As the representative of divine Veda Vyas, you have explained the original teachings of Srila Veda Vyas in your Bhaktivedanta purports as simple as a common man can easily understand for the benefit of the conditioned souls. Your teachings converting the crow men who are always engaged in material things into swan men who are delivered conditioned souls.

Your teachings are explaining clearly the most secrets of life how we are not these bodies and experiencing spiritual life by simple things like chanting, eating Krishna *prasadam*, reading your books, and *kirtans*. But we experience the simple things are very profound in our life. I hope your teachings will change many conditioned souls as long as the mortal living beings are here on this planet.

Your Eternal Servant, Bhakta Sreenivas Silveri.

## Bhakta Srinivasulu Nirudaddy

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories to you.

I am fortunate that I travel a lot with my wife to various temples and on one occasion we were guided to focus on Vishnu Temples. As I went deeper my mother introduced me to a great upanyasakar Sri Velukkudi Krishnan and I was hooked to Vishnu Puranam and later on the Bhagavatam. *Bhagavad-gita* was too philosophical and the do's and don'ts scared me – as with or without the knowledge I had lived quite oppositely. My mother followed Sri Sampradayam through Ramanuja Acharya and I traveled on the same path.

While I had visited several ISKCON temples in the past, I was not used to those temples, Deities, and their systems. A devotee Sri Mukherjee gave me the book “Journey of an American Monk...” and I started to understand a little more, and visited the HKM and ISKCON temples. Thereafter Sri Mukherjee introduced me to one of the devotees from Hare Krishna Golden Temple, who guided us through great spiritual discussions, while he knew that we were committed to Sri Sampradaya, he was still very kind to us.

Then came a momentous monumental moment – HKM building a golden temple in Hyderabad for Lord Swayambhu Narasimha Swamy – who happened to be our family Deity too. One day that devotee was surprisingly telling that Acharya Ramanuja will also be worshiped in the temple. It was like honey and milk flowing together. I came across another guidance from Lord Krishna through some lectures that both *sampradayas* reach the same Lord Krishna. We started reading *Bhagavatam* written by you, Srila Prabhupada (kindly gifted by the same devotee). To know a person: Read his books, talk to his friend and associates.

This route opened to us through you, Srila Prabhupada's *Bhagavatam*. While we are reading we realized the enormous gift given by you to mankind, along with many other scriptures, books, lectures, singing, discussions, and his travels. We realized that when you said that “religion is the only real science – and everyone and every time You can reach Lord Krishna, that you were destroying our mental barriers. The more we read, the more we liked your guidance and your commitment to humanity for the time to come.

The second part of the equation fell into place – when you arranged through your blessing, an interaction at ISKCON Columbus with some of your greatest disciples like Malati Mataji, Kamadgiri Mataji, Chanakya Prabhu, and so on. We were shocked to know that Chanakya Prabhu had read *Bhagavatam* over and over several times and can explain the nuances

without blinking an eye. Our interaction with several more of your disciples, and institutions and behold – passersby on the street – who could vividly recall their interaction with you, Srila Prabhupada that happened around sixty years ago, when they were studying at the University of Columbus – was stupendous.

We learned a couple of more ballistic happening. When the patrons of Jagannath Puri temple did not allow entry of ISKCON devotees around the world - how you made the Jagannath *ratha-yatra* an annual feature around many many cities. The second one was that after working 24x7x365 for many years and establishing more than a hundred temples all around the world – (that can guide the locals and those of our children that have migrated around the world) – you decided the second renunciation of sorts and leaving your planetary establishment, retired to a small Kutir in Mayapur so that you can lead a mendicant's life.

If we describe any more qualities of yours, Srila Prabhupada – it will be displaying our *ajnana* more and more. As described in many scriptures about Guru it will be a futile exercise as we are *bhautik* and you are *adyatmik*. We thank Lord Krishna for his mercy in guiding us to You, Srila Prabhupada, and Ramanuja Acharya's path and teaching.

Your servant,

Bhakta Srinivasulu Nirudaddy.

Dear beloved Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Thanking you Srila Prabhupada for your causeless mercy on this fallen soul. Only your love and words as a father to children, driving me to do at least a few services in the Hare Krishna Movement. Really, I don't deserve for doing services to you and Lord, due to your compassion towards me only helping. Srila Prabhupada, you are the current messenger of Lord Krishna. You are Jagat-Guru with your bonafide Spiritual master.

I am very much proud and happy to say about your glories all the time and to everyone. Thousands of conditioned souls got liberated with your mercy by Krishna consciousness to them. No one before you has done this. Your transcendental books change many lives. Thanking you Srila Prabhupada once again for your kind, loving, compassion on me. Please accept my humble *pranams* and obeisances unto your lotus feet. Praying you to guide me, protect me, punish me always to remain in your services. Hare Krishna.

You saved me by your Divine glance through your causeless mercy upon me. Please continue to engage me in your service and your genuine devotees. I pray to Lord Sri Kṛṣṇa that he may give me the service at Your lotus feet, birth after birth, and all the *Vaishnavas* and give me good health and spiritual strength to follow 4 regulative principles and 16 round chanting in each birth. May you give me the service which I can handle.

Dear Guru Maharaj,

Please accept my humble obeisance, all glories to Srila Prabhupada.

As a servant I don't know anything about this material world, how I came to this world, how will I spend my whole life and how will I get salvation from this material body. As human beings, we do many sins, we also get many curses we also suffer for our all *karma*. Now after touching your feet somehow I realized that every sin has some way to purify.

As Krishna says in Gita.....

*सर्वधर्मान्परित्यज्य मामेकं शरणं ब्रज ।*

*अहं त्वा सर्वपापेभ्यो मोक्षयिष्यामि मा शुचः ॥*

For many years I searched for pure guru where I can express my feelings, the dilemma of my life. Why life is so miserable, all these questions stuck my mind, after getting a sense of pure soul I really have realized that this life is only because of our past *karma*. Whenever I go to temple my inner pleasure which really forces me to visit the temple again and again. I spend time doing services that purify my soul. How will I express my gratitude to you with my limited word? Last say, as long as I live I want to be with you.

*यत्र योगेश्वरः कृष्णो यत्र पार्थो धनुर्धरः ।*

Srila Prabhupada, in the past one year there came many changes in my life, by your mercy I have cleared my CA exams with good marks. Your ocean of mercy has not stopped over there you took me to Gaura Desha, which I've not even thought in a dream also, I have convocated and received CA certificate in the holy land where you took birth, I'm very thankful for all your compassion on this most fallen soul. The moment I thought bit relief and can practice my spiritual Journey peacefully, real journey started. But I never felt alone even for a single moment whatever the situation may be, I felt your presence every time, you are guiding me in every situation through your books, instructions and most merciful *Vaishnavas*, and I'm very thankful for giving me a very kind-hearted and careful mentor and Guide.

For material benefit I have shifted to Kolkata, leaving my beloved Lordships Nitai-Gauranga, Radha-Govinda, and Lakshmi Nrsimhadev with a heartful of tears, but You divine Grace continued to shower the mercy and you have placed me in the association of *Vaishnavas*. As a curious aspirant I'm trying to improve my devotional practice every day but somehow or other unable to achieve my targets, dear Prabhupada, please give me the spiritual strength so that I can engage more and more in devotional service. Falling at your lotus feet, in profound appreciation, and in fervent supplication, this sick soul seeks your mercy for serving constructively your movement.

## Bhakta Suresh Gowd

Dear Srila Prabhupada,

Thank You, Prabhupada for giving an opportunity to associate with your mission. In my opinion, I am not eligible to be part of your mission but your unconditional mercy on the fallen soul like me made me in. I am preached that we are not supposed to take any material favor from the *japa* but I always feel your presence every time I take your guidance spiritually and materially. Whenever I look for your involvement I could sense your presence the next movement. Things will fall in place as desired. This happens so frequently, still, sometimes I lack in remembering you all times. Please do help me with this if you wish.

My mind is full of unproductive thoughts, I am willing to co-operate with you to correct myself, to change myself, if you wish please help me. I am ignorant. I don't know what is good for me. My associates cheat me regularly and take me for a useless ride within this material world and get me to do so many crazy things. But your compassion on fallen souls is my savior. The only desire is to be in the association of your followers. Also, give me the intelligence to wholeheartedly accept that association as my great hope of deliverance. If You wish, please bless me with a drop of your mercy, so that I will be able to please you by spreading your message but I need your mercy. I am hoping for it, please shower your mercy!

Your Servant, Bhakta Suresh Gowd.

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Prabhupada, by your merciful glance this insignificant soul had got a chance to be in the spiritual life and every day experiencing new realization in spirituality. In these three years in my Krishna consciousness life, I have achieved a lot. All the auspicious moment what has come to my life it has come by Your causeless mercy. The most important one is my decision to first joining gifts-Kondapur and being a weekly service of Lordship Radha-Krishna which has come true by your blessings and joining the temple celebration, participating in the volunteer service, and also I am joining the folk hostel and attending the folk classes. So many interesting points have explained my doubts.

On this most auspicious day, I humbly beg you to continue to shower your blessings on me to make me an instrument in serving your mission. Prabhupada, your glories cannot have a full stop, just putting comma to continue further. Always in your service.

Dear Srila Prabhupada,

Please accept my humble obeisances.

By a drop of Lord's mercy, make this servant of yours humbler than a blade of grass. Giving me the strength to bear all trials and troubles and make me devoid of all desires for personal honor. For me with the introduction happened at Vana Bojana

– the *prasadam* attracted me to visit the place again. The following progress was during pilgrimage *yatra*. *Kirtana* and *bhajan* during *yatra* made me hold *japamala* as a part-timer for chanting Hare Krishna *Maha-mantra*. Subsequently, the number of rounds increased, and now waking up at 3 am and chanting at Brahma muhurta is a daily routine. Maybe my initiation to start Goshala at our farm is the beginning of this journey. Now I am in a family, where everyone shares common goals and strives to fulfill the mission of yours, our beloved Spiritual master. You are an epitome of compassion, selfless, and dedicated yourself in service of humanity by giving them Krishna *bhakti* which will eventually make us experience real happiness and complete satisfaction.

Today upon examining my value, I find that I am nothing, your mercy is essential to me and it's giving me the proper intelligence and guidance. I pray to you that while doing my service, I do not get proud and I always remain your humble servant. I pray the way I developed a taste of chanting Hare Krishna *mantra* and always be able to remember the Holy name of Lord in all circumstances in life and become attached to Lord Krishna. My small experience has brought a lot of faith in how you can empower a small unqualified and insignificant *jiva* like me and involve me in the service of God. I am so fallenthat this insignificant work could not be achieved without your mercy.

Your servant,

Bhakta Suresh Serveseti.

Dear Srila Prabhupada,

Please accept humble obeisances from this fool, all glories to you. All glories to you on this auspicious day of Vyasa-puja.

Gurudeva, so, one day I was sitting, listening to kirtan and wondering as to how beautiful and mesmerizing it was, my mind dancing on that soothing vibration of kartala and my lips trying to follow the sounds. And then, all of a sudden this thought crossed my mind, 'What if Prabhupada was not there?', to my selfishness I was thinking, as to how I would have relished these mellows of Harinam. Just that I was thinking, so the links started unfolding as to how this kirtan is related to the colds of New York, that treacherous journey through Atlantic, the endeavor of one Man. One Man whose only business was to give this rotten world an ocean of love. To the lotus feet of that great man, I offer my obeisances. Thank You, Srila Prabhupada. Although saying 'Thank you' will be such cheating, to what you have done for us.

Dear Gurudeva, thank you for all that you have done for us, going through all these troubles just for the fools like us. Thank you for showing the true religion. Thank you for telling the meaning of God, thank you Gurudeva for making this foolish animal a human. This is the day, where I should be thanking you but still, here I am asking for your mercy, mercy to give the strength so that one day all my doubts are cleared and I become your pupil. Because you're the one to be served. Thank you, Prabhupada, Jagad Guru Srila Prabhupada ki Jai.

When I got to know this Krishna consciousness, I felt very happy. In the temple, Prabhu told me to do *japa*. After doing one round of *japa*, I decided to continue like this. And also attended all the festivals. Initial days I was very much attracted to *kirtans*, *kartala*, and *mridanga*. And I learned all these by observing only, with your causeless mercy.

I am happy to associate with all devotee kids. We brought recently Nitai-Gauranga Deities to my home and my home became a temple. When I was not associated with Krishna consciousness, I used to do naughty things and disturb others. After associating with devotees and following Krishna consciousness, I became like a good boy. My relatives, friends surprised by seeing my positive spiritual transformation. All these happened only by your guidance, Prabhupada. Thank you.

My Dear Srila Prabhupada,

Please accept my humble obeisances.

Dear Prabhupada, I was working in Hyderabad, a restaurant called China Bistro, located in Kondapur. I was surviving like a donkey. One day, Hare Krishna devotees had come in May 2019 and started explaining about life and about this world to survive wisely, at the beginning I took a lot of time to change myself and to understand the concept of it. Day after day, I started chanting and gained a lot of profit and happiness. Before I used to have always sad but that's been reduced because of the chanting. God showed me the path and brightened it. I thank You many times, I bow my head, I am inspired by your quotes. Because of them, I got to experience, peace. In my experience what I gained is, you have shown the path to everyone but people should understand and practice every day chanting *Maha-mantra*, life will be successful with the spiritual process. You also explained very clearly about *karma-yoga* and *bhakti-yoga*, very interesting. I would definitely suggest everyone jump and grab this opportunity to make their lives successful and beautiful.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare,*

chanting *Maha-mantra* loudly in the morning every day has given me happiness. Prabhupada, I have experienced that money is not important in life and people are still dying for money without a reason and moreover people are materialistic

in this *Kaliyuga*, all should come out from this illusion and darkness. Then only people will get happiness which is permanent.

Finally, I am glad, willing to say in my experience, money had never made me happy even after earning lots of money, but your lectures have made me happy. My journey is just 'wow' and day by day, I am falling in love with Lord Krishna's mercy. Thank you so much, Prabhupada for everything.

Your servant,

Bhakta Susant Kumar Padhy.

Dear Spiritual Master, My Lord,

Please accept my humble obeisances.

First of all, I would like to beg forgiveness from you, the reason being I am always a habitual offender at your lotus feet, also at the lotus feet of Sri Nitai Gauranga and at the lotus feet of Sri Sri Radha Govinda. But you all 5 are always merciful upon me.

I don't follow assigned sadhana properly, though I am very ambitious regarding my spiritual advancement. I know that you will be pleased if your disciple chants 16 rounds without fail. But I am such a rascal, sometimes I deviate to so many non-sense stuff and put aside sadhana.

In guru puja, we sing a verse "*divya gyan hrde prakashito*", in the same manner, you gave me so much transcendental knowledge that if followed in letter and spirit is sufficient to get rid of material miseries and go Back to Godhead.

As a matter of fact, regarding my consciousness, even Maya should not be blamed for the reason being I am a retarded fellow.

If your Lordships desire so, to set my spiritual advancement on a proper track, so as to attain perfection in this very life, you may chastise and punish me as severely as you like. Because demons like me do not deserve any mercy.

Oh, My Spiritual Master! Vaishnavas are so merciful than anyone else in the world. The reason being if they can tolerate a demon like me then that itself is a very big evidence of their mercifulness.

And the people of my order are such that we don't have enough capacity to take and utilize the mercy of Vaishnavas.

My Lord! Serving spiritual master personally is a fortune to any disciple. But before even engaging me in serving you kindly engage me in the service of servants of your servants. I want to come to you as a Disciple and take proper care & render proper services to your servants.

My Master! Remove all kinds of ego, lust, arrogance, and any other kind of propensity for material sense gratification so that I can become an unalloyed devotee of their Lordships Sri Nitai Gauranga, which is your desire as to how your disciples should become.

Your Good for Nothing Servant,

Bhakta Teja Nadella.

Dear Srila Prabhupada,

Please accept my humble obeisances,

All glories to Srila Prabhupada, All glories to you on this auspicious day of your Vyasa-puja.

Srila Prabhupada, if not for your teachings, I would be spending my life chasing material happiness and must have ended up with dissatisfaction in the end. You have mercifully given everyone, the priceless jewel of Bhakti, where I feel myself not to be worthy of receiving it. But as a compassionate Vaishnava, you have chosen to dedicate your life to spread the teachings of Sri Krishna, showing me how ignorant I have been so far, for so long. Please accept my homage unto your lotus feet for showing me light, in this world of darkness. I am ever indebted to you for this, and I'm not sure what I can do to really show my gratitude for your help.

I sincerely beg you to forgive my offenses and kindly bless me, to overcome the challenges of material nature, so that I can serve you and your movement dutifully. Please give me strength in my heart to fight my weaknesses, and kindly give me an opportunity to serve the Vaishnavas. Hopefully someday, with your blessings, I will be given an opportunity to serve

Radharani and Krishna in Goloka Dham. Kindly make this desire of mine strong, and mercifully give me the taste of Hari Naam, which alone can be my savior.

Your ever servant, Bhakta Uday Sai Jagannadh.

With your simplest yet authoritative explanation of *Bhagavad-gita* and *Srimad-bhagavatam*, you have driven away all the confusion that was in my mind. I am so fortunate to have you as my Spiritual Master. Because of your mercy, I'm chanting *Maha-mantra* 4 rounds daily. Because of ISKCON started by you, I'm blessed to get the association of Vaishnava devotees. Wholeheartedly Prabhupada I'm Happy in Krishna consciousness. Dear Srila Prabhupada,

Please accept my humble obeisance,

All glories to Srila Prabhupada, All glories to you on this auspicious day of your Vyasa-puja.

We are all going through a tough time this year. Unprecedented challenges have been thrown into my life and career and that of my family, friends, countrymen, and others. This is when your presence and teachings have been of utmost importance.

This situation has also provided us ample time and opportunity to think about the transcendental knowledge you have provided to us. Our busy lives make us postpone the practice of Krishna consciousness and we think we can do it later when we have time. But you have always told us that now is the time since there is no guarantee about the future and more importantly, the true purpose of our lives is to remember our eternal relationship with Lord Krishna. There is no better time to realize this than today, for which I want to express my deepest gratitude to you.

Reading your pastimes I have learned how you have passed through the most difficult times by keeping trust in Lord Krishna and His mercy. This has inspired me and given me the courage to follow the same path. I have increased chanting of the Hare Krishna Maha Mantra and reading of your books instead of worrying about the future. I have also been made a warrior to spread your preaching throughout the world. All these have strengthened my Krishna consciousness practice and trust in the process. All thanks to you for this opportunity.

Let the whole world sing your glories - 'Jaya Srila Prabhupada, vande guroh sri caranaravindam'.

Your humble servant, Bhakta Umesh Chandra Achanta.

Dear Srila Prabhupada,

Please accept my humble obeisances,

All Glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

By your teachings, I am reading Bhagavatam, which really has given me more inspiration towards Krishna Consciousness.

Attending the Sankirtan Program at Temple & having Prasadam is really wonderful.

My personal belief is that it is better to remember and do worship to Guru's Lotus Feet. This is because of the fact that God's greatness cannot be glorified if we don't have bonafide Guru.

So, I prefer to worship the holy feet of Guru, who elevates me from this material world. Even God would be happy because it's said that,

*gurur brahma gurur vishnu, gurur devo maheshwarah*

*guru sakshatparabrahma, tasmai sri gurave namah*

I want to control my mind and want to engage always in your and Krishna's service every time. I do commitment to chant "Hare Krishna Mahamantra". Please give me your mercy so that I can do some service for Lord Krishna. I will try to be in association with devotees and I will start reading spiritual books. I am very thankful to you and Lord Krishna for whatever has happened to me and whatever I have in my life.

Thank you very much for bringing me in association with devotees and in the shelter of Lord Krishna.

Please keep always your blessings onto me and guide me.

Your Humble Servant,

Bhakta Upendar Gupta.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Prabhupada, you freely distributed us Hare Krishna mantra. By associating with devotees I learned how to do services in the temple. You gave spiritual knowledge to educate all. It also helps to achieve real unity and peace of mind. To bring the members of the society together and to know about Lord Krishna, you constructed 108 ISKCON temples worldwide. We are thankful to you for translating Srimad Bhagavatham and Bhagavad Gita. You have introduced Jagganath Baladev Subadramayi's Ratha yatra festival all over the world. Vrindavan, Mathura are the places where we can feel Lord Krishna everywhere, I got to know this information by your lectures. I am also thankful to your Guru Srila Bhakti Siddantha Saraswathi Goswami because he is the one who inspired you to preach this Krishna Consciousness to all over the world.

Please give me spiritual knowledge to help you in your preaching services.

Thanking you.

Yours faithfully,

My Dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisances. All glories to you Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

I have come to the correct path of Krishna Consciousness by your mercy and compassion upon me. Because of you, I'm in bliss and joy which is everlasting by your supreme path of Krishna Consciousness.

You are like a person flying the kite in the Sky. You are showing the Krishna Consciousness path to me by waving thread towards Sky. And the wind who is Lord Krishna invisibly helping me to fly in the sky. Without yours and Lord Krishna's mercy and compassion, I'm just a kite with no direction in the dark. You have enlightened me, the spirit in me, by sowing bhakti in my heart. It is like tying thread to kite strings to fly. I'm feeling joy and bliss by satisfying you in the path which you have shown me. It is like a Kite flying in the sky with your mercy and Compassion. All of your students (including me) owe a debt of gratitude towards you and everyone knows that this debt is never repayable.

I am in the process of following your instructions. The Joy and bliss that which I am experiencing now is a small part only. I am in love with Lord Krishna and Gurus who are equal to Lord Krishna in the sense of sowing Bhakti in my heart. By the path which you have shown me, I am able to challenge myself for a better version of my life and able to do correct actions in my life. In the future, I will try to experience more knowledge and bhakti of Lord Krishna and also make others follow

the path provided to me by you. I am also begging you to forgive me for the mistakes that I have done unconsciously and bless me to move towards the correct path in my life.

Your Loving Servant,

Bhakta Venkata Raju P.

Hare Krishna,

Dear Srila Prabhupada,

My humble obeisances to your lotus feet.

*Om ajnana timirandhasya Jnananjana salakaya Cakshur unmilitam yena tasmai Sri Gurve Namaha.*

I was born in the darkest ignorance and my spiritual master opened my eyes with the torch of knowledge.

I am reading regularly Bhagavad Gita slokas & purports. I am very happy to read the clear purports. If You have not given the purports, I couldn't understand the clear meaning of slokas.

I don't want the next birth (Birth, Death, disease, and old age), please engage me in full service of Lord Krishna.

I am learning from online classes with the help of senior devotees. Bhakti Rasamrutham & Bhagavad Gita, they explained clearly with your mercy.

Next, I have to learn Srimad Bhagavatham with your blessings.

As per your kripa we are doing daily service to Nitai Gauranga and also offering Prasadam .

Prabhupada Gurudev, I don't have any knowledge. So please give me the strength and good health, and engage me in your mission. Hare Krishna.

Your humble servant,

Bhakta Venkata Subbaiah.

శ్రీ యుత పతితపావన జగద్గురువైన శ్రీల ప్రభు పాదుల వారి చరణ కమలాలకు నా సాష్టాంగ ప్రణామములు.

నేను శ్రీ క్రీష్ణ భక్తి కి రాకముందు ఎన్నో భౌతిక విషయాల పట్ల ఆసక్తి కలిగిన వాడినై వాటి కోసం ప్రయత్నిస్తూ చాలా కాలం వ్రుదా చేసుకున్నాను, అలాగే మా కుటుంబం కూడా చాలా విషయాలతో మానసికంగా భాదపడుతుండే వాళ్ళము. కొన్నిసార్లు ఈ మానసిక ఒత్తిడి తట్టుకోలేక మా అమ్మ ఇలా అంటుండేది " నేను చనిపోతే అన్ని సమస్యలకు పరిష్కారం లభిస్తుందని ". అప్పుడు నేను చాలా భయపడి, భాదపడుతుండేవాడిని. ఆ సమయంలో మా అమ్మ మీరు రాసిన భగవద్గీత చదవడం వల్ల ఆత్మ హత్య మహాపాపం అని తెలుసుకుని కష్టాలు కేవలం పూర్వ జన్మ కర్మ అని అర్థం తెలుసుకొని ఇక అప్పటినుంచి నేను చనిపోతా అని అనడం మానేసి శ్రీ క్రీష్ణ భక్తిని ప్రారంభం చేసింది. ఈ విధంగా ప్రతి రోజూ టెన్షన్ తో ఉండే నాకు తిరిగి మా అమ్మ ని నాకు ప్రసాదించారు మీరు.

ఆ విధంగా అమ్మ శ్రీ క్రీష్ణ భక్తిలో ఉండడం వల్ల నేను కూడా అమ్మ తో పాటు శ్రీ క్రీష్ణ భక్తి ని ప్రారంభించి ప్రస్తుతం మీ క్రుప వల్ల మీరు చెప్పిన 4 సూత్రాలు పాటించాలని ప్రయత్నం చేస్తూ నిత్యం 16 మాలల జపం, కీర్తన, సంకీర్తన, మంగల హారతి, నైవేద్య సమర్పణ, ప్రసాద స్వీకరణ, అలాగే భగవద్గీత మరియు భాగవతము పఠనం చేస్తున్నాము. మీ రచనలు అయినటువంటి భక్తి యోగ, ప్రారంభకులకు క్రీష్ణ చైతన్య దర్శిని, శ్రీ క్రీష్ణుడిని చేరే మార్గం, ఉత్తమ ప్రశ్నలు మరియు సమాధానాలు, చైతన్య చరిత్రామ్రతం వంటి గ్రంథాలు మా కుటుంబ సభ్యులతో పాటు చదవడం మొదలు పెట్టడం జరిగింది. కీర్తనలలో భాగంగా కరతాల్ వాయిచడం కొద్దిగా వచ్చింది. అది నాకు ఎంతో ఇష్టమైనది కూడా. కరతాల్ వాయిస్తే ఏదో తెలియని ఆనందం కలుగుతుంది.

ఇలాగే మీ యొక్క సేవలో ఇంకా భగవంతుడి సేవకు దగ్గరగా ఉంచాలని, శ్రీ క్రీష్ణ భక్తి లో ముందుకు వెళ్ళడానికి మార్గం చూపాలని మీకు ప్రార్థిస్తూ మీ చరణ కమలాలకు నా సాష్టాంగ ప్రణామములు.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to you on this auspicious day of your *Vyasa-puja*.

Prabhupada, I was inspired a lot by reading your books. In those books, I learned what is the purpose of life? what is the exact path to reach destiny? and many more, I got answers to all that such kind of questions. I use to face problems in my day to day life, but after taking up the chanting process I easily overcame problems. By your mercy, I got this opportunity to get in touch with Krishna consciousness and progress in spirituality under your guidance. I use to be like always in the mode of passion, attracted to material happiness but at the end of the day, I got nothing. But coming to Krishna consciousness we get ultimately *ananda* by chanting the holy name. I learned that the more we chant the more we feel happy and will be going back to Godhead (Sri Krishna)The Supreme Personality.

In your lectures, I learned about the importance of *prasadam*. By your mercy this whole world now taking up the Krishna consciousness and this Krishna consciousness created a great impact in my life, all this is because of your mercy Prabhupada. Whenever I feel depressed I hear your lectures by that I get the strength to overcome the obstacles I realized that harinam is the only solution in this material world to go back to Godhead. On this auspicious day, I humbly beg you to continue to shower blessings on me and give strength to engage more in Lord Sri Krishna's service and please forgive my offenses. Always in your service and aspiring to be your humble servant.

Your Eternal Servant,

You changed the world with your strong determination and pure Krishna Consciousness. Hare Krishna Mantra is the most powerful weapon which can change the complete world. O Master, please bless me to progress in Krishna Consciousness and also bless me to do offenseless chanting of Hare Krishna *mantra*. Thank you, Prabhupada, for inspiring us. “Hari bolll”

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet and all glories unto you.

On this special occasion, I thank you very much for giving me an opportunity to glorify you and continue to engage me in your transcendental mission. I bow down to your beautiful lotus feet my spiritual master, by whose causeless mercy I've obtained the supreme holy name, the divine mantra. The spiritual master is non-different from Lord Sri Krishna, glorifying him is also the same as glorifying the Supreme Personality of Godhead. I'm very thankful to you Srila Prabhupada for giving me such an opportunity to glorify you and share my feelings for you from the bottom of my heart.

This year was a quiet combination of sweet and sour experiences in my life, but nevertheless in Krishna Consciousness, the sourness becomes sweet when we practice, pray, read the glories of Lord Sri Krishna (Bhagavad Gita). I realized this fact throughout the year and by Your Divine Grace, I'm able to analyze the areas in which I have to improve myself. I feel very grateful to be your servant. It is because of your mercy that have come to know the purpose of life is to be an eternal servant of Guru and Krishna. I want to chant and read your books more seriously, please help me to follow your instructions to chant sixteen rounds and read your books effectively. I thank you for helping me build a courteous behavior towards my patients, the Vaishnava community, and my people.

I'm deeply indebted to you for providing me with a chance to serve the Hare Krishna Movement in many possible ways. Please forgive me for any offense that I've committed with or without my knowledge against you and this organization. I'm very thankful for setting up a system that keeps me Krishna Conscious almost all day.

Your most faithful and humble servant,

Bhakta Vijay Kumar.

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

First thanks to Hare Krishna Movement, because of that I understood how to love Supreme Lord Krishna. If I talk about my daily life routine then Srila Prabhupada you play a key role in my life. Like, serve the Lord without asking anything. Having everyday puja at my home, offering bhoga to Lord, and honoring prasadam.

Apart from that, I used to work outside, but in this material world how to manage myself, too much difficult. Thanks to you who have given very nice instruction, therefore able to manage daily life routines. Like everyone who is staying outside and following the Krishna Conscious principle is not easy, but somehow able to manage. I don't know how to explain your role in my life.

Still, I have so many things to say about you on the auspicious day of your Vyasa-puja. I am a married person and handling many responsibilities, following grihastha life is very difficult. Indeed with the Hare Krishna Movement and yourself, it has become easy.

Finally, I say thanks to yourself and Hare Krishna Movement. Please give me the strength so that I can follow more and more of your principles. Sri Radha Govinda, please bless me so that I make the upcoming generation also follow your instructions.

Thanks for giving me this opportunity to say something.

Your Servant,

Bhakta Vikas Kumar.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet, on this most auspicious appearance day of Your Divine Grace.

*Guru Brahma, Guru Vishnu, Guru devo Maheshwara,*

*Guru sakshat, param Brahma, tasmai shri guravay namah.*

Guru is the one who removes darkness from our life and heart, I recognize Prabhupada as the one who removed agitation and darkness from my life also. Through Hare Krishna maha-mantra I have experienced the power of enlightenment all around me at all times.

My spiritual growth has been wonderful since I joined the Krishna consciousness movement, I feel more grounded and connected with all living beings after joining.

One of the most challenging things during the whole this time is to become compassionate to all the people irrespective of what they do to you, how they treat you, but after joining the movement and gradually increasing my practice I am able to manage it.

I want to acknowledge the work that Srila Prabhupada has done and given us such a beautiful gift of Bhakti Yoga.

I will continue my practice as it has become an inseparable part of my everyday life.

Your Eternal Servant,

Bhakta Vikas Thapa.

Hare Krishna Guru Srila Prabhupada!

Please accept my humble obeisances. All glories to you and to Sri Nitai Gauranga. It has been 9 years since I am blessed upon by your kind grace and introduced into Krishna consciousness. I am so grateful to be a part of this wonderful legacy, as so my family.

By your mercy, we are able to do daily bhajan in our house in front of Sri Sri Nitai Gauranga, who entered our house through the Intinta Nitai Gauranga program in Visakhapatnam. As lord is more pleased when his devotees are pleased, it is undoubtedly your mercy which made us recipients of the mercy of Sri Krishna.

Please bless us even though we are not deserving so that we always remember Lord Krishna and never forget him.

Your Servant,

Bhakta Vinay Kumar.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this auspicious appearance of Your Divine Grace.

Prabhupada by your mercy today we are able to know and follow the Krishna Consciousness.

Thank you very much for forming ISKCON and through which we came to know what is Krishna Consciousness. And thanks for helping us with your books, still we believe that you are alive in the form of your books. I learn a lot from Krishna Consciousness. Today I am not in India, but I am in touch with Krishna Consciousness, that is just because of you and your mercy. I can make a difference in my life like " Life before coming into Krishna Consciousness and Life after coming into Krishna Consciousness".

And on this auspicious day, I really beg you for your blessings and give me the strength to continue to serve you and lead my life in Krishna Consciousness without any discrepancies.

Please forgive my offenses and give me the intelligence to carry out your orders under the protection in the association of your sincere devotees.

Dear Srila Prabhupada,

Please accept my humble obeisances!

I have been learning a lot ever since I am associated with ISKCON *Bhakti Vriksha*. Srila Prabhupada, you gave us all a clear meaning of each verse from *Bhagavad-gita*. As I read each verse, translation, and purport I learned the difference between body and soul, the purpose of our life, and three modes of material nature. I always think about how you have traveled all alone from India to the USA and extended Krishna consciousness across the globe. Life is all about the glorification of Lord Krishna.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare.*

Your Servant,

It is my great fortune to write glories of yours. I will be eternally grateful to you for providing the wisdom of our ancient *Vedas* and scriptures. Your efforts to preach the knowledge of *Bhagavad-gita* and *Srimad-bhagavatam* has provided a ray of hope to the people to break the shackles of material bondage and go back home Godhead. Thanks for enlightening our

My dear Spiritual Master,

I offer my respectful obeisances unto you. All glories to you, Prabhupada.

Srila Prabhupada, you have opened flood gates of Krishna consciousness during the most difficult and turbulent times of my life. Your intervention is identical to how Lord Krishna has uplifted the dejected Arjuna to face the battle of Kurukshetra. The *Maha-mantra* is an integral part of my life, a day does not begin or end without it. The *Ekadasi* fast is greatly helping me to go beyond the senses and focus on the spiritual self. Your relentless work during old age gives me understanding and hope that age is just a number as long as I am ready to discharge my duty with complete surrender to Krishna consciousness. Prabhupada, please give me your blessings, so that I can continue this path of devotion.

Yours Sincerely,

श्री गुरु के चरणों में सादर प्रणाम। कृपया मेरा कोटि-कोटि नमन स्वीकार करें। आप की अद्भुत कृपा को बताने के लिए शब्दकोश के भंडार के शब्द भी कम पड़ जायेंगे। जिस तरह एक दीपक प्रकाश से अंधकार को दूर करता है आप भी हमारे जीवन में उस दीपक की तरह हैं जो हमें माया रूपी अंधकार से भरी दुनिया में प्रकाश प्रदान कर रहे हैं आपने हमारे हृदय में हरी नाम रूपी ज्योति, ज्ञान रूपी ज्योति, भगवत सेवा रूपी जो ज्योति जगाई है उसे चंद्र शब्दों या लफ्जों से व्यक्त कर पाना असंभव है। आपने आध्यात्मिक ज्ञान रूपी रोशनी से जिस प्रकार हमारे जीवन को प्रकाशित किया है उसी कृपा से आज हम सब श्रवन, कीर्तन और शास्त्रों के अध्ययन जैसे कार्यों में रुचि दिखा पा रहे हैं। जिस तरह आपने अपना सर्वस्व समर्पण कर संपूर्ण जगत को दिव्य ज्योति रूपी आध्यात्मिक ज्ञान से लाभान्वित किया है उसी तरह आप हम सब पर अपनी कृपा बनाए रखें कि हम सब आपकी सेवा कर सकें और आप के दिखाए रास्ते पर चल सकें।

Dearest Srila Prabhupada,

Please accept my humble obeisances. All glories to you!

*Nama om vishnu-padaya krishna-preshthaya bhuta-tale srimate bhaktivedanta swamin iti namine,*

*Namaste saraswati deve gaura-vani-pracharine nirvishesha-shunyavadi pashchatya-desha-tarine*

*Om ajnana-timirandhasya jnananjan- salakaya*

*Caksur unmilitam yena tasmai sri-gurave namah ,*

Hare Krishna Srila Prabhupada! It will be a great injustice if I will write a few formal sentences to formally and materially impress the most empowered and enlightening person of my life, which is yourself, "MY BELOVED GURU". You deserve more than a few words as an offering of Vyasa Puja. You deserve the real and eternal credit for your guidance. With this regard, I want to share how you guided me divinely.

From my childhood I was always interested in spirituality, I had a strong faith in the Supreme Lord, but I didn't have knowledge that Lord Krishna is the Supreme Personality of Godhead. I was not aware of the eternal truth related to spiritualism and its impact on my life. This knowledge was introduced, explained, clarified, nurtured, and strengthened by You, Srila Prabhupada and still, the process is going on. But reaching at least till here was not a small journey. Lord always had his divine plan and he executed it giving all the responsibility to you, taking all the pain to train me, all glories to You. the miracle is that The Supreme Lord connected me to you before I got connected to ISKCON.

Many years back when I was not Krishna Conscious, whenever I was in distress or in real need of guidance I used to pray desperately to Lord, and every time I pray sincerely, I get a dream in which an old person used to come and guide me with solutions. His solutions really worked, I started getting dependent on this process. I never took any major decision until I saw the same old man in my dream. This continued for many years and my faith in the existence of Supreme Power strengthened. Then slowly I got connected to ISKCON and started getting involved in the process. After reading the book "Bhagavad Gita As It Is" and developed a strong faith, I stopped getting those dreams and started getting solutions in your book. Every time I am in distress I get a solution from the Bhagavad Gita. Then I realized the respected old man was no one else but it was You, MY DEAR GURU who was guiding me all along from the time I developed the faith in The Supreme Lord. This is my relationship with you, Srila Prabhupada.

You are the one and only source of enlightenment for me who makes me realize every day my purpose of existence, keeping me connected to Lord with the concept of surrender. I am indebted to The Supreme Personality of Godhead, to you, Srila Prabhupada, the system created by you, all the Vaishnavas who are working hard with their purified soul to uplift this movement, with humble obeisances I surrender myself to serve all of them. Hare Krishna.

Your eternal servant,  
Bhaktin Amita Samal.

Dear Srila Prabhupada,

Please accept my humble obeisance.

I feel fortunate that Uma, your devotee, introduced me to ISKCON and You. He asked me to chant Hare Krishna Mahamantra. He is teaching me Bhagavad-Gita, explaining the meaning of each sloka. He also taught me to be unfailingly tolerant. We together visit Hare Krishna Golden temple and feel blessed to receive Maha Prasadam.

Uma, being your bhakta, is able to teach me and bring out the best in me. Thank You so much, Prabhupada. I need your blessings to continue and grow in this path of Krishna Consciousness.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. My dear Srila Prabhupada, I am a medical student always in stress, so at times I keep listening to music to relieve my stress. Once my mother started playing mangala aarti, I got attracted to it. While going to the college I play Narasimha pranama. The good thing about ISKCON kirtans are they give meaning to all the songs so that we enjoy more by knowing the meaning. In the evening we do Sandhya aarthi at home. On Sundays we go to the temple for Shayna aarthi often. When I was small I had Lord Jagannath deities in the room where I sleep. I like to attend Jagannath rath yatra. I have read couple of your books PQPA, LIFE COMES FROM LIFE and presently reading Srimad Bhagavatam in the story form. Every day I do 3 malas of chanting.

Dear Srila Prabhupada, you have given us all kinds of information and resources which can take us back to Godhead and make us better in the service of Lord Krishna. We should make complete use of everything that you provided and understand how it's going to make an impact on our lives and help us.

Thank You so much Srila Prabhupada. Please keep me always at the shelter of your divine lotus feet, bless me and guide me how can I serve you wholeheartedly and sincerely.

From last year I came to know about the Vyasa puja. Last year we enjoyed a lot during Vyasa puja, this time we are at home due to Corona, in this crucial period we are getting a chance to write. I am very very happy to express my feelings, this year I started worshiping by keeping your small photo & I started offering naivedya.

I am really very happy to do this even though I'm not a devotee, simply by hearing from Prabhuji's lectures/class I am able to do this with the blessings of yourself and Lord Krishna. I'm very thankful to all Prabhuji's.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

On this auspicious day whatever I want to express feels less. As we all know, in spite of physically unfit and despite of all difficulties You traveled half way across the world to spread the Krishna Consciousness. I have no words to express my gratitude towards Your tremendous sacrifices, but only due to Your hard efforts “Lord Caitanya's” prediction has been fulfilled and the holy name of Lord Krishna can be heard in every town and village of the world.

Your preaching of philosophy & chanting “Hare Krishna...” really cleanse our dirty things of mind. This supernatural vibration, empowers our mind to enter into the spiritual world. Well, it's true that I have spent a lot of time in ignorance but after connecting with your disciples and following your instructions, my life goal has changed to obtain the Supersoul Lord Krishna. I can feel Your association after being part of Your mission. Before proper knowledge of chanting, I never felt such kind of happiness which I can feel now while doing “Mindful” & “Soulful” Japa. Now, my day starts & ends with “Krishna consciousness” with Your support & blessings. I would like to thank You for being my spiritual master and showing me the correct path. Please give me the strength to continue the same. You will remain forever in your teachings and in the heart of every follower.

Respected Srila Prabhupada,

Please accept my humble obeisances. All glories to you, Srila Prabhupada on the auspicious occasion of Vyasa puja.

Hare Krishna Srila Prabhupada, My first step of devotional life is reading this book "Beyond Birth and Death". After that because of your causeless mercy, I got the association of devotees. I am a fallen soul, though I deviated many times, still, again and again I am trying to take part in devotional activities because of your mercy only. I am so thankful to you Srila Prabhupada, because of your divine grace, I am getting services.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisances!

The first time when I visited Sri Swamyambu Lakshmi Narsimha Swamy Golden Temple in Hyderabad with my friend, we both had a wonderful experience. After having darshan of Sri Radha Krishna and Sri Lakshmi Narasimha Swamy, We sat there for some time and donated a small amount for Annadanam but we couldn't meet anyone. So later one Prabhu from the temple came to visit us and gave prasadam, his kind gesture touched me, he spoke about Krishna Consciousness and gave me Japa mala and asked me to chant *HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE HARE RAMA HARE RAMA RAMA RAMA HARE HARE*. I felt connected to what he said so I started chanting 3 rounds. It was an amazing experience. In this way, I felt connected to Lord Krishna.

I would like to show my gratitude on this occasion by sharing the experience of your special mercy. We used to live in the UK before. When my twin daughters were 10 years old I moved to India with them for their education and to be around with all my family members here. My husband continued to work there. After two years he also wanted to join us. So he asked the director of the company whether it is possible to work from Hyderabad. Usually, UK based companies don't allow to work from here. It was a very challenging time for us. I had faith in Lord Krishna that he will definitely come we waited for two weeks for the director's response. The next day Prabhu from the temple sent special prasadam for us. I felt happy and confident that this is going to happen. After a couple of days, the company allowed him to work from here. It's all because of Lord Krishna's and Your mercy Prabhupada.

Prabhu always encouraged me to increase rounds of chanting. He explained the benefits of chanting 16 rounds. I felt like doing it but thought it's impossible. One day suddenly I decided to chant 16 rounds and now I am reaping the benefit of chanting 16 rounds every day. It's all because of Lord Krishna and You Prabhupada.

If you wouldn't have started this organization, I would have not got the opportunity to meet your disciples. Thank you Srila Prabhupad for establishing these temples across the world and giving the opportunity to all the people to connect with Lord Krishna and chant His holy name and honoring his delicious prasadam. Thank you very much, Prabhupada for connecting me with my dear Lord Sri Krishna. Please bless me so I understand and serve him to my fullest extent.

Your Servant,

Bhaktin Ashwini Narasimha Rao.

Dear Srila Prabhupada,

Please accept my humble obeisances.

When I first experienced Krishna Conscious movement, I felt happy to see all devotees performing Sankirtan even though I was completely new to it. One of the Prabhu asked me to chant Hare Krishna Mahamantra. As I am new to chanting he explained to me, how to hold the beads and chant on them. When I started to chant I felt peaceful. In a span of a month, I got habituated with temple culture. Soon I started practicing Kartal and could perform well in a few days.

Because of your blessings I started attending all festivals in the temple. I joined in Cultural Camp and started to practice Bharatanatyam with the help of a mataji. Mataji not only helped us with dance but also helped us to learn many other Krishna Conscious activities. They took us on spiritual trips like Ananta Giri hills and other prominent places. With Your Mercy, many devotees' children were able to attend the Cultural Camp.

I started Book Distribution service which gave me immense pleasure. Recently we brought Gaura Nithai deities to our home. Due to the present COVID pandemic, we are unable to visit the temple but with your blessings, our home has transformed into a temple.

A Krishna conscious kids group is created for all the children and we are nicely occupied by performing various KC activities assigned to us, which helped us to progress in Krishna Consciousness. Thank you so much, Prabhupada, for blessing me and arranging so many nice devotees to help us to grow in Krishna Consciousness.

Dear Srila Prabhupada,

Kindly accept my pranama. I'm so grateful and lucky to be on this path with you as my master. I would try to follow the four regulative principles that you preached. Our lives have been blessed by the Hare Krishna Mahamantra. Please bless me Prabhupada so I can think of Lord Krishna all the time all my life.

Your glories are endless Prabhupada, at the age of 70, you traveled to the western world preaching Krishna Consciousness. you also wrote many books which are still guiding us. You built 108 ISCKON temples around the world. When I visited the U.S.A I went to the ISCKON temple and participated in the Janmashtami celebrations. It's because of your mercy I am able to chant 16 rounds regularly, keeping fast on Ekadashi, offering naivedyam. I am also reading Bhagavad Gita and hearing Bhagavatam lectures. Please continue to bless me so I grow in Krishna Consciousness. Kindly forgive my mistakes and be kind to me.

Dear Srila Prabhupada Gurujii,

Please accept my most humble obeisances unto your lotus feet. Your most significant contributions are your preachings and books. They are more valuable than any physical object. The reason why we are able to read numerous Hindu texts in English is because of your efforts in popularizing scriptures. Colleges and universities all over the world like Harvard, Oxford, Cornell, Columbia, Syracuse, Oberlin, and Edinburgh have praised your works for the clarity they offer on life and how we should be the best version of ourselves and devote our lives to Lord Krishna.

I offer my humble salutations to you, Guru Prabhupada on the occasion of Vyasa-puja. I once again pray to you to continue to bestow your mercy and guidance so I grow in Krishna Consciousness undisturbed.

Dear Srila Prabhupada,

Namaskaram Guruji. Please accept my humble obeisances. All glories to you on this auspicious day of Your Vyasa-puja.

I am thankful to you for giving me the opportunity to listen to Journey of Self- discovery and Bhagavad Gita courses online by your disciples. I am thankful to Hare Krishna Movement for the kindness and everything given to me.

I came to know from Journey of Self discovery many things like imperfections in body, types of happiness, regulative principles, etc. From the Bhagavad Gita course, I learned the cycle of birth or miseries due to attachment with the material world. The subject of Gita, Brahma Vidya- Knowledge of Self and Yoga Sastra- Connection with God, different types of yoga, transcendental knowledge, Karma, Vikarma, and Akarma like many things.

From Bhagavad Gita, I am thinking, we should do our duty in devotion for God and also by chanting Hare Krishna mahamantra through Bhakti yoga. I should chant holy names of God without expecting anything and asking God to give me like

wealth, health, etc. If You chant always in Your mind holy name God, God will give everything to us like happiness. From this course, I am strongly doing chanting of holy name and Lord Krishna always in my mind.

Thanking you.

Your humble servant,  
Bhaktin Chandrakala Kunchi.

Dear Srila Prabhupada,

Lockdown gave me the opportunity to grow in Krishna Consciousness. I used to do 1 round chanting since I was in 1st grade till 7th grade, now I am in 8th and I have started doing 2 rounds of chanting from past 3 months. Thank you Prabhupada, I know it happened because of your blessings. Please continue to give me your guidance so that I can do more rounds of chanting.

Prabhupada, I am delighted to share with you that my teacher has appreciated me for performing well in academics. Because of Lord Krishna and your mercy, I have improved both in material and spiritual education.

Prabhupada please help me to progress in Krishna Consciousness and also guide me in the spiritual path.

Dear Srila Prabhupada,

Please accept my humble obeisances.

I want to thank you for all the support you gave me and to guide me in Krishna Consciousness. I started chanting Hare Krishna Mahamantra when I was 9 years old. It took almost 6 years to increase my chanting rounds from 1 to 2 rounds. Now I realized how Maya entangled me. Seeing other devotees progress in Krishna Consciousness rapidly is fascinating and wonderful. It can only happen by your causeless mercy. I plead for your blessings to progress in Krishna Consciousness.

It is always a pleasant experience to visit the temple. I enjoy kirtans, attending Bhagavad-Gita classes, having darshan of Lord Krishna, dancing in the temple, and the association of devotees- it feels great to be part of Krishna Conscious Movement.

My mother tells me that I am lucky to start Krishna Consciousness at a young age because of your mercy. I am so thankful to you and Lord Krishna to show mercy on a fallen soul and a servant like me. I thank you for all the efforts you made to take us back to Goloka Vrindavana.

I beg you to show mercy on me to progress in Krishna Consciousness. I bow down to you, My Guru, with respect.

Your fallen soul,

Dear Srila Prabhupada,

Please accept my humble obeisances.

This is the first time I am writing this offering. It was a great year. I attended many functions where I got the opportunity to serve your movement under the guidance of devotees. I feel fortunate to render service under the guidance of devotees. I can see your mercy on me how you engage me in service and it's great learning for me in my life. I am fortunate to stay near HKMH and participating in Nagar sankirtan, Govinda kataksham, FFSC etc. Please keep me always under your shelter and engage me in more and more services. I can see your presence through your instructions followed by many souls, which I experience in village preaching by visiting many places with devotees. Please be always merciful unto me and my daughter (Prachi), by engaging in Lord Krishna's service.

## Bhaktin Deepthi M

Dear Srila Prabhupada,

Please accept my humble obeisances,

I am very thankful to you that I came in touch with the Hare Krishna Movement with your grace. With your help, I can gain spiritual knowledge. Prabhupada, you are an ocean of mercy and can lift all the fallen souls by your message and teachings. I am a very fallen soul and ignorant with spiritual knowledge. Because of your mercy, I came to know about ISKCON started by you.

I was very surprised that at the age of 70+ when everybody gets retired and takes rest, you followed the order of your Spiritual Master Bhakti Siddhantha Saraswathi Thakur Maharaj, and you have crossed the oceans and spread the message of Lord Krishna to the fallen souls. You have given the whole world the gem of chanting the Hare Krishna Mahamantra, how to perform devotional service, association with devotees, and translated Bhagavad-Gita As it is and Srimad Bhagavatham.

Vyasadava the plenary portion of Supreme Lord has written the Puranas but was not happy with his work. By the grace and instruction given by Naradha, he has written Srimad Bhagavatham Purana, which has spotless glories of Supreme Personality of Godhead. The philosophy that does not satisfy the senses of the Lord is worthless. These glories of Supreme Personality, name, fame, form, and past times help people liberate from material bondage. This Srimad Bhagavatham, you have translated in a simple form and given us. By reading and hearing the activities of Lord Krishna, I personally feel like I am meeting him face to face. Reading Srimad Bhagavatham is like looking at Lord Krishna directly, I really relish it, it's just like a candy. But I am not in a state to praise Lord as I am ignorant like Druva Maharaj, when he was 5 years old and was not able to praise Lord when he saw the Lord, but by touch of the Lord, he has got all his knowledge. Srila Prabhupada, you can only give us the spiritual knowledge.

*tad-darśanenāgata-sādhvasaḥ kṣitāv avandatāṅgam vinamayya daṇḍavat ḍṛgbhyām prapaśyan prapibann ivārbhakaś  
cumbann ivāsyena bhujair ivāśliṣan*

When Dhruva Mahārāja saw his Lord just in front of him, he was greatly agitated and offered him obeisances and respect. He fell flat before Him like a rod and became absorbed in love of Godhead. Dhruva Mahārāja, in ecstasy, looked upon the

Lord as if he were drinking the Lord with his eyes, kissing the lotus feet of the Lord with his mouth, and embracing the Lord with his arms.

My state is same as Druva Maharaj, but because of Narada Muni, Daplease bless me and show mercy on me so that I can gain a spiritual knowledge of Lord Krishna and love of Lord Krishna and see Lord Krishna everywhere and in every living being and engage me in Your loving service. You are physically not present but you have instructed everything in your books. So I am just following your instructions, chanting 16 rounds, offering Prasadam, doing Mangal Arathi, observing Ekadasi fasting and reading Srimad Bhagavatham. Please help me to continue the same in any situation. Prabhupada, you are now in Golakadham and in direct contact with Supreme Lord so please inform him about this fallen soul and engage me in his service and make way Back to Godhead.

Your servant,

Bhaktin M Deepthi.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to You Srila Prabhupada. All glories to Sri Guru and Gauranga.

*yasya prasada bhagavat-prasado yasyaprasadan na gatih kuto 'pi  
dhyayan stuvams tasya yashas trisandhyam vande guroh sri-charanaravindam*

By the mercy of the Spiritual Master, one receives the benediction of Lord Krishna. Without the grace of the Spiritual Master, one cannot make any advancement. Therefore, I should always remember and praise the Spiritual Master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my Spiritual Master. A true Spiritual Master is one who enlightens the disciples in the finer and finer aspects of religion. In this aspect, Srila Prabhupada, you are instrumental in distributing the priceless treasure of Vedic knowledge to the whole world in modern times.

You are the greatest cultural ambassador of India to the world. To carry out the order of your Spiritual Master Srila Bhaktisiddhanta Saraswati Takura, you went to west in 1965 at the advanced age of 70 to preach Krishna consciousness after facing intense struggle over there. You never gave up, you put full faith in Lord Krishna and your Spiritual Master. You are very compassionate towards conditioned souls like me, whose consciousness is polluted by this material nature. As it is said that 'The rainwater is originally pure but after touching earth it becomes impure.' In a similar way, we are all originally Krishna conscious entities but due to association with matter from time immemorial, our consciousness is polluted. The rainwater which touched the earth can be purified by repeated purification process. In a similar way, You have taught us how to become pure by chanting Holy names of Lord Krishna and by hearing the glories of Lord Krishna and performing devotional service to Lord Krishna. You also revived our forgetful relationship with Lord Krishna and provided transcendental wisdom to us.

On a hot sunny day, if we see a coconut tree we feel like drinking the water of coconut but we don't know how to climb the tree and how to break and drink. We need a person who can climb the tree and break the coconut and give it to us. In the same way, transcendental wisdom is already existing in the form of *Vedas* but as we don't know how to acquire the knowledge from *Vedas* we need a Spiritual Master like you who can understand the essence of *Vedas* and deliver the conditioned souls like me. As said in Bhagavad Gita 3.21

*yad yad ācarati śreṣṭhas tat tad evetaro  
janaḥ sayat pramanam kurute lokas tad anuvartate*

Whatever action a great man performs, common men follow. And whatever standards he sets by exemplary acts, all the world pursues. You are first and foremost, a pure devotee of Lord Krishna, motivated by no desire other than to offer the

greatest spiritual gift of devotion to Lord Krishna to all human beings. You practiced the Krishna consciousness sincerely so that common people like us follow you. I cannot understand you fully. Till I reach the age of 70 because I saw many people at the age of 70 who take retirement from all the activities. But you at the age of 70 went to the west to preach Krishna consciousness in spite of heart attacks and seasickness.

You suffered so much physical pain in order to give Lord Krishna to the conditioned souls like me. Your compassion, dedication, and devotion inspires us a lot to always be stably situated in Krishna consciousness, your mercy is oceanic, you are really great. You are very graceful. You spread the light of genuine spirituality and amidst the darkness of materialism and built a house in which the whole world can live peacefully, You have shown us the way to reach back home back to Godhead.

I am very much grateful to you for each and everything I am getting in order to practice my spiritual life without any hurdles. Thank You for giving a devotee as a life partner. Your Divine Grace, I humbly beg at your lotus feet, please be merciful upon both of us and direct us in the correct path which is laid by you and which is authorized by you and which is not offending any *Vaishnava*. Please bless both of us with the devotion and love for Lord Krishna and for your self. Please bless us with the service of Your lotus feet. Please give us the strength to do our *sadhana* strictly and sincerely. Please forgive this insignificant soul for committing several offenses towards your lotus feet knowingly or unknowingly.

Aspiring to be Your humble Servant,

Bhaktin Gayathri Ranga.

Begging forgiveness for my offenses which I committed *manasa, vacha, karmana* at the feet of all the Vaishnava's knowingly or unknowingly. Also, bless me to not commit any offenses again. Your showering causeless mercy on me year by year even though I don't have any qualifications. Even though we are worshipping Lord Krishna before Krishna consciousness without any knowledge unable to taste the devotional service, because of your mercy through your books we can come to know Lord Krishna is the Supreme Personality of Godhead & our original eternal Supreme Father.

Very fortunate to become your kid, because of your mercy now we are reading your books and chanting the Holy names of the lord. Otherwise, this life also would have been wasted in sense enjoyment like a previous life. When you asked by one of your disciples "Prabhupada, why you reading your books?" you replied to disciple "These are not my books, Krishna dictated me personally." As you said, "I live in my books and instructions". Whenever I am in difficulty and don't know how to overcome and whom I should approach for solutions in those critical situations I am getting instant relief from your smile. It's your kind look and cool smile like a moon and that smile shows the care of mother and responsibility of the father, that smile will be like encouragement for the next steps. Whenever I open a book I will get suggestions exactly which suites to that situation. That is a miracle, which I observed, it happened to me so many times, in fact, that exhibits your words "I will never die, I live in my books". Also sometimes you speak through your sincere disciples, then I realize what pure devotee means. Also, I will be boosted with such a presence every time.

Not only in my case in everyone's life, whenever I am reading or hearing your pastimes at particular incidents like initiation, marriage, and installation ceremonies all over you have displayed such patience, even though devotees are doing some mistakes. When you started this mission you have tolerated all the pains for us. You left everything for us. That's why today so many souls are getting the opportunity to know about spiritual knowledge and they are cultivating godly qualities (which are jewels for you). Acharya means who teaches by his own example.

One more experience, where I saw your glance. While I am traveling on the train I saw one boy he will be around 18 years old standing near me and seeing some spiritual channel which is bogus and teaching on yoga. I thought to give him your book, but in that condition, I don't have any of your book or not even any *mantra* card. I have a very strong desire to preach him when I was thinking so and I turned my head suddenly there I saw one person who is sitting next to my seat reading a book. In that book, there is a picture of His Divine Grace A.C Bhaktivedanta Swami Prabhupada. By seeing that I am unable to speak that moment, I was awestruck with happiness and felt I am the most fortunate. All glories to you Prabhupada, this proves your presence. That time I remembered the quote which I heard from senior devotees 'If someone just touches your book, one day they will come to Krishna consciousness.' Now thinking to do that but don't know how to ask him and read the book suddenly. I thought of asking him to collect a book from the person who is reading because he is in the middle. I did the same thing, so he collected the book and seeing the cover page with the name of "The perfection of yoga" and gave me. A few moments later I again gave a book to him to return to that person, he took from my hand and seeing your face started seriously reading the book. I felt very happy and blissful and realized Guru is as good as the Supreme Lord. He came to me and asked about our activities. Finally, that soul got your blessings, Prabhupada. In this way, you are encouraging us to serve Lord Krishna more and more. Please engage me like this in your mission that's enough what else I want for my life.

I am not showing any gratitude towards *Vaishnavas* and the Lord. Dear Prabhupada, also I have so many *anarthas*, which are not favorable to Krishna Consciousness and I am struggling to come out from those *anarthas*. These days I am unable to attend morning sadhana because of health issues. Kindly give strength to follow your instructions as it is. Duty of disciple is to spread the glories and instructions of the spiritual master as it is, as you did but my mind is dragging me forcefully always towards material sense gratification. Still, you giving me a chance again & again. From my childhood, I had a strong desire to read Bhagavad Gita scrutinizingly. After coming to Krishna consciousness in one of your lectures I heard that "material studies are hopeless" my desire became even more strong after listening to that. Now you gave the opportunity to this most fallen soul for attending Bhakti Shastry classes. I am able to understand the confidential knowledge even though

I don't have any qualification. Because of your causeless mercy only I can do it. Kindly bless me to understand this transcendental knowledge and your instructions with the same mood which you have, to serve you, and please you more and more.

I don't want any material things and even I don't desire, my only desire is to serve your mission forever. Want to preach your message as much as possible. You have so many disciples who are very intelligent, have all good qualities, skillful, they are responsible and humble, but I don't know anything only desire to serve you, still, you selected me. Sometimes I think, why? Of course, that is called your causeless mercy, it means no cause for showering your mercy. As you instructed me "Give this one life to Lord Krishna", yes I gave Prabhupada, not only one life eternally I offered myself at your lotus feet, kindly use me as an instrument in your hand, be with me forever don't leave me. Otherwise, I will be loitering here in this nescience like an animal.

Please fill my heart with the knowledge of Krishna consciousness. Also begging to eternally put me in the association of Vaishnavas every minute. So that always I will be enlightened by your pastimes and about Lord.

yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi

I beg sincerely to give me a lot of patience and enthusiasm to serve your divine movement as per your desire. By your mercy I can do anything otherwise I am Zero.

My Dear Srila Prabhupada,

Please accept my most humble obeisances unto your lotus feet. All glories to Your Divine Grace, the savior of the whole world.

Dear Srila Prabhupada, I have joined this organization last year, but in one year I have learned a lot and got many realizations by listening to your lectures, reading books, and the preaching done in the temple based on your instructions. There are not enough words in the dictionary to glorify your sacrifices and services to propagate the Holy name worldwide. At the age of '70s when everyone thinks that they have nothing to do, you showed the world that if one is determined to reach their goal depending on Lord Krishna and following the instructions of the Guru then age is no bar at all.

Dear Srila Prabhupada when you have visited Hyderabad in 1972, I was months old baby, but I am so fortunate that I had your blessings. As I was growing because of this conditioned material life got engaged in all other things forgetting Lord

Krishna. When I entered into the '40s then slowly started my spiritual life, but so confused, I was in such a dilapidated state, don't know which post to knock. Dear Srila Prabhupada, it is all your causeless mercy on me that finally, I chose the right path. Here everything is explained clearly and all my misconceptions have got cleared. I came to know that the human form of life actually means developed consciousness therefore we should not waste our lives like cats, dogs, and hogs by simply eating, sleeping, and mating.

These temples which you have established have become nice preaching centers as well as providing a platform for everyone to serve the lordships, Spiritual master, and all the *Vaishnavas*. Even during the worst pandemic time also the devotees are conducting online classes making the best usage of the technology. So, on this most auspicious occasion of your appearance day, I once again pray to you to continue to bestow your mercy, blessings, and guidance upon this most fallen soul to do some service unto your lotus feet.

Your servant,  
Bhaktin Haritha Venugopal.

Oh, Dear Srila Prabhupada,  
My humble pranaams at your lotus feet.

You are the most compassionate and most lovable person. I'm very very very much thankful to you Prabhupada. You mercifully helped and brought me back to the right and perfect path. You placed me again at the lotus feet of Sri Chaitanya Mahaprabhu, like how a mother brings back and keeps her child in lap who is going to catch fire. I really don't have words to express my gratitude and I can't do it also.

Prabhupada, never I did any little service to you, never I pleased you anyway, but still, you are merciful to me. Then, Prabhupada, your child Anusha Mataji, did so much to you. Once a time, you were her's very own life. Dear Prabhupada, please be merciful to her also. Please, in-fact you must be more compassionate towards her. Please, that's my only request Prabhupada. Please Prabhupada. I did more mistakes, more *aparadhs* but you never looked at them. That's why I'm here today. So please Prabhupada, please be merciful to her. And I believe that one day I see that she also chants Hare Krishna *Maha-mantra*. I want to see her so with your blessings. Hare Krishna. Jaya Srila Prabhupada.

Yours sincerely,  
Bhaktin Harshitha Sucharita.

Dear Srila Prabhupada,

I offer my sincere obeisances at your lotus feet. You are so kind, humble, and perpetual reference point of purity, determination, fearlessness, and devotion to Lord Krishna.

My dear beloved Spiritual Master Prabhupada, please bless us with the keen intelligence to properly balance preservation and adoption. Only you can perfectly teach us to correctly discern the basic, the fundamental, unchangeable from the variable, adaptable detail. We must earn your blessing by our genuine earnest dedication to our own emancipation and to that of the world. We must also balance attention to self with attention to other souls. I think that Lord Krishna is revealed to you, truly the best person and great Spiritual master.

Lord Krishna teaches us in *Bhagavad-gita*, *Srimad-bhagavatam*, in this world full of tensions we must be balanced in all the things. Please help us to face it. Then very easy to become a pure devotee of the Lord. I am very lucky because by your mercy I am following your instructions and chant my rounds early and share Lord Krishna *Lila*, *kathas*, and my experience

in Krishna conscious life to others. Srila Prabhupada, kindly empower us more than ever to do Krishna *bhakti* and always engage in your work in the modern world.

Your servant,

Dear Srila Prabhupada,

*mukam karoti vachalam pangum langhayate girim*

*yat-kripa tam aham vande shri-gurum dina-taranam*

I offer my humble obeisances unto You, Guruji. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your *Vyasa-puja*.

Guru is the most powerful person in one's life. Today we found a Spiritual Master who taught us all the essential and very important teachings, which always guide us, the consciousness of the real-life in this crazy world. From your teachings, we understand our real duty in society. One should follow the main 4 regulative principles i.e. no meat-eating, no intoxication, no gambling, no illicit sex in order to avoid sinful life.

Being part of the Hare Krishna Movement, I have known the meaning of many worth full phrases of the vocabulary called LIFE. This is possible only with Your Divine Grace, Srila Prabhupada. In spite of having a very busy schedule in my Ph.D. work, I still used to follow the teachings of yours, my Guru to my best level. There were so many tasks and challenges in my life from the past 4 years. Struggled so much hard to accomplish my goals. During many hard times of my journey, I used to think only one line i.e. 'God gives problems to those who are capable of solving.' Sometimes I did not find solutions, still was going on. Finally by the grace of Supreme Power reached the goal. I have learned many lessons during my Ph.D. phase.

God is our supreme well-wisher and is equal to all. Guruji! for many challenges, your preachings are the hope to save mankind. Krishna consciousness has given the differences between the material world and the spiritual world. May Your divine Grace be upon all of us. I am very much thankful to you, Srila Prabhupada.

Your humble servant,

Bhaktin Himabindu T.

మీకు శరణాగతి కావడం వల్లన మంచి ఆచరణ మరియు జ్ఞానాన్ని ప్రసాదించారు. ఎలాగైతే పక్షి రెండు రెక్కలు లేకుండా ఎగరలేదో, ఆచరణ మరియు జ్ఞానం లేకుండా ఆధ్యాత్మికంగా ముందుకు వెళ్లేము. నేను రెండు సంవత్సరాల నుండి జపయజ్ఞ సేవ చేస్తున్నాను, మొదటి సంవత్సరం రెండు లేక నాలుగు మాలాలు చేసేదాన్ని, రెండవ సంవత్సరంలో పదహారు మాలలు చేసే అదృష్టం కలిగింది. మీ కృప వల్ల గ్రూప్ అందరం కలిసి కోటి సార్లు పైగా హరేకృష్ణ మహామంత్ర జపం చేసాము. అప్పటి నుండి నేను భగవంతుడికి అన్ని సమయాల్లో ప్రసాదం నివేదన చేస్తున్నాను. శ్రవణం, కీర్తనం, స్మరణం చెయ్యడం వల్లన ఆధ్యాత్మికంగా ముందుకు వెళ్ళాను .

నేను ప్రతిదానికి కోపపడటం బాగా తగ్గిపోయింది. నన్ను చూసి నా భర్త కూడా పదహారు మాలలుమహామంత్రం జపం చేస్తున్నారు . నా జీవితం లో చాలా మార్పులు వచ్చాయి. నేను ఏకాదశి వ్రతం కూడా చేస్తున్నాను. ఒకప్పుడు నేను ఏమి సాదించలేను, ఏమీ రావు అనుకునేదాన్ని, ఇప్పుడు మీ దయ వల్ల నేను చిన్న పిల్లలకి శ్లోకాలు, నీతి కథలు చెప్తున్నాను. చాలా సంతోషంగా అనిపిస్తుంది. మీరు నా చేతిని ఎప్పుడు వదలవద్దు , ఇప్పుడు నేను భక్తి మార్గం లో ముందుకి వెళ్ళాలనుకుంటున్నాను, మరియు ఈ భౌతిక ప్రపంచంలో మాయ ఎప్పడైన లాగెయ్యడానికి కాచుకొని ఉంటుంది. మీరు రాసిన భక్తిరసామృతం పుస్తకం నాకు చాలా ఇష్టం. అది చదివి చాలా విషయాలు నేర్చుకున్నాను.

మీ కృప వాళ్ళ నాకు నిత్యం గౌరంగలను తీసుకొనే అవకాశాన్ని ప్రసాదించండి. నాకు ఎప్పడూ భగవంతుడి సేవలో వుండే అదృష్టాన్ని ప్రసాదించండి. ఎన్ని కష్టాలు వచ్చిన ధైర్యంగా ఎదుర్కొనే శక్తిని ప్రసాదించండి.

Dear Srila Prabhupada,

Please accept my humble obeisances,

I am very grateful to You. By Lord's grace, we got You as Guru. The mantra *Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare* introduced to our generation by you is a divine boon to us. Thank you so much. Chanting this *mantra* gives me immense peace and happiness and guides me in my day to day life.

We were introduced to ISKCON almost 20 yrs back but we were not that serious about the *mantra*. We visited Mayapur and many ISKCON temples but by Lord's Grace one of your disciple from Hare Krishna Golden Temple- Hyd played the main role in our life to follow Krishna consciousness and chant the Hare Krishna *mantra* daily minimum 4 times. My son is doing 16 *malas* daily and now we are happy to have Sri sri Nitai-Gauranga Deities in our house. Srila Prabhupada, you have Godliness in you opening so many centers across all over the world. Those days it was not an easy task. Its a great achievement and please accept our uncountable *pranams*.

I left being spiritual after a few life experiences. I am glad that you have taken the responsibility of the correct spiritual development of mankind in such a way that your ways are and will be showing the correct path to the lost people like me, who used to think she was never lost. You have reminded everyone like me how lucky we are to know the eternal truth and the Supreme Personality of Godhead. I was always a complaining soul but now I feel so balanced. I have full faith in the Supreme Personality of the Godhead that, whatever he plans for us is the best and I know nothing. There is only one Supreme Godhead who knows and manages us.

I am really grateful for all your teachings, though there is a lot for me to learn, I have started walking on the path shown by you. Thank you for all the eternal peace and happiness you have made me realize. You have made me feel how much God loves me. Now I feel he loves me more than I could ever love him.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this auspicious day of your Vyasa-puja.

I would like to thank you for bringing Krishna consciousness in my life. I am not a religious person but at the same time, I am a huge fan of Lord Krishna, since my childhood days. Since I joined Basil Woods preschool, I felt, I became closer to Lord Krishna. I started chanting regularly and teaching young children about Lord Krishna, engaging them every day in chanting your pranamas *mantras*, which gives me immense pleasure. I am blessed to serve and take care of children ( our Basil Woods Stars) who are precious gifts from Lord Krishna.

Once again I would like to thank you for choosing me to be a part of this organization and bringing me closer to Lord Krishna.

Dear Srila Prabhupada,

Please accept my most humble and respectful obeisance. All glories to Your divine grace.

It is the duty of every disciple to glorify the Spiritual Master, and his glorification should be coming from our heart, mind, and words rather than the artificial articulation of words. My association with the Hare Krishna movement has been a blessing and transformed my life the way I approach and take it. At the same to impact others through my attitude and perception of life. It has awakened the inherent qualities in me to change the way I look at it and influence to make it more joyful and pleasant. Due to this, the whole approach to life has changed, making it more comfortable to lead a graceful life.

Your teachings have inspired and able to impact in the present scenario of COVID-19. It taught me the way of life to lead a stress-free hygienic lifestyle. Your thoughts of simple living and high thinking have made to approach, face, and overcome the hurdles in life. Your teachings to us how to live a pure life of Krishna consciousness which includes how to finally pass away from this world to attain eternal life. This has taught me what's real compassion, the goal of human life, and universal solutions to all problems of life and the world in general.

I would like to take this opportunity on this special day to express my gratitude and thank You for engaging me to serve Lord Krishna.

All glories to you on this auspicious day of your 124th appearance. You guide me through the most difficult times of my life, with the help of your servants in making me read the books that You wrote, and by giving us HARE KRISHNA Maha-mantra. With the guidance of your teachings, going through materialistic life and problems have become much easier. Your guidance and mercy have uplifted many people's life like mine. I was earlier completely ignorant and had no idea about the infinite power of the Lord and his manifestations in this world.

Please guide me to focus my thoughts and attention always on the Supreme Personality of Godhead, and to purify my thoughts and emotions. As I was wandering in this material world, I was confused about what to do. But by your mercy, I have come to Lord Krishna's shelter. By following in your steps I am learning how to become a servant of Lord Krishna. SRILA PRABHUPADA, by Your blessings I am chanting 16 rounds of Hare Krishna Maha-mantra every day, reading books, listening to Lord Krishna Bhajans, etc. These are making me improve my sadhana. And I request You, kindly give me the required strength and intelligence to develop and spread Krishna consciousness. Also, give me an opportunity to understand more and more about the Supreme Lord and to finally attain perfection in life by completely opening my heart and surrendering to him.

Dear Srila Prabhupada ,

Please accept my humble obeisances. All glories to you on this auspicious occasion of your appearance day.

When my son Rishi picked up a book one day when we were at a store and gave it to me to buy, I was surprised and equally happy to see a boy of 8 yrs to pick *Bhagavad-gita* As it is written by You. When I turned the pages of the book and as I was turning the pages, I saw your picture, and my memory got tingled. I felt an instant connection, a warm and familiar feel. Felt as though I have seen you before and known you for ages.

I bought the book, went home and the same weekend we had to go visiting a cousin in West Virginia and they took us to a place called Wheeling where they said there is a nice temple. As I stepped inside the temple of Hare Krishna Hare Rama, I saw the same picture of you that was on the book, but a much much bigger one hanging on the wall of the temple., what a coincidence. I just stood there staring at the picture just mesmerized with the same sense of closeness and familiarity dawned on me. I did not feel like moving from that place where I was standing. Suddenly I knew where I saw You before. YES!! It was in my childhood, in my Grandpa's room, A BIG BIG Picture of You. A strange sense of happiness filled me.

That night when I spoke to my dad, I asked him whose picture was it that was hanging in grandpa's room. Got confirmed that it was Bhaktivedānta Swami Prabhupada's picture and that You were my Grandpa's Guru. I still have memories of my *Thatha* getting up every day at 4:00 and reading a Big fat Book. Now I know that it was *Bhagavad-gita* by the great Master Srila Prabhupada, that was very much my dear Master. I remember holding that great volume in my tiny hands' number of times and wondered what was in it? My actual introduction to You started thus at The Hare Krishna Hare Rama temple. I wanted to know more about You. About Your Works and Why the greatest person whom I admired and had a special place in my heart. My *Thatha* has such a big picture of You in his room. Somewhere I was happy to know I have known You from such a tender age of 4, grew up seeing You every single day in that Big picture of my *Thatha* Ji's room You did make a remarkable impression on me without my knowledge. Now I know as I connect the dots.

After that, I just laughed away at the coincidence of coming in touch with You twice the same week. Forgot all about it, carried on with my Life. My Dearest Master, You again came into my life, this time because of my cousin, Friend, it would be more apt to say, my Spiritual soul mate...Saritha Mahi. It was then I started really taking interest in reading more about Your Life and Philosophy. The more I read, the more I got comforted. My own thoughts and inner emotions had a striking balance with Your teachings. I always being thirsty for Spiritual knowledge from young went through a lot of other philosophies and doctrines. But everything just touched my Mind. But Your teachings touched my Heart and soul. They say in Life, "BE THE CHANGE You WANT to see" And You have practically lived Your life with that principle. The effort You have put in, at that delicate age of Yours Traveling, Imparting knowledge of the highest kind, for the betterment of humanity, Your genuine interest in the good of Mankind MOTIVATED me.

I then took to reading Your great work *Bhagavad-gita* As it is, it was just as sweet as nectar. A direct translation of God's own words. Then something WONDERFUL happened. I started seeing life in a lighter and much-detached perspective. I started looking into the tools You offered. The First and Foremost being The CHANTING of the Hare Krishna *Maha-mantra*, The more I chanted, the More I felt Peaceful wondered what was the secret behind? Then One day in Your own words I heard Smaran (Done In clarity). The sound energy that emanates while chanting the *maha-mantra* is not a part of this material world but it is THE SUPREME LORD Sri KRISHNA himself.

This gave more depth and meaning to what I was chanting, it increased the intensity of my chanting and the thirst to chant more and more and with clarity. I felt all my senses were getting a Spiritual bath. Getting cleaned off the material impurities and filled with the sweet name of my Lord. Also My friend, Guide, and soulmate ... Saritha asked me to chant Pancha tattva Mantra.

*jaya sri-krishna-chaitanya prabhu nityananda sri-adwaita gadadhara shrivasadi-gaura-bhakta-vrinda*

before chanting the holy names of the Lord,

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare.*

Personally I felt the *mantra* became more empowering. The second tool: The way I was doing the Pooja changed. It became more soulful and heartily. I started enjoying every moment of it, came to know the real value and meaning of *bhakti*. Adorning my Lord with flowers, giving hoop, and Deepa. Offering *bhoga* everything became more lively and energetic and mindful. It was no more a mere idol standing in my *Puja* shrine but my dear Lord, Consecrated and energized by You, from an idol to a Deity. Each and every moment became Blissful. The more I sat in the Pooja, The more I yearned for time to spend sitting in silence with the Lord and chanting the Divine name. Again, I was very fortunate to be introduced to a treasure cove of Knowledge written by You *Srimad bhagavatm*. This was again introduced by Saritha. I jumped and took them. I am really looking forward to reading them every day by allotting a certain time in the day.

Also, by Your Divine Grace and Grace of The Almighty, I'm looking forward to being in *Satsang* with like-minded devotees of the Lord, people who are engaged in the service of the Highest kind. The service of imparting the right Knowledge The Divine nectar of God's words, Knowledge of *Sanathana Dharma*, Quenching the thirsty souls and oneself. Also by Your Blessings and Lord Shri Krishna's Grace, I love to teach kids. Hoping with all my heart, this humble request and my wish are blessed and accepted. Jai Shri Krishna. Jai Srila Prabhupada.

Your humble servant,

Bhaktin Kavitha Krishna Mohan.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you, Srila Prabhupada on this most auspicious appearance day of yours.

Firstly, I want to thank you Srila Prabhupada for the establishment of ISKCON to spread Krishna Consciousness all over the world and want the society to experience real happiness in their own lives by chanting Hare Krishna Mahamantra. Secondly by following Your teachings, changes our life. The intention behind the awareness of Supreme Lord Krishna can be clearly seen without any expectations.

I have attended one of the workshops conducted by Hare Krishna Movement i.e., Journey of self-discovery which impact me in the spiritual way of my life. I came to know the importance of Vedas and Culture we had, in a better way. I have visited the Akshyapatra at Kokapeta in Hyderabad where all the people are involved in there work in the pure-hearted way

to serve the children through the mid-day meal scheme. The teachings followed by disciples are clearly shown to all during the Covid-19 situation.

I am very happy to continue with this movement in the future and seeking blessings from You.

Your servant, Bhaktin K Kavya.

Dear Srila Prabhupada,

All glories to Srila Prabhupada. Please accept my humble obeisances.

Srila Prabhupada you have given a huge light in our lives through the name of Krishna Consciousness. You are the only one spiritual master for us who has shown the right path to know about the Lord.

Your books have inspired me very much, and it is the motivation for all the peoples of all age groups. In this kali yuga mainly Harinama Sankirtana and Japa are very important.

Prabhupada by following the steps of Srila Bhakti Siddhanta Saraswathi Thakur throughout the world you have done preaching and established many temples all over the world.

You have changed the minds of hippies into happies. Book distribution, Sankirtana, morning Arathi, Japa, and reading Bhagavatam, celebrating all the festivals and Ratha Yatra, by following these all the lives of people will be very happy and peaceful.

I first started following the Krishna consciousness by reading books. Then I started visiting the temple and in the association of devotees, I started learning how to do mangal Arathi, Japa, and reading books. Then slowly I started doing small services in the temple like cleaning vessels, prasadam distribution, etc. I used to participate in Harinama kirtan due to which I got grip on pronouncing Hare Krishna mantra very fastly. I used to participate in Ratha Yatra and I used to walk for long distance distributing the books or prasadam or pulling the Ratha. In this way my mind has slowly focused on only Krishna consciousness and feel like doing more seva all the time, especially making garlands to all the deities.

So by the mercy of you, dear Srila Prabhupada my mind has totally focussed on following your instructions and rules and regulations and chanting the rounds daily. You have shown me the right path, concentrating on the Krishna Consciousness without deviating into other strategies. I pray to you, Srila Prabhupada that your "causeless mercy" should be there on me and every soul in this world. Hare Krishna.

Your humble servant, Bhaktin Krishna Visala.

Dear Srila Prabhupada,

Please accept my humble obeisances! All glories to your divine grace.

Your commitment to spreading Krishna consciousness at the age of 70 in the western world and internationally despite the struggles is very inspirational. You are the real leader and showed us the way of living, purposeful and meaningful life with your real-life example. You were so thoughtful and patient, we are so fortunate to have You as our Spiritual Master. Your guidance on how to convert our daily routine as devotional service to the Supreme Lord is very practical. You never stopped by just saying do not do this but also helped us by saying what we have to do to avoid doing that. An example is controlling the mind, controller of the sense objects. You have mentioned that it is not only required for us to stop contemplating the sense objects to control our senses but also to start engaging them in service to Lord Krishna. You showed us how to connect each and everything, every action of our life as devotional service to Lord Krishna ( Ex., offering Bhoga to the lord and honoring the Prasadam ). You always spread the same exact message given in Vedic literature as it is and gave us pure knowledge.

You have unlocked the treasure house of the Vedas and sastras that are in Sanskrit writings by translating those books in simple and plain English language. While everyone else was sleeping in the night, you would get up at midnight and sit and prepare the translations and purports till early morning. In twelve short years, you have written over seventy volumes of translations and purports, while traveling fourteen times around the world for organizing the worldwide preaching mission of the International Society for Krishna consciousness and spread the holy name of the Supreme Lord Krishna with Sankirtana maha yajna introduced by Lord Chaitanya which is recommended in this Age of Kali for the deliverance of all men. Other yajnas prescribed in the Vedic literature are not easy to perform in this Age of Kali, but the saṅkīrtana-yajna is easy and sublime for all purposes, as recommended in Bhagavad-gita also (9.14).

In this Age of Kali, we don't know how to advance spiritually without your teachings. I can't think of how we might have even fallen down without your Hare Krishna Movement. When I see your videos and listen to Your lectures. I always feel pleased with your smile and compassion that you have for all of us. Your actions, your words, your conversations, etc are for Lord Krishna and about Lord Krishna. You really gave us the true essence of Vedic knowledge and the true purpose of human life.

Please bless us to get the opportunity, strength, and determination to read more of your books, understand them in the right way, and apply them in our lives and get advanced in our spiritual path. Want to always follow your footsteps.

Your Servant,

Bhaktin Lakshmi Kalyani.

## Bhaktin Lavanaya Choutakuri

Dear Srila Prabhupada,

My humble obeisances to your lotus feet,

I am very fortunate to have this association, thanks for introducing “Krishna consciousness ” and thanks for teaching how to worship the deities and how to chant “Hare Krishna Maha Mantra”. I feel very peaceful after chanting “Hare Krishna mahamantra” in this stressful life. Now I started reading your books. PQPA, KRSNA, BHAGAVAD-GITA AS IT IS, these books helped me to understand real devotional services, especially the “Krishna Consciousness” association that encourages me in my spiritual life.

Oh, spiritual master! I don't have enough words to thank you. I am inspired by you and started chanting 16 rounds every day and worship deities. I want to be in forever service of Sri Radhakrishna, that's only through your grace. As said by Lord Krishna in Bhagavadgita (7.14) and taught by you “*daivī hy esā gunamayī mama māyā duratyayā mām eva ye prapadyante māyām etām taranti te*” that is “Maya is imposing so many difficulties but as soon as we surrender to Lord Krishna no more imposition” this is one of your teachings that has inspired me and there are many more like these that have kept me interested and active in “Krishna consciousness”. Oh spiritual Master this is my humble request to you, to take me under your shelter and make my way to reach Goloka.

Your obedient servant,

Bhaktin Lavanya Choutakuri,

Hare Krishna.

అజ్ఞాన అంధకారం లో ఉన్న నా జీవితం లో జ్ఞాన దీపాన్ని వెలిగించి, మనిషి జీవితం యొక్క విలువని తెలిజేసిన కృపమూర్తి కి మరల మరల కోటి వందనములు.

మా అబ్బాయి భక్తుడి గా మారడం వల్ల నేను మీ పాదాల చెంతకు చేర గలిగాను. అర్థత లేని నాకు మీరు దయతో హరినామాన్ని ఇచ్చారు. మీ దయ వాళ్ళ మీ భక్తుల ద్వారా శ్రీ కృష్ణుడి యొక్క దివ్య లీలను వినగలుగుతున్నాను. శ్రీ శ్రీ కృష్ణ బలరాములను పూజించ గలుగుతున్నాను. శ్రీ కృష్ణ ప్రసాదం మాత్రమే తీసుకోగలుగుతున్నాను. ఇంత చక్కటి ఆనందమయమైన జీవితాన్ని ఇచ్చిన మీ ఋణం తీర్చుకోలేనిది.

జపం చేసాక నా జీవితం చాలా మారిపోయింది. చెయ్యక ముందు చాల సమయాన్ని వృధా చేసేదాన్నికానీ ఉప్పుడు తైం దొరికితే జపం చేసుకుంటున్నాను. మా అబ్బాయి మీ దగ్గరకు వచ్చేసారని చాలా భాద పడ్డాను మొదట్లో, జపం చెయ్యడం కూడా ఆపేసాను ఆ కోపం తో, నా ఆరోగ్యం బాలేకపోవడం మానసికం గా శారీరకం గా ఇబ్బందులు మొదలయ్యాయి. దాంతో మళ్ళీ జపం చెయ్యడం మొదలు పెట్టాను. తరువాత ఇంకెప్పుడు ఆపలేదు.... 4 మాలల నుండి 8.. 8 నుండి 16 మాలలు చెయ్యగలుగుతున్నాను. ఒక రోజు చెయ్యలేక పోయిన మరుసటి రోజు వాటిని పూర్తి చేస్తున్నాను. ఇంటి చుట్టుపక్కల వాళ్ళకి ఇంకా తెలిసిన వాళ్ళకందరికి కూడా జపం చెయ్యమని చెబుతున్నాను, మీ కృప కటాక్షం వల్లనే . గుడికి వచ్చినప్పుడు అక్కడ అలుపు లేకుండా మీకు సేవ చేస్తున్న భక్తులను చూస్తే చాలా ఉత్సాహంను గాను, నేను కూడా ఆలా చేస్తే బావుండు అనిపిస్తుంది. మా అబ్బాయి ఆరోగ్యం బావుండటం లేదు తన పై మీ దయ చూయించి ఆరోగ్యం బావుండాలని మీకు ఇంకా బాగా సేవ చేయాలనీ కోరుకుంటున్నాను, అయిన వల్లనే మా కుటుంబం అంత మీకు సేవ చెయ్యగలుగు తున్నాం.

దయచేసి భక్తి మార్గమా లో ఉన్న అడ్డంకులను తొలగించి ఇంకా శ్రద్ధ గా భక్తి చెయ్యాలని, ఎప్పుడు మీ పాదాల దగ్గరే భక్తుల సాంగత్యం లో ఉండాలని ఆశిస్తూ.

మీ పాద సేవకురాలు,

భక్తిని లక్ష్మి.

Dear Beloved Srila Prabhupada,

Please accept my most humble obeisances at Your divine lotus feet on this most auspicious day of Your divine appearance.

Srila Prabhupada, it is only because of Your divine grace's mercy and compassion that I got into Krishna Consciousness and understood the true meaning of devotion. I have got the good things from Your Satsang - Spiritual ABCD i.e., Association, Book Reading, Chanting, Dancing, Maha Prasadam.

My only wish is to continue to be Your servant and develop myself spiritually. It was by Your grace that we realized that we have got a special blessing that we have received from Lord Krishna and we must not waste it in just, it is meant for spiritual growth and for attaining perfection in Krishna Consciousness.

It is only after coming in touch with You, that I and many other devotees in this world have received lot of spiritual knowledge. You have given us a most valuable gift in the form of Your books. Each time I read Your books, I get great satisfaction and enlightenment. You have shown us the importance of performing devotional services at all time, any place and any circumstances. You showed us that just by following the orders of our Spiritual master and Lord Krishna, everything would come automatically.

I thank You from the core of my heart and pray that I may always remember Your lotus feet and remain fully surrendered to Your divine instructions. You opened my eyes, which were blinded by the darkness of ignorance. You have clearly stated in Your books that this material life is temporary and consist of birth, death, old age and disease. I should strive to achieve perfection by practicing Krishna consciousness and following Your instructions. Whenever I meditate on You, Srila Prabhupada, faith is restored, confidence is gained and enthusiasm is increased.

Jaya Srila Prabhupada.

Please allow me to remain Your servant eternally.

Your humble servant,

Bhaktin Meenakshi Gullapalli.

"The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities."

Dear Srila Prabhupada, you showered some light to remove the darkness from my life. Unknowingly, I prayed to you at your Samadi Mandir, "I will do chanting, you have to take care of me & protect me like the father because I don't have anyone". And you are protecting me, more than a father.

Dear Srila Prabhupada, now I am distributing that same light (your transcendental books) to other suffering souls and bringing them to your shelter. Please shower your mercy on me so that I will continue this wonderful service; which pleases you the most.

Dear Srila Prabhupada, Thank you for everything & kindly bless me to progress in my spiritual life, to continue & accept my little services to Mahaprabhu's (Harinama Sankirtan) mission.

Give me a chance to serve your lotus feet.

Once again Thank you for everything, seeking blessings from you.

Please accept my humble obeisances on your Vyaasapuja day.

I'm glad to have got acquainted well with your ISKCON and Hare Krishna Movement organizations and got to know about you through them. The path of Krishna Consciousness is Opening up for me gradually.

1. They have shown me a lifestyle that a choked person in this busy world can adopt to get unchoked and make room for higher works in this life. I know you taught them that.
2. I'm particularly glad that I came to know about the value of prasadam in spiritual life through your organizations. I know you guided them towards this wonderful service in Bhagavat seva.
3. I'm glad to be part of a group of Bhagavad Bhaktas and Bhaktins and be able to do Kirtan, read scriptures and enjoy spirituality along with them.

Dear Srila Prabhupada,

Please accept my respectful obeisances at your lotus feet. All glories to you, Srila Prabhupada.

I am finding it very difficult to put my feelings into words.

I consider myself the most fortunate soul to have an association with devotees since the last 5 years. With the association of devotees, I came to know that it is difficult to understand Lord Krishna or Krishna Consciousness without taking the shelter of Guru (Srila Prabhupada). And the secret of success in spiritual advancement is to satisfy Spiritual Master by following his instructions.

Each year, as I slowly progress on the path of bhakti with the association of great devotees, and now I am able to chant 16 rounds daily, fasting on Ekadasi, reading Bhagavad Gita and Bhagavatam. Enjoying book distribution during Gita Masam and offering diya to Damodara during Karthika Damaodara Masam.

With the association of devotees and chanting lord's name and listening to senior devotees preaching, I found a lot of changes in my life. Previously I used to get tensed for more day to day things and worrying about the future etc. But now I am able to do all these things without any difficulty, no worries, able to concentrate on chanting and finding time to read books written by you. Now I have faith that Lord Krishna will take care of everything.

I am thankful that you have explained about Krishna Consciousness through your books. I am learning every day to do service better for you and Lord Krishna.

I trust you that only you can take us back to supreme Lord Krishna. I still find myself bounded with maya. Please bless me that I should follow the principles of Krishna consciousness and continue to chant the holy name of the Lord, I should never give up the association of the devotees and engage me in your service.

I beg you to have mercy on all people in the world who are suffering from COVID at present. Hope in a few days devotees physical association will take place and we all have nice kirtan and can offer prasadam to Lord.

Thank you very much Srila Prabhupada! Please forgive this soul for any offenses knowingly or unknowingly committed.

Your Servant,

Bhaktin Neelima.

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to Srila Prabhupada, All glories to you on this auspicious day of your Vyasapuja.

The books written by You, Prabhupada have captivated me to learn and understand transcendental knowledge, to question my existence, and to understand the purpose of this life. By reading Bhagavad Gita As It Is, I became more conscious about my thoughts and the way I deal with people. I could experience a significant change in my behavior, though have not reached *sattva guna* characteristics yet but I could say I am far better than what I was before engaging with books written by Your Divine Grace.

I would like to extend my deepest gratitude to You without whom I would have never known about Lord Krishna and my true self. You are the true Spiritual Master, self-realized personality, and a blessing for humankind.

Your servant, Bhaktin Nikhitha Musthyala.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to Your Divine Grace, the savior of the whole world.

From my childhood, I was very much attached to Lord Krishna. I used to read Bhagavad Gita and used to attend Satsang. Later somehow I stopped reading Gita. Whereas again after meeting GIFTS Kondapur devotees, I have started reading again in the class. Through Your Krishna Consciousness movement, I am able to attend Satsangs and started reading Gita which is a huge blessing for me.

Now I have started chanting daily which I have never done till now. Chanting gives me strength, positivity, and changed my life in many ways. In the 4 months of lockdown, chanting is a huge relief for me to survive and handle things. Sometimes I am missing to do chanting, please bless me to continue daily without missing. It is like an energy booster for me, which I do not want to miss. Thank You very much, Prabhupada.

Your books, which we have discussed in the class, got to know them all-merciful nature of the Supreme Lord Krishna. You have unveiled his wonderful transcendental qualities and mercifully connected us to Lord Krishna.

Thank You Srila Prabhupada! All Glories to You Srila Prabhupada. Jai Srila Prabhupada.

Your Servant,

Dear Srila Prabhupada,

I am paying tribute to you, Srila Prabhupada. Lord Krishna instructs Arjuna in Bhagavad Gita verse 4.34 to approach a Guru and inquire from him submissively about the goal of life and how to achieve that goal. From your lecture I understood what is the real goal of life and how to achieve the goal.

There is a slogan in Sanskrit, "*acharya devo bhava*" means "honor your Guru as God". If we are a serious disciple and really want to attain God after this life then God will definitely send a bonafide and true Guru, I think you are the true Guru to us who want to know about the real goal of life. A true Guru would be the one who can differentiate all the elements of the upside-down eternal tree of the universe whose roots are the Supreme God. My life always has been thankful to you, Srila Prabhupada.

This is your faithful devotee,

Bhaktin Parameshwari D.

आपको मेरा सादर प्रणाम, हे प्रभुजी, आपको बहुत बहुत धन्यवाद। आप धन्य है। आपको बहुत बहुत शुक्रिया। आप बहुत महान है। आपका जय जयकार है। आपकी दया से, मैंने रथ यात्रा के दिन भगवान श्री जगन्नाथ, बलराम और सुभद्रा जी की पूजा की, प्रसाद चढ़ाया, प्रसाद पाया और डांस भी किया जिससे मेरे दिल में बहुत प्रसन्नता हुई। प्रभुजी, मुझे भगवान श्री कृष्ण के बारे में कुछ भी मालूम नहीं था। आप जैसे गुरु के कृपा के कारण ही मुझे ज्ञान मिला और मुझे श्री कृष्ण की भक्ति करने का अवसर मिला। हे प्रभुपाद जी, आप मुझे ऐसे ही श्री कृष्ण की सेवा करने की भक्ति और शक्ति प्रदान कीजिए।

Dear Srila Prabhupada, Hare Krishna.

Kindly accept my humble obeisance unto Your lotus feet. All glories to You!

Three years back, when one of Your humble devotee handed me your biography, I didn't know it's going to profoundly alter my life and will initiate me to Krishna Consciousness. I didn't know about Lord Krishna and I was barely interested in knowing Him, but your life story moved me and created interest in me to inquire about Lord Krishna. Your devotion and conviction in spreading Krishna Consciousness convinced me that it's worth giving attention.

Chanting 16 rounds, offering bhoga to Lord, honouring prasadam, and reading your books has undoubtedly brought immense stability and confidence in my life. Thank you so much, Prabhupada, for bringing hope in this miserable world. Thousands of devotees have benefited because you chose to surrender your life to Lord Krishna and worked towards it tirelessly without any personal motive. We will be forever indebted to you.

My dear Spiritual Master, thanks a ton for taking me (the most insignificant being), under your shelter. I surrender my life unto Your lotus feet, kindly forgive my offences, I have committed intentionally or unknowingly, bestow me the heart of devotion and service, continue to have your causeless mercy on me Prabhupada, so I can become an ardent servant of yours and contribute to Krishna Conscious Movement.

Respected Dear A.C Bhaktivedanta Swami Prabhupada!

Please accept my humble obeisances at your lotus feet and kindly forgive my offences.

You are present in your books and instructions. You are living in the heart of sincere devotees.

Srila Prabhupada, you have given to the world the higher taste of chanting the holy names of Lord Krishna. Prabhupada, you went to the western world to preach the glorious message of Lord Chaitanya and spread the Hare Krishna mahamantra " Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare". You have rescued countless fallen conditioned souls by giving them transcendental service of Lord Krishna.

You have successfully executed the desire of your guru Maharaj, spread the Hare Krishna mahamantra in western countries. Srila Prabhupada, you have given the opportunity to make the human form of life successful by taking to the process of Krishna consciousness by engaging in services like offering food to the lord with great love and devotion. By your causeless mercy, today millions of devotees are practicing Sri Krishna bhakti all over the world in temples opened by you.

Srila Prabhupada, you came to this world to take us to the spiritual realm. You have given us transcendental knowledge and books like Bhagavad Gita As it is and Srimad Bhagavatham. Only with your guidance, we are working towards achieving the ultimate goal of human life and it is possible only with your mercy.

Though you have given us a great opportunity to progress in Krishna Consciousness, I am unable to progress due to ignoring your instructions. I am praying to please shower your mercy on me and bless me to improve in Krishna consciousness. I am full of ignorance and I am a fallen soul, so please Prabhupada, save me and give me the strength to follow your instructions. With your mercy anything is possible. On this great occasion, I am offering my humble obeisances at your lotus feet and I am praying to you, please shower your mercy on this fallen soul and bless with the service at your lotus feet which will help in making rapid progress in Krishna Consciousness.

ఈ రోజున వ్యాసపూజ, ఇలాంటి విలువైన రోజున నా యొక్క భావాలను మీతో పంచుకునే అవకాశాన్ని నాకు కలిగించినందుకు కృతగ్నురాలిని. మీ ముందు నిలిచేందుకు కూడా అర్హత లేని ఈ జీవిత ఇంత గొప్ప అవకాశాన్ని కల్పించడం నా యొక్క అద్భుతంగా భావిస్తున్నాను.

ఎన్నో జన్మల పుణ్య కర్మల ఫలితంగా ఇప్పుడు నాకు ఈ విలువైన దేహం, ఉన్నతమైన జన్మ లభించేలా చేశారు. మీ యొక్క ప్రేమ మరియు అంతులేని దయకు పాత్రురాలిని కాగలిగాను. మీ సేవలో నాకు ప్రతీ నిత్యం నిమగ్నం అయ్యేలా మీ ఆశీస్సులను ఇవ్వండి చాలు ఈ జన్మకి. ప్రతీ జీవిత ఆ దేవదిదేవుడి సన్నిధికి చేర్చాలని మీరు పడుతున్న కృషి, మాపై మీరు చూపిస్తున్న అవ్యాజమైన కృప, ప్రేమ మాటల్లో వ్యక్తపరచడం కష్టం.

సుమారు 15 సం. రాలు గా మిమ్మల్ని నేను నా గురువులుగా భావించి సేవిస్తున్నాను. మా తాత గారి(చాలా సంతృప్తులుగా వారు కూడా మీకు సుపరిచితులు) ద్వారా మీ యొక్క పరిచయం నాకు జరిగింది. నేను 10వ తరగతి చదువుతున్న సమయంలో వారు నాకు మీ విలువైన సందేశాలను, బోధనలను, దేవది దేవుడి యొక్క అపురూపమైన, దివ్యమైన స్వభావాన్ని, లక్షణాలని, సచ్చిదానంద విగ్రహాన్ని గురించి మీ మాటలుగా ఆయన నాకు బోధించేవారు. అప్పటినుండి నాకు చాలా ఆత్రుత, కుతూహలం ఏర్పడింది. శ్రీ

కృష్ణుడి సేవ నిత్యం ఆచరించాలి అన్న తపన మనసులో బలపడింది. ఇందుకు గాను నా కోరిక, సంకల్పానికి సహకరిస్తూ చలా దయ తో మీరు నన్ను కనికరించి నా గురువులు గా ఇలా దీవించారు, దన్యురాలిని.

మీ నిత్య సేవకులైన తాతగారు నా పదిహేనవ యేట నుండే నాకు మీరు స్థాపించిన ఇస్కాన్ సంస్థ గురించి, కృష్ణుడి లీలల గురించి, ప్రతి జీవి ఉద్ధరణ కోసమై మీరు చేస్తున్న కృషి, సంకల్పం, ప్రతి జీవిని తిరిగి ఆ దేవాధిదేవుడి సన్నిధికి చేర్చాలి అన్న మీ తపన గురించి చాలా స్పష్టంగా వివరించేవారు.

మీ గురించి తెలుసుకున్న ఆ క్షణం నుండి మిమ్మల్ని మనసులో నా గురువులుగా భావించడం ప్రారంభించాను. మి యొక్క లిఖిత పూర్వక భావాల్ని, బోధనలను నిత్యం పఠించేదాన్ని. అలా మి బోధనలను చదువుతున్నప్పుడు మీరే నాతో స్వయంగా బోధిస్తున్న అనుభూతి నా మనసుకి కలిగేది. ఈ ఉన్నతమైన జన్మ నాకు ఎంతగా ముఖ్యమైనది అని మీ బోధనల ద్వారా నాకు చాలా స్పష్టంగా అవగతమైనది. మీ యొక్క ఆశయాన్ని ఈ జన్మలోనే పొందాలి అన్న ధృఢమైన కోరిక నన్ను ఈ స్థాయికి చేర్చింది.

ఈ మానవ జీవితపు పరమార్థం, అంతరార్థం తెలియజేసి, భౌతిక మరియు ఆధ్యాత్మిక జగత్తుకి తేడా గ్రహించేల చేశారు. ఏది నిజం, ఏది మాయ అని గుర్తించి జ్ఞానాన్ని ప్రసాదించి, భౌతిక బంధనాలు, మాయ నుండి బయట పడే మార్గాన్ని నాకు ప్రసాదించారు. గురువులుగా ఇది మీకు తప్ప ఇంకా ఎవ్వరికీ సాధ్యపడదు. సనాతన ధర్మాన్ని, సత్యాన్ని, నిజమైన దైవిక మార్గాన్ని ప్రసాదించారు.

ఒంటరిగా మీరు అనుభవించిన కష్టాల ముందు, భౌతికంగా మేము అనుభవిస్తున్న కష్టాలు ఏపాటివి. మీరు చూపిన మార్గం ఆ కష్టాల్ని సులభంగా ఎదుర్కొనే విధంగా దైర్ఘ్యాన్ని, తెలివిని ఇస్తున్నాయి. భౌతికంగా ఎదుర్కోవాల్సి వస్తున్న ప్రతి సమస్యను, ఆధ్యాత్మిక ధోరణితో ఆలోచించి పరిష్కరించగలిగే శక్తి యుక్తులను మీరు నాకు సమకూరుస్తున్నారు.

ఆ దేవదిదేవుడిని చేరడానికి మీరు బోధించిన బోధనలు మరియు 16 మాలలు మహా మంత్ర జపము తు.చ. తప్పకుండా పాటిస్తున్నాను. కానీ నాకు ఇంకా ఏదో చిన్నపాటి వెలితి. ఇంకా మీ సేవను నిత్యంచేయలేక పోతున్నానా అని. ఒక చిన్న భాధ ఏంటంటే, చాలా మంది ఈ భౌతిక ప్రకృతి మాయకి లోనై ఇదే నిజం సత్యం అనే దిశలో ఆలోచిస్తు మాయావాదులుగా దేవదిదేవున్ని అంగీకరించడానికి నిరాకరిస్తున్నారు. నిజాన్ని గ్రహించే జ్ఞానాన్ని, శక్తిని వారికివ్వ. అలాంటివారు తారస పడినప్పుడు చాలా బాధ కలుగుతుంది. మీకు న మనసులో ఎలాంటి భావాలు ఉన్నాయో తెలుసు. దేవదిదేవుడి ముందు నిల్చి ఒకే ఒక్క కోరిక ప్రతి రోజూ కోరుకుంటాను. "నిత్యం నీ పాద సేవకురాలు గా చేసుకో తండ్రి" అని. భౌతిక మాయ, చుట్టూ ఉన్న పరిస్థితులు భందిస్తున్న సమయంలో చాలా బాధ కలుగుతుంది. ఆ శ్రీ కృష్ణుడిని వొదిలి, మాయకి లోనై ఇలా ఎందుకు దూరం అయ్యానో అని. కర్మ భందనాలలో చిక్కుకొని ఇంకా ఎన్ని జన్మలకు నా స్వామిని చేరగలను. గొప్ప గొప్ప మహానుభావులు భక్తులు అయిన వారే జనన మరణ చక్రంలో జన్మలు ఎత్తుతుంటే నేనెంత. ఎన్ని జన్మలకు నాకు నిన్ను చేరుకునే అవకాశం...? నా గురువులుగా ఈ ప్రశ్నకి సమాధానం మీకు మాత్రమే తెలుసు.

కృష్ణ చైతన్యము ను ప్రపంచవ్యాప్తంగా కలిగించి ధర్మం, అధర్మం, సంస్కృతి, సంప్రదాయాలు, సనాతన ధర్మం వంటి ఎంతో విలువైన విషయాల్ని అందరికీ తెలియచేశారు. ఆచరించే విధంగా ప్రేరేపించారు. తుది శ్వాస వరకు మీ విలువైన జీవితాన్ని మాకోసం వినియోగించారు.

స్వయానా దేవదిదేవుడు అందించిన భగవద్గీత ను మానవాళి మనుగడ కోసం అందించారు. దేవదిదేవుడి లీలల గురించి తెలిపే శ్రీమద్భాగవతం వంటి విలువైన ఆధ్యాత్మిక గ్రంథాలను మాకోసం అందించారు. ప్రపంచ వ్యాప్తంగా ఉన్న అన్ని భాషల్లో అనువదించి ప్రతులను ముద్రింపచేసి ఆ జ్ఞానాన్ని, శ్రీకృష్ణుడిని గ్రహించే అదృష్టాన్ని అందరికీ కలిగించారు. ఇంకా ఎంతో విలువైన సందేశాలను పదజాల రూపంలో ముద్రించి భౌతికంగా మీరు మమ్మల్ని విడిచిన, మీ ఆ వుస్తకాల రూపంలో, ప్రతి అక్షరంలో, ప్రతి పదం లో, ప్రతి వాక్యంలో మాకు తోడుగా ఉన్నారు. ఇందుకు నేను చాలా సంతోషిస్తున్నాను.

ప్రియమైన నా ఆధ్యాత్మిక గురువులు శ్రీల ప్రభు పాదుల వారికి, మరొక్క సారి ఈ సేవకురాలు హృదయ పూర్వక పాదాభి వందనాలు. 84 లక్షల జీవరాశుల లో నన్ను కరుణించి మీ పాద సేవకురాలు గా అంగీకరించారు. అందుకు సదా మీకు కృతగ్నురాలిని. ఎల్ల వేళల మీ అవ్యాజమైన ప్రేమ, కరుణ, దయ మాపై ఉంచి, చివరి క్షణం వరకు మీ పాద సేవకురాలు గా నాకు అర్హత కల్పిస్తారు అని ఆశిస్తు.

మీ సేవకురాలు,

భక్తిని ప్రేమాంక.

గురుదేవా,

అజ్ఞానంతో ఈ భౌతిక జగత్తు అనే సముద్రంలో కొట్టుకుపోకుండా కృష్ణ చైతన్యం అనే నావలో ఆధ్యాత్మిక జీవితం అనే ఒడ్డుకు చేర్చి నిజమైన జ్ఞానాన్ని తెలుసుకోవటానికి మీరు ప్రచారం చేసిన కృష్ణచైతన్య ఉద్యమంలో పాల్గొనడం ఎన్నో జన్మల సుకృతం గా భావిస్తున్నాను. ఓ గురుదేవా నా యొక్క హృదయంలో భక్తి అనే బీజాన్ని నాశేలా చేశారు. ఆ బీజం మొలకెత్తి మొక్కై, పదిమందికి కృష్ణ చైతన్యాన్ని ప్రచారం చేయడంలో మీరు తోడ్పడతారు అని తలుస్తున్నాను. మీరు రాసిన పుస్తకాల ద్వారా మీ సాంగత్యం మాకు ఎల్లప్పుడూ లభించాలని ఎట్టి పరిస్థితుల్లోనూ కృష్ణ చైతన్యాన్ని విడకూడదని, మీ పుస్తకాలు ఇంకా ఇంకా చదవడం ద్వారా జ్ఞానాన్ని సంపాదించుకునే శక్తిని కల్పించాలని ఆశిస్తూ.

ఆచార్యులు, గురుదేవులు పరమ పూజనీయులు అయిన శ్రీమత్ ఏసీ భక్తి వేదాంత స్వామి శ్రీల ప్రభుపాదల వారి పాదపద్మములకు నమస్కరిస్తున్నాను.

నేను ఈ కృష్ణ చైతన్య ఉద్యమములోకి వచ్చి ఆరు నెలలు అయింది. మొదట నేను మీరు రాసిన గ్రంథములు చదివాను. హరే కృష్ణ మూవ్మెంట్ గురించి తెలుసుకొని ఆకర్షితురాలిని అయ్యాను. మొట్టమొదట నేను వైకుంఠ ఏకాదశి నాడు రెంపుల్ కి వెళ్ళాను అక్కడ భక్తులని కలిశాను. మీరు ప్రచారం చేసిన హరేకృష్ణ మహామంత్రం విశిష్టతను దాని ప్రాముఖ్యతను తెలుసుకున్నాను. మీరు రాసిన భగవద్గీత చదివి దేవాదిదేవుడు అయిన శ్రీ కృష్ణునికి జీవులకి ఉన్న సంబంధం తెలుసుకున్నాను.

70 సంవత్సరాల వయస్సులో అది పాశ్చాత్య దేశాలలో ఒంటరిగా మీరు దేవాదిదేవుడు అయిన శ్రీకృష్ణుడు ఎవరని ప్రచారం చేసి కృష్ణ చైతన్య సంఘం స్థాపించారు. వార్తకృము సమీపిస్తున్న, 12 సంవత్సరములలో భగవద్గీత, భాగవతముల యదార్థతత్వమును తెలియజేయుటకు ప్రపంచమంతటా 14 సార్లు ఉపన్యాస యాత్రలు చేస్తూ పర్యటించిన మహానుభావులు మీరు. ఇది మానవ మాత్రులకు సాధ్యంకాదు.

మొదట నేను 16 మాలలు జపము చేయగలనా అని అనుకున్నాను, మీ యొక్క శ్రీకృష్ణుని యొక్క కృపను ఆశిస్తూ మొదలు పెట్టాను. ఐదు నెలల బట్టి చేస్తున్నాను. చాలా సులభంగా ఆహ్లాదంగా చెయ్యగలుగు తున్నాను. నేను కృష్ణ చైతన్యములో లో ఇంకా వృద్ధి చెందాలని అనుకుంటున్నాను . వచ్చే మీ జన్మదినము లోపల కనీసము పది మందికి ఈ ఉద్యమముని పరిచెయ్యాలని అనుకుంటున్నాను. దానికి మీ ఆశీర్వాదములు కావాలి.

ఈ హరే కృష్ణ మూవ్మెంట్ లోకి వచ్చిన తరువాత శ్రీకృష్ణ భక్తి ఎలా చేయాలి, దేవాదిదేవుడు తో ఎలా బంధం పెట్టుకోవాలి శ్రీకృష్ణుని ఎలా ప్రేమించాలి, ప్రసాదం ఎలా నివేదించాలి, ఏకాదశి నియమాలు, బ్రహ్మ ముహూర్తంలో జపము చేస్తే వచ్చే సంతోషము, తిలకధారణ గురించి, కంటి మాల గురించి ఇలా చాలా విషయాలు తెలుసుకున్నాను. మున్నుండు ఇంకా తెలుసుకోనే అవకాశం ప్రసాదించండి .

శ్రీల ప్రభుపాదలు మీరు ఒక అసాధారణమైన మహానుభావులు. మీరు మాకు శ్రీకృష్ణుని ఇచ్చారు. శ్రీకృష్ణ నామాన్ని ఇచ్చారు. హరే కృష్ణ మహా మంత్రాన్ని, శ్రీకృష్ణునికి సంబంధించిన అనేక ఆధ్యాత్మిక గ్రంథాలను, శ్రీకృష్ణ మందిరాలను సత్సంగాలను శ్రీకృష్ణ భక్తులను ఇంకా ఎన్నెన్నో మాకు ప్రసాదించారు.

మీ అవ్యాజమైన కృప ఫలితంగా నేడు మేమందరం శ్రీకృష్ణుని పట్ల విశ్వాసంతో భక్తితో ఆధ్యాత్మిక ప్రయాణం సాగిస్తున్నాను. అనేక విధాలుగా మాపై మీరు చూపించే కరుణ మాకు ఆధ్యాత్మిక ప్రయోజనాలు చేకూర్చింది, ఇంకా చేకూరుస్తూ ఉంటుంది, జయ శ్రీల ప్రభుపాద

Hare Krishna Dear Srila Prabhupada.

Please accept my humble obeisances! Dear Srila Prabhupada, all glories to you on the auspicious day of your appearance. Please accept this offering at your lotus feet.

When I got married I didn't have any knowledge about HKM. But my husband is in association with HKM since 2014. After marriage, he always used to do kirtan at home. On Tuesday and Saturday, we attended Nagar Sankirtan.

By seeing all this kirtan, I also wanted to learn kirtan and instruments like Kartal and Mrudanga. Finally, I developed an interest to learn Kartal and my husband taught me Kartal. Now I can play Kartal. This is all your mercy that I learned kartal so fast. After that, I attended so many kirtans and I used to play kartal there. Now I also want to learn Mrudanga.

Last but not the least by your blessings, in January, I joined Basilwoods and there I got the chance to teach kirtan and also Bhagavad Gita verses to children, so this was the best opportunity to learn verses.

I am so blessed that now I am able to offer some services unto Lord Krishna's lotus feet and to your mission. I feel blessed to be part of Kirtans and learning Bhagavad Gita verses.

One more Krishna conscious activity added to my life after my marriage, I started observing fasting on all Ekadasis which is helping me in advancing in Krishna Consciousness, this is all due to your causeless mercy and blessings.

Your servant,  
Bhaktin Rutuja Ashish.

Dear Srila Prabhupada,

please accept my humble obeisances at your lotus feet.

Whenever I go to any temple I will have darshan and spend some time and come back home, but there will be no class or no activities by which I can engage my senses and render services, but for the first time when I attended a festival in the temple HKM-Hyd, I have experienced all these things.

