupada and Lord Kṛṣṇa. Surely I feel my karma is taken care of by you Srila Prabhupada. I am forever indebted to you Srila Prabhupada.

Kindly engage me in your service forever, and keep me in the association of devotees in the Mayapur, Vrindavan Dham and other places. Kindly provide the strength to carry out the mission of Lord Chaitanya to spread Krishna Consciousness all over the world, every town, and village. Kindly bestow special mercy upon me for performing preaching and sankirtana, so that the entire world becomes Krishna conscious and gets healed from the miseries like Coronavirus and other kleshas. I am ready to be the soldier of your army Prabhupada, and die in the battle fighting for you and Kṛṣṇa.

Jai Srila Prabhupada.

In the service of Srila Prabhupada,

Sarvadrik Krishna Dasa.

जय श्रील प्रभुपाद,

प्रतीची परिष्करण, यह कविता श्रीला प्रभुपाद के पश्चिमी देशों के उद्धार करने की लीला पर आधारित है।

जिस ज़मीन पर मनीषी न रखें कदम, जिस आसमान में परिदे न उड़ान भरें।  
स्वेच्छा के अनुसार अपनाये जहाँ धरम, कैसे कोई वहाँ कृष्ण भक्ति का प्रचार करे।  
एक तरफ़ से नास्तिकों ने घेरा हुआ है, तो दूसरी तरफ़ आधुनिक सोच के विचारक।  
तीसरी ओर में हिप्पियों ने खोदा कुआँ है, सभी ओर से है खतरा, हमला होगा घातक।  
जान पहचान भी नहीं किसीकी, न कोई सगा, इस अंधकूप में कोई राह दिखाने वाला नहीं।  
जिस देश में अपने ही अपनों पे करते हैं दगा, पराये को भला कैसे पनाह मिलेगा कहीं ?  
वैज्ञानिक प्रगति पर नाज़ है जिन्हें, प्रौद्योगिक कुशलता पे गर्व है प्रचंड।  
वैदिक जीवन शैली को भला ये क्यों चुने? प्राकृतिक संपत्ति को निचोड़ना ही इन्हें पसंद।  
ऐसे एक भीषण राष्ट्र की ओर आप हुए प्रस्थान, जिसका नक्शा बदला आपके पहुँचने के बाद।  
हैवान भी नाचे, गाये हरे कृष्ण का गान, प्रतीची देशों को आपने पावन किया प्रभुपाद।  
किसी भी संन्यासी ने न उठाया साहस, सागर को पार करना निषिद्ध कहलाता।

आप से न देखा गया इन देशों का तामस, रस्मों रिवाज़ से परे होकर लिखी एक नयी गाथा ।  
नारद मुनि ने कहा - लक्षण ही वर्ण का सूचक है, न कि उत्कृष्ट वंश या पवित्र जन्मस्थान ।  
आपके पश्चिमी शिष्यों का समूह एक अद्भुत रूपक है, जिन्हें अन्य पंथों से न मिले अल्प सम्मान ।  
अपने गुरु के आदेश को संपन्न किया, सृष्टि के संहार तक दुनिया करेगी याद ।  
अकाल ज़मीन को कृष्ण प्रेम के सैलाब से डुबा दिया, प्रतीची देशों को आपने पावन किया प्रभुपाद ।

Dear Srila Prabhupada,

I don't have the intelligence to write a nice offering to you. But I want to submit what is in my heart.

I am in touch with the holy name because of you and your devotees. Because of you, I am chanting, going to pilgrimage, doing little service in the temple, and having *prasadam*.

I did offenses through words that were forgiven by authorities and senior *mataji*. They in turn gave a nice service though I don't deserve it.

Please bless me to be faithful, respectful, and grateful to Krishna and your devotees.

Please show your merciful glance upon me and let me remember Krishna always and make me His devotee.

Ever thankful to you.

Your insignificant and fallen servant,

Dear Srila Prabhupada,

I offer my respectful obeisance at your lotus feet.

All glories to your transcendental books, which revealed me the secrets of life and protected me from drowning in this ocean of material world. All glories to the institution (ISKCON) you established and the wonderful devotees for their association which is helping me for the growth in spiritual life. Srila Prabhupada whenever I got doubts, I got answers from your books.

Srila Prabhupada as I was not able to give myself to serve your mission as a fulltime devotee and also after entering Grahastha Ashram I am not able to give more time as before I use to, so I always prayed to the Lord and begged you in my last year's Vyasa Puja offering to give me intelligence so that I can engage maximum in serving your mission, So I am getting some ideas how to make use of my profession in service of Krishna. I will share my thoughts with senior devotees and our spiritual guides and seek their advice and move further in serving you in the best possible way. So that many suffering souls become Krishna conscious and make their lives happy and peaceful and finally go back home back to Godhead.

I seek your mercy to eradicate some of the anarthas which are still prevailing in me which are hampering my growth in spiritual life. Also I beg for your causeless mercy to give me strength, so that I can do my sadhana more sincerely and attentively.

Always at the service of your lotus feet.

Servant of your servants,

Satyananda Dasa.

Hare Kṛṣṇa Srila Prabhupada,

My only savior and ultimate director

I want to thank you for showing me the path to the spiritual world, which was unheard of amid my family or relatives.

Because of some simple practices given by you, my mind is now very much in control abstaining from unnecessary thoughts.

I can never ever thank you for your recorded lectures and books which are the storehouse of real wisdom. Hearing your voice is the best part of my day!

Specially thank you for the opportunity in NIVE, Values plus. By your grace this program has impacted many lives and more so now, because of the lockdown, it is being spread in thousands of homes where all the family members get to hear the Hare Krishna chanting.

Thank you for accepting me as a speck in your most cherished mission 'ISKCON Bangalore', where the authorities follow the instructions just as you desired. I feel most secure and safe under their guidance. The wonderful association and direction provided by your sincere disciples here at the temple have helped me improve in chanting, deity worship, increase my appreciation for you, and much more. My overall focus has improved drastically.

Please continue to keep me in your service, enjoy everyday nectar, and help serve you better.

Overall I will never be able to thank you even a percent for all that you have given me.

Your unworthy servant

Satyaraj Dasa.

*namas te sarasvate deve gaura-vani-pracarine nirvisesa-sunyavadi-pascatyada-desatarine*

My dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

On this auspicious day of your divine appearance, I remember a verse, which I heard recently in Śrīmad-Bhāgavatam class:

*na nāma-saḍṛśaṁ jñānaṁ, na nāma-saḍṛśaṁ vrataṁ!*

*na nāma-saḍṛśaṁ dhyānaṁ, na nāma-saḍṛśaṁ phalam!!*

*na nāma-saḍṛśas tyāgo, na nāma-saḍṛśaḥ śamaḥ!*

*na nāma-saḍṛśaṁ puṇyaṁ, na nāma-saḍṛśī gatiḥ!!*

“No knowledge is like Lord's holy name. No vow is like Lord's holy name. No meditation is like Lord's holy name. No result is like Lord's holy name. No renunciation is like Lord's holy name. No peace is like Lord's holy name. No piety is like Lord's holy name. No shelter is like Lord's holy name.”

After hearing this verse, I realized how expertly you have designed and given us the Sadhana program, where without even knowing the complexities, we are getting cured of our material diseases and getting unlimited spiritual benefits by your mercy. Apparently, it looks very simple, but it has the potency to cure all material diseases.

It's your causeless mercy that you have given the most valuable spiritual touchstone (Nama-Chintamani), the Hare Krishna Mahamantra to a mad and unworthy person like me, who does not even know the value of it and keeps on committing offenses one after another. But still, mercifully you are allowing me to stay amidst the devotees, and practice devotional service. I am eternally indebted to you for mercifully glancing over me, and accepting me as your disciple.

My dear Srila Prabhupada, as Srila Vishwanatha Chakravarti Thakura says, "The spiritual master is like a cloud who draws the mercy from the unlimited ocean of mercy called Krishna." So you are distributing the same mercy causelessly to all the fallen souls of this age without any consideration of their qualifications.

Please forgive my uncountable mistakes, and give me your blessings so that I can advance in devotional service and become a small instrument in your divine hands.

Thank you Śrīla Prabhupāda. All glories unto you

Your humble servant, Saumya Krishna Dasa.

*Om ajnanya timirandasya jnananjana salakaya*

*chaksur unmilitam yena tasmayi sri guruve namaha*

Yadi Prabhupada na hoito...

Hare Krishna dear Prabhupada, as the above line says really if you were not there what would have happened of us souls. Your books are a treasure house of spiritual knowledge. It opens our darkened eyes and sleeping senses. Your books firmly

establish the fact that Krishna is the Supreme, and devotional service to Krishna and his devotees are ultimate and above everything in life.

When I think of the pastime where the flight attendant got your mercy of the remnants of Mahaprasadam, the puffed rice, it further teaches us that without the association and mercy of the pure devotee of Krishna we can't enter into spiritual life, what to speak of the spiritual world! And it also increases the conviction of disciple that "lava matra sadhu sanga" helps a million fold in Krishna Consciousness. I can imagine the fortune of those who have associated with you throughout. You are the whorl of the lotus flower, and your ISKCON temples all over the world are its petals. Oh! Prabhupada you are the centre of everything; without you the world will collapse.

And the love you have for children, it really opens my eyes. I feel that no mother will love her child as much as you love the children.

Your mercy towards all living entities teaches us the fact that each and everyone is a part and parcel of Krishna, and Krishna resides in everyone's heart as Supersoul .

Dear Prabhupada, if you so desire please accept this offering

The most fallen soul you'll ever find,

Saumya Rupa Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories unto you.

You always engaged in devotional service, desired welfare of everyone to elevate the fallen conditioned souls from material existence to spiritual platform, and blessed them with eternal blissful life.

Dear Prabhupada you served Lord Krishna whole heartedly without any deviation, and benefited the entire planet by your devotional service, and neutralising the material existence of everyone who took it seriously.

Dear Prabhupada, you are the real well-wisher of all fallen conditioned souls, and your work did not stop by your physical disappearance. The preaching force you have set in your movement will continue to elevate the fallen souls of this planet.

Dear Prabhupada, by your unlimited mercy I would like to inform you this year, myself and my godbrothers along with senior devotees distributed your transcendental books continuously for ten days on the occasion of Brahmotsava held at Sri Prasanna Lakshmi Venkateshwara Swami temple. I Thank you for this wonderful opportunity.

Begging to remain forever in your Divine service

Your humble servant, Seshasayi Dasa.

## Shadbhuja Gauranga Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

All glories to your Divine Grace.

At first, let me thank you for giving me an opportunity to glorify Your Divine Grace on this day of your glorious 124<sup>th</sup> Vyasa Puja.

In Chaitanya Charitamrita it is mentioned:

*guru kṛṣṇa-rūpa hana śāstrera pramāṇe*  
*guru-rūpe kṛṣṇa kṛpā karena bhakta-gaṇe*

“According to the deliberate opinion of all revealed scriptures, the spiritual master is non-different from Krishna. Lord Krishna in the form of the spiritual master delivers His devotees.”

From this statement we can understand what is Your Divine position, and why you descended to this material world. So I am considering myself so fortunate to be chosen by your Divine Grace, to become an instrument in the glorious mission of spreading the message of Lord Chaitanya Mahaprabhu. Although I am unworthy to become your disciple, still by your causeless mercy I am in your glorious movement as a full-time missionary.

Currently, I am serving your movement as a fundraiser. So I seek your blessings so that I can engage more *jivas* in the service of The Supreme Lord and His glorious mission, and get them closer to your Divine Grace.

Let me share a wonderful pastime of yours where you have exhibited how you are so compassionate towards the fallen souls.

Brahmatirtha : Prabhupada was discussing how we suffer because of our karma. I didn't want to challenge Prabhupada so I said, 'Prabhupada, I ask you this very humbly. Do you get sick?' I thought that if he got sick it was from his karma. Prabhupada said, "Oh yes, I get sick." I said, 'But you're a pure devotee, and pure devotees shouldn't have karma. If a devotee claps his hands in front of the Deities, his karma is gone, and he's not accumulating more karma, so why is it you're getting sick?' Prabhupada humbly said, "I'm not a pure devotee."

I pursued it a little further. I said, 'Why is it you suffer? Is it the way Christ suffered?' He said, "The reason I suffer is because I have done one sinful thing. I have taken too many disciples. When the spiritual master takes too many disciples then he must suffer the sins of his disciples." That was a very heavy thing. The devotees present at the time were awestruck thinking that, 'My sins are affecting Prabhupada.' Every one of them had total affection for Prabhupada, and to think, 'My sins will affect him,' was painful.

Prabhupada said, "My sinful activities are taking too many disciples, but for preaching purposes I am willing to take that suffering. For the sake of preaching, I'll take too many disciples."

*[Reference: Srila Prabhupada Remembrances - Siddhanta Dasa]*

So thank you Srila Prabhupada for accepting me as one of your disciples, although I am so sinful which may be displeasing to you. Please give me enough strength to dedicate myself in your service, and become a servant of yours and your representative by following your divine instructions.

Seeking your causeless mercy always

Your fallen servant,

Shadbhuja Gauranga Dasa.

*om ajñāna-timirāndhasya jñānāñjana-śalākayā*  
*caḥṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

My humble obeisance at the lotus feet of my dear Srila Prabhupada.

You are the Jagadguru, *Shaktyavesha Avatara* who appeared in this mortal world to develop and train the most fallen souls to develop *Kṛṣṇa Prema* and take them back home back to God Head. I am one such fallen soul who is at the last phase of this material life journey. Till a few years back, I did not know the difference between ISKCON managed temples and other

temples. I was thinking that ISKCON temples are also like any other temples following few ritualistic activities and at the maximum were helping the interested souls in developing goodness and was nothing beyond that.

However, when I started associating closely with ISKCON, I could find out the enormous difference between temples managed by ISKCON and the temples managed by other institutions. ISKCON is helping the individual souls to develop *Kṛṣṇa Bhakti*, which is very rare. This was possible only because the institution was established with strict guidelines and regulative principles established by you.

It is almost now 54 years of setting up this great institution and it is going quite strong. This was all possible because you were a visionary leader who has no parallels. You set up the institution on the foundation of *Kṛṣṇa Bhakti* to spread the *Kṛṣṇa* consciousness. Your goal was to spread the *Kṛṣṇa Prajna* and establish a God community all over this earthly planet. You preached simple living high thinking, which is even more relevant and essential in today's world.

The *Kṛṣṇa* consciousness movement by ISKCON started by your lotus hands is going strong day by day even in this highly materialistic age. The vision you had in setting up each and every temple as a separate entity is a modern management thought which is a case in itself to study and understand for corporate companies.

This *Kṛṣṇa* consciousness preaching has helped me and my family to understand and practice devotional service to *Kṛṣṇa*. The vast treasure of books on *Kṛṣṇa* you have given us is a beacon by way of your vani.

I am so fallen that I have no interest in reading these books, the treasure of *Kṛṣṇa*'s knowledge. Somehow or the other I have now come to this movement and got initiated and I am feeling now so fortunate to have associated with ISKCON. Because this has brought in me a sense of urgency to complete the *Kṛṣṇa* consciousness before it is too late. The fraction of this *Kṛṣṇa*'s knowledge whatever I have now developed was totally missing prior to coming in touch with ISKCON devotees. This has made me realize how much of time I had wasted and struggled for all these years to achieve sense gratification.

If not for ISKCON the institution set up by you, I would have been swimming in the ocean of bhava sagara without knowing how to get out. Now we have the beacon of ISKCON which is guiding us to come out of this bhava sagara. It is now up to me how to make use of this beacon to reach the destination of *Kṛṣṇa*'s Lotus Feet.

I am completely indebted to you and put my efforts to serve your lotus feet by following your direction.

I have no words to express how grateful I am for accepting me as your disciple. Because there cannot be anyone who is so fallen and only because of your vani I am realizing what nectar drops I had missed all these days.

I wish to remain your humble servant life afterlife,

Shara Narayana Dasa.

Dear Srila Prabhupada,

Please accept my respectful obeisances. All glories to you on this auspicious day of your Vyasa-puja.

Thank you Srila Prabhupada, for all your causeless mercy. It is only by your causeless mercy, I'm trying to serve through all the platforms which yourself has created.

Your appearance in this material world was to show us how to execute devotional service unconditionally.

In the purport of *Sri Chaitanya-caritamrita* (Antya 20.52):

Srila Bhaktisiddhanta Sarasvati Thakura says that a devotee does not care about his own happiness and distress; he is simply interested in seeing that Kṛṣṇa is happy, and for that purpose he engages in various activities. A pure devotee has no way of sensing happiness except by seeing that Kṛṣṇa is happy in every respect. If Kṛṣṇa becomes happy by giving him distress, such a devotee accepts that unhappiness as the greatest of all happiness.

Further, the following pastime of yours proves how you accepted all unhappiness as the greatest happiness.

Hari Sauri: When we got to Mayapur in 1977, just before Prabhupada got that really bad sickness that eventually led to his disappearance, a *pujari* from Maheshpandit Sunadi came. He wanted Srila Prabhupada to do a program there. We knew it was going to be a small, rinky-dink affair. But Prabhupada immediately agreed. I was unhappy because I knew how weak Prabhupada was by that time. In fact, when we first arrived in Mayapur, one morning on the balcony after breakfast Prabhupada was looking out over the fields and then turned to me and said, "Never in my life have I felt as weak as I do now. But still I would like to finish this Bhagavatam." I had seen evidences of Prabhupada's decrease in general health and fitness. Several times I had to literally pick him up when he had collapsed on staircases.

So, anyway I was very concerned, and I really didn't want Prabhupada to go to this program. I complained, "Srila Prabhupada, why do you have to go?" Prabhupada said, "No, no, he has asked, I must go. It is preaching." I said, "But Prabhupada, there are so many *sannyasis* here, they can do the program." He said, "No, he wants me to go. I must go." Since I was upset, Prabhupada said, "Just like that story in the Krishna Book about Pradyumna. He was injured on the battlefield and taken away, but then he immediately went back to fight even though he was injured. That was his duty." I said, "But, Srila Prabhupada, it was his charioteer's duty to take him off the battlefield when he was sick." Prabhupada said, "Yes, and it was his duty to immediately return and fight." So he defeated me. It was his determination, and we did that program. Prabhupada wanted to encourage that *pujari*.

It was a *pandal* program with four or five rickety steps leading up to the stage. Prabhupada immediately started stepping up one by one. By that time I was aware of how weak he was, so I stood on the step below him. As he went up one step, I went up one step, and I had my hands out just in case anything happened. Prabhupada was pushing himself up the steps with his cane. He had little strength in his legs, so he put one foot up and then to get the other one up he would actually push himself up with his cane. When he got to the second to the last step, he was straining, and then his strength went and he collapsed. I caught him and literally carried him up and put him on the stage. Prabhupada walked over to his seat and sat down like nothing had happened.

Prabhupada literally sacrificed his life for us. I saw it. He wore his body out. The non-devotees are fond of identifying the cause of death. You could say that Prabhupada wore out his body in the service of mankind. (Reference: *Memories Anecdotes of a Modern Day Saint - Volume 2 by Siddhanta Dasa*)

Your every thought, word and act was an offering for the Lord's happiness.

I pray at your divine lotus feet to bestow your mercy upon this fallen soul to serve you eternally.

Aspiring to be a servant of your servants,  
Sharadendu Krishna Dasa.

*om ajñāna-timirāndhasya jñānāñjana-śalākayā  
cakṣur unmlitaṁ yena tasmai śrī-gurave namaḥ*

Dear Srila Prabhupada,

Please accept my humble obeisances at your Lotus Feet on the auspicious occasion of your Vyasa Puja. This year started with a global health problem which has affected every human being on this earth in various ways. The material living style has changed. Just before this pandemic, scientists predicted immortality would be a reality in the near future. Under the current situation, this prediction is thrown away in distant oblivion. Once again the Supreme Lord showed us that we cannot keep living in our own invented ways, but to follow the directions of His energy and material nature. The laws of material nature apply equally to all inhabitants of this universe, and hence the fear factor is there in all of us. However, the devotee depends on the Supreme Lord, and is assured of the Lord's protection. He thus carries on with his duties and devotional service as before, irrespective of the circumstances that surround him. The difference in the position of a rat

caught in the jaws of a cat, and that of the cat's own kittens was given as an understanding for us by your grace. Srila Prabhupada, your life is a perfect example of how you had faced many difficult situations right from your young age until the end of your physical presence in this world. You had discussed the plague epidemic which devastated the people in Kolkata, and a babaji who had organized the Krishna Sankirtana to nullify the effects. Srila Prabhupada, you had once recalled the time when, during World War II, bombs were falling on Kolkata. You were in the bomb shelter, and the bombs were falling; you were thinking and chanting Hare Krishna "this is also Kṛṣṇa's another form – not the lovable."

In the latter days, when you found the League of Devotees to outreach the mission of your beloved Spiritual Master and Kṛṣṇa, it was sabotaged by a group of politicians and businessmen. You were disappointed but became more intensely involved in preaching and propagating Kṛṣṇa. Your constant endeavor to preach Kṛṣṇa to the western world, in spite of the failing health during the Jalduta voyage; initial exploring & planning days in Pennsylvania and New York. You went through many tough times at Bowery, but with your indomitable spirit established the ISKCON centers one after another. Still the obstacles, at every instance continued to haunt you – you showed us how to depend on the supreme will of the Lord, carry on with devotional service, give mercy to all equally; showed us how a pure devotee of Kṛṣṇa lives, overcomes material difficulties easily without entanglement, and reaches the Supreme abode as described by Kṛṣṇa Himself. The process Kṛṣṇa, the acaryas, you gave us – to follow through all difficulties.

Dear Srila Prabhupada – you inspire me, give strength to face shortcomings, knowledge to stay equipoised at all times, learn to be engaged in Krishna Conscious activities, purify body and mind by chanting the holy name, stay under the Lord's protection without anxiety. Without you, I cannot imagine what this life would have been – much worse than that of hogs. I thank you Srila Prabhupada, for still keeping me at your lotus feet, and under the shelter of your servants. I get enriched by the daily hearing of the realization of your faithful devotees, and feel ever thankful to you. Please help me stay engaged, endeavor for more service, and build more faith in chanting and association of devotees. Please do not forget or leave this soul without the touch of the dust of your lotus feet.

your most fallen aspiring servant,  
Shauri Krishna Dasa.

My dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

All glories to you on this auspicious day of your Vyasapuja

*mukam karoti vachalam pangum langhayate girim*

*yat-kripa tam aham vande shri-gurum dina-taranam*

*"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns the dumb into eloquent speakers, and enables the lame to cross mountains."*

Dear Srila Prabhupada, after reading your translation and purports, I am feeling that I can't count your causeless mercy that you have bestowed upon us in the form of spiritually potent instructions. At that elderly age, you spent your days and night in travelling and translating the Shrimad Bhagavatam and Bhagavat Geeta, and writing thousands of letters to all your disciples; this is unimaginable. Your compassion to keep me in the movement and guiding me to the progressive path of devotional service is immeasurable. You gave me the association of your obedient elderly disciples and my godbrothers, who are always giving me inspiration and motivation to strengthen my spiritual life by their practical devotional service, and by their Vaishnava qualities. O my dear spiritual master, you practically demonstrated the cult of Chaitanya Mahaprabhu by lifting all of us to the standard of devotional service.

Prabhupada I want to share one of the reciprocations what I had with you in my early days of Krishna Consciousness. In the year 2014, I was a resident at Hesaragatta folk hostel which is one of your small spiritual embassies, and I was practising Krishna Consciousness under your obedient disciples who are reaching all over the world to spread your glories and instructions to common people. One Sunday I came to temple from the residence, and attending full morning sadhana done with my full day assigned service in the temple, I returned back to residence late night 11 pm. At that time I was fully tired, and felt that I am not able to get up next day morning for my Pujari service. Also at that time I was the only known person for pujari service and all my inmates are new to the residence, but the situation was so difficult that I decided myself that I am not able to get up early in the morning. Helplessly I came to your alter and conveyed my condition, “Prabhupad, I am feeling so tired; tomorrow I am not able to get up for pujari service, please forgive me”. And went to bed.

Just after touching the bed I went into deep sleep, but in the middle of night one miracle happened. Your grace, You came in my dream, woke me up, and asked me in a strong voice, “Why mangalarati is not happening? who is your authority? call him”. Suddenly I woke up and saw the time it was 4.30 am. I rushed to the bathroom, got ready on time for pujari service., I became fully amazed and could not believe myself. I was in full joy by that reciprocation, and just after the sadhana I called my folk guide and explained the conversation, Prabhu became so happy and motivated me and made me understand it properly, so that I can take it seriously to progress in my spiritual life.

Now I am realizing whatever happiness and bliss I am getting being with my godbrothers is the causeless gift, what you gave in the past and keep on giving in the present and future, Prabhupad I am begging and praying at your lotus feet to bless me, to remain humble and be grateful to you and to all my godbrothers what they gave to me for my spiritual progress. Bless me to lead a Krishna Conscious loving relationship with everyone.

Your Divine Grace I beg at your lotus feet to forgive me for all the offences that I have committed to your Grace, and to keep me always in your service. I also beg all my god-brothers to forgive me for any offences that I have committed to them, so that I can improve in my devotional service day by day.

Aspiring to become your humble servant,

Shivananda Sena Dasa.

Dear Srila Prabhupada,

Please accept my most humble obeisances at the dust of your divine lotus feet.

Prabhupada, you have predicted this crash of civilization in *Back to Godhead* magazine long ago referring to this dangerous type of work as machine-age.

*“Nobody is enjoying the result of civilization created by atheists like Ravana, Kamsa, Aurangzeb, Napoleon or Hitler. Everything is in oblivion and this teaches us the lesson that the materialistic plans of the present age will also meet with the same fate after a lapse of 50 years. Therefore blind materialism does not bring in any permanent relief in the world”* (Reference: Back to Godhead Magazine 1944 – 1960 Volume 3, Part 4, April 20, 1956)

Even though the current situation is a fall down of civilization, I had the following experiences during this lock down period

The management set by your principles was so excellent that we never felt any anxieties for necessities nor had any kind of fear, as we are happy in this spiritual place engaging in the service of the Lord under your directions.

When talking to family, friends and relatives, got to know how they are suffering miseries in a place which is built by their own hardships in a materialistic way, but here the favourable circumstances created by the process of devotional service under your guidance never made us feel any vacancy.

The only displeasure is that the temple hall was vacant of devotees but nevertheless due to *Soulful Japa* sessions, devotees are improving the chanting quality which is the current *yuga-dharma*.

Since lock down, our services became independent of the weekdays (Previously we had some changes in services according to the day of the week) so we got a glimpse of a spiritual atmosphere without the influence of time. Also, situational requirements gave association of devotees, infusing great learnings.

One of the important aspects of spiritual life understood in this period is that, although Krishna's plan which works ultimately, we need to protect our body following the prescribed precautions. "The purport is that activities performed with the help of the body for the satisfaction of the Absolute Truth (om tat sat) are never temporary, although performed by the temporary body. Indeed, such activities are everlasting. Therefore, the body should be properly cared for. Because the body is temporary, not permanent, one cannot expose the body to being devoured by a tiger or killed by an enemy. All precautions should be taken to protect the body." (Reference: *Srimad-Bhagavatam* 8.19.40)

Thank you, Prabhupada, for bringing me from the materialistic way of working into your mercy, giving us the real path. I, therefore, pay obeisances at the lotus feet of His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, and pray with all the humility to fully engage me in your transcendental loving service to your satisfaction. "*yasya prasada bhagavat-prasado, yasyaprasadan na gatih kuto 'pi*. By the mercy of the spiritual master, one receives the benediction by the mercy of Krishna. If the spiritual master is displeased, one's destination is unknown."

Your servant, Shivatma Bhakta Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories unto you.

On this most auspicious occasion of your 124th Vyasa puja. I beg to offer you my humble offering.

Your charming personality is transcendently beautiful, and satisfying to the eyes. You have captivated the hearts of millions of people on this planet by your beautiful smiles, gracious talks, compassionate behaviour, and loving devotion to Krishna.

It is by your compassion that I am blessed with the most precious association of Vaishnavas, and priceless opportunities of serving Krishna

It is your pain that binds us together, and inspires us further to indiscriminately benefit the bereft soul.

It is by your words that our hearts get attracted to Krishna, experiences the transcendental joy of touching Krishna, and feels the longing for loving Krishna.

By your smartness you destroy the arguments of faithless, and guide the ignorant closer to Krishna.

Just like being pleased by service of Srila Madhavendra Puri - Gopal deity appeared, just like being pleased by Advaita Acharya, Chaitanya Mahaparabhu appeared, similarly every bit of Krishna Consciousness that has appeared in my heart is your benediction.

You are my undeterred captain, loving father, caring mother, and worshipful master.

Indeed you are the person whom everyone wants to fill their heart with. And you are the person I wish to fill my heart with. You are my ever glorious eternal master life after life.

Taking shelter of your Lotus Feet

Your humble servant,

Dear Prabhupada,

Please accept my humble obeisances. All glories to you.

This is second year since you accepted me as your disciple. Also, it's a very special and blessed year for me. I feel I am the most fortunate soul in the entire world.

Mainly two reasons:

1. Golden chance to live on the Hare Krishna Hill for an entire five months so far, due to the prevailing COVID-19 lockdown.
2. Getting to do Rajbhog service for almost an entire week in these five months.

Every day we sing for guru puja, *ha ha Prabhu koro daya deho more pada chaya*

I feel you have literally allowed me to stay under the shade of your lotus feet. You have given me so much mercy which I don't even deserve.

While all the people of the world seem to be confined within their homes, I am fortunate to be confined in Vaikuntha. Here I got to experience the special ashram community life, even being a Grhastha woman, which until now was only possible for brahmacharis. I am experiencing the austere life of the full-time missionaries, along with the association of senior godbrothers and godsisters. In these days, so many of my misconceptions and misgivings are cleared. I am learning the right attitude of a devotee, and to deal with criticism from fellow devotees. I am also fortunate to receive spiritual lessons such as 'Golden Quote of Soulful Japa' personally from His Grace Madhu Pandit Prabhu. I thank you heartily for this special mercy upon me Prabhupada.

This time I also got a wonderful opportunity to personally cook special items on festival days starting with Sri Vainateya Homa, Sri Brahmotsava, Sri Narasimha Jayanti, and Panihati Chida Dahi Utsava. And not to forget, this year's memorable event, Sri Jagannath, Baladev and Subhadra's Ratha Yatra on Hare Krishna Hill, where I got to serve by cooking for them every day beginning from offering the welcome drink on Their arrival day.

I can't thank enough for all these blessings showered upon me.

I simply pray for your eternal mercy, and kindly engage me in the service of you and Gauranga.

Jai Prabhupada.

Hare Krishna Jaya Srila Prabhupada,

Dear Srila Prabhupad,

Please accept my humble obeisances. All Glories to Srila Prabhupada.

Srila Prabhupada by associating with you, I have acquired little knowledge of Kṛṣṇa Consciousness.

You have taken care and protected me from many calamities. By reading your books, you are burning my past karma. By your mercy I am able to do little seva to the Deities. You are the light in my life. Srila Prabhupada bless me to do many sevas to you, Lord Kṛṣṇa, Vaishnavas, and your wonderful mission.

Dear Srila Prabhupada,

I offer my respectful obeisances unto the Lotus Feet of my spiritual master, His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda, who has taken full shelter at the Lotus Feet of Lord Caitanya Mahāprabhu.

It is stated in the revealed scriptures that to get a pure devotee is very rare in this material world, and to have relationship with pure devotee is even rarer. The relationship is established by the Guru's mercy upon the disciple, and disciple's attachment to the lotus feet of the spiritual master.

Srimad Bhagavatam 1.1.8 Purport

The secret of success in spiritual life is in satisfying the spiritual master, and thereby getting his sincere blessings. Śrīla Viśvanātha Cakravartī Ṭhākura has sung in his famous eight stanzas on the spiritual master as follows: "I offer my respectful obeisances unto the lotus feet of my spiritual master. Only by his satisfaction can one please the Personality of Godhead, and when he is dissatisfied there is only havoc on the path of spiritual realization." It is essential, therefore, that a disciple be very much obedient and submissive to the bona fide spiritual master.

As Srila Narottam Das Thakur say,

"śrī-guru-caraṇe rati, ei sei uttama-gati."

Attachment to the lotus feet of the spiritual master is the best means of spiritual advancement. By his mercy all desires for spiritual perfection are fulfilled.

When Dhruva Maharaj met his spiritual master Narada Muni. He ordered him to perform severe austerity, and just by following his order Dhruva Maharaj was able to see Supreme Lord in just six months. Such is the power of meeting a bona fide spiritual master. So I hope by your Divine gGrace's mercy, and following your divine instruction as it is, it's possible to achieve the perfection in this lifetime.

Srila Prabhupada, You always try to enliven about the supreme absolute truth, Lord Kṛṣṇa through your books, lecture, conversations etc. which increases my desire to serve you, because serving you is the only way to reach that Supreme Lord.

Srimad Bhagavatam 4.30.41 Purport

"If one seriously accepts the lotus feet of the Lord, he is purified by the grace of the Lord and by the grace of the Lord's servant. One who is brought under the lotus feet of the Lord by the endeavor of the Lord's servant, the spiritual master, is certainly immediately purified, however lowborn he may be. He becomes eligible to return home, back to Godhead".

Srila Prabhupada, you revealed and stressed the importance of chanting the holy name. By chanting the holy name means to serve the lotus feet of Pama Prabhu. I am chanting Hare Krishna Mahamantra from last several years, but still I am not able to develop taste for distinct chanting and attentive hearing of holy name. In this special occasion, I am begging mercy from your divine grace. Please provide me sufficient intelligence and faith for holy name, so that I am able to associate with holy name during chanting time. Please give me intelligence to not commit Vaishnava aparadha to any of my god brothers.

Your aspiring servant,

Shyama Karuna Dasa.

*Om ajnana-timirandhasya jnananjana-salakaya, caksur unmilitam yena tasmai sri-gurave namah*

*"I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him."*

This is one of the first prayers I learned after coming in touch with Krishna Consciousness. It gave me the initial understanding of the factual role of a Guru in one's spiritual transformation. Today also, this same verse came to my mind while writing my 5th Vyasa Puja offering to His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, as this verse is still equally relevant in my life to realize Guru's value. By the blessings of the same Guru-I have successfully achieved one more milestone in this long journey back to Godhead- that is completing another year under his divine shelter, and getting another opportunity to offer one more Vyasa Puja. This time, it is more important as it is falling at a time when the entire world is facing the greatest existential crisis of the millennium.

O Dear Srila Prabhupada, How often I have heard these words, that we are spirit souls, not to be entangled in the cycles of birth and death, from your divine mouth. Today, by Kaala's blessings in this current situation, at a very young age, I am getting a direct perception of what it feels like to face these harsh realities in life. If I survive this pandemic, then I can vouch that it will have a lasting impact on my Krishna conscious life. As it generally happens for a conditioned soul like me, that after theoretical understanding, we don't bother to spend quality time to convert these absolute thoughts into realization. So, on occasions like this pandemic, where we are forced to confront the hard realities of life, it opens the door for furthering our realization in an intensified manner.

Remembering my journey so far on the path shown by you, I can say that it has been a roller coaster ride with lots of anarthas still surfacing up now and then. But your statement to one early disciple, who was also struggling to have a firm footing in Krishna Consciousness mission, gives me a lot of hope and strength. You have told him to just stick to your dhoti somehow throughout life, and that your divine grace will take him back to Godhead. Faith in this statement has kept me surviving these many years.

Last year I was blessed to have a variety of service exposures, I think by your mystical plan I was churned nicely in some materially challenging but spiritual purifying experiences. Sometimes, the extreme cold of Delhi gave me a paralyzing feeling, and sometimes Govt. Offices shutting their doors made me feel hopeless in my attempts. But there was the catch that at the end an important lesson-cum-realization was waiting for me, when there was a sweet touch of reciprocation in the form of service success. Again it reminded me of your statement to the devotees, who were having a lot of trouble in fighting for Juhu temple, and you appealed to them - not to back out as Krsna has given a golden opportunity to purify us through the austerity involved in these services.

Overall, these situations have taught again and again the importance of sticking to the basics of Krishna Consciousness that you have emphasised upon multiple times through your letters, conversations and purports. That is we just need to chant Hare Krishna Mahamantra nicely, and keep your books as sole companions, then we can pass through any so-called material hurdles.

I feel content to see the qualified authorities who are currently spearheading the movement, as a custodian of your divine mercy. They are distributing it munificently to all the future generations of Nama Sevaks. One such attempt has been unleashed during this Corona lockdown phase, when His Grace Sri Madhu Pandit Prabhu's has started teaching the science of soulful Japa based on his 40 years (approx) of accumulated realizations. I could personally increase my understanding and application of some important Japa concepts, which has the potency to bring revolutionary changes in my service offering to all-merciful Nama Prabhu. O Dear Spiritual Master, kindly bless me to offer more and more of my prana in your pleasure-giving services, and also become a strong and fixed instrument in your mission of spreading the holy name in this world.

Your most fallen disciple, Shyama Kishore Dasa.

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe nirviśeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

Respected Srila Prabhupada,

Please accept my Obeisances at your lotus feet. All glories to your Divine Grace.

The entire world is suffering now, by the divine will of the Supreme Lord, in the form of a Pandemic. Nobody was prepared for this. None of the powerful think tanks, thought-leaders, scientists, consultants, etc. could even imagine that the expansionist drive of modern globalized greed can be stopped at once like this. When Krishna is grave even Brahma cannot understand his intention.

What reminds of this modern civilized world is that of a house of cards. Just two or three months of freeze is sufficient for this house of cards to tumble down. The entire world is now driven into fear. Even though a glimpse of powerful laws of Karma is given, still humanity doesn't want to change its focus from phenomenal to noumenal. Even though they could see that mother nature has revived just by stopping their exploitation for a month or two, still they could not give up their past habits. In most of the debates, thought leaders argue for reviving the economies, reviving the ghastly factories, reviving the exploitation of mother nature.

In the past, also the world faced periods of bounty, prosperity, pandemics, famine, revolutions, war, etc., these cyclical nature of events resulted in the rise and collapse of a great many philosophies. These philosophies are out to convince humanity to continue its lording over mother nature in various forms or reject the mother nature altogether. But none could satisfy the human's eternal cravings. For all of the philosophies are focused on or rooted in phenomenal.

Seeing the fallen condition in Nov 1936 just after the historic Nazi Olympics and before the second world war you wrote an essay titled "Wrong Civilization". The great thought leaders ignored this warning sign, only to see the eventual holocaust. Your plea to timely retire from politics by M.K. Gandhi was not heard only leading your prophetic statements to be true. Similarly, out of natural humility, you had deplored upon the many deaf leaders. While many ignored your message only to face the wrath of Mayadevi, some good and gentle souls also heard you. Leaders like the Beatles, scholarly professors, Indian political class of 1971 heard you, the result a supposed to be great world war concluded in just 13 days. This may sound hagiographical, but your prediction that India will win this short war was published in the newspapers on the day the war was declared. Further, a simple historical analysis of events around the actions of many predecessor Acaryas also demonstrates similar incidents. Indeed the Supreme Lord has two methods of correction one through Acaryas and the other through the stick of Maya Devi, when someone listens to Acarya where is the need for Maya's stick?

The world's misfortune is easily eradicable, heaps and heaps of waiting Karmic reactions do not come in the way, if it just desires to surrender unto your lotus feet. It is not that the world has to give up its material activities, as your purports and conversation books are full of ideas and instructions on how everything material in this world can be dovetailed in the service of the Absolute Truth of noumenal world.

At every moment, our mind and senses are constantly battering illusion as knowledge, for knowledge acquired through direct perception is the only deception. Adding further to this is that the glitter of this modern civilization is only increasing further and further. There is no way to understand the transcendent, i.e., the noumenal world through the mind and senses of this phenomenal world. As a result of this out of habit, we misinterpret even when the true knowledge is given. Hence, we the fallen souls of Kali Yuga are generally labeled as manda bhagya or unlucky. However, we can become fortunate when we decide to receive the mercy cloud of yours and start hearing your words intently. Only then, we can truly see the shining Bhaktivedanta Purports, which is the true beacon to the transcendental or noumenal world.

Srila Prabhupada, you have successfully fulfilled the orders of your spiritual master, you have taken the Chaitanya Mahaprabhu's message aggressively across the world. You have practically shown us how one should take the orders of

Spiritual master as life and soul. To show mercy on us, you have given us many instructions, specific orders and desires. In the later part of your manifest Lila, you had greatly stressed on farm communities, gurukuls, pockets of varnashrama societies, preaching to the shrestas. All of these are directed towards redirecting the misdirected modern civilization. In one of your last purports you had indicated “We are therefore trying to give human society the opportunity for a life of happiness, good health, peace of mind and all good qualities through God consciousness.” (SB 10.31.60p)

You had left these seemingly most difficult desires for us to work. All of these can easily be fulfilled if we decide to become a simple cog in your transcendental machinery. However, I feel helpless, as I am not that simple cog. I am constantly battered with illusory hankerings for subtle pleasures of puja, labha and pratishta. I have a mind that is rapt in inattentiveness. I have a heart that is bereft of bhakti rasa. Your compassion is delivering this entire suffering humanity, I am also one such foolish suffering human kindly deliver me as well, I just wanted to be a simple cog in your transcendental machinery.

Your insignificant servant, Shyama Vallabha Dasa.

Dear Srila Prabhupada,

Please accept my prostrated obeisances. All glories to your Divine Grace.

Prabhupada, outside our ISKCON community, when we meet people and tell them to chant the Mahamantra they give so many excuses, like I am worshipping this God and that God, I am conducting Bhagavatha Saptaha yagna etc, but they hardly chant.

You taught us that Kṛṣṇa is non-different from His Names. Your disciples are teaching so much of nectar, unlimitedly. These thirty-two syllables of the Mahamantra produce so much of good vibrations. People inside the ISKCON society are chanting sincerely, and glorifying the unlimited potency of the Holy Names. Your disciples are glorifying the Holy Names in such a way that even if they have one thousand tongues as Ananthadeva, still it is not enough for them.

An unbelievable way is that they are glorifying the beauty of the Holy Names, as if there is no end for it. Hearing this glorification, my faith and love towards you is increasing day to day. I was thinking that I should have one hundred percent faith in you, but now I realize that there is nothing called one hundred percent in the love and faith for you, Srila Prabhupada. This kind of glorification of the Holy Names to the unfathomed depths, increases my faith and love for you beyond limits day by day, because it is you who is the inspiration behind it.

As Kṛṣṇa is unlimited, your inspirations are also unlimited, my Guru Maharaj Srila Prabhupada, Your glories are also unlimited.

Aspiring to become your servant, Shyama Varna Govinda Dasa.

My Dear Srila Prabhupada,

Please accept my humble and respectful obeisances at your lotus feet

Firstly, I want to thank you for accepting me as your disciple and giving initiation. Now I am under your shelter. It was the most memorable day in my life (August 15th, 2019 on Balaram Jayanti). You gave me a new spiritual life. Really very much blessed, Prabhupada, after initiation, I am feeling like I am progressing in Kṛṣṇa Consciousness. I am doing regular services at home like deity worship, daily offering food to Lord Jagannath. Please bless me to do more service to Jagannath, and to read your books.

My dear Srila Prabhupada, you are the most tolerant, merciful, and friendly to all living entities. You have no enemies. You are peaceful, you abide by the scriptures, and all your characteristics are sublime. (SB CANTO 3 CHAP 25 TEXT 21).

My dear Srila Prabhupada, you are a pure devotee of Lord Krishna. Your concern is to enlighten people in devotional service to the Lord. That is your mercy upon the fallen conditioned souls like me. My dear Srila Prabhupada, you taught me very well that without devotional service to Lord Krishna, human life is spoiled.

My dear Srila Prabhupada, you traveled around the globe 14 times, preaching "Be Kṛṣṇa conscious; Be a devotee of Lord Kṛṣṇa; Don't spoil your life in simply fulfilling your animal propensities; Human life is meant for self-realization or Kṛṣṇa Consciousness."

You are the most compassionate personality towards all the fallen souls. Therefore one of your qualifications is *kāruṇika*, great mercy to the fallen souls. While engaged in preaching work, you met with so many opposing elements. This had proven that you were very tolerant. Some rascals ill-treated you because of their conditioned nature, and they are not prepared to receive the transcendental knowledge of devotional service. That is their disease. Still, you tried the thankless task of impressing upon them about the importance of devotional service.

Sometimes devotees are personally attacked with violence. Lord Jesus Christ was crucified; Haridāsa Ṭhākura was caned in twenty-two marketplaces; Lord Caitanya's principal assistant, Nityānanda, was violently attacked by Jagāi and Mādhāi. You

were also attacked by a few rascals but still, you were tolerant, because your mission was to deliver the fallen souls. This proves that you were very tolerant and very merciful to all fallen souls.

Srila Prabhupada there is a nice pastime of you to recall:

Sripada Hridayananda Babaji Maharaja was born in Radha Kunda and has been a pujari for 78 years. He lives next to the Radha Damodara Temple. At the beginning of the interview, upon being asked if he knew Srila Prabhupada, Babaji Maharaja began to cry, "Never have I seen anyone do sadhana as he did. I have lived all my life in Vraja, and I have never seen anyone like him. Prabhupada did many arduous things. He worked very hard there at the Radha Damodara Temple. At that time it was austere, undeveloped, and very muddy and dirty with no facilities. Many years later, when I heard that it was actually he who had been chosen by Chaitanya Mahaprabhu to spread the Hare Krishna Mahamantra around the world, I was not surprised. Prabhupada spread this Krishna Consciousness by the mercy of Rupa Goswami. Prabhupada used to pray to Rupa Goswami, "You please give me your mercy." And then he got that mercy. I know this because I saw some things he did at the Radha Damodara Temple. My room is still located in the same place as it was then, in 1964 or '65. Many times in the middle of the night, at midnight or 1 or 2 in the morning, I would hear a voice crying from inside the courtyard by Rupa Goswami's samadhi Mandira. That voice was calling out and crying but I did not know what it was because I was trying to take rest. But one night, on the full moon, I heard that voice again, so I climbed up to the roof of our house, and looked down into the Radha Damodara courtyard. I saw something very amazing. Srila Prabhupada was sweeping the courtyard of Rupa Goswami's samadhi. He was bending down with a small broom, and as he swept the ground by the samadhi, he was crying out, "He Rupa! He Sanatana! He Gurudeva! Please give me your mercy. Without your mercy, I cannot do anything. Give me mercy. Give me the strength that I may fulfill your orders." Then, I realized that it was he who almost every night was calling out as he was sweeping like this."

My dear Srila Prabhupada, I need to thank you a trillion times for the wonderful gift of Krishna Consciousness. Thanks for giving me the Hare Krishna Mantra, a chance to stay in the association of devotees who have dedicated their life for serving Lord Chaitanya's mission, wonderful books like Bhagavad Gita and Srimad Bhagavatam, the wonderful opportunity of serving the deities of Sri Radha Krishna Chandra, Krishna Balaram, Nitai Gauranga, Srinivas Govind, and Prahlad Narasimha and countless opportunity to honor Mahaprasadam.

Your humble servant,

Sitakanta Dasa.

Dear Srila Prabhupada

Please accept my humble obeisances to your lotus feet. Thank you for accepting me as your disciple. On Balaram Jayanthi, I took initiation with your mercy.

You have mentioned; "initiation means it's a beginning towards surrendering to Kṛṣṇa, and serving Spiritual Master." Yes, for me it is the beginning of new life after initiation.

During my deeksha classes on weekends at Hare Kṛṣṇa Hill, most of the time I used to sing Guru Vandana at the end of the class. I am very much enthusiastic to sing Guru Vandana.

As the song starts with "*shri-guru-charana-padma, kevala-bhakati-sadma...*" you have given to me deeksha name as Sri Guru Charana Dasa. That was the connectivity and co-incidence.

Prabhupada, we are so fortunate to have association with ISKCON, Bangalore, and associated centers. Wherever we go we can find your house of happiness i.e., ISKCON.

Prasadam, which literally means "mercy," nourishes the body, mind, and soul. It can liberate anyone from material bondage and bestow Kṛṣṇa prema, love of Godhead.

Prasadam is so powerful, because food offered to the Lord becomes transformed into a spiritual substance, non-different from Him. Most of the time we are offering food to the Lord. We will continue the same without fail.

I am spending time to chant Hare Kṛṣṇa Mahamantra, but not spending time to read your books. I will definitely spare the time to read your books daily. Without knowledge, we will be in darkness.

Prabhupada, we only need your mercy and bhakti, nothing else. Please keep us engaged in devotional service.

Your humble servant,  
Sri Guru Charana Dasa.

Dear Srila Prabhupada,

"I offer my respectful obeisances unto your lotus feet, who is very dear to Lord Krishna, having taken shelter at His lotus feet. O spiritual master, servant of Bhaktisiddhanta Sarasvati Gosvami, You are kindly preaching the message of Lord Chaitanya Deva, and delivering the whole world which are filled with impersonalism and voidism."

I'm your humble servant Madhava Chaitanya Dasa. If I'm in the devotion service till date then it is only due to your causeless mercy Srila Prabhupada. The last couple years were challenging to me due to impact on my health. I had to struggle to complete my daily 16 rounds of japa. Your daily quotes and books were keeping me inspired to continue my devotional life, and chant the holy name. I'm in confused state about my personal life. I beg you to kindly guide me, and give me direction to lead my future life.

This year entire world is struggling due to Corona Virus attack. This deadly virus has not left even devotees. In these worst situations as well, we devotees of ISKCON Bangalore and group of temples under your shelter, are able to practice devotional service, and chanting the holy name of Lord without any difficulties. I'm very much thankful to you Srila Prabhupada to inspiring Sri Madhu Pandit Prabhu to talk on advanced topics like soulful japa sessions during this lockdown period. The soulful japa sessions are helping me improving my daily japa and deep understanding about the holy name which otherwise not possible.

In this Kali-yuga only way to remain happy is chanting the holy name of the Lord. I'm aware of this fact, still my mind goes behind material objects. Srila Prabhupada please help me in concentrating my mind on holy name, and loving devotion to Lord Krishna. The devotional service to Lord Krishna frees you from 3-fold miseries of material world, but still my senses engage in service of maya. Srila Prabhupada kindly engage me and my senses in your service.

Srila Prabhupada it is very difficult to describe your teachings and love for all the devotees. Your love is like a sky that is not measured in mathematics. Your love and causeless mercy is keeping me in Krishna Consciousness.

Kindly keep your mercy on this fallen soul, and direct me within on daily basis.

Your humble servant,  
Sri Madhava Chaitanya Dasa.

Dear Śrīla Prabhupāda,

Please accept my humble obeisances at your lotus feet. All glories to Your Divine Grace.

*tvam naḥ sandarśito dhātrā dustaraṁ nistitīṣṭām*

*kalim sattva-haraṁ puṁsām kaṛṇa-dhāra ivārṇavam*

“We think that we have met Your Goodness by the will of providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being.” (Śrīmad-Bhāgavatam 1.1.22)

Śrīla Prabhupāda The above words spoken by the sages of Naimiṣāraṇya, upon meeting Śrī Sūta Gosvāmī are relevant and applicable in my case also. Just as Sūta Gosvāmī mercifully accepted those sages as his disciples and instructed them, Your Divine Grace has also mercifully accepted me as your servant, even though I am not keenly eager to hear spiritual science, unlike those sages. Those sages accepted Sūta Gosvāmī as the captain of the ship, as they desired strongly to cross the difficult ocean of Kali. However, in my case, I do not think my desire is even 0.1% of theirs. Still you have assumed the role of captain in my life, and have been mercifully and very carefully plying my boat towards Krishna amidst the disturbing waves of my disobedience, insincerity and carelessness at times.

Śrīla Prabhupāda It has been 13 years that you have accepted the role of captain in my life. You have very mercifully engaged me in your mission, even though I have no qualifications to serve you. Had it been without you and your organization, I would have definitely been sucked into the whirlpool of the ocean of Kali. Your Divine Grace has always been protecting me from all dangers that the current age poses.

Śrīla Prabhupāda You have very mercifully set-up the authority structure, through which you act, guide, and direct your disciples. Without the guidance of senior devotees, it would not have been possible for me to serve your mission. Thank you Śrīla Prabhupāda, for keeping me under the care and protection of your staunch followers.

Śrīla Prabhupāda I cannot thank you enough for all that you have bestowed upon this insincere and ignorant disciple of yours. The only thing I can do to please you I think, is to serve your mission in any way possible until the last breath of my present life and life after life.

Śrīla Prabhupāda Please continue to keep me under your shelter, and continue to engage me fully in your devotional service. Please guide me, direct me, correct me, and engage me.

Your insignificant servant, Sri Vighraha Dasa.

My dearest guru maharaja,

Please accept my humble obeisances at your divine lotus feet on this holy day of Sri Vyasa-puja. All glories to Sri Guru and Gauranga.

It's really true no one is our well wisher in this material world. Because you give us real spiritual knowledge: 'Krishna is the supreme spiritual master. He is a supreme father.' By this spiritual knowledge I came out from this bodily ignorance.

Your devotees are also my well wishers. They always try to help me learn me some things to improve my spiritual path. Your system is so good, it looks like Vaikuntha.

Thank you Prabhupada.

Dearest Srila Prabhupada,

Please accept my humble obeisance to you. All glories to you.

Srila Prabhupada, The last year was again blessed one for your prasadam distribution program.

Your Akshayapatra marketing team crossed the Rs 1000 cr mark for cumulative funds raised since inception. Your central office received Great Place to Work Certification for 4<sup>th</sup> time in a row. Your Akshayapatra has set foot in London by starting operations. I want to repeat that all these accolades and awards are solely due to your mercy. It is just because you are at the center of Akshayapatra and you gave its visionary seed, we are able to cross all these significant milestones. Srila Prabhupada, Please bless Akshayapatra so that we work to fulfill your mission.

Srila Prabhupada, I was reading an interesting article that highlighted how Industry leaders like Jeff Bezos, Warren Buffet, etc think several hundreds of years ahead so that the world benefits. When I saw that article, I remembered you. You thought 10,000 years ahead and gave us invaluable Krishna Consciousness that will benefit the whole world.

In a recent interview, I was asked by the interviewer, what empowers me? It didn't take me any effort to tell that my beloved Spiritual Master, Srila Prabhupada empowers me. You have empowered so many of us in Akshayapatra to achieve feats which are very disproportionate to our efforts. You continue to shower your mercy on me. It's a great feeling that you are with us always

Srila Prabhupada, Being a student of leadership as a subject, Your humility touches me the most. I still remember the photograph of you standing in a queue for immigration clearance at an airport. Please bless that I behave with genuine humility with everyone around me. I heard a management guru describing leadership qualities in 3 words. He said leadership is all about Perseverance, Humility, and Integrity. Srila Prabhupada you are an embodiment of all the three and many more qualities.

Srila Prabhupada, this year I had a few tough moments at the workplace, your words gave me the courage to face them easily and come out of them courageously. Your golden quotes that stress on Enthusiasm, Patience, Firm conviction, Following rules and regulations, dealing straight forward, No underhand dealings, Sato Vrtteh- No duplicity and in the association of devotees – came to my rescue every time. Srila Prabhupada, pls give me spiritual strength that I never leave your dhoti.