I got the chance to do the service to distribute the prasadam, do sankirthan, and the association of the devotees.

When I am chanting I am experiencing peacefulness.

When I am attending the Bhagavath Gita class, it is enlightening and inspiring me a lot.

When I participate in the sankirtan, it's giving me a unique experience and Joy.

All glories to you, Srila Prabhupada!

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you, divine grace !

Once again I have the opportunity to thank you for your causeless mercy on me.

O SRILA PRABHUPADA, by Your mercy I got a chance to begin my spiritual life. When I was searching for a good teacher to my children for learning Bhagavad Gita slokas it was in the year 2015 during Dasara holidays, I got an invitation from my daughter's class saying that a ten day culture camp will be conducted for the children. I felt so happy. Enrolled my daughter, that was the day which changed my total life .

From that day I came to know about HARE KRISHNA MOVEMENT . I started chanting Hare Krishna maha mantra which gives me lot of strength and started book distribution also.

EKADASHI fasting I am able to follow which gives lot of confidence and is so powerful . I'm very much blessed to all of these happy moments in my life, which was possible only because of your mercy on me .

Thank you so much.

Your humble servant,

Bhaktin Sangeetha Goud.

హరే కృష్ణ.

శ్రీ భక్తి వేదాంత స్వామి ప్రభు పాదుల వారికీ, నా ఆత్మ సమర్పణ ప్రణామములు.

ప్రభుపాదుల వారిని ఆశ్రయించిన తరువాతనే నాకు భక్తిభావం గురించి గాని, శ్రీకృష్ణనే సుప్రీమ్ లార్డ్ అని తెలుసుకోగలిగాను. ఆ రోజు నుండి నా జీవితములో చాలా చాలా మార్పులొచ్చాయి. ఇంతకు ముందు సంసారం అంటే ఒక భయము అందోళన ఉండేది, ఏదో వెలితిగా ఉండేది. అన్ని ఉన్నా కానీ గడచినా సంవత్సరముల నుండి నిధానముగా తెలియని ఆనందములోకి ప్రభుపాద తీసుకొని వెళ్లారు.

నా మనసు ఎప్పుడు శ్రీకృష్ణ గురించి ఆలోచనా, ప్రభుపాద ప్రబోధములు ఎప్పుడు చెవుతూ ఉండాలని కోరిక పెరిగి పోతు వచ్చింది.

దానికి సంవత్సరము క్రితము నుండి రూపము దిద్దుకొని పిల్లలకు క్లాస్ తీసుకోవటం జరుగుతుంది.

ప్రతి క్లాస్ తీసుకోబోయే ముందు శ్రీ ప్రభుపాదుల వారిని అడిగే దానిని,

ఈ రోజు ఏ జ్ఞానమును ఇస్తారు ప్రభు గారు అని అడిగే దాన్ని. నాకు ఇంతకు ముందు తెలియని విషయాలను పిల్లలకు నెరిపే విధ

ముగా ఆలోచనను ఇచ్చేవారు. ఆ విధముగా పిల్లలు క్లాసులో ఆనందముగా వినేవారు. భగవద్గీత చదవటం, శ్లోకాలు నేర్చుకొని అర్థము చెప్పటం నేర్చుకుంటున్నారు. దీనికి వారి తల్లిదండ్రులు కూడా చాలా ఆశ్చర్యము వ్యక్తము చేసేవారు. వారికి నేను ఇది కూడా ప్రభుపాద యొక్క అనుగ్రహముతోనే జరిగింది అని చెప్పటం జరిగింది.

ఇక్కడ ఒక విచిత్రము జరిగింది. అది ఏంటంటే అసలు తెలుగు రాని చిన్న పది సంవత్సరముల పాపకి వారి తల్లిదండ్రులు నాలుగు సంవత్సరములు నుండి తెలుగు నేర్పటానికి ప్రతిరోజు ప్రయత్నము చేస్తున్నారు, కానీ లాభం లేకుండా పోయింది. కానీ భగవద్గీత క్లాస్కి రావటము మొదలుపెట్టిన వారము రోజులకి మొదటి రెండు రోజులు ఇంగ్లీష్ లో చెప్పమంది, తరువాత మూడో రోజు నుండి తెలుగులో భగవద్గీత చెప్పమని ఆ పాప అడిగింది. నాలుగు రోజులలోనే పదిహేను శ్లోకాలు తెలుగులో బాగా చదవగలిగింది. వారి తల్లిదండ్రులకు తెలుగు శ్లోకాలు వినిపించటంపై వారి తల్లిదండ్రులు ఆనందముతో ఈ విషయాన్ని నాకు తెలుపుతూ, నాలుగు సంవత్సరములు నుండి రాని తెలుగు నాలుగు రోజులలో ఎలా సాధ్యమయింది అని ఆశ్చర్యము వ్యక్తము చేసారు. దానికి నేను ప్రభుపాద యొక్క అనుగ్రహము అని తెలిపాను.

ఇంకొక విషయము మా ప్రభుకి శ్రీకృష్ణ మీద భక్తి ఉండేది కాదు, మా ఇంట్లో భగవద్గీత క్లాస్ తీసుకుంటున్న దగ్గర నుండి శ్రీకృష్ణ అంటే చాలా భక్తి ఏర్పడింది. ఇది కూడా ప్రభుపాద యొక్క అనుగ్రహంగా నేను భావిస్తున్నాను. నేను చేసే ప్రతిపనీ శ్రీశ్రీల ప్రభుపాదుల వారికి మరియు శ్రీకృష్ణ కి భక్తి శ్రద్ధలతో అర్పిస్తున్నాను.

శ్రీ శ్రీల ప్రభుపాదుల వారికి,  
ఇట్లు మీ భక్తురాలు,  
భక్తిని సత్యవతి యం.

All glories to your Divine Grace Srila A.C. Bhaktivedanta Swami Prabhupada, Sri Guru, and Lord Gauranga Mahaprabhu!

Please accept my humble obeisance unto Your lotus feet!

Thank you, your divine grace for making me a person that I am today. Thank you for giving me the devotee association to refine my life and help me hone the path of Krishna consciousness.

With your eternal blessings, our family invited Sri Srimad Bhagavatam into our house which is the literary incarnation of the Supreme Personality of Godhead, Lord Sri Sri RadhaKrishna. Thank you so much for making Srimad Bhagavatam available for us with your divine translation and purports. Thank you so much for helping us with every step in our endeavor for book distribution. With Your Divine Grace's blessing, we meet and greet kind souls, spread the glories of the transcendental knowledge.

In light of the COVID crisis, our quest for spiritual enlightenment has intensified. We, at our Bhakti Sanga, are associating with each other virtually, read Srimad Bhagavad Gita every day except Sundays & Tuesdays for these two days are reserved for Srimad Bhagavatam. Thank you so much for the opportunity to read these transcendental books and keep us connected with Lord Sri Krishna through your literary work.

Thank You for inspiring me to enroll in Bhakti Shastri classes for without your blessings the urge to be a part of this course would not have been possible. Despite being a multi-year journey, I would like to be sincere and invest myself in continuous learning from senior Vaishnava devotees. Thank you so much for this wonderful opportunity!

By Your Divine grace and Lord Gauranga Mahaprabhu's mercy, this fallen soul is persistently chanting 20 rounds of Hare Krishna Mahamantra every day. You have so much love in degraded souls like me and all that You expect in return is just love for you and our Supreme Father! All Glories to Your Divine Grace and Lord Nitai-Gauranga!

Thank You from the core of my heart and I only aspire to be an eternal dust particle under your lotus feet and serve devotees of the devotees of the Supreme Lord.

My respectful obeisance unto your lotus feet. Srila Prabhupada ki Jaya!

Your humble servant,

Bhaktin Shardha Konimeti.

Dear Srila Prabhupada,

All glories to you.

I am immensely in gratitude towards you for coming into my life. Entangled in mundane materialistic way of living, working hard day-in and day-out just to maintain my family expenses you have come like a life rescuer by making me understand that life is beyond being selfish.

It was in Feb 2013, you came into my life through Bhagavad Gita As it is. I was silly in understanding your view point from a self-centered perspective, but your merciful association, despite of my fallen condition, has shown me a bigger picture of the existence.

But few instances are very significant. Every time when people argued with me about Lord and devotional service, I felt that you have personally noticed and somehow made my belief stronger and stronger in you and your words which kept my faith unchanged.

Being in family life, lot of doubts come to mind which keep lingering, am I on the right path ? am I following your directions rightly? but your kind words in the form of lectures and books have always ensured that we did not miss the path of devotional service.

Please give me strength to stand by, face the world and support your mission at least small way. I pray to you to please be my side, guide me on spiritual path of serving Lord Krishna and your mission with unalloyed devotional service.

Please accept my humble obeisances at your all pious loving lotus feet and bless me to always remain a menial servant at your lotus feet.

Your humble servant,  
Bhaktin Shilpa Chenna.

Dear Srila Prabhupada,

All glories to my Spiritual Master, A C Bhaktivedanta Swami Srila Prabhupada! Please accept my humble obeisances at Your divine lotus feet.

Before coming to Krishna Conscious Movement which was established by You, I used to live in the bodily concept of life and didn't know any spiritual concepts. In 2014 October, I started my Krishna Conscious journey with HKM, in the beginning, I used to follow 4 regulative principles, 16 rounds chanting, attended Bhagavad-Gita class, followed Ekadashi, read Bhagavatham, did wonderful seva to Lordships Nithai Gauranga. I used to be very happy with Krishna Consciousness. I wasn't giving any importance to material problems when I was doing proper chanting and services, sadhana gave me strength but now I get upset with every small thing due to lack of sadhana.

Now I am completely busy with material duties, only thinking of material life and have lost interest in bhakti. Now I am not chanting properly, not doing any spiritual practice well. My soul tells me to do my sadhana but material duties have become obstacles to my sadhana.

Prabhupada, I plead for your mercy. Please help me get back to my spiritual life. Please bless me chant 16 rounds, do proper deity worship, give me the association of devotees. Please take care of this fallen soul.

Your servant,  
Bhaktin Shilpa M.

ప్రభు! మీరు చిన్న వయసులోనే సొంత మక్కువ తో జగన్నాథ స్వామి రథయాత్ర కార్యక్రమం స్నేహితులతో బంధువులతో కలిసి నిర్వర్తించి మీ భక్తిని తెలిపారు.

మీ గురువుగారు శ్రీల భక్తి సిద్ధాంత సరస్వతి ప్రభుపాదుల వారి ఆదేశాన్ని అమలు పరచడమే మీ జీవిత లక్ష్యంగా పెట్టుకొని సర్వ విధాలుగా మీ వంతు ప్రయత్నాలు చేస్తూ వృద్ధాప్యం గుండె పోటు కూడా ఏమాత్రం లెక్కచేయకుండా హరేకృష్ణ మహా మంత్రాన్ని ప్రపంచమంతా తెలుసుకునేలా చేశారు ఒక శిష్యుడు ఎలా ఉండాలో చూపారు. ప్రభూ ! మీరు మానవులకు అవసరమైన పూర్తి ఆధ్యాత్మిక జ్ఞానాన్ని అందించారు మీ నుంచి ఆధ్యాత్మిక జ్ఞానంతో పాటు సమయస్ఫూర్తి, క్రమశిక్షణ కూడా నేర్చుకోవాల్సిన అతి ముఖ్యమైన విషయాలు.

ప్రభూ! భగవద్గీత, భక్తి రసామృతము గ్రంథములను నేను చదువుతున్నాను . మీరు భగవద్గీత యథాతథము "గురుశిష్య పరంపర 32వ గురువుగా" మాకు అందించారు. వేద విజ్ఞానము యొక్క సారమే భగవద్గీత, భగవానుడు దివ్యభక్తి మరయు జీవులమైన మనము ఆయన సేవకులము. ఒక వ్యక్తికి ఐహిక సుఖమును చివరకు మోక్షమును కూడా శ్రీకృష్ణుడు తేలికగా అనుగ్రహిస్తాడు కానీ భక్తియుక్త సేవను ఒక వ్యక్తికి అంత సులభంగా అనుగ్రహించడు .శుద్ధభక్తుడు ఆధ్యాత్మిక ఆచార్యుని అనుగ్రహం వల్లనే ఆ వ్యక్తికి భక్తి యుక్త సేవ (కృష్ణ చైతన్యం) అనుగ్రహింపబడిను.

హే ప్రభూ ! మీకు నాపై ఎంత కరుణ, ప్రేమ లేకపోతే నాకు కృష్ణ చైతన్యాన్ని ప్రసాదిస్తారు? మీకు నేను ఏ విధంగా కృతజ్ఞతలు తెలుపుకోగలను? ఏదైనా విద్యను నేర్చుకోవడానికి ధన రూపంలోనో ,వస్తు రూపంలోనో మూల్యం చెల్లించవలసి ఉంటుంది కానీ దేవాది దేవుని గురించి తెలిపే కృష్ణచైతన్యాన్ని పాటించడానికి చెల్లించవలసిన మూల్యం భక్తి, శ్రద్ధ.

లౌకిక,అలౌకిక ఆనందం వలన పతనముచెందుటకు ఆ అవకాశం ఉన్నది కానీ భక్తియుక్త సేవ వలన కలుగు ఆనందం శాశ్వతం కనుక ప్రహ్లాద మహారాజు నరసింహస్వామిని తన కృష్ణ చైతన్యం మరింత దృఢత్వము కలిగి స్థిరము అవ్వాలని కోరెను.ప్రభూ! ప్రహ్లాద మహారాజు గొప్ప భక్తుడు నేను అజ్ఞానిని అయినప్పటికీ నేను మిమ్మల్ని కోరేది ఏమిటంటే నేను మీరు చూపిన మార్గంలో నడుచుకుంటూ భక్తియుక్తసేవలు శ్రద్ధగా నిర్వహిస్తూ ఉండాలి.తెలిసి తెలియక ఏదైనా పొరపాట్లు చేసి ఉంటే క్షమించండి.

Dear Prabhupada,

All glories to you. "*Vande Guroh Sri Charanaaravindam.*"

Prabhupada please shower your blessings upon me, So that I will be in Krishna Consciousness forever, "*Guru dev Karo daya..*". Without your mercy,I can't understand Lord Krishna's pastimes. I know I am lower than,a worm in stool. My life is useless,without Krishna Consciousness. In corona time, my deep inside love towards Lord Krishna came out. I was surprised. I am fighting for your Service and Love, against with my Loved ones.

Service to the spiritual master is a disciple's life,ornament,and means of survival (Srla Bhakti Siddhanta Saraswati Thakur). I feel happy,whenever I do little service for you. I want to be like this forever with vast services to satisfy you my Gurudev. Always I remember your words,"if we can help one person become Krishna Consciousness, then our movement has been successful", I just helped one small girl to recite BG slokas, the complete family transformed to Krishna Consciousness. It's only your causeless mercy on them, they are telling miracle happened after doing Chanting.

Prabhupada,please make me your puppet, so that I will be played by your golden hands to progress in Krishna Consciousness. Please be with me,make me strong in odd situations also. Still am unable to see all the situations with equal vision,like still,I have to accept,whatever happening is all Lord Krishna's plan. Please Prabhupada,help me to reduce and remove all the material relationships with this soul. I am praying like Kunti maharani's maid servant, please give me all troubles Materially and Spiritually.

We all are Lord Krishna's part and parcel, please take me to our home (back to godhead) forever. Make me surrender completely,without surrendering to you it's like worthless of this human birth.

My heart throne is waiting for you,please reside in my heart and give me guidance,wherever Guru is there Lord Krishna also be there. "*To know Lord Krishna, is to know Guru*". My dear Supreme Lord Krishna,please bless me to satisfy my Guru.

Gurudev,as you said,each Mataji should qualify in MSC. I Am trying to qualify in MSC (Master of Subjis and Chapatis),to offer Chappan bhog on your Vyasa Puja day. Please forgive me Prabhupada,for all the offenses I did towards the Vaishnavas and other living entities.

This is my small heart-felt offering for you,my dear master.

Your least servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

First of all. I'm very happy to have you in my life Srila Prabhupada, as my Guru.

Because of your mercy, I came to know about Krishna consciousness and get to know the Supreme Personality of Godhead. And you taught me that the best means of spiritual realization is chanting the holy name of Lord (Hare Krishna mahamantra )and I always been inspired by listening to your speeches, wonderful Sankirtans of Krishna consciousness. It increased my faith & to be humble.

I'm heartfully thanking you, Srila Prabhupada for starting this wonderful Krishna Conscious movement worldwide. Without the mercy of Krishna consciousness it is an incomparable journey for devotional service, you are the Guru who taught me how to manage life with a positive attitude. Because of Your love, faith, beliefs everything is helping

in this spiritual life. You showed me the path for Krishna consciousness and educated me to lead a peaceful life & become a good devotee to serve the Krishna consciousness movement.

Definitely I will follow my spiritual duty for Lord Krishna service. Right now I'm enjoying it very well. I'm very fortunate to have you in my life, Srila Prabhupada, who inspired millions of people for Krishna consciousness as devotional service to Lord Krishna.

I'm always thankful to you, Srila Prabhupada, without your mercy it is impossible to reach Lord Krishna. " A guru is not someone who holds a torch for you. He will become like a torch."

Hare Krishna.

Your faithful devotee,

Bhaktin Sirisha D.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

I feel very fortunate as I could get the taste of Krishna Bhakti at least in a very minuscule way. Dear Srila Prabhupada, I know you only gave me this opportunity to write the letter. Still I feel I am unworthy to do this task, but I have to follow your order, Guru Dev.

Srila Prabhupada, Please accept my heart-full of respect unto your *kamala charan*.

Srila Prabhupada, your deep devotion and love towards Lord Krishna has made us realize that God came to earth and showed His lilas to humans, as to how we should live life on earth. You are the big bridge to humans of this era to connect with Lord Krishna by chanting the name of God and showing how He loves us. Knowledge of how a human being should lead their devotional life is ultimate gift of God Sri Krishna. Srila Prabhupada, you always quickly understood our ignorant actions, stupid questions, you always quoted from Bhagavad Gita, which reflected your stage of devotion and level of bakthi.

Thanks is a very small word to say for your great work for all generations by beautifully setting the path to to enable them to reach Lord Krishna.

Srila Prabhupada, you have done tremendous work to humanity. What we have to do is just chanting Lord Krishna name and love His lilas that's all. Thanks for each and every bit of your teaching in all fronts which made our path like a red carpet to reach Lord Krishna. Jai Sri Krishna and Jai Srila Prabhupada.

Thank you.

Your humble servant,

Please accept my humble obeisances .All glories to you on this auspicious day of Your vyasapuja.

I am very glad to get an opportunity like this to glorify you, my Guru A.C. Bhakthivedanta Swami Prabhupada.

To guide a baby how that kid needs his/her parents, in such a way every devotee needs a good guru like you, Srila Prabhupada, to show a path to reach lord Sri Krishna. Here I am the baby!

I am very much inspired by Your preaching how You changed the people of other countries as Lord Krishna's devotees and the way you make them chanting the Maha Mantra and performing dance( with foreigners ).

And I simply love the statement-- If You Love me, distribute my books. In every aspect you try to lead each devotee towards Krishna Conciousness. Moulding and teaching a kid is very tough job which you, my Guru Maharaj, accomplished with so many number of devotees.

I too am motivated because of You my Guru to do 16 rounds of chanting and book reading.

శ్రీల ప్రభుపాద మీరు, అంతర్జాతీయ కృష్ణ చైతన్య సంఘాన్ని స్థాపించి ఈ లోకానికి ఎంతో మేలు చేసారు. పడిపోతున్న నా లాంటి ఆత్మలను చేరదీసి, ఓపికిగా శ్రీకృష్ణుడికి పరిచయం చేసారు. అందరికి అర్థమయ్యేలా భగవద్గీత అనువదించి మా అందరి జీవితాలలో వెలుగులను నింపి, నేను ఆత్మను శరీరం కాదు కేవలం భగవంతుని సేవకులం అని నిక్కచ్చిగా చెప్పి, ఎంతోమంది మాయవాదుల నోరు మూయించారు. మీ ధైర్యానికి వందనాలు.

దారుణమైన ఈ కరోనా సమయములో ప్రపంచవ్యాప్తంగా online లో కృష్ణ చైతన్యంపై ఎన్నో క్లాసులు వినగలిగాను. ఉదయం నుండి సాయంత్రం వరకు ఎంతో శాస్త్ర జ్ఞానాన్ని అభివృద్ధి చేసుకోగలిగిన మీ దయకు కృతజ్ఞులును. మీ యొక్క భక్తుల ప్రసంగాల నుండి

గడచిన 5 సంవత్సరాలనుండి (నా వయస్సు 78 సంవత్సరాలు) నాలో వున్న భయం తొలిగిపోయి శ్రీకృష్ణ స్మరణ లో ఉండగలుగుతున్నానంటే కేవలం మీ చలువ శ్రీకృష్ణుడి దయ అని గ్రహించాను. నా సాధన ఈ విధంగా కొనసాగాలని నా భక్తియుక్త సేవ ద్వారా నా అజ్ఞానం నుండి నేను విముక్తి సాధించాలని శ్రీకృష్ణుడి స్మరణలోనే నా జీవితం ముగిసిపోవాలని నన్ను ఆశీర్వదించమని మరొక్కసారి మీ పాదపద్మములకు నమస్కరిస్తూ.

I offer my respectful obeisances unto you on this auspicious day of your appearance . I am grateful to you for giving us the Mahamantra

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare*

During the lockdown period, for the Maha Japa Yagna, I gave the Japa malas to many and taught them to chant the Maha Mantra, which everyone did . All glories to you, Srila Prabhupada . By chanting 108 times we complete a mala. By chanting, we keep hearing Hare, Krishna and Rama again and again and there's a nice vibration around and gain that extra strength and confidence to move forward in the most fearful situation and feel blessed by the Supreme Lord .

I feel blessed by spreading the Mahamantra and chanting.

Your sincere devotee, Bhaktin Suzzathha Ch.

Dear Srila Prabhupada,

Please accept my humble obeisances at your most magnanimous lotus feet. All glories to your divine grace.

Some expressions can be felt and can't be expressed, similarly, I am unable to find the best of the words from the whole world to praise you. All the Vedas and scriptures could only perfectly sing the glories of your divine self.

You are an ocean of mercy, your heart is filled with unconditional love for all of us. The number of tribulations you went across to help us cross over the ocean of this material life is completely unimaginable and un-explainable. Millions of lives or millions of mouths aren't enough to glorify you.

I couldn't even imagine my life without Krishna Consciousness. Life after life I was drowned in the horrible ocean of material life. One day out of your causeless mercy you picked me up and made me sit in the nice boat of Krishna Consciousness. No matter how strong the ocean waves could be, I am not afraid anymore as I am under your protection.

The way you showed your mercy to your daughters (women disciples of yours) is ecstatic. You taught us everything just as our mother and father would do. You taught us to cook nice delicacies to serve Lord Krishna. Like nowhere in the world you have given us the chance to worship the deities. Who could be more merciful than You? You gave many tips to train the kids in Krishna Consciousness which is helping me a lot at this moment.

Thank you million times Srila Prabhupada.

Your humble servant,  
Bhaktin Swetha Gurala.

## Bhaktin Thilottama K

My dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisances to your lotus feet on this auspicious day of your Vyasapuja.

One fine day 3 years back, you gave me an opportunity to visit Sri Krishna Balaram Mandir at California and made me aware of Krishna consciousness. With your divine grace, I was able to visit Dallas where you opened school and temple. You made my journey with your mercy into Krishna consciousness. You made me read Bhagavad-Gita and other books written by you. By your mercy your followers and association of devotees, Prabhujis and Matajis encouraged me to do Hare Krishna mahamantra chanting, because of which I am now able to do 19 rounds regularly. You have also given me an opportunity to do lot of services and also book marathon. Thank you Srila Prabhupada for your mercy upon me.

Your humble and obedient servant, Bhaktin Thilottama K.

భక్తుల సాంగత్యం వలన మీ గురించి తెలుసుకోగలిగాను. శ్రీకృష్ణుడే దేవాదిదేవుడిగా గ్రహించగలిగాను. మీరు చెప్పిన 16 మాలలు జపం చేస్తున్నాను, ఏకాదశి వ్రతము చేస్తున్నాను, భక్తుల సాంగత్యంలో భగవద్గీత పారాయణం చేస్తున్నాను. మీరందించిన భగవద్గీత, భాగవతం చదవడము, వినడము చేస్తున్నాను.

మీరు మీ వృద్ధాప్యం తెక్కచేయకుండా విదేశాలకు వెళ్లి అక్కడి విదేశీయులను కృష్ణ భక్తులుగా మార్చారు. అక్కడ ఎన్నో కృష్ణుడి దేవాలయాలు స్థాపించారు.

మీయొక్క కృప, కరుణ నాపై చూపాలని భక్తిలో ఇంకా ముందుకు వెళ్ళడానికి మీ ఆశీర్వాదం కావాలని మీ పాదపద్మములకు నమస్కరిస్తూ.

పూజ్యులు అయిన ఏ.సి భక్తివేదాంత ప్రభుపాద వారి చరణాలకు ప్రణామములు.

వ్యాసపూజ సందర్భంగా ప్రభుపాద గురువుగారి గురించి తెలుపుకునే అవకాశం మాకు లభించింది. నేను ఒక సాధారణ గృహిణిని. భగవంతుని యొక్క స్పృహి, అతని లీలలు అమోఘం. అందువలనే ఆ శ్రీకృష్ణ భగవానుడు గురు శిష్య పరంపరగా మనకు ప్రభుపాద గురువుగారిని ప్రపంచానికి ప్రసాదించారు. అది మనందరికీ వరం.

హరేకృష్ణ మహామంత్రం ద్వారా మనమందరం ఆ గోలోక బృందావనానికి చేరే మార్గాన్ని ఉపదేశించారు. భగవద్గీత యధాతదం ద్వారా మానవాళికి ఆ భగవంతుని యొక్క సందేశాన్ని తెలియపరిచారు. భగవంతున్ని ఎలా శరణు పొందాలి, భగవంతునికి ఎలాంటి ఆహారాన్ని ఎలా చెయ్యాలి, ప్రసాదాన్ని ఎలా పంచిపెట్టాలి, చిన్నపిల్లలతో సహా భగవంతుని రథయాత్ర ఎలా జరిపించాలి, అనేది తెలియజేశారు.

కలియుగంలో హరేకృష్ణ మహామంత్రం ఒక్కటే ఆ భగవంతున్ని చేరుకునే మార్గమని చూపించారు. భగవంతున్ని చేరుకోడానికి నవయుగ భక్తిమార్గాలు ఉన్నాయి. కానీ అందులో భగవంతుని దగ్గరకు అతివేగంగా చేరడం, అతి సమీపంగా చేరడం గురువు ద్వారా మాత్రమే సాధ్యం. అటువంటి మార్గాన్ని చూపిన ఏ.సి భక్తివేదాంత ప్రభుపాదుల వారికి నా హృదయపూర్వక నమస్కారాలు. మీ పాదసేవ ఎల్లవేళల కల్పించండి.

ప్రభుపాదులవారిని భగవంతుడు మనకు ఇచ్చిన మంచి బహుమతి. గురువుగారు నా కలలో రెండుసార్లు దర్శనం కుడా కల్పించారు. గురుపాదాలకు నా యొక్క వందనాలు.

హరేకృష్ణ. మీ సేవకురాలు, భక్తిని ఉష రాణి.

Dear Srila Prabhupada,

Please accept my humble obeisance's. All glories to you on this auspicious day of your *Vyasa-puja*,

I am very happy to write a new offering for your pleasure. I was born into the dense darkness of ignorance but due to some unimaginable good fortune, I have come in your contact and now by Your Divine Grace I am getting torchlight of knowledge. If a devotee follows your instructions then he will surely achieve success in his life, because our process is to follow and we can automatically see the wonderful results and realize the hidden transcendental knowledge by following your instructions due to Your Grace I am able to live in the association of devotees and trying to give up *Maya* by rendering service to your lotus feet. I have faced so many challenges in my life but by the remembrance of your good instructions, I have passed so many of them easily. You are an abode of all the wonderful transcendental qualities of a pure devotee because you have accepted all the troubles to please Lord Krishna by delivering the conditioned souls like us from the strong shackles of illusory energy. You are a very dear servant of Lord Krishna because you do not have any personal desires to satisfy the mind and senses. On this auspicious day, I beg from you that please kindly make me free from all material desires, personal ambitions, and various kinds of useless *anarthas*. I beg your mercy to follow all your instructions very enthusiastically, systematically, and properly. I have an aspiration that day after day I must increase my surrendering, dedication, love and affection for you. Please kindly forgive me for the offenses, which I have committed at your lotus feet and other *Vaishnavas'* lotus feet. I humbly request you that till the end of my life, kindly always keep me in the good association of *Vaishnavas*. Thank you very much Srila Prabhupada for accepting me as your disciple although I am not qualified for this.

Trying to be your humble servant,  
Aashraya vighraha Dasa.

### Abhaya Hari Dasa

---

Dear Srila Prabhupada,

I offer my respectful obeisance unto my Spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

*Śrī-vighrahārādhana-nitya-nānā- śṛṅgāra-tan-mandira-mārjanādau  
yuktasya bhaktāmś ca niyuñjato 'pi vande guroḥ śrī-caraṇāravindam*

The Spiritual master is always engaged in the temple worship of Śrī Śrī Rādhā and Kṛṣṇa. He also engages his disciples in such worship. They dress the Deities in beautiful clothes and ornaments, clean their temple, and perform other similar worship of the Lord. I offer my respectful obeisances unto the lotus feet of such a spiritual master.

*tair darśanīyāvayavair udāra- vilāsa-hāsekṣita-vāma-sūktaiḥ  
hṛtātmano hṛta-prāṇāmś ca bhaktir anicchato me gatim anvīm prayuñkte*

Upon seeing the charming forms of the Lord, smiling and attractive, and hearing His very pleasing words, the pure devotee almost loses all other consciousness. His senses are freed from all other engagements, and he becomes absorbed in devotional service. Thus in spite of his unwillingness, he attains liberation without a separate endeavor.

There are three divisions of devotees first-class, second-class and third-class. Even the third-class devotees are liberated souls. It is explained in this verse that although they do not have the knowledge, simply by seeing the beautiful decoration

of the Deity in the temple, the devotee is absorbed in thought of Him and loses all other consciousness. Simply by fixing oneself in Kṛṣṇa consciousness, engaging the senses in the service of the Lord, one is imperceptibly liberated. Even great impersonalists like Śukadeva Gosvāmī and the four Kumāras were attracted by the beauty of the Deities in the temple, by the decorations and by the aroma of tulasī offered to the Lord, and they became devotees. Lord Chaitanya, therefore, recommended five important processes in the discharge of devotional service: (1) to chant the holy names of the Lord, *Hare Kṛṣṇa, Hare Kṛṣṇa, Kṛṣṇa Kṛṣṇa, Hare Hare/ Hare Rāma, Hare Rāma, Rāma Rāma, Hare Hare*, (2) to associate with devotees and serve them as far as possible, (3) to hear Śrīmad-Bhāgavatam, (4) to see the decorated temple and the Deity, (5) to live in a place like Vṛndāvana or Mathurā. These five items alone can help a devotee achieve the highest perfectional stage. (SB 3.25.36)

O, Dear Srila Prabhupada, you have given us all these five elements of devotional service at one place and without difficulty, we can access them, and you constantly guiding and correcting us the finer aspect of loving devotional service. Thank you Srila Prabhupada for giving me chance to serve personally our Dear Lordship Sri Sri Krishna Balarama, Sri Sri Jagannatha Baladeva Subhadra Mayi and Sri Sri Nitai Gauranga. Please give me intelligence, guidance, and knowledge to serve you nicely in full Krishna consciousness.

Aspiring to be your servant,

Abhaya Hari Dasa.

## Abhinandana Nitai Dasa

Dear Srila Prabhupada,

Please accept my respectful obeisances unto Your lotus feet on this auspicious occasion.

There are two kinds of illusions. Accepting something false as real is one kind of illusion. So is accepting something real as false. There are many Jṣānīs experts in evading the former illusion, but not quite capable enough as to escape the latter. Rarely is it found to meet a person who can not only be intelligent enough to make us beware of falling into uncountable traps in this temporary world, but also give us a Definite, Clear, Precise, Logical, proven by scriptures, the Everlasting, Eternal Absolute Supreme Truth, who is the only substance who can be truly called as 'something REAL'. Your Divine Grace is the one who brought this Reality from the Real-world into our false meaningless lives to give us a chance to perform our real work which we had forgotten long ago & labelling Him as false since only He knows when. This something Real, that Your Divine Grace revealed to us, cannot be without real attraction. Indeed, it is by Him only, that now we see so many attractive things in this, so how can He be unattractive. The real attraction is there in the Real Original Person, befittingly known as Sri Krishna, the All-Attractive. It is this real divine gift that Your Divine Grace has bestowed upon us, the Real Supreme knowledge of the Supreme Reality. This Reality is not without variety either. The reality is not monotonous. It is All-Encompassing. Therefore Your Divine Grace has revealed to us that He is The Reservoir of All-Pleasure.

This Reality is beyond the reach of the greatest Munīs as confirmed by Lord Brahmā in Brahma-Samhitā. Your Divine Mercy has made even that really within the reach of millions of souls just like that. And I am no exception to receive that very same real mercy through Your Divine Grace. How can I be obliged to Your Divine Grace? At the beginning of my offering, I mentioned about two illusions. It is my unfortunate condition to regret that I am so much absorbed in the former type. I hoped to get away with it, but due to my insincere attitude towards Your instructions, it is now more than ever before. I have let You down in utter disappointment. I can only wish those who are engaged in Your Divine service good luck, & hope to see myself again become a part of it with their permission.

Your utterly insincere servant,

Abhinandan Nitāi Dāsa.

All glories to Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. On this auspicious occasion of Vyasa-puja merely by words, it is impossible to describe your glories. As Lord Krishna says in the Bhagavad-gita that this process is really joyful and gives real contentment to the heart and aligned to all the principles of devotional service which are being followed by all the previous Acharyas and perfectly befitting the present times, you have given us such a wonderful process which if one follows very nicely then he can remain in perfect peace and happiness. You have given us so many aspects of devotional by which we can easily remain Krishna conscious throughout the whole day and in the same way whole life and thus ultimately become fully Krishna conscious and go back to our real home. Some of the wonderful aspects are morning sadhana, preaching, reading books, devotee association, prasadam, and many more. The temple program and the kind of management that you have instructed us to follow is really wonderful and perfect. All these combine and clean our hearts and gradually elevates to higher and higher consciousness. Along with all the above aspects hearing your pastimes fill my heart with great joy and give me a deeper understanding of the principles of the scriptures. As Your Divine Grace is the perfect person Bhagavata who teaches by his own conducts all the principles of Book Bhagavata. There are innumerable pastimes and one of them, as I remember, is when Your Divine Grace was traveling in an airplane with some disciples. Suddenly there was a big jerk, the plane suddenly dropped down to a great distance, and everybody was screaming and shouting like anything and thinking that this is their last journey. However, after a few minutes, everything was settled up and then devotees who were sitting at different seats came to you and they saw there was no sign of disturbance on your face. One of the devotees asked, "Are you ok Srila Prabhupada" you replied, "We are ready to die at any moment". As it is stated in the "Srimad-bhagavatam: nārāyaṇa-parāḥ sarve na kutaścana bibhyati:" meaning, *devotees solely engaged in the devotional service of the Supreme Personality of Godhead, Nārāyaṇa, never fear any condition of life.* Your Divine Grace has perfectly depicted how a devotee of the Lord faces all the challenges and how he uses every opportunity to be engaged in the service of the Lord. Thank you Srila Prabhupada, for accepting me in the divine mission of Lord Sri Caitanya Mahaprabhu being carried out by Your Grace throughout all over the surface of the globe. My only wish is to have my consciousness purified by the words emanating from your lotus mouth.

Aspiring to be your servant,  
Ajatashatru Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you. Your appearance has been predicted by great acharyas like Bhaktivinod Thakura and Lord Sri Caitanya Mahaprabhu. You are like Sun of this Dark Age to enlighten the whole world with your divine teachings. You are very dear to Lord Sri Krishna and the dear most disciple of Srila Bhaktisiddhanta Saraswati Maharaj. Your presence is immortal. By your causeless mercy, even the dog eaters are getting delivered. You are 'Senapati' of Lord Caitanya Mahaprabhu's Army. Because of you, the whole world knows the word 'Hare Krishna'. You wrote more than 7000 personal letters to your disciples. You went around the world 12 times. You authored over 140 books in just 11 years. You constantly worked day and night in spreading Krishna consciousness, managing everything perfectly. You never spoke anything different than what Lord Krishna spoke. You are the Acharya and the Master at whose feet all other Masters sit. Your accomplishments are far beyond any glorification.

*kṛṣṇe sva-dhāmopagate dharma-jyānādibhiḥ saha  
kalau naṣṭa-dṛśām eṣa purāṇārko 'dhunoditaḥ*

*“This Bhāgavata Purāṇa is as brilliant as the sun, and it has arisen just after the departure of Lord Kṛṣṇa to His own abode, accompanied by religion, knowledge, etc. Persons who have lost their vision due to the dense darkness of ignorance in the age of Kali shall get light from this Purāṇa.”*

Similarly, we too are getting this divine vision simply by adhering to your divine instructions that you have so kindly left behind through many books, lectures, and correspondences. I came in touch with your movement in 2007 and that changed my life forever. You saved me from the ocean of nescience and gave me an opportunity to make this human form of life successful. I will be eternally indebted to you Srila Prabhupad. I am trying my level best to preach and make more devotees in Jaipur. Preaching is certainly the most difficult task. Every second is like a battle for a preacher. As you instructed, despite getting defeated by Maya many -many times, again I rise to fight by your mercy. On this great occasion I pray to you to please grant me service to Your lotus feet so that by serving you, I make rapid progress in spiritual life.

Your Eternal Servant,  
Ajita Krishna Dasa.

Dear Srila Prabhupada,

Please kindly accept my humble obeisances at your divine lotus feet.

My dear Guru Maharaja, I can't Thank You enough for bestowing upon this useless soul the opportunity to glorify your divine personality. Just like you give the example of Dr Frog. He can never appreciate the vastness of the ocean with his tiny brain. In the same way, I can never appreciate your divine causeless mercy which you have bestowed upon me. Many times I look back in my life to see what I was, just another useless conditioned soul wandering in this mundane world with the desire to gratify his senses. Like a hungry beggar who will eat anything thrown at him, I was simply engaged from morning to evening trying to squeeze out some drops of pleasure from the objects around me, Not knowing my highest benefit I was trying to chase my desires like a deer who in order to quench his thirst runs here and there in desert thinking that soon he will get water but he gets nothing. Even if the greatest genius in the world would have studied my personality, my desires, my inclinations, he also would never have concluded that some years later down the line, I am going to be a person like what I am today.

The only explanation for this enormous change that happened in my life is “YOUR CAUSELESS MERCY”. It's your causeless mercy only my dear Srila Prabhupada which has made me realize the ultimate aim of my life, my highest benefit. What to speak about the Creator, I didn't even know myself, that I am not a random combination of dead matter, It's only your divine intervention in my life that today I can comprehend all these transcendental facts. And after understanding your position and personality, it's not difficult to acknowledge that you can indeed do all these supernatural miracles. Because you are directly empowered to do so by the Supreme Personality of Godhead, Krishna, who is the master of everyone and the active ingredient of this entire cosmos. On this auspicious occasion of your appearance, I humbly beg that if you so desire please kindly keep me and all my dear Godbrothers always under your shelter, and keep us all always engaged in your service at all times, all places and in all circumstances. Kindly protect us all from our weaknesses and give us all spiritual strength, spiritual intelligence, and conviction in your words. And I pray to you, please kindly make me an instrument in your hands to distribute this Matchless Gift of Krishna Consciousness to everyone.

The most fallen soul you have ever come across,  
Ajitananda Dasa.

Dear Śrīla Prabhupāda,

Please accept my humble obeisances at your lotus feet.

On this auspicious day, I beg for the Vaiṣṇavas' mercy that I may be able to describe a drop of your unlimited glories. Lord Chaitanya, traveling through the jungle of Jhārikhaṇḍa, engaged the wild animals of the forest in chanting the Holy name of the Lord and dancing in ecstasy. You are fulfilling the dreams of Śrīla Bhaktivinoda Ṭhākura and Śrīla Bhaktisiddhānta Sarasvatī by spreading Lord Caitanya's mercy and compassion amongst the bewildered and degraded living entities all around the world. In India, there are so many sannyāsīs who went to the western countries but none other than Your Divine Grace could successfully sow the seed of Sanātana Dharma into the hearts of millions of Westerners, by blessing them with Krishna Bhakti. Everyone is amazed by what you have been able to do in spreading the message of Lord Chaitanya all over the world. Śrīla Prabhupāda, you are eternally glorified as the Founder-Acharya of this movement, the Spiritual master of all other Spiritual masters, and as the most elevated paramahansa of the highest order. This is the actual truth, and those who do not agree are simply closing their eyes, full of enviousness. O Prabhupāda, you worked so hard and tirelessly to translate and print more than seventy volumes of Vaiṣṇava literature. All the perfection of Vaiṣṇava philosophy is contained in these books. You can talk so nicely that this whole movement is existing on the strength of Your talking. You speak into the microphone, it is recorded, then someone transcribes, then it is compiled and edited, composed, made ready for the printer, printed, then it' distributed and money is spent for maintenance and repeating the process by printing another book. So this movement is, therefore, resting on Your ability to speak so nicely on Kṛṣṇa's behalf. Kṛṣṇa has sent you to us to light up this material world which is full of ignorance. Your only business is to get the fallen souls out of the darkness of this material world, and they are fully dependent on your causeless grace. This is confirmed in the Chaitanya-charitāmṛta. (Madhya 19.151), where it is said:

*brahmāṇḍa bhramite kona bhāgyavān jīva guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja*

By the mercy of the Spiritual Master who is a pure devotee and by the mercy of Kṛṣṇa one can achieve the platform of devotional service, there is no other way. So it is confirmed here, and supported in numerous other places in the revealed scriptures, that acceptance of the shelter of the bonafide Spiritual master is the crucial point in spiritual life. Without this connection with the Spiritual master, there is no access to devotional service to the Lord, and therefore no connection with Kṛṣṇa can be made. Please be merciful to engage me in your service,

Your Fallen servant,  
Akinchan Bhakta Dasa.

Dear all merciful Srila Prabhupada,

All glories unto your Lotus feet.

Srila Vishvanath Chakravarti Thakura writes in the famous Guru Ashtakam,

*samsara-davanala-lidha-loka-tranaya karunya-ghanaghanatwam  
praptasya kalyana-gunarnavasya vande guroh sri-charanaravindam*

“The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities.”

It is indeed true that this material world is nothing but a cruel mirage of transient moments, creatures and memories. A never-ending maze of illusions, *maya*, what doesn't exist. Every day, your glorious words in the Srimad Bhagavad Gita, the

Srimad Bhagavatam, Chaitanya-Charitamrita and many, many other books, give me life amidst a spiral of confusion and disillusionment. Through your words, you, a pure devotee of the beloved and great Sri Sri Radha Krishna cut through our fear, anxiety & spitefulness, and day by day, cleanse our hearts of the dust of this blackened material illusion and enable us to see with eyes dipped in the ointment of love, the divine Lordship Sri Sri Radha Vrindavanchandra. The disciple who reads your books, worships the *Arch Vigarahas* in the temple, distributes your books and preaches your timeless teachings to other fallen souls, and helps with temple-related activities sincerely, is practically assured of transcending this physical realm at the time of his or her death, and reach the beautiful, indestructible, permanent abode of Lord Krishna, the heavenly Gokul Dham.

On this Vyas Puja, I offer this paltry recognition of your greatness and the effect your movement has had on me. I only hope to one day, reach a place where I can truly appreciate the depth, significance and brevity of your transcendental teachings through this holy movement of yours.

Your most fallen, insignificant servant,

Amritapada Devi Dasi.

Dear Srila Prabhupada,

Please accept my most humble obeisance on this most auspicious day of your Divine appearance.

Thank you Srila Prabhupada for showering your causeless mercy on this fallen condition soul and Still keeping me in under the shadow of your lotus feet.

There is no hope for condition soul to get out from the clutches of Maya... and impossible task to access Krsna the Supreme Person.

But if one gets the mercy of a pure devotee of the lord he can easily come out from the clutches of Maya and realize Krsna.

Bhaktivinoda Thākura has sung,

*kṛṣṇa se tomāra, kṛṣṇa dite pāra:*

*“O Vaiṣṇava Thākura, Kṛṣṇa is your property. If you like, you can give.”*

Kṛṣṇa is not independent. He is the property of his devotees.

You cannot get Kṛṣṇa by studying all the Vedas.Vedeṣu durlabha. Durlabha means it is not possible...

There is Kṛṣṇa in the Vedas, but you cannot pick up. It is not possible. But if you go to Kṛṣṇa's favorite person... *Kintu prabhor yaḥ priya eva tasya*. Kṛṣṇa's very dear servant, confidential servant, is a guru. ..Spiritual Master..he can deliver you very easily.

Srila Prabhupada on this day I beg your mercy so that I can please you by following your instructions.

Please help me.

Give me Strength so I can follow four regulative Principles, chanting 16 rounds, and reading your books Daily.

Please Always Keep me in the association of a lot many devotees.

Be Merciful unto me. I beg forgiveness for my offenses.

Always keep your causeless mercy on this fallen conditioned soul.

Aspring to be Your servant,

Amshumaan Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to Your Divine Grace, the savior of the whole world.

*namah om vishnupadaya krishnapresthaya bhutale, srimate bhaktivedanta swamin iti namine  
namaste sārāsvate deve gaura-vāṇī-pracārīṇe, nirvisesa-sunyavadi-paschatya-desā-tarīṇe*

Srila Prabhupada, on the 124th Divine Appearance Day, I would like to reminisce and try to share a few words in presenting the glories of Your Divine Grace. SB 4.29.36 states the importance of the spiritual master in one's life:

*athātmano 'rtha-bhūtasya yato 'nartha-paramparā  
saṁsṛtis tad-vyavacchedo bhaktyā paramayā gurau*

The real interest of the living entity is to get out of the nescience that causes him to endure repeated birth and death. The only remedy is to surrender unto the Supreme Lord through His representative. Sri Caitanya-caritāmṛta confirms that unless one is specifically empowered by Kṛṣṇa, he cannot infuse Kṛṣṇa consciousness into the hearts of the masses. Bhaktivinoda Ṭhākura, a great Vaiṣṇava ācārya who appeared in the nineteenth century, predicted that very soon a great personality would appear and spread Kṛṣṇa consciousness all over the world. That person is clearly His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda. Jaya Srila Prabhupada Śrīla Prabhupāda writes, "It is extremely difficult to convert a mleccha, or meat-eater, into a devotee of Lord Kṛṣṇa. Therefore anyone who can do so is situated on the highest level of Vaiṣṇavism." (Cc Antya 7.19 Purport.) If converting a single mleccha into a Vaiṣṇava is the sign of a topmost devotee, then we can hardly imagine Śrīla Prabhupāda's position, for his mercy is simply not possible to comprehend. Caitanya Mahāprabhu personally entered the body of Nakula Brahmācārī and manifested in him His own potency so that just by seeing him people became devotees. (Cc Antya 2.13–21) In this way Lord Caitanya empowered him to deliver many people. Then what kind of mercy has Lord Caitanya manifested in Śrīla Prabhupāda that he could go alone to the countries of the mlecchas and make thousands of devotees? Even after his disappearance, Śrīla Prabhupāda continues to make thousands of devotees through his books and through his movement. Therefore even amongst great ācāryas, Śrīla Prabhupāda is extraordinary. Jaya Srila Prabhupada. In one of the conversation, you revealed the meaning of "Srila" as.. Guest (1): Prabhupada, what is the meaning of the word Srila? Prabhupada: Srila is... just like we say "Sri" to the ordinary person. And Srila to very respectable person.

Guest:- La?

Prabhupada : La, yes. Sri means beauty, and la means lila So

"ONE WHO IS INVESTED WITH BOTH BEAUTY AND THE POWER TO UNDERSTAND THE LILA OF KRSNA." –

Morning Walk Conversations 21-Dec-1973 Los Angeles

The spiritual master is the representative of Lord Nityānanda, the original spiritual master. In his purport to the verse *ācāryam mām vijānīyāt*, Śrīla Prabhupāda writes, "The spiritual master is always considered either one of the confidential associates of Śrīmatī Rādhārāṇī or a manifested representation of Śrīla Nityānanda Prabhu." (SB 11.17.27) He also wrote, "My spiritual master is nondifferent from Lord Nityānanda." (Letter, 3 June 1970) Like Lord Nityānanda, Śrīla Prabhupāda was often humorous, sometimes angry, and always unpredictable. Srila Prabhupada, You are always ever well-wisher of us. You have revealed these statements in the following conversation:

Guest: I would like to ask, Swami, would you pray for me? Jayatīrtha: He wants you to pray for him. Śrīla Prabhupāda: I am praying for everyone. That is my business. Otherwise, why have I come here? (Conversation, 13 July 1975) Śrīla Prabhupāda purified not only this world but all the three worlds. Even great demigods would come to join his chanting and to hear him speak. Prabhupāda could see them, but we could not. When Śrīla Prabhupāda was

once brought to speak at a large hall, empty except for seven people, the devotees were remorseful. But Prabhupāda said, “Did you not see Nārada there? Did you not see Brahmā?” (Śrīla Prabhupāda-līlāmṛta, Ch 21)

Śrīla Prabhupāda, I know you are still with us because you still reveal transcendental knowledge to us. To the degree that we surrender to you, that much you reciprocate with us. A devotee once asked Prabhupāda, “Do you love all your disciples equally?” “Yes,” Śrīla Prabhupāda replied. “ But if someone comes forward for service, I reciprocate.” (Told by Girirāja Swami) How can “The Significance of Śrīla Prabhupāda” be rendered in three pages? Even if we could write millions of books, we could hardly begin to expound his glories. I have no ability to glorify your transcendental qualities and pastimes. I'm just an insignificant soul who anticipates tremendous blessings from the ocean of mercy of Your Divine Grace. Śrīla Prabhupāda, you have many disciples. All have their realizations of you and their relationship with you. In the future, more and more souls will come to the umbrella shade of your lotus feet. I am just one of many, many *duḥkhis* who by your causeless mercy have become *sukhī*. Śrīla Prabhupāda, please keep a place for me also in the dust of your lotus feet. Srila Bhaktivinoda Thakura has perfectly described the position of the disciple in his complete dependence on the mercy of the Gurudeva: *'Yogyata vicara, kichu nahi pai, tomara karuna sara, karuna na hoile kandiya kandiya orana na rakhibo ara'* “If you examine me, you will find no qualities. Your mercy is all that I am made of. If you are not merciful unto me, I can only weep, and I will not be able to maintain my life.”

I am most unworthy and a most fallen soul; therefore I pray at Your Divine Grace's lotus feet for your causeless mercy again and again. Srila Prabhupada, your glories are unlimited, your greatness is unprecedented. I consider myself very fortunate to be part of your movement. Kindly always keep me at Your lotus feet and bless me with the opportunity to serve you forever and I can develop the taste in *Nama* Prabhu. I beg Your Divine Grace to forgive me for all the offenses that I have committed at your lotus feet and to keep me always in your service. I also beg all my god-brothers to forgive me for any offenses that I have committed to them so that I can improve my services to you. Srila Prabhupada, your glories are unlimited, your greatness is unprecedented. I consider myself very fortunate to be part of your movement. Kindly always keep me at Your lotus feet and bless me with the opportunity to serve you forever.

Your insignificant servant,

श्रील प्रभुपाद के चरणों में अनंत कोटि प्रणाम,

आपकी महिमा के बारे में, मैं क्या बोलूँ आप महान आचार्य हैं मैं बहुत तुच्छ सा दासानुदास मुझे बहुत खुशी है कि मैं आपकी शरण में आया और आपने मुझे अपना शिष्य स्वीकार किया जबकि मैं जानता हूँ कि मैं इस काबिल नहीं हूँ कहते हैं कि गुरु कृष्ण कृपा पाय भक्ति लता बीज । कृष्ण की कृपा से आप मुझे मिले और आपकी कृपा से ही भगवान श्री कृष्ण की भक्ति का बीज मिला, बस आपकी कृपा के द्वारा ही ये भक्ति लता का बीज फल फूल सकता है आप तो जानते हैं श्रील प्रभुपाद जी कि मैं एक गृहस्थ हूँ और सांसारिक जीवन में बहुत व्यस्तता होने के कारण कई बार मुझसे कई भूल भी हो जाती है, जैसे कि अच्छे से नाम जप करना व नियमित पुस्तक अध्ययन आदि नहीं हो पाता है, परन्तु आप इतने महान हैं अपने सभी शिष्यों की भूलों को क्षमा कर देते हैं, आपके दिए गए निर्देशों का और चार नियामक सिद्धान्तों का मैं अच्छे से पालन कर सकूँ ऐसा आशीर्वाद बनाये रखना, अभी कुछ माह से कोरोना प्रकोप के कारण मंदिर जाना नहीं हो रहा है जिसके कि साधु संग नहीं हो पाता है व सेवा भी नहीं हो पा रही है जिस कारण मन बहुत अशांत सा रहता है

परन्तु जहां तक मैं समझता हूँ कि ये भी आपकी ओर भगवान की एक लीला है आप परीक्षा ले रहे हैं कि आपके मुझ जैसे पतित शिष्य इस प्रकोप के समय कितना आपको व श्री श्री कृष्ण बलराम को याद रखते हैं या भूल जाते हैं, एक अच्छा भक्त वहीं है जो प्रतिकूल परिस्थितियों में भी सदा प्रसन्न रह कर अच्छे से आपकी व भगवान की सेवा कर सके, आपके आदर्श व करुणामय वचन व निर्देश आपकी पुस्तकों के रूप में सदा हम सबके साथ हैं बस हमें उनको पढ़ कर साथ ही अपनी जीवन शैली में अपना भी है, जिसका मैं अच्छे से निभाने का प्रयास करूँगा । आज तक जो भी सेवा का अवसर मुझे मिला है उसे मैंने अच्छे से करने का प्रयास किया है, फिर भी कोई त्रुटि हुई हो तो मैं आपसे क्षमा चाहता हूँ, आगे भी आपकी सेवा का अवसर मुझे मिलता रहे ऐसी कृपा बनाए रखना पूज्य गुरु महाराज ।

Oh Gurudeva,

Please accept my humble obeisances unto your lotus feet.

Since the last few months, some thoughts were coming in my mind and sometimes I contemplate this. So, I was thinking about the last few years of my life and how I came in KC then I was surprised to know that you had a transcendental plan to save this fallen soul from this dangerous material world. I had my own plans and desires to lead my life but all my plans were failed by Your Divine Grace. You gave me the realization that how dangerous is this material world. In the last 3 years every moment you gave me your divine protection. Whenever I was in doubt and difficulty you immediately gave me your direction and reciprocation through your books, lectures, etc.

Dear Prabhupada, you are such a great Acharya who presented KC in the most practical and scientific way. Your books are most practical just like we can see the present chaotic condition in the modern world of Kaliyuga that is already given in your books like Srimad-Bhagavatam that how people will be disturbed by Government taxation, disease, etc. You have shown by your own example how to execute KC. Devotional service is the greatest boon for a soul. As you have said in your lecture that those who are in this movement are the most fortunate souls in the entire world and that we are realizing that how people are suffering in the outside world. Out of billions of people, a few hundred people are in this movement, so devotional service is not for everyone. Only by the unlimited mercy of a pure devotee like you, one can get devotional service and realize the reality of life. There is no other way.

So please Srila Prabhupada, let us engage eternally in the service of your lotus feet.

Your humble servant,

Anupama Gopala Dasa.

परम पूजनीय गुरुदेव श्रील प्रभुपाद,

आपके श्री चरणों में इस दास का विनम्र प्रणाम स्वीकार कीजिये। आज का दिन, अर्थात् व्यासपूजा महोत्सव का दिन एक शिष्य के जीवन में सबसे शुभ होता है क्योंकि इस दिन शिष्य को अपने गुरुदेव की महानता का गुणगान करने का, उनके सच्चरित्र का वर्णन करने का, उनकी लीलाओं का स्मरण करने का विशेष अवसर प्राप्त होता है। हे श्रील प्रभुपाद ! आप श्रीकृष्ण के परम प्रिय सेवक होने के नाते अनन्त सद्गुणों के भण्डार हैं और इस बात का अनुभव हमें तब होता है जब हम वरिष्ठ वैष्णवों से आपके द्वारा इस भूमण्डल पर की गई लीलाओं का वर्णन सुनते हैं। जब आप अमेरिका जाने से पहले श्री वृन्दावन धाम में निवास कर रहे थे, तो उस समय आपके समकक्ष अन्य ब्रजवासी वैष्णवों द्वारा, आपकी अत्यंत ही कर्णप्रिय और हृदय को आनन्द देनेवाली कुछ मधुर स्मृतियों का वर्णन मैं यहाँ कर रहा हूँ ! यह स्मृतियाँ उस समय की है जब आप श्री राधा दामोदर मंदिर में निवास कर रहे थे और श्रीनिवास आचार्य की परम्परा के एक अनुयायी, ब्रजवासी वैष्णव, श्री गोपाल चंद्र घोष की आपसे भेंट और आत्मीय चर्चाएँ होती रहती थीं। श्रीमान् घोष याद करते हुए बताते हैं कि वे यदा कदा आपसे भेंट करने राधा दामोदर मंदिर में आते थे और किस प्रकार से आप उनसे अपने गुरु महाराज (श्री श्रीमद् भक्तिसिद्धांत सरस्वती गोस्वामी प्रभुपाद) के बारे में चर्चा करते थे। आपने श्रीमान् घोष को ऐसी ही एक आत्मीय चर्चा में बताया कि आपकी अस्वस्थ अवस्था में किस प्रकार आपके गुरु महाराज ने सन्यासी वेश में 2-3 बार आपके सम्मुख प्रकट होकर आपका उत्साहवर्धन किया और कहा “तुम नरोत्तम दास ठाकुर की तरह, श्रीनिवास आचार्य की तरह और विश्वनाथ चक्रवर्ती ठाकुर जैसे महान वैष्णव आचार्यों की तरह दृढ़ता से प्रचार कार्य करो।” जब आप श्रीमद् भागवतम् के अंग्रेजी अनुवाद को लेकर चिंतित होते तो वह कहते “तुम बस लिखते जाओ और सभी षड् गोस्वामी तुम्हारी सहायता करेंगे।”

एक सुबह जब श्रीमान् घोष आपसे मिलने आये तो आपने एक अत्यंत ही रोमांचक किस्सा सुनाया। आपने बताया कि कैसे जब आप अर्धरात्रि में, अपने कमरे में हरिनाम जप किया करते थे तो बाहर से कुत्तों के भौंकने की आवाजें आती थीं। और यह एक आम बात थी। परन्तु कई बार आपने श्वानों के भौंकने की आवाज के अलावा एक अत्यंत ही मधुर, आलौकिक और दिव्य बाँसुरी की आवाज भी सुनी थी। और यह ध्वनि इतनी मोहक थी कि इसे सुनकर आपको पता चल गया कि यह इस दुनियाँ की कोई साधारण आवाज नहीं बल्कि सेवाकुञ्ज में स्वयं श्रीकृष्ण की बाँसुरी से निकली दिव्य ध्वनि है। एक बार इमली तला मंदिर के महंत श्री भक्ति सारंग गोस्वामी महाराज, जो की आपके गुरु भाई भी थे, ने श्रीमान् घोष को एक चर्चा के दौरान बताया कि आपका परिवार नित्यानन्द वंश से जुड़ाव रखता था, अर्थात् आप स्वयं श्री नित्यानन्द प्रभु के वंशज थे। एक और बहुत रौचक वाक्या जो इन ब्रजवासी, श्रीमान् घोष ने बताया जिसे सुनकर मेरा हृदय आपके प्रति कृतज्ञता और प्रशंसा से भर उठा ! जब आपने श्रीमद् भागवतम् के प्रथम स्कन्ध का अंग्रेजी अनुवाद पूरा कर लिया तो उसके विमोचन

के लिए आपने एक बहुत बड़े कार्यक्रम का आयोजन किया, जिसमें न केवल वृन्दावन के कई गणमान्य लोगों ने हिस्सा लिया बल्कि उस समय के उत्तरप्रदेश राज्य के राज्यपाल भी, आपकी इस "दिव्य सफल यात्रा" की शुरुआत के साक्षी बनें। और उस समय यह अपने आप में एक बहुत बड़ी बात थी। आपका निवास भले ही राधा दामोदर मंदिर के छोटे से जीर्ण-क्षीर्ण अवस्था वाले उस कमरे में था लेकिन आपकी दृष्टि उन शक्तिशाली राष्ट्रों पर थी जो विश्व का नेतृत्व कर रहे थे। आपकी विचारधारा और योजनाएँ तो और भी साहसिक थीं। किस प्रकार विश्व पर राज करने वाले देशों को श्री हरिनाम संकीर्तन की, कृष्ण प्रेम की बाढ़ में डुबोया जाये।

आपने इस कार्यक्रम के आयोजन के लिए दिल्ली में कुछ भक्तों से धन एकत्रित किया और फिर श्रीमान् घोष को कुछ रुपये देकर आपने पूरे वृन्दावन में, इस कार्यक्रम की घोषणा करने को कहा। श्रीमान् घोष कुछ नवयुवकों को साथ लेकर, एक रिक्शे में सवार होकर एक-एक गली में जाकर घोषणा करते हैं "इस जनमाष्टमी पर श्री राधा दामोदर मंदिर में एक बहुत ही विशेष आयोजन हो रहा है, जिसमें हमारे राज्य के राज्यपाल भी आ रहे हैं, आप सभी लोग भी सादर आमंत्रित हैं। कार्यक्रम में श्रील भक्तिवेदान्त स्वामी प्रेरणादायी प्रवचन करेंगे। उनको सुनने के लिए और हरिनाम-संकीर्तन में भाग लेने के लिए आप सभी का स्वागत है।" कार्यक्रम में कई लोगों ने बढ़-चढ़ कर भाग लिया। आपने अपने भाषण में हरिनाम संकीर्तन और श्रीमद् भागवतम् की नित्य चर्चा, नित्य श्रवण-कीर्तन करने पर जोर दिया। आपने सभी आगंतुकों को आपके द्वारा अंग्रेजी में लिखा प्रथम स्कन्ध भेंट किया और अत्यंत ही आत्मविश्वास के साथ कहा "भविष्य में और भी अन्य वैष्णव साहित्य, जैसे कि श्री चैतन्य चरितामृत, षड् गोस्वामी द्वारा रचित साहित्य आदि का अंग्रेजी में, और फिर बाद में विश्व की सभी दूसरी भाषाओं में अनुवाद होगा ! मुझमें, यह दुष्कर कार्य करने का साहस नहीं है, परंतु मुझे मेरे गुरुदेव की कृपा पर पूर्ण भरोसा है !"

श्रील प्रभुपाद आप सदा कहा करते थे "सदैव हमारे इष्टदेव श्रीकृष्ण से प्रेम करो, सदा श्रीकृष्ण पर निर्भर रहो ! निरंतर महामंत्र का जप करो। रात्रि को सोने से पहले हरिनाम जप करो और सवेरे उठते ही पुनः कीर्तन प्रारम्भ कर दो। इस प्रकार नाम प्रभु की शरण लेने से समस्त अशुभ तत्वों का अंत हो जायेगा और हम मन की वास्तविक शांति का अनुभव कर पायेंगे।" इन्हीं निर्देशों के पालनस्वरूप, आपके प्रमुख शिष्यों में से एक, श्रीमान् मधुपण्डित प्रभु ने "सोलफुल जपा" नाम से एक महान भागीरथी अभियान छेड़ा है जिससे सभी साधकों का, नाम प्रभु की जप सेवा और प्रचार सेवा करने का उत्साह कई गुणा बढ़ गया है। श्री मधुपण्डित प्रभु के आध्यात्मिक अनुभवों को सुनकर मेरी आपके श्रीचरणों में और नाम प्रभु की महिमा में श्रद्धा और बढ़ जाती है। हे गुरुदेव ! हे श्रील प्रभुपाद, कृपया आज इस शुभ अवसर पर मुझे आशीर्वाद दीजिये कि मेरा सम्पूर्ण जीवन इसी प्रकार, आपके महान शिष्यों के मार्गदर्शन में, नाम प्रभु और आपकी सेवा करते हुए व्यतीत हो जाए !

आपका कृपाकांक्षी, आपका तुच्छ दास, अप्रमेय कृष्ण दास.

नमस्ते सारस्वते देवे गौर वाणी प्रचारिणे, निर्विशेष शून्य वादी पाश्चात्य देश तारिणे ॥

यह मेरा सौभाग्य है कि आज मुझे श्रील प्रभुपाद के बारे में लिखने को मिला है। आप जो भगवान के शुद्ध भक्त हैं, और मुझ जैसे न जाने कितने पतितों को भगवान की सेवा से जोड़ा है श्रील प्रभुपाद उसके लिए आपको कोटि कोटि धन्यवाद। जिस उम्र में लोग परिवार के साथ समय व्यतीत करते हैं उस उम्र में आपने हम जैसे अभक्तों को भक्त बनाने और हमारे लिए पुस्तकें लिखने, छापने, प्रवचन रिकार्डिंग में आपने सारा समय लगा दिया कि हम लोग भगवान से जुड़ सकें, उनकी सेवा कर सकें। सच यदि श्रील प्रभुपाद नहीं होते तो हम भी और लोगों की तरह अपना जीवन व्यतीत कर रहे होते। श्रील प्रभुपाद आपने हमें बहुत अनमोल वस्तु प्रदान की है, जिसका कि हम कभी ऋण आपको नहीं चुका सकते। आपसे यही प्रार्थना है कि आपकी कृपा व आशीर्वाद हम पर हमेशा बना रहे जिससे कि हम और अच्छे से आपकी व भगवान की सेवा करने का प्रयास कर सकें। आपकी कृपा से ही इस बुरे समय में भी हमें साधु संग, भगवद्गीता का ज्ञान मिल रहा है। भगवान की वाणी सुनने व पढ़ने को मिल रही है उसके लिए श्रील प्रभुपाद आपको बहुत बहुत धन्यवाद। आपने हमें हरे कृष्ण महा मंत्र के रूप में स्वयं भगवान श्री कृष्ण को प्रदान किया है, जिसके लिए लोग सालों तक तपस्या करते थे वह हमें नाम रूप में आपकी कृपा व आशीर्वाद से मिल रहा है। आपने अपने गुरु की वाणी पर रिस्क लेकर हमें केवल 16 माला व चार नियमों का पालन करने पर हमें भगवत धाम पहुंचाने के लिए कहा है। आप जैसे दयालु व कृपालु गुरु की वजह से ही हमें भगवद्गीता, श्रीमद् भागवतम् और आपके द्वारा लिखी गई बहुत सारी पुस्तकों को पढ़ने व सुन कर ज्ञान प्राप्त करने का प्रयास कर रहे हैं। जिसके लिए प्रभुपाद आपको कोटि कोटि धन्यवाद। आप ही के कारण भगवान श्री कृष्ण के नाम रूप गुण उनकी महिमा और उनके महत्व को समझ पाए हैं। आपकी अहैतुकी कृपा की वजह से ही प्रभुपाद मैं आपके नियमों पर चलने की कोशिश कर रही हूँ। आपने जो हमारे लिए इतने कष्ट उठाए हैं उनका ऋण तो हम नहीं चुका सकते। आपकी शरण में आने के बाद हमें इस भव सागर से पार होने समाधान मिल गया है। आपको कोटि कोटि धन्यवाद श्रील प्रभुपाद आपकी कृपा व आशीर्वाद हम पर हमेशा बना रहे। कोटि कोटि धन्यवाद और दंडवत प्रणाम

Dear Srila Prabhupada,

Please accept my humble obeisances at your Lotus Feet.

I am grateful for choosing me in millions, to walk on this path of Krishna Consciousness, which is full of bliss and eternity. With your mercy, one more year has been completed as your disciple.

Srila Prabhupada, this year has brought a new change in everybody's life. With Corona everywhere, life has changed for everyone. It's time for everyone to advance spiritually, by your mercy and guidance I have tried to encash the opportunity.

Srila Prabhupada it's really you who have given the meaning to my life. If you would not have shown the causeless mercy on this fallen soul, I would also be wandering in this miserable world like so many other living entities without aim. It's only because of your causeless mercy I could know the real aim of my life and understood the meaning of bhakti.

Srila Prabhupada I request you to continuously keep me and my family in shelter of your lotus feet as you kept till now.

All glories to Srila Prabhupada.

Your Servant, Archi Devi Dasi.

Srila Prabhupad, My only wish is to become your eternal servant of the servant and always fix on your feet like a particle of dust and be blessed with Krishna Consciousness. As I learn from several prayers taught by you "Guru Kripa payo bhakti lata

bija" only by the causeless mercy of Guru and Lord Krishna, Bhakti lata Bija is possible otherwise thousand and crores of janams are not enough to get Bhakti Lata Bija.

Dear Prabhupada, when I read your pastime of Kachori/Puri/Rasgulla prasadam & how perfectly you had cooked & served to devotees, It attracted me. I was reading one past-time when devotees were cooking and Puri was not perfectly round and you asked devotees why puri is not round. He replied some issue in oil heating and finally you entered the kitchen and cooked puri so perfectly and all devotees were surprised, "Srila Prabhupad How perfect you are in cooking and prasadam."

Srila Prabhupada, I had just started bhakti and am a very little child in bhakti marg. Please forgive me for my offenses as you are very merciful "*Yasya Prasada Bhagvat Prasado*"

Only with your mercy i can be lifted , otherwise I am fallen soul cannot even stand on my legs. Srila Prabhupada, in this miserable world where there is "*Sansar davanala*" you are only the hope for this fallen soul so please be merciful on me.

Srila Prabhupada I am not engaging myself in your mission so please bless me so that I can engage myself and my wife, Lavanya in your service. Gurudev Please be my spiritual master/father birth after birth.

Dandvat Pranam.

परम पूज्य गुरुदेव,

कृपया अपने चरणों में दास का प्रणाम स्वीकार करे, व्यास पूजा के अवसर पर अपने अध्यात्मिक गुरु की दिव्य लीलाओं का गुणगान हर शिष्य का परम कर्तव्य है। श्रील प्रभुपाद जैसे शुद्ध भक्त का आश्रय मिलना अपने में परम सौभाग्य है। श्रील प्रभुपाद परम करुणा मय हैं। वे अपने शिष्यों से पुत्रवत् स्नेह करते हैं। वे हमारी अध्यात्मिक प्रगति के लिए सदैव चिंतित रहते हैं। श्रील प्रभुपाद के दर्शाए मार्ग पर नन्हे बालकों की तरह लड़खड़ाते कदमों से चलता हुआ उनका यह पतित दास अत्यंत दीनता पूर्वक उन्हें यह काव्यांजलि भेंट कर रहा है कृपया अपने चरणों में इसे स्वीकार करे।

श्रील प्रभुपाद जी का संदेश, प्रभुपाद कहें हमसे, सब कुछ अर्पण कर दो। यह तन मन धन वाणी, जीवन अर्पण कर दो।। पशु तुल्य रहा जीवन, भोगों में रत था तन।

माया पिधाचिनी से, था ग्रस्त रहा ये मन।। तुम आध्यात्मिक प्राणी, गोलोक के वासी हो। भोगों की इच्छा से, हो पृथक, प्रवासी हो।। बस यही हुआ दूषण, जिस कारण बंधन है।

नित नए शरीरों में, ये कैसा जीवन है।। कब तक रस लोग तुम, इन चबाए निवालों से, क्या हो पाएगी तृप्त यह तृष्णा जवालों से।। कब तक जन्मोगे तुम, कब तक मारना होगा।

कब तक जरा के ये दुःख, व्याधि सहना होगा।। आए हो यहां पर तुम, अंधे होकर जग में। माया प्रमत्त होकर, हो भटक रहे मग में।। जो परम हितैषी था, उसको ना जान पाए।

जो हृदय रहा अपने, पहचान नहीं पाए।। जो था ही नहीं उसको, अपना बना रहे थे, जो था सदा से अपना, उसको भुला रहे थे।। हे जागो प्राणी तुम, गुरुदेव बुलाते हैं।

अपनी अहैतुकी कृपा करुणा बरसाते हैं।। हरिनाम जपो भाई, चातुरपापों से दूर रहो। हरि, गुरु के चरण गहो, भक्तों के संग रहो।। बारह महाजनों के, पथ पर है हमे चलना।

नारद मुनि सा हमको हरि कीर्तन है करना। सत युग के लिए है ध्यान, मख है त्रेता युग में। द्वापर विग्रह सेवा, हरि कीर्तन कलियुग में।। यह सरल औषधि है, भव रोगों की सारे,

हरे कृष्ण जपो मिलकर, आओ मेरे प्यारे।।

आपका तुच्छ दास,

अशेष गोपाल दास.

परम आदरणीय जगत् गुरु श्रील प्रभूपाद जी,

अपनी साधारण बुद्धि से आपकी महिमा का गुणगान करना सूर्य को दीपक दिखाने जैसा है तथा सुप्त कृष्णभावनामृत को जाग्रत् करने में आपके योगदान को बताना मेरे लिए गूंगे द्वारा मिष्ठान का वर्णन करने जैसा है। जबसे जीवन में आपकी अहैतुकी कृपा हुई है तभी से जीवन का वास्तविक उद्देश समझ आया है। यद्यपि शुद्धभक्तों को कुछ भी करने की आवश्यकता नहीं होती। परन्तु आपने संसार के बद्धजीवों के उद्धार के लिए अपार कष्ट सहकर, समस्त वैदिक साहित्य को सार रूप में प्रस्तुत किया तथा कृष्णभावनामृत को भावुकता से ऊपर वैज्ञानिक रूप में प्रस्तुत कर समस्त विश्व में आलोकित किया।

आपने सिखाया कि मनुष्य और जानवर में चार समानतायें आहार, निद्रा, भय तथा मैथुन होती हैं और असमानता में प्रमुखता से ब्रह्म जिज्ञासा है। आपने सिखाया किस प्रकार ब्रह्म जिज्ञासा के द्वारा हम हमारा कल्याण कर सकते हैं। आपने बताया कि मानव जीवन की सफलता क्या है तथा असफलता क्या है ? आपने सिखाया कि हमारा असली दुःख तो जन्म, मृत्यु, जरा और व्याधि है। जबकि हम तो क्षणिक सांसारिक दुखों को ही वास्तविक दुःख समझ रहे थे। आपने ही शास्त्रों में वर्णित चार नियामक सिद्धान्तों द्वारा भवसागर से पार पाने का तरीका बतलाया। आपने बताया कि मानव जीवन का वास्तविक उद्देश क्या होना चाहिये। हम जिसे हमारा उद्देश समझ कर विकास मान रहे थे, वह तो मात्र एक अन्धकूप का मार्ग था। आपने बताया कि हमारी मौलिक चेतना तो कृष्णभावनामृत ही है। आपने समझाया कि सत्य और सौन्दर्य क्या है, आत्म साक्षाकार क्या है, विवेकपूर्ण जिज्ञासाएँ क्या होती हैं? आपने हम पर कृपा करके जीवन का उद्देश बहुत ही सुन्दर और सरल शब्दों में बतलाया। इसके लिये हम और कलियुग की मानव जाती सदैव आपकी अभारी रहेगी। आपने जो ज्ञान दिया उसे मेरे द्वारा शब्दों में वर्णन करना संभव नहीं है, परन्तु उसकी जो अनुभूति है, वह एक अनुपम अनुभूति है उसे मैं सिर्फ महसूस कर सकता हूँ।

यद्यपि मैं आपके बतलाये मार्ग पर चलने का प्रयत्न कर रहा हूँ। परन्तु जन्मों - जन्मों के संचित कल्मषों के कारण समय - समय पर माया द्वारा मोहित कर लिया जाता हूँ। तथापि आपकी अहैतुकी कृपा सदैव मुझे माया के पाश से बचायेगी और उत्तरोत्तर प्रगति करते हुए एक दिन मैं भगवान् कृष्ण का दासानुदास बन सकूंगा, ऐसा मेरा पूर्ण विश्वास है।

आपके दासों का तुच्छ दास,  
भुवन सुंदर दास.

My dear Srila Prabhupada,

All glories to his divine grace A C Bhaktivedanta Swami Srila Prabhupada.

I offer my respectful obeisance unto divine lotus feet of my lovable Spiritual master Srila Prabhupada who always giving me inner strength and proper direction to follow his divine instructions but I am unfortunate that I am not accurately and seriously following his divine instructions.

From the beginning of this year, I am facing so many challenges in my service and sadhana but by the grace of Srila Prabhupada, I came out from that stumble blocks at some extent and I am trying to satisfy my dear spiritual master by following his divine teachings and instructions which are fully equipped with practical, scientific and concise philosophical statements about the supremacy of Lord Sri Krishna, his activities and holy name (which is a divine gift of Lord Sri Chaitanya and it is said Kali-kale Nama-rupe Krishna-avatar: "In this age, Krishna has descended in the form of His holy name.") in my daily routine life. But by the grace of Srila Prabhupada, I am so fortunate soul that I am chanting the Holy Name of Lord Krishna in the disciplic succession of Lord Sri Chaitanya who is the munificent merciful incarnation of Lord Sri Krishna and also He sent Srila Prabhupada as His messenger to deliver the fallen soul like me.

Before 3-4 months ago, I was disturbed because of my improper and irregular sadhana but I trying to improve my sadhana, service attitude and dealings with Vaishnavas but I am seeing any improvement so far then I went to temple hall and in front of Srila Prabhupad, I reveal the whole situation and chanted the Srila Prabhupadashtaka. And after a few days later, I feelingly chanting and reading the Srila Prabhupada's books and I completed Srimad Bhagavatam's 4 cantos in one and half month.

And after that by your Divine Grace of Srila Prabhupada, Hg Madhupandit pr started his soulful Japa session which is very helpful to improve my Japa quality to serve the Hare Krishna Nama Prabhu and Śrīla Viśvanātha Cakravartī Ṭhākura, who appeared in the middle of the seventeenth century, is a great spiritual master in the Kṛṣṇa conscious chain of gurus and disciples. He says that Satisfaction of the spiritual master is the secret of advancement in spiritual life.

*yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi  
dhyāyan stuvāms tasya yaśas tri-sandhyam vande guroḥ śrī-caraṇāravindam*

*"By the mercy of the Spiritual master, one receives the benediction of Kṛṣṇa. Without the grace of the Spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my Spiritual master"*

I don't know what is the plan of Prabhupada and Krishna for me but I am trying to serve the mission of Prabhupada and I am seeking the mercy of Vaishnavas, Srila Prabhupada and Krishna. Please bless me, I am so fallen....

Please pardon me if I have committed any offences while doing devotional service.

Jai Srila Prabhupada.

Your fallen servant,

Brajmohan Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on the auspicious day of his Divine Grace appearance on Earth.

I wish to glorify as follows: By the mercy of my Guru Maharaj, I could learn about the Science of Lord Krishna or Krishna Consciousness by which I have revived my lost original relationship with Lord Krishna and situated myself nearer to my constitutional position. Thus I have been able to fulfill my mission of human life. It has been acknowledged in all revealed scriptures and also followed by all authorities that spiritual master is the direct representative of Lord Krishna and most confidential servitor of the Lord. Without the mercy of spiritual master, one can not get benediction of Lord Krishna and progress in devotional service. So his Divine Grace must be honoured as much as Supreme Lord. Thus Srila Prabhupada, a Paramhansa, Sannyasi in the highest order of Krishna consciousness. His body, mind, words, being totally engaged Lord Krishna's transcendental service, he was automatically detached from material comforts. Nonetheless, he followed the wide system just to instruct his disciples by his examples.

Srila Prabhupada was not only Acharya but he is the Founder-Acharya of the Krishna consciousness movement, the sublime gift to all humanity, which is an absolute spiritual reality. This reality is the 'Yuga Dharma' which is recommended to all humanity in the present age of Kali, the most dangerous of ages in which humanity eventually abandons, all religious principles. Srila Prabhupada prepared his translations and Bhaktivendata purports on the essential Vaisnava, scriptures – Bhagawad Gita, Srimad Bhagavatam, Chaitanyacharitamrta and Bhakti rasamrita Sindhu, with the plan that they would form the foundation of the Krishna consciousness movement for ten thousand years.

So we worship the Guru because he has gives us superior knowledge that is *Divya Jnana*. *Divya Jnana hrde prokasito*. Krishna consciousness is a *Divya Jnana* because spiritual master enlightens us with *Divya Jnana*. One feels obliged to him. So Guru puja is essential, just as the Deity Worship is essential. Let me, therefore, bow down at his lotus feet with all the humility at my command.

Your tiny servant,

Brijwasi Dasa.

Please accept my humble obeisances. I have started taking very small baby steps in my spiritual journey. I have a long way to go and am not even qualified to offer my thanks to you as I am still a fool. I am very thankful to you for giving me this precious gift of Krishna Consciousness. You took so much pain and put endless efforts to let us know about the real goal of human life. Srila Prabhupada I sincerely admit that I am not capable of serving you in anyway. Its only by your mercy that I can use this human life to please you and move closer to Lord Krishna Balram. Srila Prabhupada I keep trying to read your books and listen to your lectures. Srila Prabhupada due to my laziness and negligence and my interest in prajalapa and my annoying nature. Lord Chaitanya Mahaprabhu's Senapati-Bhakta,

His Divine Grace A.C. Bhaktivedanta Swami Prabhupada

*ebe nama sankirtana tikshna khadaga laiya, antara asura jivera phelibe katiya*

*"Taking the sharp sword of the congregational chanting of the Hare Krsna mantra, (nama-sankirtana) I will root out and destroy the demoniac mentality in the hearts of all the conditioned souls."*

*yadi papi chadi dharma dure dese yaya, mora senapati-bhakta yaibe tathaya*

*"If some sinful people escape and giving up religious principles go to far off countries, then my Senapati-bhakta (military commander) will come at that time to give them Krishna consciousness."*

*– Sri Chaitanya Mahaprabhu in Sri Chaitanya Mangala, Sutra-khanda, by Srila Locana das Thakura*

When the world was in a turmoil, And everyone was in a spiritual roil, You mercifully appeared to save the world with Your virtue O Divine Grace, All Glories unto You!

Who is God, Where is God? All so-called religionists were having philosophies that were flawed. You introduced them to The Absolute Truth, which they never knew, O Divine Grace, All Glories unto You!

In the age of complexity and bewilderment, All eyes were searching for a solution, but neither of them construed. With the message of simple living and high thinking, You answered all of them with the best view, O Divine Grace, All Glories unto You!

Landing in a foreign land with just a pair of cymbals, Having faith in the order of Your Spiritual Master, Even in the toughest conditions, You never withdrew, O Divine Grace, All Glories unto You!

While preaching from a small storefront, With just a handful of disciples, you established an International Society, No one ever imagined that it would come through. Making Hippies to Happies, the way it grew! O Divine Grace, All Glories unto You!

Cooking for Lord Krishna, Dancing for Lord Krishna, Speaking for Lord Krishna, Singing for Lord Krishna, You taught by example, something which for them was brand new, O Divine Grace, All Glories unto You!

New York, San Francisco, Los Angeles, England, Russia, America, Africa, From cities to countries and continents, Krishna Consciousness was a philosophy, which now many wanted to pursue, O Divine Grace, All Glories unto You!

Your Books are the basis, the Treasure House of knowledge. Distributing Your books, across the globe, Made the Krishna Consciousness Movement spread like a flu, O Divine Grace, All Glories unto You!

Introducing the Rath Yatra to the world, You brought The Lord, all the way from Puri, And made Him available to everyone and had His worship shew, O Divine Grace, All Glories unto You!

Circling the globe multiple times, a year, Establishing centers at each and every corner of the world, It was your determination that changed a million's view O Divine Grace, All Glories unto You!

These lines are incomparable to the vast treasure you have given, All we can do is try to preach your message As It Is, and try it to enliven. With folded hands, I beg to forever remain under Your Lotus Feet Because You are the only Master I ever knew, O Divine Grace, All Glories unto You!

My Dear Spiritual Master,

Please accept my humble obeisances. All glories to Srila Prabhupada. Srila Prabhupada You are broadcasting the message of Lord Krishna all over the world without any consideration of caste, creed, nation or religion. The symptoms of the bonafide Spiritual master are stated in Srimad Bhagavatam(11.3.21):

*Tasmad gurum prapadyeta jijnasuh sreya uttamam sabde pare ca nisnatam brahmany upasamsrayam*

“Any person who is seriously desirous of achieving real happiness must seek out a bonafide Spiritual master and take shelter of Him by initiation. The qualification of a Spiritual master is that he must have realized the conclusion of the scriptures by deliberation and arguments and thus be able to convince others of these conclusions. Such great personalities who have taken complete shelter of The supreme godhead, leaving aside all material considerations, are to be understood as bonafide Spiritual masters.” As it is mentioned in cc Adi Lila 1.45;

*guru krsna rupa hana sastrera pramane guru rupe krsna krpa karena bhakta gane*

According to the deliberate opinion of all revealed scriptures, the Spiritual master is non-different from Krsna. Lord Krsna in the form of the Spiritual master delivers his devotees. Srila Prabhupada you are the reservoir of all good qualities. And you are most merciful on this present civilization. Srila Prabhupada it seems that you are the incarnation of Lord Gauranga's mercy. You only have fulfilled lord Gauranga's word by spreading holy name all over the world. Srila Prabhupada as the Lord's Mercy and glories are unlimited so similarly your mercy and glories are also unlimited. Even we do not know how to glorify you properly, just by glorifying you we become purified. It is mentioned by Srila Narottam Das Thakura in one of his devotional song that

*Gangara parasa hoile pascate pavan ,darsane pavitra koro ei tomara gun*

“After bathing in the waters of the sacred Ganges many times, one becomes purified, but just by the sight of you, the fallen souls are purified. this is your great power, o Vaisnava Goswami.” The struggle to serve your divine lotus feet is the straight path that leads to Krishna. I pray to your divine grace to bestow required faith and mercy so that I may become an instrument in your mission In spreading Krishna consciousness. On this auspicious occasion. I sincerely pray unto your Divine Lotus Feet to bestow mercy upon me So that I could develop required to purify in the heart to move on devotional path. Thank you very much Srila Prabhupada for everything, which you have provided to all of us.

Dear Srila Prabhupada,

On the occasion of the auspicious day of the Vyas Puja celebration, I offer my humble obeisance unto your lotus feet.

With your kind blessing, I am relishing the transcendental joy of Krishna bhakti. You have firmly taught that I am not the body but am a spiritual soul and behind material nature there is God. Under his direction material nature is working hence the life's only purpose is to become Krishna Conscious that can only be achieved under the shelter of your lotus feet. My dear Gurudev Srila Prabhupada, You have always encouraged your disciples to attend morning program which includes Mangala aarti and chanting of Hare Krishna mantra, I am also trying to follow morning program very sincerely with your divine instructions to get your blessings. Only with your divine grace, I can serve your dear servants, that should be my purpose in order to get out of this purposeless life, and only then I can feel happy.

Please accept Vyas Puja offering unto your lotus feet. Please bless me with steady determination in bhakti-yoga and unflinching faith in words of Guru and Krishna.

Dear Srila Prabhupada,

Today, on this auspicious occasion of your Vyasa-puja, I take this wonderful opportunity of glorifying you with my words according to my ability.

You said in Srimad-Bhagavatam that by glorifying the Lord one becomes purified and there is no doubt that you are the mercy incarnation of Lord Hari. Saksadharitvena samasta sastrair. Hence by glorifying you, we intend to purify our existence.

Here I am, in my spiritual novice condition, offering few words in the form of a poem about your glories which states in a nutshell about the pain you took for preaching this movement and the devotees' joy upon receiving your mercy.

The sinful souls wandering alone  
U gave a hope, U gave a home  
There was chaos, adultery and confusion  
Your goal was to resolve this tough equation  
Kirtana of holy name, you made them hear  
Entered into their hearts through the ear  
Vicious tongue you satisfied  
Giving prasadam "mercy" mystified

Naive were they and not trained enough  
You had to do this task, even though tough  
The monk, sannyasi and swami from the East  
Brought them all a delicious spiritual feast  
The faithful would rejoice and shout in ecstasy  
The envious would be raged and burn in jealousy  
U established a home and father were thee  
Your disciples as your children, were cheerful and carefree  
Please take control of my sensory horses  
O leader of Caitanya's sankirtana forces!!!

As in the sastras, it is said *tad vijñānartham sa gurum eva abhigacchet* [MU 1.2.12] whenever one seeks the Absolute Truth one must approach a bona fide guru.

But Srila Prabhupada, we did not search for you; rather, you yourself, by your causeless mercy, showered the benediction of your transcendental association upon the most wretched souls like me.

I only pray to continue serving you in your mission and be a humble servant and thereby make my existence successful.

Your ever fallen servant,  
Devaki Tanaya Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Unlimited are your glories, kindly permit me to enter into your transcendental planet of devotees.

I was not willing to submit myself in the beginning, but your transcendental nature and personality dragged me to your company by joining.

Oh, my beloved spiritual master, you are the one who is taking this mission of Lord Chaitanya by freely distributing “*Hare Krishna nama Prabhu*” without discrimination on the authority of *Jai om visnupada paramhansa parivrajakacarya astottar sat Sri Srimad His Divine Grace Srila Bhaktisiddhanta Saraswati Thakur maharaja*. As you are praying in your song;

*śrī-siddhānta sarasvatī sacī-suta priya ati, kṛṣṇa-sebāya jāra tula nāi  
sei se mohānta-guru jagater madhe uru, kṛṣṇa-bhakti dey ṭhāi ṭhāi  
tāra icchā balavān pāścātyete ṭhān ṭhān, hoy jāte gaurāṅger nām  
pṛthivīte nagarādi āsamudra nada nadī, sakalei loy kṛṣṇa nām*

“*Sri Srimad Bhaktisiddhānta Sarasvatī Thakura, who is very dear to Lord Gaurāṅga, the son of mother Sacī, is unparalleled in his service to the Supreme Lord Sri Krishna. He is that great saintly spiritual master who bestows intense devotion to Krishna at different places throughout the world. By his strong desire, the Holy Name of Lord Gaurāṅga will spread throughout all the countries of the Western world. In all the cities, towns, and villages on the earth, from all the oceans, seas, rivers, and streams, everyone will chant the Holy Name of Krishna.*”

O! Srila Prabhupada, you are taking responsibility of suffering souls and out of compassion respecting their free will also. Somehow or other I got attracted to your Sadhu Sanga world and trying to submit my freewill which was stolen by contaminated association and unlawful desires.

O! Srila Prabhupada, you are the humble servant of “Hare Kṛṣṇa Naam Prabhu” and Your grace is so kind upon me that I’m advancing in Krishna Consciousness in your association with “Hare Kṛṣṇa Naam Prabhu”. I humbly pray for your mercy to serve “Hare Kṛṣṇa Naam Prabhu” every day without fail until the last breath of my life.

CC Adi 9.11 ppt “It is by the mercy of the Spiritual master that one becomes perfect, as vividly exemplified here. A Vaiṣṇava is always protected by the Supreme Personality of Godhead, but if he appears to be invalid, this gives a chance to His disciples to serve Him. Īśvara Purī pleased his Spiritual master by service, and by the blessings of his Spiritual master he became such a great personality that Lord Caitanya Mahāprabhu accepted him as His spiritual master.” It appears that you have left this service for us to carry out your mission but we realize after rendering services that actually its Your Divine Grace who is driving everything. We can feel your presence in your instructions.

I humbly request you to kindly engage me in your service always and consider me as one of the dust of your lotus feet. Kindly bestow your transcendental glance upon me.

Your Insignificant fallen servant,

Dharma Raja Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. This time I am very happy to be able to offer few words for your glorification. A disciple is made only by the mercy of the spiritual master. These words have been proved in my life.

By your mercy, this year 2020 has become the most remarkable year in my spiritual life. A total change of consciousness I’m experiencing by your and Nama-prabhu’s mercy. I would like to share with you an incident in short that took place when I was doing my services in Hingonia Goshala.

I was discussing with a devotee about the glories of the holy name that.

*ekara hari name yata papa hare,  
papi haya tata papa karibare nare*

Hari-nama is so powerful that once chanting, immediately vanquishes the accumulated sinful reaction which a person cannot imagine to commit.

At the same time when I was discussing, a Bengali devotee, who was next to me quoted a verse from the scriptures regarding the Holy Name that,

*koti kalpa jadi koro nama sankirtana,  
tathapi nahi paye brajendra nandana*

“Even if one chants holy name of lord offensively for millions of lives, he cannot attain shelter at lotus feet of Supreme Lord Krishna.”

These words strike me a lot. From last many years I am chanting but I never felt the experience of a tinge of pure love because my chanting was offensive. In this way if I chant for millions of years I will not get shelter at Lord Krishna’s lotus feet. Than what is the perfect way of chanting. I prayed to Gopala Krishna to help me.

Srila Prabhupada, you said that if I chant 16 round throughout my life and follow four regulative principles, you will take me back to home, but I felt that this assurance will again make me lazy to become serious in chanting inoffensively. In your books, you have mentioned several times “Chanting is very simple but one must practice it seriously”.

Also, in Sri Caitanya-caritamrita Adi-lila (17.23) you have written: “Our request to all our students is that they daily chant at least sixteen rounds of this harer nama maha-mantra offenselessly.”

All this became possible by your grace and superior arrangement when HG Madhu Pandit Prabhu started Soulful Japa session in this lockdown period. As I desired, I got a proper direction to chant attentively and without offenses. By regularly attending these sessions and hearing about Holy name or Nama-prabhu from Soulful Japa modules and from Namamrita, a tremendous change of quality of chanting happened. The first effect was that I become grateful to you from deepest part of my heart, that you gave me Holy Name and made my life successful. More and more things started revealing, as more I'm able to hear. A slight attachment for chanting also arouse in my heart. It became inseparable part of my life.

This much change in the life of a useless disciple cannot takes place without your personal intervention. A disciple can chant holy name only by the order of spiritual master. If you would not have told to chant minimum 16 rounds, I would not be able to chant more than four rounds on my own. Your instructions are actually your mercy, but as a fallen soul, I cannot understand it properly. It is not befitting a disciple to only take valuable gifts from the spiritual master, you have mentioned in *Sri Caitanya-caritamrita Adi-lila* (7.92): "It is another ambition of spiritual Master to see his disciples not only chant, dance, and follow the regulative principles but also preach the *sankirtana* movement to others in order to deliver them, for the Krishna consciousness movement is based on the principle that one should become as perfect as possible in devotional service and also preach the cult for others' benefit."

Although A disciple can never pat debt of his spiritual master but I can please you by spreading holy name of lord if you so desire.

Your eternal servant,  
Dharma Setu Dasa.

## Din Bandhu Krishna Dasa

Dear Srila Prabhupada

Kindly accept my humble obeisances at your divine lotus feet on the auspicious occasion of your divine 124th Appearance Day.

It is said in the scriptures:

*yasya deve para bhaktir yatha deve tatha gurau  
tasyaite kathita hy arthah prakasante mahatmanah*

"Only unto those great souls who have implicit faith in both the Lord and the spiritual master are all the imports of Vedic knowledge automatically revealed." [SU 6.23]

This verse in the Upanishad is confirming the transcendental position of the spiritual master beyond mundane speculation and efforts. As fire has two effects, heat and light, if these qualities are not there in the fire, then it is something else, it is not fire. The same way, it is a perfect truth that no one can approach the Supreme Lord Krishna independently, by his ways and means. If someone is doing so, then it is just like an illusory fire, without effects of heat and light.

As the fire has two effects, heat and light, similarly, by rendering transcendental service unto the lotus feet of Acharya two effects happen: One will become free from the material designations like 'I' and 'Mine' and his spiritual senses will be awakened. Thus, gradually he can establish himself in his real identity as a pure servant of Krishna. In this world, many karmis, jnanis, and *yogis* posed themselves as spiritual master, like an imaginary fire without heat and light. So I consider myself very fortunate that through some divine intervention I came in touch with real fire like you.

Even when the Supreme Personality of Godhead appeared in this material world, Lord Krishna and Lord Chaitanya Himself established this truth repeatedly by accepting Srila Sandipani Muni and Srila Isvara Puri as their spiritual master. So it is clearly explained by shruti and smrti (practical example) that position of spiritual master is glorified by the Lord Himself.

*Saksad-dharitvena samasta-sastrair*: The Spiritual master is to be honoured as much as the Supreme Lord because whatever the Lord desires, His pure devotee acts exactly in that way. Eventually there is no difference between the desire of Hari and

His pure devotee who comes to this material world to execute the will of the Lord that is in Bhagavad-gita: *sarva-dharman parityajya mam ekam saranam vraja*, Give up all kinds of illusory attachment just surrender unto Krishna,

*Yasya prasada bhagavat-prasado*: By the mercy of the spiritual master one receives the benediction of Krishna. In other words, Lord Sri Krishna is the property of His pure unconditional devotees, and as such only the devotees can deliver Krishna to another devotee; Krishna is never obtainable directly. Lord Chaitanya, therefore, designated Himself as *gopi-bhartuh pada-kamalaror dasa-dasanudasah* (Cc. Madhya 13.80), or "the most obedient servant of the servants of the Lord, who maintains the gopi damsels at Vrindavana." Similarly, devotee therefore never approaches the Lord directly but tries to please the servant of the Lord's servants, and thus the Lord becomes pleased and only then can the devotee relish the taste of the *tulasi* leaves stuck to His lotus feet.

O Gurudeva! Kindly shower your mercy upon me, so that I may be able to follow your instruction as it is.

Your humble servant,  
Din Bandhu Krishna Dasa.

Dear Srila Prabhupada,

All glories to Srila Prabhupada!! Let me first bow down to the lineage of Gaudiya Vaishnav Acharyas succession who has brought down the transcendental science of deliverance from the bondage of the material world. And amongst them, Srila Prabhupad has been the savior of me and many others.

The world today is living in fear of a small living entity. Such a small one that it can not be seen with eyes yet powerful enough to disease entire humanity. However, it not that human civilization did not notice the temporary nature of life at the bodily platform. Srila Prabhupad's teaching has been exactly the same. To elevate oneself from the bodily platform. This alone could save a soul from drowning in the ocean of ignorance. Srila Prabhupad, you have spent countless sleepless nights to propagate this just owing to pure compassion for other living entities on this planet.

Just like a sun who tirelessly provides the light and heat without any expectations, you have been giving your causeless mercy to all jivas. This is surely the highest benediction that could be received by living entity because its only your mercy which could bring an entangled soul from darkness of ignorance to freedom through devotional service. Your very own journey is more than an inspiration for those who came in touch with your compassion. The institution established by HDG is such a wonderful place that even a young child is attracted to it. These institutions and Srila Prabhupada himself are always enthusiastic about the propagation of the Holy name and divine message. And this is what has been the best part of this entire difficult period. Let me be more sincere in serving the lotus feet of our revered spiritual master.

Please bestow your blessing unto the young daughter Lakshmita and make her pick up the devotional path. Please help me to make a complete KC family and serve Krishna more and more.

Your sincere and insignificant servant,

Garud Govind dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to Your Divine Grace.

You are the commander in chief of Lord Chaitanya and mantra-upasak of Lord Sri Krishna. When Chaitanya Mahaprabhu predicted that His glories will be broadcasted in each and every nook and corner of the world, that time, the followers of Lord Chaitanya were thinking that Chaitanya Mahaprabhu meant that it will be broadcasted only in Bengal. Because, how

it will go all over the world, was impossible for them to comprehend. But Srila Prabhupada, when you performed such a herculean task and converted the statement of the Lord into reality by preaching the glories of Lord Chaitanya all over the world, then people realised the real import of Chaitanya Mahaprabhu's statement. Srila Prabhupada, the way you have presented the knowledge about the Absolute Truth, is really amazing. Over and above this, your presentation about how Absolute Truth as a person is really remarkable.

O my beloved master, today I have tried to glorify your some of the Lilas through small poetry. So kindly excuse my mistakes in this effort.

Bodily conception of life was predominance.

Absorption in illusory happiness was overindulgence.

Thinking this as the experience of Transcendence.

Whole world was absorbed in false pursuance.

On the order of thy Spiritual master,

you started for pashchatya desh.

boarded Jalduta ship in Calcutta,

Your Divine Grace.

Thy journey in the ship was full of inconvenience.

Sea dizziness and 2 consecutive heart attacks pained intolerance.

You said, surely, I would die if 1 more attack comes.

Don't fear, in the dream, Lord Krishna gave you assurance.

Krishna started rowing the ship, with all His incarnations.

Captain Pandia remarks, never had seen such a calm Atlantic traverse.

After 37 days you reached America and stayed in Aggarwal's place.

To fulfil Lord Chaitanya's prophecy, struggled a year, Your Divine Grace.

Hippi culture prevailed there at each and every place.

They were staying high by hallucinating drugs and cigarettes

Matchless gift became a centre to spread the Holy names

Proposed stay high forever to the hippies, Your Divine Grace.

In 1966, you founded ISKCON to spread Krishna consciousness.

14 times, you circled the globe and established 108 temples.

Jagannath Ratha Yatra in the west became a grand performance.

In just 12 years, Initiated 10,000 disciples, Your Divine Grace.

Tolerating all the sufferings build Hare Krishna Movement gorgeous.  
Created facilities to go Back to Home for all the fools and rascals.  
Goloka Vrindavan is our Eternal Home, preached with with boldface.  
Establish Krishna as Supreme Person, Your Divine Grace.

One will get confused who is the Supreme, by reading all the literatures  
What is His nature and jiva's nature, bewildering sages and saints.  
Krishna is the Supreme Person, presented as Vedic essence.  
Defeated all the impersonalists with sound arguments, Your Dive Grace.

Finally decided to leave this world in Vrindavan, holy place.  
14th November 1977 goes to Krishna, Your Divine Grace.  
Till 10,000 years you will be Guru by your books and instructions  
And will be transforming so many people by giving them initiations.

Srila Prabhupada, kindly strengthen my faith in you and Lord Krishna by removing the ignorance.

My beloved Spiritual Master Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet. It is said that in *Guru-Gita (Skanda Purana)*:

*Dhyaana-Muulam Gurur-Muurti Pujaa-Muulam Gurur-Padam Mantra-Muulam Gurur-Vaakyam Mokssa-Muulam Guruur-Krpa*

*The Guru's Form is the best to meditate upon: The Guru's feet are the best of worship: the guru's word is the mantra: the Guru's Grace is the root of liberation*

Visvanatha Cakravarti Thakura in His Prayers Sri Gurvastakam

*yasya prasādād bhagavat-prasādo yasyāprasādān na gatih kuto 'pi  
dhyāyan stuvams tasya yaśas tri-sandhyam vande guroh śrī-caranāravindam*

*“By the mercy of the Spiritual master, one receives the benediction of Krishna. Without the grace of the Spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the Spiritual master. At least three times a day I should offer my respectful obeisance unto the lotus feet of my Spiritual master.”*

It is your mercy only Srila Prabhuapda that so many living entities in this material world get the chance to chant the Holy Name, tasting Krishna prasadam, hearing the Harinaam Sankirtan, getting Vaishnava's association. Through your transcendental book distribution program, so many jivas got a chance to read about the Supreme truth and surrender their lives for the service of Krishna.

By your mercy, we got a chance to know about the path of self-realization and became the part of such a nice society and the glorious movement to practice your teachings in the association of Vaishnavas.

I always desire to be a puppet in your hand and make me dance the way you want Srila Prabhupada. Srila Prabhupada on this auspicious day I pray you to bless me to advance more and more in the understanding of the path of self-realization.

परम पूजनीय कृष्ण कृपा मूर्ति श्रीलप्रभुपाद,

आपके चरणों में साष्टांग प्रणाम। गुरुदेव आपके पावन सानिध्य में लाखों लोग भक्ति का अभ्यास कर रहे हैं। आप दया के सागर हैं। आप सब पर अपनी कृपा का निरन्तर दृष्टिपाद कर रहे हैं, इस प्रभाव से सभी लोग लाभान्वित हो रहे हैं तथा जीवन में मार्गदर्शन पा रहे हैं। जिस प्रकार नारद जी के उपदेश से ध्रुव महाराज व प्रहलाद महाराज ने मार्गदर्शन पाया था तथा इसकी बहुत ही सुन्दर व्याख्या आपने श्रीमद् भागवतम् के 4.12.33 में की है। आप लिखते हैं कि शिक्षा या दीक्षा गुरु के ध्रुव महाराज जैसा शिष्य हो जो इतनी द्रढ़ता से भक्ति करे तो उसे शिष्य अपने साथ बैकुंठ लोक ले जाता है। यद्यपि सुनीति ध्रुव महाराज को शिक्षा देने वाली थी। किन्तु स्त्री होने के कारण न तो जंगल जा सकी न ध्रुव महाराज जैसी तपस्या कर सकी, तो भी ध्रुव महाराज अपनी माता को अपने साथ ले जाने में समर्थ हो सके। इसी प्रकार प्रहलाद महाराज ने भी अपने नास्तिक पिता हिरणाकश्रुपु का उद्धार किया। इससे यह निष्कर्ष निकला कि यदि शिष्य संतान अत्यधिक प्रबल भक्त हो तो वह अपने माता-पिता अथवा गुरु को अपने साथ वैकुण्ठलोक ले जा सकता है।

जो भी शिष्य आपके निर्देशों का पूरी लगन या थोड़ी सी इच्छा भक्ति के साथ पालन कर रहा है वह जीवन में नवीन अनुभवों को पा रहा है। शायद जो उसने पहले कभी महसूस नहीं किया होगा। अधिकतर लोगों की रूचि स्वयं की अपेक्षा दूसरों में अधिक होती है, परन्तु आपके सानिध्य के प्रभाव से उसे अपने स्वयं के दोष व गलतियाँ नजर आने लगती हैं, जो पहले अहंकार के कारण उसे देख पाना तथा स्वीकारना दोनों मुश्किल था तथा आपकी कृपा से स्वच्छ मनुष्यों तथा समाज का निर्माण हो रहा है। आप से प्रार्थना है कि आप मुझे भक्ति पथ पर आगे बढ़ने की भक्ति प्रदान करें मुझमें द्रढ़ता, निरन्तरता व हिम्मत का अभाव है। आपकी कृपा से सब सम्भव होगा। ऐसा मेरा पूर्ण विश्वास है।

आपके पद चिन्हों का सेवक।,

All glories to Jagadguru Srila Prabhupada.

Devotional service to Krishna begins with the first step of accepting a bonafide Spiritual Master. This indicates the importance of Spiritual Master in a spiritual practitioner's life. Srila Prabhupada, the more the number of days I am in the association of devotees, I realize more and more, the compassion you have for the fallen souls like me. Although we have got the rarest of fortune, my rascal mind is unable to comprehend and is failing to develop an attachment towards Your lotus feet, which is the abode of pure devotional service. It is only by Your causeless mercy that I am able to chant the Hare Krishna Mahamantra and be in the association of devotees.

Due to my intense attachment with sense-gratification, my mind is always in constant disturbance, but Your divine intervention and reciprocation, in the form of your books and Vaishnava association only, all those things could not disturb my consciousness. You were always there for all the difficulties I came across. But all such situations, only helped me realise Your grace's presence more and more. Srila Prabhupada, you are a pure and confidential associate of Krishna, who is the master of all Maya. Therefore the only hope I have is that, If somehow I could satisfy you, I can be liberated from the clutches of all materialism in my mind and start my spiritual journey. Therefore I beg you to be pleased by whatever ant-like efforts I'm putting in trying to follow the authority system set by You.

Although I am not trustworthy, You still gave me a very responsible service. Please bless me Srila Prabhupada, so that I may remain always humble and enthusiastic in serving Vaishnavas with my service and absorb my mind in the given service in a properly regulated manner, and be able to please you and be an instrument in serving Your divine mission.

As Your purport in Bhagavatham says,

*“When Mahārāja Rahūgaṇa asked Jaḍa Bharata about his wonderful achievement of spiritual success, he replied to the King that spiritual success is not possible simply by following the rituals of religion or simply by converting oneself into a sannyāsī or offering sacrifices as recommended in the scriptures. These methods are undoubtedly helpful for spiritual realization, but the real effect is brought about by the grace of a mahātmā.”*

On this auspicious day of Vyaspuja of a pure devotee of Lord Krishna, I simply pray unto your lotus feet again and again that I may remain fixed in Your divine shelter and get trained to become more and more Krishna Conscious, by properly executing your orders of doing good sadhana, reading books every day, following regulative principles and thereby please you and make my life successful. I beg you to forgive me for all my offences at your lotus feet.

Your fallen unworthy son,

Hari Kirtana Dasa.

## Hari Sharan Dasa

---

Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine lotus feet.

The lotus feet of our spiritual master is the only way by which we can attain pure devotional service. I bow to his lotus feet with great awe and reverence. By his grace, one can cross the ocean of material suffering and obtain the mercy of Krishna.

Generally, a great man is praised by another great person of the same stature. But here you are giving an opportunity to an insignificant soul like me to glorify a great personality like you. Hence I feel very blessed and honoured. I also take this opportunity to glorify you, although unqualified, because I will be purified by glorifying you.

In Krishna Book, Lord Sri Krishna said that *“without the blessings of the spiritual master no one can be happy. By the mercy of the spiritual master and by his blessings, one can achieve peace and prosperity and be able to fulfill the mission of human life.”*

To be free from the fear of material existence one should accept the spiritual master as his worshipable deity and his very life and soul as quoted in the Srimad-Bhagavatam (11.2.37):

*bhayam dvitiyabhinivesatah syad isad apetasya viparyayo 'smrtih  
tan-mayayato budha abhajat tam bhaktyaikayesam guru-devatatma*

*"Fear arises when a living entity misidentifies himself as the material body because of absorption in the external, illusory energy of the Lord. When the living entity thus turns away from the Supreme Lord, he also forgets his own constitutional position as a servant of the Lord. This bewildering, fearful condition is effected by the potency for illusion, called maya. Therefore, an intelligent person should engage unflinchingly in the unalloyed devotional service of the Lord, under the guidance of a bona fide spiritual master, whom he should accept as his worshipable deity and as his very life and soul."*

I just want to extend my heartfelt gratitude to you, as Srila Bhaktivinoda Thakura states in his prayer for the mercy of his spiritual master: *Gurudeva! kṛpa-bindu diya*. I offer the same prayer at your lotus feet that, "Oh Prabhupada, please give to this servant just one drop of mercy. I am lower than a blade of grass. Give me all your help. Give me strength. If you examine me, you will find no qualities. Your mercy is all that I am made of. If you are not merciful unto me, I can only weep, and I will not be able to maintain my life."

As it is the duty of a disciple to meditate and contemplate on the activities of the spiritual master.

Nothing is hidden from you. And I have firm faith that everything is possible only by your mercy and nothing else.

But it is not enough to glorify you, the spiritual master, only once a year; rather it should be at least three times a day. As Srila Visvanatha Cakravarti Thakura instructs us, in his famous prayers for the spiritual master, as follows:

*yasya prasada bhagavat-prasado yasyaprasadan na gatih kuto 'pi  
dhyayan stuvams tasya yasas tri-sandhyam vande guroh sri-caranaravindam*

*“By the mercy of the spiritual master one receives the benediction of Kṛṣṇa. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.”*

Furthermore, this does not mean remember only three times a day but at least three times a day. Actually one should remember the spiritual master every breath of his life because he is our connection to Krishna and if we forget him then the connection with the Lord is lost. Hence we need to remember you always to remember Krishna always.

My only wish is to have my consciousness purified by the words emanating from your lotus mouth. Simply by reading or hearing even one line of your purport for any reason anyone can experience a change of their heart. He begins to traverse the path, back home, back to Godhead.

You are magician, you are amazing, you are my only well-wisher ever.

Please remain always close to my heart.

Your insignificant servant,  
Hari Sharan Dasa.

Dear Srila Prabhupada,

Please accept my respectful obeisance in the dust of your lotus feet. All glories to Your Divine Grace!

Dear Srila Prabhupada, this year 2020 is materially speaking worst ever seen by humans worldwide. But spiritually speaking it's the best time in any human being's life for involving oneself in Krishna's service. I tried my best to do so under your mercy. It is only by your causeless mercy that I have received the shelter of your lotus feet and it is just your mercy again – which will continue to provide me with the safe shelter of your lotus feet. My only prayer on this auspicious day of the appearance of your divine grace is that somehow or the other, in this lifetime, I develop at least a wee bit of attachment to your lotus feet which have given me refuge and develop at least a slight desire to serve those glorious lotus feet! Please

forgive all the offences I have committed at your lotus feet. Please guide me always so that I can follow your instructions throughout my life.

My Dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All Glories to Srila Prabhupada. The children of a wealthy man are to be considered very fortunate. While the father is living they are well taken care of and when the father passes on, they inherit all his wealth. They may inherit great estates and vast sums of money. Srila Prabhupada, as your spiritual sons we have also received from you a great inheritance -- greater than all the material wealth imaginable. You have given us eternal life, knowledge of the absolute, happiness and hope. You have bestowed upon us the most valuable treasure, Krishna consciousness. You put us on the path back to home, back to Godhead and in your absence you continue to teach and guide us through your instructions. We continue to reap the benefits of being your spiritual children because you remain with us in your books, letters and in your recorded classes, lectures and conversations. We can even still listen to you chanting Japa, singing bhajans and leading kirtans. By spreading your legacy of love and mercy to others we can attempt to express our appreciation but in actuality, there is no way we can ever repay your kindness and generosity. On this auspicious occasion celebrating your Vyasa Puja, we thank you for adopting us, accepting us as your disciples and bringing us into the eternal family of Gaudiya Vaisnavism.

Your Humble Servant,  
Hrishikesh Dasa.

हरे कृष्ण! श्रील प्रभुपाद आपके दिव्य चरण कमलों में मेरा सादर प्रणाम,

श्रील प्रभुपाद आप बहुत ही दयालु है कि आपने इस कलयुग में कृष्ण भक्ति मुझे जैसे पतित लोगों को सिखाने तथा भगवान कृष्ण से आध्यात्मिक सम्बन्ध बनाने का जो सारा ज्ञान है अपनी पुस्तकों में दिया है। आप इस ज्ञान को लिखते समय केवल 2 घंटे सोते थे किन्तु मैं इतनी मुर्ख, आलसी और पतित हूँ कि मैं इन पुस्तकों को पढ़ भी नहीं पाती हूँ। हे! गुरुदेव मुझे इसके लिए माफ़ कर दीजिए। मैं जल्द ही आपकी पुस्तकें पढ़ना फिर से शुरू करूँगी। आपकी पुस्तकें मुझे भक्ति के लिए प्रेरित करती है। श्रील प्रभुपाद कलयुग सच में एक दुःखालय है 2020 में कोरोना वायरस जो कि वैश्विक महामारी बन गई है। इसके चलते हमारा मन्दिर जाना बिल्कुल ही छूट गया है। श्रील प्रभुपाद आपके शुद्ध भक्तों को बहुत-बहुत धन्यवाद करती हूँ कि उन्होंने लॉकडाउन में मन्दिर से जुड़े सभी भक्तों के लिए ऑनलाइन क्लासेज, भक्ति परिवार चैलेंजे करवाया और भगवान के लाइव दर्शन सभी भक्तों को करवाये।

इस भौतिक संसार में आपकी दिव्य उपस्थिति की सबसे शुभ दिन पर मेरी आपसे विनम्र प्रार्थना है कि :- श्रील प्रभुपाद आपके शुद्ध भक्तों का संग और आश्रय सदैव हमें मिले कभी भी हम इनसे वंचित न हो। श्रील प्रभुपाद वैष्णव अपराध होने से मुझे बचाइये। कृपया मुझे दृढ़ विश्वास के साथ अपने दिव्य निर्देशों का पालन करने की शक्ति दें। कृपया आप आशीर्वाद दीजिएगा कि आपने जो दो बच्चों के रूप जो जिम्मेदारी दी है उन्हें हम सही से कृष्ण भक्ति मार्ग की शिक्षा अच्छे से दे सके।

आपकी नित्य दासी,  
इलावती देवी दासी.

Dear Srila Prabhupada ,

Please accept my humble obeisances at your Lotus Feet.

*mūkaṁ karoti vācāraṁ paṅguṁ laṅghayate girim*

*yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam*

*"By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. As advised by Lord Brahmā, one should remember this sāstric injunction if one desires success in his life."*

When I read or remember the above sloka, I get lot of satisfaction that you will provide me with everything that I need in the preaching of your mission, this is the only my hope in life. Whatever little spiritual knowledge and skills I have today it is because of your causeless mercy, I am eternally indebted to you Srila Prabhupada. Whatever little service I rendered in the past it is because of you. Whatever service I am rendering today is also because of you. And my future is also in your hand, please engage me the way you want. I am very tiny and fallen. I want to serve you with all my soul energies.

I am very fortunate to have you as my Spiritual master. It is said.

[Cc. Madhya 19.151]

*"According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Kṛṣṇa. By the mercy of both Kṛṣṇa and the spiritual master, such a person receives the seed of the creeper of devotional service."*

(Śrī Caitanya-caritāmṛta Madhya-līlā 19.151)

By the causeless mercy of Krishna, I got you and by your causeless mercy, I can get Krishna. Without your mercy, I can not do anything. That is the truth. Whatever result I get in the service of the Lord, the result goes to you. Please help me to always remember this point.

Srila Prabhupada please give me enough strength to remove all my anarthas and follow all your instructions. Please always keep me at Your lotus feet and engage me in my real constitutional position as a servant of Krishna.

Your humble servant, Jagat Bandhu Gopal Dasa.

Dear Srila Prabhupada,

You are with us by your words forever. This year we are suffering from corona though. Because of this, we can't get your darshan and Lord Krishna Balaram deities. Thus I am thinking that I am also suffering without your darshan but you have told us that if we chant the Hare Krishna Mahamantra then we can feel the presence of God. Srila Prabhupada since we got initiated we are trying to follow the rules you told us but still, we are not able to do nicely. Srila Prabhupada, your importance in my is like a life saving drug. Whenever I hear your words I am completely filled with positive energy. I am so fallen that I am not hearing your lectures daily so please be merciful upon me. So that I will be easily delivered from this material world. Srila Prabhupada your glories will spread all over the world. So kindly be merciful to me and my family.

Your menial servant, Jahnvi Devi Dasi.

Dearest Srila Prabhupada

Please accept my humble obeisances at your Divine Lotus Feet. All glories to Your Divine Grace.

Even though every day we glorify and remember the exalted position of Your Divine Grace by performing Guru Puja, singing Sri Guru Vandana, and offering our respectful obeisance, still writing Vyasa Puja and reading Vyasa Puja Offering is so special. It gives pleasure and satisfaction to the Soul, heart, and mind, and this experience cannot be described in words. Your Vyasa Puja day gives us new energy, commitment, and sincerity to serve your Divine Mission.

In the scriptures, it is explained that a pure devotee of Lord Krishna is extremely rare even among millions of liberated souls. It is my unimaginable great fortune that every day I am given this causeless opportunity to serve pure devotee Srila Prabhupada and His mission.

The proper way to worship Srila Prabhupada is to carry out His instructions, as stated in *Srimad Bhagavatam* 3.24.12-13-

*“Lord Brahmā said: My dear son Kardama, since you have completely accepted my instructions without duplicity, showing them proper respect, you have worshipped me properly. Whatever instructions you took from me you have carried out, and thereby you have honoured me. Sons ought to render service to their father exactly to this extent. One should obey the command of his father or spiritual master with due deference, saying, “Yes, sir.”*

In the Purport to the above verse, His Divine Grace has explained about –

Real service to the spiritual master-

*“There should be no instance in which the disciple or the son says, “This is not correct. I cannot carry it out.” When he says that, he is fallen.... In any case, the order of the father or the order of the spiritual master must be carried out without hesitation, with an immediate yes. There should be no argument. That is real service to the father and to the spiritual master.”*

How a disciple can become perfect in the spiritual life -

*“As a man cannot separate his life from his body, a disciple cannot separate the order of the spiritual master from his life. If a disciple follows the instruction of the spiritual master in that way, he is sure to become perfect.”*

By accepting the guidance given by Srila Prabhupada we can overcome all the obstacles, stumbling blocks in spiritual life. As Srila Prabhupada has written in a *letter to Krsna Dasa –Dallas 9 September 1972:*

*“You mentioned that your pathway has become filled with stumbling blocks, but there are no stumbling blocks, I can kick out all those stumbling blocks immediately, provided you accept my guidance. With one stroke of my kick I can kick out all stumbling blocks.”*

Srila Prabhupada, I am begging your blessings so that I can follow your instruction in true Spirit, and in that way truly express my honour and worship to You.

Begging for an eternal shelter at Your Divine Lotus Feet,

Your insignificant servant,

Jamuna Jeevan Krishna Dasa.

गुरुदेव श्रील प्रभुपाद के कमल चरणों में व्यास पूजा के पावन पर्व पर विनम्र शत-शत दंडवत प्रणाम।

प्रिय गुरुदेव, जन्म जन्मांतर से हम पतित जीव अज्ञानता के अंधकार में सुख की तलाश में भटक रहे थे, परंतु परम पुरुषोत्तम भगवान श्री कृष्ण की कृपा से आप हमारे जीवन में आए, सूर्य की किरण बनकर और इस अंधकार मय भौतिक जीवन से हाथ पकड़ कर निकाल लिया और हमें बताया कि भौतिक संसार

दुखालय अशाशवतम है। भौतिक अवस्था को सुधारने एवं उन्नत बनाने का कोई लाभ नहीं, व्यर्थ प्रयत्न मत करो, अंत में दुखी होना ही है। हम भौतिक जीव नहीं हैं हम आध्यात्मिक आत्मा है और हम केवल और केवल मानव जीवन में अपने वास्तविक अस्तित्व को पहचानने के लिए आपने हमें बहुत सी ग्रंथ दिए-जैसी श्रीमद् भागवतम और भगवद्गीता, संकीर्तन करना, माला का जाप करना इत्यादि आपकी लिखी पुस्तकों को पढ़कर हम जान पाए, मानव जीवन का उद्देश्य परमात्मा यानी श्री कृष्ण से प्रेम करना है। उनकी आध्यात्मिक लोक में लौटने के लिए नाम संकीर्तन करना, हरे कृष्ण मंत्र का जप करना सिखाया, जिससे हमारी आत्मा की शुद्धि मिलती है और आत्मा प्रसन्न और शांत हो जाती है। आपने भगवान को समझने का सरल तरीका बताया है, जैसे जल के स्वाद में, फूलों की खुशबू में, सूर्य के प्रकाश में, हवा में, किसी भी तरह से महसूस कर सकते हैं। गुरुदेव आपने हमें जीवन को सदमार्ग पर चलने के तरीके अनेकों बताए हैं - जैसे मंगला आरती करना, संकीर्तन करना, महामंत्र का जाप करना ! अब हमारा कर्तव्य है - हम निष्ठा तथा प्रेम से भगवान की प्रसन्नता के लिए, आपके द्वारा बताए गए नियमों का दृढ़ता से पालन करें और हमेशा भगवान को याद रखें, मुझ पर ऐसी हमेशा कृपा बनाए रखें।

आपकी शिष्य,

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. Although for a disciple of yours every day is a very special day today is an extra special day as this day drives every disciple to express their heartfelt gratitude for Your Divine Grace and their transcendental experiences suffused with Your Divine Intervention. Dear Srila Prabhupada, this is my 4th Vyasa Puja offering as a full-time missionary and all thanks to your repeated allowance & acceptance of my unconscious, unconcerned participation in the execution of your orders & instructions thus marking the unfathomable magnanimity of Your Divine Grace. So far this whole journey of Krishna Consciousness has brought about a favourable evolution in me despite my unfavourable conduct. The disposition of your divine compassion has made me realize specifically this time that everything is beautiful and fine when I'm dutiful and genuine, that there is no scope for moroseness, dissatisfaction, disappointment and all such filthy qualities of material existence when I'm ardently following your orders and instructions for my journey back to home back to your residence. Dear Srila Prabhupada, I would like to dedicate a few compositions filled with my reflection on your divine intervention, at the dust of your lotus feet...

कहने को वह दास है, फिर क्यों उदास है  
प्रभुपाद शरणार्थी भक्ति पथ पर विद्यार्थी  
इंद्रिय भोग से घृणा जिसे गोविंद शरण की आस है  
फिर क्यों उदास है। हरिनाम महोत्सव रोज करे  
हरी भक्तों से संजोग करे हरी प्रसाद चतुर्विध भोग करे  
हरी कथा श्रवण निज श्वास है फिर क्यों उदास है।।  
उसे धन संचय का ध्यान नहीं जनविशेष बनूं अभिमान नहीं

फिर क्यों उदास है।। अनालस्य भरा चित्तालय में  
वाणी में भरी सरलता हो नहीं ईर्ष्या, द्वेष आभास उसे गुरुतंत्र में विश्वास है  
फिर क्यों उदास है।। यदि केवल-भक्ति उसकी आस है  
तो फिर नहीं उदास है।। तो फिर नहीं उदास है।।

All glories to your causeless and boundless finesse, All glories to Your Divine Grace.

हरे कृष्ण। श्रील प्रभुपाद के चरणों में कोटि कोटि नमन,

आपसे या आपकी संस्था से जुड़ने के बाद मेरा जीवन ही बदल गया। मुझे कृष्णा की महिमा के बारे में पता चला। और कृष्ण भक्ति में आगे बढ़ने का मौका मिला। उनके लिए भोगा बनाना, श्रृंगार करना अच्छा लगने लगा। अभी कोरोना काल में मंदिर नहीं जा पाते तो साधु संग नहीं मिल पाता तो आपकी पुस्तक से ही आपसे जुड़े हैं। आपसे केवल एक विनती है कि मेरी भगवान् श्री कृष्ण के प्रति दिन प्रतिदिन भक्ति बढ़े क्योंकि आपने ही बोला है कि सेवा तो हमें करनी है तो क्यों न हम भगवान की सेवा करें जिससे हम जन्म मृत्यु के चक्कर से हम निकल सकें, गुरुदेव श्रील प्रभुपाद अगर मुझसे कुछ भी गलती हो जाती है तो आप मुझसे नाराज नहीं होना और अपना आशीर्वाद मुझ पर बनाये रखना एवं मेरे परिवार पर भी कृपा बनाये रखना जिससे मैं सदा आपके दिए गए निर्देशों का पालन करके सदा कृष्ण भक्ति में निमग्न रहूँ आपकी महिमा तो अपरम्पार है मुझ जैसी पतित आत्मा का उद्धार करो गुरु महाराज

आपकी दासी,

Dear Srila Prabhupada,

I offer my respectful obeisance unto the bonafide Spiritual master whose fraction of mercy can even uplift a low born person. "I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him."

This gives the definition of the guru. Everyone is in the darkness of ignorance. Therefore everyone needs to be enlightened with transcendental knowledge. One who enlightens his disciple and saves him from rotting in the darkness of ignorance in this material world is a true guru.

*brahmāṇḍa bhramite kona bhāgyavān jīva guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja*

Harassed life afterlife by the laws of nature, the living entity wanders throughout the entire universe in different planets and different species of life. Somehow or other, if he is fortunate enough, he comes in touch with a devotee who reforms his entire life. Then the living entity goes back home, back to Godhead. Therefore it is said:

*janame janame sabe pitā mātā pāya kṛṣṇa guru nahi mile baja hari ei*

In the transmigration of the soul through different bodies, everyone, in every form of life be it human, animal, tree or demigod gets a father and mother. This is not very difficult. The difficulty is to obtain a bona fide spiritual master and Kṛṣṇa. Therefore the duty of a human being is to capture the opportunity to come in touch with Kṛṣṇa's representative, the bona fide spiritual master. Under the guidance of the Spiritual Master, the Spiritual father, one can return home, back to Godhead.

I so fortunate that by Your causeless mercy, I got your shelter & my life became successful. In the spiritual life, one must conduct one's whole life under the guidance of the guru. The only one who executes his spiritual life under the direction of the spiritual master can achieve the mercy of Kṛṣṇa. *Yasya prasādād Bhagavad-prasādaḥ*. If one desires to advance in spiritual life but he acts whimsically, not following the orders of the spiritual master, he has no shelter.

*Yasyāprasādān na gatiḥ kuto 'pi.*

"Please bless me Prabhupada that Wherever I may live, I may follow your instructions throughout my life."

It is abominable for a person living in the gṛhastha-āśrama to give up the regulative principles, for a brahmacārī not to follow the brahmacārī vows while living under the care of the guru, for a vānaprastha to live in the village and engage in so-called social activities, or for a sannyāsī to be addicted to sense gratification. One who acts in this way is to be considered the lowest renegade. Such a pretender is bewildered by the external energy of the Supreme Personality of Godhead, and

one should either reject him from any position or taking compassion upon him, teach him, if possible, to resume his original position. (SB 7.15.38-39)

If I may not able to execute my duties properly, please show your compassion & teach me by your divine arrangement. Please give me the strength to follow the four regulative principles, chanting 16 rounds daily, following all the instructions you have given.

I beg Your Divine Grace to forgive me for all the offences that I have committed at your lotus feet. I also beg all my godbrothers to forgive me for offences that I have committed to them knowingly or unknowingly so that I can continue my devotional life.

Aspiring to be your servant,

Kunjavihari Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to you on this all-auspicious Vyasa-puja day.

The whole world is passing through a difficult time and no one could ever have imagined that an insignificant virus will come and make everyone locked up in their house. From big-big politicians to billionaires to big-big stars, all are in a state of fear and confusion, not knowing what to do now. This is the way of working of Krishna's material energy which no one can surpass.

But in contrast to this, the devotees in your temples, being under your protection, are the least affected. It is indeed very wonderful to note that although no devotee is earning here, still all the activities are going on nicely as usual. When everyone outside is struggling for existence, we are getting a chance to advance in Kṛṣṇa consciousness. This consciousness of being indifferent to the material world is possible only by the mercy of your divine grace. As it is said in the Śrī Caitanya-caritāmṛta Madhya 22.51

*mahat-kṛpā vinā kona karme 'bhakti' naya kṛṣṇa-bhakti dūre rahu, saṁsāra nahe kṣaya*

*"Unless one is favoured by a pure devotee, one cannot attain the platform of devotional service. To say nothing of kṛṣṇa-bhakti, one cannot even be relieved from the bondage of material existence."*

Although your Divine Grace is bestowing boundless mercy without any considerations still I'm so fallen that I'm not taking much advantage of this opportunity. Due to my own insincerity and lack of self-control, I am not able to meet your expectations. Your Divine Grace mentions in one of the lectures (SB 7.7.25-29) -

"Surrender is voluntary. "Yes, I surrender." Determination, "Yes I surrender." Who can make you obliged to surrender? Nobody can make. Even Kṛṣṇa can not work. This is a false pretence, "Please be merciful upon me so that I may surrender." But if you do not surrender, what my mercy do? What is the use of speaking, "Be merciful, be merciful"? He is already merciful. So these are all false pleadings. If you want to surrender you can surrender yourself. If you don't want to surrender then there will, so many. "Please, Sir be merciful so that I can surrender unto you." Surrender is in your hands. If you like you can. If you don't like, don't surrender."

So dear Srila Prabhupada, today I surrender at your lotus feet and fully expect that one day, by continually being engaged in your service, I'll be able to fully surrender.

Aspiring to always remain your servant,

Kuntiputra Dasa.

Dear Śrīla Prabhupāda,

Please accept my most humble obeisance at Your Divine Lotus Feet. All glories to Your Divine Grace!

By your causeless mercy, I have completed 5 years in the movement in the service of Your pleasant Lotus feet.

Srila Prabhupada by following your instructions “as it is” one can make advancement in spiritual life exponentially and intensely as we receive your personal association through it.

Srila Prabhupada you have given so many instruction and teachings through your divine books, lectures, conversations, letters etc. and the most essential thing that you have given is “Hare Krishna Movement”. Through which we can associate with you.

The design of this divine movement in such a way that a devotee understand, easily implement and live life as desired by you and especially with you. The factor of association of devotees, living in community, sharing thing to our authority, taking guidance by them, is some of the unique characteristics that you have given to us in HKM.

Srila Prabhupada in recent days, it is by your mercy I am getting so much deeper understanding of chanting through soulful Japa sessions, about your instruction on chanting - how to please “Nama Prabhu”,

Also after trying to apply golden quotes and diamond quote given by you on chanting my whole perception about chanting got changed and it has helped me to improves my chanting, so I have realised that how potent your each and every statement is, your each and every word is an ocean of mercy Srila Prabhupada.

Srila Prabhupada not only by your divine word, even each and every moment of your life that you have lived, the hard work of going to the west at age of 70, preaching to west, training disciple, writing divine books, letters etc., the pain that you have taken to build this worldwide “Hare Krishna Movement” as an institutional frame. Through which you are still acting on each of our life, I have no word in my vocabulary to define it.

Srila Prabhupada, kindly bestow some mercy on me so that I can become your sincere servant and able to follow your basic instructions and other teachings, message etc sincerely and seriously and become a good tool in the hand of my authority to render service at the lotus feet of *SRI SRI KRISHNA BALARAM, SRI SRI JAGANNATH BALDEV SUBDHRA MAIYA, SRI SUDERSHANA, SRI SRI GAUR NITAI AND TO YOUR LOTUS FEET SRILA PRABHUPADA.*

हरे कृष्णा! भक्तिवेदांत श्रील प्रभुपाद जी के चरण कमलो में मेरा दंडवत प्रणाम ।

श्रील प्रभुपाद इस भौतिक जगत में माया का प्रभाव कितना शक्तिशाली है, यह आपकी कृपा से हम जान सके और कैसे इससे बच सकते हैं यह भी आपने हमें बताया है। आप हमारे आध्यात्मिक पिता हैं, उसी तरह हमारा मार्गदर्शन भी करते हैं। आपने हमें बताया कि भौतिक जगत दुखों से भरा हुआ है लेकिन इसमें भी हम सुख से रह सकते हैं। हम भगवान की सेवा करके 16 माला जप करके अपनी इंद्रियों को भगवान की सेवा में लगाके । पर श्रील प्रभुपाद आपको तो पता है मुझ में अभी भी बहुत सारी कमियां हैं, उनको दूर करने में आप मेरी सहायता करें और आप हमें कृष्ण भक्ति प्रदान करें क्योंकि यह आप ही कर सकते हैं। आपसे मेरा यही निवेदन है कि आप हमारा हाथ पकड़ कर हमें सदा अपने दिखाए हुए रास्ते पर ही लेकर चलना।

पूजनीय श्रील प्रभुपाद जी सादर दण्डवत् प्रणाम,

आपकी अहेतुकी कृपा से मैं जो एक प्रभु समान जीवन जी रहा था अब कुछ भक्ति मार्ग की ओर अग्रसर हो रहा हूँ। आप एक बार किसी जीव को पकड़ लेते हैं तो उसे भक्ति मार्ग पर लाकर ही छोड़ते हो इसी प्रकार मुझे भी अभी तक नहीं छोड़ा है। वर्तमान युग में श्रील प्रभुपाद चमत्कारी शक्ति वाले चिन्तामणी है। आपने कृष्णभावनामृत के सम्प्रयोग से बारम्बार यह दिखालाया है कि आप भौतिकतावादी को पूर्ण विरक्त और सक्रिय भगवत वचनों से पत्थर तथा मानवीय शक्ति को महिमामय आध्यात्मिक मन्दिरों में परिणित किया है। प्रमाणित ग्रन्थों के प्रकाशन और वितरण, दीक्षित किये गए और सेवा भक्ति में प्रवृत्त किये गए शिष्यों की संख्या तथा निर्माण किए गए मन्दिरों की संख्या के मामले में आपकी समानता कोई नहीं कर सकता है। आपके अथक प्रयास से ही पूरे विश्व में भगवान श्री कृष्ण का नामजप सभी धर्मों के लोगों द्वारा किया जा रहा है। आपसे इतना निवेदन है कि आपकी अहेतु कृपा इस तुच्छ भक्त पर बनी रहे जिससे मैं भक्ति के मार्ग पर विचलित न हूँ।

आपका दास,

माधव आश्रय दास.

मेरे सतगुरु श्रील प्रभुपाद जी को मेरा कोटि कोटि प्रणाम,

श्रील प्रभुपाद जी जैसा कि मैं जीवन में हर समय बहुत से संकट घिरी रहती थी वैसे ही पिछली साल से कुछ ज्यादा परेशान होने से मैं बहुत तनाव में थी। मेरा सब से विश्वास उठ ही चूका था, पर जैसा बच्चा पिता का अंगुली छोड़ सकता है पर पिता कभी भी अपने बच्चों का हाथ कभी नहीं छोड़ सकता, क्योंकि एक पिता जनता है कि इस भौतिक संसार में मेरे बच्चे नहीं जी पाएंगे। वैसे ही मेरे गुरु ने मेरा हाथ पकड़कर मुझे इस भौतिक संसार से बाहर निकाल कर अपने चरण कमलों की शरण दी। श्रील प्रभुपाद जी मैं हर श्वास श्वास पर आपकी कृपा को जान पाई। मैं यह विश्वास करती हूँ कि इस संसार में मेरा कहने वाला कोई नहीं है केवल एक आप ही हैं मेरे गुरु है जिन्होंने मुझे अपनी शरण में लेकर एक नई जिंदगी दी है। आज मेरे गुरु मेरे लिए सब कुछ हैं मेरे माता, पिता, भाई, बन्धु, भगवान् सब कुछ मेरे श्रील प्रभुपाद जी ही हैं। हे गुरुदेव आपने कई देशों में जाकर अनेक पतितों का उद्धार किया है। मैं सब पतितों से पतित हूँ। मैं निष्ठापूर्वक भक्ति करना चाहती हूँ। ज्यादा से ज्यादा भक्ति करना चाहती हूँ मैं अपने गुरु के ग्रंथों को बहुत अच्छे से पढ़ना चाहती हूँ और अच्छे से समझाना चाहती हूँ पर मैं इस बुद्धि से समुद्र की गहराई को जान सकूँ इतनी बुद्धि नहीं है। मेरे पास मेरे पास शब्द नहीं हैं कि मैं अपने गुरु की महिमा का गुणगान कर सकूँ। मेरे गुरु साक्षात् हरि हैं। आपकी कृपा मुझ पर बनाए रखना।

आपकी दासी,

Dear Srila Prabhupada,

Please accept my humble obeisance.

As I was reading in Bhagavad-gita,

*karmendriyāni saṁyamya ya āste manasā smaran indriyārthān vimūḍhātmā mithyācāraḥ sa ucyate*

“One who restrains the senses of action but whose mind dwells on sense objects certainly deludes himself and is called a pretender.”

And this is my real situation and still by Your causeless mercy I have passed one more year in Krishna Consciousness. Although I am not able to reciprocate to Your causeless mercy, still You guided me at every step of my life and saved me. Though I do not have any desire to serve You, please keep always Your causeless mercy on me and please don't consider my free will which I always desire to misuse and save me. Please bless me to always keep myself engaged in Your service.

Your glories are unlimited; You are the real saviour of the world. Thank you Srila Prabhupada.

Srutakirti Dasa: Ten minutes before the plane is ready to touch down, the flight attendants turn on the "fasten your seat belt" sign and tell you not to get out of your seat. For Prabhupada, that meant, "Get out of your seat." He did the exact opposite. They would put the light on and say "prepare for landing, everyone gets in your seats," and at that time Prabhupada would use the bathroom and put his tilak on. Because you are not under the three modes of material nature.

Once Brooklyn just in front of the temple Prabhupada saw that there was a boy who was mailing a letter. But he was a small boy and so he couldn't reach the box, and his father was picking him up and the boy was dropping the letter in the box. Prabhupada saw this, and he just became absorbed in seeing it. Of course, how long does it take to mail a letter? It's only a few moments. But Prabhupada just became absorbed and, again, it seemed like it was so much time. His eyes became very wide and became sparkly, and he seemed as if he was remembering something. I was thinking, "What is Prabhupada thinking of - something from his childhood or what?" Then the scene ended and Prabhupada said, "The little boy, by his own strength he cannot do. But the affectionate father, when he helps, then it is possible."

My own strength one inch I can not progress in spiritual life. I completely depend on your mercy.

Narottama das Thakur said

*prati-janme kori āśā caraṇera dhūli narottame koro doyā āpanāra boli'*

"I desire to have the dust of your holy feet in every birth I may take. Please consider me yours, and be kind upon him."

Your humble servant,

Mohan Shyam Dasa.

परम-पूज्य गुरुदेव श्रील प्रभुपादजी के श्रीचरणों में विनयपूर्वक कोटि-कोटि प्रणाम तथा दण्डवत्।

सम्पूर्ण जगत् में चहुँ ओर माया के विभिन्न रूप, विभिन्न क्रियाएँ... मानव के मन को भरमा रहीं हैं; अत्यंत ही प्रचण्ड प्रभाव कि क्षण भर में ही मन की दिशा ही बदल जाती है। ऐसे युग में मन को नियंत्रित करना एक बहुत बड़ी चुनौती बन जाती है। परन्तु हे गुरुदेव, आपकी दिव्य कृपा के कारण ही इस क्षुद्र जीव को कृष्णभावनामृत का साक्षात्कार हुआ तथा मन को दिव्य आध्यात्मिक आलम्बनों द्वारा चिंतन तथा अनुभवों का एक नवीन आयाम प्राप्त हुआ है जो कि इस जीव को भवसागर से निकलने की प्रेरणा दे रहा है। हे गुरुदेव, मैं अपने आपको इस योग्य नहीं समझता हूँ कि इस मन को पूर्ण नियंत्रित कर सकूँ; यह मन अनेक प्रकार के षड्यंत्रों का केंद्र है जो कि येन-केन-प्रकारेण जीव को उसके इष्ट लक्ष्य से विमुख करने का प्रयास करता रहता है; परन्तु गुरुदेव आप के द्वारा प्रदत्त ज्ञान की ही कृपा से मैं बारम्बार इस मन और माया के विरुद्ध युद्ध छेड़ने का साहस करता रहता हूँ। मैं आपसे प्रार्थना करता हूँ कि हे गुरुदेव मुझे आध्यात्मिक शक्ति प्रदान करें जिससे मैं अपने मन की आध्यात्मिकता के विपरीत माँगों का दमन करके भक्ति-मार्ग के उच्चतर सोपानों का वरण कर सकूँ; मन को मिथ्या इन्द्रिय-सुखों से विमुख कर सकूँ; भौतिक इच्छाओं का पूर्ण त्याग कर सकूँ, भगवान् के पवित्र नामों का अपने हृदय में रसास्वादन कर

सकूँ, तथा आपके निर्देशों का अच्छे से पालन कर सकूँ। वाह्य जगत् से अन्तः-क्रिया के द्वारा मन उद्विग्न हो उठता है परन्तु हे गुरुदेव आपकी वाणी तथा लेखन के नियमित संसर्ग द्वारा आंतरिक शक्ति का अनुभव होता रहता है तथा नितांत भौतिकता के मध्य भी ईश्वर, तथा उनकी शक्तियों का स्मरण बना रहता है। हे गुरुदेव, आपने हमारे जीवन को परिवर्तित कर दिया है तथा आध्यात्मिक स्पंदनों से आपूरित कर दिया है; आपका कोटि-कोटि वंदना। भौतिक जगत् में भय तो है पर आप हैं, आपका आश्रय है, और आशा है कि आप हमें अपनी असीम दया द्वारा बचायेंगे। कृपया आप मुझे मेरी भूलों के लिए क्षमा प्रदान करें हे प्रभुपाद।

पुनः बारम्बार आपके चरण-कमलों में कोटि-कोटि प्रणाम करता हूँ।

आपके चरणों का दास,  
मुक्तवन्द्यदास.

Dear Srila Prabhupada,

Please accept my humble obeisances.

On this auspicious occasion of your appearance, I am greatly blessed by the opportunity of glorifying your divine grace who is the epitome of all excellent qualities mentioned in Vedic literature.

Your tireless engagement in Lord's service is inconceivable. Who doesn't know your initial struggles which you undertook on your journey to America and setting up the ground to preach the message of Lord Krishna? Generally, a person works hard to get settled down in his latter days but your divine grace was equally engaged even after ISKCON was established thoroughly worldwide.

This can be seen clearly in your visit to Amritsar, Yamuna Devi Dasi remembers:

“Srila Prabhupada was so tireless in this preaching phase. From mangal arati until eleven o'clock at night we had engagements, and all of his youthful devotees, 25 and early 30s, could barely keep up with Srila Prabhupada.”

Retirement is a common practice even for some of the so-called spiritualists as they get bored with their futile engagements. I would like to mention 2 incidents from Lilamrita about your opinion of retirement:

One day during the message Prabhupāda confided to his servant, “Most men are retired at my age. I do not want to manage it anymore. I just want to do some writing.” Prabhupāda asked if there was someplace in the world he could go for six months, a place where he would be all alone, where no one would come to disturb him, and where he would not get any mail.

That very day a letter came from Bhagavān in Paris, inviting Prabhupāda to tour his ISKCON centres in Europe. Immediately Prabhupāda was enlivened at this invitation. He said he would go.

“But earlier today,” his servant said, “you wanted to go away and be alone.”

Prabhupāda laughed. “That will not be possible for me in this lifetime. Better I keep travelling and die on the battlefield. For a warrior, it is glorious to die on the battlefield. Is it not?”

Just before starting his European tour, Prabhupāda explained to several devotees in his room that they also should travel and preach. He said they should do so while they were young, and then when they were old and matured in Kṛṣṇa

consciousness, they could go to Māyāpur, retire, and simply chant Hare Kṛṣṇa. “Of course, for myself,” Prabhupāda added, “I’m not so mature.” (Lilamrita-Vol. 5: Let There be a Temple)

Your strong persistence to withstand all challenges is extraordinary. In ISKCON Mumbai struggle, when all devotees were completely convinced that now they can't build there anything, you stated:

“I shall be the last man to give up the land.....” (SPL: December 15, 1972)

It is very difficult to understand for a common man how a spiritualist can be so ambitious for some achievements. This perfectly epitomizes the words of Lord Krishna in Bhagavad Gita: kim karma kim akarmeti, kavayo 'py atra mohitah (BG 4.16).

Srila Prabhupada, kindly bestow unto me at least a pinch of your dedication & eagerness to service of Lord Krishna.

Your humble servant,

Narahari Dasa.

Dear Srila Prabhupada,

All glories to You, Srila Prabhupada, on this auspicious day of Your 124th Vyasapuja.

It's an important duty of a disciple to glorify His Spiritual Master atleast three times a day during the three sandhyas. Infact the real meaning to this is that throughout the day from morning sandhya to evening sandhya one should just go on glorifying His Spiritual Master, His Qualities, His Pastimes, His Teachings and His transcendental services to His Spiritual Master. By doing this one will surely develop staunch devotion, unflinching faith and dependence on His Spiritual Master, the importance of which is explained in the famous verse:

*yasya deve parā bhaktir yathā deve tathā gurau  
tasyaite kathitā hy arthāḥ prakāśante mahātmanah*

One must develop Guru bhakti first and learn to follow His instructions as one's life and soul. Then one qualifies for Kṛṣṇa bhakti by the mercy of His Spiritual Master. There is no short cut to this process. The duty of a disciple is to remain

conscious of His Spiritual Master all the time as You, Srila Prabhupada, is always conscious of Your Spiritual Master 24x7 and is always associating with Him through His divine instructions.

Your greatest contribution to this world is Your divine mystical books. Srila Prabhupada, You have manifested Yourself in the form of your transcendental books which are unmanifesting Your limitless lilas in the lives of millions of fortunate souls in this world. Such is Your potency that You are and You will continue to transform millions and millions of hearts and plant the seeds of Krsna bhakti and nourish them all by Your vani association. Thank You.....Thank You so much for manifesting in our lives and unmanifesting Your lilas and thank you Prabhupada for allowing us to play an insignificant role in Your divine lilas.

Srila Prabhupada when someone asked You that if You can show any miracle You replied that so many westerners and people around the world have given up all their bad habits and have accepted Sri Krishna as the Supreme Personality of Godhead is the biggest miracle. Srila Prabhupada You are continuing to do it throughout the world without being physically present here is even the biggest miracle that anyone can see in this world. With material calculations, nobody can believe that how You can still be someone's Spiritual Master though departed physically 43 years back. It is such a Miracle.

On this auspicious day, I pray You to bless each and every soul in this world to experience this miracle in their own life. Through Your books you give foundation not only to Your movement but to Your disciples also. On this auspicious day of Your divine appearance, I beg You to bless me to be able to touch You every day in Your divine books. I want to immerse my consciousness in reading Your books. Your touch is like a fire that can burn away all the ignorance and material attachments and can ignite the spark of Krsna Consciousness in our stone-like hearts.

This life is truly blessed by having You as my Spiritual Master. Please bless me to be my Spiritual Master life after life. It feels amazing to be the son of someone who is such an advanced pure devotee and is a dear most associate of Supreme Lord Sri Krsna. Thank You Srila Prabhupada. You make our life meaningful and without You we all are a big ZERO.

Your insignificant servant,

Nikhileshwara Krishna Dasa.

Dear most Spiritual master Srila Prabhupada,

Please accept my most respectful obeisance at your lotus feet. All glories to your Divine Grace.

On one hand, the realizations have become intimate and personal, but I also see how Maya has kept me with her empowered service of testing me – from the need to apply pure Krishna consciousness at every moment – to showing me the very nature and cause of my inattention.

Now, I can honestly say, that I believe whatever Krishna consciousness I may have, is all your mercy and that takes many forms. It is written that when a pure devotee desires anything, Krishna being controlled by their love, always fulfils it. In addition, I remember you Srila Prabhupada saying that you always desire our advancement.

Please allow me to see you more clearly, love you more dearly, and follow you more nearly day by day.

Srila Prabhupada, I love you! I have no other shelter than you. Please always keep me at your lotus feet and guide me to become a good instrument in your mission.

Your aspiring disciple,

Nilambara Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your Lotus feet. I am in the protection of your divine shelter from last 3 years and it is only by your causeless mercy on this insignificant minute rebellious soul. I don't know from how many lifetimes I was suffering in this dark well of material existence. I am trying to engage in your divine service by mind, body and words. In these years I am a completely different person than I was 3 years ago. By your mercy, I'm able to understand that we are not enjoyer or controller but we are insignificant co-operator at the Lotus feet of your dearest Krishna and he is anxious to all these rebellious souls, so by his causeless Mercy and love has sent you, to take all these souls back home (back to godhead). In this worldwide epidemic of corona when people are in anxiety and frustration at every moment, but because of your Mercy only we are free from all these anxieties and happily engaging ourselves in your eternal occupational duty to serve Krishna.

Great sages and Scholars after reading all Vedic literature and after performing grate penance are not able to understand who is *Sarva Karana Karanam*. Even Lord Brahma and Indra are also bewildered that who is Krishna, but without any qualification and any great austerity by your causeless Mercy only even yavanas and mleechas are able to understand who is the Supreme Personality of Godhead and are able to serve him. You are eternally with us to guide us on this path. You are the personification of humility, forgiveness, tolerance, devotion, etc. When I think about all these aspects I feel proud that I am the Menial servant of Om Vishnupad Paramhans Parivrajacharya His Divine Grace Abhay Charanarvind Bhaktivedanta Srila Prabhupada. Please give me power so that I am able to follow your instructions and able to chant the holy name of the Lord soulfully.

Your Menial and insignificant servant. Phanindra Dasa.

Dear Srila Prabhupada.

Humble obeisances unto your Lotus Feet.

Today is Vyasa Puja an important occasion for all your disciples. Today your disciples get an opportunity to glorify your eternal Lila, your contribution, your mercy, which is a wonderful festival.

Today I would like to glorify some of your divine qualities from one of your several manifest lila's in this material world. I would like to take some excerpts from Bombay Saga.

It was in 1972 Kartika Masa. SP was concerned with developing his Vrindavan Project & he has sent his leading disciples to tackle problems in Bombay. Now, as a general engaged on a different front, you awaited word from your lieutenants in Bombay. During your lectures in Vrindavan, you were trying to bridge the gap between residents of Vrindavan & your westerns disciples so that preaching becomes easy in Vrindavan.

There at Bombay, the crooked Mr. Nair was pouncing on your timid disciples like Giriraj & others. Mr. Nair was claiming, down payment of 2L Rs, he cut off the water supply to Hare Krishna Land. He also appointed a local Gunda who was threatening the devotees by showing them a heavy broad knife. Young western devotees were having very poor living facilities that the roof leaked & cement floor was crumbling. Rats, flies, cockroaches, village dogs, mosquitoes infested the place with even an occasional poisonous snake. Devotees were always contracting tropical diseases, especially malaria & hepatitis.

The disciples were having so much deep love for you, that they continued their devotional service in spite of unusual circumstances, their personal health problems, atrocities by bad elements. Practically your disciples faced all 3 kleshas, adhyatmik, adhi bhautik & adhidaivik. Your disciples were so strong that they never stopped & you kept them inspired through your letters & occasional visits to Bombay.

When at times they were really morose and wanted to give up the project, you send them letters to keep them motivated. Once you began a letter like a lawyer, answering logically, point by point. One reason was the disciples wanted to give land, but the charity commissioner had refused them permission. SP pointed out that, charity commissioners permission is delayed, not denied - a small matter. So here, one of your divine qualities is that you make big problems as small, and you being a pure devotee have all material qualities and acted as a perfect lawyer.

There was a time when devotees had cancelled sales agreement. It was looking that everything is finished. Then you wrote to a life member "I shall be the last man to give up Hare Krishna Land to rogue Mr.Nair." So then you were immediately planning how to rectify disciple's mistake. Not that you have kept your motives hidden, but only a devotee can understand mind & actions of other devotees. So here is your great divine quality of unbreakable determination, that in spite the agreements were closed, still, you had a great desire to form a Hare Krishna city in the most important city of India. Bombay was an important city and required grand temple worship, large festivals, mass prasadam distribution, and a variety of Vedic cultural programs. The Juhu land seemed Ideal for a school, a theatre, a library, apartments. So how could you retreat from this rogue who was trying to cheat him?. There would always be personally opposed to Krsna Consciousness, but you said, that It doesn't mean that devotees should give up. A preacher has to be tolerant, and sometimes when everything else failed and Krsna's interest was at stake, he had to fight. So Srila Prabhupada you were a Great fighter and more you used to get opposition, more you used to get strong. So you showed how a real preacher should be.

Prabhupada's fighting spirit to keep the land was so keen that you appeared to be fighting for fighting's sake. You sometimes even compared Mr Nair to demon Kamsa in Srimad Bhagavatam, who had repeatedly tried to kill Krishna. Just as Krishna was enjoying to fight with minor demons sent by Kamsa, similarly you were also enjoying fighting with demoniac agents like lawyers, gundas, etc. You love to fight when Krsna & Krsna's mission was being challenged.

Another reason you refused to give up this particular plot of land was that you had promised the Deities Radha Rasa Vihari. You invited him & prayed "Dear sir, please stay here, and I will build you a beautiful temple." You were acting as protector & parent of Deities of Bombay Temple. As you described in Nectar of Devotion, many great devotees have an eternal relationship with Krishna as his protector. When a child Krsna has fought serpent Kaliya, Krsna's mother & father had been plunged into transcendental anxiety. They had seen their child entangled in the coils of the serpent and, fearing of Krsna's life, wanted to protect Him. The eternal mother & father of Krsna always worry that Krsna may meet with harm, and when danger appears to come, their natural anxiety increases many times. In this way, they show the most intense love for Krsna. Your mood was to protect Radha Rasabihari and also his Krsna Consciousness movement. Although you knew that Krsna was the supreme protector & that nobody could oppose his will, out of a protective desire to spread Krishna's glories you feared that demon Mr.Nair might harm Krsna. At last as everybody knows, we got that land and it was one of your greatest victories.

So today I want to highlight that you are a perfect lawyer, perfect winner, perfect preacher, perfect protector, perfect fighter, perfect parent, perfect promise fulfiller, perfect beloved and a man of unbreakable determination.

At last, I pray you to make me humbler and also strong enough to follow your instructions throughout my life.

Aspiring to become your servant.

Prana Vallabha Dasa.

Dear Srila Prabhupada,

Please accept my most respectful obeisances unto your divine lotus feet. All glories to you, Srila Prabhupāda, and to all the other personalities in the paramparā.

*mukam karoti vachalam pangum langhayate girim*

*yat-kripa tam aham vande shri-gurum dina-taranam*

*“I offer my respectful obeisances unto my Spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains.”*

Please accept our humble obeisances at Your Divine lotus feet, which are like an oasis providing shelter and solace to conditional souls like us, who are suffering in the blazing heat of the desertlike material world. Thank you for once again offering us this opportunity to attempt to glorify Your Divine Grace. Nowadays life has become so complicated that it is very difficult to live a simple life, as you have instructed. so, I am holding your lotus feet. Your word, books, Lectures, and your smile, these are the only things that matter in my life. It always showing the path of our life and gives us inspiration, motivation, and guidance.

It is a very special feeling for you. However, sometimes I am able to remember you and sometimes, I am not able to do. I also do not know. I am trying to follow your instructions seriously and giving Krishna consciousness to my wife and daughter. Please bless them. so, they will come out of the cycle of birth and death. You are patita-pāvana, the savior of the fallen. By your mercy, even a most fallen soul like me has this opportunity to chant the Holy name of Lord Krishna and give strength to follow four regulative principles. Srila Prabhupāda, you are so great. We are all indebted to you for your transcendental gifts, eternally. Today we celebrate the most blessed event, your divine appearance in this fallen, dark world, where you gave the light of transcendental knowledge by speaking always of the Bhagavad-gita and Srimad-bhāgavatam, and of everything related to Krishna. You said that without preaching, all is rubbish, and therefore you taught us to combine together for the printing and distribution of millions of your books everywhere, and in this way to become transcendently happy. I am serving your mission as an employee also from the last three and half years. Kindly give me the same enthusiasm, direction, strength, and intelligence so, I am able to serve your mission to my best abilities. I will forever remain grateful to you for giving me this opportunity to be part of this great movement. May I remain always attached to the dust of your divine lotus feet. Please bless us on this occasion. Jaya Prabhupāda!

Dear Srila Prabhupada,

Please accept my humble obeisance at your Lotus feet. All glories to your Divine Grace.

In the past few years, I saw lot of ups and down in my spiritual life, but lifesaving are Your transcendental words which are just like an anchor for my spiritual life. As you have described in NOI Text 3.

*utsāhān niścayād dhairyāt tat-tat-karma-pravartanāt  
saṅga-tyāgāt sato vṛtteḥ ṣaḍbhir bhaktiḥ prasidhyati*

There are six principles favourable to the execution of pure devotional service: (1) being enthusiastic, (2) endeavouring with confidence, (3) being patient, (4) acting according to regulative principles, (5) abandoning the association of non-devotees, and (6) following in the footsteps of the previous *Acāryas*. These six principles undoubtedly assure the complete success of pure devotional service.

As of now I have taken these words of Yours by my heart and trying my best to implement them in my life. The very basic instruction of enthusiasm, patience and determination have helped me a lot in coming over difficult time. Whenever I am in some challenging situation I just implement this success formula and easily come out of deep well of dilemma.

I would like to dedicate few lines to you

Oh, Dear Srila Prabhupada

Please always hold my hand,

Never let me loose, never let me fall

Take my life the way you have planned

Give me knowledge; give me the strength to take Your words to my heart.

You are so caring, you are so kind

I never felt alone, you gave me everything,

Love of mother, care of father and comfort of revealing all my secret to a friend

So I beg you for one more kind thing,

Even if I think of leaving your sight, You please never let me go

This is my prayer to You Dear Srila Prabhupada

Your Fallen Servant,

Premanand Nitai Dasa.

आदरणीय श्रील प्रभुपाद जी,

आपके चरणों में मेरा दंडवत प्रणाम स्वीकार करें ! एक बद्ध जीव के लिए इस से बढ़कर और कुछ भी नहीं हो सकता है कि उसे एक प्रामाणिक आध्यात्मिक गुरु की शरण मिल जाये, जो उसे भगवद्धाम ले जाने का मार्ग प्रशस्त कर सके। मैं श्रील प्रभुपाद के आंदोलन के सम्पर्क में 2003 में आया। मुझे कीर्तन, प्रसाद और सत्संग ने सबसे अधिक प्रभावित किया। मैंने शास्त्रों में पढ़ा है कि एक जीव के लिये भगवान की ओर आकर्षित होना स्वभाविक है, परन्तु चूँकि हम जन्म-जन्मांतर से इंद्रियभोग में संलग्न हैं, हम भगवान् श्री कृष्ण का स्मरण नहीं कर पाते हैं। मुझे जीवन में जब भी कोई दुविधा होती है तो मैं श्रील प्रभुपाद की पुस्तकों में उसका अर्थ खोजने लगता हूँ। श्रील प्रभुपाद आज भी अपनी वाणी के माध्यम से हम सभी के परोपकार में लगे हैं। मुझे यह जान के आश्चर्य होता है कि किस प्रकार पाश्चात्य देशों में लोग सनातन धर्म की ओर आकर्षित हो रहे हैं। विदेशी भारत में आकर तीर्थ स्थलों में निवास कर रहे हैं, संस्कृत

सीख रहे हैं, वैदिक संस्कृति को अपना रहे हैं, शाकाहारी भोजन को प्राथमिकता दे रहे हैं और भारतीय परिधानों में स्वयं की पहचान को सशक्त कर रहे हैं। इन सबके पीछे श्रील प्रभुपाद का बहुत बड़ा योगदान है, जिसे मानव इतिहास में सदैव याद रखा जायेगा।

जब भी मैं वृन्दावन जाता हूँ, मन प्रफुल्लित हो जाता है। हृदय में कृष्ण प्रेम का संचार होता है और वृन्दावन से वापिस आने का मन ही नहीं करता है। आज पूरे विश्व से दर्शनार्थी वृन्दावन आते हैं, परन्तु श्रील प्रभुपाद ही वह व्यक्ति हैं जो वृन्दावन को सारे संसार में लेकर गए। मेरा चिंतन और दृष्टि श्रील प्रभुपाद की वाणी से प्रतिदिन प्रेरित होती है। कृष्णकृपाश्रीमूर्ति श्री श्रीमद ए.सी.भक्तिवेदान्त स्वामी प्रभुपाद भगवान श्री कृष्ण के एक शुद्ध भक्त थे, जिन्होंने अपना पूरा जीवन भगवद्प्रेम के प्रचार में लगा दिया। उनकी कथनी और करनी में कोई भी अंतर नहीं था, पूरा जीवन उन्होंने शास्त्रानुसार ही जीया। उन्होंने प्रत्येक जीव के प्रति प्रेम और सम्मान का भाव रखा। उनके द्वारा लिखित पुस्तकें, उनकी दिव्य वाणी, उनके द्वारा स्थापित संस्था और मन्दिर, उनके शिष्य और उनका सादगीपूर्ण पवित्र आचरण सदियों तक मानवता का कल्याण करता रहेगा। मैं सदैव उनका ऋणी रहूँगा और यथासम्भव उनकी सेवा करूँगा।

आपका दास,  
प्रेमांजन दास.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. Your love and mercy upon us is immeasurable as you have worked day in and day out and taken so much trouble.

Out of compassion, you never bothered about your own health to deliver the fallen souls from the ocean of birth and death. You gave mankind the real wealth and the knowledge you have left for us is unlimited. The intelligence and time I have, to relish the nectar in your books, is so limited. You've been rightly titled as Jagadguru for you brought the knowledge to the world which is eternally true and imbibing in the hippies, the culture they hardly knew, and turning them into the Lord's selected few.

All glories, all glories, all glories to you who are the only friend. As you bring the threefold miseries of life to an end kindly make me an instrument in your hand and let this false ego come to an end. Surrounded by Maya, my mind gives me thousands of excuses to serve Harinam with love. Engrossed in bodily concept, I always think of sense gratification forgetting that it helps nothing but reduces life's duration. O Master, only your blessings can calm the mind so restless, shelter in your lotus feet can only relieve us of all the stress. I feel myself most fortunate to be initiated by bonafide spiritual master. For my life before your association was a real disaster.

Please remove impediments from the path of bhakti and help me progress faster. Dear eternal resident of Shree dham, Please increase my taste in Harinam and take me back to Goloka Dham, where I am able to serve our Dear Krishna Balaram.

O Dear Gurudeva, Please keep blessing me with the opportunities of your eternal Seva Servant of your servants,

Priyamwada Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisance onto your lotus feet.

O Srila Prabhupad You are the answer of all my questions, You are the solution of all my problems, You are the only hope. O Srila Prabhupad You are just like a Touch Stone, whoever comes in contact with You, becomes the pure devotee of Lord. You are the most confident servant of Krishna coming down from spiritual world. Poem written by You Dated 18 Sep, 37th day of Journey at Boston, You revealed your identity as

*baro krapa koilo Krishna  
tomāra milane bhāi ābār se sukha pāi  
gocārane ghuri din bhor*

*kata bane chuṭāchuṭi bane khāi luṭāpuṭi  
sei din kabe habe mor*

O dear friend, in Your company I will experience great joy once again. In the early morning I will wander about the cowherd pastures and fields. Running and frolicking in the many forests of Vraja, I will roll on the ground in spiritual ecstasy. Oh when will that day be mine?

*āji se subidhāne tomāra smaraṇa bhela  
baro āśā ḍākilām tāi  
āmi tomāra nitya-dāsa tāi kori eta āśa  
tumi binā anya gati nāi*

“Today that remembrance of You came to me in a very nice way. Because I have a great longing I called to You. I am Your eternal servant and therefore I desire Your association so much. O Lord Kṛṣṇa, except for You there is no other means.”

In one of your talk you said that until there is a single disciple in this material world I will come again and again from the Spiritual World to deliver all my disciples. It means firstly, you belong to the Spiritual World and secondly all Your disciples will go back home, back to Godhead.

Your position is so great and nobody can be compared to your personality that is completely spiritual.

Jai Srila Prabhupada, All Glories unto you. Thank You once again for providing a wonderful opportunity to serve the supreme personality of Godhead.

Your most fallen servant,  
Pundrik Vidhya Nidhi Dasa.

जय श्रील प्रभुपाद,

पूज्य गुरुदेव आपके श्री चरणों में इस दास का कोटि-कोटि वन्दन गुरुदेव आपके 124 वे आविर्भाव दिवस पर मैं अपनी भावजली ‘‘व्यासपूजा’’ के द्वारा व्यक्त करने की आज्ञा चाहता हूँ। गुरुदेव आपने इस संसार के बद्धप्राणियों के लिये 70 वर्ष की आयु में होने पर भी आपने अनेकों वैदिक ग्रन्थ श्रीमद्भागवतम की रचना विश्व की अनेक भाषाओं में की है। जिससे सारे विश्व में सनातन धर्म का प्रचार प्रसार हुआ है, आपने अपने जीवनकाल में अनेक बार विश्व भ्रमण करते हुए कृष्णभावनामृत की स्थापना की, अनेकों मंदिरों का निर्माण किया, भक्ति वेदांत बुक ट्रस्ट की स्थापना की, गौशालाएं बनवाई जो कि वृद्धावस्था में कर पाना आम व्यक्ति के लिये असम्भव है परन्तु आपने अपने गुरुदेव की आज्ञा शिरोर्थाय करते हुए गुरुदेव एवं भगवान श्रीकृष्ण की कृपा से यह कार्य अनेकों कठिनाईयों को सहन करते हुए भी आपने सम्पूर्ण किया। गुरुदेव आपने मुझे जैसे निकृष्ट प्राणी को अपनी शरणागति में लेकर अपने अहेतु की कृपा की है। गुरुदेव मैं सुबह मंगला आरती समय पर नहीं कर पा रहा हूँ, मुझे आशीर्वाद दें जिससे मैं मंगला आरती समय पर कर सकूँ। मेरे तथा मेरे परिवार पर आप अपनी कृपा दृष्टि एवं आशीर्वाद बनाये रखना। जिससे की मैं अधिक से अधिक मंदिर में सेवा कार्य कर सकूँ।

आप चरणसेवक दासानुदास,

Dear Srila Prabhupada,

Please accept my humble obeisance's to your divine lotus feet.

I will always be thankful to you that with your mercy I came in touch with Krishna Consciousness and your devotees. I was a fallen soul, not knowing the purpose of life; you taught me that through your books and lectures. I was different before coming in touch with your movement, not following regulative principles not knowing the purpose of life, but after coming

in touch with your movement my life has become full of enjoyment, bliss and knowing about the goal of life. You are always present in the form of your books, lectures and conversations for us.

Srila Prabhupada, kindly bless me that I should follow the principles for a lifetime, and I never lose the taste of the holy name of God, never give up the association of devotees by your mercy and I should improve my Krishna Consciousness process throughout my life.

Thank you Srila Prabhupada,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine lotus feet.

Unless one takes shelter of a bona fide, fully Krsna conscious Spiritual master, there is no chance of understanding Krsna. The educators, scholars and big political leaders worshipped by millions of people cannot understand the goal of life and take to Krsna Consciousness, for they have not accepted a bona fide Spiritual master and the Vedas. Therefore, in the *Muṇḍaka Upaniṣad* (3.2.3) it is said, *nāyam ātmā pravacanena labhyo na medhayā na bahunā śrutena*: one cannot become self-realized simply by having an academic education, by presenting lectures in an erudite way (*pravacanena labhyaḥ*), or by being an intelligent scientist who discovers many wonderful things. One cannot understand Krsna unless one is graced by the Supreme Personality of Godhead. The only one who has surrendered to a pure devotee of Krsna and taken the dust of his lotus feet can understand Kṛṣṇa.

As Srila Bhaktivinoda Thākura states in his song that.

*krsna se tomara, krsna dite paro, tomara sakati ache  
ami to' kaṅgala, 'krsna' 'krsna' boli', dhai tava pache pache*

*Krsna is yours. You have the power to give Him to me. I am simply your servant running behind you shouting, "Krsna! Krsna!"*

Srila Prabhupāda you are the dearest servant of Krishna. You can give Krishna to anyone. No one can achieve Krishna by his own endeavours only you can give Krishna. You appeared to this material world to deliver Krishna to unlimited fortunate souls.

In purport of Srimad Bhāgavatam, you have written that “Pure devotees of the Lord are more powerful than the waters of the sacred river Ganges. One can derive spiritual benefit out of prolonged use of the Ganges waters. But one can be sanctified at once by the mercy of a pure devotee of the Lord.”

Srila Prabhupāda you are giving your mercy through your divine instructions and by following your instructions so many conditioned souls are developing attachment towards Krishna and are sanctifying themselves.

You are a true representative of Srila Nārada Muni. Just like by the mercy of Srila Nārada Muni even a hunter become a devotee of Lord Hari. In the same way by your causeless mercy, millions of hunters in kali yuga are changing their life by becoming a devotee of Lord Krishna.

You have built a house in which the whole world can live.

Thank you Srila Prabhupāda for allowing me to live in your house and practise Krishna consciousness.

Srila Prabhupāda please bless me so that I can always follow your instructions and act according to your desire.

Your fallen servant, Purna Chandra Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance in your lotus feet.

I am the most fallen soul and don't have any inclination towards spiritual growth, I believe that it is by your mercy that I came in contact with the HKM Jaipur. At HKM Jaipur I attended several classes and temple devotees explained Krishna Consciousness in such a simple way that it developed my interest in Krishna consciousness. It is a very simple and powerful method to purify soul but I am not able to perform these simple things without fail time and again I do mistakes.

In this COVID-19 pandemic period, we realized our petty position in this universe. A tiny virus that could not be seen by our naked eyes made us so timid that we didn't dare to come out from our places. This situation makes us more inclined towards Bhakti and HKM Jaipur made arrangements to have live Darshans and classes as well as several activities to connect us all the time with Krishna consciousness. And make us sure that if we follow the instructions of Srila Prabhupada there's no reason for fearfulness, our spiritual master assures us to drag us in the Goloka. It's by your mercy only that can enable us able to enter into Goloka, otherwise, jivas like me have no qualifications.

Please provide shelter in your lotus feet and protect me from MAYA. Give me strength for undisturbed chanting, daily book reading, and service in lotus feet.

Your humble servant,

Pushkaraksh Krishna Dasa.

O Gurudeva Srila Prabhupada,

Please accept my humble obeisance on to your lotus feet on this most auspicious appearance day of Your Divine Grace. O my dear Spiritual master, the saviour of the whole world, you have appeared in this world in order to attract the conditioned souls towards Lord Krishna, by bestowing your causeless mercy, you have appeared to deliver the poor fallen conditioned souls. My dear spiritual Master you will not find most fallen conditioned soul than me, so please bestow your causeless mercy upon this fallen conditioned soul, so that I can utilize this valuable human form of life by rendering devotional service under the guidance of senior vaishnavas.

*mukam karoti vachalaa, pangum langhayate girim*

*yat-krpa tamaham vande, sri gurum dina-taranam*

*“By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains.”*

By the association of a pure devotee like Sivananda Sena even a dog received the mercy of Chaitanya Mahaprabhu, and by the association of Madhvacharya even a bull was elevated to the position of an Acharya and so far millions like me elevated similarly by your association. I am truly indebted to you for giving me the opportunity of engaging in devotional service to Krishna by taking care of mother cow.

When I look back in years that I have had your association, I just cannot imagine what life could be like without your mercy. Every day in Mangla aarti we sing the song .

*samsāra-dāvānala-līḍha-loka- trāṇāya kārūṇya-ghanāghanatvam*

*prāptasya kalyāṇa-guṇārnāvasya vande guroḥ śrī-caraṇāravindam*

This time we are going through a lockdown period due to pandemic disease called COVID-19. Now the whole world is forced to realize that this material existence is a blazing forest fire. In this time, also you are extinguishing the blazing fire

of material existence by training us against this material existence by various training like SOULFUL JAPA SESSION AND ONLINE BHAKTI SASTRI CLASS. When the whole world is suffering to the greatest extent, I never felt the anxiety of fear. You have given us Krishna consciousness as OASIS IN THE DESERT.

As you considered the protection of cows as one of the important aspects of Vedic life, we are blessed to serve go-mata at Hingoniya Goshala. By rendering service at goshala, I am able to conceive the science of Vedic culture that you have explained in your teachings. By your mercy only we are able to manage our service at goshala in midst of many various challenges. We are trying to achieve your vision of self-sustaining farm projects centred on Krishna Consciousness. You have already established several farm communities, which challenge artificial modern culture against the values of human life. By your causeless mercy, we are also moving towards self-sustaining cow protection with the preaching of Vedic culture centred on devotional service of Lord Krishna,

Srila Prabhupada, without your causeless mercy I cannot do anything. Please bless me with intelligence to execute your mission properly and help me to follow your instructions sincerely, strictly and submissively. On this holy day of Vyasa Puja, I beg you to keep me eternally connected with you birth after birth.

Begging for your mercy,

Your Servant,

Radha Gopal Dasa.

My Dear Beloved Spiritual Master,

On this very auspicious day of your glorious 124<sup>th</sup> Vyasa Puja. I stand before you, an unworthy servant. I offer my humble obeisance at your Lotus Feet. All glories to your Divine Grace.

When I was putting this small endeavour to write glories of your divine grace. I was recalling all the realizations and reciprocations. I have come across during these years of my devotional life.

Dear Srila Prabhupada, first of all, I wanted to say thank you very much for accepting me as your disciple at your Lotus Feet. For the day that, I was eagerly waiting from since long as it prescribed that One should seek the first Initiation from the bonafide Spiritual Master, who is the pure Devotee of the Lord coming into the authorized parampara. Since the day you dragged me at your lotus feet I was anxiously seeking to know your position in the spiritual world as well as in the material world. I came across so many verses, which all describes your transcendental position.

When I daily sing *guru-mukha-padma-vākya, cittete kariyā aikya* here Srila Narottama dāsa Ṭhākura advises make the teachings from the lotus mouth of the Spiritual master one with your heart, I feel yes, this is the only way by which one can quickly advance in devotional life. I have come across so many people & realized that those who have stuck to the principles and carrying out the order very sincerely, which you have prescribed them, are actually becoming advanced in devotional life.

I realized that you hold a very special position not only in the spiritual world but also in the material world, and ISKCON itself. You have come down to this material world just to deliver the suffering souls. They are following Maya like a mad man and becoming the victim of her trap, but you are dragging them to the Krishna Consciousness. The whole mass of people are running a rat race, but you have given them your divine grace. This world is full of *davanal* that is like a blazing fire but you have been showering the rain of your mercy onto them.

Sometimes I used to be anxious to know about how this Hare Krishna Movement will last Ten Thousand years. I understood that the highest peak of this Krishna Consciousness Movement is yet to come, when this modern system will collapse fully, people will start taking Krishna Consciousness very seriously. As the present scenario is almost being like the whole world

is in the anxiety. The whole world wants peace and prosperity but slowly they are also realizing that it cannot come without the Varna-Ashrama order of life in full Krishna Consciousness.

Recently I heard that one of your leading disciples realizes that like so many glories of the Lord and the glories of the devotees are described in the Srimad Bhagavatam. Your glories will also be described in the Srimad Bhagavatam, how you have preached this Krishna consciousness to the whole world and made these yavanas and mlechas dance on the holy name of the lord. Your ambition to give the Holy Name and Krishna Consciousness to the world is unlimited.

On this day, I beg you to please never-ever put me in your forgetfulness and engage me in the pleasing service to Krishna in a matter of fulfilling your transcendental ambition to spread Krishna Consciousness in every town & village. Thank you Srila Prabhupada for your causeless mercy.

Seeking shelter in your Lotus Feet,

Your most fallen servant, Radha Madhava Dasa.

Dear Srila Prabhupada,

Thank you very much for giving me a yet another opportunity to glorify your Divine Grace on this auspicious occasion of divine appearance. Just like when the sun rises in the morning with golden rays it immediately dissipates the darkness of the night and brings new energy into the world, similarly, your divine appearance on the day of Nandotsava brought a ray of hope to the conditioned souls who are suffering in the midst of the calamity of the material world. This perfectly matches the current situation where the whole world is going through. Doctors are recommending people to develop their immunity to prevent the Covid-19 disease but you have already given transcendental medicine of chanting Hare Krishna Maha Mantra by which, person can become immune from all kinds of material miseries and so-called anxieties of this mortal world. If someone chants the Holy Name even with offences, still he'll be able to go back to home, back to godhead then what to speak of chanting offencelessly. It is said that one should surrender to a pure devotee of the Lord who is also Nama Sevak and I'm very fortunate that I'm at the feet of such Maha Bhagavata.

It is said that transcendental nama (holy name) is delivered within the heart of the devotee at the time of initiation and pray to your lotus feet to please give me the strength to worship that holy name delivered within my heart by you, by chanting and hearing offencelessly.

I heard one pastime of your Divine Grace way of teaching to your dear disciples: when you went to see the progress of carving Jagannath, Baladeva and Subhadra Mayi deities by your disciple Shyam Sundar Prabhu, you saw a cigarette pack kept there on Baladeva deity. Naturally, one can expect big chastisement from you but instead, you preached to him in such way by the statement "don't let this small cigarette to come between you and Krishna". By this simple yet very meaningful statement, you taught your disciple about one of the regulative principles. This is one of the your quality "Karuna".

In Chaitanya Charitamrita Madhya Lila chapter 22 verse 78-80, 26 qualities of Vaishnava are explained by Srila Krishna Dasa Kaviraja Goswami

*kṛpālu, akṛta-droha, satya-sāra sama nidoṣa, vadānya, mṛdu, śuci, akiñcana  
sarvopakāraka, śānta, kṛṣṇaika-śaraṇa akāma, anīha, sthira, vijita-ṣaḍ-guṇa  
mita-bhuk, apramatta, mānada, amānī gambhīra, karuṇa, maitra, kavi, dakṣa, maunī*

*"Devotees are always merciful, humble, truthful, equal to all, faultless, magnanimous, mild and clean. They are without material possessions, and they perform welfare work for everyone. They are peaceful, surrendered to Kṛṣṇa and desireless. They are indifferent to material acquisitions and are fixed in devotional service. They completely control the six bad qualities—lust, anger, greed and so forth. They eat only as much as required, and they are not inebriated. They are respectful, grave, compassionate and without false prestige. They are friendly, poetic, expert and silent."*

You are the embodiment of all the qualities mentioned by Srila Krishna Dasa Kaviraja Goswami. Oh, my dear master please bestow your mercy on this fallen soul to advance in Krishna Consciousness. Without your mercy, I'll not be able to progress even an inch in devotional service.

In the anticipation of your causeless mercy,

Your fallen disciple, Radha Priya Dasa.

मेरे प्रिय गुरु प्रभुपाद, मैं आपके चरण कमलों में कोटि-कोटि नमन करती हूँ,

हे प्रभुपाद, आपके द्वारा इस्कॉन संस्था की स्थापना की गयी। आपने कृष्णभावनामृत के प्रचार-प्रसार में अपना सम्पूर्ण जीवन समर्पित कर दिया। आपने केवल भारत ही नहीं अपितु विश्व के सभी देशों में कृष्णभावनामृत का प्रचार-प्रसार किया। हे प्रभुपाद, जब मैं पहली बार वृन्दावन 2012 में गयी और मैंने वहाँ इस्कॉन मंदिर देखा तभी मैंने पहली बार आपकी समाधि को देखा। यह मेरा सौभाग्य था, लेकिन यह भी एक तथ्य था कि मुझे तनिक भी अध्यात्म के विषय में कुछ भी ज्ञात नहीं था, लेकिन शायद मेरे कुछ पूर्व कर्म थे कि मुझे कृष्णभावनामृत में आने और जुड़ने का अवसर मिला। अब मुझे अनुभव होता है कि यदि भगवान् और गुरु की कृपा हो तो व्यक्ति को वे अपने दिखाये हुए मार्ग पर ले ही आते हैं। मुझे इस बात का दुःख है कि मुझे यह देर से प्राप्त हुआ लेकिन दूसरी ही तरफ खुशी भी है कि मेरे दोनों बच्चे तनिशी (7 वर्ष) और अद्वैत (1.5 वर्ष) अभी से इसमें संलग्न हैं। हे प्रभुपाद, बस आप अपनी कृपा हम सभी पर बनाये रखना और हमेशा मार्ग-दर्शन देते रहना।

आपकी चरणों की दासी दासानुदासी,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you. I'm fortunate that I am getting one more chance to write Vyasa Puja offering to my dear spiritual master.

Prabhupada, you have thousands of disciples all over the world and you are still leading their lives. Being a Spiritual father you are equally kind and merciful to all. This is certainly your spiritual divine quality, even though some disciples are very weak in following your instructions, as a pure devotee, you never left their hands. This is your true love and affection for your spiritual children. Lord Krishna says in Bhagavad-Gita that all species of lives are my part and parcels and I am their original father hence, Lord comes in this material world to reclaim them and again take them Back Home, Back to Godhead but, he demands their full surrender to him. Seeing their unwillingness to surrender, he incarnates himself again as Lord Chaitanya Mahaprabhu to distribute pure bhakti without any condition and only a few fortunate persons could take to it. Now as a most beloved servant of Lord you took this most difficult task and done it very successfully. By your devotion and faith in the holy name, you have delivered many millions of sinful people of Kali Yuga like Jaghai and Madhai, which no other acarya had ever done before. This is your great power and pure devotion to Lord Krishna.

With the passing of years in your Movement, I am knowing more and more of your divine qualities. Prabhupada, when I see myself I see there is not a tinge of good quality in me. I'm totally infected with worldly quality, I am seeing the path of becoming pure, fully surrendered soul to Lord to be very long, and I have no strength to walk over it. My only hope and strength are your lotus feet. Please give me attachment to your lotus feet more and more and make me purified of material contamination. Lord Krishna is your property, so you have the right to deliver him to any person whom you like. This is my only hope of success in life.

I beg forgiveness for my countless offences at your lotus feet and I also beg forgiveness to your disciples whom you love very much for my offences while doing Seva, due to bad attitude and bad habits.

Your servant, Radha Vinod Dasa.

प्रिय गुरुदेव श्रील प्रभुपाद,

आपके चरणों में, मेरा सादर प्रणाम स्वीकार कीजिये, मेरी और से व्यास पूजा के इस पावन दिन पर छोटी सी भेंट स्वीकार कीजिये, हे जीव! प्रथम सर्वत्र ही

‘जय राधिका रमण ‘कहो, फिर महाजनों की महान शिक्षा की तरंगों में बहो!

दुख शोक जब जो आ पड़े, सो धैर्य पूर्वक सब सहो, होगी सफलता क्यों नहीं गुरु- भक्ति पथ पर दृढ़ रहो।।

अविनाशी अणु आत्मा अंश है भगवान का, प्रेममयी सेवा करना केवल कर्तव्य इंसान का।

यह अति अपूर्व विषय हमारे ध्यान देने योग्य है, जिस विषय से संबंध हो वह जान लेने योग्य है।।

हां। शुद्ध भक्ति से ही केवल खुश होते भगवान हैं, शुद्ध भक्तों को ना चाहिए कर्म ज्ञान ध्यान है।

श्रील प्रभुपाद का चरित्र भक्ति का पारावार है, प्रभुपाद की कथाओं में आनंद अपार है।।

ऐसी ही कथा का श्रवण जरा कीजिए, श्रील प्रभुपाद की महिमा का अमृत जरा पीजिए।

विदेश गमन से पूर्व जब वृंदावन में रहते थे, आचार्यों की याद में विरह- वेदना सहते थे।।

गुरु का आदेश है पाश्चात्य देश को जाना है, चैतन्य के संदेश को जन-जन तक पहुँचाना है।

अतः अंग्रेजी में अनुवाद भागवत का करते हैं, स्वर्णिम नवयुग की नींव यहाँ से धरते हैं।।

श्रील रूप गोस्वामी समाधि पर बुहारी रोज लगाते थे, विनय करते-करते कभी रोते बिलखाते थे।

हे रूप! हे सनातन! हे गुरुदेव !कृपा मुझ पर कीजिए, आपके आदेश को पूर्ण करूँ, यह शक्ति प्रभु दीजिए।।

होंगे न जाने किस दशा में श्रील प्रभुपाद वहां, हां! आज न जाने क्यों विकलता बढ़ रही मेरी यहां।

कुछ बात ऐसी है कि जिससे चित्त चंचल हो रहा, विश्वास है, पर त्रास मेरे धैर्य को है खो रहा।।

है व्यग्र सुनने को श्रवण पर श्रव्य सुन पाते नहीं, दृग दिन है पर दृश्य फिर भी दृष्टि में आते नहीं।

है चाहती है खिलना तदपि मन की कली खिलती नहीं, मैं शांति पाना चाहता हूँ पर मुझे मिलती नहीं।।

पर कृष्ण सहचर के लिए कुछ सोच करना है वृथा, हरि के कृपा- भाजन जनों के कुशल की है क्या कथा।

हे जीव !विलोको तो जरा ,है दृश्य क्या मार्मिक अहो, देखा कहीं अन्यत्र भी क्या शील यो धार्मिक कहो?

यह देख लो गुरु -भक्ति का सम्मान ऐसा चाहिए, सोचो हृदय में कृष्ण का ध्यान जैसा चाहिए।

सहद्रय जिसे सुनकर द्रवित हो चरित वैसा चाहिए, अति भव्य भावों का उदाहरण और कैसा चाहिए।।

जब तक प्रकाश समर्थ होगा अंधकार- विनाश में, जब तक उदित होते रहेंगे सूर्य शशि आकाश में।

प्रभुपाद का विश्रुत रहेगा नाम तब तक सब कहीं, नश्वर जगत में जन्म लेकर भक्त मरते ही नहीं।।

आपका दास,

राधा विनोद दास.

Dear Srila Prabhupada,

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him. I am most fortunate to have found shelter at the lotus feet of a bonafide spiritual master. Before obtaining shelter I was under pressure and very short-tempered. By your grace, I understood so many things and am able to share it with others despite my disqualifications.

By your grace, Srila Prabhupada, thousands upon thousands of lowborn mlecchas and yavanas have been transformed into Vaisnava devotees of the Supreme Personality of Godhead, Lord Sri Krishna. By your grace, Srila Prabhupada, so many persons once attached to grossly sinful activities such as meat-eating, intoxication, gambling and illicit sex life are now blissfully following the rules and regulations of vaidhi-bhakti under your expert guidance. By your mercy we are engaged in devotional service and doing 16 round chanting, doing Mangla aarti and following regulative principles. Thanks, Srila Prabhupada for accepting me and giving shelter on your lotus feet.

On the auspicious occasion of Vyasa Puja, I offer you my most humble obeisances. Thank you very much.

Dear most Srila Prabhupada,

Please accept my humble obeisances unto your Lotus Feet on today's most auspicious day. My earnest gratitude to you Srila Prabhupada for giving me one more opportunity to write this worthless offering in your glorification.

This year I am completely clueless and hopeless to even offer a sincere word of appreciation but still, I would like to make an attempt. Srila Prabhupada, to even think of glorying a *Maha Bhagavata*, Pure devotee like your Divine Self is completely beyond the reach of a conditioned soul like me.

Over the years when I am reading your pastimes and memories by devotees, it put me more and more into bewilderment that how such a great personality can deal with each devotee personally, guide them on their level of understanding and uplift them to the realm of unalloyed pure devotion. These nectarine pastimes fill my heart with boundless appreciation and my heart cries seeing your unlimited compassion for your disciples. It just blows up my mind!

It's told that an attached person pretends to be detached, but a truly detached person loves everyone in a considerable loving manner. Your each and every action is a living testimony of this principle. Not only for devotees in general but to even envious person you have shown unlimited compassion. It's accepted by all religions and men of wisdom that Karuna (Mercy) feature of the Supreme Lord is the highest attribute among all attributes. Your Divine Grace is the carrier of that Supreme unlimited mercy. To justify my statement, I would like to reminisce the famous incident of Bombay temple land acquisition.

Mr Nair, who had created so many troubles for devotees, practically driven devotees out of the temple and demolish the temple structure, died out of heart attack. Mrs Nair continued the legal suit and harassment for devotees. But later on, she surrendered to you, bursting into tears, fell at your lotus feet. True to the nature of the rarest Vaidurya Jewel, you accepted her as your daughter. Your compassionate reply was, "You are like my daughter. You can stay in any of our centres; I will take care of you. Now you just devote the rest of your life to Krishna, chanting Hare Krishna and serving Krishna. Everything will be all right." In spite of so many atrocities towards devotees and temple, you not only accepted her but had given her the highest benediction of devotional service. No one can measure the depth of your compassion Srila Prabhupada!

Another incident which I would like to recall is the meeting at the house of The Chief Justice of Madras. Srila Prabhupada held Lord Krishna's statue in front of three-year-old Sarasvati's eyes and then slowly moved it around to the side until he had hidden it behind his back. Then Srila Prabhupada said, "Sarasvati, where is Krishna?" When Sarasvati realized that Krishna was gone, a startled look of anxiety crossed her face. Her eyes darted in all directions – "Where is Krishna?" Unable to find Krishna, she became stunned. Then a devotee said, "Sarasvati, where is Krishna? Who has Krishna?" Sarasvati's mind awakened with a realization. She opened her eyes wide, raised her eyebrows, and exclaimed, "Prabhupada has Krishna!" She immediately turned to Srila Prabhupada and He carefully brought the statue of Krishna from behind his back and gradually moved it before the expectant eyes of Sarasvati.

"Prabhupada has Krishna!" we all can gain the clear realization that Srila Prabhupada has Krishna within His heart and that he could deliver Krishna to us whenever he felt our desire for Krishna was sufficiently intense. We can also understand that Srila Prabhupada knew our inner feelings. He perfectly knew the heart of everyone. All this brings to mind the famous Vaishnava song, glorifying the Spiritual master:

*krsna se tomara, – krsna dite para tomara sakati ache*

*ami ta' kangala – 'krsna krsna' bali dhai tava pache pache*

*Krishna is yours; you have the power to give Him to me.*

*I am simply running behind you, shouting, 'Krishna! Krishna!'*

Your eternal debtor, Raghuveera Dasa.

My dear Śrīla Prabhupāda,

*om ajnāna-timirāndhasya jñānāñjana-śalākayā  
cakṣur unmīlitam yena tasmai śrī-gurave namaḥ*

Please accept my most humble obeisances. All glories to you, Śrīla Prabhupāda, I do not know Kṛṣṇa; I know you, and only through you do I know something of Kṛṣṇa. You are my best friend. You always understand me and are always there, willing, and able to help. You are so unfathomably, unlimitedly merciful that you have stayed with me all along. Even when I became offensive, when I fell into sense gratification, when I failed miserably, you never gave up on me. You were always with me, waiting for the opportunity to intervene and save me. Who could be a better friend than you? So many times I have faced difficult problems which seemed impossible to solve, but you understood the problem and arranged the solution. Sometimes you acted from within the heart, or through your disciples and followers, your books and lectures.

But many times, directly from the heart you revealed the solution to a problem or brought me back when I had strayed. You are always there to help—not only me but all who attempt to serve you. You are there when we need to be rectified and when we need to be encouraged. You are there to take away our attachments and to give us the facility for service. You perfectly understand exactly what we need and administrate it expertly. When we endeavor to preach you give us even more mercy to serve you, Unable to repay our debt to you, we shall have to serve you life afterlife. And when, by your mercy, we go to the Spiritual world to serve you, there you will be our best friend. Thank you, Śrīla Prabhupāda.

Dear Srila Prabhupada,

Please accept my humble obeisances at your Divine Lotus feet. Once again I have opportunities to glorify my beloved Spiritual master.

Srila Prabhupada by your Mercy there are many things to share about my spiritual journey. Last year I was struggling with my sadhana and service. There were many ups and downs in my sadhana and service in Kota centre, hence I desired to come to Jaipur for improvement in my sadhana and service by asking my authorities.

Then suddenly Lord Krishna sanctioned this worldwide Pandemic and in this way, my desire was fulfilled and that I took as a great opportunity for me to improve my Sadhana and service. I started hearing the wonderful lectures of soulful Japa by His Grace Madhu Pandit Prabhu. There were many things I understood about the process and importance of chanting the Holy Name of the Lord but I could not follow it very seriously. Then by your sweet will, I have been given the service to prepare bhoga to the supreme Lord and by that, I could please Srimati Radha Rani also. It was also my desire to please Srimati Radha Rani from a long time.

I was happy to have this service because, engaging in bhoga service one can satisfy the Supreme Lord, Spiritual master and all the devotees simultaneously. As we every day sing in Mangla Aarti-

*catur-vidha-śrī-bhagavat-prasāda-svādv-anna-tr̥ptān hari-bhakta-saṅghān  
kṛtvaiḥ tr̥ptim bhajataḥ sadaivavande guroḥ śrī-caraṇāravindam*

“The Spiritual master is always offering Lord Krishna four kinds of delicious food [analysed as that which is licked, chewed, drunk, and sucked]. When the Spiritual master sees that the devotees are satisfied by eating bhagavat-prasāda, he is satisfied. I offer my respectful obeisances unto the lotus feet of such a Spiritual master”.

When I was engaged in Bhoga service one small accident gave me the realisation of false beauty of this material world and I can complete 20 rounds chanting every day. But, Srila Prabhupada I was disturbed with my previous fundraising service because I was not getting time for that hence, I could not fully engage my mind in present service seriously so that it can please the Supreme Lord. Meanwhile, I understood the importance of revealing the mind to authorities that it will not disturb us, Please bestow your Mercy upon this fallen soul.

You have done so much hard work in writing your books but I am unable to read your books seriously for that I need your special Mercy. Thank you Srila Prabhupada for giving me the opportunity to serve you and the Supreme Lord.

Your fallen servant,

Ramanama Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

All glories to your divine grace.

Most humbly and respectfully I beg to state that this is the second Vyasa-puja offering to your lotus feet after my first initiation. I am really very thankful to you that you have chosen this most fallen person as your disciple.

Srila Prabhupada, this year we are having good opportunity for our personal Krishna consciousness development among our self really. Due to Covid 19 pandemic we have more opportunity for reading and listening to lectures because more time is available with us. But the bad thing is that the temples are closed so there is no darshana, prasadam, Sunday classes and services to your lotus feet. We are only having online classes, but we need personal guidance from devotees. I am really sad about not having physical darshana for the last four months. Also, a concern about Janmashtami festival because I got news that temples will be open only after 15 August.

I think I am going down in my Krishna conciseness and it is a really big concern for me as I am not getting charged up or not getting bliss in my life. Kindly show me your mercy so that temples can reopen and every devotee can have darshana, class, prasadam, etc. and bring bliss into our lives. More over material life... you know everything better than me so need not tell anything. Also, I request you kindly show me the right path that can deliver me from maya's effect in my devotional life. Vishvanatha Cakravarti Thakura therefore says, "Yasya prasadaḥ, by the mercy of the spiritual master, the mercy of the Supreme Personality of Godhead, bhagavat-prasadaḥ, is revealed." So kindly bestow mercy for understanding the knowledge of the Supreme Personality of Godhead since the Absolute Truth is not very easily understood by ordinary, less intelligent men like me.

Srila Prabhupada, please forgive me for the mistakes I have done in devotional life. Every time I'm trying my best not to do any mistakes but I can't, and you have only saved me every time. So please help me understand Krishna *bhakti* by holding my hand always and never leave me alone.

Srila Prabhupada, I have many dreams and desires for my devotional life but due to my mistakes, I am unable to execute these things in full flash. Help me in this regard so that I can improve myself so that I can spread these glories of your divine mission.

Srila Prabhupada, you have written so many books by taking pain and sacrifice for us. I am the most unfortunate person since I am not able to grab these things. So this year I will try not to repeat these things and try to follow everything in a full flash. I know this is not possible without your mercy, so please show me the way. I always want to be your servant life after life.

Srila Prabhupada, kindly bless both my sons so that they will become your disciples. I am trying my best to facilitate my sons accordingly. I am really thankful to you as you have given my son new life. I will never forget the mercy you showed

on my child. Finally, I regret the mistakes I have done during my devotional service, and if somehow or other, I fall into false ego, kindly help me in breaking my ego.

Your most fallen servant,  
Ramanatma Dasa.

Dearest Srila Prabhupada

Please accept my humble obeisances. All glories unto you Divine Grace.

Dear Srila Prabhupada,

My journey of Krishna consciousness started in early 2000 when I was blessed by Your Divine Grace to start my devotional service with Radha Krishna Deities with lots of immaturity. Being a South Indian, we are used to stone deities, spending few minutes in front of the deities and then rushing to the prasadam counter. But when I first had darshana in the ISKCON temple, I was awestruck by the beauty of the Deities, Their dressing and the highest standard that Your Divine Grace has set in all your ISKCON temples. My prayers used be: "Give me this, give that," like a business dealing with any God I would pray to. But slowly after I came in touch with ISKCON, hearing lectures and reading your books made me speechless. Every page of Your Divine teachings awakened my sleeping soul.

Initially your teachings were part of my life but as years passed by, Your Divine Grace's teachings turned into a sword to cut the attachment to material life and take up missionary life. Your books are filled with incomparable knowledge in the entire creation. No doubt even demigods envy the material world where we can practice Krishna consciousness.

Dear Srila Prabhupada, you are the only hope for this material world. Your teachings changed even the low born to brahmanas. By your causeless mercy, you created a Goloka in every ISKCON centre.

Your teachings not only removed the darkness of ignorance but also gave the nectar of real love bhakti for Radha and Krishna and the way to reach the eternal abode of Goloka Dhama. Who else could be the real and one-and-only well-wisher,

the epitome of compassion in this dark age, Srila Prabhupada? It is only your lotus feet which are the one-and-only refuge for the human race.

It is said by Srila Bhaktivinoda Thakura in the book Saranagati,

*jogyata-vicare, kichu nahi pai,  
tomara karuna sara  
karuna na hoile, kandiya kandiya,  
prana na rakhibo ara*

If you examine me, you will find no qualities. Your mercy is all that I am made of. If you are not merciful unto me, I can only weep, and I will not be able to maintain my life.

I beg Your Divine Grace's mercy on me to remain and render devotional service to the best of my ability birth after birth. Though I am unqualified, I beg Your Divine Grace to bless me, guide me and keep me at Your lotus feet always.

Your fallen servant,  
Sangini Indulekha Devi Dasi.

आदरणीय श्रील प्रभुपाद जी,

सादर प्रणाम..! आपका नाम प्रभुपाद इसलिए है जो सदैव भगवान के चरण कमलों में रहते हैं आप जैसे गुरु को पाकर हम धन्य हो गये। श्रील प्रभुपाद जी आपने हमें धर्म का अर्थ बताया- तुरन्त सम्पर्ण। बिना धर्म के हम पशुओं के समान हैं। आपने हमें कृष्ण या कृष्ण के प्रतिनिधि के प्रति विनम्र भाव रखना बताया और हमारे हृदय का शुद्धिकरण किया जो कि चेतो दर्पण मार्जनम् है। श्रील प्रभुपाद ने हमें यह बताया हम केवल शरीर नहीं हैं आत्मा हैं। आप वैदिक संस्कृति के महान प्रचारक है, आपने आश्चर्यजनक रूप में जो कीर्तन आन्दोलन और भक्ति मार्ग की उदात्त विचारधारा का प्रचार सारे संसार (पाश्चत जगत) में किया आप सबसे महान संत हैं क्योंकि आप वृन्दावन का प्रचार उसकी महिमा का ज्ञान, कृष्ण की लीलाओं के बारे में प्रचार सारे विश्व में कर रहे हैं। श्रील प्रभुपाद जी के पुस्तकों से हमें यह पता चला कि कृष्ण और कृष्ण की संस्था में कोई अंतर नहीं है। कृष्ण की संस्था से तादात्म्य स्थापित करना कृष्ण से सीधा सम्बन्ध स्थापित करना है। आपने भक्ति के चार सैद्धान्तिक नियमों का पालन करना, हरे कृष्ण की 16 माला जपना, कृष्ण राधा की लीलाओं की पुस्तकों को पढ़ना बताया। ये सब करके हमको दीक्षा के स्तर तक पहुँचाया। आप जैसे गुरु को पाकर हमारा जीवन धन्य हो गया है। हम माया में फंसे हैं हमसे कुछ भूल हो जाये तो अपना तुच्छ शिष्या समझ कर क्षमा करके मुझे कृष्ण प्रेम व उसकी सेवा में लगाये रखना। आपकी कृपा दृष्टि हमेशा बनाये रखना। आपके चरण कमलों में असंख्य दण्डवतों के साथ

Dear Srila Prabhupada,

Please accept my humble obeisances unto your divine Lotus feet on this auspicious day.

It is said in the Srimad Bhagavatam, “kaler doṣa-nidhe rājann... Kalyuga is full of faults, it is very easy to find out faults but to find out good qualities in someone is very difficult but, your personality is totally opposing to this. You are like a water in the ocean. Just like to find out water in the ocean is not difficult...what to speak of finding out, it is there everywhere similarly you are an ocean of good qualities and every aspect of your action is full of transcendental qualities.

One of the qualities which I was reflecting once is your 2 big plans and your intense desire to glorify Krishna, to preach Krishna consciousness all over the world and that too only for giving pleasure to your Guru and this can be seen in everything that you did, some of the incidents I would like to mention which shows this clearly:-

1) In one of the letters to the President of India, you wrote so confidently that...I have got the clue of going “Back to Godhead” just after leaving my present material body, and in order to take along with me all my contemporary men and

women of the world, I have started my paper, "Back to Godhead," as one of the means to the way. Please don't think of me as ... something wonderful or a madman when I say that I shall go "Back to Godhead" after leaving my present material body! It is quite possible for everyone and all of us.

2) When you became editor of Sajjana-toṣaṇī, a magazine started by your beloved spiritual master, you began thinking of how to expand it and envisioned that it should be more popular than Time or Life magazines of America.

3) Once you desired the future of ISKCON movement and said that you wanted to buy all the land in Mayapur and establish a self-sufficient community. Once that was established, you would then declare independence from India, secede from the country and make his own country. Then his temples around the world would become embassies for the Country of Mayapur and the temple presidents would be ambassadors. We would print our own money, called Chaitanya's. There would be one Chaitanya, five Chaitanya's, and ten Chaitanya's. For our export, we would make devotional items and sell them all over the world.

4) When you saw the children fighting with dogs for food you said we have to organize in such a way that nobody within a ten-mile radius of the temple is hungry. Everyone should have food to eat."

5) Even after preaching all over the world extensively, your statement that half of my work is only over and to establish varna-ashrama project is remaining half work.

On this auspicious day, I pray at your Lotus feet to give us such intense desire to follow your instructions in practicing and preaching both.

Thank you for accepting me as your disciple.

Your servant,

Saumya Narsimha Dasa.

हरे कृष्णा,

परम् पूजनीय श्रील प्रभुपाद जी आपके चरण कमलो में मेरा कोटि-कोटि दंडवत प्रणाम !

मैं स्वयं को बहुत ही भाग्य-शाली समझता हूँ की मैं आपके द्वारा चलाए गये मूवमेंट के संपर्क में आया। उपरोक्त वाक्य के पीछे निहित मेरे मनोभाव को मैं अपने शब्दों में व्यक्त नहीं कर सकता बल्कि सिर्फ इतना कह सकता हूँ की ये वाक्य मेरे जीवन का सबसे महत्वपूर्ण वाक्य है, क्योंकि आपका मेरे जीवन में आगमन मेरे लिये वरदान की तरह है। हे! प्रभुपाद मेरे जीवन में आपके योगदान कि व्याख्या मैं अपने शब्दों में नहीं कर सकता, लेकिन इतना जरूर कह सकता हूँ.....

*ॐ अज्ञान-तिमिरान्धस्य ज्ञानाञ्जन-शलाकया | चक्षुर उन्मीलितं येन तस्मै श्री-गुरवे नमः॥*

मैं घोर अज्ञान के अन्धकार में उत्पन्न हुआ था और प्रभुपाद आपने अपने ज्ञान रूपी प्रकाश से मेरी आँखें खोल दीं। मैं आपको सादर प्रणाम करता हूँ। आपके सम्पर्क में आने से पहले मैं अपने जीवन के वास्तविक लक्ष्य को नहीं जानता था और जो मुझे मनुष्य जीवन मिला है, उसका कर्तव्य क्या है ये मुझे जैसे अज्ञानी को मालूम नहीं था, लेकिन आपके संपर्क में आने से मुझे यह ज्ञात हुआ की अब बचे हुए जीवन को कैसे भगवन् की सेवा में लगाया जाए। मैं आपके द्वारा बताए गए चार नियमों का नियमित रूप से पालन करता हूँ, साथ ही साथ सुबह जल्दी उठाना, मंगला आरती करना, 16 माला जप करना और भगवान का प्रसाद ही खाना, ये सब बदलाव आपका मेरे जीवन में आने से हुए है। इस दौरान मुझसे जाने अनजाने में कुछ अपराध भी हुए होंगे जिससे आपको दुख पहुंचा होगा, लेकिन हे! प्रभुपाद आप बहुत ही दयालु है जो मुझे जैसे पतित को क्षमा करते हुए अपनी शरण प्रदान की। मैं आपकी कृपा और आशीर्वाद से कृष्ण भावनामृत संघ से जुड़ा हूँ यह कृपा आप सदैव मुझ पर बनाये रखना में आपके सामने यह प्रण लेता हूँ की मैं कभी भी कृष्ण भावनामृत संघ को छोड़कर नहीं जाऊंगा। प्रभुपाद आप मुझे इतनी शक्ति प्रदान करे की मैं अपने जप और तप में निरंतर एकाग्र होता रहूँ।

हरे कृष्णा।जय श्रील प्रभुपाद,

सबसे पहले तो चैतन्य माहा प्रभु को हमारा कोटि कोटि प्रणाम।

जय श्री श्री कृष्णा बलराम, मैं 2015 पहली बार conscious studies की क्लास हमारे कॉलेज में मने ली थी तब मुझे लगा की मुझे एक बार मंदिर जाना चाइये।। फिर मैं अपने साथियों के साथ वहाँ गई, मुझे इतना अच्छा लगा कि मैं बता नहीं सकती हु। फिर मेरा आना जाना लगा।। फिर हमे वहा पर प्रभु ने एक माला जप का संकल्प लिया। उसके बाद से हम लगातार वहाँ जाते है और जप करते है। और जब भी जयपुर जाते है तो वहा जरूर जाकर आते है जब से हमने शुरू किया है ये सब तब से हमे कोई दुःख हो या कोई खुशी कृष्णा जी हमारे साथ है, हम पहले भी पूजा करते थे बाते करते थे उनको अपना भाई भी मानते है, क्योंकि वो सब जगह हमारे साथ होते है, सब जगह हमारी रक्षा भी करते है, हमे सही गलत का आभास कराते है। हम तो कहते है सब कृष्णा जी का हाथ पकड़ लीजिये वो आपका हाथ कभी नहीं छोड़ेगे चाहे और कोई आपके साथ हो या न हो, जयपुर मैं हमारी सबसे पसंदीदा जगह अक्षयपात्र है वहाँ हमे इतना सुकून मिलता है, हमने वहाँ से बहुत सी बाते सीखी है जीवन मैं कैसे चलना है भक्ति करते हुए है। हमें मार्ग बताया है की कोनसा रास्ता सही है मोह माया वाला या भक्ति वाला। जिस दिन हम माला नहीं करते उस दिन हमे सब अधूरा अधूरा लगता। हमे मन मैं लगता है कुछ रह गया। और हमे ये बाते बताने वाले जय श्रील प्रभुपाद जी हमारे गुरु, उन्होंने कितने सरल तरीके से भक्ति का वर्णन किया। हम धन्य है जो की उनकी छाया हम पर है उनकी कही बाते, उनकी पुस्तकों मैं लिखा है। आप कृष्ण जी से जुड़ जाते हो तो वो आपके साथ हमेसा वो आपको कभी नहीं कहेगे की वो बिजी है, वो आपके सारे उत्तर देंगे, और आपका कभी दुखी नहीं करेंगे। बस हरे कृष्णा, आपसे क्षमा चाहुगी कोई गलती हुई हो तो माफ़ करे।।

आपकी तुच्छ दासी,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet on the most auspicious appearance day of Your Divine Grace.

As you said that whatever condition of life we are in, we should never forget the chanting of the holy names of the Lord. The impact you have left on the fallen souls like me cannot be described in words and this is something which I cannot repay even in billions of lifetimes. You have shown us the real path of life and have given us all the means to realize it. I cannot think of this life without visiting Hare Krishna temples and associating with your devotees. I wish to follow the path you have left for us with all my sincere efforts. Srila Prabhupada, I know I am the most ungrateful disciple of yours. I could only serve you as a full-time volunteer for two years which is not something I promised. I wanted to serve your lotus feet life-long but I think I am not worthy of it. With all my sincerity I am trying to come back to the path which you want all of us to follow. I am sure you must have some plans for me to bring me back to the sublime movement. I beg for your blessings on this divine occasion. By your mercy, a most fallen soul like me can come back to the path of *bhakti-yoga*. I wish to have your blessings so that I am able to contribute to the mission to the best of my abilities.

Dear Srila Prabhupada,

Please accept my humble obeisances at your Divine Lotus Feet. Thank you, O commander in chief of Sri Chaitanya Mahaprabhu's transcendental Sankirtana army for giving me an opportunity to be an insignificant part of your immeasurable pastime in this mortal world. You are mercifully spreading the Glories of Sri Krishna throughout the whole world, which is the cure for the disease of material existence and you have mercifully chosen us to be a part of this divine mission.

It really makes the hair of my body stand on end when I think of our situation and how you chose us to be at the shade of your Lotus feet. Among the innumerable universes in this vast creation, between billions of stars and planets, you chose this one to spread your mercy and among the innumerable souls spread throughout the creation, very few fortunate ones get a human form on this planet. These two things occurring at an appropriate time simultaneously, It's so wonderful to imagine our good fortune, being blessed with an opportunity to be under your personal care.

Even after getting a rare human life, billions are still unaware of the treasure they have acquired. Very few among them are fortunate to recognize the Supreme. The chosen among these rare souls understand the supreme as a Person. Few among them surrender to Krishna in some capacity. Out of these few, one gets a guide and even after coming so far, they are swayed away by men desirous of Glory that actually belongs to You. You have mercifully protected us from all these calamities and given us shelter at your Divine feet.

*viṣān mahāgneḥ puruṣāda-darśanād asat-sabhāyā vana-vāsa-kṛcchrataḥ  
mṛdhe mṛdhe 'neka-mahārathāstrato drauṇy-astrataś cāsma hare 'bhirakṣitāḥ*

Queen Kunti and the Pandavas could experience the personal protection of Krishna due to their being pious, pure and qualified devotees of Krishna but, you have taken care of us equally even with us not having a pinch of those qualities. Krishna is the most merciful friend and well-wisher of His devotees and that Divine quality of Krishna has taken the form of Your Divine Grace for the benefit of the fallen souls of this world.

As Lord *Shiva* says to *Uma*, mentioned in the Skanda Purana,

*"Dhyana Moolam Guru Murti, Puja Moolam Gurur Pādam,  
Mantra Moolam Gurur Vākyam, Moksha Moolam Guru Kripa"*

May Your Divine Form be the root of my Meditation,

Your transcendental Lotus feet - the root of my worship.

May your words be the divine mantras that I chant and guide me, and

May Your causeless mercy be the root of my liberation from this entangled existence and the unbreakable cycle of birth and death.

I don't have any qualification what so ever to be in the midst of your disciples, I have no dedication for your service, my mind is always distracted, always hankering for material objects, full of pride and no compassion. But hopeful that one day, I will become qualified to be called a devotee and a disciple of Your Divine Grace.

I am thankful to Krishna for mercifully bringing me to you and I will eternally be indebted to you for giving shelter under your lotus feet, protecting me from the harsh and unforgiving cruel world which is designed to constantly punish the jivas that are averse to the supremacy of Krishna.

May your fame pierce the stone-hearted souls and soften their minds to understand the mercy and compassion of Krishna - that is YOU.

Aspiring to be the recipient of your uncommon mercy,

Your Servant,

Shyam Sundar Dasa.

Dear Srila Prabhupada,

I offer my respectful obeisances unto my eternal spiritual master who is very dear to Lord Kṛṣṇa on this earth, having taken shelter at His lotus feet.

*janame janame sabe pitā mātā pāya  
kṛṣṇa guru nahi mile baja hari ei*

In the transmigration of the soul through different bodies, everyone, in every form of life—be it human, animal, tree or demigod—gets a father and mother. This is not very difficult. The difficulty is to obtain a bona fide spiritual master and Kṛṣṇa. Therefore the duty of a human being is to capture the opportunity to come in touch with Kṛṣṇa's representative, the bona fide spiritual master. Under the guidance of the spiritual master, the spiritual father, one can return home, back to Godhead.

*akṣṇoḥ phalaṁ tvādrśa-darśanaṁ hi tanvāḥ phalaṁ tvādrśa-gātra-saṅgaḥ |  
jihvā-phalaṁ tvādrśa-kīrtanaṁ hi sudurlabhā bhāgavatā hi loke ||*

*The goal of the eyes is to see someone like you; the goal of the skin is to embrace the body of one such as you. The goal of the tongue is to sing the glories of one such as you, for great devotees of the Lord are rare in this world. (Hari Bhakta Sudhodaya 13.2)*

When Srila Prabhupada was in this world, devotees felt so sheltered and thus he could inspire them to give their very life. Devotees felt cared for because Srila Prabhupada was so personal with each & every one. He emanated a compassionate & caring mood on the personal level, seeing every living entity as part & parcel of Krishna. Thus, he inspired devotees to give their very life & soul in service to his mission. Sometimes, we can hear Srila Prabhupada's disciples recollect: "If Srila Prabhupada had told me to jump from the tenth floor of a skyscraper I would have done it." There is also the story when Srila Prabhupada introduced Malati Dasi to several Indian life members, saying: "She is willing to slit her throat for me, & I am willing to do the same for her." Many of Srila Prabhupada's letters end with the request: "Now take care of him very nicely".

Srila Prabhupada put great emphasis on caring for devotees, & in so many ways he set a personal example of this himself. He would sometimes inquire whether ladies had enough warm clothes, & he would personally bring saris for them from India. He was concerned about devotees' health situations, etc & spent so much time & energy counselling devotees & giving private coaching sessions. Every day he would spend time answering letters & giving very detailed instructions & guidance. Srila Prabhupada set the perfect example for us in how to give shelter & care, sacrificing himself by shedding gallons of blood for the spiritual nourishment of his young disciples.

In order to serve with heart & soul, we need to be protected & sheltered. If we are not sheltered, we will not be able to endeavour to our utmost capacity, we will hold back. We invest our emotions, our very heart, & to do this is only possible if we feel sheltered & protected otherwise, we can't. Being sheltered & protected means that we have faith that there is somebody interested in our spiritual growth, & nothing else. He will protect us from losing the balance within our spiritual practice, from overdoing it & not recognizing the boundaries, to what extent to sacrifice ourselves.

Thank you Srila Prabhupada for giving everything, by associating with you through your Transcendental Books, Lectures, Letters, Conversations, Memories etc, feeling greatly sheltered under your Divine Lotus Feet.

Your Insignificant fallen Servant,

Shyamala Kishore Dasa.

Dear Srila Prabhupada,

On the auspicious occasion of Vyasa Puja, the appearance day of your divine grace, please accept my humble obeisance at your lotus feet. “We think that we have met Your Goodness by the will of providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being. (Srimad-Bhagavatam 1.1.22)”

Artistic: In 1972, you taught the artists: “You can show in sequence in painting how Narada Muni is leaving the material body and accepting a spiritual body and entering into Lord Vishnu and again coming out through Brahma’s heart.”  
Forgiving: Upon hearing of a sanyasi-disciple’s difficulties, you wrote the following in a telegram, “My dear son....Please immediately come and live with me....letter follows. So, when you come here we shall talk in detail and according to the conditions we shall arrange everything. There is no worry. I am still prepared to accept you as my original disciple and if there is anything wrong, I am prepared to try and correct it so that your life may not be spoiled. Please, therefore, come here immediately and live with me.

*sri guru karuna sindhu, adhama janara bandhu, lokonath, lokera jivana;*

*ha ha prabhu koro doya, deho more pada-chaya, ebe yasa ghusuk tribhuvana.*

“O spiritual master, ocean of mercy, and friend of the fallen souls, you are the teacher of everyone and the life of all people. O, master! Be merciful unto me and give me the shade of your lotus feet. May your glories now be proclaimed throughout the three worlds.”

‘Being ordered by his father, Paraśurāma killed his mother, Reṇukā, just as if she were an enemy. When Lakṣmaṇa, the younger brother of Lord Rāmacandra, heard of this, He immediately engaged Himself in the service of His elder brother and accepted His orders. The order of the spiritual master must be obeyed without consideration.’ Rāmāyaṇa (Ayodhyākāṇḍa 22.9)

Dear Srila Prabhupada

Please accept my humble obeisance on this auspicious occasion.

This has been a roller-coaster year for me so far with many experiences worth building me up. There were many places where I see your reciprocations acting in my life through your devotees but certain incidences stand out which glorify your exalted position and I would be grateful to share a few words on this auspicious occasion.

One of the most stand-out events for me comes across the point when I was going through the Bhaktivedanta purports of the 10<sup>th</sup> Canto of Srimad Bhagavatam chapter 13. While going through this chapter, in the back of my mind was your physical health especially during 1977, when your external health started deteriorating when you had returned from Haridwar to Vrindavan. Even at one of the places you had discussed with one of your disciples that although your physical body was completely destroyed still you were able to relish transcendental happiness and this is what the scientist fail to understand. Even though I thought that because of your frail health, the last verses may not have had purports, but surprisingly in that very chapter, the longest purports were in the end. What was even more breathtaking for me was that when you were giving the very last purport, lying on the bed with all the devotees softly chanting Hare Krishna, still you were able to quote what Śrīla Viśvanātha Cakravartī Ṭhākura commented on the word locane perfectly. This purport with the background of the series of events which followed for your physical departure bought a firm faith in me that when we say that you are a perfectly self-realized soul, it is not simply a lip service. It is a reality and that is what you have shown that you were simply using your body as a dress to serve the mission of the Lord but were always serving Him on the transcendental platform. This event really showed me that you are a perfectly dhira personality.

Another purport which opened my eyes was Caitanya Caritamrita Madhya Lila 4.79, where you described two very important points and your desires also. The first is that you said that, ISKCON took 5 years to spread all over the world, but why does Krishna need 5 years, 5 days is enough for Him to spread His glories, name and fame all over the universe. Had I read this verse 6 month back it would not have impacted me so much, but seeing the present scenario it opened my eyes. If the whole world could come to a standstill with 5 days due to Corona Virus, what is the big deal for Krishna to spread His glories and fame all over the 3 worlds in 5 days? It will come to pass. The wait is only for us, your disciples to purify ourselves and be ready to handle this responsibility when you and Krishna see us fit to receive it.

Also, in this very purport 4 times you have expressed your desire that all of us serve the desires of the predecessor acharyas in the society of devotees, and you also warn each of us to not go out of this society. When we will try to preach the teaching of Chaitanya Mahaprabhu from within the society, we will surely be successful without a doubt.

My Lord, on this auspicious occasion, I only beg that may I serve you and the acharyas eternally in the society of devotees with the proper mood and consciousness of a humble and meek servant.

Your Servant, Subala Sundara Dasa.

Jai Srila Prabhupada,

All glories to you, I offer my dandvat pranams unto your lotus feet.

You have bestowed your mercy to the most fallen servant and changed my life from material to spiritual. I am really thankful to get your association in the form of your disciples.

Srila Prabhupada I am struggling hard in devotion because I am engaged in material association always. Kindly help me in this regard. You have always saved me, so kindly bless me that I may be able to maintain better quality in my devotion, along with book-reading and lecture-listening habits.

Srila Prabhupada, kindly bless both my children so that they will become your devotee and spread Krishna consciousness. Last year you have saved my child from a big danger. I am really thankful to you this whole life since you have given my son a new life. Never leave both my sons alone.

Srila Prabhupada, I am really very thankful to you for giving me initiation two years back as I think I am unqualified and foolish for the same. I really want to do service unto your divine feet so kindly bless me and my family. I am really thankful to you since you taught me about the Supreme Personality of Godhead Krishna, about whom, previously, I was so much confused.

Srila Prabhupada, please forgive me for my mistakes and show me the devotional path so that I will always associate with you. Finally, don't leave my hand as without you I am nothing. Hold my hand life after life. I will try to improve in reading books and listening to lectures. Since I am a little weak in this, please help me and show your mercy to achieve this.

Your most fallen servant,

Even though I am having no qualification, still, with your grace, I am able to continue in this movement. Dear Srila Prabhupada,

Please accept my humble obeisances.

Srila Prabhupada!! All glories to you. Once again I have been blessed to have the opportunity to present Vyasa – Puja offering. On this auspicious day of your appearance in this universe, jivas have been bestowed with the greatest boon of life and life has become glorious, else it was haunted by materialism and struggling for existence. Now by your causeless mercy life has some meaning and have access to the unlimited eternal asset of Harinam, Sadhusanga, Bhagwat Sravanam, Mahaprasadam, Dhama, Shelter in the association of Hari Guru Vaisnava Literatures and many more part of eternal transcendental life for which soul was hankering from time immemorial.

Srimad Bhagwatam explains about how Dhruva Maharaj approached Lord with a material motive to have kingdom but when he was being asked by Lord to ask some benediction, Dhruva Maharaj didn't desire anything except Lord being purified by the process of devotional service as instructed by his Spiritual master Narada Muni. Similar was me when your causeless mercy gave shelter to me and certainly, a transformation in material motives have taken a turn towards loving service to Krishna and executing your instruction. This makes me be strongly convinced and have more and more faith in devotional service by your causeless loving reciprocation in all aspects of life.

Srila Prabhupada !! By your mercy I am blessed to be in the association of Deities and Devotees, Please never let me to move from it and bless me to render pure devotional service without any offence to Hari, Guru, Vaishnava in the association of Vaishnavas life after life.

Srila Prabhupada, I am a foolish creature being haunted by materialism who doesn't have proper transcendental intelligence to glorify a Goloka personality like you suitably. Still being the duty of a disciple to glorify his Guru, I made a little effort for it. Please forgive me for the offences which I have committed.

Aspiring to be the servant of your servants, Sundarananda Dasa.

*om ajñāna-timirāndhasya jñānāñjana-śalākayā cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

Please accept my humble obeisance unto the lotus feet of our most illustrious Spiritual master, His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda, on this most auspicious time of his appearance. We are attempting this humble effort to thank him in some small way for the incomparable service he is doing all mankind.

You are the mercy incarnation of the Supreme Personality of Godhead. Your only purpose is to propagate the message of Krishna and to deliver the fallen souls in this world of illusion, hypocrisy, sinful life, frustration, misery and suffering, because you carry with you the Bhagavad-gītā as it is, the message of Lord Krishna. Where there is the devotee, there is Kṛṣṇa, the supremely powerful, and victory is sure. you are passing on the message from your guru. In this way, you qualify as a bonafide Spiritual master.

Therefore, I must fall at your lotus feet in all humility, without personal prestige or motivation, and beg your merciful glance upon us. Without becoming your unalloyed and thoroughly devoted servants, there is absolutely no escape from the miserable conditions of material existence.

I am praying that you will bless me always as your humble servitor, and if ever I decide to deviate from the correct path of devotion, please beat me and drag me back to your lotus feet.

Your Servant, Tamohar Dasa.

Dear Srila Prabhupada,

O Divine mercy!

Please accept my most humble obeisances at your divine lotus feet on the auspicious occasion of your divine appearance in this world.

Your appearance in this world is benefiting all who come in contact with your Hare Krishna Movement. By your guidance, instructions and books you are always present in this world among the devotee community.

One thing that always came to my mind is that people present at the time when Krishna and Chaitanya Mahaprabhu appeared were very fortunate and I felt unfortunate that I didn't take birth at that time. But it is by your causeless mercy only that you make me realize about the holy appearance of Hare Krishna Nama-prabhu as nama-avatara.

The chanting of the holy name of Krishna is a very precious gift given by you to conditioned souls like me. And it is by your mercy only through which I'm trying to benefit myself by serving the holy name of the Lord.

O Gurudeva! Please give me strength and blessing by which I can follow your instructions in the future also.

Your fallen servant, Tusta Krishna Dasa.

Hare Krishna,  
All glories to Guru and Gauranga!  
Please accept my humble obeisances.

With following divine lexis which come from the deep feeling of my subconscious mind, I offer my respectful obeisances unto the lotus feet of my spiritual master and unto the feet of all devotees.

In the past, during the middle age of my life, I was living my life full of confusion, misery, and melancholy in this material world.

By the grace of Lord Krishna and elegant shelter of Bhaktivedanta Swami Prabhupada, seven years ago I got associated with the Krishna consciousness movement. During this journey my darkest subconscious mind glimmered with spiritual awareness due to the inclusion of *Bhagavad-gita* and *Bhagvatam* in my day-to-day spiritual life.

Now my illusion has gone to a large extent, and I am acting peacefully with uncontaminated spiritual devotion in my day-to-day life according to the driver of countless universes Lord Krishna, under the spiritual management of the Krishna Consciousness movement.

I express my gratitude by thanking my spiritual master Bhaktivedanta Swami Prabhupada for introducing me to myself and showing me the right path of Krishna consciousness.

Your servant, Vedmayi Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisances.

I am writing my Vyasa-puja offering for the seventh year now. When I wrote my first Vyasa-puja offering, I was wondering what it means to write Vyasa-puja offering. I had a lot of IFs and BUTs but then over time, I realized the importance of Vyasa-puja offering. When I came in touch with Krishna consciousness, I was confused as to how I can adopt Krishna consciousness so easily, but it all happened by your causeless mercy.

The world is now fighting with a deadly virus. Death has now become so cheap and so costly also. Cheap because it will not even allow our dependents to complete the final rituals and costly because even after so much of expenses, there is no guarantee that our life will be saved. You rightly mentioned in many lectures, *padam padam yad vipadam*. When a very small living entity can threaten our life, how can we think of a comfortable life in this material world?

People are so much confused as to what they shall do to get rid of death, but there is hardly any option they have, except, this Krishna consciousness. Srila Prabhupada, by your mercy, we can at least comprehend the best out of the bad bargain. Sometimes I wonder how nicely you have introduced this Krishna consciousness that everyone can engage himself/herself in devotional service regardless of position, social order or talent. You have already identified the complexity of the modern age and accordingly engaged us in devotional service. You have taught us how to make our desires align with the desires of Guru and Gauranga.

Inspired by your teachings, Srila Prabhupada, I am trying to engage myself in educating new generations with Krishna consciousness up to whatever extent I can. I am trying to constantly improve my *sadhana*. The only goal I have now is to serve your mission.

Seeking your mercy,

Your Servant, Vidura Dasa.

My dear spiritual master Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to Srila Prabhupada.

You picked up me among millions of people and changed my life. It's only because of you that I got a chance to chant the holy name of The God. It's your mercy that you have given me a chance to become your disciple.

Srila Prabhupada, I have listened to one of your past times, where you asked a small kid "Who is God?" and kid easily replied that The God is KRISHNA, Because of your mercy. Same incident happened with me and my 3 years old daughter. When my mother started worshipping "Sai Baba" Suddenly my daughter came and I asked her "Avisha! Do you know, who is God? She instantly replied and said "KRISHNA"

I am so glad to share this incidence because of your mercy that she knows who God is at the age of 3 years. While even I knew it very lately. Srila Prabhupada, as you know that Corona is spreading everywhere and of course all of us (who are anyhow attached to the temple or Sri Sri Krishna Balarama) got a good opportunity to improve our devotional activities. As temple devotees also tried their best to keep us engaged in the spiritual and devotional services. Although we have missed a lot of temple functions and services and maybe we will miss "Janmashtami" and "Nandotsav /your birthday celebration" at the temple. We all are missing the temple.

Srila Prabhupada! I am still practicing to engage myself in devotional services and still, I am facing some problems. So please keep your mercy on me and my family.

Your Servant,

Vipin Purandar Dasa.

My dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada!

Srila Prabhupada, nothing is unknown to you about this soul, still, so much tolerance do you carry. You are unlimitedly compassionate about me and that gives me a feeling of BE RESPONSIBLE. Preaching is easy but implementation is another field, which is far away to reach. But one nice hope I have developed, and that is "STAY WITH VAISHNAVAS, you will be corrected". Vaishnava community is a nice gift to a devotee. And this gift is simply a wonderful blessing of Your Divine Grace. I am blessed in continuing my devotional life with the association of Vaishnavas.

You always say, "Your love for me will be shown when you push on this movement, in cooperation with devotees." COOPERATION with devotees is a challenge, and I am miserably failing in this. Hope you show some light about this. In these ten years, you taught me hundreds of things by putting me in different time, place and circumstances. Kindly tolerate and guide me Srila Prabhupada.