Srila Prabhupada, by your blessings just before the lockdown, started very very beautiful deities of their lordships Nitai Gauranga were installed at your home in temple bells apartment. We are indebted to you for showing the path of worshipping deities. Though we are novices in following your instructions on deity worship, we seek your blessings that we progress in this endeavor.

Srila Prabhupada, I continue to make snail's progress on getting top class people to your lotus feet. Please bless me so that I come out of my comfort zone and work towards the life goal to your satisfaction.

Srila Prabhupada, I am ever indebted to you for giving me the existential purpose of life. You have made sure that there is clarity in direction and the goal to be pursued. I used to consider myself very lucky as the performance of Akshayapatra has always been very good. But sooner I realized that magical luck is because of your blessings and mercy. Since you are at the center of this organization, the magic is happening regularly.

Your aspiring servant

All Glories to Srila Prabhupada!

My dearest eternal spiritual master Srila Prabhupada, kindly forgive me for any offences that I may have inadvertently made in this submission. After all, I am a complete fool who did not even know who I was until I so fortunately came across your books. Since then it has been a magical journey that I have relished. Knowing the truth has given me so much happiness and leading a life set by your rules has made my life feel so free. With your mercy, I understood how material rules are stifling but spiritual rules are so liberating. With your mercy, I can see how reducing material desires give more joy than increasing them. With your mercy, I experience more freedom in surrendering than the pseudo freedom of before. With your mercy, I feel more love for you just by reading your books and listening to your talks than for others who are physically before me.

Your mercy is available to the entire world, unfortunately, not everyone is ready for you. During one of your trips to Sydney, when you looked at all those people running about their work so engrossed in their material pursuits, totally ignorant of the real purpose of life, you shed tears, the pain you felt for them was so telling. Dear Prabhupada, there can be no one more compassionate a spiritual master than you.

When you enquired about Mr. Bhattacharya who stopped coming for your classes and was told that his absence is better as you did not have to deal with his silly questions, you replied that no, you would like him to come so as to not deprive him of Krishna consciousness. Dear Prabhupada, there can be no one more patient a spiritual master than you.

At an age when most people retire, you prepared and prayed for your journey to the West. You left the comforts of your beloved Vrindavana and Sri Radha Damodarji temple to go to the West with no contacts, with no money, with no other help only to fulfill your Guru Maharaja's wish. You took an arduous journey putting yourself at so much risk for the benefit of others, to take us all back to Godhead. Dear Prabhupada, there can be no one more daring a spiritual master like you.

You have set an example with your life by leading such a public life, dedicating every moment of your life to spreading Krishna consciousness, teaching everything that is there to know and that can help in increasing one's own Krishna consciousness. Every activity of yours is an act of preaching. Dear Prabhupada, there can be no one better at preaching than you.

You have designed ISKCON to be a teaching, preaching, practicing, and problem-solving movement helping everyone who comes in contact quickly realize the Absolute Truth. By designing so many ways to come in contact with the movement, you have made it so easy for everyone of us to realize Krishna consciousness. Dear Prabhupada, there can be no one more perfect a spiritual master than you.

With your mastery of all the spiritual and material texts, you have grounded your preaching in the evidence of the *Vedas*, *Upanishads*, *Puranas*, and *Itihasas* with so much clarity that it becomes *uncontestable* and undeniable. Thereby, you have always established the superiority of the philosophy of Krishna consciousness amongst all classes of people across the world. You are spiritually magnetic, attracting everyone to you with your books, your discourses, and your teachings. Your presentation of Krishna consciousness is like a framework that is all-encompassing, can be applied to everything and everywhere in life and as the only real solution to all problems of this material world. You have designed Krishna consciousness to be a practical way of life with so little adjustments for so much more in return. Dear Prabhupada, there can be no one more knowledgeable a spiritual master than you.

Dear Prabhupada, from the time of your advent, you have been an embodiment of perfection as a devotee, the way to lead a life in the material world always in Krishna consciousness. Dear Prabhupada, there can be no one purer a spiritual master than you.

Dear Prabhupada, please bless me with eternal remembrance and service to your lotus feet.

Your most fallen servant,  
Srinatha Dasa.

Satyam bruyat Priyam bruyat

Sri Gurubhyo Namah | Hari hi Om Tat Sat ||

*vande gurūn īsa-bhaktān, īsam īśāvatārakān | tat-prakāśāṁś ca tac-chaktīh, kṛṣṇa-caitanya-saṁjñakam*

I do remember the day when our ISKCON Bangalore temple had come to a standstill probably for the first time, with its doors shut tight to high-level security, beefed up to a war zone with watchtowers, patrolling posts, cctv vigilance and hundreds of volunteers guarding the main gate of the city street; in order to secure Their Lordship's Sri Sri Radha Krishnachandra's hi-tech temple palace and to reinstate the lost position of our beloved Spiritual Master Abhaya Charanaravinda Bhaktivedanta Swami Srila Prabhupada. The other camp's ISKCON fallacy Gurus and their hardcore policies had hijacked the position of Srila Prabhupada, through His divine grace was always been an epitome in accepting the sins of his disciples for their spiritual progress and was even prepared to go to hell in order to establish Lord Chaitanya Maha Prabhu's Sankirtana movement throughout the world.

Amidst the chaotic Karnataka High Court verdict of our temple Title case, I went through an inceptive experience of insecurity which made my mind linger over to a popular lyrics of Dasa parampara composition "Yaake Mookanadyo Guruve nii" by Srimad Jagannatha Dasa, wherein he questions the silence of his Guru Maharaja Yativarya Raghavendra Swami to his present circumstance. I began to relate to its meaning though I couldn't understand its deep purport. The composer laments as to why had his spiritual master secured his hand to just leave him alone amongst the Kakujana, the wicked animalist Humans? He fervently requests Yogikulavarya, the protector of sages on how he could lead his life if he doesn't shelter him NOW? "Kindly... do sustain me, oh! My creator Janani, Forgive me for I surrender eternally". He says that there's no one to take care of him expect for his Lokapalaka Guru, the sustainer of the whole world. The composition was just spot-on to a true seeker for it doesn't matter being successful in Krishna consciousness or not, but to know it firmly that without the initiating Guru Srila Prabhupada's desire nothing could happen either spiritual or material.

On a blaze, we, the temple devotees prayed ardently to our beloved Savior Srila Prabhupada to be at the reigns of our life and make us sail through the present catastrophe. Our hearts cried out like an infant searing for his mother's solace - "śrī-guru karuṇā-sindhu, adhama janāra bandhu, lokanāth lokera jīvana | hā hā prabhu koro doyā, deho more pada-chāyā, ebe jaśa ghuṣuk tribhuvana". "Our spiritual master is the ocean of mercy, the friend of the poor, and the lord and master of the devotees. O master! Be merciful unto me. Give me the shade of your lotus feet. Your fame is spread all over the three worlds". The society commoners can't understand the plans and actions of a pure devotee by their tiny intellect. Only if, we try our best to serve Srila Prabhupada, we can make rapid spiritual advancement but not being a foolhardy. My culprit mind having no full faith was reeling under pressure but continued with the crisis management. The day went on a snail-phase but swift-enough in its thoughts about the future course of action. Spirituality was at its stake! As it was a question of our existence for the very next day. By next twilight, after a hectic night of patrolling the temple, we had arranged for a unique Mangala arati at the main gate. The cool wind breezed-in as if to calm us down to a fervent prayer with soul-stirred kirtana of Śrī Gurv-aṣṭaka. Finally, I made up my mind to surrender the new day and the old worries in the lotus hands of Srila Prabhupada! We all sung kirtana vociferously to an occasional voice-chokes, relishing the radiant faces of Their Lordships Sri Sri Radha Krishnachandra and ever-confident Srila Prabhupada.

Later, the day went through tense situations with the opposition party hell-bent to take over the temple. They tried their might to barge into the temple with their strong men as a last resort to gain control over the temple and its property. Our intense prayers were with the temple deities seeking Their causeless mercy. Our first and last resort was always to completely depend on Srila Prabhupada! The spiritual master is to be honored as much as the Supreme Lord because he is the most confidential servitor of the Lord. This is acknowledged in all revealed scriptures and followed by all authorities - “sākṣād-dharitvena samasta-śāstrair, uktas tathā bhāvayata eva sadbhiḥ”. Lord Sri Kṛṣṇa, the original form Personality of Godhead, is the summum bonum of the all-pervading Viṣṇu. “Svayam bhagavān kṛṣṇa, viṣṇu-paratattva | pūrṇa-jñāna pūrṇānanda parama mahattva”. He is all-perfect knowledge and all-perfect bliss. He is the Supreme Transcendence. The most revered Sri Caitanya Caritamrutha reveals “ei śuddha-bhakta lañā karimu avatāra, kariba vividha-vidha adbhuta vihāra | vaikuṅṭhādye nāhi ye ye līlāra pracāra, se se līlā kariba, yāte mora camatkāra.” “Taking these pure devotees (Srila Prabhupada) with Me, I shall descend and sport in various wonderful ways, unknown even in Vaikuṅṭha. I shall broadcast such pastimes by which even I am amazed”. All statements gave me a strong ray of hope for a dreamlike mystic or for a miraculous conclusion.

The tornado of uncertainty seized down to a cool breeze of relief and serenity as the situation was brought under control. The next morning, to my astonishment of the causeless intervention of Srila Prabhupada, the Supreme Court passed an interim order staying the High Court verdict and maintaining a Status Quo until further notice. There wasn't a limit for our jubilant fiesta. This sort of conducive situation might have been brought-in only by great Vaishnava's mercy so as to purify the devotees to continue on with the fight against all possible odds until victory - “ei-bāro karuṇā koro vaiṣṇava gosāi | patita-pāvana tomā bine keho nāi”. I thought the reason for that previous uncertainty might have been the plan of our firm Spiritual Master Srila Prabhupada just to check our faith and dedication. ISKCON Bangalore devotees stood strong to this test and reclaimed the lost position of Srila Prabhupada. Thus, Srila Prabhupada revealed the ultimate Vedic injunction “SATYAM BRUYAT PRIYAM BRUYAT” to uphold TRUTH against all odds. With the curtain down to the high court episode, Bangalore temple devotees continued with the devotional activities as set forth by Srila Prabhupada for Sri Vighraha aradhane, Srimad Bhagavatha shravana, Sadhusanga, Sankirtana, and Sri Kshetra Mathura vasa. It's very clear now that only a Saktiyaveshavatar Srila Prabhupada can save the Hare Krishna Movement in Kaliyuga and that my intuitions are prompting that Srila Prabhupada would end this litigation forever before or on the day of ISKCON Bangalore's silver jubilee celebrations paving a comfortable way for establishing 108 Srila Prabhupada's Sri Krishna temples across the globe.

For this to realize, Srila Prabhupada always stressed on the practice of Hari Nama - Anandamaya Japa Yagna by making the NAMA PRABHU as our life n soul. Materialistic life means that one is bitten by the snake of māyā, illusion, and thus, without any Kṛṣṇa consciousness, is almost dead. The so-called dead man bitten by a snake can be brought back to life by the chanting of some mantra. Similarly, one can be brought back into Kṛṣṇa consciousness from the deadly unconscious state of material life by hearing of the mahā-mantra: Hare Kṛṣṇa, Hare Kṛṣṇa, Kṛṣṇa Kṛṣṇa, Hare Hare / Hare Rāma, Hare Rāma, Rāma Rāma, Hare Hare. By chanting the holy name, dancing in ecstasy, singing and playing musical instruments, the spiritual master is always gladdened by the sankīrtana movement of Lord Caitanya Mahāprabhu. “mahāprabhoḥ kīrtana-nṛtya-gīta-vāditra-mādyan-manaso rasena | romāñca-kampāśru-taraṅga-bhājo, vande guroḥ śrī-caraṇāravindam.” Because he is relishing the mellows of pure devotional service within his mind, sometimes his hair stands on end, he feels quivering in his body, and tears flow from his eyes like waves. I offer my respectful obeisances unto the lotus feet of such a spiritual master who reveals a refined essence of Krishna Nama as a PURE JOY - ANANDA.

I adherently pray to His Divine Grace Srila Prabhupada to guide me through my life in Krishna Consciousness preaching and to dedicate myself again and again in his glorification. Kindly do guide and protect the general populace from the current Covid-19 Pandemic material disease and lead their lives to a transcendental bliss in Krishna Consciousness. I beg you to forgive my unknown offenses at the Vaishnavas. Srila Prabhupada without your Kripa, I can't have Nama Prabhu's decent for my purification and experiencing the transcendental bliss.

Sri Guru Gauranga Vijayate!

Daso'smi! Yours eternal Sevak seeking lifelong service at your Lotus feet, Sripathi Dasa, ISKCON Bangalore.

Dear Srila Prabhupada,

Please accept my humble obeisances!

Thank you Srila Prabhupada, for giving us the association of your sincere followers!

Thank you Srila Prabhupada, for giving us the holy name, the most valuable gift of all gifts!

Thank you Srila Prabhupada, for giving us your books to read, to study, and to distribute.

Thank you Srila Prabhupada, for giving me another wonderful year in Krishna consciousness.

I am greatly obliged to you Srila Prabhupada. You engaged me in the personal service of the lord. Every day I have a great opportunity to spend my time in the Supreme Lord's personal service.

Prabhupada, I would like to recall your kind nature upon me with a short story:

Once a monk was walking alongside a stream when he saw a scorpion struggling in the water. Knowing that scorpions cannot swim, he quickly plunged into the water to rescue it. Carefully, he picked the scorpion up with his fingers and walked to the bank. Just when he was about to set the scorpion down, it turned and stung his hand. The monk being in pain drew his hand back and as a result, the scorpion was flung back into the stream. When the monk realized what happened, he went back into the water and picked up the scorpion once again. But just as the monk was about to set the scorpion down, he was again stung on the hand by it. This scene repeated several times until the monk finally saved the scorpion. A little boy was playing by the stream when he witnessed this whole incident. Being confused, he asked the monk, "Excuse me. Why do you keep trying to save that scorpion? It stings you every time you try to rescue it."

The monk replied, "Dear boy, just as it is the water's nature to make me wet, so it is the nature of the scorpion to sting. And just as it is the scorpion's nature to sting, it is my nature to save."

From this, I can say frankly my nature is like that, scorpion who wants to be always in the material pool with continues suffering but you are very, very kind upon me continuously protecting me from this great danger.

I beg you Prabhupada, kindly forgive me for my offensive nature and bless me for my spiritual growth. I sincerely pray at your lotus feet that at any great circumstance I should not lose this opportunity.

Your servant, Srivas Gaura Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance to your lotus feet. Thank you so much for helping me with my verve as an eternal instructor. There was every chance of falling down from my position, but you have continually fortified me by your valuable instructions.

You have fulfilled my request regarding progressing in devotional service with providing association of devotees. Otherwise, I would have not improved with my own endeavor. But by your mercy, it just happened so painlessly. Thank you so much.

As far as my *sadhana* is concerned, I am sincerely practicing in the atmosphere to delight my Guru and Lord Krishna. Still, I have to improve a lot. Please load my heart with magnificent Krishna stories. I have an aspiration to propagate your teachings to the entire humanity. I appeal to you to bless me by your righteous teachings.

Thanking You,

In the service of the Lord,

Let me offer my respectful obeisances to the spiritual master of the three worlds “HIS DIVINE GRACE A.C. BHAKTIVEDANTA SWAMI SRILA PRABHUPADA” on his 124th appearance day.

Dear Srila Prabhupada,

This poor and unworthy servant of yours once again tries to offer you homage as is the duty of every disciple on the occasion of his spiritual master’s Vyasa-puja.

Srila Prabhupada, as you had always said and proved by personal example that magic is not to play some tricks or to do something very wonderful, which could be even against the laws of material nature also or anything like that.

The real magic is ‘change of heart,’ which you have performed all the time, in every nook and corner of this world.

In the following way, I would try to narrate my story of this ‘change of the heart’ as a glorification of your eternal pastimes of preaching and spreading Lord Caitanya's mission. Kindly hear O my lord, the life and soul of your devotees.

124 years ago appeared on this planet, a gem  
He was coming directly from the spiritual realm  
He liberated the entire human race  
And that was your divine grace

And then took birth a conditioned soul  
About 19 years ago  
Taking shelter of *maya*’s sole  
He had no means to go  
To go had he no means  
To the spiritual world which is full of touchstones and desire trees

Then came you in his life  
Just as the rainy cloud  
Not making any distinction of fool and wise  
And distributed the mercy from Krishna’s abode

That was me Srila Prabhupada  
And the following is my story of, ‘change of the heart’

I would say  
That right from my birth-day  
I was under your protection  
And thus grew up in your care and affection

Right from the beginning of my life  
I was nurtured by a cultured husband and wife  
Even the material parents of mine were gifted by you  
O dearest servant of one who has a golden hue

Then slowly as I grew up a little wise  
I was becoming a victim of *maya*’s vice  
Growing slowly as an adolescent was me  
Going deeper in the roots of the material tree  
The tree with roots upward and branches down got me lost in it  
And I was forgetting the position in which I would benefit

And on the other hand, was the brother of mine  
Traversing a path more brilliant than the sunshine  
Hearing the Hare Krishna mantra he got into the details of Krishna consciousness  
And would describe the same path of all auspiciousness  
But having a wrong impression in my mind of some conspiracy  
I would keep away from your causeless mercy

But you had already decided to bestow upon me that mercy  
Which great souls are always desirous of  
And there started my journey  
And that was the take-off

By your causeless mercy had come Nitai Gauranga at our house  
Had you not invited them I would remain a doomed mouse  
Alas! I had offended them in so many ways  
Traversing the path to hell with a great pace  
But Their Lordships were so merciful  
That they were ready even to deliver such a fool

I would pray them for material gain  
Although knowing that it will only give me sorrow and pain  
Their Lordships had bestowed upon me all that I had asked for  
And directly or indirectly this boat was reaching the right shore

Upon receiving Their blessings in this way  
I increased my number of rounds  
Although time was going to slay  
My material happiness found no bounds

Meanwhile, I was advised to pray to you for *bhakti*  
And was said that was the only key  
Although I had no idea about what it was  
You welcomed my prayer with great applause

Soon did Their Lordships bestow upon me their mercy  
And that what I was hankering for was completely gone  
To me, it didn't feel so easy  
But the sun of your mercy had already dawn

Embracing *maya* the foe  
I had ended up in a tale of woe  
On the door of material enjoyment now I found a lock  
And I could see the ship of my life turning towards a new dock

My dear spiritual master, kindly hear my view  
I feel I am a yogi who could not finish his journey in the past life  
And thus have had some relationship with you  
As you are my lord life after life

I may be not completely right  
In the matter of my past and early life  
But now that you have embraced me tight  
I am sure that there is not going to be anymore material strife

The worst of my habits to come out of which I found no way  
You, my Lord, by your prowess have already driven away

Continuing my story I would say  
That I was brought to you in a very wonderful way  
Then I had started trying to serve you in different ways  
And this was the beginning of my bright days

Slowly I moved on... having always you by my side  
In my life, in every high and low tide  
Although not very matured, by your inspiration  
I made a decision  
And that was to join your mission

But I being too young this would not be approved  
I had tried for a year but authorities were not moved  
As usual I came to you my dear father  
And chose to beg from you rather

I still remember that moment  
When I was sitting in front of you in your office, not for any formalities  
But crying in front of you, begging your permission to join your movement  
Suddenly came and approved the same authorities  
The authorities who otherwise would not move  
Now by your inspiration had to approve

The person trying to blaspheme you  
Was the same one who was later crying in front of you  
Thus by your causeless mercy my material attachments broke apart  
And this was the story of the  
“CHANGE OF MY HEART”

Dear Srila Prabhupada, my dear father, this small immature child of yours now would like to submit a plea.

As I've always heard and even experienced that you definitely reciprocate to such a plea submitted to you on your Vyasa-puja day, kindly hear of this from me now.

Actually, Srila Prabhupada I remember that right from the early days of my Krishna conscious journey, you had given me the gift of strong faith in your words. I would be determined to strongly face anyone trying to deny your words and would present your authority for everything.

But recently due to a lack of *sadhana*, which I feel is the reason and also non submissive hearing due to my pride about preaching, the desire for name and fame through preaching (i.e. while hearing any matter of the Krishna conscious philosophy I would think how I would preach it to someone else, not taking it for the matter of my understanding and growth, and thus thinking that a non-devotee would never be able to accept such philosophy and would think of the speaker as a fool. I slowly happened to adapt the same mentality.) and also due to my other *anarta* of trying to speculate over your words or the *sloka*, deriving the meaning out of my very, very limited understanding, and maybe few other things which I would not have been able to perceive.

I happened to adopt the mentality of a faithless non-devotee and started doubting the basic principles of Krishna consciousness.

Srila Prabhupada, I don't wish to elaborate on this more because you know more than me about the problem. You are no ordinary person, you know everything of my past, present and future.

And this had combined with another problem of mine, which is related to health, which is not so good from the past few days, which I think is due to my past karma and my offending *maha-prasadam*.

O most merciful spiritual master I beg pardon for all such offenses committed by me and for the *vaishnava-aparadha* done by me. Kindly forgive this poor servant of yours.

These two primarily (in what I can recognize) and many other things spoil my consciousness totally and I become unable to chant, read nicely and happen to spend sometimes a lot of time worrying about it. I am unable to come out of it.

Dear Srila Prabhupada, being the confidential servitor of Krishna, you know everything and don't have to know anything from me. But still, out of helplessness, I put my problems in front of you because except you who is there of mine whom I can talk about them? Who can actually solve them?

Kindly remove these hurdles from my path of devotional service if you so desire my lord.

Otherwise, if you've got some learning for me in this, I just, being a servant of yours, would like to receive your mercy.

My only wish is to have unflinching faith and devotion towards your lotus feet, become your humble and submissive servant, and be able to chant Krishna's holy name with purity (*shuddha-nama*)

The most fallen servant of yours,

The most unworthy beggar,

Subala Shyam Dasa.

*om ajnana-timirandhasya jnananjana-salakaya  
caksur unmilitam yena tasmai sri-gurave namah*

I offer my respectful obeisances unto my spiritual master, A. C. Bhaktivedanta Swami Srila Prabhupada, who with the torchlight of knowledge has opened my eyes, which were blinded by the darkness of ignorance.

Srila Prabhupada, please accepts my humble obeisance unto your lotus feet. All glories to your lotus feet. Your Divine Grace, by your causeless mercy, the year 2020 has been already recorded in history. However, people do not know what that history is? Your divine appearance at ISKCON Bangalore along with your mission of spreading Nama-prabhu. This year onward your mission will take a different momentum in the history of Hare Krishna Movement. This is the history of the year 2020.

Before going to America there were a lot of turmoils to establish ISKCON in the Western countries, and the whole world was also in the same situation as Vietnam War (Indochina war), hippie culture, etc. That was the time you introduced Nama-prabhu to all and as we can see Nama-prabhu has taken care of the whole world.

The year 2020 is having simile. This situation is almost the same, even worst than that time. This world may not recognize that Nama-prabhu, who is personally given and chanted by you, what He has done and how He has saved till now, either ISKCON or world.

In fact, you have given this indication in one of the poem very clearly:

*bhakti nai beda nai name khub daro  
"bhaktivedanta" nam ebe sarthak kor*

I have no devotion, nor do I have any knowledge, but I have strong faith in the holy name of Krsna.

Here the glories of Nama-prabhu, you have very clearly mentioned onboard the ship Jaladuta. You have written this in 1965, exactly 65 years ago. Fortunately, this year on 13 August, we are also celebrating your Jaladuta's Voyage of Compassion journey and your divine appearance day.

This is giving an indication that after 65 years of the journey you have again started a voyage of compassion on a human being on this earth. As we are all aware of the current situation of the whole world, it is in need of this compassion. This is all Nama-prabhu's arrangement that you have handed over your personally chanting Nama-prabhu to Madhu Pandit Prabhu. It is again freely distributed to all, and this distribution is going on and will go on till it completes Chaitany Mahaprabhu's prediction that My name will be chanted in every street and corner. So many people are again getting personal association of Nama-prabhu; it is your causeless upon all of us.

"We are among those few out of 7.7 billion people on this earth, who have been blessed by the causeless mercy of a greatly empowered *Acharya* His Divine Grace A. C. Bhaktivedanta Swami Srila Prabhupada. We are able to take part in the Lila of the Nama Avatara because we are blessed to welcome and serve Him every day on our tongue and ears" Anyone who chants 16 rounds on the order of Srila Prabhupada, being a recipient of this causeless mercy whether he realizes or not, has been sucked into the Lila of the Nama Avatara". (Ref. Soulful Japa Module-1)

Thank you very much, your Grace, by Your causeless mercy you have accepted me as well, being the recipient of your causeless mercy. However, I am so unfortunate, not able to realize. Your grace, please help me, please help me.

"The guru installs the Deity by inviting the Lord into the external Deity form and instructs you to offer specific *seva* every day for the rest of your life. In the same way, Srila Prabhupada delivers into the *sadhaka's* heart, on the seat of shraddha or faith, the Aprakrta Nama of Krishna as Hare Krishna Nama-prabhu and asks us to serve Him with minimum 16 rounds every day by chanting and hearing with attention and devotion"

Letter to Bhakta Das — 26 Aug, 1976: Srila Prabhupada does not say just chant 16 rounds a day. He says 16 rounds minimum. Further, it should be chanted clearly and heard carefully both with attention.

Srimad-Bhagavatam (1.15.13) Purport: "The Lord is all-powerful, and by His grace, His pure devotee can be as powerful as He may desire, and there is no limit to it."

Ref. Soulful Japa Module-14 - We have remembered that the Nama-prabhu with us is the Nama-prabhu of Srila Prabhupada's transcendental flavour. When he delivers Nama at the time of initiation, it is the worshipable Nama whom he is passing on to us to further worship and serve.

Your Grace, thank you very much for making me also a part of this *Soulful Japa* project. Please help me Srila Prabhupada to serve Nama-prabhu to the best of my ability. My only prayers unto your lotus feet is please help me to get attached to your lotus feet as the everyday prayer we sing during *guru-puja*: "The lotus feet of our spiritual master are the only way by which we can attain pure devotional service. I bow down to his lotus feet with great awe and reverence." Please help me, please help me to serve your lotus feet.

By your grace, one can cross over the ocean of material suffering and obtain the mercy of Krishna. My only wish is to have my consciousness purified by the words emanating from his lotus mouth. *guru-mukha-padma-vakya, cittete koriya aikya, ar na koriho mane asa*. Attachment to your lotus feet is the perfection that fulfills all desires. Thank you Srila Prabhupada for showing me the way. By the association of Vaishnavas my darkened eyes may open and my heart gets filled with transcendental knowledge. You are my lord birth after birth, from your ecstatic *prema* emanates; by you, ignorance is destroyed.

Your Grace, now the world will sing your glories. Because you have Nama-prabhu with you and by your causeless mercy, you are distributing Nama-prabhu to all. Your Grace, you are the ocean of mercy, the friend of the poor, and the lord and master of the devotees. O Prabhupada! Be merciful unto me and give me the shade of your lotus feet eternally.

The instructions of spiritual master are the life and soul of a disciple and following those instructions is the only means to serve Krishna. (*Srimad-Bhagavatam* 4.24.31-32)

Srila Prabhupada, please help me follow your instructions given on chanting the holy name and taking association of Nama-prabhu delightfully.

When a mantra is chanted by a great devotee, the mantra becomes more powerful. Although the Hare Krishna *maha-mantra* is powerful in itself, a disciple upon initiation receives the mantra from his spiritual master, for when the mantra is chanted by the spiritual master, it becomes more powerful.

In every moment, I only need your special protection to serve your lotus feet, all the Deities, and Vaishnavas and keep chanting. Please help me to take medicine of chanting 16 rounds of Hare Krishna *maha-mantra* attentively, following four regulative principles, attending *sadhana* and reading your books without fail. This is the only strength where I will be able to serve you. Please help me, please help me.

Your Grace you have written in one of the letters that we must stick firmly to the chanting of the holy name and following the rules. This will keep us from being tricked by *maya*, but there is no question of a disappointment for some temporary bewilderment.

Your Grace, please give me your special protection so that I may not fall down on account of the greater strength of *maya*.

Your Grace, please teach me how shall I deal and communicate with Vaishnavas so that I shall not make any offence to any Vaishnavas. Please guide me on how shall I serve Vaishnavas and how shall I appreciate the qualities of Vaishnavas instead of seeing any faults.

Your Grace, I am in distress, suffering from lusty desires. Please give me relief. Please help me to practice the principles of Krishna consciousness with determination, patience and enthusiasm.

Your Grace, please give me right perception. Please give me proper intelligence to discriminate. Please guide me. Please help me. Please lead me. Please give me your divine instructions on every step of my Krishna consciousness life.

Your Grace, please help me not to give any attention to any kind of material sense objects, people and place. Please help me to give only attention on to the lotus feet of Nama-prabhu.

Your Grace, please help me to take guidance from my authorities for any concern or issues related to my Krishna consciousness activities and service. Please help me not to take any decision on my own way.

Your Grace please help me associate with your Nama-prabhu, feel His presence every moment, and remember Him with faith.

Your Grace, please help me to have full dependency on Mahaprabhu for offenseless *japa*. Please help me to delightfully welcome Nama-prabhu and hear Nama-prabhu as instructed by you.

Your Grace, please help me offer *priti* of pleasure-giving, *sankhya purvaka* pleasure-giving on to the lotus feet of Nama-prabhu.

Your Grace, please help me to have full faith and conviction that Nama-prabhu is the only hope of my life who can bestow mercy of giving *bhakti* energy, giving *prerana*, *jnana*, *bala*, *kriya* and He is the only kind friend, He is the only protector, only maintainer.

Your Grace, please help me to surrender unto Nama-prabhu. Please save me from the snake pit of pride. Please help me to beg forgiveness from Nama-prabhu and please help me to have gratitude to Nama-prabhu for coming for me. Please help me, your Grace.

Your grace, please give me benediction never to forget you and Nama-prabhu, and never to forget to say. "Thank You Nama-prabhu, and Thank You Srila Prabhupada for everything in my whole life."

Your servant of the servant,

Suchandra Gaura Dasa.

Dear Srila Prabhupada,

Please accept my most humble obeisance, all glories unto Your Divine Grace.

On this most auspicious day of your divine appearance, thousands of your disciples across the world are singing of your splendid glories. *Mukam koroti vacalam* - by the grace of Sri Guru, the dumb can speak. I am an insignificant servant and humbly pray for your blessings so that I can glorify your lotus feet with apt and gracious words.

On the order of Srila Bhaktisiddhanta Sarasvati Thakura, you left to the Western world to spread the gospel of the Lord Caitanya. Under the rule of *kali*, the world was predominantly suffering from atheism and impersonalism. You took the reins of misdirected society from atheists and hypocrites to successfully guide the society on the path of perfection.

You planted a desire tree of Krishna consciousness movement and it swiftly sprung up with blossoming flowers of love of Godhead. Like the breeze carries the fragrance of flowers everywhere, your devout disciples carried the love of Godhead to every nook and corner of this world and thus fulfilled the prophecy of Lord Sri Caitanya Mahaprabhu – *prthivite ache yata nagaradi grama sarvatra pracara haibe mora nama*.

Krishna consciousness is the rare matchless gift of yours for the benefit of suffering humanity. Your divine teachings are the actual oasis for all the thirsty souls searching after the real purpose of life in this parched material desert. The fortunate recipients of this are at once cured of contaminated consciousness and are reinstated in a healthy condition of Krishna consciousness.

The science and its pursuant scientists, who are proud of their material advancement, have failed to prove their competency in protecting humanity from *adibhautika-kleshas*. The present, worst ever pandemic in known history, has brought the whole humanity to its knees. It has baffled the materialistic civilization and challenged the atheistic existence. Intelligent people are looking for an alternative to counter such situations. Spirituality and its pursuant spiritualists in Krishna consciousness can help adopt a sublime path as taught by you. This is the only way to become immune to these *kleshas* and promote oneself to the state free of all such anxieties eternally! You are a true friend and saviour of humanity.

You are infinitely merciful to one and all. You are guiding millions of ardent souls through your transcendental books and *sankirtana*. I fervently beg you to strengthen my faith and humbly pray for your protection from reversals while I'm in this spiritual journey. Kindly correct me and guide me to continue my insignificant service in your divine mission.

Your aspiring servant,  
Suchi Shrava Dasa.

All Glories to SRILA PRABHUPADA!

Reciprocations by HDG:

On the day of Brahmotsava 2020, it's a one-day festival, after festival cooking, I am attending the *abhishekam* and video presentation. Meanwhile, I felt thirsty, but I didn't go to drink water because of the rare video presentation. So, after the presentation, I went behind the altar to drink water. There, exactly at the same time, offering platform winding up was happening. There were six mud pots left by our devotees and nobody is taking them. Many employees are present there, and they are waiting for someone to take. I went and picked up two pots and the other devotees collected one each.

I got one pot of juice and the other one water. First I had juice, later water, exactly. And this is unknowingly. It's my regular habit also. Then I immediately started chanting loudly JAI PRABHUPADA AND ALL THE DEITIES names.

It is exactly as Lord Krishna says in *Bhagavad-gita*: I will take care of My devotee.

Lord Jagannatha Ratha-yatra. I was thinking, "It's my regular cooking time so I can't go to VK Hill. It's happening every time. I am missing the opportunity somehow or other."

I had a desire to offer a special preparation to Lord Jagannatha, but I can make only one item which should be dry and should not be liquid or juicy. So I decided to make a mixture with roasted nuts. Finally we heard that Jagannatha Himself is coming here. So I started contemplating of changing the offering. But by the will of Lord, another devotee had made *paneer* in excess and by using that I made my desired offering to the Lord, i.e. *channa poda*. I was so happy, and it was so nice also.

Jai Jagannatha! Jai Prabhupada!

#### **Realizations:**

I realized that how much one becomes humble that much benefit will get through the association of devotees.

In an instance I bowed down to a devotee and asked for forgiveness. Immediately he cooled down and listened to me and understood me. Later the situation went nicely.

#### **Realization through application:**

I met my Temple Commander for a solution. Basically, I get angry very quickly, so in the dealings with other devotees, I seek advice. My TC heard from me and finally he told me some corrections and a supreme dependable idea—to pray to the DEITIES for the knowledge to be given to the devotee, and not to become angry for small things by myself.

And it has worked very mystically.

Thank you so much Gurudeva for your causeless mercy upon me. You have provided us a wonderful Krishna consciousness family to learn many things in the association of devotees.

Its a really awesome and thrilling experience for me whenever I think back of my old life and plans, and the current life.

All Glories to Srila Prabhupada!

All Glories to HDG'S divine guidance.

Please keep me till the end of my life under the umbrella which you created in this material world.

Your humble servant,  
Sudarshana Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you and your services towards mankind.

I would like to express my deep appreciation and gratitude for giving me this opportunity to be associated with you. I am always in your debt for the compassion, concern you have on every soul who is in the mode of ignorance including me. Through your teaching, you taught us how to adapt to the material world and still practice spirituality. Through your teachings and association with devotees, I am trying to understand Krishna, *Srimad-Bhagavatam*, *Bhagavad-gita*, more importantly, Vaishnava etiquette and devotional services. Yet struggling to be a disciplined student of yours, though I chant, read, and do service regularly. Though complete surrender to the spiritual master is a must, it is not that easy as we say and requires your mercy.

Lord Krishna preaches in *Bhagavad-gita*, verse 4.34:

*tad viddhi pranipatena pariprasnena sevaya  
upadeksyanti te jnanam jnaninas tattva-darsinah*

Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth.

(translated by none other than your kind self).

I am sincerely trying Srila Prabhupada to abide by your instructions and be an obedient student. I wish that one day, by your mercy, will get an opportunity to serve you and your mission to my best of abilities. I do understand you would have a plan and the role you want me to perform. With your guidance have completed my thesis on 'Positive Leadership' and please help me to successfully defend it. Through your teaching, you have demonstrated the application of positive psychology and positive leadership by developing the fallen souls towards the service of Krishna. You are the true positive leader for me Srila Prabhupada. You are an inspiration and moral support in my journey and never forget this statement from *Memories: Anecdotes of a Modern-day Saint (3)* by Siddhanta Dasa, "Vaiyasaki: One morning in Mayapur in 1976: According to the quality of one's consciousness, one feels harmony with their surroundings. That's why we are in the mode of ignorance because the stools did not disturb and that why it is not cleaned".

Please help me clean my thoughts and come out of the ignorant mode I am comfortably living in. I pray to your lotus feet, I don't want to always be in ignorance and forgetfulness of the little that I've learnt so far. Please bestow upon me your mercy.

Your sincere son,  
Sugreeva Prana Dasa.

*om ajnana-timirandhasya jnananjana-salakaya  
caksur unmilitam yena tasmai sri-gurave namah*

My most loving spiritual master Srila Prabhupada,

Please accept my humble obeisances unto your divine lotus feet.

Another year has passed, out of the eternal time of me as your disciple, under your divine mercy, care and guidance. Indeed I am eternally indebted yet again for your touch of mercy every day, every moment.

Dear Srila Prabhupada, once again I beg you to forgive me for my countless offences unto your divine feet, unto my Godbrothers, and all others. I am hopeful that one day, by your causeless mercy I may become offenseless and then respect all living entities without expecting any respect. Yes, only by your causeless mercy can I get any little qualities of a devotee.

I recently heard in one of the morning quotes that we read in temple. You said that one may chant with offenses but chanting should go on, that should never stop. Only then, one day, one may reach to offenseless chanting. I realize that I am also in this state, perhaps for a long time. It is no wonder, yet very wondrous, that you continue to teach me and many others about doing soulful *japa*, through the medium of your sincere servants at ISKCON Bangalore.

Dear Srila Prabhupada, as I have expressed before also, that I am most stubborn & *tuccha*, and continue to remain so, and I continue to express it once again that I am hanging only because of your causeless mercy. I beg you to please continue to keep your glance upon me for I don't have any other hope.

Dear Srila Prabhupada, I am most grateful to you this year for giving service in Pilgrimages department, to visit many holy places for my own purification and for distributing your mercy and instructions to all pilgrims. Indeed, you are the TIRTHA-GURU, who reveals unto all of us the real place of pilgrimage.

Dear Srila Prabhupada, this year the world is going into a deep crisis of Corona pandemic. I am just wondering, if you had not come to me, I too would be a victim of the fear, of uncertainty, of delusion and other miseries (apart from the physical suffering). If you had not revealed to me the Absolute Truth – Sri Krishna, I would surely be suffering the most, in this

world of *maya*. I sincerely pray unto you Srila Prabhupada to bless all the living entities of the world and make them (and me) fully Krishna conscious and you may please continue to use me as a tiny instrument in doing so.

Yes, Srila Prabhupada, I desire from you to please allow me to taste the nectar of Krishna consciousness and distribute it to all. I desire to hear the nectarine *krishna-katha* and with saturated heart, broadcast *krishna-katha*. One day, by your causeless mercy, I am hoping to do this. (although I am unqualified)

Dear Srila Prabhupada, I once again beg forgiveness from you and seek your blessings to be always engaged in your service.

Your insignificant disciple,  
Suguna Krishna Dasa.

## Sukhada Nityananda Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet on this auspicious appearance day.

Srila Prabhupada, I am so dull headed, I do not know even how to glorify you. To such a person you have given the position of your disciple. So I am very fortunate. Sri Caitanya Mahaprabhu very clearly explains in *Caitanya-caritamrta, Madhya-lila* (19.151)

*brahmānda bhramite kona bhāgyavan jiva  
guru-kṛṣṇa-prasāde paya bhakti-lāṭā-bija*

According to their *karma*, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service.

Even though King Pracinarahisat was engaged in furtive activity, the great sage Narada appeared before him. The king was very fortunate to be able to associate with Narada, who enlightened him in spiritual knowledge. In the same way, I am very fortunate to come in contact with you through the Hare Krishna movement and got the seed of the creeper of devotional service to make my life successful.

It is explained in *Sri Caitanya-caritamrta, Madhya-Lila* (15.163):

The entire world is purified simply by the appearance of such a great devotee. By his presence, the whole world is glorified and all conditioned souls due to his transcendental presence are also glorified.

One who executes Sri Caitanya Mahaprabhu's mission must be considered eternally liberated. He is a transcendental person and does not belong to this material world. Such a devotee, engaging in the deliverance of the total population, is as magnanimous as Sri Caitanya Mahaprabhu Himself.

Prabhupada, you are such a great devotee as above, I am proud to say that I am your disciple.

You struggled and underwent so much hardship at your advanced age single-handedly in America just to fulfill the instruction of your Guru Maharaja and established ISKCON for the benefit of all human beings who are suffering in this material world under the spell of *maya*. But I am so careless, not serious enough to preach even though you have set such a nice platform. I am feeling ashamed for not being serious and not following your instructions seriously. You are so compassionate that still you are keeping me in your movement. I am so blessed and really don't understand your causeless mercy upon me.

Prabhupada, I beg you to kindly bestow your causeless mercy once again so that I become more serious and take your instruction as my life and soul, like you have taken the instruction of your Guru Maharaja as life and soul, and preach to please you.

Your most fallen insignificant servant,

Sukhada Nityananda Dasa.

Hare Krishna!!! Jaya Srila Prabhupada!!!

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories to Srila Prabhupada.

I express my heartfelt gratitude for all that you have done and blessed me within this life. Srila Prabhupada, by your *kripa* I have realized the root problems of human life (BG 13.9) birth, death, old age and disease. Srila Prabhupada by your *kripa* I am getting wonderful association of your sincere disciples at ISKCON Bangalore group who are following your Final Order of *ritvik* system of initiation of having Srila Prabhupada as the sole *diksha-guru* at ISKCON. Srila Prabhupada, by your *kripa* last year on 15th August 2019, I could get initiated along with my wife with Srila Prabhupada as my *diksha-guru*.

Srila Prabhupada, by your *kripa* I came in touch with your wonderful transcendental books and then instead of serving the dog, after coming to ISKCON I have started serving God – Lord Krishna. Srila Prabhupada, by your *kripa* I have been able to complete Dharma Karta Seva at Sri Sri Radha Vrindavana-chandra along with me being able to do some *sevas* to Sri Sri Radha Krishna-chandra. Srila Prabhupada it is only by your *kripa* that I am able to daily chant my 16 rounds of Hare Krishna *maha-mantra* in spite of my health issues. Srila Prabhupada, I am very grateful that I am able to have your *darshana* first, as soon as I get up in the morning and be able to start my day with your *pranama-mantras*.

Srila Prabhupada, please bless me to become more and more humble, pure, tolerant, and be able to do more and more *seva* to you, Supreme Lord Krishna, Vaishnavas and your wonderful Hare Krishna Movement. Srila Prabhupada, please give us the strength for facing the Covid-19 situation that has arisen in this material world.

Srila Prabhupada, please bless me to reach the ultimate destination Goloka Vrindavana by doing *seva* to your lotus feet and following your *vani* (instructions). Srila Prabhupada, please bless me with the eternal shelter at your lotus feet and be able to eternally serve the lotus feet of Supreme Lord Krishna and Vaishnavas.

Thank you so much.

A beggar at your lotus feet,

It is my boundless fortune that I could get your mercy in my life.

*catur-vidha-sri-bhagavat-prasada-svadv-anna-triptan hari-bhakta-sanghan  
krtvaiva trptim bhajatah sadaiva vande guroh sri-caranaravinda*

*"The fourth symptom is that a guru, the spiritual master, encourages prasada distribution, remnants of foodstuff distributed to the public. Ours is not dry philosophy, simply we talk and go home."*

I know how important is the distribution of sanctified foods stuff (*prasadam*) to one and all. In fact, ISKCON is rich in *prasadam* where devotees offer right from water to delicious foodstuffs like cake, *gulab jamun*, desserts, ice-creams, etc. I couldn't have even imagined all these foodstuffs as *prasadam* in my life if I wasn't part of your divine community (*hari-bhakta-sangha*).

In Room Conversation - October 13, 1977, Vrndavana:

Devotees: Jaya.

Tamala Krsna: Another nice feature, Srila Prabhupada, is that we all eat together.

Prabhupada: *Catur-vidha-sri-bhagavat-prasada-svadv-anna-trptan hari-bhakta-sanghan, krtvaiva trptim bhajatah sadaiva*. This is also *bhajana*, to be satisfied that others are taking first-class *prasadam*.

My realizations are that I will be ever grateful to you Srila Prabhupada for giving me chance to associate in such a spiritual and vibrant association of the devotees. I have a treasure of feelings to cherish in this wonderful association of devotees. This is not possible without your personal presence amidst them. Once in my life, I had a fantasy of knowing Krishna but the reality is it would be child's fantasy if I didn't have the association of devotees right from my first day in Krishna consciousness. I remember what I was and what I became. I feel very happy about it and proud about it. I would like to take this opportunity to beg forgiveness if I would have made an offense toward any devotees, either intentional or unintentional. Please always be merciful to me Srila Prabhupada that I keep serving your mission in your devotee's association (*hari-bhakta-sangha*).

I would like to express about *prasadam* some more Srila Prabhupada. *Prasadam* actually means "your mercy" and I shouldn't be limiting it to sanctified food. Its purely by your mercy that I can progress in Krishna consciousness. Without your mercy, no one can progress in Krishna consciousness. I understood that without your presence in my life and mercy I can only keep speculating throughout my life without actually gaining anything in substance. Speculation won't save me from cornering away from Maya. I am like an animal who has his eyes covered, not knowing what to do and what not to do. Without your "*prasada*" each of my moves and actions will drag me to the greater miseries of life. Just like a person who has his legs in quicksand meets a fatal end; every move which he takes thinking it will bring him out of the devouring earth factually makes him go more deep into it.

Recently when one of your disciples passed away I had a thought which came to my mind that if your grace (*prasada*) and presence is not there amidst us this movement will be a lackluster show.

I feel myself extremely grateful to be chosen as one of your instrument in your transcendental plan. I beg your divine guidance always to be there upon me.

Your servant,

Sukumar Krishna Dasa.

Hare Krishna!

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Thank you for once again giving me an opportunity to glorify you, to remember your reciprocations, to try to express my gratitude towards you. Thank you for accepting me as your disciple. Last year I got first initiation and this year my name is there for second initiation. Although I am not eligible for this opportunity, you have bestowed upon me this chance, for which I will eternally be grateful towards you.

You have given this world a treasure in the form of “Hare Krishna Nama-prabhu” which is invaluable and inexhaustible. You have given us Krishna Himself in the form of sound. The indebtedness towards you cannot be articulated. In this age the easiest form to associate with the Lord is His holy name. Thank you for giving us the knowledge about *japa* and Nama-prabhu through your sincere disciples. The reciprocations of the holy name can be seen in our daily life especially when we are in some difficult phase.

You have given us everything including the reason to inquire. I was like everyone else, busy in daily affairs of this world. Being ignorant of my actual position I used to always feel incomplete and dissatisfied, as if something is missing. Thus being persuaded by your instruments, I started to inquire and got in return Perfect Questions, Perfect Answers, the first book of my life.

Gradually tastes in Krishna consciousness changed from dancing to feasting to *sravanam* to practical devotional service. But in those difficult situations, I realized that without association of devotees and without your causeless mercy it is not possible for me to go ahead.

Exasperated and frustrated from transitions between different modes I started praying intensely for shelter at your lotus feet. Your heart melted, compassionate and soft-hearted as you are, you gave me shelter in a way which was best suitable under those conditions.

As things moved on, my prayers changed from “begging shelter” to “remaining in your shelter for life time” because remaining is difficult. Later I realized that the miseries, tests, frustrations, loneliness, helplessness, etc. are our friends which help us to realize and get convinced that you are the only hope in this world. They help me to get detached from this material world and my desire to get out of the pulling of *maya* increased multifold which convinced me to be more serious and intense in the execution of my services. Please give me the strength to execute my services with a proper background of knowledge.

It has been really an adventurous journey till now, sometimes through rough terrains and other times through flower beds. I sometimes look back to see, I find myself changing, then with a new confidence and vigor I start to walk again. Whenever my mind and body gives me trouble and I find no one to express to, I take your shelter and find deepest solace in your words and teachings. Your replies are amazing and to the point. For me this is the time to start practicing philosophy and I daily find something mystical happening in my life which makes it all the more exciting.

Sometime back I came across a Vyasa-puja address by His Divine Grace Srila Bhaktisiddhanta Saraswati Thakura which reads as follows:

It is only when we have occasion to listen to the praises of the Supreme Object of all praises from the Master and they react on our hearts that we may learn about our utter worthlessness. Their profound humility teaches us that it is never possible to approach God and His devotees except by such humble submission. If we learn to be arrogant, we would surely be deprived of the service of the God and His devotees for good. There are persons who do not worship His devotees while worshipping God. Verily, they are arrogant persons and not worshippers of God. In the matter of worship, God and His devotees are to be equated. If the same devotion with which we worship God is not aroused in our hearts to the feet of His devotees, we are rendered perfectly worthless and will have lived in vain.

Those who are fit possess abundant power of devotion. They are strong. I should not apply myself to find out the shortcomings of the Vaishnavas or to condemn the service of Lord Visnu or to seek to establish my own point of view by neglecting the method by which I may be enabled to serve the Lord and his devotees.

Please help me Srila Prabhupada to ignore my speculations and be able to change my perspective about everything in this world be it services, Vaishnavas, or this wonderful institution. Please let me identify myself as a Vaishnava, think as your servant, to feel and act like your servant. Please help me realize that I am meant to serve Krishna and that without Him I am worthless. Please give me the strength to give due respect to everyone in this world (*sakale samman, korite sakati, deho' natha! jathajatha*)

All these things, be it this institution, opportunity to practice devotional service, access to holy name, deepest philosophical truths buried in the ancient Sanskrit texts, *harinama sankirtana*, intellectual and personal realizations have been gifted to this world by you. Who can be more merciful and benevolent than you, who has unleashed these great secrets which were limited to the people of some part of this country.

Please give me the attachment to chant the holy name of the Lord in a servant spirit. Please empower me to be able to accept anything favorable for His service and to reject anything unfavorable.

At last I would thank you once again for always being there for me and holding my hand till this point, I request you to continue to do so, otherwise I may fall down at any moment.

Thank You.

Aspiring to be a true servant,

Sukumara Hari Dasa.

*mukam karoti vacalam pangum langhayate girim  
yat-krpa tam aham vande sri-gurum dina-taranam*

I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns the dumb into eloquent speakers and enables the lame to cross mountains.

Dear Srila Prabhupada, please accept my humble obeisance unto your lotus feet. All glories to guru and Gauranga. All glories to Srilla Prabhupada.

Kindly bless me to express my heartfelt feeling to create further intimacy with Your Divine grace. I thank Your Divine Grace to accept this most fallen soul as your disciple to play some part in your eternal *lila* with the Supreme lord.

Prabhupada in the year 2011, when I was coming to Bangalore for the first time with a goal for higher education, I never expected that your causeless mercy will fall upon me and there will be complete change in my goal. What made me take this life changing decision of giving up my mission in life and joining the temple? It's your supremely divine teaching. You gave me a mission in life far more superior than all other missions in life. A mission which is truly worth pursuing.

Prabhupada, may the transcendental manifest pastime of Your Divine Grace inspire me in serving your mission.

At the store front in Manhattan, when you couldn't afford the costly vegetables, Your Divine Grace would make *sabji* for your meal out of peel and shell of the watermelon after distributing the pulp as *prasadam* to hippies. May I be inspired by this pastime of yours to become simple, sincere, hardworking and take all anxieties in serving your mission.

Prabhupada, I would like to thank you for one of your countless blessings: the association with senior devotees. Heard many instructions from them during my stay at Vaikuntha Hill. Please bless me with strength and determination to bring into practice. May my laziness and ignorance be destroyed by the words emanating from your lotus mouth.

Also, on this auspicious occasion I would like to beg and seek forgiveness from all the devotees whom I had abused, bullied and offended in many ways.

Thank you and eagerly awaiting for your fullest mercy.

Your most insignificant disciple,

Sumedha Bhakta Dasa.

Hare Krishna my dearest Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

You have, being a pure spiritual master and a great devotee of the Supreme Lord Krishna, taken so much pain and strain in the foreign land at the age of 70 just to ignite the Krishna consciousness of the fallen souls. You went around the world 12 times in a span of 10 years and also established 108 temples to cultivate and guide the people. You never cared for your personal comforts.

You had tremendous courage to take the sins of your disciples and suffer for them but never abandon them.

You had an ocean of mercy to grant and reduce the number of *japa* to a minimum number of 16 rounds. Even then we find it difficult to complete. We all experienced showers of your mercy. You are the true commander of Caitanya Mahaprabhu who took this *sankirtana* movement to the nook and corner of the world.

You are also strict like a thunderbolt when required to maintain the sanctity of the Hare Krishna movement.

You are so intelligent that all the hurdles were converted to opportunities to popularize the Hare Krishna movement.

You are ultimate in scriptures that you have applied them according to the time and situation, which eventually led to the entry of women to take a greater role in the spiritual practice and its movement.

You are a living example to learn from. Your writings are eternal, knowledgeable and blissful. Whoever reads your book will transcend them. Your books talk about Krishna's teachings, love, activities, etc. Your trust, love and service to Sri Krishna are amazing.

Mercy and guidance, you have shown to the entire world and especially I cannot pay you back. You have saved this fallen soul who otherwise would have burned in the fire of material desires.

You have always held me up from falling into the *bhava maha-sagara*. Further, my humble and kind request to my Supreme Spiritual Master is to cut the knot of false desires from the core of my heart forever and grant love to serve Sri Krishna.

Hare Krishna!

Yours forever in loving service, Sumitra Krishna Dasa.

Dear Srila Prabhupada

Please accept my humble obeisances. All glories to Your Divine Grace and your divine mission on this 124th auspicious day of your appearance.

I first offer my respectful obeisances at your lotus feet, my initiating spiritual master and all my instructing spiritual masters.

Lord Krishna: One should know the *Acarya* as myself and never disrespect Him in any way. One should not envy Him, thinking Him an ordinary man, for He is the representative of all the demigods. (SB 11.17.27)

According to the deliberate opinion of all revealed scriptures, the Spiritual Master is no different from Krishna. Lord Krishna in the form of the Spiritual Master delivers His devotees. (CC Adi 1.45)

Unless empowered by Krishna, one cannot propagate the *sankirtana* movement. (CC Antya 7.11)

By serving the feet of the Spiritual Master, one is enabled to develop transcendental ecstasy in the service of the Personality of Godhead, who is the unchangeable enemy of the Madhu demon and whose service vanquishes one's material distresses. (SB 3.7.19)

Your Divine Grace came into my insignificant life only because of your causeless mercy, just so that I may accept you as captain of my ship to desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being. I find myself very fortunate to be the recipient of your causeless mercy as you have allowed me to be part of your glorious movement.