Recently I was assigned new services, opening new gates of learning. This is definitely your transcendental arrangement to teach me about Vaishnavas, finer aspect of community, and many more things which only you can know. When I manage very small things in the community, I think about you—how wonderfully you managed a worldwide movement. Then I realize spiritual potency is highly needed. Kindly be merciful to reduce my dependencies upon these so-called skills but to fully depend upon your mercy. I contemplate your magnanimous heart, tolerating weakness of the devotees and guiding them with love and care. I remember one incident where you were telling one devotee, when he was about to leave the movement, and asking from your Divine Grace, "Srila Prabhupada can I come back?" You said, "How can I reject or neglect you?" You once quoted that when somebody leaves the movement, the spiritual master simply cries about his inability to retain the conditioned soul.

Your heart, which is so caring, compassionate, and ready to sacrifice everything for the devotees' spiritual progress is just mind-blowing. In beginning the movement in a foreign land, your series of struggles, always praying to your *gurudeva* HDG Srila Bhaktisiddhanta Saraswati Thakura Goswami Maharaja, always pushing this movement and wanting the same from each devotee, inspires me. And that inspiration, though not in me, but in each devotee is the life and soul of this movement. Srila Prabhupada kindly help me and be merciful upon this soul.

Srila Prabhupada, a lot many corrections are required in me.

Let my life be sacrificed in thinking of pleasing you.

Let my life be sacrificed to help those who are serving you.

Let my life be sacrificed to make your desires my desire.

Kindly engage me in your divine service and save me from Vaishnava offences. Yes Srila Prabhupada, please save me from Vaishnava offences, since, on my own, I am unable to do the same.

Your servant,

Vishnu Murti Dasa.

श्री गुरुदेव श्रीला प्रभुपाद के चरणों में कोटी-कोटी दण्डवत प्रणाम ।

आदरणीय गुरुदेव, आपकी मुझ पर जो कृपा रही है उसे शब्दों में वक्त नहीं किया जा सकता है, गुरुदेव फिर भी मैं कुछ शब्द लिखने की कौशिश कर रही हूँ । गुरुदेव जैसा की वैष्णव भजन में कहा गया है - “संसार दावानल लीढलोक त्राणाय कारूण्य घनाघनत्वम्” उसी तरह इस भौतिक जगत में मैं दावानल से पीड़ित थी, गुरुदेव आपने ही मुझे इससे बचने का मार्ग दिखलाया ।

- आपने ही असत्य विज्ञान से भरे जगत में वास्तविक “आत्म-साक्षात्कार का विज्ञान” दिया।
- झूठे प्रलोभनों से भरी दुनिया में आपने हमें “कृष्णभावनामृत - एक अनुपम उपहार” दिया।
- मिथ्याप्रेम से भरे जगत में आपने हमें सच्चे प्रेम के भण्डार “रसराज श्रीकृष्ण” के बारे में बतलाया।
- जन्म मृत्यु जरा व्याधि से भरे इस जगत में आपने हमें “जन्म - मृत्यु से परे” उपचार बतलाया।
- प्रभुपाद जी आपने हमारी जिज्ञासा शांत करने के लिए “पूर्ण प्रश्न पूर्ण उत्तर” दिये।
- आपने हमारे जीवन के अज्ञानरूपी अंधकार को दूर करने के लिए “राजविधा-ज्ञान का राजा” का ज्ञान दिया।

हे गुरु देव आपसे हाथ जोड़ कर नम्र निवेदन है कि मैं हमेशा आपकी सेवा में रहूँ, छल-कपट से दूर रहूँ, सरल हृदय हो मेरा, उसमें राधा कृष्ण करे बसेरा, यह विनती वृजेश्वरी राधा देवी दासी की, मानव जीवन सफल हो मेरा । धन्यवाद

Dear Srila Prabhupada,

Please accept my humble obeisances! All glories to you!

*nama om visnu-padaya krsna-presthaya bhu-tale srimate bhaktivedanta-svaminni iti namine  
namas te sarasvate deve gaura-vani-pracarine nirvisesa-sunyavadi-pascatya-desatarine*

In Srimad-Bhagavatam (3.25.8) Devahuti says to Lord Kapila, “Your Lordship is my only means of getting out of this darkest region of ignorance because You are my transcendental eye, which, by Your mercy only, I have attained after many, many births.” In your purport to this verse you write, “. . . if one is fortunate enough to get the association of a spiritual master like Kapila Muni or His representative, then by his grace one can be delivered from the mire of ignorance.”

Dear Srila Prabhupada, you have given yourself to everyone on this planet. Simply by reading your books, anyone can have your association. As long as your transcendental books are available, conditioned souls are going to be delivered from the mire of ignorance.

Our words can barely explain, but at least by trying to glorify you, we can hope for a drop of your mercy and inspiration. Your shining example is one of the greatest gifts you brought. Through it we are humbled, and because of it, we can see the standard of consciousness that every soul should aspire for.

And even though our quality of devotion and faith are hardly pure, we know that by clinging on to your lotus feet, we will surely make spiritual progress, at present in the form of your instructions. Countless fortunate souls are eternally indebted to you.

Dear master, thank you for allowing us to be part of your mission, for the opportunity to practice and spread Krishna consciousness. Thank you for giving us strength, enthusiasm, and guidance through your wonderful example and teachings.

We are in a blessed position. We have the help of your loving disciples and the daily association of countless enthusiastic devotees. Your situation was different. You started your preaching mission on your own, at an old age and in a foreign country. You had no support, no association, no money. A. C. Bhaktivedanta Swami Maharaja—whom everyone knew and respected in Vrindavan as a distinguished scholar and devotee, who had an open invitation to see the Vice President of India and many other notables. He was homeless on the street. It is proof of your exceptional patience and faith that you persevered in such difficult circumstances. By material calculation, everything seemed hopeless, but with full faith in the instruction of your Guru Maharaja, you found some souls with sincere hearts. The success of your preaching was guaranteed by your most humble character.

Please bless us so that, inspired by your unique example, we can get the strength to humbly cooperate as we carry on with our service unto your divine lotus feet!

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to you on this auspicious day of your appearance. Srila Prabhupada, you are the only person who can rescue us from this dark well of the material world. After billions and billions of births, I have come to know about Krishna and my real constitutional position because of your causeless mercy. You always say that Krishna consciousness is a very very rare opportunity, one gets it after many many births.

*"bahunaam Janamnaam ante Jnanvaan maam prapadayante "*

From last one year, I have come to know more about the importance of Guru, Sadhu and Sastra especially Sadhu. At each and every stage Sadhu plays a very crucial role in our advancement. Sadhu attracts us towards Guru and Sastra by explaining the guru teachings more elaborately. He helps us to know about our relationship with guru and Krsna, power of a holy name, Krishna consciousness pleasure and happiness as our real treasure house. Sadhu nourishes the seed of bhakti in our heart and also provides suitable minerals timely to speed up our seed growth. This is a great opportunity to come in direct touch with Lord and this is only possible because of Guru and Sadhu help. Only very few are blessed to be part of this and I am one among them who is blessed by your causeless mercy. Because of your mercy, the omnipotent Lord is coming on my tongue. Prabhupada helps me so that I don't miss out this golden opportunity to come out from this hell. I want to go Back to Godhead in this life only because I don't know when will I get the next opportunity. I pay my humble obeisance to the lotus feet of greatly empowered, infinitely compassionate and my eternal well-wisher A.C. Bhaktivedanta Swami Srila Prabhupada.

Your Insignificant Servent,  
Bhakta Abhishek.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

I was that guy who thought to do something big in his life but some circumstances always hit me throughout the field. Srila Prabhupada, my life was full of difficulties, problems, and troubles, questioning why am I living, I didn't know anything, and then one day I went to ISKCON temple Akshaya Patra. I have seen changes in my life and then met the ISKCON priest, talked to him, and they explained to me about who KRISHNA is, why we are living in this material world. Then they gave me the HARE KRISHNA MAHA MANTRA and I started chanting *HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE HARE RAMA HARE RAMA RAMA RAMA HARE HARE*. The first day I did four-five malas, but it was not enough. As I was told to do 16 rosaries every day but I could not do it. But the interesting thing is that I had to tell prabhu what I did every day. If I didn't have to tell them about my daily routine, I might not be able to do it. Still learning a lot from them, I would thank him before I thank you Prabhupada and Krishna. Because they told me about Krishna and you. Now I sincerely hope that I will achieve my goals. Because Arjuna won the Mahabharata war by holding Krishna with him. My fight is much easier than his. I would pray to God to be with me.

I am thankful to you, Prabhupada who spread holy name HARE KRISHNA all over the world. I have so many things to say but this page will fall short. There have been many changes in my life. A lot of things have made me grow stronger and smarter than before. My effort will be that my relationship with Prabhupada and Krishna will last till my last breath. I beg for your mercy again and again.

Your eternal servant,  
Bhakta Abhishek Kumar Thakur.

जय श्रील प्रभुपाद,

कृपया अपने चरण कमलों में मेरा विनम्र प्रणाम स्वीकार करें। श्रील प्रभुपाद जैसे अद्वितीय व्यक्तित्व का वर्णन करने के लिए शायद मेरा पूर्ण जीवन भी कम पड़ जाये। वे बहुत आकर्षक मूर्त थे, जिनके दर्शन मात्र से मन मोहित हो जाता है। वे एक सज्जन, साधारण किन्तु अद्भुत चरित्र के स्वामी थे। भगवान के दूत थे। इस कलियुग में सामान्य जनता कृष्ण की बहिरंगा शक्ति द्वारा मोहित है और उसे यह भारंति है कि भौतिक सुख सुविधाओं की प्रगिति से हर व्यक्ति सुखी बन सकेगा। इस भ्रांति को दूर किया और श्रीकृष्ण के वास्तविक स्वरूप को सम्मुख रखा। आपने ही शुद्ध भक्ति सिखाई है। श्रील प्रभुपाद की वाणी, पुस्तके, उपदेशों और उनके बताये आध्यात्मिक मार्गों पर चलने से व्यक्ति इस माया रूपी संसार से मुक्त हो सकता है। श्रील प्रभुपाद प्रायः समझाते थे, आध्यात्मिक गुरु के संगति करने के दो मार्ग है..1. शारीरिक उपस्थिति के द्वारा 2. वाणी अर्थात् उनके आदेशों के द्वारा इस माध्यम से व्यक्ति सतोगुण, रजोगुण तथा तमोगुण को जान सकता है। जो व्यक्ति शरीर, आत्मा तथा इनसे भी परे परमात्मा के अन्तर को समझ लेता है, उसे इस भौतिक जगत से मोक्ष प्राप्त होता है।

श्रील प्रभुपाद द्वारा संचालित कृष्णभावनामृत आन्दोलन से जुड़ने का मुझे सुअवसर प्राप्त हुआ। मैं उनके बताये गये निर्देशों का पालन कर अपनी आध्यात्मिक चेतना को जागृत व प्रगति कर रहा हूँ। ब्रह्म मुहूर्त में उठकर श्रील प्रभुपाद के लेक्चर सुनकर दिन की शुरूआत करता हूँ। उनकी वाणी जो सीधे बैकुण्ठ लोक से आती है, वह अत्यन्त कर्णप्रिय है। वह मन को शांत व नकारात्मक प्रभाव को नष्ट करती है। उनकी द्वारा लिखी पुस्तकों को पढ़कर लोगो का जीवन उद्धार हो रहा है। मुझे उनकी पुस्तकों को पढ़ते समय हमेशा ऐसा अनुभव होता है कि वे स्वयं पढ़ा व समझा रहे है। मुझ जैसे तुच्छ दास को ऐसे विषेष अनुभव प्रदान करने के लिए कोटि-कोटि वन्दन।

आपका तुच्छ दास,  
भक्त अजय शर्मा.

Dear Srila Prabhupada,

With deep appreciation and humbled by your extraordinary mercy, I offer my humble obeisances unto your lotus feet. All glories to your Divine Grace!

I am unable to find the words which can glorify the messenger of the Supreme Lord and for me who is not different from the lord himself. I thank you for tolerating such a fallen soul like me who is always struggling in the realm of maya to have a little faith in the holy name and devotees, it is actually your causeless mercy for a conditioned soul like me. You gave me abundant spiritual wealth and are continuously giving it till now. The most priceless gift that I received from you which made my life beautiful and happy is Bhagavad Gita. Bhagavad Gita made me feel protected and gave me shelter from the blazing fire of this material world. You gave me the real transcendental knowledge and essence of Bhagavad Gita. By the torch of your purport, my voidist theory of Supreme got vanished and I found Krishna by your mercy to love and serve.

You taught me how to love the Krishna by devotional service. You made me understand that the holy name of Krishna and Krishna himself are non different. You gave the process of cleansing the dirt of the heart. i.e. chant holy name. I pray that you will not give up on me as I struggle to make progress. I pray that you will continue to bless me with the desire to chant the holy name. I request you to bless me with the association of vaishnavas and the association of your 'Vani'. You are my Saviour. Please, keep me under the shade of your lotus feet. You and your devotional journey is an inspiration for me how you struggled to deliver the fallen conditioned soul like us. I promise you to try my hardest to be useful in your service by following the instructions given by you. Again Thank you! All Glories to My Guru Maharaj Srila Prabhupada!

Your humble servant of the servant and trying to be your disciple,

Bhakta Ajay Yadav.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this auspicious day of Vyas Puja.

With your causeless mercy, I could understand the purpose of life. Before practicing the process of Krishna consciousness there was no specific goal.

You have planted a seed of devotion in my heart through your books. By doing the chanting, so many desires settle down. Due to the association of Devotees, I always get the strength to continue my journey on this spiritual path.

Without your blessings it is not possible to continue any activity at all, I pray for your causeless mercy forever.

Dear Srila Prabhupada,

On this most auspicious day, please accept my humble obeisance's, and kindly forgive my offenses. Although I am an insignificant disciple of your Divine Grace, and full of faults, still I am constantly awaiting your causeless mercy to be bestowed upon me. I have never given up my faith, or my love, nor the hope that someday I may be your worthy disciple. As you know my daily prayers always include the words "please forgive my offenses", as I am always feeling myself unworthy to be receiving your mercy. Srila Prabhupada you have been the one constant in my entire adult life, my best friend and ever well-wisher. And I remain chaste to you, my lord and master, unconditionally. Today I was reading from the Letters books, and there was one letter dated November 12th, 1968 addressed to Malati that is the basis for my offering today. In this letter you said; "Yes, we should always think of ourselves as the most fallen, the most ignorant and it is simply by the mercy of Lord Caitanya that we have even the opportunity to serve Krsna. We have no qualification of our own; it is simply by the merciful glance of this most munificent appearance of the Supreme Personality of Godhead, Sri Caitanya Mahaprabhu, that we have been given the chance to serve Radha and Krishna"

Due to your great humility, you give the credit to Lord Sri Caitanya, but I think it is simply by your mercy that we have received the benediction of Lord Sri Caitanya. It was you who brought a trunk of Srimad Bhagavatam books to the West, to

open our eyes with the torchlight of knowledge. And it was you who first brought this chanting of the Hare Krishna Mantra to Tomkins Square Park and due to your beautiful and pure chanting of the Holy Names of God caused the young Bramananda das to dance under the Hare Krishna Tree. It was you who turned the most fallen and most ignorant western hippies into vaisnava scholars and priests. It was simply by your munificent appearance and merciful glance, that the most fallen in this age were given the chance to know Lord Caitanya, and thus were given the chance to serve Radha and Krishna. Srila Visvanatha Cakravarti Thakura, a great acarya in the line of Lord Sri Caitanya Mahaprabhu has written, "By the mercy of the spiritual master, one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement" Therefore, without your help, no one can become free from the cycle of repeated birth and death.

So on this most blessed day, your appearance day celebration, please accept my humble obeisances again and again, kindly forgive my offenses, and continue to guide me as my captain with your books, as maps, to steer me through the rough waters of this dangerous age of Kali.

Bbegging to remain your eternal servant,

Bhakta Anand Singh.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to Your Divine Grace on this auspicious day.

Dear Srila Prabhupada, it is said by the Vaishnava acharyas that even the most intelligent man cannot understand the plans and activities of a pure devotee. The exact words are vaiṣṇavera kriyā mudrā vijṣe nā bujhaya. So how is it possible for a fallen conditioned soul like me to describe your glories which even the most intelligent men cannot understand. It is out of your unparalleled compassion, you give us a chance to glorify Your divine grace so that we can advance in spiritual life. Lord Shiva says that among all worship, Vishnu worship is the highest, but even higher than that is the worship of His pure devotee. The exact words are :

*ārādhānām sarveṣāṃ viṣṇor ārādhanaṃ param tasmāt parataraṃ devī tadīyānām samarcanam*

So I consider myself very blessed that I got this opportunity to glorify Your divine grace. A Vaisnava is para-dukha-dukhi. In other words, he has no personal troubles, but he is very unhappy to see others in trouble. Prahlada Maharaja has said, "My Lord, I have no personal problems, for I have learned how to glorify Your transcendental qualities and thus enter a trance of ecstasy. I do have a problem, however, for I am simply thinking of these rascals and fools who are busy with maya-sukha, temporary happiness, without knowledge of devotional service unto You."

Dear Srila Prabhupada, this excerpt clearly explains how much compassion you have in your heart for all of us. You spent sleepless nights just to write books for us, you tolerated all our gross offences just so that we can advance in spiritual life. Day after day you nurtured us and are continuing to nurture us, by your love, by your mercy and by your blessings just like a caring father who is very much concerned about the future of his child. Dear Srila Prabhupada, Your divine grace established 108 temples across the globe, you brought the great Jagannathan rath yatra in the western countries, you delivered thousands of lectures explaining the complex philosophy of Vedanta sutra in a very simple form which we can understand, you introduced the "Sunday Love Feast" and other prasadam distribution programs that provided millions of free meals to the spiritually poor people and you are continuing to do so, you established the world's largest publisher of Indian religious and philosophical texts, The Bhaktivedanta Book Trust, to exclusively publish Krishna literature in around 25 languages. Your divine grace achieved all these and countless more magnanimous achievements just in a span of 10 years, and that too at an advanced age of 70 years. All this is just unparalleled and has never been experienced in the history of humanity. I and countless souls have become eternally indebted to Your divine grace and this debt cannot be repaid by

any amount of service and surrender. I just pray at your lotus feet, to always keep me engaged in Your transcendental loving service, in whichever species of life I may be in, I only pray that I may be engaged in serving your divine lotus feet.

Your Insignificant servant,  
Bhakta Anant Singhal.

Dear Srila Prabhupada,  
Please accept my humble obeisances at your lotus feet,

This is my first offering and I am glad to write about your causeless mercy on me. I offer my respectful obeisances unto my Spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge. An ignorant person like me is not able to follow your instructions. seriously, follow your instruction of chanting, sadhana, and also doing practical service in movement. Srila Prabhupada recently there were ups and downs in my life and I conveyed my concern to you. Last year I got an opportunity and went to Mayapur to attend many programs in the temple. Srila Prabhupada, you said, "The secret of success in the spiritual life is to please your Spiritual master. Then, and only then can you be sure that Krishna is pleased." So Srila Prabhupada please give me spiritual strength so that I can serve you throughout my life as a menial servant and develop a real taste for chanting the Holy name. Please forgive me for my mistakes. Jai Srila Prabhupada.

आदरणीय श्रील प्रभुपाद जी,

सादर दंडवत प्रणाम, हमारे गुरु श्रील प्रभुपाद जी के आशीर्वाद से जीवन में सब कुछ ठीक चल रहा है। हमें मन्दिर से जुड़े हुए 4 वर्ष हो गये हैं। प्रतिदिन 4 माला का जाप कर रहा हूँ। मंत्रजाप से एक सकारात्मक ऊर्जा का संचार मेहसूस होता है। साथ ही साथ श्रीमद्भागवद्गीता यथारूप और श्री कृष्ण एक चुनौती, जीवन- मृत्यु से परे नामक पुस्तकों के अध्ययन से मन मे उठने वाले प्रश्नों के उत्तर स्वतः ही मिलने लगे हैं। जीवन में संतुष्टी और सकारात्मक विचार मन व मस्तिष्क में उठने लगे हैं। हमने लसन प्याज त्याग कर दिया है। रोज भगवान के भोग लगाकर प्रसाद ग्रहण करते हैं। बहुत आनन्द मिलता है। हमारी संस्कृति से जुड़ने और भगवान के रास्ते पर चलने का मार्गदर्शन गुरु महाराज और कृष्ण - बलराम मन्दिर द्वारा मिला। गुरु महाराज श्रील प्रभुपाद और मन्दिर का हमेशा ऋणी रहूँगा। सभी के लिए मंगलकामनाये। हरे कृष्णा

Dear Srila Prabhupada,

Please accept my humble obeisance at the most auspicious appearance day of Your Divine Grace. All Glories to Srila Prabhupada.

Lord Krishna spoke in the Bhagawad Gita that spiritual knowledge can only be understood by the parampara system through a bonafide spiritual master. You are a great ambassador of this system because you represented the spiritual knowledge most lucidly and in the most practical way which is very easy to be understood by even a low-class creature like me.

I am eternally indebted to Srila Prabhupada for showing His mercy upon me by allowing me to come in His movement and learn tenants of Bhakti Yoga and also practicing chanting Hare Krishna Mahamantra the only panacea for all problems of this age.

In my life, I come across various spiritual leaders and saintly persons but the influence that Srila Prabhupada has made upon my mind through His purports and lectures is not felt by me from anybody. Srila Prabhupada explains every detail of vedic knowledge in very easy language with the use of practical life examples so that one very easily relate to the topic and understands the purpose of the vedic literatures. His books are for every section of society be it simple village persons or the most learned ones, everyone can find a plethora of knowledge through His books.

Most often, while reading Srila Prabhupada books and listening to His lectures, I feel that he is directly instructing me. This thing highly inspires me for seeking more and more of His association. The assurances that he made in his purports inspires me to surrender myself more and more to His lotus feet.

At the end, I humbly pray to Srila Prabhupada that He kindly put me under His Divine shelter and empower me to carry out his orders throughout my whole life. Although I have no qualification, still I pray to Krishna that I always remain His lowly servant and carrying out His instructions be my only aim of life.

Begging to remain under the shelter of your lotus feet always.

Your Most Fallen servant,

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to you on this auspicious day.

A father usually tries to maintain his family and wishes to keep his family members happy and always satisfied. But a spiritual master is the father that considers the whole world to be his family and tries to satisfy the real identity of the beings "The Soul". Without a spiritual master, one cannot even imagine his real constitutional position, his goal, his purpose of getting a human life. And you, My dear Srila Prabhupada, has been so merciful to all the diseased human population and cured them of the biggest disease of sense enjoyment. The so-called world leaders are trying to make the world a better place but they have no idea that this material world is temporary and full of miseries. In such a dangerous and dark environment, your teachings and your instructions are a ray of hope to the whole humanity. Until your books are present in this world, many thousands of people can be benefited and perfect their human lives and go back to their original realm.

Its been four years for me knowing about you and your teachings. You always know what are the doubts running in my mind and where ever I am lacking, somehow or the other, you transcendently clear my shortcomings by any means. You have created such a beautiful institution and you are managing it so well such that the epitome of Krishna Consciousness can be achieved quite simply- Just chant, dance, and eat prasadam. Even a small child can do this and only by engaging in the activities of the organization, we are getting the opportunity to serve Krishna personally which is not easily available even to the demigods. The beauty of this Krishna Consciousness lies in the association of your devotees who are acting under your instruction and simply by associating with them, one can get benefitted which cannot be achieved by doing any activity within these three worlds.

You have always held my hand at any circumstance, although I am not even fit for living in Folk Residency among great co-practitioners, yet it is the mercy of yours and your humble disciples who are so compassionate upon me that they have always encouraged and helped me to be a better servant of Krishna. I am full of false ego and a very expert rascal in judging and criticizing other vaishnavas and you have made me realize these heinous activities in the journey of spiritual life.

So, I humbly request you to always make me aware of my position as a most fallen servant and let me never get puffed up or criticize other vaishnava. In this material world, there is danger in every step and there will be many disturbances in my life in time to come, but I simply pray that you always keep your glance over me and always help me to chant every day without fail. Let me be always attached to the kirtan and Krishna prasadam. Let me always be attached to your books through which I can take your personal association. And always help me to surrender unto my authority. Always save me from the severe crime of Vaisnava Offense. Let me always have faith in your words. Let me be a puppet whose strings are in your hands and make me dance the way you like.

Trying to be a humbler servant of your humble servants, Bhakta Apoorv.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Form the day I visited Akshayapatra, I have seen a change in my life. I have not realized your true glory but I have realized that I am unworthy to be your disciple.

My spiritual master, it is you whose teaching has taught me the purpose of this body. Your teaching has left no doubt regarding the existence of God.

With your blessing, I found myself out of the material world, which is full of selfishness, lust, anger, ego. With chanting the Holy Hare Krishna Mantra, I found myself in a peaceful life. In this auspicious day, I am in need of your mercy and blessings, without which I see no hope to come out of my sinful activities. Please forgive me for all my offenses which I have committed at your lotus feet by not sincerely following your instructions and bless me so that I can surrender my every breath in serving your divine instructions.

I beg you for your mercy again and again.

Dear Srila Prabhupada,

O my Spiritual Master,

Please accept my humble obeisances, All glories to you on this auspicious day of your Vyasa-puja.

I am very happy to write a new offering for your pleasure. Dear Srila Prabhupada, there are no words in this world to glorify your Divine qualities. I am so insignificant or dull headed, cannot understand your Divine pastimes or Lila. Srila Prabhupada you are so humble servant of the Lord Sri Sri Radha Krishna. As we can see throughout Your life how much risk and trouble, you were taking to establish real dharma or Krishna consciousness movement all over the world.

You are more merciful Acharya and so much compassionate upon the fallen condition soul, those who left Krishna, out of the envious and jealous. In that category, I am one of the jiva or soul.

Your mercy is like falling rain. But unfortunately, I am holding an umbrella made of Maya. I am most sinful Jiva, so I am taking Divine shelter of your lotus feet. Kindly excuse and forgive me, please.

I am always indebted to you Srila Prabhupada that you gave me such a wonderful opportunity to serve a pure devotee like you. Begging you again and again for giving me the strength and knowledge to take this Krishna consciousness seriously and push the glories Sri Chaitanya Mahaprabhu movement into my life with heart and soul.

Please accept my humble obeisance again and again and accept as your disciple and make me your servant of the servant of the servant.

Your insignificant servant,

Bhakta Avinash.

Dear Srila Prabhupada,

Please accept my humble obeisance.

I have been constantly tormented by my own desires, the reaction of my own past misdeeds, and the envious people surrounding me. The only solace which I have in this world is the nectar of your teachings and the shelter of your lotus feet. Other than these things I don't have any other refuge. I felt totally helpless, but your grace has always saved me.

The words which you have spoken in your literature has always directed me out of the nescience and towards the eternal bliss. Please bless me with the internal strength so that I can carry out your orders properly and make my life successful.

After realizing that my own efforts to cross this material world have been as futile as the efforts of a dwarf trying to catch the moon, I surrender unto you. Please help me by your causeless mercy so that I may attain devotion for the Lord.

Your humble Servant,

Bhakta Ayush Bhatnagar.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Although it is not possible to explain whatever you have given me, by Your mercy, I explain the fewer ones. You gave the highest among the highest, which is real & the only truth "Krishna Bhakti". You taught me what is real love - The love of Godhead.

*samsāra-dāvānala-līdha-lokatrāṇāya kārūṇya-ghanāghanatvam*

*prāptasya kalyāṇa-guṇārṇavasya vande guroḥ śrī-caraṇāravindam*

You are the ocean of mercy and only by your mercy, it is possible to cross this material world. Just like cloud who pours water on a forest fire to extinguish it & you are the only who deliver the materially afflicted senses by extinguishing the blazing fire of material existence. By your effort, nowadays bhakti is so easy to perform because you have created such a nice & smooth platform for everyone even the most fallen one like me can attain perfection. By your books, lectures you give us real and authentic knowledge in the simplest way. At the age of 70 even facing so many problems you established the Hare Krishna Movement for us where we practice nicely & uplift our consciousness. You are my real role model. Sometime before I use to think it is a coincidence, that I found your books online, then your online lectures, then somehow I reached Bangalore & got a chance to visit ISKCON Bangalore and after that, I joined folk Jaipur. But, after connecting dots, it seems like great planning. Even, I am not qualified to receive your mercy but still, whatever I have it's your mercy. So, please enlighten me & bless me to follow sincerely and reach Goloka Vrindavan one day.

Your humble Servant, Bhakta Ayush Kumar.

आदरणीय गुरुदेव श्रील प्रभुपाद जी,

मेरा आदरपूर्ण प्रणाम स्वीकार करे, है गुरुदेव, आप सब कुछ जानने वाले हो, आप के बारे में आपका यह दास कुछ कहे इतनी मेरी बुद्धि कहां, आपकी कृपा से मैं कृष्ण भक्ति में आया और इस मनुष्य जीवन का जो परम लक्ष्य भगवान कृष्ण की भक्ति करना व उनका प्रेम पाना है वो मैंने जाना। गुरुवर आप इस कालिकाल (घोर अंधकार) में ज्ञान के दीपक के समान है जो इस भौतिक संसार में फंसे मुझ जैसे तुच्छ मनुष्य को भी आप ने अपना बनाया और कृष्णभावनामृत की ओर अग्रसर किया। ऐसे तो इस नश्वर जगत में अनेक गुरु मिल जाते श्रील प्रभुपाद लेकिन एक प्रमाणिक(आध्यात्मिक) गुरु का मिलना भगवद कृपा के बिना सम्भव नहीं था। आपने उन कठिन परिस्थितियों में पाश्चात्य देश में कृष्ण भावनामृत की स्थापना की व इस माया के जाल में फंसे भोगवादी प्रवृत्ति के लोगो को भी आपने कृष्णमय बना दिया। उनका जीवन सफल कर दिया। ऐसा कार्य आप के अलावा ओर कोई नहीं कर सकता। गुरुदेव आप सर्वज्ञ हो। लेकिन लोक कल्याण के लिए आपने साधारण मनुष्य की भांति सब अलौकिक कार्य किए है। श्रील प्रभुपाद जी आपने अनेक पुस्तकों की रचना की जो इस भवसागर को पार करने के लिए एक दिव्य नोका के समान है। गुरुवर आपके इस सेवक पर अपनी कृपा दृष्टि ऐसे ही बनाए रखे। कृष्ण भक्ति में आगे बढ़ने का आशीर्वाद प्रदान करें और ज्यादा से ज्यादा वैष्णवों की सेवा का अवसर मिले। यही आपसे प्रार्थना है।

आपका नित्य दास,

भक्त भगवाना राम.

My Dear Srila Prabhupāda,

Please accept my humble obeisance. All glories to Your Divine Grace. Thank you Prabhupāda for introducing deity worship in the temple and spreading the knowledge of supreme Lord Sri Kṛṣṇa. Please make me a soldier in your glorious army of the Hare Krishna Movement.

It's been more than two years with Krishna Consciousness. I'm very glad that I have found a guru like you, you saw everyone as part and parcel of Krishna. You have changed my life. Now I am very positive and confident about my life. Thank you so much for everything from Prasadam to Chanting. Please keep your blessing.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Involving in Krishna Consciousness in today's world is a very difficult thing to do. Because today's world is full of miseries; unhappiness & sorrow. However, after I joined, I realized the real aim of my life; or I can say the real inner happiness, which lies within me, which I couldn't find it earlier.

Whenever I visit the temple, I feel peace, which is different from today,'s world.

After I had started chanting the Hare Krishna Mantra, my life has changed a lot. It even helps me to increase my concentration.

As we all know the Hare Krishna Movement is led by A.C.Bhaktivedanta Swami Prabhupada; he appeared in this material world in 1896 in Calcutta. He first met his spiritual master in Calcutta in 1922; Srila Bhaktisiddhanta Sarasvati, a prominent religious scholar and the founder of sixty-four Gaudiya Maths.

Prabhupadaji, you became his student and after gaining year-long spiritual knowledge; you wrote a commentary on the Bhagavad-Gita, assisted the Gaudiya Math, and after that started "Back to Godhead" in 1944.

In 1950, you retired from your married life and began to enlighten the world by your spiritual knowledge.

Before you disappeared on 14 Nov 1977, you had guided the worldwide society of more than hundreds of Ashrams, Schools, and Temples & Institutes.

The main characteristics of a spiritual person are the integrity of mind, knowing how to control the senses and mind, awareness, non-attachment from this material world, Silence, love, Courage & Meditation. the attitude of acceptance and be full in Krishna Consciousness.

One of the best characteristics of Prabhupada, which deeply affects me, is that he always stood opposed to Mayavada. He always says that we should not try to become God, but simply accept our subordination and surrender to Him. Krishna is the Supreme Personality of Godhead. He is not formless; He is eternally situated in His transcendental form (sac-cid-ānanda vigraha).

Becoming a Spiritual Leader like You is impossible in Today's life...for me it seems like in searching for small pebbles I have found some valuable jewel in my life.

Accept me as your small servant; Please provide me A spiritual life that is full of Krishna Consciousness and give me strength so I can control my senses and serve the lotus feet of Krishna.

I beg for your mercy again & again.

Your Unworthy Servant, Bhakta Bhupati Sharma.

प्रिय श्रील प्रभुपाद जी,

मेरा आपको दण्डवत प्रणाम, मेरी तरफ से आपके 126 वें जन्मदिवस पर बहुत-बहुत शुभकामनायें गुरुदेव आपकी कृपा पाकर मेरा जीवन धन्य हो गया है । इससे पहले मैं बहुत ही आलसी प्रवृत्ति का मनुष्य था । मुझे यह पता नहीं था कि मनुष्य के क्या कर्तव्य हैं जीव को मनुष्य जीवन किस कार्य के लिए मिलता है। सिर्फ इन्द्रिय भोग करना ही परम कार्य था ना सुबह उठाने का पता था और ना ही शाम को सोने का, सिर्फ मूवी देखना, न्यूज़ पेपर पढ़ना, फालतू बातें करना यही कार्य था। गुरुदेव मैं जुलाई 2014 में अक्षय पात्र श्री श्री कृष्ण बलराम मंदिर के संपर्क में आया यहाँ आने के बाद महसूस हुआ कि मनुष्य जीवन के क्या कार्य हैं । यहाँ आने के बाद मेरे समझ में आया कि मेरा भगवान् कृष्ण के प्रति क्या कार्य है तब से मैंसे नित्य 16 माला जप करना, मंगला आरती करना, तुलसी पूजा करना व गुरु पूजा करना किसी व्यंजन को भगवान् को भोग लगाना, भागवतं श्रवण करना, भगवद्गीता गीता पढ़ना ये सब कार्य कर रहा हूँ गुरुदेव प्रभुपाद जी मैं आपकी कृपा से हरिनाम दीक्षा लेने का प्रयास कर रहा हूँ मुझ बद्ध जीव पर आपकी कृपा सदैव बनी रहे।

आपका सेवक,  
भक्त बृजराज सिंह.

पूज्यवर श्रील प्रभुपाद,

आपके चरणों में मेरा दंडवत प्रणाम, आपका मेरे जीवन में बहुत उच्च स्थान है, जैसा कि मैं मंदिर के बहुत से कार्यक्रम और मंदिर में होने वाले कक्षाओं में सुनता था की आध्यात्मिक जीवन में आगे बढ़ना है तो, जीवन में एक प्रामाणिक गुरु का होना अति आवश्यक है। इस प्रकार मैंने आपको अपना गुरु मान लिया, आपको गुरु के रूप में पाकर मुझ में नई ऊर्जा आ गयी और मेरा आत्मविश्वास बढ़ गया। मुझे ऐसा लगा की सच में आध्यात्मिक गुरु के बिना जीवन बिना लगाम के घोड़े जैसा है। अतः हे गुरुदेव आप मुझ जैसे तुच्छ शिष्य पर हमेशा कृपा बनाये रखना और हमेशा मार्गदर्शन करने कि कृपा करना, मैं आपका सदा आभारी रहूँगा।

आपका दास,  
भक्त चन्दन कुमार.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to Your Divine Grace.

On the Eve of Vyasa-puja, I like to give my thanks to Srila Prabhupada for his unmatched simple explanation of *Vedas* scientifically. Though I have a small collection of Srila Prabhupada's books like Perfect Question Perfect Answer, The Matchless Gift, Journey of Self Discovery, Massage of the Gita for the student, and some article from Vedabase, with my limited knowledge, I am understanding some of the very basic truth of human life after the study of Great Srila Prabhupada's book. Otherwise all my knowledge base on my academic career definitely not able to provide me the guidance to find the absolute truth Lord Sri Krishna, the ultimate Godhead, The Adi and Ananta.

After studying the books I came to know, 'WHO I AM ?' and what should our main purpose of being a human, why should we utilize our all conciseness to go back to the ultimate Godhead, Why all of our all activities should be centric to Krishna? As human being this our best chance to get out of this Material world and out of death and birth circle. Maybe we can not achieve this ultimate goal in one single life but if we follow the guidelines given by the Jagat Guru (Srila Prabhupada) we can achieve spiritual life in next birth and become liberated from material contamination, The path shown by you is simply to try to be a true devotee of Lord Krishna, chant his name, do kirtana, associate with devotee and all the time glorify the God's kindness. The Maha-mantra for the living being of Kali-yuga, "Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare" What I feel This Mantra will give the strength at a time of death to remember Lord Krishna.

Your Servant, Bhakta Chandra Shekhar Barua.

Whenever I listen to your lectures I get enlightened with true spiritual knowledge, before it I was not satisfied anywhere. Finding you, now I am completely satisfied. You have taught me the path of Bhakti in an easy way so that anyone can reach God. You have explained Bhagavad Gita and other Vedic literature in a very easy way and you have translated them in an excellent and impressive manner due to that my heart wants to read them always.

Now I am feeling that whatever dirt was there in my heart now it is all getting washed away and slowly I am moving towards truth and enlightenment...these all are your blessings.

आदरणीय श्री श्रील प्रभुपाद जी के चरणों में मेरा कोटि नम,

श्रील प्रभुपाद जी की शरण ग्रहण कर मैंने 16 माला जपना, 4 नियमों का पालन करना, एकादशी व्रत करना, भगवान श्री कृष्ण को भोग लगाकर प्रसाद ग्रहण करना, सुबह की मंगला आरती, संध्या आरती और शयन आरती करना कृष्ण विषय की पुस्तकें पढ़ना और कृष्णभावनामृत का प्रचार प्रसार करना, दीक्षा की अनवरत शिक्षा ग्रहण करना सीखा। दिसंबर 2019 को मायापुर ट्रिप पर जाकर मेरे अंतर्मन में जो भी श्री कृष्णस्वरूप के दर्शन की अभिलाषा थी उससे मैं तृप्त हुआ। मैंने गुरुदेव का सानिध्य पाकर आध्यात्मिक जगत का आंशिक ज्ञान प्राप्त किया। उससे मेरा जीवन धन्य हुआ। और सदैव श्रील प्रभुपाद जी की कृपा का आशीर्वाद मुझे मिलता रहेगा ऐसी आशा ही नहीं विश्वास कर सकता हूँ। मेरे पथ- प्रदर्शक श्री श्रील प्रभुपाद जी मेरे समस्त गलतियों को क्षमा कर मुझ पर कृष्ण भक्ति की अमृत-धारा बरसाते रहें। धन्यवाद

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories unto you.

Four and a half years ago I came to know about you and the Hare Krishna Movement. Though I used to attend sessions on Sunday, I was such a fool that I chanted rarely. Maya continues to entangle me through lust and anger, but it is due to your extreme mercy that I am trying to practice Krishna consciousness now.

Whenever I read or hear from a devotee about you, my faith in you and Krishna strengthens even more. 5 years ago, I used to wonder, who is god, does he even exist, why he created us, and many other things related to it. And very soon after that I and my father met a devotee selling Bhagavad Gita, after which we attended Sunday classes, and gradually all my queries got resolved. I think this was your reciprocation to a fallen person like me. After this, the main purpose of my life got changed.

The purports and analogies you have presented are just perfect, nobody can cut through them. They are a constant source of knowledge for me. By again and again remembering how you spread Krishna consciousness to the whole world in just

12 years, again deepens my faith. I have so much in my heart to express to you, but it is impossible to express all your glories in just one letter.

Dear Srila Prabhupada, you are my only saviour. I am just a neophyte. Many times, I am driven by Maya in the wrong direction, but your teachings continue to guide me. Please show your extreme compassion to this fallen soul so that I could follow four regulative principles and continue to chant without fail. Without you, I am nothing. Please, please, engage me in your service. You are so kind that you accept everyone's service, I just want to serve you and your mission.

I don't know what I will do in future, sometimes I doubt myself that I shall be taken by Maya in future, I fear that I may leave spirituality, but I pray to you on your 124th Vyasa puja, let me be always engaged in your service and never give up chanting.

At this moment, this was all that I could express, pardon me for any offenses. JAI SRILA PRABHUPADA.

Trying to become your servant,

Bhakta Devanssh Agarwal.

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of your lotus feet. All glories to Srila Prabhupada.

Jai Gurudev, on the occasion of your Vyasa puja I would like to ask for your blessings. Please give me your blessings so I may protect and guide my family in Krishna consciousness.

Thank you for taking us to your shelter and for giving us the opportunity to serve in the mission of propagating the Science of Krishna Consciousness.

I did not have a proper goal in my life since I joined your mission then I got a clear vision and I also found the purpose of my life. I want to engage my life in the service of Lord Krishna and to follow your instructions in making my life successful in Krishna Consciousness.

Inspired by your purity, a soul may then enter the Bhakti laboratory and engage themselves in the process, but, if they decide to walk out the door and never do anything in devotional service again in this lifetime, you've made them much more fortunate than anyone else in a general population. You've fully realized the exclusiveness of devotional service and that's the standard of your preaching.

I am living in your shelter and trying to do a service every moment.

Your Servant,

Bhakta Devendra Kumar.

Respected Srila Prabhupada ,

Please accept my humble request unto your lotus feet.

For the first time, when I visited a Damodar temple at Jaipur, I attended the first class called the "ART OF LIVING which changed my life. After that, I attended all the classes as a regular student. I have visited Sri Sri Krishna Balaram temple at Jagatpura, Jaipur. I haven't realized your true glory but I realized that I am unworthy to be your disciple. Your disciples are working hard day and night to expand your glories and urging people to come out of his material world which is full of miseries and to make use of his body for the right purpose. My spiritual master, it is you, whose teaching has taught me

the purpose of this body. Your teaching has left no doubt regarding the existence of God. Your blessing is like water in this material world, which is full of selfishness, lust, anger, and ego. Whenever I get any problem, I remember you and chant the holy Hare Krishna mantra. These activities made me feel good. I am convinced so much from your teaching that I have written a research paper in my college regarding the existence of God. This term has received appreciation from my professor. With your blessing, my life has become simpler in this material world.

On this auspicious day, everybody is glorifying you but I am in need of your mercy and blessing, without which I see no hope to come out of my sinful activities. Please forgive me for all my offenses which I have committed in being at your lotus feet by not sincerely following your instruction and bless me so that I can surrender my every breath in serving your divine instructions.

I beg you for your mercy again and again

Yours Sincerely, Bhakta Devendra Kumar Sen.

Dear Gurudev Srila Prabhupad,

I bow down to your lotus feet with great care & attention. Kindly accept my humble obeisance to your lotus feet.

Gurudev, you are the savior of the whole world. I was wandering to & fro as an untamed horse in this material world but fortunately I came in touch with you & then I came to know the actual goal of my life. Your teachings changed my life & gave me a direction to progress on the spiritual path.

It's you only which has enlightened a lamp of Krishna Bhakti & Krishna Prema in my heart. I don't have words to express my gratitude for your causeless mercy on this fallen soul, me.

O Gurudev, now a days, I am not performing the bhakti-sadhna as per your instructions & ignoring the principals like performing Mangala Aarti, chanting 16 rounds, association of your devotees which is weakening me on the path of Krishna Bhakti.

O Gurudev, I beg to say you that kindly be merciful unto me & my family also same as you showered your causeless mercy on the disciples in western world. Please give us the boon for Bhakti & Prema to your lotus feet.

I would conclude my offerings with these words:

*"Mere Sir par rakh do Guruvar apne Ye dono haath, Mere Si par rakh do Guruvar apne ye dono haath!*

*Dena ha to dijiye Janam-Janam ka Sath, Dena ha to dijiye Janam-Janam ka Sath!! "*

श्रील प्रभुपाद जी दंडवत प्रणाम सादर प्रणाम स्वीकार करें !

गुरुदेव श्रील प्रभुपाद,

माता-पिता का मान बढ़ाकर, ज्योतिषी वाणी को चरितार्थ किया, विशाल भारत देश ही नहीं, विश्व व्यापक प्रभु पाद बने। रथ यात्रा की अभिलाषा से, घर में रथ का निर्माण किया, अष्ट दिवस की रथ यात्रा में, जगन्नाथ का ध्यान किया, कीर्तन करते, मृदंग बजाते, जगन्नाथ का गुणगान किया। पहली भेट की एक रात में, हृदय में, गुरु ने वास किया चैतन्य महाप्रभु का संदेश सुनकर, जन-जन को, महामंत्र का दान किया। सरस्वती गोस्वामीजी से शिक्षा पाकर, गृहस्थ से अवकाश लिया, वृंदावन धाम की यात्रा करके, ठिकाना मंदिर राधा दामोदर पाया। भगवत पुराण का अनुवाद करके, वर्ष उन्नीस सो पैसे में, गुरु आदेश का पालन हेतु, अमेरिका को प्रस्थान किया। रचा अंतर्राष्ट्रीय कृष्ण भावनामृत संघ, निर्विषेवादियों का उत्थान किया। आपके कुशल निर्देशन में, एक सो आठ मंदिरों का निर्माण हुआ, शिलव्यास देव को आदर देने, भगवद्गीता यथारूप का अवतरण किया। भक्ति वेदांत को प्रकाशक बनाकर, कृष्णा के महान

ग्रंथो द्वारा, हम पतितो का कल्याण किया। अपनी अवस्था के अंतिम चरण में, छह महाद्वीपों का भ्रमण किया, हिप्पियो को हेपिज बनाकर, भौतिक और निर्विषेवादियों का उद्धार किया।

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. It is only because of your divine grace I got the opportunity to serve Lord Krishna. It was only by your books I understood that the purpose of this human life is to serve Lord Krishna. I just can't imagine what would be my state in this dangerous world without your mercy upon me. By reading your books, I am coming out from darkness towards light. I offer my respectful obeisance unto your lotus feet. You are the Guru in the Disciplic succession of Brahma-Madhva-Gaudiya parampara, obeisance unto your lotus feet for spreading this transcendental knowledge throughout the world for the upliftment of the fallen souls like me. I offer my respectful obeisance unto your lotus feet. Once I heard about your pastime, that, Lord of the Universe came to garland You, I was wonderstruck by listening to this pastime. I offer my respectful obeisance unto your lotus feet. I felt no difference between the words spoken by You & Your actions. You worked very hard to spread this transcendental knowledge. You are the great logician & an obstinate debater. You are very merciful upon the fallen souls. I offer my respectful obeisance unto your lotus feet. I never felt your absence dear Prabhupada. You are always present with me in your speech. You every time clear my doubts through your books & bring peace into my heart. Whenever I feel restless I read your books which helps me to overcome such situations. I get energy by reading your books & enthusiasm to serve Lord Govinda. When I was grief-stricken, you helped me to overcome that situation. You are the one who cuts the attachment from this material world. I pay respectful obeisance unto your lotus feet.

I knew Hare Krishna Movement temple, Akshaya Patra -Jaipur from past 05 years, but in those 05 years, I only visited the temple for taking darshan of the Deities regularly. Next, I started doing services in the temple and started Japa also. I read the book called "Beyond Birth and Death", The Bhagavad Gita, and others, it inspired me a lot, so now I'm chanting 16 rounds daily because of you Srila Prabhupada, for which, I'm very grateful to you. Today I am feeling very fortunate to get another opportunity to glorify you, our spiritual master. Really, it is a great causeless mercy of yours, that I am part of this movement and when I look back to my life I get surprised what I was and what I am now, this is all because of your mercy. But I am ignorant after all, having a diamond with me, I don't know the value of it. Whatever you have done to me Prabhupada, I cannot pay back to you even in my life afterlife, yes, you are my spiritual master life afterlife. Today on the eve of the appearance day of yours, again I promise myself the oath which I had taken in front of you and all the Vaishnava devotees, that I will chant 16 rounds daily without fail. Hare Krishna.

Your Servant,  
Dinkar Ramdas.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet on the auspicious occasion of your divine grace's 124th appearance day.

Dear Gurudeva, in this material world which is compared to the darkest existence of nescience you are giving the right direction to conditioned souls through your servants (Full-time devotees) how to live a life depending on Lord Krishna's mercy. Due to your mercy upon a fallen soul like me, I could accept Krishna, the Supreme Personality of Godhead as the source of the entire creation. Because of you only such a huge movement could come up and making millions of devotees. You are the only reason who awaken my sleeping eyes to the transcendental knowledge about Krishna and Krishna's divine past times but due to my incapability, I could receive very little. O Gurudeva, without your mercy, there is no hope for conditioned souls. Kindly be merciful upon me so I can progress in devotional service (Krishna consciousness).

Your humble servant,

Bhakta Gajendra Tailor, HKM Jaipur.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to you!

Thanks, Srila Prabhupada for coming to this material world for saving us. Thanks for guiding us, teaching us, and showing us the easiest way to find a permanent solution to our miseries, sorrows, and material problems which is Krishna Consciousness.

We were in complete darkness and we're struggling for peace and happiness. You came and distributed eternal happiness which is the service to the lotus feet of Lord Krishna and his servants.

I was in complete darkness and used to think that the way to supreme abode is next to impossible and only tapasvis or Sannyasis can attain it.

But, Oh My Most Merciful Master, you showered your mercy on me and showed the easiest way - Bhakti Yoga. With all your mercy, I now believe everyone can be a devotee of Krishna and can be freed from all problems of life.

Dearest Srila Prabhupad, you know that we're the most fallen souls. Still, you're giving us the chance to reach out to Shri Radha Krishna. This is all your mercy. Otherwise who in the world will even allow us to have darshan of Shri Radha Krishna. Oh My Most Merciful Master, you made Krishna Temples all around the globe so that everyone gets benefitted.

Thank you Srila Prabhupada,

Your Servant, Bhakta Gajendra Chauhan.

Oh my eternal Gurudeva,

*namas te sarasvate deve gaura-vani-pracharine nirvishesha-shunyavadi-pashchatya-desha-tarine*

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at his lotus feet. Our respectful obeisances are unto you, O spiritual master, servant of Sarasvati Gosvami. You are kindly preaching the message of Lord Chaitanya deva and delivering the Western countries, which are filled with impersonalism and voidism.

By the mercy of the Guru, even a dumb man becomes the greatest orator and even a lame man can cross mountains. As advised by Lord Brahmā, one should remember this *śāstric* injunction if one desires success in life. I feel very blessed that I came in touch with the Hare Krishna Movement and took shelter of your lotus feet. Reading your books have changed my life forever. It changed my perception of life, I am now a better person. Reading your books and attending *aartis* and *kirtanas* has made me get rid of my anxiety and all kinds of depression. Now I know how to make my life simple and happier. As you have thought, I never forget about Krishna and I think of Krishna all day. You freed me from useless lamentations and bondages of this material world. I am now learning to control my senses and all this is possible just because of you, Srila Prabhupada. Your teachings in your books and devotees in the temple have helped me reach this stage. I can now see the right and wrong in everything we do. One day soon I will become perfect in Krishna Consciousness and I promise to serve you and Krishna throughout my life. Due to my work schedule I may not have read so many of your books, but just reading only 2 -3 small books have changed my life forever. Whenever I read your books and listen to your lectures and *kirtanas*, I just feel ecstatic and blessed. I solemnly thank you so much for giving me the shelter under your lotus feet. If I ever do anything wrong or could not progress in this process, then punish me but please do not leave my side. Keep me under your lotus feet forever and ever. Thank you for being so merciful on me that you have given shelter to a foolish person like me. No words can describe how grateful I am to you.

कृप्या अपने चरण कमलों में मेरा विनम्र प्रणाम स्वीकार करे गुरुदेव श्रीला प्रभुपाद,

आपकी कृपा से मेरा जीवन बहुत शांत, सन्तुष्ट और सुखी हो गया है। मैं गुरुदेव श्रीला प्रभुपाद के चरण कमलों में सादर प्रणाम करता हूँ। जिनके द्वारा प्रचार किए गए अध्यात्मिक ज्ञान ने हमें आनंद का रसास्वादन करवाया है। आपके मुखारविंद से निकले हुए शब्द अमृत रूपी और दिव्य है जो हमें बड़े से बड़े कष्ट को आसानी से हस्ते हुए, भगवान् कृष्ण सेवा में लगे रहते हुए आनंद से निकलने की कृष्ण भावनामृत विधि प्रदान करते हैं। इसलिए मैं समझ पा रहा हूँ कि अगर किसी पर आपकी कृपा हो तो वो चाहे नरक में रहे, चाहे स्वर्ग में रहे, चाहे कहीं पर भी हो कृष्ण भक्ती में रह कर आनंद से जीवन व्यतीत कर सकता है। आपके चरणकमलो की शरण ग्रहण करने से पहले मैं अपने जीवन में संतुष्ट नहीं था किसी भी चीज को प्राप्त करने पर संतुष्टि का अनुभव नहीं करता था पर अब मैं आपके दिए हुए निर्देशों का पालन आपकी कृपा की छाया में कर रहा हूँ तब से भौतिक इच्छाएं और अनर्थ का नाश हो रहा है जिससे कृष्ण भावनामृत में वृद्धि हो रही है जिससे कष्ट कम हो रहे हैं यह सचमुच दिव्य है जो मैं इसलिए महसूस कर पा रहा हूँ क्योंकि आपकी कृपा से आपके द्वारा दिए गए निर्देशों का पालन कर रहा हूँ। और अब मैं आपकी कृपा से अध्यात्मिक आनंद और अपना असली स्वरूप जो कि भगवान् कृष्ण के दास के दास के दास के दास के दास के सौ बार का दास बनना है समझ पा रहा हूँ। आपकी कृपा के बिना हमारा जीवन व्यर्थ है। इसलिए आप मुझ पतित, तुच्छ दास पर कृपा करके कृपा करें। आप सदगुणों के भंडार हैं। आपमें सभी महान गुण विद्यमान हैं। आपने अपनी कृपा से सभी जीवों पर समान रूप कृष्ण भावनामृत में हिस्सा लेना का अवसर दिया जिससे हम भक्ति में अग्रसर हो पाए। आपने पाश्चात्य देश में जाकर वहाँ हजारों लाखों भक्त बनाए जिससे पृथ्वी पर हम भक्तों के संग में रहकर भक्ति करते हुए आनंद से रह पाए। आपकी कृपा असीम है जो शब्दों में व्यक्त नहीं की जा सकती। मैं सदैव आपके चरण कमलों में सेवा प्राप्त करने की याचना करता हूँ।

आपका तुच्छ दास, भक्त हरीश बसरानी.

प्रिय श्रील प्रभुपाद जी,

हरे कृष्णा! आदरणीय श्री प्रभुपाद जी गुरुदेव महाराज के चरण कमलों में दंडवत प्रणाम करता हूँ।

हे गुरुदेव अपने आचरण से हमें जीवन जीना सिखाया है और एक नया जीवन दिया है। आपने हमें बताया कि 4 नियम का पालन करें, भगवान श्री कृष्ण की सेवा करें, भगवान को भोग लगाएं। और गुरु देव बता रहे हैं कि भगवान की सेवा में जो भी हम अर्पित करते हैं यदि प्रेम तथा भक्ति के साथ पत्र, पुष्प, फल या जल प्रदान करते हैं तो उसे भगवान स्वीकार करते हैं और प्रेम करते हैं। भगवद्गीता में भगवान् ने गुरु के विषय में बता रहे हैं -

*तद्विद्धि प्रणिपातेन परि प्रश्नोऽन सेवया*

इस श्लोक का अर्थ - सत्य को जानने का प्रयास करो, गुरु के पास जाकर सत्य को जानने का प्रयास करो और विनीत होकर जिज्ञासा करो और उनकी सेवा करो। स्वरूप सिद्ध व्यक्ति ज्ञान प्रदान करो क्योंकि उन्होंने सत्य का ज्ञान दिया है भगवद्गीता के श्लोक में बता रहे हैं कि

*बहूनां जन्मनां अन्ते ज्ञानवान् माम् प्रपद्यते  
वासुदेव सर्व इति स महात्मा सुदुर्लभः*

अर्थ अनेकों जन्म जन्मांतर के बाद मनुष्य को ज्ञान होता है वह मुझे समस्त कारणों का कारण जानकर मेरी शरण में आता है ऐसा महात्मा अत्यंत दुर्लभ होता है भगवद्गीता में प्रभुपाद बता रहे हैं कि भगवान् भक्तों का उद्धार करने के लिए प्रकट होते हैं। हे गुरुदेव, करुणा सिंधु, आत्माओं के मित्र हो आप प्रत्येक के गुरु एवं सभी लोगों के जीवन हैं गुरुदेव, मुझ पर दया कीजिए आपके चरणों की छाया दीजिए।

आपका शिष्य, भक्त हरीश शर्मा।

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious occasion of your Vyas-puja.

This is the most auspicious day since Your Divine Grace has made his appearance on this planet.

You have bestowed limitless mercy on this useless soul even though I am not qualified for that. Everyone in this material world is working hard just for some insignificant and abominable pleasure. Without knowing the ultimate goal of life, everyone is fruitlessly labouring so hard and wasting this valuable human form of life and keep on revolving in the cycle of birth and death. You bestowed the transcendental knowledge of Krishna consciousness upon me, without which there is no difference between human and animal life.

For fulfilling the desire of your spiritual master and taking his words as your life and soul, you left the sacred land of Vrindavan and went to western countries to preach this message of Krishna consciousness with practically no financial support.

Being compassionate upon the conditioned souls you worked hard day and night giving thousands of pages of literature, taking Bhagavatam classes, writing thousands of letters. You encircled the globe 14 times and established worldwide ISKCON to give everyone, an opportunity to serve Krishna in the association of devotees. Miraculously you established 108 temples all over the world within a short span of 12 years.

There is no difference between what you taught and how you lived. Your life is an epitome of the instructions of Bhagavad Gita. Any sane man can, by seeing your behaviour understand that you are not a part of this material world. This can be understood by the fact that you were translating books even a week before your physical departure from this planet.

Thank you Srila Prabhupada for giving so many spiritual gifts like morning programs, chanting of holy names, and much more to this useless soul. On this most auspicious day, I would like to beg mercy from you so that I can never forget your lotus feet and serve you and Krishna life after life.

Your insignificant servant, Bhakta Harshit.

पूजनीय श्रील प्रभुपाद जी,

आपके चरणों में दण्डवत प्रणाम, मैं गत 3 वर्षों से आपकी कृपा और आशीर्वाद से श्री श्री कृष्ण बलराम मंदिर जयपुर से जुड़ा हुआ हूँ। श्री श्री कृष्ण बलराम मंदिर में रोज आकर दर्शन करने लगा, धीरे-धीरे मैं भगवद्गीता के श्लोक पढ़ने लगा, और मंदिर की आरतियों, संकीर्तन, पालकी उत्सव में भाग लेने लगा। फिर मैंने चार माला एवं बाद में 8 माला का आश्रय ले लिया। इसके बाद आपके ग्रंथ पढ़ने लगा। भागवत सुनने लगा, रोजाना 3 घंटे सेवा करने लगा उसके बाद मेरा जीवन ही बदल गया इसके बाद मुझे प्रचार के लिए सेवा दी गई, मैं रोजाना भागवत पढ़ता व सुनता हूँ। श्रील प्रभुपाद जी मेरे को ऐसा आशीर्वाद दीजिए कि मेरा शेष जीवन भगवान् श्री कृष्ण और आपकी सेवा में निकल जाय ऐसी मेरी कामना है। हरे कृष्णा हरे कृष्णा कृष्णा कृष्णा हरे हरे राम हरे राम राम राम हरे हरे

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of your Vyasa-puja.

There was a time when I had gone through a severe downfall. Definitely, it was the worst, hopeless & edge time of my life.

I decided to do suicide and I wrote down a suicide letter too. I was on the brink of death.

But life took a turn in a moment and I luckily decided to visit a temple as my last call to survive. In the temple, I met some devotees & they asked me to join a session. So I joined the session. My disastrous thoughts & emotions started changing. I met many dedicated, honest, very nice devotees, and gradually a conversation started on a regular basis. Prabhuji preferred me to join folk residency, kirtans, book readings & chanting step-by-step. I started all of this all together as per their guidance, direction & mercy.

Now I am really peaceful, happy, hopeful, spirit lightened, and know my life priorities, life lessons, the real purpose of life i.e. Krishna consciousness which is the engine & fuel of my existence.

If I am living happily today, it is only because of your mercy. There are many more, who are in need.

You did your best and this will be memorable as learning in our hearts for today and forever. I am always in your service and you are truly my real glorious spiritual master.

I am no one to describe you in words, but accept me as your child and forgive me for my mistakes.

I want your support & blessings throughout my life.

You are the hope of all hopeless.

You are the light to darkness.

You are the intelligence to dullness.

You are perfect to imperfect.

You are an inspiration to the weak.

You are the pathfinder to directionless.

You are the power house to me & this beautiful world.

I pray at your feet solemnly!

Save me Srila Prabhupada and dip me in your mercy ocean.

Seeking your blessings to be able to absorb your divine instructions & engage in spreading this movement.

Your humble servant,

Bhakta Himanshu Chaudhary.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to Srila Prabhupada.

I joined this movement recently two years ago, since then I am in constant contact here. I have seen a significant change in my life and in my thoughts and developed a new perspective in life by following your teachings. This institution is serving many in understanding and living a purposeful life and transformed many many lives by involving them in KRISHNA CONSCIOUSNESS.

Last few months were of special kind of their own but devotees were in continuous contact via digital media and thus, guided people with your instructions when nobody was able to come out of their homes and visit the temple. Devotees are very sincerely working for guiding & influencing people and spreading Lord Chaitanya Mahaprabhu's words. Numerous questions that emerged in my mind were also answered by your unique books and wonderful devotee association which guides one in all circumstances of life and felt as we are directly associating with you. This movement is really spreading Lord KRISHNA'S love all around the world and successfully fulfilling Lord Chaitanya Mahaprabhu's mission of Harinam sankirtan and continue to do so further. Wonderful devotee association, parsadam, kirtan provide ultimate joy to soul and guidance to proceed further spiritually and materially. During this time period of the pandemic, I sincerely remember temple and devotee association and eagerly waiting for a visit to the temple and for devotee association, discussion of books, and sankirtan. Your instructions and teachings will eradicate darkness by providing ultimate truth.

By your mercy I am trying to understand KRSNA CONSCIOUSNESS and trying to act consciously in day to day life and to follow your instructions. By following your instructions, you will be pleased and so the lord is pleased. This movement is successfully making people KRSNA CONSCIOUS by teaching Lord Chaitanya Mahaprabhu's words and your instructions. I feel very thankful to be with this movement and continue to remain so further throughout. May Lord KRSNA'S causeless mercy and your guidance to proceed further and to understand your instructions remain on me forever.

Your servant,

Bhakta Himmat.

प्रिय श्री श्रील प्रभुपाद जी,

कृपया अपने चरणकमल में मेरी विनम्र आज्ञा स्वीकार करें और मुझे हमेशा चरण रज के रूप में वहाँ रहने की अनुमति दें। यह मेरा सौभाग्य है कि मैं आपके चरण कमलों की शरण में आया और आपकी दया पत्र बन गया। आपने मुझे मेरी दयनीय स्थिति से मुक्ति दिलाने का मार्ग दिखाया और अनंत आनंद से भरे जीवन का आशीर्वाद दिया। आपके ओर अनुयायियों के मार्गदर्शन ने मुझे कीचड़ से उठाया और कृष्ण भक्ति का मार्ग बताया, आज मैं गृहस्थ रहते हुए पूरी श्रद्धा और लगन से कृष्णभावनामृत से जुड़ श्री कृष्ण की सेवा में लगने के लिए प्रयासरत हूँ..! आपने मुझे बहुत कुछ दिया, और उसके लिए मैं आपका सदा ऋणी हूँ। आपकी दिव्य संगति का एक पल पाने के लिए दुनिया भर के हजारों भक्त हजारों मील की यात्रा करने के लिए तैयार थे, तब आपने अपनी शिक्षा दीक्षा और दिव्य ज्ञान से हमें कृतज्ञ किया, हालांकि मैं सिर्फ एक तुच्छ नवागंतुक हूँ। आपकी दया से एक लंगड़ा आदमी सचमुच एक पहाड़ को पार कर सकता है और एक अंधा आदमी सितारों को देख सकता है। आपने यह जीवन कृष्ण को अर्पित करने के लिए कहा और विस्तार से बताया कि यह भौतिक संसार कितना दुष्कर है और हमारी स्थिति कितनी अनिश्चित है। मैंने स्वाभाविक रूप से कृतज्ञ मन से ऐसा करने का संकल्प लिया, और आपने मुझे आध्यात्मिक जीवन के परमानन्द का स्वाद चखाया है!!

आपने सबसे अद्भुत तरीके से अपने अनुयायियों की देखभाल की, और यही कारण है कि वे आपके लिए कुछ भी करने के लिए तैयार है ओर उन्हें पूरी तरह कृष्ण की सेवा में लगाया! आपने मुझे बताया कि आत्मा अमर है और कभी नहीं बदलती है। यह केवल शरीर है जो बदलता है और आखिरकार है। जब आत्मा शरीर छोड़ती है तो मर जाती है। ” आपके शाश्वत सेवक बनने की आकांक्षा करते हुए,

आपका नित्य दास,  
भक्त जयवर्धन.

श्रील प्रभुपाद मुझे आपकी कृपा से भगवान कृष्ण की दिव्यभक्तिमय सेवा प्राप्त हुई जो हर कारणों के कारण है, आपको अपने गुरु रूप में पाकर मेरे जन्म सफल हुई।

जो आपके कृपा बिना संभव नहीं था आप परम दयालु परम कृपालु व सर्वज्ञ हैं, आप कि कृपा से ही मनुष्य को भगवान श्री कृष्ण की दिव्यभक्तिमय सेवा प्राप्त होती है और मनुष्य अपने जन्म मृत्यु के चक्र से बाहर निकल पाता है और भगवान कृष्ण की नित्य सेवा कर पाता है। गुरुदेव आपकी कृपा से जब से मैं आध्यात्मिक जीवन में आया हूँ तब से मेरे अंदर भक्ति और प्रेम के प्रति सच्ची शक्ति प्रज्वलित होने का अनुभव करता हूँ, जो मुझे आनंदमय कर देता है। भौतिक चकाचौंध मुझे जब भी विचलित करता है तो एक विश्वास मन में अपने आप जन्म ले लेता है की आप सब ठीक कर देंगे। मैं भाग्यशाली हूँ कि आप मेरे गुरुदेव है, मैं श्री श्री कृष्ण बलराम मंदिर से पिछले करीब 2 वर्षों से जुड़ा और योगा फॉर हैप्पीनेस वैदिक ज्ञान शरणागति की शिक्षा अध्ययन किया व

आप की लिखी पुस्तक जन्म मृत्यु से परे, एक अनुपम उपहार, प्रल्हाद महाराज की दिव्य उपदेश पढ़ा और रोजाना आठ माला का हरे कृष्णा महामंत्र का जाप करता हूँ। जिससे मेरा आध्यात्मिक जीवन प्रकाशित होता है।

आदरणीय एवं प्रिय गुरुदेव श्रील प्रभुपाद जी ,

आपके चरण कमलों में मेरा विनम्र प्रणाम स्वीकार करें।

गुरु का हमारे जीवन में प्रकट होना यह सब भगवान एवं गुरु की अहैतुकी कृपा का परिणाम होता है जैसा कि मेरे साथ भी हुआ। श्री श्री कृष्ण बलराम मंदिर से जुड़ने से पूर्व मेरा जीवन अज्ञानता एवं दिशा हीनता में ही बढ़ रहा था किंतु मंदिर में प्रथम बार प्रवेश करते ही मैंने अपने शरीर एवं अंतर्मन में एक नई आध्यात्मिक ऊर्जा का अनुभव किया ।भगवान एवं श्री गुरु के श्री विग्रह के दर्शनों के साथ-साथ मंदिर परिसर में गुरु के आदेश अनुसार श्रीमद्भगवद्गीता एवं श्रीमद्भागवत की शिक्षाओं पर आधारित जो ज्ञान प्रदान किया जाता है उन्हीं ज्ञान की कुछ अमृत मई बूंदों से मुझ अधम के जीवन में अंधकार के स्थान पर प्रकाश एवं आनंद का अनुभव होने लगा । अब जीवन का एकमात्र उद्देश्य यही है कि गृहस्थ जीवन में रहते हुए गुरु के आदेश अनुसार कर्म करते हुए उनके मिशन में एक सिपाही की तरह प्रचार प्रसार कार्य को जारी रखना है मुझ जैसे तुच्छ जीव पर आपकी कृपा एवं दया दृष्टि हेतु आपको पुनः पुनः कोटि-कोटि नमन एवं हृदय की गहराइयों से आपको प्रणाम ।

आपका नित्य दासानुदास,

भक्त जितेंद्र लेखवानी.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet,

Thank you Srila Prabhupada for giving me the precious opportunity to understand the Krishna consciousness Philosophy. Still, I was not eligible to chant and perform devotional services, as I have no qualification but you have showered causeless mercy unto me. It's been almost seven years, Srila Prabhupada and I can feel all the incidents, how you are holding my hand and crossing me all the way out and giving me instances to understand the differences between the material and spiritual world, and I see how I overcome all of my problems with our Krishna consciousness process and that leads to strengthening my relationship with your lotus feet.

Not officially, but from past several months, I am trying to surrender to you my only savior and the only spiritual master of the world, Please give to more mercy so that I can spread your preaching in the western world as per my current circumstances, And this is the one and only desire I have, Srila Prabhupada at present in my consciousness. I do many offenses, but under your shelter, I see the light of improvement to overcome them one by one, this list is long but I hope with your mercy I will be serving you without being attached to the material world entanglements. Oh Srila Prabhupada, I

have only one desire and that is to completely surrender unto your lotus feet and I beg you my Spiritual master please engage me in your preaching movement.

Your Most Fallen Servant,

Bhakta Jitendra Singh.

Dear Srila Prabhupada,

“I offer my respectful obeisances unto His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto you, You are kindly preaching the message of Lord Chaitanya Mahaprabhu and delivering the Western countries, Recently I heard one Lecture of Srila Prabhupada on some critical points mentioned by Maharaj in that short lecture, I was very serious to that lecture and hearing very carefully When the lecture complied I was shocked that we are all following Maya And wasting time. Then I started reading books and chanting 4 rounds with my studies. I managed both of my Sadhana and my education. When I was preparing for the job of a teacher, I prayed to God that if I get my job, then I would chant and follow very nicely. God listened to me and in the very first preparation, I got a job with God's Blessings and the blessings of guru and Krsna. I Experienced That After Coming to Touch With Srila Prabhupada my life is changed and I used my life in the right way. Prabhupada Save my Life. I thank Lord Krishna and Srila Prabhupada to save me. Now I Doing my Teacher job And follow Rules Chant 8 Rounds and reading Srila Prabhupada books. His Divine Grace always saw the opportunity in every situation of life. He always focused on the brighter side of all the calamities. He always remembered his beloved Lordships Sri Sri Radha Govind in all the obstacles that came in his way. I hope and pray that this unique name A. C. Bhaktivedanta Swami will be widely recognized for tens and thousands of years.

Your humble servant,

All glories to you. Please accept my humble obeisances.

Oh, Gurudeva,

You are divine personality and empowered by Lord Krishna himself for spreading the Holy Name across the globe. Your will and determination are truly unmatched. Leaving home on your Spiritual master's command at the age of nearly 70-years, going to the opposite side of the globe, working relentlessly during the day, and writing literature during the night, all justify that. You taught us that this age of Kali-yuga is just like a forest fire and only God's mercy can save us. You taught us how ignorant we are while gratifying our senses—It is just like adding fuel to fire. You taught us the real purpose of human life and the way of making it fruitful—by Harinam Sankirtana.

You showed us the glories of chanting—The ultimate reservoir of pleasure. You taught us, by chanting we can get rid of our sins of previous lives as well. Apart from chanting you taught us that being a soul, we are perpetual servants of Krishna. This service attitude is our fundamental characteristic and serving Krishna's servants is the highest form of service. No words can explain how thankful I am to you. You have simplified the path of attaining the knowledge of *Vedas* and the holy Bhagavad-gita. Your mission of Krishna Consciousness, started by Lord Chaitanya Mahaprabhu, is going on at a good pace. Lots of ignorant souls like me are directly or indirectly getting benefitted by it. At last, I would like to thank your disciples/servants who are carrying on with your mission. By your mercy and through your disciples, lakhs of people like me became aware of the Krishna consciousness.

Begging to remain a servant of your servants, Bhakta Kanishk Sharma.

Dear Srila Prabhupada,

Please accept my most respectful obeisance at your lotus feet. All glories to Your Divine Grace.

It's been around more than 5 years, the first time I came in contact with our devotee of the Hare Krishna Movement. All hail to our beloved devotee, who inspires us to keep in contact with you in each and every time and introducing us with the spiritual master AC Bhaktivedanta Swami Prabhupada. I pay my full obeisance in front of my Suru Srila Prabhupada for guiding me all the way around during these 5 years. Even though we may not have the fortune to contact the Supreme Lord personally, the Lord's representative is as good as Lord Krishna Himself because such a representative does not say anything unless it is spoken by the Supreme Personality of Godhead. The bona fide Guru is he who has accepted Krishna as a Guru. This is the guru-parampara system. The original Guru is Vyasadeva because he disseminated the Vedic knowledge, Bhagavad-gita and Srimad-bhagavatam, wherein everything spoke relates to Krishna. Therefore it's known as Vyasa-puja.

On this spiritual occasion of celebrating *Vyasa-puja*, I would like to thank all the devotees whom I have been in touch till now. Right now, I am staying in St. Petersburg and these are my last days to stay here as I have successfully completed my Master's Degree, and this is possible as I was in constant touch with my spiritual environment. To be honest, I stuck a lot of times during my last semester in writing a thesis, was totally new for me but as we are known if you are in touch with the spiritual master he does care for you in any circumstances. So, by keeping Lord Krishna at the center, I just get support all the way around and cross all the difficult times. I am also along with one of my best friends, Umut Polat he is from Turkey now he is being Vegetarian along with me and it is really awesome that he always forced me to go to Hare Krishna temple of St. Petersburg. His favorite song his '*Narasimha aarti*'. After seeing this transformation, it even doubles our motivation towards the Spiritual world. With these really fewer words, I would conclude. Hope I will be able to make some humble contribution to our community in making it much bigger and just thus transfer ourselves to the spiritual world. Hare Krishna!

Your Servant,

Bhakta Karan.

Please accept my most reverent obeisances at your lotus feet.

All glories to Your Divine Grace,

Srila Prabhupada, you are very merciful because no one has given us such a wonderful thing in this material world as you have given us that is: Devotional Service to Lord Sri Krishna. Srila Prabhupada, you are so compassionate that you have always taught us the right way to live a human life by lifting petty creatures like us from the filth of material life. After

touching or connecting with the nectar of your divine teachings in the form of your books and lectures, it is seen, how the behavior, nature, and all the material or bodily attitudes are well managed and we can work properly.

Srila Prabhupada, my only desire is that please always keep me on the path of devotion, and since I am a fallen soul and you have kept the shadow of your lotus feet, you have carried me forward in devotion, I wish that whatever physical life I have in the future, keep me under the shelter of your lotus feet.

Your fallen servant,

Dear Srila Prabhupada,

All Glories to Your Divine Grace. Please accept my humble obeisances at your lotus feet. Srila Prabhupada, a highly materially polluted person like me does not deserve to glorify you, but it's all your causeless mercy that I have got this chance. Prabhupada, first of all, I apologize for the mistakes which I have done in my life: neither did I properly study your books nor did I chant properly. Prabhupada, it is your grace that I came so close to Krishna. You changed my view of God. This is very different from what I was taught from childhood. You showed me the practical way to understand God. It is only your blessing that my day cannot go without thinking about Krishna. You have added Krishna to my life permanently. O Prabhupada, in this material world less intelligent people like me often wander and get distracted. Only by your grace I can emerge from my present position and move forward in devotional life. I need your blessings so that I do not get distracted from the path of Krishna consciousness and be able to become a devotee. Thank you Srila Prabhupada.

Sincerely at your service,  
Bhakta Lakshya Bhardwaj.

परम पूज्य गुरुदेव श्रील प्रभुपाद जी,

गुरुदेव के चरण कमलों में मेरा दंडवत प्रणाम स्वीकार करें

मेरे गुरुदेव श्रील प्रभुपाद जी की कृपा अगस्त 2018 में हुई। मैं भगवान श्री श्री कृष्ण बलराम मंदिर से जुड़ा और भगवान की कृपा से मेरा मन आध्यात्मिकता की ओर मुड़ चला। मंदिर में भक्तों से मिला तो प्रभुपाद के बारे में सुना तो जीवन का असली लक्ष्य जाना, जो पहले मैं अपने परम लक्ष्य से कोसों दूर थी और फिर श्रील प्रभुपाद जी की कृपा से इस अंधकारमय जीवन में उजाला हुआ और मैं श्रील प्रभुपाद जी की कृपा से आध्यात्मिक जीवन शैली अपना ली। ये सब मेरे गुरुदेव की कृपा से प्राप्त किया और मेरे घर के पूरे सदस्य का दिनचर्या बदल गई जैसे सभी जल्दी उठना मंगला आरती करना सात्विक भोजन बनाना, भोग लगाना और प्रभुपाद जी की पुस्तकों का अध्ययन करना माला जप करना।

गुरुदेव श्रील प्रभुपाद जी से बार बार सविनय निवेदन है की सदा मुझे अपने चरण कमलों में आश्रय प्रदान करें।

आपका दास,

भक्त लाला राम कुम्हार.

परम पूज्य गुरुदेव श्रील प्रभुपाद,

आपके चरणों में सादर प्रणाम ! मैं व्यासपूजा वर्ष 2020 के माध्यम से आपके चरणों में मेरे भाव अर्पित करता हूँ। मैं पिछले लगभग 8वर्षों से आपका आशीर्वाद मंदिर में आकर, शुद्ध भक्तों के सानिध्य से या आप द्वारा रचित साहित्य के माध्यम से दिए गये ज्ञान का अनुभव किया एवं उसका लाभ मुझे जीवन में प्रयत्न रूप से हुआ है। मुझे जब जब आपका आशीर्वाद मिलता है मैं उक्त व्यक्त माध्यम से आपके दर्शाए भक्ति ज्ञान का लाभ उठाता हूँ और स्वयं तथा परिवार को वैष्णव परम्परा से जोड़े रखने हेतु प्रयासरत रहता हूँ। मेरे जीवन में आपकी कृपा इसी प्रकार होती रहे तथा मैं अपने भक्ति मार्ग में उन्नति हेतु प्रयासरत रह सकूँ। आपकी कृपा का आभारी

प्रिय श्रील प्रभुपाद जी,

मैं आपको दंडवत प्रणाम करता हूँ। स्वीकार करें।

ॐ अज्ञानतिमिरान्धस्य ज्ञानाज्जनशलाकया।  
चक्षुरून्मीलितं येन तस्मै श्री गुरवे नमः ॥

“मैं महान् अन्धकार रूपी अज्ञानता में उत्पन्न हुआ था पर मेरे आध्यात्मिक गुरु ने ज्ञान की अंजन-रूपी शलाका से मेरे नेत्र खोल दिए। मैं उनकी सादर वन्दना करता हूँ।” अज्ञान शब्द का अर्थ है “मूर्खता” अथवा “अन्धकार”। यदि इस कमरे में विद्युत-प्रकाश तत्काल लुप्त हो जाए तो हम यह नहीं कह सकेंगे कि हम, अथवा अन्य दूसरे लोग, कहाँ बैठे हुए हैं। प्रत्येक वस्तु भ्रमित हो जाएगी। उसी प्रकार हम लोग इस संसार के भीतर अन्धकार में हैं, जो तमस् जगत् है। तमस् या तिमिर का अर्थ “अन्धकार” होता है। यह भौतिक संसार अन्धकारपूर्ण है, अतएव यहाँ प्रकाश के लिए सूर्य अथवा चन्द्रमा की आवश्यकता पड़ती है। वैसे, एक और जगत् है, जिसे आध्यात्मिक जगत् कहते हैं, जो इस अन्धकार के परे है। यह श्लोक आत्मसाक्षात्कार का विज्ञान नामक आध्यात्मिक पुस्तक से लिया गया है। इस श्लोक से मैं यह समझ पाया कि बिना गुरु के भगवान् कृष्ण प्रेम प्राप्त नहीं किया जा सकता एवं ना ही मनुष्य भव से पार हो सकता है। गुरु द्वारा बताये मार्ग पर चलकर ही ईश्वर को प्राप्त किया जा सकता है।

श्रील प्रभुपाद इस भौतिक एवं जड़ जगत् को जानना बहुत कठिन है। जो प्रत्येक क्षण अपने आगोश में समा लेती है। इस भौतिक एवं जड़ जगत् से आपके बिना छुटकारा मिलना संभव नहीं है। अतः हे गुरुदेव जबसे मुझे आपकी शरण, चरणों का सानिध्य मिला है तब से मेरा सोया भाग्य जागृत हो गया है। मैंने जन्म मृत्यु के चक्कर से निकलने के ज्ञान को जाना है। आपके आशीर्वाद से इस मानव जीवन जो कि बहुत दुर्लभ है को जाना है मैं बहुत भाग्यशाली हूँ जो आपने मुझ पर कृपा दृष्टि डालकर मुझे भगवान् कृष्ण जो समस्त कारणों के कारण है उनकी दिव्य भक्ति में सेवा करने का अवसर दिया। मुझ जैसे नासमझ शिष्य को अपना सानिध्य देकर आपने बहुत बड़ा उपकार किया है। जिसे मैं अनेक जन्मों तक इसका ऋण नहीं चुका पाउंगा। हे गुरुदेव आप तो परम कृपालु, दयालु व सर्वज्ञ है। आप तो अपने शिष्यों के बारे में सब कुछ जानने वाले है मेरी सारी खामियों व अवगुणों को आप जानते हो अतः मेरा आपसे निवेदन है कि मेरी सारी खामिया व अवगुणों को माफ कर मुझे कृष्ण प्रेम प्राप्त करने व प्रभु की दिव्य भक्ति की सेवा में निरन्तर लगे रहने का आशीर्वाद बनायें रखें। मैं आपका ऋणी रहूँगा।

## Bhakta Mahesh Svaroop Chheepa

पूजनीय गुरुवर श्रील प्रभुपाद जी,

आपके चरण कमलों में मेरा सादर दंडवत प्रणाम। मुझ तुच्छ दास की अंगुली पकड़कर आपने मुझे उठाया, इसके लिए मैं आपको जीवन पर्यंत सादर नमन करता रहूँगा। जब से आपने मुझे सचेत किया है तब से आध्यात्मिक राह की मानो शुरुआत सी हो गई है। हे गुरुवर जब तक भगवान् कृष्ण के चरण कमलों में आश्रय नहीं मिल जाता तब तक मुझे ऐसे ही थामें रहना।

हे करुणा निधान,

आप के निर्देशन में कार्य कर रहे प्रभुजी के संपर्क में आने पर मेरी आत्मज्योति का विकास भी शुरू हो गया है। अब मैं कुछ भी प्रसाद के आलावा खाता-पीता नहीं, बल्कि प्रसाद ही लेता हूँ। आप के निर्देशन नियमों के अनुसार ही भगवान् की पूजा- आरती करता हूँ। साथ ही आपके आश्रय अनुसार महामंत्र

जप भी करता हूं। इस आध्यात्मिक पथ पर अग्रसर कर, आप मुझ जड़ मानव को चेतन कर, श्री कृष्ण के चरण कमलों के दर्शनार्थ कृपा बरसा दें, जिससे मेरा मानव जीवन सार्थक हो जाए।

हे वंदनीय,

एक बिंदु से लेकर सारी सृष्टि को चलाने वाली अनंत शक्ति का जो परमेश्वर कृष्ण का अंश है वहां तक सहज संबंध है। इस संबंध को मैं आपके चरणों में बैठकर समझने की अनुभूति पाने का प्रयास कर रहा हूं। इसमें मुझ पर अपार श्रद्धा और विश्वास की कृपा कर मुझे अंतिम लक्ष्य को प्राप्त करने का आशीर्वाद प्रदान करें। हरे कृष्णा।

आपका दासानुदास,

Dear Srila Prabhupada,

Please accept my humble obeisances.

You revealed to us that God is most merciful in His nama incarnation, *Hare Krishna Hare Krishna Krishna Krishna Hare Hare*, *Hare Rama Hare Rama Rama Rama Hare Hare*. And this incarnation is performing his *Lilas* of recovering the fallen souls. I am so very fortunate to have received the many secrets revealed by Your Divine Grace, about chanting and serving the Holy name incarnation.

You revealed the precious truth to us that the Supreme Lord is pleased when we chant His Names. You revealed that the precious truth that the Supreme Lord is non-different from His Holy Name and hence present before us when we chant. You revealed the precious truth that the Holy Name is an unlimited ocean of *sat cit ananda* and we are also tiny *sac cit ananda*. You revealed the precious truth that the Holy Name is directly touching the soul when we hear attentively. You revealed the precious truth that hearing the Holy Name will spiritualize our body, mind, intelligence. You revealed the precious truth that our soul could awaken our forgotten love for Krishna simply by hearing the Holy Name. You revealed the precious truth that we should give undivided attention to the Holy Name during japa. You revealed the precious truth that by praying to Lord Chaitanya, he forgives all offenses in chanting Holy Names.

I regret that I have no pure devotion to Your Divine Grace. I am sad that I have no absolute love for You. Apart from a feeling of gratitude for saving me from ignorance, I have only intellectual and philosophical appreciation for you as my eternal spiritual master. I do not know anyone other than Your Divine Grace who can help this fallen soul to learn how to desperately want to possess absolute faith and love for you like the most confidential servitor of the Supreme Lord

In the last several months, I have already tasted the sweetness of Your merciful glance upon this undeserving soul. Now I am greedy for more of your merciful glance upon me.

I beg to remain your servant,

It is said in Sri Chaitanya Charitamrta that

*mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim*

*yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam (CC Madhya 17.80)*

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. As advised by Lord Brahmā, one should remember this śāstric injunction if one desires success in his life. Today, on the

occasion of Vyasa-puja celebrations, I am feeling very fortunate that I have got the chance to glorify my Spiritual master. I am really grateful to have you, in my life. After meeting you, my life has really changed. I have lost my all anger and now I can perceive the world from a different point of view with a very soft heart and kindness.

हरे कृष्णा! श्रील प्रभुपाद जी को दंडवत प्रणाम!

श्रील प्रभुपाद जी के बारे में मैं जितना भी कहूँ वह कम है क्योंकि वह भगवान श्री कृष्ण के एक शुद्ध भक्त हैं और एक शुद्ध भक्त के बारे में अपने विचारों को रख दो शब्द कहने का जो सौभाग्य मुझे उनकी कृपा से मिला है उनको शत शत नमन। कहते हैं कि सच्चे गुरु की आज्ञा को तो भगवान भी अवहेलना नहीं करते। मेरे गुरुदेव श्रील प्रभुपाद जी का जब मैंने आश्रय लिया तब से आज तक प्रभुपाद जी ने जो कृपा मुझ पर की है वह कृपा शायद ही किसी पर हुई होगी। उनकी कृपा से मुझे कृष्ण भक्ति मिली और कृष्ण कृपा से का सौभाग्य मिला, इसके लिए मैं सदैव उनका आभार प्रकट करता हूँ और रहूँगा। जितना मैं अपने जीवन में उन को मनन करता हूँ और कभी कष्ट में होता हूँ तो वह सदैव मेरे साथ ही मुझे नजर आते हैं। मैं अपने आप को इतना लायक नहीं मानता जितना कृपा उन्होंने मुझ पर की है। गुरुदेव श्रील प्रभुपाद जी के बारे में जितना भी कहूँ वह सब से वह सब प्रभुपाद जी के श्री चरणों बहुत कम होगा। मुझे गर्व है कि मेरे गुरु श्रील प्रभुपाद कि मैं शरण में हूँ और उनकी कृपा सबके साथ होते हुए भी मुझ पर बनी हुई है। मेरे प्रार्थना है मेरी प्रार्थना है कि सदैव अपनी शरण में रखें और हमेशा मार्गदर्शन करते रहें।

प्रिय श्रील प्रभुपाद,

हे गुरुदेव, आपके चरण कमलों में दंडवत प्रणाम करता हूँ, जो जन्म जन्म तक मेरे प्रभु हैं और उन्होंने अपने आचरण से मेरे को सिखाया है एक नया जीवन दिया है 4 नियम का पालन करें भगवान की सेवा करें भगवान को भोग लगाएं और गुरुदेव बता रहे हैं भगवान की सेवा में जो भी हम अर्पित करते हैं यदि कोई प्रेम तथा भक्ति के साथ मुझे पत्र पुष्प फल या जल प्रदान करते हैं यह तो मैं उसे स्वीकार करता हूँ और प्रेम करता हूँ, भगवद्गीता में भगवान् बता रहे हैं “ तद्विद्धि प्रणिपातेन परिप्रश्नेन सेवया” । इस श्लोक के बारे में अर्थ है तुम गुरु के पास जाकर सत्य जानने का प्रयास करो और उनसे विनीत होकर जिज्ञासा करो और उनकी सेवा करो स्वरूप सिद्ध व्यक्ति से ज्ञान प्राप्त करो क्योंकि उन्होंने सत्य का दर्शन किया है. भगवद्गीता में लिखा है कि अनेक जन्मों के पश्चात जिस मनुष्य को ज्ञान होता है वह मुझे समस्त कारणों का कारण समझ कर मेरी शरण में आता है ऐसा महात्मा अत्यंत दुर्लभ होता है ऐसे महात्मा जो यह भली-भाँति जानते हैं.

गुरुदेव बता रहे हैं गुरु पूजा में उनके मुख कमल से निकले हुए शब्दों को हृदय में पूर्णतया समालो और इसके अलावा अन्य किसी वस्तु की इच्छा ना करो गुरु के चरण कमलों में अनुराग आध्यात्मिक सिद्धि के समस्त मनोरथ पूर्ण होते हैं. भगवद्गीता में भगवान् बता रहे हैं, प्रभुपाद जी बता रहे हैं भगवान के बारे में बता रहे हैं भक्तों का उद्धार करने के लिए दुष्टों का विनाश करने के लिए और धर्म की स्थापना करने के लिए हर युग में प्रकट होता हूँ, हे गुरुदेव करुणा सिंधु तथा पतित आत्माओं के मित्र हो आप प्रत्येक के गुरु एवं सभी लोगों के जीवन है गुरुदेव कृपा मुझ पर दया कीजिए तथा अपने चरणों की छाया दीजिए आपका यश तीनों लोकों में घोषित है और हमें दास का दास बनकर रहना चाहिए यह मेरे गुरुदेव ने सिखाया है

## Bhakta Mihir Vishvaas

श्रील प्रभुपाद जी हमारे पूजनीय आध्यात्मिक गुरु हैं। श्री कृष्ण भगवान् के अत्यन्त अतरंग सेवक होने के कारण श्री गुरुदेव स्वयं भगवान् के समान हैं। यह शास्त्रों में प्रमाणित है।

भगवान् श्री हरी के इसे प्रभावित प्रतिनिधि के चरण कमलों में सादर नमस्कार करता हूँ।

श्री गुरुदेव के चार सिद्धांतों से हमारे जीवन में काफी बदलाव आया है हमारा जीवन जिन चार स्तम्भों पर टिका है दया, पवित्रता, तपस्या व सत्यता। ये सभी गुरु महाराज की आज्ञा का पालन करके ही आसान बनाया जा सकता है। उन्हीं की कृपा से हम आध्यात्मिक जीवन में प्रगति कर सकते हैं। श्री कृष्ण की शक्ति जिसमें हम मुक्त अवस्था में थे जाग्रति प्रदान करने में गुरु जी कृपा ही वरदान साबित हो सकती हैं। आज व्यास पूजा गुरु के प्रति नतमस्तक होकर कृतज्ञता व्यक्त करने का दिन है। गुरु जी के प्रति हम अपनी कृतज्ञता अर्पित करते हैं गुरु जी हमें भगवान् कृष्ण तक ले जाने या मिलवाने का एक मात्र माध्यम है वह एक कड़ी का काम करते हैं। श्रील प्रभुपाद की शरण में आकर कृष्ण प्राप्ति की जीवन का लक्ष्य है और यह गुरुकृपा से ही संभव है क्योंकि गुरुदेव भौतिक जगत के दुखों से हम सभी पीड़ित लोगों का उद्धार करते हैं ऐसे श्री गुरु जी का मिलाना सौभाग्य की बात है। तस्मै श्री गुरवे नमः भारतीय संस्कृति में गुरु के महत्व को बताने या दर्शाने के लिए कोई दिन या शब्द हमेशा कम लगते हैं। हम अपने आध्यात्मिक गुरु श्रील प्रभुपाद को आदर प्रशंसा एवं पूजा से कोटि कोटि प्रणाम व धन्यवाद करते हैं।

आपका शिष्य, भक्त मिहिर विश्वास.

## Bhakta Mohinder Singh

परम पूज्य गुरुदेव श्रील प्रभुपाद के चरणों में मेरा दंडवत प्रणाम,

प्रिय प्रभुपाद, आज से लगभग 9 वर्ष पूर्व अक्षयपात्र परिसर के श्री श्री कृष्ण बलराम मंदिर में जाने का सौभाग्य प्राप्त हुआ था। उस समय प्रथम बार आपके और श्री श्री कृष्ण बलराम के दर्शन करने को मिले लेकिन कुछ समय नहीं आया। उस दिन के पश्चात मैं प्रतिदिन संध्या के समय मंदिर जाने लगा। एक दिन आपके एक शिष्य से मुलाकात हुई तो उन्होंने मुझे मंदिर के प्रातःकाल के कार्यक्रम की जानकारी दी। मैं अगले दिन से ही प्रातःकाल मंदिर के कार्यक्रम में जाने लगा। मंदिर में भक्त जिस विधि से पूजा अर्चना कर रहे थे वो मेरे लिए एकदम नया था क्योंकि ना तो मैंने ऐसा कभी देखा था और ना ही मैं जानता था।

भगवान् श्री कृष्ण भगवद्गीता में कहते हैं कि " मन्मना भव मद्भक्तो मद्गाजी माम् नमस्कुरु" अर्थात् मुझमें मन लगाओ, मेरे भक्त बनो, मेरी पूजा करो और मुझे नमस्कार करो, परन्तु यह सब कार्य किस विधि से करना है इससे मैं अनभिज्ञ था। आपके द्वारा बताई गई पूजा अर्चना की विधि इतनी प्रामाणिक, आकर्षक, श्रेष्ठ एवं आनंद देने वाली है कि इस कलियुग में भी आप पर आश्रित मेरे जैसे ना जाने कितने ही भक्तों के मन में भगवान् श्री कृष्ण के प्रति आसक्ति बढ़ती ही जा रही है। यह सब आपके मार्गदर्शन का ही परिणाम है। आपके ही मार्गदर्शन से मैं अपने घर के वातावरण को बदल पाया, परिवार के सदस्यों को श्री भगवान् की सेवा में लगा पाया। आपकी ही शिक्षाओं से प्रभावित होकर परिवार के सभी सदस्य हरे कृष्ण महामन्त्र का जप करने लगे। मैंने अपने जीवन में ऐसा कोई भी कार्य नहीं किया था जिससे कि मैं आपकी कृपा का पात्र बन सकूँ। हे ! गुरुवर श्रील प्रभुपाद आप इतने दयालु हैं कि बिना कोई कारण के अपनी कृपा मुझ पर बनाये रखी है। अंत में मैं आपसे यही प्रार्थना करना चाहूँगा कि मैं आपकी इस हरे कृष्ण आंदोलन में अपनी सेवा प्रदान करता रहूँ। मुझ पर अपनी कृपा बनाये रखें एवं मेरा मार्गदर्शन करते रहें।

आपका तुच्छ शिष्य, भक्त मोहिन्दर सिंह.

## Bhakta Mudit Chaturvedi

प्रिय श्रील प्रभुपाद,

आपके चरण कमलों में मेरा कोटि कोटि प्रणाम!

आपके बताए मार्ग पर चलने का काफी प्रयास करता हूँ, और आपकी और कृष्णा जी की कृपा भी अपने उपर हमेशा महसूस करता हूँ। कुछ दिन पहले आपके एक साक्षात्कार को पढ़ा जिसमें आपने कहा था की हर वो व्यक्ति जो आपसे जुड़ा है पूर्ण वैष्णव है, और भगवत्साम वापस जाएगा। आपने बहुत अच्छे उदाहरण से समझाया जैसे आम के पेड़ पर लगा हुआ फूल 100% आम बनेगा सिर्फ शर्त है की वह पेड़ से जुड़ा रहे। यह कथा पढ़ कर दिल को अत्यधिक संतुष्टि हुई, परन्तु पुरानी गलत आदतें, कुसंग, आलस और द्रव्य संकल्प की कमी मुझे रह रह कर आपके चरणों रूपी आम के पेड़ से दूर कर देती है। आपके चरण कमलों में विनती है की आप मुझे अधिक पतित जान कर मुझ पर अधिक कृपा करें ताकि मैं आपके बताए मार्ग पर बढ़ कर आपकी और कृष्णा की अहितुकी कृपा को प्राप्त कर अपना जीवन सफल बना सकूँ। [हरे कृष्णा..!]

आपका तुच्छशिष्य, भक्त मुदित चतुर्वेदी.

आदरणीय गुरुदेव दंडवत प्रणाम,

आपके द्वारा किये गए अत्यंत महत्वपूर्ण कार्य का ही परिणाम है कि संसार में मुझ जैसे लोग भगवान कृष्ण के बारे मे जान पा रहे हैं। लोग जान पा रहे हैं कि जीवन का लक्ष्य क्या है। यदि आप न होते तो कलयुग में लोगों को कल्याण के मार्ग का पता कैसे चलता। कैसे पता चलता कि भगवान कृष्ण की भक्ति ही सर्वोपरि है। आपने जिन परिस्थितियों मे कृष्ण भावनामृत के प्रचार प्रसार का कार्य किया है मैं आपको कोटि कोटि प्रणाम करता हूँ। आपकी कृपा से मैं भी प्रयास कर रहा हूँ कि मैं भक्ति में आगे बढ़ सकूँ। अतः आपसे निवेदन है कि मुझ पर कृपा बनाये रखे जिससे मे कृष्णा भक्ति मे आगे बढ़ सकुं।

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to the marvelous day;

When sankirtan commander appeared to distribute the holy name,

The Vedas sings of whose glorification,

Today, you came as Krsna's mercy incarnation.

Seeking pleasure in Maya's lap,

We were punched and kicked in this filthy trap.

To save us from this illusory bondage;

To came to preach Lord Chaitanya's message.

You boarded Jaladuta for your mission;

And like a tree, tolerated all pains and tribulation.

Sinful we were disregarded your instruction;

Still, you humbly kept faith in your master's decision.

You sheltered us from rogues and rascals;

Acharya, thou art, who preached by his own example.

Chanting and Prasadam satisfied our yearning, the books you gave made us sturdy;

Now we realize our real belonging, you are the master of servants unworthy.

Like foam in Sea reaches the bay;

By Krsna's grace, we reached your way.

Attachment to your ambrosial words our perfection;

Surrender unto thy feet our only liberation.

Your insignificant servant,

Bhakta Nakul.

जय श्रील प्रभुपाद!

मैं आपके श्री चरणों का वंदन करता हूँ। कृपया मेरा विनम्र दंडवत प्रणाम स्वीकार करें।

हे प्रभुपाद! भौतिक अस्तित्व रूपी इस दावाग्नि से एकमात्र गुरु ही जीव की रक्षा कर सकते हैं। मेरे जीवन के संदर्भ में यदि देखा जाए तो मेरी वैसे तो कोई विशेष आध्यात्मिक उन्नति नहीं हुई है (संभवतः मेरी निष्ठा में कमी के कारण), परंतु सैद्धांतिक रूप से इतना अवश्य समझ गया हूँ कि यह भौतिक अस्तित्व कितना संकटमय है। मेरे जीवन में यदि आप नहीं होते तो, वक्त अल्प ज्ञान भी मुझे नहीं हो पाता और अन्यो की भांति मैं भी सुख की तलाश में मारा-मारा फिरता रहता।

हे श्रील प्रभुपाद! आप अपने व्याख्यान में कहते हैं कि भगवान, जीव को प्रामाणिक गुरु के पास भेजते हैं और गुरु उसे भगवान के पास भेजते हैं। परंतु मुझ में तो इतनी भी योग्यता नहीं थी कि भगवान का मुझ पर दृष्टिपात हो सके। निश्चय ही यह आपकी तथा भगवान श्री नाथ जी की अहैतुकी कृपा थी, कि मुझे आपके प्रिय शिष्यों के सानिध्य में आप की शिक्षाओं को जानने और आपके जीवो के प्रति प्रेम को अनुभव करने का अवसर प्राप्त हुआ। मुझे अभी भी अस्पष्ट रूप से स्मरण है जब मेरे जीवन में पहली बार आपकी वाणी का गहरा प्रभाव पड़ा था। वह था एक वार्तालाप, जिसमें आप पूर्ण आत्मविश्वास के साथ कहते हैं कि ईश्वर के अस्तित्व को नकारने वाला व्यक्ति निरा मूर्ख है। आपकी इस वाणी से मुझे (जो कि आधुनिक सभ्यता के प्रभाव में बहुत ही भयभीत था) अभयदान मिला।

हे श्रील प्रभुपाद! आप अपने अपने शिष्यों से बहुत प्रेम करते हैं यह आपके लिप्यांतरित वार्तालाप, व्याख्यान इत्यादि से स्पष्ट है। आप कई स्थानों पर हमें फटकार भी लगाते हैं और साथ ही साथ अपनी डांट का महत्व भी बताते हैं। कई स्थानों पर आप मायावाद, शून्यवाद इत्यादि दर्शनों के प्रशंसा योग्य सिद्धांतों की प्रशंसा भी करते हैं परंतु पूर्णरूपेण उक्त सिद्धांतों की भर्त्सना भी करते हैं। अपनी भावनाओं को शब्दों का रूप देने में अक्षम होने के कारण मेरे द्वारा आप का सटीक गुणानुवर्णन भी संभव नहीं है। आप से यही प्रार्थना है कि अपने अपने शिष्यों की भांति मुझ पर भी अपनी कृपा स्वरूप आप दृष्टिपात करें और मेरी जन्म जन्मांतर तक आपके चरणों की सेवा करने की इच्छा पूर्ण करें। अपनी भावनाएं व्यक्त करने हेतु उचित शब्द विन्यास की योग्यता नहीं है इस हेतु मैं आपसे क्षमा याचना करता हूँ। जय जय श्रील प्रभुपाद!

आपका दासदासानुदास,

भक्त नरेंद्र कृष्ण दास.

Dear Srila Prabhupada,

Please accept my humble regards unto your lotus feet.

From the day when I came across you, I have seen a tremendous change in my life.

We are fortunate that you had established numerous Krishna temples worldwide and formed an organization to guide you to come out from the material world. There are thousands of pure preachers across the world that are teaching with your due guidance. You made a wonderful compilation of distinct textbooks based on Krishna consciousness. These all efforts put by you are remarkable and priceless to us. As your follower, we get the benefit of receiving guidance from you, time to

time. I have a collection of a few popular textbooks written by you only. Often, I do read them and try to follow the instructions mentioned within them.

We always feel blessed that we found your teachings on our material life.

Your disciples are working hard, day and night to expand your glories among the material world.

जय श्रील प्रभुपाद,

कृपया अपने चरण कमलों में मेरा विनम्र प्रणाम स्वीकार करें। श्रील प्रभुपाद, आपकी असीम दया और कृपा की छाया में मेरा यह चौथा वर्ष है। यह दास अगर अनंत मुखों से भी आपकी कृपा और प्रेम पर धन्यवाद ज्ञापित करेगा, तब भी असफल रहेगा, इसलिए इस व्यास पूजा के शुभ अवसर पर आपका यह तुच्छ दास एक मूक के भांति आपकी ही कृपा से कुछ पंक्तियों द्वारा आपकी लीला का गुणगान करने का प्रयास कर पा रहा है। यह पंक्तियां आपके चरण कमलों में समर्पित हैं।

कलयुग के इस भीषण रण में, फैला भौतिकता का रोग था। झुलस रहा था जीव अग्नि में, फिर भी उद्देश्य इन्द्रिय भोग था 11 1

धर्म हीन मानव जाति को, उनका अस्तित्व बताना था। हर नगर ग्राम हरिनाम पहुंचाने, किसी शुद्ध भक्त को आना था 121

हुआ प्रफुल्लित हर कण-कण, गौडीय परंपरा का विस्तार हुआ। कृष्ण भक्ति का दीप जलाने, जब शक्त्यावेश अवतार हुआ 131

कलकत्ता के एक वैष्णव घर में, श्रील प्रभुपाद का अवतरण हुआ। कृष्ण प्रचार एकमात्र लक्ष्य था, उनका नाम अभय चरण हुआ 141

छह वर्ष के अभय चरण, रथ यात्राएं आयोजित करते थे। एक शुद्ध भक्त के भांति, वे अर्चविग्रह सेवा करते थे।<sup>15</sup>  
जीवन आगे बढ़ा अभय का, अपनी शिक्षा को सम्पूर्ण किया। गांधीवाद और देश भक्ति में, अपना योगदान परिपूर्ण दिया।<sup>16</sup>  
फिर गृहस्थ आश्रम में प्रवेश हुआ, माता पिता की इच्छा से। कृष्णप्रेम बढ़ता ही रहा, और विजयी हुए हर परीक्षा से।<sup>17</sup>  
लीला का सबसे प्रमुख अंश, जब गुरु शिष्य को मिलना था। श्रील सरस्वती ठाकुर के उपदेशों पर, अभय चरण को चलना था।<sup>18</sup>  
पाश्चात्य देशों में प्रचार करो, गुरु का यह प्रथम आदेश था। बैठ चुके थे शब्द हृदय में, बस पालन करना शेष था।<sup>19</sup>  
फिर अलाहाबाद में दीक्षा ली, अभय चरणारविंद दास नाम पढ़ा। पूरे विश्व में हरिनाम का प्रचार, यह लक्ष्य मिला था बहुत बड़ा।<sup>110</sup>  
त्यागा गुरु ने भौतिक शरीर, अभय को अंतिम निर्देश दिया। पुस्तक प्रकाशन और कृष्ण प्रचार, जिस पर जीवन समर्पित शेष किया।<sup>111</sup>  
"बैक टू गॉडहेड" करी प्रकाशित, लेखन-वितरण का काम किया। फिर गौड़िया समाज ने अभय चरण को, "भक्ति वेदांत" नाम दिया।<sup>112</sup>  
कृष्ण प्रेम का दीपक लेकर, पूरे विश्व में प्रकाश फैलाना था। परिवार त्यागकर सन्यास लिया।

आपका दास,  
भक्त निहाल शास्त्री.

My most respectful obeisance for Guru Maharaj - Srila Prabhupad,

Guru Maharaj, it is due to your mercy only, I am able to write this offering.

I can't thank you enough for the mercy that you have bestowed on me. You showed me the way towards the spiritual world.

We were entangled in the material world thinking that as life, but you had made us realize that the real-life is beyond the day to day work. It is really meant for the worship of the "Lord Shri Krishna".

You taught us how to live "Beyond Birth and death"...you had taught us to ask "perfect questions"...and you always have "perfect answers" to them.

You had made us walk on the path of "Self Realization"

Myself along with the coming generations will be thankful to you for writing such wonderful books. We feel your presence in each letter of these books.

The best gift you had given us is "Chanting"

I am thankful to you for telling us about the importance of chanting. It is the most powerful weapon to fight with material life in this Kali-yuga.

I wish to get your mercy forever.

Your Servant,

Bhakta Nikhil Joshi.

My Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. On this Vyasa-puja day, I pray to devote myself to please you, to spread this mission. Despite so much trouble you did not stop writing books which is the best gift to human society. You have written numerous books, which are filled with transcendental knowledge through which this Krishna Consciousness message can be spread all over the world. I only beg to appreciate all the fruits that you have given to me by your hard labor and intense efforts to spread this mission of Lord Chaitanya. You incessantly traveled to preach Krishna consciousness across the globe, took all the risks including the risk of old age and ill-health. On this sacred occasion of Vyasa Puja, I am praying at your feet that please continue showering your mercy on this fallen soul. As you have said in one of the Ratha-yātrā that "if you kindly become Kṛṣṇa conscious and chant and dance in ecstasy, in

emotional love of God, the entire world will follow you. Thus the entire world can become Vaikuṅṭha, a spiritual world in which there will be no more trouble. Thank you very much.” I loved it. My dear Prabhupāda, If you examine me, you will find no qualities. Your mercy is all that I require. If you are not merciful to me, I can only weep, and I will not be able to maintain my life. Gurudev, please give me one drop of your mercy. Simply reading your books which contain such immense knowledge and the highest philosophy has relieved me from this pain. Your association guarantees a fearless passage to this dungeon of material existence.

Your glories are spread all over the three worlds. Thank you so much for being part of my life. Please accept me as your son, Please accept me as your disciple & give me an opportunity to serve you & your mission.

Dear Srila Prabhupada ,

All Glories to you, please accept my humble respectful obeisance at your divine lotus feet.

!! All Glories to you All Glories to you All glories to you All glories to you !!

You are a divine Spiritual Master whose teachings are like an ocean of Krishna consciousness which gets evaporated in the light of the Sun and spreads everywhere. Though the age of *Kali-yuga* is worst of all and all the attractions of this age are strong enough to put one into the hellish condition of this material world for billions of years but your teachings are so divine which have given us a boon even in this age of *Kali-yuga* where everyone beyond the boundaries of religion can come and by following the principals of your teachings one can go back to Godhead there is no doubt in it. It is also said that, 'Whatever is not obtained from the Guru, cannot be obtained from elsewhere. With the grace of the Guru, one indeed gets everything.'

Dear Srila Prabhupada, no word can ever express your divine glories, and thus whatever I am writing it's not even close. I don't have any ability to accomplish this offering to you and pray to you to please forgive me for this mistake that without being enough capable I am knowingly doing this offense. Please keep me under the shelter of your divine lotus feet and please allow me to be a servant of the servant of your devotees. Modesty yields service, service to the Guru yields knowledge, knowledge yields detachment, and detachment yields salvation. My dear Srila Prabhupada, your each and every memory and lecture/teaching, I have read and seen and they have deeply impacted my soul. Indeed all of the memories/lectures/teachings are divine and it feels like you are blessing all the poor souls. O Srila Prabhupada, your divine kindness is limitless and endless and provides shelter to every single being in the whole universe. Please always keep me under your shelter and divine mercy.

Your humble servant always lying at your lotus feet,

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Nobody in this world or universe can get a Guru like you. You are very merciful and accepting all even the one who did all kind of sinful activity but under your lotus feet their life took a right turn and they became devotees instantly realizing Lord Krishna as the only truth, nourishing all just like your own children, though I haven't taken Diksha because till the date I have not been able to follow 100% regulative principles nor do I have been able to do 16 rounds of Hare Krishna mahamantra but I assure you that like Eklavya who became best in archery just by placing all his faith and by worshiping his Gurudev, doing what Guru said I will also one day make you proud.

With your blessings, you gave us precious gifts like books, temples all around the world. Gurudev Srila Prabhupada I came close to my eternal parents, you help me see my eternal home where my parents reside with their son, daughter and their devotees because of you now I dream every day of my eternal home which is truth.

Srila Prabhupada I know in this time and circumstances I m not able to follow your words 100% though I know these are mere excuses. My mind is not in my control rather he is controlling me, I will promise you that I will fight and win. Bless me always so that I can follow your steps and make you and my parents proud one day.

Your servant, Bhakta Prakhar Khanna.

Dear Srila Prabhupada,

Please accept my most respectful obeisance at your lotus feet. All glories to Your Divine Grace.

Yet another year passed wherein I have realized your mercy unto me in the form of spiritual guidance you have been constantly giving. I'll always remember the day when I first visited the temple, the first time I read your books and hear lectures and instructions. I didn't know anything about my spiritual being, but your instructions have changed my perspective about life. I got the biggest gift of my life in the form of your books, association of devotees, chanting Hare

Krishna, having Krishna *prasadam*, and the most important thing the knowledge about the real purpose of this birth, all because of you I am grateful and indebted to you, my Gurudeva, for creating and showing me the path to reach the ultimate goal of life, serving Krishna and *Vaishnavas*. I cannot repay this debt even after serving your lotus feet for the eternal time.

During this time of crisis, which leads to separation from Sri Krishna-Balarama, the fire of separation was only extinguished by reading your books and hearing your lectures, otherwise, this time was very difficult to resist without having *darshanas* of Sri Krishna Balarama. Even after receiving your mercy in the form of your books and instructions, I am so fallen that I'm not serving you and your mission the way I have to. I'm still in the clutches of *Maya* and keep falling deep into it, because of offenses committed by me knowingly or unknowingly. In this situation, I can only pray to Your lotus feet to give me the strength so that in this adverse condition I could still be in Krishna Consciousness.

Your most fallen servant, Bhakta Pranay Pareek.

## Bhakta Prashant Thakur

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories unto you.

I remember my first interaction with you as hearing your voice in '*Vande ham*' bhajan in which glorify your Guru Maharaj and the six Goswamis, Lord Caitanya Mahaprabhu and his associates. Well, I was not mature enough to understand that, but for me that was the beginning of Krishna consciousness in my life. Hearing the voice of a pure devotee, Lord Krsna in Bhagavad Gita says:

*sv-alpam apy asya dhramasya trayate mahato bhayat*

A little progress on this path will protect you from dangerous fears and difficulties. Almost 6 years since I knew you, this foolish servant of yours was bewildered by these material opulences and is still struggling with it. But due to your mercy, I have initiated a revival of Krsna consciousness. It's been only a month and a half ago, I started chanting, reading your books, and hearing your lectures on a daily basis. The conviction you have for the philosophy, and how stern you are regarding the principles to be followed clearly reflects from your lectures. The illustrations, the arguments, your determination for philosophy, I mean a man's lectures, interview, debates, conversations all are being recorded for a decade and all you are talking about is Lord Krishna. How can this be possible for an ordinary man?? You yourself are personified Krsna consciousness, and showed your disciples, how to be a Krsna conscious soul and act on the spiritual plane and that is exactly what Lord Krsna says as a soul in perfect knowledge - *tasya prajnya pratisthta* .

So how can anything you say be imperfect? It doesn't feel you have departed from this material world, you are still guiding us through your books, lectures, and your global movement which was very much essential for fallen souls like us. A heartfelt thank you for showing me the path out of this material darkness. Please bestow your mercy upon me as you always have over these years, so I may remain infallible for this so-called material happiness.

Your fallen servant, Bhakta Prashant Thakur.

गुरुवर श्रील प्रभुपाद जी के चरणों में सादर प्रणाम।

गुरु का स्थान भगवान से भी ऊंचा होता है। गुरु के बिना भगवान की प्राप्ति सम्भव नहीं है। गुरु के द्वारा हमें सही मार्ग का ज्ञान कराया जाता है। गुरु के बिना गति नहीं होती। गुरु के बिना संसार सागर का ज्ञान पाना कठिन है। गुरु दीक्षा नहीं लेने वाला मनुष्य अधोगति को जाता है। गुरु द्वारा दी गई शिक्षा से हमें सर्वोत्तम ज्ञान प्राप्त होता है। गुरु का सदैव आदर करना चाहिए। गुरुवर की पुजा करने का सौभाग्य सबको प्राप्त नहीं होता है। गुरु जैसा ज्ञान किसी के पास नहीं होता। हमारे माता-पिता भी हमारे पहले गुरु है जिन्होंने हमें संस्कार दिए, सही गलत की पहचान करवायी, आगे बढ़ाया। गुरु का सदैव कहना माने। उनके बताए हुए पथ पर चले। गुरु के चरणों में सादर प्रणाम

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I offer my respectful obeisances unto my spiritual master Srila Prabhupada, who has opened my eyes with the torchlight of knowledge, which was blinded by the darkness of ignorance.

I have no words to glorify you because your glories are like an ocean. By your mercy, my life has changed. I don't have any type of quality to perform the service to your lotus feet and all the bad things are present in me. I have done so many misdeeds knowingly. I have made many promises with you Prabhupada but I couldn't keep even one. I am repeatedly doing offenses and not following your instructions sincerely. But Prabhupada you are so merciful that you again and again provide me the opportunity to serve you.

Prabhupada you gave me eternal and blissful things which so many materially fortunate people also can not get. But I am so sinful and rascal that I am simply wasting my time in material activity or enjoying temporary things.

Prabhupada you gave me the highest knowledge of the universe which is not even received to a yogi after doing austerity for millions of years. Prabhupada you taught me the truth of life. Through your teaching, I have understood the real aim of life. You also gave me the opportunity to serve you and your mission. But I am such a fool, rascal that I am busy doing material activity even after knowing the aim of life.

O Spiritual Master please be merciful unto me and give me the strength to serve your lotus feet and your mission.

You hold my hand and never leave me. Without your mercy, I am not able to do anything in Bhakti. Prabhupada, please bless me so that I can make progress in my bhakti and follow your instructions sincerely.

Your most sinful servant,

Bhakta Raghuveer Singh Chauhan.

जगद्गुरु श्रील प्रभुपाद की जय,

हे गुरुदेव! आपको मेरा सादर प्रणाम, हे गुरुदेव! जब भी मैं आपकी तस्वीर (श्रीमद्भागवत में, भगवद्गीता में या अन्य किसी वीडियो में) देखता हूँ तो मैं मन ही मन प्रसन्नता का अनुभव करता हूँ और जिस तस्वीर में आप हंसते हुए रहते हैं उसे देखकर तो मेरे मुख पर भी बहुत बड़ी मुस्कराहट आ जाती है।

हे गुरुदेव! आपकी यह प्रतिमा मेरे हृदय में हमेशा बनी रहे।। जब मैं अपनी माता के गर्भ से मुक्त होकर बड़ा हुआ तो इस संसार के बारे में, मैं बिल्कुल अनभिज्ञ था लेकिन जब आपकी कृपा से मैं इस कृष्णाभवनमृत से जुड़ा और आपकी पुस्तकें पढ़ी तो मुझे समझ आया कि इससे परे भी बहुत कुछ है और सिर्फ वही शाश्वत है।। मुझे याद है कि जब मैं श्रीमद्भगवद्गीता के नौवें अध्याय "परम गुह्य ज्ञान" के श्लोक १० को पढ़ा तब इस संसार को लेकर जो मेरी भ्रम की धारणा थी वह पूरी तरह मिट गई।। इस श्लोक का जब मैंने आपके द्वारा लिखा तात्पर्य पढ़ा, तो मुझे समझ आया कि हम अपनी माता के गर्भ से आजाद होते हैं, तो हमें एक और गर्भ मिलता है जो प्रकृति माता का गर्भ है और जिसमें सभी जीव समाए हुए हैं। और जहां अनेक प्रकार के कष्टों का सामना हर जीव को करना पड़ता है।। जो है - जन्म, मृत्यु, जरा, व्याधि तथा अन्य बहुत सारे कष्ट।। और हे गुरुदेव ! आपकी कृपा से ही मैं समझ सका हूँ कि इस प्रकृति के गर्भ से बाहर निकलने का एकमात्र साधन "हरि नाम" और "भक्ति" है। इसलिए हे गुरुदेव! मेरे सारे वैष्णव अपराधों को क्षमा करके मुझे अपने चरणों के दास के रूप में स्वीकार करना तथा मुझे भक्ति, हरी-नाम, तथा हरी-सेवा प्रदान करना, ताकि मैं भी मेरे सखा, परम-पिता, परम पुरुषोत्तम भगवान - श्री कृष्ण के चेहरे पर एक छोटी सी मुस्कान लाने की वजह बन पाऊं। जय गुरुदेव श्रील प्रभुपाद.

आपका सेवक,  
भक्त राहुल.

Dear Srila Prabhupada,

India has been a land of monk saints and sages for millions of years. Thousands of sages have irrigated this land with their knowledge. But Srila Prabhupada you made bhakti accessible and easy for all. Today there is no corner in the world, where there are no devotees of Shri Krishna, and where Jagannath Ji's chariot journey does not come out. In every corner of the world, parents and children have become part of their life in devotion to Lord Krishna.

Who is God, what is the purpose of my life on this earth, I did not know the answer to all these questions. All I knew was that I had to study and till my government job, marriage and children ended life after that. Is this the essence of life, have we ever tried to know that if I was born on this earth, why did man's body gets found? The life of most of us is passing like this.

After reading the books of you, I chanted *Hare Krishna Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare Mahamantra* and started doing 1 round of chanting and now I chant more than 16 rounds daily. I am trying to become an observant and small pure devotee of Lord Krishna by following the path described by Srila Prabhupada.

Your Fallen Servant,  
Bhakta Rahul Kumar.

Dear Prabhupada,

Please accept my humble obeisances at Your Lotus feet.

Oh Prabhupada, I have only one desire that somehow I can please you.

I am eternally grateful for the opportunity to express my profound gratitude for your causeless mercy.

You are the captain of Lord Chaitanya Mahaprabhu's movement.

Even though you had these hippies as your initial members, even though people were insulting you and disturbing and teasing you, you gave them the knowledge of Krishna Consciousness liberally with a compassionate heart.

You were, in reality, an Ocean of mercy. I have never ever seen anyone who can tolerate so many mistakes of his disciples, forgive them, and encouraged them again to practice sincerely. You were so attached to the instructions of your spiritual master that is proved by your conviction in transforming the hearts of hippies even.

Give to this servant just one drop of mercy. I am lower than a blade of grass. Bless me with the strength to follow your instructions.

You gave me "HARI NAAM". I can chant just because of your mercy. Just by your mercy, I can execute all the services unto Lord Krishna. Just by your mercy, I don't feel alone because you are always present with me through your words(Vani). My life has just changed inconceivably.

I have a desire to always execute your instructions throughout my life because you are the only person for whom I can surrender my life.

Please forgive me for any offenses committed at your lotus feet.

Your insignificant servant,

Bhakta Rahul Kumar Gupta.

प्रिय प्रभुपाद जी,

मेरा सादर प्रणाम स्वीकार करे !

मैं एक अज्ञानी नादान बालक था जो इस सांसारिक मोह माया में जीवन जी रहा था । यहाँ मुझे लगता था कि बस एक यही दुनिया है इसके अलावा कोई दुनिया नहीं है एक यही सुख है इसके अलावा कोई सुख नहीं । पर जब से मैंने आपकी शरण में प्रवेश किया मुझे पता चला कि मैं एक मिथ्या दुनिया में अपना अमूल्य समय नष्ट कर रहा हूँ, और जो अमूल्य समय प्रभु की भक्ति में लगाना चाहिए उसे यही व्यर्थ नष्ट कर रहा हूँ । आप तो हमारे गुरु हैं आपने हमें सिखाया है की कैसे इस लालच भरी दुनिया में अपने सच्चे कर्म को पहचानना है और उस कर्म को कैसे प्रभु की भक्ति में लगाना है । हे गुरुओं के गुरु आपको मैं क्या धन्यवाद दूँ आप तो अनमोल हैं आपका ज्ञान पाकर मैं धन्य हो गया मेरा सारा जीवन जो व्यर्थ जा रहा था अब प्रभु की भक्ति का आनंद लेगा । हे प्रभु फिर भी यदि मुझसे कोई भूल हुई हो या हो जाये तो उसे क्षमा कर देना क्योंकि आप तो बड़े दयालु हैं अपने इस दास को क्षमा कर देना । आपको यदि कुछ गलत लगे तो हमें सही रास्ता दिखाना प्रभु । आपने जो रास्ता मुझे दिखाया है मैं उसी रास्ते पर चलकर आगे औरों को भी यही बात कहूँगा कि प्रभु की शरण में आये और महाप्रभु की भक्ति करें। आपको सादर प्रणाम हमारे जीवन का उद्धार करो प्रभु। धन्यवाद प्रभु!!!

आपका नित्य दास,

भक्त राहुल कुमार जलुथरिया.

जय प्रभुपाद जय प्रभुपाद !

क्या होता कलयुग की जीवों का अगर आप नहीं करते श्रीमद्भागवतम का अनुवाद !

रह जाती कमी कोई सबके जीने में, दबा रह जाता सबके हृदय का कृष्ण प्रेम जो उपस्थित है सबके सीने में !

ना रहती यहाँ सुकून से जीने की आस, ना कोई जा पता गोलोक धाम भगवान कृष्ण के पास !

कैसे जीते पुरे संसार के लोग हरिनाम के बिना !

हरी नाम के बिना भी कोई जीने में है जीना !

रह जाती हर भक्त के कृष्ण प्रेम पाने की आस, सब बनके रह जाते माया देवी के दास !!

जय प्रभुपाद जय प्रभुपाद !

हम जैसे तुच्छ लोगो का उद्धार हो ही गया अब !

जपने लगे है हरिनाम, उम्मीद है एक दिन जपेंगे सब !

करना मेरी हर बुरी आदत का नाश, कुछ मिले ना मिले ज़िंदगी में बना रहू नित्य कृष्ण दास !

वैज्ञानिको ने बस इतना बताया है ये दुनिया है गोल !

बस इतनी से गुजारिश है आपके श्री चरणों में खुद जपता रहू कृष्ण नाम और सबको कहता रहू हरी बोल हरी बोल !

आपका तुच्छ सेवक,

भक्त राहुल रघुवंशी.

All glories to Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet.

It has been a time when I first came in contact with Krishna Consciousness. Oh Gurudev, I am still not consistent with the chanting. I am sorry but it's true. The dreams to achieve materialistic goals and inbuilt laziness drive me away from the determination for chanting. It is the will and association of devotees that I am still in touch with Krishna consciousness. My consistency and progress in Krishna Consciousness depend upon your blessings and devotees association. Dear Srila Prabhupada, I am already fool, lazy, and fallen, but whatever good learning is there in me is because of you. Thank you for everything. Wherever I go, please keep in touch with the temple devotees. Please engage me in your service and help my family in advancing in Krishna Consciousness.

Your most foolish servant,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. In Vedic Sanskriti, a guru is always given first offering because he tells us about the real form of God, how we are related to God and how we can use this body in his service. Without a guru we .Cannot know the truth about god. It's the same as using a complex machine without a Manual or instructor. With your grace, I have visited the Hare Krishna movement, Jaipur in December 2017. It was like Coming into another world, all beyond the material world. The material world, which is full of miseries, Selfishness, lust, greed, anger, and it is so powerful it may attract repeatedly.

You give your mercy on us by establishing the Krishna Consciousness movement, to come out Of this material world and live a happy and valuable life. Your past time gives us lots of inspiration and learning when it comes to your willpower to establish the Krishna Consciousness Movement around the globe or to start Akshaya Patra Kitchen to distribute prasadam to school students. Your disciples are working hard day and night To expand your glories around the world. On this auspicious day, everybody is glorifying you but I am again in need of your mercy and Blessing, without which I cannot see anything else than the material world. Please forgive me

for all my offenses which I have committed and bless me so that I can surrender my every Breath in lord Radha Krishna lotus feet and engage in devotional service.

Your Humble Servant,  
Bhakta Rajat khandelwal.

जगतगुरु श्रील प्रभुपाद को मेरा कोटि-कोटि नमन,

124 वें व्यास पूजा उत्सव के शुभ अवसर पर श्री गुरु के चरणों में मेरा शत शत नमन, मैं कौन हूँ मेरे, जीवन का क्या उद्देश्य है मुझे कुछ समझ नहीं था जब से मैं कृष्ण भावनामृत आंदोलन से जुड़ा, प्रभुपाद जी की बुक्स पढ़ी, तब मुझे ये समझ आया वास्तव में मैं गलत दिशा में जा रहा था और इसके बाद मैं आंदोलन से जुड़ा, इस तरह से आपने अपने ज्ञान और भक्ति के द्वारा संसार में अनगिनत लोगों का जीवन संवार दिया, लाखों लोगों को आपने आध्यात्मिक जीवन जीना सिखाया, आप ही की वजह से आज हरे कृष्ण महामंत्र को पूरे संसार में अनगिनत लोगों द्वारा जप किया जाता है, आपने पूरे संसार में मंदिरों के निर्माण करवाये जहाँ कृष्ण भक्ति का पाठ पढ़ाया जाता है, गुरुकुल बनवाये, जहाँ बचपन से ही सदाचार और संयमित व आत्मनिर्भरता से परिपूर्ण जीवन जीने की शिक्षा दी जाती है। आपने जो भगवद्गीता का यथार्थ रूप दिया है उसे पढ़कर जो भगवद्गीता के द्वारा भगवान कृष्ण का संदेश है बहुत ही अच्छे से समझा जा सकता है, नहीं तो भगवद्गीता बहुत से लोगों ने और भी पढ़ी है, लेकिन वो बात समझ में नहीं आती जो समझना आवश्यक है।

आपने भगवान चैतन्य महाप्रभु की शिक्षाओं के बारे में सारे संसार को समझाया, भगवान का भक्त के रूप में आने का उद्देश्य बताया, भगवान चैतन्य महाप्रभु के शिष्यों के बारे में व उनके द्वारा भक्ति के बारे में बताया, उनके द्वारा भगवान की पूजा विधि व भगवान कृष्ण से संबंधित अन्य विषयों के बारे में बताया, जो कि इस्कॉन का आधार है। आपने गुरु के आदेश की पालना करने के लिए, जीवन के अंतिम वर्षों में जो किया वह किसी सामान्य मनुष्य के लिए कर पाना असम्भव है, आपने अस्वस्थ होने के बावजूद पूरे संसार का भ्रमण किया और विदेश में 108 मंदिरों की स्थापना की एवं लाखों लोगों को कृष्ण भावनामृत आंदोलन से जोड़ा, वो आंदोलन आज भी अनवरत रूप से चल रहा है और बहुत ही बड़ा रूप ले चुका है। आपने जो इस संसार को दिया है वो शब्दों में बयान नहीं किया जा सकता है। आपके चरणों में आकर मैं धन्य हो गया। मेरा आपको कोटि कोटि नमन

आपके चरणों का दास, भक्त राजेश.

## Bhakta Rajesh Bansal

श्रील प्रभुपाद जी, आपके चरण कमलों में मेरा सादर नमन,

आप भगवान श्री कृष्ण के शुद्ध भक्त हैं, तथा परंपरा से उनके अधिकृत प्रतिनिधि भी हैं। आपने अपने गुरु महाराज की इच्छा के अनुसार पाषाण देशों में जहाँ हिप्पी लोग रहते हैं ऐसे पतितों को भगवान का भक्त बनाया था, आपने 108 से अधिक मंदिरों का निर्माण भी करवाया तथा वहाँ भगवान श्री कृष्ण और चैतन्य महाप्रभु की वाणी का प्रचार व प्रसार किया और 1966 में हरे कृष्ण आन्दोलन की शुरुआत की, आपने धर्म के 4 स्तंभ बताएँ तप (नषा नहीं), शौच (अवैध संबंध नहीं), दया (मांसाहार नहीं) तथा सत्य (जुआ नहीं). जब से मैंने आपके भक्तों का संपर्क किया है और आपकी पुस्तकों का अध्ययन किया है, तथा साधना जो आप द्वारा बताई गई है उनका पालन करने लगा हूँ तब से यह भौतिक संसार (माया) क्या है व जीवन का मूल उद्देश्य क्या है समझ आने लगा है आध्यात्मिक गुरु की दया से ही व्यक्ति कृष्ण का आषावाँद प्राप्त कर सकता है। आध्यात्मिक गुरु की कृपा के बिना कोई भी उन्नति नहीं कर सकता है इसलिए आपकी सहायता के बिना कोई भी बार बार जन्म और मृत्यु के चक्र से मुक्त नहीं हो सकता है।

*तद्विद्वि प्रणिपातेन परिश्रमेन सेवया। उपदेक्ष्यन्ति ते ज्ञानं ज्ञानिरस्तत्त्वदर्षिनः॥*

अतः मैं आपके चरण कमलों में दंडवत प्रणाम कर प्रणीपात (आत्मसमर्पण) करता हूँ आप ज्ञानी व भगवान के शुद्ध भक्त हैं, आपने सत्य का दर्शन किया है, आप परमात्मा तत्व को भलीभाँती जानते हैं इसलिए मेरा आप से निवेदन है कि आप अपने चरण कमलों में स्थान देकर मुझे भक्ति मार्ग में आगे बढ़ाएं तथा मेरे जैसे पतित को अपनी सेवा में स्थान दें। जय प्रभुपाद

आपका अनन्त सेवक, भक्त राजेश बंसल.

प्रिय श्रील प्रभुपाद सादर दंडवत प्रणाम एवं चरण स्पर्श निवेदन,

हे श्रील प्रभुपाद इस घोर कलिकाल में हम पापों से पूर्ण रूप से भरे हैं हम जैसे प्राणियों में आपकी कृपा से अगर कुछ भगवान नाम हो रहा है तो वह आपके जैसे शुद्ध भक्तों की कृपा ही है ...हे प्रभुपाद हे पूज्य गुरुदेव आप कृपा करके मुझे जैसे निम्न कोटि के प्राणी को भगवान की भक्ति में और भगवत जनों के संग में ना लगाते तो यह जीवन पूर्ण रूप से व्यर्थ हो जाता यह शत प्रतिशत आप ही की कृपा है और आप की कृपा ही मुझे जैसे प्राणी को भगवान् श्री कृष्ण के चरण कमलों की भक्ति में लगाती है और कभी किसी क्षण और आधे क्षण के लिए भी अगर मैं उनके नाम को निष्काम भाव से ले पाता हूँ तो यह पूर्ण रूप से गुरु वर्ग आप ही की कृपा है आप ही की करुणा है आप स्वयं भगवान की साक्षात् कृपा ही तो है जो मुझे जैसे नारकीय व नासमझ प्राणी को श्री भगवान के नाम में लगाते है वरना मैं तो करोड़ों जन्मों से भोगों को ही अपने जीवन का लक्ष्य मानता आया हूँ .मुझे जैसे प्राणी को बिना आपकी कृपा के कौन संभालेगा नहीं नहीं आपके जैसे शुद्ध वैष्णव के अलावा और कोई नहीं मैंने आप के रूप में साक्षात् भगवान को देखा क्या आप साक्षात् श्री ठाकुर जी की कृपा से नहीं मिलें मुझे हां हां यह तो श्री ठाकुर जी की कृपा ही तो है जो आप मिले और आपसे मिला श्री ठाकुर जी का परम पवित्र नाम हा हा हा नाम महाराज की कृपा किस काल में भी श्री नाम महाराज इस जिह्वा से प्रगट होता है क्या यह पुरुषार्थ है नहीं बिल्कुल नहीं यह सिर्फ कृपा है आपकी कृपा है.

मुझे जैसा प्राणी जीवन को धन उपार्जन का माध्यम मानता है और भोगों में लिप्त रहना ही जीवन मानता है परंतु आपने बताया की यह तो जीवन नहीं है हम तो साक्षात् प्रभु के अंश है आपने जीवन से मनुष्य जीवन से परिचय करवाया आपकी कृपा से हमें ज्ञात हुआ की हम तो जानवरों से भी खराब जीवन जी रहे थे पर हम मनुष्य हैं ना सिर्फ मनुष्य है साथ में भगवान के अंश भी हैं और हमारे जीवन का लक्ष्य उस अनंत कोटी ब्रह्मांड नायक प्रभु को प्राप्त करना है ना की भोगों में लिप्त रहना हे श्रील प्रभुपाद आप हमें भगवान के नाम में लगाए रखें और आपके चरणों का दास अनुदान बनाए रखें, अनंत कोटि दंडवत प्रणाम ज्ञापित करते हुए

प्रिय गुरु महाराज श्रील प्रभुपाद जी,

आपकी व्यासपुजा के इस शुभ दिन पर आपको हार्दिक शुभकामनाएँ। मैं आपके द्वारा अपने जैसी अधम आत्माओं, जो हमेशा पवित्र नाम और भक्तों पर थोड़ा सा विश्वास करने के लिए माया के दायरे में संघर्ष कर रही है, का उद्धार करने के लिए आपको दण्डवत प्रणाम करता हूँ। मुझे आपके प्यार भरे प्रोत्साहन के लिए आभार व्यक्त करने के लिए शब्द नहीं मिल रहे। मुझे आपके साथ किसी तरह जुड़े होने पर गर्व है। गुरु महाराज, अभी कुछ समय पहले तक मैं बहुत सारी तुच्छ गतिविधियों में लिप्त था। जब मैं अब इसके बारे में सोचता हूँ, तो मुझे खुद पर शर्म आती है। फिर भी आप इतने मेहरबान हैं कि आपने मुझे भक्ति सेवा का यह अवसर दिया है। मैं प्रार्थना करता हूँ कि आपकी दया हमेशा मेरे जैसे नीच सेवादारों पर बनी रहे। मैं यह भी प्रार्थना करता हूँ कि आपके तात्पर्यों और आपके होठों से निकलने वाले शब्दों से मैं सदा शुद्धिकरण प्राप्त करता रहूँ। मेरे पास वैष्णव होने की कोई योग्यता नहीं है, मैं बस एक आकांक्षी वैष्णव हूँ। मैं प्रार्थना करता हूँ कि आप मुझे मत त्यागना क्योंकि मैं प्रगति करने के लिए संघर्ष कर रहा हूँ। मैं यह भी प्रार्थना करता हूँ कि आप पवित्र नाम जपने की मेरी इच्छा के साथ मुझे आशीर्वाद देते रहना। गुरु महाराज, आप हमेशा मेरे शुभचिंतक रहे हैं और मैं आपकी दयालुता के लिए सदा आभारी तथा ऋणी रहूँगा।

आपका सदा कृतज्ञ शिष्य,  
भक्त राजिंदर कुमार.

पूज्यनीय गुरुदेव श्रील प्रभुपाद जी,

आपके चरणकमलों में दण्डवत प्रणाम। पूज्य गुरुदेव यह आपकी की ही असीम कृपा है कि जिससे मुझे आपके भक्तों के सानिध्य से आपके प्रसाद रूपी वाणी सुनने का अवसर प्राप्त हो पा रहा है जिससे मैं भक्ति के मार्ग में निरंतर आगे बढ़ पा रहा हूँ एवं पूर्वजन्म के कर्मों से पनपे भीतर के कल्मष भी धीरे धीरे कम हो रहे है। आपकी शरण तथा कृपा के बाद मैं आपके मार्गदर्शन से भक्ति मार्ग पर चलने का प्रयास कर रहा हूँ। मुझे पूर्ण विश्वास एवं श्रद्धा है कि भक्तिमार्ग के अवरोध भी आपकी कृपा से समाप्त हो जाएंगे। वैसे तो गुरु की कृपा अपने शिष्य पर सदैव बनी रहती है फिर भी मैं विनम्र निवेदन करता हूँ कि जब भी मैं भक्ति एवं सेवा के सदमार्ग से भटक जाऊँ तो आप किसी भी प्रकार से मुझे भटकने नहीं दें, जिससे मैं अपनी आध्यात्मिक यात्रा पर चलकर भगवान के परम धाम तक पहुंच सकूँ। वैसे तो भगवान की भक्ति पाना मुझे जैसे पतितों के लिए बहुत ही मुश्किल होती है मगर जिस पर गुरु की कृपा हो

वह आसानी से भगवान की भक्ति तथा सेवा प्राप्त कर सकता है। इसलिए मैं आपके चरणों में बार बार वंदन करता हूँ। आप अपने इस पतित दास पर अपनी कृपा इसी प्रकार सदैव बनाये रखें।

पूज्य श्रील प्रभुपाद,

हरे कृष्णा.

कृपया अपने चरण कमलों में मेर विनम्र प्रणाम स्वीकार करें।

श्रील प्रभुपाद मैं आपका हृदय से आभारी हूँ कि आपने अपने गुरु की प्रेरणा से कृष्णभावनामृत आन्दोलन प्रारंभ किया। इस आन्दोलन के कारण संसार के अन गिनत लोगों को कृष्णभक्ति का स्वाद मिला और वे अपनी नाना प्रकार की कलियुगी कल्मषो से मुक्ति पा सके।

श्रील प्रभुपाद, आपकी लिखी किताबें आने वाले सैकड़ों साल बाद भी लोगों को सही कृष्ण भक्ति मार्ग पर चलने में सहायता करेगी। श्रील प्रभुपाद, आपके द्वारा अनुवादित भगवद्गीता यथारूप पढ़कर ऐसा लगता है कि स्वयं भगवान के आदेश पढ़ रहे हैं।

पूज्य प्रभुपाद, आपसे यह पता चला है कि आध्यात्मिक स्तर प्राप्त करने का क्या तरीका है, कीर्तन का क्या लाभ है। आपके निर्देशों का पालन करने का प्रयास करके आध्यात्म और भक्ति मार्ग पर चलने की कोशिश कर रहा हूँ। आपके ही निर्देशानुसार माला जप, कीर्तन और आपकी पुस्तकें पढ़ कर कृष्ण भक्ति की कोशिश कर रहा हूँ।

पूज्य श्रील प्रभुपाद, इस कठिन समय में कृष्णभावनामृत ही उपाय है जिसे आपके निर्देशों से ही प्राप्त किया जा सकता है।

हे गुरुदेव श्रील प्रभुपाद कृपया अपनी दया बनाएं रखीये।

Respected Gurudev,

Dear Srila Prabhupada Dandavat Pranam,

I am very fortunate that I have found refuge in you. I am blessed to have a guru like you. My best wishes & respect to you. O Gurudev, my heart and life have changed after coming to your shelter. I have wonderful confidence and a satisfied mind now. After coming to your shelter, the light of divine knowledge has come into my heart. That has given me the real purpose of living my life.

With your grace, I am moving towards living a life of Krishna consciousness. Now my mind does not get distracted. I do not deviate from the purpose of my life and whenever a doubt arises in life, your books easily resolve them. O Gurudev I am able to enjoy the real juice of life by getting your grace. O Gurudev, by your grace, I have become very interested in our Supreme Father, Krishna, due to which I am truly able to take refuge in Lord Krishna. No doubt arises in my mind about the God you have provided. O Gurudev, I used to get very distracted by the influence of Maya. But now the grace of you and Krishna always rests on me, so that I can easily get out of those troubles. O Gurudev, I request you to always keep your blessings and kindness on me that I can live my whole life fully in the spirit of Lord Krishna and I can drown myself more and more in the love of Lord Krishna and serve Lord Krishna and thus my life will become meaningful.

श्रील प्रभुपाद जी के चरणों में एक तुच्छ दास रामस्वरूप शर्मा का दंडवत प्रणाम।

हे श्रील प्रभुपाद जी मैं इस दुख भरे कलिकाल जगत में मेरे जीवन का जो परम लक्ष्य है। वह आपके हरे कृष्णा मिशन के संपर्क और संग करने से मिला। आपके इस मिशन के संग और संपर्क से पहले मैं अज्ञान और अंधकार में जीवन व्यतीत कर रहा था। जो एक मशीनरी की तरह दिन रात काम करना, खाना और सोना था। सन 2015 में हरे कृष्णा मूवमेंट के भक्तों का संग मिला और श्री श्री नितार्ई गौरांग प्रभु का मेरे घर में प्रतिष्ठा होने का अपूर्व गौरव प्राप्त हुआ और रोजाना नित्यसेवा का कार्यक्रम प्रारंभ हुआ परिवार के सदस्यों द्वारा नित्य पूजा, श्रृंगार, आरती और कीर्तन का कार्यक्रम क्रमबद्ध होता आ रहा है।

हे! गुरुदेव जब से आपकी शरण में आया हूँ मेरा भाग्य ही बदल गया आपकी कृपा से और भक्तों के संग से परम पिता श्री कृष्ण की भक्ति करने की विधि का ज्ञान प्राप्त हुआ। श्री श्रील प्रभुपाद जी आपकी परम कृपा से भगवान कृष्ण की दिव्या भक्तिमय सेवा करने और गत चार पांच वर्षों से नित्य 16 माला जप और ठाकुर जी के मंदिर में एक घंटा हरि नाम संकीर्तन करने का सौभाग्य प्राप्त हुआ। कलियुग केवल नाम अधारा ! सुमिर सुमिर नर उताराहि ही पारा! अर्थात् इस कलयुग में सिर्फ भगवत हरि नाम हरे कृष्णा हरे कृष्णा कृष्ण कृष्ण हरे हरे। हरे राम हरे राम राम राम हरे हरे।। इस 16 अक्षर महामंत्र का ही एक आधार है। हे श्रील प्रभुपाद जी आपके जीवन काल के अंतिम पड़ाव संन्यास आश्रम के अल्प जीवन काल में आपने पूरे संसार के अलग-अलग देशों में श्री कृष्णा भगवान के 108 मंदिर और सभी देशों में हर वर्ष असंख्य जगन्नाथ यात्राओं के आयोजन किए। आपके द्वारा 70 से भी अधिक ग्रंथ और आध्यात्मिक पुस्तकें जो 28 से भी अधिक भाषाओं में अनुवादित कर संपूर्ण मानव कल्याण के लिए एक अनुपम और अलौकिक कृतियां प्रदान की है जो अनादि काल तक वैष्णव भक्त इनका स्वाध्याय और अनुसरण कर अपने जीवन को भगवान के चरणों में समर्पित करता रहेगा।

हे गुरुदेव मैंने भी आपके द्वारा अनुवादित श्रीमद्भागवद्गीता, का स्वाध्याय किया और योग पथ, राज विद्या, कृष्ण की ओर, जीवन का स्रोत जीवन, योग की पूर्णता आदि पुस्तकों का भी स्वाध्याय करने की कृपा प्राप्त हुई। आपके चरणों में और भी लिखने की जिज्ञासा थी लेकिन सीमित शब्दों के नियम के आदेश के अनुसार इतना ही लिख पा रहा हूँ। हे गुरुदेव आप तो परम कृपालु हैं। परम दयालु हैं और सर्वज्ञ हैं आप मुझ जैसे पतित तुच्छ दास के अवगुण, कमियां, दोषपूर्ण कर्मा और भूलों को मिटाकर मुझे कृष्ण प्रेम प्राप्त करने और प्रभु की नित्य दिव्य भक्ति में सेवा में लगे रहने का आशीर्वाद प्रदान करें और प्रभु के चरणों में समर्पित होने की शक्ति प्रदान करें।

आपका सेवक दासानुदास,  
भक्त रामस्वरूप शर्मा.

श्री गुरु देवाय नमः। जय श्रील प्रभुपाद,

गुरु जी, आपने जो कलयुग के मनुष्यों को जीवन का वास्तविक उद्देश्य (भगवान कृष्ण की भक्ति) बता कर जो ज्ञान की ज्योति जलाई है उसके प्रकाश से लाखों मनुष्यों सहित इस तुच्छ भक्त का हृदय भी प्रकाश से भर गया है। श्रील प्रभुपाद आपकी कृपा का जितना भी उल्लेख करें वह सूरज को दीपक दिखाने जैसा है। इस कलयुग में जहां मनुष्य स्वार्थ, मिथ्या, अभिमान, ईर्ष्या तथा काम से घिर कर इस मनुष्य योनि रूपी मुक्ति के दुर्लभ अवसर को खो देता है, आपने हमें रात्रि के अंधकार में दीपक जैसा मार्गदर्शन दिया। आपसे हमने ज्ञान पाया कि कैसे हम अपने इस मनुष्य रूपी शरीर को धनुष के जैसे प्रयोग कर अपनी आत्मा रूपी वान से वास्तविक लक्ष्य (मुक्ति ) का भेदन (प्राप्त) कर सकते हैं। भगवान सदा हमको आपके चरणों में स्थान दे।

आपका चरणाभिलाषी.  
भक्त रवि कुमार.

Dear Srila Prabhupada,

I bow down to Your lotus feet, Please accept my humble obeisance.

I am very fortunate that I found a spiritual master like You. Srila Prabhupada You are the only hope in my life to further continue my life otherwise there is no reason to live on this earth planet. Prabhupada before You, we were like an animal

but You gave us the purpose of life. You taught us many things that we can utilize in our life. You gave us answers to every question. Srila Prabhupada Your knowledge is perfect and You taught us the process of Bhakti in this Kali-yuga which is very simple so that everyone can do Bhakti of the Supreme Lord Krishna. Prabhupada You gave us knowledge that for every work we should keep Lord Krishna in the center. Prabhupada You are present through Your books and in the form of Your instructions. Without You, our life is in dark. One song is there “*Yadi Prabhupada na hoite toh ki hoite*” Its correct Prabhupada if You have not come we were simply living and dying. You gave us knowledge of the difference in soul and body. So Prabhupada I want to serve You life after life so please keep me in Your lotus feet because I am forgetful. I am not able to serve Krishna without You. I do not want to forget You Prabhupada and Krishna. I want to spread Krishna consciousness by whatever instrument I have. Prabhupada I am not qualified to serve You so please be merciful onto me and engage me in Your personal devotional service. I do not want to leave Krishna consciousness. I thank You and Your closer disciple Krishna Pada Dasa (Hare Krishna movement devotee) who gave me a chance to understand Krishna consciousness philosophy very nicely. I am using this philosophy in my daily life and it has changed my life drastically but I am not so much perfect so Prabhupada please be merciful on to me and if I did any mistakes please forgive my mistakes consider me as a fool child. DANDVAT PRANAM.

Hare Krishna.

Your Faithful Servant,

Rinku Singh,

B.tech MNIT JAIPUR.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet. All glories to Your Divine Grace.

You instructed us to simply chant 16 rounds under Your order and for this, You have assured to deliver us from this world.

Your Divine Grace distributed the holy names of Lord Krishna as the gift of Lord Krishna. You followed the instructions of Chaitanya Mahaprabhu to spread the Holy names of Lord Hari worldwide.

You revealed the truth that there is no happiness in this material world, the happiness is only in glorifying Lord Krishna and in chanting His (Krishna's) Holy names.

In this world, everyone is suffering but they think that they are enjoying so You explained how we can be protected from these sufferings of the material world.

You carried the orders of Chaitanya Mahaprabhu and started the “Hare Krishna Movement” who taught the world that how one can become happy by only chanting the Holy names of Lord, dancing, and eating prasadam.

One can't chant even a single name of Lord Krishna without Your mercy. But You are so kind and merciful that You gave us this opportunity to chant and get real happiness of life and go back to Godhead.

In Srimad Bhagwatam 1.2.17, it is said:

*śṛṇvatām sva-kathāḥ kṛṣṇaḥ puṇya-śravaṇa-kīrtanaḥ*

*hṛdy antaḥ stho hy abhadrāṇi vidhunoti suhṛt satām*

"When one engages in devotional service in the first stages of hearing and chanting, the Lord, who is in everyone's heart, helps the devotee in cleansing his heart."

In the gradual cleansing process, one is relieved of the influence of passion and ignorance and is situated on the platform of goodness.

Therefore I am so fortunate and blessed that I got the opportunity to learn this absolute truth directly from Your Divine Grace.

In Srimad Bhagwatam 1.3.28, it is said:

*kṛṣṇas tu bhagavān svayam*

In the above verse only Your Divine Grace can teach us that Krsna is the original personality of Godhead.

Your fallen servant,

Bhakta Rishabh Mittal.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja. The blessings of your divine teaching have lead me to read the most auspicious book 'Srimad Bhagavad Gita' and still continuing. This book has taught me the sole purpose of life and the mechanism of a human life which is given to liberate from the clutches of this material world in a very peaceful way. You have taught us how to chant the holy name of Krishna and you still continue to show us the right path. You have given us the right knowledge of spirituality and have also tried to simplify our problems in one or the other way. The process of hearing and chanting has brought a significant change in me all because of your divine blessings. On this auspicious day, I humbly beg you to continue to shower your blessings on me to make me an instrument in serving your mission. Please forgive me for my offenses and please bless me with the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees. Begging to remain under the shelter of your lotus feet all times and aspiring to be your humble servant.

Your Servant,

Bhakta Ritvik Anand.

Most Respected Dear Srila Prabhupada,

With due respect to You, I am trying to attempt to write few lines, however, I believe that I do not have the ability and wisdom to write something about your glorious life and the Bhakti revolution which was started by You. Please forgive me for my mistakes and imperfections. I am not more than a particle of dust in front of You who was given Your blessings and love. Dear Srila Prabhupada, I would like to thank You for enlightening me from the inside and provide me the pure and divine wisdom. Your teachings and Vedic knowledge in the form of books written by You helped me to understand the real goal of this life and the true nature of this material world.

You are always present in my heart guiding me to taking the right decision in my life even it not related to spiritual life. Your teachings define the real valve of spirituality and foundation principals of human life.

You explained to me the temporary nature of this world and the world which is above all worlds, the ultimate adobe of true bliss – The Goloka, where resides eternal happiness and way forward to reach there.

You inculcated wonderful spiritual practices in me like fasting on Ekadashi, following four regulative principals, etc.

You taught the entire world that spirituality is not about following some old traditions blindly but it is following and learning the true Vedic wisdom and knowledge from the spiritual master. The knowledge which is being passed through the hierarchy of Gaudiya Vaishnav Gurus.

Respected Gurudev I don't have words to define Your value and effect in my life but at last, I would like to say that:

*Gurur Brhma Gurur Vishnu, Gurur Devo Maheshwara  
Gurur shakshat Parbrahmma, Tasmai Shri Guruve Namah*

Thank You so much, Gurudev for all Your blessings which makes my life shine.

Your Servant,

Bhakta Rohit Gupta.

Dear Srila Prabhupada,

I offer my most respectful obeisances unto your lotus feet. All glories to Your Divine Grace,

Thank you Srila Prabhupada for teaching us how to love Sri Krishna, the Supreme Personality of Godhead, thank you for giving us the way to live, thank you Srila Prabhupada for this organization, thank you for providing us Lord Krishna and directing us towards the love of Godhead, thank you Srila Prabhupada for your love, kindness, tolerance. Thank you for accepting this fallen soul as your disciple/servant.

His Divine Grace, you have given humanity the best gift, which is beyond everything, the 'Hare Krishna Nama Prabhu' which is Lord Krishna Himself. Srila Prabhupada, what you have done can never be forgotten, you slept just for two hours at night, wrote and translated so many books, you have given us the pleasure of Krishna *prema*, the realistic pleasure, with it's key, the chanting of "*Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Hare Hare*".

Srila Bhaktisiddhanta Saraswati Thakur told that one who doesn't chant sixty-four(64) rounds of the 'Hare Krishna maha-mantra' is not to be considered as a human being, but after seeing the sufferings of the fallen souls of this material world, you gave given an enormous discount and asked to chant only sixteen(16) rounds daily. Simplifying this process for us, you still promised that you will surely take us Back to Home, Back to Godhead if we follow your orders.

Your Divine Grace, my karmas are so bad that even after knowing about the importance and necessity of Krishna consciousness, I am such a foolish person that I am still running after *māyā*, hence I don't have that much faith in Krishna. I have fallen many times and didn't have the strength to get up, but all those times you were there to guide me. Ačāryas have said that "*Yasya prasādād bhagvat prasādo, Yasya aprasādād na gati kuto 'pi,*" and you are so kind that you get pleased with even a pinch of service, even one may not be a pure devotee. From the last few years, I am desiring to take shelter of your lotus feet, to surrender unto you with full dedication, but because of my polluted desires, I have always failed. I have tried to advance but this pollution comes always in my way. I am failing again and again. You once said that if one wants to get liberated, one should just catch hold of your *dhoti* tightly enough and you will surely take us back to Sri Krishna, and Srila Prabhupada I am trying very hard for it.

I have been in touch with the movement for some 6+ years, but still, that fruit has not started ripening inside my heart. I am not able to develop that love for Krishna or even for you. What should I tell you Prabhupada, you know everything which is going inside your disciple's heart and mind. O Srila Prabhupāda, I am very fortunate that I got your mercy, you are the savior of the whole world, you have changed the lives of many. I only request you to please protect me from all the sinful activities and help me to nurture this *bhakti-lata-beej* inside my heart, and please Srila Prabhupāda make me capable enough that one day even I become one of the members of your army, wanting to serve you till I leave this body and even after that. You have done so much for me that I cannot repay you any percentage of the debt. Please Srila Prabhupāda keep me away from Māyādevi and near to Krishna and his devotees.

Thank You Srila Prabhupāda for giving us yourself. It's impossible to limit myself glorifying you.

Your menial servant's servant, Bhakta Ruchir Gaur.

Dear Gurudev Srila Prabhupada,

Please accept my humble obeisances into your Lotus feet.

It's being 5 years when I know the actual goal of life, that's only happened by reading your books, and by association with devotees, and only and only by your causeless mercy on me (fallen soul).

I want to say one thing that you give us the greatest gift that is your books which is your heart and soul, now whoever got an opportunity to read it their hearts transformed and get the causeless mercy of Supreme Lord Krishna who is the real goal of life. So it's only and only by your mercy we know the purpose of our human form of life.

Please give strength and mercy upon me, so that I can follow the principles and process till my last breath to achieve the real goal of life.

It's my humble request.

Your servant,

Bhakta Sachin Ochani.

परम आदरणीय गुरुवर श्रील प्रभुपाद के कमल चरणों में कोटि कोटि वंदन।

आपके अथक प्रयास से इस भौतिक संसार के बंधनो में बंधी अनंत जीवात्माओं को कृष्णा भावनामृत का ज्ञान प्राप्त हुआ। आप ही हे जिन्होंने महाप्रभु श्री चैतन्य के भविष्य दर्शन को सार्थक सिद्ध किया और नगर नगर, गांव गांव में हरी नाम संकीर्तन की ध्वनि को प्रस्फुटित करा आपने देश की सीमाओं से परे होकर अन्य देशों में हरिनाम और उसकी महिमा का महत्व प्रसारित कर विश्व कल्याण की और एक सफल प्रयास किया। मैं अपने आध्यात्मिक जीवन के शैशव काल में हूँ। यह आपकी ही अकारण कृपा हे की मुझे इस जीवन में कृष्णा भक्ति को जानने का अवसर मिला। मुझ मूढ़ जीव को सदैव अपनी दया का पात्र बनाये रखे और अपने सेवको की सेवा का अवसर प्रदान करें।

Dear Srila Prabhupada,

Please accept my humblest obeisance and my devotional service from the deepest core of my heart. All glories to you on this auspicious day.

I still remember when I was struggling hard enough in my life to get someone who can guide me in my life, who can show me the right path and who can pull me out of the material miseries which I was facing at that time. My life was completely full of pain, miseries, and dissatisfaction. I had lost all my hopes, then Lord Krishna sent you in my life to protect me, to guide me, to encourage devotional service, and to encourage me in the correct and perfect way of leading my life. You taught me the real meaning of *bhakti*. It is you who taught me that we all are Krishna's part and parcel and if we surrender unto him completely and faithfully, He will surely protect us from any kind of miseries. He could not tolerate our sufferings because we are His sons. It is you who cleared all my doubts and you explained to me the meaning of part and parcel. In my life, it is you who explained to me that like the water from the ocean is having the same nature as of the complete ocean, similarly, we are having the exact same nature as of our Vasudeva Krishna which is to be happy and always be joyful. You gave me the real meaning of my life.

I always used to remember you whenever I faced my problems with chanting. It is you who cleared all my doubts regarding chanting. You taught me that I must not stop chanting under any circumstances whether we get the result immediately or not. Only because of you, I got the patience to continue chanting Hare Krishna maha-mantra despite not getting benefits instantly because you were sure and made me believe in chanting and you made me realize its actual importance. You explained to me the importance of Lord Krishna in our life.

The analogy that even if our whole body parts are doing all the works to feed our stomach, which enjoys the benefits of the food, still our body parts don't stop serving our stomach because ultimately it is the body parts themselves that get energy by serving and working for the stomach. This example completely blew my mind and made me realize the actual and real importance of doing devotional service. When we are fully engaged in Krishna consciousness, we will be completely liberated and any kind of material problem will not affect our mental peace and still, we will continue to enjoy our life and we will always be happy which is the nature of Sri Krishna i.e. to be happy. These examples completely changed my perspective on Krishna consciousness. My devotion began to increase exponentially and in fact, I started encouraging my family members too. All this became possible by your mercy and your presence in my life. You make me understand that lust, greed, and passion must be avoided for our happy life.

It is only by your guidance I understood that it is very necessary to feed our soul along with feeding our body because the body keeps changing every second, but the soul will be the same and it is eternal. So, to feed something which is eternal has the utmost importance rather than to feed our body more than it requires. You guided me on how to start reading the most important book, which is the manual of our life, The "BHAGAVAD-GITA". You made me realize its importance. It is you who revealed to me the actual importance of hearing the *Maha-mantra* along with chanting it. You explained to me that mere chanting is not that effective unless we hear it attentively. You made sure that our chanting practices should be as perfect as possible so that we can enjoy its benefits as soon as possible. You really made a lot of effort to make us understand the actual importance of chanting.

I still could not imagine my life and my situation without you Srila Prabhupada. I don't know anyone other than Your Divine Grace that can help me to reawaken the love for Krishna and to understand the real purpose of my life. I beg you Srila Prabhupada to remain in my life forever with me, to guide me to acquire transcendental qualities and to get over with the material miseries.

I beg to remain the humblest servant of your servants.

Yours sincerely,

Bhakta Sanchit Agrawal.

Respected Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

I still remember I joined Jigyasa classes 3 years back and from that day my life has changed. Life is more of getting and getting materialistic things to me earlier, but after listening and reading your books I came to know of the real world.

By the grace of Srila Prabhupada, I always got the association of devotees and this helped me to change my whole life. I got the opportunity in serving the Krishna consciousness movement which made me a new man altogether.

Initially, I used to have lots of ego in me (don't know why) and after coming in the association of devotees I have been able to dilute it and this has made me a happier man.

Srila Prabhupada you have given us so much that I cannot imagine life without you. If you had not started this movement what would have we done. Your gift of Krishna Consciousness has given us a life to live or we can say Art of die.

I am trying to be a servant of your servants but still struggling. Please give me your mercy so that I can serve you as a servant of your servants. May I be free from all my EGO and selfishness. Although I am not eligible for even a pinch of your blessing, but consider me as the lowest of all and keep me in your supervision.

आदरणीय श्रील प्रभुपाद जी,

आपके चरण कमलों में मेरा सादर प्रणाम।

जब मैं पहली बार श्री श्री कृष्ण बलराम मंदिर गया तो मुझे ऐसा लगा कि कुछ तो है जो मुझे अपनी ओर आकर्षित कर रहा है। फिर मैं यदा-कदा मंदिर आने लगा और मैं धन्यवाद देना चाहता हूँ उन भक्तों का जिनकी वजह से मैं आप से जुड़ पाया और आपको जानने का मौका मिला। मैं इस पापी संसार में अज्ञान वस विचरण कर रहा था। आपकी छत्रछाया पाकर मुझे अपने आपको जानने का मौका मिला। आपकी वजह से ही मैं ईश्वर को जान पाया और अज्ञानता के अंधकार से ज्ञान रूपी प्रकाश में आ पाया। मुझे नहीं मालूम था कि ईश्वर कौन है और उन्हें पाने का क्या रास्ता है। आपके द्वारा लिखित पुस्तकों का अध्ययन कर मैं यह जान पाया कि कृष्ण ही हमारे भगवान हैं। अब मैं भगवान की आराधना कर बहुत आनंदित होता हूँ और जीवन में खुशियाँ ही खुशियाँ पाता हूँ। मैं आपको धन्यवाद कहना चाहता हूँ कि आपने मुझे अज्ञानता से निकाल कर मेरे जीवन में प्रेम और ज्ञान का भंडार भर दिया। आपने जो मेरे जीवन में योगदान दिया है इसके लिए कुछ भी करूँ या कुछ भी कहूँ मेरे शब्द बहुत कम है। आपने जो भी मनुष्य जाति के लिए किया है उसकी व्याख्या करना या आप की महिमा का गुणगान करना मुझ जैसे तुच्छ प्राणी के लिए संभव नहीं है।

इन्हीं शब्दों के साथ.

आपके चरणों का दास,

भक्त संजय कुमार.

कृष्ण कृपामूर्ति श्री श्रीमद अभय चरणारविन्द भक्ति वेदांत स्वामी श्रील प्रभुपाद के चरण कमलों में मेरा दण्डवत प्रणाम,

*ॐ अज्ञान तिमिरांधस्य ज्ञानाञ्जनशलाकया। चक्षुरुन्मीलितं येन तस्मै श्री गुरुवे नमः॥*

मैं घोर अज्ञान के अन्धकार में उत्पन्न हुआ था और मेरे गुरु ने अपने ज्ञान रूपी प्रकाश से मेरी आँखें खोल दीं हैं। मैं उन्हें सादर प्रणाम करता हूँ। मैं श्रील प्रभुपाद के हरे कृष्ण आंदोलन से सपरिवार पिछले ढाई वर्ष से जुड़ा हूँ। मैं नित्य आपके भागवतम प्रवचन सुनता हूँ, एवं मैंने आपकी जीवनी भारत के आध्यात्मिक राजदूत प्रभुपाद का अध्ययन किया है, जिससे हमें प्रेरणा मिलती है कि आपने भगवान चैतन्य महाप्रभु के संकीर्तन आंदोलन को आगे बढ़ाने के

लिए जिस तरह जीवन समर्पित किया है, यही मनुष्य जीवन का लक्ष्य होना चाहिए। आपके मार्गदर्शन से मेरा जीवन पूरी तरह बदल गया है, अब मैं प्रातः जल्दी उठकर मङ्गला आरती करता हूँ, प्रतिदिन 16 माला हरे कृष्ण महामंत्र का जप करता हूँ, आपकी पुस्तको का अध्ययन करने से नित्य नए आध्यात्मिक चमत्कार होते हैं, मेरे पिताजी ने आपकी पुस्तक पढ़ने से ही अपनी बहुत पुरानी तम्बाकू की आदत को छोड़ दिया है यहाँ तक कि चाय भी नहीं पीते, और रोजाना मंगला आरती एवम माला जप करते हैं। यं लब्ध्वा चापरं लाभं मन्यते नाधिकं ततः इस सुख के आगे संसार के सभी सुख तुच्छ लगते हैं। श्रील प्रभुपाद आप पतित पावन हैं, आपसे विनम्र निवेदन है कि मुझ पतित को अपने चरणों में आश्रय प्रदान करें।

जय श्रील प्रभुपाद,

मेरा दंडवत प्रणाम स्वीकार करें। जब यह जगत घोर मायावाद से त्रस्त था आदिभौतिक, आदिदैविक और आध्यात्मिक दुखों से परेशान था जब भोग विलासिता अपने चरम पर थी। उस समय आपने गुरु की आज्ञा से अपना सब कुछ त्यागकर लोगों के उद्धार के लिए 70 वर्ष की उम्र में अमेरिका को प्रस्थान किया और इस घोर भौतिकवादी समाज में कृष्ण भक्ति का दीपक प्रज्वलित किया। और आपने अपार दुख सहन कर लोगों को सब कारणों के कारण परमेश्वर कृष्ण भगवान के बारे में बताया और उन्हें कृष्ण भक्ति में लगाकर उनका उद्धार किया और फिर आपने इस कृष्णभावनामृत को अमेरिका ही नहीं वरन पूर्ण विश्व में इसका प्रचार-प्रसार किया और लाखों लोगों को मुक्ति का मार्ग दिखाया और इतने वर्षों बाद भी लाखों लोग आपके बताए हुए मार्ग पर चलकर अपने जीवन को सफल बना रहे हैं और मैंने भी जब से कृष्णभावनामृत से जुड़ा हूँ मेरे जीवन में भी आमूलचूल परिवर्तन हुआ और मुझे मेरे जीवन का लक्ष्य कृष्ण भक्ति मिल गया मुझे ऐसा ज्ञान कराने वाले और सही राह दिखाने वाले गुरुदेव को कोटि-कोटि नमन करता हूँ और आपके दिखाए मार्ग पर चलकर हम जैसे अधम प्राणी भी इस भवसागर से मुक्ति पा सकते हैं। और कृष्ण भक्ति के द्वारा अपने जीवन को सफल बना सकते हैं। हे गुरुवर आपकी इस कृपा के लिए आप को कोटि कोटि धन्यवाद।

आपका अनन्य दास, भक्त सत्यवीर सिंह.

जय श्रील प्रभुपाद,

हे गुरुदेव आपके श्री चरण कमलों में हमारा प्रणाम स्वीकार करे । हे श्रील प्रभुपाद आप करूणानिधि हो, हम दीन हीन को अपने श्री चरणों में जगह देना। हम कृष्णभावनामृत में हमेशा लीन रहे और आपके बताये हुए भक्ति के मार्ग पर पूर्ण निष्ठा के साथ आगे बढ़ते रहे, ऐसा हमे आशीर्वाद प्रदान करे। हे गुरुदेव इस भौतिक और मायावादी संसार में रहकर भक्ति कैसे की जाये, आपने यह बहुत सरलता से हम सबको समझाया । गुरुदेव शुरू में हमें यह बहुत ही कठिन लगा तथा हमें यह विश्वास नहीं था कि हम कैसे कृष्ण भक्ति में आगे बढ़ पाएंगे, किन्तु आपकी पुस्तकों तथा प्रवचनों ने सदा ही हमारा मार्गदर्शन किया और हमारे कठिन पथ को सरल बना दिया । गुरुदेव आपने हमे कृष्ण कौन हैं समझाया, उनसे प्रेम करना समझाया और श्रीमद्भगवत गीता यथारूप देकर हमें गीता का सही अर्थ समझाया। हे गुरुदेव आपने हमारे इस शून्य जीवन को सार्थक बना दिया अन्यथा यह जीवन व्यर्थ ही चला जाता । आपकी ही कृपा से हमारा भोजन प्रसाद बन गया है। हे श्रील प्रभुपाद ऐसे ही आपका आशीर्वाद सदा हमारे साथ बना रहे और हम कृष्ण भक्ति में आगे और आगे बढ़ते जाएं ऐसी हमारी कामना है ।

जय श्रील प्रभुपाद, हरे कृष्णा, जय श्रीमती राधा रानी,

आपके चरणों में आपके दास,

भक्त सौरभ झा.

Dear Srila Prabhupada,

Please accept my humble obeisances.

This is the most auspicious day of my life Prabhupada because you appeared on this day for us, the most fallen and conditioned souls of Kaliyuga. At a time where everyone just wanted to enjoy sense gratification, you told us about the real enjoyment, that is with Krishna. You were so tolerant that you preached even to the hippies of the western countries. And you are so merciful that you are still enlightening and making disciples all over the world through your books and institution.

By your causeless mercy only I came to know about Krishna but what can I do even if I know about Krishna because *Krsna se tomara, Krsna dite paro, tomara sakati ache*. So Prabhupada please bestow me with more of your mercy because then only I can get Krishna. I am so much fallen and conditioned that sometimes it becomes difficult to follow even your basic instructions, but you never left me alone and instead guided me just like a father takes care of his child. Thanks Prabhupada, for never leaving me.

To say about your qualities, I have never seen or even heard of any person with so many transcendental qualities. whether it be your generosity, humility, or compassion. No one can beat you in even humor also. During your manifested Lilas you showed all your disciples that you care about them and you know their heart. Even till date, you are showing us the same thing, I and my godbrothers are living examples of how merciful you are, we never did anything so great that we deserve your mercy but still, you are bestowing it upon us. we all can feel your personal presence, guidance and your perpetual love in our life.

Srila Prabhupada, thank you for giving the whole world this precious and inimitable gift of Krishna Consciousness without which all our lives would have been abysmal. My humble prayers at your lotus feet are that please bestow me with tang in Hare Krishna maha-mantra and your lotus feet, so that I can become a very good servant and disciple of your lordship.

Thanks Srila Prabhupada, thanks for everything.

Trying to be your servant,

Bhakta Saurya Raj Gupta.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

From the day I visited the Hare Krishna temple, I have seen a change in my life. Your blessing is like Ganges water in this material world, which is full of selfishness, lust, anger, and ego. Whenever I have got any problem, I remember you and chant the Hare Krishna Mahamantra. These activities make me feel good. I was convinced so much from your teaching. Your teaching has left no doubt regarding the existence of God.

Always in the service of your lotus feet.

Your servant,

Bhakta Shankar Lal Nagar.

पूजनीय श्रील प्रभुपाद जी के चरणों में सादर नमन,

आपके द्वारा किये गए कार्य का ही परिणाम है कि संसार में लोग भगवान कृष्ण के बारे में जान पा रहे हैं। लोग जान पा रहे हैं कि जीवन का लक्ष्य क्या है। यदि आप न होते तो कलयुग में लोगों को कल्याण के मार्ग का पता कैसे चलता। कैसे पता चलता कि कृष्ण भक्ति ही सर्वोपरि है। यदि आप न होते तो कलयुग में लोगों को कल्याण के मार्ग का पता कैसे चलता। कैसे पता चलता कि कृष्ण भक्ति ही सर्वोपरि है। आपने जिस अवस्था में कृष्ण चेतना प्रसार का कार्य किया उस अवस्था में लोग दैनिक कार्य करने में बहुत कठिनाई महसूस करते हैं। आपको कोटि कोटि प्रणाम करता हूँ। मैं भी प्रयास कर रहा हूँ कि मैं भक्ति में आगे बढ़ सकूँ।

मैं बहुत भाग्यशाली हूँ कि मैं श्रील प्रभुपाद के मिशन का हिस्सा हूँ। भगवान् श्री कृष्ण और श्रील प्रभुपाद की दया के बिना यह संभव नहीं हो सकता था। मैं अपनी आध्यात्मिक भक्ति सेवा में मेरी सहायता करने के लिए श्रील प्रभुपाद से आशीर्वाद माँगता हूँ। उसके बिना भौतिक जीवन के बंधन को तोड़ना असंभव है।

कृपया मेरी मदद करें ताकि मैं कृष्ण का सेवक बनकर प्रभु और उनके सभी भक्तों की सेवा कर सकूँ।

मुझ पे कृपा करें जिससे मन में न रहे कोई भी तृष्णा

मन में रहे तो बस कृष्णा कृष्णा कृष्णा।

जय श्रील प्रभुपाद !! जय जय जय प्रभुपाद।

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this most auspicious day. Your Divine Grace appeared in this material world to bestow His causeless mercy upon all the fallen souls, who are in the abyss of darkness and ignorance, by enlightening them about their real constitutional position and I am one such conditioned soul who is the recipient of your causeless mercy. It is mentioned in Srimad Bhagavatam when Svaymbhu Manu approached Kardama Muni for his daughter he offered his obeisances by saying that.

It is my good fortune that I have been able to see you, for you cannot easily be seen by persons who have not subdued the mind or controlled the senses. I am all the more fortunate to have touched with my head the blessed dust of your feet. SB (3.22.6)

To get the association of a pure devotee of the Lord is the rarest and fortunate thing for the conditioned soul and you, out of your unlimited compassion, chose to come in my life and gave me the rare opportunity to make myself free from the conditioning of the material world by rendering service unto you. Prabhupada, your glories and qualities are unlimited but I would like to mention two of them which have recently created a deep impact in my heart. First one is Patience, in spite of old age, not having a proper place to live, burglary and various other difficulties in initial days in New York, you patiently preached and waited for the hippies to take up Krishna Consciousness and second is that you were always unaffected by external circumstances, while living in the midst of unfavourable circumstances like staying in the studio of a Mayavadi preacher and later shifting down to Bowery street which was full of drunkards and drug addicts and many more difficulties. You never deviated an inch from your purpose of bestowing the causeless mercy of Lord Chaitanya by spreading Krishna Consciousness. The external condition has no effect on your divine consciousness and you were always absorbed in thoughts of fulfilling the desire of your spiritual master. Prabhupada, for the last few days I am living outside the devotees' association and I am always struggling to live life as per your instructions. On my own strength, I have tried and failed miserably. As mother Devahuti mentions

*Your Lordship is my only means of getting out of this darkest region of ignorance because You are my transcendental eye, which, by Your mercy only, I have attained after many, many births. SB (3.25.8)*

Only by your causeless mercy, it is possible for me to follow all your instructions. Please keep this conditioned soul under your divine shelter and give me the strength to follow your instructions rigidly with utmost priority. By your causeless mercy, I am able to understand the importance of human life and I am begging you to please engage me dedicatedly in the service of your lotus feet for the rest of my life and save me from this horrible material world.

Your Insignificant Servant,

Bhakta Shubham Bhootra.

Dear Srila Prabhupada,

Please accept my humble and respectful obeisance unto your Lotus feet.

Thank you for giving Hare Krishna Movement as a gift to this world and as well as for me. Prabhupada, I had no idea what was going in my life, but when I met with you and your books, my life suddenly changed. Actually, I have a human life but my life is without any understanding and goal. You introduced me who I am and what I am doing. Now I have taken your shelter in Krishna consciousness. I request you to please help me in 16 rounds, 4 regulative principles, reading your great spiritual books and taking me in the right direction of bhakti-yoga under your shelter. Srila Prabhupada your letter, "These are not ordinary books. It is recorded chanting. Anyone who reads, he is hearing. In my books, the philosophy of Krishna Consciousness is explained fully so if there is anything you do not understand, then you simply have to read again and again. By reading daily the knowledge will be revealed to you and by this process your spiritual life will develop." "Every one of you must regularly read our books at least twice in the morning and evening, and automatically all questions will be answered." "Any way, whatever your position may be simply follow the rules carefully, chant 16 rounds, and read my books, and you will be saved from Maya." "There is no difference between the spiritual master's instructions and the spiritual master himself." Prabhupada, this is my second year in the movement. Under your guidance Prabhupada Please make me a sincere servant and give me chance to do many - many services like chanting, preaching & reading. Hare Krishna Thank you, Srila Prabhupada.

Your Servant,

Bhakta Shubham Chholak.

Dear Srila Prabhupada,

Kindly accept my humble obeisances unto your lotus feet on this divine occasion of your appearance.

*jogyatā-vicāre, kichu nāhi pāi, tomāra karuṇā-sāra*

If you examine me, you will find no qualities. Your mercy is all that I am made of. Actually the very statement defines Your Divine Personality Srila Prabhupada. Whatever right now I am, wherever I stand in my life is just a glimpse of your compassion over this insignificant soul. I was born in the darkness and was not worthy of any compassion and was most unfortunate. In spite of all this unworthiness, you bestowed your mercy on me. It's been around 3 years that I got connected with the movement. Still, I am lacking a lot to withstand on the standards of your instructions. Kindly bless me so that I can be a sincere disciple of yours and a sincere servant of my Deities Sri Sri Radha-Gopinath.

Aspiring to be your servant,

*Om ajnana-timirandhasya jnananjana-salakaya  
caksur unmilitam yena tasmai sri gurave-namah*

"I offer my respectful obeisances unto my Spiritual Master who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge."

Dear Beloved Srila Prabhupada,

Please accept my humble obeisances again and again. All glories to your lotus feet. On this most sacred occasion of your 124th appearance anniversary in this world, I fall in the dust of your lotus feet and beg for the ability to properly glorify

your divine and magnanimous character. In the *Caitanya-caritamrta* (*Antya-lila*, 7.12. Purport) you state the following: "The true acarya, the spiritual master of the entire world, must be considered an incarnation of Krishna's mercy." By your grace, Srila Prabhupada, you made such an incredible sacrifice of traveling by steamship across the Atlantic ocean for three weeks at the advanced age of 69 -- suffering two heart attacks in the process -- and arriving on the shores of America armed with a mere seven dollars worth of rupees, a few books and an unshakable desire to serve the mission of your spiritual master, His Divine Grace Srila Bhaktisiddhanta Sarasvati Gosvami Maharaj Prabhupada. Despite the overwhelming odds against you, your arrival was clearly predicted by the great acarya in disciplic succession, Srila Bhaktivinoda Thakura a century ago, and thus your success was already guaranteed. Because of your completely selfless endeavor, the entire universe is now awakening from an age-old sleep of godless ignorance to the joyous and eternal sound of Lord Chaitanya Mahaprabhu's special gift to the fallen souls "*Hari-Nama sankirtana*" that is - "*Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare*"

Srila Prabhupada, you have written "*Srimad Bhagavat Gita as it is*", "*Srimad Bhagavatam*" and so many big and small scriptures by working hard day and night, being sleepless, without being tired with your great endeavour. And these books are being distributed all over the world in different languages for the benefit of the fallen souls like me who even did not know the Supreme God and did not have any faith towards Supreme God. And by your mercy, Srila Prabhupada, this is your one of the most significant gift for all insignificant jivas who are regularly reading your books and making their lives successful, promoting their love and faith by surrendering themselves to the lotus feet of the Supreme Personality of Godhead Lord Sri Krishna as well as your lotus feet. By your grace, Srila Prabhupada, thousands upon thousands of lowborn mlecchas and yavanas have been transformed into Vaishnava devotees of the Supreme Personality of Godhead, Lord Sri Krishna.

By your grace, Srila Prabhupada, so many persons once attached to grossly sinful activities such as meat-eating, intoxication, gambling and illicit sex life are now blissfully following the rules and regulations of *vaidhi-bhakti* under your expert guidance. By your grace, Srila Prabhupada, devotees everywhere are now bathing and dressing the Supreme Personality of Godhead in His *arca-vigraha* form, which is non-different from Sri Krishna Himself. By your grace, Srila Prabhupada, devotees from all over the world are regularly traveling to the holy places such as Mayapur, Vrindavan and Mathura, although previously hardly anyone had ever heard of those sacred places. And by your grace, they are also visiting Sri Radha-Kunda, whose glories are unlimited and which is unobtainable even by great devotees such as Narada and Sanaka.

By your grace, Srila Prabhupada, scores of atheists and agnostics are now beginning to understand who is God and who is not God. And by your grace, they are now serving and praying to Him instead of denying and defaming Him. By your grace, Srila Prabhupada, so many previously lost souls are now going back to home, back to Godhead, the eternal abode of the Supreme Lord. But most of all, by your grace, Srila Prabhupada, you have given us your association, your instructions and your example. Now, by your grace, I humbly request that you so kindly bless me with the desire and ability to share these matchless gifts with each and every single conditioned soul in the material world. Please help me to someday become your real disciple and serve you without reservation according to your desire. May this be my only aspiration, life after life. And now, again by your grace, I'm begging you to always use me in your service in any way you desire -- in success or failure, honor or dishonor, happiness or distress; please, oh most merciful Srila Prabhupada, let me never leave your lotus feet, because you are my only shelter and refuge. Thank you very much for everything, Srila Prabhupada. All glories to your lotus feet.

Your aspiring and insignificant servant,  
Bhakta Sujay Manna.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

You have introduced Krishna Consciousness to the general public in the simplest form. Temples established by You all over the world has provided the necessary support to the devotees in shaping their spiritual life.

Huge literature is written by You specially Bhagavad-Gita As It Is has saved million of devotees from falling down in their life. A simple method of chanting Hare Krishna Mahamantra for achieving Krishna consciousness and ultimately reaching our home has inspired millions of us to start our journey which earlier looked impossible.

I am highly indebted to you for providing us a number of books, lectures, and above all establishing this organization which is providing necessary knowledge and guidance to devotees for achieving our father Lord Krishna.

Dear Srila Prabhupada,

Please accept my most respectful obeisances unto Your Divine lotus feet. All glories to you, Srila Prabhupāda.

In this year I realized that doing bhakti is not so easy, it becomes very easy by your causeless mercy. I didn't know anything about my spiritual being, but your instructions have changed my perspective about life. I got the biggest gift of my life in the form of your books, association of devotees, chanting Hare Krishna, having Krishna *prasadam*, and the most important thing the knowledge about the real purpose of this birth, all because of you. I am grateful and indebted to you, my Gurudeva, for creating and showing me the path to reach the ultimate goal of life, serving Lord Krishna and *Vaishnavas*. I cannot repay this debt even after serving your lotus feet for the eternal time.

During this time of crisis, which leads to separation from Sri Krishna-Balarama, the fire of separation was only extinguished by reading your books and hearing your lectures, otherwise, this time was very difficult to resist without having *darshanas* of Sri Krishna-Balarama. I can only pray to Your lotus feet to give me the strength so that in this adverse condition I could still be in Krishna Consciousness.

Your most insignificant Servant, Bhakta Sunil Mohan.

श्रील प्रभुपाद की जय,

श्रील प्रभुपाद मेरा दण्डवत प्रणाम!

पूज्य गुरुदेव, यह मेरे लिए अत्यंत हर्ष का विषय है कि मुझे व्यास पूजा के इस पावन अवसर पर आपके गुणगान करने का अवसर प्राप्त हुआ है।

जैसा कि आपने बार बार अपने लेक्चर एवं पुस्तकों में बताया है कि यह भौतिक जगत दुख का स्थान है, इस वर्ष प्रकृति प्रदत्त महामारी के रूप में प्रत्यक्ष अनुभव करने का अवसर प्राप्त हुआ है। परन्तु आप की कृपा से मानसिक रूप से काफी हद तक इसे झेलने में सहयोग मिला है। इस अवसर पर आप द्वारा स्थापित संस्थानों ने जन सामान्य की मानसिक एवं शारीरिक सेवा करते हुए आपकी सेवा की है। आपकी कृपा के कारण इस वर्ष मैं अपनी नियमित साधना करने में सफल रहा, एवं आने वाले समय में आपकी कृपा की अपेक्षा करता हूँ। विभिन्न परिस्थितियों के कारण मैं इस वर्ष आध्यात्मिक जीवन में प्रगति नहीं कर पाया हूँ, जिसके लिए मुझे खेद है।

आपसे प्रार्थना है कि अपनी कृपा बनाये रखें जिससे भक्ति मार्ग में बनाये रखें। हरे कृष्णा!

आपका दास, भक्त सुनील कुमार धूत.

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet.

He is a beloved devotee of Krishna. Following the footstep of His Acharya and preaching the mission of Mahaprabhu all over the world.

*Prithvī te āche yate nagar ādi gram sarvatre pracher haibe more nāma.*

It became possible. My full obeisance to your lotus feet.

I am very glad to say that I will become your disciple. Last year I joined to spread your mission. I am very happy here taking training side-by-side practicing mridanga so I can able to please You and Krishna. Getting devotee association by senior devotee, learning community living, nice prasadam, nice kirtan, best morning sadhana, etc. You have made a good environment.

After connecting with You, my consciousness is purifying I can understand the real aim of life, why I am facing trouble, who is God, where is God, what is the real position of God and soul, You have given us a new life. My life is for Your service. Please make me Your servant. Your books are like a time bomb. In any way, we can understand easily that You have given us the easiest way to understand God. You are so merciful upon this universe. My whole life is a waste without you (*ap nahi hote to mera kya hota*).

A short story, which touched my heart After ten days in Amritsar, Srila Prabhupāda was back to Bombay by train. Yamunā: (Gurudāsa's wife), she was another compartment. She decided to go see how Śrīla Prabhupāda was doing if there was anything He wanted (because sometimes we purchase fresh fruit and other things in the train). Srila Prabhupada said "If you can make me some hot rice." she said yes Prabhupada. She had no idea how she was going to prepare hot rice for Śrīla Prabhupāda. I did not know how to speak Hindi, she told to staff "My Guru Mahārāja wants some cāval, some hot rice." Staff said not possible. Then she went to the manager of the restaurant in the train, she said all situation, manager said "No. Impossible. You can't cook in the kitchen." she said, "I'm sorry; this is for my Guru Mahārāja. There is no question of choice. Again, the manager said, "No, it is impossible. She went the conductor of the train said, "If I can't do this for my Spiritual master, then I might jump off the train." The conductor took her very seriously So he brought them back to the kitchen and told the head of the kitchen as well as the head of the restaurant and given permission Them. Then she was completely unfamiliar with a coal stove. She cleaned out one of the pots as best she could, boiled the water, and put the cāvāl in. She prepared a bowl of very hot rice with butter and went to Prabhupāda compartment. "Said" here is your rice. Śrīla Prabhupāda eyes lit up and opened wide. He gave a huge grin. Srila Prabhupada said, "Oh, my goddesses of fortune have come, "She had brought me my rice. Thank you very much. This is just what I wanted." Srila Prabhupad ate so much from this huge plate. He was very pleased.

Because it is impossible to cook any item on the train as per Government's Rules. Devotees struggled so much to please you. Every time devotees are ready to fulfil Srila Prabhupada's desire by any means. Such a nice story gives us a big lesson about how they are ready for Srila Prabhupada. By pleasing Guru, Lord Krishna is automatically pleased.

I have not seen you physically but your voice always presents in my heart by your mercy. I can understand the position of Guru.

Your unworthy servant,

Bhakta Sunil.

गुरुवर श्रील प्रभुपाद जी को सादर दंडवत प्रणाम करता हूँ,

आपका आशीर्वाद सभी भक्तों पर बना रहे. "हरे कृष्ण" मंत्र कलियुग के पापों को नष्ट करने वाला माना गया है। " हरे कृष्ण" के मंत्र का जाप करने वाला मृत्यु के पश्चात बैकुंठ धाम को जाता है। इस नाम-मंत्र के जाप मात्र से मनुष्य ब्रह्ममय हो जाता है तथा उसे विभिन्न सिद्धियों की प्राप्ति हो जाती है। जब हम हरे कृष्ण महामंत्र का जप करते हैं तो हम भगवान को पुकारते हैं और भगवान हमारी पुकार को सुनते हैं, मैं पिछले वर्ष(2019) जन्माष्टमी महापर्व से श्री श्री कृष्ण बलराम मंदिर के साथ जुड़ा हुआ हूँ.

मैं बचपन से ही श्री कृष्ण के भजन और भागवत कथा सुनता था लेकिन जैसे जैसे बड़ा हुआ तो दुनिया के माया झाल में फस गया भक्ति भावना सब से दूर होता चला गया, जयपुर के सरकारी महाविद्यालय से मैंने मेरी कॉलेज की पढ़ाई पूरी की. मेरे एक मित्र ने मुझे बताया की जयपुर में कृष्ण बलराम मंदिर है, वहां जाने पर मैंने वहां के सभी क्रियाकलप देखे, मेरा मन बहुत ही आनंदित हो गया, वहां मुझे सच्ची प्रसन्नता मिलने लगी। मैं मेरे सभी दुख दर्द भूल गया मंदिर परिसर में जाते ही..... कुछ ही दिनों बाद मैंने मंदिर की ओर से आजोजित होने वाली प्रत्येक रविवार की आध्यात्मिक कक्षा लेना शुरू किया गुरुवर श्रील प्रभुपाद जी के बारे में सुना, उनके विचारों को सुना, उनकी मेहनत, लगन, परिश्रम को सुना, श्रील प्रभुपाद जी द्वारा लिखित पुस्तकों का अध्ययन किया तो भगवान् श्रीकृष्ण जी की कृपा के बारे में जानने का सोभाग्य प्राप्त हुआ, मैंने ठाकुर जी से कुछ भी नहीं मांगा क्योंकि मुझे पता है, जब भी सांवरा देता है, तो लेने वाले कि झोली छोटी पड़ जाती है मुझे ये भी ज्ञात है कि मेरे ठाकुर जब भी मुझे देगा तो मेरी आवश्यकता से अधिक ही देगा, दुनिया के पालन कर्ता को सभी भक्तों का पता रहता है कि किस भक्त को क्या चाहिए, और भगवान सभी भक्तों को सही समय आने पर सब कुछ देते हैं।

मेरा भी सही समय आया और ठाकुर ने मेरा भी हाथ पकड़ा और मुझे मेरी हैसियत से अधिक दिया पहले एक भी जॉब नहीं थी, फिर आयी तो 4, 5 एक साथ आई। ठाकुर ने सही राह दिखाई फिर मैंने मेरे पढ़ाई के साथ ही पार्ट टाइम निजी शिक्षण संस्था में अध्यापन का कार्य शुरू किया, समय बीतता गया मेरे सभी विद्यार्थियों का वार्षिक परीक्षा परिणाम शत प्रतिशत रहा मेरा नाम होने लगा। एक वर्ष बाद ही मैंने मेरी पार्ट टाइम कमाई से एक नयी मोटरसाइकिल खरीद ली, परिवार के सभी सदस्य प्रसन्न हुए ये सब गुरुवर श्री प्रभुपाद जी का और हमारे आराध्य देव श्री श्री कृष्ण बलराम जी की कृपा का आशीर्वाद है, ये आशीर्वाद मेरे परिवार के सभी सदस्यों पर, मेरे हितप्रेमी, सभी स्वजनों पर सभी भक्तों पर, मेरे सभी सगे संबंधियों पर, मेरे सभी मित्रों और मेरे पर बना रहे, गुरुवर के जीवन से हम सभी को प्रेरणा मिलती है हमें गुरुवर द्वारा बताए गए सतमार्ग का अनुसरण करना चाहिए गुरुवर के आशीर्वाद से ही हम श्री हरि के बैकुंठ धाम में जा सकते हैं, गुरुवर की कृपा को क्या लिखूं.....गुरुवर की कृपा से ही लिख रहा हूँ.....गुरुवर आपके श्री चरणों में मेरा सादर नमन ....आपके आशीर्वाद से अगले जनम में बैकुंठ धाम में श्री बांके बिहारी जी के श्री चरणों में निवास मिले

आपका दास, भक्त वैभव कुमार सोनी.

Instruction of Srila Prabhupada

*By rendering devotional service unto the Personality of Godhead, Sri Krishna, one immediately acquires causeless knowledge and detachment from the world. — Srimad Bhagavatam, 01.02.07*

You are the only one who has shown the path towards the light from the darkness. It was almost three years with the devotees association but after getting the job in government sector I have an insignificant association of your disciples. It is only you and your instructions through books that keep me feel the presence of yours. The importance of a spiritual master is a must in spiritual progress. I have felt the presence of yours in my personal life. I would like to share one incident with your kind permission. I used to go temple on a routine basis. Once there was no way to reach the temple because of close (due to some incidence) and heavy rain. But I have firm faith in Srila Prabhupada; somehow he will drag me to the temple. I just prepared myself at the time and start moving towards the temple. The temple is 25 km from my quarter. Because of heavy rain, I just stopped at the shop, kept chanting. After some time one vehicle (somehow the driver forgets the path to his destination) comes suddenly and asks the route to the temple side. In this way I got the arrangement to reach the temple. This happened only because of my faith in Srila Prabhupada. This is the one incidence where I felt the importance of faith in Guru. Please bless me that whenever I speak, it brings glory to you.

Hare Krishna!

मेरे गुरुदेव श्रील प्रभु पाद के चरणों में कोटि कोटि नमन,

श्रील प्रभुपाद आपने मुझे अपने चरण कमलो में स्थान दिया यह मेरी इस जीवन की परम उपलब्धि है। श्रील प्रभुपाद भगवान् की कृपा से मुझे आपके दर्शन का लाभ भी इस जीवन में प्राप्त हुआ। मैं सन २०१५ से निरंतर आपके बताय गए मार्ग पर चल रहा हूँ। गुरुदेव आपकी कृपा से मैं इस भौतिक जगत के कार्यों को पूर्ण करते हुए, आध्यात्मिक कार्यों में भी पूर्ण रूप से लगा हुआ हूँ। मैं अपने समस्त कार्यकलाप भगवान् श्री कृष्ण को समर्पित करते हुए ही करता हूँ जिससे मुझे कठिनाइयों का सामना करने में मदद मिलती है। श्रील प्रभुपाद आपकी जीवनी पढ़ने के बाद आत्मबल में वृद्धि हुई आपने बहुत सारी कठिनाइयों के बावजूद हार नहीं मानी और अपने गुरु को दिया हुआ वचन पूरा करते रहे और पुरे विश्व में कृष्ण नाम का प्रचार करते रहे। श्रील प्रभुपाद आपका आशीर्वाद प्राप्त होने के बाद जीवन में तनाव काफी कम हो गया है, और भगवान् पर विश्वास निरंतर बढ़ता जा रहा है।

श्रील प्रभुपाद आप तो अपने शिष्यों के बारे में सबकुछ जानते हैं, मेरी सारी कमियाँ, अवगुण आपको ज्ञात हैं, अतः मेरी समस्त भूलों को क्षमा कर मुझे कृष्ण प्रेम प्राप्त करने व भगवान् श्री कृष्ण की परम दिव्य भक्तिमय सेवा में नित्य लगे रहने का आशीर्वाद प्रदान करें।

आपका नित्य दास, भक्त विजेन्द्र मिश्र.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your Divine lotus feet.

On this auspicious occasion, I would like to thank you Srila Prabhupada for letting me in the devotee association and continue chanting Hare Krishna. One thing with which I get surprised is that whatever type of problems/doubts which are there is in a sadhaka's life, there is some instruction of yours on that. Either you have spoken about it in your lectures or written in your books, letters, etc. For example, "The secret of surrendering to Krishna is that such surrendered devotee sees that everything is part of Krishna's plan. Whatever is meant to be I am doing. Let me do it with my full attention to every detail. Let me become absorbed in such service, never mind what it is. Let all other considerations be forgotten and only my desire to do the thing best for Krishna's alone pleasure be my motive." (REF. Letter to: Jayapataka – Bombay Dec. 19, 1972) Having you as a spiritual master is a great success in my life and for your other disciples also and the knowledge which you have given to this world and shown the path to the ultimate goal of life which is to serve the Supreme Lord Krishna, has made me forever indebted to you. Prabhupada, I beg you to kindly give me the required strength and continue your mercy upon me so that I can become more sincere to do my *sadhana* properly and implement those principles which you have taught us. I humbly pray that you allow me to serve in your mission.

Your insignificant servant,

Bhakta Vishabh Mangal.

Dear Srila Prabhupada,

*nama om vishnu-padaya krishna-preshthaya bhu-tale srimate bhaktivedanta-svamin iti namine*

*namas te sarasvate deve gaura-vani-pracharine nirvisesha-sunyavadi-pascatyasha-desha-tarine*

I offer my respectful obeisance unto the bonafide spiritual master, a fraction of whose mercy even a low-born person can become immortalized.

On this day of your Vyasa-Puja celebration, we rejoice in knowing that Lord Chaitanya chose and empowered You, His dearest servant and representative, to spread the holy name of the Lord all over the world. Srila Prabhupada, Please always forgive this fallen soul for not knowing how to live in this material world. We are eager to learn from you, We are clinging your feet and seeking your directions all the time with all heart & soul.

You've changed our lives completely. You brought the holy name to each and every one of us. You gave us Sri Sri Krishna and Balaram, You gave us Krishna bhakti. You gave us Krishna-Prasadam. You gave us the Bhaktivedanta purports and the Srimad-Bhagavatam, the Bhagavad-Gita As-It-Is, and the divine books. You gave us beautiful temples. You gave us the true way of Krishna lifestyle. You gave us Japa, sixteen rounds every day & four regulative principles. You gave us the daily morning program. You gave us the delicious Sunday Feast. You gave us all the Krishna Conscious Festivals! You gave us so much. You gave us life. Remembering all these things, how can we not be grateful? How can we not want to praise you? How can we not try to repay our debt to you? But to do so, we must first get serious.

I'm always amazed at how your instructions continue to illuminate our dark hearts continuously. We can feel Your presence all the time, You are always with us, around! One thing is sure you are still watching & instructing us from Vaikuntha-Loka and we (I with family Kalindi & Harrvansh) promise to follow all the instructions by you!

You have always taught us to strive to chant more and more Harinama with attentive quality. We are learning that there is nothing sweeter than the chanting of the holy names of Krishna! You also stressed that we cannot become Krishna conscious

alone. We need to practice Sankirtana, not just Kirtana. We need to love Lord Krishna and His devotees, not just Lord Krishna.

Dear Srila Prabhupada, let our words today not be hollow praise. Instead, please let the desire to set an example, and to serve your mission awaken deeply in my heart, and in the hearts of all your followers.

On this day of your appearance day I beg for your mercy so we could become more humble, chant more, preach more, perform better Sankirtana and spread your mission to the entire universe, so we may become suitable instruments to help your divine grace deliver ourselves and others to this mission and Chaitanya Mahaprabhu, Guru Gauranga, Radharani, Balarama, and Truly transcendental Lord Krishna!

Insignificant servant of your servants,

पूजनीय गुरुवर श्रील प्रभुपाद जी,

आपके चरणों में कोटी कोटी दंडवत प्रणाम ।

कृष्णभावनामृत की चन्दनरूपी सुगंध पूरे विश्व में फैलाने में गुरुवर आपकी अमूल्य कृपा द्रष्टि रही है । जब भगवान् को लगता है प्रथ्वी पर नास्तिक गतिविधि के काले बादल छा गए है तो स्वयं गुरु के रूप में अवतरित होकर हम सोई हुई पतित आत्माओ में कृष्णभावनामृत की संजीवनी फूकने हेतु अवतरित होते है, ऐसे गुरु श्री श्री श्रीलप्रभुपाद की मै हृदय से सादर वन्दना करता हूँ ।

गुरुवर, आपने पाश्चात्य देशों में कृष्णभावनामृत का प्रचार- प्रसार किया, वहाँ के लोगो को मुक्ति मार्ग का ज्ञान बांटकर अनुयायी बनाया तथा अन्तर्राष्ट्रीय कृष्णभावनामृत संघ की स्थापना की, ऐसा कोई साधारण पुरुष नहीं कर सकता है, आपके समर्पित योगदानों में आपके द्वारा लिखी गई पुस्तकें, ऑडियो वाणी सुनकर व पढ़कर हम सभी अनुयायी इस लोक का व परलोक का जीवन धन्य कर रहे हैं।

गुरुवर, मैं आपका एक पतित दास हूँ अभी दो वर्ष पूर्व श्री श्री कृष्ण बलराम मंदिर जयपुर से जुड़ने का सौभाग्य मिला है। मुझे अपनी प्रथम कक्षा योगा फॉर हैप्पीनेस आज भी याद है जहाँ मैं यह सीख पाया कि हम सभी को अपना आध्यात्मिक बैंक बैलेंस ज्यादा से ज्यादा बढ़ाते रहना चाहिए। कृष्ण महामंत्र का जाप एवं “हरी नाम संकीर्तन” से मुझे अपने मन को शांति प्राप्त हुई तथा साथ ही समझ में आया कि मैं जब इस धरा से अपना शरीर त्याग करूंगा तो सिर्फ मेरे साथ मेरी जुड़ी हुई आध्यात्मिक पूंजी ही मेरे साथ जाएगी भौतिक पूंजी, इस भौतिक धरा पर ही रह जायेगी। गुरुवर ये सब ज्ञान आपकी कृपा माध्यम से ही प्राप्त हुआ है। गुरुवर, इस कलयुग में जहाँ प्रत्येक इंसान अपनी भौतिक तुष्टि की भाग-दौड़ में इतना व्यस्त है, ऐसे में आपके द्वारा बताये गए उपदेशों को थोडा बहुत भी अमल करे तो अपना व अपने परिवार का जीवन कृष्णभावनामृत की लो जलाकर रोशन कर सकता है। एक बार पुनः गुरुवर श्री श्री श्रीलप्रभुपाद के चरणों में दंडवत कोटि कोटि प्रणाम।

ॐ अज्ञान-तिमिरान्धस्य ज्ञानांजन-शलाकया चक्षुर उन्मीलितम येन तस्मै श्रीः गुरवे नमः ॥

आपका पतित दास, भक्त विष्णु.

Dear Srila Prabhupada,

I beg you to accept my obeisances unto your lotus feet and I beg You to shower your mercy upon me and bless me to be humble.

From the Bhagavatam, I learned that Sri Prahlāda Mahārāja states that the one who leads towards the path of Krishna / Supreme Lord, the one who always wishes for the spiritual well-being and never grants any material boons- he and only he is fit to be known as "Guru".

Guru means "Heavy in spiritual knowledge". So I beg at your feet to accept me as your disciple and become my Guru Maharaj, for in this ever dark material world I can never see a ray of light if You leave me.

In Bhagavad-Gita 6.15 Krishna says.

*evaṁ jṣātvā kṛtaṁ karma pūrvair api mumukṣubhiḥ*

*kuru karmaiva tasmāt tvaṁ pūrvaiḥ pūrvatarāṁ kṛtam*

The Lord states that we should follow the 'Mumukṣu' to get attached to Krishna and the only nearest link to us and Krishna is serving a "Mumukṣu" like You and following your instructions. I plead You to bless me to maintain my consciousness and serve You well.

*”Om ajnana-timirandhasya jnananjana-salakaya*

*caksur-unmilitam yena tasmai sri-gurave Namah”*

O my Dear Prabhupada, I am the most fallen among fallen, and on this auspicious day I beg you to grant me a little ounce of great determination you had, to follow on this path of Krishna consciousness, I beg you!

Wanting to become a servant of your servant,

Bhakta Vishnu Kiran.

मेरे आध्यात्मिक गुरु श्री श्रील प्रभुपाद जी,

कृष्ण कृपामूर्ति श्री श्रील ए सी भक्तिवेदान्त स्वामी प्रभुपाद के चरणों में आपके तुच्छ दास का नमन।

हरे कृष्ण श्रील प्रभुपाद जी। इस व्यास पूजा के अवसर पर मेरा आपके श्रीचरणों में यह पहला ऑफरिंग पत्र है। मैंने श्रीमद्भगवद्गीता यथारूप को सर्वप्रथम 2001 में पढ़ा था। तब मैं मात्र इक्कीस वर्ष का था। इस महान ग्रंथ को पढ़ने के बाद आपकी असीम कृपा से मुझमें भगवान श्रीकृष्ण के प्रति प्रेम जागा और तब मैं प्रातःकालीन अभिवादन के रूप में राम-राम कहा करता था। जब हमने श्रीगीता को पढ़ा तब जाना कि भगवान श्रीकृष्ण ही सर्वसर्वा है। और मैंने राम-राम के स्थान पर जयश्रीकृष्ण का अभिवादन करना शुरू कर दिया। आपकी अनुकम्पा से मुझे संगीत कक्षा के माध्यम से श्रीमद्भागवत कथा को सुनने का दो बार अवसर प्राप्त हुआ। जिसका मुझ पर सकारात्मक प्रभाव पड़ा और भगवान श्रीकृष्ण के प्रति मेरी आस्था दृढ़ हो गई। प्रभु जी जैसे आपकी कृपा मुझ नासमझ पर बचपन से ही बनी रही पर हम उस भाव और मार्गदर्शन को बाल्यकाल की अवस्था के कारण पहचान नहीं सके उस समय भी हम घर के नज़दीक भगवान श्रीकृष्ण के मन्दिर जन्माष्टमी पर जाया करते थे। लेकिन तब केवल वहां की झांकी का आनंद लेना मात्र उद्देश्य होता था और प्रसाद के रूप में पंजरी पाना। परन्तु आपने हमें पकड़े रखा और हरे कृष्ण मूवमेन्ट के माध्यम से हमें फिर से आपकी वही श्रीमद्भगवद्गीता यथारूप को देखने का अवसर मिला और हमारी खुशी का ठिकाना नहीं रहा। मुझे सही मायने में आपकी कृपा और माला जप का ज्ञान प्राप्त हुआ। आपकी कृपा से मेरा जीवन चिंता मुक्त हो गया श्रील प्रभुपादजी, और तब मेरा बचपन का ज्ञान फिर से जवान हो गया और मुझे ज्ञात हुआ कि मैं अपनी दादी के साथ भी गली के बाहर स्थित श्री राधा-कृष्ण के मंदिर जाया करता था। मेरी दादी भी माला करती थी पर हम यह सब भूल चुके थे आपकी कृपा दृष्टि से ही हमें श्रीकृष्ण भक्ति का पुनः अवसर प्राप्त हुआ। आदरणीय गुरुदेव आपकी कृपा सदैव हम पर बनी रही है। बस एक ही प्रार्थना है हमें काम, क्रोध, मद, मोह से मुक्ति प्रदान कर हमें आपकी और भगवान श्रीकृष्ण की सेवा में लगने लायक बनाएं। हमारे में किसी भी प्रकार का अहंकार और अहम् की भावना प्रादुर्भाव ना होने पाए। प्रिय प्रभुपाद जी मेरे अंदर बहुत सारी बुराई प्रवेश कर गई है आप उन्हें भी दूर करने का प्रयास करावें।

जय श्रील प्रभुपाद.

आपके चरणकमलों का हमेशा दास बने रहने की मंशा के साथ,

आपका दास,

भक्त विवेक अग्रवाल.

Dear Srila Prabhupada

Please accept my humble obeisance unto your Lotus Feet. In my earlier ages, I have tried many things for being Happy. However, every time I realized that this happiness is temporary as I get sad for every little thing. Once I read the book written by you, ON THE WAY TO KRISHNA, and I felt Very much happy by reading it. Recently, I started Chanting and reading more and more books written by You. This makes me happy. This happiness changed my life and the sadness gone from my life as dust goes from anything when its Wiped. In this material world, your blessings helped me a lot. Your books kept me away from all Illusions (Maya). I met your disciples in ISKCON (International Society of Krishna Consciousness) Temple, who are trying their best to spread your Teachings, and get motivated by them, and realized the Real happiness (PARAM SUKH). I love to go to The Temple, listening to Kirtans and Dancing in Joy of Krishna Consciousness. The best and The most loved part is Prasadam, which is too delicious. The offered food to you and Lord Krishna becomes extremely tasty. I would like to thank you for your teachings.

Your sincere servant,

Bhakta Vivek Sharma.

My Dear Spiritual father Srila Prabhupāda.

Please accept my respectful obeisances. All glories to Your Divine Grace!

*mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam*

On this sacred occasion of your 124th Vyāsa-pūjā celebration, we remember Your transcendental qualities and feel your presence in our midst and our heart.

Srila Prabhupada your books are the basis, yet we often don't read your books as much as we required. We need your mercy so that we can fully imbibe all the teachings of your books and be empowered to transmit the nectar of your teachings to the fallen souls. May I enjoy a natural taste of nectar from reading your transcendental literature and be able to transmit that nectar to others. You have instructed that "Preaching is the essence," and the nectar of preaching Krishna consciousness is inconceivable! So please let us always bathe in the unlimited ocean of Krishna conscious preaching. In this way, more persons are tasting the nectar. You had very high expectations of us.

You write in your Bhaktivedanta purport S.B.3.21.31, in this, you stress the importance of distributing Kṛṣṇa consciousness to others, describing it as the responsibility of everyone who wants to seriously execute devotional service. Lord Caitanya Mahāprabhu told Narada about His mission to destroy the sinful activities of the Age of Kali by Nāma-Saṅkīrtana. He said, "I'll cut the hard knots of demoniac desires from the hearts of everyone. I will send more Senapati-bhakta to go all over the world and deliver them. More Senapati-bhakta means a devotee who leads my Sankirtan army and spread this Kṛṣṇa Consciousness all over the world. Srila Prabhupada ki Jai!

What gifts you have given the world ! 1. Gift of Krishna- Nama! 2. You have given Kṛṣṇa to the world. 3. You also gave the world Sri Sri Gaura-Nitai, to make sure that all the fallen souls would certainly attain love of Kṛṣṇa. You are the real mercy incarnation of the Lord and confidential associate of Srimati Radharani or the manifested representation of Srila Nityananda Prabhu. You delivered the manifesto for the golden age through your books and built the house in which the whole world can live in peace. You are like the touchstone which changes iron into gold; You are transforming our hard iron hearts into molten gold, shining with the love of Rādhā and Krishna .

Srila Bhaktivinod Thakur wrote a song " When will lord Caitanya be merciful to Me" he says –

*kabe śrī-caitanya more koribena doyā*

*kabe āmi paibo vaiṣṇava-pada-chāyā*

When will Sri Chaitanya Mahāprabhu show His causeless mercy to me by allowing me to attain the shade of the Lotus feet of His Vaishnava devotee?

Five symptoms of spiritual master:- 1. He is udhārīka, which means that he is the savior of everyone. 2. He is dīnābhaya, removes the fear of all the fallen souls by his teachings . 3. He gives purports to the scriptures carrying the Vaiṣṇava siddhānta, such as Bhagavad-Gita and Srimad-Bhāgavatam. 4. He also gives purports to the songs of the Vaiṣṇava ācāryas. 5. His name becomes identified with the philosophy of Lord Vishnu Himself.

In S.B.11.17.27, it is stated – " One should know the Acārya as Myself and never disrespect Him in any way. One should not envy Him, thinking Him an ordinary man, for He is the representative of all the demigods". Srila Prabhupada you are the shelter of all fallen souls. I am hankering after your blessing which will turn my mind, body, and soul unto Krishna. You are the love of Srila Bhaktisiddhānta Sarasvatī, who was thinking always how to spread Krishna Consciousness. And you have appeared to carry on this great mission.

Thanking you again and again for the causeless mercy of your Divine grace's devotional service and Association.

Your insignificant servant, Bhakta Yash.

आदरणीय श्रील प्रभुपाद जी,

दंडवत प्रणाम स्वीकार करें। श्रील प्रभुपाद जी हम इस अज्ञान रूपी अंधकार में भटक रहे थे, जीवन का कोई लक्ष्य ही नहीं था परंतु आपका आश्रय मिलने से मन पर छाया हुआ अंधकार दूर होने लगा है। मनुष्य जीवन का लक्ष्य समझ आया भगवान के कमल चरणों का आश्रय लेना ही जीवन का मूल उद्देश्य है। क्योंकि मनुष्य जीवन बहुत दुर्लभ है, अतः उसे समस्त कारणों के कारण भगवान कृष्ण की सेवा में लगा ना ही मूल उद्देश्य होना चाहिए। क्योंकि हम अपने द्वारा करी गई भूलों के कारण ही पृथ्वी पर आए हैं। भगवान की सेवा से विमुख हो गए अतः आप ने हमें हमारी भूलों का प्रायश्चित्त करने के लिए हमें अपना आश्रय प्रदान करा है। श्रील प्रभुपाद जी आपने एक पिता के भांति ही हमें सही पथ पर चलने की शिक्षा प्रदान करी है। अतः आपसे निवेदन है कि आप सदैव हम पर अपनी कृपा बनाए रखें। कभी हम पथ से विमुख हो तो हमें सही मार्ग पर चलने का निर्देश देते रहे। आपके द्वारा बताए गए सभी नियमों को पूरा करते हुए भक्ति में आगे बढ़ते रहें अपनी छत्रछाया हम पर बनाए व हमारे द्वारा की गई भूलों को माफ करते रहे।

आपकी दासी,

प्रिय श्रील प्रभुपाद जी,

मेरा आदर पूर्ण प्रणाम स्वीकार करें, प्रभुपाद जी इस जगत की वास्तविकता को जानना बहुत कठिन है। जो बार-बार हमें अपने आकर्षण में फंसा लेती है इस भौतिक माया से बच पाना बिना गुरु के संभव नहीं है। अतः हे गुरुदेव जब से मैं आपकी शरण में आई हूँ मेरा सोया भाग्य जाग गया है। मैंने जन्म तथा मृत्यु के चक्र से निकलने की कला को जाना आपकी कृपा से मैंने अपने जन्म के उद्देश्य को जाना जब से मैं मंदिर से जुड़ी तब से मेरे जीवन में बहुत ही बदलाव आया है। मैं कितनी भाग्यशाली हूँ जो मेरे को आप जैसे गुरु की कृपा दृष्टि मिली है। हे गुरुदेव अपने पूरे विश्व भर में जगन्नाथ यात्रा दी तथा पूरे विश्व में हरे कृष्ण मंदिर बनवाए। कितनी पुस्तकें छापी जिन को पढ़कर हमें बहुत ज्ञान मिला जैसे- जन्म और मृत्यु से परे, चुनौतीपूर्ण प्रश्न उत्तर, योग पथ, श्री कृष्ण आदि इन पुस्तकों का अध्ययन किया उनको पढ़कर मेरे जीवन में बहुत परिवर्तन आया। मैं आपका बहुत बहुत आभार करती हूँ कि आपने हम जैसे भक्तों के लिए ऐसी बहुमूल्य पुस्तकें लिखी जिसका हमारे जीवन पर बहुत ही गहरा प्रभाव पड़ा। और हमारी जीवन अत्यंत सुखीमय राह पर चल पड़ा और आखिर मैं आपसे बहुमूल्य आशीर्वाद लेना चाहूंगी कि मैं इसी भक्ति भावना से भक्ति में लीन रहूँ और आपकी शरण में रहूँ।

Dear Srila Prabhupada,

O ocean of mercy please accept my humble obeisances unto your lotus feet.

You are the one who gave us this nectar of devotion. You are the one who taught us that love for God is the greatest and our motto of life is to achieve it. You taught us how to do devotional service. You gave us Krishna Maha-prasadam and Krishna's charanamrita. By your mercy, we got to know about God and learn how to love him. You are my true inspiration, you personally gave me a lot, this offering is nothing compare to that and I can't completely express my love and my gratitude for you. Whatever I say is just not be complete. O ocean of mercy, most importantly you give Hare Krishna Maha-mantra to us which can deliver millions of fallen souls like us and take us back to our real home that is Krishna's abode. Your books are a great source of knowledge and inspiration for me I learn a lot from them. Whenever I read your books, I can associate myself with you, it's like you are physically present with me in the form of your books. I am so grateful that you found me deserving of your mercy otherwise I have no qualification. I am most unqualified and a fallen soul, still you accepted me. Prabhupada, you're greatest among sages and I am grateful and proud to be your student. I bow down at Your lotus feet and offer my gratitude for all you have given me. Please accept my humble obeisances and bestow your mercy upon us.

Dear Srila Prabhupada,

Please accept my humble pranams unto your lotus feet.

Till the age of 27, I was not aware of your Hare Krishna movement. I was in search of a spiritual guru who could guide me in the right path and teach the way of worship without keeping any selfish motive in mind. I got the light when I came to Jaipur and joined the Hare Krishna Movement. After attending the classes of "Yoga for Happiness" I could understand what real happiness is and how one can achieve it. Your teachings have shown me the light. I was not aware of the importance of Mahamantra but now with your blessings, I understand that this is only the Mantra through which I can get wisdom in this materialistic world. Prabhupada, you taught me to communicate with you through my heart as my thoughts cannot reach you through the mail. After reading your books, I understood that if anyone wants to achieve something in life then Lord Krishna is there to help them. The only thing required is faith, otherwise it was not a cup of tea to teach those Americans about the essence of Lord Krishna.

O Gurudev kindly bestow upon me the transcendental knowledge to return back to your eternal abode. If I take birth as human then may I always sing your glories and may your blessings always be with me. In this life I am very late to know about you ....always keep your blessings on me and my family. I surrender this life in your lotus feet completely!

Here are a few lines about you

*Srila Prabhupad jee tumhi bta do kiski saran me jaaye*

*Kiske charan me girkar apni vyatha sunaye.....Guruwar tumhi bta do.....*

*Agyan k timir ne charon taraf se ghera*

*Kya raat hai do pal ki hoga nhi savera*

*Path aur prakash do tum chalne ki sakti paaye Prabhupad jee tumhi bta do.....*

Your aspiring servant,

Bhaktin Anjali Jha.

Respected Gurudeva, Srila Prabhupada,

Hare Krishna, Please accept my humble obeisance at your lotus feet on the most auspicious day of Your Divine Grace.

I hope you must be spreading Krishna consciousness wherever you are. I was a very fallen soul before 4 years. My life used to be full of negativity and sins. I used to take things in wrong direction very easily. My trust on Lord was very shallow, I used to just follow rituals. I never used to take religious things seriously as I never understood the importance. I joined Krishna consciousness and it changed the way of life. Mainly my husband has changed, he has become totally focused and he is taking care of everything very nicely. I also try and follow your footsteps in whichever way I can. We are trying to follow your principles of freedom religiously. I am lacking in chanting. I don't get focused in chanting. Please bless me for serious and tasteful chanting. Thanks for coming in our life and bless us. Hare Krishna! Haribol!!

Your Servant,

Bhaktin Ankita.

आदरणीय गुरुदेव श्रील प्रभुपाद,

आपके इस पावन एवं भद्र आविर्भाव दिवस पर आपके श्री चरणों में दासी का सादर प्रणाम स्वीकार करें।

प्रभुपाद आपके महिमगान में मैं यह कहना चाहती हूँ कि आपने हमको सभ्य व्यक्ति की तरह जीवन जीना सिखाया। यह आपकी ही कृपा है की आज मैं परम पुरुषोत्तम भगवान श्रीकृष्ण के श्रीविग्रह रूप की अर्चना करने के यम-नियम को सही तरीके से सीख रही हूँ। श्री भगवान को भोग लगाने की महिमा का वर्णन शास्त्रों में इस प्रकार से आता है कि एक बार राक्षसी पूतना श्री भगवान को विष देने के उद्देश्य से अपना स्तनपान कराने आई और श्री भगवान ने उसे भी अपनी मा यशोदा जैसी गति दी, तो इसी प्रकार अपने हाथों से बनाए हुए भोग को मेरे पूज्य श्री विग्रह गोपीनाथ जी को खिलाने का सुसौभाग्य मुझे आपकी अहैतुकी कृपा से प्राप्त हुआ है गुरुदेव।

श्रील गुरुदेव यह आपकी ही कृपा से ही संभव हुआ है कि आज हम सपरिवार, प्राणधन श्री श्री राधा गोपीनाथ जी के महाप्रसाद को पा रहे हैं जो देवताओं को भी दुर्लभ है।

यह अचंभित कर देने वाली बात है कि अपनी वृद्धावस्था में २-२ हार्टअटैक के पश्चात् भी आपने पाश्चात्य देश में जाकर भगवद भक्ति का प्रचार किया और सारे शिष्टाचार को भूले उन हिप्पियों को भी भगवद भक्ति में लगाया, इससे यह स्पष्ट होता है कि आप कोई साधारण व्यक्ति नहीं अपितु श्री भगवान के शक्त्यावेश अवतार और श्री चैतन्य महाप्रभु के सेनापति भक्त हैं।

आपकी ही कृपा है की आज हम कलियुग पावन युगधर्म हरिनाम जप का महत्त्व समझ पा रहे हैं और भगवान हरि के पवित्र नामों का जप कर रहे हैं।

हम आपके इन सब कृपाओं के ऋणी हैं गुरुदेव।

एवं आपसे यही निवेदन है कि हमें अपनी सेवा में सलग्न रखें, मेरे परिवार पर अपनी कृपा बनाए रखें और हरिनाम जप की सेवा में और सुधार ला पाएं ऐसी कृपा करें।

आपके श्री चरणों की दासी, भक्तिन अर्चना.

प्रिय श्रीलप्रभुपाद,

मेरा आदरणीय प्रणाम व चरण स्पर्श स्वीकार करें। हे गुरुदेव!, आपने मुझे अधम, मूढ़ को अपनी शरण में लिया। आप अत्यंत दयालु, कृपालु व सर्वज्ञ हैं। आपने मुझे पर बड़ी कृपा की। बिना गुरु के इस दुख भरे मोह रूपी संसार से बच पाना अत्यंत ही कठिन है। आपने मुझे राह दिखाई और हे गुरुदेव आपने इस जन्म-मृत्यु के चक्र से निकलने की कला को जानना बताया और आपकी कृपा दृष्टि से भगवान कृष्ण जो कि सब कारणों के कारण है उनकी दिव्य भक्ति व सेवा का अवसर प्रदान किया। हे गुरुदेव, आपने मुझे अत्यंत तुच्छ व मूढ़ पर अपनी कृपा दृष्टि डालकर मुझे अपने जन्म के उद्देश्य व जीने की राह को जानना सिखाया। आपके इस उपकार को मैं जन्म-जन्म तक नहीं चुका पाऊंगी। हे गुरुदेव, मेरी कमियाँ, मेरी भूलें, मेरी गलतियाँ और मेरे अवगुण सब कुछ आपको मालूम है। अतः आप मेरी समस्त भूलों को क्षमा करें व मुझे कृष्ण प्रेम प्राप्त करने व प्रभु की परम दिव्य भक्तिमय सेवा में नित्य लगे रहने का आशीर्वाद प्रदान करें।

All Glories to his divine Grace A.C Bhaktivedanta Srila Prabhupada,

Please accept my respectful obeisances unto your divine lotus feet. Like the last two years, yet another year has arrived to express what is all there in my heart. I would say Gurudev that ever since I have taken shelter of your divine feet, no matter how much I am a sinful soul, you have never ever let me forget you and Krishna's divine manifestation of Hare Krishna maha-mantra. Gurudev, my mind is enemy to me but the way now maha-mantra tames it could never be possible through any other means in this world. I would say Gurudev that even I don't know how much ignorant, sinful I am from inside but one constant drive that I always have ever since you came into my life that you continue to be there for most fallen souls like me in all planets and teach what true love is by pouring Krishna Consciousness through Hare Krishna maha-mantra. My heart is always thanking you for every stress-free breath that I have because of your mercy Srila Prabhupada.

Your most fallen disciple,

Dear Srila Prabhupada,

Please accept my humble obeisances onto your lotus feet. All glories to Srila Prabhupada, and all the Vaisnava devotees very dear to the Lord..

*"śrī-guru-caraṇa-padma, kevala-bhakati-sadma, bando muñi sāvadhāna mate  
jāhāra prasāde bhāi, e bhava toriyā jāi, kṛṣṇa-prāpti hoy jāhā ha'te"*

*"The lotus feet of our spiritual master are the only way by which we can attain pure devotional service. I bow to his lotus feet with great awe and reverence. By his grace, one can cross the ocean of material suffering and obtain the mercy of Kṛṣṇa."*

As the above prayers testify, it is indeed by your blessings and guidance that a fallen soul like me can have any hope of reviving love towards lotus feet of Lord and crossing this miserable ocean of birth and death.

You have spread the nectar of devotion with a very compassionate tender heart towards us. Indeed I have been very fortunate receiving the association of pure souls devoted to you and your mission and unfortunate at the very same time by not being able to act in accordance with their/your instructions due to ignorance and strong pull of attachment towards Maya. Only your compassion can give me that courage to overcome my lust for this illusion and save me from having an unused life.

All I beg is your causeless mercy and generosity towards this fallen soul because couldn't find a reason enough to reach that great plane of Krishna consciousness. I pray for your blessings to serve you eternally. Be merciful onto me.. Give me the shade of your lotus feet and attachment to serve you. Also seeking for the forgiveness for the millions of offences committed by me both knowingly and unknowingly.

Your most fallen servant,  
Bhaktin Bhumika.

Dear Srila Prabhupada,

Kindly accept my obeisance unto your lotus feet. One fine day after visiting Sri Sri Krishna Balram Mandir, I had seen a change in my life. I haven't realized your true glory but I have realized that I am unworthy to be your disciple.

Your disciples are working hard day and night to expand your glories and urging people to come out of this material world which is full of miseries and to make good use of the body. Your blessing is like water in this material world. which is selfishness, lust, anger, ego. Whenever I have got any problem, I remember you and chant the holy Hare Krishna Mantra. These activities made me feel good. On this auspicious day, everybody is glorifying you but I am in need of your mercy and blessings. without which I see no hope to come out of my sinful activities.

Please forgive me for all my offences which I have committed to being at your lotus feet by not sincerely following your instructions and bless me so that I can surrender my every breath in serving your divine instructions. Please accept this Vyasa puja offering as my wholehearted and unalloyed gratitude for your blessing on me and my family. Please allow me to be a tiny part of your mission. I promise to devote the rest of my life to serve your lotus feet to my level best. I beg you for your mercy again and again.

Your humble servant,

मेरे पूजनीय गुरु श्रील प्रभूपाद,

श्रील प्रभूपाद के चरणों में बारम्बार प्रणाम। हे कृपासिन्धु गुरुदेव, मैंने इस कलियुग के घोर अधियारे में जन्म लिया। आप कृपा के सागर व नर रूप में श्री भगवान ही थे तथा जिनके वचन, आज भी जीवन से अज्ञान को मिटाकर प्रकाशित कर रहे हैं। आपने अपनी कृपा रूपी किरण मुझ पतित अज्ञानी पर डालकर मुझे एक नया जन्म दिया। उसके लिए मैं सदैव आपकी करबद्ध आभारी रहूंगी कि आपने मुझे इस कलियुग के असंख्य जीवों में से अपनी कृपा योग्य समझा। हे करूणानिधे, आपके द्वारा दिए गए इस आध्यात्मिक ज्ञान के बाद जीवन की शुरुआत ही कुछ अलग प्रकार से, बिल्कुल सात्विक, जप, तपस्या, शान्तमन और केवल गुरु कृष्ण कृपा तारगम्य से हो रही हैं। हे दयानिधे, आपके दिव्यज्ञान की कणमात्र कृपा किरणों से मुझ पतित अज्ञानी ने जो पुनर्जन्म प्राप्त किया है, उस पर अपनी कृपा -किरणों की सघनता बढ़ाते हुए, एक दिन उसे अपने दिव्य आकर्षण से खींच कर अपने चरणों में रख लीजिए और एक झलक मेरे भगवान कृष्ण के चरणों की दिखवा दीजिए। ताकि मैं आगे का जीवन चेतना स्वरूप व्यतीत कर सकूँ। यही मेरी आपसे पहली और अन्तिम इच्छा है। अब गुरु कृपा कर ही तेही भांति। सब तजि भजन करहु दिन राति।।

आपकी शिष्या,

भक्तिन दमयन्ती छीपा.

कृष्ण कृपामूर्ति श्री श्रीमद अभय चरणारविन्द भक्ति वेदांत स्वामी श्रील प्रभुपाद के चरण कमलों में मेरा दण्डवत प्रणाम,

*ॐ अज्ञान तिमिरांधस्य ज्ञानाञ्जनशलाकया।*

*चक्षुरुन्मीलितं येन तस्मै श्री गुरुवे नमः।।*

मैं घोर अज्ञान के अन्धकार में उत्पन्न हुई थी और मेरे गुरु ने अपने ज्ञान रूपी प्रकाश से मेरी आँखें खोल दीं हैं। मैं उन्हें सादर प्रणाम करती हूँ।

मैं श्रील प्रभुपाद के हरे कृष्ण आंदोलन से सपरिवार पिछले ढाई वर्ष से जुड़ी हूँ। गुरुदेव आपकी कृपा से मेरे परिवार के साथ परिवार के अन्य सदस्य भी कृष्णभावनामृत को जीवकन में उतार रहे हैं, वह भी माला जप व भगवान को भोग अर्पित करके ही प्रसाद लेने लगे हैं। आपके लेक्चर सुनकर उनका ध्यान आपकी तरफ आकर्षित हुआ है।

आपके मार्गदर्शन से मेरा जीवन पूरी तरह बदल गया है, अब मैं प्रातः जल्दी उठकर मङ्गला आरती करती हूँ, प्रतिदिन 16 माला हरे कृष्ण महामंत्र का जप करती हूँ, आपकी पुस्तकों का अध्ययन करने से नित्य नए आध्यात्मिक चमत्कार होते हैं, मेरे ससुराल में भी बिना लहसुन प्याज़ का भोजन बनता है, और रोजाना सभी मङ्गला आरती, दर्शन आरती, सन्ध्या आरती एवम माला जप भी करते हैं। प्रभुपाद आपकी कृपा को शब्दों में नहीं लिखा जा सकता।

छोड़ो आलस छोड़ो बहाना।

कोई काम नहीं आएगा, ना पुरुष ना जनाना।।

केवल प्रभुपाद की उंगली पकड़कर ही गोलोक धाम है जाना।।।

श्रील प्रभुपाद आप पतित पावन हैं, आपसे विनम्र निवेदन है कि मुझ पतित को अपने चरणों में आश्रय प्रदान करें।

आपकी तुच्छ दासी,

परम् पूजनीय श्रील प्रभुपाद जी आपके चरण कमलों में मेरा कोटि –कोटि दंडवत प्रणाम !