Dear Srila Prabhupada, your mood is just like *bhakta-rajā* Prahlād Maharaja, who is not at all afraid of material existence, for he is fully absorbed in thoughts of Krishna's glories and activities. His only concern with love is for the fools and rascals like me, who are making elaborate plans for material happiness and maintaining their families, societies and countries. There are many saintly persons indeed, but they are interested only in their own deliverance. Not caring for the big cities and towns, they go to the Himalayas or the forest to meditate with vows of silence. They are not interested in delivering others. However, Your Divine Grace did not wish to be liberated alone, staying comfortably in Radha-Damodara, leaving us, poor fools and rascals aside. Without Krishna consciousness, without taking shelter of your lotus feet, one cannot be happy. Therefore Your Divine Grace wished to bring us all back to shelter at Krishna's lotus feet, so you painstakingly extended your voyage of divine compassion to the West, propagating Lord Caitanya's movement throughout the world.

You exposed all the bogus systems by uncompromisingly presenting the actual message of Vedic wisdom. Your deeds are self-evident, unprecedented and matchless. You have given us crystal clear directions for purification of our hearts and immense opportunities for practical devotional service throughout the year. There are no problems in KC but there are, when KC is missing, for example: there is no darkness in light but there is, where light is missing. Though I am helplessly acting according to the impulses generated by the modes of material nature, you are engaging me in rendering possible devotional service that ultimately liberates me. Knowingly or unknowingly I am constantly trapped by various material desires. But Srila Prabhupada, it is your causeless mercy that through your divine knowledge and guidance both through your *vani* and also through your lovely disciples and institution, you keep reminding this most fallen soul the real aim of life. Please bless me to handle the urges of lust and anger which are actually controlling me and forcing me to face many embarrassing moments. Also please provide the necessary strength to become an useful instrument in the hands of your disciples for efficiently preaching this sublime philosophy for my purification. Let me always satisfy your disciples by serving them enthusiastically and not to dissatisfy them at any time. If disciples of Your Divine Grace remember me for your service, my life is glorious. If they forget me, I am no better than a dead body.

I heartily thank you very much for accepting my Vyasa-puja offering on this glorious occasion of your divine appearance to this temporary world.

Your humble servant, Sunanda Hari Dasa.

Dear Srila Prabhupada,

Please accept my respectful obeisances at your lotus feet.

A year was the spiritual push to grow, I had to protect my *bhakti-lata* against the heavy storm of material existence. Situations gave me different maturity. Maybe it was your blessings that life was not settled in one place. Traveling up and down between two cities, not for a completely spiritual reason but to get rid of that bad time. It was looking like it is never going to get over.

Now it is settled very mystically only by Your Divine Grace. Prabhupada, you once told that Krishna will take us through different situations in life so that we become more strong. I feel now that I have tasted the bitter reality of this material existence which is all miserable and now can think of handling my spiritual life more carefully. Time has given me a lesson to value your presence in your books.

As you write in the *Srimad-Bhagavatam* about reinforcing the idea of serving your words and your mission, those very words sound in my ears always. You write:

*“In conclusion, if a disciple is very serious to execute the mission of the spiritual master, he immediately associates with the Supreme Personality of Godhead by vani or vapuh. This is the only secret of success in seeing the Supreme Personality of Godhead. Instead of being eager to see the Lord in some bush of Vrindavana while at the same time engaging in sense gratification, if one instead sticks to the principle of following the words of the spiritual master, he will see the Supreme Lord without difficulty” (SB 4.28.51, purport)*

You thought me how to look at your mission"

*“As the Supreme Personality of Godhead comes down upon this earth to reestablish the principles of religion, so His representative, the spiritual master, also comes to reestablish religious principles. It is the duty of the disciples to take charge of the mission of the spiritual master and execute it properly. Otherwise the disciple should decide to die along with the spiritual master. In other words, to execute the will of the spiritual master, the disciple should be prepared to lay down his life and abandon all personal considerations.” (SB 4.28.50, purport)*

I see that the senior Vaishnavas have taken this spirit, these words very seriously. They are very careful in handling your mission. Let me take inspiration from them.

*“The main business of human society is to think of the Supreme Personality of Godhead at all times, to become His devotees, to worship the Supreme Lord and to bow down before Him. The acarya, the authorized representative of the Supreme Lord, establishes these principles, but when he disappears, things once again become disordered. The perfect disciples of the acarya try to relieve the situation by sincerely following the instructions of the spiritual master” (SB 4.28.48, purport)*

Finally, I beg your mercy to follow your instructions very sincerely.

Looking forward to becoming your perfect disciple.

Your most fallen servant, Sundar Govinda Dasa.

Hare Krishna.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet. All glories to my revered spiritual master. The word Guru means one who removes the darkness of delusion. This Divine Grace through Guru is transmitted to devotees. It awakens the divinity within us. It is not possible to know our true self through self-efforts.

In this age of Kali, simply by chanting the holy Hare Krishna *maha-mantra* with full attention, one can achieve perfect self-realisation. We chant Lord Krishna's name in its beauty, glory, divinity and simplicity to counter the ill effects of the present age of quarrel & anxiety.

The fire of knowledge burns away the desires of disciple whenever we surrender to Lord Krishna and self-realisation blossoms forth.

By following your instructions and chanting Hare Krishna *maha-mantra* attentively, we are progressing day by day by the grace of your mercy. We get strength to face difficulties of day to day life.

Kindly protect me and give me the strength and blessings to be always in service at your lotus feet. By following your instructions and chanting 16 rounds of Hare Krishna *maha-mantra* daily, I am progressing with your grace. I sincerely pray O master! Be merciful to me. Give me the shade of your lotus feet and eternal shelter on this auspicious day of Vyasa-puja.

Thanking you.

Your humble servant,

Suniti Devi Dasi.

Dearest Srila Prabhupada,

All glories to your divine lotus feet on this 124th divine appearance day of the greatest Krishna Bhakti pravartaka acharya that the mankind has ever seen, that is 108 Sri Srimad Abhayacharanaravinda Bhaktivedanta Swami Srila Prabhupada!! Please accept my humble and insignificant dandavat praams at your divine lotus feet.

All glories, all glories, all glories to your unlimited pastimes.

When I had visited Sri Jagannatha Puri Dhama for the first time, a few years ago, I was taken to astonishment to know and see that every nook and corner of that place had something magical, something which leaves our jaws dropped by the surprising facts of that holy place. Since then if someone says anything about Jagannatha Puri, I just tell them, “Oh Jagannath Puri, that's the abode of all mystical potencies” Similar is the aura of all other holy dhams of this Bharatha bhumi, because it is enriched by the mystical potencies empowered by the personal pastimes of the Lord.

Now, why I am expressing this thought of mine is because I don't feel any difference between your divine self and all these divine pastime places of the Lord- 'Bhagavad dhama'. Every activity, every word, every gesture, every decision, every look and every smile, every chastisement and every disappointment every single action and paraphernalia of yours leaves us all, the fallen souls, taken aback with a pause and astonishment and we say, “ How can he do this?!” Your activities are so inconceivable. I am not just talking about the pastimes that are recorded by all our senior Vaishnavas, but to date, every person who comes in contact with you through the holiest ever Bhaktivedanta purports experiences this. I am very sure that every single jiva who shows a slight inclination towards you, if not philosophically, at least emotionally and sentimentally experiences your wonderful reciprocations, many times devotees can't even express what mercy they go through. Its the same with me too. You are Bhagavad-dhama, a walking Bhagavad-dhama, through whom the Supreme Lord performs his inconceivable pastimes, who came down to this world in this Kaliyuga to make things easy for the lazy so-called human beings such as me. Thank you Srila Prabhupada!

Like the double bonanza offers that the commercial markets announce, you have announced an unlimited bonanza offer of “ Chant Hare Krishna and Be Happy!” But I am so endowed with manda buddhi and manda bhagya that I can't even take the benefit of this opportunity. During this season of pandemic, when the entire world is blazing with the samsara davanala, engulfed by the fear of disease and death, its only the sincere devotees of yours who are so happily and without any fear are peacefully going on with their daily programme. This is the power of your words. You always said” Harinama is ahaituki and apratihata”. Now we are practically experiencing that. Nevertheless, devotees are not sentimentally thinking that we won't get affected by the pandemic, instead, they are backed by the strong philosophical understanding of Bhagavad-gita. Thank you Srila Prabhupada, You are “The fearless acharya” and you make us fearless too.

I feel all that you wanted to convey to this world is enclosed in this one capsule “ Chant Hare Krishna and Be Happy!” But alas! What misfortune that I have the least seriousness. Dear Srila Prabhupada, I am a very ordinary soul that I cannot understand very complex and sophisticated tattvas. I can only take instructions from the master, that's you. Most of the time I obey but few times I disobey too, due to my obstinacy controlled by the three modes of material nature. I beg you please don't get disappointed with me Srila Prabhupada. I ensure you that my endeavor to correct myself will always be live. Just give this baddha java a little time to recover from these material diseases.

Kindly keep your both lotus feet on my head and let me take the shelter of this ananda sagara. Let me hold them tight and never leave. Who cares what happens to the material body and its attachments! Hope my soul will eternally cling on to your lotus feet. Please keep me there and don't chase me away.

Your's, trying to be a servant,

Surabhi Devi Dasi.

Dear Srila Prabhupada,

Please accept my most humble obeisances. All glories to His Divine Grace.

I am missing you so deeply. When I was clueless about life, you caught hold of me and patiently guided through your instructions. As you know, I am making many mistakes, but you are always there to correct them. Unfortunately, I continue to make the same mistakes again and again, but you are there to encourage me as a loving father. Hopefully one day, I will be able to satisfy you by rising up to your expectations. Please bless me.

I want to thank you for setting such a high standard of integrity for me to follow. You wanted all your disciples should be spotless. I will be striving all my days to reach there. Please bless me.

It is very easy to find reasons not to accept responsibility, sometimes even in the name of authority or cooperation or area or offenses or an outsider. By your kind grace, you have taught me, not to depend upon others for my progress, and I need to do it myself. Thank you for teaching me this toughest of all lessons.

I know I am not worthy of becoming your disciple. But by your causeless mercy, you have accepted me. Please keep me at your lotus feet forever so that one day, I may get an opportunity to please you.

I beg to remain your humble servant,  
Surasena Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine lotus feet.

When the six enemies of lust, greed, anger, pride, jealousy, and attachment rob us of our true integrity, You showed us the way to curb these six enemies by the performance of austerity.

When the tides of false happiness and distress raises and falls causing so much insecurity, You calmed the tides of false happiness and distress by making us serve Krishna with our full capacity.

We plan so much in our minds, but things go wrong as they sometimes surely will, You taught us to depend on Krishna and continue to serve Him still.

When the power of Maya makes the path we are trudging seem all uphill, You made us chant the most powerful Harinama with your spiritual skill.

When we face the challenges of life and feel Maya's hardest hit, Your words make us strong from inside and realize that we must not quit.

O' dear Prabhupada! You are my eternal spiritual father, please remain in my heart, And continue to guide me eternally as you always do and let us never part.

Aspiring to remain your eternal servant,  
Taarini Radha Devi Dasi.

## Tribhuvanatha Dasa

---

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories unto you.

The previous year has been a fantastic year in Krishna consciousness. It was all possible by your causeless mercy and the association of devotees in *ashrama*.

In a purport to a song by Narottama dasa Thakura, you explain:

“This association is very important. Those who are conducting different centers and temples, they should be very responsible men. Because everything will depend on their sincere activities and character. If they are insincere, then that will not be effective. One may come and associate with us, but if we are insincere, then it will be not be effective. But if the devotees are sincere, anyone who will come in contact with a devotee, he'll change. That is the secret.”

*Sat-sanga chadi asatyera vilasa*. And as soon as we give up the association of these devotees, immediately *maya* will catch me. Immediately. *Maya* is just side by side. As soon as we give up this company, *maya* says "Yes, come in my company." Without any company, nobody can remain neutral. That is not possible. He must associate with *maya* or Krishna. So everyone should be very much serious to keep association with devotees.”

In *Srimad-Bhagavatam* (2.10.41) Purport, you explain:

“The living entities individually are being conducted by a particular mode of nature, but at the same time there is every chance of their being influenced by the other two. Generally, all conditioned souls in the material engagement are influenced by the mode of passion because every one of them is trying to lord it over the material nature to fulfill his individual desire. But in spite of the individual mode of passion, there is always the chance of being influenced by the other modes of nature by association. If one is in good association he can develop the mode of goodness, and if in bad association he may develop the mode of darkness or ignorance. Nothing is stereotyped. One can change his habit by good or bad association, and one has to become intelligent enough to discriminate between good and bad. The best association is the service of the devotees of the Lord, and by that association one can become the highest qualified man by the grace of the Lord's pure devotees. As we have already seen in the life of Srila Narada Muni, he became the topmost devotee of the Lord simply by the association of pure devotees of the Lord. By birth he was the son of a maidservant and had no knowledge of his father and no academic education, even of the lowest status. But simply by associating with the devotees and by eating the remnants of their foodstuff, he gradually developed the transcendental qualities of the devotees. By such association, his taste for chanting and hearing the transcendental glories of the Lord became prominent, and because the glories of the Lord are non-different from the Lord, he got direct association with the Lord by means of sound representation. Therefore the *Bhagavatam* always recommends the association of the *mahat*, or the great soul, for opening the gate of salvation. To associate with persons engaged in lording it over the material world means to enter into the darkest region of hell. One should try to raise himself by the association of the great soul. That is the way of the perfection of life.”

People all over the world have been affected by the COVID-19 pandemic by some losing their jobs/ financial difficulties/ due to long periods of lock down or to the virus itself. Simply by staying at home some are having mental problems and some are showing signs of depression. But here in *ashrama* we have been completely freed from any kind of difficulty that people are facing and are unaffected by the effects of COVID or the lock down. This is all due to the protection of the Supreme Lord Krishna and the extraordinary senior devotees of ISKCON Bangalore who are carrying out your instructions by wonderful management system.

Madhu Pandit Prabhu has been sharing the secrets of *Soulful Japa* which are present in your quotes in different places and is now accessible to everyone on different forums.

“Lord Chaitanya has given special stress to chanting of these holy names of the Lord as the basic principle of spiritual advancement.”

(Srimad-Bhagavatam 3.29.18 purport)

Please bless me on this auspicious occasion so that I will be able to follow your instructions to chant the Hare Krishna *mantra* attentively and relish the transcendental happiness which every Krishna conscious practitioner is entitled to.

Your Servant,  
Tribhuvanath Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to your lotus feet.

Dear Srila Prabhupada, you open our darkened eyes and fill our hearts with transcendental knowledge and love. There has never been a moment from the time when we met you through your books and recordings, when you have not been with us. Through your books and recordings, you are always guiding us in our daily life.

By your grace we came to know about the Supreme Personality of Godhead Lord Krishna. And by your grace we could understand that *guru* is to be offered respect as good as Hari as *guru* is representative of Hari. By your mercy we are now sincerely trying to follow the *yuga-dharma*, *Harinama* as enunciated by Lord Chaitanya Mahaprabhu.

Dear Srila Prabhupada, we are trying our best to engage ourselves in the service of Lord Chaitanya at least once in a week with full sincerity. Please give us direction, knowledge and energy so that we can gradually increase our service to the lotus feet of Lord Chaitanya.

Dear Srila Prabhupada, please engage me in the service of your lotus feet and accept me as your disciple. Knowingly or unknowingly I am completely lost in this world. Please save me. There is so much service to be done in executing your blessed mission of delivering the conditioned souls like me.

Thank you for coming to this world to save us despite the tremendous difficulties and obstacles which you had to face alone, depending solely on the mercy of the Supreme Lord Krishna and your eternal spiritual master, Srila Bhaktisiddhanta Sarasvati Thakura.

I wish to remain in your service, eternally. Thank you Srila Prabhupada for everything.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Many times it comes to my mind that how nice it would have been if I would have taken birth when you were physically present in this world. Though I have heard multiple times about how there is no difference between serving your *vapu* and *vani*, rather serving *vani* is more important, but still I felt that serving *vapu* would have been more nice. But in one of the conversations, I heard something which is as follows:

Satsvarupa dasa Goswami: After Prabhupada's disappearance, his association is obtainable in the same way, provided the follower is submissive. As Prabhupada replied to one devotee when asked whether the spiritual master was in the heart of the disciple, "Yes, if you let me enter."

So this statement gave me more faith. If I serve with willingness and proper attitude then that will be as good as serving you directly.

It's really amazing to feel that you have brought a revolution to the entire world by giving a crystal clear philosophy about Krishna consciousness. I used to read a few spiritual books before coming in touch with you but I never got any clarity from their explanations; I got even more confused about the Goal of Life and Supreme Personality of Godhead. I read one pastime in Ramayana where Lord Rama is worshiping Lord Shiva during His exile. I was confused by this incident that who is superior among them. Is it Lord Shiva or Lord Rama? If Lord Rama, then why He has to worship Lord Shiva? Like this many doubts arose by reading those books because they don't have any clarification on this. Later I came across one person who almost convinced me that Durga Devi is supreme. So I have always remained very confused. But when I started reading

your books, all doubts got vanished from my mind and I felt some kind of spiritual progress inside after following your instructions. Your explanations are very genuine and authentic because they are coming through a bona fide *parampara*.

Thank you very much Srila Prabhupada for giving true knowledge and showing hope to a conditioned soul like me who would have been wandering without any proper shelter and knowledge.

Your humble servant,  
Vaibhav Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance.

Caitanya Mahaprabhu predicted that one day the holy name would be chanted in every corner of the globe: *prthivite ache yata nagaradi grama sarvatra pracara haibe mora nama*.

In 1875 Bhaktivinoda Thakura predicted that a personality would soon appear to preach the teachings of Lord Caitanya. You had arrived in America in September 1965 on a cargo ship, the Jaladuta. You had only 7 dollars, a pair of *karatalas* & some books. Your only desire was to follow the instruction that your Guru Maharaja had given. In July 1966, you had opened the first temple in a storefront and incorporated the International Society for Krishna Consciousness in New York. In the early days you personally cooked and served *prasadam* to the devotees and guests. Many guests got attached to the *prasadam* and eventually became devotees. You translated over seventy books into the English language. Today, we have the *Bhagavad-gita*, *Srimad-Bhagavatam*, and *Caitanya-caritamrta* in almost every major language of the world. Scholars all over the world have appreciated your translations from the original Sanskrit texts. In a brief span of eleven years you traveled around the world twelve times, gave thousands of lectures, wrote thousands of letters, and met hundreds of scholars and dignitaries.

Srila Prabhupada, you are my eternal well-wisher. From the depths of my heart I thank you for saving me and giving me a life with real purpose. When I had been to Hindu Yuva Mela in Sidhbari (last year), I had come across few well known spiritual organizations in India. Being in that place for 3 days I was able to realize that how fortunate I'm to be in touch with a bona fide spiritual movement and the standard you have maintained compared to other so called spiritual movements. I don't know what I did to get you as Guru. I'm so blessed and fortunate to be part of your bona fide movement. Please bless me so that I can remain somewhat useful to your mission and perform devotional services to the best of my abilities. Please bless me so that I can maintain my spiritual vows and cultivate a healthy service attitude.

In *Madhya-lila 25.279* of *Sri Chaitanya-caritamrita*, you make this fact crystal clear. "All the devotees connected with the Krsna consciousness movement must read all the books that have been translated (the *Caitanya-caritamrta*, *Srimad-Bhagavatam*, *Bhagavad-gita* and others); otherwise, after some time, they will simply eat, sleep and fall down from their position. Thus they will miss the opportunity to attain an eternal, blissful life of transcendental pleasure." I therefore pray to remain fixed in the serious practice of reading your books daily, as you have advised.

Srila Prabhupada, I pray to you to remain fixed in the serious practice of expanding the Krishna consciousness movement, as advised by you. Despite my lack of any qualification, I would still like every student visiting our center in Manipal to receive the sweet taste of Krishna consciousness and the inspiration to follow the blissful path of Krishna consciousness. I do not have much experience, but under the guidance of your disciples I aspire to improve my expertise in your service.

On this auspicious day I pray that I never deviate from your divine instructions and keep working to expand your glories. Your glories are unlimited, and your books keep inspiring the conditioned souls to take to Krishna consciousness.

Your servant, Vainateya Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Your Divine Grace!

A decade back, I came to pursue my engineering in an expensive Bengaluru city. I was searching for ways and means to cut my living expenses. That material search led me to the reservoir of your divine lotus feet in FOLK Residency which not only satisfied my material hankering but also blessed me with spiritual solace. Srila Prabhupada, since then, your lotus feet have been absolving me of my *anartas*.

I am a vagabond in this world of false enjoyment. By your grace, I have come to the reservoir of pure transcendental knowledge. The waters of this reservoir offer a resting place for my flickering mind. Your words have clearly defined my identity. I am Krishna's eternal part and parcel. Since I have forgotten Krishna, I currently have no value - like a screw disconnected from the machine. Your magnanimity shines a ray of hope in my heart. Thank you Srila Prabhupada.

You are my only saviour who is taking me off the ocean of material existence and delivering me Krishna's loving service. Your faith in Krishna's holy name makes me hanker after such faith. But even by having a fraction of such faith, you are very eager to deliver *krishna-bhakti* to me who am acting in illusion. It is your extreme mercy that you have put me in the association of HG Madhu Pandit Prabhu's *Soulful Japa* sessions. To learn how to chant the way you do. All glories to Your Divine Grace!

Dear spiritual master, your feelings for Krishna and for His parts and parcels are exemplary. You have mercifully expressed them in your Bhaktivedanta purports for my benefit. I am so unfortunate that I don't have an attachment to those compassionate words. Please bestow your causeless mercy upon this fallen soul. Without your mercy, I have no hope of deliverance. Make me an intoxicated bee attached to drinking the nectar from the bouquet of words in your books.

My moods swing like tossing waves in the ocean. Sometimes happy, sometimes sad. All in the play of bewildered mind. That is my situation as the conditioned soul in this temporary world. O Gurudeva! You came to me to show the strength of my original self which is above the dull matter, senses, mind, and intelligence. I am a beautiful spiritual spark fallen in the water. I pray to your strong hands to pull me out of this *samsara*. Teach me how to taste Krishna conscious happiness that you always feel inside your heart. You were not disturbed in your attempts to serve the mission of Guru and Krishna even under all tribulations. Please imbue my soul with such determination

Any part of the body where our attention does not flow will become weak. Therefore, I beg you from the core of my heart that please be merciful to offer your attention to this fallen soul. Keep me active and spiritually healthy. Let me flow in the path guided by your divine directions. Please save me from the hellish path being misled by my false ego and bewildered mind.

I am full of mistakes but your encouragements keep me going in Krishna consciousness. Your quality to see the best in the worst is comforting my false ego, which often rejects consuming medicine like a child. Please give me good counsel to take inspiration from my Godbrothers. I wish to learn to please you by service and anticipate your causeless mercy to gift me with pure Krishna consciousness.

All glories to Your Divine Grace!

Your unqualified servant,

Vaishnava Bandhu Dasa.

我敬爱的灵性导师圣帕布帕德，

请接受我最谦卑的敬意和顶拜，一切荣耀归于您！

在这吉祥的日子里，我们庆祝您的 Vyasa Puja，首先非常感谢您的慈悲和怜悯，如果没有您的恩典，像我这么堕落的灵魂真的没有从痛苦中挣脱出来的可能，更加没有机会来到Radha-Krishna神庙为您跟圣主做全职奉献服务，所以内心深处真心感激不尽！

想想来到这里一晃四年，还有九个月的时间也许我就要离开，不知不觉时光如梭，貌似还未静静品味，就将要终结，我心难免一丝苦痛，不知未来何去何从？

回忆四年里，在这里真心苦行，我知道自己非常不完美，很多时候更是自己不好，承受的折磨和痛苦也是因为自己无法宽忍和原谅，而且也有太多时候对待给予自己的服务不够认真，敬爱的灵性导师，希望我并没有因此对您造成过多的冒犯或太多伤害，让您失望的地方，还请求拜倒在您的莲花足下祈求您的原谅。

回想一下自己的行为，发现自己离圣主依然这么远，心中有如此多的无明，焦虑，愤怒，骄傲，自私，黑暗，憎恶，挑剔，贪欲，不宽恕，不专注... 要怎样才能更好的为您们服务呢？又有什么资格为您们服务呢？如果没有您的恩典，自己又怎么会有机会呢？想到这里，每一天都该好好忏悔自己的罪，想想应该怎么改进。所以还请求您的帮助和指引，启发我到底要怎么做才能变得更好一点，更完美一点，在为您做奉献服务的时候更用心一点，怎样才能更靠近圣主一点，从而成为您们的纯粹奉献者。

敬爱的圣帕布帕德，当每年为您献上供奉祷文的时候都发现自己言语匮乏，内心枯竭，只说明自己对您还是不够爱，我想您也一定看到了我的不足，内心深处还请求您的原谅，希望您不要放弃我，也不要让我离开对您的奉献服务，因为我知道对您的奉献服务是我的生命，如果失去了，我的生命又有什么意义呢？

敬爱的灵性导师啊，还请您怜悯我，用您大能的手将这微不足道的一颗小微粒放在合适的地方，放在奉献者中间，放在荣耀圣主的人中间，放在对为您的奉献服务有利的地方，请求您祈求您不要让我失去这宝贵的联谊，也不要让我在灵性进步的路上跌倒，请求您扶助我，让我好好的走在这条回家的路上，请求您指引我的方向，开启我的双眼，坚定我的决心，让我可以更纯粹的为您奉献服务。

敬爱的导师啊，我除了祈祷并仰赖您以外又能做什么呢，我如此渺小无力，但是如果有了您赐予的力量，我也希望自己可以更有能力传播圣主的荣耀，为全人类造福，为那些还在受苦的人带去解脱的希望和光明！所以在内心深处一直不断深深的祈祷请您的怜悯和祝福，请接受我最谦卑的敬意和祈祷。

您卑微的仆人，

Vaishnavi Chandrika Devi Dasi.

Dear Srila Prabhupada,

Please Accept My Humble Obeisances. All Glories unto your lotus feet.

I feel extremely fortunate and blessed to have this opportunity to express my gratitude to your divine grace on this auspicious occasion.

Your Divine Grace descended on this planet to distribute holy names of Lord Krsna profusely to everyone who comes under your glance & deliver them from the clutches of birth and death. I thank you Srila Prabhupada for not only blessings me with the bonafide process of self-realisation but also giving me the opportunity to practice devotional service in the association of devotees.

Your divine grace has always been merciful to me by giving sufficient spiritual strength to chant 16 rounds of Hare Krsna mantra even when I was living away from the community of devotees. In the days when I had completely disconnected myself from devotees for more than one and half years, I still remember when I visited ISKCON Hubli for the first time & looked at notice board there, I came across your quote which said,

" Anyone who once sincerely chanted the Holy Names of Lord Krishna cannot be separated from Krishna Conscious atmosphere, So I was sure that you were never lost and you would come back "

(Ref: Letter to Kirtananada on 23rd May, 1968)

I knew for sure that it couldn't have happened by chance, it was an absolute eye-opener for me as I stood stunned after reading your quote, although I was not able to comprehend the situation I knew that it was your personal message to me. I thank you Srila Prabhupada for bringing me back to the association of devotees and giving me the opportunity to serve your mission.

On this auspicious occasion, I humbly pray to you Srila Prabhupada, and request you to make me your eternal servant and also request you to bless me with sufficient spiritual strength so that I may never go away from your divine shelter and association of devotees.

Your servant, Vallabha Chaitanya Dasa.

Hare Krishna!

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at His lotus feet. Our respectful obeisances are unto you, O Spiritual Master, servant of Sarasvati Gosvami.

It is said in the revealed scriptures that:

"By the grace of the Spiritual Master the cloud of the mercy of the Personality of Godhead is brought in, and then only, when the rains of Krsna consciousness fall, can the fire of material existence be extinguished"

By your causeless mercy, you have given me the chance to practice devotional service in the association of devotee, even though I am most unworthy.

Srila Prabhupada, your glories are unlimited and your mercy of distributing Krishna consciousness and guiding us through your books cannot be expressed in words.

Only an empowered personality from the spiritual world, who is a personal associate of Lord Krishna and the most munificent can do this as described by the *gopis* of Vrajabhumi Vrindavana.

"The nectar of your words and the descriptions of your activities are the life and soul of those suffering in this material world. These narrations, transmitted by learned sages, eradicate one's sinful reactions and bestow good fortune upon whoever hears them. These narrations are broadcast all over the world and are filled with spiritual power. Certainly, those who spread the message of Godhead are most munificent". (SB 10.31.9)

Dear Srila Prabhupada, on this most auspicious appearance day of Your Divine Grace, I pray at your lotus feet that give me the strength to follow all your instructions, bless me with pure devotional service at the lotus feet of Sri Sri Radha Krishna, grant me the taste for the holy name, and make me the most humble servant. Please forgive all my offenses committed at your lotus feet, unto all the Vaishnavas and to all living entities.

Aspiring to be your servant,

Your most unworthy disciple, Varada Simha Dasa.

*Hare Krsna, Hare Krsna, Krsna Krsna, Hare Hare  
Hare Rama, Hare Rama, Rama Rama, Hare Hare*

Jai Sri Radha Krishna-chandra! Jai Sri Nitai Gauranga! All glories to Srila Prabhupada!

My dear Spiritual Master and Spiritual Father Srila Prabhupada,

Please accept my humble and respectful obeisances unto your holy lotus feet which is the only shelter and hope for all the fallen souls of this universe who are struggling to realize Krishna-prema. I feel so fortunate each time I get to write the Vyasa-puja because getting an opportunity to associate and express our gratitude and feelings to a pure, loving devotee of the Lord is the rarest of all opportunities. Today and everyday I feel so blessed for the causeless mercy that you have bestowed upon this most insignificant, undeserving, conditioned, fallen soul.

My dear Srila Prabhupada, as you already know, this year 2020 has very nicely demonstrated how horrible the miseries in this material world can be through the dreadful virus that has spread all over the world. You very often quoted in your lectures *padam padam yad vipadam*; I think every soul is consciously experiencing this reality through this pandemic. Already this material world is extremely miserable at every step *duhkhalayam asasvatam*. To top it all, this pandemic has gripped this entire world with never-ending fear, confusion, and trauma. With your causeless mercy, your grace, your guidance and your most valuable gift of Krishna consciousness, fallen souls like us can survive this situation to some extent with the realizations given by Your Divine Grace. Though we continue to battle amidst this fear and uncertainty, your books have become a treasure house of solace as it gives the true picture of our position and helps us realize the right consciousness with which we must accept such kind of situations.

It reminds me of a few of your pastimes wherein once you were with your disciple Mukunda along with a small group of devotees in a room when an earthquake took place. The building trembled. You asked, "What is this?", and a devotee replied, "It's an earthquake, Swamiji". For that, you calmly replied, "We can just sit down and chant Hare Krishna." In another instance there was a bombing in Calcutta during the war and bombs were falling. You had inspired and trained your disciples in such a way that one of your disciples Mukunda felt that "... If I had to die now, it would be wonderful to die while chanting Hare Krishna." Mukunda and other devotees felt secure being in your presence during such times of catastrophe and they would simply sit with you and chant Hare Krishna and be happy. Such nectar-like pastimes of yours always give us courage and inspiration during such troubled times. I thank you endlessly for such causeless mercy that you have given us. Chanting the Hare Krishna *maha-mantra* and reading your books gives us complete shelter from all the fear and confusion and it bestows faith, devotion and peace within us.

I continue to pray at the dust of your lotus feet to help me to stay away from the influence of this material world and sense gratification and to always engage me in the loving devotional service of the servants of Their Lordships and the servants of your lotus feet. Without you my dear Acharya, I would not be who I am today. Without you, this world would seem so empty. Without saviors like you, this world is lost forever. Thank you immensely for all the blessings you have given me. Kindly guide us and bless us as we continue to do devotional service in the association of devotees. Please forgive me if I have done any offenses knowingly or unknowingly and kindly bless me with your continued causeless mercy to live a good, Krishna conscious devotee life.

Your most fallen servant,

Vasudha Priya Devi Dasi.

Dear Srila Prabhupada !

Please accept my humble obeisances from a lowly servant.

All glories to unto Your Divine Grace who is the dearmost person to all souls.

I am eternally happy to know this fact that I am the servant of the servant of the servant of the Commander of Chaitanya's Movement.

It is your divine words, Srila Prabhupada, that have saved me. The more I follow them, the wiser I become. It is by your mercy alone that I—groping in the dangers of Kali Age—are being lifted by your divine mercy. By the potency of the holy name, you have taken the sinful karmic reactions burning within our bodies, our hearts, our minds and our intelligence for so many untold lifetimes and extinguished it. By the nectar of transcendental knowledge emanating from your cooling lotus-like mouth, you are untying the knot of material attachment, and at last, we are being freed from the painful cycle of birth and death.

You are the mercy incarnation of Krishna. You are the cloud of Lord Chaitanya's mercy movement which distributed the Holy Name to everyone. By the widespread distribution of your books, which are now in so many languages, and by preaching work of your disciples in every corner of the world, your mercy has become available to everyone.

Wherever the pure devotees are engaged in chanting Krishna's names and glorifying Krishna's wonderful activities, Krishna Himself is present. Srila Prabhupada, you see Krishna present everywhere, and wherever you are is a place of pilgrimage.

How your incomparable gift of pure service to Lord Krishna in the method of Lord Caitanya Mahaprabhu came to our hearts we may never know. But let me whole heartedly try to take up the mercy you are bestowing with the same steadiness and eagerness that you everlastingly exhibit.

It is said that the spiritual master is the sum total of all the demigods. We ponder on the position of Your Divine Grace. Even if we could travel to the ends of millions of universes, we could gain nothing of value compared to your lotus feet.

The whole world is now confused by the havoc created by the COVID pandemic bearing the reactions of its harsh handling of material nature. Your divine instructions are the only solutions to these kinds of calamities. You are the saviour of the whole world.

Your unworthy servant,

Vedavyasa Dasa, ISKCON Bangalore.

Dear Srila Prabhupada,

Please accept my humble obeisances on this auspicious occasion of 124th Vyasa puja. All glories to Your Divine Grace.

Srila Prabhupada, I am very much grateful to Your Divine Grace for your constant guidance through your books and spiritual lectures like *Soulful Japa*. Your quotes on chanting are immensely helping me advance in Krishna consciousness.

At Sankirtan Bhavan, Kunigal, propagation of Krishna consciousness activities are carried out regularly. This year we performed Sri Jagannatha Ratha-yatra in Kunigal Industrial Area. All employees and localities participated in the Ratha-yatra and distributed Jagannatha *prasadam*.

Surabhi Goshala is setup for *desi* Gir cows and there is a plan to expand the *goshala*.

Dear Srila Prabhupada, I offer Hare Krishna India Biotech at your lotus feet.

Dear Srila Prabhupada, I seek your constant guidance and mercy to become an insignificant servant in fulfilling Lord Caitanya Mahaprabhu's mission.

Your eternal servant,

Dear Srila Prabhupada!

*tasya tvam tamaso 'ndhasya dusparasyadya paragam  
sac-caksur janmanam ante labdham me tvad-anugrahat*

Your Lordship is my only means of getting out of this darkest region of ignorance because You are my transcendental eye, which, by Your mercy only, I have attained after many, many births. (*Srimad-Bhagavatam* 3.25.8)

The above prayer was offered by Mother Devahuti to Lord Kapila desiring for transcendental knowledge. My condition is exactly like Mother Devahuti who is entangled in the material existence of sense gratification from time immemorial. I know for sure how difficult it is to get out of this entanglement and attain freedom. This can be possible only by coming in touch with a bona fide spiritual master like Your Divine Grace. I am very fortunate to come in touch with Your Divine Grace. I am suffering in this world and engaging in all kinds of activities out of ignorance. I am constantly looking for happiness in this material world but it only leads to great disappointment. I beg you to take me from this side of conditional life to the other side, the life of freedom with the eyes of knowledge.

Your glories are unlimited like the waves of the ocean and I'm blessed to get another opportunity to glorify you on this auspicious day of your appearance. I was always proud of having some material qualifications and always raised my head high for being so qualified in so many aspects. Time and again, my pride was broken down to pieces. Being disappointed of my pride being crushed, I came across this wonderful pastime told by Srutakirti Prabhu. This was in September 1972, one evening, you were seated in your garden, and you sat with your back very straight and your eyes widened.

You chanted "*Govindam adi-purusam tam aham bhajami*," and continued to say "This is our pride. We are servants to the most regal person, Krsna. Everyone is a servant, but our pride is that we are servants to Krsna. *Govindam adi-purusam tam aham bhajami*."

This struck me so deeply that my actual pride lies in taking pride of being a servant of the most regal person, Krishna. This was one of the most memorable lessons that I had learnt.

There's another instruction that you had given on May 31, 1972 at Los Angeles. Your divine words were:

"The first thing is enthusiasm. Don't be dead. You have to work more than me. Anyone who has life, he can preach. I say to my Godbrothers, 'You are all dead. You have no strength, no life. What have you done?' Because I am trying my best, blessing is coming from my Guru Maharaja. It is not to be advertised, but seen."

"We have to take great responsibility. Simply touring is not required. By traveling we have to do something substantial to increase the society. We must spread conviction by literature, speaking, and preaching. The preacher is the best devotee because he is the soldier. If superficially we want to be managers, it won't be good. We have to work sincerely. We are servants. We have to satisfy the master. Bring back all these fools back to Godhead. Don't try to be the proprietor of bricks and wood. That is not life. Preach!"

"Go and preach! Go and preach! Go and preach!"

On this auspicious day of your glorious appearance, I would like to beg you from the bottom of your heart to kindly bless me with your enthusiasm to preach the message of Chaitanya Mahaprabhu, being fearless and without any anxiety. I would like to humbly request you to please help me to develop this mentality of being a soldier and working very sincerely towards

pleasing you. The secret here is to please you with my struggle in this direction. If you are pleased with my humble endeavor, then I have pleased the Supreme Personality of Godhead.

I would also like to beg you to kindly bless me and empower me to spread your glories to more people around the globe. I am very fortunate and proud to have you as my spiritual master. I want all the souls to also feel the same fortune of having a bona fide spiritual master like yourself.

I find it extremely important that your glories should be spread all over the world. I can practically see how people in this material world are finding so difficult to handle the pandemic that has changed lives forever. They are suffering physically, mentally and intellectually. This pandemic has made people realize how we all have needs: physical, psychological and intellectual. Krishna consciousness is the only way to satisfy our needs and give us true happiness. Only a spiritual master like yourself can deliver us from this ocean of material ignorance. So, it's my request to please help me spread your glories and emphasize the importance of accepting a glorious spiritual master like yourself.

You have mentioned in the *Bhagavad-gita* (13.8-12) Purport,

Because a bona fide spiritual master is a representative of Krsna, if he bestows any blessings upon his disciple, that will make the disciple immediately advanced without the disciple's following the regulative principles. Or, the regulative principles will be easier for one who has served the spiritual master without reservation.

So I kindly request you to please be kind upon me and bless me with the benediction to spiritually advance in order to please you, most importantly to serve you without reservation.

Your servant,

Vijaya Gauranga Dasa.

Dear Srila Prabhupada,

Please accept my obeisances at your lotus feet. All glories to your Divine Grace.

On this auspicious day of your Vyasa-puja, let offer my prostrated obeisances unto your divine lotus feet which are as soothing as the lotus flower in the midst of blazing fire of this material world.

Let me humbly try to glorify you knowing well that it's by your mercy only I can write something in your glorification; it's like offering candle light to the sun. You are the sun in my life Srila Prabhupada. By constantly radiating heat and light the sun is sustaining all living entities in this world. But Gurudeva, you radiate *Krishna-prema* which even infinite suns cannot radiate. The result of your rays of *Krishna-prema* is that the whole world is mad after Krishna. For instance, my life—throughout my life I thought sense gratification is the supreme goal and was always addicted to sinful activities but now I have dedicated my life for Krishna.

How is it possible?

In *Srimad-Bhagavatam* (2.4.18): "Kirata, Huna, Andhra, Pulinda, Pulkasa, Abhira, Sumbha, Yavana, members of the Khasa races and even others addicted to sinful acts can be purified by taking shelter of the devotees of the Lord, due to His being the supreme power. I beg to offer my respectful obeisances unto Him."

Pastimes of pure devotee's childhood as mentioned in *Srimad-Bhagavatam* (3.2.2) purport:

"From his very birth, Uddhava was a natural devotee of Lord Krsna, or a *nitya-siddha*, a liberated soul. From natural instinct he used to serve Lord Krsna, even in his childhood. He used to play with dolls in the form of Krsna, he would serve the dolls by dressing, feeding and worshiping them, and thus he was constantly absorbed in the play of transcendental realization. These are the signs of an eternally liberated soul."

In the same purport you mention: "By the grace of the Lord we were given the same opportunity by our parents, and the beginning of our life was based on this principle."

From *Srila Prabupada-lilamrta*: When Abhay was about six years old, he asked his father for a Deity of his own to worship. Since infancy he had watched his father doing puja at home and had been regularly seeing the worship of Radha-Govinda and thinking, "When will I be able to worship Krsna like this?" On Abhay's request, his father purchased a pair of little Radha-Krsna Deities and gave Them to him. From then on, whatever Abhay ate he would first offer to Radha and Krsna, and imitating his father and the priests of Radha-Govinda, he would offer his Deities a ghee lamp and put Them to rest at night.

Concerning activities of your divine grace, in *Srimad-Bhagavatam* (3.4.30) purport: "One who is transcendently advanced can gain direct inspiration from the temple Deity."

Illustrating this statement here is the following pastime. Once Gurudeva, you had conversation with Rukmini Dwarikadisa in LA. In that conversation Krishna is requesting you to come to Vrindavana and he will give you much bigger temple than the LA temple. Initially you were not agreeing but at the end you agreed to go and Krishna gave you the most magnificent Krishna-Balaram Mandir.

*Srimad-Bhagavatam* (2.7.46): Surrendered souls, even from groups leading sinful lives, such as women, the laborer class, the mountaineers and the Siberians, or even the birds and beasts, can also know about the science of Godhead and become liberated from the clutches of the illusory energy by surrendering unto the pure devotees of the Lord and by following in their footsteps in devotional service.

I would like to whole heartedly surrender to your lotus feet but my material mind holds different types of reservations all the time. Gurudeva, please guide me. Give strength and intelligence to serve your lotus feet. The only thing I would like to do is continue to serve you exactly the way you have told me to do especially with regards to chanting. I want to thank you so much for giving me the Holy Name i.e. Hare Krishna Nama-prabhu and the method of worshipping Him.

I found this wonderful prayer from Srila Bhaktivinoda Thakura's *bhajan*s, which I would like to offer to you:

"My dear mind, so tell me why you remain stupefied and unconscious, absorbed in this useless temporary sense gratification? I want you to give it up right now, and give up all hopes for future sense gratification as well. For the expectation of this humble servant is that you will be able to conquer over the miserable material existence by being firmly situated under the protection offered by the lotus feet of *sri guru*, your most well-wishing spiritual master."

Your humble servant,  
Vimala Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to Srila Prabhupada!

“He reasons ill who tells that Vaishnavas die, when thou art living still in sound.”  
(Bhaktivinoda Thakura)

“Yes, the ecstasy of separation of Spiritual Master is even greater ecstasy than meeting with him.”  
(SP letter to Jadurani, 13/1/68)

“The eternal bond between disciple and Spiritual Master begins from the day he hears.”  
(SP letter to Jadurani, 4/9/72)

“You have asked if it is true that the Spiritual Master remains in the universe until all his disciples are transferred to the spiritual sky. The answer is yes, this is the rule.”  
(SP letter to Jayapataka, 11/7/69)

All the above quotes prove that even though Srila Prabhupada is not physically present amongst us, he is still present through his instructions in his books and still has a duty to perform to take us all back to Godhead.

Thank you Srila Prabhupada for establishing with your sweat and blood the International Society for Krishna Consciousness. ISKCON is now carrying forward your divine mission of preaching the message of Krishna all over the world and so many people have had their lives and hearts changed forever because of your divine movement.

Thank you Srila Prabhupada for gifting me so many devotee Godbrothers. I feel like we are a huge family of sorts and this feeling itself gives me a lot of joy. These Godbrothers are always there to help me whenever I feel alone or helpless. They are very sympathetic and know so well what is running in my heart. This is only possible by your mercy upon them.

Thank you Srila Prabhupada for gifting us the Hare Krishna *maha-mantra*. You started this movement alone in the beginning just by chanting this mantra with love and sincerity which attracted so many followers into your movement (including me). It is still difficult to imagine how this mantra could change our hearts and make us feel more attached to Krishna. This mantra knows no boundaries and it can be proved that simply by doing *sankirtana*, the whole world can be unified with peace and joy. You truly made the Hare Krishna *maha-mantra* a worldwide phenomenon.

Thank you Srila Prabhupada for teaching me the importance of service attitude. Our natural tendency is to serve somebody and because we are serving something temporary, hence we always feel dissatisfied. But by serving Krishna and His representative, the spiritual master, we always feel satisfied. Even though you were advancing in your age you never hesitated to teach your disciples the basic to the most complex services in Krishna consciousness. And as the saying goes, "By serving and satisfying the spiritual master, one automatically satisfies Krishna." Thus you were able to satisfy your Guru Maharaja immensely by propagating Lord Caitanya's divine mission.

Thank you Srila Prabhupada for teaching importance of sacrifice for a higher cause. Even though Prabhupada, you could have settled down in your life, you felt so much for your Guru Maharaja's orders that you decided to give up all comforts of life, including your home and family attachments, and went to the West to fulfill his mission. You must have felt so alone in the beginning but Krishna was always there with you guiding you till the day you left this world back to His abode.

Thank you Srila Prabhupada for giving me the opportunity to render devotional service to Krishna. I always consider myself a very big fool who doesn't know how to serve someone. But still, you were so kind, like you were to all your disciples, that you pulled me into your *sankirtana* ship and thus made me obliged to you. Please guide me Prabhupada as to how I can serve you and your representatives in the best possible manner. Actually serving the Supreme Personality of Godhead is not an ordinary thing and I consider myself very, very fortunate to get this opportunity.

Thank you Srila Prabhupada for bringing the whole world together under one single roof. You initiated people coming from different faiths, nationalities, culture, races, etc. and today they all do one common activity—simply rendering devotional service to Krishna. It is by your strong will power this has happened. This is the real 'United Nations' we always desired.

Thank you Srila Prabhupada for giving us so many wonderful books. Your purports in these books have started a fire in my heart and it is going to purify the one who reads it sincerely. You have taken so much pain to write these books just to make us stronger and give us more faith in chanting the Hare Krishna mantra. So it is our duty to read your books sincerely every day. And just by reading your books, we feel your presence constantly. By reading your books we are able to convince even the toughest atheist we meet on the street to accept the supremacy of Krishna. As you have rightly said, "Books are the basis." Just by distributing these nectarean books, we can spread Krishna consciousness across the world.

Thank you Srila Prabhupada for showering unlimited mercy on a so-called devotee like me. You have been very merciful on all your disciples even though they may have committed offences. It was by your mercy that I was able to give up my old habits and able to practice Krishna consciousness. Without your mercy, it is not possible for one to give up their habits. Prabhupada, you were even ready to take back those disciples into your movement who were very sinful. You are so forgiving in your nature. You did all this just because you wanted to take as many of them as possible back to Godhead.

Thank you Srila Prabhupada for exhibiting lion-like boldness while preaching in front of atheists, Mayavadis and impersonalists. Your fiery speeches during the Bombay *pandal* program was enough to shake the conscience of all those who were present there. Most of them came to Krishna consciousness and many even accepted the supremacy of Krishna.

Thank you Srila Prabhupada for gifting us dynamic leaders in our movement like Madhu Pandit Prabhu and Chanchalapati Prabhu and many others who are truly your empowered representatives, working hard every day to carry forward your divine mission. Prabhupada, kindly give me strength so that I can help them in carrying forward your mission by assisting them in some way or the other.

Thank you Srila Prabhupada for teaching us what is love. When your disciples were trapped in Bangladesh during the 1971 war, your anxiety to get them back and your reaction upon having them back to you was just heart touching. It was just

like a mother's anxiety on losing her son in a crowd. And your anger on the people who tried to make fun of the Western *matajis* during a *pandal* program shows how much you love your disciples.

Thank you Srila Prabhupada for teaching us the true meaning of tolerance. You tolerated the insults of your family members when you expressed your desire to print books. You tolerated people who opposed your plans to preach Krishna consciousness in the Western world and give *brahmana* initiation to them. You tolerated the sweltering heat of Delhi to distribute Back to Godhead magazine. You tolerated the reactions of those who didn't accept your proposals of starting a worldwide Krishna Consciousness movement. You tolerated two heart attacks while on your journey to America. You tolerated your poor health and continued to travel continuously in the Western world for preaching Krishna's name. You tolerated your ill health and later went on to lead the Ratha-yatra that too from the front, chanting and dancing. You tolerated the indiscipline of some of your devotees and forgave them for Krishna's sake to take them back to Godhead. You were so kind and forgiving just like a father who forgives the mischief of his son.

Thank you Srila Prabhupada for teaching us what is true humility and humbleness. Even though you made ISKCON a global phenomenon and many showered praises on you, you were still humble at their response. You never showed a tinge of pride during such situations.

Thank you Srila Prabhupada for starting the 'mass *prasadam* distribution program.' Your dream to feed every hungry person around has now been conceived in the form of Akshaya Patra which is feeding millions of school-going children across India. It is by your mercy this has been a grand success and upon taking this *prasadam*, many are getting *ajnata-sukrti* by your grace.

Thank you Srila Prabhupada for teaching us how to develop faith. You continued to have faith even when all odds were against your favour as no one supported your desire to start a preaching mission in India. You didn't lose hope and decided to go to the West to preach Krishna's message. People in India had no faith in your dreams, but you continued to have faith and you were determined to fulfill your spiritual master's order.

Lastly, I thank you Srila Prabhupada with all humility for accepting me as your disciple even though I am not fit to be one. Please keep me strong and humble within your divine movement. Kindly continue to guide me as you do always. I don't know how to serve your divine movement. So kindly be merciful unto me. Kindly give some intelligence to this wretched soul.

And thank you Srila Prabhupada for saving my life, or else I would have drowned in the ocean of material existence which is full of sufferings. I still don't know what able quality you found in me to have me in your movement.

There is a quote which whenever I read, again and again, brings tears in my eyes and makes me love you more and more each time Prabhupada.

So I never thought that I shall accept this renounced order of life. In my family life, when I was in the midst of my wife and children, sometimes I was dreaming my spiritual master, that he's calling me, and I was following him. When my dream was over, I was thinking. I was little horrified. "Oh, Guru Maharaja wants me to become *sannyasi*. How can I accept *sannyasa*?" At that time, I was feeling not very satisfaction that I have to give up my family and have to become a mendicant. At that time, it was a horrible feeling. Sometimes I was thinking, "No, I cannot take *sannyasa*." But again I saw the same dream. So in this way I was fortunate. My Guru Maharaja (Prabhupada begins to cry, choked voice) pulled me out from this material life. I have not lost anything. He was so kind upon me. I have gained. I left three children, I have got now three hundred children. So I am not loser. This is material conception. We think that we shall be loser by accepting Krsna. Nobody is loser. I say from my practical experience. I was thinking that "How can I accept this renounced order of life? I cannot accept so much trouble." So... But I retired from my family life. I was sitting alone in Vrndavana, writing books. So this, my Godbrother, he insisted me, "Bhaktivedanta prabhu..." This title was given in my family life. It was offered to me by the Vaisnava society. So he insisted me. Not he insisted me. Practically my spiritual master insisted me through him, that "You accept." Because without accepting the renounced order of life, nobody can become a preacher. So he wanted me to become a preacher. So he forced me through this Godbrother, "You accept." So unwillingly I accepted. And then I

remembered that he wanted me to go to the Western country. So I am feeling now very much obliged to my, this Godbrother, that he carried out the wish of my spiritual master and enforced me to accept this *sannyasa* order. (Lecture, Seattle, October 21, 1968)

All glories to Sri Guru and Gauranga!! All glories to *jagad-guru* Srila Prabhupada!!

Dear Srila Prabhupada,

Please accept my most respectful and humble obeisance on this most auspicious appearance day of Your Divine Grace.

All glories to Your Divine Grace.

Srila Prabhupada, there was a wonderful pastime you had with your loving disciples with respect to printing the manuscripts.

Ramesvara das: Prabhupada had become very disturbed. He had learned that his manuscripts that he had written through amazing sacrifice of sleep, he stayed up at night and dictated his books, they had been sent in to our New York BBT office and they had not done the production. He had written so many books with commentaries, and they were just lying there. So Prabhupada had flown into Los Angeles, and it was a very tense beach walk. He was discussing how important it was to publish these books and how upset he was that they were lying there, and he was demanding that they be published right away. He then asked, "How long will it take?" So Radha-vallabha from New York was there because he had been the production manager.

So we pulled ourselves back and we discussed, "How long will it take you to get me the books so I can send them to the printer?" And he told me that he thought we could do one book every two months. At this point, we were doing one book every four to six months. So we went back into the walk, we caught up again and we told Prabhupada, "We think we can do one book every two months." So Prabhupada turned around and said, "I want all 17 books done in two months."

I just blurted out, "Srila Prabhupada, that's impossible." At that point, Prabhupada stopped walking and he had a cane and he planted it in the sand, and he turned around and looked at me very gravely and said, "Impossible is a word in a fool's dictionary." And there was complete silence. We were all stunned.

(Srila Prabhupada Lilamrita, June 1975 by Satsvarupa Dasa Goswami)

Srila Prabhupada, I am totally inspired and amazed to see your solid commitment and no compromise in Lord Krishna's service. As you always say 'Simply Wonderful.' Your instructions and every word coming from your lotus mouth is simply wonderful.

Srila Prabhupada, your books are very special. You once mentioned to one of your disciples, "Do you know that every day even I read my own books? Do you know why I read my books? I read my books every day because even I learn something new when I read my books. These are not my books. I do not write these books. Every morning, when I sit here to write my books, Krishna comes personally and dictates to me what to write. I simply take dictation from Krishna to write these books. Therefore, when I read them, even I learn something."

Thank you Srila Prabhupada for the wonderful gift you had given to all of us. Please shower your mercy on me to take and absorb your association in reading your books.

Srila Prabhupada, you had written in Jaladuta dairy:

I have no devotion, nor do I have any knowledge, but I have strong faith in the holy name of Krishna I have been designated as Bhaktivedanta, and now, if You like, You can fulfill the real purport of Bhaktivedanta.

Srila Prabhupada, please shower a drop of faith which you have in the Holy name so that I can associate with Nama-prabhu and feel the presence of Nama-prabhu.

Srila Prabhupada, the great devotee of Lord Narashima, Prahlada Maharaj prayed:

O my Lord, best of the givers of benediction, if You at all want to bestow a desirable benediction upon me, then I pray from Your Lordship that within the core of my heart there be no material desires.

Desires can decide the future of living entities. Srila Prabhupada, I beg your mercy to always plant your own desires in my heart so that I may try to fulfill those desires to just satisfy you.

Srila Prabhupada, the definition of love has been mentioned in *Caitanya-caritamrita*:

*atmendriya-priti-vancha -- tare bali 'kama'*  
*krsnendriya-priti-iccha dhare 'prema' nama*

"The desire to satisfy one's own senses is called lust, while the desire to satisfy the senses of Kṛṣṇa is called prema, love of God"

Srila Prabhupada, you are an expert in satisfying the senses of Lord Krishna eternally. I somehow always fail in this aspect and try to satisfy my senses. I beg your mercy to learn the art of pleasing only Krishna and nothing else.

Even though you are mystically guiding me in the mission of Lord Caitanya, because of my ignorance I couldn't notice your presence and intervention. I humbly pray at your lotus feet to make me realize your presence to my dumb senses Prabhupada!

My earnest prayer on this auspicious day, Srila Prabhupada, is keep me always in the association of your sincere and loving disciples.

I beg Your Divine Grace to forgive me for all the offenses that I have committed at your lotus feet and to keep me always in your service. I also beg all Vaishnavas to forgive me for any offenses that I have committed to them so that I can improve my services to you.

Your insignificant servant, Vrajeshwara Govinda Dasa.

Dear Srila Prabhupada

Please accept my humble prostrated obeisance at Your Lotus Feet. All glories to your Divine Grace on this auspicious day of your 124th Vyasa-puja.

As explained by Sri Caitanya Mahaprabhu:

*brahmanda bhramite kona bhagyavan jiva  
guru-krsna-prasade paya bhakti-lata-bija  
(Cc. Madhya 19.151)*

The living entity wanders into many species of life, but he is fortunate when he once again meets his friend, either in person or through His representative.

As it is said that: "It is Krishna who personally advises all living entities to return home, back to Godhead. Sometimes Krishna sends His representative, who, delivering Krishna's very message, canvasses all living entities to return home, back to Godhead."

In this connection I wish to say that because of your causeless mercy only I have come in touch with such a wonderful organization where you are considered and worshiped as SOLE DIKSHA GURU. And I thank you very much for giving us very great, senior Vaishnavas—who are really great leaders of this temple—without whom, we would have not got an opportunity to get shelter at your lotus feet which can accommodate all the fallen souls of this whole world. I convey my gratitude to them, and I am really grateful and obliged to them forever.

Dear Srila Prabhupada, I thank you very much for giving me a great and wonderful spiritual guide and authorities, and bestowing me with an opportunity to render service at your feet in spreading the mission of Lord Krishna & Chaitanya Mahaprabhu at a most popular and well known institute i.e. Manipal Accademy of Higher Education - University in Manipal, which is situated at a holy place Udupi, where the prominent *acharya* Madhvacharya of our parampara had played a prominent role in spreading Krishna consciousness.

Now it is by your grace and causeless mercy that my guide and myself tried our best in carrying your lotus feet and your sublime teachings through the guidance of our authorities at Manipal, where all the souls which are waiting for re-establishing their lost relationship with the Supreme Personality of Godhead Sri Krishna may get shelter at your lotus feet through this, your genuine organization & institution, where one can come in touch with you directly and accept you as a bona-fide spiritual master and go back to home, back to Godhead without getting misled to any other organization where your position has taken a back seat.

Also, please bestow your causeless mercy unto all the boys who have come in touch with our organization so they can become serious in KC and achieve perfection in their life, and be connected to this organization and render possible service in any of the ways.

Dear Srila Prbhupada, you are my Lord birth after birth, from you ecstatic *prema* emanates and ignorance is destroyed. My only wish is to have my consciousness purified by the ambrosial word emanating from your lotus mouth.

My dear Gurudeva, right now I am weak and fallen. I have no devotion and I am helpless. I have also caused great anxiety and trouble to Vaishnavas; due to this I am suffering internally. MY DIVINE MASTER, you are the savior of all the souls in this modern age. I need your help. Your grace alone can save me. Please bestow pure devotion to me. Dear Prabhupada I am apiring and endeavouring for becoming your pure, simple, sincere, serious, humble, obedient, truthful, strict, proactive, especially organized, intelligent, self realized and mature disciple of yours, and devotee of Lord Sri Krishna.

My Dear spiritual mater, I aspire to work hard for welfare, well-being and expansion of your mission, and to serve your lotus feet forever. Please keep me always, this poor soul, at your service and under the shade of your lotus feet. Please don't

keep me away from the shelter of your lotus feet, association of your disciples, and this wonderful institution ISKCON BENGALURU.

Please bless me, my Lord of this soul. May I follow all the instructions of my authorities and institution 100% fully and sincerely. I surrender and dedicate this soul at your lotus feet.

As mentioned in the scriptures, a symptom or an aspect of surrender is to have this firm confidence that “Krishna will definitely protect me” (*avasya raksibe krsna*) and consciously surrender our efforts and their results to Krishna’s pleasure. Transfer your absorption from the immediate success or failure to consider Krishna’s pleasure, and how you can turn this challenging situation into an opportunity to deepen your dependence upon and strengthen your loving relationship with Guru and Krishna.

My dear Gurudeva, all glories to you! May your glories be spread all over the three worlds.

Your fallen & insignificant disciple,

Yadukula Nandana Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance.

This is my first Vyasa-puja offering as a full-time missionary. Thank you for so compassionately pulling me inside the *ashrama* just before the COVID pandemic shook the entire world. This pandemic itself is a testimony that this world is *dukkhalayam* and *asasvatam*. However, it appears that for us its a good time to propagate your teaching ‘Simple living and high thinking’, as the unnecessary and complex economic structure is on the verge of collapsing. Maybe the golden age is approaching soon, as the Hare Krishna Nama-prabhu spread by you throughout the world, is doing His *lila* by purifying the entire world. Srila Prabhupada, you successfully spearheaded the mission of Lord Chaitanya, as the commander in chief, to fulfill the prophecy ‘Every town and village will chant the holy name of Krishna.’

Thank you Prabhupada for making me part of your glorious movement. Although I was delaying, you patiently handled me; I learnt the lesson hard way. In the past year amidst dramatic incidents and confusion, the voyage I took to your birthplace Kolkata and Mayapur had a deep impact on me, gave me many realizations and many of my questions were mystically answered; which made me fully ready to surrender to your mission. The philosophical aspect of the spiritual quest that I had, you answered very early in my KC journey with the nectar from your *vani*. But from the past 4-5 years, there was another kind of a silent search within me and so many questions, kind of a puzzle I was trying to solve. True to your statements, “I have answered everything in my books, you simply have to read again and again”, “if the student is sincerely following the instructions, the Guru reveals everything to the disciple in his heart,” you brought clarity. By your grace, I am connecting the dots. Everything seems so connected—the events right from my birth. I now comprehend the invisible hands of divine intervention and will of providence on many occasions in the life path. Thank you Srila Prabhupada for saving me. Now, I have full conviction that for any genuine query of your sincere followers, you reveal the answer in many divine ways.

It’s been five months already of my *ashrama* life and the days are rolling fast. It has been a smooth ride so far. Because of your mercy, I had a continuous stay in Folk Residency and uninterrupted association of devotees and services in the temple from the beginning of my KC journey. And having had the opportunity to learn and get trained, being under many FOLK guides, during my folk journey, it was easy for me to get adjusted to the *ashrama* routine. *Ashrama* seems to be an extension of FOLK Residency and it is like a replica of the spiritual world; maybe Goloka is an extension of the *ashrama*. So many devotees to learn from and the atmosphere here is amazing around the major festival days—feels like as if the Lordships are actually there to receive the services of devotees. Srila Prabhupada, you so compassionately made the humanly impossible efforts to establish the society for giving an opportunity to the conditioned souls to practice devotional service

and laid a solid foundation. And now, without much austerity, we are actually reaping the benefits of your hard work. Everything has become easier by your divine grace.

As I heard in a senior devotee's lecture that we should learn to live and practice devotional service in the community of Vaishnavas, am trying to follow and taking transcendental happiness in every aspect of *ashrama* life, even in minor services like serving *prasadam*. 'Trnad api sunicena taror iva sahisnuna, amanina manadena kirtaniya sada harih' seems to be easier to follow when in the lower level of the organizational structure. Bless me to carry the same mood and attitude wherever you place me in the future. I feel fortunate to be under the guidance of amazing senior devotees. Just like you, the devotees here are freely distributing the mercy of the Holy name by revealing all the intricacies of *Harinama japa* to the entire world freely on a digital platform, not even charging the operational costs involved in conducting the sessions like handling cameras, other devices and electricity. I am inspired by the energy and vitality of the temple president, who takes time at 4 in the morning despite having a busy schedule and many responsibilities, to bring awareness about the importance of keeping the body fit through *yoga-asanas*, so that we can render uninterrupted devotional service. During the last day of Jagannath Ratha-yatra, I was really moved when I saw the senior devotees so compassionately, at the risk of personal safety, distributing mercy of *prasadam* to the congregation and others who are prohibited to enter inside the gate during this Corona lock-down. I saw a glimpse of you in them when I saw this; the leaders are genuinely merciful and caring. I had this wrong impression in my mind that congregation simply hang around in the temple campus half the time without any service, but advanced devotees see everyone equally.

If not for the excellent management of ISKCON Bangalore group of temples and great leadership, maybe I wouldn't have been a full-timer; perhaps I wouldn't have come in touch with ISKCON at all. Srila Prabhupada, prior to KC I had visited a few spiritual organizations, and I noticed seekers and people from different parts of the world practicing there. I wish the same happens here in our centre. It's time for us to go global and spread your glories far and wide, thereby bring the truth of your authority as the only initiating Acharya in your organization, to every sincere follower of yours across the globe. This is my genuine prayer to Krishna to please empower us. On our own strength our preaching will be ineffective. I humbly pray to you that one day you reveal to me the presence of sat-cit-anandized *aprakrta nama* in the *shaktyavesha nama* you have initiated me with, which resembles the *prakrta* sound when I chant with my present impure material tongue. Please give me the required knowledge and remembrance to always hear (know) exactly the same sound which I chant; proper *kriya chesta* and *jnana chesta*. I have realized that the statement of Arjuna in BG (6.34) "Subduing the mind is more difficult than controlling the wind" is really a heavy statement; am yet to successfully complete uninterrupted 108 beads (1 round of HK *mantra*) of just concurrent chanting and hearing in the foreground mind. And the concept of micro delightful tasking in between each bead, with *sadbhavana* in the background mind, seems to be far-fetched. But am trying hard, please bestow your mercy on this *sevaka*, O Vaishnava Thakura. Please purify me and awaken my spiritual senses so that one day I can chant the holy name purely; I can't succeed on my own strength.

Srila Prabhupada, just before surrendering fully to your mission something began to dawn on me and I tried to be of some help to 'X', but in an indecent manner. If what I am perceiving is true and your grace gives me that responsibility, I would accept it with all humbleness with an attitude of servitude, as a service to senior Vaishnavas, if you so desire. I genuinely seek forgiveness from you and other senior Vaishnavas for all the mistakes, missteps and offences I might have committed in all these KC years; and I pray to give me the required intelligence to do the right things at the right time and let me align with your plans while rendering devotional service in your mission, which mystically comes down through the authority system. Once again, thank you Srila Prabhupada for everything.

Servant of your servants,  
Yaduvara Dasa.

Dear Srila Prabhupada,

I offer my respectful obeisances unto my Spiritual master on the occasion of 124th *Vyasa-puja* Celebrations 2020. All glories to Your Divine Grace and to your lotus feet.

*yasya prasādād bhagavat-prasādo  
yasyāprasādān na gatiḥ kuto 'pi  
dhyāyan stuvaṁś tasya yaśas tri-sandhyaṁ  
vande guroḥ śrī-caraṇāravindam*

By the mercy of the Spiritual master, one receives the benediction of Krishna. Without the grace of the Spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the Spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my Spiritual master: Sri Gurvastakam: Visvanatha Cakravarti Thakura.

Way back in 2009, when first-ever I came over to temple as Yoga Retreat event attendee; I never thought about the amount of knowledge that I gonna gain from here. On a lighter note, in the initial days, things that made me visit the temple were the magnanimous temple structure and the delicious *prasadam*s. And I was also so attached to this material world and desires. But it is you, Srila Prabhupada and your simple way of preaching made me absorb a desire of eternal love for Supreme Lord. As in *Bhagavat-gita*, Lord Krishna says he is a friend of all living entities, the same way you Srila Prabhupada always displayed a true friendship by keeping me engaging in spiritual actions and activities. It was you Srila Prabhupada, who explained Lord Krishna and his qualities to us and also to the entire world. You were so fixed in the situation in the energy of the Supreme Lord. As a pure devotee of the Lord, you shared the spiritual knowledge to everyone without any discrimination of caste, creed, religion, or race. You were always determined to your Guru Srila Bhaktisiddhanta Sarasvati Thakura's instructions to distribute this *maha-mantra*. In every sense, you shared and gifted the tremendous spiritual values.

It's very rare to find a great soul like you in this material world. You never asked for yourself, but in all terms, you gave us more opportunities for us. This unselfish giving to us made us concentrate more on Krishna consciousness and this displayed your pure love for Krishna. Today we in this material world suffering from never-ending miseries, pandemic, war, cry, hunger, etc. which I may able or may not able to find a solution. But today I only desire to use all my strength, knowledge, capabilities to serve you and always be in the shelter of your lotus feet.

Your humble servant,

Bhakta Abhay Subramanian C.

My dear Srila Prabhupada,

Please accept my humble obeisances unto you.

I am thankful for all the help and knowledge I got from your organization 'International Society of Krishna Consciousness,' from your Books and from your disciples to know spirituality. I wish to have your blessings so that I become Krishna conscious.

Dear Srila Prabhupada,

Today, I am writing my sincere thoughts and devotion towards Krishna and towards you. First of all these mere words of mine won't be able to express my gratitude but enough to express my emotions. I would have never known anything much about Krishna if it wasn't for you. If I am chanting hare Krishna maha-mantra devotionally or sincerely, it is in your memory.

All I knew about Krishna was such little thing. I got immense knowledge about our dear supreme god Krishna because of your mercy.

I remember how lost I was, I remember how I found myself with your books... Chanting and your voice.

Srila Prabhupada, please accept this letter as my tiny service to you.

*Hare Krishna hare Krishna Krishna Krishna hare Hare Rama hare Rama Rama Rama hare hare.*

Srila Prabhupada ki jai.

Dearest Divine Grace Srila Prabhupada,

Please accept my humble obeisances, All glories unto your lotus feet..!

Five thousand years ago, Lord Srī Kṛṣṇa instructed to the living entities to surrender unto Him.

*sarva-dharmān parityajya mām ekaṁ śaraṇaṁ vraja ahaṁ tvām sarva-pāpebhyo mokṣayisyāmi mā śucaḥ*

(Bhagavad Gītā 18.66)

Five hundred years ago, Lord Caitanya showed the way of surrendering, that is chanting the Holy Name, the Mahāmantra,

*Hare Kṛṣṇa, Hare Kṛṣṇa, Kṛṣṇa Kṛṣṇa, Hare Hare Hare Rāma, Hare Rāma, Rāma Rāma, Hare Hare*

Dear Srila Prabhupada, a little more than 50 years ago, you have spread this Mahāmantra across the length and breadth of the world. As the honeybees crave for the honey attracted by the fragrance of beautiful flowers, just to enjoy the matchless sweetness of the honey, the living entities, who crave for the eternal bliss, for time immemorial attracted by the eternal

fragrance of the flower of Mahāmantra, the nectar of devotional service to the Supreme Lord, grown by you in the entire world. A matchless gift to the whole of humankind.

Somehow, by Your causeless mercy, Oh Srila Prabhupada, I too am fortunate to taste the Mahāmantra. You made all of the Vedic scriptures in the simple language available to the common man and made the journey to the eternal abode, back to Godhead, very simple for a person who seeks it seriously. How can a layman like me acknowledge and appreciate your priceless gift to mankind?

I humbly fall down at your lotus feet, dear Srīla Prabhupāda, please let me engage in the service of your lotus feet, always. And, I am so grateful for the mercy you are showering upon me.

Your servant,  
Bhakta Abhilash Nair.

Dear Srila Prabhupada,

Please accept my sincere obeisance at your divine and graceful feet. I heard a lot about your journey to be Krishna conscious and acquire transcendental knowledge to be a better individual in the divine society rather than being an intellectual in the materialistic society which is truly inspiring and glorious. Through the teachings which I received from my guide, I started respecting other people's perspectives in life, before I was rather an arguing individual who fights with everyone and doesn't respect things. I understood that even if my friends do mistakes, forgiving them makes me a person with sattva guna. I also learned many things regarding this which makes me a bit different individual than before. The thoughts and stories of yours are greatly provoking to take the path of dharma in life which I am still trying to be in many respects and situations in my life. Please help and bless me to be so. Hare Krishna.

Your servant,

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your divine lotus feet.

You are always there with us through your books and lectures. Even if you are not present physically, you are always helping us to get advancement in Krishna consciousness. Whenever I prayed to you in a difficult situation, you always helped me. When I feel I cannot do this for Krishna and I remember your faith and determination towards Krishna and just pray to him to help me and I get a spiritual power and joy to do the impossible task for Krishna.

Prabhupada, you are always merciful. you are the inspiration for thousands of devotees to follow Krishna consciousness. By your mercy Prabhupada, I can understand the teachings of *Bhagavad-gita* and *Bhagavatam*. Your books helped me a lot to understand the spiritual path and cleared all my doubts. You are my master and friend who always helps me whenever I am in a problem, you brought me out from it. your teachings show me the perfect path and aim of life.

My beloved Spiritual Master,

Srila Prabhupada, All Glories to you on the auspicious day of your *Vyasa-puja*. Please accept my humble and respectful obeisance,

Srila Prabhupada on this auspicious day of your *Vyasa-puja*, first of all, I want to thank you for your Divine reciprocation to my last year *Vyasa-puja* offering letter, in which I begged you to save me from the material world and give me shelter unto your lotus feet so that I can serve your Divine mission of preaching Krishna consciousness. And only by Your causeless mercy Srila Prabhupada this year I am writing my *Vyasa-puja* Homage to you as a full-time devotee of your Divine Mission. Dear Srila Prabhupada, It is your causeless mercy only that you gave me your divine association by accepting me as a servant at your Divine Lotus feet. It is your causeless mercy only that you have opened my eyes through your transcendental instructions and saved me from the deepest darkness of ignorance in which I was entangled. It is because of your causeless mercy only that I got the special chance to serve the Lotus Feet of their Lordships Radha-Krishna Chandra, Krishna-Balaram, Nitai-Gauranga, Srinivasa Govinda, Prahalada Narsimha and Yours by making so many garlands, by plucking Tulasi *Manjaris* for them and by many other ways especially on festival days. It is because of your causeless mercy only that I got a chance to associate with your pure-hearted disciples from whom I learned so many things that are helping me in advancing in my Spiritual life.

My Dear Spiritual Master, without your causeless mercy there is no chance of my advancement in Spiritual life. Srila Prabhupada, I am begging you that you please always keep me under the shelter of your Lotus feet and don't let me go anywhere in any situation. Please save me from this material existence which is putting me into illusion. O, ocean of mercy, please be merciful to your servant and purify me by the shade of your Lotus Feet. I humbly hold your Lotus Feet.

Your insignificant servant,  
Bhakta Abhishek.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your Lotus Feet.

I am an audacious and a shameless person, the most Fallen Soul, who does not deserve even a tiny bit of what actually is being rewarded by you.

O Divine Grace,

It is only by your causeless mercy that I am receiving this blessing from you.

I experience immense protection from you every day, every moment, in every activity I perform dear Spiritual Master. Whenever I have come to a point of reason, Your direction has led me to the best possible outcome of that situation.

O Divine Grace, you have given us the "Greatest Shelter" under which we are so "Safe" and "Protected". Your Lotus Lips have spread the Maha Mantra given by Lord Chaitanya Deva, the Hare Krishna Maha Mantra :

*" Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare "*

You have given us this "Daily Practice" of Chanting the Holy Name, without which, it is impossible to solve the perplexities of life. Your direction has put us on the path to exit permanently from this cycle of Sukha and Dukha, leading us to "Ananda" (Spiritual Bliss).

Your "Guru Charana" (Divine Lotus Feet) have brought Certainty and Fearlessness in the most Uncertain World, O Gurudeva.

You are the Lords Personally Empowered Supremely Powerful Guru Showing us the Inner Light who has taught us

"One who takes shelter of the Supreme Lord has nothing to fear, even in the midst of greatest calamity" !! ( BG 1.19)

Dear Gurudeva, you have introduced and spread the "Topmost Yoga System". The Qualities you have shown to the world by Living and Leading in that direction are immensely Beautiful and Ecstatic.

The Supreme Lord says

"This divine energy of Mine, consisting of the three modes of material nature, is difficult to overcome. But those who have surrendered unto Me can easily cross beyond it" (BG 7.14)

Haridas Thakura could defeat Maya (Material Energy) because he was absorbed in the thoughts of Krishna by constantly chanting the Holy Name.

(Sri Chaitanya Caritamrta Antya Lila).

You taught us that "The Sankirtan Yagna" and "The Chanting of the Holy Names of the Lord" are the easiest means of Spiritual Advancement. This method of "Transcendental Meditation" is the simplest means to perfection.

I am an individual working in the material world for sense gratification and under the spell of Maya(material energy), thinking of being the enjoyer. After these many births of sense gratification activities, I beg you, O Divine Grace, in this birth, fulfil my search after the Ultimate Truth, and complete my surrender unto Lord Sri Krishna.

Last year you gave me the Gigantic Task of taking up the "Dhwajastambha Seva"(Garuda Stambh Seva). While I was chanting on the Terrace, your divine voice came to me and said: "This Soul is on a Mission". It is immediately after receiving this divine hearing from you, that I started this Seva. With your Divine Blessings, I have been able to complete a majority of this Seva, O Master.

I offer you infinite Obeisances for helping me Serve the Mission in such a Fantastic Way. I Beg you to help me in completing this Seva which you have entrusted upon this menial servant of yours.

At this point,

I recollect two important statements made by HG Madhu Pandit Prabhu addressing us,

1) Have you given your

"Sweat For the Mission of Spiritual Master"?

2) One can go closer to Krishna by understanding the mind of the Spiritual Master, by serving the lotus feet of the Spiritual Master and when one wants to please the Spiritual Master,

"Krishna Gives All The Power"!

O Divine Grace,

It is my Immense Fortune to have experienced these points thoroughly after receiving this Seva opportunity from you.  
Begging you to keep me as an Eternal Servitor at your Lotus Feet.

Bhakta Abhishek A K.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet from your most fallen servant.

Dear Prabhupada, I am still able to chant the Hare Krishna *Maha-mantra* by your mercy. I beg to you please give me enough spiritual strength to maintain the four regulative principles and quality chanting of 16 rounds. I have a strong desire to spread this Krishna consciousness message at least to my family members and relatives. Some of my relatives have already started chanting 1 round of Hare Krishna *maha-mantra*. I wish to spread this holy message to each and everyone I know personally, Please give me enough spiritual strength to accomplish this task.

Dear Srila Prabhupada, I am feeling fearless and most fortunate even during the global pandemic and amidst ever-existing chaos due to your mercy alone. You took all the pain to spread the Krishna *prema* all over the world, sometimes I feel that you have done this just for me acting as guide and father. I know it's your mercy that has helped many more around the world looking for true happiness and trying to become free from false ego. You are the sole hope amid the continuous disaster and threefold miseries which is now manifested globally and all intelligence has failed and became hopeless.

I also have a strong desire to preach your message acting as an instrument to as far as I can approach, please bestow your mercy to me. I am a married person now and have many other family responsibilities too, I am trying to involve my family members in spiritual activity with my all efforts. Please bestow me enough strength to maintain all spiritual activities. I really love the *Vaishnava* songs written by our great Acharyas and stalwarts *Vaishnavas*, especially the songs written by one of the staunch *Vaishnava* Acharya Sripad Narottam Das Thakur. I am even trying to learn musical instruments and play sometimes while doing *kirtana*. Please bestow your mercy to me, you are only the savior of this entire world, I feel very fortunate to come in contact with you!

Your humble servant,

Bhakta Abhishek Kumar.

My dear Srila Prabhupada,

All glories to you !!!

Kindly accept my most humble obeisances unto your Lotus feet.

My dear Spiritual master, although I have no qualification to fully understand and appreciate your unfathomable glories, it is just due to your causeless mercy that I could again get this wonderful opportunity to make an attempt to glorify you. Please accept my heartfelt greetings on the most pious occasion of Vyasa Puja. Kindly forgive me for my inadequacies and provide me the required intelligence to pursue this pious act.

Dear Prabhupada, the glory of your appearance in this material world can be understood only by the Paramhansa devotees of the highest order. Right from your appearance here till winding up of your pastimes, by all your leelas, you have taught us how to be in complete remembrance of the Lord always. And that is the only way how we can perfect this human form of life which is very rare to obtain. By your causeless mercy if one is able to understand the intricacies of your mood and mission, and tries to sincerely follow the sublime instructions given by you, very easily it will awaken and revive the dormant Krishna Prema present within our heart. Although practically it's not possible to comprehend and enlist all your glories, the thing which inspires me the most, being a neophyte, is the magnanimity of your compassion. Your Divine Grace, who is a pure devotee, and is always firmly absorbed in Krishna, had no further need to put such herculean efforts for the upliftment of millions of fallen souls of this material world. You have been dearest to Krishna always, and will remain so forever. Yet your heart always ached for the suffering conditioned souls like us. At an age, when almost everyone retires from active life, you chose to keep working enthusiastically to revive and reestablish our lost eternal relationship with our Supreme Father Krishna. You accepted even the kind of people who were literally outcasted and shunned by society. And your true Love and genuine concern for them changed their hearts and lives forever. Ultimately, the long-forgotten natural Love for Krishna was awakened, which is the highest benediction for the soul.

My dear spiritual master, it was just due to your causeless mercy that I could come in touch with your divine mission and dear devotees. I am a mlechha, and have no qualifications as such. My upliftment is possible only by your divine causeless mercy. Kindly do not take your eyes of limitless compassion away from this poor creature. I am frail and also, I have got no taste for Spiritual life. Kindly keep blessing me and provide me strength so that I can begin my journey on this most sublime path of devotion shown by you. Kindly empower me so that I can be of some service to your divine mission.

Aspiring to be a servant of your servants,

Your servant,

Bhakta Abhishek Kumar.

My Dear Srila Prabhupada,

All glories to you!

Please accept my humble obeisance unto your lotus feet. I pray for your merciful glance onto this most fallen soul on this auspicious occasion of your 124th appearance day celebrations.

I am worth nothing, but what I am asking and getting from you is incomparable and unachievable for a person like me, Prabhupada, I beg your pardon, please direct this sensual gratification driven soul to its eternal position. I only know that the shelter of your lotus feet can free me from this bondage and enslavement. Please bestow your mercy onto me.

Prabhupada, if I pay with my millions of life it would be insignificant to what I have received from you, it put me to wonder what I would have been doing without you. I realize that I was a feces eater and lowest of mankind but your merciful glance has revived my consciousness.

It has been 5 years that I have come in contact with Krishna consciousness and these five years are the ones I remember the most. Your lectures, literature, powerful quotes, striking statements, and unhindered and unshakable love towards supreme Lord Krishna has sprouted a spark in me, I beg you to please provide me with enough strength and knowledge so that I could do justice to my existence.

Prabhupada, my inclination and realization towards *Nama Prabhu* is increasing day by day, the aspiring understanding of non-difference of Krishna and his holy name, giving me a firm conviction that just by following your instruction a most insignificantly fallen soul like me could see a ray of hope. I pray to you to guide this incapable soul to help to propagate Chaitanya Prabhu's movement.

Prabhupada, this particular year has taken me to multiple phases of life and given me a very authoritative perspective of your teachings. I witnessed multiple unfortunate events mostly losing out a person and the after events of it and the fact is I could see their family members, friends, colleagues, etc. talking about it, remembering about it for a couple of days and then suddenly everything is brought back to normal like nothing has happened ever. Prabhupada, currently there is a Pandemic going on and it is so sad to see that the so-called loved ones are leaving the departed bodies of their family members to hospital, police station, etc. and asking their respective authorities to perform the last rites as they are afraid of getting contaminated by the same disease. A father and mother who has spent their entire wealth, energy, time, and life raising up their child, that same child has disregarded everything in a moment. This reminds me of your teaching that though we see the death in front of us every day and every moment but think that I will never die and will live forever. These events speak up very clearly that Lord Krishna is the only protector and the only well-wisher of all the living entities. I, this worthless soul pray to your lotus feet to impart me with the right knowledge, I personally have no strength and capability to do so. Please provide me enough strength to awaken my eternal consciousness.

Prabhupada, I deeply thank you for letting me glorify you, and thank you very much for responding to me and correcting my mistakes, making me believe that Krishna is the ultimate truth.

Your glories are endless, your mercy is causeless, Prabhupada please please please..... give me opportunities so that this negligible soul could serve your lotus feet and will be able to render insignificant service to Lord Krishna.

All glories to you my Master.

Your worthless aspiring disciple, Bhakta Abhishek Sharma.

Dear Srila Prabhupada,

Please accept my humble obeisances, From last one month I have joined folk classes. After joining, my life had changed a lot by reading your books such as the Krishna book. And after I started chanting Hare Krishna mantra during morning hours, I feel very joyful as if I am seeing Lord Krishna himself, and to listen to that mantra, my soul feels like talking to Lord Krishna himself. It's the most beautiful thing which I cannot express in words.

If just this initial stage is so beautiful, then I cannot imagine next, how good will I feel while I serve Lord Krishna. This is the most precious thing for me. And I thank your Divine Grace who started this and taught spiritual knowledge to people like me. Its a life-changing thing and from here onwards, I need to continue this and I should learn more about spirituality. Please bless me with spiritual strength, so that I can quickly advance, O spiritual master.

Dear Srila Prabhupada,

I offer my respectful obeisances to your lotus feet.

*sākṣād-dharitvena samasta-śāstrair uktas tathā bhāvyata eva sadbhiḥ  
kintu prabhor yaḥ priya eva tasya vande guroḥ śrī-carāṇāravindam*

Sri Guruvashatakam: verse 7, Vishwanatha Chakravarti Thakur.

“The spiritual master is to be honoured as much as the Supreme Lord because he is the most confidential servitor of the Lord. This is acknowledged in all revealed scriptures and followed by all authorities. Therefore I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is a bona fide representative of Sri Hari [Kṛṣṇa].”

Dear Srila Prabhupada, the scriptures glorify your transcendental position. They sing of your virtues. It is because of your causeless compassion that you, at a critical age, went to the west to spread the love of Lord Krishna and hence you have fulfilled the prophecy of Lord Chaitanya.

Please shower your mercy on this fallen soul to come out of this sense of gratification and ignorance and help me in making me realize the real purpose of this material body that I have got in this life.

It is by your grace that the teachings of Lord Chaitanya are spread to every nook and corner of the world. It is by your divine instructions that your disciples have taken to construct beautiful temples which attract millions of people of whom this fallen soul is also one.

O Spiritual Master, you have given a perfect knowledge. Your books answer every question. We can easily rise up to the level of a brahmana just by following the regulative principles and the chanting of the holy name. Your achievements are above appreciable because no one at your age can make such an immense contribution to mankind. Surely Lord Krishna personally chose you for this mission and made it happen through you for the love you had for the Lord.

You have personally set the example of the glories of Holy name. You had faith in the holy name and hence you established Krishna consciousness all over the world. Such is the power of the Holy Name. Dear, Srila Prabhupada, by your grace I am able to understand and take advantage of this powerful Mahamantra.

Kindly be compassionate on me, *śrī-guru karuṇā-sindhu*, *adhama janāra bandhu*, you are the ocean of mercy and the friend of the fallen. Please shower your blessings in achieving the higher taste.

I beg at your lotus feet to kindly engage me in the services of you and your devotees.

Aspiring to be your disciple,

Oh my Gurudeva,

I don't know how to start to express my gratitude to our beloved Srila Prabhupada. I in my day to day activities constantly filter my thoughts about lust, greed, and anger. I avoid entertaining my mind as the thoughts contain these things. I believe that this habit has given my life more stability. I feel more and more content, as more and more I chant. I feel more relaxed, calmer, more productive, my life is no longer a trouble to me, instead, a blessing to me as well as to the people around and all this is Krishna's mercy. I honestly know that these all credits must go to our beloved Spiritual master, Srila Prabhupada.

Thank you Srila Prabhupada, your great sacrifice and work have been a light to millions and trillions of people and I am one in that million, and trillions who got uplifted by your mercy through Krishna consciousness. My dear master Srila Prabhupada, you are our navigator to Krishna. Don't know when we reach the destination, but have 100% assurance that you will take us there. The journey itself is so wonderful and thrilling. I can't imagine how much more wonderful the destination might be. I feel blessed to receive Krishna's mercy through your books, devotees association, Prabhu's guidance, and above all temples, where I can have *darshana* of Lord, pay *namaskaram*, have *prasadam*, can engage in service under senior Prabhu's guidance with devotees association. Dear Srila Prabhupada,

Srila Prabhupada is like a boat for a drowning person in a wild ocean full of hungry sharks. He is the brightest ray of the sun that clears the darkness and turns brighter rays in his path, the brightest. He is a loving mother among family members. He is that cool breeze of air in a hot dry summer. Most importantly, he is the guide to attain Krishna. Most of us have never met Srila Prabhupada but we often feel his presence around us as a guiding light through his books, his voice, his teachings, his vision, and most importantly through his conviction to make the whole world Krishna Conscious. He did/does so much for us, He is a hero! Otherwise, how can a 70-year-old man travel the globe on a weathered cargo ship for 37 days at a single stretch surviving seasickness, dizziness, vomiting, and heart-attacks? He is courageous! And he has the Lord with him so he fears no one. He is a king. He turned the hippies of America into top-class Vaishnavas. What to say of his valor! He is so loving that he made sure that all his devotees back in America were well fed with Krishna Prasadam. He used to give them watermelons as prasadam. And sometimes slept empty belly as he uses to distribute all that he had.

My Lord, thank you so much for giving the shelter of your lotus feet even to a fallen person like me. If each one of us can do even 1% percent of what Srila Prabhupada Maharaj single-handedly did, the world would be full of conscious and grateful beings. Imagine a world where Sankirtana is everywhere with everyone enjoying sadhu sanga.

With love,

Bhakta Aditya Patnaik.

My Dear Spiritual Master,

Please accept my respectful obeisance at your lotus feet. All glories to Srila Prabhupada. All glories to Srila Prabhupada.

Prabhupada, I'm grateful that I'm getting a chance to write your glories. I'm nothing but indebted to your never-ending mercy. Time after time you shower me with your mercy even when my consciousness is not as nearly elevated as the Prabhu's I live with. I feel like I'm corrupted and yet you have accepted me to be part of this movement. I'm so grateful that you've guided me and always provided me with the important realization of Soul.

I'd like to apologize profusely for I'm one of the last people to this offering. I promise Prabhupada I'll never repeat this mistake. I'd accept Prabhupada that it was my irresponsible behavior which caused this delay. But yet again due to your mercy, I'm doing what I should have done earlier, and I'm getting reminded about what is important in this human life. I'd like to pray to you Prabhupada that please keep me under your shelter and I'll always try to elevate my consciousness so that I can one day develop the love for Krishna that you want us all to have. Thank You, Srila Prabhupada.

Your Servant,

Bhakta Aditya Rathod.

Dear Srila Prabhupada,

Hare Krishna! Please accept my humble obeisance.

I'd like to share the leanings that I've got after coming in touch with your movement and attending sessions conducted by your disciples. **HARE KRISHNA EXPERIENCE:**

**How to do a duty?**

We discussed elaborately regarding the duties one must do

We must do duty without thinking about the consequences of our actions.

Duty must be done with goodwill as a service, not for any benefit.

**Life hacks from Bhagavad-gita:** We had a session about various hacks from Bhagavad-Gita that are useful to us in day-to-day life.

3 modes of material nature

We discussed the three modes of material nature that are the Rajo-guna, Tamo-guna, Sattva-guna.

We discussed that various aspects of Rajyo Guna, Tamo Guna how a person with Rajyo Guna, Tamo Guna behaves with examples and how to avoid them.

We discussed sattva guna and how a person has to be in Sattva Guna at all times and how it is the ideal behaviour.

**Karma:** We had a session regarding Karma from HG Chanchalpathi Prabhu, where various questions regarding karma and the principles of karma were addressed by Prabhu.

**Yoga:** We discussed various yogas and got a deep understanding of all types of yogas.

**Faith:** We had a session regarding faith where HG Madhu Pandit Prabhu discussed various aspects of Faith by answering different questions.

**Chanting:** We discussed regarding the importance of chanting in life and how in Bhagavad-Gita, Upanishad there is mention about chanting Hare Krishna Mantra and the results we can get by chanting Hare Krishna.

**Habits:** We discussed regarding good habits and bad habits in life and how good habits help us become a better person and the benefits of good habits and how bad habits cause various types of problems in life and how we can avoid them.

Thank you, Prabhupada, for giving this opportunity to learn.

Yours sincerely,

Bhakta Agasthya Harekal.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to You on this auspicious day of your *Vyasa-puja*. Kindly accept my writing and forgive me for all the mistakes that I have committed in the past.

For years now, I always have had many questions that were left unanswered, or even if I was getting answers, that didn't seem to give me enough clarification about certain things in life, and therefore, I was not satisfied enough. But indeed, I must admit that I'm lucky enough to have come in the closest association with Your disciples and all the credits go to my Supreme Dear Lord Krishna, who bestowed His blessings upon me and gave me the privilege of having a good association of His lovable devotees and give answers to the many unsolved questions that I was quite curious about. The solutions were to the point and provided me with a sense of completion, because every answer was being referred from the Thoughts of God Himself, taken directly from the blessed Spiritual scriptures, which serves as manual for our survival and well-being in this universe.

And adding to that, to make things simpler and understandable, You decoded the spiritual essence from the scriptures and gifted us the sweetest Nectar of Divine knowledge, which has no comparison at all. I consider myself privileged enough to have come in contact with Your association, where there is no competition, no comparison, no envy or hatred of any kind, but a platform that is meant to love God. Oh, My Spiritual Master! I have never felt so enlightened in life before, as much as I do now. I am getting to learn new things, and unlearn the old thoughts that I had earlier festered in my mind. You chose me to be a part of Krishna's love journey, and therefore my duty is never to disappoint You on any aspect. Your mercy and the Lord's Grace is what I seek for.

Your humble servant,

Bhakta Agnishwar Mishra.

Master of the master, My dear Srila Prabhupada,

Please accept my most humble obeisances at the dust of your lotus feet. All glories to Your Divine grace.

Prabhupada, always bless me and guide me to achieve my goals, and to become a good doctor and a good leader and to serve my nation well. And above all, help me to walk on the path of Krishna consciousness. And whenever, I am dejected, you lift me up. And whenever, I am empty, you fill my cup.

The most precious gift, I would have ever received Prabhupada is that you had come in my dream with your disciples to my home and your holy preaching was so heart touching.

You thought me that, if anyone wants to do something good or achieve anything then, we have to do our act first, by being simple and rest Krishna will do his wonder in our life.

Thank you, Prabhupada for the delicious *prasadam*, and the help you have given to the youths. Thank you, Prabhupada for your love and care, you have given to us and to the whole world.

Dear Srila Prabhupada,

We are celebrating a day to commemorate the day on which you came into this world. Today I know something about the *Sanatana dharma* is because of you. I always had this curiosity to know about my *dharma* but was confused, because no one could provide the authentic knowledge but I find great satisfaction in Krishna consciousness. Chanting has helped me a lot, Gita has enriched my grey matter and changed my vision towards life and its process. Your knowledge has helped me to deal with problems. I hope and pray to God that this reaches to the maximum number of people.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet. All glories to you on this auspicious day of your appearance.

I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna consciousness. I would like to thank you. Srila Prabhupada, thank you for blessing us with the Hare Krishna *Maha-mantra*, enlightening us with its meaning, and also giving us the initial taste for chanting, so that we could embark on our journey in Krishna consciousness. In my limited journey on this path, I have certainly realized one thing, that the understanding and taste for such spiritual knowledge cannot be achieved by any amount of material efforts unless one has the mercy of the Spiritual master. I would like to thank you for blessing us with the opportunities to render practical devotional services for the pleasure of the Lord, even though we are not at all qualified for it.

By your relentless efforts, your vision into the future and your causeless mercy upon the conditioned souls, you envisioned and started the movement of Krishna consciousness, which is deeply impacting the lives of millions of living beings and helping us understand the true purpose of the human form of life - 'To attain love of Godhead.' Even though you are not physically present with us in this material world, your instructions in the form of books and lectures make us feel your presence every moment and inspire us to advance in our spiritual lives. Please continue to shower your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of your lotus feet that can help us stay focused and disciplined in our spiritual life. Thank You Srila Prabhupada.

Your Servant,

Bhakta Akshat.

Dear Srila prabhupada,

The present age of kali, which is the age of suffering, is a hard time for all living beings on this planet. Among them, I too was worried about the problems in my life, always curious that why am I suffering? What is the purpose of my life? I often thought that someone is needed, who will show the right path and direction to humanity. This thought made me learn about great personalities, and then I came across you. Your life story itself is a great motivation for the whole generation. I always got inspired by your determination and hard work to start and grow an institution without any support from anyone, needs an unusual will power. You left your mark on every corner of the world by spreading the Holy name everywhere. You told us what is the correct way to worship the Supreme Lord at this age. You inspired the young generation to actively take part in devotional service. Hence you indirectly saved them from getting distracted and wasting their life.

It was you who inspired me to start inculcating good habits, and soon I started seeing results of those. I got the right Guru in your form at the important phase of my life. Now I enjoy the devotional service because I know the purpose behind it. I started to treat all beings as equal. You Inspired me so much through your books, which talks about almost everything. By reading your books, I felt that you were an absolute genius, an angel sent by the Lord for us. I am very thankful to you, to change my life and helping me to realize my goals.

Yours Sincerely,

Bhakta Akshat Jaiswal M.

I also pray that may You and Sri Krishna always be in my consciousness. Let Your pleasure and satisfaction always be a motivation for all my actions. Dear Srila Prabhupada,

Please accept my humble Obeisances. All glories to Srila Prabhupada. All glories to you on this auspicious occasion of *Vyasa-puja*.

As rightly mentioned in the scripture that one comes to Krishna consciousness only by the mercy of Guru and Krishna. So in this regard, I am greatly thankful to you and Krishna for giving me an opportunity to do devotional service. Secondly, an authentic bonafide Guru is no different from Krishna himself, your instructions are like my life and soul. Thirdly, By following your instructions under the guidance of authority and being associated with your established institution, I could feel the changes brought due to the process of devotional service and God-realization. I pray again and again at your lotus feet, that irrespective of whatever condition of this material world I am in, whether a *brahmachari* or a *grihastha*, please continue to guide me and give me more and more service opportunities.

Today I offer the flowers of my faith to your lotus feet. Whatever you find of value in me are the gifts given by you. All Glories to you. All Glories to you on this auspicious day of your Vyasa puja.". This is equally acceptable as an opening to your offering. "I sincerely fall down before your Lotus Feet and beg you: kindly help me not to withhold anything from you

and the divine couple. Please give me the strength and love for Krishna, so that I can wholeheartedly offer all my words, acts, and thoughts for your service. Thank you so much". The Guru is the best person to meditate upon; the Guru's feet are the best for worship; the Guru's word is the mantra; the Guru's grace is the root of liberation.

These words are told in Skanda Purana by Lord Shiva to Uma Devi. As every part of our body depends on the heart for energy and life itself, similarly, everyone who wants to be in the spiritual path should depend on your instructions, blessings, and love. "It is my good fortune that spiritual strength has changed my life. It has led me to the path of moksha. Prabhu, we can recall your firm determination to preach the message of Krishna Consciousness. Your absolute conviction of the spiritual truth, and your unflinching determination to push forth this ISKCON movement against all odds. In your presence, there was no fear, no doubts, and no hesitation. "

This year, I felt very bad and unhappy to have come across so many bad feelings. I felt life very difficult, but spirituality guidance under you made me happy and made me to self-realize. "I have got answers to all my questions and I feel, I may reach God's home. Your philosophy helped me to face challenges in a good way. It is helping me to understand life in God's perspective". "So, I finally tell you that you have taught us our real goal of life, and you are helping us to reach God". "It would be nice to show one appreciation and desire to please, by some nice phrase such as " your humble servant" or something similar". Begging to remain forever in your divine service. You have instilled us with spiritual strengths.

Thank you very much.

Your humble servant,  
Bhakta Allenki Saiteja.

Dear Srila Prabhupada,

Please accept my humble obeisances on to Your lotus feet!!

You have been so merciful to me Prabhu. You've guided me in very difficult situations, just by reading and listening to your words have brought in so many changes in me. Your humbleness towards also made me humble by practising culture. Your words of wisdom have helped many of my friends also.

I still remember how I was introduced to the best cultural practices in the world, to the Hare Krishna movement. From being just a student to being a good follower, human, devotee, and most important for me patience, which I struggled through many years to bring in. The devotees around me made sure that I'm onto the path to achieve the supreme lord.

I am fortunate enough to have been practising the Hare Krishna mantra daily and applying all the principles learnt at "ISKCON". These learnings help me to solve many problems of daily life very easily.

Thank you Srila Prabhupada for creating such an amazing environment for us where we can feel home and feel safe.

I am highly motivated by the fact that you always tirelessly preached about Krishna consciousness even with your ailing health. I cannot understand your activity unless you bless me. So please, always tell us what is the right thing to do in any situation and bless some mercy on us.

Dear Spiritual Master Srila Prabhupada,

Not being amongst the best of your disciples as I personally believe I have a lot to learn and improve about myself to follow your instructions correctly, I respect you with all my heart and pay obeisances for getting a chance to be associated with you, hoping to bring about positive spiritual progress in my life and also inspire others in doing so to the best of my capability. Thanking you for being so merciful in extending your arms to help all of us despite the ignorance that resides in us.

Your teachings stand strong like the foundation that holds up the Supreme abode within Goloka, they are free from any impurities unlike all the materialistic things, and we are more than fortunate to have access to your work and teachings thanks to ISKCON, and undying movement that originates from you and strides forward with your blessings even amongst testing times where a pandemic has shaken up the world. This is a miracle in itself.

Though there are so many things happening around us, there are things that keep realigning me towards the right path, taking into account, for instance, the memories of our FOLK trip which remind me of the magical journey that gave me the unique opportunity of going about the earthly remnants of the great land of Vrindavana. The friends I made during the trip are the ones I consider my true friends and the pastimes that we got to learn about really had a lasting impact on me and how I perceive things, the environment we got to explore was so beautiful and majestic that it gives me goosebumps whenever I think about it.

As a person who shies away from dancing since childhood, I was surprised to see myself dancing and rejoicing while reciting the pastimes and kirtans of the Lord with the rest of our troop, they prove to be so powerful that they can move even the most silent and restrained men.

Visiting the place where you spent a lot of time writing at the Sri Radha Damodar temple was truly inspiring, the epicentre of the universe where the spiritual world connects with the physical world and also a place where we were able to pay homage to the lineage of spiritual masters, peace was in the air and I consider myself fortunate to have physically been present in such a significant place in space and time.

I consider myself truly blessed as you have always watched over me and reached out to me when I was looking for the ideal Guru and wanted answers, when I was really confused about everything, coming to know of the right spiritual master has been a great achievement in itself. I came across a book in my dad's library which was called The Laws of Nature: An Infallible Justice, and while reading that book, I was really eager to read about the author since I found the content to be perfect and also found a lot of answers to my questions. There was a black and white image of you and a paragraph

summarising information about your movement and your work, this much was enough to send me running after exploring further and finally getting drawn to the ISKCON Bangalore temple. Further, getting associated with like-minded and enthusiastic friends of the FOLK groups and the FOLK guides really made me feel like I had found new brothers, sisters and relatives.

My experience at the Sri Krishna Balaram temple in Vrindavana is something I will never forget, the temple was one among the most beautiful temples I have ever seen, but since we had a long day in our journey, we reached there really late and had very little time left until the doors for darshan would close, and at the moment when I approached the Samadhi mandir, I was really disappointed as the huge doors slowly started closing before I could get a moment to pay obeisances to you. I come from a background where the place of Samadhi of the Guru / Saint is the only place I visited for pilgrimage every year (at Shirdi) so far, so this opportunity of reaching the Samadhi mandir and taking blessings was something I didn't want to miss after coming so far. Since one side of the doors closed, I ran to the other side where the doors were still open, the doors on that side also started closing quickly.

Then, the only option I had left was to run to the last side where the doors were still open, as those doors closed I paid my obeisances quickly and to my surprise, as I was trying to catch a glimpse through the cracks of the door, the doors opened again, and the devotee who was closing the doors threw one magnificent bunch of flowers that were offered to you towards me and then finally sealed all the doors. I was so happy as I finally got darshan, could pay my obeisances and also received a gift from you which I have tried to preserve so far and in turn, I realised that you were watching over me all along.

Thanking you for always guiding me, seeking your blessings to always help fellow devotees and progress spiritually under your guidance, all glories to Srila Prabhupada!! Wishing you a very happy birthday!

**Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare!**

Your aspiring disciple,

Dear Srila Prabhupada humble obeisances unto your lotus feet

It's been about 5 years since I was introduced to Krishna consciousness. Someone may find it just a coincidence but I know that it was only because of your mercy that I came in touch with Iskcon Bangalore. And you have shown mercy upon me without any reason. You came into my life as a torchbearer. You have made me aware of the real purpose of life and is continuously helping me so that I can go back to Godhead after this life. And not only me, but there are also thousands of souls like me whom you have shown the correct path. Many times I fall in this journey, but you are continuously helping me through your books, your sessions, your society for Krishna consciousness. You took so much pain in order to distribute the spiritual knowledge to us. If not you, then who else would have done this. You have broken shackles of my whims. You made us aware of what our Vedic scriptures say and what were we following instead before coming in contact with you. You had promised that you will not go back until each of us go back to Godhead. You surely are somewhere amongst us who is guiding and instructing us. I find myself incompetent to offer anything to you because words will always fall short of and I am still a novice in Krishna consciousness... Kindly bless me that I can contribute something in your movement..

“ I wandered like a mad in darkness You showed me the light of wisdom,

You sparkled within me this Krishna consciousness,

Your absolute mercy I cannot fathom; Krishna is Supreme,

Krishna is a friend from you we know Him.

Oh Srila Prabhupada, your devotees can not fall but transcend...

Great is your mercy, Great is your sight You wrote books that always brings us joy and delight....

You went to the western world and happy they became

Your international society feeds several children and distributes God's holy name.

Maya is scorching heat and you are a soothing shade,

Bless us so that one day we may also come back to Godhead...

Dear Srila Prabhupada, your eternal devotion to Lord Krishna has brought hopes in many lives...

I am very great full to you...please bless me that I can also render unending devotional service to Lord Krishna...

Your menial servant,

Dear Srila Prabhupada,

All Glories to You on this auspicious day of Your Vyasa Puja 2020. Please accept my humble obeisance.

Coming in touch with You and the philosophy of Krsna consciousness is the best thing that happened to me ever. I revere the past 2-3 years when I came in touch with Your divine movement. The power of transformation was wordless, but more so is the satiation it offered which has left me wanting no more. Following the four regulative principles vow fully and coming in touch with the Holy Name of the Lord has arisen a new awareness in my day-to-day life. I wish I could be one of Your associates so that I could relish the transcendental bliss directly from Your mouth.

His Divine Grace A.C. Bhaktivedanta Swami Prabhupada has indeed started a new chapter in my life. I am indebted to Him for that eternally. Krishna consciousness in its actual vigour and practicality has gone through a golden age, during Your monumental times, which is very rarely witnessed in this age of Kali. The pastimes of Sri Krishna and His transcendental devotees described in Bhagavatam are definitely true and an eye-opener for mundanes like me and my colleagues. Although so, pastimes of Srila Prabhupada holds a unique position which can deeply penetrate into each of our hearts with so much energy that has the potency to carry away our soul from the material world across the Vraja river into the realm of the Supreme Lord.

Srila Prabhupada, I pray to You and Lord Krishna to give me strength and endurance to row through this ocean of nescience towards the ultimate destination, which is nothing but the pleasure of Yourself.

Your Servant,

Bhakta Amrit Raj, IISc Bangalore.

Dear Srila Prabhupada,

Please accept my humble obeisance

From the session perfect questions and perfect answers, I got answers for the question I had. I got information about Vedas, karma and vikarma. why we have to follow Vedas, generally we will decide what is good for us on our perspective, but in reality that will be decided by the Lord. For each and everything there is a rule that is mentioned in our scripture. Vedas is like a manual to our life. Also know about Paravidya, Aparavidya. So many things I learned. It's interesting. Thank you for your teachings.

Dear Srila Prabhupada,

The Spiritual Master who influenced my life with his teachings. I have heard many lecturers and I read some books in that with his humble personality he shows the right way to bring happiness to our face. I learned many things like simplicity, humble, purified devotion to lord, and how to survive in this society which is full of materialistic in nature.

He also shows the right path to get the Krishna consciousness by chanting hare Krishna maha-mantra and how to get the salvation through this. It is a miracle for me to get touch with Iskcon temple I think this is gods wish. I always used to come to the temple at least 15 days once, I have seen pure love, devotion, humility, and simplicity in every eye of devotees. In temple by chanting the holy names of lord it brings more happiness to my soul. So I always wanted to serve as a devotee to my lord in every situation. I'm so thankful to Sri Srila Prabhupada who made this possible to receive the greatest thing is Krishna consciousness.

Thankyou Prabhu,  
Bhakta Ananda Murthy.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace.

Thank you Srila Prabhupada, you made me, a fallen soul eligible to write this homage and glorify Your Divine Grace.

Out of ignorance, I kept on living a sub-standard human life without any clear goals and direction. Out of your compassionate mercy, somehow I got in contact with the devotees of your sublime institution – Hare Krishna Movement.

Since then it has been a constant struggle to follow your instructions and cultivate the Krishna conscious lifestyle. You have given to this whole world the Lord of Universe Jagannath, and His special yatra which is Ratha Yatra. Due to which countless souls have had some opportunity to offer devotional service to Lord Jagannath. And millions of people get the opportunity to see the Ratha every year, even though they are not present in Puri.

I cannot even begin to thank you for the opportunity you have given me. By your mercy, I have been able to offer my humble service to Lord Jagannath during the special occasion of Ratha Yatra. And I pray at your Lotus feet to give me the opportunity to keep doing this service eternally.

By your mercy, I have received the Knowledge to break bad habits and cultivate new ones. And I pray at your Lotus feet to give me the strength to cultivate a few essential Habits.

Please give me strength and unflinching faith and love for the holy name of Supreme Lord Krishna.

Thank you Srila Prabhupada!!

Your useless servant of servants,

Dear Srila Prabhupada,

I offer my humble obeisances unto your lotus feet.

Your appearance in Kaliyuga is a boon to the entire human race. The direction and path you have laid down for us is the only and true way to reach Krishna.