मैं स्वयं को बहुत ही भाग्य-शाली समझती हूँ। उपरोक्त वाक्य के पीछे निहित मेरे मनोभाव को मैं अपने शब्दों में व्यक्त नहीं कर बल्कि सिर्फ इतना कह सकती हूँ कि ये वाक्य मेरे जीवन का सबसे महत्वपूर्ण वाक्य है क्योंकि आपका मेरे जीवन में आगमन मेरे लिये वरदान की तरह है। श्रील प्रभुपाद ! आपके सम्पर्क में आने से पहले मैं अपने जीवन के वास्तविक लक्ष्य को नहीं जानती थी और जो मुझे मनुष्य जीवन मिला है, उसका कर्तव्य क्या है ये मुझे जैसे अज्ञानी को मालूम नहीं था। मैं समझती था कि ये शरीर मेरा है और मैंने अपने शरीर को इन्द्रिय भोग करने में ही अब तक का कीमती समय निकाल दिया है। जब

से मैं आपके सम्पर्क में आई हूँ मुझे इन सभी चीजों का आभास हो गया है और मुझे पता चल गया है कि मैंने अपने जीवन का अमूल्य समय यू ही बेकार कर दिया है। मुझे अपना ये अमूल्य जीवन आपके निर्देशों का पालन करने तथा भगवान् की भक्ति में लगाना था लेकिन मैंने सारा जीवन अपने इन्द्रिय भोग में लगा दिया। आपकी शरणागति के बाद मुझ में कई तरह के बदलाव आये हैं जैसे सुबह जल्दी उठाना, 16 माला जप करना, भगवान् को भोग लगाकर प्रसाद ही खाना, आपके द्वारा बताये चार नियम नियमित रूप से पालन करना, रोजाना मंदिर आना। लेकिन इस दौरान मुझ से कुछ अपराध भी हुए हैं जिससे आपको दुःख पहुंचा है, हे प्रभुपाद आप बहुत ही दयालु है जो मुझ जैसे पतित को क्षमा करते हुए अपनी शरण प्रदान की। मैं आपकी कृपा और आशीर्वाद से कृष्ण भावनामृत संघ से जुड़ी, यह कृपा आप सदेव मुझ पर बनाये रखना में आपके सामने यह प्रण कर रही हूँ कि मैं कभी कृष्ण भावनामृत संघ को छोड़कर नहीं जाऊँगी। मुझे जप और तप को और एकाग्र करने की शक्ति प्रदान करें।

आपकी दासानुदास,  
भक्तिन गीता मिश्रा.

Dearest Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to Srila Prabhupada.

On this occasion of the 124<sup>th</sup> anniversary of your divine appearance, I would like to submit the following offering at your lotus feet. Today is the celebration of your appearance within this world, and it is a time of great rejoicing. Your appearance was the most significant day in the history of the human race. Words cannot express the deepest gratitude I feel within my heart for now having you and Lord Krishna in my life. Under the dark veil of ignorance, I was rotting away in material life, through your causeless mercy, your deepest compassion for the fallen souls of Kali Yuga, you lifted that dark veil and revealed the light of transcendental knowledge. I am very much fortunate to have you in my life and heart. I am learning every day to do service better for you and Lord Krishna, and enjoy it when I learn new activities. When I read your past times, I feel your real care, kindness, and inspiration. It is your mercy that this material ocean can be crossed. It is by your mercy that I have this opportunity to end this devastating existence.

Thank you very much for giving me the association of devotees and the opportunities to engage in devotional service. Thank you very much Srila Prabhupada to give me this delightful, magnificent matchless gift in my life that is Krishna Consciousness. Srila Prabhupada, thank you for giving the whole world this very valuable gift of Krishna Consciousness. You are the true ambassador of spiritual knowledge to the whole world. My humble prayers at your lotus feet today is that please bestow this most precious gift of chanting the Hare Krishna Maha Mantra on this fallen soul so that I may attain the most valuable goal in life – attaining perfection in Krishna Consciousness in this very life.

As my Divine Master, You are my only shelter! Srila Bhaktivinode says....

*kṛṣṇa se tomāra, kṛṣṇa dite pāro, tomāra śakati āche  
āmi to' kāṅgala, 'kṛṣṇa' 'kṛṣṇa' boli', dhāi tava pāche pāche*

Krishna is yours, you have the power to give him to me. I am simply running behind you, crying out,  
“KRISHNA! KRISHNA!”

Therefore, I am simply pleading with you to forgive all my anomalies and accept me. I know that I am a bad disciple, but I could not bear it if you turned me away. I have no ability to glorify your transcendental qualities and pastimes. I'm just an insignificant soul who anticipates tremendous blessings from the ocean of mercy of your Divine Grace. I am most unworthy and a most fallen soul; therefore I pray at Your Divine Grace's lotus feet for your causeless mercy again and again. Srila Prabhupada, I am begging you to allow me to serve and please you more and more. Don't kick me away, please destroy my foolishness and let me do service at Your lotus feet.

Jaya Srila Prabhupāda. Please allow me to remain your servant eternally

Your Unworthy Servant, Bhaktin Heena Jain.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasapuja..

*dhyana moolam guru murti puja moolam gurur padam,  
mantra moolam gurur vakyam, moksha moolam guru kripa*

*“The Guru's form is the best to meditate upon; the Guru's feet are the best for worship; the Guru's word is the mantra; the Guru's Grace is the root of liberation.”*

So Prabhupada you are only my saviour. Please always keep me in your service otherwise there is no meaning of my life. Without your mercy, I will not be able to do anything in spirituality. I knew of one incidence, when Srila Prabhupada was traveling in an airplane he was eating puffed rice and one air-hostess came and took the puffed rice from Srila Prabhupada's plate and ate it. That time she did not know the value of a Vaishnava's remnants. After many years when devotees were preaching in South America, they went to that lady's house. She narrated her story to the devotees, that by eating the remnants of Srila Prabhupada's prasadam she become a devotee.

In this way, we are nothing without your mercy and cannot grow in spirituality. It is my desire to simply follow your instructions throughout my lifetime.

Your servant,

Bhaktin Heena Sharma.

परम पूज्य श्रील प्रभुपाद जी,

आपके चरण कमलों में मेरा सादर प्रणाम! मुझे संघ से जुड़े 4 साल हो गए हैं। कृष्ण भावनामृत से जुड़ कर मुझे बहुत अच्छा लगा। मुझे ऐसा लगता है कि सच्चे अर्थों में सद्गुरु प्राप्त हुआ है आपने हमारे ऊपर बहुत कृपा की, कि हम पूर्ण परमात्मा श्री कृष्ण की कृपा प्राप्त कर सके, मुझे आपकी किताबें पढ़ना बहुत अच्छा लगता है। यह आपकी ही कृपा है कि हम इस भौतिक जगत में इतने सरल तरीके भगवान की माला कीर्तन करने में आनंदित हो रहे हैं। आपने भवसागर में फंसे मनुष्यों को का उद्धार करने के लिए अनेक प्रयास किए। देश विदेश में जाकर कष्ट सहकर भगवान कृष्ण के नाम का सहारा लोगों को दिया। हरि कीर्तन के माध्यम से लोगों के मन में भगवान कृष्ण की प्राप्ति के प्रति प्रेम और भक्ति उत्पन्न की। आपकी केवल 18 माह में पूर्ण की गई एक अभिनव कृति है जो बंगाली महा ग्रंथ श्री चैतन्य चरितामृत का 17 खंडों में अनुवाद टिका है। इसी प्रकार आपने इस भौतिक संसार में लोगों के कल्याण के लिए अनेक पुस्तकें लिखी। आपके चरणों में सादर नमन

जय श्रील प्रभुपाद,

आपके चरणों में कोटि-कोटि दंडवत प्रणाम, हे प्रभु पाद मैं आपकी शरण में 12 जुलाई 2015 को आई अर्थात मुझे हरे कृष्णा मूवमेंट से जुड़े हुए पूरे 5 साल हो गए हैं। इन 5 सालों में मैंने आपसे और आप के भक्तों से बहुत कुछ सीखा जैसे भगवत ज्ञान, संस्कार, कीर्तन, तरह-तरह के कृष्णा के लिए भोग बनाना, स्वच्छ रहना, व्यवस्थित जीवन जीना, भक्तों के साथ मिलकर सेवा करना, लोगों को प्रीच कर के भक्ति में जोड़ने का प्रयास करना इत्यादि। 2020 में हमारा भक्तों का संग छूट गया और हम गांव आ गए। शुरुआत में तो मुझे बहुत बुरा लगा लेकिन यह सोचकर संतुष्ट हो गई कि आप जो भी करते हो अच्छा ही करते हो हमारे भले के लिए ही करते हो इसलिए हमारे साथ जो भी होगा अच्छा ही होगा। शायद आपने अपनी शिक्षाएं देकर इसलिए गांव में भेजा हो कि हम भक्ति का प्रचार गांव में भी कर सके जैसा कि चैतन्य महाप्रभु कहते हैं कि पृथ्वी ते आछे यत नगर आदि ग्राम, सर्वत्र प्रचार हईब मोर नाम।

हे प्रभुपाद, हम घर वालों को तथा रिश्तेदारों को आपका प्रचार करके माला करवाते हैं जो कि आपकी कृपा से संभव हो पाया है हे प्रभुपाद आप अपना आशीर्वाद दें, जिससे कि गांव के लोगों को भी भक्ति से जोड़ सकें तथा हम भी अपने पैरों पर खड़े होकर और अच्छे से भक्ति कर सकें। हे प्रभुपाद, आप हम पर अपनी कृपा बनाए रखना जिससे हम भक्ति में पतित ना होकर बल्कि एडवांस हो सकें। हे प्रभुपाद, आपसे अनुरोध है कि आप हमारा साथ कभी भी नहीं छोड़ना अब तो बस आपसे दीक्षा लेने का ही इंतजार है जब भी आपकी कृपा हो।

आपकी दासानुदासी, भक्तिन हिनोरी शर्मा.

Dear Srila Prabhupada,

I offer my respectful obeisance unto the lotus feet of my spiritual master, Gurudeva. Please accept my humble obeisance.

*om ajnana-timirāndhasya jṣānāṣjana-salākayā*

*caksur unmilitam yena tasmai srī-gurave namah*

You have opened my eyes, which were blinded by the Darkness of Ignorance, with the Torchlight of Knowledge. Srila Prabhupada, on your 124<sup>th</sup> Divine Appearance Day, I would like to reminisce and try to share a few words in presenting the glories of Your Divine Grace.

By your blessings, we got the divine books like Srimad Bhagavad Gita As It Is, Srimad Bhagavatam, Nectar Of Devotion, Back To Godhead, etc. O Master, by your mercy, we have got an opportunity to purify our senses, read such books that help us progress on the path of Krishna Consciousness. My Spiritual Master, you are a purified soul and a pure devotee of Krishna and due to your teachings, there is no doubt left in the existence of the Lord. Thank You Srila Prabhupada for the various opportunities for devotional service and the divine teachings you gave us. You are so kind that whoever comes to you with an open heart, comes in the eternal connection with the Supreme Lord Krishna.

You are the only my savior. From now onwards (On this abundant celebrated day) I Promise you that all of my endeavors will be directed towards giving satisfaction to you, if you satisfied then automatically Krishna will be satisfied (“*Yasya Prasada Bhagawat prasado*”) Please bless me with the transcendental knowledge and realizations in my heart. O Srila Prabhupada, I don't want any separate identity. Now, I only belong to you. You are the owner of my life

O Srila Prabhupada! My heart breaks apart! Help me to serve you and with Māyā to apart.

This Vipramukhya weeps in the dust of your feet, but with serving you I will never retreat.

O Gurudeva, You make me a worm in a stool, but always keep me in your shelter and give me the strength to serve you and Lord Krishna and engage me in your Devotional Service.

Thank you Srila Prabhupada for all the blessings, please give strength so that I can consciously do each and every act remembering always your glories, please give me a strong faith in the attitude of gratitude, so that I can always remember that my only goal in life is to please you by following your instructions.

The only request I have is that I can develop taste for chanting Hare Krishna mantra (*suddha name ruci*) and always be able to remember the holy name of the Lord in all circumstances in life and become attached to Lord Krishna through you.

All Glories to you, my Spiritual Master! Please accept this Vyasa Puja offering and bless me.

Your insignificant and most fallen servant, Bhaktin Ishanvi Jain.

Most Revered Srila Prabhupada,

Kindly accept my obeisances at your lotus feet. I am so happy as I am getting an opportunity again, to be in front of you on this auspicious day of your appearance on this planet. Srila Prabhupad you bestowed upon this most fallen soul your causeless mercy and have made my life journey of this birth a meaningful one and now I feel proud to know the fact about myself that I am part and parcel of Lord Krishna, the supreme personality of Godhead and the Adi guru of the entire creation. This makes me feel elevated, full of self-confidence and has made me more fearless and positive towards life.

Dear Srila Prabhupada, your personality is decorated with innumerable qualities like your highly contagious enthusiasm, humility, appreciation, and compassion for other souls, extremely kind, having infinite patience, completely unattached with the material world, unflinching faith in Lord Krishna and Guru, iron-like determination, no trace of envy, lust or greed, impartial, have knowledge of everything. You are a great spiritual master, spiritually enlightened, and accomplished Vedic scholar having childlike innocence, a pure devotee, and a self-realized soul, a true representative of Lord Krishna. I am and will remain indebted to Lord Krishna the supreme personality of Godhead, the most merciful, the cause of all causes, bhaktvatsala, parampurush, Parbrahma, Parampurshotam, Bhagwan, the only saviour for bringing a ray of light in my life by His causeless mercy in the form of Sri Srimad Abhaya Charnarvind Bhaktivedanta Swami Srila Prabhupad as my spiritual master and eternal father, to dispel the darkness of ignorance and illusion due to being under the clutches of Maya. Srila Prabhupad I will be indebted to you forever for making me aware of my real identity and reviving my relationship with Krishna and for the process to achieve that goal. As per your instructions, I will try to the best of my capabilities to spread the message of Sri Chaitanya Mahaprabhu: "Jare dekho..tare Kaho Krishna upadesh"

Srila Prabhupada, I could not have your darshan...could not feel the divine vibration of your good self still I am highly grateful for having your subtle presence in my life and for all your disciples who helped me to follow Krishna Consciousness seriously. Although all the aspects of the transcendental knowledge given by you are priceless still I want to dedicate my gratitude for giving the Science and Philosophy of Krishna Consciousness, Words are falling short Srila Prabhupada for the pains which you took and the endeavours you made throughout your life and especially after the age of 69 out of compassion for the conditioned souls to deliver them from the cycle of life and death. The relevance and need of a Guru what you have explained in BG4.34 is a guiding torch for devotees that "just try to learn the truth by approaching

a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth".

Srila Prabhupada, with utmost humility I request at your lotus feet to kindly keep blessing me as you know I am a conditioned soul and I can't move an inch in the path of devotion without your mercy so that I can serve at your lotus feet, live a Krishna Conscious life and be a tool to spread Chaitanya Mahaprabhu's mission founded by your grace. Out of the innumerable lilas performed by Srila Prabhupada one that stirred my consciousness and touched my heart is that when a devotee after initiation offered respect to him by saying Jay Srila Prabhupada, at which Srila Prabhupada responded "Jay Srila Prabhupada!" actually Srila Prabhupada was offering respect to his spiritual master and this gave a lesson to his disciples that a spiritual master never accepts gifts or praise or any kind of respect on his own behalf but always on behalf of his own spiritual master, and then the spiritual master, in turn, passes this on to his, and in this way, things are offered ultimately to Lord Krishna Himself". All glories to Srila Prabhupada. Jay Srila Prabhupada! With most profound regards, Dasanudasnudas,

Your servant,  
Bhaktin Jyoti Joshi.

प्रिय श्रील प्रभुपाद जी,

मैं आपको दंडवत प्रणाम करती हूँ। स्वीकार करें। श्रील प्रभुपाद जी इस भौतिक एवं जड़ जगत को जानना बहुत कठिन है। जो प्रत्येक क्षण अपने आगोष में समा लेती है। इस भौतिक एवं जड़ जगत से आपके बिना छुटकारा मिलना संभव नहीं है। अतः हे गुरुदेव जबसे मुझे आपकी शरण, चरणों का सानिध्य मिला है तब से मेरा सोया भाग्य जागृत हो गया है। मैंने जन्म मृत्यु के चक्कर से निकलने के ज्ञान को जाना है। आपके आशीर्वाद से इस मानव जीवन जो कि बहुत दुर्लभ है को जाना है मैं बहुत भाग्यशाली हूँ जो आपने मुझ पर कृपा दृष्टि डालकर मुझे भगवान कृष्ण जो समस्त कारणों के कारण है उनकी दिव्य भक्ति में सेवा करने का अवसर दिया। मुझ जैसे नासमझ शिष्य को अपना सानिध्य देकर आपने बहुत बड़ा उपकार किया है। जिसे मैं अनेक जन्मों तक इसका ऋण नहीं चुका पाऊँगी। हे गुरुदेव आप तो परम कृपालु, दयालु व सर्वज्ञ हैं। आप तो अपने शिष्यों के बारे में सब कुछ जानने वाले हैं मेरी सारी खामियों व अवगुणों को आप जानते हो अतः मेरा आपसे निवेदन है कि मेरी सारी खामिया व अवगुणों को माफ कर मुझे कृष्ण प्रेम प्राप्त करने व प्रभु की दिव्य भक्ति की सेवा में निरन्तर लगे रहने का आशीर्वाद बनाये रखें। मैं आपका ऋणी रहूँगी।

*"Yasya Prasadad Bhagvat Prasado Yasayaprasadad na gatih kuto pi

*"Guru's mercy is equal to Lord Krishna's mercy, but without Guru's mercy one can not make advancement. So I always remember and praise the Spiritual Master, at least three times a day, and offer my respectful obeisances unto the lotus feet of my spiritual master."*

Without a spiritual master none can understand the Lord Krishna and the knowledge associated with him. When I surrendered myself unto the lotus feet of you Gurudeva, my life completely changed. It's like a new birth for me. I am feeling myself the most blessed person in this universe which is only possible because of you.

*"Brahmanda bhramite kona bhagyavan jeev

After wandering throughout the entire universe, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Lord Krishna. And by mercy of both Lord Krishna and Spiritual Master, such a person receives the seed of the creeper of devotional service.

O Gurudeva, you are the ocean of mercy, please give some drops from that ocean. I want to love, cry, chant for Lord Krishna like you. Gurudeva please increase my taste in chanting and in Hari Katha, and make me so pure and transcendental, so that I can be offered unto the lotus feet of Lord Krishna and make my birth successful. I beg for your mercy again and again.

सबसे प्रिय श्रील प्रभुपाद,

हे गुरुदेव! श्रीभगवान् भक्त इतनी शक्तिशाली है कि मैं भक्ति कार्यों में लगने मात्र से मैं बिना किसी संदेह से आनंद में हो जाती हूँ मेरे जीवन में मेरे जो भी बदलाव हुए हैं वह सभी आपकी पुस्तकें पढ़कर ही हुए हैं जो लोग लगातार आपके साथ जुड़ते हैं। दिनभर आपकी किताबें पढ़ते हैं वह संसार में सबसे भाग्यशाली प्राणी होते हैं तथा नित्य माला जाप करना जीवन का हिस्सा बना लिया है। आपकी कमल होठों से निकले कीर्तन को सुनना पसंद है हर श्रोता चाहे वह कोई भी हो सभी जानबूझकर या अनजाने में शुद्ध होते हैं। यह हमारी आत्मा और हमारे आसपास के वातावरण को शुद्ध करता है। यहां तक कि अगर मैं बाहर जा रही हूँ और कुछ और के बारे में सोच रही हूँ फिर भी आपके पारलौकिक शब्द मेरी आत्मा को शुद्ध कर रहे हैं, अपना आशीर्वाद हम पर बनायें रखें। आपके चरण कमलों में शत-शत नमन!

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Words cannot express the deepest gratitude I feel for being a recipient of your causeless mercy. Under the dark veil of ignorance, I was rotting in material life, becoming increasingly more degraded. Through your causeless mercy, your deepest compassion for the fallen souls of Kali-Yuga, you lifted that dark veil and revealed the light of transcendental knowledge. You are the only person who has actually cared for me, the spirit soul, not just the body and mind, and actually put an end to the path of spiritual suicide. You have given me access to the greatest wealth in the form of knowledge of how to engage in devotional service. I simply pray that by your mercy I can remain a simple servant, birth after birth. I pray that You will give me the vision to see through the eyes of Sastra and to have the ability to help others with what few breaths I have left.

On this auspicious day of your Vyasa Puja, I need your blessings to help me how to associate and serve Lord Krsna's dear devotees. I don't know how and I am afraid of committing offences and of becoming proud. Please always keep me a humble servant at your lotus feet.

Your Useless servant,

अपने चरण कमलों में मेरा विनम्र प्रणाम स्वीकार करें कुछ टाइम पहले की बात है कि मैं बहुत कम मंदिर जाया करती थी। पर एक समय ऐसा आया जब मुझे लगने लगा कि मैं अकेली हूँ लाइफ में तब मेरी किसी फ्रेंड ने मुझे श्रील प्रभुपाद के वीडियो मुझे भेजे। एक दिन मैंने उन वीडियो को देखा और मुझे एहसास हुआ कि मैं कितनी गलत थी। फिर मैंने श्रील प्रभुपाद जी की बहुत से वीडियो देखे। श्रील प्रभुपाद की वीडियो की वजह से ही मुझे आज अपने जीवन को नई दिशा मिली है और जिंदगी जीने का नया नजरिया मिला। मैंने हरे कृष्णा जापा मंत्र प्रारंभ किया जिससे मुझे श्री कृष्णा लीला जानने को मिली और कृष्णा भक्ति में आनंद आने लगा। अब मैं रोज 2 से 3 हरे कृष्णा जापा करती हूँ। कृष्णा हमेशा मेरे साथ बने रहे हैं और मेरी जिंदगी कोई यूँ ही सही रास्ते पर आगे बढ़ाते रहें और मैं रोज कृष्णा भक्ति में लगी रहूँ। हरे कृष्णा हरे कृष्णा कृष्णा कृष्णा हरे हरे हरे राम हरे राम राम राम हरे हरे। जय श्रील प्रभुपाद

मैं बहुत ही भाग्यशाली हूँ की मुझे आप से जुड़ने का अवसर प्राप्त हुआ। नित्य आपकी पुस्तक पढ़कर तथा आपकी बताई हुई राह पर चलकर जीवन के सत्य को समझने में आसानी हुई। मैं लगातार माला जप करती हूँ तथा आप ही के बताए हुए रास्ते पर चलती हूँ। तथा इसे अपनी जिंदगी का हिस्सा बना लिया।

मेरे पास आप को धन्यवाद देने के लिए पर्याप्त शब्द नहीं हैं, क्योंकि धन्यवाद हमारे कृष्ण के करीब लाने के लिए बहुत ही छोटा शब्द है। आपकी किताबें पढ़कर मेरे अन्दर बहुत से बदलाव आये हैं। जो अन्य किसी कार्य से संभव नहीं था। मैं इसके लिए आपका तहदीलो धन्यवाद करती हूँ। आपका और प्रभु जी के द्वारा बताए हुए मार्ग पर चलना मेरा कर्तव्य बनता है, तथा आपके बारे में जानने की ओर अधिक इच्छुक हूँ आपके चरण कमलों में शत शत नमना

यदि जीवन में मिल जाए सही गुरु और मार्गदर्शन, तो काटे भी फूल लगते हैं, जब मिलते हैं प्रभुपाद जैसे सच्चे गुरु,

गुरु की कृपा मिली, कृष्णबलराम आश्रम से जुड़ने का अच्छा रहा अनुभव

जीवन आनंदमय लगने लगा, दुखों से डर हुआ मेरा कम

कृष्ण प्रेम की लगन लगी, मगन रहने लगा मेरा मन

इस आश्रम से जुड़कर ये सीखा, हरी नाम का जप करो

भगवद धाम जाने का लक्ष्य रखो,

किसलिए मानव जीवन पाया यही आध्यात्मिक लक्ष्य रखो

भौतिक सुख से मुख मोड़ा,

कृष्ण प्रेम से खुदको जोड़ा,

कर्तव्य से ना पीछे हटना,

इन्द्रियों के सुख से है, नाता तोड़ा,

जीवन का वास्तविक लक्ष्य होना चाहिए ईश्वर प्रेम,

जिसने चारों दिशा में फैलाई कृष्ण प्रेम की बरसात,

प्रभुपाद को मेरा कोटि कोटि प्रणाम,

उनके जीवन की एक प्यारी सी घटना जिसने बदल दी मेरे जीवन की संरचना,

बाहर विदेशों में नीव कृष्ण प्रेम की लगाई,

सत्तर वर्ष की उम्र में न्यू यॉर्क में अपनी भक्ति की भिगुल बजाई,

भक्ति रस की बांसुरी कोने कोने में फैलाई,

वह कहते थे

"मै अकेला हूं , और मै कुछ नहीं कर सकता , इसका मतलब यह नहीं ,  
की मै कुछ नहीं कर सकता ,  
क्योंकि मै कुछ कर सकता हूं,

Please accept my humble and respectful obeisance unto your lotus feet.

I am very much fortunate and blessed to have a spiritual master like you. Today I have been able to learn a small portion of spiritual knowledge and self-realization only because of your mercy and blessings. In this material world, it is very much essential to have a Spiritual master like you. Today, I am able to handle my problems during the tough times only because of your blessings and the spiritual knowledge provided by you which would have been quite impossible to attain this knowledge without your preaching Krishna consciousness in this material world. Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Before coming in contact with Krishna consciousness my life was miserable and I always thought, 'Why all miseries are in my life only? What are the reasons?' But after coming in contact with you, I got to know that in this material world there is a danger at every step. That this material world is dukhalayam asavtata and we can't compromise here and say, 'Let's live here eternally.' No, this can't happen. I came to know that we can be happy only in the Spiritual world which is our real home. The main thing I realized after coming in contact with you is that we are living an animal life and we urgently need to change our lifestyle. We have got this human body which is very very rare and it is not for wasting time. It is for God-realization.

Srila Prabhupada, I got to know how to live happily in this life and after this life how to go to Vaikuntha where is real happiness and no anxiety. Oh! Srila Prabhupada, you have told us the main problems of our life are *janma-mrtyu-jaravyadhi* and how to stop this. Actually you are the best gift of God for us.

हैं श्रील प्रभुपाद जी, मैं आपको सादर प्रणाम करती हूँ।

केवल आपकी अहैतुकी कृपा के कारण ही मैं आपके सम्पर्क में आई हूँ। और आशा करती हूँ की आपके सम्पर्क में आगे भी रहूंगी। हे श्रील प्रभुपाद जो आपकी शरण में आता है उसे आप स्वीकार करते हो। हे प्रभुपाद आपकी शरण में आने के बाद मुझ में बहुत कुछ परिवर्तन आए हैं, जैसे की मेरी आध्यात्मिक ज्ञान में रूची आई है, मैं रोज मंदिर आती हूँ, व चार माला करती हूँ। श्री कृष्ण को जानने की जिज्ञासा करती है। रथ यात्रा उत्सव में शामिल होना संकीर्तन में भाग लेना, दार्शनिक स्थलों के दर्शन करना कीर्तन में नृत्य करना, करताल बजाना आपके चार निर्देशों का पालना करना इत्यादि। हे श्रील प्रभुपाद आपने हमें कृष्णभावनामृत व वैष्णवोंका संग तथा साथ ही पवित्र भगवन्नाम का उपदेश देकर हम पर बहुत बड़ी कृपा की है। आप अपने पवित्र उपदेशों में सदा विधमान रहते हो। हे गुरुदेव आपने हमारे लिए बहुत कष्ट सहे हैं। आपने कृष्णभावनामृत का प्रचार करने के लिए विश्व के सात महाद्विपों के चौदह चक्कर लगाए। समुद्र पार करते समय नौका में दो बार दिल का दौरा पडा पर आप तनिक भी विचलित नहीं हुए और निरन्तर कृष्णभावनामृत का प्रचार करते रहें। आपने कृष्णभावनामृत का प्रचार करने के लिए और हमें इस धोर अंधकार रूपी इस भवसागर से निकालने के लिए अपने शिष्यों को भेजा। आपने हमारे

लिए कई आध्यात्मिकता से परिपूर्ण पुस्तकें लिखी। जिससे हमें आध्यात्मिकता प्रगती करने से आपके द्वारा रचित ग्रन्थ विद्वानों द्वारा अपनी गम्भीरता और स्पष्टता के कारण अत्यन्त मान्य है। आपने विश्व भर में भगवान श्री कृष्ण के भव्य 108 मंदिरों की स्थापना करवायी। जिससे हम भौतिक दृष्टि से आध्यात्मिकता विगृह का दर्शन कर सकें। आपने सरकारी स्कूल के बच्चे के लिए प्रसादम की व्यवस्था की जिससे वे भोजन की वजह से शिक्षा से वंचित ना रहें। हम आपके कथानुसार श्री कृष्ण के चरण कमलों का प्राप्त करने का प्रयास कर रहे हैं। आपने कृपा करके काला-गोरा, स्त्री- पुरूष, अमीर-गरीब में कोई भेदभाव नहीं किया है। हे गुरुदेव हम बद्ध आत्माओं का ज्ञान प्रकृती के तीनों गुणों से प्रभावित हो जाता है, लेकिन आपका ज्ञान इससे प्रभावित नहीं होता है क्योंकि आप एक शुद्ध भक्त हैं। हे श्रील प्रभुपाद आप भगवान श्री कृष्ण के अत्यन्त प्रिय हैं आप बहुत दयालु हैं आपकी कृपा के बिना कोई आध्यात्मिकता स्तर में प्रगती नहीं कर सकता। आप ज्ञान के शाश्वत रूप हैं। हे गुरुदेव। आपकी कृपा से मैं अपना इष्ट श्री कृष्ण को मानती हूँ। हे प्रिय श्रील प्रभुपाद हम पर कृपा करें कि हम सदैव आपका और भगवान् श्री कृष्ण का चिन्तन कर सकें।

हे प्रभुपाद अपनी कृपा दृष्टि सदैव हमारे ऊपर बनाये रखना।

मैं आपको बारम्बार प्रणाम करती हूँ। मेरा प्रणाम स्वीकार करें।

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada, with the grace of God we came in contact with devotees and started receiving spiritual guidance from them. We have taken formal initiation and started chanting Hare Krishna maha-mantra daily. We have also started observing fast on Ekadashi. We have started performing all our duties in Krishna consciousness. As a result, we have a feeling of contentment and happiness surrounding us. By participating in Gita contest, Japa marathons, quiz related to online lectures, formal initiation, attending events and spiritual classes at Akshaya Patra temple we have become more enthusiastic and have got firm determination towards spiritual advancement. And now we know that our ultimate aim is to return back to God's home.

प्रिय प्रभुपाद,

कृष्ण कृपामूर्ति श्री श्रील एसी भक्ति वेदान्त स्वामी प्रभुपाद के चरणों में मेरा सादर नमन।

इस व्यास पूजा के अवसर पर मैं आपके चरण कमलों में अपनी भावना प्रकट करना चाहती हूँ। पिछले व्यास पूजा के अवसर पर मैंने आपसे वादा किया था कि मैं फिर से सोलह माला जप करूँगी। आपके आशीर्वाद और कृपा से मैं फिर से सोलह माला जप करने लग गई हूँ। आपकी कृपा से भगवान् श्रीकृष्ण मुकुन्द कृष्ण के रूप में हमारे घर आएँ और उनकी सेवा करने का अवसर हमें मिला। आपकी कृपा से हम उनकी सेवा भी कर रहे हैं। आपका आश्रय मिलने के बाद हमारी ज़िन्दगी पूरी तरह से बदल गई है। हम भौतिक जगत की महामारियों से दूर होते जा रहे हैं। इस वर्ष जो संकट कोरोना महामारी का आया है उसमें भी आपकी कृपा से हमने अच्छे से भक्ति कि ओर अग्रसर हुए। जो साधु संग हमारा छूट गया था वह हमें फिर से मिलने लगा। आपके भक्त हमें अच्छे से गाईड करते हैं। वह हमारी आध्यात्मिक प्रगति के लिए निरंतर प्रयास कर रहे हैं।

प्रभुपाद जी इस बार मैं आपसे यह वादा करना चाहती हूँ कि मैं अपना गुस्सा कम करूँगी व आपकी पुस्तकें पढ़ना भी शुरू करूँगी जैसा हमें हमारे गाईड बता रहे हैं। उनके आदेश को आपका आदेश मानकर फोलो करूँगी।

इस साल हमने मुकुन्द कृष्ण का जन्मदिन मनाया। लॉक डाउन के होने से हम अच्छे से नहीं कर पाएँ। हमने भगवान जी का अभिषेक किया व उनको भोग लगाएँ आशा करती हूँ कि आपको व श्रीकृष्ण जी को पसन्द आएँ होंगे।

आपसे विनती है कि आप हमारे जैसे पापी व तुच्छ मानवों पर आपकी कृपा दृष्टि हमेशा रखे। ताकि हम अपना जीवन कृष्ण भक्ति में लगा सकें। हमें आपके मार्गदर्शन की आवश्यकता है।

अगर हमसे कोई भूल या गलती हुई हो तो आप उसे सुधारें एवं मार्गदर्शन प्रदान करें।

जय श्रील प्रभुपाद, हरे कृष्ण, धन्यवाद

आपके चरणकमलों का हमेशा आश्रय पाने की ईच्छुक दासी,

भक्तिन निकिता अग्रवाल.

Dear Srila Prabhupada,

Please accept my humble obeisances on the occasion of your Vyasa-puja.

I bow down at Your lotus feet and offer you my Gratitude for your transcendental gift (Krishna consciousness). All glories to you.

You are the Nectar of my life. Srila Prabhupada by only your grace we know who is god and what is our connection with him, how does he look like, how can we increase our relationship with him, how can we serve him. But the biggest thing that I learned from your instruction is, "God is one and religion means to know God and to love him". Numbers of songs, bhajanas, slokas which are really meaningful and not just sentimental, are all given by you. My favorite is "Samsara Davanala" mangala aarti. How can we serve Krishna this all I came to know by your mercy. We know the value of Mathura-Vrindavana dhama, know the value of peoples of Mathura-Vrindavana. Only by your mercy we actually feel God. You always give us guidance of right and wrong through your instructions. Whenever I think deep in my spare time I got really sacred if Prabhupada was not in my life then where would my life be, we were living just like cats and dogs. Only by your mercy, I understand the actual motive of human life.

Srila Prabhupada, I face so many problems, please bless me and help me to become Krishna conscious. You gave a lot to me yet I am so unfortunate that I am not practicing this all. I try and start too, then after a few days, I leave this all by myself and cannot start again. I think this all is happening because I myself created so many problems in my life (sometimes I thought this is too a part of happiness but actually it is not) and I am not able to overcome them even if I want to. I have given my future in your hand and please make me feel determined to accept these things. Now, whatever happens, it will be your wish. Srila Prabhupada I request you please help me to become Krishna conscious please bless me so that I can do chanting regularly and properly, please bless me so that I can read your books and hear your lectures. Please bless me so that I learn how to serve Krishna, please bless me so that I can engage all my senses in the service of Krishna, please increase my love towards Krishna. Please Prabhupada give me shelter in your Lotus feet, please let me never forget you. Please give me confidence and power so that I never engage myself in worldly things (Maya). I bow to your lotus feet with great awe and reverence. Please always keep me in the shelter of your lotus feet and please bless my mother also. Thank you so much, Prabhupada for making me a part of your Krishna consciousness Movement. You live in your divine instruction.

Always aspiring to be your servant,

Bhaktin Parul Bhatanagar.

प्रिय श्रील प्रभुपाद,

मैं अपने आध्यात्मिक गुरु के चरण कमलों में सादर दंडवत प्रणाम करती हूँ।

*ॐ अज्ञान-तिमिरांधस्य ज्ञानाञ्जन-शलाकया। चक्षुरुन्मीलितं येन तस्मै श्री-गुरवे नमः ॥*

मैं घोर अज्ञान के अंधकार में उत्पन्न हुई थी और मेरे गुरु ने अपने ज्ञान रूपी प्रकाश से मेरी आँखें खोल दीं। मैं उन्हें सादर नमस्कार करती हूँ।

श्रील प्रभुपाद प्रतिदिन आपकी पुस्तक पढ़ने से हमारे जीवन के सभी प्रश्नों का उत्तर अपने आप मिल जाता है। इस भौतिक जगत में आपकी पुस्तकों के ज्ञान के बिना कुछ भी सम्भव नहीं है। आपकी पुस्तक पढ़ने से मन में जिज्ञासा होने लगी कि इस मनुष्य जीवन में भगवान का नाम लेना कितना आवश्यक है। गुरु के मार्गदर्शन के बिना जीवन शून्य है। गुरु की कृपा से ही भगवान कृष्ण की कृपा प्राप्त होगी और आपने हमारे जन्मजन्मांतर से चित पर लगी धूल को साफ कर दिया। यह भौतिक संसार जंगल में प्रज्वलित अग्नि के समान है जिसका शमन भगवान श्री कृष्ण की कृपा से ही संभव है। गुरु भगवान की कृपा का प्रतिनिधि होता है। अतएव संसार की ज्वालाओं में जलता हुआ व्यक्ति स्वरूपसिद्ध गुरु के पारदर्शी माध्यम से ही भगवान की कृपा रूपी वर्षा प्राप्त कर सकता है। गुरु अपनी वाणी के द्वारा पीड़ित व्यक्ति के हृदय में प्रवेश करके दिव्य ज्ञान प्रदान कर सकता है जिससे संसार की अग्नि बुझ सकती है। प्रभुपाद

आप अपने चरण कमलों से हमे कभी दूर मत करना बस यही प्रार्थना है। श्रील प्रभुपाद आपकी कृपा से हम भगवान के हरि नाम का जप कर पा रहे है जो कलियुग के अतिआवश्यक है और कलियुग के लिए नाम रूपी दवा है। मुझ पतित को अपनी शरण मे लगाए रखना ।

आपने इस हरे कृष्ण आंदोलन से पतित लोगो का उद्धार किया है ऐसी कृपा हम पर भी बनाये रखना ।

I bow down at the lotus feet of Srila Prabhupada who is the Ocean of Mercy!!

Dear Gurudev,

Please accept my humble obeisance unto your lotus feet, which is the abode of pure devotional service. Gurudev, you are the ocean of auspicious qualities who came to extinguish the blazing fire of this material world. This material world is filled with ignorance and it is impossible to come out from the clutches of ignorance but only by your causeless mercy, it is possible to come out from the world of ignorance and take the path of spiritual realization. Dear Master, your books are so powerful that more I read the book more I get attracted to Lord Krishna. Please bestow your causeless mercy onto this undeserving, fallen soul and help me to elevate in Krishna Consciousness always.

*"yasya prasādād bhagavat-prasādo yasyāprasādān na gatih kuto 'pi"*

By the mercy of spiritual master, one receives the benediction of Lord Krishna. Without the grace of the spiritual master, one cannot make any advancement. So, I beg you to please keep me as one of the atoms in the dust of your lotus feet.

Your Eternal Servant,  
Bhaktin Pooja Mishra.

Dear Srila Prabhupada,

Please accept my humble obeisance in your divine lotus feet.

This is the 3rd time I have got a golden opportunity to again write a personal letter to you. Srila Prabhupada, you are the purest soul that came in my life as a ray of light in the dark. Dear Srila Prabhupada, In one of your lectures you explained "Isvarah Sarva-bhutanam" that God is not far away, this is all about our sincerity to reach God. If we sincerely want God, he sends a Spiritual master to give us the right direction. Our dear Spiritual master, we have got you and some very sincere devotees from the temple who always guides us for our spiritual growth. You further explained that if we are sincere and want God and say, 'Yes KrishnaI want you,' then Krishna says, 'Yes come, get me like this.' So, today I would like to say that I also want Lord Krishna and Srimati Radharani but this is not possible without your benediction, our Spiritual master, Srila Prabhupada.

Day by day, time is lapsing and I am unable to control my material desires, neither I am able to follow my chanting on a regular basis. With all my heart, I beg your mercy, please shower some blessings on me so that I can really progress in spirituality and follow all your rules with complete sincerity. Our dear Spiritual master, I am feared if death comes and I get lost in the circle of birth and death again, please save me and enlighten my soul from within like you did for millions/trillions

of souls in the world. I sincerely need your blessings to continue in the service of Lord Krishna and Krishna consciousness. Always want to be in your service.

Your Servant,

Bhaktin Pooja Singh.

Dear Srila Prabhupada,

To my eternal father, who is ever-loving, forgiving and taking care of me, personally even when I didn't realise it, even when I might not deserve it. Your love is unconditional and I am beyond grateful to be your daughter, your disciple, and your servant, eternally. May be many births have passed & I haven't looked up to you. I was suffering each day, But it wasn't something I knew. My lifetimes as a hog, and ant and cat, Even a worm of stool, Thinking of my misery as enjoyment, Making me dance like a puppet, Maya made me a fool. Running after family, friends and love, I sought something I never found, Feeling lost in this ocean of misery, All my hopes were drowned.

Somehow you took notice Of my tiny desire to seek a solution You sent your mercy through your books, Fulfilling your guru's mission. Every day you love and teach and forgive, giving me newer realizations Prabhupada, how are you the ocean of so much mercy and compassion! I could never deserve what you have given me, By just being in my life, To become realised by my efforts is impossible, Only & Only your Kripa could suffice. Blessings are something we go to seek, Yet mercy is something we get Without a tinge of qualification or the desire to even have it, For such mercy, I am eternally in your debt. This is the kind of debt that I am grateful for, Something I could never repay You have been the saving grace in my life Because of your presence, I am no longer afraid.

So Dear Srila Prabhupada, Make me as you like may my understanding of your books be exactly as you ought to imbibe. Seeking the shelter of your divine lotus feet

Your menial servant,

Bhaktin Pranali Mittal.

प्रिय श्रील प्रभुपाद,

मेरा आदर पूर्ण प्रणाम स्वीकार करे।

*ॐ अज्ञान तिमिरान्धस्य ज्ञानाञ्जन शलाकया ।*

*चक्षुरुन्मीलितं येन तस्मै श्री गुरवे नमः ॥*

मैं घोर अज्ञान के अन्धकार में उत्पन्न हुई थी और मेरे गुरु ने अपने ज्ञान रूपी प्रकाश से मेरी आँख खोल दी। मैं उन्हें सादर प्रणाम करती हूँ।

श्रील प्रभुपाद इस भौतिक जगत की वास्तविकता को जानना बहुत कठिन है। अगर हम इस भौतिक जगत से बाहर आने का प्रयास भी करते हैं तो इस भौतिक आकर्षण रूपी माया से बच पाना बहुत मुश्किल है। इस माया से बच पाना बिना गुरु संभव नहीं है। हे गुरुदेव, जब से मैं आपकी शरण में आयी हूँ, मैं इस मोहमाया से बाहर आती जा रही हूँ। मैंने जन्म तथा मृत्यु के बीच के अंतर को जाना है। मैं कितनी भाग्यशाली हूँ कि मुझ पर आपकी कृपा है। मुझे भगवान् श्री कृष्ण जो 'समस्त कारणों के कारण' हैं, के बारे में जानने का मौक़ा मिला। सत्य तो यह है कि जब से मैंने आपके चरणों की शरण ग्रहण की है तब से मुझे 'भगवान्' शब्द का उचित ज्ञान हुआ है। [ भगवान् – भग का अर्थ है ऐश्वर्य और वान का अर्थ है – से उक्त ] श्रील प्रभुपाद आपके कारण ही मुझे भगवान् कृष्ण की परम भक्तिमय सेवा करने का अवसर प्रदान हुआ है।

आपके शिष्य दिन और रात बहुत मेहनत, परिश्रम करते हैं ताकि लोगों को इस भौतिक संसार से बाहर निकाल सके और मैं भी इस भौतिक संसार से बाहर निकलने का प्रयत्न आपके द्वारा लिखी हुई किताबों को पढ़के कर रही हूँ।

हे गुरुदेव आप तो परम कृपालु, परम दयालु और हमेशा अपने शिष्यों के साथ रहते हैं। आप तो अपने शिष्यों के बारे में सबकुछ जानते हैं। हे गुरुदेव आप को तो मेरी सारी अच्छाई, कमियाँ, गुण अवगुण सब ज्ञात है अतः मेरी समस्त गलतियाँ, जो भी मुझ से भूल हुई है, उन सब को क्षमा कर मुझे कृष्ण प्रेम, कृष्ण भक्ति प्राप्त करने में आपकी परम भक्तिमय सेवा में हमेशा लगे रहने का आशीर्वाद प्रदान करें।

मैं आपसे बस यही प्रार्थना करती हूँ कि आप अपनी दया बार-बार बनाये रखना।

आपकी नित्य दासी,

आदरणीय प्रभुपाद जी के चरण कमलों में दंडवत प्रणाम करती हूं।

आपके द्वारा किए गए अत्यंत महत्वपूर्ण कार्य का ही परिणाम है कि आपने एक नया जीवन दिया है लोग जान पा रहे हैं कि जीवन का लक्ष्य क्या है इस कलियुग में हरे कृष्ण महामंत्र का जप करना बताया है जो बड़ी आसानी से किया जा सकता है इस महामंत्र से ही पापियों का उद्धार हो जाता है यदि आप नहीं होते तो लोगों को कल्याण के मार्ग का पता कैसे चलता कि भगवान कृष्ण की भक्ति ही सर्वोपरि है। आपने जिन परिस्थितियों में कृष्ण भावनामृत के प्रचार प्रसार का कार्य किया है! आपको कोटि-कोटि प्रणाम करती हूं भगवान तो केवल भाव के भूखे होते हैं क्योंकि श्रील प्रभुपाद जी बता रहे हैं कि पत्र, पुष्प, फल, या जल को यदि कोई प्रेम भावसे मुझे अर्पित करते हैं तो उसे मैं प्रेम पूर्वक स्वीकार करता हूं इसलिए आप मुझे इस भवसागर से मुक्ति दिलाने के लिए दया करने की कृपा करें अतः आपसे निवेदन है कि मुझ पर कृपा बनाए रखें जिससे मैं कृष्ण भक्ति में आगे बढ़ सकूँ। हरे कृष्णा।

प्रभुपाद जी आपके 124वें अविर्भाव दिवस पर मैं अपनी भावांजलि प्रस्तुत करने की आज्ञा चाहती हूँ। जब से मैंने आश्रय लिया है तब से आपकी कृपा से मेरा जीवन ही प्रकाश की ओर बढ़ रहा है पहले हमारे जीवन में भटकाव था आपके द्वारा शरणागति देने से हमारा जीवन ही बदल गया है और हमें सही मार्ग मिल गया है। सही अर्थ में गुरु की प्रशंसा करना मुश्किल ही नहीं नामुमकिन है फिर भी मैं प्रयास कर रही हूँ। सब धरती कागद करूँ, लेखनि सब वन गयसात समुद्र की मसि करूँ, गुरु गुण लिखा ना जाय। मैंने आपकी पुस्तक भारत के आध्यात्मिक राजदूत पढ़ी उसको पढ़कर बहुत ही आश्चर्य हुआ कि आपने 70 वर्ष की उम्र में भी देश-विदेश घूमकर अनेकों वैदिक ग्रन्थ श्रीमद्भागवतम की अनेक भाषाओं में रचना की तथा 108 भव्य मंदिर बनाकर कीर्तिमान स्थापित किया तथा घर-घर जाकर कृष्ण भावनामृत का प्रचार किया। ऐसे गुरुवर को हमारा बारम्बार प्रणाम कृपया करके इसी प्रकार आगे भी हमें मार्गदर्शन

करते हुए हमारे तथा हमारे परिवार को सही मार्गदर्शन देते रहे जिससे जन्म मृत्यु रूपी बंधन से छुटकारा मिल सके। गुरुदेव अपना आशीर्वाद हमारे ऊपर सदैव बनाये रखना। अंत में आपका बहुत-बहुत धन्यवाद।

आदरणीय श्रील प्रभुपाद जी,

आज व्यास पूजा के पवित्र एवं पावन अवसर पर मैं अपने गुरु कृष्ण कृपामूर्ति श्री श्रीमद् ए. सी. भक्तिवेदांत स्वामी प्रभुपाद जी के चरण कमलों में सादर प्रणाम करती हूँ।

मुझे एक ऐसे प्रमाणिक गुरु की शिष्या होने का गौरव प्राप्त है जो भगवान श्री कृष्ण द्वारा संचालित गुरु शिष्य परंपरा में भगवान का प्रतिनिधित्व करते हैं वह एक सिद्ध व्यक्ति हैं क्योंकि उन्होंने सत्य का दर्शन किया है, श्रील प्रभुपाद ने अपने गुरु श्रील भक्ति सिद्धांत सरस्वती दास ठाकुर के आदेश अनुसार वैदिक ज्ञान का प्रचार करने के लिए अपना जीवन उत्सर्ग कर दिया।

आप जब 5 वर्ष के थे तभी अपने जगन्नाथ यात्रा उत्सव प्रारंभ कर दिया जो भगवान के प्रति आपकी दिव्य भक्ति है। श्रील प्रभुपाद जी ने अपने शिक्षण तथा ज्ञान द्वारा अपने शिष्यों को आध्यात्मिक उन्नति का मार्ग प्रशस्त किया आपने भगवद्गीता तथा श्रीमद्भागवत के दर्शन तथा विज्ञान को लोगों को समझाया तथा मानव जीवन के आध्यात्मिक मूल्यों की शिक्षा प्रदान की। आपने युगधर्म हरि नाम संकीर्तन का प्रचार प्रसार किया तथा मानव समाज में कृष्ण भक्ति का प्रचार प्रसार किया आपने अपने गुरु आदेश का पालन करते हुए 69 वर्ष की आयु में पाश्चात्य देशों में कृष्ण भावनामृत का प्रचार करने के लिए अमेरिका गये। इस कार्य को करने के लिए आपने अदम्य साहस और भगवान के प्रति विश्वास का परिचय देते हुए आध्यात्मिकता में जन कल्याण का कार्य किया तथा 12 वर्ष की अल्प अवधि में आपने वैदिक साहित्य के अंग्रेजी अनुवाद और भाष्य के रूप में 80 से अधिक ग्रंथ रत्न प्रस्तुत किए। सन 1966 में अपने अंतरराष्ट्रीय भावनात्मक संघ "हरे कृष्ण मूवमेंट" की स्थापना की।

आपकी रचनाएं वैदिक दर्शन साहित्य और संस्कृति के एक यथार्थ पुस्तकालय का निर्माण करती है जो आपके शिष्यों के लिए प्रेरणा के स्रोत हैं। आपने अपने शिष्यों को कृष्ण भक्ति करने तथा भक्ति में उन्नति करने के लिए अनेक साधन बताए हैं जैसे हरे कृष्ण महामंत्र जप करना, मंगल आरती करना, तुलसी आरती, नरसिंह आरती, एकादशी उपवास आदि है।

हे गुरुदेव आप भगवान के शुद्ध भक्त तथा परम कृपालु हैं आपने कृपा कर मेरे जीवन में जो भौतिक पीड़ा थी उसे अपने ज्ञान द्वारा शीघ्र ही मेरा उधार कर दिया तथा अपनी शरण देकर मुझे भगवान से मेरे शाश्वत संबंध की पहचान करा कर मुझे कृष्ण भक्ति प्रदान की। मैं आपकी हमेशा ऋणी रहूंगी। श्रील प्रभुपाद जी अपने उपदेशों द्वारा सदा जीवित है।

हे गुरुदेव आप से मेरी प्रार्थना है कि आप ऐसे ही हमेशा अपना आशीर्वाद मुझ पर बनाए रखना तथा मेरे परिवार में मेरे पति रोहिताश मेरी पुत्री नेहा तथा पुत्र रूद्र को भी अपना आशीर्वाद प्रदान करें जिससे वह भी परम पुरुष भगवान श्री कृष्ण की भक्ति में आगे बढ़े तथा आपका और भगवान का आशीर्वाद हम सब पर हमेशा बना रहे।

पुनः श्रील प्रभुपाद जी के चरण कमलों में सादर प्रणाम हे गुरुदेव मुझ पर दया कीजिए तथा मुझे अपने चरणों में छाया दीजिए आपकी कृपा से मैं इस भवसागर को पार कर सकूँ तथा कृष्ण को प्राप्त कर सकूँ।

आपकी शिष्या, भक्तिन रेखा योगी.

प्रिय श्रीला प्रभुपाद,

मेरा प्रणाम स्वीकार करें

श्रीला प्रभुपाद इस जड़ जगत की वास्तविकता को समझना अत्यंत कठिन है, जो पल में हमें अपने भौतिक आकर्षण में फंसा लेती है। पर आपकी कृपा से मुझे भगवान कृष्ण की भक्ति प्राप्त करने का अवसर मिला, जिससे मुझे आध्यात्मिक आकर्षण मार्ग मिल गया जो मुझे संतुष्ट रखती है। गुरुदेव आप परम कृपालु, परम दयालु व सर्वज्ञ है आप ही भगवान श्री कृष्ण की भक्ति प्रदान करते हैं और जन्म-मृत्यु के चक्र से बाहर निकाल, अपने शिष्य को भगवान श्री कृष्ण की सेवा अधिकार देते हैं। गुरुदेव आप मेरी गुण अवगुण सब जानते हैं मेरी भूलों को क्षमा कर, मुझे प्रभु की नित्य दिव्याभक्तिमयम सेवा की आशीर्वाद प्रदान करें।

न हि कश्चित्क्षणमपि जातु तिष्ठत्यकमकृत् ।

कार्यते हावशः कर्म सर्वः प्रकृतिजैर्गुणैः ॥

तात्पर्यः यह देवधारी जीवन का सच नहीं है अपितु आत्मा का यह स्वभाव है, कि वह सदैव सक्रिय रहता है। आत्मा की अनुपस्थिति में भौतिक शरीर हिल भी नहीं सकता। यह शरीर मृत वाहन के समान है, जो आत्मा द्वारा चलित होता है क्योंकि आत्मा सदैव गतिशील रहता है और वह एक आन के लिए भी नहीं रुक सकता। अतः आत्मा को कृष्ण भावना अमृत के सत्कर्म में प्रविष्ट रखना चाहिए अन्यथा वह माया द्वारा शासित कार्यो में प्रवर्तित होता रहेगा। माया के संसर्ग में आकर आत्मा भौतिक गुण प्राप्त कर लेता है और आत्मा को ऐसे आकर्षणों से शुद्ध करने के लिए यह आवश्यक है कि शास्त्रों द्वारा आधीस्ट कर्मों में इसे इसे संलग्न रखा जाय। किंतु यदि आत्मा कृष्ण भावना अमृत के अपने स्वाभाविक कर्म में निरत रहता है, तो वह जो भी करता है उसके लिए कल्याणप्रद होता है।

गुरुदेव की आज्ञाकारी शिष्या,

भक्तिन रिकू देवी.

आदरणीय प्रभुपाद जी,

मैं प्रभुपाद जी को सादर प्रणाम करती हूँ, आपने श्री कृष्ण की लीलाओं का देश - विदेश में प्रचार किया। मुझ जैसे अज्ञान इंसानों के दिल में धर्म के प्रति ज्ञान का बोध कराया। आपने देश-विदेश में धर्म को जाग्रत रखा और हमें सही-

गलत, जन्ममृत्यु, का अन्तर बताया और जीवन में मुझे हमेशा अच्छे कार्य करना, कृष्ण का ध्यान करना, जप करना, समय का सदुपयोग करना, सिखाया जिससे मन शुद्ध हो और शांति मिले और जीवन - मरण के चक्र से मुक्ति मिले। मुझे बताया कि जीवन का क्या उद्देश्य है। हमारे मन में कृष्ण के प्रति जिज्ञासा उत्पन्न की। जब से हम उनकी संस्था से जुड़े हैं, हम किसी काम को करने से डर नहीं लगता है। मुझे समझाया कि कैसे भगवान की पूजा करनी है। कैसे भोग लगाना है। कैसे आरती करनी और कैसे भगवान के प्रसाद को ग्रहण करना है। मुझ जैसे तुच्छ इंसान को सही राह दिखाने के लिए मैं आपको कोटि - कोटि प्रणाम करती हूँ।

आपकी भक्त,

भक्तिन रुचि हाडा.

Dear Srila Prabhupada ,

I pay my regards to the lotus feet of my guru Srila Prabhupada. I remember I had heard about him a year back in 2017. My life was chaotic and stressful then. So one of my relatives told me about Guru Ji and his preachings. I was not interested initially but I really wanted somebody to take me out of the oceans of problems that I was drowning in. I began listening to you and your disciple's lectures on YouTube. My relative also gave me a few of his valuable books that changed my perception completely. This also developed my interest to know about God, Krishna. Today I do 3 rounds of Hare Krishna Japa. It really gives me internal peace and has made me mentally strong. I cannot let my single day go without Japa.

Today when I look back a year ago I was a different person with no spiritual knowledge completely unaware of Sanatana dharma, or even basic knowledge about the soul which is called a part and parcel of god in Bhagwad Gita. I am truly grateful for this enlightenment, for introducing me with this divine knowledge. I have a strong belief in Lord Krishna that he will continue to shower his blessings on me and will help me to make real progress in Krishna Consciousnesses. Once again I want to thank you from the core of my heart for this divine spiritual knowledge, that has changed my life completely and made my faith much stronger in Lord Krishna.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

Your servant,

Bhaktin Rupal Panwar.

Dear Srila Prabhupada,

Please accept my humble obeisances. I am delighted to express my feelings to your lotus feet. Association with your name and the following path is a source of success for us. Success in terms of getting peace, happiness, contentment, and discovering ourselves. Your teachings and blessings are the power of relieving of all mental pressures and it also teaches us the way of keeping our thoughts, words, and action in check. Srila Prabhupada, your teachings have shown me direction to lead this life wholeheartedly, opened my eyes, and removed the darkness of ignorance. Please keep me blessed always. I feel very close to myself now and need to recap but when I do it shows nothing but only darkness and shadows that I cannot recognize Please help me to come out of this darkness. You are an ocean of mercy for people who are in ignorance like me, thank you for providing shelter at your lotus feet. However, I have nothing to offer you but a promise to follow the directions and teachings by you and spread awareness for the same to this human community whosoever I get in touch with.

Wish to see everything on this earth with your guided thoughts and connect me with Lord Krishna forever. I pray for power, wisdom, and courage to convey this holy message and spread awareness worldwide to remove violence, and unwanted wrongdoers and practices. Earlier Lord Krishna was just the name of demigod for me but today it is not only a name but it is my strong desire, feeling, courage, connectivity, and craving to meet God. Krishna is the cure to all pains and shape of a new happy world for an individual. Chanting Krishna's holy name helps me to give me eternal happiness by taking me to a spiritual level by removing my fears and helps me in gaining more knowledge & courage to contribute more and more for this divine movement. Chanting is the only power of inspiration to move in your guided path. Thank you for making my life more meaningful. Please be in our lives and help everyone to move from darkness to light.

Your Loving Daughter,

श्रील प्रभुपाद के चरणों में कोटि कोटि प्रणाम,

आज जब मुझे प्रभुपाद के विषय में कुछ लिखने का सौभाग्य मिला है तो मैं यही कहना चाहूंगी की जैसे एक डूबते हुए मनुष्य को नौका का सहारा मिल जाये वैसे ही मुझे इस भाव सागर से तारने के लिए प्रभुपाद मिले हैं। मुझे प्रभुपाद की गीता और भागवत पढ़ते हुए और 16 माला फेरते हुए करीबन 11 साल हो गए। मेरे जीवन की प्रत्येक समस्या का हल और प्रत्येक प्रश्न का उत्तर मुझे गीता और भागवत में प्रभुपाद के लिखे तात्पर्य (purport) से मिला है। प्रभुपाद मेरा यँ ही पथ प्रदर्शन करते रहें। उनकी कृपा दृष्टि मुझे पर सदा बनी रहे जय प्रभुपाद

पूजनीय गुरुवर, श्री श्री ए.सी. भक्तिवेदानता स्वामी प्रभुपाद के चरणों में सादर दंडवत प्रणाम।

आपने हमें आध्यात्मिक प्रगति में आगे बढ़ाया इसके लिए मैं आपकी हृदय से कोटि – कोटि ऋणी हूँ व आपको नमन करती हूँ। गुरुवर आपने महत्वपूर्ण ग्रन्थ “ भागवत -पुराण “ की अनेक भाषाओं में व्याख्या की है, साथ ही आर्थिक व शारीरिक कठिनाइयों का सामना करते हुए देश-विदेशों में अन्तर्राष्ट्रीय श्रीकृष्णभावनामृत संघ कि स्थापना कर कृष्णभावना का प्रचार – प्रसार किया है। आपकी आध्यात्मिक रचनाएँ 50 से अधिक भाषाओं में अनुवादित है। गुरुवर, आपके द्वारा लिखित “श्रीमद्भागवद्गीता यथारूप” सम्पूर्ण विश्व में सर्वाधिक पठित संस्करण है आपके अनुयायी इससे लाभान्वित हो रहे हैं। आपकी रचनाएँ वैदिक दर्शन धर्म, साहित्य और संस्कृति के पुस्तकालय का निर्माण करती है और इस भौतिक संसार में पतित आत्माओं का उद्धार करने में महत्वपूर्ण भूमिका निभा रही है। गुरुवर, मैं भी आपकी पतित दासी हूँ व लगभग दो वर्षों से अपने परिवार के साथ श्री श्रीकृष्ण बलराम मंदिर, जयपुर से जुड़ने का सौभाग्य मिला है, हरे कृष्ण महामंत्र की महत्ता, हरी नाम संकीर्तन, तुलसी पूजा व समय समय पर यहाँ आयोजित होने वाले आध्यात्मिक कार्यक्रमों ने मुझे प्रभावित किया है। गुरुवर, एक बार मैं पुनः आपका कोटि कोटि आभार व्यक्त करती हूँ आपकी कृपा दृष्टि व आपके शिष्यों के माध्यम से मुझे व मेरे परिवार को कृष्ण भक्ति के पथ पर चलने के लिए मार्गदर्शन हेतु प्रेरणा मिली।

## Bhaktin Seema Bansal

आदरणीय श्रील प्रभुपाद जी,

आपके चरण कमलों में मेरा सादर नमन,

आप पूरी दुनिया के आध्यात्मिक गुरु हैं, आपने भगवान चैतन्य के संकीर्तन आंदोलन को जन जन तक पहुंचाया। अपने आध्यात्मिक गुरु के आदेश को पूरा करने के लिए आपने बहुत असुविधाएँ झेली और 70 साल की उम्र में आप भगवान चैतन्य के संदेश का प्रचार करने के लिए पश्चिमी देशों में गए। आपने लाखों लोगों के जीवन को बचाया और हमें सिखाया कि कैसे जीना है। हम कुत्तों और बिल्लियों की तरह जीवन जी रहे थे लेकिन आपने हमें केवल प्रभु के पवित्र नामों का जप करने का अनुरोध किया। मैंने किताबों में पढ़ा कि कैसे आपने हिप्पियों के व्यवहार को सहन किया, वे आपके चेहरे पर धूम्रपान करते थे, और आपकी चीजों को चुरा लेते थे, लेकिन आपने हमेशा उन पर दया की। जब भी आप शारीरिक रूप से बीमार होते तब भी आपने संकीर्तन आंदोलन को फैलाने में कोई समझौता नहीं किया और जब भी भक्त आपके पुस्तक वितरण स्कॉर के बारे में सूचित करते तो आपको अच्छा लगता था। पूरी रात आप अपने शरीर के स्वास्थ्य का ध्यान रखे बिना किताबें लिखते थे। आपके आध्यात्मिक गुरु ने आंदोलन को पश्चिमी देशों में संकीर्तन व पुस्तकों की छपाई के द्वारा फैलाने के लिए कहा। आपने इन निर्दोषों को अपना जीवन और आत्मा बना लिया था। और पूरी दुनिया को कृष्ण चेतना से भर दिया। आपके व्याख्यानों में आपने सभी से पुस्तकों का वितरण करने का अनुरोध किया। मैंने व्यक्तिगत रूप से देखा है कि इतने सारे लोग सिर्फ आपकी किताबें पढ़कर ही भक्त बन गए हैं।

ॐ अज्ञान तिमिरान्धस्य ज्ञानांजन शलाकया चक्षुर उन्मिलितम् येन तस्मै श्री गुरवे नमः॥

मैं घोर अज्ञान के अंधकार में पैदा हुई थी, और मेरे गुरु ने अपने ज्ञान के प्रकाश से मेरी आंखें खोल दी। मैं उन्हें सादर नमस्कार करती हूँ।

आपकी तुच्छ सेविका, भक्तिन सीमा बंसल.

आदरणीय श्रील प्रभुपाद जी,

आपके श्री चरणों में मेरा दंडवत प्रणाम, मैं आपके चरणों की दासी हूँ। अभी मैं पिछले तीन वर्षों से श्री श्री कृष्ण बलराम मंदिर से जुड़ी हूँ। मैंने 8 माला का आश्रय लिया है। मैं रोजाना श्रीमद्भागवतम सुनती हूँ। मेरा मन हमेशा करता है कि मैं मंदिर की सेवा करती रहूँ। लेकिन मुझे भगवद्गीता के श्लोक याद नहीं होते हैं। मुझे सब बड़ी-बड़ी आरतियाँ श्लोक याद करने का आशीर्वाद प्रदान करें। मुझे कीर्तन करना, सेवा करना बहुत अच्छा लगता है। मुझे आपकी लिखी हुई पुस्तक पढ़ना अच्छा लगता है। अब मेरा बस भक्ति में ही मन लगता है। श्रील प्रभुपाद जी मेरा इस भौतिक दल-दल से उद्धार करें। मुझे ऐसे ही भगवान् श्री कृष्ण प्रेम देते रहें।

Dear Srila Prabhupada,

Please accept my humble obeisance onto your lotus feet. A Guru is an unparalleled guiding light for humans who are born on this earth. We as humble devotees pay our respectful obeisances to you as we are truly fortunate and blessed to have your guidance on the path of devotion towards Lord Krishna. You are the beacon of light shining on our path, to dispel the darkness surrounding us. You have given us invaluable gems in the form of your teachings and books. Your mission of Krishna Consciousness has given us the true meaning of life. The temples you have built are the place of solace and peace for our soul. Your books and lectures are a source of constant guidance and inspiration in all our actions and activities. It is through your lectures, which have shown us the real goal of human life and helped me to begin to understand the reason for our birth.

Giving us the gift of Chanting Hare Krishna Mahamantra, you have given us a shield that protects us from all misdeeds and mishaps which befall humans. Understanding the Supreme Lord and visualizing him is impossible through our limited vision and understanding. It is only through your guidance we are able to realize the presence and essence of lord Krishna. As humans, we have many weaknesses and faults, but your guidance and support, offered by your teachings, give us the strength to identify and face them as we walk along the path to the Lord. You have been instrumental in making me identify and add Lord Krishna in all my actions. I have no words to express my eternal gratitude to you for introducing me to the meaning of Krishna. I pray to you to provide us with your guidance and support in identifying the essence of the Supreme Lord. Without your guidance, we would be lost and clueless and struggling to find our path. I pray at your lotus feet for the strength and fortitude to sustain me on the path leading us 'Back to Godhead'.

पूज्य गुरुदेव आपकी मुझपर बहुत ही ज्यादा कृपा हो रही है जिससे मैं भक्ति के मार्ग में निरंतर आगे बढ़ रही हूँ । मेरे भीतर के कल्मष भी धीरे धीरे कम हो रहे है।पूज्यनीय श्रीला प्रभुपाद आप मेरे जीवन मे न आये होते तो पता नही मेरा जीवन किस दिशा में जाता। लेकिन आपकी शरण तथा कृपा के बाद मेरे भक्ति मार्ग के अवरोध धीरे धीरे समाप्त हो रहे है। वैसे तो भगवान व गुरु की कृपा अपने शिष्य तथा दास पर सदैव बनी रहती है फिर भी मैं विनम्र निवेदन करती हूँ कि आप मेरा हाथ कभी भी न छोड़ें। जब भी भगवान, गुरु या पिता अपने बच्चों के हाथ पकड़ते है तो उनके भक्तिपथ तथा सत्यपथ से विचलित होने का कोई कारण नहीं रह जाता । आपकी हम पर विशेष कृपा इसी प्रकार बनी रहे इसके लिए मैं आपके निर्देशों का पालन करने का भरपूर प्रयास करूँगी।

आदरणीय श्रील प्रभुपाद जी,

मेरा विनम्र प्रणाम स्वीकार करें। गुरुवर आप स्वयं दया के सागर, कृपासिंधु, कृपाशील सर्वज्ञ ज्ञानी हैं । आप इतने उदार हैं की आपने अपना सबसे मूल्यवान खजाना कृष्णा भक्ति को हम जैसे जड़ प्राणियों को मुफ्त में ही बाँट दिया । बिना ये जाने कि हम जैसे निरबुद्धि इस कृष्णाकृपा के लायक हैं भी या नहीं । ऐसा विशाल हृदय केवल आप का ही हो सकता है। आपने मुझ जैसे अज्ञानियों के लिए अपना सारा ज्ञान भंडार जो आपने कई वर्षों की अथक मेहनत से प्राप्त किया था पुस्तकों, प्रवचनों में उड़ेल दिया ताकि हम जैसे छोटे प्राणी भी कृष्णा प्रेम का आस्वादन कर सकें और इस दुःखलाय से अपनी नैया पार लगा सकें । आपकी कृपा से हरिनाम रूपी सीढ़ी से हम जैसी पापी भी गोलोक धाम जा सकते हैं आप द्वारा रचित अमृत रूपी पुस्तकों जीवन मृत्यु से परे, कृष्ण की ओर, पुनरागमन, कर्मयोग, रसराज कृष्ण, भगवद्गीता यथारूप, आदि पुस्तकों के अध्ययन, प्रवचनों से पता चला की हमारे जीवन का परम लक्ष्य भगवान् कृष्ण की भक्ति है, भगवान् कृष्ण की भक्ति के माध्यम से ही हम जन्म-मृत्यु के चक्र को तोड़ सकते हैं और उनके निज धाम गोलोकधाम जा सकते हैं जो कि जीवात्मा का अंतिम लक्ष्य है। ऐसे दयाशील गुरु के चरण कमलों में कोटि कोटि नमन, धन्यवाद

Jai Gurudev Srila Prabhupada Pranams,

Please accept my humble obeisances unto your lotus feet

I want to share something that has changed my life after you and Shri Krishna's Mercy. Still learning every day to enhance my service towards you and Shri Krishna. I want to render devotional service more than you are expecting and I am putting everything that I am learning to make you and Lord Shri Krishna, Balramji, and Srimati Radharani happy.

I can see a lot of difference in me and my Krishna Conscious life full of worship, chanting, Kirtans, Prasadam, Bhagvat Gita, and your Bhagavatam Lectures especially involving Puranas and Vedas and spiritual contest that enhances the good faith. This only has happened because of you Gurudev and your directions that are so simple to understand in language. I want to enrich more in Bhakti to give as much as I can. Learning in sharnagati classes doing sevas to gain more knowledge in Bhakti. Involved in various temple other activities. Following Navdha Bhakti Daily and Krishna consciousness path.

*Om Ajnana-Timirandhasya Jnananjana-Salakaya;  
Chakshurunmilitam Yena Tasmai Sri Gurave Namah.*

I heard your lectures you told us the importance of Guru and that is *Pranipaden sevaya updeshyanyi tegyanam gyananstatvadarshinah...* Without Guru and your representatives giving day and night effort to enlighten others life by your sayings is like a spark in life. Removing the Darkness and dust from everyone's life that is *Pranipaden sevaya...*

You said, "Krsna said four things: man-mana bhava mad-bhakto mad-yaji mam namaskuru. 'Just always think of Me.' Krsna said. 'And just become My devotee. Just worship Me and offer obeisances.' Kindly do these things." So if you can induce one person to do these four things, you become guru. Is there any difficulty? (Conv. 2/8/76 Paris)

Without Guru's grace, we cannot achieve anything. One motto and goal of my life is to preach your teachings and sayings to everyone who don't know about the spiritual life and are involved in material life. This step I would like to take only for you Srila Prabhupada.

Thank you.

Your Dasi,

Bhaktin Urvashi Rathore.

श्रील प्रभुपाद आपको मेरा सादर प्रणाम,

श्री श्रीमद् ए.सी. भक्तिवेदांत स्वामी प्रभुपाद आज आपके १२४ वें आविर्भाव दिवस है। गुरु और शिष्य इसका उदाहरण है, आपके गुरु श्रील भक्तिसिद्धांत सरस्वती ठाकुर, जिनको आपकी कविता ने इतना प्रसन्न कर दिया कि वे सभी अतिथियों को यह कविता दिखाया करते थे। परम ब्रह्म है पर पुरुष, प्रमाणित हुआ आपसे निर्विशेष का संकट आपने भगा दिया। इस कविता से आपके गुरु श्रील भक्तिसिद्धांत सरस्वती ठाकुर ने यह संकेत माना की अभय अपने गुरु के मन की बात को भाली भांति जान चुके थे। श्रील प्रभुपाद हमारे गुरुदेव जो पूर्ण कृष्ण भावनामृत में जिए और उसी पूर्ण कृष्ण भावना में उन्होंने अपना देह त्याग किया। उन्होंने सिखाया की किस प्रकार प्रत्येक स्थिति में भगवान का गुणगान तथा स्मरण किया जाए।

जो भी व्यक्ति भगवत धाम लौटना चाहता है उसे सहनशील, एवम् क्षमाशील होना चाहिए। यह चैतन्य महाप्रभु की शिक्षा है – “अमानिना मानदेन..” अर्थात् व्यक्ति को स्वयं के लिए मान की अपेक्षा नहीं करनी चाहिए अपितु दूसरों को आदर देना चाहिए। यदि हम इस प्रकार अभ्यास करेंगे तो भगवतधाम योग्य बन जाएंगे। भगवद्गीता - २.१५ में भगवान स्वयं अर्जुन से कहते हैं –यं हि न व्यथयन्त्येते पुरुषं पुरुषर्षभ। समदुःखसुखं धीरं सोऽमृतत्वाय कल्पते। हम अभ्यास द्वारा प्रत्येक कार्य में सफलता प्राप्त कर सकते हैं, यदि कृष्ण भावना का अभ्यास करके भगवद्धाम लौट सकते हैं तो क्यों उसकी अवहेलना की जाए। मनुष्य की वास्तविक समस्याएं हैं – जन्म, मृत्यु, जरा, व्याधि – और यदि हम इन समस्याओं का हल सिर्फ आपके नियमों का पालन करने से कर सकते हैं तो क्यों ना करें? हरे कृष्ण हरे कृष्ण कृष्ण कृष्ण हरे हरे, हरे राम हरे राम राम राम हरे हरे

आपकी उपासक,  
भक्तिन वीना शर्मा.

## Bhaktin Vrinda

सेवा में, श्री गुरु देव श्रील प्रभुपाद जी के चरण में इस दासी का प्रणाम।

हे गुरु देव आपने जो अनमोल राशि हरी नाम के रूप में हमें दी उसके लिए आभारी है। हे वैष्णव ठाकुर! आप दया के सागर हैं, अतएव मैं याचना करती हूँ की आप इस दासी पर करुणा करें। मुझे अपने चरणकमलों की छाया देकर शुद्ध कीजिये क्योंकि यही वो जगह ही जहाँ शरणागति की मेरी इच्छा है। आप कृपापूर्वक मेरे 6 वेगों का दमन करने में मेरी सहायता करें तथा मेरे 6 दोषों को सुधार कर मुझे 6 गुण प्रदान करें। हे वैष्णव ठाकुर! मुझे 6 प्रकार का सत्संग दे जिसमें दो भक्त परस्पर आदान-प्रदान करते हैं। मैं आपके निकट आपका संग प्राप्त करने की आशा से लिख रही हू। मुझमें पवित्र नाम के संकीर्तन करने की शक्ति नहीं है। अतएव कृपया मुझे श्रद्धा का एक बिंदु प्रदान कीजिये, जिससे कि मैं भगवान श्री कृष्ण के नाम जाप में प्रवृत्त हो सकूँ। भगवान् श्री कृष्ण आपके हृदय के धन हैं, अतः आप कृष्ण भक्ति प्रदान करने में समर्थ हैं। मैं तो कंगाल (दीन-हीन) पतितात्मा हूँ। मैं तो कृष्ण-कृष्ण कह कर रोते-रोते आपके पीछे दौड़ रही हूँ। जब सौंप दिया सब भार तुम्हें, फिर मारो या तारो कहे हम क्या। अब आप ही विचार करो, इस दीन-दुखी को सहारा है क्या।। मंझधार में लाके डुबाओ हमें, चाहे पार लगाओ किनारे पे। हम आपके हैं आपके ही रहेंगे अब और किसी को निहारेंगे क्या

आपके चरणों की दासी,  
भक्तिन वृन्दा.

आपके चरणकमलों में मेरा सादर प्रणाम। इस व्यास पूजा के अवसर पर मैं आपके चरणों में अपनी भावनाएं प्रकट करना चाहती हूँ। आपसे जुड़ने के बाद हमारे घर भगवान जी आए। आपके आशीर्वाद से मैंने भोग लगाना, भगवान के भजन गाना सीखें। आपकी कृपा से मैं थोड़ी सी कृष्ण भक्ति से जुड़ रही हूँ। आपकी वजह से मैं हर चीज पर भगवान् कृष्ण जी पर भरोसा रखती। मुझे आपकी और भगवान् कृष्ण जी की भक्ति में रत रहना है। आपकी कृपा से हम मुकुन्द कृष्ण की सेवा पूजा करने लगे। धीरे-धीरे मैं भगवान् कृष्ण को अपना भाई मानने लगी। हमने उनका जन्मदिन मनाया। हमने उनका अभिषेक किया और अनेक प्रकार के भोग लगाए। आपने विदेशों में जाकर पापी लोगों के लिए सही रास्ता खोजा और हमारे मन में भगवान् कृष्ण जी के प्रति प्रेम पैदा किया। इस तरह आपने हमें गलत मार्ग पर जाने से बचाया। आपके आशीर्वाद से मैं बहुत कुछ सीखने लगी हूँ। इस व्यास पूजा के अवसर पर मैं आपसे वादा करती हूँ कि मैं रोज एक माला जप करूंगी। आपका आशीर्वाद मुझ पर सदा बनाए रखना। जय श्रील प्रभुपाद

परम पूजनीय गुरुदेव श्रील प्रभुपाद,

आपके श्री चरणों में इस दास का विनम्र प्रणाम स्वीकार कीजिये।

भक्तिवेदांत स्वामी प्रभुपाद एक अजीब नाम जो जीव के मूल कर्म और ज्ञान की परिभाषा की और संकेत है। मेरी बोनी सोच और समझ का पूर्ण विस्तार भी इस नाम की पहचान को बता नहीं सकता। हां लेकिन असंभव और कठिन नहीं रह जाता समझना अगर प्रभुपाद की आत्मिक वाणी की संगति मिल जाए। भक्तों से वार्तालाप के दौरान पूछा गया आपका एक प्रश्न मुझे हमेशा आपके बारे में समझने और समझाने का मौका देता रहा है। और वास्तव में वह प्रश्न और उसका उत्तर हर एक जीव के लिए महत्वपूर्ण है। यह मायावादी लोग कृष्ण को क्यों नहीं समझ सकते? उत्तर सहज नहीं लेकिन सरल जरूर था लेकिन बेहद महत्वपूर्ण भी। जवाब सब शास्त्रीक आय जा रहे थे। लेकिन उत्तर आत्मिक मिला और आप की सहमति ने एक बात तो समझा दी। भाषा शास्त्रीय कितनी भी हो रवैया आत्मिक और पवित्र होना जरूरी है। जिसके पूर्ण उदाहरण आप हो। अतीत में इस ज्ञान को समझाने वाले पढ़ाकू कह लो या फिर पंडित और विद्वान सबने पुरजोर प्रयास किए लेकिन असफलता उनके लिए आसान थी। दूसरी तरफ आपका शास्त्रों के बखान का पवित्र और आत्मिक रवैया अद्भुत था। जिसने सबको आकर्षित ही नहीं परिवर्तित भी किया। और उसका भी कारण इस प्रश्न का उत्तर था। और यह आत्मिक ढंग आपके हर एक व्याख्यान में हैं। कृष्ण भक्ति के प्रचार की लालसा और यह पवित्र और आत्मिक ढंग हर व्याख्यान को बार बार हर बार सुनने को और नए तरीके से समझने को उत्सुक करता है।

प्रश्न के उत्तर पर आप की सहमति ने जो मुझे समझाया वह मेरी जरूरत थी और शायद उस हर भक्त की जो कृष्ण भक्ति में आगे बढ़ना चाहता है। एक भक्त बोल पड़े प्रभुपाद मायावादी इसलिए कृष्ण को नहीं समझ सकते क्योंकि उनके पास भक्ति वेदांत नहीं है। और इस उत्तर के साथ आप की सहमति हमारे लिए एक विशेष निर्देश है। इतने बड़े प्रश्न का उत्तर दो टूक शब्दों में सिमट सकता है। यह संभव हुआ क्योंकि उनके पास भक्ति वेदांत थे। थे से यह भरम ना रहे कि वह अब नहीं है। वास्तव में यह दो शब्द एक प्रश्न का नहीं जिंदगी के हर एक प्रश्न का उत्तर है। लेकिन समाज के कुछ एक भूतिया वर्ग के कृत्तिम बुद्धिजीवी लोग कहते हैं मेहनत और संघर्ष से पानी की लहरों पर भी कब्जा आसानी से किया जा सकता है। परिणाम स्वरूप उन्हें पानी की लहरों पर कब्जा करने की बजाय आत्महत्या करना ज्यादा आसान लगता है। और इस प्रकार कलयुग के कौरवों द्वारा रचित नई दुनिया के युवा अभिमन्यु का एकलौता दुर्भाग्यपूर्ण सपना भी पूरा हो जाता है। इन अधूरे जीवनों की शंकाओं का समाधान है भक्ति वेदांत की उपस्थिति। और जिसने इस उत्तर को समझा उसके लिए जिंदगी संघर्ष की नहीं हर्ष की बात है। वास्तव में कृष्ण को समझना ही जीवन को समझना है। लेकिन जिन्होंने परवरिश में कमी को महसूस नहीं किया उन्होंने माना कि यह पौराणिक है। शायद भविष्य में उनके पास भी भक्ति वेदांत प्रभुपाद का जाना होगा। और उनके लिए भी फिर अंधेरे से बाहर आना बहुत आसान होगा। कृष्ण भक्ति में हमेशा संघर्षरत भक्तिवेदांत प्रभुपाद की कृपा का अभिलाषी।

आपका कृपाकांक्षी आपका तुच्छ दास

Dear Srila Prabhupad,

Please accept my humble obeisances, All glories to you on this auspicious day of your appearance. Srila Prabhupada, you are the only person who can rescue us from this dark well of material world. After billion and billions of births I have come to know about Krishna and my real constitutional position because of your causeless mercy. You always say that Krishna consciousness is very very rare opportunity, one gets it after many many births.

"bahunaam Janamnaam ante  
Jnanvaan maam prapadayante "

From last one year I have come to know more about importance of Guru, Sadhu and Sastra especially Sadhu. At each and every stage Sadhu plays a very crucial role in our advancement. Sadhu attracts us towards Guru and Sastra by explaining

the guru teachings more elaborately. He helps us to know about our relationship with guru and Krsna, power of holy name, Krishna consciousness pleasure and happiness as our real treasure house. Sadhu nourishes the seed of bhakti in our heart and also provides the suitable minerals timely to speed up our seed growth. This is a great opportunity to come in direct touch with Lord and this is only possible because of Guru and Sadhu help. Only very few are blessed to be part of this and I am one among them who is blessed by your causeless mercy . Because of your mercy, the omnipotent lord is coming on my tongue.

Prabhupada help me so that I don't miss out this golden opportunity to come out from this hell. I want to go Back to Godhead in this life only because I don't know when will I get the next opportunity.

I pay my humble obeisance to the lotus feet of greatly empowered, infinitely compassionate and my eternal well wisher A.C. Bhaktivedanta Swami Srila Prabhupada.

Your insignificant servant, Bhakta Abhishek.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Today, on this auspicious day of Vyasa Puja I am very glad to write this letter again and this is because of your causeless mercy on me so that I'm in touch with the nectarine Krishna consciousness .

Gurudev, what to speak of your grace on this fallen soul. In the last meeting in Jaipur you delivered me from so many sinful activities and brought about a positive attitude in myself. Now, this time when I was there you help me to relish Krishna consciousness in more better way.

Please Prabhupada, I only want that you keep me in your shelter and bless me that I never forget you and your instructions.

Please remove all impediments (whether they are adi-bhautik ,adi- daivik , adi- adhiyatmik)on the path of my spritual progress and also bless my associates, family members, friends by Krishna consciousness.

Your Servant, Ajaylakshya Chaturvedi.

Dear Srila Prabhupada,

*om ajñāna-timirāndhasya jñānāñjana-śalākayā cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda, who is very dear to Lord Kṛṣṇa on this earth, having taken shelter at His lotus feet.

You have given me **Hari Nama** and you have also given me the strength for chanting the Hare Krishna mantra daily. This chanting process has given me relaxation from my endless materialistic desire. Thus I can say that Your mercy is endless.

But sometimes I feel guilty because I think that I do not have the proper strength to follow the four regulative principal.

So please give me the strength to follow the regulative principle. I have so many materialistic diseases. oh, master! give me spiritual strength so that I can surpass all kinds of material desires.

On this auspicious day, I beg You to bless me to develop purity, compassion and determination to follow Your instructions. Oh, master kindly accept my gratitude for having saved me from material life.

Oh, master please bless me. I serve to wish to serve your great mission throughout my lifetime.

Your servant, Bhakta Bhairu Kumawat.

Dear Srila Prabhupada,

I offer my most humble and respectful obeisance at your Divine Grace's lotus feet on this most blessed event of your appearance day.

Vyasa Puja is an offering to our guru. In Vyasa puja a student writes there feeling about their guru.

Srila Prabhupada, you said in a lecture that without guru we cannot advance in our spiritual life & Krishna Bhakti. And you also said that whatever our guru has ordered must be accepted without any interpretation. Without the help of a guru, we can't achieve Krishna consciousness.

*guru-mukha-padma-vākya, cittete koriyā aikya, ār nā koriho mane āśā*

*śrī-guru-carāṇe rati, ei se uttama-gati, je prasāde pūre sarva āśā*

*“Make the teachings emanating from the lotus mouth of our spiritual master one with your heart, and do not desire anything else. Attachment to his lotus feet is the best way to make spiritual advancement. His mercy fulfils all desires for spiritual perfection.”*

Dear Srila Prabhupada, you are an ocean of knowledge & I want to take a dip in this ocean so that I can get some knowledge from them.

Dear Srila Prabhupada, you said in a lecture that every person is born twice, one from his/her parents & while in other, his mother is the spiritual knowledge & father is the spiritual master.

Please give me the proper intelligence to act according to your direction.

Your servant,

Bhakta Devesh Chittora.

My dear Srila Prabhupada,

Please accept my most humble obeisances at your divine lotus feet on this most auspicious day of your appearance in this material world to deliver the fallen souls like me.

First of all, I would like to thank that you gave me the chance to serve in your transcendental movement.

I shall try to describe a few sentences of your glorification out of your limitless glories.....

Lord Krishna himself describes your divine grace:-

*"One should know the acharya as myself & never disrespect him in any way, one should not envy him, thinking him an ordinary man, for he is the representative of all the demigods."*

Despite your so elevated position because your compassion towards fallen souls, your divine grace revealed the most confidential import of Vedas which is very difficult to understand to a common man in such an easy language.

Dear Srila Prabhupada, one thing I have learned well from you which is determination. Your determination in Krishna consciousness is stronger than Graphene.

Prabhupada I'm so fallen, so many anarthas are present in me, so be merciful unto me & give me the shade of your lotus feet that I can come out from this anarthas: Fault finding, Judging mentality, Vaishnava aparadha, not hearing (hare, Krishna, Rama) while chanting are also challenging me in advancing in spiritual life. Prabhupada I want to increase one step towards quantity to quality in chanting.

My spiritual progress completely depends upon your mercy as I'm unqualified to do anything on my own. And often I don't carry out your orders correctly but I hold your lotus feet very tightly so please forgive me for my misdeeds.

Sometimes I fall in Maya so please protect me so that I don't forget you & Krishna.

I fully surrender to you, now my life is in your hands if you want then save me from this blazing fire of the material world.

In the last few words, I beg forgiveness of all the offences that I have committed at your lotus feet knowingly & unknowingly.

Your most insignificant beggar & most fallen servant,

Bhakta Kamal Sharma.

## **Bhakta Laxman**

Dear Srila Prabhupada,

Please accept my obeisance to your lotus feet! Your Hare Krishna Movement is like an oasis in the desert. Because everyone is frustrated in this Kali-yuga and has no purpose in life. Everyone including me, before coming in touch with your movement, was in ignorance & didn't know about the real purpose of our life. The age of Kali is full of darkness and ignorance. People waste their valuable life in sense gratification and earning name and fame. But as described in scriptures, we get this human life after 8400000 years or lives. So we can see what are we doing in this valuable life. But anyone who comes in touch with this movement immediately realizes his real purpose of life & this is only possible by the teachings of Sri Chaitanya Mahaprabhu & His pure devotees. We know your countless efforts & hard work for spreading "Hare Maha-Mantra" all over the world. Your books and teachings also taught us what is real guru, his position, what is the meaning of religion & relation between God & soul & also a meaning of life.

We will never be able to repay your hard work for human society. I'm very grateful that I'm touched with this movement and thanks to you. Because I'm a very degraded soul which never deserves this mercy but you're a very merciful and kind heart. You also taught that the physical presence of the guru is not required. Because a pure devotee of Lord is always present in this universe for spreading god consciousness for anantkal or sasvat. Please accept my humble obeisances! All glories to Srila Prabhupada!

Your Servant,  
Bhakta Laxman.

## **Bhakta Praveen**

Dear Srila Prabhupada,

Please accept my humble obeisance.

You are the only one who gives this transcendental knowledge to this whole world in the age of kali. You are the only one who is giving the shelter of most fallen souls throughout the whole world. You are the only one who gives the opportunity to go to Goloka Dham in this horrible modern civilization. You are making your disciples most pure souls, who want the ultimate benefit of this whole world. Whatever you have done in your last twelve years, it is looking like a miracle. A human being is not able to do this, it is very wonderful, you are a divine person. Your hard work for Krishna is always creating great value for Krishna consciousness in my heart. From the last two years, I realized you are very merciful upon me because I know that I am very much offending you and also breaking rules, even after that you are giving me a place in this temple. You are the only one who after going from this world giving the Krishna Consciousness and taking people to the Goloka Dham. You are so merciful. My fear that what is happening with me in this world after taking your shelter gone away. Now I realize that you are giving me the greatest benediction in this world.

I am not so able to preach to the peoples, please make me able to preach the Krishna Consciousness to others.

I am not so able to do service of the devotees, please make me able to serve the devotees.

I am not so able to realize Krishna in the temple and serve him please give me eyes to see Krishna and serve him.

Please give me ability so that I can increase love for Krishna and I can serve him.

I want that you always give me your shelter.

I realize that this material world is very horrible, please guide me for true detachment from it. Now I have no more wish to remain here.

Dear Gurudeva! please make me your disciple. please give me the opportunity to serve you. please remove my anarthas .please give me Krishna's service. Please give me the service of the devotees. Please give this transcendental knowledge to me. Please give the association of devotees always. Please give me Mathura vasa .please give me Nama Prabhu Seva.

Your servant,

Bhakta Praveen.

Dear Srila Prabhupada ,

Please accept my humble obeisances in your lotus feet.

Please accept my offering as I want to share some of my experiences about how I came in touch with your movement almost 3 years ago. I was very impressed by the knowledge given by devotees with the understanding of God.

After some days I joined FOLK hostel then I came to know more about your struggle in Krishna consciousness which was for us so that we could be benefited by the science of God. I heartfully thank you for your endeavour because of that now I got very much behavioural changes in my life like patience, satisfaction, regulated and hygienic life and I am able to see the people and world in a different way and this year because of lockdown and Corona I am able to experience the things that were told to us in your lectures. Because of your guidance in practicing chanting and other activities now I can see myself different and positive than the others so once again thank you Srila Prabhupada for being there in my life and I can't explain your efforts for us in words.

हरे कृष्ण प्रभुपाद जी,

मेरा दंडवत् प्रणाम स्वीकार कीजिए। मेरा तो आपसे केवल और केवल यही निवेदन है की आपने जिस स्तर का कृष्ण प्रेम प्राप्त किया है, हम पर भी कृपा कीजिए ताकि हम भी कम से कम उस स्तर के इर्द-गिर्द तो पहुंचने के काबिल हो सके। माया द्वारा हमें भटकाने के लिए जो भी छोटे से छोटा और बड़े से बड़ा षडयंत्र तैयार किया जाता है, उसे आपके द्वारा प्रदान ज्ञान की सहायता से विफल कर सके, ऐसी काबिलियत हमें प्रदान कीजिए। आपकी बातों को स्वीकार करके अपने जीवन में उतार सकें, ऐसी बुद्धि प्रदान कीजिए। "हरे-कृष्ण महामंत्र" का जो स्वाद आपने चखा है, हम पर भी कृपा कीजिए, ताकि हमें भी जो मंत्र उबाऊ और स्वादहीन लगता है, वो मंत्र हमें हमारी श्वास से भी अधिक अनिवार्य लगे। और साथ ही कृष्णभावनामृत में रहकर असंभव से असंभव कार्य को कैसे सकुशल किया जाए उस ज्ञान को समझने में भी हमारी सहायता करें। और अंत में यही प्रार्थना है की माया से सदा रक्षा करें। हरे कृष्ण।

आपका दास

My Dear Beloved Spiritual Master,

Please accept my humble obeisance at your lotus feet on this auspicious day of your divine appearance.

Today we all are celebrating 124<sup>th</sup> year of your divine appearance on this world for deliverance of the conditioned souls and disturbing “*Krishna Prema*” freely by your mercy.

Prabhupada, I want to express some of the points which I have experienced in last year.

1. Srila Prabhupada, you have delivered the philosophy throughout your lectures and books in such a way that it is like the “roaring of a lion” that just flee away ignorance.

Your books are like a bomb, whoever comes in touch with it is sure to become a devotee one day because of your association changes the heart of everyone.

2. You have firm faith and conviction on Krishna like an unshakable mountain and you always demand to surrender unto the lotus feet of Krishna makes me more loving to you and also makes me convinced that you have seen “Krishna” personally.

3. Standing before you makes me feel like, Commander-in-Chief, here to give me all necessary protection in every respect as said by Lord Chaitanya, that my **commander in chief will come and deliver everyone**.

4. I have experienced and heard from the devotee that our organization is a MERCY of yours and all the things that are going on is also because of your CAUSELESS MERCY to all of us and the entire world.

Prabhupada its make me feels amazing when I hear and experience that by your grace, Lord Himself is personally present in the life of every devotee and personally reciprocates and takes charge of them

5. We are practicing, but your glance of causeless mercy is actually making it successful because of your mercy only are things getting unfold to me as “*divya jnan hride prokashito*”

My dear spiritual master, you are the ocean of mercy, my only wish and desire (a quote from Guru Vandana :-“*guru-mukha-padma-vakya, chittete koriya aikya*” which means “*Make the teachings emanating from the lotus mouth of our spiritual master one with your heart, and do not desire anything else*”) is to surrender unto your lotus feet.

Make me an instrument in the hands of my authority.

Aspiring to be your humble servant

Bhakta Vishwajeet.

Dear Srila Prabhupada,

ALL GLORIES TO SRILA PRABHUPADA.

krṣṇa se tomāra, krṣṇa dite pāro, tomāra śakati āche āmi to' kāṅgāla, '

krṣṇa ' 'krṣṇa ' boli', dhāi tava pāche pāche

My eternal Spiritual Master! Srila Prabhupada! By your causeless mercy, again I got an opportunity to glorify your Divine Grace which even if imperfectly executed is a perfection of life. Srila Prabhupada, your character is as spotless as Granthraj Srimad Bhagavatam; your Vani is as purifying as Hare Krishna Nama Prabhu; your transcendental pastimes are as relishable as Krishna Prasadam, and your compassion is as unlimited as my ignorance. Lord Narsimhadev came, and saved Prahlad Maharaj and delivered Hiranyakashipu; but for me Srila Prabhupada, it is you. Lord Ram Chandra came, saved Mother Sita, killed Ravana and delivered even monkeys; but for me Srila Prabhupada, it is you.

Lord Krishna came, picked Arjun and delivered Gita; but for me Srila Prabhupada, it is you. Mahaprabhu came, established Yug Dharma, delivered even Jagai Madhai; but for me Srila Prabhupada, it is you. So many days, months, years, and lives of Bramha have passed and Krishna came so many times in his various incarnations, but still, I am here in the material world, loitering. But Bhaktivedanta Swami, it is you only who have picked me from the bottom of a trash can. Prabhupada, this year I have tried to read more of your books and preach more. But still I find my mind as dirty as before or in fact more. This is certainly because of my offences. O, master! Please be merciful unto this dog of yours and tame it.

For the upcoming year, I have a list of prayers from your Divine Grace. Kindly grant me a devotee association so that I can preach with vigour and inculcate in my behaviour what I preach. Kindly give me at least some taste in Holy Name. Kindly grant me abundant Prasadam. Kindly grant me repeated Dham trips. Kindly give me opportunities to sit and hear about your pastimes live from your Senior Disciples. Kindly grant me frequent opportunities to dance like a madman in Sankirtans and sing till my throat chokes. May I get initiated from you this year. May your instructions dance in the courtyard of my heart so that I can dance on the changing plans of Krishna. *āṇiyācho jadi prabhu āmāre nācāte nācāo nācāo prabhu nācāo se-mate kāṣṭhera puttali jathā nācāo se-mate.*

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

First of all, I pay my humble and heartfelt homage to my spiritual master Srila Prabhupada. He had started such a worldwide movement that anyone desired to go back to godhead can easily go & enjoy with Krishna if he is serious of Prabhupada's instructions. Prabhupada's movement is completely absolute & scientific & not blindly accepting faith.

When I joined college, I wasn't interested in such a spiritual life. But once some of the devotees came to my college to preach about Prabhupada's movement & asked us to chant Hare Krishna mantra. I started chanting 1 round daily. But within 7 months I was able to chant 16 rounds daily & continued till now by the mercy of Prabhupada and Lord Krishna. This was made possible as I was made to live with some of the devotees & by the constant association of them, I started chanting 16 rounds, reading Prabhupada's book, listening Bhagavatam, eating only prasadam, performing some services. Thus, my life was changed as my daily schedule improved & then I could study well the whole day. While reading Prabhupada's book it seems that Prabhupada is speaking and I am listening. There are many instances that made me really satisfied and happy with your words. While living in association with devotees I was made to understand the goal of life again & again & by the beautiful words of Prabhupada I was fully convinced about purpose of life. Thus, my life got a firm spiritual goal to achieve.

Prabhupada's explanation & examples are so perfect that no one can prove it wrong but instead, he would get a broader view of the idea. Thus, by following Prabhupada's instruction about devotion service I tried my small hands. As it seemed more happiness to me I started serving a lot in the temple. Nowadays I feel that any work other than devotional service is just working hard without much benefit. Thus, Prabhupada you are really a glorious spiritual master. For you, thousands of such homage is also very less.

Your eternal servant,

Bhakta Abhishek Kumar.

Dear Srila Prabhupada,

Please accept my humble and heartfelt obeisances unto your lotus feet, which are the only refuge to a conditioned soul like me.

*Guru-mukha-padma-vākya, cittete koriya aikya,  
ār nā koriho mane āśā, śrī-guru-caraṇe rati,  
ei se uttama-gati, je prasāde pūre sarva āśā*

The current pandemic situation made me realize even more the precarious and temporary nature of this existence and this realization was not possible without your mercy, personified in the form of your instructions and teachings. I completed the 'Science of Self Realisation' book during this period and got deeper insights into the domain of spirituality like the aim of life, the perfection of our actions, the real benefit of human society at large, etc.

Despite having all the disqualifications, in all these years, I've developed a sense of increased attachment to your lotus feet along with this firm conviction that you are our only hope. I too have improved upon my chanting and trying to be steadfast in doing my daily rounds. Though I am undeserving and unqualified in following your instructions, still I beg to have your constant shelter in this blazing fire of material existence, and someday taste the nectar of chanting and develop an attraction for Krishna.

Your aspiring servant,  
Bhakta Abhishek Ranjan.

*"Samsara-davanala-lidha-loka, tranaya karunya-ghanaghanatvam

We live in a world which is rushing 24/7 for the upliftment of Material Life. A world that is running round the clock only to establish the so-called Settled Happy life! But in actuality, does this seem to really go that way?

Be it Corona Virus, or any other Global Disaster, nature has proved that Living entities can never become Happy by hankering for Sense gratification. All of us someday definitely get an idea that why is it happening? What's it all about?

For answering such questions, Krishna himself came 5000 years back. Now 50 years back, he sent his representative who preached the love of God all around the world, giving the living entities a Ray of Hope to get out of this Mad world.

Such a great soul is The Bonafide Spiritual Master Swami Srila Prabhupada. No Combination of 26 Alphabets can describe how our Lives Have changed only because of your mercy Srila Prabhupada. May you always Keep your mercy over us.

आदरणीय प्रभुपाद जी , हे गुरुवर आपके चरण कमलों में मेरा सादर प्रणाम स्वीकार करें।

मैं इस पत्र को लिखने से पहले ही आपसे क्षमा मांग रहा हूँ क्योंकि मुझ जैसे तुच्छ जीव में वह योग्यता नहीं है कि मैं भगवान के शुद्ध भक्त और उनके नृत्य पार्षद के लिए कुछ बोल सकूँ। आपके काय बडे दिव्य और इस भौतिक संसार से परे हैं। हम जैसे बद्ध जीवों में ऐसी कोई योग्यता नहीं है की हम आपके कार्यकलापों का बखान कर सके पर फिर भी मुझे यह सौभाग्य प्राप्त हुआ है कि हम आज आपकी हमारे जीवन में जो आपकी दिव्य कृपा हुई है उसके बारे में कुछ लिख सकें।

हे गुरुवर मैं अपनी बात लिख रहा हूँ और आशा करता हूँ कि मेरे द्वारा लिखी गई बात से आपको कोई भी बात आहत दे तो मुझे क्षमा करें। हे गुरुवर आपने हमारे नीरस जीवन को एक महान उद्देश्य प्रदान किया है। अगर जीवन हो पर उसका उद्देश्य ज्ञात ना हो तो उस जीवन का कोई महत्व नहीं है। आपने हम पर कृपा करके आपके दिये गए ज्ञान से हमें इस भौतिक भ्रम जाल से निकाला और हमें परम सत्य (भगवान कृष्ण) ने यह बताया है जिस से हमारे जीवन में जो हमेशा से उलझने थी कि भगवान कौन हैं, हम कौन हैं, हम यहां क्यों आए हैं यह सब ज्ञान आप की दया से हमें प्राप्त हुआ है। आपने जो हमें अपने चरण कमलों की छत्रछाया में लेकर हम जीवों पर जो दया की है उसे शब्दों में लिख पाना संभव नहीं। आपने हमें कृष्ण प्रेम और हरिनाम का जो उपहार दिया है वह अमूल्य है। आपने उस अमूल्य प्रेम को और ज्ञान को हम जैसे तुच्छ जीवों में बांटकर हमारे जीवन को कनर उद्देश्य खत्म होने से बचाया है। आप ने केवल मुझ पर ही नहीं बल्कि पाश्चात्य देशों में भी करुणावश उस प्रेम को प्रदान किया है। गुरु की सबसे बड़ी कार्य यही है कि वह प्रत्येक जीव के उद्धार के

लए प्रयासरत रहते हैं। आपकी लिखी हुई अमूल्य किताबों ने हमारे कई जन्मों की जमी हुई अज्ञान रूपी धूल को हटाकर हमें ज्ञान रूपी पानी से स्वच्छ कर दिया है। मैं बस आपसे यही प्रार्थना करता हूँ कि हमें सदा आपके चरण कमलों की छत्रछाया में रहने दे क्योंकि एक मात्र आप ही हैं जो बिना किसी स्वार्थभाव के सभी जीवों से प्रेम करनेवाले हैं। आज गुरु पूर्णिमा के शुभ अवसर पर मैं आपको हृदय से दंडवत् प्रणाम करता हूँ और यही प्रार्थना करता हूँ की मेरा मन भगवान के नाम पर लीन हो जाए और मेरे कार्यों में भगवान श्री कृष्ण के लिए कर पाऊँ ऐसा आशीर्वाद हमें प्रदान करें। मैं सदा सर्वदा आपके शुद्ध भक्तों की दास भाव से सेवा करता रहूँ। आपकी कृपा हमारे परिवार और समस्त जीवों पर इसी तरह बनी रहे। हमारे दोषों को और हमारी गलत आदतों को हम दूर कर सकें ऐसी हमें शक्ति और बुद्धि दे। हम भगवान के नामों का, गुणों का और लीलाओंका श्रवण, कीर्तन और पठन कर सकें ऐसा आशीर्वाद दें। आपके चरण कमलों में कोटि कोटि प्रणाम।

आपके शिष्योंका तुच्छ सेवक,

भक्त आयुष शर्मा

*Our respectful obeisances are unto you, O spiritual master, servant of Srila Sarasvati Gosvami. You are kindly preaching the message of Lord Chaitanya deva and delivering the western countries, which are filled with impersonalism and voidism. Please accept my humble obeisance at your lotus feet Srila Prabhupada.*

*“I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.”*

In Srimad Bhagvatam this material world is described like as an ocean, and we all jivas are drowning in that ocean, but to cross that ocean we have to simply hold Lord Krishan's lotus feet. No other means is possible than this. Because Maya shakti of God is very duratyaya. Out of compassion, Sri Krishna himself comes in this world in form of Guru. Guru may seem like

us in human form but he is purely representative of Krishna himself. So without Guru's mercy, we cannot cross this ocean. In Bhagvat Gita 4.40 Krishna says :- “*Samśayātmā vinaśyati* “. “Faithless persons who doubt the revealed scriptures do not attain God-consciousness, they fall down.” We all have so much doubts and a guru is the one who clears our doubts with Shastra praman, and I personally experienced, in the Srimad Bhagvat Gita as it is, the purports are full of shastra praman. Krishna is merciful, Gauranga is more merciful, but Srila Prabhupad is the most merciful because he gave the Hari Naam to fallen jivas like us. Prabhupada left Vrindavan twice to spread the mission of Naam Sankirtan, once he left that Golok Vrindavan to come to this Vrindavan, then left this Vrindavan to establish the Naam Sankirtan Dharma, then back to this Vrindavan and went back to Golok Vrindavan. There are so many leelas of Prabhupada that attract me, one of them is when Srila Prabhupada was on the Jalduta ship, he had no money, no planning what would he do there and where he'd live there, and the most precarious thing was during the journey he had two heart attacks, then Srila Prabhupada wrote a prayer, I here quote a verse from it,

*āniyācho jadi prabhu āmāre nācāte , nācāo prabhu nācāo se-mate , kāṣṭhera puttali jathā nācāo se-mate*

“O Lord, I am just like a puppet in Your hands. So, if You have brought me here to dance, then make me dance, make me dance, O Lord, make me dance as You like.” This type of surrender and his Guru nishtha we cannot see in other so-called Gurus out there. We all are fallen in Dark well of this material world, snacks of lust are biting us bitterly, Krishna dropped a rope of Guru in the well and all we have to do is hold that rope so tightly with faith, then only we can come out of this miserable world.

Again, I fell down at your lotus feet Srila Prabhupad, please accept my humble obeisance.

Your aspiring servant,

Bhakta Chandra Shekhar Sharma.

Dear Srila Prabhupada,

Please accept my humble obeisances, all glories to you on this auspicious day.

This year is tough, lots of confusion, and tough time, sometimes I felt that I lost my devotional activities, but with the help of your books, I am maintaining my chanting and a little bit of devotional service. It is really hard to practice Krishna consciousness at home, but till now everything is good, with Krishna consciousness I am preparing for banking exam. Prabhupada, your books always guides me on how to remain humble and meek and always try to spread the glories of the lord. I am always motivated to restrict my sense and to follow four regulative principles and 16 rounds chanting. Prabhupada, please bless me, so that I can remain in Krishna consciousness for my whole life.

I am so grateful that you are always guiding me every time when I need it most, through your quotes, your vanipedia clips, your beloved disciples, some way or the other you are there. I am so unfortunate soul that I am engrossed in material activities even after receiving your so many instructions about spiritual life, but still, you are continuously bestowing your

causeless mercy upon me. During this pandemic time when everyone was so scared including me when I got ill, your lecture "No more fear" sb 3.25.43 rejuvenated me with the proper spiritual understanding about my identity as a soul. Not only that this pandemic time was a lesson for me to go deeper into the spiritual realization aspect & gave me new realizations, and yes this time with your Hindi lectures also. I heard you again and again, and every time my conviction on the concept of "Complete dependence on Krishna" has increased because of your transcendental Vani. Many times we think that Prabhupada is repeating or having almost the same things in his lectures, but now I understand that actually those basic things matter a lot if we are able to realize ourselves, not only by just knowing but by realization. Thank you Prabhupada for everything & please keep me under your shelter.

Dear My Spiritual Master,

I offer my respectful obeisances unto the lotus feet of my spiritual master His Divine Grace A.C. Bhaktivedanta Swami Prabhupada.

He delivered the most sublime knowledge of Krishna Consciousness all over the world and by taking shelter of his lotus feet, anyone can cross over this nescience of material existence which is full of miseries. My guru maharaja is an ocean of knowledge and by his grace, everyone can attain pure loving devotion at the lotus feet of Lord Krishna.

*yasya prasādād bhagavat-prasādo yasyā prasādān na gatiḥ kuto 'pi dhyāyan stuvāms tasya yaśas tri-sandhyam vande guroḥ  
śrī-caraṇāravindam*

"By satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied. And by not satisfying the spiritual master, there is no chance of being promoted to the plane of Kṛṣṇa consciousness. I should, therefore, meditate and pray for his mercy three times a day, and offer my respectful obeisances unto him, my spiritual master." A sincere disciple, simply by serving a bonafide spiritual master, can achieve all the mercy of the Lord and the spiritual master simultaneously. My spiritual master Srila Prabhupada is so merciful that he can bless anyone with pure devotional service which is much higher than being born as a brahmana. In a pastime, where Srila Prabhupada showed his extraordinary compassion and mercy on a butcher and gave him an initiated name Maharathidasa. It is remarkable that Srila Prabhupada never hesitated to accept even such a person as a disciple who was most sinful previously. In this way, he acted as a perfect representative of Sri Caitanya Mahaprabhu. I am a fallen conditioned soul entrapped in this material world. I was completely living in ignorance before I came into Kṛṣṇa Consciousness. With the causeless mercy of my spiritual master, I am now doing 16 rounds of chanting of the holy name of the Hare Krishna Mahamantra, reading Bhagavad-Gita and attending Bhagavad-gita lecture or lecture given by devotees on topics related to Bhagavad-gita and Bhagavatam everyday. My dear Spiritual Master, I am hoping your mercy for spiritual advancement and I am also hoping mercy for attaining the stage of mindful and soulful chanting of Hare Krishna Mahamantra. Only by chanting Hare Krishna Mahamantra can a person's heart be cleansed. (ceto-darpaṇa-mārjanam). I, again and again offer my respectful obeisances unto the lotus feet of my Spiritual Master.

Your humble servant,

Bhakta Hari Mohan.

Dear Srila Prabhupada,

All glories to you my spiritual master Srila Prabhupada.

Due to the influence of this age, my consciousness has fallen so much that I am helpless and unable to understand the teachings of great sages on my own with my imperfect senses. You have blessed this world by propagating the teachings of Lord Chaitanya in a very simple and apprehensible way. I am a poor soul overwhelmed by your causeless mercy trying to express my gratitude in the form of a poem. Kindly accept my obeisance Ray of light I was dwelling in the extreme darkness of illusion when I say a ray of light, I was willing to follow the ray but caught up by enemies willing to fight. Lust, anger and greed chained me, choked me, dragged me stiff and tight, O merciful! you infused pure consciousness in my heart and showed the way to purify my sight, Though I am still fighting by your mercy I am focused to follow that ray of light. I wish I keep serving your lotus feet with all my endeavour, day and night, and I pray for your mercy, again and again, to elevate my consciousness to the spiritual height. O, dear lord! I pray for your mercy to keep me engaged in your service and protect me from falling down by keeping me in close association with devotees.

His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this auspicious day.

I will attempt to express my gratitude for the ocean of mercy that you have bestowed upon me. Although I know that your unbounded mercy for fallen souls like myself cannot be expressed in volumes of pages, nevertheless I will try.

I was first introduced to you through your organization when I saw the lifelike statue of your holiness in one of the temples that you established. And as you had intended, through your organization and instructions, your boundless mercy for me has always been present. As Visvanatha Cakravarti Thakura has said *yasya prasadam bhagavat prasadah*: By the mercy of the spiritual master, one receives the benediction of Krishna. In times of difficulties, your mercy has always helped me to realize that I should have my faith in spiritual master and Krishna.

And today it is by the same mercy of yours that I have got a chance to write my first Vyasa Puja Offering. I hope that you forgive any offences that I have committed to expressing myself to you and continue to shower your ocean of mercy upon your humble servant.

The Guru's form is the best to meditate upon; the Guru's feet are the best for worship; the Guru's word is the mantra; the Guru's grace is the root of liberation.

Like these verses, the Vedic literature is full of glories of the pure devotees, but O Srila Prabhupada, as the Vedas can't describe all the glories of Sri Krishna, they surely can't describe even the tinge of the greatness of pure devotees like you who in the words of the Lord Himself, are greater than the Lord.

Really speaking, I neither have the capability nor the purity of mind to glorify you. O Srila Prabhupada, even after listening about your greatness and receiving your mercy in the form of wonderful & transcendental books given by your self, I am still unable to follow your instructions properly due to the inherent weakness of my mind. I know, O Srila Prabhupada, that instead of glorifying you I am just lamenting over my weaknesses. But O Srila Prabhupada, what a fallen soul like me can do but lament. I can simply ask for your mercy and empowerment, ( which is always there), So that I may nicely and sincerely follow your instructions.

Jai Srila Prabhupada All glories unto you.

Dear Srila Prabhupada,

I am so glad that I came in touch with Krishna Consciousness in the early phase of my life. Now, I never miss a chance to glorify your name. In my friend circle or to my family, I share the teachings or knowledge received from watching your lectures or reading your books. Once again on this auspicious occasion of your appearance day I pray to you: Please bless me to become more disciplined to study your books carefully and chant sincerely.

Dear Srila Prabhupada,

Today, on the occasion of this Vyas Puja day, I am offering my humble obeisances and sincere heartfelt to you for providing a direction to my tough life.

Please accept my humble offering.