In this utmost chaotic, anxiety-driven, unethical, and sense craving times, the only peace that one comes through is the japa of Mahamantra. I am not able to complete 16 rounds, but I will make sure to chant every day and remember Krishna. It is only the glories of Krishna and your teachings which keeps one afloat in the quicksand of evils of Kaliyuga. Please bless me with strength, patience, and determination to pursue spiritual teachings given by you and help me to follow your instructions not to suit anybody else but Krishna himself. I request your guidance to serve your mission under the able guidance of your representatives. Please bless me that I can become a real servant and emerge as a dependable dasa.

Your unworthy servant,

Bhakta Aniket Jha.

Dear Srila Prabhupad,

Please accept my humble obeisances, Hare Krishna!!

After attending the folk programs at Manipal I have learned and experienced a lot which enhanced the sattva guna within me. The pravachan that linked the teachings of Sri Krishna in the Bhagavad-gita, purported by Bhaktivedanta Swami Srila Prabhupada was taught with relevance to current emotions and current scenarios. Like the topics of being vegetarian, valentines day was explained to us by devotees. It opened my mind views to see the dharma in every action and decision made by me. Also, the fact that when you left the FOLK residence, Prabhujis never leave us empty-handed. There is always tasty Sathvik prasadam prepared for us teaching us that sattvic food can be tasty also despite my beliefs. The chanting of the Hare Krishna Maha-mantra allowed us to meditate at the same time as remember the lord and get peace. I am very grateful to you Srila Prabhupada to teach me the Bhagavath Geetha stands and relevance in all scenarios.

Jay Prabhupada!!

Thankyou FOLK. Hare Krishna!!

Your servant,

Bhakta Anish.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Guru and Gauranga.

This pandemic has made all of us home arrested and disconnected us from the devotee association. We all have lost the experience of having darshan of Sri Sri Radha Krishnachandra and Sunday temple programs which you set for the fallen souls to attend and make ourselves understand and realize on the path of devotional services.

Under the current circumstance, we have missed rendering our service to you & Krishnachandra. We all have committed the mistake of not being able to serve your lotus feet, attend Sankirtan programs, Ratha Yatras and all temple programs that you have given us for the betterment of this entire world and the living entities.

Srila Prabhupada, I beg your pardon for all the mistakes that have been made so far due to negligence, ignorance and being fully covered by sense gratification. Srila Prabhupada, I really don't know how far I have travelled in Kṛṣṇa consciousness and what progress I have made. So far whatever little seva I have been doing is only because of your causeless mercy and compassion towards this fallen soul. I always think of that one thing which is still protecting me in Kṛṣṇa consciousness even after committing a lot of offences. Then I have realized that it is only because of your causeless mercy and compassion. It only because of your mercy and compassion that we have got the little opportunity to serve Kṛṣṇa. Whatever little service I have got I like to serve the Lord with full faith and dedication at your lotus feet.

Srila Prabhupada, I beg you to show your causeless mercy to end this pandemic soon so that we all can get back to services and engage our mind and body in the service of your lotus feet. Please guide me to chant the holy name with full care and dedication.

Your servant,

Bhakta Anjan Kumar.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to your divine books which is the guidance for mankind to connect with the Supreme Lord Krishna.

Srila Prabhupada teachings have taught me how to perform pure devotional service. Your books have helped me to understand the goal of human life. I was motivated by your personality that you have given up all your comforts and went west to spread the teachings of Bhagavad-gita. This shows your commitments towards the conditional souls. I was fascinated by your teachings which says, “We are not the body we are just the spirit soul”. It is by your transcendental mercy we are able to apply your teachings through your books in our life. I am also pleased by your leadership qualities by establishing the ISKON temples across the world.

Your appearance on this planet is an opportunity for us to practice Krishna consciousness and to save fallen conditional souls. Please give me the strength to practice Krishna Consciousness very nicely. I pray that please remove all the obstacles on the path of devotional service and make me the real servant of Krishna eternally.

I am really indebted to you which I cannot repay.

Thank you Srila Prabhupada.

Your Eternally Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories unto you & your lotus feet !!

As we are nearing to Vyasa Pooja, it is a small token of my personal experiences that I would like to confess & offer unto you. It's hard to express in words about my learnings, I am not qualified enough to glorify your glories. However, with my humblest experience & with a full heart I would like to share that I am so very fortunate to have you as my spiritual master. It has been possible only because of you that the attraction towards NAMA is increased. I understood the importance of NAMA because of listening to your lectures & by our MPP Prabhu who is your dearest disciple. I have been trying to follow all your instructions & I'm successful in following all of your 4 regulative principles.

You taught us the basic duties after being born a human being, our goal & the importance of service to the lord. It's only because of you that we were able to relish the joy having sumptuous Prasadam & relish the joy of chanting, serving, bringing more people to KC.

We are all students throughout, every day, every lecture of yours every word, every letter gives us new experiences & gives us more taste to listen to it again & again. I am very fortunate to be under your shelter which gives me immense strength to overcome all the difficulties in life. I have been able to overcome so many hurdles because of the faith that you bestowed upon me through your books, lectures, teachings.

I am forever grateful to you. Please bestow us more mercy & take us back, please shower your causeless mercy to remove ajṣāna.

Thank you for giving me this opportunity. I would not imagine myself if I were able to be without KC.

Your servant, Bhakta Ankith.

Dear Srila Prabhupad,

Please accept my humble obeisances onto your divine lotus feet. All glories to your lotus feet.

It's been more than 4 years that I am coming to ISKCON. These years were so blissful for me, even though I was struggling in my professional life. Your teaching has shown me and all other people the way of living sattvic life and how a person can love God and leave behind the material things. I may not be your perfect disciple but I try every day to improve myself and follow the things you taught us.

You are so merciful, you never discriminated between any jiva and always tried to teach every soul the essence of Krishna's love.

My words cannot describe my feelings and respect for you. O' Prabhupad please give me strength that I can leave all the material attraction behind and focus more on Krishna consciousness. Please forgive all my sins that I may have done unknowingly.

Dear Srila Prabhupada,

Dandavat Pranaam!

It's just by your mercy that I have been practising Krishna Consciousness or at least strived to understand who Krishna really is.

Since I was a child I used to strictly fast on Janamasthmi just because my family uses to do it but I was so ignorant of Krishna & had no idea of who he is. And at one point in time, I slowly became an atheist doing all kinds of nonsense activities out of frustration.

So from all my heart, I wanted to thank you for giving me the strength and showing me and millions of lost souls the right direction & the real purpose of this human life through your lectures, books & translations. Now when I look back I see a lot of changes in my life which keeps me motivated.

Please bestow upon this fallen soul your causeless mercy.

I seek your blessings for my future endeavours, so that I can easily chant, daily read your books, have devotee association & stay firm in Krishna Consciousness.

My Dearest Spiritual Master Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on this most auspicious occasion.

In the age of Kaliyuga, all the people are suffering from different types of miseries namely birth, death, old age and disease and you have shown the right path to get rid of all the problems of the life and enjoy real happiness. When I came to Bangalore for pursuing MBA in 2012 then I just use to come to the temple for having darshan of Lord and to get Khichadi prasadam. One day I went to bookstall of the temple and bought a few books like Srimad Bhagavad-gita, Biography of your and Science of self-realization. When I read these books got inspired to be your true disciples. I used to be a violent person and commit sins like killing birds and eating the flesh of goat and birds. But by your mercy, I got rid of it. I have transformed myself and I'm continuously seeking your mercy upon me and the entire world to shelter of your lotus feet and lord Radha & Krishna.

Your servant, Bhakta Arjun Kumar.

Hare Krishna

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Prabhupada, because of your mercy. I was able to read your books and after reading your books, I was able to understand the value of chanting the "Hare Krishna Maha Mantra" and their Lordships "Sri Sri Radha and Krishna" being the Supreme Personality of Godhead. Because of your causeless mercy bestowed upon me, I am able to chant the "Hare Krishna Maha Mantra" in this lifetime. Srila Prabhupada, as Krishna's love is limitless, similarly, your mercy is limitless.

After I came in touch with Krishna consciousness my life has significantly changed. I have personally experienced a change in my life. I will keep reading your books and follow my folk guide with at most sincerity. I hope, I can do more Seva to the Vaishnavas.

Prabhupada you're simply wonderful. Hare Krishna.

## Bhakta Arpan Dutta

---

Dear Srila Prabhupada,

At first, I offer my humble pranam at the lotus feet of Supreme Guru Srila Prabhupada. Hare Krsna, I Arpan Dutta have written a few lines from the bottom of my heart on " How Prabhupada influenced my life through his teachings and my experience with the temple".

*गुरुर्ब्रह्मा गुरुर्विष्णुः गुरुर्देवो महेश्वरः । गुरुः साक्षात् परं ब्रह्म तस्मै श्री गुरुवे नमः ॥*

*Guru Brahma, Guru Vishnu, Guru Devo Maheswara, Guru Sakshat Param Brahma Tatsmai Shree Guruve Namaha.*

Guru word is made up of two root words Gu and Ru. Gu meaning Darkness and Ru meaning Remover. Thus, Guru stands for the one who is the remover of darkness and is the harbinger of enlightenment.

I belong to a very theist family. Since my childhood, my father uses to teach me various slokas, and till now I use to chant them before performing various day to day activities. When I was about eleven years old, I saw a video in youtube where a person with glowing eyes, chandan tilak in his forehead and wearing orange dhooti appearing like a great sage was arguing with a Pope from one the church in France about being vegetarian and protesting about killing those innocent animals which is sin. I listened to him and was very much pleased by his words which they touched my heart. I got curious and started searching about him, I found that he was A.C Bhaktivedanta Swami Prabhupada the founder-Acharya of ISKON. Since then I watched many of his videos regarding Bhagawad Gita where he taught how to control anger, destruction of desires, and what is the ultimate reality among this materialistic world. During my school days, I use to share his teachings with my friends but they were already wandering in this materialistic world and did not pay so much attention in my words. Whenever I was in trouble my mouth automatically starts chanting Hey Krsna Hey Ram, and to my amaze, all my troubles used get disappear. I feel both lucky and unlucky at the same time, lucky because I got the teachings of Prabhupada and unlucky because I didn't see him in reality.

After completing my 12th I came to Bangalore for my further studies where became part of the ISKON temple, I am so very much fortunate to be a part of this wonderful temple. After joining the temple I got immersed in the love of Krsna. I started visiting the temple every Sunday and started experiencing the deeper meaning of life. I was feeling so much alone in Bangalore but after joining programs of the temple I forget my loneliness and the happiness in my life shined like a

diamond. I felt very close to the temple and taught me the various aspects of spiritual knowledge. With the blessings of Krsna, I became a part of the temple kirtan group where I play drum and mridanga. The love of the temple pulled me away from the attraction of this materialistic world. When my friends were engaged in doing bad things, I was engaged in doing service in the temple. The happiness I get after doing service in the temple is can't be expressed through words. I feel myself to be one of the few luckiest people who get the blessing of Lord Krsna.

Hare Krishna.

Your unworthy servant,

Bhakta Arpan Dutta.

Om Namoh Bhagavate Vasudevaya,

Jaya Srila Prabhupada,

I offer my respectful obeisances unto you. Today I wish to offer my humble respects to you and would like to thank you from the core of my heart and soul. You have opened in me the door of Bhakti towards Sri Krishna, I was so fallen before knowing about Krishna Consciousness that I used to be morose all the time as to why I am not able to do certain things efficiently like coding properly. I was always into competing with my friends and classmates in trying to be the best in studies and get high package job. All these things accompanied with the ignorance that this body is all there is made it even more problematic for me.

Even after reading Bhagavad Gita at a young age, I never understood its meaning and now with your blessings, I was able to understand the Bhagavad Gita and also have Darshan of the Lord at ISCKON Bangalore and became increasingly more interested in Lord Krishna and the books you have written. Gradually I was able to understand the science of Bhakti towards Krishna.

Now instead of being competitive, all I do is try to give my best efforts in the work I am doing accompanied with loving devotional service towards the Lord. Following the 4 regulative principles and doing chanting has given me immense satisfaction and because of your mercy I have been able to learn cooking and offering delicious prasadam. Something that I hated doing that is cooking and I now love cooking for the Lord because of your mercy.

Thank you Srila Prabhupada for coming in my life and teaching me the importance of Krishna Consciousness

Jaya Srila Prabhupada

Your Servant,

Dear Srila Prabhupada,

Please accept my obeisances at your Lotus Feet. All Glories to you. On this auspicious day, I would like to thank you for your mercy upon me and helping to come much more closer to the Supreme Lord Sri Krishna. You have helped me in getting out of the darkness of Maya and brought me into the light of spirituality. I was wandering around the world in search of happiness, joy, and peace which I had never felt before but as soon as I came under your Holy guidance I found everything all at once. I have learned a lot of things from you, not just to get better in spiritual life but also to achieve greatness and peace in this material world.

Your life has been a big inspiration to me and many more devotees. You have taught us how to give your 100% and leave the rest of it on the Lord. You taught us how just being in Krishna consciousness can elevate us to another level. I request you to kindly engage me in your devotional service and have your mercy on me.

Respected Srila Prabhupada,

Request you to please accept my humble obeisances, though I am the most fallen and I don't have any qualities or eligibility to be your disciple due to the core desires in my heart for material sense gratification. In spite of hearing all the instructions from you, I could practice little sadhana for only a few months by the mercy of Guru and Gauranga. But due to my deep-rooted desires for sense gratification, it is getting difficult to tackle with Maya, which means I am getting weaker day by day. Thoughts of sense gratification desires are deep-rooted in my heart which is getting fired up randomly. I sincerely will serve your mission. But at times I am not able to control because I will be carried away very easily. After being in your movement, by Your causeless mercy I understood the hardships you took to establish this very important institution where the whole world can stay with happiness.

Devotional life is not an easy journey because we need to completely surrender our thoughts, our personal agenda, our jealousy, and the mindset of lording over. I beg you to kindly accept me as your insignificant disciple and please give me the strength to be a soldier, though at times due to circumstances I might not have any taste towards sadhana. Please help me by guiding me just as you did to all your disciples. Day by day my life span is getting over and I am near to death. I have

to face old age and diseases. Please give me your mercy and please give me the strength to be in Kṛṣṇa consciousness movement at any cost irrespective of my personal agenda and help me to get out of this material world and go back home back to Godhead.

Your humble servant,

Srila Prabhupada, it is impossible to describe blessings of pure devotees of Supreme Lord like your Grace in short paragraphs. But I take this opportunity to thank you for your guidance for this most fallen soul through your Vani. Gurudeva, as you know I am most fallen, so fallen that even after knowing Kṛṣṇa conscious principles by your Grace I am still continuing to lead sinful materialistic life not having seriousness for Kṛṣṇa conscious life and its importance.

Even after my repeated offenses at your lotus feet you are guiding this fallen soul and kept me under your shelter through your institution and devotees. You also made sure that I am not losing interest in following Kṛṣṇa conscious principles. You are also blessing me with nice circumstances to follow the path of bhakti-yoga. You gave me guidance to chant 16 rounds regularly. Please bless me with quality soulful chanting whenever I chant. Please help me to be always in the shelter of your divine lotus feet, engage me in service of Your lotus feet, and achieve the mercy of Gauranga.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. I was in deep ignorance in this material world, only by your causeless mercy I came in touch with ISKCON and started practicing devotional service to the Supreme Personality of Godhead Krishna. I am very grateful to have found you as the Guru of my life, for all the guidance I have obtained through your teachings from vast knowledge you possess, which is nonetheless an ocean of opulence and discipline. I am forever grateful for The Gita, which has been wonderfully and skillfully molded by you to be understood by souls like me.

Jagat Guru Srila Prabhupada ki Jai,

We as his followers can learn from his example not only as Jagadguru but also in his dealings as a friend and a well-wisher. He was always so kind. Small boys could talk with him and old men could talk with him. English persons and Indian persons: He did not differentiate between anyone.

Once, Srila Prabhupada told a devotee the truth of being sent by Kṛṣṇa to preach here in this material world. He has come from above with English, Bengali, and Hindi expertise. He has preached all over the world. Now he has finished his task and will return soon to Krishna's abode.

These words told by him are really heart touching. So, like this, many true events happened. They must be recollected and remembered during our lifetime.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

This is an amazing journey of my life when I came in touch with ISKCON and my habits of living life changed completely. I was confused about the many things. But the teachings and philosophy of Srila Bhaktivedanta Prabhupada made my life more inspirational and spiritual. And also, a simple way to pray by chanting HARE KRISHNA MAHA MANTRA also gives one positive energy to be more attached to Krishna consciousness and his quality of life.

Thanks for making me know about the Krishna conscious movement. I am very much grateful for that. This is helping me to maintain emotional balance and peace in my mind irrespective of the situations, I am dealing with. It is helping me to go on with my work without losing hope and I am sure it will help me to succeed in my career and life. I am very much thankful to Lord Krishna and Srila Prabhupada for making us know about Lord Krishna. Please grant my wish to be at your service all my life and help me to reach my goal. Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet on your Divine Appearance day. All Glories to Your Divine Grace!

It has been more than 3.5 years that I am practicing Krishna Consciousness. I have been attending offline and online classes, spiritual retreats, and festivals organized by ISKCON Bangalore. I am trying to learn and practice the teachings of your Divine Grace by associating with your sincere disciples and followers, which is helping me in spiritual progress all the time.

During this COVID-19 pandemic, we all the students were at home for more than 3.5 months. I am realizing that spending such a huge duration of time with parents, relatives, and friends, has ultimately created more and more material desires in me. Being in constant touch with them, I started to seed all unwanted worldly desires in my brain. It was my great fortune that at least I am able to know and distinguish these desires which have been inculcated in the mind, because of the knowledge that I received from your teachings. As a result, I am able to restrict the mind not to hang on these material hankerings.

I pray at your lotus feet to give me enough strength to fight against Maya and to be strongly situated in the determination of scientific Krishna Consciousness preaching that I have always desired for.

Your humble aspiring servant,

Bhakta Ashutosh Mohanty,

It is because of you, unaware people like me realize the beauty of the creator and henceforth this creation as well.

If not for you, I wouldn't have got this amazing opportunity to connect with the creator through music. You gave music in its correct form its due importance and I was lucky enough to get the taste of this holy connection by performing for the creator on stage. Moreover, being associate with your divine followers has given me an entirely new perspective about life and I would be grateful to you for this throughout my life.

I am sure there has been the influence of you in my entire career through all your blessings, whether it be buying a flat at ISKCON or meeting with more and more devotees. Also, through the association of devotees, when I got an opportunity to watch Hare Krishna movie I got to know about you in more detail. It helped me understand despite the West being new territory, how you crossed all boundaries and came out successful. Through your Grace, I got to understand how

patient/humble you were, to spread Kṛṣṇa consciousness. Also, the determination you possessed not to give up, in whatever you did with Kṛṣṇa's connect whether you had health issues or trying to convert Westerners who were hippies towards Kṛṣṇa consciousness.

With the blessings of your Divine Grace, I understood that whatever circumstance we are in, we should always Glorify the Lord by chanting and hearing the holy names. Apart from this, also learnt that through your book/ associated devotees, surrendering all results to Kṛṣṇa, during Bhagavad-gītā book distribution, made us understand that we should be unperturbed by what people would think when service was rendered. Learnt the art of determination from you, through your enchanting stories to always think of Kṛṣṇa, in whatever service is rendered. While I write this letter to you, the only thing that I am striving to adopt is to be as humble as possible while associating with devotees. Kindly bestow your blessing at your holy feet, if you consider this fortunate soul to be a little part of your aspiring devotees.

Without a doubt, the escape towards a spiritual path would not have been possible without you. I do offer my respectful obeisances to you and would request to bestow your blessing on this servant to follow the regulative principles in all walks of life. Also, your books being published in different languages have helped devotees all over the world in getting the opportunity to read your books and get enlightened about devotional service. Due to this, I continue to distribute these books by all your blessings to different sects of people.

On Vyasa puja occasion, kindly shower your blessings on fortunate souls like me and give blessings to improve furthermore in determination, tolerate dualities and whatever I do, do it in service of Kṛṣṇa. Also, in this world of material miseries, please give me all blessings to contribute towards temple construction in its entirety so that this servant of yours, could be fortunate enough to be part of your dream of spreading Kṛṣṇa consciousness far and wide.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Thank you from the bottom of my heart for giving me an opportunity to express gratitude on this very auspicious day of Vyasa Puja. It's going to complete the 7<sup>th</sup> year after coming in touch with Krishna consciousness. I am so fallen soul and without your mercy, I can't progress in my spiritual life. Without you, I'm like an empty pot in the desert of the material world. It's because of you that I can feel the presence of Krishna in my life as my best guide, best friend, and guardian. You have gifted me such a magic box that when I desire more from that box it gives me more pleasure. What can be a more valuable gift in my life than Hare Krishna maha-mantra? More I Chant more I become happy.

I remember the day when I was helpless in challenging some material difficulty, I came across the Q&A session at Lecture Hall in Radha Krishna Temple, H.K. Hill. The answer to my challenge by one of your disciples was to chant the maha-mantra "Hare Krishna Hare Krishna-Krishna Krishna Hare Hare, Hare Rama Hare Rama-Rama Rama Hare" with a magic gift Japa mala. Without knowing the meaning of mantra, rules and regulations about the chanting process I just followed your disciple's words. But within a few days my problem sorted out. So many instances where you have saved me while falling from the material and spiritual challenge. I am lucky that I am able to distribute the taste of maha-mantra to some more souls.

FOLK has been giving me such a wonderful opportunity to visit holy places like Vrindavan, Mayapur, Pulling the chariot of the Universal Lord Jagannath at Puri, knowing so many pastimes of temples, holy places by the association of your

disciples, honoring Krishna's delicious maha prasadam and so many. It would not have happened without your mercy on me.

I have the desire to read and know Srimad Bhagavatam. My dear Prabhupada, please give me the knowledge and strength to read and know Krishna, bestow your mercy upon me to progress more and more in my spiritual life. I am so fortunate that I am getting the association by your disciples for a couple of months without coming to the temple in this difficult situation of COVID-19. It reminds me, again and again, the purpose of getting this human life and how to progress in my spiritual journey. Please save me from falling unto the lap of Maya.

Your Servant,

Bhakta Asis Kumar Padhy.

Dearest Srila Prabhupada,

Offering my most humble and respectful obeisances unto your lotus feet.

I can't thank you enough for all that you have done for insignificant people like us. All the people following Krishna Consciousness are what they are now because of you. Had you not been there what would have happened to all the devotees? It's only because of you and your determination that we are in Krishna Consciousness. At a very old age, when people retire and stay at home, you took the initiative of fulfilling your Spiritual Master's wish and went to the west preaching Krishna Consciousness. You spread the pastimes of the lord and the teachings of Lord Chaitanya throughout the world which encouraged people like us to take a step forward to spiritual life.

It is only the association of a pure devotee that one can get into spiritual life. And here it is only by your grace that we all have come together in the Krishna Consciousness Movement. There is no word to describe your mercy upon the fallen souls like us. Your message has inspired more than hundreds and thousands of people who have become initiated devotees and further are spreading your teachings for the betterment of people reminding them of who they are and taking them back to their original place (i.e. Back to Godhead).

Dear Srila Prabhupada, I can only pray you to give me more strength to follow all the principles and teaching of yours, to progress more in the spiritual life. Please bestow your mercy upon me.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on this auspicious day of Vyas Puja.

All glories to Your Divine Grace!

It has been one year now since I have come in touch with your mission, which has transformed my life. It is because of you I have felt myself nearer to the Lord than never before. Like a touchstone, you have made me realize my true self- purer

and brighter like never before. You are indeed Krishna's mercy personified, who has showered Krishna prema on the souls burning in material fire.

On this auspicious day, I am also grateful to all the devotees who helped me a lot in understanding this science of Krishna consciousness and it's a great value. I am also very much indebted to you for the wonderful gift of Krishna consciousness which you have given to all us, especially myself. Now, when I see my previous life before coming in touch with your movement and now what I am, there is a huge gulf of difference. I am very much grateful to you and all other disciples of yours, who are sincerely trying to serve your mission.

Here are some of the practical experience of knowledge received from you:

1. When You were asked, "Are you God?". You replied, "I am trying to be servant of God". These words propelled me to try to be a devotee and servant of Lord Shri Krishna.
2. All the miseries I am undergoing is due to my past karma and having taken up devotional service, the miseries have been minimized.
3. Your letter Dated, Los Angeles 25th may 1972 , at London – to a devotee you said,

"One quality of a devotee is that he is always very much tolerant of other people. So I request you simply to tolerate the faults of others and always think that I am myself the most faulty. In this way, your humble attitude will qualify you to advance very quickly in Krishna Consciousness". The guidelines through your words I am getting peace of mind.

Even though you are not physically present with us in this material world, your instructions in the form of books and lectures make us feel your presence every moment and inspire us to advance in our spiritual lives.

Please continue to shower your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of your lotus feet that can help us stay focused and disciplined in our spiritual life. Words are not enough for us to express the gratitude and reverence for your mercy upon us.

Your aspiring servant,

Dear Srila Prabhupada,

Please accept my humble obeisance

All glories to you Srila Prabhupada

First of all, I want to thank you for giving, this fallen entity, a chance to serve your lotus feet.

Last year it has been the best one in my Krishna conscious life. I got so many opportunities to serve you and Sri Krishna.

There were times when I felt worthless in Krishna Consciousness and prayed at your lotus feet to empower me to preach your teachings to other souls like me and then I started approaching people and continued my sadhana and devotion for you. As a result of it to the people whom I told about your teachings, started chanting and took Krishna consciousness very sincerely.

During the hard times of Corona virus pandemic, when people are going crazy due to lockdown, are craving for junk food , I am happy chanting the name of the lord and reading your books. It is keeping me motivated and filling positivity that even this hard time will pass.

Please keep me under your shelter of blessing and give more opportunities to serve your lotus feet.

Dear Srila Prabhupada,

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale śrīmate bhaktivedānta-svāmin iti nāmine*

I am the most unqualified and fallen person.

Please accept my most humble obeisances at the dust of your lotus feet. Today on the occasion of your 124th Vyasa puja, I bow down again and again till my last breath unto your feet. A person who was an addict and was suffering from depression and was thinking that there is no point in living. Such a person has transformed into the most happiest and peaceful person. The reason is the shelter of your lotus feet. The reason for my existence is the shelter of your lotus feet.

Firstly I'm thankful from the bottom of my heart for allowing me to read your wonderful books which makes me closer to you and the Lord. ISKCON, which is all over the world is only because of your mercy and the Lord's grace. Hope it reaches each corner of the globe. I, as your disciple, will try to spread all over the planet and my wish is that every being on the planet practices Krishna consciousnesses.

I remember one of your pastimes of where you saw Krishna in every situation "Once upon a time, in Mayapur, all leaders of ISKCON were giving presentations, When you looked at the open field and pointed your cane and said, "Can't you see?". They were puzzled, again you raised your voice and said "Can't you see?". Devotees thought you may be seeing Radha Krsna dancing and they were supposed to see. Again You said "Can't you see?", then later You walked into the middle of the field and stopped a leaking water faucet and said, "it is Krsna's energy, we should not waste it".

You are the guru who made the route to Goloka Vrindavana, thank you for the wonderful gift. I thank Rama Raghava Dasa for bringing me to Krishna consciousnesses and showing me the way to Lord Krishna's abode.

Jai Gurudeva!

Your servant,

Bhakta Bharath Jayanna.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to you Prabhu,

By your mercy I am learning spiritual knowledge through your books, by just reading your books every day I am progressing spiritually, parallelly day by day I am getting detached from the sense gratification.

Without your mercy and books, I would have lived like animal life and would have become mad, without knowing the goal of life and suffering material life.

Not only books, but you have also given us the association of nice devotees and practical learning of devotional service.

Ten years back, I was roaming in material life thinking I am born just for making money. After realizing by reading your books, now I am easily facing challenges in my life.

Not just I, my friends and family also started chanting and understanding spirituality.

You are merciful and compassionate to us, even though we are making so many mistakes you are bearing with us and helping us with your knowledge and blessings.

Thank you so much for all the blessings, I will try my level best to spread Kṛṣṇa consciousness and I will also follow Krishna Consciousness strictly.

Your humble servant,  
Bhakta Bharath Kumar.

Hare Krishna Prabhupada,

Please accept my humble obeisances unto your lotus feet.

O Prabhupada, you are the bestower of Krishna Prema. How can I glorify you and what can I tell about you, I'm such a rascal that I'm not able to glorify your greatness and even the words are becoming less to express gratitude to you. We can't get Mercy of Krishna unless we get Mercy of you (spiritual master). You are very dear to lord Krishna.

We fall to this material world because of false ego and sinful deeds. But, you came to this world out of compassion for fallen conditioned souls and for delivering us.

I'm unfortunately fortunate to come in association with you and your sincere disciples. I even don't know how and why did you bestowed this great fortune upon this useless and unqualified rascal. Thank you so much for your blessings. I'm eternally indebted to you.

Your lotus feet are the only shelter for all fallen conditioned souls. Your lotus feet are the most auspicious and fearless abode for all fallen conditioned souls to hold on and to go back to eternal home (goloka vrindavan).

During this covid-19 pandemic, every time I'm recollecting your teachings. I'm seeing danger in every step. So many people are suffering in this world. I'm such a rascal that after seeing all these dangers in every step, I'm not surrendering unto your lotus feet.

I can't cross this ocean of material suffering on my own, my only hope is you. You are the only one hope for this most fallen soul.

O Prabhupada, please help me and bestow your causeless Mercy on this useless soul.

Thanking you,  
Your unfortunate and most fallen conditioned soul,

Bhakta Bheema Rao.

Dear Srila Prabhupada,

*Om ajnana-timirandhasya jnananjana-salakaya caksur unmilitam yena tasmai sri-gurave namah*

Please accept my humble obeisances at your lotus feet.

Your books & lectures have woken me up from the ignorance and are enlightening me with knowledge which helps me understand the meaning of human life. They inspire me to serve Lord Krishna more and more.

Srila Prabhupada! It's your mercy that I am able to chant the holy names of the Lord (Hare Krishna maha-mantra) 16 rounds daily. Your mercy has enabled me to read your books and render devotional service in your temple. But due to the COVID-19 from the last 4 months, I am not able to render service in temple, I beg you to kindly engage me back into your service.

Srila Prabhupada! From past couple of years, I am thinking of taking initiation from you, but due to my circumstances of not being able to have prasadam daily, I am not able to take it, I beg your mercy on me, so that I can progress, in Krishna consciousness, and I can take initiation from you as soon as possible.

Thank you Prabhupada for such simple instructions to make us understand the need of Krishna consciousness and to attain Love for Krishna. Some circumstances and situations are dragging me away from Krishna consciousness. But you are continuously guiding me to be in the track and reminding me through devotees. Thus I am able to follow Krishna consciousness.

Srila Prabhupada, Please give me the knowledge, intelligence to make progress and help me make my mind fixed up in your divine instructions and give me strength to follow them.

All glories to Your Divine Grace and Lord Gauranga!

Thank you Srila Prabhupada!!

Your servant,

Bhakta Bheema Rao T L.

DEAR SRILA PRABHUPADA,

Respectful obeisances unto your lotus feet. Thanks for giving me this opportunity to write Vyas Pooja offering letter. As you have said in one of your lectures that "To glorify the spiritual master by his activities is a very important process for spiritual life. This is called glorification." This is my insignificant try to glorify you.

My spiritual master, you are a Vaikuntha man, a Saktya-Vesa Avatāra or empowered incarnation of Nāma Prabhu.

In [CC Antya Lila 7.11] it is said that,

"Krishna Shakti vina nahe tara pravartana"

"One cannot distribute the holy names of the Hare Krishna Mahamantra unless he is empowered by the Supreme Personality of Godhead."

In Bhagavatam, it is said that "the entire world is purified simply by the appearance of such a great devotee. By his presence, the whole world is glorified & all conditioned souls due to his transcendental presence are also glorified."

Narottama Dasa says, "who executes Sri Chaitanya Mahaprabhu mission must be considered to be eternally liberated, he does not belong to this material world."

The Mahabhadgavata's desires to come down from the first-class platform, just to take up the most compassionate service of preaching Krishna consciousness. You are **Mahabhadgavata**. You came in this material world which is compared to a blazing fire, to speak loudly the ageless message of Godhead & to make us pure.

Who can glorify you fully my grace, we are insignificant living entities, for us to glorify a pure devotee is a very difficult task. We don't have any knowledge. You have pulled our ignorance & given us the knowledge because of that only I able to write to you.

As told in Vaishnava pranama mantra, "A devotee can fulfill all desires", you have fulfilled the desire of me, to join your mission. That desire is also given by you only. You have taught us how to serve Krishna, which is the only thing that can save us from all material miseries otherwise in this material world who care for others.

Your books are transcendental literature. In your books what you have theoretically explained, its practical example is you only. Each line, each word is centered on Krishna. Your words are as simple but fully transcendental. In one of your lectures [early 1966's] at Second Avenue, you have told that "It doesn't matter what a person was doing before, what sinful activities. A person may not be perfect at first but if he is engaged in service, then he will be purified."

Before joining I use to think that I am not qualified, fallen, etc. to join your mission but your one of the statements change my thought. You have given an analogy "In material life, a man must first become a highly qualified lawyer before sitting on judge's bench but in Krishna Consciousness a sincere devotee is first allowed to sit on the bench to become Brahmana & later, by the mercy of holy name & spiritual master, he becomes qualified." So I am immature but you give me bench to seat & you are giving mercy continuously. You are guiding like a father in the path of spiritual life which is completely unknown to me.

The pure devotees can see the struggle of living entities. The living entities are ignorant of the miserable condition. Because of compassion & mercy, you are lifting each jiva in your ship to save from the miseries, still we foolish jiva's don't want to go in ship & trying to maintain ourselves in the waves of material nature whose end result is death only. Please lift me forcefully on your ship and save me.

There is a Naimisaranya forest where all sages assembled and discussed the Krishna consciousness in a favorable environment and you, my divine grace went to America, a bowery village drunkard place, second avenue rushing river in traffic, many disturbances and you are speaking out loudly the transcendental message, to reveal Krishna to most fallen souls, to make them a Brahmana.

Vedic injections warn the transcendentalists, to avoid the association with money and materialistic person but you the extraordinary ability to bring a spiritual vision into physical reality. To change a part of the material world into spiritual energy. So that even a common man perceives the spiritual reality. You came in this world on Krishna's request to teach us how to live a pure life of Krishna consciousness & also how to pass away from this world to attain eternal life. Your whole life is exemplary at last breathing also you remained in perfect Krishna consciousness, like Bhismadeva teaching till the end of his life.

At Bhismadeva's departure, Lord Krishna was personally present and assured him of going back to godhead. At your departure, Lord Krishna is present in his Nama Avatāra, Hare Krishna mantra

*HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE*

*HARE RAMA HARE RAMA RAMA RAMA HARE HARE*

Now, my spiritual master, you are not physically present but by serving your instructions I feel your presence always. You are always reciprocating me. Whenever I am in a disturbing situation I simply open any page of your book and that will give all the answer and my disturbance will go away.

There is a term called 'service in separation' which is highest than serving physically. I cannot serve you physically but by following your words I want to serve you. Whoever is following your instruction is always **union with you in separation**.

However our surrender is conditional but I know by simply contemplating on your lectures, books, Japa I will get purified and come to the stage of full surrender.

Prabhupada you are not present physically but still, you are **in charge of the whole movement**.

Every time I use to write my feelings about you but the first time I heard about your feelings for your disciples. It is the time of Mayapur temple construction all devotees are struggling there because it is a village with very less facilities. One night you called one of your disciples to your room and begun asking him about devotees. In between, you began crying and said "I know it is difficult for all of you western boys and girls. You are so serving here in my mission. I know sometimes you cannot even get prasadam. You have given up your opulent life to come here and you do not complain. I am very much indebted to all of you."

Prabhupada our sacrifice is nothing, very insignificant compare to what you have struggled for this preaching movement.

Now we are living a very comfortable and opulent life because of your struggle and your disciples' struggle. I want to thanks all the disciples of Prabhupada because of all of you only, we get to know about Prabhupada and have a wonderful Krishna consciousness life. This Krishna consciousness life we cannot get even by spending millions of millions of golds.

In all of this, there is a very great soul who is constantly giving me support for my spiritual life. Because of him, only I become more attached to you and able to join your mission. He is so great that without the association of devotees he is following your instructions fully without fail. Thank you for giving me such a great soul. We both want to serve you eternally together.

Srimad Bhagavatam 3.7.19 says,

*yat-sevaya bhagavatah kuta-sthasya madhu-dvisah  
rati-raso bhavet tivrah padayor vyasanardanah*

"By serving the feet of the spiritual master, one is enabled to develop transcendental ecstasy in the service of the Personality of Godhead, who is the unchangeable enemy of the Madhu demon and whose service vanquishes one's material distresses."

I have only one desire my dear spiritual master, in whatever species I am going to born because of my sinful life but please allow me to always hear your message and give shelter in your lotus feet.

I want to serve your mission not for this life only, but eternally.

Your insignificant servant,

Bhakta Bhima.

Dear Srila Prabhupada,

All glories to my spiritual master, A.C Bhaktivedanta Swami Srila Prabhupada. I offer my humble obeisances at your lotus feet.

By your merciful glance, I got a chance to begin spiritual life. All the auspicious moment what has come to my life it has come by Your causeless mercy. What you did and what you are doing it is not enough a word or line to express my thanks. Not only you show the path, but you left the path straight to a place called LORD KRISHNA's place. Your mercy is available to everyone. You are the real well-wisher. Nothing to worry, nothing to think, only to walk following your way. Back to godhead.

Dear Srila Prabhupada,

Please accept my most respectful obeisances at your divine lotus feet. All glories to you, and to the entire Guru-Parampara!

I am so glad to be in touch with Krishna consciousness. I have been immensely benefited out of this, only because you have started such a massive movement that imparts the knowledge; and also by creating a system that can purify one's existence and beyond, which otherwise could have taken many lifetimes. I am indebted and thankful for your contributions to all of humanity and the world itself.

A fallen soul who is seeking your causeless mercy to experience the nectar of devotion!

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I am practicing Krishna consciousness for the past 6 months and by the grace of Krishna, I am lucky to have you as my spiritual master. Till now I understood that this body will be finished today or tomorrow but I should not bother about the body. Trees also live for thousands of years but that does not mean that life is successful. Being a practitioner of Krishna consciousness I observed a lot of positive changes within me and also increased my attachment towards Lord Sri Krishna. You have mentioned in your books that *jīva vā māra vā*, a person in Krishna consciousness whether he dies or lives, always engages in the service to the Lord and go back to Godhead. So, I request you to please bless me also to advance in Krishna consciousness on your auspicious appearance day.

Your servant,

Bhakta Bringesh.

Dear Srila Prabhupad,

I offer my humble obeisances to you. And I personally thank you for starting Krishna consciousness movement and showing a direction in which we will be enlightened and be liberated from this material world by writing the most essential books like Bhagavad Gita as it is and which changed my life and others. It transformed me to a devotee by loving Krishna and taught me how to love Krishna and who is Krishna. I thank you for transforming my false ego which was attached to materialistic world and lust and for giving me a devotee, servant of your the folk guide to me.

I thank you for dedicating your life for pervading the Krishna consciousness movement and for building many thousands of temples around the world and pervading in this material world which actually saved me from Maya by also introducing a weapon and a key for liberation soulful Japa. I finally I thank you and I am very much grateful to you for being our father mother a family member by your kind association Jai Srila Prabhupada.

Your unworthy servant,

My dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet & All glories to Your Divine Grace!

This is my life's first letter to you, and kindly forgive me if I go wrong anywhere or if I fail to express what I really meant to share with you.

Since my childhood, I am strongly influenced by my maternal grandfather Sri Sitarama Iyengar who was a great servant and devotee of the Supreme Lord. All his life he swept our temple morning and evening at my hometown without fail. He would easily give up other materialistic commitments just to make sure he swept the temple every day. He is always my inspiration for devotion and rendering service to the Supreme Lord. I grew up with his teachings that Krishna is everything and without Him we are nothing. We need to fully depend on the Supreme Lord Krishna. He passed away in 2008 and since then I started missing him very badly and his teachings and love. He was almost like everything to me and he poured that unconditional and unlimited love for me without even asking for it. There left a void in my heart and the pain of missing him.

Since then, I was lost, got entangled in material life and to its vagaries, just like a horse lost its master. It was in the year 2017 I visited ISKCON and came across Yoga For Happiness Program, joined it and I can say that that was the beginning of my new life. Krishna Consciousness refreshed me. Slowly I started seeing my grandfather in you and your words started filling that void space and once again I got a feeling of the care and love which I had missed for a decade.

Currently, I am still not born in the spiritual path of Krishna but in your grace soon I would be able to become a good humble devotee of Krishna and I have all the confidence about it.

My one and only begging at your lotus feet is to be my eternal spiritual master and never ever leave me just like Krishna doesn't forget His devotee even though devotee forgets Him. Kindly give me the strength to walk the path back to Godhead. Kindly protect my family – Mother Vasanthi, Wife – Srilakshmi, one-year-old little Daughter – Gopika and Grandmother – Sukanya. Kindly bless them with your causeless mercy to come under Krishna Consciousness which in turn helps me to progress in my Krishna Consciousness.

I wish my letter to you every year be filled with my incremental Spiritual progress which will make you happy and you can take further steps to correct me and guide me wherever I am going wrong.

Thank you Srila Prabhupada, my beloved Guru.

Yours insincere and fallen devotee,

Bhakta Chandan Gopalakrishna.

## Bhakta Chandrashekar

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to your Divine Grace.

A few years back, a senior devotee, on seeing a picture of your Divine Grace, in the altar in my home told me that once I bring your Divine Grace in my life, your Divine Grace would take full control of my life. At that time, I did not understand what that statement meant.

Now, when I reflect on the year that just passed, I can see how your causeless mercy has touched this fallen soul. During the year your causeless mercy has reached me in the form of –

Pin-pointed instructions received from multiple sources (Your books, Bhagavatham classes, articles, etc) which were very much suitable for my situation – I wonder how you can see my situation and send your mercy in the form of those

instructions. Answers received from multiple sources to questions which I had in my mind, even without me actively seeking those answers. Many service opportunities blessed upon me during the year (book distribution service, abhishekam service in the temple, in house programs and elsewhere)

The Soulful Japa modules on Telegram and subsequently, after the lockdown, the Soulful Japa sessions on YouTube, which have benefitted me immensely. Bhagavad-Gita online sessions during this lockdown period. Devotee association both in person as well as online during the current lockdown period.

I always wonder what would have happened to this fallen soul had it not been for your merciful intervention. I feel, Srila Prabhupada, with your mercy, you are more determined to pull me out of the filth of this material world than what I am trying myself. I feel so hopeless without your mercy.

It is said "Lord Nityananda Prabhu freely offered the exalted prema or love of God (which is difficult for even Lord Brahma to attain) to the most fallen and wretched souls who did not desire or deserve it"- Lochan Das Thakura. You are the empowered representative of Lord Nityananda Prabhu who has come to offer Krishna consciousness to a wretched soul like me.

Srila Prabhupada, please continue to bless me with your mercy, so that I can –

Do more service in your mission and you provide me the necessary qualifications to render such service.

Develop better japa habits so that I can do mindful japa sooner and soulful japa subsequently.

I am also interested to take initiation.

I am so blessed that your Divine Grace is present amidst us and extending your association through your instructions, your books, your transcendental organization and the devotee association. But this fallen conditioned soul is so unfortunate that I cannot properly associate with you.

Srila Prabhupada, please bless me with your mercy, so that I can render some service to your mission, by which you would be pleased.

Jai Srila Prabhupada!

A fallen soul and a humble servant,

Bhakta Chandrashekara.

Dear glorious spiritual master his divine Grace AC Bhakti Vedanta Swamy Prabhupada,

I offer my respectful obeisance unto your lotus feet.

*nama om vishnu-padaya krishna-preshthaya bhutale srimate bhaktivedanta-svamin iti namine  
namas te saraswate deve gaura-vani-pracarine nirvishesha-shunyavadi-pashchatya-desha-tarine*

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism. Dear Srila Prabhupada without your causeless mercy I would have not come to understand the supreme personality of Godhead Sri Krishna. Through your divine instructions, I am trying to become your devotee of lord. It is only because of your mercy I am able to chant Hare Krishna mantra. As far as I know about me I am completely fallen soul attracted to so many material desires, I am not at all qualified to chant hare Krishna mantra, to attend classes at the temple, to honour prasadam, to render some service in the temple. I understand all these are blessings I got from your causeless mercy. Although I have so many anarthas in me still you are very much

compassionate and merciful on me my dear spiritual master. You have given a chance to a fallen soul like me to carry your order of preaching through book distribution and inviting people for Sunday programs etc, I don't possess any of the qualities and abilities of a person who can do these activities, but due to your causeless mercy you can transfer a fallen soul like me into a practicing devotee.

Your contribution of delivering mankind by building an organization like Iskcon and bringing the end number of fallen souls to the lotus feet of Lord Krishna is not at all ordinary. My dear spiritual master all glories unto your lotus feet. Please sustain me as your servant throughout my life afterlife in what so ever situation I will be in, so that I don't forget the lotus feet of Krishna by your causeless mercy. By your mercy please give me the required knowledge and guide me within my heart every step to surrender at your lotus feet completely.

Your most fallen soul  
Bhakta Chandrashekar V.

## Bhakta Chandrashekar Vaishnav

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of your Vyasa-Puja. I know that both Krsna and his pure devotee like you, must be glorified using the Uttma Sloka (best possible wordings), but I am an adhama (fallen) soul not finding myself capable to glorify you. I am not even able to follow your instructions properly due to my past vasanas/material desires. But you have given me a strong faith in the 'Hari Naam' and your assurance (anyone who chant 16 rounds) to take all of us back to Godhead is good enough for me to continue chanting Hare Krsna Mahamantra for the whole of my life. Thanks for becoming the key to open the door of Vedic knowledge for a fallen person like me. Your instructions helped me realize all my bad habits and at the same time, it also provides me a way to get rid of all vasanas (bad habits).

This reminds me the most beautiful Vaishnav song (my favorite) 'Hari Hari Biphale Janama Gonainu' which says that 'golokera prema-dhana, hari-nāma-saṅkīrtana, rati nā janmilo kene tāy' (The treasure of divine love in Goloka Vrndavana has descended as the congregational chanting of Lord Hari's holy names. Why did my attraction for that chanting never come about?). I pray at your lotus feet to kindly empower me so that I can take Hari Naam (without offenses) from my tongue and also give me the higher taste so that I can get rid of all my material desires and bad habits. Also, give me the strength that whatever happens in my life I can always follow your one instruction of Chanting 16 rounds of Hare Krsna Mahamantra.

Request you to kindly accept my offerings/service in your lotus feet and put the dust of your lotus feet at my head, so I can become permanently situated in the lotus feet of Krsna. Finally, I remember one line from 'Sri Gurushtakam' which says 'Yasya prasada bhagavat-prasado, yasyaprasadan na gatih kuto pi' (By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement). So my dear Spiritual Master kindly accept me as your servant and always gives me your grace/mercy and pardon me for all my mistakes which I made towards Krsna, you, Vaishnava's, and any other living entity and guide me at every step of my life.

Your humble servant (who wants to be your disciple),

Bhakta Chandrashekar Vaishnav.

Dear Srila Prabhupada,

Please accept my humble obeisance.

Prabhupad you touched millions of souls with your grace, it's even difficult to imagine what would be the position of our lives without Krishna consciousness. Prabhupad you said, "I started Hare Krishna Movement with 40 rupees and now it is 40 crores because Krishna is there as there is no value to zeros without one before zeros". Yes, Prabhupad, there is no meaning in our life without Krishna Consciousness, you not only taught us but also shown us how to make life perfect by keeping Krishna at the center. So, it's opulence to "Founder-Acharya" title having your name next to it as you qualify the word "Acharya" in our ISKCON society.

Prabhupada as you says "There is nothing to lament or afraid for separation of Spiritual master or Vaishnava, as long as we follow the principles and chanting regularly, will get personal guidance from the spiritual master and parampara". By your causeless mercy, we are able to practice the devotional service in many temples and homes around the globe. We are not in a position to realize what you did for us but we are taking shelter under your lotus feet and your Society. If you desire, please engage us in your personal service which gives transcendental bliss and satisfaction to unlimited Jivas. Your Divine Grace, may your glories will remain eternally forever and kindly empower me to spread your teachings to many more millions.

Hare Krishna. Thank you so much.

Your servant,

Bhakta Chanukya.

Dear Srila Prabhupada,

Hare Krishna.

Please accept my humble obeisance at your divine lotus feet.

The thing I love the most about Krishna Consciousness is that I have a chance to be truly happy and it has given me a yearning to attain that true happiness. Though I chant only once a day I chant with my whole heart and soul in it. I am going through a tough time this lockdown. I am not able to find time to continue my spiritual journey although I am chanting consistently. Even if that is all I can do right now I know from your teaching that effort no matter big or small will never be wasted. I wish that I have the strength and endurance to come out through this and continue in my journey to go back to where I belong.

Your servant,

mukam karoti vachalam pangum langhayate girim yat-kripa tam aham vande sri-gurum dina-taranam*

Dear Srila Prabhupada!

Please accept my humble obeisance at your lotus feet.

Srila Prabhupada! Please bless this very very very fallen soul. Sometimes I am not able to complete my 16 rounds. So, I beg for your forgiveness and please bless me to chant my 16 rounds daily without fail.

Srila Prabhupada! A few weeks ago, I made a plan like by heart every day 5 Bhagavad Gita slokas, 5 Brahma Samhita, 3 Narasimha kavacham slokas, 1 Bhagavatam sloka. By your mercy I followed some days, later due to some laziness I didn't look at them. I beg for your mercy on to me to follow a strict schedule and to complete them as per the plan.

Srila Prabhupada! By your blessings, I am also helping my mother in cooking and offering to Krishna. This made me like cooking very much. And also I am helping my father in the deity worship by arranging Tulasi for Archana, cleaning the Arathi plate, and the items. And also I am doing daily Ganga snan to the deities. These are all are due to your special mercy on me.

Srila Prabhupada! I am very fortunate that I have taken birth in this golden special age (Caitanya Mahaprabhu era) and having you as my dear spiritual master. And that too you said that this age will continue for another 9500 years (already 500 years gone) and it will disappear after that. So, I am very fortunate that I have taken shelter of your lotus feet and Caitanya Mahaprabhu's lotus feet.

Srila Prabhupada! You know that I am like a stupid monkey, wasting my valuable time playing and also with mobiles so much that I am not properly putting my effort in increasing my Krishna Consciousness. So I beg at your lotus feet please bless me to know the value of time and I should use it rightly in the service of Sri Radha Madhava.

Srila Prabhupada! By your wonderful blessings, I started giving presentations and classes on Krishna Consciousness on the youtube channel and also on Saturday Satsangs. This has given me great confidence that just by following your instructions anybody can do this. Please bless my family to spread the Krishna conciseness movement far and wide all over the world.

Srila Prabhupada! I am appealing a humble request to you that I want to take Initiation at an early age before reaching 13yrs so that I will get your special mercy in preaching Krishna Consciousness. And also I am already following 4 regulative principles and trying to chant 16 rounds. Please consider this humble request my dear Lord.

Srila Prabhupada! I heard that you can pick anything at any time anywhere and will relate that to Krishna Consciousness so nicely and your compassion is not even comparable to an ocean. That's why you are Jagadguru.

Jagadguru Srila Prabhupad ki jai...

Your humble servant, Bhakta Charukesh Chanda.

Dear Srila Prabhupada,

Please accept my humble obeisance's at the dust of your Lotus Feet. All glories to you on this auspicious day of your Vyasa Puja.

First of all, I want to thank you for starting this Krishna Consciousness Movement, because this is the platform for knowing the absolute truth and the process of eternal happiness for mankind.

I started chanting after my first visit to ISKCON HYDERABAD, then I have tasted the sweetness of the Hare Krishna Maha-Mantra. I am very much fortunate and lucky to have you in my life. The gift you have given to us is priceless. And I am also very much thankful to the ISKCON for conducting daily sessions through online platforms, which were very much helpful during this lockdown and COVID-19 situation. I am very much eager to attend the future Krishna conscious events with my fullest effort.

I was having some kind of anxiety and fear and some kind of uncontrolled feelings problems before chanting practice. But now I am a very much happy person because of you Prabhupada. If you would not have started this movement the whole world would have been in misery. I am very glad that I am a part of this great movement. I have started the chanting from one round, Now I am chanting 4 rounds minimum. Prabhupada please give me the strength to complete 16 rounds daily.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

Dearest Srila Prabhupada,

Hare Krishna! Please accept my humble obeisances. I have been practicing Krishna consciousness for almost the last 1 year. I am enjoying the life at ISKON Temple Bangalore and AECS folk residency. This would not have ever be possible without the pinnacle of efforts given by you. Thank you from the bottom of my heart to create this society and made thousand of people on the correct path. On the day of Vyas Pooja, I would like to request you give strength to continue the journey of seeking spirituality. Please enlighten me with truth and provide your ashirvaad at every moment of life. On this occasion, I sincerely express my heartfelt gratitude and pray for your causeless mercy, so that I will be able to humbly continue to render devotional service to you and Lotus Feet of Lord Krishna in whichever way you desire.

Dear Srila Prabhupada,

Please accept my humble obeisance. If I look back into my life and ask for myself that what made me get such an unimaginable fortune of serving the lotus feet of a pure devotee like you and Supreme Personality of Godhead Krishna, I just have only one answer, that is your causeless mercy upon an unqualified person like me. In spite of my disqualifications, you bestowed your causeless mercy upon me to serve your lotus feet. This is the glory of a pure devotee, who can at once purify the most sinful person & give him the highest benediction of serving the lotus feet of Vaishnavas and Lord Krishna.

Srila Prabhupada, please forgive my offenses and other Vaishnava aparadhas committed by my ignorant self. Your compassion is like a cloud above, that nourishes the dried out souls begging relief from this burning heat of this material attachment.

Srila Prabhupada, on this auspicious day I beg you to please give me the strength to continue practicing my spiritual life the best I can, and please help me become a good disciple, servant to the Vaishnavas and my devotee parents. I humbly pray to your lotus feet asking for your protection and to engage me in your service and in the service of the Supreme Lord Krishna eternally, in whatever condition I may exist.

Your aspiring Servant,  
Bhakta Chiran Raya.

Hare Krishna Prabhu, I would like to thank you for providing me an opportunity to associate with Krishna devotees and to get the opportunity to serve the lotus feet of Lord Krishna. I am thankful to you because of you I got the opportunity to learn more about Krishna and got interested to read the Bhagavad Gita. I am very fortunate to get this opportunity in my life, otherwise would have not possible. I also got an opportunity to participate in various Folks trips also got the association of good devotees, and helped me become closer to Krishna. Sometimes I will be getting lost in the material world, and because of Folk and mentor programs I am able to pull back myself towards Lord Krishna. I would like to thank you for all these.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. My dear spiritual master, this lowly and fallen servant of yours is making a pitiful attempt to glorify you. I request you to please pardon me for any mistake that I do in this attempt. Earlier, due to my foolishness and ignorance, I had considered you to be an ordinary man, I deeply lament for that and am very grateful to you for having given me the much-needed shelter under your merciful lotus feet. O spiritual master! The words from my sinful heart aren't worthy of glorifying you, yet by your causeless mercy, I am offering my gratitude to you on the anniversary of your divine appearance to deliver so many fallen souls on this planet.

Life after life I was wandering like a vagabond in this material world, contaminated by filthy desires and in numerous relationships. I was drowning in the ocean of miseries, and such a big fool that I am, I couldn't even recognize that I was suffering. In this situation, you bestowed your causeless mercy upon me, by taking a degraded person like me under your shelter. By your divine grace, I came to know about my true nature and my eternal occupation to serve Kṛṣṇa. You, my dear spiritual master, have taught me how to love Kṛṣṇa, sometimes due to my lusty desires, I have offended you, yet like a mother, you still continue to bestow your mercy on me. There was never a moment when you were forgetful of Kṛṣṇa. You have and continue to take all of us Back To Godhead. You, my dear Prabhupad, have translated everything to English so that fallen people like me who don't have sufficient intelligence to understand Sanskrit may understand everything. Oh Prabhupada, your mercy is so great that inspire of Lord Chaitanya Mahaprabhu instructed not to keep many disciples, You, by Your causeless mercy have accepted so many people around the world as your disciples just to save us from the ocean of miseries. Imperfect people that we are, You suffer because of our sinful activities and give us shelter at your lotus feet. Please give me the strength to serve you and the holy name offenselessly. By your mercy, we receive the benediction of Kṛṣṇa and without your grace advancing in our spiritual journey is impossible. You captured Kṛṣṇa for us so that all of us could serve him. I therefore always remember and pray to your lotus feet. You have given all of us an opportunity to render service to Kṛṣṇa and Rādhārāni. You have built many temples so that people like me could come and associate with you, other devotees, and render devotional service. In this age, where we find bogus gurus at every step, you have saved us from these people and you are leading all of us on the right path Back To Godhead. You being a true servant of the Lord and a bonafide spiritual master have saved us from this Age of Quarrel.

I am very unfortunate since I could not associate with you, yet I am very fortunate because I associate with you through your books. I love you from the deepest depths of my heart and hope that, by your mercy, I will be of any help to you.

Aspiring to be your servant,  
Bhakta Darshan Jain.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Your compassion and mercy have no bounds. You traveled to an unknown land, lived with unknown people in a different cultural environment and underwent innumerable difficulties to follow the order of your Spiritual Master. With your strong faith in the holy name of Krishna, you set up Iskcon, translated innumerable spiritual books and made available the essence of the Vedic scriptures, Bhagavad-Gita to the fallen souls like us. And words are not enough to describe all that you've done for the betterment of humanity. Thank you for everything, Srila Prabhupada. You're such an inspiration! Please forgive me for all offenses I may have committed, knowingly or unknowingly. And guide me to get better with my chanting, engage me in the service of your movement and bless me so that I may not get carried away by Maya and may I always think of your lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisances to your lotus feet. It's a most precious experience to chanting Here Krishan mantra. Before my birth from a long time ago our family praying Krishan like Kuldevataa. From the beginning I am watching Krishan playing holi, raja, dola, Bhagavat abhyas, praying Shree Chaitanya Mahaprabhu. We are celebrating all these festivals. After Going Bangalore, I came to know about Guru. Prabhupada, I really enjoy to having part of the folk. It's Like Something When No One Is There And You Chanting The Mantra You Can Find Unseen Someone Or Invisible Waves Flow Around You. I really Appreciate That Someone Is Looking To Me & Listening To My Heart.

Gurudev I am a very small object amongst all your Dasa, I don't even know whether I am qualified or not to offer you my gratitude. In the way to make my self a good servant of yours and Krishna, I have started taking my small steps to reach towards Krishna consciousness after surrendering over your Lotus feet with all your blessings. I want to thank you Prabhupad for changing my life, if u were not there I wouldn't have known about how to live my this life by Krishna Consciousness. You have given me the most precious thing of life and that is " HARE KRISHNA MAHA MANTRA". In today's time when Coronavirus spreading so fast in our country in our area, in Lockdown. it has really become so tough to maintain our wellbeing, in this time I found this MAHAMANTRA so much helpful. After chanting MAHAMANTRA I feel relaxed and calm. I am so glad for this Prabhupad. I have no words Prabhupad for your kindness. After continuously coming to the temple and giving Seva, I learned so many things like what is the proper way of chanting? How should we behave with people? How we can bring Krishna Consciousness in our daily life? How to Peach someone? I am very much able to maintain the things around me and If I got failed in that then I reach to my folk guide who helped me to come out of this. I really love to have delicious Prashadam. I pledge to renew my efforts to sincerely chant the Holy Names and study regularly your transcendental books. Hare Krishna...Radhe Radhe...

Dear Srila Prabhupada,

My beloved spiritual master! Please accept my humble obeisance, I would like to present short writing to you, on your appearance day, for your pleasure. Kindly accept my writing and forgive me for any misdoing. Oh! My Master, on the occasion of your appearance day, I would like to present the report of my chanting the Hare Krishna Maha-mantra. After reading the books authored by you, I became serious in my spiritual life and serious about chanting. I understood that it is the Yuga Dharma of Kali Yuga. At first honestly, I felt it is not necessary, by your mercy and by the help of fellow devotees I started chanting with them and they taught me sincere Japa. The correct method of chanting gave me an experience of a lifetime and brought tears to my eyes. Contemplating on the experience, I could not understand the feeling, it was by your divine books that I understood the experience I felt while chanting. Your books are nectar for us, as they explicitly tell and explain to us the importance and the experience of chanting. I am very much grateful and always be indebted to you for this. If you had not taken me under your divine shelter, then my human life would have been a waste and more than that I would be light-years away from Lord Krishna!! At the same time, I would seek your blessings and your strong support to stay on the path of Krishna Consciousness and to able to perform my yuga dharma of this yuga that is chanting the holy names of the Lord sincerely and correctly. Thank You, Srila Prabhupada!

Your humble servant,

Bhakta Deepash Joshi.

Dear Prabhupada,

Please accept my humble obeisances unto lotus feet.

I'm very happy and enlightened to offer my Vyasapuja offerings for the third time consecutively, please do accept it.

At very first I would love to state that Krishna Consciousness is the only process/exercise which I am following/practicing for such a long period ( 7 years ) of time in my life in spite of having continuous hindrances, which is possible only by the mercy of true God's messenger.

Thank you, My dear Prabhupada, for tutoring and teaching me to fight against Maya.

Thank you, My dear Prabhupada, for enlightening me about what the material world is all about.

Thank you, My dear Prabhupada, for accepting me as your disciple by bestowing cent per cent mercy upon me.

Thank you, My dear Prabhupada, for being my master and helping me to master my senses.

Thank you, My dear Prabhupada, for being my coach and helping me in counteracting the acts of material sensual pleasures

Thank you, My dear Prabhupada, for being my guardian and guiding me into the spiritual path.

Dear Srila Prabhupada, you are my torchbearer for travelling in the blissful spiritual path, when I refer you to as torchbearer, I shall compare your torch to your books which is a matchless gift you have provided to this Kaliyuga.

In spite of being away from Iskcon temple, in spite of not being in personal association with Iskcon devotees, still, I'm able to hang on to your guidelines and principles, which is only because of your books, your books have been a game-changer in my life, I know the pain you have taken to shape your preaching's into books.

The great magic I observed in your books is, the sentences look very simple, but when we read it the many times I get more the information and more the confidence and more the confidence means more the faith.

When I say the word faith, it becomes the synonym of you, before I got association with ISKCON, whenever I visited any temple, the only request I used to make to God was please help me to purify, please help me in being good, as a result, God showed me the path in the form of ISKCON.

I never expected that I would be what I am today in my life, it's only because of your preaching's, books and especially, I need to mention that when I ever feel tired or sick or down, listening to your kirtan would boost me up, no material musical instruments can stand before your kartal and mridangam.

Kartal gets rejuvenated when it gets into the hands of Srila Prabhupada the true servant of Lord Krishna, Mridanga gets into the hands of Srila Prabhupada, the true Gururmaharaja who has the real potency to save his devotees from the clutches of Maya. Hare Krishna maha-mantra itself is very divine, when it is delivered from the lotus mouth of his divine grace Srila Prabhupada, I have no words to describe the beauty of kirtan. Thus, your kirtan has always had the potency to deliver the material soul from any sort of material conditions.

I would want to share an experience, In 2016 while I was working in Gujarat, I was traveling with my director who always feels uncomfortable with me, I was checking my whats app messages. I received a video of your kirtan and got it downloaded and started playing with a high volume, it played for around 15 seconds, my director stopped the car aside and asked me to play it, he was completely immersed and started saying this is the first time I have heard such awesome music, and thereafter we became very much comfortable with each other and we kept regularly discussing about your preaching and principles.

So, it is my experience to show how your kirtan can uplift fallen souls and keep the souls motivated.

So dear Prabhupada I kindly request you to help me in purifying the senses, keep understanding your writings, and please help me in bringing up the fallen souls around me into Krishna consciousness.

Thank you Srila Prabhupada,

Best Regards,

Bhakta Devakumar V.

Hare Krishna!!

My Beloved Spiritual Master Srila Prabhupada, I offer my Humble Obeisances unto your Lotus Feet. I am a sinful person's heart full of the culprit. I don't have any devotional sense to offer you because that kind of person I am, Big liar. I born in a poor family, but my parent is worshiping Krishna near my village temple. That time I don't know about Krishna and Krishna's pastimes. Because of you, I come to touch with you ISKCON. Then I got to know what is the Devotion, what is Krishna & Radharani, where is the Vrindavan, and Nitai Gauranga, who are the Sad Goswami's- Rupa Goswami. And I am practicing Krishna consciousness, chanting. My daily sadhana becomes very poor. Please give strength for chanting regularly without offenses. Give a devotional sense of worshiping Krishna as the center in my life. Please teach me how to behavior & respect to Vaishnav's. I feel great Your Movement Spreading all over the world. Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine lotus feet. I am happy to know that I am a little part of your mission. You are always with me to guide me, how to serve Krishna. Only you can give a chance to serve Krishna otherwise, I am so fallen that with my inability I cannot serve Krishna. Other processes of self-realization are so difficult for us in Kaliyuga. But you give a simple process to us, only chant 16 rounds following four regulative principles, get up early in the morning at 4 AM to attend mangla arti, worshipping deities dance in kirtana, and always engages in Krishna's service. By your own example, you show to everyone how to follow the orders and instructions of the spiritual master. You are a staunch follower of your spiritual master and you guide us also how to act in the same way. You are so devoted to your spiritual master that to fulfil his desire to print books you take his instruction as your life and soul and you wrote more than 70 volumes of Krishna conscious books in English language and went to the western country to preach the cult of Lord Sri Chaitanya Mahaprabhu and engaged hippies in the service of Lord Krishna. You slept only 1:30 to 2 hour only and rest of the time you translate books, daily spokes on the philosophy of Krishna consciousness, wrote letters, conversations, building Krishna temples etc.

You daily spoke on the philosophy of Krishna consciousness and delivering thousands of formal lectures. Over 2,200 were recorded and archived. You conducted many hundreds of informal conversations on the science of Krishna consciousness with disciples, guests and friends. Over 1,300 were recorded and archived. You counselled your disciples on the complex managerial, philosophical and personal issue in more than 6000 archived letters. In Jagannatha Puri temple westerners were

not allowed to enter. So to give them Lord Jagannatha mercy you inaugurated Lord Jagannatha temple, worship them and also organised a Jagannatha Rath Yatra festival. You travelled all over the world for 14 times and build 108 Krishna's temple.

You are so dedicated to preaching the cult of Lord Sri Chaitanya Mahaprabhu if I get one percent of your dedication than my life became successful. Please mercy on me and forgive my offences.

Your fallen servant,  
Bhakta Devendra.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

This is to convey my sincere gratitude to you, Srila Prabhupada, who has made a sincere contribution to society by your words of wisdom. I truly appreciate the service of ISKCON Bangalore towards Absolute Truth which has brought a vast change in the society. Personally, this Hare Krishna movement has created a spark in me to read the transcendental scriptures. Even though I feel so happy to have connected with this great organization, I have a small request. Of late, it has become a trend to mock Sanatana Dharma and the beliefs. Even though other ISKCON Centers are raising voice against it, I would urge ISKCON Bangalore also to condemn these acts so that it will create a huge impact and difference. Kindly empower us.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet. On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna Consciousness. I would like to thank you for blessing us with the Hare Krishna Maha-Mantra, enlightening us with its meaning, and also giving us the initial taste for chanting, so that we could embark on our journey in Krishna consciousness.

I am able to chant Lord's name every day and understand the Vedic literature easily. And keep my mind steady without any mental disturbances, become peaceful and happy by your mercy on me. Thank you so much for compiling Vedic Literature on Bhagavad-Gita, Bhagavatam, and many more. And giving more practical examples for easy understanding of literature and bringing knowledge of light into our lives. And thank you for making me understand about myself how fallen I am and who is god, what is my real duty being a human being in this world through your books. There were so many questions revolves in my head always on why I should suffer in this world, why I should take birth, what is the reason for this creation and is there a way really to be calm, peaceful, happy in my life before I become part of Krishna Consciousness. Now I am finding a platform where all these questions could be answered by your grace and mercy on me Prabhupada. Thank you so much for building 108 temples in just 11 years and giving me the Devotees Association to easily advance in my spiritual life and become closer to Krishna. Thank you for your mercy on this fallen soul for choosing me in Krishna Consciousness and render little service in Chaithanya Prbahu's mission.

Dear Srila Prabhupāda,

Please accept my most humble obeisance at your divine lotus feet. All glories to Your Divine Grace! You have made countless contributions to this world, but the most valuable of all is the presentation of the Vedic knowledge to everyone in a simple and palatable manner, without any compromise of its essential teachings. You used simple analogies to explain complex philosophical truths—analogs that were accepted with delight. This year though I have a lot of challenges and obstacles coming into my life, I am trying to be as firm as possible to the Krishna Consciousness because of your causeless mercy. I am taking this as my testing period for my Bhakti. When I see the obstacles and challenges that you faced in the Krishna Consciousness what am facing is nothing but still, my body and mind are unable to take it many times as am losing connection with Lord sometimes. Please give us the strength to not come down in Krishna Consciousness at any moment. Thank you for everything you gave us

Yours obediently Servant,

Hare Krishna,

Dear Srila Prabhupada,

My friends and I spent a whole night at ISKCON Bangalore during Ratha Saptami it was really a pleasant experience. We woke up at 3:30 AM. Around 4:00 AM we entered the hall with great anxiety and we had the darshan of Devi Radha and Lord Krishna. And the darshan was really nice, in the month of January where the cold breeze touches and in the presence of Supreme being with the chanting the Hare Krishna mantra makes our heartfelt with joy and ignoring the world.

At 6:00 AM we practiced Surya Namaskar. It will be a great opportunity to attend the workshop again, I should start doing the Surya Namaskar from at least now onwards. All these experiences I may not get without your great effort of establishing the ISKCON.

And My dear Guru

My humble request is to bless me with the grace of Lord Sri Krishna. And bless me for gaining the divine knowledge and not to run for these materials comforts. And bless me I should work as a Karma Yogi.

Your Disciple,  
Bhakta Dara Eknath.

Please accept my humble obeisance's at your lotus feet.

I feel very honoured to submit my offerings on this auspicious occasion of Vyasa Puja offering. May I always take shelter and guidance from you. Without your merciful presence, for me, God only exists in books, not in my life. Without your mercy, I will never understand the mercy of the most munificent Lords of this material world.

Dear Srila Prabhupada if I did any knowing Or unknown mistake please forgive me and grant your lotus feet. Please help me in this critical condition of COVID 19 also, always remember Lord Sri Krishna and his holy name.

During this COVID 19 lockdown I have never given up my faith, or my love, nor the hope that someday I may be a worthy disciple. As you know my daily prayers always include the words "please forgive my offences, as I am always feeling unworthy to be receiving your mercy." Please bless this fallen soul, so that I can be protected from the clutches of Maya and remain at the shelter at your lotus feet. Jai Srila Prabhupad!

Please accept my obeisance at Your lotus feet.

Every devotee must have the blessings of a spiritual master. As I'm blessed by You to take part in your Krishna Consciousness movement, I'm getting the most auspicious thing of my life. Before Krishna Consciousness in me, it was full of miseries and my mind was always fluctuating with material attachments. But after reading Your book, (which is non other than Your presence with me) I realised about the body and the Soul. Another most important thing came in my life was "Nama Sankirtan". You made me understand that there is no difference between The Supreme Personality and His holy name.

It is fact that those who get instructions from a bonafide spiritual master are the precious soul in this material world. So I thank You personally for creating such a great movement of spreading Krishna Consciousness. By this our souls are getting purified. Also the devotees whom You have initiated in ISKCON Banglore, have taught me some great principles of Your life and the essence of Bhagavadgita and Srimad Bhagavatam.

Through Your blessings I have got all sorts of happiness. Only by Your mercy one can cross the ocean of material attachment. I thank You for making me and my family to come under the shelter of your movement i.e., Krishna Consciousness.

Please keep Your blessings unto me to attain Krishna Prema. Also bless me to serve more and more unto Krishna as a permanent server at Your ISKCON. I request You kindly to show me the directions to attain death by remembering Krishna, The Supreme Personality of Godhead or Yourself.

Your servant,

Bhakta Gagan Damodar Sathish.

Dear Srila Prabhupada,

All glories to Your Divine Grace!

Please accept my humble obeisances

Srila Prabhupada, I once again thank you for giving me such a wonderful opportunity of writing this Vyasa Puja offering. Prabhupada it makes me feel very proud that I am serving you in this mission of Chaitanya Mahaprabhu of spreading Hari naam. Your Spiritual master His Divine Grace Srila Bhaktisiddhanta Saraswati Thakur had a desire to take this movement to every single doorstep and I am truly ready to act as an instrument in your hands to fulfil that desire.

Prabhupada! it is all because of your causeless mercy that today I am able to chant the Holy name of Supreme Personality of Godhead Sri Krishna. I feel so blessed that I got the opportunity to visit Holy Dhams in the association of devotees. I want to specially thank you for you bestowed your causeless mercy on my parents and arranged a Holy visit to Shri Vrindavana Dhama along with all other devotees for them as well. It was my deep heartfelt desire to visit Vrindavana, chant, hear, dance and honour prasadam along with my dear parents and all other devotees. This was possible just because you were able to feel my deep desire. However due to this corona virus pandemic it would not be possible this year. I pray to you to help this world come out of this situation and please help that me and my family visit Vrindavana Dhama year after year and chant the Hare Krishna maha mantra.

Srila Prabhupada I sometimes feel very scared of the material world and often come to certain situation where I have to decide what is right and what is wrong. I request you Prabhupada to kindly guide me from within and help me take the right decisions. Give me the strength to follow all the regulative principles throughout my life and get inspired by reading your countless books again and again.

At last I would like to say that it is only because of You that millions of poor children everyday get free Krishna Prasadam in the form of mid-day meal. It is because of You that I came to know the importance of God in society.

Once again please accept my humble obeisances on the occasion of Your 123rd Appearance Day....I am seeking to render more and more service unto You.

Your aspiring servant

Bhakta Geetesh.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your Lotus Feet. All glories to you *Gurudeva* on this most auspicious appearance day of your Divine Grace!

First of all, I am very much thankful to you for that you have fulfilled my desire and made me able to join your movement as fulltime missionary. I really experienced your causeless mercy and divine reciprocation. This proves that you are still personally present for spreading the movement of Lord Chaitanya Mahaprabhu and also as a caring and the dear most Spiritual Master for all of us.

Srila Prabhupada as the days are passing in this wonderful Krishna Conscious atmosphere I am getting so much opportunity to learn, know, understand, enjoy so many things which you have given to me mercifully like *Sadhusanga* which is rare of the rarest in this material world, the Sadhana program for keeping us spiritually charged, Chanting of Hare Krishna Maha Mantra (*Yuga Dharma*) which is the only means for spiritual perfection, wonderful delicious *Prasadam*, very beautiful Darshan of their Lordships, Practical Devotional Service to keep our turbulent mind engaged and away from the trap of Maya, and many other things.

Prabhupada your home is so wonderful and filled with so many loving and caring devotees which never make me feel away from my parents. You have given us so many engagements which actually enable us to remain Krishna Conscious 24\*7. Your divine pieces of literature are so sublime to read which sometimes make me feel that I am getting your personal association.

Srila Prabhupada you are *Karuna Sindhu* the ocean of mercy. Your compassion is actually the true compassion for the conditioned souls of this world. All living entities are rotting in this material world under full ignorance and illusion. You are the real *Para Dukha Dukhi*. That is why you have descended from the spiritual world taking so much of hardship, facing so many challenges and inconveniences for delivering this suffering humanity.

You are like a captain of that Cruise Ship which can cross over the vast ocean of this material existence and take us to the ultimate destination which is the divine shelter of Lotus Feet of Lord Krishna (Back to Godhead) our real and eternal existence. And you are rescuing all people who are drowning in this vast ocean without any consideration and discrimination.

Srila Prabhupada somehow or other now I am in your Cruise Ship and the biggest challenge will be for me is to remain in the Ship till the completion of the entire journey. But I have a strong faith that by your causeless mercy I will be able to continue my journey very easily till final destination. It is my humble prayer to your divine lotus Feet that “Please never let me go away from the shelter of your Lotus Feet at any condition”, because you’re the only hope for the person like me. I have no personal capability, whatever little I have that is also bestowed by you only, and you are actively controlling me whenever I am going wrong making me realize about my real position. I have so many *Anarthas* deeply rooted within, that you know better than me, please help me to uproot all of these unwanted things so that I can engage in devotional service with right consciousness.

Prabhupada you kept us so protected and unshaken even in this current situation of a great Pandemic in the outside world where everyone is full of anxiety and hopelessness, but we are relishing the Krishna Consciousness without any disturbance. It is nothing but your causeless compassionate mercy upon us.

In these days by your divine arrangements, we are also getting the opportunity to learn about the ‘Science of Chanting Hare Krishna Mahamantra’ through your representatives. This learning is very essential and life and soul of our spiritual journey. So I really feel especially blessed and I am trying to give my sincere efforts in this direction. So for this, I beg for your mercy because without your mercy there is no possibility of success.

Srila Prabhupada I am expressing my deepest gratitude on this auspicious day. It is by your favour only which brought the biggest turning point in my life and from that point I started heading towards the way of Perfection of Human Life as per your guidance.

Prabhupada please keep me attached to your lotus feet as a particle of dust and make me advance in spiritual life.

Jai Srila Prabhupada!

Your most fallen aspiring servant,

Bhakta Ghanshyam.

How can I glorify you? I am just a small bud taken birth in Krishna Consciousness because of your causeless mercy on this unqualified soul.

It takes many lifetimes for me to understand your transcendental activities. I can’t glorify you with my mundane knowledge. You caught this fallen soul and showed the path of happiness by giving the supreme knowledge. Your books are the Ocean of Knowledge and you are a living Bhagavata, you moved among the fallen souls and demonstrated the process of ultimate well-being. There was never and never will be, a personality of your kind.

“By material standards, it is extraordinary that a person of your age could constantly travel, confront problems and opposition, and simultaneously produce volume after volume of translated Vedic literature. But material vision cannot

comprehend your activities. you are truly a mahātmā, as described by Kṛṣṇa in Bhagavad-gītā: “ The mahātmās are always working under the direction of My internal energy.” In spreading the Kṛṣṇa consciousness all around the world.

Please bless me with your personal service and keep me under your lotus feet. please help me to take this path very seriously.

Dear Srila Prabhupada,

Please accept my Dandavat Pranams unto your lotus feet. All glories unto you on this auspicious day of your appearance.

O merciful Spiritual Master. You have descended to this world, to deliver all the fallen souls like me and lead us onto the path of perfection. Due to the accumulation of heaps of sinful activities, all conditioned souls like me have been wandering

from one body to another endlessly. The sole cause of sinful activities being nothing but Ajnana (ignorance), by curtailing which all our sufferings and hankerings come to an end. And the doors of liberation from this ocean of Samsara would become wide open. This vicious venom called Ajnana/Maya can be cured by none other than a pure devotee like your Divine Grace and the Supreme Lord himself. As it is said in the Shastras that ‘*Samsara davanala lidha loka, tranaya karunya ghana ghanatvam*’: The spiritual master is receiving benediction from the ocean of mercy. Just as cloud pours water on the forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. It is also said that the Guru is the external manifestation of Paramatma. Just like all fallen souls in this material world who have been enmeshed in the ocean of material existence, even I am one among them who had been lost in the dark dungeon of Maya without any shelter. But by the mercy of your Divine Grace and Paramatma, the torch of transcendental knowledge had been lit, and the actual path of perfection was revealed. Such is your causeless mercy. In this Dark Age of Kali, wherein only sense gratification being predominant, people are deeply engrossed in the temporary material affairs and the Science of Self Realization is completely lost. But by your causeless mercy, it had been revived again and available to all the fortunate souls. Indeed it is very difficult to stay immune from the dark influence of Kali, even for great souls. What to speak of insignificant souls like me?. But you have graciously gifted us the Supreme Panacea of Hare Krishna Maha Mantra which is nothing but sound incarnation of Lord Himself acting like a vaccine to protect all of us from the contaminating Kali. As it is said in the shastras that

*Kali - kala kusarpasya tiksna-damstrasya ma bhayam govinda-nama-davena dagdhoyasyati bhasmatam*

"I see that Kali-yuga is like a black, poisonous snake with a gaping mouth and fangs. But please be unperturbed dear devotees and listen with faith. Once the holy name of Lord Govinda is being chanted, it is like igniting a forest fire which will burn to ashes the poisonous snakes within the forest".

Such is your benevolence, dear spiritual master. Also in this age of Kali where the right knowledge and interpretation of scriptures is almost absent, you have propagated the correct understanding of scriptures by your books and lectures with amazing purports. For the betterment of whole society and for the sake of propagating Krishna Consciousness, you have established the global movement of devotees and temples worldwide in the name of International Society of Krishna consciousness. By, doing so you have gifted the Yuga Dharma of this age; Harinama Sankirtana, overflowing each and every town and city of this world with the love of Krishna. By organizing festivals like Rath Yatra and distributing spiritualized food (Prasadam), you have spread the glories and distributed the mercy of Lord Krishna even to the most lowest of all sinners. It is most astonishing to hear that you have done all this even at your ripe age which shows that nothing is impossible for a pure devotee like your Divine Grace. Who else could have rescued the fallen souls like me without your mercy, O spiritual master? . It is said in scriptures that “The human form is a great boon because it is the most suitable boat for crossing over the ocean of nescience. The spiritual master is considered to be the most able captain in that boat, and the information from the scriptures is the favorable wind for floating over the ocean of nescience”. So, of what use is this body(boat) without having been taken the advice of an able captain. It would definitely be lost amidst the turbulent storm of nescience. Although your glories are incomprehensible and inexplicable, I am eternally indebted unto Your Divine Grace for your compassion and mercy on me . I kindly offer my heartfelt gratitude and pray to you sincerely to bestow me the Shuddha-Bhakti of Lord Krishna and more spiritual realizations thereby purifying all the material impurities within my heart, so that I can quickly advance in my spiritual journey and attain the Lotus Feet of Krishna as early as possible.

Your insignificant servant ,

Bhakta Giridhar Karthik H.

Dear Srila Prabhupada

Please accept my humble obeisances. I fall at your Lotus Feet. I will always be thankful for the blessings you showered on me for past one year of Krishna Consciousness dear guru maharaj.

Being a neophyte, for the past one year I did a lot of offences. Kindly forgive this useless devotee. Supreme lord keeps on giving and forgiving, and I am always getting and forgetting. By your mercy I got opportunity to stay in Goloka (Iskcon temple) during weekends.

Through supreme lord grace and by your grace I attended Mangala Arti, and did small services in temple. By your grace I attended my first service on Krishna Janamastami. I was continuously doing offences because of my karma, ignorance to my authority. Still my authority was very humble, and corrected my mistake. He started moulding me into a pure devotee without hurting me emotionally or mentally. I went to holy dham called Pandharpur and had nice dharshan of Supreme lord Vittala. I was simply praying to Vittala that I have to surrender, and once I remember my authority told that he is more eager to connect me to you Srila Prabhupada, and through serving your mission, you will be more eager to connect me to Krishna. My authority always understands and supports me in difficult situations, and helped me to cross so many hurdles of karmic reactions, and corrected me for the 'n' number of mistakes I have done. I always wonder why you and Krishna are helping me as I am the most fallen, most sinful, lazy and useless.

Again, I got an opportunity to come to most sacred Dham Vrindavan with folk which is transcendal place in Karthigai month. There I remember I touched the holy Padukat of Chaitanya Mahaprabhu which was brought from holy dham Mayapur to Radha Damodar temple. I pay my obeisance to his grace Sri Madhu Pandit Prabhu and will be always thankful for providing a wonderful experience for devotees like me. I remember he was telling, 'soon an accommodation will be provided for devotees to stay in temple for doing Nama Prabhu seva. Through my guru maharaj blessings, so many people like me are getting connected with Bangalore Iskcon. So again I want to fall at the feet of his grace Sri Madhu Pandit Prabhu who is selflessly serving the mission of Srila Prabhupada. Dear guru maharaj, he is one amongst the best examples for doing Vani seva.

I remember I attended Damodar arti and Mangalarti in Vrindavan Chandrodaya Mandir. We went to several places, heard several past times, and had more realisations.

I started reading Bhagavad-Gita. Now I am in home town. With your mercy I learnt doing arti to the deities and I am able to wake up at 3.45am. Now you made me realise that Bhakti is only thing which saves a Bhakta. On incredible occasions I was saved by following your instructions.

Dear Prabhupada I fall at your lotus feet. Kindly forgive me for not taking proper prasadam, because of various reasons. I couldn't avoid eating onion and garlic. Still I have hope on you my dear Guru Maharaj and my dear supreme lord. Hope you will train me to get rid of my independent nature, ignorance, anger, ego, sense gratification, materialistic desires .If I see my past years, I can see how drastically Krishna and you changed my life, made me worship Supreme lord and follow principle prescribed by you. By your mercy I chant 16 rounds I have altar in my home. I clean it daily and do abhiseka for my dear laddoo gopal. I offer flowers, water, dates and nuts. I do kirtan at home. I am daily chanting Narasimha mantra (ugram veeram) 108 times.

Dear guru maharaj if you desire, kindly make this sinful son of yours surrender unto your mission, and preach glories of you and the supreme lord to the fallen conditioned souls.

Your fallen servant of servant,

Bhakta Gokul.

Hare Krishna!

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Thank you my dear Guru maharaja, for your mercy and blessings for providing opportunity to practice Sadhana bhakti in the association of devotees under your guidance. It is said that if we try to please the spiritual master by sincerely following his instruction, then everything will become very easy to practice devotional service, hence I beg your mercy.

Srila Prabhupada, you compassionately have distributed the Krishna conscious knowledge which is the need of the hour and only hope for the world. Your teachings have become more and more relevant to the present day world. You have shown very simple & easiest process of chanting the holy names of Lord Krishna to attain spiritual perfection.

Its is your causeless mercy that even after staying away from Bangalore temple, I got devotee association and, I got the opportunity to be in FOLK hostel at Pune. You have created such a nice institution where all FOLK Guides care and very patiently and politely help us to advance in our spiritual endeavors.

You would be please to know that we have celebrated Sri Radhasthmi in Pune in a grand manner.

Dear Srila Prabhupada

Please accept my humble obeisance unto your lotus feet. All glories to you.

I am touch with Krishna Consciousness for the past 2 years.

I read quote “ The peace of God is with them whose mind and soul are in harmony, who are free from desire and wrath, who know their own soul“ from your teachings, and that is in "Bhagavadh Gita" also.

O master. One more statement given by you master that helps me all the time to remember while praying to Lord Shree Radha Krishnachandra, and keeps me alwaysin touch with God's service.

"Our only business is to love God, not to ask God for our necessities" .

My dear master

Because of you I know a lot about Bakthi yoga and how to practice it, chanting of Mahamantra, ultimate goal of our life, reading your scriptures and books, about Krishna Consciousness, to reach our soul back to Godhead.

What ever is happening in my life is because of my past karma. I am not able to act against my karma because, I'm dreadfully attached in material kind of things.

My dear Srila Prabhupada , please provide an opportunity to do bhakthi and give me your blessings to do service and continue my journey in Krishna Consciouness forever .

Dear Srila Prabhupada

Please accept my humble obeisances at your lotus feet

Living entities are constitutionally existing for Krishna's service, and are part and parcel of His ever-increasing bliss of Krishna

I, as an aspiring servant of the servant of the servant of Krishna, realize that it is only your instructions that are like a lamp illuminating my path back to Godhead. The scriptures say that the words of the spiritual master “open our darkened eyes and fill our hearts with transcendental knowledge.” Thus, if I am to ever reawaken my dormant love for Krishna, I must put my best efforts to perfectly follow your words.

In this spirit, I offer my humble efforts to you, O master, I surrender my heart and mind to your will, and beg for the illuminating bliss of your transcendental words. May you grant me the clarity of mind and peace of heart to understand and implement your desire in this world. May I thus assist your servants in your glorious mission of bringing all the souls back home to Krishna's Lotus Feet.

Dear Srila Prabhupada,

Please accept my humble Obeisances

All glories to Srila Prabhupada. All glories to you on this auspicious Occasion of your Vyasa Puja

First I entered ISKCON temple when I was in the 8th standard for GITAFEST. From that day I started to become close to Sri Krishna because of Srila Prabhupad.

Day by day my life started changing, but I wasn't able to get a clear goal of life. Again in 2018, I joined FOLK, then I realized about real life and real goal of our life. After starting chanting of HARE KRISHNA Mahamantra, I became friend of Lord Krishna, and I found my real happiness with serving Lord Krishna.

Thank you so much Prabhupad for creating such a way to us for becoming friend of Lord; to give a chance to serve him and such an association with whom we get only positive vibes of spiritual life.

Please bless us to continue the service for Lord Krishna, and always show us the right path to reach the spiritual goal of our life.

Your humble Servant,

First of all, I am very blessed to have joined this Hare Krishna movement and I am chanting 4 rounds daily. I like your quotes, sayings, and lectures which I admire the most. And finally, my wish is to continue in this movement and spread this knowledge to people all over the world. I, therefore, request you to please give me the strength and power to overcome this material world and reach the Supreme.

I would like to thank you on behalf of myself and on behalf of everyone who is the devotee of Hrishikesh (krishna). You came to this world to distribute the knowledge regarding what is the prime purpose of human life, regarding what is Goloka, and our Supreme eternal father. I have heard that you travelled all over the world and have spread the Krishna Consciousness movement. Whenever I visit Iskcon temple, I don't know why but positive vibration starts influencing me.

I feel like I am really in Vaikunta ,where there are no pains at all. Anyone can be a devotee ,but to do something special being a devotee is considered to be is very special . And you are the most special person Dear Prabhupada. I know that now, you are in Goloka which is the Supreme Father's abode, and you will be enjoying all kinds of happiness there. One or the other day I wish to come to that abode, and let's enjoy true happiness there .I really love you, O, spiritual master. Thank you very much for spreading the true knowledge to the world . Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy, by bringing me in contact with the movement of Krishna Consciousness. I would like to thank you for blessing us with the Hare Krishna Mahamantra, enlightening us with its meaning, and also giving us the initial taste for chanting, so that we could embark on our journey in Krishna Consciousness. In my limited journey on this path, I have certainly realized one thing, that the understanding and taste for such spiritual knowledge cannot be achieved by any amount of material efforts unless one has the mercy of the spiritual master. I would like to thank you for blessing us with the opportunities to render practical devotional services for the pleasure of the Lord, even though we are not at all qualified for it. By your relentless efforts, your vision into the future and your causeless mercy upon the conditioned souls, you envisioned and started the movement of Krishna Consciousness, which is deeply impacting the lives of millions of living beings, and helping us understand the true purpose of the human form of life - "To attain love of Godhead".

Even though you are not physically present with us in this material world, your instructions in the form of books and lectures make us feel your presence every moment, and inspires us to advance in our spiritual lives.

Dear Srila Prabhupada,

Please accept my humble obeisances.

All Glories to you on this auspicious day of Vyasa Puja.

It's a great pleasure to write this offering to you, because you have been the greatest mentor in my life. By your blessings in the last year (2019), I am able to do various devotional services in your temple. I am constantly in touch with devotees. Without association of devotees, my spiritual progress would have not happened.

As you had said frequently in all the lectures - Athāto brahma jijṣāsā that in order to get out of the bodily conception, one has to increase attachment to or inquiry about Brahman. I have pondered on your statement every time when Maya tries to pull me away from Krishna. I have listened all of your lectures, and found a profound positive change on my spiritual progress. Thank you for your valuable lectures. I am extremely grateful and indebted to the devotees who have served you in the past by recording your videos. Every lecture is a gemstone for fallen souls like me.

My highest desire is that I wanted to attend a lot of kirtans conducted by you, and perform devotional service assigned by you.

As I am a conditioned soul for many years, please give me immense strength to perform dynamic devotional service and bless me with consistency and enthusiasm in performing devotional service to execute the mission of Hare Krishna movement. As you have stated in lectures, *ahaituky apratihātā* (SB 1.2.7), devotional service to Lord Krishna must be unbroken and causeless.

My dear spiritual master, please help me to get rid of vaishnava aparadha if I have hurt knowingly or unknowingly any devotees by my thoughts, words and action. Please help me to get rid of Nama aparadha, if i have not paid attention to holy names while chanting. Let me cleanse all the offenses in my past and impurities inside me by rendering devotional service.

In the forthcoming years, I want to be consistent in devotional service and also I want to gear up to do preaching outside to promote your teachings of Krishna Consciousness especially book distribution service. My goal is to offer Lakshmi

(Money) to Krishna temple. So please help me to use my intelligence to the highest extent, and earn money for the satisfaction of Krishna alone and not for my senses. In this way, I can keep myself engaged in active devotional service. Only by satisfying the devotees by fulfilling their mission, I will feel happiness.

My dear guru maharaj, I am not a pure devotee but I am trying my best that I can make a clean exit from the material world by rendering devotional service to Krishna and his devotees, ultimately going back to godhead.

Your humble and fallen servant,

Bhakta Hari Krishnan.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I don't have enough words to thank you for all the mercy you have showered upon me. I am in no way qualified for all the opportunities I have been given to right myself and direct my attention towards serving Krishna. I have been blatantly

ignorant of all those opportunities and have been pursuing my own agenda deviant from the principles you have been teaching. On this auspicious occasion of your Vyasa puja, I humbly pray at your lotus feet to please help correct my wrongs, guide me on to the right path when distracted and give me the strength to follow the least of your instructions. There is no ample amount of words I can use to supplicate for your mercy, forgiveness, and compassion. Thank you very much Srila Prabhupada.

Dear Srila Prabhupada

Please accept my humble obeisances. All glories to your Divine Grace

You are a pure devotee who appeared to take all the fallen souls back to Godhead by spreading Lord Chaitanya Mahaprabhu's Sankirtana Movement. You are teaching us as an example to fulfill spiritual master's instructions. Chaitanya Mahaprabhu said that one day Hari Nama will be glorified in each village and corner of this world, which became true because of Your Divine Grace. You are so merciful that at the age of seventy, you went to a foreign unknown land to spread Lord's name, to please guru and Krishna only, which marks your presence as a pure devotee at the epitome of bhakti yoga.

Your divine instructions are like soothing shelter which keeps us protected from blazing fire of this material world. The waves of Hari Nama Sankirtana have started, and the ripples of these waves are going to touch each and everyone in this world irrespective of their caste and class in the form of prasadam and sankirtana. Your each and every word of Bhagawad Gita and Srimad Bhagawatam penetrates our heart and cleanses it. Your lectures are the seeds of devotional service, which will fructify in the association of devotees. Your unconditional love for Krishna inspires us to achieve the highest perfection of the human form.

Oh! my divine spiritual master, only you can take me back to Godhead through your instructions. Kindly keep me protected from this material world through devotees' association, and help me to advance rapidly in the devotional service.

Your humble servant,  
Bhakta Harshit Gupta.

Dear Srila Prabhupada

Please accept my humble obeisances unto your Lotus Feet on this auspicious occasion of your Vyaspuja

Hare Krishna

Thank you for giving all of us an amazing opportunity in the form of ISKCON Temple. The temple gives all of us a chance to serve the Lord. We are able to render services to God as well as all the devotees of God, because we get the association of such highly qualified and honest devotees who make the process of bhakti for all very easy.

Thank you Prabhupadji for the hard work which you had put in to convert Bhagwat Gita from Sanskrit to English and Hindi so that we people can also understand it. Thank you for your guidance in the form of your teachings, which are priceless and they have made all of our lives better. You have made the entire process of bhakti very simple, so that everyone can follow and finally reach Goloka and meet the Lord himself.

At times when we people get misguided in life, kindly keep on guiding us in the right direction.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasapuja.

I would like to begin by elaborating on the phrase "All glories to Srila Prabhupada". A few weeks ago while contemplating my journey in Krishna Consciousness, I realized how no matter how much we glorify you, it would always be less, and there is always an opportunity to glorify you endlessly. It is only because of your causeless mercy that it is possible for us to be engaged in writing this Vyasapuja offering for this auspicious occasion. I sometimes tremble to even think how I would have been ignorantly running behind material pleasures with false hopes, even without realizing the grave blunder I would be committing. As the prayer we sing regularly conveys, you came as a savior for all of us, and by the torch of knowledge you immediately remove the dense covering of ignorance and gift us with "real eyes" to see things as they are. The more I hear and read your lectures, your room conversations, your books, I realize how you exhibited by personal example that we need to disregard all the bodily and temporary inconveniences to ensure smooth and uninterrupted execution of devotional service. The simple fact that it would take an average human to spend decades to be able to carefully read and understand the writings and translations you performed in a short span of a few years, is a testament to the fact that you left no stone unturned to ensure that the fallen and degraded people of this age have the rope of devotional service to save them from this deep pit of ignorance. Thank you for unlocking and revealing the most confidential knowledge about devotional service, demystifying it, and allowing us to practice the highest philosophy simply by chanting His Holy Name. No amount of words are enough to express the gratitude we have towards you.

I simply beg at your lotus feet to continue to shower your blessings and mercy on this fallen, conditioned, and wretched soul. Please empower me with the strength and determination to continue to try to serve your lotus feet, with sincerity, love, and devotion.

All glories to Srila Prabhupada,

Your insignificant servant,

Bhakta Harshit Sethi.

All Glories to Srila Prabhupada,

Please accept my respectful obeisance at your lotus feet

Firstly Prabhupada I want to thank you for accepting me as your child, and for giving me Hare Krishna Mahamantra

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

And thank you again for giving a beautiful organization. And I want to thank God that he gave such an opportunity of interacting, and sharing time with Krishna and his devotees. Only a few people get such an opportunity to realize himself that who am I? I know it was full of difficulties in your life to spread this ocean of love of Krishna to human beings.

I learnt a lot from your life as my Spiritual Guru, and am still learning from your teachings. Thanking for giving Bhagavad-gītā As It Is In which I learnt various things about life; how to treat people, how to live, and how to help others. Before this, as I was not in this organization, I was nothing but a simple man who is living in the material world full of maya.

Guru will always know about his children, and their ability and mentality. I know my guru is always with me. Help me again in the bad track of the material world.

So at last, I want to thank your devotee Sundara Govinda Prabhu and Lord Krishna who gave me a chance to join FOLK, and learn various rituals which I could never forget in my life.

Your humble servant,

Bhakta Harshith A.

Dear Srila Prabhupada

Please accept my humble obeisances

All glories and glories unto your lotus feet

I am reading your biography. Slowly getting to know you, your specialty, your mercy, your anger, and finally your humility. I am slowly becoming attached to you. Sitting beside you everyday chanting and looking at your lotus feet is the calmest part of my entire day. Srila Prabhupada, reading your pastimes, instigates me into deep mood of gratitude. Also, I have a constant feeling of not being able to payback for all that you have done. I know I cannot offer anything in return, but please give me an opportunity for my satisfaction.

I feel closer to you every day, reading about you, listening from you, and it seems to be growing constantly. You personally reciprocated with me twice in my dreams. The first one involved me trying to get away from the cops who were chasing me. I finally got caught, and behind the bars where I was seated on the floor. Surprisingly from the back you whispered in my ears, "BE SERIOUS". I immediately got up from my sleep which I had never done in my entire life. The second one was just recently where we were sitting on the same bench in the "Plaza of the Americas" at the University of Florida. I was sitting on one end, and you on the other. It was a white bench, and devotees were serving prasadam to the university students. Sitting on the other corner of the bench, you gave me one of your books and asked me to give it to that one person who was in the queue for prasadam. I was so happy that for the first time you had given me a service to do directly. I immediately took the book, and proceeded to give a book to that person. To my surprise, I couldn't find that person at all. I roamed here and there looking for that person, but all in vain. I was totally embarrassed that I could not finish the first service that you ever gave me. From that day, my quest for book distribution started. Although, I distributed some books after that, I still reminisce your first order that I couldn't do.

Dear Srila Prabhupada, you already accepted me as your disciple, but personally giving instructions to me. Krishna brought me to you, I did not understand your mercy in the beginning. You did not give up on me. You instructed me personally to be serious when I was totally unworthy. You brought me into devotees' association. You made me do service unto you. Ygave me personal association with you by giving me an opportunity to offer puja to you. All this time, its been you, and I feel empty like I did nothing.

My heart is empty. I hope my anarthas are going away. I am waiting for you to instigate a spark of love inside me. Just a little, to you, to Nityananda prabhu, to Gadadhara Pandit, to Chaitanya Mahaprabhu. I'm thirsty to taste that love. I can't wait to totally surrender unto you grossly and subtly, after which I believe my real devotional service to you begins. I realized that it's a gradual process, but my endeavor will always exist. As I always pray to you; whatever happens don't leave my hand. Don't let go off my hands holding your lotus feet slip from it even for a moment. I desire nothing other than understanding your desires, and becoming an instrument.

At the end of the day Srila Prabhupada, I want to see you smiling. Smiling with the satisfaction of all your disciples truly serving unto your lotus feet. By this, my life would be successful.

Your eternal disciple,

Bhakta Hemanth Kumar Muruges.

Dear Srila Prabhupada,

My humble obeisances unto your lotus feet.

Thank you for being a source of great knowledge and inspiration. I have looked up to you like so many others in this Kaliyuga for advice and guidance. You have always shown us the light, and have never let us down.

They say that the best things in this world are free. This is indeed proven by you as you have given us the greatest gift in return for accepting you as our Guru - The Hare Krishna Mahamantra. Through chanting, even the most lost soul can be set on the right path towards the truth.

Your enthusiastic personality, courage, and wit constantly inspire me to be a better human being in this society. That is why I am constantly reading your books, and listening to your recordings. It serves as an infinite source of energy, and boosts my morale. My life would be incomplete without the association of your devotees through the legacy you left behind. Thank you for accepting me as your humble servant.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Before I joined Krishna Consciousness I was very stubborn guy, and I used to not obey my parents, and I was also in depression. Then one day for peacefulness, I went to ISKCON Vaikunta hill. There I met Keshava Balaram Prabhu. Prabhu started to introduce himself, and he was saying about pastime of Krishna. He also told the benefits of chanting. Then after that I followed all his instructions. My life changed. Now I am seeing my life in a positive way, and moreover I have less material desires because of joining Krishna Consciousness. Prabhupada you have played a very important role in my life for the better transformation.

Thank you Prabhupada for giving me such a beautiful FOLK Community.

Dear Srila Prabhupada,

Please accept my humble obeisances onto your lotus feet.

All glories to Srila Prabhupada.

I am very fortunate to have the opportunity to write to you on the auspicious day of Vyas Puja offering. Talking about the FOLK Hostels; your FOLK hostel provided me a peaceful place to live and parsadam to eat. Joining this hostel helped me a lot to settle down and look upon to reality of life. It opened my eyes to look beyond my thinking and generate curiosity to know about the ultimate truth.

Every time I read a book written by you or watch your recordings or listen to a devotee explaining excerpt from Bhagavad Gita or Srimad Bhagavatam, I get an answer to a question or solution to a problem or reason for the situation that I may be

seeking either consciously or unconsciously. Your preachings, teachings, interviews, and books, had been and will continue to positively influence my life and my thoughts about life and the living beings.

I also deeply appreciate initiatives taken by Akshaya Patra and many more that is all because of your guidance and mercy. I also believe it's all your great mercy that I came in touch with Krishna Consciousness.

Thank you.

*guru charaṇāmbhujā nirbharabhaktaḥ  
saṁsārād-achirād-bhava muktaḥ*

*“Only by being dependent on the lotus feet of one’s guru one can get salvation from the cycle of birth and death.”*

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories to your Divine Grace!

On this auspicious occasion of Vyasa Puja I can say for sure that “Life is all about those unexpected encounters that slowly alter the course of one’s life”. One such significant encounter in my life is with you.

It’s been almost 4 years since I came in touch with your teachings and they have altered almost every subtle aspect of my life – from thoughts, experiences, to the basics of food habits. It is all due to your divine grace’s intervention in my life and I can never thank you enough for that.

There have been so many instances in my life that I don’t have any explanation for. This reminds me of your teaching that Krishna is the supreme mystic and we cannot understand them by our limited senses. Reflecting back, I cannot think of a

single action that would bestow the grace of Krishna on me but then I have you. Words cannot glorify you enough for the causeless mercy that you have bestowed upon me.

This year has been a challenge Gurudeva, from the transition into a working professional to the pandemic that has engulfed this world, there is hardly any constant left. The dynamicity of this world has left my mind rattled. In these times when the world is covered with all types of dark cloud, the silver lining is your teaching that we should be confident, that in all circumstances, Krishna will protect us from all difficulties.

Let your mercy be my armour and your teachings be my weapon in this material world.

Seeking your shelter and aspiring to serve you,

Bhakta Ishaan Abhinav.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me and my family with Krishna bhakti. Oh, Ocean of mercy, it is because of your causeless mercy that brought me in contact with you and with the movement of Krishna Consciousness. I would like to thank you for giving me the strength to bear all trials and troubles in life's journey and overcome them with the power of the holy name. I would like to thank you oh master, for giving us the Hare Krishna Maha-mantra, enlightening us with its meaning, and also giving me the initial taste for chanting, so that we could embark on our journey in Krishna consciousness. In my limited journey of Krishna Consciousness, I have fallen many times, completely deviated from the path sometimes but I have certainly realized one thing that you, Srila Prabhupada have always guided me and never left my hand.

I would like to thank you for blessing me with the limited opportunities that I had to render devotional services for the pleasure of the Lord, even though I was not at all qualified for it. I offer my respectful obeisances on to your lotus feet.

Even though you are not physically present with us in this material world, your instructions in the form of books and lectures make me and many aspiring devotees feel your presence every moment and inspire us to advance in our spiritual lives. Oh, Prabhupada how can we forget the powerful voice of yours, chanting and dancing in the tunes of Hare Krishna. Thank you Srila Prabhupada for showing us how to always be energetic and yet stay humble in our behaviour.

Please continue to shower your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of your Lotus feet that can help me stay focused and disciplined in my Spiritual life. Words are not enough for me to express the gratitude and reverence for your mercy upon us. I do not know whether I am fortunate enough to offer you any services Srila Prabhupada. I just want to pray to you that please guide me and keep me humble in the journey of Krishna consciousness so that somehow or the other I remember you always and never be forgetful of you Srila Prabhupada

Your servant,

You have given us Lord's Holy name to cross over the illusion of the material world. Personally, after connecting to ISKCON, I have seen immense change in my life. Now by yours and Lord's mercy, I left eating meat and spending more time in chanting Lord's Holy names. So, please bless me that I can spend more time in chanting and remembering Lord's lotus feet. Please bless me so that I shall become more dependent on the Lord.

ನನ್ನನ್ನು ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯಲ್ಲಿ ನಡೆಸುತ್ತಿರುವ ನಿಮಗೆ , ನನ್ನ ಭಕ್ತಿಜೀವನದ ಪ್ರತಿಯೊಂದು ಹೆಜ್ಜೆಯ ಶ್ರೇಯಸ್ಸು ಸಲ್ಲಬೇಕು.

ಭಕ್ತರೆಲ್ಲರಿಗೆ ನೀವೇ ನಿಜ ಸ್ಕೂರ್ತಿ

ನಿಮಗೆ ಸಮರ್ಪಣೆ ಎಲ್ಲಾ ಕೀರ್ತಿ

ಜಯ ಜಯ ಪೂಜ್ಯ ಭಕ್ತಿವೇದಾಂತಿ

ನನ್ನಿಂದ ಯಾವುದೇ ತಪ್ಪು ಆಗಿದ್ದಲ್ಲಿ ಕ್ಷಮಿಸಿ ಸದಾ ನಿಮ್ಮ ಸೇವೆಯಲ್ಲಿ ನಿರತನಾಗುವಂತೆ ಅನುಗ್ರಹಿಸಿ. ನಿಮ್ಮ ರಚನೆಯ ಪುಸ್ತಕಗಳೊಡನೆ ಮತ್ತು ಭಕ್ತರೊಡನೆ ನನ್ನ ಒಡನಾಟ ಇನ್ನಷ್ಟು ಮತ್ತಷ್ಟು ಮಗದಷ್ಟು ಹೆಚ್ಚುವಂತೆ ಕರುಣಿಸಿ ಗುರುಗಳೇ.

ಇಂತಿ ನಿಮ್ಮ ದಾಸಾನುದಾಸನಾಗಲು ಪ್ರಯತ್ನಿಸುತ್ತಿರುವ

ಭಕ್ತ ಜಗದೀಶ್ ಮೋಹನ್.

Dear SRILA PRABHUPADA,

Please accept my humble Obeisances unto your lotus feet.

I am in touch with Krishna consciousness for around the past 2 years and I have been chanting 16 rounds Hare Krishna Maha-mantra for around 1 year. Thanks a lot my dear Srila Prabhupada for giving me this Hare Krishna Maha-mantra. Because of this, my life was changed, my concept of happiness changed and my desires also changed. It is said in scriptures I can't approach Our dear Lord SRI RADHAKRISHNA CHANDRA.. directly, but I can approach Lord Krishna through bonafide spiritual master like you... Entire Vedic literature concludes that Surrendered to Lord Krishna through bonafide spiritual master. Please remove all my material desires, please award me the pure devotional services and BHAKTI unto your lotus feet.

Your fallen servant of servant, Bhakta P T Jagadeesh.

Dear His Divine Grace A. C. Bhaktivedanta Swami Srila Prabhupāda,

*om aṣṭāna-timirāndhasya jṣānāsjana-śalākayā  
cakṣur unmīlitam yena tasmai śrī-gurave namaḥ*

“I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.” This gives the definition of the *guru*. Everyone is in the darkness of ignorance. Therefore, everyone needs to be enlightened with transcendental knowledge. One who enlightens his disciple and saves him from rotting in the darkness of ignorance in this material world is a true *guru*.