*padam padam yad vipadam na tesam.*

As you mentioned with the help of these beautiful slokas, this material world is full of dangers and there are dangers at each and every step of this material world. Now let me explain a bit about the journey that I have gone through so far with various ups and downs, remembering the holy name and unknowingly asking him to alleviate the suffering of my materially

contaminated mind. As we grow old so does our material thinking, piling stocks of inherent thoughts which we have gathered from the activities of our karma. During my graduation, as I have completed my graduation in Chemical Engineering (2017), there was not a single movement when my mind had not stopped wandering over material things. As I was struggling very hard in my own world and finding someone to alleviate the suffering that I was going through but, couldn't find a single person who could barely understand me and my suffering. I completed my graduation and after that soon I started my preparation for Civil Services Examination.

As my mind already going through the unceasing material desires and the ongoing preparation for civil services examination left me completely shattered, finding some swords which could cut through the vast ocean of my material miseries but, couldn't find a single sword.

*matra-sparsas tu kaunteya, sitosna-sukha-duhkha-dah  
agamapayino 'nityas, tams titiksasva bharata*

As this glorious verse by Lord Krishna directly summaries my fighting journey which I have travelled before I started receiving the reciprocation of the holy name, the supreme personality of godhead Sri Krishna. In my preparation, I have suffered a lot of physical and mental pain and even cried a lot of time, alone, and prayed lord to alleviate my sufferings but my sufferings really didn't want to end. It is not like that I did not experience the movements of happiness in those challenging times, yes I did, but the happiness was not the real happiness. It was just the ordinary happiness that a non-devotee goes through i.e. material happiness. After these challenging movements one thing that I highly admired that I couldn't stop myself to continue the process. I mean the process just went on somehow and it is still going and, the remarkable thing now is that in the process I met a few people who introduced me to the Prabhupada Vani, his books especially the Bhagavad Gita As It Is, I started the regular chanting of maha-mantra

*Hare Krishna, Hare Krishna, Krishna Krishna, Hare Hare, Hare Rama, Hare Rama, Rama Rama, Hare Hare*

This beautiful mantra removed my material miseries that I was experiencing or gone through, It served as a beacon light to the wandering boat of my material miseries. No matter how much I went through, how much I have suffered but, one thing that makes my life completely grateful is that after gaining access to your Vani, books or any content related to you; with the help of folk devotee, junior and senior devotee, I started getting the reciprocation from the Supreme Lord. Thank you for your great contribution and support to enriching and uplifting my life.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Four months from now I was depressed. I didn't know what to do in my life. Because in my experience whatever I did, even after achieving it, there always remained a hole/pit in me which never got filled. I have always watched many motivational and inspirational videos for 3 years continue, but that motivation lasted only for few days and again I continued on the same bad habits and got even more depressed, it was going on in a loop. I have made friends but never felt what friendship is. After watching many spiritual videos of gurus, came to the understanding that there is something more to life, beyond the physical. I was attracted to impersonal brahman. But didn't know how to reach that. Actually it was just my whims and my escape to my problems.

I met Krishna conscious movement four months ago. Initially, I was not serious enough. But somehow started doing what they asked me to do. I Challenged myself to do 16 malas and read Prabhupada's books, which completely changed my view of life. By just reading his literature anyone can know that it is directly coming from a realized being. And I gradually came

to know that there is something above impersonal brahman (it is just lower stage of realization) that is Krishna, which is the end goal of each and every living entity knowingly or unknowingly.

This knowledge was given to me by you Srila Prabhupada. You struggled and traveled across the globe to give us this beautiful and matchless gift. It is due to his mercy that we are not yet doomed and saved from great danger. He wanted us to become Krishna conscious and I will try my best to fulfill his only wish.

Your eternal servant,

Bhakta Swapnil Sharma.

प्रिय, श्रील प्रभुपाद

“ मैं पिछले 5-6 माह से आपके द्वारा स्थापित संस्था के संपर्क में हूँ। इसके पहले मेरा आध्यात्मिक चीजों से बहुत कम रुचि या लगाव था। मैं अपने आप को खुश रखने के लिए हर कार्य करता था लेकिन फिर भी मन में एक अनिश्चितता बनी रहती थी, हम खुश होने के लिए नए-नए तरीके ढूँढते रहते हैं लेकिन फिर भी हमारा मन अशांत रहता है। लेकिन जैसे ही मैं कृष्ण भक्ति में अपना ध्यान लगाना शुरू किया, लगभग पिछले चार-पांच महीने से प्रतिदिन हरे कृष्ण मंत्र का जप करना, कृष्ण भक्ति की किताबें पढ़ना, इन सभी आदतों ने मेरा जीवन एक नई दिशा, नया जोश और जीवन जीने की सही तरीके को जागृत किया। मन में एक शांत भाव बना रहता है। भौतिक जगत की कुछ कड़वे सत्य मालूम हुए, जो शायद ही मुझे ज्ञात होता अगर मैं इस संस्था के संपर्क में नहीं आता। आज के युग के विद्यार्थी जीवन की सबसे बड़ी समस्या है किशोरावस्था में नियंत्रण नहीं रख पाना। पहले मेरे साथ भी यही था लेकिन अब हरे-कृष्णा जप मेरे जीवन में भौतिक जगत की किशोरावस्था में विचलित करने वाली वस्तुओं का सबसे बड़ा विकल्प बन गया है, जिससे मैं अपना बहुमूल्य समय अपनी पढ़ाई और प्रगतिशील विचारों में लगाता हूँ। इन सबके अलावा मुझे एक बात समझ आ गई है कि बिना अध्यात्म ज्ञान के मनुष्य पशु समान होता है। मनुष्य के अलावा अन्य जीवों में दिव्य विषयों को समझने की क्षमता नहीं होती। इसलिए मनुष्य को समस्त प्राणियों में सर्वोच्च माना जाता है और हमें इस पद की प्रकृति को समझना चाहिए। मैं स्वामी श्रील प्रभुपाद जी का बहुत आभारी रहूँगा कि उन्होंने अंतर्राष्ट्रीय कृष्णभावनामृत संघ की स्थापना करके हमारे जीवन जीने के सही मार्ग का निर्माण किया और इस कलयुग में विलुप्त हुए आध्यात्मिक ज्ञान को पुनः जागृत किया। “

Dear Srila Prabhupada,

Please accept my humble obeisances on this most auspicious day of your divine appearance. All glories to you Srila Prabhupada.

The position of a pure devotee like you is so high,  
even I try with all my tiny capabilities, can't describe.

Lord Krishna is the source of all manifest and unmanifest objects,  
Your Divine Grace explained it so precise.

Quality of compassion

Just like Arjuna's soft heart was throbbing

Seeing all relatives, mighty warriors who were ready to die

Arjuna's pure devotion caused skin burning, hairs standing Shlokas in Bhagavad-gita describe.

You too showed the same symptoms seeing westerners and Indians cry In your dear Radha-Damodar temple serving Sri Vrindavan Dham in deep devotion begging mercy of Rupa Sanatan for approval of a big plan to give world a blissful sigh leaving Vrindavan, entering seemingly heaven but actually hellish Newyork Boston thinking genuinely for such a mad civilization O Srila Prabhupada! Where we can find such a Gosai???

Quality of Purity & Compassion

Narada Muni's mercy on uncultured Mrigari

Mrigari – killing half the innocent animals with material delight

Narada's words divinely potent melting his heart, were three worlds surprise

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

1. Absolute necessity of a spiritual master:

Srila Prabhupada has taught that one must approach a pure devotee of Krishna and surrender to him. And this is an absolute necessity in spiritual life.

2. The extraordinary qualifications needed to be a spiritual master:

In Srimad Bhagavatam (11.17.27), the spiritual master is also called Acharya. (SB 6.7.15 purport)

*When one has attained the topmost position of maha-bhagavata, he is to be accepted as a guru and worshiped exactly like Hari, the Personality of Godhead. Only such a person is eligible to occupy the post of a guru.*

(Chaitanya Charitamrita Madhya 24.330 purport)

*Unless one is a resident of Krishna Loka, one cannot be a spiritual master. That is the first proposition. A layman cannot be a spiritual master, and if he becomes so then he will simply create a disturbance. (Srila Prabhupada Letter to Mukunda June 10<sup>th</sup>, 1969)*

3. How to respect and regard a bonafide spiritual master:-

Srila Prabhupada often quoted three verses on how to respect and regard a bona fide spiritual master, an Acharya:

(1) *Ahcaryam mam vijaniyan*: the Supreme Personality of Godhead says that one should respect the spiritual master, accepting him as the Lord Himself. *Navamanyeta karhicit*: one should not disrespect the Acharya at any time. *Na martya-buddhyasuyeta*: one should never think the Acharya an ordinary person. (SB 6.7.15 purport)

(2) *yasya prasada bhagavat-prasado yasyaprasadan na gatih kuto pi* "By the mercy of the spiritual master one is benedicted by the mercy of Krishna. Without the grace of the spiritual master, one cannot make any advancement." A disciple should never be a hypocrite or be unfaithful to his spiritual master. (SB 6.7.15 purport)

(3) This is Vedic version: *yasya deve para bhaktih*, one who has got unflinching faith in the Supreme Lord. *Para bhakti*: transcendental devotional service to the Supreme Lord. *Yatha deve tatha gurau*, as he has got unflinching faith in Krishna, similarly he has got unflinching faith in the spiritual master. *Tasyaite kathita hy arthah*: all these Vedic literatures and their purport and their meaning will be revealed to him. *Tasyaite kathita hy arthah prakashante mahatmanah*. So that is the secret, not that erudite scholarship. One must be very much sincere. (Srila Prabhupada class, June 10<sup>th</sup>, 1969, New Vrindavan)

Dear Srila Prabhupada, you have saved us from so much confusion about who is our spiritual master in ISKCON and given us the shade of your lotus feet. Please continue to bless us so that we remain always serving your mission and institution, as we do not wish to have any other business in life.

Your humble servant,

Bhakta Aayush Jain.

जय श्रील प्रभुपाद,

दंडवत प्रणाम।

मुझे आपके साथ जुड़ने में बहुत ही अच्छा महसूस हो रहा है , हमारे जन्म के साथ ही सुख और दुख का जन्म होता है इसलिए हम सत्य को जानते हुए आज के इस युग में अपने आध्यात्मिक ज्ञान को ध्यान में रखते हुए गृहस्थ जीवन जीते हुए हमारी भौतिक इंद्रियों का कम से कम उपयोग करते हुए कृष्ण भक्ति में संलग्न हो के हमारे जीवन के परम लक्ष्य को पूर्ण करने के भागीदार बनना चाहिए, आज के युग में हम दो समय की रोटी के लिए दिन रात बहुत मेहनत कर रहे हैं और हमारे जीवन के परम लक्ष्य को भूलकर भौतिक साधना और इंद्रिय विषयों की पूर्ति कि लालसा में संलग्न है।

और भौतिक विषयों की पूर्ति के लिए अनेक प्रकार के देवी देवताओं की पूजा में संलग्न है जबकि ब्रह्मा तथा शिव भी , श्री कृष्ण को प्रणाम करते हैं उनकी आज्ञा के बिना किसी को वरदान नहीं दे सकते।

आज के युग में श्री कृष्ण को प्राप्त करने का सबसे सरल उपाय हरे कृष्णा महामंत्र का अच्छी तरह से श्रवण और उच्चारण करना है-

*हरे कृष्णा हरे कृष्णा कृष्णा कृष्णा हरे हरे।*

*हरे राम हरे राम राम राम हरे हरे।।*

इस महामंत्र के उच्चारण द्वारा प्रत्येक दिन माला जप करके मनुष्य जीवन का परम लक्ष्य पूर्ण करें यही हमारा धर्म है ।

और ब्रह्मांड के उच्चतम लोग को प्राप्त हो इस मानव जीवन में एकमात्र उपाय है जिसके द्वारा पूर्ण रूप से गोलोक वृंदावन को प्राप्त किया जा सकता है।

भगवान कृष्ण की अनेक लीलाओं का स्मरण करके भौतिक जगत की विशुद्धियों से और माया के चक्कर से स्वयं को दूर करके अपने जीवन के लक्ष्य में ध्यान केंद्रित क्या जाए।

प्रभुपाद जी द्वारा लिखित अनेक धार्मिक पुस्तकों जैसे कि प्रकृति के नियम ,श्रीमद्भगवद्गीता ,लीला पुरुषोत्तम भगवान् श्रीकृष्ण ,कृष्ण की और ,इत्यादी अनेक पुस्तकों का नित्य अध्ययन करके और इनका प्रचार प्रसार कर के भगवान श्री कृष्ण की ओर अग्रसर होया जा सकता है।

यही प्रभुपाद जी का संदेश और कृष्णभावनाभावित प्रचार प्रसार मानव जीवन तक पहुंचाना है। और हरे कृष्ण महामंत्र का माला जप अपने जीवन में अपनाना है।

इसी प्रकार मानव जीवन के कल्याण के लिए अधिक से अधिक इस आंदोलन को जो प्रभुपाद जी द्वारा संचालित है उसे और तीव्र गति से संसार के समस्त मानव जगत तक पहुंचाना है।

कृष्ण को प्राप्त करने का एकमात्र स्रोत हरे कृष्ण महामंत्र का जाप , उनकी लीलाओं का स्मरण, उनकी सेवा का लाभ, उनके प्रचार प्रसार का लाभ ,उनके लगे भोग का उचिष्ट खाना और नित्य नयन उनके दर्शन करना ही हमारा परम लक्ष्य है।

आज के इस युग में भक्तों की शरण में तथा उनके मार्गदर्शन द्वारा उनके द्वारा बताए गए प्रत्येक कार्य को हम जीवन में अपनाकर अति सरलता से तथा सुगमता से श्री कृष्ण की ओर अग्रसर हो।

जय प्रभुपाद।

आपका सेवक,

भक्त अभिषेक गहलोट.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Srila Prabhupada, you are very dear to the entire Vaishnava family. You are always fixed at lotus feet of Lord Krishna, and thus preach this message due to compassion on suffering living entities. By undergoing a lot of hard struggle, you have shown us ways how to work hard for Krishna. Srila Prabhupada, you taught us how to serve Krishna being always Krishna conscious, seeing Krishna's hand in every action. Your fixed position at the lotus feet of the Lord is clearly reflected in your

actions. Your conscious has never ever touched the material gains like opulence, name, fame, worship etc. You showed the best example as to how to remain in bliss under the shelter of previous Acharya, being their humble servant. Gurudeva, please bless us so we can also take bliss in service of your lotus feet for the whole life. Please bless so never ever our consciousness gets contaminated by desires of sense gratification for gross body or subtle body. Srila Prabhupada as your name is, Abhaya Charanarvinda, kindly remove our all fears of material existence and bestow us with constant touch and remembrance of your lotus feet.

When I hear your pastimes during the time you were personally present which have been recorded in the books and tapes of our senior Vaishnavas, one thing that comes to my mind is that how can a person possibly be so humble and merciful !, and I also feel that there can be no one who can cater to the personal spiritual need of every devotee in such a diverse as well as a precise manner. I had heard and learnt from you that the Lord as Paramatma sits in the heart of the living entity and observes and sanctions the desires of the living entity, but now I am feeling that more than the Lord my Spiritual Master is doing that job of being the witness. In the course of whatever I do, more than the Supreme Lord, I feel you are watching me and warning me and also applauding for me. But I also know that I am also very foolishly brave to still continue my abominable actions. I am still so blindly unaware of the consequences of not attending to guru's instructions. Kindly make these transcendental instructions of your's as my heart and soul and my only goal of life which is just lying as information in my brain. I beg you to kindly give intelligence to become humble and always remain in your and your disciple's service for ever and ever.

Finally, I again shamelessly beg forgiveness for all the offences I have committed knowingly and unknowingly at your lotus feet and unto all the Vaishnavas.

There exists no word in the vocabulary of any language to thank and express gratitude to you my dear spiritual master. Still, I thank you for being with me always, despite forgetting you at times. You are indeed my ever well-wisher Srila Prabhupada. Please keep me always crushed under your lotus feet.

Your servant of the servants,

Bhakta Aditya.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of your Vyas puja.

I have been associated with the Hare Krishna movement for 2 years. Through your devotees, I have come to know the importance of Guru, like who is a genuine Guru? Why should a disciple surrender to the Guru? Because of this, my devotion to you has increased.

Due to the association of your devotees, I am able to understand more about the importance of Bhagavad Gita and Guru. But the most important education that we get from you is that without being devoted to the Guru, without serving him and without the knowledge given by the guru, we cannot get Lord Krishna. This is the Vedic injunction.

I have read many of your books like Science of Self Realization. Because of the Science of Self Realization and the association of your devotees, my devotion to Guru and Lord Krishna has increased. Now the whole attitude has changed, bringing divine knowledge of devotion into my life. For this, I'm very thankful to you and wish I could move forward in devotion.

Your humble servant

Bhakta Ajay Kandara.

ॐ अज्ञान तिमिरान्धस्य ज्ञानाञ्जन शलाकया । चक्षुरुन्मीलितं येन तस्मै श्री गुरवे नमः ॥

Most Respected Srila Prabhupada,

Please accept my humble obeisances.

I came in contact with this great Hare Krishna movement 11 years back and now I can realize the importance and great need of Hare Krishna Mahanantra and Sankirtana. This Hare Krishna Mahanantra and all books which you provided us, are the greatest gifts for humanity. I realize the importance and great need of a bonafide Spiritual Master day by day as I get more exposure in this material world. In kali yuga, the age of quarrel, Harinam, and Prabhupada is the only hope for humanity.

Ohh Prabhupada please take me in your Divine shelter so that I can make progress in Krishna consciousness. Please allow me to serve your lotus feet by following your instructions word by word.

Your most fallen servant ever:

Dear Srila Prabhupada,

Please accept my prostrated obeisance at the dust of your lotus feet.

All glories to devotional service to the supreme personality of Godhead, Lord Sri Krishna and His eternal consort Srimati Radharani. Srila Prabhupada you are the epitome of the words, love and devotion. Your enthusiasm for serving their Lordships are inspiring and appreciated.

Dear Srila Prabhupada I would like to thank you for building this wonderful Krishna Consciousness Organization. I have met so many wonderful devotees who are like family. They treat me so kindly, I could see your warm and caring influence in the way we interact with one another.

Srila Prabhupada, your books and lectures are loaded with nectar and are ready to deliver insignificant souls to achieve the highest goal of life, that is, Krishna Prema. So Prabhupad please give me your Mercy so that I could progress in spiritual life.

Dear Srila Prabhupada,

Please accept my obeisances at your pure lotus feet on the auspicious day of your appearance.

One day prabhujii asked us to write the name of those people who are near to our heart. I mentioned my family's name, friend, but I forgot your name. Today I realize what is your importance in my life. Now I mention your and Krishna's name first of all.

You gave me a short and simple answer to the world's toughest question "Who am I? And what is the purpose of my life?". I am the soul and the purpose of my life is to do Krishna's service. You have the weapon with which I can fight with Maya and it can prevent my trap in Maya. Your books are the main cause of change in my life. For changing my life, you are the

most important person. What I feel during the chanting of HARE KRISHNA I am unable to explain. I want to thank you for changing my life and giving me the right direction. Nobody can change your position in my life.

Your insignificant servant,

Dear Srila Prabhupada,

All glories to Your Divine Grace.

I am paying very humble obeisance unto you and begging your mercy, so that whatever place I may live, in any situation, I can follow your instructions and principles.

There are so many things which I couldn't follow fully in my life but you are so merciful my master, you always give me the strength to follow four regulative principles. I had broken all regulative principles before coming to your shelter. I have done so many mistakes but you never kicked me out from your shelter. It was a great misfortune and my cowardice that I didn't accept your offer.

Oh, my spiritual master please be merciful upon me and forgive me, for all faults. Please give me a desire and opportunity to serve you and Krishna at my best level and give sincerity in devotional service.

Your most fallen servant,

Bhakta Ashish Rao.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your Divine Lotus Feet on this most auspicious day of your divine appearance.

All glories to your Divine Grace.

Thank you Srila Prabhupada, for rescuing this fallen jiva, although undeserving, from the whirlpool of materialism and mayavada. This happened simply by reading your divine words in a small booklet '*Life comes from Life*'. Whenever there is a get-together with my old-school-friends, who are mostly living life in bodily conception with zero God conception, then I see a vast difference in the level of consciousness of theirs' and mine. I feel a sense of being rescued at that time. How fathomlessly glorious and causelessly merciful your divine grace is? This fact shines on my heart at that time. By your causeless mercy, Srila Prabhupada, I got an actual understanding, at least theoretically, of my constitutional position in relation to Supreme Lord Sri Krishna. What understanding a yogi or gyani gets in millions of birth, that *vāsudeva sarvam iti* [Bg. 7.19], this understanding can at once be understood by once reading any one of Your divine purports. By Your mercy only Srila Prabhupada I got Vaishnava sanga. Your Divine Grace causelessly blessed me by giving Hare Krishna Mahamantra, the Lord Himself.

For the last many days, I was bereft of Vaishnava sanga, book reading, and chanting, but by your causeless mercy, my 'Bhakti Lata' is safe otherwise it would have burnt. I resumed my chanting Hare Krishna Mahamantra, 16 rounds a day by being enthused by Your Divine Grace's dear most servant, Sriman MadhuPandit Prabhu's lecture. Book reading is also on track. What is lacking is Sadhusanga. Seeing your causeless reciprocations I am sure Srila Prabhupada, that you'll certainly bless this rascal jiva with the association of Vaishnavas very soon. Please give me the strength to chant properly and hear attentively. Please give me the strength to respect Vaishnavas properly. Give me the strength to respect every jiva as part and parcel of Krishna. The moment I understand something, by yours mercy Prabhupada, from our books, I become puffed up. Please take me out from this stool-ditch of pride. I am so fallen that I don't think I am fallen. Make me humble and

please bless me with 'dasanudasa' attitude. Please protect me from Maya. Give me strength so that I see no fault in Vaishnavas. Give me taste for Your divine purports. Please help me remember You Prabhupada and follow your instructions firmly. I want to make constant remembrance of Your Divine Grace through your teachings, as an asset of my life.

Your most fallen and unworthy servant,

Bhakta Bhupendra.

Dear Srila Prabhupada,

Please accept my humble obeisance at your most holy lotus feet. All glories to Your Divine Grace.

*Jai Sri Krishna Chaitanaya Prabhu Nityananda Sri Advaita Gadadhara Srivasadi Gaur-bhaktavrinda*

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare*

Although I have no qualification to write this offering still for my purification, I am paying my homage to Your Divine Grace. On this occasion of celebration on the birthday of Srila Prabhupada, I humbly pray at your lotus feet, again and again, to please give me the courage, strength, and protection (internal and external both).

The spiritual master should be considered to be directly the Supreme Lord because he gives transcendental knowledge for enlightenment. Consequently, for one who maintains the material conception that the spiritual master is an ordinary human being, everything is frustrated. His enlightenment and his Vedic studies and knowledge are like the bathing of an elephant. (SB 7.15.26).

I am very happy and peaceful and it is like Bhagawad devotional touch because Supreme Lord Shri Krishna is with me all the time. I feel this because of Chanting and reading " Shrimad Bhagawat Geeta Yatharoop" ( which is the greatest book of spiritual knowledge and clear any doubt instantly), Srimad Bhagawatam and many more books, which are written by Srila Prabhupada. Prabhupada's books are very powerful, anyone who reads these books certainly becomes the devotee of the Lord. Oh my Master, this is the only way by which we can take your association. By taking your association, the darkness of ignorance can be removed from the heart. When the heart is purified, you can guide us through the heart. If we are guided by you our mission of human life will be fulfilled. So please give me enough strength so that I may read your books for at least one hour every day.

So on this auspicious occasion kindly bless me that I advance more in Kṛiṣṇa conscious every moment and surrender with all my thoughts, words and deeds at all times, place and circumstances.

Your humble servant,

Bhakta Bilaki Das Bohra.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa puja.

I am connected to you as your disciple for the last two years. Your books give me a lot of knowledge about Sanatan dharma. I did not know what was the difference between religion and dharma. But after reading your books I am able to clearly understand both the words. Before two years, I didn't know who is the supreme personality? But now I know that Krishna is the supreme personality and we are part and parcel of God. Prabhupada your books are divine. These books always keep me near to Krishna. There is no doubt in stating that Maya Devi cannot catch if one reads these books continuously. I know

“happiness is in spirituality”. The Hare Krishna Movement provides a method for the association of devotees, instructions for reading books and chanting on beads. I am not a pure soul, but Prabhupada says in his books that by chanting the holy name of Krishna makes our heart clear. Krishna always says in Bhagwad Gita:

*sarva-dharmān parityajya, mām ekaṁ śaraṇaṁ vraja  
ahaṁ tvām sarva-pāpēbhyo, mokṣayiṣyāmi mā śucaḥ*

(b.g. 18/66)

Abandon all sorts of religion and just surrender unto me. I shall deliver you from all sinful reaction. Do not fear.

Your humble servant.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet on this auspicious day of your divine appearance.

Your whole life is a source of constant inspiration for me and only your causeless mercy gives my life a spiritual purpose. You are so magnanimous, merciful and compassionate that you are distributing perfect knowledge and devotional service to the whole world with the promise that by following your simple guideline one can become eligible to go back to Godhead. Srila Prabhupada, from your association while reading your books and listening to your lectures, many times I wonder what is that which you want to tell us, as this spiritual wisdom is incomprehensible for my insignificant understanding. Your mercy and satisfaction are the secrets of advancement in spiritual life as understood from Bg. 4.34 “*tad viddhi pranipātena pariprasnena sevayā upadekṣyanti te jṣānaṁ jṣāninas tattva-darśinaḥ*”. Without them, there is no hope for me. I humbly pray at your lotus feet that please keep me under your shelter and keep your causeless mercy on me so that I can follow your preliminary instructions of chanting 16 rounds, following 4 regulative principles and always be in your association by reading your books.

परम पूजनीय श्रील प्रभूपाद,

श्रील प्रभूपाद के श्री चरणों में दंडवत प्रणाम और बारम्बार हरे कृष्ण !

आपके बताये भगवान श्रीकृष्ण की भक्ति के विभिन्न प्रकारों, नाम जप, संकीर्तन, पूजन, स्वाध्याय के माध्यम से इस दुख और विभिन्न विपरीत परिस्थितियों वाले भौतिक संसार में भी कभी-कभी सुख और प्रसन्नता का अनुभव किया जा सकता है। भगवान के नाम जप और संकीर्तन की मधुरता से जीवन की रिक्तता को माधुर्य भावों से भरा जा सकता है। आपने अपने जीवन में भगवान की कृपा से भक्तों के कल्याण के लिए इतना साहित्य लिख दिया है की जीवन भर उसका रसास्वादन किया जा सकता है। आपकी कथनी और करनी में समानता है, आपने अर्चाविग्रह के सामने करताल, मृदंग, घंटी बजाकर दंडवत प्रणाम कर, माला जपकर, भगवान के पवित्र नाम यज्ञ के प्रचार के लिए लंबी-लंबी यात्राएं कर, भगवान के श्री विग्रह का श्रृंगार, भोग, आरती कर वैदिक भक्ति की परंपरा को पूरे विश्व में जीवंत कर दिया है।

आज वैश्विक महामारी और आर्थिक तंगी के हालात में भी आपके बतलाये दैनिक कार्यकलापों से जीवन समरूप से आगे बढ़ता जा रहा है। ज्यों-ज्यों भक्ति की और बढ़ते जाते हैं जीवन में विपदाएं तो आती हैं परंतु भक्ति के प्रभाव से दबकर कहाँ चली जाती हैं ज्ञात ही नहीं होता। प्रातः काल उठने से लेकर दैनिक

कार्यों को करते हुए भी भक्ति करते जाते हैं यह आपके बतलाये निर्देशों का सुफल है। लगता है आपकी आशीष व संरक्षण में अब अच्छा, स्वच्छ व सफल मानव जीवन जी रहे हैं, जीवन के पश्चाताप व दुख कम हो रहे हैं।

इन सब अनुग्रहों के लिए आपका कितना आभार व्यक्त करें, जितना करें वह कम ही रहेगा। आपकी कृपा से श्रीकृष्ण भगवान की अनुकंपा भी प्राप्त होती रहेगी यही मंगल कामना है।

हरे कृष्ण

आपका कृपाकांक्षी

हे गुरु देव बस आप थोड़ी कृपा कर दो और मेरे अज्ञान रूपी जीवन में थोड़ा भगवान रूपी ज्ञान डाल दे जिससे अधिक से अधिक भगवान का स्मरण कर सकूँ।

मैं एक ऐसा तुच्छ गिरा हुआ जीव हूँ अगर गुरु की कृपा और गुरु के चरणों की शरण मिल जाए तो मैं इस अज्ञान रूपी सागर को लाग सकूँ। अगर गुरु के प्रति हमारी श्रद्धा दृढ़ हो बड़े से बड़े भौतिक भवसागर को आसानी से पार कर सकूँगा।

इस प्रकार गुरु की कृपा से जीव भगवान को आसानी से समझ सकता है।

Dear Srila Prabhupada,

Please accept my humble obeisances.

1. Jay Srila Prabhupada, my loving spiritual master. I am indebted to you for your causeless mercy for guiding me in my journey to become Krishna conscious.

2. It was your mercy only which has shown me the right perspective of Spirituality. You are the one who introduced me to the absolute truth, knowledge, ananda in this life. I was wandering in the material world in the search of permanent happiness, stability, position, name, fame, lording over men and material under the modes of material nature. It was by you and Shri Krishna that I am able to understand the value of this rare birth in human life.

3. By reading your books, I come to my senses to know what actually is beneficial for my soul, also how to practice the devotional service in a sublime manner which is very pleasing.

4. By the mercy of you and Krishna I am fortunate to meet the Shiksha Guru and devotees who are helping me to progress in my journey of devotional service by motivating, directing, communicating, engaging and providing me with an alternate lifestyle which is pure satvic, under the umbrella of Your Divine Grace.

5. Since the time I come in touch with your teachings and organisation, my life has transformed as a seeker of devotional service and to become a servant of Shri Krishna. Although I am engaged in the material activities, but by regular Sadhana I started to realise that I am not in the material plane and my journey towards devotional service to Krishna is progressing. This all happens by the mercy of You.

6. Srila Prabhupada, I once again offer my soulful obeisance to You and Your devotional service unto Nama Prabhu which has given me the knowledge, hope, training, motivation, organisational skills to become Krishna Conscious not only in this life but also as an eternal spiritual asset in the future. Soulful Thank you for your mercy, Jai Srila Prabhupada.

Your Humble Servant

Dear Srila Prabhupada,

Please accept my humble obeisances in the dust of your lotus feet for all eternity.

All glories to Srila Prabhupada who went to the western world to preach the glories of the holy names of the Lord,;the one who delivered countless fallen conditioned souls by imparting to them the transcendental science of Krishna Consciousness, and the one who fulfilled the following prophecy of Shri Chaitanya Mahaprabhu:

*pr̥thivīte āche yata nagarādi grāma, sarvatra pracāra haibe mora nāma*

“In every town and village, the chanting of My name will be heard.”

The glories of Srila Prabhupada are unfathomable for all the devotees, who have been rescued by Srila Prabhupada from the ocean of nescience. They have been given an opportunity to make their human form of life successful by taking to the process of Krishna Consciousness. It is by his causeless mercy that today numerous devotees are practicing Krishna Bhakti all over the world in temples opened by you and your followers. Indeed generations upon generations shall remain forever indebted to you for having bestowed upon them the glorious possibility of going back home, back to godhead, by reading your transcendental books and following your instructions.

*saṁsāra-dāvānala-līḍha-loka, trāṇāya kārūnya-ghanāghanatvam*

*prāptasya kalyāṇa-guṇārṇavasya, vande guroḥ śrī-caraṇāravindam*

The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master who is an ocean of auspicious qualities.

Talking about my spiritual life, it is running just because of your mercy. It is said that if Shri Krishna is angry with us, then we have the shelter of a guru who can pacify the lord. But if guru is angry, there is no shelter for the devotee.

Dear Prabhupada, you are so merciful that you are holding our hand as a father holds the hand of an infant. You have given us a mission in life. Many lives have been saved by your mercy.

Thank you so much Srila Prabhupada.

Your humble servant,

Bhakta Pramod Soni.

मेरे प्रिय गुरुदेव श्रील प्रभुपाद,

मै आपके श्री चरणकमल मे दंडवत प्रणाम करता हूँ

हे श्रीला प्रभुपाद आज आप ही की कृपा के कारण मै रोजाना 16 माला हरे कृष्णा महामन्त्रम का जप कर पाता हूँ और आपके द्वारा दी गयी पुस्तकों का अध्यन कर पाता हूँ तथा आपने जो 4 नियमो की पालना करने के लिए कहा है उन नियमो कि पालना करने की मै हमेशा कोशिश करता रहता हूँ। हे श्रीला प्रभुपाद मुझे जैसे तुच्छ व्यक्ति मै इतना सामर्थ्य नहीं है की मै आपकी प्रशंसा कर सकु परन्तु आज आपही की कृपा के कारण मुझे ऐसा सुअवसर प्राप्त हुआ

है की जिसके कारण मैं कुछ शब्द कहना चाहता हूँ..... हे श्रीला प्रभुपाद आप इतने महान है की आपने मुझ जैसे तुच्छ और पापी इंसान को कृष्ण भक्ति प्रदान की है और ये आपही की कृपा है की मुझे कृष्ण भक्ति मैं आनंद की प्राप्ति हो रही है।

हे श्रीला प्रभुपाद आप बड़े ही दयालु और करुणा से भरे हुए है क्योंकि मैं जब कभी भी भक्ति में डगमगाता हूँ या नीचे गिरने वाला होता हूँ तो आप तुरंत ही मुझे संभाल लेते है और अपनी कृपा से पुनः भक्ति के आनंदमय रस को मेरे जीवन में भर देते है।

हे श्रीला प्रभुपाद आपने अपनी आयु की चिंता किये बिना ही 70 वर्ष की वृद्ध अवस्था में कृष्णभावनामृत कार्यक्रम को आगे बढ़ाया तथा उसमें अपना पूरा जीवन लगा दिया तथा इसी कारण आज मुझे कृष्णभावनामृत में कर्म करने का अवसर प्राप्त हो पाया है। अतः हे श्रीला प्रभुपाद मैं आपसे बड़े ही विनम्रता से यह प्रार्थना करता हूँ की आप मुझ पर सदा ही ऐसी कृपा बनाये रखना।

तथा मुझे इतनी शक्ति प्रदान करना की मैं हमेशा ही-

- (1) 16 माला हरे कृष्णा महामन्त्रम का जप कर पाऊ।
- (2) तथा आपके द्वारा बताई गयी पुस्तकों का अध्ययन कर पाऊ।
- (3) और कभी भी माया में ना पड़ू।

आपका अधम शिष्य,  
भक्त प्रियांशु.

All glories to Guru and Gauranga.

My dear Srila Prabhupada

Please accept my humble obeisances.

I will forever be indebted to you for the mercy you have shown to me. Despite several impediments, you have always been merciful to me in giving me chances to be always attached to your mission. I remember once I went to a new place and I was searching for Tulasi maharani to offer her leaves to Sri Krishna. I was very anxious to get Tulasi maharani somehow or other. I was searching in a garden, but couldn't find it for a few days. But finally, I found a few Tulasi plants in the same garden where I was searching but couldn't find it earlier. I was struck with wonder how it was possible that I couldn't find even a single plant earlier, but got many plants at the same place. That was completely beyond my little intelligence. Maybe that was your reciprocation for my small anxiety. And I believe that it was one of your divine lilas that you keep performing in your mission.

By your grace only, can I progress in Krishna Consciousness. Please bless me so that I can remain fixed in my determination, and attend to your lotus feet.

Your eternal servant,

Bhakta Pushendra Dhruwe.

Dear Srila Prabhupada

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to you on this auspicious day of VYASA PUJA.

In Bhagavad Gita verse 4.34 it is said *tad vidhi pranipatena,pariprasanena sevaya*

Lord Krishna says to Arjuna that "Learn the truth by approaching a spiritual master. Inquire from him with reverence and render service unto him. Such an enlightened Saint can impart knowledge unto you because he has seen the truth". But in our hollow hopeless lives where we didn't know anything about spirituality, what to speak of approaching a guru? You

showered your endless mercy on us. You gave us a hope, the direction to move on a right path of faith. You showed the ultimate and unique way to salvation, the path where we find the ultimate love of God. Oh dear Srila Prabhupada, your position is way much higher than even Indra, Surya, and all other demigods as you are the personification of love and compassion of Krishna. Your teachings taught us that nothing but the pure and clean minds and hearts who are ready to surrender can get God in an instance. God loves the simplicity of mind that is humility. Your desires, your works, and all your words only speaks the glorification of God every moment. I am very thankful to you my guru Maharaj, my fellow God brothers, and devotee association to guide me ahead in spirituality and in life. Again thank you very much. Please accept my humble obeisances. All glories to srila prabhupada.

Your humble servant,

Bhakta Rahul Paliwal.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your Divine Lotus Feet.

Prabhupada by your and Krishna's grace, I'm with this movement from last four years. It's a very wonderful journey I had which I would always like to continue, and it's just only, and only by your mercy that I came to know so much about the Krishna Consciousness.

Prabhupada I took your ashaya last year for 4 rounds of chanting and now by your grace I'm able to chant 16 rounds daily. I request you to please give me the power of acquiring transcendental knowledge which you have written in your books. Please also provide me more and more devotee association.

Prabhupada as stated in Bhagavad Gita(4.34)

*tad viddhi pranipatena, pariprasnena sevaya, upadeksyanti te jnanam, jnaninas tattva-darsinah.*

One must approach a bona fide spiritual master to learn the truth. So who can be a bona fide spiritual master other than you at the present moment? Oh! Srila Prabhupada, Oh! my master, please let me take shelter under your divine lotus feet. Please accept me as one of your servants and let me serve you more and more so that I will be also able to understand Krishna and I may also increase my love for him.

Prabhupada please also forgive me for all the Vaishnavas offences I have committed. I request you to please help me and guide me from within so that I may not commit any Vaishnavas offence which is the most sinful activity. In the end I only request you to please hold me and put me as one of the dust particles under your divine lotus feet so that I may not go anywhere else and just serve you to the best of my capacity.

Jagat-Guru Srila Prabhupada ki jai.

My humble dandavat pranam at your lotus feet. Please accept my humble obeisances. All glories to Your Divine Grace!

Srila Prabhupada, I am very grateful that you have accepted such a fallen soul like me in such a pure mission of your Krishna Consciousness Movement. I am like an immature kid in the midst of crowded people of illusionary world. Many times I am sad when I am not rendering service to your movement.

When I hear your pastimes, I feel that I am really blessed by your mercy. I am the most fortunate person to come in touch with you, and become the disciple of such a spiritual master who can deliver fallen souls and take them back to godhead. Please bless me so that I can realize that this material world is not good to stay.

I pray to continue my spiritual life more seriously, and become a your disciple, Srila Prabhupada.

Dear Srila Prabhupada

*om ajñāna-timirāndhasya jñānāñjana-śalākayā, cakṣur unmīlitam yena tasmai śrī-gurave namaḥ*

On this auspicious day of your appearance on this planet please accept my humble obeisances at your lotus feet. All glories to Guru and Gauranga!!

My prayers to Lord Krishna:

"KRISHNA, I AM GRATEFUL TO YOU FOR HAVING SENT SRILA PRABHUPADA TO ME WHO HAS REVEALED ALL THESE SECRETS ABOUT YOU, MY REAL SELF, AND MY ETERNAL HAPPINESS"

Dearest Srila Prabhupada, I thank you from the core of my heart for pouring your mercy incessantly on the ignorant soul like me. I was tossing in the pool of worldly affairs and without any idea about what to do in life. And then you came in my life and by your divine grace today I'm not only part of this divine movement inaugurated by Lord Chaitanya Himself, but also chanting 16 rounds and following the four regulation principles as per your instructions.

Prabhupada your books are a great boon for humanity as it gives light to ignorant people and leading us to the path of salvation.

Whenever I get troubled and panic, I read these two quotes.

One written to Aniruddha dated July 7th 1968 *"Think of Krishna always and try to work sincerely and everything will come automatically"*.

Second a Letter to Michael San Francisco dated 18 March 1968 *"You just remain fixed up in devotional service, and all impediments that may come will be vanquished by the unlimited potency of the Lord. We should have faith in His Power, His Grace, and His Causeless Mercy."*

It boosts me very much with increasing my love manifolds unto your lotus feet. Prabhupada I'm trying to improve my japa with help of our most senior devotee His Grace Madhu Pandit Prabhu and results are incredibly great. There is an improvement in my japa and I'll constantly try to improve more and more. Prabhupada, always keep me in your shelter and take care of this most insignificant servant.

Aspiring to be servant of your servant,

Bhakta Suresh Bishnoi.

हरे कृष्णा

मेरे प्रिय गुरुदेव श्रीला प्रभुपाद

मैं आपके श्री चरणकमल में दंडवत प्रणाम करती हूँ

हे श्रीला प्रभुपाद मैं आपकी कृपा की वजह से ही रोजाना 16 माला हरे कृष्णा महामन्त्र का जप कर पाती हूँ। तथा मैं सदैव ही आपके द्वारा बताई गयी पुस्तकों का अध्ययन करने का प्रयास भी करती हूँ तथा मैं रोज हरे कृष्णा महामन्त्र का कीर्तन भी करती हूँ। अतः हे श्रीला प्रभुपाद मैं आज इस अवसर पर आपके लिए कुछ शब्द कहना चाहती हूँ की.....

*guro na prapyate yat na anayatra api labhyate,  
guru prasadam sarvam tu prapnoti eti eve na sanshaya*

Whatever is not obtained from the GURU, can't be obtained from elsewhere. With the grace of GURU one indeed gets everything.

Dear Srila Prabhupāda,

I bow at your lotus feet and offer you my eternal gratitude for your supreme eternal gifts. You magnanimously bestowed on us Krishna Consciousness with a lifetime warranty. You are a perpetual reference point of purity, determination, fearlessness, and devotion to Sri Krishna. Your knowledge and Literature given by you to this world is like an ocean of diamonds and it enlightens our heart dissipating the darkness of ignorance. Your every word spoken makes our mind and heart pure, Cleansing all contamination of material attachments which are like this strong virus corona. One morning you walked through Rancho park in LA, you stopped to make a crucial point. As the devotees gathered around you, you dramatically presented BG 11.33, where Krishna tells Arjuna to “just be the instrument for actions that I have already performed.”? Dramatically playing the part of Krishna, you said, “Arjuna, don't think that any of these soldiers will go home to their families. I have already slain them. Now if you like, you be the instrument and I will give you the credit. Otherwise, someone else will get the credit, for it will be done by my arrangements. This is the subtle art of Krishna Consciousness. As Lord Krishna and you warn us, we should not think that we are the doers. And, yet, You and Krishna encouraged us “to take the credit “ And in Krishna's words “gain the glory “, enthusiastically acting as Krishna's instrument.

Please empower us with preaching potency and humility so that in the right consciousness we may act as your empowered instrument to spread your mission.

I humbly request with tearful eyes to please accept my life and all my possessions given by Krishna only, in service of your lotus feet in expanding the movement of Chaitanya Mahaprabhu, glorifying Krishna Nāma to each and everyone all over this world. Dreaming explosion of HARE KRISHNA MOVEMENT, I heartily request you to accept my prayers. Waiting for your reciprocation soon

Your Servant,

Krishna Dasi Meenakshi Soni.

Dear Srila Prabhupada and my beloved spiritual master,

*om ajnana-timirandhasya jnananjana-salakaya  
caksur unmilitam yena tasmai sri-gurave namah*

Please accept my most humble obeisances at the dust of your divine lotus feet. On this most auspicious day of your 124th appearance day in this material world to reclaim the fallen souls, I took this opportunity to write a few sentences of glorification of your unfathomable glories.

I had heard that devotees of the Supreme Lord are more merciful and compassionate towards fallen conditioned souls than the Lord Himself. This statement can very easily be realized simply by having a glimpse of your unparalleled efforts for saving the conditioned souls from the mire of birth and death.

Srila Prabhupada, I am amazed to think again and again that your grace is not only picking the condition souls from the blazing fire of material existence but also awarding the highest perfection of life without any pre-qualifications. Among the numerous highest perfectional items which are kindly awarded by you, I would like to specifically highlight two items:

- (i) Aprakrta Nama
- (ii) Aprakrta Jnana

These two devotional items are unheard in the history of the world because they are very difficult to be achieved even by the best of qualified souls. I was thrilled to hear that the transcendental knowledge you kindly gave us is higher than adhoksaja knowledge, which itself is difficult to achieve even for the biggest of jnanis and yogis. If anyone simply focuses on these two devotional items they can make tremendous progress in spiritual life.

Srila Prabhupada, your name is known for compassion and mercy in the entire creation. Your grace already showered compassion on me, but I need more of your compassion and mercy to walk on this transcendental path chalked out by you, so that I can be firmly fixed in devotional life and please you the most.

Your fallen servant, Trying to serve you,  
Bhaktsevaka Dasa.

I will try my best to cut my material entanglement with your mercy only, no one can help me without Your Divine Grace. Prabhupada, now I am working as an ALP in Indian Railway by your mercy only. I studied and got a job in railway, after that I want to get posting in a place where your mission is going on, that is my heart's desire so that I can follow K.C. in that place and be in touch with devotees regularly. Dear Srila Prabhupada,

Oh my beloved Spiritual Master, Oh the ocean of mercy,

Please accept my humble obeisance unto your lotus feet,

Oh, dear Spiritual Master, you gave the most precious gem: The *bhakti* which is very rare in this age of *Kaliyuga*. I will always be indebted to this priceless gift called Krishna *prema*. You only told me, how to perform *bhakti*, the value of human birth, real *dharma*, and the actual process for advancing in devotional service. Dear Gurudeva, I got a lot of changes after I came in contact with you. My flickering mind, polluted intelligence, and covered soul got enlightened with your absolute knowledge which tends towards the perfection of devotional service for the Lord and enabled me to understand the real goal of life. In the age of *Kaliyuga* when everyone is cheating with each other for the satisfaction of their senses, only you showed the light and path for returning back to Godhead. Your books are full of knowledge and every word is full of love for Lord Krishna.

Your each and every sentence connects us with Krishna. Your whole life was an ideal life. You showered *bhakti* on us which is the only tool to extinguish the blazing of the material world. Oh, my dear spiritual master, always hold me, please never ever leave me, I want to progress in devotional life. Please give me strength so I can properly move on this path and I can get the real aim of human life that is love of Krishna. Currently, I am working, please bless me so that I always tightly hold on the path of *bhakti* and I can serve the Lord in a better manner. Next year I may get married so Gurudeva, bless me so that I can survive with good *grihastha* life by engaging my family in this path of *bhakti*. Oh Gurudeva, I have some shortcomings, like I have lust issues and a flickering mind. Prabhupada, please give me the strength to solve these problems. Whatever hurdles come in the path of devotional life, please remove those hurdles so I can achieve the most valuable goal of life: The Love of Krishna.

Your most fallen disciple,

Bhakta Abhilash Sai.

My Dear Spiritual master Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. On every Vyasa puja day, the day on which you appeared to this planet, we the devotees of the Hare Krishna movement celebrate it very gorgeously because it is the most important day for the followers of Krishna consciousness movement. This is the day on which the earth has witnessed the Divine Appearance of His Divine Grace Abhay Charanarvinda Bhaktivedanta Swami Srila Prabhupada to execute the mission of Lord Sri Chaitanya Mahaprabhu directly by the order of Lord Sri Krishna from Goloka Vrindavan Dhama. I feel that your divine appearance day celebration should not only be limited to the Iskcon centres but every Jiva, every person on this planet should celebrate it, offer their gratitude towards you. It is only because of your preaching Krishna consciousness because

the seven continents are touched by your divine lotus feet, because you opened the Hare Krishna centres across the globe people are still able to live here peacefully in this dark age of Kali.

Dear Srila Prabhupada, I know my knowledge is very limited and you are a pure devotee, with this limited knowledge it is not possible to completely understand your personality but as the years are passing in Krishna consciousness I feel that you are always holding my hand, every time I try to go away, you bring back me to the path of Krishna consciousness. I am really sorry Prabhupada for giving various troubles to you and your devotees who are constantly engaged in executing the mission of Lord Sri Chaitanya Mahaprabhu. Prabhupada I miss you; I miss you very much I miss Sri Sri Krishna Balrama, I am sorry Prabhupada for not listening to you and leaving this movement please forgive me for that. I am feeling very fortunate for getting the chance to write the *Vyasa-puja* offering for you again. I am very happy to be a part of the celebration for your appearance day. Srila Prabhupada, it has been more than five years that I am in touch with Krishna consciousness, since then my life and fortune started to take a new turn. Srila Prabhupada, you are so merciful, you are giving a path of perfection, but still, I am so much sinful and fallen that I am unable to follow your words. Prabhupada, please give me mercy and strength to follow your words, to follow the regulative principle, to do my daily *sadhana*, and please give me mercy so that I can preach the message of Krishna consciousness to general people. I am always thankful to you and unable to pay your debt, throughout my life. Prabhupada, many times I realize that I have become a show bottle. Many times I follow just to show off. Prabhupada, please make me puppet in your hand who can dance according to your desire. Please make me an instrument in the service of Krishna. O Prabhupada please show mercy on this fallen servant.

Prabhupada, I many times committed knowingly or unknowingly *Vaishnava aparadha*. And I know because of these *Vaishnava aparadha*, my spiritual life is going down. O spiritual master please forgive me as your immature son, and give strength to advance in the spiritual life and give me strength and intelligence to serve your mission. Dear Spiritual master never let me go from your mission.

Your fallen servant,  
Bhakta Akash.

Dear Srila Prabhupada,  
Please accept my most respectful obeisance at Your lotus feet.  
All glories to Your Divine Grace.

*Nama om vishnu-padaya krishna-preshthaya bhu-tale, srimate bhaktivedanta swamin iti namine  
namaste saraswati deve gaura-vani-pracharine, nirvishesha-shunyavadi pashchatya-dasha-tarine.*

Dear Srila Prabhupada, from your childhood you were focused on the transcendental. For example, when you were young you performed a Ratha-yātrā festival, and everyone could understand that you were not an ordinary boy. Later, by the grace and order of your spiritual master, you had the desire to preach and develop the Krishna consciousness

movement throughout the world. What you brought for us jivas in the human form of life is the highest gift: Krishna. You gave us the chance to chant His holy name, offer Him some service, and develop our love for Him.

The whole world is facing disaster due to its lack of Krishna consciousness. We feel that maya is very strong. In a room conversation, one of your disciples asked, "*Prabhupada, why is maya so strong if our purpose is to be with God?*" You replied, "*No, your purpose is not strong.*" So it is just a question of having faith in the guru's words. Because we don't have a desire to serve Krishna and want to be like God ourselves, He sends us to the material world and we suffer repeatedly. We do not want to realize our constitutional position as souls. That is our problem. But you came to give us the light of real knowledge so we can be fixed in the transcendental position"

Dear Srila Prabhupada, By the mercy of yours I can take the holy name of Krishna otherwise I have no other qualification except you. This year I have continued 16 round chanting. Your arrangement of recorded lectures is so much useful that we can hear anywhere. I try my best to follow your instructions. Forgive me for all my faults.

Your Humble Servant,  
Bhakta Amit Joshi.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. I offer my deepest gratitude and offerings to you. I would like to thank you for choosing me as one of the students of your teachings. From being a meek mundane observer of life to be having a spiritual perspective of life by you, my journey has been blissful under your teachings. It has made me realize how much of ignorance we live in unless we come in contact with Sri Krishna or His devotees and their blessings. I still believe the best decision of my life was when I chose to be in the association of your teachings by your grace. I would humbly request you to keep guiding me so that the spark of love for spirituality may never extinguish and I can be as what you always say... "chant Hare Krishna and be Happy"

आदरणीय श्रील प्रभुपाद,

आपके चरण कमलों में मेरा सादर प्रणाम। मैं पिछले दो साल से कृष्णभावनामृत से जुड़ा हुआ हू। आपके अत्यंत उदार हृदय की कृपा से मुझे कृष्णभावनामृत का अनमोल उपहार मिला। आपकी कृपा से मैं कृष्ण भक्ति में प्रगति कर पाया और भगवान की सेवा करने का अवसर प्राप्त हुआ। पहले साल में अच्छे से जप नहीं कर पाता था। लेकिन आपकी लिखी सुंदर किताबों को पढ़कर मेरा जप में उत्साह बढ़ा। पिछले वर्ष में बुक रीडिंग यथाक्रम नहीं कर पाया था। परंतु इस वर्ष में बुक रीडिंग यथा क्रम करने का प्रयास करूंगा। अंत में मेरी आपसे प्रार्थना है कि आप मुझ बद्ध जीव पर इसी प्रकार अपनी कृपा बनाये रखें और मुझे अधिक से अधिक भगवान कृष्ण तथा राधा रानी की सेवा में लगाये रखें।

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to your divine grace on this most auspicious day of your divine appearance,

After getting the opportunity of human life, which is very rare, one must cultivate spiritual knowledge and renunciation. The knowledge can be acquired in various stages. It may be by, direct sense perception, reading *Vedic* literature, speculation, etc. But the complete knowledge about the absolute truth can't be comprehended by any of these ways, because it is very very confidential. By your causeless mercy, we are able to receive that knowledge and you have explained it in a very easy way in your books and lectures. This is because you are a pure devotee of Lord Krishna and you are very merciful upon fallen souls of *Kaliyuga*, who have no qualifications to receive such knowledge and you are able to make us convinced about this knowledge. Because you can perfectly satisfy the Supreme Lord, all your activities are inconceivable, transcendental, and superhuman. These days sometimes my *japa* is not of that quality but by your mercy now it is good. At last, I pray at your divine lotus feet. Please kindly be merciful upon me and constantly guide me in my journey of Krishna consciousness.

Your insignificant servant,  
Bhakta Bhawani Singh.

प्रिय श्रील प्रभुपाद,

आपके चरण कमलों में मेरा सादर दंडवत प्रणाम। आपके आविर्भाव दिवस पर आपकी जय हो, जो बहुत ही शुभ दिन है, जिसे व्यास पूजा के रूप में मनाया जाता है। मैं हरे कृष्ण आंदोलन से 3 वर्षों से जुड़ा हूँ। जब मैं पहली बार इसके संपर्क में आया, तब आध्यात्मिक जीवन में रुचि जागृत हुई थी। जब से मैंने हरे कृष्ण महामंत्र का जप शुरू किया है, मुझे शांति का अनुभव हो रहा है। मेरा मन शांत होने लगा है। भगवान कृष्ण के प्रति भक्ति का दीपक प्रज्वलित होने लगा है। मैं प्रतिदिन हरे कृष्ण महामंत्र का 16 माला जप करता हूँ, और प्रतिदिन श्रीमद् भागवत गीता का अध्ययन करता हूँ। मैं अपने आध्यात्मिक जीवन में प्रगति कर रहा हूँ। आप बहुत मेहरबान हैं। कृपया हमेशा मुझ पर अपनी कृपा बनाए रखें।

धन्यवाद

आपका विनम्र सेवक, भक्त भूपेंद्र प्रजापति.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet,

All glories to Your Divine Grace on this auspicious day of your *Vyasa-puja*. I am very thankful to you for showing your causeless mercy upon me, only because of that, I came in touch with the Krishna consciousness movement. I am with the Hare Krsna Movement for the last three years. And in this period, I have learned many things about self, about God and devotion towards God, which made me conscious about the real purpose of life which is going back to Godhead. Because of your mercy, I am able to follow the path of devotional service. You are so great and compassionate upon the ungrateful and fallen souls of *Kaliyuga* that you gave the Krsna consciousness to the whole world. This is my humble request to you that please keep me always in the shelter of your lotus feet and guide me so that I always remain in Krishna consciousness.

My Dear Spiritual master Srila Prabhupada,

Please accept my humble obeisance unto the dust of your lotus feet. Srila Prabhupada, by your grace I am practising Krishna consciousness for last five years. Thank you. Srila Prabhupada for giving me the opportunity to serve you and Lord Krishna. It is only by your grace that I came in touch with your movement and understood the real meaning of human life. When you came into my life from that day my life has totally changed. If you had not bestowed your mercy on me and didn't pick me up from garbage than I also would have wasted this valuable life simply like animals eating, sleeping mating and defending.

Srila Prabhupada before you came in my life I was living with a narrow conception of life although I have taken birth in this pious land of India I didn't know that who is God?, Who is Krishna?, who is the Supreme Lord, the cause of all causes even I don't know who am I. It is possible only by your grace that I can understand all these things. Thank you Srila Prabhupada for giving me each and everything which is priceless like a Folk hostel, Temples, Prasadam, devotees, kirtan and many more things. Srila Prabhupada please give me strength so that I can follow regulative principles and chant 16 good rounds of Hare

Krishna Maha Mantra. Prabhupada you made a house where the whole world can live. So Prabhupada my request to you is that please give me some little space in your house so that I can continue my spiritual journey with your guidance and devotees and serve you and Krishna very nicely. Srila Prabhupada it is impossible for me to practice Krishna consciousness alone. So Prabhupada please please please accept me and give me some space in your house so that I can make my life successful. Srila Prabhupada I have no other desire than to serve you and your mission so please bestow your mercy unto this fallen soul. Prabhupada please accept me so that I can serve you till my last breath.

Trying to be your servant

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace,

Dear Srila Prabhupada, because of your mercy lakhs of people's lives have changed and they have become Krishna conscious. I am one of them. By your mercy, I got the opportunity to read *Bhagavad-gita* under the guidance of the devotees and attend many spiritual activities and services in the temple. Initially, I was chanting 1 round and within two months I started chanting 16 rounds daily along with reading *Bhagavad-gita*. When I am in touch with the devotees then my chanting goes on nicely but sometimes when I am not in touch with the devotees then my chanting decreases gradually. When I was in Vrindavana during trips then I felt what is real enjoyment and I felt out of the material world. By your mercy, I could understand what is *bhakti* and got to know what is the ultimate goal of life which is to Go back home, back to Godhead, and know about Lord Krishna perfectly. Before I didn't know about Him. Many times my chanting was discontinuous. So, please Srila Prabhupada help me in solving my *japa* problem so that I can seriously and nicely chant my *japa*. And shower your mercy on me to understand more and more about Lord Krishna and his transcendental pastimes. And engage me in your devotional service at Your lotus feet.

Your fallen servant, Bhakta Gajendra Nagar.

Dear srila prabhupada,

Please accept my humble obeisance. All glories to srila prabhupada on this auspicious day of your vyasapuja.

Over the past one year, full of realisation and new spiritual experience by your blessing. Keeping you at the centre of my life each day I can feel how your causeless mercy flows unconditionally in the upkeeps of my devotional service. I must admit today that for a couple of days I haven't been doing many services. But yes, writing this offering I am getting renewed energy to do more chanting and preaching others.

I can feel being purified while writing this offering. Past one year I have learnt more about lord krishna and I have read bhagavad-gita at home during this lockdown period. I have learnt too much from bhagavad-gita that, in kali yuga only hare krishna maha-mantra is the only one way to get purified and also whatever you are doing in material life or in spritual life everything should be related to krishna. Now I am trying to preach my friends and due to your mercy I am getting success and also my friends have started reading bhagavad-gita. I have read somewhere that writing for the pleasure of Guru and Krishna, one gets personal purification. Thank you very much for this opportunity to write to your vyasa-puja. Though I committed to do more rounds, I didn't and I felt guilt for that. But this time I commit that I will do 1-2 rounds chanting but after sometime I will increase it. I will daily render service to Lord krishna.

Jai srila prabhupada, vyasa-puja mahotsav ki jai!

Your most fallen servant, Bhakta Gaurav.

Dear Srila Prabhupada,

Please accept my humble obeisances. I'm very fortunate that I got a taste of Krishna Nama amrit in my life, which I was seeking here and there. I remember when I was in my college, an introduction seminar was conducted by Prabhu. There were some events organised like little Krishna, memorizing a specific colour in the room etc.

From that day, each and every day my consciousness was changing. I was thinking differently as compared to before. I was realizing the truth of life. Many of the problems of my life like stress, fear etc. have been mitigated. I've learnt concepts of birth, death, old age and diseases. I've learnt concepts of mind, soul and intelligence. Differences between lust and true love; about book reading, chanting the holy name of Lord, Preaching, Glorifications, Kirtanas of Krishna. I've learnt Guru Vandana, Mangala aarti, Darshana aarti etc. I got a chance to read Bhagavad Gita as it is, Krishna's Lilas, your lectures, Chaitanya Charitamrita etc. Many of my doubts regarding chanting, book reading etc have been cleared. I've listened to lectures of Srila Prabhupada's about glorifications of Acharyas, Krishna Lila, Shrimad Bhagavatam explanations etc. I've learnt to dance with Kirtanas. I've visited many temples with the association of Prabhu and devotees. I've learnt about tilak, Kanti mala, obeisance, temple cleaning, Vaishnava festival celebration preparations, getting up early in the morning, remembering Krishna's lotus feet, how to take Darshana of the Lord, Honouring of Mahaprasadam etc. I've learnt about Tulsī Aarti, Narasimha Aarti, pranam mantra. etc. I've learnt many things with the association of Devotees; now I'm rarely in touch with devotees, but still, I follow regulative principles and chant on a daily basis. Oh, Srila Prabhupada, please give me strength that I can bear all miseries which comes as obstacles of Krishna consciousness; please give me the strength to come out from illusions and take to true knowledge. Thank You very much Srila Prabhupada.

Your Humble Servant, Bhakta Jitendra Panjwani.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your Divine lotus feet. All glories to Your Divine Grace on this most auspicious day of your appearance.

It has been nearly sixteen months since I'm in touch with Krishna consciousness. But frankly speaking, I got to know the real meaning of this knowledge during this lockdown period. Because I was following materialistic things and was trying to continue this spiritual knowledge with the materialistic things. But after lockdown, I got cut off from the material world. But as we all know that this "Maya" is so powerful that we can not decide right and wrong. I was feeling so much depressed during this lockdown but then one does in this world. After that I decided to read books written by you, I started following the morning routine I started waking up at 4:00 A.M. We started making *prasadam* of the Lord, I started chanting the Holy name. I feel really nice now I just want to hear about Krishna. This change was made by you, just because of you we are able to get the spiritual knowledge. Through your books, we are able to know more about Lord Krishna, just because of A.C. bhaktivedant Swami Prabhupada. I want to hear about Krishna, I want to eat *prasadam* offered to Krishna, I want to see the things having Krishna or having knowledge about Krishna. I am blessed to get the knowledge given by you about Krishna. Please keep your blessings on me so that I get fully engaged on your spiritual path.

Oh, my eternal Gurudeva,

*om ajnana-timirandhasya jnananjana-salakaya, caksur unmilitam yena tasmai sri-gurave namah*

“I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.” My dear Srila Prabhupāda, Please accept my humble obeisance at your divine lotus feet. All glories to Your Divine Grace. You brought the torch of knowledge, giving hope to thousands upon thousands of fallen souls like me. You are that special ambassador sent by your beloved Spiritual master, Srila Bhaktisiddhanta Saraswati Thakur Prabhupada, to help deliver the fallen souls of this age. How can I repay this enormous debt that I have to Your Divine Grace? I remain ever indebted to you for the gift of Krishna consciousness you so graciously bestowed upon the world. Your words of wisdom continue to be my constant source of inspiration. Your lectures, which I listen, to receive the eternal wisdom of the *Bhagavatam* itself. They are ever fresh, deeply insightful, and always soothing. They bring complete solace to the heart. If only more people could hear those ever-fresh instructions, which you give not only in your lectures but in your books as well, the world would benefit immensely. Please give me the intelligence to follow in your footsteps, the courage to face all difficulties, the patience to meet all challenges, and the tolerance to face all opposition. Thank you again and again for giving me this opportunity for devotional service.

Gurudeva! During this COVID-19 pandemic lockdown period, I beg for your mercy to increase my number of rounds and you showed this also on this fallen soul with daily book reading. Please give me more strength and intelligence to serve your lotus feet daily and follow your instructions without fail. Sometimes, without my realizing it, material desire for comforts comes into my heart, but then I understand that it is not proper for me to desire in this way. Rather, I should always depend on the mercy of the Supreme Lord Sri Krishna, just as a child depends. Please bless me so that I may also always feel fully dependent on the mercy of Their Lordships, and thus this life will become perfect. Without your blessings, it will not be possible for me. Please bless me so that I can preach your teachings and serve you, by spreading the Krishna consciousness movement. I am also Thankful to HKM Jaipur Devotees specially RSKD Prabhu and Bhakta Sevaka Prabhu who had been in constant touch with me and gave me new hope and direction in difficulties.

I have been associated with the Hare Krishna Movement for 5 years. In these 5 years, I have faced many difficulties in my spiritual life, but every time you inspired me for Chanting through your books or devotees. I am of no use but by your mercy many times I got a chance of doing Krishna's service in temples. By your mercy, I got a chance to live in Folk Hostel which is the most wonderful time of my life. I took shelter of 16 rounds chanting in Temple ashraya ceremony and I am continuing 16 rounds of chanting and I will try that wherever I live in any condition, I will not leave the chanting. When a question comes to my mind, I get an answer immediately through your books. Prabhupada you are merciful that you gave me the chance to join Hare Krishna movement. Oh, my eternal Gurudeva,

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale, śrīmate bhaktivedānta-svāmin iti nāmine*

*namas te sārāsvate deve gaura-vāñī-pracāriṇe, nirviśeṣa-sūnyavādi pāścātya-deśa-tāriṇe*

Dear Srila Prabhupada, Please accept my humble obeisances at the dust of your lotus feet. Srila Prabhupada, I have been in contact with the Hare Krishna Movement for almost a year. But in just one year, I have seen a lot of pleasant changes in my behavior and my routine, which has happened only due to your endless mercy. With your mercy, I had a golden opportunity to read the divine books written by you and chant the Harīnam, I will forever be indebted to you for this mercy. I do not understand what to write and whatnot, but you know all. Whenever I deviate from my path, you somehow hold my hand and show me the right path. By your grace, I have come to know that love for Sri Krishna is very much pleasant, joyful, and divine than material love.

Before this, there were many questions and problems in my small mind, which were also removed by you. At one point in time, I was in apprehension that how one could please Lord Krishna by only chanting his holy name? But then I came to the temple, I got to know about Sri Chaitanya Mahaprabhu and after studying his teachings in the books you have provided,

this problem also disappeared from my mind. Srila Prabhupada, every breath taken in the temple is very delightful. I like *mangala aarti* and *kirtana* most as if there's a different kind of enthusiasm inside the body which cannot be expressed in words. Prabhupada only pious person can get you as their master, but you have provided me, the wicked one, way to become your disciple, then obviously it is your generosity. Prabhupada, I have a strong desire to do śrngāra and serve my Deities of Sri Krishna. So I assure you that I will work hard for this, but please don't leave my hand because without your grace it is impossible. Prabhupada you are like a celestial sun, who blesses every creature equally whether it is a virtuous or a wicked. Today, on this occasion of *Vyasa-puja* worship, every one of your devotees appreciating you, glorifying you and I am the one who is scrounging. As you know that I am very poor from the spiritual point of view, but you are *deenbandhu*. So, Srila Prapadabhu please provide me with a small corner at your lotus feet and the temple forever.

Prabhupada, I have heard that if someone asks for something from the Guru with a sincere heart, then they definitely fulfill it. So Prabhupada, I beg you for only the blessings of going to the lap of Srimati Radharani. Please bless me *karunasindhu*. In the end, I want to Thank You for your grace, and also from the side of those devotees who have not written letters due to some reason and begging for your mercy.

Your inept servant,

Bhakta Priyansh Sharma.

गुरुवर, श्रील प्रभुपाद, मैं आपका बहुत ज्यादा शुक्रिया करना चाहता हूँ कि आपके जैसे एक शुद्ध, साकार, निश्चल, पवित्र चरित्र वाले गुरू का मुझे आश्रय मिला। प्रभुपाद!! मैं हमेशा आपके निर्देशों को अपने अंतर्मन में स्मरण करता रहता हूँ और नित्य श्री श्री राधा-कृष्ण युगल छवि की सेवा में रत रहता हूँ तथा आपके बताए अनुसार एवं आचार्यों के चरण चिन्हों का अनुसरण करते हुए, और शास्त्रों व वैदिक नियमों की पालना करते हुए भगवान के यश, सौंदर्य, बल आदि का ज्ञान प्राप्त करता रहता हूँ। जिस प्रकार से आपने अपनी पुस्तकों में इस दिव्य ज्ञान को बड़े ही दिव्य और सुलभ रूप में प्रस्तुत किया है, किसी भी व्यक्ति को वह कठिन नहीं लगता। जिससे सभी को आसानी से कृष्ण की प्राप्ति हो सकती है। "मैं हमेशा आपका एक शुद्ध शिष्य बनने की कामना करता रहता हूँ...कब मुझ पर आपकी कृपा होगी और मैं आपका शिष्य बनूँगा। मैं हमेशा इस अवसर की ताक में रहता हूँ और नित्य प्रति हरे कृष्ण महामंत्र का जाप करता रहता हूँ"।

आपका शिष्य

Oh, my eternal Gurudeva,

Please accept my humble obeisances at your lotus feet,

You have guided me in knowing the perfect Purushottam Lord Sri Krishna in my life. In this way, first of all, you have changed the corrupt habit of reading novels of the material world from reading spiritual books. In the same sequence, I read the book titled Defeat of Death(The Second Chance), which aroused in me the curiosity of knowing further spiritual

knowledge, which led to The Second Chance, Beyond Birth and Death, Perfect Question - Perfect Answer, Teachings of Pahlada Maharaja and finally *Bhagavad-gita*. You said that the more times we read the *Bhagavad-gita*, the more we will learn something new. I realized this while reading *Bhagavad-gita* for the second and third time.

In the same way, the excitement of reading *Bhagavad-gita* is increased when someone asks us something, what have we read today? Whoever tells he will get *prasadam*. Hari Bol. Having a Guru is very important for spiritual progress in life for everyone. It is Guru who gives us success in this life through the *KrishnaBhavnamrit* method. Only through the graceful vision of the Guru can continuous thinking and devotion to Krishna, and only a serious and meaningful effort on this devotional path can give us success. Even facing so many troubles in your personal life, you have given beautiful descriptions of Lord Krishna's *Lila* for us. Only by listening to these *lilas* does the person's mind become clear. You told how we can put our minds in the service of God, today people of this material world have to struggle with their minds. The mind can be controlled only by *japa*: the name of Hare Krishna so that the mind does not fall into the material sense gratification.

You only told us what kind of relationship we have with God. “ *Our only business is to love God, not to ask God for our necessities. First-class religion teaches one how to love God without any motive. If I serve God for some profit, that is business-not love.*” (*The Science of Self-Realization*)

O Gurudeva, may the people of this material world continue to receive your blessings.

Your Servant

Bhakta Sanjay Kumar Meena.

Oh, my Spiritual master,

Please accept my humble obeisance at your lotus feet,

All glories to you on this most auspicious day of your *Vyasa-puja*. Srila Prabhupada, I am following Krishna consciousness for the last 3 years. At starting when I was new I followed all rules and regulations. And I chanted 16 rounds by your mercy. Every time I pray to you for many material and spiritual things and you always fulfill my desires. Prabhupada, I only wish to serve you and Krishna but it is quite difficult for me. At starting I used to go on every trip but now I am facing many problems. My parents and relatives do not support me to go on trips so they did not give me money ever. But by your mercy, I got money to go on trips. Prabhupada I extremely want to go on every trip so please be merciful on me.

Dear Srila Prabhupada, all you gave me is unforgettable for me because I never expect that I would come in touch with Krishna consciousness but just because of you I came in touch. So please keep me always in touch with Krishna consciousness. It's my humble request. And in the future, I only want to serve you and Krishna. So Prabhupada please help me to step up in Krishna consciousness. I am your trivial servant. And I always want to become your trivial servant.

Your trivial servant

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I want to thank Krishna for sending you to this material world for purifying us and thank you for creating such a beautiful and blissful aura in this place. Most of us are entangled in our own problems, Just like a silkworm is wrapped up by its own cocoon. Thus you are the one who gives us the vision to look at the things as they are and show us the path where we can start our spiritual journey and know who we are. All your books are so much knowledgeable and beautifully written that once we start reading it, we start swimming and flying simultaneously (which can happen only here) in your world, in our spiritual world. The Mahaprashadam is so delightful and healthy which generates new spiritual energy in us. Your lectures and everything is providing us a new and real meaning of Life. You are the one who gives us Inspiration and actually "INSPIRE" in our journey.

I infuse positive energy and zest for life

N nurture new ideas and visions

S summarize complex concepts and ideologies

P provides us with a new perspective of seeing things

I inspire us to come to our original form

R reveals the mystery of the universe

E encourage us in times of despair.

A need for the Guru is a must in every life and when someone finds a spiritual guru like you then his life become blissful. Please keep all of us under your divine lotus feet.

We all should act in such a way that our work gives you the actual Thank you.

Hare Krishna

All glories to my Spiritual master His Divine Grace A.C. Bhaktivedanta Swami Prabhupada.  
Please accept my respectful obeisances at your lotus feet.

Dear Srila Prabhupada,

By your mercy, I got an opportunity to know what is life's ultimate goal, by the association of your disciples and learning spiritual sessions which were held in my college campus, at Kota. Therefore, I don't forget devotees like RSKD Prabhu (He has proved to be a foundation stone for me after Srila Prabhupada), Shrinidhi Prabhu (I always learn humbleness from you), Bhakta Sevaka Prabhu (preacher who explains my all type of doubts with proper understanding and examples). So, in movement, all devotees teach us many things related to scriptures which are compulsory for every person. One interesting point in my life regarding motivation point of view, I wake up early in the morning 4'oclock with aim to complete 6 rounds of chanting, then automatically I wake up without an alarm. When I don't follow this routine and thing to complete my study and wake up then routine gets followed only a few days. That thing I had realized. Conclusion is that Chanting is not an ordinary *Mantra* meditation. So, Prabhupada explains about chanting like:

*"So anyone who will stop chanting, he will be a victim of Maya. Always remember it. Therefore we insist, please do not forget to chant at least sixteen rounds" (Srila Prabhupada, SB- 1.16.25-30; Jan 21, 1974, Honolulu).*

Prabhupada recommends at least sixteen rounds chanting on daily basis; but I reached to chant 10 rounds on a daily basis, which is my biggest achievement of the year by the mercy of Srila Prabhupada and Lord Krishna. One more interesting fact I experienced when I explain Krishna to others, we use word KRISHNA as a pronunciation so people say that, 'You are a fool because you don't speak the right pronunciation.' But from now onwards I will. For the last twenty days, I have been performing the selected 108 verses recitation from the *Bhagavad-gita*. Approximately, I have got about 20 verses memorized ( Inspired from Ratan Bai, 105 years old, who belongs to Rawatbhata, Rajasthan, memorised 700 slokas of *Bhagavad-gita*); that is also your mercy, Srila Prabhupada. One more benefit, I got from HKM, "to improve reading skills, speaking skills, *sloka* recitation skills, *prasadam* skills (how to take *prasadam* with proper manner), *sankirtana* skills, Deity worship skills (how to worship to Lord Krishna), so many more I can't explain in words. In my family, grandfather recommends reading *Ramcharitmanas* at once. Then I found so many doubts occur, One of them is "Nine types of devotional services, their explanation was completely different from *Bhagavad-gita's* explanation". So, I understand that the *Bhagavad-gita* is a more powerful scripture rather than *Ramcharitmanas*. After that, I searched in Google, 'What is the difference between *Ramcharitmanas* and *Ramayana*' then I was shocked because approx 12 differences are between them and those are not ordinary differences. Then I came to the conclusion that the writer of the *Ramcharitmanas* is not an authentic person because an authentic follower is the one who gives proper information as it is with their *Parampara* System or Descending order. Therefore I understood to read *Valmiki Ramayana* rather than *Ramcharitmanas*. Now, I discuss Book reading section of my offering, I had completely read *Bhagavad-gita As It Is*, with *slokas* and their translation only. Secondly, I am practicing to recite 108 selected verses of *Bhagavad-gita*. I commit that I will continue to read *Bhagavad-gita* with Verses, Translation, and Explanations completely. I want to also read *Srimad-bhagavatam* but till now I am waiting for a suitable time. When I will complete the *Bhagavad-gita*, then I will make a plan to read *Srimad-bhagavatam*. One more interesting thing, proof of Lord Chaitanya Mahaprabhu is an Incarnation of the Lord as given below:

*Vishnu Sahasranama (Anusashan Parva, Mahabharata)*  
*Suvarno Hemango Varanga Chandnangadi*  
*Sanyaaskrit Chham Shanto Nishtha Shanti Parayanam.*

*Garuda Puran*  
*Aham purno bhavishyami yugau sandhau vishesyate*  
*Mayapure navadvipe bhavishyami sachi suta.*

*Padma Puran*

*Kalai pratham sandhyayam gaurango aham mahitale  
Bhagirathi tate ramya bhavishyami sachi suta.*

*Devi Bhagavatam (Discussion between Lord Shiva and Goddess Uma)*

*Naam Siddhanta sampatti prakashana parayana  
Qvachit Shri Krishna Chaitanya namna loke bhavishyati.*

*Markandeya Puran*

*Golokam ch parityajya lokanaam trankarnat  
Kalau gauranga rupena leela lavanya vighraha.*

Thank you, Srila Prabhupada, for the wonderful gift of devotional service which you have given to me. Please allow me to remain your servant eternally.

HARE KRISHNA!!!

Your Humble Servant,

Bhakta Vedpratap Singh.

My Dear Spiritual Master Srila Prabhupada,

Please accept my respectful obeisance unto your lotus feet and give me a chance to serve your lotus feet. Please be merciful on me. Before I met you, I was totally engaged in materialistic life and didn't know what should be the aim of life. I didn't know about the spiritual life. I didn't know about Spiritual Master (Bonafide Guru) and Supreme Personality of Godhead. I didn't know about the Krishna Consciousness Movement. Prabhupada, But after touching your movement, my life has been changed. So I have no word to explain. Prabhupada, I am very fearful about Maya, so please give me the eternal shelter of your lotus feet. I have no knowledge about the Supreme Personality of Godhead Krishna but I know very well that only you can deliver me from this material world and back to Godhead. Oh Prabhupada, Please, give me spiritual strength to follow four regulative principle and chanting 16 round daily. I want to serve your movement with full determination. So please give me chance to serve you and your movement. Please help me Srila Prabhupada.

Dear Srila Prabhupada ,

My Dear Gurudeva, Please accept my humble obeisances unto your lotus feet. All glories to Srila Prabhupada. It's a very great pleasure for me because once again I got the chance to write Vyasa Puja on the divine occasion of your appearance day. This year is very great for me because you have given us such a great servant of yours who is giving real knowledge of Naam Prabhu who was unknown to us before we heard from HG Madhu pandit Prabhu. In our whole life, we couldn't have got the mercy of Naam Prabhu without your quotes and commandments made understandable by your dear servant MPP Prabhu. By your mercy this year I realise that with the association of Naam Prabhu we can get all pleasure which was several times described by you in many lectures.

Now I am fully convinced that by the mercy of you and Krishna I can chant my whole life 16 rounds. One problem I am facing is that I am not able to control my lust please bestow your mercy so that I can follow your instructions very

strictly. Please give your mercy so that I can contribute to spread this Krishna consciousness movement. You have delivered so many sinful persons from this material world please be merciful to me and give me the strength to follow your order so that I can please you. Please be merciful on me.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I saw your whole journey to start this Hare Krishna Movement. It is your mission to make people realize their relationship with Krishna. But people who are so engaged in the material world have no idea about spirituality. And in these materialistic people, I am also one of them. Only by your blessing, I came to a good path which is to know about Krishna. I am chanting 16 rounds of Holy Name of Krishna which is very Powerful for *Kaliyuga* and doing *Kirtana* for Krishna and eat *prasadam* which is good for us and our soul. This big change was made by you. you had done too much struggle for which I am very thankful to you. I am blessed to get knowledge given by you of Krishna consciousness Please keep your blessing on me by which I'll fully engage in this spiritual path and in Your Divine service.

Your faithful servant,

Oh, Gurudeva,

Please accept my humble obeisance unto your lotus feet,

You are the reservoir of mercy for all fallen souls in this material world. You came here, to this nasty material world for us. You gave us so many books to read and instructions to follow so that we can make this life successful. Your instructions are like nectar. Anyone who willfully tastes this nectar will surely achieve the highest perfection of life. You faced so much trouble in giving this causeless gift of Krishna consciousness to the conditioned fallen souls. But I am a very big fool and a dull-minded person who is unable to glorify you properly. I am so much attracted to sense gratification and because of this, I am unable to follow your instructions properly which is like doing spiritual suicide. I pray to you that please give me your causeless mercy so that I can perform Krishna consciousness process very nicely and understand Krishna consciousness as it is, fully. Currently, with your mercy, I am chanting 16 rounds daily for the last 7 months and I will continue it in future

with your and Krishna-Balarama's blessings. Accept me as your humble servant and make me your disciple if you so desire. And forgive me for all my offenses.

Your servant,

Bhakta Yashasvi Pandey.

Dear Srila Prabhupada,

Please accept my humble obeisance onto Your lotus feet.

I feel myself to be very fortunate, to get this opportunity, as I am writing this offering on 124th Vyasapuja celebration of Your Divine Grace.

Dear Gurudeva, just like every year, the Vyas puja is the moment when we glorify Your Divine Grace and tell you about all the spiritual things that we learn & perform all over the year.

Dear Gurudeva, from the day I have visited Radha-Damodara temple first time, I have seen & learned many of the changes in my life. From this year I have started the reading of Srimad Bhagavatam & Nectar of Devotion. Gurudeva, I'm trying to become a part of your Book marathon & to spread the Krishna consciousness all over the world, however, I'm not eligible for this holy work. Gurudeva, by following your rules and regulations more strictly in our daily life, I have seen myself to be progressing on the way of Bhakti. As we are involved in any spiritual activity, my mind wants to get more & more participation in it.

Dear Gurudeva, your teachings have left no doubt regarding the many of the facts specified in the different books related to spiritual knowledge. I have learned a lot of things from your teachings given in Srimad Bhagavatam & Nectar of Devotion. Gurudeva, I am doing the chanting regularly & trying to do more attentively, still, some errors are found. Kindly please give me the mercy and Shelter of your lotus feet so I can understand and follow your teachings in the same ways as you have given us & chant the Hare Krishna Mahamantra attentively.

Dear Gurudeva, I have realized that I am unworthy to be your disciple. Your disciples are working hard day and night to expand your glories and urging people to come out of this material world. Please give me the blessings that I keep myself

in touch with your devotees & I want to involve myself as a pure devotee of your Hare Krishna Movement and serve everything that I have in my life, in the lotus feet of Lord Krishna-Balarama without any offenses and get myself to be rising up on the way of Krishna consciousness.

All the glories to you, my Gurudeva, please accept this Vyas Puja offering as my wholehearted & unalloyed gratitude for your blessings on me and my family. Please continue to allow me to be a tiny part of your mission. I promise to devote the rest of my life to serve your lotus feet, to my level best. On this auspicious day, everybody is glorifying you, kindly please forgive me for all my offenses which I have committed to being at your & Lord Krishna-Balarama's lotus feet, by not sincerely following your instructions & bless me so that I can surrender my every breath in serving your divine instructions.

Your Humble Servant,

Dearest Śrīla Prabhupāda,

Please accept my most humble obeisance. All glories to Your Divine Grace!

On this auspicious day, while trying to glorify Your Divine Grace, I became aware of my inability to comprehend your actual greatness and real glories. I am so young and unqualified for it, my mind is not able to comprehend your greatness, Śrīla Prabhupāda, nevertheless you mention,

*“This is the business of the disciple, how to glorify the Spiritual master and paramparā. I glorify my Spiritual master, you glorify your spiritual master. If we simply do that, then Kṛṣṇa is glorified” - SB1.5.23 (Vṛndāvana, August 4, 1974)*

It is my humble attempt to glorify you-

In Śrīmad-Bhāgavatam Śrīla Śukadeva Gosvāmī says:

*nādhi-vyādhi-jarā-glāni-duḥkha-śoka-bhaya-klamāḥ, mṛtyuś cānicchatām nāsīd rāme rājany adhokṣaje*

*“When Lord Rāmacandra, the Supreme Personality of Godhead, was the King of this world, all bodily and mental suffering, disease, old age, bereavement, lamentation, distress, fear, and fatigue were completely absent. There was even no death for those who did not want it.” (Śrīmad-Bhāgavatam 9.10.53)*

In your purport to this verse you state,

*“All these facilities existed because of Lord Rāmacandra’s presence as the King of the entire world. A similar situation could be introduced immediately, even in this age called Kali, the worst of all ages. It is said, kali-kāle nāma-rūpe kṛṣṇa-avatāra: Kṛṣṇa descends in this Kali-yuga in the form of His holy name—Hare Kṛṣṇa, Hare Rāma. If we chant offenselessly, Rāma and Kṛṣṇa are still present in this age. The kingdom of Rāma was immensely popular and beneficial, and the spreading of this Hare Kṛṣṇa movement can immediately introduce a similar situation, even in this Kali-yuga.”*

You had that special kind of faith in the Lord which describes your greatness. Without that kind of faith, you could not have done what you did, to establish Krishna consciousness movement throughout the world to introduce a similar situation.

Prabhupāda, This year I have attempted to write a poem to glorify you,

Chaitanya’s army in chief appeared on Nandotsava Day

Clears all doubt & throws the ignorance far away,

Uncle called him “Nandulal” & Father Abhay-Caran

He came down to earth to free us from sinful burden.

He is the only hope and deliverer of sinful mankind

Gives the way to think of Krishna in unsteady mind,

He took the divine message throughout the world

Delivers innumerable JAGAI-MADHAI & make us all pearled.

He followed the instruction of BSS as life and soul

Inspires us all and transforms jiva into diamond from coal,

Took all risk just to carry out the order of his divine grace

Tells us, we are servants & not remain in the illusion of being Ace.

Thinking of CC, Vrindavan Dham & order of spiritual master

Sees this world with causeless compassion & protect us from greatest disaster,

Teaches us surrenderance to Lord by chanting his holy name

He is the only hope to make devotional service to Krishna as our life's aim.

Distributed the love of godhead freely and presented import of Vedic literature

Gives us real unaltered science of god & frees us from Maya's capture,

Present before us eternally through his divine books & instruction

Blesses disciples with unmotivated uninterrupted devotion.

Therefore, on this auspicious day, I pray that I always remember you and your instructions and never deviate from the auspicious path that you have given. I pray that I may always remember you and serve your order. I pray that I may always remain a part of your spiritual movement. All glories to Your Divine Grace!

Your insignificant servant,

Raghvananda Dasa.

Dear Srila Prabhupada,

Please accept my respectful obeisance's at your lotus feet

I have no words to sufficiently glorify your divine grace. Your glories are like the fathomless ocean. I could not appreciate your mercy in my early days of Krishna Consciousness. I have committed many offenses at the lotus feet of your beloved children. Even though I was so wretched you kept showering mercy. When I look back I could realize how by your mercy I have been taken out from the darkest region of hell, How I could fight many *timingila* just like Arjuna could. Whatever I'm right now is just because of your mercy.

I'm addicted to drinking the abominable poison of sense enjoyment. On this occasion of Vyasa Puja, I'm praying very fervently at your lotus feet, kindly deliver me from this precarious condition and make me your humble servant.

Your most fallen servant,

Bhakta Aditya Chaudary.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to His Divine Grace Srila Prabhupada. I would have liked to but I don't know how to thank you for bestowing your causeless mercy upon this fallen soul. By your mercy only, all the questions of my life are answered. I used to think that the greatest achievement in my life is that I have entered a so-called prestigious college in India. But now, I think that the greatest achievement in my life is that I happened to come in touch with Krishna Consciousness. Soon, you gave me the opportunity to chant the holy name of the lord, read your books, honour Krishna Prasadam and do services nicely. By your mercy only, I got the rarest opportunity to have association of so advanced devotees. But I am so reluctant, stubborn and obstinate that knowing the main purpose of my life, I am still attached to my material activities. I am not using these opportunities efficiently. I keep offending devotees some way or other. I have too much pride and always keep on looking for faults in others especially devotees. Despite all this, you told me how to chant attentively. But again, you told me how to chant attentively, I am not doing so. I feel that I have changed so much in using my words, in performing regular activities and everything else after listening to your Bhagavatam lectures, reading your books, reading your quotes and chanting a minimum of 16 rounds as prescribed by you. I also feel that by your mercy only lust and envy have reduced so much in me.

O Gurudeva!

It is by your mercy only, I have left meat-eating, watching movies and thinking all the time about lust. I used to find pleasure in these activities but now I have realized that all those were non-sense and only temporary pleasure-giving activities. Only you have made me realize about the transcendental pleasure in doing the services and participating in kirtan. I am just taken aback thinking of what you have done for me and what I have done for you. I can do nothing more than to thank you from the bottom of my heart. Please bless me that I very soon leave my engagement in material activities and get engaged in devotional service of your disciples, stop offending devotees and follow your instructions and become a sincere preacher so that I can spread your mission all over the world.

All glories to Sri Sri Guru and Gauranga! All glories to Jagadguru Srila Prabhupada.

Please keep me always in your service,

Your most fallen servant,

Dear Srila Prabhupada,

Please accept my *daṇḍavata praṇāma* millions and millions of times. What you've done is non repayable, all living entities and nonliving things of this entire universe combined can't even pay back a little bit of what you've given to us so mercifully, which is Kṛṣṇa prema. All glories to Your Divine Grace, who is the most confidential servant of the Cowherd girls [gopīs], on this most auspicious day of Vyāsa Pūjā.

I try to surrender unto The Lotus Feet Of Your Divine Grace A.C. Bhaktivedānta Swami Prabhupāda, who is the deliverer of all the fallen conditioned souls for next 10,000 years, by whose mercy even the most ignorant stupid rascal like me can swim across the ocean of conclusive truth, which is full of the crocodiles of various theories of voidism and impersonalism. No single word of your name is an exaggeration, and each part has a lot of depth in it. Like you're known as Bhaktivedānta for a reason that you have mastery over Vedānta Sutra but you're not only that, you're beyond any normal Vedāntist. For you are a pure devotee of Lord Caitanya, you're the devotee of the topmost kind; you're the most prominent Vaiśaṇava of the modern age.

May Your Divine Grace, who is the most merciful Ācārya of Brahma saṁpradāya, be transcendently situated in the innermost chambers of my heart. I've no real taste for bhakti [ghana taralā/sporadic endeavor], and so sometimes I engage myself in bhakti [ like book reading or hearing bhāgavatam] for sense enjoyment and sometimes I neglect bhakti [as in reality I have a rock heart which doesn't have any attraction for Kṛṣṇa]. But you, the ocean of the purest devotional service, can easily empower me to become a servant of the servant of . . . [100 times] of Kṛṣṇa. As for you, nothing is impossible, so kindly show your benediction on this most fallen soul. Your words are in themselves a storehouse of wisdom, many times when I see in front of my eyes that what you wrote in books or spoke in lectures comes to be true, then my faith in you increases. After coming in your transcendental association, all my philosophical doubts related to birth, death, life, creation, creator, etc. ended by Your Divine Grace. It is only by Your unfathomable mercy that now I'm able to at least chant 16 rounds [ though I'm so fallen that I'm not able to get ecstasy while chanting the most sweetest sound vibrations of the hare Kṛṣṇa mahāmantra ]. When I initially came in touch with Your Divine Movement, I wasn't even in the capacity to daily chant one single round, but with time as I received your unparalleled mercy, I become empowered by Your and Kṛṣṇa's grace to daily chant 16 rounds.

All glories to Your Divine Grace! All glories to all devotees of Gaura Prabhu!

Please bless me on this most auspicious day so that I may follow your instructions As It Is. I'm so fallen and ignorant that even after understanding the mission of Caitanya Mahāprabhu I'm not taking it seriously and indulging in sense gratification. Due to my material contaminated ego, many times I think and thus take the credit of the little bit of growth I have done in the spiritual path. So please bless me with your unlimited uncaused inconceivable mercy so that I become your eternal humble servant and so that I come out of my false ego and understand that all my spiritual advancement is solely due to Kṛṣṇa's and Your mercy and nothing is caused by my insignificant attempts.

Your most false-egoistic and fallen servant,

Bhakta Maunil Chopra.

Dear Srila Prabhupada,

Please accept my humblest obeisances and this Vyasa Puja offering onto your divine lotus feet. I cannot thank you enough for making everything about this world so very crystal clear. The more I read what you have written, the more certain this uncertain world becomes birth, death, old age, and disease. And the more I read about you, the more my faith in you and your instructions increases. You have shown with your clear examples of how every single moment one can remain Krishna Conscious in every circumstance possible and how extreme the fact "We are not this body." is. Your pastimes reveal distinctly that this world is a very big illusion and that we have to get out of it. And for that, you causelessly distribute the solution to most fallen souls like me. May I never lose your invaluable mercy.

All glories to your Divine Grace.

Your insignificant servant

Bhakta Yogya.

### Maitreya Dasa

Dear Srila Prabhupada,

Kindly accept my humble Obeisance at your lotus feet on this divine occasion of VYASA PUJA.

As it is told that the disciple should glorify his spiritual master on this occasion. As we know that glories of pure devotees are unlimited and he is glorified in all 3 worlds. Srila Prabhupada, you are an ambassador of the spiritual world. Mortal being from the material world cannot understand your glorious as we have seen in Srimad Bhagavatam when Lord Vishnu came in front of Dhruva Maharaj, Dhruva he was not able to glorify Lord Vishnu but Lord Vishnu by touching His conch shell on forehead blessed him. Then only Dhruv Maharaj was able to glorify Lord Vishnu. Similarly for glorifying you I am not qualified. So, kindly bless me so I can glorify you on this occasion.

As it is said that pure devotee is like a touchstone just like touchstone by touching any object it makes gold to it similarly whenever whomever Shрила Prabhupada you touch even though they are mleccchas, yavanas or most fallen jivas they become great devotees. After making so many devotees you didn't take credit of this and you gave credit to your spiritual master. This is the humility of yours by which many disciples they got moved.

As I remember some pastimes by that I want to glorify you where you answered nicely and precisely of many questions.

1. DISCIPLE: *What does it mean to be humble?*

**Srila Prabhupada:** Humility means that you are convinced beyond any doubt that you are absolutely nothing in this world, not your money/family/fame/education can save you. Nothing will save you except the mercy of Krishna when you are convinced like this then you are humble. As you told, Prabhupada that if we are optimistic for material life we are an animal so if you are a human being you must be pessimistic.

**2. Interviewer:** The Spiritual master is being offered so much respect, honour even though there are many people Scholars, Nobel laureates, scientist etc?

**Prabhupada:** Krishna is a very very big person. Just like in this material world if you want to please a rich man it is very difficult to please him but when you see him with his dog and make please his dog than rich man will get pleased and I am the dog of God you simply please dog, Krishna will get pleased.

These incidence show humility of yours as to how you were cooking for hippies, washing their vessels. You are the acharya who can teach by example.

**3. Disciple:** What does it mean to have LOVE for spiritual master.

**His divine grace:** LOVE for Guru means you have taken initiation, you have made a vow to the spiritual master. You keep your vow that is LOVE. The greatest sin is that if someone trusts you and you hurt him.

4. Once in Paris, a disciple called the doctor to meet you so you could preach him, but when the doctor came into the temple and when he asked where is the patient. So the disciple said to him "There is no patient, I bring you to meet with my spiritual master." After listening this doctor ran away from that place but when His Divine Grace got this news so he laughed and he said: "this doctor didn't realize that he was the patient and we were going to cure him by giving him this Krishna consciousness."

5) Once you asked a devotee "are you trying to understand the philosophy?" It means if someone just makes an endeavour to understand Prabhupada will be pleased. Just by making an endeavour you can please Guru.

Once by seeing a child who was endeavouring to put a letter in a post box. But his height was less and his father lift him up and helped put letter very easily in it. And you said by his own strength he cannot do but the affectionate father when he helps that is possible similarly. We see that we are not able to approach Krishna but if affectionate Father like you helps then very easily we can approach Krishna.

Srila Prabhupada you are touchstone you gave us this Hare Krishna chanting which is also a touchstone. But we are not understanding the value of it. As I read in kevalashtaka:

*Aho Duḥkharāṁ Mahā-Duḥkharāṁ, Duḥkhād Duḥkhataraṁ Yataḥ  
Kācārtharāṁ Vismṛtam Ratna-Harer Nāmaiva Kevalam*

*Aho! What a sorrow, what a great sorrow! More painful than any other misery in the world! Mistaking it as a mere piece of glass, the people have forgotten this jewel. The holy name of Sri Hari alone is everything.*

Prabhupada kindly shower your Mercy that I can fall in Love with YOU and this HOLY NAME. So that I can follow your instructions strictly.

Your fallen servant, Bhakta Maitreya Das.

I offer my respectful obeisances to Lord Krsna Chaitanya and Lord Nityananda along with Advaita Acarya, Gadadhara, Srivasa, and other associates. I offer my respectful obeisances to Srimati Radharani and Sri Krsna along with Their associates, Sri Lalita and Visakha."*

*Mukam karoti vachalam, pangum langhayate girim, yat-kripa tam aham vande,shri-gurum dina-taranam*

*'I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speaker and enables the lame to cross mountains.'*

Dear Srila Prabhupada, on this auspicious day of your glorious Vyasa Puja, I stand before you, a worthless servant and a shameless beggar. My only subsistence is the causeless mercy you continuously infuse in me, on the strength of which I am able to be still engaged in devotional service of the Lord. I am nothing without you. Please be merciful upon me and bless me at last my breath I always follow your instructions without fail.

In my small lifetime at every step, I feel your blessing by your books & from your devotees, just like Krishna hypnotize Pandavas, similarly, you hypnotized me by your knowledge, prasadam, chanting, pastimes, trips, the association of devotees, etc.

Oh Srila Prabhupada, just like touchstone converted iron to gold, similarly by your teaching, the association of devotees, slowly you converted my all unwanted habits in KC. As Krishna residing in everyone's heart and knows everything as you are always residing with your disciples and knows how to take out them from such materialistic desire. Oh, Srila Prabhupada you are a very big magician.

Lord Caitanya made wild animals dance and chant in the ecstatic love of God while passing through jungle similarly, by your gentle behavior, love and care, and guidance you made us attracted to *sadhana bhakti* of Krishna. Srila Prabhupada you are a very divine teacher. As Lord Caitanya and Lord Nityananda mercifully distributed Harinam to deliver the fallen souls similarly, you distributed Harinam to deliver everyone in the whole world. I am a very fallen, please glance at me. Srila Prabhupada kindly give me strength and conviction. I should chant Harinam without fail and offenses, and engage me always in your service.

Oh Srila Prabhupada, please guide me to find new and innovative ways to encourage sincere souls in your service and enthusiastically serving Their Lordships Sri Krishna Balarama. Please give us the strength to become sincere and steadfast in serving your mission.

Begging to be your eternal servant,

Yashoda Dulal Das.

Dear Srila Prabhupada

Guru means a teacher, the one who removes mental and spiritual darkness with his teachings and conduct. In common usage, any person who is adept in some branch of knowledge and who imparts the same to others is considered a guru. However, more specifically in Hinduism, it is used in the context of a spiritual teacher, or the one who helps others in their liberation.

The guru-disciple relationship is the highest expression of friendship, for it is based on unconditional divine love and wisdom. It is the loftiest and most sacred of all relationships. One who partakes of this relationship is on the way to wisdom and freedom.

For success in the divine search, as in every other aspect of life, it is necessary to follow God's laws. To understand the secular knowledge available in a school, you have to learn from a teacher who knows it. So also to understand spiritual truths it is necessary to have a spiritual teacher, or guru, one who knows God.

To the world, God speaks only through His enlightened devotees. Therefore, the wisest of all actions is to tune in with the will of the guru who is sent to you by the Lord as a response to your soul's desire. He is not a guru who is self-proclaimed as such; he is a guru who is asked by God to bring others back to Him. When there is a little spiritual desire, the Lord sends books and teachers to further inspire you; and when your desire is stronger, he sends a real guru.

There are teachers who expect their followers to be always at their beck and call, ready to obey instantly; and if they don't, the teacher becomes angry. But a spiritual teacher who knows God and is truly a guru never thinks of himself as a teacher at all. He beholds God's presence in everyone and feels no resentment if some students disregard his wishes.

The friendship that exists between guru and disciple is eternal. There is complete surrender.

Your servant, Bhaktin Aishvarya Pandit.

Dear Srila Prabhupāda,

Please accept my humble obeisance at your lotus feet.

You taught us devotion. You taught us compassion. You taught us the way to God. Nothing we do can ever repay the favor that you bestowed upon us. And everything we do will always be just a handful of water in your vastness of the ocean. But still, like offering the river's water again to the river itself, I offer this small offering in my capacity at your lotus feet. A poem to express our unwavering gratitude towards you and for your undivided impact upon us. Even the seed of this offering has been given to us by you. So, it already belongs to you. Please accept it at your lotus feet.

### THE RIGHT WAY TO WALK

I was trying to walk on the road

Walking less and falling more

Stumbling at every step

Crashing into every man

It seemed to be happening randomly out of unknown

And I simply had no choice or control of my own

Everyone around was also walking the same

Ignoring the fall and accepting their fate

So, maybe this was how it was supposed to be done

And it's absolutely normal to be a fallen one!

But then one day, a magician came

Not just walking but dancing along the way!

He could jump and run and even somersault

He could float in the air unattached to the ground

It seemed to be his special expertise

Oh, he could do it all with such utmost ease!

And every one of us simply stared him agape

How was he doing it! What was his secret way?

Then he told that there's a very simple way

That we all had forgotten in our lusty sway

He told us to get rid of our shiny shoes

To feel the ground barefoot and let them loose

Then he smiled at our silliness and taught us the way...

The way of truth, the way of devotion

The way of Knowledge, the way of love

He taught everyone to trust the air

It's our friend that supports us everywhere  
He had really come to simply hold our hands  
To lead the true path and show the way  
With his pure knowledge of soul and light  
He brushed our false ignorance away  
Tears started flowing down our childish eyes  
He treated us lovingly like his own  
He is the grace of the Almighty God himself  
Who came just out of his love for all  
He gave us everything wanting nothing in return  
It's not enough how much ever we thank him and yearn  
He came to teach the world how to live  
He taught us the right way to walk.  
Thank you Srila Prabhupada.  
Yours fallen servant,  
Bhakta Aniket.

## Bhakta Anurag Sharma

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet,  
Your fame is spread all over the three worlds. You have spread the holy name of Sri Krishna all over the planet. You made true all the predictions of previous Acharyas. One of them, as predicted by Srila Bhaktivinoda Thakur, is, "A personality will soon appear, and he will travel all over the world to spread the teachings of Lord Chaitanya." I was wandering and running after the goals in my life, but after coming under your lotus feet, I got the real goal of my life. The name of the occasion is 'Vyasa-puja', on the name of Sri-Vyasadeva, the literary incarnation of Lord Krishna. You have also done the same work by representing the instructions of Lord Krishna as it is. These instructions in the form of books, today helping the conditioned souls to get rid-off from the clutches of the material world. I am also one of them, who is able to chant 16 rounds daily only by Your causeless mercy.

Honorable Spiritual master, this causeless mercy is the reason, why a soul like me without any qualification has taken to the process. You have also the power to rescue one, from this material world, even he is not qualified. That is the reason that you are called the ocean of mercy. Srila Prabhupada, you have provided me the highest benefit with minimum efforts. In *Bhagavaad-gita* it is mentioned by Lord Krishna that:

*bahūnām janmanām ante jñānavān mām prapadyate  
vāsudevaḥ sarvamiti sa mahātmāsu-durlabhaḥ* (B.G 7.19)

"After many births and deaths, he who is actually in knowledge surrenders unto Me, knowing Me to be the cause of all causes and all that is. Such a great soul is very rare." But you are such a powerful Acharya that you have delivered the holy name (the Lord Himself) to the most fallen also. A lot of times this happened, that if there is some question or challenges in my mind, the same is resolved in your next day *Bhagavatam* class, or by reading your books. I don't know why you are so merciful on

such a sinful and fallen soul like me. Please, always engage me in the service of your lotus feet because it is said that, if the Spiritual master is pleased, then Sri Krishna is also pleased.

Your humble servant,

Bhakta Anurag Sharma.

Dear Srila Prabhupada ,

Please accept my humble obeisance unto your lotus feet, Today is the celebration of your appearance and it is the time of showing you our offering as a letter.

Srila Prabhupada, when I came in touch with hare Krishna movement I understand the ultimate question about life: What is life? What is perfection? What is the problem? From where we came and where we have to go? Our eternal relationship with Krishna as we are the part and parcel of the Lord. From your books, I understand that human life is only made for tapasya.

At every movement, we have to struggle but the choice is in our hand for whom we struggle either for serving the Lord or serving the *Maya*. If you would have not come in my life then my faith in God would have destroyed and my whole life would have spoiled. From your mercy, I understood that Krishna is Supreme and we have to serve Krishna in any condition of life, that is the ultimate perfection. As you told, in your books I can feel your presence there.

Thank you Srila Prabhupada, for giving me this life of proper understanding by the association of books and wonderful gift of devotional service. Give me the opportunity to become the servant of the servant of servant ..... of the Lord.

Your's servant,

Bhakta Chetan.

Dear Srila Prabhupada

Please accept my humble obeisance. All glories to you on this auspicious day of Vyas puja.

First of all, I am sorry to my spiritual master because I am unable to describe their incomparable and remarkable work only in a few lines. I do not have the capacity to describe those who work to change the life of common human being although their every day and every moment is for great effort to spread Krishna consciousness. Srila Prabhupada changed many frustrated and directionless people's life. He filled hope in hopeless person's life and even turned hippies into devotees by giving them Krishna consciousness and from this, they spread Sri-Bhagawan's message to the whole world.

Before I was so-called Krsna's devotee and not knowing why we serve Krsna? What is the purpose of life? And what is the connection b/w Krsna and us and I got all the answer by my spiritual master's mercy when I came in touch with the Hare Krishna Movement. So I am very much thankful & grateful towards all glories to the lotus feet of the spiritual master Srila Prabhupada.

Your humble servant,

Bhakta Dilip Paliwal.

Dear Beloved Srila Prabhupada,

Please accept my humble obeisances in your lotus feet. All glories to Your Divine Grace.

Thank you for coming to this world to save us in spite of the tremendous difficulties and obstacles which you had to face alone, depending solely on the mercy of the Supreme Lord Krsna and your eternal spiritual master, Srila Bhaktisiddhanta Sarasvati Thakura.

You are the Servitor of the Supreme Personality of Godhead, freely bestowing your causeless mercy upon the unqualified and ungrateful souls of kali-yuga. I am amongst the most fallen of living entities and yet, by your unlimited compassion, you have glanced in my direction and now my life has become successful.

Dear Guruji, it has been 3 years since I have been involved in HARE KRISHNA MOVEMENT. The years have gone by so fast that I feel like I have not spent enough of that time doing spiritual activities especially reading Srila Prabhupada's books. Many times I have heard you say in classes and in disciple meetings that how important his books are and that we should read them.

I think of you every day.

I think of all the words you have spoken.

I reflect of your sacrifices.

I reflect on your demeanor.

I admire your Vaishnava qualities.

I admire all those that you inspire.

I admire your resolve, passion and love for Srila Prabhupada's Mission.

I remember your gracefulness.

I feel your compassion.

I am humbled by your intelligence.

I savour your mercy.

Please forgive me for any offence I might have committed in my attempt to glorify your divine personality.

Your insignificant servant,

Bhakta Ghanshyam.

Dear Srila Prabhupada,

Please accept my Humble Obeisance at your lotus feet,

What you have given to this world is something that can't be expressed in mere words for me and it is really difficult to even elaborate what has just changed in my life. The thing that has a deep impact on me is self Realization. We were in a race to just earn, 'enjoy' and die, without realizing that we are not machines that are meant to perform a single operation the whole time. In fact, we are more than that. Maybe we are living in space with enough supplies, that is not just to spend our time on. In fact, human birth is meant for more than just living. And, not full, but some realization has come over me. You taught humanity to stop the rat race and realize what they are doing here. A rapidly fast-moving life isn't the only thing to live for, but it is more than that.

To some extent, now I can understand why material pleasures are not real. And they only give frustration at the end. And something that is eternal is real. Lastly, your teachings will definitely transform the generations to come. Thank you for your kind grace on us.

Your Fallen Servant,

Bhakta Himanshu Pandey.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet.

All glories to Your Divine grace on this most auspicious day of your divine appearance.

I'm very fortunate that I have received you as the Spiritual Master, in an authorized disciple succession.

You spread Lord Shri Chaitanya Mahaprabhu's teachings throughout the whole world. You are the intimate pure devotee of Krishna. You are the source of great inspiration for me. Krishna also says in the Bhagavatam that *acharya mam vijaniyan navamanyeta karhichit na matarybudhyasuyet sarvdevamayo guru*. Krishna says there is no difference between me and the spiritual master. The spiritual master is not an ordinary human being. The spiritual master spreads the love of Krishna everywhere. A sloka comes in Bhagavad Gita *tadh viddhi pranipatena pariprashnena sevaya updekshyanti te gyanam gyaninsatwadarshinh*. Krishna says in Bhagavad Gita that take shelter of a spiritual master and try to learn the real truth, humbly ask questions to spiritual master and worship him. Spiritual master gives you all answer because he knows the real truth. Prabhupada, you always inspired me in spiritual life. You simply say if we follow four regulative principles and chant 16 rounds daily then you will take us back to godhead. You have firm faith in your Guru Maharaj and Krishna.

Another incidence of a devotee was that in the evening kirtan time all devotees were doing kirtan and dancing before Radha Damodar deity. You joined them and effortlessly you raised both hands in the air and took small steps on the floor and clapping in the air and smiling. By seeing you Srila Prabhupada, all the devotees started feeling very enthusiastic at that moment. After kirtan you said when they are dancing in front of the deities and clapping then all their sins went away and they reached bhakti's higher level that's called samadhi. I liked this incident. In a simple way, Srila Prabhupada gave a

definition of Samadhi. Prabhupada always says that kirtan and dance should be done for Krishna's enjoyment. If you once please Krishna than your life is successful.

Prabhupada always gave a reply to each and every letter. There is an incident of a devotee that he thought Prabhupada is very busy in preaching he will not take out time for reading my letter but he wrote a letter to Prabhupada. Within 10 to 15 days Prabhupada replied to his letter, a full-page written by Srila Prabhupada. In that letter Prabhupada asked about chanting rounds, whether following the regulative principles or not, how many preachers are there etc and informed he would soon come there. Prabhupada read every single letter and gave a reply to everyone. Prabhupada cares for each and every one disciple.

Srila Prabhupada, by Your causeless mercy you are ever-present in so many ways. But my unfortunate position is that I have not been always conscious of your presence. I have not carefully followed your instructions to stay above the modes and engage in the transcendental service of your divine mission. Kindly bless me so I can follow all instructions given by you.

Your insignificant servant,

Bhakta Hrithik Arya.

My dear spiritual master, His Divine Grace A.C. Bhaktivedanta Srila Prabhupada,

Please accept my humble obeisance. All glories to you Srila Prabhupada on this auspicious occasion of Vyasa-puja,

First I want to thank you from my heart for giving me a chance to understand the true meaning of life without you I can't imagine myself happy. You showed us the true shade of happiness and what is the real purpose and what is the meaning of all this, the cycle of birth and death, without you I can never find answers to some of my questions and can never practice Krishna consciousness as you made it so easy and blissful. At first, I found difficulty in understanding the fact that you are still here but once I get into touch with the books and lectures, I feel the presence of you and it is true that everything else is false without Krishna, and without you, there is no true happiness.

I feel so lucky, so blessed to find myself eating prasadam, chanting the holy name, listening to you, reading what's true and dancing in kirtana without any anxiety and whatever I do under your guidance and with Krishna in my heart it will all become sublime

Thank you so much my spiritual master and thank you, Krishna, for giving me a chance to be one of the chosen few.

your most fallen servant,

Bhakta Jayesh Joshi.

My Dear Guru Maharaj,

All Glories to SRILA PRABHUPADA. Please accept my humble obeisance at your LOTUS FEET.

It is the first time I'm writing an offering to you Guru Maharaj, if I commit any mistake then kindly forgive this lowest servant of yours.

It has completed almost one and half year in my journey of practicing KRISHNA CONSCIOUSNESS under the instructions of SHRI KRISHNA's pure devotee, prominent acharya and beloved SPIRITUAL MASTER of every fallen soul of this age of KALI, who came a few decades ago to spread the HOLY NAMES of THE LORD and the divine mission of SHRI CHAITANYA MAHAPRABHU, to prove his prediction and to deliver the fallen souls by his causeless mercy.

Prabhupada, at your feet, masters sit. What you have done is the greatest gift that humanity will ever witness. KRISHNA BHAKTI is very very confidential and rare even for the great sages and the rishis then what to speak of us? But you out of your causeless mercy made it available for even the people having the lowest intelligence. You always taught us by examples. You did everything you asked your disciples to do. There is a very nice pastime regarding this. Whenever you read your books it seemed as if someone else had written. Once Srutakriti Dasa approached you and you were reading "B.G. As It Is" and you told that "If you just read this one book and understand, you will become Krishna Conscious in this very life". A few months later you were reading Nectar Of Devotion and said again "this book is very nice. Just by reading this one book, you can become Krishna Conscious."

Truly speaking, I'm not able to express my feelings that how dramatically my life has changed in past one and half year. I still remember that golden day when I was laying in my hostel room, practically wasting my human life and going through a tough phase of my life and I heard "B.G. As It Is". Those initial few days were enough to completely change the phase of my life. And when I look back on those days, I can clearly see that it was all your mercy only that brings the greatest fortune of my life-"THE KRISHNA BHAKTI". And it is also your mercy only that helps me to progress in this path of devotional service.

Guru Maharaj, if you examine me you will find no quality, I am lowest of the lowest, lower than a blade of grass, your mercy is all that I am made of, what can I offer you, O Guru Maharaj? I've nothing to offer you, I can only pray to you that you kindly engage me in your service. Kindly give me all strength so that I can use this body, intelligence and all my resources in preaching KRISHNA CONSCIOUSNESS and to deliver your message to other souls and can contribute in this divine mission so that I may be able to please you and then you kindly give this servant just one drop of mercy and eternally engage me in your service. And then this will be my only qualification that I'm a servant of yours and your'servants.

Material assets, money, material success, qualification etc all are nothing in front of your love and compassion. Let me always remain humble and not take any personal credit. Thank you, Guru Maharaj, for this wonderful gift of KRISHNA BHAKTI. Please allow me to remain your servant eternally and kindly take out all the bad from my heart. Kindly bless me, so that I can chant the HOLY NAMES of the lord with complete devotion.

Your Lowest Servant,

Bhakta Mohit Vats.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to Your Divine Grace on this most auspicious day of your divine appearance.

I have been associated with Krishna Conscious movement since last 2 years. Initially, devotees used to ask only to concentrate on chanting but later it was enjoyable. I started feeling like the stress was over before I was able to do my work more than before.

By joining the Krishna conscious movement, I came to know who is a cheater and who is right? Now it seems that I have slowly started to advance in Krishna consciousness movement. I beg for your blessing to fully engages in your divine mission.

Your Insignificant Servant,

Bhakta Narpat Patel.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Today is the celebration of your appearance within this world, and it is a time of great rejoicing. We are grateful to Lord Krishna for sending an empowered representative like your good self.