I offer my respectful obeisances to my eternal spiritual master, His Divine Grace A. C. Bhaktivedanta Swami Prabhupāda.

By offering obeisances to my spiritual master, I am offering respects to all other *ācāryas* in the disciplic succession – to Śrīla Prabhupāda’s *guru*, Bhaktisiddhānta Sarasvatī Ṭhākura, to his *guru*, and so on, to the six Gosvāmīs, Lord Caitanya, and Lord Kṛṣṇa Himself. Only by the grace of Śrīla Prabhupāda, can I bow down in the temple, prostrate at the Lotus feet of Gaura-Nitāi, Kṛṣṇa-Balarāma, and Rādhā-Krishnachandra and have access to Their mercy.

*guru-kṛṣṇa-kṛpāya pāya bhakti-latā-bīja  
[Cc. Madhya 19.151].*

Because of you, I, the most fallen soul, could access *Bhagavad Gita* as it is. I could taste the nectarine bhakti rasa of *Krishna Prema*. You are always available to me through your books. I get all the time doubts cleared by your teachings. It is You, who made me realize the purpose of my human life and the importance of time using it for more for spiritual activities.

I sincerely thank you

For all the books and literature

For the temples you have built

For the preaching system created by you

You made such difficult task, “*Susukam*” easy and enjoyable

You have taught me, how to dovetail all my materialistic activities to Krishna. In this way, I can spiritualize my activities and existence.

You have taken out the darkness in my life through the torch of Divine knowledge.

Practically speaking I have observed the following things happening to me.

Now I work only for the satisfaction of Krishna.

By doing this, I am not bothered by the anxiety of result.

I am accepting the result as your Prasad.

In short, I am able to do my work as *Iswara Arpana Bhavana* and accept the result as *ishwaraprasada*.

My frequency, intensity, recovery time from anxiety is decreasing day by day.

I am worshipping every day. I am offering and honouring Prasadam.

I am doing Kirtan every day.

I am chanting.

I can practically feel the reciprocation by Guru and God in difficult times.

My life was full of zeros. You added Krishna before them and given a Divine value.

I am able to understand that the whole creation is helping me to go near Krishna.

Whenever I hear your voice, all my fear, anxiety, uncertainties vanquish. Just like all animals run away with a lion's roaring.

*tasmād yuvām grāmya-paśor mama mūḍha-dhiyaḥ prabhū*

*andhe tamasi magnasya jñāna-dīpa udīryatām (ŚB 6.15.16)*

Because you are great personalities, you can give me real knowledge. I am as foolish as a village animal like a pig or dog because I am merged in the darkness of ignorance. Therefore, please ignite the torch of knowledge to save me.

Your most humble insignificant servant of the servant,

Bhakta Jagdish Chattrnalli Dr.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of your Vyasa-puja. In SB 3.9.8, Lord Brahma addressing to Supreme Lord Vishnu says, "O great actor, my Lord, all these poor creatures are constantly perplexed by hunger, thirst, severe cold, secretion and bile, attacked by coughing winter, blasting summer, rains and many other disturbing elements, and overwhelmed by strong sex urges and indefatigable anger. I take pity on them, and I am very much aggrieved for them." In the purport to this verse you have mentioned, "A pure devotee of the Lord like Brahmā and persons in his disciplic succession is always unhappy to see the perplexities of the conditioned souls, who are suffering the onslaughts of the threefold miseries which pertain to the body and mind, to the disturbances of material nature, and to many other such material disadvantages. Therefore, unless the devotees of the Lord take pity on them and teach them the right path, their lives are hopeless failures. The devotees of the Lord who voluntarily take the responsibility of raising the foolish materialistic sense enjoyers are as confidential to the Lord as Lord Brahmā."

Your Divine grace is one such confidential servant of the Lord whose position is very exalted. You are a great fortune for the entire mankind. It's only by Your causeless mercy a countless number of fallen souls like me is getting the opportunity

to come out of all the aforementioned miseries of material existence. What a great opportunity it is for oneself? If you would not have saved me then my life would have really a hopeless failure and over and above you made the process very easy and sublime which is possible for anyone to follow. You gave us Holy names, delicious Prasadam, Kirtans, Books, Devotee association, Temples, Deities and what not? Still am so fallen and unfortunate that I don't have enough attachment towards your lotus feet. Your books are matchless gifts for mankind. Reading Bhaktivedanta Purports is true bliss. Your purports are precise and sharp enough for cutting the knots of illusion. This year one significant thing that happened in my Krishna conscious journey is that by your grace I started reading Srimad Bhagavatam and completed 1st, 2nd and 3rd canto volume-I. Your purports are very helpful in maintaining proper consciousness and progress in Krishna consciousness.

Recently in the Bhagavatam class, HG Madhu Pandit Prabhu while explaining your qualities has shared a wonderful pastime where you have exhibited an exemplary level of tolerance and compassion towards few of your initial disciples who were troubling you in many ways, by saying that "If not Krishna consciousness, what else can change them in this creation." Who can be more compassionate than you? Therefore, I consider myself to be very fortunate to come in touch with a pure devotee like you and your organization ISKCON Bangalore. In the purport to SB 3.9.24, you have mentioned that "Unless one is sufficiently protected by the Lord, he may fall down from his spiritual position; therefore one has to pray constantly to the Lord for protection and the blessing to carry out one's duty." My only prayer to you on this auspicious appearance day of yours is to please always engage me in your service by keeping me in the association of the devotees by forgiving me for my offences at your lotus feet and at the lotus feet of your disciples. Thank you Srila Prabhupada for everything that you have given me. I am eternally indebted and ever grateful to you. Loving Spiritual Master, Saviour of the whole world, Jagadguru Srila Prabhupada ki Jai.

Your Unworthy aspiring disciple,  
Bhakta Jalandhar.

Dear Srila Prabhupada,

I offer you most humble, worthless prostrations before our eternal saviour, our preceptor and master, our heart and soul, our dearest Gurudev, Srila Prabhupada. It will be the most fortunate day in anyone's life when he hears and understands your divine pastimes, your unbounded compassion for the suffering mankind, and your unflinching faith in the blessings of your spiritual master, the disciplic succession, Sri Chaitanya Mahaprabhu and Sri Sri Radha-Krishna. There were phases of no hopes in any direction of life, by your compassion, guidance saved me and have given a completely new meaning for this life, which is nonetheless Your causeless mercy alone. Your Lilas are seamless which even an ordinary person can recognize. Once a visitor shared, Lord is attracting people to temple, it was very true and you have brought that Lord here! If you were not there, Srila Prabhupada what has happened to us! There would be no word of Krishna in our life! If we are somehow thinking of Krishna today, speaking about Krishna, if something is successful, all that credit belongs to You, you are the owner of it, all glories to you, my eternal father!! And it's never that we speak, it's always You speak through us.

I seek your special blessings and spiritual strength. Srila Prabhupada, Your Divine Grace is a lover and possessor of the holy name of Krishna and you demonstrated your unflinching faith in the holy name. Therefore on this blessed occasion I pray at your divine feet and beg from you unflinching faith to chant the holy name of Krishna, the Hare Krishna maha-mantra.

Your servant,  
Bhakta Jambunatha Koni.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to your divine grace. It is difficult to describe in words the gratitude I have towards you. I was but a lost sailor on this sea of life, and you are the beacon of light that is showing me the way forward like you are doing to innumerable souls. I am not blessed with such knowledge as to shower the apt praise upon your holy feet. If the One who helps in discarding darkness and turning towards Light is the Guru, then Your Holiness is my Guru, my God.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet on this auspicious appearance day of Your Divine Grace.

It is said that the appearance and disappearance of Lord Krishna and His pure devotees are transcendental. I am really grateful to get a chance to glorify You on this transcendental day. I have always admired Your books. It is Your conviction about Lord Krishna that is profusely flowing through Your books and we also get that same conviction when we read them. It is said that when You were translating Chaitanya Charitamrita, devotees were trying to publish the books but could not cope with the speed of your translation. So sometimes I wonder how somebody can translate such voluminous books with so much clarity in such a short period of time. But now pondering upon your statement where You said "It is Krishna who

was translating these books and using me as instrument” clarifies some of my wonder struck. On the similar line I remember one of your pastimes where you just finished giving class on Srimad Bhagavatam and went to your room. After this some devotees came to Your room to ask something and saw that Your Divine Grace was listening to your own recording. Then devotees asked you “Prabhupada, why are you listening to your own recording?” To which you replied that “It is not me who was speaking during the lecture.” This shows that Lord Krishna was acting through His Pure devotees.

In my last Vyasa puja homage offering, I prayed at your lotus feet to bestow your causeless mercy to get the strong faith in the scripture and Lord Krishna, the Supreme Personality of Godhead. Now when I look back and see myself, my faith in Scripture and Lord Krishna has definitely deepened and I see no other reason than your mercy flowing through your books. Your books have definitely helped in understanding Lord Krishna and His loving nature towards all the living entities which helped in building that loving relationship with Krishna.

I always wondered in my initial days why devotees so enthusiastically glorify you during kirtan even more than Lord Krishna. But now with a considerable amount of time spent, I understand why devotees love you so much and it is very natural for anybody who gets to know about your life and selfless service to the entire humanity. And I got a chance to understand you whatever little possible by reading your pastimes from “Srla Prabhupada Lila” app developed by ISKCON Bangalore devotees. I am very much grateful for this compilation of Your Divine Grace's pastimes. I feel blessed to have a Spiritual Master like you when I hear so many negative stories of bogus gurus in general.

I am also very grateful to Your Divine Grace for giving this matchless gift of Hare Krishna Maha-mantra which I started relishing recently. I am very much thankful to you for keeping me motivated and pushed me to stick to the process of chanting even though I was not relishing so much. From this I remember your statement where you said “Quality or no quality, first quantity”.

Words are not sufficient to glorify a Spiritual Master like you. I pray to your lotus feet to always shower your causeless mercy and ignore any offenses caused at your lotus feet knowingly or unknowingly. I also beg to protect me from Maya by your constant remembrance.

Jagad Guru Srila Prabhupada ki Jay!

Your aspiring disciple,

Bhakta Jayant Golhar.

Dear Prabhupada,

Please accept my humble obeisances.

I experience peace, calmness, happiness, clarity in thinking whenever I do Sadhana and I will try to do it consistently. Amidst various circumstances of life, I hope I will improve quality of my speech, thought and action day after day using the prescribed Sadhana besides self-introspection. I pray to you and Lord Krishna to bestow me the necessary will power to be regular in Sadhana, may the devotees who I am in touch with also inspire me.

I thank you from bottom of my heart for providing easy and effective means for practicing Krishna consciousness. I wish to do my part as much as possible to support the movement, which shall bring positive change in lives of people who take up Sadhana, as it did to me.

Dear Srila Prabhupada,

My name is Jeevan P, studying in 5th Standard. This is an offering for you.

Srila Prabhupada, my guru, thank you for everything that you did for me in my life.

When I hear your pastimes like you would make a small chariot and make Jagannath, Baladev and Subhadra mayya sit on it and do Ratha Yatra, I feel so proud to be a devotee of Kṛṣṇa. Without your blessings, we could not even move one step in life. I hope I also get a chance to do Ratha Yatra as you did. I always want to be a Kṛṣṇa devotee. Let your blessings be on me.

Thank you Srila Prabhupada.

Dear Srila Prabhupada

Please accept my humble obeisance. All glories to you on this auspicious day of your vyasapuja.

First of all I am very happy for knowing the real problems of life which are birth, death, old age and diseases. So in my life I can manage all the temporary problems nicely. Chanting gives me confidence to detach from envy. I left non vegetarian and therefore it gives me good physical and mental health. I gave my future to Krishna so I don't have much worry about my future. Srila Prabhupad, please bless me to chant more attentively and save me from the ocean of birth and death. Make my father and mother your devotees.

## Bhakta Kamalakar M A

Dear Srila Prabhupada,

Please accept my respectful obeisance unto your lotus feet. All glories to you.

Thanks once again for giving me the opportunity to write this letter for the fourth time. In this world of darkness, you appeared as a torchbearer. In this world of sufferings, and problems you appeared as the only solution. When everyone was engaged in useless activities in this material world, you made everyone aware of the real purpose of life. You provided the means by which one can go back to Godhead and be with Krishna, the Supreme Personality of Godhead. There are various scriptures available to understand who is God and what is the relationship with him, but due to our weak minds we are not able to understand, through your mercy it is through your association of devotees, I got the opportunity to read the scriptures where through your easy wordings it became easy for me to understand. I consider myself to be most fallen and the most sinful in this world, in spite of that you have shown mercy on me and I had the great fortune of coming in contact with the devotee in Aug 2016. Inspired by his spiritual knowledge and purpose of human life. Every day I used to hear past times of the Supreme Personality of Godhead, during that time I also got the chance to read the books “civilization and transcendence”, “the journey of self-discovery”.

Those books made me come to the temple on Sep-16 for attending the program 'Yoga for happiness'. I remember most about that day was how warm and kindhearted everyone was. From that time, I attend regular temple programs every Sunday. With your blessings, I also got the opportunity to do service on Sundays after kirtan and attend evening classes in folk. With your blessings this time I got the opportunity to travel holy places Mayapur, Kishkindha, Vrindavan, Tirupathi, Kalahasthi and Udupi for Shree Krishna Chaitanya Mahaprabhu Sambhramotsava and also Hyderabad for temple inauguration in the association of devotees where I got the opportunity to hear more pastimes of Lord Chaitanya and devotees in Mayapur, Bhaktha Hanuman and Lord Rama's pastimes in Kishkindha. I also got to hear more past times about the Supreme Personality of Godhead. I also got some opportunity to do service in the dham, I got the opportunity to touch the floating stone which was used to construct the bridge from Rameshwaram to Lanka during the period of Ramayana, I also got to see the wooden mortar where Yashoda maai tied the Supreme Personality of Godhead which is a very wonderful experience, got the opportunity to play kusti in Ramana Rethi where Supreme Personality of Godhead Krishna and Balarama used to play.

However I missed Dwaraka trip and Jagannath Puri ratha yatra trip. Through you association I also got the opportunity to do service in the temple every Sunday and also on festivals. I also participated in one of the dramas conducted in folk. In spite of all the inspiration, you have bestowed upon me through your pure-hearted devotees, still, I have for so long been shamefully aware of my unwillingness to wholeheartedly follow in their footsteps where I sometimes get confused by the Mayawada bhashan. Last year I got the job opportunity in Saudi Arabia and I moved out of Bangalore due to close the financial issues. I tried my best to get the job in Bangalore so that I will actively participate in temple activities. But unfortunately, I didn't get any offer. However I have cleared my financial dues, where I served my purpose, please give me intelligence and mental strength to move from here and get me back in Bangalore so that I can actively engage in your devotional service along with other aspiring devotees.

As mentioned in most of your books the three modes of material natures are very strong and also I am actively away from the association of devotees, I pray to you kindly give me the intelligence and blessings to continue the rituals daily without fail and help me advance in spiritual education. I pray to you kindly save me from Maya and as soon as possible get me the opportunity to serve the devotees and actively engage me in your devotional service. If I have done any Vaishnava apradha kindly forgive me and kindly help me to advance in spiritual education. Therefore I am begging you, Srila Prabhupada, to please continue to cast your merciful glance upon me through books, speeches and hearings through your pure-hearted devotees, also please give me the opportunity to hear your conversations more and to read your books daily without fail so that in some lifetime this aspiring Bhakta can take proper advantage of your treasure house of good fortune.

I also request please give me the opportunity to do more service with a full heart and save me from Maya which stops me in doing the service until then, I will continue to pray for the day when I am free from the envy, lust, and lethargy and Mayawada bhashan that sometimes block my path. On that glorious day, I will truly know what it means to have joined your Krsna consciousness movement. Currently, I am bewildered with these materialistic conditions and I am very much confused and not able to plan for my future life. Kindly give me the intelligence to make better decisions for my future life which should not affect my Krishna consciousness. With the mercy of your devotees, I got the chance to be part of the association and got know the importance of valuable human life. I am also having fear if I get engaged the second time I may develop ahankara and false ego and may go out of Krishna consciousness, I pray you if you wish getting engaged is the better for my future, please help me in getting a partner who will support me in Krishna consciousness and also actively participate in the same. If you feel second engagement will not help kindly give me the urge and strength to serve the devotee's lifetime. I am completely dull headed and got contaminated through this materialistic condition, please show mercy on me.

Yours Aspiring Servant,

Bhakta Kamalakar M A.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada.

All glories to you on this auspicious day of your *vyasapuja*.

This is the time to show my gratitude & remember your presence in my life .

This year I got some more service in Book Marathon, compared to last year I could distribute & got good realization by your grace .

I am not still sincere & serious to follow your orders though 10 years passed away .

I am feeling helpless & shameful by knowing my pitiful position. Therefore please help & show your causeless mercy upon this insignificant jiva .

But one thing Prabhupada , although I am not serious & sincere, by your grace am still sticking to chant 16 rounds Hare Krishna mantra & able to take prasadam daily .

Maya keeps on testing & at the same time you also keep on holding this worthless jiva to deliver Krishna's abode.

Gurudeva, by your grace only I am able practice KC in this horrible city ( full of allurement ) & continue my little seva to Krishna & your grace.

By seeing & hearing your western disciples' devotion, comparing to them , I am nothing in front of them.

In this Maya's loka , I don't have strength to follow your order & don't have strong desire to please you.

Please please, I am begging to you, again and again, I don't have strength to follow all your orders & please you.

In your preaching lila , please make me instrument , if you desire I am worthy .

Yours insignificant disciple,

Bhakta Kannan.

Dear Srila Prabhupada,

Please accept My Humble Obeisance. All glories to your divine grace.

Prabhupada you taught us how to live by remembering Krishna and His love 24 hours every day. I have understood the importance and goal of human life by listening to your lectures and reading your books. Please always bless us with Your Divine Grace and keep us under your shelter so that we can execute devotional service to Lord Krishna.

Your humble servant,

Dear Srila Prabhupada!

Please accept by humble obeisance. All glories to you on this auspicious occasion of your vyasapuja.

I am very grateful to have a spiritual master like you. I am indebted to you for all what you have given me. I hope I will fulfill those by following the instructions given by you.

I feel myself very fortunate to get in touch with ISKCON, which was established by you across the world. Your teachings on Bhagavad-Gita and Krishna consciousness have improved my life a lot with a positive vibrations. One is very fortunate to have the life of human being. Out of that one who gets in touch with Krishna consciousness is even more fortunate.

You (in the form of your teachings in the books) have made me (and a lot of other souls) realize the purpose of human life. Krishna would have heard my prayers and guided me to your shelter. I am in touch with Krishna Consciousness for 7 years now and I am really improving my life year by year. Human being in this material world faces lot of problems in the form of illusory attractions. To come out of this Maya is not an easy task. This world is a Maya and we are all conditioned souls and not these bodies. And this, I think, is the highest realization of the human life. And I have got this realization because of you. Not just having realization but keeping oneself always motivated and following the path is more important. And I think your teachings are a very helpful and supportive guide which always keeps us moving in the right direction, by remembering Krishna. Your teachings have helped me remember Krishna in every activity of my life.

The Mahamantra - Thank you Prabhupada, for giving us this ultimate solution for salvation - to come out of the cycle of birth and death, the cycle of janma, mruthyu, jara, vyadi. I am able to pass many difficult situations in life with ease by this knowledge given by you about our life and the Supreme Personality of Godhead - Lord Krishna.

Just remember Krishna and everything is so blissful. Every difficulty seems to be insignificant. As said by Krishna in Bhagavad-gita, one should not be over excited in both happy and sad situations. This has changed my life in a very positive way. I now know (though not expert) how to handle situations in life without much distress and sadness. I just remember your teachings and thus Krishna. Thank you Prabhupada for guiding us in the right path and for giving us this platform (ISKCON) for great association of devotees.

Your humble servant,

Bhakta Karthik Chanda.

I am very grateful to you that you are allowing me to be a part despite my irregularity. I know that I am being the last to submit this Vyasa Puja offering, but please do not assess my gratefulness by this. I beg forgiveness for the delay. It is a heartwarming experience being a devotee of Krishna as well as a student of yours. It would be nice to show my gratitude in this way to you. Always keep me in the shelter of your grace and always bless me that I can progress in Bhakti throughout my life.

Dear Srila Prabhupada,

I offer my sincere obeisances onto you. There were many ups and downs in my life and I badly needed a vacation, so I decided to go to Vrindavan. There I visited many temples but by when I visited ISKCON temple it attracted me very much because of its sankirtan, Bhagavatam lectures and prasadam. I was sitting there silently and saw devotees and people enjoying sankirtan which you spread all over the world. I was there for only 2 days. By your mercy, I was fortunate that I got a chance to have a trip with devotees. When I decided to go to Vrindavan I had decided that I will stay there as a person who is not having anything except some clothes and few bucks in the pocket, I will eat only prasadam, sleep where I will find a place(will not check in any hotel). It was not about money or that I am not having money to stay in hotels. But it was curiosity about how people who have nothing still are very happy. So there I was in Vrindavan having nothing still by your grace I got everything, for example, delicious prasadam, a place outside the temple where I slept, a trip with devotees and much more.

When I was leaving, I was thinking how can I always be in touch with Krishna, because I was there I was blissful but as I go back after someday I will forget this feeling I want to be in touch with Krishna. Then by your grace, I came to know about CHANTING - a wonderful tool to connect to Krishna. Then I bought chanting beads and started chanting. Then, after some time, I got an opportunity to be an intern at IISc Bangalore. When I got this opportunity, I was surfing on the internet in Bangalore and found that there is ISKCON temple in Bangalore. I was super excited. On Sunday, I reached Bangalore and

after completing all the document formalities of internship, in the evening I reached ISKCON temple. I was fortunate that on Sunday a lecture was scheduled by my Folk Guide from 8 p.m to 9 p.m. He taught me about your regulative principles and about spirituality. I asked many questions to Prabhu, he answered and then asked me to come for the programme in Choksi hall at IISc campus. By your grace, I came in contact with devotees. One day after delivering a lecture at choksi hall, he asked me to come with them to Mysore for one programme. That experience was very good by your grace it was so good that when Prabhu asked me I was speechless.

Prabhu encouraged for chanting and reading your books. So we started reading Bhagavad Gita and completed one time. It changed my perspective of seeing the world. It helps in every aspect of my life. Now I am very happy with every aspect of my life. Thank you Srila Prabhupada for everything that you have done for me. Thank you Srila Prabhupada, for spreading Krishna consciousness which changed the life of not only mine but millions of people. I offer my sincere obeisances unto you.

Your Aspiring Servant,  
Bhakta Kartikey.

Dear Srila Prabhupada,

Please Accept My humble Obeiscence

In the field of Mathematics, there is an established law that states that an entity of  $n-1$  dimensions cannot explain properly an entity that is of  $n$  or greater dimensions. The reason I felt it's important to mention at the beginning itself is that in this writing what I am endeavouring to do is of a very similar nature. With the limited faculties of my mind and the senses of my body I am trying to write about a conscience which is of infinite nature untouched by any boundaries, hence what I write will be completely my own interpretations. What fascinates me about His Divine Grace is his evolved conscience and his sharp intellectual capabilities. How devoted he was to fulfill his Guru's wish and that too at an age which is beyond the imagination of many. After realizing the truth he had not kept it to himself but he decided to spread it to the world at a time when there were wars and unruliness in the society. How he persevered with the Hippies even though they were not ready to hear him and were humiliating him. What an evolved consciousness he was that at the age of 73 he had left everything and with few pennies in his pocket he dreaded to trod on to a 32 days journey to a foreign land without any planning or place to take shelter. How he overcame the heart attacks and the challenges he faced during the journey but still held on to his determination. Even at a time when communication was so challenging he managed to build an institution across the world in such a small amount of time and that too without any material asset. How he used the latest technologies to record what we want to say all throughout the day so that he can judiciously use his limited time on earth. On his death bed how he had chanted till his last breath and remained planted on his conviction. Lastly, the number of lives he had touched and the process he builds so that the movement doesn't stop after his disappearance is impeccable. How a person who was so devoted to human life and had only come to give to the society without having any intention of getting anything in return and that too at a time when his body doesn't support blows me off and which is why I think that I should stop here as the more I say about him will be less only.

Your Servant,

Bhakta Kaustav Sanyal.

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet. All glories to Your Divine Grace. I would like to start this by offering you my sincere prayers(pranama mantra) to you my dear spiritual master. By your mercy, I was fortunate to know that ‘when a devotee meets Govinda and his spiritual master at a time he should first offer his respect and prays to guru and then to Govinda’ because it is from the spiritual master that one is fortunate to see Govinda.

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale śrīmate bhaktivedānta-svāmin iti nāmine*

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda, who is very dear to Lord Kṛṣṇa on this earth, having taken shelter at His lotus feet.

*namas te sārāsvate deve gaura-vānī-pracāriṇe nirviśeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvatī Gosvāmī. You are kindly preaching the message of Lord Caitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

*om ajñāna-timirāndhasya jñānāñjana-śalākayā cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge.

I don't know if it is due to my past good karma or by the mercy of the Lord Krishna, he blessed me with a spiritual master in this life. By your mercy and kind nature, you accepted me and you are showering your unconditional love each day. There were times where I felt that why I don't have a mutt, why am I not exposed to knowing the scriptures, what is the reality and where am I going. In the most difficult time of my life, you came and uplifted this fallen soul. Words fall short in describing what you have given me now. It is even more difficult to describe what you have given to the whole of mankind.

Your Life is truly an inspiration to all of us. You have crossed all the milestones of life. You have built something which is impossible. I find happiness when I visit the temple each time. I am thankful for giving us such wonderful associations with devotees.

All I pray to you is to not forget me and always give me strength, courage, and will power to always move in the right path without any deviations. Always give me the opportunity to serve you and Lord Krishna. The first enlightening knowledge you gave me was that we are not the body but we are an eternal soul. I would like to pick a few words or sentences from your book ‘Perfect questions perfect answers’(chapter 3. Real goal of life) where you have clearly guided us personally

*Saksad-dharitvena samasta-sastrair uktas tath bhavyata eva sadbhih:*

“The guru should be accepted as God. That is the injunction of the sastra.”

You have also mentioned that “A guru should come in disciplic succession, and he must have heard thoroughly about the Vedas from his spiritual master. He is also an external manifestation of Lord Krishna. If we please God's representative, then automatically God becomes pleased, and thus you can directly see him.

In this age of kali, you have come like Krishna into my life and guiding me every day. I try to remember the amount of sacrifice you have made to start this Krishna consciousness movement by hearing from the devotees and I am always thrilled. I pray to you to always shower your blessings on the entire world. Mercifully bestow the essence of Vedic knowledge onto me and also give me more and more intellect so that I can preach the world about Krishna. Though it is just a few months coming in touch with such association I feel those times were the real quality time I spent in my life.

Knowingly or Unknowingly if at all I have done any bad things please forgive me. All Glories to you my master.

Your humble devotee, Bhakta Keerthi O.

Dear Srila Prabhupada,

Please accept my humble obeisance and gratitude at your divine lotus feet.

I feel very glad and fortunate to be a part of the Krishna conscious club. I am from the scientific background but even though we know about science is creating some happiness in our lives but still, there is lacking in every happiness and I realize that this gap can only be filled by the association with Krishna. I thank you and my spiritual guide who introduces the Krishna conscious to me.

Krishna consciousness clearly explained to me that what is good and what is bad and the real meaning of spiritual happiness.

Thank you Srila Prabhupada for everything that you have given to us and I humbly beg you to continue to shower your blessings on everyone.

Yours sincerely,

To My Dear Spiritual Master Srila Prabhupada,

*nama om vishnu-padaya krishna-presthaya bhu-tale.  
srimate bhaktivedanta-swamin iti namine.*

Please accept my humble obeisances on your Lotus feet.

Thank you Prabhupada for giving me an opportunity to get connected with your True Devotees of Krishna. Really what you taught is wonderful "Simple life High thinking" When I came in touch with ISKCON Bangalore, I started to read your book "Krishna, The Reservoir of pleasure". Now I am reading Bhagavad-Gita As It Is. It contains everything about life like happiness, success, how to overcome sadness. It is about life, body, and soul.

Thank you for such a beautiful Matchless gift for Mankind. It may be Bhagavad-Gita As It Is, Srimad Bhagavatam, Krishna, The Supreme Personality of Godhead, and many more Nectar of books.

Thank you for giving us a Folk weekend Program, where our FOLK guides help us to increase our chanting, solve our spiritual doubts, give more information about Srila Prabhupada. We can get together to know more about Krishna.

Thank you for giving us Chanting. It's a Nectar for us. As you say Prabhupada, Krishna is present in sound vibration, as soon as we chant Hare Krishna mantra. We should chant properly and hear properly. Prabhupada I am slowly increasing my chanting from 10 rounds to 13 rounds.

Thank you for giving us Huge Temples.

Thank you for giving us Magala Arati, we started to get up early to attend Magala Arati. Our laziness has run away because of you Prabhupada.

Thank you for giving us a Beautiful Deities of Sri Radha-Krishna.

Thank you for giving us a Folk Band.

Thank you for giving us Prasadam.

*Om ajnana-timirandhasya Jnananjana-salakaya  
Caksur unmilitam yena Tasmai sri-gurave namah*

"I was born in the darkest ignorance, and my guru, my spiritual master, opened my eyes with the torch of knowledge. I offer my respectful obeisance unto Him"

Without approaching spiritual master we can't approach Sri Krishna...!!!

I am so happy that I completed one year in Krishna consciousness. I need your and Krishna's blessing so that I continue without any obstacles, and be in touch with you forever.

As Prabhupada says in His books "The genuine Guru is God's representative and speaks about God and nothing else.

The genuine Guru has no interest in Materialistic life. He is after God, and God only. Guru represents the Supreme Lord just as a viceroy represent King. Everything Guru says is in accordance with the scriptures and the previous acharyas. Guru always says become God Conscious."

In Bhagavad Gita As It Is 4.34, Sri Krishna Himself says the method of seeking out and approaching Guru.

*Tad viddhi pranipatena  
Pariprasnena sevaya  
Upadeksyanti te jnanam  
Jnaninas tattva- darsinah*

Just try to learn the truth by approaching a spiritual Master, inquire from Him submissively and render service unto Him.

Please accept this small literary offer Srila Prabhupada.

Jagad Guru Srila Prabhupad Ki jai,

Hare Krishna.

I am Kiran Kumar from Kerala, I reached the ISKCON temple just like everyone, Fortunately, I got a chance to attend a Folk Class, afterward my life changed by hearing past times of the Supreme Lord Krishna. Blessing of Jagad Guru Srila Prabhupad and Guruparamparas blessings, my activities have changed. I started regular chanting, one round to 16 rounds, now it's going more than sixteen. Lots of miracles happen by Lord's mercy. Even I saw most of the temple festivals, my mind always thinks to do service, day by day, really it happened most of the special occasions by blessing, Devotional services and attachment with temple Pujaris make me on track of real life. Now my only prayer to Lord is that even my life is good or bad, happy or sad, don't want to forget my Lord, always do service to my Lord, and also chant Lord's holy name. My prayers will reach to Lord only through my Guru, Please remove the darkness from my heart show the light of true life, Always surrendering to your lotus feet please give ur shelter to me.

Srila Prabhupad Ki jai,

Hare Krishna.

My Dear Srila Prabhupada,

I offer my respectful obeisances unto the lotus feet of my spiritual master and unto the feet of all Vaisnavas. I offer my respectful obeisances to Srimati Radharani and Sri Krishna. A Person requires a spiritual master when he is inquisitive to know about the transcendental subject matter. Spiritual master means *tad viddhi praṇipātena paripraśnena sevayā* [Bg. 4.34]. I accept you as my spiritual master where I can surrender myself fully, and offer my service. That is a spiritual master. *Sādhu-mārga-anugamanam. Sad-dharma-prcchāt.*

I am very fortunate to receive the mercy of Prabhupada and Chaitanya Mahaprabhu, simply by Chanting Hare Krishna mantra our relationship with Krishna, our remembrance of Krishna has been revived. So everyone has within him this natural love of God and simply it has to be revived and the process is this chanting of Hare Krishna mantra.

I need your blessings to follow in the footsteps of Bhaktivinoda Thakura who taught devotion to Krishna by his personal example. His life story demonstrates a tremendous amount of courage, character, and perseverance in the face of many difficulties and gives hope to those of us who may be wondering just how to find the time to serve Lord Sri Krishna, His holy names, and His devotees in our ever so busy lives.

I started reading Srila Prabhupada Lilamrta, the pastimes as a young child wanted to have his own cart and to perform his own Ratha-yatra, but there were difficulties as he could not afford to have a cart made. But with the help of old Bengali woman built a three feet high cart attached with traditional wooden horse and driver to the front of the cart, Gour Mohan bought paints, and Abhay personally painted the cart, copying the Puri originals. During the childhood Prabhupada enthusiasm was great, and he became an insistent organizer of various aspects of the festival.

Only by your mercy, I am able to understand, follow your instructions and continuously realize transcendental wisdom till day. Even during this pandemic condition, I am able to have an association of devotees through your organization ISKCON Bangalore. I am hopelessly fallen and lost in this ocean of material existence. I completely depend on your mercy alone to offer Soulful Japa seva to Nama Prabhu, successfully. Finally, I have full faith that just by pleasing you one can attain all perfection and surrendering my soul at your lotus feet.

Please accept my obeisance at your most respectable, dust of your feet.

Your lowest servant,

Bhakta Kiran Kumar K U.

Dear Srila Prabhupada,

I have been very fortunate to have joined the Hare Krishna movement. I have been following Krishna consciousness for the last 2 years and 6 months and now I am completely changed. During my M.Tech days, one of my friends asked me to join with him to this movement, I attended the session and I liked it very much. When I came to Bangalore, I attended Yoga for Happiness session and I also got a chance to stay in temple premise for 1 night and 2 days, where I was lucky enough to attend Mangala arati. I have seen your documentary video of how you established this movement in the world. After watching the video, I couldn't even imagine what you went through to establish this movement. We all are very lucky that we are at the receiving end of your hard work. I have visited many historic places (Mayapur, Vrindavan & Mathura, Puri, Ratha yatra in Puri, Udipi Dham) under this movement. I got to learn past times of all those historical places and those spiritual trips have helped me immensely to follow Krishna consciousness. Even if we are far away from the association of like-minded devotees, your disciples always keep motivating us to chant more rounds of Hare Krishna maha-mantra. I have learned many life lessons after joining this movement and those have helped me to maintain a calm posture every time. I also have learned the importance and purpose of life after joining this movement. Overall, I must say I have received

numerous benefits from this movement and I try to impart the same to my friends and family. Mere words are not enough to express how great things you have done for this mankind. I would just like to tell you that many people are grateful to you for what you have done, and I am one of them.

Yours sincerely,

Bhakta Kiran Kumar Nayak.

Dear Srila Prabhupada,

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale  
śrimate bhaktivedānta-svāmin iti nāmine*

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at His lotus feet.

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe  
nirviśeṣa-sūnyavādi-pāścātya-deśa-tāriṇe*

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvati Gosvami. You are kindly preaching the message of Lord Caitanya Deva and delivering the western countries, which are filled with impersonalism and voidism.

Dear Srila Prabhupada, Please accept our humble obeisances at your Lotus feet. Seeking your mercy to glorify Your Divine appearance and activities. It has been 54 years since you incorporated ISKCON at New York City with compassion for suffering humanity due to forgetfulness of Krishna.

Before leaving for the west in 1966, Srila Prabhupada, you were engaged in deep bhajan & sadhana for many years at Radha Damodar temple, Vrindavan. It all began here, taking inspiration and mercy from Srila Rupa Goswami, you were preparing to present Krishna consciousness to the whole world. At the same time, Lord Krishna had created the ground in the west by cultural renaissance.

Once a librarian and an Indian Army officer advised Prabhupada to write books, a permanent contribution, instead of newspapers which were soon discarded. Prabhupada chose Śrīmad-Bhāgavatam because it is the most comprehensive and authoritative Vaishnava scripture. It is very inspiring to remember your Lila at Sri Radha Damodara temple in Vrindavan. Hayagriva Das memorialized in his book 'Vrindavan Days', Srila Prabhupada at Radha Damodar:

“I’m simply Vrindaban’s messenger,” he says humbly, his demeanor suddenly very serious and reflective. “Vrindaban is revealed in the heart of the sincere devotee. In reality, it is not on any map, nor is it part of any country. It was in Vrindaban that I first began writing, not for name and fame, but because my Guru Maharaj told me, ‘Spread the gospel of Krishna in the English language.’ Although he gave that instruction in 1935, I hesitated, not knowing how to go about it or how to write. Then, twenty years later, my Guru Maharaj began appearing in my dreams, telling me to give up householder life and go to Vrindaban. After several of these dreams, I knew that the time had come. My children were grown, and I could leave my wife in their care. So, I came here, and eventually, by Krishna’s arrangement, stayed at this most sanctified place, Radha Damodar. It was here that I began writing. I thought, ‘It may be published, or it may not be published—that does not matter. I will write for purification, that’s all.’

“Actually, it was my Guru Maharaj speaking through me. But I was not very expert at writing, as he was. Oh, he was a most erudite man, most refined and expert, a gentleman, a Vaikuntha man. Because I had never written before, there were so many grammatical discrepancies, yet I had to write. The subject matter was so important, so urgent. So I wrote those first three volumes of Srimad Bhagavatam, the First Canto. All of our philosophy, everything you need to know, is in those first three volumes. By Krishna’s grace, I managed to collect money to get them printed, and I took them with me on the boat to New York, I didn’t go to America empty-handed. I went with the complete philosophy of Chaitanya Mahaprabhu, written

in these rooms, inspired by the Goswamis. That's what is pushing this Krishna consciousness movement. If I have been successful, it's because I have delivered my Guru Maharaj's message intact, without change or deletion. That is parampara. The bona fide Guru is like the postman delivering a message. He doesn't open the mail and write his own opinion. You may like the message or not, take it up or not—I have done my duty. I have delivered it. And it all began here. Therefore these Radha Damodar rooms are the hub of the wheel of the spiritual universe.

There can be no one dearer to Krishna than you Prabhupada. Your love, sacrifice, command over the subject matter of Krishna bhakti, purity convince everyone about the message of Bhagavad-Gita and attracts them towards Krishna. For your pleasure giving the humble report of last year's service in contributing to the mission led by ISKCON Bangalore group of devotees. Every second Saturday of the month, Harinam Satsang is being held at Harinama Nilaya near Vaikunta Hill and the neighbors are invited to hear about Gita, chant 1 round, participate in arati and honor Krishna prasadam. A small group of 10-15 members gathers there, Srila Prabhupada. Recently one of the satsang devotees arranged to have the satsang at their residence nearby. We are fortunate to get the association of Govinda Kirtana Prabhu, who is doing valuable Seva of preaching in his old age following in your footprints. Last year's book marathon scores also increased more than ever before and all our family members with everyone's support distributed your books worth close to a lakh of rupees. Thank you for your blessings. Please engage us more and more in your service wherever we are and train all of us to practice Krishna consciousness even more sincerely for your pleasure. That's our only wish.

Your servant's servant,  
Bhakta Kiran Kumar R.

Dear Spiritual Master Srila Prabhupada,

Please Accept my humble obeisance. I would like to share a short story of my life with you as an offering on this auspicious day of your *Vyasapuja*.

Before meeting you, I was a kind of guy who was bothered a lot on what will people say? what will they do? will I be able to do this? and all kinds of question; before doing any new thing. I used to be easily angry, disappointed by other's behavior. I was a person who used to get easily attached to people and therefore was a guy of "million heartbreaks" and I always used to think why is this happening to me? Why me?

Also, since 2015, after one of the heartbreaks from the millions, I started searching my answers by reading various scriptures like Quran, Bible, and Bhagavad gita. But, never completed reading them fully and neither understood a bit of it. After which for a time being, I became atheist.

In Jan 2019, when I was working in Mumbai; suddenly I found there was lot of change in my life and I had met with an accident; but by God's grace I was alright within 15 days of accident. I felt there is some energy working behind this universe and behind all of us. So, I again started reading Bhagavad gita. But the interesting part is, I was having 2 copies of bhagavad gita, one was "Yatharth gita" by some other writer and other one was "Bhagavad gita- As it is" by you. And remarkably I kept both of them with me but preferred to read Yatharth gita as it was smaller in size and had very less pages than Bhagavad gita- As it is. This time, I read few shlokas from 1<sup>st</sup> Adhyaya and then it remained untouched.

In 2020, I joined MAHE, Manipal for my further studies and thought that I was better than earlier but later I found out that I was still same kind of guy who was always disappointed, angry, crying over breakups, etc. Then one day, one of My friend Shakeel prabhu, asked me whether I can join sessions by FOLK manipal, which were taken online due to lockdown. I thought, lets give it a try. So, I joined the session and started reading the book "21 days challenge." Only after reading first few chapters of this book, 75% of my doubts regarding life, were clear. Then I understood that this knowledge is not something ordinary, its first-rate, first-class, exceptional!!

Then I started waking up early in the morning, chanting Hare Krishna mantra, reading books like Beyond birth and death, Easy journey to other planets and Krsna and attending FOLK sessions. After following the process for 1 month I discerned miraculous change in my life. I became very calm, happy, started helping everyone selflessly, guiding my friends through problems, being good to everyone (especially my parents), started being focused in my studies and important part is, I didn't try to be like that I just took the process of chanting and reading Bhagavad gita as instructed by you, and all this things happened by itself. Now, after reading books written by you all my doubts regarding God, life, purpose of life, universe, and birth & death are clear. This was all possible just because of you. All glories to you. I request you to keep showering your blessings by which I can proceed on my path of Krishna Consciousness.

HARE KRISHNA...!!

Thank you.

Your humble servant,

Bhakta Kishan Dawda.

Respected Srila Prabhupada,

I offer my humble obeisance into your lotus feet.

I am really thankful for the contribution which you made to this world. Today we can read Bhagwad Gita and all the credit goes to you. In this era where people are engaged in there personal life and don't have any time left for them. They themselves cannot read Bhagwad Gita if it was not translated. Your contribution will be felt forever, and please do guide me by showering your blessings. I have just started my journey and will need you as a guiding light. Hope one day I too can get a spiritual master and glorify him.

Thank you for everything. Your words always made logical and spiritual sense. Thank you for showing the world how we are dependent on Krsna.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your Divine Grace. Thank you for giving me this opportunity to write a letter to a Divine person like you by a most fallen and shameless person like me. I know you are reading my mind while I write a letter to you here.

*saṁsāra-dāvānala-līḍha-loka trāṇāya kārūṇya-ghanāghanatvam prāptasya kalyāṇa-guṇārṇavasya vande guroḥ śrī-  
caraṇāravindam*

Oh, my spiritual master, you are receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so you are delivering the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto your lotus feet, who is an ocean of auspicious qualities. I was heartbroken by so many factors in this material world. I had so many plans to make my materials life "comfortable" like an animal. You have showered your mercy upon dog personified man like me, who was simply interested in eating, sleeping, mating, and defending. My heart was burning with full of material desires especially sexual desire; your devotees are so powerful that they preached your message and quenched almost all my material desires and my desires are purified with spiritual desires.

*cakhu-dān dilo jei, janme janme prabhu sei, divya jṣān hṛde prokāśīto prema-bhakti jāhā hoite, avidyā vināśa jāte, vede gāy  
jāhāra carito*

You opened my darkened eyes and filled my heart with transcendental knowledge. You are my Lord birth after birth. From your ecstatic prema emanates; by you ignorance is destroyed. The Vedic scriptures sing of your character.

*śrī-guru karuṇā-sindhu, adhama janāra bandhu*

You are the ocean of mercy, the friend of the poor and most fallen soul like me. I don't know how many thousand times I have taken birth and come here to suffer thinking as enjoyment; you have slapped me with compassion directing me towards Lord Krishna. I am so fallen and shameless that I have not surrendered to your lotus feet. Please bless me that I will surrender unto your lotus feet soon and serve your devotees who brought your message to my heart and who are unstoppable in preaching Hare Krishna movement. Oh, Jagad Guru! He Naama Pracharakacharya! You are representative of Lord Chaitanya. Please engage me in your service by giving sufficient strength and intelligence. I am the worst person. I am always having pride, no humility, full of ego, full of expectations. Please bless me that I can chant the Lord's Holy name "Hare Krishna" Maha-mantra 16 rounds in how it has to be chanted; attentively, blissfully with love, etc.

Your most fallen servant,

Bhakta Sai Kishore.

Dear Srila Prabhupada,

I offer my humble obeisances to our spiritual master Jagadguru Srila Prabhupada, Firstly he established ISKCON temples all over the planet earth.

The most inspiring thing is the journey to the USA to spread Krishna consciousness, which shows Prabhupada's obedience towards his Guru. He also tolerated his heart attacks while traveling to the USA. The most difficult thing is to preach Krishna consciousness in the western world, where he was manhandled by many men, he came out winning those situations.

The way the programs are organized in ISKCON from morning to night is the best thing where he gets to do and involve in good activities. The books such as "Science of Self-realization" gives answers to who is a Guru, who is God, who we are, etc. The translation and purports of Bhagavad Gita and Srimad Bhagavatam are too good with such good examples and such good vocabulary. My experience with the temple is awesome, so many things I have learned and I came to know about karma, diet, soul, etc. The most beautiful thing to happen is participation in sankirtans and Ratha-yatras.

Your Servant,

Bhakta Kishore K L.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna consciousness.

Only because of you and your instructions, we are living a life like real humans. You taught us that we are part and parcels of Lord Krishna and we came to serve him and chant his holy name and go back home Back to Godhead. We will carry forward your orders and follow them. You have shown us the importance of the Holy Name, the importance of Kirtan, the importance of Prasadam. And the ultimate goal of this human life and I am very very thankful to you Prabhupada for that.

We are very unfortunate that we didn't get your lectures when you were physically present in this material world but at the same time, we are very fortunate as well that we are getting your lectures and instructions in the form of books to achieve the ultimate goal of life.

On this auspicious day, please bless us with all your love and devotion to continue our chanting, to continue our service and stay focused unto the lotus feet of Sri Sri Radha Krishna Chandra and also bless us to achieve the ultimate goal of life to go Back Home Back to Godhead.

Your humble servant,

Bhakta Krishna.

Please accept my humble obeisances unto your lotus feet.

I don't have enough words to thank you to the core of my heart for all the transformation in my life's journey from roaming in the material world, to directing towards Krishna.

I have realized time and again, the real meaning for my Soul's journey is towards Krishna and attain Goloka. Please give me more opportunities to serve you and empower me to bring more souls to your shelter. There is not a single day passed by in the last ten years without remembering you and Krishna.

Please continue to provide me support and endeavor to continue my spiritual journey towards Krishna and make me instrumental in the mission of Sri Chaitanya Mahaprabhu. I beg to keep continuing to show your mercy upon me to fight against Maya in this age of Kali and attain Krishna Prema.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

The Srimad Bhagavatam says,

*atah pumbhir dvija-srestha  
varnasrama-vibhagasah  
svanusthitasya dharmasya  
samsiddhir hari-tosanam*

*"The highest perfection one can achieve by discharging the duties prescribed for one's own occupation according to caste divisions and orders of life is to please the Personality of Godhead."*

If one has to be successful in pleasing the Personality of Godhead, they have to accept a pure devotee like Your Divine Grace as the spiritual master or Guru." This is confirmed in the Bhagavatam. The very purpose of a soul is to please the Supreme Lord which would not be possible without your mercy. Because of your causeless mercy, the most fallen soul like me, have been able to identify the perfect guru. Please help me hold on to your lotus feet at all times.

The Bhagavat Gita says,

*manusyanam sahasresu  
kascid yayati siddhaye  
yatatam api siddhanam  
kascin mam vetti tattvatah*

*"Out of many millions of persons, one may try to make his life successful, and out of many such persons who have become successful in understanding their constitutional position, one may understand Krishna. There is no surety of one may understand. To understand Krishna is a very, very difficult job."*

Please have your causeless mercy on this fallen soul to understand Krishna consciousness. Make this fallen soul be in your association always. Even though I don't have any qualifications to serve you, because of your causeless mercy, it has been made possible to know about a pure devotee like you and have an association with you through your books.

Please make me remain in your service in this life as well as in every life. I beg that your Divine mercy be on this fallen soul forever.

Hare Krishna.

Your sincere servant,

Dear Srila Prabhupada,

I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains. The Guru is God Himself manifesting in a personal form to guide the aspirant. The grace of God takes the form of Guru. To see the Guru is to see God. The Guru is united with God. He inspires devotion in others. His presence purifies all. I consider myself most fortunate that I didn't miss your pastimes on this planet, Srila Prabhupada. To my mind, these areas realisable as the Lord's, being in direct service to His lotus feet. I feel no lamentation whatsoever in my life, for I was present during your earthly pastimes and somehow you accepted me as your disciple, guaranteeing me an eternal life of bliss and knowledge.

Srila Prabhupada I know it would please you if I also developed pure and unalloyed love for the divine couple. It wasn't that you only wanted us to spread the teachings of pure devotional service, but you desired that we, as your disciples and followers, also achieve that esteemed goal and my "good luck", Srila Prabhupada, is that you are my spiritual master and that by your mercy I can become a pure devotee of the Lord. It is in that mood that I happily chant my rounds, follow the principles and regularly go on sankirtan to share my good fortune with others.

Srila Prabhupada, I am praying that by such service and association I will truly become your qualified disciple and that in some distant lifetime I will be with you again. I will be serving you in that world where every step is a dance, every word is a song, every day is a festival and the flute is the constant companion. My Dear Master, I cannot wait! Please reveal to me that divine abode! I am now and forever.....

Your Eternal Servant,

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet and please accept me there forever as an insignificant servant. It is my good fortune, I have come to the shelter of your lotus feet by your pure mercy alone, as I have no qualification for that. I have come in contact with ISKCON Bangalore for 25 years since then I have taken shelter as Charanaashraya and I am attending Harinaama classes at present. Srila Prabhupada by your causeless mercy I am following your instructions to enable me to take Hari Naama Diksha. Srila Prabhupada, please bless me to serve you and your devotees and serve Lord Sri Sri Radha Krishnachandra till the end of my life.

All glories to Hare Krishna Sankirtan movement. All glories to Srila Prabhupada. My dear Srila Prabhupada. Please accept the humble obeisances of this fallen soul.

My struggle to come to 16 rounds of chanting daily still continues. Probably I am not serious in following your instructions and all the good guidance given by your disciples. I humbly beg you to bless me to increase my seriousness and to give up this hope of being happy in the material world. Without your lotus feet, I have no hope. You are patita pavana and only hope for people blazing in the fire of material existence. You took so much trouble for fallen people like me to travel the whole world inspite of your old age. But people like me don't feel that gratitude and hence not able to take to your instructions seriously. During this Corona situation, when authoritarian and merciless administrators along with some selfish businessmen are trying to misguide the entire humanity towards the darkest region of ignorance, I pray to you for everyone's welfare. If you recommend to the Supreme Lord Krishna, then only there is hope for humanity. Finally, I beg forgiveness from you and devotees for any offenses committed knowingly and unknowingly. Please forgive me and keep me under your lotus feet.

Dear Srila Prabhupada,

The living entity wanders throughout different planets in different forms and bodies, but if by chance he comes in contact with a bona fide spiritual master, by the grace of the spiritual master he receives Lord Kṛṣṇa's shelter, and his devotional life begins. Before 1965 many spiritual leaders went western country. But they did not preach Krishna consciousness..and they got very material comforts, they all preach their own philosophy, so that Krishna did not cooperate them..in 1965 Srila Prabhupada went western country following the orders of his spiritual master .and preach Krishna consciousness all over the world and the world changed because of a pure devotee of lord only Srila Prabhupada delivered countless fallen conditioned souls, by the mercy of Sri Chaitanya Mahaprabhu, and fulfilled the following prophecy of Sri Chaitanya Mahaprabhu.

*prhivite āche yata nagaradi grams sarvatra prachara haibe mora nāma* in every town and village. the chanting of my name will be heard. Now people are getting this Krishna consciousness very easily because of Srila Prabhupada, by the mercy I accepted you .. I offer my respectful obeisances unto your lotus feet by your mercy in this fallen world I got realization from the human foam of life.

*mukam karoti vachalam pangum langhayate girim yat-kripa tam aham vande shri-gurum dina-taranam* "I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains." please give me your mercy so that I cross the material suffering in this cruel age..and I carrying out your orders. All glories to Srila Prabhupada. All glories to all devotees.

Hare Krishna.

Jai Srila Prabhupada,

Oh most merciful '*senapati*' of Lord Chaitanya's army, please accept my humble obeisance.

I want to really thank you for starting this movement which is giving an opportunity to fallen souls like us for getting in touch with Krishna through His Holy Name even without faintly deserving the same.

In past few months, I had an opportunity to visit some of the places which were purified by your presence where you had established small pockets/ gateways to Vrindavan, thousands of miles away from the Vraja bhumi, in USA. Because of your causeless mercy, support, inspiration and strength-giving only, I believe that Lord Krishna has been compassionate towards me and I was able to try towards following the path shown by you.

Even in the past few weeks when the world and country have been in the situation of lockdowns, your mercy is still bestowed on us through your movement where we have been able to continue our association with the devotees and through them, the Lord. These amazing sessions have been continuously inspiring us towards improving our chanting and devotional service. Thanks again and again for your untiring efforts in starting the movement and continuing the knowledge & bhakti distribution through the devotees.

I pray to your lotus feet to be an inspiration and spiritual strength towards climbing the steps under your ashraya program and eventually become fortunate enough to be accepted by your holiness as an initiated devotee even though I understand that based on my fallen condition, I may not even deserve to get initiation under you.

Your aspiring servant, Bhakta Kshitij Rishi.

Dear Srila Prabhupada,

Hare Krishna, I offer my humble obeisances on to your Lotus feet. These years I was filled with so many questions who am I? what's my ultimate goal of life? By your Grace, I got in touch with ISCKON which gave me a second life. I recently joined FOLK residency 1 month back, I saw there was a lot of change in my behavior. Thank you Srila Prabhupada for showering your mercy upon this fallen condition soul by creating this wonderful community. Dear Srila Prabhupada,

Please accept my humble obeisances onto your divine lotus feet. This is the most auspicious day as you took birth as a blessing for this world to guide Kali-yuga from the darkness. I am one of the very few fortunate souls who gets a chance to reside in a FOLK hostel where your blessings are constantly bestowed upon us. Here we learn to effectively chant, respect and honor prasadam, perform pooja, associate with devotees. It is because of your causeless mercy that I am able to complete my sadhana regularly. I respect you for guiding me through your teachings and disciples whenever I was shallow. Please give me your mercy and uplift me from this material mind and loneliness. Please bless us with devotional service so I can understand your teachings. Dear Srila Prabhupada,

Please accept my humble obeisances at Your Divine lotus feet. Because my family members were religious so I used to chant Radha Krishna's Name and offer prayers to God, with them in my childhood. But as I grew up and started my higher education this devotion to Lord, started disappearing with time. But during my Job life in Bangalore, I got a chance to go to the ISKCON temple. There I enjoyed kirtan and chanting of Hare Krishna Maha-Mantra. After one year, I met one Devotee in ISKCON Bangalore temple and I started attending kirtan and discussion on Shrimad Bhagavad Gita during my stay at Bangalore. Then I decided to stay connected to KRISHNA conscious activities in my future and continue the spiritual path

shown by you Srila Prabhupada. I consider myself a blessed living entity as I came in touch with your lotus feet by your causeless mercy which is necessary to gain transcendental knowledge. Please give me more strength to engage myself and my family in devotional service to Lord Krishna, so that I can cross the ocean of this material world full of disease and able to get my original position as a permanent servant of Lord Krishna. By your mercy, I will be able to continuously chant the holy name of Krishna and engage myself in the devotional service of Lord Krishna. I made many mistakes in my life, but you are so kind, that you did not notice all those. O Prabhupada you are dear to Lord Chaitanya Mahaprabhu and my wish is to live in the company of devotees always, Please Prabhupada always be merciful to me. Let my tongue always Chant Hare Krishna Maha-Mantra. The vessel of your mercy and aspiring to become the servant of Your Servants.

Please accept my humble obeisances unto your Lotus Feet, I am practicing Krishna consciousness since 2014, I chanted 1 round for the first time that too I couldn't complete it, But I started focusing on my chanting, I increased the rounds gradually, now I am chanting 16 rounds everyday morning. I feel good, *tad viddhi pranipātena paripraśnena sevayā upadekṣhyanti te jñānaṁ jñāninas tattva-darśinaḥ*. (Translation BG 4.34: Just try to learn the truth by approaching a spiritual master. Dear Srila Prabhupada,

My heartfelt thanks and obeisances at the feet, How to be attached to Lord Sri Krishna with love is being learnt only by your divine teachings. Attachment to the instructions of the Spiritual Master is the secret revealed by you to climb the ladder of spiritual success. These are few finer teachings that I have learnt recently by reading your books of Bhagavad Gita and Srimad Bhagavatam. My journey of learning has just begun at this age of 82 and I know that there is a huge ocean of knowledge which I haven't tasted yet. There is a lot of knowledge that I am yet to learn from your books. What I have learnt is just a handful and what I need to dive in, is an ocean before me. The secret of spiritual success lies in pleasing Spiritual Master with faith and determination. With whatever sincere knowledge I have earned from your books I humbly request at your lotus feet to bestow me to be your sincere disciple eternally. I was in the darkest ignorance for 80 years and your teachings are opening my eyes with the torch of knowledge from past 2 years. I request you to place me always in this place of knowledge. I thank all the 32 Ācārya of our sampradaya for entering my tongue with their special anugrahaṁ bestowing me with their power to recite their names. Praying at your feet for my formal initiation this year although I am not much fit for it.

Out of millions of living entities only a few get an opportunity of coming in touch with a bonafide spiritual master. We have no capacity to understand the transcendental knowledge on our own, it is by only the mercy of words emanating from your lotus mouth we can understand this knowledge. By your shower of causeless mercy, I am staying in FOLK residency which gives the opportunity of association & living with devotees, able to follow sadhana & devotional services which bring Krishna more & more near & dear to me.

I offer my respectful obeisance unto my spiritual master who has opened my eyes, blinded by darkness of ignorance with the torchlight of knowledge. Your life journey is truly a motivation for many people around the world. It is because of you that we got to taste the nectar of Krishna consciousness. I got to know about Lord Krishna because of my mother. Whenever I got unhappiness in life, she used to tell me to consider every mock in life as a blessing in disguise. One day I got truly lost in Maya and did not know what to do, and then I met one of your disciples in ISKCON Bangalore. He showed me the path. This world is full of pain, sorrow and miseries. The only way to remain unaffected by these things is by Krishna Consciousness. I learnt that whenever you get completely lost in life then by simply surrendering to Lord Krishna we will be elevated. Thank you, Srila Prabhupad for all your teachings and work. It is because of you that made the process easy and simple. I am truly blessed to chant holy names of Lord Krishna and hear the glories of Him. Thank you,

## Bhakta Madhsudana I

Namaste, Sri swami Prabhupada,

Since my childhood life I was always feelings about other dimensions of things in nature that are controlling the material world. That made me very curious but everything from DNA to the Universe. But in those days, I didn't like and didn't believe in spiritual things and did not bother to know the exact and ultimate truth. I was feeling "being spiritual is a waste of time and there was no logic behind it". To know about everything, I started to study and observe everything. During this

process, I was very much interested in historical temples, (Ellora kailasa, Hoysala, Chalukya and Chola temples). While studying about these temples, gradually I came to know about them. Temples that ancient people had built not only to showcase the glory of ancient dynasties and kings. But also to show that there are great architectures, unique engineering, unimaginable creativity and complex ideas. I started questioned myself, “Thousands of years ago If people built something like this, means what kind of peoples they were? what made them create like this? What was the level of dedication, hard work? And almost they spent their entire life building them” And my final question was “If they build or created like this why I am not able to do something like that?” what was the difference between me and them?”

When I started to understand the deep meaning of those questions. I found an answer, it was “The purpose”. They had a great purpose in their life and work, and I have no strong purpose like them, that’s all. So, I started to search for the purpose of my life. At the same time, I found your devotees like Sri Sundar Govinda Prabhu, in ISKCON temple, and he has explained and introduced me to the spiritual world and he teaches me the proper way to be devoted to Lord Krishna, I would like to thank him also I touch my head to your feet ( Sri Prabhupada ) because of you ( I mean your teachings, lessons and works) I have an opportunity to be with lord Krishna in my life. I want to be the greatest artist, fictional writer and filmmaker. Please. bless me to achieve all my purpose. Thank you.

Please accept my humble obeisances at your lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

My words cannot begin to show my gratitude for your contribution to this world. We are fortunate to have the association of Krishna’s pure devotee, THE GURU who lives through his books. Inspired by your association, your Global Movement continues to give birth daily to billions of sound incarnations of Radha-Krishna. They are dancing around the universe and purifying it.

As in Guru-Ashtaka 8th verse,

*yasya prasādād bhagavat-prasādo  
yasyāprasādān na gatiḥ kuto 'pi*

By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement.

Without your Divine appearance it would have been next to impossible to understand Krishna. You have saved the whole world by showing us the way back to Godhead. Your mercy has allowed us to chant the holy names of Radha-Krishna. Your books are a great mystery even to the expert scholars. Please help me understand it in the right way, As it is.

Dear Prabupad, may I always be able to follow your divine instructions and be able to bring as many fallen souls to your lotus feet. Without your mercy, we the fallen souls may have to go through the cycle of birth and death for many millions of years. Please guide me so I may always be able to chant the holy names in an offenseless manner in a humble state of mind and considering myself lower than the straw in the street. Please give me the strength to be more tolerant than a tree, devoid of all false prestige, and be able to offer all respects to others.

On this brief journey, we have been incarcerated in the material world. Your mercy alone has opened the doors of the spiritual world and given the tools of purification. You have given us a perfect movement that will exist for the next ten thousand years. You have revealed how the movement will expand, by book distribution. You mentioned that books are the basis of our movement and if anyone wants to please you then one must distribute your books. Please give me the strength to distribute as many of your books as possible.

Thank you for coming to our rescue and for guiding this movement through your books, you are a universal hero.

As stated in the Guru Ashtaka by Adi Shankaracharya-

*masashcenna lagnam guroranghripadme*

*tatah kim tatah kim tatah kim tatah kim*

If one's mind is not centered upon the lotus feet of the Guru, what's the use, what's the use, what's the use?

Prabhupada, may I always be able to focus my mind upon your lotus feet and make your instructions the only reason for my existence. You have descended from the spiritual world just to reclaim the fallen souls of the material world, you're the most merciful. By your mercy, one can cross this ocean of material existence and attain the lotus feet of Radha and Krishna.

Your Divine Grace is an expansion of Lord Nityananda Prabhu who has appeared before us to put some sense into our dull heads. Prabhupada, please forgive me for I have been the greatest sinner. I wanted to enjoy this material world. Hence, I was given a position to enjoy in the material world. My only wish is to glorify your lotus feet and making your instructions the ultimate guideline for my life. I beg forgiveness for all the offences that I have committed at your lotus feet, without your mercy this human form of life is useless.

You are my only shelter Prabhupad, please accept me as a speck of dust at your lotus feet.

Your humble servant,

Bhakta Madhu Kumar.

My dear Srila Prabhupada,

Please accept my most humble Obeisance at your divine lotus feet. All glories to your divine grace. I have no words to sufficiently glorify your divine grace. Your glories are like an ocean, I am most fallen condition soul, who is insignificant to glorify your efforts to distribute this divine knowledge properly. But you are so merciful like a father who appreciates even the broken words of his child. I cannot imagine how merciful it is to come in touch with your divine grace, even though I have never met you personally. Your preaching is like a roaring of a lion, which drives away many elephants of illusion. Your every word is filled with Vedic imports and every action is sufficient to remind us of lord Krishna. Your very presence is sufficient to infuse a person with Krishna consciousness. No devotee ever feels that he is missing the benefit of your preference by being in your divine framework. Please bless me with your auspicious mercy, again and again, to fulfill your desire and make me strong and faithful by your grace.

Your fallen servant,  
Bhakta B Madhukar.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. I would like to thank you for the greatest fortune that you have given to me by your causeless mercy, that fortune that cannot be measured, which is unlimited. I have become unlimitedly indebted to you. I have seen some of the meat eater few days back, today laments even when an ant is unknowingly killed. Krishna has sent you as a confidential soldier to this material world and you have shown to the world what it really means to live a selfless life. Your life has been inspirational in many ways not only for present generation rather for many upcoming generations. I am really fortunate to gain some of it and constantly engaging in devotional service via a bonafide organization which is set up by you, for our purification. Srila Prabhupada you are not just conveyor of Krishna's mercy but you are gateway to Krishna. *Yasya prasada bhagavat prasado yasya prasadan na gati kitopi*, so potent is your mercy that if you are pleased and only then Krishna will be pleased. I humbly request you to bestow your causeless mercy on this stumbling soul, so that I can follow your preliminary instructions of chanting 16 rounds attentively, following 4 regulative principles strictly, always be in the association of the devotees and reading your books regularly. Srila Prabhupada, you are our eternal well-wisher. From the depths of my hearts I thank you for saving me and giving my lives to the real purpose. Please bless me so that I can remain somewhat useful to your mission and perform devotional services to the best of my abilities. Please bless me so that I can cultivate a healthy service attitude, and remain united to serve Their Lordships under your guidance.

All glories to Jagad Guru Srila Prabhupada.

Dearest Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet.

This act of writing Vyasa puja offering every year, gives me a sense of Your personal presence amongst us and that You hearing our pleas. Thank You Prabhupada for this opportunity. Thank You Prabhupada for being with all of us always. Thank You Prabhupada for Your ever-increasing mercy, on this fallen soul.

You are so merciful that You are always accessible in the form of Vani, at any given point of time. There is no shortage of your presence in a sincere devotee's life.

But unfortunately, I am very fallen to realize this eternal fact, and it does not strike my clouded mind. I do not have enough Shraddha to take advantage of your presence and I continue to neglect Your causeless mercy.

Your instructions are crystal clear and very practical. With patience, it is possible to continuously improve day after day, month after month, and year after year with consistent efforts. You have chalked out proper milestones with clear guidelines based on Shastras. Every forward step we can aspire for has detailed instructions and support from Your Divine Grace. But again, I am so unfortunate that I am hesitant to take up such instructions due to deep-rooted attachment for my own sense pleasures. This is very saddening Prabhupada, to knowingly take poison. But I can't help it since I am addicted to this way of leading my life. Only solution to this puzzle is Your blessing. Kindly give me the strength to break my way out of this self-created illusory web and place my freewill at Your lotus feet. Can you please help me out Prabhupada, because I have no hope but Your merciful blessing?

Thank you Prabhupada, for all the books You have written, which is the only solace for so many devotees around the world. And the daily readership is ever increasing.

I also Thank You for giving us the association of devotees like H G Madhu Pandit prabhu, who's Soulful Japa sessions, has made Japa into an experience and has tremendously improved my Japa quality and perception of Japa.

Really not taking advantage of Your abundant mercy that is available via Your books, devotee's association, Your temples, I am just fooling myself with temporary pleasures.

Kindly show me a path, in which I can be consistent in following and building upon the strength of Your instructions for the ultimate good. Only this will relieve me of my hypocrisy.

Kindly relieve me from this web of illusion and please place me under Your Divine shelter.

Aspiring to be placed at Your lotus feet,

Your servant,

Bhakta Mahanth B S.

Dear Srila Prabhupada,

Chanting of holy name has created a huge impact in life. I lost the taste of hearing Bollywood and Hollywood songs, after I started hearing kirtan. It has also helped me to guard from all kinds of bad habits. By going to temple we get tips on how to follow regulative principles, also to chant, and main thing is Krishna prasadam even the person who is jealous of Krishna prasadam. Thank you Prabhupada for giving us such a wonderful gift of this society called ISKCON where we can practice devotional service so easily.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisances to your lotus feet.

I have been with ISKCON for 2 years. I feel myself blessed that I came to know about you and your esteemed organization ISKCON. ISKCON is doing a very good humanity work of sprouting Krishna consciousness in people all over the globe. All this is possible only by your divine grace and your devotees.

I read your life story of how you started everything. You took hardships by going to America with almost no money and changing the people lying on the streets is really inspiring to me. Currently I am chanting 1 round and I wish to increase my chanting rounds soon. I thank Krishna and your divine grace to make me a part of this great movement.

Dear SrilaPrabhupada,

Please accept my humble obeisances.

*Om ajnana-timirandhasya jnananjan- salakaya Caksur unmilitam yena tasmai sri-gurave namah*

All glories to Srilaprabhupad. All glories to your divine grace. My journey is with a lot of ups and downs in adopting spirituality before and after coming under well-qualified spiritual guidance through your disciples. In helpless situation, unexpected invitation to attend YFH classes made significant change to my life. Since that time, have been withholding the practice of sadhana to transcend my conscious because your grace and blessings. Passing of each year makes me older and mature to comprehend yours tangible presence in your writings and lectures by hearing repeatedly. This material body is subjected to all sufferings (Birth,death,disease & old age) and which covers the heart with dust of false ego under illusion so called maya. As mentioned in Sri Siksastakam :

*cheto-darpana-marjanam bhava-maha--davagni-nirvapanam  
shreyah-kairava-chandrika-vitaranam vidya-vadhu-jivanam*

Sri Krishna sankirtana through your established centers, cleansing the all accumulated dust from heart to bring us onto platform of bhakti and it is incomparable benefit to all conditioned souls. Your contribution with well- determined heart to Lord Chaitanya prabhu's mission transformed many ignorant souls (highly including me) from meat-eaters, gamblers to Hare Krishna mantra chanters. Your books with elaborated purports are undoubtedly striking and great boon to us. Your life from childhood to the day you left this world is heartening. Vyasa pooja is very special and important day for each

student to pay the gratitude and get inspirations from guru's teachings and his life. On the advent of His divine grace Bhakti vinod takur , you used to pay the homage with worldwide followers to be motivated to propagate Lord Chaitanya's mission .Now It is our turn to continue the same tradition to offer our humble obeisance to crave your merciful glance in energizing our activities to speak about Krishna consciousness with the outsider of your mission. Because it says

*hā hā prabhu koro doyā, deho more pada-chāyā, ebe jaśa ghuṣuk tribhuvana*

Please excuse me on my unknowing mistakes which were untaught and Oh ..dear Srila Prabhupada!! remain your merciful glance on me in all time. Please accept " my genuine thanks" at lotus feet and make me strong to carry out this human life in perfect path.

Yours servant,

Dear Srila Prabhupada,

I offer my respectful obeisance unto your lotus feet.

I am very grateful for having a great spiritual master like you, who teaches us the real happiness, real meaning of human life and made us free from this material world which is dukhalayam and ashastwatam and made us to know this truth and helping us in enhancing our spiritual life. Before come in touch with ISKCON I had many questions which could not be answered by so called science but when I started reading your books day by day, I am not only getting the answers to my questions but I got much more information about so many things. Because of you today we have the very powerful Hare Krishna Maha mantra which is known by many people worldwide which not only helps us to relax our mind but it is the way to connect to Supreme Lord Krishna. I love the way of your answering the questions and explaining the doubts with different examples and your explanation from the scriptures.

Thank you Srila Prabhupada. If I did not have this opportunity to read your books and come in contact with ISKCON then I think my life would not have any value. By your mercy today at least I came to know what should be the aim of this life and how to become Krishna Conscious. I pray on this auspicious day of your appearance to give me strength and knowledge so that I can become fully Krishna Conscious and also help me to enhance my spiritual life.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble Obisances at your lotus feet, I am a little kid, not even able to explain your glory with my knowledge.

I am very thankful for your mercy on me, for bringing Krishna consciousness through your disciple Sundar Govinda Dasa, without your mercy we cannot reach and attain true knowledge, only because your mercy the holy mantra reached me, because of my previous karma, my mind has thought to think about Krishna consciousness, The holy mantra: *HARE KRISHNA, HARE KRISHNA, KRISHNA KRISHNA HARE HARE, HARE RAMA, HARE RAMA, RAMA RAMA HARE HARE*, This mantra changed me a lot, Every day I am chanting this mantra for 6 rounds, I know it's not enough, please bless me to chant this mantra every day for 16 times, I am trying to hold your lotus feet with my little hands, but I need your support to hold it more strongly, this material world forces me to fall in its Maya, please save from it, please don't leave me, Prabhu, I completely surrender to Krishna and you, please show your mercy on me for attaining divine knowledge, without proper guru no knowledge will flourish, please keep your mercy on me, for attaining it easily. Hope you will, with the blessings of Krishna and your teaching change the world to move towards Krishna consciousness, "*Sarva jana sukhino bhavanthu*".

Dear Srila Prabhupada,

Please accept my humble obeisances. I am the most fallen follower of Yours. I don't know if I will ever become capable of following all Your instructions properly. I have not been initiated by You and I am not even worthy of that because of my failure to completely follow Your basic eligibility of becoming Your disciple which is 16 rounds chanting daily and 4 restrictions. Even after all of this, I know its because of the mercy of You and Lord Krishna that I was fortunate enough to even hear the name of The Supreme Personality Of Godhead Lord Krishna. I have maintained to keep fast on all Ekadashi, trying sometimes to talk and discuss about Lord Krishna, 5 rounds of chanting, and refrain from 3 offenses out of 4. I am very fallen devotee of Lord Krishna due to which I keep on getting entangled by the energy of Lord which is Maya. I am lacking the courage to fight my materialistic desires, sincerity to keep on doing the devotional services, dedication to not let myself entangled by Maya and skip the chanting of holy names and reading your wonderful books, after these and many more imperfections, mistakes and offenses. I can feel whatever (even one speck of what is required to be done) devotional

service I am able to do is because of your causeless mercy. I don't know what kind of hypocrite am I to occasionally judge others when I myself am not able to follow the instructions of my Spiritual Master (even though I am not worthy I have accepted You only as my Spiritual Master).

This is a very urgent and serious request to you please shower Your mercy upon me and help me in harnessing the strength required to ignore my materialistic urges of doing mundane activities like watching movies or simply wasting time doing unnecessary things instead of serving the Lotus Feet of Lord Krishna and Nama Prabhu. Kindly make some arrangements for me to always have an association of sincere devotees of the Lord around me.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare.* Jai Srila Prabhupada. All Glories to Srila Prabhupada. Hare Krishna. Radhe Radhe.

To my beloved Spiritual master Srila Prabhupada,

I offer my humble obeisance's unto you. I would like to express my humble gratitude towards this great mission that you have begun.

It is because of your great efforts that many people have become successful in their lives. You have made me to understand the fact that I am the spirit and not the body. By chanting the holy name of the Lord, my spirit feels uplifted. I have been able to access the true form of knowledge by associating with the devotees of the Lord.

The Akshaya Patra mission has fed so many underprivileged people and has been so helpful and kind during this time of the pandemic. I love to visit the temple and seek the blessings of the Lord. I love to dance with other devotees in front of the Lord and of course honour the tasty Krishna Prasadam. (Hari Bol!)

The path to become Krishna conscious is not an easy path but by your blessings I have been absorbed into this wonderful programme called 'Friends Of Lord Krishna'(FOLK) and my life since the moment I entered this programme has changed completely.

I have also performed service by helping in the development of an app for the devotees of the lord, which is very useful for conducting sessions online and for the FOLK guide to monitor the actions of the FOLK members.

I cannot control what happens outside me but I can control what is within me. I can say with confidence that I will pass all the barriers that come in my life because the Supreme Lord Krishna is always directing me in the correct path. On this auspicious day, I would love to get more blessings from you my spiritual master Srila Prabhupada!!

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

My first ever spiritual book was "Bhagvad-gita as it is". I read it like a story book and I understood it completely different.

I was so lost, my parents say "do this" and Krishna says 'the complete opposite'. I was so depressed that everyday I would wake up to questions like, "Why am I even waking up everyday", "Anywaysim going to die, sowhats the use of striving hard everyday?". I diverted my mind into studying and achieving academic result so that my parents would buy me a bike. I got

my first bike when I was in 10<sup>th</sup> standard, then next bike I got at 1<sup>st</sup> puc and then 2<sup>nd</sup> puc another bike, 1<sup>st</sup> year engineering another bike and a BMW, a Skoda. Krishna blessed me with 4 bikes and two cars within age 19 and still I was unhappy. And then I started realizing that the next bike/next car wouldn't make me happy. Everyday I went to Lord Ganesha temple, just so that I would get answers to these questions. One fine day I told the priest what I was going through and he asked me to visit a Krishna temple.

I knew the Iskcon temple but I didn't have the time because I had tuition every day. And then one day there was no tuition, so I thought let's go to Iskcon and I reached the gates, I took the special pass and I took Darshan of the Gods and then suddenly I saw a monk and I smiled at him. He waved at me and told me to take a seat with him. And His name was Radha Pandit Dasa, Prabhu asked me why I was here and I told Him I had to meet Lord Krishna and then Prabhu introduced me to Keshav Balaram Dasa and Keshav Prabhu became my guide. And the next day when I went to thank the Ganesha temple priest for suggesting me to visit Krishna temple. He was like, "Are you getting married?". I told him, "no". He told that he never tells anyone other than, people having marriage difficulty to visit Krishna temple and that he never remembers telling me to go to Krishna Temple. Therefore, I got to know it was you Prabhupad, who asked me to visit Krishna temple through that Ganesha temple priest and because of your mercy I'm able chant 16 rounds.

I ask you to bless me with.

The capacity to chant 16 rounds mindfully every day

Help me wake up at 4 am every day

Help me overcome my procrastination completely

Convert all my material desires into spiritual desires

And at all times I should obey my spiritual guide which is nothing but Your instructions

Your most materially fallen aspiring servant,

Bhakta Manish Prasad.

My Dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisances unto your Lotus Feet. I came in touch with you in 2004 I have read many of the Book. I started chanting Hare Krishna Mantra mantra. Now I am chanting 5 rounds. After reading the books I got a desire to go back to Krishna. After I have read Bhagavad Gita, I understood that I am not this body, I am spirit soul. Aim of life is to go back to Krishna. Thank you Srila Prabhupada for giving me the holy name.

Jai Srila Prabhupad, Please accept my humble obeisances.

*yasya prasada bhagavat-prasado yasyaprasadan na gatih kuto 'pi  
dhyayan stuvams tasya yashas trisandhyam vande guroh sri-charanaravindam*

By the mercy of the spiritual master one receives the benediction of Krsna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.

Its only because of your mercy today I am able to follow the Krishna consciousness in my life. I will be always indebted to you. Due to COVID-19 I am unable to visit temple and have association of devotees and take darshan of their Lordships. But devotees are very merciful that they are giving online association and sending daily darshan of their Lordships. So I never felt that I am separated from Radhakrishna and Krishna Balarama even for a single day. Earlier I rarely used to attend mangalarati, but now with my desire to attend and your mercy, I am regularly attending mangalarati of 'Sri Sri Radhavrindavanachandra, Vrindavan and Sandhyarti of Sri Sri Radhamadhav, Mayapur, since two months. Also I am very much aware of the faults and mistakes I am doing and also have regret for them. I sincerely pray to you to help me to overcome the hurdles in the path of Krishna Consciousness.

I am chanting 16 rounds daily from past 8 years. I am improving my quality of chanting rounds. Attended 'Soulful Japa' sessions by HG Madhupandit Prabhu during lockdown period and it helped me very much in improving the quality of my rounds. I am reading your books regularly. Its only because of your mercy, today I am able to read and understand in my capacity, books written by Goswamis. I read 'Krsnahnika Kaumudi' by Kavi Karmapa. 'Sri Gita Govinda' by Srila Jayadeva Gosvami, Gopala Champu by Srila Jiva Goswami, 'Sri Nikunja Rahasyastava and 'Sri'Dana Keli Kaumudi by Srila Rupa Gosvami, 'Sri Stava-mala by Srila Rupa Gosvami, Sri Priti-sandarbha by Srila Jiva Goswami and now started reading second time 'Bhaktirasamritasindhu'. This intense desire to know about the pastimes of Krishna is kindled in my heart by your mercy while reading your books. I beg your mercy once again to bless me to understand these transcendental literatures properly.

In my previous letter I mentioned about searching for a girl for my marriage. Now my marriage is fixed with a girl selected by my family. I don't know about her Krishna conscious level. I sincerely beg you to give me strength and intelligence to make her Krishna conscious.

I repeat these this verse by Sri Sanatana Goswami

*na prema sravanadi-bhaktir api va yogo thava vaisnavo  
jnanam va subha-karma va kiyad aho saj-jatir api astiva  
hin arthadhika-sadhake tvayi tathapy acchedya-mula sati  
he gopijanavallabha vyathayate ha ha madasaiva mam*

'I am poor in love of Godhead, and I have no asset for hearing about devotional service. Nor do I have any understanding of the science of devotional service, nor any cultivation of knowledge, nor any righteous activities to my credit. I am not even born in a high family. Nonetheless, O darling of the damsels of Vraja, I still maintain hopes of achieving You, and these hopes are always disturbing me'

Jai Prabhupad!

Jai Shri Krishna!

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet. All glories to Your Divine Grace.

On the auspicious occasion of Vyasa Puja for Your Divine Grace, I like to thank You for introducing Krishna consciousness in my life. You have given us instructions on how to follow the path back to Godhead. The instructions are chant 16 rounds daily, follow the 4 regulative principles (no meat-eating, no illicit sex, no intoxication, and no gambling) and take only Krishna prasadam. Though these instructions are simple, I am unable to follow these. I beg for Your forgiveness and request You to show Your mercy so that I can gain strength to follow Your instructions.

Whatever You have said in Your books are the Supreme Truth, because you always take reference from Shastras. As mentioned in “Nectar of Devotion, Chapter 21”:

'A person who acts exactly according to the tenets of scripture is called śāstra-cakṣus. Śāstra-cakṣus means one who sees through the eyes of the authorized scriptures. Actually, any man of knowledge and experience should see everything through these books. For example, with our naked eye we perceive the sun globe simply as some glaring substance, but when we see through authorized books of science and other literature, we can understand how much greater the sun globe is than this earth and how powerful it is. So seeing things through the naked eye is not actually seeing. Seeing things through the authorized books or authorized teachers is the correct way to see. So, although Kṛṣṇa is the Supreme Personality of Godhead and can see all that is past, present and future, to teach the people in general He used to always refer to the scriptures. For example, in the Bhagavad-gītā, although Kṛṣṇa was speaking as the supreme authority, He still mentioned and quoted Vedānta-sūtra as authority.'

Please let me have firm faith in your words.

Your insignificant servant,

Bhakta Manohar Joshy B.

Dear Srila Prabhupada,

All glories to my Guru Maharaj Srila Prabhupada, Jai Srila Prabhupada!

My Dear Guru Maharaj Srila Prabhupada, my dear loving Master, my dear eternal Guide,

I pray to your lotus feet. Please accept my humble obeisance. It is because of your and Nama Prabhu's causeless mercy that I am able to write this to you.

I do not know what I would have become if you have not been so benevolent to this poor soul. You are like the rain cloud which pours water on all surfaces. In the same way, my dear Master, you distribute your mercy on all people you come across without any discrimination of caste, creed, country, or religion. It is because of your and Lord Krishna's mercy, that my family and I are aware of our real position in this material world. We do not, as to how many millions of lives we had transmigrated within these universes. My dear Master, but for your blessing and intervention, we would have continued this kind of life forever.

Oh! My Dear Master, It is because of your and Nama Prabhu's causeless mercy, that I feel peaceful and my mind is also at peace devoid of worries, fears, and anxieties. I am extremely grateful to you for this. You are showing us the path, holding our hand, and guiding us to travel in that path which is glorious. We are able to slowly understand, as we travel in the path laid out by you, that how glorious it is. The path you have shown for us is:

So nice that we are able to follow smilingly

So enjoyable that we follow the same willingly

So simple to follow yet most beneficial for our soul

So practical that householders like us can easily take part

So graded that we can easily adapt it step by step

So genuine that it can withstand any storms (of Maya)

So pleasurable that other material enjoyments pale against this

So clear that anyone can pick up the path at any time

So measurable that we can make-out our own progress  
So meaningful that it opens the eyes of both seekers and non-seekers  
So thoughtful that it is the need of the hour  
So Successful that more and more Vaishnavas are added to the population  
So easy to practice that even children are taking to it  
So sweet that all our lives have become joyful  
So bright that material darkness has no hope  
So perfect that we enjoy the travel itself  
So direct that it becomes an expressway to our real destination  
So cool that you do not need any other shelter  
So proven that all the Shastras say the same  
So appealing as everyone has something to choose from  
So pure that one needs no sanitizer  
So Supreme that The Personality of Godhead has Himself endorsed it (16 rounds instead of 64 rounds)  
So glorious that everybody will take to this eventually.

My Dear master, my ambition is to participate and contribute to your mission of making the world (Lord) Krishna Conscious. I also know that I have not been able to contribute to your mission as much as I would like and I pray to your lotus feet – please bless us so that our taste for the services increases more and more and also please empower me and my family so that we can contribute more and more to the success of your mission in a sustainable way.

Your eternal loving servant,

Bhakta Manoharan Subbu.

Dear Srila Prabhupada,

Please accept my humble obeisance to you lotus feet,

I really thank for giving me opportunity for getting me into Krishna consciousness, It was because of you that I have taken little steps towards Krishna. It was your sacrifice and effort to build holy temples which made Krishna Consciousness movement enjoyable. I thank you in this spiritual journey for every step I take towards reaching Krishna.

Hare Krishna.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your Lotus feet.

Prabhupad somehow or other I have not been chanting, nor reading nor following regulative principles strictly. Please give me the strength to follow them strictly and be steadfast in consistently practicing them. By doing them I may be able to surrender to you and Krishna sincerely. If I continue not to follow them strictly then I will never be able to come out of the bodily conception of life. Because I am not being able to follow 4 regulative principles even grossly I am not able to make any progress. Or even when I make tangible progress I am again and again taking to some bad habits and again falling down. So I am again requesting you to please give me enough strength to chant 16 rounds, read your books, hear your Vani and engage in devotional service regularly. So that I will be able to give up all my bad habits and make tangible steadfast progress, which so far I have not been able to do consistently.

Your Servant,

Bhakta Manu Jagannath.

Dear Srila Prabhupada,

First thing first, Thanks for bringing the right meaning of GOD in our life, which explains not to worship the Lord as a piece of stone or out of fear but to establish a real connection with him. Also, the understanding of GOD as a personal form rather than an impersonal aspect gave me the opportunity to have deeper connections with him.

I am so fallen even the most degraded soul on this planet might have rejected us to give us association. However, you showered your mercy on us and ready to give your association in the form of your books and recordings.

What to say about the immense efforts you put in writing the books and doing the recordings for fallen souls like us. Reading these books always makes us feel that these words written in the books are directly coming out of your Lotus mouth and you are sitting in front of us.

Comparing these efforts of yours to spread Krishna Consciousness can't be compared with any other object or thing in this or any other world.

You are an ocean of mercy, my master, because of your mercy only we are on a path of self-realization to get the best out of this human life.

This letter is not enough to express my gratitude and respect for you.

Requesting you to keep showering your mercy on us so that our stone-like heart one day becomes soft like rose petals and we will be able to reciprocate with you and Krishna with the same Love and Affection that we are receiving from you.

Your Servant,

Bhakta Mayank Gupta.

Dear Srila Prabhupada,

I am very much thankful to Srila Prabhupada for giving us a lot of knowledge about this material world. From the Bhagavad Gita and Srimad Bhagavatam, we can learn lot of things. He shares the best spiritual knowledge. After reading Bhagavad Gita and Srimad Bhagavatam, I realize that yes we have passed by 8,4,00,000 species.

Chanting holy name Hare Krishna mantra gives us morale and happiness. I am thankful again for founding ISKCON for us. It teaches us what to do and what not to do in this material world. ISKCON plays a vital role to develop spirituality and love for Lord Krishna.

The knowledge and katha's delivered by the devotees with analogies clears all the faulty understanding about the Lord. Activities and programs conducted by the ISKCON for youth especially can have an impact on the current and future generation. Thank you for keeping me under you shelter and continue to bless me to chant the holy names always.

Yours sincerely,

Bhakta Mayur S Herwadkar.

Dear Srila Prabhupada,

I offer my humble and sincere obeisances to your lotus feet.

God cannot come to everyone in his real form to guide them towards good path so he created Guru to show the disciples the path toward towards moksha. Prabhupad, you are the true Guru ,who made me to know the real meaning of Guru and made know the real meaning of life, and our duty in this human form of life.

You also explained and taught me the easiest way that is taught by Sri Chaitanya Mahaprabhu. The feeling when I think of Prabhupad is divine and feel the divine nectar in heart. Prabhupad proved the Guruthatva, by making me to know the real guru is who tell himself as servant of God. Krishna consciousness is divine and getting to learn from you is more divine.

The greatest and fruitful thing taught is the chanting of Hare Krishna Maha Mantra, which is eternal, and one solution to every problem. Problems come and I learnt how to handle them by hearing your divine lectures and reading your books.

Your servant,

Bhakta Meda Bhuvanesh.

Beloved spiritual master Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet.

Dear Srila Prabhupada,

I am very thankful to you because, by your mercy and the mercy of the Supreme Personality of Godhead Krishna, I am still connected with Krishna Consciousness and the association of devotees. It is only by your mercy I came in Krishna consciousness 1 year ago and this changed my perception of life. Here, in ISKCON Bangalore I learned about the real goal of human life. From your teachings, Prabhupada, I realize why I am in this material earth. The association of the devotees who teach us the Vedic Knowledge from your purports of Bhagavad-Gita & Srimad Bhagavatam is so authentic that it provides me the real meaning of the Vedic Knowledge and transforms my heart. This Knowledge that you have given, tells us about the Supreme personality 'Krishna' and after knowing the real knowledge of scripture one can liberate himself from this cycle of birth and death. I feel very happy, peaceful, and comfortable with the association of devotees who are so helpful and supportive.

I enjoy so much in kirtans, I feel so happy and peaceful. Srila Prabhupada, I regularly chant the Hare Krishna Maha-mantra and read your books.

Prabhupada please give me some mercy by which I can practice Krishna consciousness very sincerely. Give me some blessings by which I can perform 16 rounds chanting and book reading daily. I am so fortunate that I came under the shade of your Lotus feet. Please be merciful upon me to always be connected and stay in the association of devotees.

Dear Prabhupada, please forgive me for my mistakes and offenses which I committed knowingly and unknowingly.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisances,

It's my great pleasure and fortune to have you as the spiritual master in my life, kindly accept my humble obeisance unto your lotus feet.

It's been 3 years of my association with Krishna Consciousness and it has given me lots and lots of learning each day.

The one great gift which I got through ISKCON is HARE KRISHNA MAHA MANTRA which has shown me how to understand my masters and supreme personality, which has immense power to change anything in this world and I have

full faith in it because I have experienced it. Another important thing which I learned through Prabhupada blessings is analyzing my self (self-realization) and be conscious of all the activities I do, all glories to Srila Prabhupada.

On this auspicious day of Vyasa Puja. I beg for your mercy, if I committed any mistakes unknowingly in the course of performing your service please forgive me and accept my humble request please always be with me and guide me throughout the journey of my life and I will always try to full fill the duty you are assigned me for.

Your lovely servant,

Dear Srila Prabhupada,

Please accept my humble obeisance.

On this auspicious occasion of Vyasa Puja, I would like to thank you for providing us this powerful weapon called Krishna Consciousness which is very much required in this age of Kali to get rid of all the miseries and sufferings. You have shown us the way to connect Atma with Paramatma. Before associating with Iskcon I was unaware of the process of bhakti. From childhood, I was very much found of Krishna (he was my favourite). I used to follow him in my own way but after associating with Iskcon I came to know that bhakti without philosophy is mere sentiment. After following your instructions I started experiencing the presence of Krishna in my life and realized that he has always been protecting me whenever needed.

O spiritual master I would like to thank you for enlightening us with real knowledge which is helping us to understand God.

All glories to Srila Prabhupada.

Srila Prabhupada ki Jai.

Your servant,

Bhakta Mohan Krishna Kosuri.

Jai Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet, all glorious unto you.

I feel this as a wonderful opportunity to make my greetings unto your grace, being a wonderful man you have gone through many problems and situations only for one reason and cause that is to make me and many fallen souls like me to get the ultimate happiness, although are bound by the illusion thinking this is the permanent happiness we can enjoy and this was just temporary!.

Being chosen by you I feel like I have taken rebirth, by your presence in my day to day activities in the form of vani I feel like you are present before me and I am being watched and guided by you and I am not independent but dependent only on you and your instructions.

I also thankyou Srila Prabhupada for making me connected to Krishna consciousness otherwise I don't know where I would have ended, following your footsteps I have learned many things which I was never aware of both spiritually and materially. By your grace, I have got the opportunity to know and understand the Supreme Personality of Godhead, Krishna who is the ultimate goal of our life.

And the important thing you have given to me is the association of likeminded people and devotees, who, in this age is very difficult to find. I thank you from the bottom of my heart for your valuable writings and translations of Vedas and Puranas which has been a great help for millions and millions of people across the world, where thousands of men and women get motivated by your lectures, and they get the knowledge of who is Krishna? And what is Krishna consciousness? among that, I am also a person who got attracted to your words.

O, my spiritual master, you are the ocean of mercy, you are my only savior and my inspiration. On the occasion of your 124th Vyasa puja celebrations I only wish that you be always guiding me in the circumstance that I face going back home back to Godhead.

Thankyou Srila Prabhupada.

Your sincere and humble servant,

Hare Krishna Srila Prabhupada,

I offer my respectful, humble obeisances at your Lotus feet,

Thank you for first of all for giving such a wonderful opportunity to make offerings to you through the FOLK guides. I would like to express my gratitude to you for providing me such a good association and I know by all my past Punya karma I cannot get such amazing association of the devotees. As this is the time to show my gratitude I would always be thankful to you, Prabhupada, for providing a different perspective of this material horse that is running and doesn't know for what sake it is running for.

Thank you for preaching the Bhagavad Gita as it is. I understand from devotees that it is by the mercy of Guru and Krishna one can be successful in everything. By this means one can surrender the result of his action to Krishna. Because of this, he is free from anxiety. So thank you for providing this Yoga. Thank you for the society that you have established by your continuous efforts which are providing the new generation with a unique and meaningful perspective towards life. Sorry for being late Prabhupada, but I'm a fan of your lectures (which are the real inner engineering) and the culture at ISKCON. Guide me by giving me a chance to reach the Supreme Personality of Godhead - Krishna.

Your humble servant,

Bhakta Mohan Sai Krishna P.

Dear Srila Prabhupada,

Please accept this unqualified servant's humble obeisances.

With tears in my eyes and heavy heart, I am writing this offering. You are my only real savior. I was wandering in the material world as a lost person, but by your causeless mercy and grace, you allowed me to take shelter of your lotus feet and taught me through your books and devotee's guidance, what the real goal of life is.

How can this poor soul glorify your innumerable transcendental qualities? By your mercy, you have given a path of ultimate activity "Bhakti" and by your compassion upon us, you simplified the process. Your determination and faith in the words of your spiritual master Srila Bhakti Siddhanta Goswami Maharaj show me the path to how I need to serve your lotus feet in spite of all difficulties. I am begging for your mercy to develop a strong faith in your instructions and attachment to your lotus feet in all circumstances.

Your unimaginable transcendental achievements translating so much literature in a short time, establishing more than 100 temples, touring the world fourteen times at late age, making thousands of disciples reiterating this Your Divine Grace as an empowered Acharya by Lord. Even Mother Ganges waiting for pure devotees association like you to get rid of sins accrued, I am begging for your divine grace's mercy to remove all my anarthas to serve your lotus feet faithfully.

In this forest of the material world, by ignorance am thinking I am enjoying. Sometimes bitten by the snakes of sensual desires, sometimes entangled in the creepers of pride for the little intelligence you have provided, sometimes eating fruits of material happiness and distress, sometimes thinking family, wealth, society, and position will save. Please remove all these misconceptions of life which I acquire from so many lifetimes and provide me shelter at your feet.

You are the true representative of the Lord. Your divine grace once said, "Guru is the mercy incarnation of Lord". Even though Lord Krishna is kind to everyone and gives guidance from within, to make it more explicit, he has sent your divine grace who is his mercy incarnation. Every moment I am experiencing the working of your mercy wand in my life. I am begging for your mercy and required intelligence for an unintelligent servant like me, to perfect myself in devotional service and preach your transcendental message to others also.

For what you have provided to me, how I can repay debt incurred to you except sincerely serving lotus feet. Please bless and shower your mercy on this poor soul, I should not leave your lotus feet anytime.

Aspiring and waiting for the moment  
to serve your lotus feet faithfully  
to chant the holy name of the Lord without offenses  
to sincerely follow your instructions  
to observe mind on your lotus feet in pure consciousness  
to become real "DASA" at your lotus feet

Your aspiring servant,

Bhakta Mothukuru Munikrishna.

Dear Srila Prabhupada,

Please accept my humble and respectful obeisance unto your lotus feet.

I am very much fortunate and blessed to have a spiritual master like you. Today I have been able to learn a small portion of spiritual knowledge and self-realization only because of your mercy and blessings. In this material world, it is very much essential to have a spiritual master like you. Today, I am able to handle my problems during the tough times only because of your blessings and the spiritual knowledge provided by you which would have been quite impossible to attain this knowledge without your existing in this material world. We are blessed to have you with us.

Your appearance and teaching of spiritual knowledge around the globe have changed the life of many people. Without your spiritual knowledge, life is totally incomplete. I pray to you so that you keep all of us unto your lotus feet, help us to progress in the spiritual life, and understand the meaning of human life in this material world.

Your fallen servant,

Bhakta Mousam Dihingia.

Dear Srila Prabhupada,

Please accept my humble prostrated obeisances. All glories to Your Divine Grace, for removing my ignorance and bringing me under the shelter of your lotus feet, and engaging me in your service, and our Lordships, Sri Chaitanya Mahaprabhu, Sri Sri Radha Krishna. I request Your Divine Grace; let this mercy flow on me forever.

It is said that bhakti flows through disciplic successions, like how Ganga river originates from the lotus feet of the Lord, and runs as various small rivulets. By following these rivulets one can arrive at the lotus feet of the Lord. In the same way, by following, Guru and disciplic succession, one can serve and arrive at the lotus feet of the Lord.

In your lectures too, you have mentioned many times, one can not serve the Lord directly, but through spiritual master only.

Even great Vaishnava acharya, Srila Vishwanatha Chakravarthy Thakura confirms this in his Sri Gurushtakam song:

*yasya prasada bhagavat-prasado  
yasyaprasadan na gatih kuto pi  
dhyayan stuvams tasya yashas tri-sandhyam  
vande guroh sri-charanaravindam*

*“By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.”*

You are always revealing to me that I am an eternal servant of Krishna. You are giving facilities for me to practice Bhakti. In order to achieve perfection of bhakti, you are removing sinful tendencies from my heart. But still, I am unable to recognize you, in the background. As all these things are being done imperceptibly, by Your Divine Grace.

It is said in the Caitanya Caritamrita Madhya lila 20.117,

*kṛṣṇa bhuli' sei jīva anādi-bahirmukha  
ataeva māyā tāre deya saṁsāra-duḥkha*

*“Forgetting Krishna, the living entity has been attracted by the external feature from time immemorial. Therefore the illusory energy [Maya] gives him all kinds of misery in his material existence.”*

I express my sincere gratitude for you my dear Lord, for picking up a fallen conditioned soul like me, who is wandering in this material world, since time immemorial (anādi) and giving shelter at your lotus feet.

My dear Lord, as you are aware, I am not yet initiated and having confusion in regard to diksha. I beg to your lotus feet, please clear up my confusion and direct me in the right direction on my diksha, as soon as possible. And also, please bless me to do my early morning sadhana nicely.

My dear Lord, please make our families pure devotees of Your Divine Grace as well, as it is my responsibility to make them your devotees.

Actually, a true disciple incessantly glorifies his spiritual master, as he understands and recognizes the contributions of his beloved master in reforming his life. Not glorifying spiritual master is also one of the offenses among the sixty-four offenses of deity worship. But I am so unfortunate, that I am struggling to glorify you on this special day. This shows my fallen position and casual approach towards, a lifetime opportunity that is provided to me by your causeless mercy.

On this most auspicious day of your divine appearance, I beg for your mercy so that I follow your instructions very sincerely and seriously without independent mentality and lethargy.

My dear Lord, please forgive and correct all offenses, I am committing at your lotus feet. I would like to thank Your Divine Grace, for everything you are doing for us.

Your insignificant servant,

Bhakta Mukunda Chaitanya Akkali.

Hare Kṛṣṇa,

Dear Srila Prabhupada,

Please accept my humble obeisance on to your lotus feet - Spiritual Master.

I am Mukundan writing the Vyasa Puja offering for the 3<sup>rd</sup> year (3<sup>rd</sup> Time). Thank you Prabhupad, for making me be a part of 124<sup>th</sup> Vyasa puja homage offering, Your kind mercy and blessings. Thank you Prabhupada, its been 7-8 years that I am in touch with Kṛṣṇa consciousness association, temple services, book distribution of Bhagavad-gītā & Kṛṣṇa books, messages and classes. On 13<sup>th</sup> July, I received a Whatsapp message about your established ISKCON movement on the same day 13<sup>th</sup> July 1966, in New York City and by this, you gave shelter to many and enlightened many many souls to know the eternal truth – Kṛṣṇa consciousness.

Just cannot think or imagine the hardship and struggle you went through in India and America to establish the movement. I learned this from your books, audio & classes. Thank you again and again and many times, and humble obeisance unto your lotus feet for making me come in touch with ISKCON, Bangalore, the seed for the bhakti consciousness movement.

I am gradually progressing from 12 rounds to 16 rounds of chanting, following ekadashi and reading books.

Will commit to completely reading Bhagavad-gītā, this year Prabhupad. I beg your pardon for committing sins in Kṛṣṇa's service, chanting, following 4 regulative principles and seek your blessing to strengthen to do active and sincere 16 rounds chanting, following basic and important 4 regulative principles, reading books and doing Kṛṣṇa conscious service.

Your mercy only will impact progress in KC. Thank you, Spiritual Master.

Your humble and aspiring to become servant,

Bhakta Mukundan.

Our dear most spiritual master Srila A C Bhaktivedanta Swami Prabhupada,

Please accept your fallen servant's repeated respectful and humble obeisances unto you.

First of all, I would like to thank you from the core of my heart for giving a very rare opportunity to a fallen soul like me to offer my homage to your respectful and merciful self on this auspicious day of Vyasa puja.

As you have advised, "One cannot reach the real point of factual knowledge without being helped by the right person who is already established in that knowledge." A C Bhaktivedanta Swami Prabhupāda, Bhagavad-gītā 1.43 because of listening to the lectures of Sri Madhu Pandit Prabhu I was able to understand what mindful japa is and how to achieve the same by following your golden and diamond quotes. I am sure hundreds of aspiring devotees like me would have benefited from these lectures. With this, I have got confidence that the quality of my japa would improve and get the mercy of Nama Prabhu. Thanks a lot, Gurudev for your unlimited mercy.

Srila Prabhupada as you instructed, "The Bhagavad-gītā can be consulted in all critical times, not only for solace from all kinds of mental agonies but also for the way out of great entanglements which may embarrass one in some critical hour" - Śrīmad-Bhāgavatam 1.15.27. By regularly attending the Bhagavad-gītā classes conducted by devotees of ISKCON Bangalore,

I am getting to know the in-depth knowledge of the instructions of Supreme Lord Kṛṣṇa which is helping me to tide over challenges in material life and also progress firmly in spiritual practices. For example, being undisturbed to miseries and happiness with a steady mind helps to overcome material challenges as well as focus on spiritual activities like chanting.

Gurudev as per your noble words that “Places of pilgrimage yield a special advantage for a devotee in quickly advancing his spiritual life. Lord Kṛṣṇa lives everywhere, but still, it is very easy to approach Him in holy places of pilgrimage because these places are inhabited by great sages. Visiting a holy place of pilgrimage means neutralizing the reactions of sinful life. The holy places all over the earth are meant for purifying the polluted consciousness of the human being by an atmosphere surcharged with the presence of the Lord’s pure devotees.”- Śrīmad-Bhāgavatam 4.8.42 Purport. I repeatedly thank you for providing the opportunity to visit Puri Dham because of which I could feel increased passion, focus, and interest in performing sadhana bhakti daily according to your noble words above.

Srila Prabhupada, I repeatedly thank you for all your mercy and blessings. May I also beg you for an opportunity to perform devotional service for Supreme Lord Kṛṣṇa and wish I be part of your mission of spreading Kṛṣṇa consciousness to all the villages and cities in this world so that many fallen souls like me can get the jnana and vairagya to develop unalloyed bhakti for Supreme Lord Kṛṣṇa in their hearts.

Your humble and devoted servant,  
Bhakta Murali V.

Dear Srila Prabhupada,

All glories to you.

I surrendered myself to your holy Lotus feet. The mother introduce the father to the child. Then only the child will know of his/her father. Likewise, you introduced Hare Krishna Maha-Mantra to me, that mantra is my father. You are my spiritual mother. I am daily chanting my father. You pulled me out of the Mayaloka, where I wasted by spending most quarter of my life. But you threw me in the Holy water of Lord Krishna that baptism me. Because of you, I wake up from my dreams, Lord Krishna. You showed the path to fulfil my destiny. I beg you to hold my hand until I reach out to that goal which is defined to me. I beg you to give me the strength to overcome the obstacles that are on the way in my spiritual path. Please stay besides me.

I am very happy to write this offering to you, Dear Guru Maharaj. You are the reason of my existence today. I took a birth again when I came in touch with you . I feel that I am leading an actual life now. Thank you very much Srila Prabhupada for being my spiritual father . I would love to serve you and your mission at any time without any excuses. Dear Srila Prabhupada,

Thank you for the grace you showed and you are showing on me.

Please accept my humble obeisance. All glories to your divine grace.

You are the external manifestation of the Super Soul, who also guides the living entity to attain Krishna. Being so, you are the walking Deity, visible to our material eyes. Please make me a disciple of first-class intelligence, so that I will follow what you say right away, instead of doing so after receiving maya's kicks

Everything is possible if you enact your transcendental pastime. Even after being so many months in Krishna consciousness, I am not recognizing you. If something happens, I will say "Its Krishna's mercy", without understanding that Guru and Krishna's mercy act together. Only you can help me in this regard. Please guide me to become a pure devotee and get rid of impersonal concepts. I am so pleased and I am so grateful to you that you gave me the inspiration to write this offering. Please make me an instrument in your hand, so that I can, in a similar way broadcast your glories to more and more people.

Please give proper intelligence to follow the orders of my immediate authorities, who are your representatives. I am sorry for the mistakes that I committed knowingly, intentionally, or unknowingly. I want to start chanting the Hare Krishna Maha Mantra 16 rounds every day, and I wanted to read Bhagavad-gita, Srimad Bhagavatam.

Thank you for the delicious feast. The spiritual master is to be honored as much as the Supreme Lord because he is the most confidential servitor of the Lord. This is acknowledged in all revealed scriptures and followed by all authorities. Therefore I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is a bonafide representative of Lord Krishna.

Please give me the strength to properly control my senses and engage them in your service and to complete my day to day tasks.

Your servant,

Bhakta Nagendra Babu.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna Consciousness. I would like to thank you for blessing us with the Hare Krishna Maha-mantra, enlightening us with its meaning, and also giving us the initial taste for chanting, so that we could embark on our journey in Krishna consciousness.

In my limited journey on this path, I have certainly realized one thing, that the understanding and taste for such spiritual knowledge cannot be achieved by any amount of material efforts unless one has the mercy of the spiritual master.

I would like to thank you for blessing us with the opportunities to render practical devotional services for the pleasure of the Lord, even though we are not at all qualified for it. By your relentless efforts, your vision into the future and your causeless mercy upon the conditioned souls, you envisioned and started the movement of Krishna Consciousness, which is deeply impacting the lives of millions of living beings and helping us understand the true purpose of the human form of life - "To attain love of Godhead". Even though you are not physically present with us in this material world, your instructions in the form of books and lectures make us feel your presence every moment and inspire us to advance in our spiritual lives.

Please continue to shower your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of your lotus feet that can help us stay focused and disciplined in our spiritual life. Words are not enough for us to express the gratitude and love, reverence for your mercy upon us.

Your aspiring disciple,

Dear Srila Prabhupada,

Please accept my humble obeisances.

I really don't know how to express my sincere and heartfelt gratitude, yet I try to present them in a poem.

I am grateful for

You opened up a path of spiritual experience leading gradually to the goal that people from all walks of life could participate in and regain the lost treasures of their soul.

By one-pointed devotion, self-effort, obedience, mantra meditation and the blessings of Guru's grace anyone could practice without much struggle and attain that inner peace.

Opening up many temples by enthusiastic devotees in faraway lands.

With the money, sweat and labor of all those who selflessly gave by their willing hands.

Although you're not physically present, your spirit, being all-pervasive, was subtly there

You stressed the importance of repeating the holy mantra and books which connects the divinity within me

Your grace, kindly accept my gratitude.

Your servant,

Bhakta Nakul Singh.

Dear Srila Prabhupada,

I have heard about a lot of temples and God in those temples but when I think of ISKCON it reminds me of your grace. You built 108 temples. And I am also aware of your concept of "Akshaya Patra" where it is serving millions of people today. When I first came to an event "I love Krishna" in Feb 2020, 16th. By supreme Lord's grace that day, I came to know about this event from my friend. I understood who is Krishna and how happy people were in Krishna consciousness, then I joined to FOLK club. The prasadam was something magical, as who eats it gets purified of his life and soul. After joining as FOLK I came to know about knowledge, spirituality, yoga, and meditation, etc these are called as qualities of a real human.

The material world in what we are living is totally made of adharma. where animals are killed and used as food. This realization made me feel sad about their life, Now I am totally vegetarian because of your preaching through your disciples. Today, all this is helping me to lead my Krishna consciousness life .

Yours Servant,

Bhakta Nanda Kishore Reddy.