Srila Prabhupada, when I first visited the Hare Krishna Movement Udaipur, I felt very strange to see devotees only talk about Krishna and it was a little weird to me but when I visited on regular basis I realized something beyond this science that is spiritual science but I was not taking it seriously fearing it as a fake society. But gradually by Krishna and your grace, I could understand the importance of spirituality, importance of human life, position of Krishna and our relationship with Krishna. So I changed my association from materialistic persons to Krishna consciousness persons and shifted to Folk hostel.

Srila Prabhupada, I pray this day that with your blessings I follow your instructions, follow regulative principles, doing 16 rounds chanting and render service unto you and Krishna, Supreme Personality of Godhead. I also pray that by following your instruction I can correct my wrong believes, and become detached to material entanglements, totally reduce my sense gratification, become a better devotee of Krishna.

Thank you Srila Prabhupada, for the wonderful gift of devotional service which you have given me. Please allow me to remain your eternal servant.

Your fallen servant,

Bhakta Prakhar Shourie.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your divine lotus feet on this most auspicious day of your divine appearance. All glories to your divine grace. Your appearance is your causeless mercy on the conditioned souls who are suffering in this world due to the dense darkness of this age of *kali*. To dispel this darkness you have given us the Holy name of the Supreme Lord Sri Krishna. You have given me the matchless gift of chanting Hare Krishna *maha-mantra*:

*HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE*

*HARE RAMA HARE RAMA RAMA HARE HARE*

*Guru-mukha-padma-vākya cit te te kariyā aikya āra nā kariha mane āśā*. Please bless me so that I always remain attached to your instructions. By your mercy, I have realized that it is important to seek out a real representative of the Supreme Personality of Godhead and serve under him. If he is satisfied, then we should know that the Supreme Lord is also satisfied. That is explained by Viśvanātha Cakravartī Ṭhākura:

*yasya prasādād bhagavat-prasādo, yasyāprasādān na gatiḥ kuto'pi  
dhyāyaṁstuvanāṁ tasya yaśas tri-sandhyaṁ, vande guroḥ śrī-caraṇāravindam*

'By the mercy of the Spiritual master, one is benedicted by the mercy of Kṛṣṇa. Without the grace of the Spiritual master, no one can make any advancement. Therefore, I should always remember the Spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my Spiritual master.' It is my greatest fortune to come in touch with your divine mission. I beg that you please shower your mercy on me so that in any time, place, and circumstances I can chant 16 rounds of Hare Krishna *maha-mantra* daily and regularly read your books. Please make me very sincere, serious, cautious, and conscious. Kindly shower your causeless mercy so that I can become an instrument in your glorious movement.

Begging to be your eternal servant, Bhakta Raghav Maheshwari.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to Your Divine Grace on the most auspicious day of your appearance.

Most people came in contact with the Supreme Soul when they are in the time of trouble and they don't know "How to win this battle of life?". But due to the grace of yours, I was delighted with the mercy of Krishna when I was in a stable state of mind according to the material world.

From my childhood time, I was attracted by the almighty, His grace and His mercy. I was in the fake dilemma that "Whatever I've done is sufficient to uplift me towards the Super soul?". As soon as I started practising Krishna Consciousness, I realized that I have just discovered the negligible part of life.

After surrendering unto you I realize the actual goal and duty of my life. I understand the real purpose of life and also the reality behind these fake luxuries of material life. While reading and listening to your lectures and stories, my whole body gets pumped up and drag me towards the Bhakti.

During the live session of yours, I realize the actual potential of a pure soul. Your way of approaching taught me a lot, your way of speaking helps in changing my nature towards the problematic situation and last but not the least your goal of having 108+ temples across the world helps me tie my dreams with the lord and keeping Krishna in the center for any purpose of life. I have really applied these in my life and with your grace, I will be in touch with devotees for the rest of my life.

"The whole world is taking the fake credit of inventions; they don't realize that all these features are provided by the Supreme Personality."

Thank you so much, Prabhupada for making me humble and I request you to retain your grace on me.

Again, on the occasion of Vyasa Pooja, I want to become your servant by taking shelter of your lotus feet and want to contribute to the worldwide Hare Krishna Movement from my place.

Your fallen Servant,  
Bhakta Rishabh Doshi.

Dear Srila Prabhupada,

namaste saraswatedevegaura-vani-pracarine, nirvishesha-shunyavadi-pashchatya-desha-tarine*

On this most auspicious day marking your divine appearance, I beg you to kindly allow me to become a speck of dust at your lotus feet. Ever since I've come in touch with you, my whole life changed from every perspective. Being in association with the modes of material nature, I never knew the true motive of this human life. At the beginning of my *bhakti* process, often I used to come up with the thought, 'Why to serve any Spiritual master when our goal is to go back to Godhead?' After inquiring about this from devotees, I came to know, you only take us back. In order to serve Krsna, I have to become pure. In the course of time, I have become aware that actual purity is proportionate with our surrender to you. Following the regulative principles and chanting not only advance us in our spiritual life but also in material life as well, even though they are not important. At first, One practices Krsna consciousness for different desires, But after reading your books and teaching we came to know more about *bhakti*.

I have done many mistakes in this path of self-realization but every time in some form you are there to teach me. Though I never met you or saw you directly, I have been seeing you through your literature and your dear most 'Hare Krishna movement.' This world is blessed to associate with a pure devotee like you, who is serving his Spiritual master without any

self-interest. In the end, I beg your mercy to kindly give me a service attitude towards you just like you have for your Spiritual master.

Your most fallen servant,

Bhakta Rohit Gupta.

Dear Srila Prabhupada,

Please accept my humble *dandavat pranam*. All glories to Srila Prabhupada,

Hare Krsna Prabhupada. I am very happy for having You as my Spiritual master. I am very thankful to you and Krsna that you choose me among all these persons that I came in touch with this hare Krishna movement. I like one incident that you came in my dreams one night. All of the teachings given by you are all very much helpful to me. There are a lot of changes in my life after your association. I am trying hard to follow your instructions but without your mercy it is hard. So please look at me and help me to fulfill your desires to serve Krsna. Please make some arrangements for me to advance in Krsna consciousness. Please increase my desire for love for Krsna.

This year I understood that the material world is full of miseries. But still by chanting hare Krsna *maha-mantra* given by Chaitanya Mahaprabhu I can survive here. Please make some arrangements for the rest of my life so that I can follow Krsna consciousness, so that I can follow four regulative principles, so that I can chant, '*Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Ram Hare Ram Ram Ram Hare Hare* without any offense.

Your's servant, Bhakta Rohit soni.

Dearest Srila Prabhupada,

Kindly accept my humble obeisances unto your lotus feet,

I can't explain your glory with my futile intellect but tried a little through these poetic lines. Please accept my obeisance.

'Inside my mind, I used to say

What's Guru benevolence, what's Guru benevolence

Unless I have come in touch with your divine grace

Jaya Prabhupada, I said.' Sri Krishna says, 'Guru stands first than me'. Firstly I did not accept it and my mind was asking, why? One day, I heard Hare Krishna chanting in college and came in touch with this worldwide movement. Frequently I Google out about this and get to know about Your Divine Grace. This was all myth breaking. I was extremely inspired to know more about you Gurudeva. It indeed taught me a lesson that anything is possible with firm determination and Sri Krishna's grace. Then I got my answer that always Guru stands first than God. It is possible due to your grace, Gurudeva. You taught the world, who is Lord Krishna, and what is our duty, i.e. to serve Lord Krishna by *bhakti-yoga* in this age of *Kali*. Now I know that without a Guru one can not understand God. Your divine instructions teach us about the ultimate aim of this life and remove the dust of *Maya* from our mind.

Now I keep chanting these holy words "HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE, HARE RAMA HARE RAMA RAMA RAMA HARE HARE" and always feel happy. It is due to your blessings. All glories to A.C. BHAKTIVEDANTA SWAMI PRABHUPADA.

Your Most Fallen Servant, Bhakta Ronak Vijayvagiya.

Dear Srila Prabhupada,

Message from Srila Prabhupada:

*"Chant Hare Krishna sincerely and all good intelligence, consultation shall come from within. Krishna says that 'those who are engaged in my service, I give intelligence for his/her progressive march'".*

With my utmost regards to respected Srila Prabhupadji, may his light shine upon us all. His teachings are of great help for me as I am beginning to experience the road which Lord Krishna has paved for us. I have been reading books written by Srila Prabhupada and changed many aspects of the way of life I was living before. There was an incident four years back ago when I was just about to start with my 10+2 back in 2016, because of my temper (I had temper issues) I was punished to be at home for eight months and not to attend school. It was shocking for me and my family that because of my bad temper not only I suffered but I let down my family as well, but as it's said it's never too late to realize the deeds that are not acceptable and to rectify that, my father introduced me to the greatest spiritual study that according to me exist in this world which is Krishna Consciousness. I began chanting and within months I started to realize the difference in my temper, I am happy that this process of purification of soul had changed something in me for which I am grateful.

Slowly and gradually as I am on this path of eternal happiness, I am developing the habit of reading the books written by Srila Prabhupada and his teachings are of big help to me as I am beginning to realize the difference between spiritual and material world. In the end, I just want that Lord Krishna and Srila Prabhupada's light may shine upon us all.

Your humble servant,

Bhakta Tejaswin Pandit.

Dear most Srila Prabhupada,

Please accept my humble sincere obeisance at the dust of your divine lotus feet. All glories to you on this most auspicious day of your followers with your divine benevolent appearance day.

There's a pretty difference in between Guru Purnima & Vyas Puja day. We often say that guru purnima or guru- puja must be celebrated for the pleasure of our spiritual master- as well to glorify him in above all the three worlds. But Srila Prabhupada, as you asked that why there must be only one day of guru- puja or sankirtana for the pleasure of guru? This must be performed all days throughout the year. Remembering our spiritual master is not only for the days of his divine appearance & disappearance , the disciples duty is to serve his guru maharaja & to remember him as in a

*satatamkirtayanto mam, yatantascadrtha-vratah  
namasyantasca mam bhaktya, nitya-yuktaupasate*

Once a new boy came in touch with Krishna consciousness and at the 2<sup>nd</sup> day of his temple darshan en route, he asked me "How do you feel the presence or serving attitude to the guru?" I replied "There is no question of feeling the presence, because as stated in the Vedic literature: A spiritual master can be served by two ways:- 1). VAPU 2). VANI. A follower or a disciple must be more attached to the instructions or vani presented by the Acharyas. By this one may get the feeling presence of his spiritual master."

Srila Prabhupada, how can I serve you by my these material senses and how can I glorify you by my contaminated mouth? Because as Krishna's energies & qualities are unlimited similarly his devotee's glories are unlimited. Srila Prabhupada, you are a true authorized representative of Srila Vyasadeva by spreading this Krishna consciousness throughout the whole world. You inaugurated the "HARE KRISHNA MOVEMENT" for the fallen souls to get the Krishna bhakti in the shelter of your divine presence.

Srila Prabhupada, you are a true leader of a society who spreads the message of Sri Caitanya Mahaprabhu- Mission of harinam Sankirtana to the whole world in the mood of an unconditional- selfless way of manner. Today I'm able to understand & I'm very fortunate who has taken the shelter of a pure devotee. Srila Prabhupada, on this most auspicious day I would like to quote two lines: yadi Prabhupada an hoito, table kihoito ,kej Ivan bahit aklishhe. Prabhupada if you were not there today how can we cross the ocean of this nescience of birth, death, old age, disease cycle. As we offer this prayer

*om ajnana-timirandhasya jnananjana-salakaya, caksur unmilitam yena tasmai sri-gurave namah*

Translation:-I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

When will Srila Rupa Gosvami Prabhupada, who established within this material world the mission to fulfil the desire of Lord Caitanya, give me shelter under his lotus feet!!.

Srila Prabhupada You gave me many opportunities to serve you like distributing the books, serve the Vaishnavas devotees, preach the Krishna philosophy to each & every one. I remember one of your quote "This Krishna consciousness is not a sectarian policy anyone can be benedicted by following the process. Preach this message to anyone and everyone. Lord Sri Gaur-Hari is so merciful that He bestows His mercy to every living entity." Just like Sri Caitanya Mahaprabhu- Srila Prabhupada you are the incarnation as we called SAKTYAVESHA AVATARA, to deliver the fallen conditioned souls. I'm in a very great fortune by joining as a soldier of SRILA PRABHUPADA'S ARMY.

On this day, I beg for your blessings to fully engage in your divine mission.

Your insignificant servant,

Jai Srila Prabhupada,

Please accept my humble obeisance to your lotus feet,

In the time when my mind was going up and down, flattering, flicking in the ocean of thought without any goal, you took me up, fixed me up on the definite path. It's all your mercy that now I am able to know about Krishna, the Supreme.

I remember one of your pastime when a furious Christian missionary came to argue with you how he can transform his people into his disciples, the angry missionary came running towards you, but as soon as he saw that you were smiling and having a gentle talk with his disciples he calmed down and sat nearby, then when you inquired about his presence, he asked his question, then you replied that " you always told them God is great, God is great, but never told them how great he is, I just told them that". By hearing this the missionary got satisfied and returned happily.

That is the influence of Prabhupada that souls surrendered after him.

Prabhupada you are great.

Your fallen servant,

My Dear Guru Maharaj,

Please accept my humble obeisance unto your lotus feet,

All glories to you my spiritual master. All glories to your Divine Grace Srila Prabhupada on this auspicious appearance day of *Vyasa-puja*,

You are a very pure devotee, and a personality of your kind very rarely exists. Only out of His immense compassion does the Personality of Godhead reveal Himself as the Spiritual master. Therefore in the dealings of an 'Acharya', there are no activities, but those of transcendental loving service to the Lord. It is worthwhile to take shelter of such a steady devotee, who is called the manifestation of the Lord of whom one must take shelter. By coming in touch with Your Divine Grace my life has faced many changes, I have got firm trust in *Nama-japa*, as the Chanting Hare Krishna purifies our heart and actually delivers all fallen souls, without a doubt. Anyone who takes to this chanting process will become saintly. He will become a pure, a Krishna conscious person. I came to the understanding that I am an eternal servant of the Supreme Lord, Krishna because *Vasudevah sarvam iti*: [Bg. 7.19] that Vasudeva, Krishna, is everything". I am able to think that I should only want the Lord's causeless devotional service, birth after birth. My spiritual goal is that I carry out your orders of distributing this Krishna consciousness to the best of my efforts for the sake of humanity.

My firm conviction in devotional service to Krishna has awakened only because of your mercy. You only showed us the path of spirituality. By you only we can come to the understanding that Krishna is the Supreme Personality of Godhead, the *param satya*. There is no sinful living entity who is more of a sinner than myself. Nor is there a greater offender than myself. I am so greatly sinful and offensive that when I come to confess my sinful activities before You, I am ashamed. On this most auspicious appearance day, I humbly beg you to shower your blessings and mercy on me so that I can progress in Krishna consciousness. Please forgive my offenses and give me the strength to carry out your orders in the association of your sincere disciples.

Begging your mercy at all times, and always aspiring to be in your service,

Your servant,

Bhakta Vishal Sharma.

हे ! गुरुदेव, मुझ अधम का प्रणाम स्वीकार कीजिये प्रभु । यद्यपि मैं पतित हूँ परन्तु आप करुणानिधान पतितपावन साक्षात् कृष्णकृपा मूर्ति है । गुरुदेव आपकी कृपा से इतना भरोसा तो हो ही गया है कि भगवान श्रीकृष्ण ही परमेश्वर है । सांसारिक इच्छाओं की पूर्ति के लिए अब कोई किसी भी अन्य देवी देवताओं का कितना भी महिमा मंडन क्यों न करे आपकी दया से अंतर्मन मे हमेशा ये बात रहती है कि सबके स्रोत श्री कृष्ण है । भगवान नाम की महिमा का जो आपने पूरे विश्व मे आंदोलन छेड़ा है पूज्यवर, 50 वर्षों बाद भी ऐसे फैल रहा है जैसे आप स्वयं उपस्थित हो इस कार्य में । आप श्री कृष्ण के परम प्रिय भक्त और भगवान द्वारा भेजे गए एक सशक्त योद्धा है जिन्होंने पूरे विश्व मे हरिनाम को फैलाया और बद्ध जीवात्माओं को मुक्त करके भक्ति रस का पान कराया । निःसंदेह भगवान बलराम ने अवश्य स्वयं आप को बुला कर बल से परिपूर्ण करके हमारे उद्धार के लिए भेजा है । श्रीमती राधारानी जी ने व्यक्तिगत रूप से आपको दया से भरकर हमारे ऊपर \_\*अहैतुकी- कृपा\*\_ बरसाने भेजा है । गुरुदेव मैं सतत रूप से भगवन्नाम जप कर सकूँ ऐसी शक्ति दीजिये । हे! नाथ मैं नित्य कृष्ण सेवा आपकी सेवा गौ सेवा और वैष्णव सेवा में \*हृदयसे\* लग सकूँ ऐसी कृपा कीजिये गुरुदेव । आपकी कृपा के कारण जीवन मे आनंद का प्रादुर्भाव हुआ है । हे! करुणानिधि मेरे जीवन मे ये दिन-दिन बढ़ता ही जाए ऐसा आशीर्वाद दीजिये । आप इस संसार मे अभी एकमात्र अनुमोदित गुरु है, और ये मेरा परम सौभाग्य है कि आपने मुझे अपनी शरण मे लिया । मैं आपके चरणों की जितनी वंदना करूँ कम है ।

आपने ही बताया भगवद्गीता द्वारा भगवान हमे क्या कहना चाह रहे है । 12वे अध्याय में भगवान कहते है! अर्जुन तुम सतत (प्रतिक्षण) मुझमे लीन रहो । अगर तुम ये नही कर सकते तो फिर वास्विक आचार्यों द्वारा बताए गए विधान का पालन करो । अब हमें ये मंगला आरती,जप,भागवत कथा,सत्साहित्य पाठन, कीर्तन और प्रभुप्रसादम आप नही सिखाते तो हम कभी नही समझ पाते कि भगवान किस चीज के लिए जोर दे रहे है । गुरुदेव की महिमा में मुझे गुरुवाष्टक की ये पंक्ति याद आती है

\_\*शरीरं सुरुपं तथा वा कलत्रं यशश्चारू चित्रं धनं मेरुतुल्यम् ।\*\_ \*मनश्चेन्न लग्नं गुरोरंग्रिपद्मे ततः किं ततः किं ततः किं ततः किम् ॥\*\_ सुंदर शरीर, भार्या, चारों और यश, और सुमेरु पर्वत समान धन भी व्यर्थ है उसका क्या लाभ ? यदि गुरु के चरण कमल में मन स्थापित नही हो । हे! दयानिधि आप मुझ पर ऐसी ही दया बनाए रखना की मैं आपको कभी भी न भूलूँ कभी भक्ति भाव न छूटे ।

आपका दासानुदास

## Bhakta Vivek Pandit

Dear Srila Prabhupada,

Kindly accept my obeisance unto your lotus feet. Jai Srila Prabhupada,

The showering of your blessings is still continuously falling upon me for last more than five years and since then, I am receiving your guidance in many ways, through your disciples. Your favor upon me has completely changed the inner and outer scenario of my personality by inspiring and motivating me to chant to 16 to 20 rounds every day of Hare Krishna Maha-mantra, the Holy Name of Lord Krishna. This holy happening made me to really find out the real self, hidden within this material body and now which is ascertaining me gradually towards what is my true identity and to which constitution I really belong to. It all happened through your blessings, Srila Prabhupada. To become knowledgeable of self which is one of the most required fundamentals of knowing the reasons for birth and death again and again in this material world.

In a continuous pursuit of reading and listening to your books and lectures given around the globe and then, by the inspiration of Shri Krishnapad Prabhu about four years ago I opened a Whatsapp Club named as 'कृष्ण-आश्रय', in which almost after a daily study of your books and then listening one of your spiritual lecture for two to three hours, I am continuously sending your writings and your spoken words (Lecture) to near about Six hundred people around the globe and in which almost two hundred devotees are the registered members within this Whatsapp group. I am feeling immense joy in circulating your views and sayings about the self-realization and surrender ship unto the lotus feet of the Supreme Lord Krishna.

Srila Prabhupada, you ignited the divine light in me through Shri Krishnapad Prabhu almost five years before and since then I am in a continuous pursuit to give the ignition to whoever comes in contact with me and I pray to him to give me more strength to pursue to ignite more and more persons on this earth because this divine light requires more efforts to make it shine forth.

By keeping myself educated and enlightened by reading your *Srimad-bhagavatam* and along with *Bhagavad-gita*, *Chaitanya-charitamrita* and your plenty of publications, the conditioning of my mind is getting regulated always towards the proper direction and that is the path of Self-realization. And then, gradually I came to know that this material body which is called क्षेत्र, the field and within it dwells the real owner of the body and the Supreme Lord. We got this material body simply to revive our forgotten relationship with the Supreme Lord Krishna and go back to our original home, back to Godhead.

In the last, I would like to stress upon a point that from studying your books and listening to the lectures, the prayer of my heart is outlined as....

अस्तो मा सद्गमय / तमसो मा ज्योतिर्गमय/मृत्योर्मयामृतगमय.

'Srila Prabhupada, lead me from the unreal to the real/ lead me from the material darkness to the spiritual light/ lead me from death to immortality.'

Your Insignificant Servant,

Bhakta Vivek Pandit.

Dear Srila Prabhupada,

*Om ajnana-timirandhasya, Jnananjana-Salakaya, Caksur unmilitam yena, tasmai sri-gurave namah.*

*Sri Caitanya-mano bhistam sthapitam yena bhutale, svayam rupah kada mahyam dadati sva-padantikam.*

Please accept my humble obeisance at your lotus feet. I have to admit that I feel totally unqualified to write this Vyasa-Puja offering. Due to my contamination, I am unable to fully describe your achievements and glories.

Srila Prabhupada! Because of your mercy, the most secret of all secrets has become available throughout the world and the mass public are following your footsteps of vigorous preaching, chanting, temple worship, festivals and prasadam distribution and you have made it so simple for the simple. Indeed, simply by your smile and your words, it is so easily available to everyone, and we taste the sublime spiritual loving relationship. My dear spiritual master, sometimes I feel, what if, you had not appeared or delayed to come to this world then who would have saved us from this rotten life. Really we are very fortunate to have you and whatever you said and whatever you showed to us, I felt it so simple to follow and even the other yugas even though they were bonafide process to go back to godhead, but they are very hard to follow compare to your simple instructions. All glories to you Prabhupada.

Srila Prabhupada! As you said, the human body is the boat, the instructions of Lord Krishna are the favourable wind, and the spiritual master is the navigator. The spiritual master knows well how to adjust the sails to catch the wind favourably and steer the boat to its destination. If, however, one does not take advantage of this opportunity, one wastes the human form of life. Wasting time and life in this way is the same as committing suicide. Any human being who has little brain substance can really understand the value of human life by this analogy.

Srila Prabhupada!, You mentioned “the secret of my wonderful activities is that I have not tried to adulterate it. I am simply presenting as it is. In the Bhagavad-gita Krishna is the Supreme Personality of Godhead. So I have told you that Krishna is the Supreme Personality of Godhead. That's my credit. I did not like to take the position of Krishna. I remained a servant of Krishna, and I spoke what Krishna said. That's all. This is my secret. So everyone can do that. There is nothing magic.”

The magic will act as soon as you become a pure devotee of Krishna. The magic will be done by Krishna, not by me or you.

He will do it. Prabhupada, this perfectly shows how the devotee should act and behave in his life. Srila Prabhupada! I humbly pray at your lotus feet that please give us more and more taste for chanting the Hare Krishna mantra. By your mercy even one as fallen and disqualified as we are can make one-lifetime mission success by following your instructions, Prabhupada I was in the darkness which Was covered over me for so many years, you are the one who guided me through your devotees, Even though I have experienced the ups and downs of this material life. I am not even eligible to describe how great you are, Prabhupada you have shown your causeless mercy on all the fallen souls, My dear spiritual master, I pray at your lotus feet to always keep me under your shelter even though I am the most fallen amongst all of them. I thank you for giving me an opportunity to serve your mission.

Please forgive me for any mistakes, offences and bless me proper intelligence to become Your nice disciple.

Servant at Your lotus feet,

Bhakta Yuvraj.

प्रिय गुरु महाराज,

आपके चरण कमलों में इस तुच्छ सेविका का प्रणाम स्वीकार करें।

इस व्यास पूजा के पावन अवसर पर आपके समक्ष मुझे अपनी भावनाएं प्रकट करने का सौभाग्य प्राप्त हुआ है।

मैं आपका हृदय से आभार व्यक्त करना चाहती हूँ कि मुझे आपकी संस्था और आपके शिष्यों के माध्यम से आपका आश्रय प्राप्त हुआ है। मैं आपकी शिक्षाओं को अपने जीवन में ग्रहण करने का पूर्ण प्रयत्न करती हूँ। यह आपकी शिक्षाओं का ही परिणाम है कि हम प्रातः काल भगवान की मंगला आरती तथा हरे कृष्ण महामंत्र का नाम जप कर पाते हैं। यह भौतिक संसार दुखों का घर है जो कि अनित्य है, जैसे भक्त प्रह्लाद महाराज को बहुत कष्ट मिले फिर भी वह श्री भगवान के पवित्र नाम का निरंतर जप करते रहे तथा कष्ट उन्हें छू भी नहीं सके। जब हम भगवान की दिव्य प्रेमा भक्ति में लगे रहते हैं तो भगवान भी हम से प्रेम करने में पीछे नहीं हटते क्योंकि भगवान् को तो भक्त ही अत्यंत प्रिय है। यह आपकी ही कृपा है कि हम भगवान कृष्ण की प्रेममयी भक्ति कर पा रहे हैं, जैसे कि लड्डू गोपाल की पूजा, आरती करना, उन्हें भोग लगाना तथा उनका श्रृंगार करना जो हमें एक आनंद प्रदान करती है।

आपका सबसे बड़ा योगदान आपके ग्रन्थ हैं। यह ग्रंथ विद्वानों द्वारा उनकी प्रामाणिकता, गंभीरता एवं स्पष्टता के कारण अत्यंत सम्मान प्राप्त हैं। मैं प्रयत्नशील हूँ कि आपके द्वारा प्रदान किए गए दिव्य ग्रंथों का अध्ययन निरंतर करूँ तथा आध्यात्मिक जीवन में प्रगति कर सकूँ। कहां गया है विष्णोराराधनं परमं भगवान विष्णु या कृष्ण की उपासना सर्वोत्तम उपासना है किंतु विष्णु की उपासना से भी उत्तम एक वैष्णव या विष्णु भक्त की उपासना है। उदाहरण के लिए हम इन तुलसी के पौधों की उपासना करते हैं, हम समस्त पौधों की उपासना नहीं करते किंतु क्योंकि तुलसी का भगवान कृष्ण के साथ घनिष्ठ संबंध है अतएव इनकी उपासना करते हैं उसी प्रकार आप भगवान कृष्ण के शुद्ध भक्त हैं अतः आपकी उपासना भी अधिक उत्तम है। आपकी कृपा से हम भगवान श्रीकृष्ण की शुद्ध भक्ति करते रहें और इसी मूल्यवान मनुष्य जीवन में बद्ध जीवन से मुक्त होकर भगवान श्री कृष्ण की अहेतुकी कृपा प्राप्त कर सकें।

आपकी तुच्छ सेविका,

भक्तिन लीला शर्मा।

## Bhaktin Sneha Sachit

Dear Srila Prabhupada,

Kindly accept my humble obeisance at your lotus feet,

The appearance day of Srila Prabhupada i.e. *Vyasa-puja* is an occasion of immense jubilation as by the mercy of Lord Krishna we have got yourself as Spiritual master/ Guru. I am immensely indebted to Srila Prabhupada. If I had written this line a few months back, then it wouldn't have made sense. But today I can undoubtedly say that I have no words or words are not enough to express my gratitude towards Srila Prabhupada. He is the person who has gone through blood, sweat, and tears to make us understand the true goal and meaning of this life. He presented the real goal that is *Bhagavad-gita* -11.55

*mat-karma-kṛṇ mat-paramo mad-bhaktah saṅga-varjitah nirvairah sarva-bhūteṣu yah sa mām eti pāṇḍava*

One who is engaged in My pure devotional service, free from the contaminations of previous activities and from mental speculation, who is friendly to every living entity, certainly comes to Me. He delivered the goal in a palatable way so that the present, miserable and insubstantial modern age generation can understand the truth that material goal, for which we are running after is not the real goal. Instead, it is anityam asukham lokam according to *Bhagavad-gita* 9.33. He not only has set the goal but in fact, has shown the path and complete process to achieve the real goal of life. To save us from bewilderment, he has gifted us his books, disciples, and the Hare Krishna Movement through which we miserable living entities have come to know that how a spiritual institute should be and its followers. He restored the dignity and enlightens one the meaning of a Guru / Spiritual mater. He literally delivered the meaning of *Bhagavad-gita* 4.34

*tad viddhi pranipātena pariprasnena sevayā upadeksyanti te jñānam jñāninas tattva-darśinah*

Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth. On this very auspicious occasion of *Vyasa-puja*, I wish to follow the path shown by you and aspire to serve your lotus feet.

Your servant,

Bhaktin Sneha Sachit.

Why I should have been allowed to get your mercy!? There is no valid reason. Therefore your mercy is termed CAUSELESS. That's why you can purify even the places of pilgrimage.

Please forgive me for all the offenses that I have committed at your lotus feet and bless me so that I can surrender my every breath in serving and following your divine instructions.

Begging your mercy again and again,

Dear Srila Prabhupada,

I wish to offer my most humble obeisances thousand times. Srila Prabhupada, being a pure devotee of Krishna you are trying to make everyone Krishna conscious. That is why you have emphasized reading of books and distributing your books.

Your books have changed so many people and made them Krishna devotees. Srila Prabhupada, you are living through your books and are still preaching. Prabhupad you have taught us how to chant qualitatively. You have also taught us 'Simple living and high thinking'.

I am very grateful and thankful to you, Prabhupad as you are so merciful to always guide us through your books.

Thank you so much Srila Prabhupad.

Srila AC Bhaktivedanta Swami Prabhupada Ki.....Jay,

Your humble servant, Parijatam Devi Dasi.

Dear Gurudev Srila Prabhupada,

Please kindly accept my humble obeisances,

All glories to Sri Guru and Gauranga, as the years pass on just like waves in the ocean, I consider myself most fortunate to have you as my only Spiritual Master. However, Maya is so strong that even if there is a little ignorance in devotional service, she takes control of my life. Just by watching your pastimes, reading your books / quotes, listening to your lectures / songs, it makes me to hold on to continue this spiritual life. Thank you for keeping me closer to you. I pray that I will always have you as my spiritual master birth after birth, for without you, I am totally lost in this material world.

Yours humble servant,

Prema Rupa Devi Dasi.

better, wiser, and noble being. It is not easy as we all are in the midst, still struggling and battling in this material contaminated world. I'm still a rascal. Prabhupada, you have taught us a lot of lessons and one of it is that you have always reiterated on the fact that "we are not this material body, we must give spiritual pleasure by serving to Krsna". Following this, I'll promise to allocate more time to read all your books and be dedicated more in giving time to spiritual conditions. Please guide and be with me on my journey towards Paramatma's lotus feet; Bhagawan Sri Krsna.

Prabhupada thanks a lot for coming into this world and show us the path of Bhakti. I bow down at your lotus feet and pray that I'll always remember you in any situation.

Dear Srila Prabhupada,

All glories to Srila Prabhupada.

Please accept my humble obeisances unto your lotus feet.

As days are passing in Krishna Consciousness, I am also getting new new realizations and turning points in my life by your blessings that how you're changing my heart from the ignorant condition. You are like lighting lamp who is showing path to me to come out from material existence.

As a condition soul my nature is to forget Krishna but because of your divine mercy I am able to remember Krishna. Which is not possible for living entity like me who is living in material existence, away from Krishna. That's all due to your causeless mercy that I am remembering as well as doing devotional service.

Sometimes I am happy, sometimes in distress, sometimes I go through some challenges as ignorant person but always you gave me strength and path to face in a Krishna Consciousness way and fixed up my mind upon devotional service.

Thanks Prabhupada for revealing Krishna consciousness to such fallen soul.

"Krishna is the supreme personality of Godhead" very easily we say but actually it is very difficult to understand who is God. People are confused outside but in ISKCON everybody knows Who is God. It is possible only by the causeless mercy of pure devotees like you.

Thanks Prabhupada that you brought me in devotional service platform from animal Life.

Thanks Prabhupada that you made me realize that Krishna is the only protector, maintainer, friend and lover of all living entity. Without Krishna no existence materially as well as spiritually.

Thanks Prabhupada for revealing that you are my eternal spiritual master. *Janme janme prabhu sei.*

Your lotus feet are the only abode of bhakti and friend of the fallen souls.

Without spiritual master life is full of darkness.

By the transcendental knowledge given by spiritual master is the only Means to come out from the darkest region of material existence.

Without guru, difficult to achieve Krishna (*yasya prasada bhagavat prasada*) *guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja.*

I am not qualified to become your disciple even though you accepted me as your disciple.

You are my real and eternal father.

Many times I felt your presence personally and realized that you are with me giving directions.

Today I am able to perceive Krishna's beauty because of you.

My heart is changing day by day because of you.

Getting ideas to preach KC in different ways and means because of you.

Purification of consciousness is happening because of you.

Feeling KC happiness and pleasure because of you.

Practicing saadhana and doing devotional service everyday because of you.

Understanding Krishna, Chaitanya Maha Prabhu and greatness of Acharya because of you.

Getting realizations about material existence and it's root cause because of you.

Today what I am is because of you.

So always please be merciful unto me Prabhupada and bless this fallen soul so that I can serve you more and more with my full strength.

Because pleasing you means pleasing Krishna.

Please always shower your mercy unto this fallen soul so that I can keep your lotus feet always in my heart. This is the only my prayer unto your lotus feet.

Knowingly and unknowingly if I have committed any offence please forgive me Prabhupada.

Please always protect me from maya and bless me to serve you

Thanks Prabhupada for your causeless and unlimited divine mercy upon me.

*namo om vishnupadaya krishna preshtaya bhutale srimate bhaktivedanta swamin iti namine*

*namaste saraswate deve gaura vani pracharine nirvishesha shunyavadi pashyata desha tarine*

My dear Spiritual Master,

All glories at your lotus feet.

Another year has passed and the fact that you are protecting me in spite of being unworthy disciple shows your magnanimous mercy on this useless soul. It is told in the shastras that spiritual master has a great degree of tolerance and you yourself have written in the purport of Srimad Bhagavatam and I can actually experience the true meaning of this statement now. I can feel that you have a very different path for me to reach your lotus feet. The fact that my mind is trying to question me and trying to find answers has displayed a rebellious nature at your lotus feet in spite of me trying to tame it. People say I have fallen into Maya, but I actually wonder was I ever away from it?

Remembering your earthly pastimes gives chills in the body that how can a man at his old age travel west and create a spiritual revolution. This is the testament to the great fact that Your Divine Grace was directly empowered by the Supreme Personality of Godhead. The magnanimity of Your Grace can never be fully understood by the conditioned soul. Please forgive this utter useless disciple of yours for being unable to carry your instructions. I do have a very grand plan for preaching which will require a tremendous amount of hard work from my side. As the expansion of Supersoul, you know everything which is happening in your disciple's heart. And I know for a fact that reaching back to Godhead will take another million of a lifetime. So Your Grace knows what is there in my mind. Kindly accept if you so desire.

Thanking you for everything

Your humble servant and most useless disciple

Nikhilatma Dasa.

## Radha Jivan Dasa

---

Dear Srila Prabhupada,

Please accept my humble obeisances.

It's been 3 years since I have gained your shelter and I consider myself very fortunate to have you as my Spiritual master, eternal father, guide, and friend. There are countless qualities and realizations that I have had experienced after coming in touch with you. I would like to mention a few here. I cannot properly estimate the great fortune that I possess right now and I thank you so much Prabhupada for this great favor upon this insignificant, sinful, wretched soul.

When I was young I had a desire that I want to solve all people's suffering in order to make this world a better place. But as I grew up I got baffled and frustrated not being able to do it, because I did not know what was the real problem or root cause of our suffering. Any solution I thought was temporary, very insignificant, and easily vincible. Then, when I came across your books I read, 'Godlessness or forgetfulness of Krishna is the root cause of all sufferings in the society'. At first, I was surprised. I always felt that religion or God was just an institution of morality or some set of beliefs or just a cultural thing. But when I further studied your books heard lectures I understood that it is a very scientific way of leading life.

Everyone in the world thinks that he is independent, no supreme controller, he can do anything to fulfill his desires. Anyone who possesses this mentality will certainly commit sinful activities which are the cause of suffering in society. Therefore, recognition of the Supreme controller Lord Krishna and obey His orders is very essential if one wants to be happy. One who chants Hare Krishna and follows your instructions and reads your books will certainly see that Godlessness is the root cause of all miseries in human society. Because I myself feel that I am relieved of so much suffering which I was undergoing

due to mind, body, and society, although I have not followed even a small fraction of what you have instructed us. I can only imagine what will be the result of following all the instructions, Prabhupada. Thank you so much for your kind instructions guiding me in this proper direction, to mitigate my suffering as well as of other people.

Your purports of *Chaitanya-charitamrta* and *Srimad-bhagavatam* are just like nectar. They increase and inspire life within the dead matter. It gives me a glimpse of what is real life, what is devotion, what is happiness, and ultimately what is love. This literature are keeping me alive in Krishna consciousness and motivating me to move forward in spite of me possessing so many material diseases. I am very happy to read your purports, they are life-transforming and life-saving. Having read *Srimad-bhagavatam* and *Chaitanya-charitamrta* I feel its the greatest achievement of my life. Thank you for your wonderful purports, Prabhupada. You are the real savior of the world, you can bring this dead monotonous world back to life, Prabhupada. One who reads your books will know this for sure.

I keep committing mistakes one after another and I feel it will never end. Still, you are keeping me under your shelter and giving me a chance to experience the most exalted life of Krishna consciousness. Thank you very much, Prabhupada for being so merciful upon me. I am so self-centric that I always fail to see your glories. I am so fallen that I am always taking from you and never really gave you anything back. Still, you have accepted me as your disciple and this proves your compassionate nature and your love towards Supreme Lord Sri Krishna. I can only hope to get a tinge of that love from you, Prabhupada.

Thank you for everything and please continue to bless me upon this poor fallen soul.

Yours fallen servant,

Radha Jivan Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances and all glories to your lotus feet,

Here is the *mantra* prayer to His Divine Grace A. C. Bhaktivedanta Swami Prabhupada. The purpose of chanting the *pranama mantra* is to get the mercy of Prabhupada who can purify our hearts and take the mind towards Krishna.

*nama om vishnu-padaya krishna-preshthaya bhu-tale srimate bhaktivedanta-svamin iti namine*

*namas te sarasvate deve gaura-vani-pracharine nirvishesha-shunyavadi-pashchatya-desha-tarine*

One more year passed in the Divine house of yours. I am grateful to you for this Prabhupada. Indra rejected to go back to his place when Lord Brahma called, for enjoying the filthy material happiness. Similarly, for the filthy material happiness, I have been rejecting your offer of taking back to Godhead. I am such a fool to reject you. Whenever I am deviating on the path of devotional services through your *Vani*, u have been bringing back me on the right path. I beg pardon for not giving the best of my services to you. Please, give me the strength to deliver my best to your organization. Also, I beg you to give strength and intelligence to chant Hare Krishna *Maha-mantra* offenceless. Also, I beg to give me intelligence and strength to respect all the *Vaishnavas* and not to offend them. I request you on this auspicious occasion that give us our nice place to spread KC and worshiping Krishna-Balarama, Nitai-Gauranga. On this auspicious occasion I beg you pardon all my offenses committed knowingly and unknowingly. Thank you for giving me the opportunity to glorify you.

Recently I was reading Mahabharata, I am really enchanted to read. Also, I become ecstatic by seeing the wonderful qualities of Pandavas. I wish I could get a pinch of their qualities. Whenever I see your hardship taken in preaching KC in western countries, my heart melts and I feel unworthy disciple of you. On this auspicious occasion, I request you to keep me under your umbrella of compassion and care.

Your Humble fallen servant, Radhavallabha Dasa.

Jai Srila Prabhupad.

Please accept my humble obeisances unto your lotus feet O! Srila Prabhupad.

When I first came to Iskcon I saw Prabhupada deity. I asked for some devotees about Prabhupada. The devotee told me about the Prabhupad. He said that Prabhupad is Founder-Acharya of Iskcon. Then I heard Prabhupada's kirtan. It attracted me very much. I also heard his lectures and read his books.

Prabhupada is a pure devotee of Lord Krishna. Prabhupada's books and his kirtan changed my life.

I will never forget Prabhupada. Prabhupada is my guru.

HARE KRISHNA

Your fallen servant

Dear Srila Prabhupada,

Kindly accept my humble obeisance at your lotus feet.

As I pen down my 16th homage I am feeling blessed to have shelter at your lotus feet which is the only to achieve pure devotional service and it reminds me of How I was looking for who is the Supreme God you answered me through Gita that Krishna is the Supreme Personality of Godhead, beyond any doubt.

How having accepted Krishna as SPGH you guided me to your organization which is like lab wherein all spiritual truths can be realized by your mercy How you nurtured my spiritual life by guiding to right ISKCON where your beloved disciples are sincerely serving you as their eternal spiritual master How eventually you engaged me in service of Krishna in the association of devotees esp. in preaching the glories of the holy name. How you are guiding me to achieve suddha nama through soulful Japa modules by MPP which are based on your teachings, when perfected will be the final leap in achieving Krishna.

I am sure in the coming days I will be recalling How you engaged me in spreading the glories of Nama Prabhu and how your glorious society- ISKCON will be taking everyone to back to Godhead.

I can't imagine my state without you Srila Prabhupad, hence, I request you to eternally engage me in your service.

Your's

Trying to be servant,

Sanandana Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. As I reflect on the days that have passed after having written my last year's Vyasa Puja offering, I can clearly see the constant guidance and care that you have showered upon this insignificant disciple of your Divine Grace. Until September last year, my Sadhana was terrible due to ill-health, most noticeably the number of Mangalaratis that I had missed and I still remember sitting by your altar begging for your mercy to help me improve. Within a few days, I could feel myself being pulled back on track by your causeless mercy. Thank you, Srila Prabhupada for constantly taming this rebellious soul.

Not even for a nanosecond have I been sincere in my efforts to serve you and Lord Krishna. Yet, the results that have manifested right from finding a suitable place to conduct new preaching activities, to the positive response that we have received for the programs, clearly shows how you are actively monitoring and blessing in each and every way. Because there is no other logical explanation as to why things have fallen in place to an extent – of course, it is not really up to the mark as you'd expect Gurudeva, but that shortcoming is solely due to my incompetence and callousness in all respects.

While I continue to shamelessly take pride for results that I foolishly believe that I achieved through my petty skills, but actually have been bestowed upon by you, I humbly beg you to please keep this insignificant disciple of yours under your mercy-radar. Please bless me in transforming my theoretical understanding of all that you have taught me, into realizations that I can cherish, imbibe, and share.

My strongest realization this year has been that I am not even close to how much I could have served you, even after being miraculously given the opportunity to serve your Divine Grace, in this amazing mission of Sri Chaitanya Mahaprabhu. Please help me in my attempts to become more tolerant and more humble. Thank you again Srila Prabhupada!

Your most unworthy disciple,

Shvetadvipa Dasa, ISKCON Mangalore.

Dearest Srila Prabhupada,

Please accept my humble obeisances. All glories to you Srila Prabhupada, I feel your guidance in my life every day. The more I dedicate myself to your service and instructions, the closer I feel to you. My Japa is always with your recording so that I am more concentrated. Under the current scenario of COVID pandemic chanting and reading your instructions are the only way to pacify the mind. In the last five months with your grace, I can cook for Krishna. Moving into Qatar I feel so lonely, praying to your lotus feet to bless me with devotee association and love to the lord and my "good luck", Srila Prabhupada is that you are my spiritual master and only by your mercy I can become a pure devotee of the Lord. It is in that mood that I happily chant my rounds, follow the principles.

Your Servant,

Dear Srila Prabhupada,

I was very short-tempered earlier. In August 2018 we had the fortune of visiting Vrindavana. Since then, we have been relishing Krishna *prasadam* and this has bought a positive change in my nature and I'm able to control my emotions. His book "perfect question perfect answer" has made me understand about Lord Krishna. I thank Srila Prabhupada for this. Hare Krishna .

Your servant,

Dear His Divine Grace Srila Prabhupada,

Kindly accept my humble obeisance. All these years you have shown mercy upon me and you have shown me a path, a spiritual one. Most of my life I was in darkness about the nature of this material world, and all the illusion that I thought are real life. I distinctly remember I was in the first year of engineering when I was all disturbed as my studies were not going well due to attachment to the home. I took up KC, then onwards life has taken a turn for good. In all walks of my life, you have shown me the path to spirituality and have guided me to the most beautiful aspects of spirituality. Whenever I read your books and listen to your audio, it sets a sense of tranquillity in mind and also gives a sense of direction into the spiritual realm. I definitely feel as if you are right next to me guiding me out of the darkness. As a humble disciple of yours, I have a long way to go to receive your well-deserved mercy, however, I will strive to become a better disciple of yours by chanting the holy name of the lord and reading your merciful teachings through your books. Thank you for blessing me with the mercy of your love and path to be a devotee of Krishna. All glories to Srila Prabhupada. Hare Krishna

Your Sincere Disciple,

Bhaktha Adarsh Kumar.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. I had always been searching for answers. Had questions nobody cared asking, questions like "What am I?", "Why do I exist?", "What is the meaning and purpose of life?". I now know that I had been searching in all the wrong places all these years and just a few months like your divine and merciful light cleared my hazed and ignorant mind, showed me the path which I had longed to walk on all this time. I chant the "Hare Krishna Mahamantra" by your grace and causeless mercy and dive into your books which are absolutely soul-satisfying, showering graciously and mercifully the supreme knowledge and truth. This unworthy soul shall ever be grateful upon your unbound mercy and compassion. Today, on your appearance day it is my honour to convey my hearty felicitations and reverence.

Your Sincere Disciple,

All Glories to Srila Prabhupada,

I would like to pay my obeisance to one of the greatest spiritual Master who threw his writings and emphasis on chanting Hare Krishna Maha-mantra brought about a new age in the Spiritual enlightenment during this Kaliyuga. The Krishna consciousness movement started by Srila Prabhupada has helped millions across the globe including me to build our lost connect with Krishna. I have been most influenced by his book Bhagavad Gita As- it-is as it gives a great insight into the teachings given by Lord Krishna to Arjuna which till date helps in overcoming internal conflicts and acts as a guide to attain eternal bliss. Lastly by the mercy of Lord Krishna I am lucky to be a part of Krishna Consciousness movement and will continue to strive to achieve his heavenly Abode. Hare Krishna.

Dear srila prabhupada,

Please accept my humble obeisance and regards unto your feet.

I am thankful to you for showing me the path of Krishna consciousness and teaching the actual meaning and goal of this human life which we get after lakhs of rebirth and deaths. I have not taken *diksha* but still, because of your blessings, I am able to do 1 *mala* chanting religiously on a daily basis.

Please continue your blessings on me so that I can progress on this path of Krishna *bhakti* you have shown and can gear up and feel my attachment to the ultimate Supersoul (Krishna) to understand and serve him more and more.

Most revered Srila Prabhupada,

Please accept my koti koti Pranam at your lotus feet.

God has given me a golden opportunity to be in the company of yourself, and your devotees, for the last eight years. Association is the most important thing in life. It is said that the rainwater which falls in the Ocean is a waste, if it falls on the ground it becomes muddy if it falls on the gutter - you cannot touch it if you collect it in a vessel you can drink it, but if it falls on an Oyster it becomes a beautiful Pearl. Likewise, you are like an Oyster who transforms the fallen Souls and makes them fit to attain Moksha, or liberation hence we want to be very close to your Lotus feet.

Being in your company I learned in S.B.11.5.32 that *yajñaiḥ sankīrtana-prāyair yajanti hi su-medhasaḥ* meaning 'In the Age of *Kali*, intelligent persons perform congregational chanting to worship the incarnation of Godhead who constantly sings the name of Krishna.' I also learned from you that Lord Chaitanya Mahaprabhu started this *sankirtana* movement about 500 years ago at Mayapur. By worshipping Lord Chaitanya people can perform the highest activity and fulfill the highest religious purpose of satisfying the Supreme Lord. Further, I also learned that all these harassments caused by family members, strangers, so-called friends who are unfaithful, opposing nations, financial competitions, social disgrace, cancer, etc, can be relieved by taking shelter of the Lotus feet of Chaitanya Mahaprabhu.

If we surrender to Lord Chaitanya or his dedicated followers like Srila Prabhupada, you can grant us *bhavābधि-potam*, or a suitable boat for crossing the ocean of material existence. We pray at your Lotus feet and kindly grant us liberation or *Mukti*.

*Krishnam Vande Jagadgurum.*

Your most obedient servant, Bhakta Balakrishna Rai N.

Because of the glorious and merciful blessings of the supreme lord and Srila Prabhupada, I got a chance to chant six rounds of Hare Krishna Mahamantra regularly, with this I experienced peace and joyfulness, finally thank you so much Srila Prabhupada for giving such a wonderful opportunity.

Dear Srila Prabhupada,

My humble *koti koti pranamas* to your lotus feet.

As a devotee, I take pride in writing my experience in the last couple of years at Iskcon. My association with Iskcon is not very old, But coming close to Lord Krishna gave me many things in my life which I never gained before. I visit the ISKCON temple on Holiday and attend Puja and Arti. My biggest experience with ISKCON is during a temple tour to Mysore with many devotees. This gave me an opportunity to attend Krishna Balaram Ratha Yatra at Mysore. It was a wonderful experience during the *ratha-yatra*. During this holy tour our day use to began at 4:30 in the morning with puja, *arti* at the temple, after *prasadam* in the morning our visit to temples used to begin. During travel, I enjoyed the bhajans and preaching of *brahmacharis*, quiz pertaining to Lord Krishna, the biggest inference which I draw from this temple tour is I am part of Lord Krishna or Lord Krishna is within me. The freshness and vigor of Iskcon's approach and inspiring teachings have greatly helped me to overcome my hardships and low self-confidence. Presently I am an altogether different person, who has a much positive outlook towards life. Hare Krishna.

Srila Prabhupad ki jaya

Your humble servant, Bhakta Chandrakant Pujar.

Dear srila prabhupada,

I thank you for your mercy for allowing me to continue chanting and reading your books. Your contribution to this world through ISKCON can't be measured in words. Since the first time I heard about your struggle and strong desire to build a Krishna conscious world at a very old age, I realized that you also have inspired the coming generation with the fact that age is just a number. Please bless me so I can get more opportunities to serve you and Krishna joyfully.

Yours faithfully,

Dear Shrila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Fifteen years ago, I have started reading your books and got attracted to your preaching of Krishna consciousness.

Then onward I have developed taste for chanting of Hare Krishna Mahamantra and other devotional services. Every time I fall down, your preaching made me to get up and continue my devotional service. Your books are the source of inspiration and helped me to advance in Krishna consciousness.

You are the only Spiritual master of mankind and shown mercy on millions of fallen souls to know the Supreme Truth.

Dear Srila Prabhupada,

All glories to you. I bow down to your lotus feet a thousand times.

Nine years back, when I was a 1st-year student in NITK Suratkal, I came in contact with the FOLK center run by ISKCON, Mangalore. Since then, I can feel the gradual transformation in my life due to devotee's associations. I started my spiritual journey by relishing Krishna *prasadam*. I also became interested in the philosophical discussions in FOLK classes. As I come to the second year, I started chanting a few rounds of *Maha-mantra*, thanks to devotee's constant follow up and encouragement. I also started reading your books and lectures. I enjoyed *Kirtanas*, festivals, and pilgrimages in the company of devotees. I became immensely inspired by your divine work and bold preaching all across the world. I also started taking part, in whatever little capacity I had, in preaching activities as I felt the genuine need for the propagation of your mission. Since then some aspects of my life and philosophy are transformed positively in Krishna-conscious way. Prabhupada, you have done so much for society. I am one of the many fortunate beneficiaries of your work. You have given us the philosophy of Krishna-consciousness which gives hope and purpose to life. Your lectures and books are distributing this precious message through devotee's services. In doing so, you have also given us an opportunity to render some service to you. Millions of people are getting spiritually benefited, knowingly/unknowingly, just by visiting the Iskcon and Hare Krishna centers that you have established all over the world. Whenever I visit ISKCON centers, I can feel your inconceivable potency that reflects through devotee's unflinching determination and service despite all odds. As life goes on day by day, with moments of happiness and distress, I pray to their Lordships Sri Sri Krishna-Balarama, Nitai-Gauranga that let my consciousness be filled with more and more gratitude towards you. I beg for your mercy to give me the required spiritual strength to increase my devotional service and *sadhana*.

Trying to be your servant, Bhakta Kaustubh.

Hare Krishna.

I had heard about ISKCON before, but I got the first opportunity to visit a temple of ISKCON when I was pursuing my higher education in medicine in Britain. During one of my journeys on motorway one (M1) with friends, we saw the signboard and instantly decided to visit the Bhaktivedanta Mandir at Watford, mainly out of curiosity. The unexpected experience was so touching that as I came out of the temple, my mind had decided by itself to come back again, which I did a few times.

Soon after my arrival in India, as if by Krishna's plan, I was approached by a devotee and I had no hesitation in becoming a member of ISKCON, especially moved by the Akshaya Patra initiative.

This is when I started exploring the history of the organization and realized how one person's decision to fulfill his Guru's advice has helped millions to understand life in the right way. Guru is the link between a student and knowledge, in material as well as spiritual life. Srila Prabhupada's vision, mission, and energy to fulfill a dream are unparalleled in modern times. The highlight of his approach to spirituality is the simplicity which makes understanding easy. The power of association practiced and taught by him is continuing to be successfully duplicated even today, making him one amongst the great spiritual leaders.

Being beneficiaries of the system he created and the teachings he propagated, I and my family are eternally committed to doing our best for the larger cause of ISKCON and Srila Prabhupada.

Hare Krishna,

Tribute to Srila Prabhupada,

The world until hit by the COVID-19 pandemic was filled with competition which lacked compassion and direction. A chaotic situation all around! But thanks to ISKCON, heartfelt gratitude to Srila Prabhupada for introducing the world to the Sanātana Message, the eternal truth on the Atomic soul, our duties and most importantly, our permanent relation with the super soul, Sri Krishna.

As spoken in the Gita, this material life makes the soul in the body forgetful of the eternal relation, but Srila Prabhupada's sacrifices is the reason for introducing the new English speaking world to the message of the Gita, towards deliverance (everything by Sri Krishna's grace ultimately). May the message reach many souls and as the ray of the powerful Brahma Jyothi, help deliver stability in the Prithvi Loka, in this 21st century.

Thank you Srila Prabhupada for the continuation of the disciplic succession (As the prescribed method through which Gita is supposed to be understood) and Thank you, Sri Krishna Paramatma, for introducing me to this beautiful truth of the eternal message.

Your Servant,

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet on this auspicious occasion of Vyasa Pooja

I accept you as my bonafide spiritual master and Lord Krishna as the Supreme Personality of Godhead. I am in the 'upasaka' level of Srila Prabhupada Ashraya program and doing sadhana regularly and following the instructions contained therein. I regularly visit temple and take part in temple programs and actively participate in Srila Prabhupada's book distribution program.

Srila Prabhupada is the 32nd spiritual master coming down in a bonafide disciplic succession of Guru Parampara (Brahma Madhva Gowdiya Parampara) and would continue as spiritual master for 10,000 years since the advent of Sri Chaitanya Mahaprabhu in 1486.

Regarding the pastimes of Srila Prabhupada: He once wrote a letter to Dr.Rajendra Prasad, the first president of India, to name a few people so that he would take them back home, back to God head. Also, it is learnt, he delivered his own classmate from material sufferings of birth, death, disease, and old age.

I highly respect his books published by the Bhakthivedanta Book Trust(BBT)which was established in the year 1972. His books are published in 28 languages all over the world and constitute a veritable library of vedic philosophy, religion, literature, and culture.

I had Srila Prabhupada's reciprocation several times in my life in times of distress and miseries.

I dedicate myself to serve my spiritual master and Lord Krishna. I beg them to shower their mercy on me so that I may not commit any offences either to devotees, or to Srila Prabhupada, or to the deities. I seek their blessings to elevate myself in Krishna Consciousness and go back home ,back to Godhead.

Your Very Insignificant Soul,

Bhakta P Mohan Shetty.

Dear Srila Prabhupada,

I would like to thank you for all the opportunities you have provided me, to know more about and get closer to Lord Krishna. Though in the beginning, the steps like chanting Hare Krishna maha-mantra, dancing for him, etc., did not make me realize how they take me close to Krishna, but later I felt the actual result that it is indeed effective. Even your books were really helpful to know a few things about the spiritual world and Krishna. And finally, I want to thank you for introducing me to this world of Krishna and would seek your blessings.

Yours Sincerely,  
Bhakta Nishanth.

Dear Srila Prabhupada, Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja. I am chanting 16 rounds of Hare Krishna Maha Mantra for the last 5 years every day and also read Srimad Bhagavatam and Srimad Bhagawat Geeta every day as per your divine order. I and my wife Lakshmi offer arati every morning as well as Prasadam morning and noon. We eat such Prasadam and avoid eating anything else. At this point, two slokas come to mind which I would like to present at your lotus feet. This from *Canto 5-18-8... Om Namobhagavate Narasimhaya namastejas tejas aavir-avirbhava vajara naka vajra damstra karmayam randhya randhyatamo grasa grasoam svaha. Abhayam abhayam atmani bhyisth a om ksram*

### Translation

*I offer my obeisance to Narasimha Deva the source of all power. O my Lord who possesses nails and teeth just like thunderbolts kindly vanquish our demon-like desires for furtive activities in this material world. Please appear in our hearts and drive away from our ignorance so that by Your mercy we may become fearless in the struggle for existence in this material world. Also with your permission, I would like to present at your lotus feet another sloka from canto5-18-9*

*Bhair narasimha hrdaye narsimha... Let Lord Narasimha set in the core of my heart killing all my bad propensities. Let my mind become clean so that I may peacefully bring peace to the entire world.*

Dear Prabhupada, you have mercifully given me the purpose and goal of my life by guiding me to Krishna conscious Movement. At my advanced age of 71, this has been a gift for me by your mercy and kindness which I hope will continue for the rest of my life. Please forgive me for the offences that I may have committed and continue to shower your blessings upon me. Always seeking shelter under your lotus feet,

Your Humble Servant,

Dear Srila Prabhupada,

I and my family were in such a dark state of mind before Krishna came in contact with us and after we came across your book we came to know more about you and Lord Krishna. His way of looking into this material world is so different. Many say that there are so many achievements to achieve in life but now I know that service to Lord Krishna is one and true achievement to achieve in everyone's life.

Since I came across ISKCON programme, I started chanting "Hare Krishna Maha Mantra" and it has helped in concentration and removing unwanted things away from my life. I beg you to shower your blessings on me, my family and everyone who

trying to find a way closer to you and Lord Krishna. Help me in achieving one true goal i.e service towards Lord Krishna. So I thank you for showing me a way to give my service to Krishna.

Your humble servant,  
Bhaktha Prathvi Chandra K.

Dear Srila Prabhupada,

All Glories to Srila Prabhupada,

On this auspicious occasion please accept my humble obeisances.

Vedic books written and lectures on various spiritual subjects focusing on The Lord by you are always an inspiration for me, encouraging our family members to advance in Krishna consciousness. Every single episode of every book is replete with *Kirtana* only of our ever-loving Lord. I feel that you have blessed me to get the mercy of the Lord, teaching me all blissful attributes about the Lord. Your contribution to humanity is invaluable since it connects the part and parcel to the whole, inducing the *Jiva* to elevate to Supreme consciousness. Teachings exclusively hover around only about Krishna, His devotees and Vrindavana. The Iskcon organization you established, and the dedicated devotees emanating from Iskcon spreading messages of Vaikunta is no less a great treasure for me, a *sadhaka*.

Actually, whenever I come across the Temple and the Spiritual Books published by you, I see the Supreme Lord and remember Prabhupada, my eternal Spiritual master. The *Srimad-bhagavatam* and *Bhagavad-gita* narrated by you ensure me,

a humble Spiritual aspirant to know about the goal of life. Kindly continue to bestow mercy upon me. Umpteen *pranams* and heartfelt gratitude from your ever-loving servant.

Wishing to serve you always, Jaya Sri Gauranga

Dear spiritual Guru Srila Prabhupada, My obeisances to the Lotus feet.

I am offering this year's Vyasa Puja by narrating my experience. whenever I have visited Hare Krishna temples in India your Deity will be in such temples and when I see you there all my worries will vanish. When I see you there I get dragged into the spiritual world. During bhajans and kirtans with bhaktas assemble there, I get poised in divine bliss.

the dedicated services rendered by Prabhus in each of your ashrams are laudable, they are courteous to the bhaktas, only because of your blessings. I have gained a lot during each visit to your ashram, especially in transforming my knowledge of spiritual wisdom.

We the bhaktas remain ever grateful to Srila Prabhupada for having given us the nectar of Krishna Bhagavad-gita which will help us to grow eternal creeper of love godhead In our soul.

Your humble shishya,

Hare Krishna

Respected Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada.

All glories to you on this auspicious day of your Vyasa Puja.”

With due respect, I am sharing the experience and entry of Prabhupada in my life.

In 2008 I had appeared for Gate exam, however, my exam score was not good, so decided to prepare for next Gate exam in the year 2009, after the last result I was disappointed with my performance and for the change of restless mind, I decided to go to my village Rajani in Sangali district ( Maharashtra) for vacation. One day I alone had decided to watch a movie in the theatre at tehsil place (kavethe mahankal) so I went there and watched the same. After that to return to my village, I went to the bus station to pick up the bus, however as per inquiry from a help desk, I got to know that one bus would be available for return after one hour. So in this leisure, I was wandering around the bus station, meanwhile, my eyesight turned towards the one book shop & then I thought to go there to see the magazine or newspaper. Somehow I saw one book of title as " Bhagavad-gita as it is " By A.C. Bhaktivedanta Swami Prabhupada, since childhood, I have been very much passionate and inquisitive towards Krishna & Ram related stories off course anything like TV serials Mahabharat & Ramayana, so as usual I took that book in hand and trying to check inside pages, by seeing it seemed nice book to read and I was too interested to read Bhagavad-gita since long as it belongs to Krishna. Then I saw the author of the book as name "A.C. Bhaktivedanta Swami Prabhupada" & signatures at Sydney Australia, so I surprised that why could anyone from India went to Australia to write Bhagavad-gita I mean to say why it was in another country instead of India. Finally, I purchased that book and came home ( This is the first knocking door by Prabhupada in my life ).

During vacation, I tried to read Bhagavad-gita and somehow completed it in due course with a little bit of understanding. After one year I got a good score in Gate exam 2009 and finally got admission for M tech course in NIT Calicut Kerala, The first-semester session was difficult for me due to change of place, food, environment & language. All students of collage have stayed in a hostel that was also my first experience in life to stay away from home.

Somehow I successfully completed the first semester. One day my friend Mr. Sharad and Mr. Sunil told about ISKCON Temple near to the college, where on Sunday Bhagavad-gita lecturer by Prabhuh Ji from Mangalore ISKCON was arranged, till that time I was not knowing about what is ISKCON?

One day I went there along with them in the temple, Karunya Sagara Prabhuh was delivering a lecture on Bhagavad-gita and after this "Sankirtan" was done, during this time I was seeing Prabhupada photo on the wall and surprised who was that person, which saw on Bhagavad-gita book one year back (This is the actual entry by Prabhupada in my life and that remain till today), after inquiry I got to know about Prabhupada as he was founded ISKCON which spread across the world.

Then I used to attend Sunday program in the temple and participate in volunteer activities & chanting, gradually I got know that more about Prabhupada and what type of work done by him and what is the need of the same for human society, it is really incomparable and memorable.

How it is possible for any man at the age 70's to go to other countries to preach Bhagavad-gita as instructed by his Guru Maharaj, how any anybody could have such patience, dedication & strong belief on God (i.e. Supreme personality of Godhead "Krishna").

Prabhupada told who is Lord Krishna, how Krishna is supreme, how to love Krishna, how to please Lord Krishna, how to go back to Godhead (Krishna loka )

I really impressed and passionate about Prabhupada and strongly considered as my Guru Maharaj from the soul for my journey towards back to Godhead and strongly believe in him and on his instructions.

I used to read Prabhupada books, hear lectures & watch past videos of Prabhupada & chanting Hare Krishna in within the compass of my normal daily activities.

What precious gift ( i.e. key ) given to me by Prabhupada is "Hare Krishna" Maha-mantra and what is the road is nothing but the chanting rounds and association with devotees and finally after reaching at destination ( i.e. back to godhead) open the door of Krishna Loka by secret key i.e. Hare Krishna.

"Thank you very much for my ever well-wisher Prabhupada."

Please continue your kindness, blessings on your humble servant of servants.

Your Servant,

Bhakta Raturaj.

Hare Krishna! All glories to you Dear Prabhupada,

I pay my respectful obeisances unto your lotus feet. As it is an auspicious day, I would like to offer my little prayer unto your divine feet. I cannot even imagine where my life would be today if you had not appeared and blessed us all with your divine benediction. I am completely unworthy and most fallen, therefore by showing by your mercy, your mercy is most successful. You are Patita Pavana, the saviour of the fallen souls, and who is more fallen than me? I have no good qualities, born of low birth, without good intelligence without beauty or wealth, I am a fallen soul, desiring only for your causeless mercy to be bestowed upon me. No moment I have lived in nor emotion I have shared ever found any real meaning before I learnt of the existence of your most blessed and treasured movement. No laughter I would ever utter, no tears I would ever shed could have so completely captures my very soul than those I would experience by just dancing, singing

and chanting before the Deities in the temple. By your mercy, Lord Krishna may I never again fall, but continue to rise ever upward pursuing the pathways to the Spiritual Planets.

Begging to remain forever in your Divine Service

Bhakta Sandesh.

Jai Srila Prabhupad

Hare Krishna

I offer my respectful obeisances at the holy feet of Srila Prabhupada, and all the great gurus in the same lineage upto lord Krishna Himself.

My introduction to ISKCON happened at the most crucial time in my life when I was an adolescent. I was in my high school at the Chinmaya English medium school, Kadri, Mangalore. It taught me the purpose of chanting the Maha Mantra, and introduced me to the world of books especially by Srila Prabhupada. I really enjoyed reading his books and still continue

to do so. His books have acted as my bonafide master in the absence of the real physical master. Srila Prabhupada has been guiding all my thoughts and activities throughout my life from then and I never feel lonely in this world as he has introduced Lord Krishna into my life permanently. I have made efforts in my own small insignificant way of propagating the teachings of Lord Krishna as brought down to me by Srila Prabhupada's books. I know that doing this too helps me in my own spiritual evolution. It came to a point wherein I was told by one of ISKCON'S mendicant that I can even read from the Bhagavad Gita As it is, and become a teacher and eventually a preacher imparting the same teachings enshrined in the holy book. My joy knew no bounds when I received the lord's blessings through the medium of his words.

All glories to Srila Prabhupada

On this day I once again offer my most respectful namaskaras at His Holy feet.

Your humble servant,

Bhaktha Sourabh R Chiploonkar.

Dear Srila Prabhupada

His Grace Srila Prabhupada was the founder of the institution ISKCON as well as The Akshaya Patra Foundation.

He was a great leader, inspirer a very challenging enthusiastic person with a clear goal of spreading Krishna's Divine messages all around the world. According to the instruction by his Great Guru Srila Bhaktisiddhantha Saraswati Goswami, he started translating Bhagavad Gita to English to spread Krishna's message to the western world. He translated the whole Bhagavad Gita by himself in writing. At the age of 70, he traveled to Newyork and saw the condition of the hippies. They were smoking, drinking, and, have cultivated all sorts of unmanly behavior. Prabhupada saw and thought to educate them and taken a challenge. Because it was not so easy. At first, he was humiliated by hippies but Prabhupada did not give up and continued in his work. Prabhupada asked one hippie "why you are smoking, "he said", I want to stay high". So he replied if you chant Hare Krishna mantra and follow Krishna you will definitely stay high. He started meditating them and slowly made them quit their bad habits and made his disciple. The disciples of his were wandering around the world and educate others on Krishna consciousness and they will create more disciples. In this way, he made 10000 disciples and they are still continuing their work.

In a modern industrialized world where companies are paying high salaries still unable to get quality services from their employees, Prabhupada's work is a lesson where he did this success merely by Krishna's name and his future vision. A Simple example for network marketing.

Not only he is a spiritual leader but also inspiration for many including students, businessmen.

Not everything can be achieved by everyone. Someone can make something. So his idea of spreading his work through his disciples can be used by the modern world.

Not everything is possible for everyone. But everyone can make something possible and we need to identify his talents and his capacity. A true leader always adopts this technique and by Krishna's Grace, he makes it successful.

Imagine what challenges he has faced. He had no modern facilities like a laptop, whats app still his speed of work did not slow. He used all sorts of communications available at that time to make his work successful. Age restriction did not stop him.

He had no money but to finance his work he did agarbatti and sold through his disciples. So don't sit idle if you don't have resources. If you think you will surely get it.

It's a lesson for everyone no matter what you do, do by complete honesty and dedication and success is yours.

Hare Krishna. Jai Srila Prabhupada

Your servant,

Bhakta Suman.

किया वह सब पड़ने के बाद मुझे पथा चला कि हम ये शरीर नहीं हैं बल्कि आत्मा हैं. और भगवान को प्यार कैसे करना है गुरु कौन होता है उनका महत्व क्या होता और हम यहां दुख बरा हुआ जीवन क्यों जी रहे हैं और हमारा लक्ष्य क्या होना चाहिए वापस घर यानी भगवान के धाम कैसे जाना है यह सब मैंने सीखा मुझे आपके विदेशी यात्रा सबसे खास लगा क्यों की आपने अपने गुरु के आदेशों के अनुसार विदेश में हरे कृष्ण महा मंत्र का प्रचार किया और वहां सबको कृष्ण का भक्त बनाया यह सब अपने आपने बुढ़ापे में किया यह मेरे लिए बहुत बड़ी सीख है क्योंकि मैं आलसी बी था मैं बहुत दुखी रहता था मैं लेकिन अब मैं अपने ज़िन्दगी मैं बहुत खुश हूँ आपकी कृपा से मैं रोज़ मंगल आरती मैं अता हूँ और काफी सारे सेवा बी सीखा मैंने मेरा वृद्धवन जाने का सपना बी पूरा हुआ. आप हमेशा मुझे पे कृपा कीजिए प्रभु.

Dear Srila Prabhupada, Please accept my humble obeisance's All glories to Your Divine Grace.

On this auspicious day of your Vyasa puja Prabhupada, your words are the only true well-wishers of all the living entities and the fact is the times in which we are living now clearly says it all. There had been numerous disasters in this year starting from Australian bushfires, Spring Tornadoes, Amphan Cyclone, US Civil unrest and COVID-19 virus, which have taken away millions of lives just like the burst of bubbles. All of these things are reiterating the same point that you had been always telling and your very name Abhaya Charanaravinda also suggests, *"No can be fearless unless taken the shelter of the lotus feet of Lord Krishna"*.

While the main reason for all of these things to happen is the whimsical acting of human beings against the laws of the material nature disturbing her so much that she had to take revenge like this. You are the only way to please her now and to restore the normal condition of life. You can pacify the earth by constructing nice temple, You can pacify the fire by cooking prasadam, you can pacify the water by bathing the lord, you can pacify the air by sankirtana and with the beautiful fragrance of flowers offered to the lord, you can pacify the ether by infusing your fervent thoughts of Krishna consciousness from where this entire movement has come into manifestation. You are the only ray of hope for the suffering humanity at this time and the gladdest thing for all of us is that you have clearly confirmed that you live in your books and continue to act on the people of this fallen age through this Krishna-consciousness movement and deliver them from all these calamities. Generally, the Life span of a person is 100 years and the materialist misuses it for his own sense gratification and wastes his major portion of life. On the other hand, I would like to show you some simple mathematics on how much you live in span of 1 human year. Your Divine Grace have thousands of devotees all over the world. If I normalize all of the devotees to be 10,000 disciples strictly giving daily 24 hours to Krishna- consciousness movement, then normal person 1 day ~ 10000 days of your life. In simple words, it is to say that what a normal person would live in 28 years, you would have lived those 28 years in 1 day itself. So these 50 years after your passing away in 1977, you had lived for about 5 Lakh years ~ 5000 centuries and u continue to live more and more as this movement is expanding by the grace of your sincere followers.

Prabhupada, even after you have so much time at your disposal, you are not ready to waste even a single moment of time. On the other hand, conditioned fools like me having fraction of seconds comparatively are always ready to waste even very short time they have, very boldly. So on this auspicious day of your Vyasa puja, I beg from you to empower me to chant 16 rounds daily and practice Krishna consciousness more seriously.

Please forgive me for all of the offenses committed unto you and give me the required strength in serving Vaishnavas. Begging to remain under the shelter of your lotus feet

Your most Insignificant servant,

Bhakta SuryaDev.

Dear Srila Prabhupada

Everybody who is born in this universe wants all happiness and no sorrows. That is basically everybody wants easy life and no difficulties. Even I was no different until I met a person 12 years ago in Calcutta who gave me a book on Krishna consciousness. I read the book and tried following it and believing it. Then I went to Vrindavan and under your guidance Srila Prabhupada, I started chanting the Hare Krishna Mahamantra. Since then I have been chanting 16 rounds japa and doing ekadashi vratha followed by Eka bajane.

Thank you,

Your Servant,

Bhaktha Umanath Moolya S.

Dearest Srila Prabhupada,

Please accept my humble obeisances unto your feet.

I am very glad to come in association with your disciplines at ISKCON, I was very ignorant and was not aware of spiritual life and happiness. but by your mercy, I could taste happiness.

I got basic knowledge and information about Krishna consciousness by reading Bhagavad Gita and your books, which gave me the strength to continue practising Krishna consciousness. It is purely your causeless mercy that I am capable of coming in contact with ISKCON.

You are the only way to get the mercy of Lord Krishna Balarama.

You made an immense contribution to the society by spreading Krishna consciousness across the globe at an old age of seventy. You have given the most precious thing Krishna consciousness in this life, but I am so unfortunate that I am not able to accept it. Please guide me to continue practising Krishna consciousness in all circumstances as I am very ignorant. Only by your mercy today I feel happy and free of tension.

Your humble servant,

Bkakta Umesh.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. After I read 'Bhagavad Gita As It Is', I have realised so many things, my perception was different earlier. I often used to feel restless and low. I needed a mentor to guide me to the right path, however, after reading 'Bhagavad Gita As It Is' and chanting 'Hare Krishna Mahamantra' my mind has become peaceful and my perception has changed. Thank you, Prabhupada for sharing this knowledge to us and making me realise the importance of spirituality in my life. Today on your appearance day I convey my best felicitation and would thank you for being a pioneer of the world.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

Prabhupada, by your causeless mercy we could install Nitai Gauranga grandly. And it is your causeless mercy alone by which you have come to our house and are giving us the opportunity to serve you. By your grace, we are able to serve their lordships Gaur Nitai and do their abhishekam twice in a month. Please bless us Prabhupada so that we continue to do the same with more love and devotion. Prabhupada by your mercy I am getting prasadam 3 times, every day. By your blessings, I got the opportunity to go to Mathura and Vrindavan Dham. It was my wish for a long time to go there and have darshan of their lordships. And you gave me that opportunity Prabhupada. I can't thank you enough for this.

Prabhupada I am reading Srimad Bhagavatam and I am currently in the 7th chapter. I am also reading the Nectar of Devotion. During Japa Yagna I was able to chant 64 rounds. Prabhupada without your causeless mercy and blessings this poor fallen soul wouldn't have been able to do all this. I can't thank you enough Prabhupada. By your grace, I was able to successfully write the Vandana level test. Thank you, Prabhupada for everything. I preached 5 people and encouraged them to chant. By your blessings they did Prabhupada. By your grace, I got the opportunity to serve their lordships in the temple during festivals and other occasions too. By your grace, I could distribute few Bhagavad Gita books and some of your other books to some of my friends and neighbors. And I was even able to gift my brother three of your books. Thank you, Prabhupada, without your causeless mercy and blessings I wouldn't have been able to do all this. Thank you for everything. Thank you for always being there to guide me Prabhupada.

Please always keep showering your blessings and causeless mercy upon this fallen soul so that this poor soul can reach you and go back to godhead.

Your poor fallen soul,

Dear Srila Prabhupad,

Please accept my reverence unto your divine lotus feet.

I came in contact with Hare Krishna movement since my Guru Dr Surajeet Chakrabarty has introduced about this to me. In these two years I learned and adopted the preaching and philosophy of Srila Prabhupad.

Simple living and high thinking is what Srila Prabhupad has always emphasised in his preachings, whatever we do should be all dedicated to the Supreme Lord Krishna.

In this time, when we are surrounded with the darkness of ignorance, Srila Prabhupad has shown us the path of spiritual knowledge, by which we can attain Krishna's highest mercy and we will come out of this cycle of life and death. I am grateful to Srila Prabhupad for blessing me with this divine experience of Krishna Consciousness.

All glories to HG AC Bhaktivedanta Swami Prabhupad.

Dear Shrila Prabhupad,

Hare Krishna,

Please accept my humble obeisance. All glories to Shrila Prabhupada on this auspicious day of vyasapuja.

I'm connected to Hare Krishna movement since a year which has helped me to learn, understand and implement the teachings of my spiritual master Shrila Prabhupad.

My spiritual journey with Hare Krishna movement began with the weekly spiritual workshops organised by ISKCON Mangalore team where the preachings of various chapters of Bhagavad Gita, As it is, was beautifully explained with multiple examples which clearly teaches the purpose of the human form of life to cultivate spiritual knowledge.

I would like to share few of the teachings of Srila Prabhupad from Bhagavad Gita, As it is.

Krishna says:

*It is said that the soul is invisible, inconceivable, immutable, and unchangeable. Knowing this, you should not grieve for the body.*  
(BG 2.25)

*All of them - as they surrender unto me - I reward accordingly, Everyone follows my path in all respects, O son of Pritha.*  
(BG 4.11)

In this world, there is nothing so sublime and pure as transcendental knowledge. Such knowledge is the mature fruit of all mysticism. And one who has achieved this enjoys the self within himself in due course of time. (BG 4.38)

Hare Krishna movement has taught me the importance of chanting the maha mantra Hare Krishna which purifies the soul and awakens love of god.

The ancient spiritual wisdom is now again being preserved through the Hare Krishna Movement. People of all kinds are invited to visit the temples, communities, and online workshops and participate in whatever they like in this sublime and easy process of Krishna Consciousness. There are also many books by Srila Prabhupada that explain as to how you may begin the spiritual process.

I thank my spiritual master Srila Prabhupad for growing my spiritual knowledge and helping me get closer to Lord Krishna.

Your humble servant,

Bhaktin Jagruthi G Patel.

Dear Srila Prabhupada

Please accept my humble obeisance unto your divine lotus feet

I am in contact with Hare Krishna movement since last one year. In this one year I learn and adopt the teachings and philosophy of Srila Prabhupad.

Srila Prabhupad has made me understand that the Hare Krishna Japa cleans and corrects and improves our born characters of attitudes like anger, ego, faith, kindness, satisfaction, etc. We can achieve anything through the chanting of the Lord's holy name. Sankirtana yagna is the most inexpensive performance of yajna and anyone can adopt it.

Through the teachings of Srila Prabhupad, I now understand that even if my mind sometimes get disturbed due to unavoidable circumstances in my material life, the best remedy is to sit and chant Hare Krishna very loudly for a long time

until we suddenly feel relieved from the stress. Supreme personality of Godhead does not disappoint anyone who takes shelter of His lotus feet.

Srila Prabhupad has taught me not to give up chanting at any cost. This will protect me from any danger of maya or material energy. By the mercy of Srila Prabhupad, I understand that the chanting of Hare Krishna mantra , we will be completely cleansed from the core of our heart and be saved from the cycle of birth and death. I understand that Lord Krishna is the source of all spiritual and material worlds.

Srila Prabhupad gives me a lot of spiritual knowledge that I require more than my material knowledge. He advises us to chant Hare Krishna mantra sincerely and Lord Krishna says that 'those who are engaged in my service, I give intelligence for his progressive march'. We are not the loser but the gainer in million times. This will help us to make advancement in Krishna consciousness. Lord Krishna is like the sun and MAYA is like darkness. In the presence of the sun there is no possibility that darkness.

All the Kirtan, dance, delicious prasadam at the temple is due to mercy of Srila Prabhupad.

Thank you very much Srila Prabhupad for showing me the path for reaching the desired Seva to Lordship Sri Sri Krishna Balaram, Nitai Gauranga and yourself.

All glories to Sri Prabhupad.

Bhaktini Jayanthi Harish Moolya.

Dear Srila Prabhupada

Please accept my humble obeisances unto your lotus feet. All glories to you on this auspicious day of your Vyasa Puja.

My dear spiritual master, You are a true holy man of deep intellectual and spiritual sensitivity. For the enlightenment of human society, you have struggled so much and have created a Krishna Conscious Society in which the whole world can live and can attain spiritual bliss. Your teachings, books, lectures have a very deep impact on our lives.

We are nothing but an insignificant soul struggling in this material world. But by your kind mercy upon me, I can realize the importance of being Krishna consciousness in this kali yuga.

Dear Prabhupada this year the whole world is suffering under a great pandemic of COVID 19 virus in which every day many people are getting affected and many are losing their lives too. Many are suffering mentally ill due to this pandemic but due to Lord Krishna and your's mercy we are safe and secure and can practice Krishna Consciousness smoothly to keep ourselves spiritually enlightened

By your teachings, I Can manage my Grihastha life smoothly because You are the torchbearer of real knowledge in this material world of Kali-yuga. I consider myself so fortunate that in this life I have got the opportunity to take shelter under your knowledge and teachings otherwise it is so difficult to live in this Kali-yuga.

My dear Prabhupada, please give us knowledge and guidance under your lotus feet so that we can follow your teachings and practice Krishna Consciousness in our lives and also help others to follow Krishna Consciousness in their lives.

Your humble servant,

Bhaktin Paromita Dutta.

Dear Shila Prabhupada,

All glories to my spiritual master His divine Grace A C bhaktivedant swami Srila.

Prabhupada please accept my heart felt obeisances unto your divine feet.

I am in contact with Iskcon since 8-9 years. Once during 2012 I came to Arya samaj temple with my daughter's cheque to give to Akshaya patra . That time I was sitting in front of His grace

Prabhupada vighraha I looked at His stared eyes which stared at me and given some divine messages which made my mind to turn towards Lord Krishna. Since then I used to visit temple regularly and attended regular Sunday classes.

His most significant contribution however is His books. Because of your grace I used to read both Bhagavad Gita and Shrimad Bhagavatham very easily because of your simple translations now I am reading regularly both books with your blessings. Thank you Prabhupada.

I learned to do Abhishekam to my deities, learned to do Prasadam and offer it to Lord and make my Laddu Gopal and Venugopal to sleep at night.. I cannot express my thanks to you Shila Prabhupada by any words but please accept my heart felt thanks for all your blessings..

Dear Prabhupada please bless me to do more and more saadhana and service for you.

Pleasing you means pleasing Krishna..once again I thank you very much Shrilal Prabhupada.

Your fallen servant, Bhaktin Pushpa Gopal.

Hare Krishna, Srila Prabhupad Ji!

When the whole world was in the clutches of material infatuation, it was you who reintroduced the actual goal of one's life, that's, surrendering to the lotus feet of our beloved Lord, Krishna! Spirituality always existed in our roots, but fear accompanied that. Even now, people worship the Gods and demigods with a fear that if they don't, they'll be materially punished by the Gods and demigods.

But Prabhupada, you taught us through your books and talks that spirituality and love go hand in hand, and not fear. You have always inspired us to love the Lord unconditionally. I'm glad that we have your books which I'm reading to the baby in my womb. Blessed is our child, to listen to your words, even before being born. The journey so far has been spiritually wonderful due to the chanting of Hare Krishna Maha Mantra! Bless us to do more and also to inspire more people to chant and get in the service of the Lord. Please accept the humble obeisances from me and my family.

Hare Krishna! At your service, Bhaktin Ramya Suvarna.

You explained the path of liberation. You told us *japa* is the only path of liberation. You told us *japa* leads to get the shelter of Lord Krishna. Your servant,

Dear Srila Prabhupada,

I am working as a software engineer. I stay in the USA. I don't know how to share my experience completely with you all and how Krishna pulled me into his folds. Until 2013 I used to pray Krishna just like others. I guess maybe because of my past good deeds Krishna blessed his showers on me from 2013. He started pulling me towards him slowly. Now he is my life. Not only me even my younger son loves Krishna when he was from a month's baby. Srila Prabhupada also showered his blessing on me two years ago. Because of his blessings only I could step into one of the Krishna temples near my home and could see Prabhupada, and started knowing about Prabhupada and his teachings about Krishna.

I feel that because of Krishna and Prabhupada, I am able to come to this point of devotion towards Krishna. I hope one day they both will take me completely into their folds. I want Prabhupada should shower his blessings more on me and transform me completely into a new human being and with more Krishna consciousness all the time.

Dear Srila Prabhupada,

'What is the difficulty'. This title intrigued me... To know why a book on Srila Prabhupada has this title. So eventually I purchased it. I read it and then got something very precious through his conversations with his devotees. Once he said to his disciple. WHAT IS THE DIFFICULTY... why can't you chant. This simple sentence made such an impact on me that somehow I knew what Prabhupada meant by these four limited words which have the capacity to fill the ocean of ignorance with true knowledge. I felt blessed and touched by the grace of Prabhupada's timeless legacy and Love. Love that knows no bounds... Boundaries... Love that encompasses every atom and inch of reverberating.. pulsating.. life. He touched lives... Souls and millions to direct their mindless The path towards a greater path, a path that goes directly to Godhead. The ever Loving.. luminous... Abode of His beloved Diety.Lord Krishna, Madhava, Mukunda.

He distributed the free password to crossover.

*HARE KRISHNA HARE KRISHNA, KRISHNA KRISHNA HARE HARE, HARE RAMA HARE RAMA, RAMA RAMA, HARE HARE*

He gave purpose to purposeless, He gave meaning to meaningless.

He gave peace to disturbed, He gave his life to a sacred cause that uplifted millions of sinners like us. He gave all of us a chance to be one with the only ONE... THE ONE WHO CAN DELIVER US from our pitiable plight, He gave us a chance to change our destiny. And a reason to Live on till the end holding Holy beads.. and chanting... The holy *Maha-mantra*.

All glories to Srila Prabhupada.

ದಯವಿಟ್ಟು ನನ್ನ ವಿನಮ್ರ ನಮಸ್ಕಾರಗಳನ್ನು ನಿಮ್ಮ ಕಮಲದ ಪಾದಗಳ ಮೇಲೆ ಸ್ವೀಕರಿಸಿ. ನಾನು 'ಭಗವದ್ಗೀತೆಯಂತೆ' ಓದಿದ ನಂತರ, ನಾನು ಅನೇಕ ವಿಷಯಗಳನ್ನು ಅರಿತುಕೊಂಡಿದ್ದೇನೆ, ನನ್ನ ಗೃಹಿಕೆ ವಿಭಿನ್ನವಾಗಿತ್ತು. ನಾನು ಆಗಾಗ್ಗೆ ಪ್ರಕೃಬ್ಧ ಮತ್ತು ಕಡಿಮೆ ಭಾವನೆ ಹೊಂದಿದ್ದೆ. ನನ್ನನ್ನು ಸರಿಯಾದ ಹಾದಿಗೆ ಕರೆದೊಯ್ಯಲು ನನಗೆ ಮಾರ್ಗದರ್ಶಕರ ಅಗತ್ಯವಿತ್ತು. ಆದಾಗ್ಯೂ, 'ಭಗವದ್ಗೀತೆ ಇದು' ಎಂದು ಓದಿದ ನಂತರ ಮತ್ತು 'ಹರೇ ಕೃಷ್ಣ ಮಹಾಮಂತ್ರ' ಎಂದು ಜಪಿಸಿದ ನಂತರ ನನ್ನ ಮನಸ್ಸು ಶಾಂತಿಯುತವಾಗಿದೆ. ಮತ್ತು ನನ್ನ ಗೃಹಿಕೆ

ಬದಲಾಗಿದೆ. ಈ ಜ್ಞಾನವನ್ನು ನಮಗೆ ಹಂಚಿಕೊಂಡಿದ್ದಕ್ಕಾಗಿ ಮತ್ತು ನನ್ನ ಜೀವನದಲ್ಲಿ ಆಧ್ಯಾತ್ಮಿಕತೆಯ ಮಹತ್ವವನ್ನು ಅರಿತುಕೊಂಡಿದ್ದಕ್ಕಾಗಿ ಪ್ರಭುಪಾದಜಿ ಅವರಿಗೆ ಧನ್ಯವಾದಗಳು. ಈ ದಿನದಂದು ನಾನು ನನ್ನ ಅತ್ಯುತ್ತಮ ಶುಭಾಶಯಗಳನ್ನು ತಿಳಿಸುತ್ತೇನೆ ಮತ್ತು ವಿಶ್ವದ ಪ್ರವರ್ತಕನಾಗಿರುವುದಕ್ಕೆ ಧನ್ಯವಾದಗಳು.

Dear Srila Prabhupada

Please accept my humble obeisances unto your lotus feet. I was just seeking blessings of lord for a few things like most important was my daughter's wedding & get her selected like every parent. My daughter was not ready because she thought marriage would be a problem etc. So it was very difficult to convince her & suddenly a miracle happened Lord Krishna came in the form of my elder brother who convinced her for a wedding.

After this everything was a miracle we found a family( their daughter's in-laws are devotees of ISKCON, Bangalore) they liked my daughter and I blindly accepted them because they're daughter's in-laws are ISKCON devotees.

Without clarification of anything because I thought Lord Krishna would take care of my daughter and protect her. In the time of engagement few things happened due to which we thought of dropping this wedding, I remember my daughter broke down and tears rolled from her eyes which broke me because without thinking anything she said yes for the wedding she didn't speak to the groom. ( she spoke after the wedding )

And I remember I spoke to Prabhuji and I saw Lord Krishna and asked why did this happen???? Things changed within few hours the engagement went well & I thanked God and wedding date was fixed and it was on 27th April.... a big disease broke down and it was lockdown I couldn't express my feelings to anyone & we had stuck in Bangalore from March 20th so we didn't have clothes, no money, etc. I did only 1 thing it was I just chanted Hare Krishna Maha-mantra 16 times & I was so helpless I could do only that with few more mantras. You will not believe again a miracle happened the wedding took place with all the formalities and shastras and few ladies of my neighbor, my family friend & my brother & bhabhi came like God and goddess they arranged everything in 1 day ( like dream) no words to Express. I can't tell how it happened it was well organized looked like it was well planned for many days or months. I'm getting goosebumps Lord Krishna blessed me I'm really not sure whether I deserve. Maybe good deeds of parents, my family, my daughter, and my husband lord Krishna blessed. I wish that my daughter should have a wonderful life ahead she blindly said yes to my choice. I told yes because I saw lord Krishna's deity in their house. I'm chanting 16 times but I'm sure it's not like the way I chanted before the wedding. Lord Krishna, please see that my daughter feels that your choice is wonderful and she should have more faith in you and she also comes across many miracles and become your friends. I tell my daughter to pour water to Tulasi Maharani and tell her that you always will protect her. Lord Krishna, please see that what I meant should be true, increase trust n you & your decision, my children should always experience your blessings.

Protect them always. Protect the whole world from all unwanted things. Bless everyone.

Your humble servant,

Bhaktin Supriya M.

Hare Krishna!

All glories to you Dear Prabhupada, I pay my respectful obeisances unto your lotus feet. As it is an auspicious day, I would like to offer my little prayer unto your Divine Lotus Feet.

It's natural for us to go to the temple, to seek their lordships' blessings. But I've experienced something different, where the Lord and my Gurumaharaj mercifully decide to come home, eager to shower their blessings on us. Who would have ever

imagined that those tiny little feet, with those twinkling toes, come all the way here, just to give his devotees an opportunity to serve them. Yes! We have Gaur-Nitai and you, Srila Prabhupada, with us today.

It was just like a dream,

A dream, as sweet as cream...

Where you wish, you don't get disturbed an inch.

Seeing Gurudev in your altar every morning,

Is a blessing that keeps you easy-going.

And when you realize that the dream is the actual reality,

You pray not to fall asleep again...

You brought me sunshine when I only saw rain...

You gave me hope when I was in despair.

You were the guiding torch when I was lost in darkness...

You played the role of a director,

Directing as to how to serve their Lordships.

Our life in this material dungeon is a path full of thorny roses,

Not perfect, Yet you convinced us to make it beautiful,

By appearing in this age of kali, among the brutish men.

Your sincerity towards your spiritual master, by obeying him,

Awakens my sincerity towards you.

The instructions in your books are like entrance exam books,

Which is mandatory to pass, to enter the Supreme abode.

You have mercifully stretched your hands down to us,

To lead us back to godhead.

Dear Prabhupada, the pain you went through here,

Will never go in vain.

It's our responsibility as a devotee and as your disciple to spread Krishna Consciousness throughout the world by making them chant the maha-mantra "HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE, HARE RAMA HARE RAMA RAMA RAMA HARE HARE". By your causeless mercy, I could distribute 2 Bhagavad Gita As it is, to my close friends. I thank you for your transcendental instructions, to chant 16 rounds, and to read your books. By your unalloyed love and mercy, I am able to follow in your divine footsteps. Help me serve you and their Lordships Gaur-Nitai in the best way.

Your servant,

All Glories to Srila Prabhupada, My Worshipable Srila Prabhupada, Please accept my respectful obeisance's at your lotus feet whose dust can deliver the entire Universe.

Dear Srila Prabhupada,

I take this opportunity to convey my gratitude and thanks to you to choose me to become the part of your this glorious Hare Krishna Movement. Thank you for allowing me to stay in your House for last Long 8 years in spite of all my ineligibility to stay here because of my offensive and fault finding nature. You are engaging the Monkeys like me whose mind is always dwelling upon sense gratification, in preaching and spreading the Hare Krishna movement by providing with required strength purity etc. Lord Krishna came and demanded surrender to accept, Lord Chaitanya being more merciful distributed the highest substance the Love of Godhead freely to everybody but he also was avoiding the materialistically absorbed people who were attached to wealth and woman, But yourself His Divine Grace Srila Prabhupada being the most merciful went across the sea against the social custom and delivered all Mlecchas, women hunters, meat-eaters anybody and everybody without any discrimination. Your mercy and tolerance touched its epitome when you accepted the insignificant and the most fallen soul like myself and even gave me the honour of being called as your initiated disciple.

I pray to you fervently, please curb the pride in me which sometimes arises by thinking that I'm doing something big by helping you in advancing this Krishna Conscious Movement. I pray that because of my stubborn nature if sometimes I reject or disobey your order or instructions, you kindly force me and drag me to somehow or other follow your orders. Trying to become your humble eternal servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

Prabhupada your books and teachings of Lord Chaitanya are truly a blessing in my life. Even with the busy schedule of my daily life , the little chanting and listening to the "HARE KRISHNA MAHAMANTRA" that I do gives a satisfaction for the day. The books give a very beautiful and practical explanation of the concept of life , GOD and every spiritual aspect. Even today when reading the book "Beyond Birth and Death " gives a different feeling altogether.

Some of the Past times discussed in the “SUPREME PERSONALITY OF GODHEAD” book are always so cherishing, even if I don't take it seriously or whether I do not understand correctly but still it feels so good to hear. The ISKCON temples are constructed by your mercy and grace for us to think of GOD and cleanse our mind. A small glimpse at the paintings of Lord Chaitanya and Lord Krishna in the temple even today brings good thoughts in my mind.

I have done book distribution for a few months in Chennai and i always felt proud in praising you in front of others. Your life story is so motivating maybe I may not carry it out in my life but those moments help us realize the character of a true devotee. Begging to remain under the shelter of your lotus feet at all times and aspiring to be Your humble Servant.

Jai Srila Prabhupad, Bhakta Harshavardhan.

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories to Srila Prabhupada. Thanks for introducing me to Krishna consciousness which altogether unveiled a new dimension in my life.

With your deep and humble teachings, a dumb atheist has at least got a directional sense of the essence of human life which otherwise would have been after material pursuits. Thanks for preaching the ignorant humanity with the message of Krishna consciousness.

Srila Prabhupada, may my attachment for you always grow. Please allow us to develop this feeling for you. Please allow us to develop a remembrance of your instructions.

All Glories to His Divine Grace A.C. Bhaktivedanta Swami Prabhupada.

The name started showering light in my life right after I heard it and has been my constant companion till date. Krishna is Supersoul and his name is all-powerful. I bow to the Spiritual Master who introduced me to the Holy Name. I know nothing and without your guidance and your teachings, I remain dumb knowing nothing about the real essence of this human life. Your unconditional blessings made me who I am now, but just knowing things doesn't do any good so I beg you to be with me in this journey as Maya is dragging me to ground you are the only source of strength for my spiritual journey to continue and be successful, without you I'm certain to fall. I pray unto your lotus feet as it is the sole and only option for me to not get attracted to Maya. I always ask you as there is nothing that I can give it to you other than my dedication towards the holy name and following your instructions. I always try to give my best and fall short of your instructions because of my senses and Maya, it is very urgent for every human being to start practicing Krishna consciousness immediately and get out of this miserable material world. In this sense of urgency, your lotus feet is the only ray of hope to fight against Maya and come close to the holy name. Please accept my humble obeisances and on this day of your divine appearance I pray for the shelter under your lotus feet and ask for the full strength to stand against all odds comes in my way back to home, back to Godhead. Jai Srila Prabhupada

Dear Srila Prabhupada,

Please accept my Humble Dandavat Pranam. Tons of thanks for bestowing upon us the Rajghuyam Vidya of Lord Krishna. For your causeless mercy upon this highly fallen soul, without you, we would have been rotten in this Material world running behind MAYA. We were busy trying to satisfy our senses thinking that this is the only goal of life not knowing the real purpose of human life we were misled by MAYA. We were always in miserable condition in this Material ocean. Had no knowledge about the where to go and what to do to come out of this infinite material miseries. Anything we do we use to end up with only pain and Miseries. Frustrated with this we were hankering for some direction and light of hope. We had lost hope in life. In such a pathetic situation You had blessed us with your causeless mercy. You showed us the path of perfection. You helped us to understand the real purpose of human life. You touch us the real knowledge of Soul and its relation with the super soul Lord Krishna. We would have been bereft of this greatest of all knowledge of Bhagavad Gita without your kind mercy. We were so fallen that we were not even aware of Mangala Arti, Guru Pooja. To an extent that we even didn't know how to do DANDAVAT PRANAM, What is the importance of Kanthi mala and Tilaka. Your Glance in our life has taught us unachievable knowledge of Spiritual Journey. We realised that all our hard work in this material world is simply a waste of time. All the Material knowledge acquired in this and many life was simply filling up of garbage. And that we had to unlearn this.

Prabhupada now this fallen soul has an intense desire to follow your instruction and Join Maha Prabhu's mission to spread the message of BG across the world under your guidance. Without your mercy nothing is possible. Breaking the family knot is very difficult. But you can make this happen. You are the hope of the fallen soul in this material world. Because as you say

nobody can easily please Krishna. But Guru can be pleased by following his instructions. My humble prayer at your lotus feet is to help me to follow your instructions meticulously.

Prabhupad as the Kaliyuga is progressing, it's getting very difficult to follow your instruction and chant attentively. All our efforts are in vain without mercy. you are the hope of fallen soul Prabhupada. Please help us, thank you Once again for All the blessing. But need more to make it a fulltime. "This Soul will keep on praying until you completely bless so that my life is utilised completely only and only for distributing your books across the world." thank you once again Prabhupada for everything help us to follow your instructions.

Your Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories To Srila Prabhupada.

In this digital era, mankind is working hard to find ways to meet their materials needs. Our education system as you always say is focusing on improving only these needs. In this process, we are creating enough problems for everyone around us. But we failed to understand that material advancement can only bring comfort but not happiness.

The institutions created by you and your followers are helping us to be on the right path. Your teachings are a source of our spiritual growth. You have always stressed the importance of devotees association. Though it may not possible everyday you have us given your books to be in your association. You have prescribed us 16 rounds of chanting Hare Krishna Mahamantra every day. I seek your blessings to be always in Krishna Consciousness and serve Lord Krishna.

Humble Pranams at the Holy Feet of Srila Prabhupad!

All Glories to Srila Prabhupad!

Krishnam Vande Jagad Gurum!

It was Lord Krishna's mercy through Srila Prabhupad that I came into contact with ISKCON. I was fascinated by the simple formula of "Chanting and Hearing the Hare Krishna Maha Mantra", propounded by Srila Prabhupad. Written in simple English with Bhakti Bhava, Srila Prabhupad's books induce Krishna Bhakti. I would like to make a specific reference to the book, Mukunda Mala Stotra, the Prayers of King Kulasekhara, published by the Bhaktivedanta Book Trust.

This publication contains Srila Prabhupad's commentaries on the first six verses of the Mukunda Mala Stotra followed by the commentaries on the remaining verses by His senior disciple. The regular reading of the verses along with the purport helped me to focus my mind on the beautiful form of Lord Krishna.

Srila Prabhupad's book "Bhagavadgita As It Is" is really a boon to the younger generation in developing pure bhakti and knowledge.

Jai Srila Prabhupad!

Dear Srila Prabhupada

Hare Krishna. Please accept my humble obeisances. All Glories to Srila Prabhupada.

Thanks Prabhupada. Earlier, I had a few doubts about what happens to us after death. Now, I got all answers regarding that. Even I have disturbances in my mind concentrating on things. But after starting chanting, my concentration levels are improved. Also, I got to know about not attaching to Maya. I improved my spirituality which helps me in dealing with tough situations. From Bhagavad-Gita, I found that we should not attach more to people which helped me a lot. Finally, no one can save us after death except God. So remembering God daily will help us to find a way to God which I learnt.

Thanks Prabhupada.

Hare Krishna,

Dear Srila Prabhupada,

I offer my obeisances at your lotus feet ,all glories to you and your wonderful Krishna Consciousness movement. With the mercy of you Srila Prabhupada my life got totally changed,when I visited the holy place Vrindavan three years ago and took blessings of you and the Lord Shri Krishna my interest towards spirituality increased and slowly I progressed myself towards krishna consiousness. I started doing one mala of HARE KRISHNA Mahamantra daily, but after sometime many obstacles occured was mildly disturbed and even a time arised when I thought of stopping all this, but Prabhupada kept his mercy on me..and I visited Vrindavan second time and after staying there for few days the atmosphere of Vrindavan made me happy and brought more changes in me my love toward serving the lord Krishna increased..and understood that if we take few steps towards krishna and increase our feeling of serving krishna, krishna never leaves us. After coming back I changed my daily routine and started doing 4 malas of mahamantra and reading Bhagavat Gita as it is daily. It brought lots of positivity in me. And I began to take everything in positive way, and slowly the negativity decreased. In this lock down time I started doing 16 malas and reading books related to the lord Krishna and his Lila's written by Srila Prabhupada.

Still a long way to go, lot to learn and progress in Krishna Consciousness. I am glad that I got blessings and mercy of Srila Prabhupada which helped to know the real goal of this Human life which is to serve serve lord shri Krishna and spread krishna consciousness to others..I pray to Prabhupada to keep his mercy on me so that my love towards serving of lord Krishna increases day by day..Hare Krishna.

I cannot thank you with anything that I have except but falling at your feet and strongly pray for your mercy. The mercy you have shown to me by giving association of devotees, hare krishna mantra, books is something which is invaluable. It cannot be valued with any knowledge I possess. I have no words in my vocabulary to sincerely express my hearts wanting for your shade under your lotus feet. You definitely know how fallen I am, but you gracefully give me chance to glorify you. Please accept my humble obeisances at your lotus feet.

*“Only out of His immense compassion does the Personality of Godhead reveals Himself as the spiritual master. Therefore, in the dealings of an ācārya there are no activities but those of transcendental loving service to the Lord. He is the Supreme Personality of Servitor Godhead. It is worthwhile to take shelter of such a steady devotee, who is called āśraya-viagra, or the manifestation or form of the Lord of whom one must take shelter.”-Cc Adi 1.46 Purport*

Another year has passed while you kept showering your incessant mercy upon the devotees here in HKM Mumbai including me. Condition in the world is not so good due to the pandemic but you're keeping us all safe and secured in your home under your care. If I look for the reason for our comfortable situation, it's not our good karma but it's only your protection. You've given me the gift of a most sublime life. If not for your mercy, I would be simply suffering in this precarious world without true knowledge about Krishna! I'm eternally grateful and indebted for the same. You are called the friend of the fallen and it is again proven true since you've accepted a highly fallen soul like me under your shelter.

One great achievement for me lately is the reading of *Sri Caitanya Caritamrita*. I can't express in words the extent to which I relished reading it! I wondered that if me being such a fallen soul, who is so unqualified to understand and taste the nectarian subject of the book, could feel so much happiness, what is the height of ecstasy that great devotees would be experiencing? Although due to my incapability, I couldn't fathom the deep emotions and spiritual ecstasies described in the book, I have developed a sincere appreciation and longing to understand them one day. I got to learn so many wonderful things about bhakti & Vaishnava culture that you've so lucidly described in the translations and purports of the book.

Taking inspiration from *Srila Krishnadas Kaviraj Goswami*, although, with great inhibition in the heart, I'm attempting to write something for Your Divine Grace on the most auspicious occasion of your divine appearance. I hope that you will kindly overlook the faults that are present in this piece of writing and pardon me for the same.

Once again has come the moment most opportune

To glorify Your Divine Grace is my great fortune

I know well that to do so, I'm unfit and incapable

Can't do justice with the intelligence available

Of all intelligence & ability, Krishna is the source

I beg Him to allow me, He is the only recourse

To save humanity, suffering from miseries & depression

At such an advanced age, you began the “Voyage of Compassion”

On the order of your guru, you sailed through the ocean

To give the western world, the sublime gift of devotion

You brought the Holy name & Sankirtan to the west

For the people oblivious of their real self-interest  
Delivering the fallen souls from distress & grief  
You're Chaitanya Mahaprabhu's Commander-in-chief  
Bhaktivedanta Swami you are known across the globe  
Devotion & divine knowledge personified in a saffron robe  
You are Krishna's most confidential servant  
Preacher of His glories, exceedingly fervent  
Great scholars worldwide, glorify your erudition  
Exhibited in your books, it is blent with devotion  
Bhaktivedanta purports are the manifestations of your ecstasy  
Enriched with realisations, you have endowed us with legacy  
Mahaprabhu's tattva of acintya-bheda-abheda  
You explained to us the supreme philosophy in veda  
Defeating Impersonalism, you taught His personal form  
So many contaminated hearts, who else can transform?  
You guided us in deep philosophical subject matters  
Through your books, lectures, conversations & letters  
Hundreds of temples worldwide in such a short span  
Showed extraordinary feats which no one else can  
You introduced Ratha-yatra across the continents  
Delicious prasadam with lip-smacking condiments  
A worldwide spiritual institution you had contrived  
To give shelter to all the jivas, spiritually deprived  
Received the blessings from goswamis of Vrindavan  
To purify the whole world, you're patita- paavan  
Built a spiritual home for the whole world to live  
Your mercy never ends, how much ever you give  
Your heart touching gestures can move one to tears  
A single glance from you can vanquish all great fears  
Thank you Srila Prabhupada for your causeless mercy  
From this material bondage, which can set anyone free  
Thank you Srila Prabhupada for the transcendental knowledge  
Like a torchlight in this world which is so dark & savage  
Thank you Srila Prabhupada for the Vaishnava community

To advance in the spiritual life, it's a great opportunity  
Thank you Srila Prabhupada for the beautiful deities  
Simply Their darshan can mitigate several anxieties  
Thank you Srila Prabhupada for being so kind & forgiving  
Forgetting our offenses, you are loving & encouraging  
Thank you Srila Prabhupada for linking us with Krishna  
The only way to end our endless material, Krishna  
Thank you Srila Prabhupada for giving happiness & mirth  
By creating scores of Vaikuntha embassies on this earth  
Thank you Srila Prabhupada for the books written till the seventies (1970s)  
Coming down in the parampara of great acharyas & devotees  
Thank you Srila Prabhupada for Vaishnava culture & tradition  
You taught us with compassion and loving disposition  
Thank you Srila Prabhupada for teaching by behaviour  
Acharya as you are, you're the transcendental saviour  
Had a long-cherished desire to glorify you this way  
You have only inspired me, that's all I can say  
Thus made a feeble attempt of your glorification  
Hoping it will surely lead to self-purification  
My prayer is to always remain under your shelter  
Serving your mission with Krishna in the centre  
Another request from Your Divine Grace, I beseech  
May I develop bhakti & become qualified to preach  
Humbly offering repeated dandavats unto you  
I pray for your incessant mercy, O Jagadguru!  
Eyes achieve success by having your darshan  
Glorifying your qualities is tongue's perfection  
The perfection of the body is to get your touch  
Highly rare to find a pure devotee as such  
Your fallen servant,  
Dheer Gopal Dasa.

Dear Srila Prabhupada.

Please accept my humble obeisances. All glories to Your Divine Grace.

All the jewels decorating the transcendental body of Shri Krishna have no capacity to increase the beauty of Krishna. Rather, the jewels themselves become glorious and beautiful on being accepted by the Supreme Lord. Similarly, it is not possible for an eternally conditioned living entity to glorify you but its only your causeless mercy that a chance is offered to the conditioned soul to make his life glorious by attempting to glorify a pure devotee.

*anādi' karama-phale poḍi' bhavārnava-jale toribāre nā dekhi upāy*

Infinite is the number of universes, infinite is the number of infinitesimal living entities.

Infinite are the sinful activities committed over infinite lifetimes. There is practically no hope for a conditioned living entity to come out of this ocean of suffering and nescience.

*brahmāṇḍa bhramite kona bhāgyavān jīva, guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja*

The living entity wanders throughout different planets in different forms and bodies, but if by chance he comes in contact with a bona fide spiritual master, by the grace of the spiritual master he receives Lord Kṛṣṇa's shelter, and his devotional life begins.

After many lives of wandering and suffering in various material coverings, finally by your grace I have begun my devotional life and have been able to taste a drop of the nectar of serving your lotus feet. This is the only pleasure which the living entities are searching for life after life, in various life forms, throughout the fourteen planetary systems.

On this most auspicious day of your divine appearance on this planet, I humbly beg you to always keep me engaged every moment in the service of your lotus feet and the lotus feet of all your servants.

Begging forgiveness for all the offences.

Trying to be a servant of your servants,

Gaurmandala Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Recently, I was hearing a lecture from one of the devotees where he mentioned that "Srila Prabhupada, You have presented us the essence of Vedic literature in such a nice & simple way which is otherwise, very difficult to understand even for many Vedic scholars. The very 1st chapter of your Beyond Birth and Death book, you have given the title - I AM NOT THESE BODIES." This misconception of self is the foundation of all materialistic people where they work very very hard for this body, and get entangled in the cycle of repeated birth & death. Whenever I contemplate on this, I feel so blessed that you have saved me from such grass ignorance, and given me this most confidential transcendental knowledge in a very simple way.

I feel so thrilled that you have accepted me your disciple and always guiding me towards my eternal journey of going back to Godhead. Thank you so much Srila Prabhupada for giving me this unique opportunity to be part of your movement where we have access to wonderful philosophy, Holy Name of Krishna, devotees association, Krishna Prasadam, Sankirtan, beautiful Deities, an opportunity to serve vaishnavas etc. - whereby we can make very quick progress in Krishna

Consciousness. Srila Prabhupada, you are so magnanimous that you have given us so many things, but in return, you never asked anything. Each and every devotee in your organization is very special. Their dedication to serving your instructions without any adulterations, their strong dependence upon you & Krishna, their genuine affection & love for us, their purity, their humbleness, simplicity etc – are very much inspiring. Every day there is an opportunity to learn something new; has been making this journey more and more interesting.

Your books and lectures have been constantly a source of my enthusiasm. Srila Prabhupada, You are so merciful that just to carry out your spiritual master's order to deliver fallen souls like us from this material existence, you have travelled across the globe 14 times in such an old age; being indifferent to material acquisition. In one of your conversation with one reporter from New York, you said that "I have come to your country not to take something, but to give something". Like this, there are many incidents from your personal life; which has been a constant source of my motivation to carry out your orders.

Srila Prabhupada, I pray for your mercy today so that that I should always be conscious of your lotus feet and should never forget it even for a moment; which is the only way to attain pure devotional service. Please bless me so that I should always dependent on Vaishnava's mercy, make me a servant of your servants wherever it may be. Help me come out from all kinds of independent nature, and make me completely dependent upon You and Supersoul.

Please help me to always remember the conscious of 1<sup>st</sup> day when I joined your movement, and let me always go on serving your mission without any reservations. Kindly help me to learn tolerance, become more humble while carrying out your orders.

Your humble servant,

Gopala Gauranga Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance,

*omajñāna-timirāndhasya jñānāñjana-salākayā, cakṣurunmīlitamyena tasmaiśrī-guravenamaḥ*

*"I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisance unto him."*

Last year, I read some of the instructions of Om Vishnupada Shri Shrimad Srila Bhakti Siddhanta Saraswati Goswami Thakur Maharaj. He says in his book 'Sri Chaitanya's Teachings' about the identity of a true guru.

*"Who is the true guru? He is constantly engaged in the service of Hari. Who is the truly learned man? He who in the words of God Krishna is well conversant with the correct knowledge of the bondage of jiva and his deliverance therefrom. We should accept only him as our Guru who employs cent per cent of his time in God's service; otherwise, we should fail miserably in following him. The ShriChaitanyaCharitamrita has taught us: "A true Guru teaches his disciple after his own behaviour and practice; one cannot be the teacher of Dharma if one does not perform it himself."*

He further says, *"The platform speakers of improper conduct, skilled in speeches only, or the professional priest cannot be Gurus. When a man does not keep himself engaged all the while in Hari-bhajan (service of Hari), then he is anxious to be occupied with other things on the strength of the ShriNama and committing the great aparadha (spiritual offence) utilizing ShriNama in sinful affairs. A stipend-holder or a contractor cannot be a Guru, nor a blind reader of ShrimadBhagwatam."*

*"From whom is the Bhagavatam to be heard? The Bhagavatam is to be heard from or to be studied with a true Vaishnava. The Bhagavatam cannot come out of the mouth of one who is not a Bhagavata or true devotee. Pretending to be a reader of Bhagavatam one such leads others astray. He is deceived himself and, as such, he deceives others. How can the Bhagavatam which is not different from ShriBhagavan have a full play on the tongues of professional readers who pose as scholars conversant in reading it before others, but have no true devotion in Him, being engaged in worldly enjoyments?"*

*“Only such a Mahabhagavata (a great devotee of God) as is a nishkinchana (having nothing to call his own in the world) and has sincerely surrendered himself to Krishna or is His executive servitor all the twenty-four hours of the day can legitimately occupy the Acharya’s seat.”*

When I went through this book last year, I was wondering about my greatest fortune to have come in contact with you years ago. Although, it is also a fact that relation of a disciple and Guru is eternal. It is true that the greatest fortune comes to you in the very hour when you were not seeking it. You in all your might have exposed the pseudo-religionists. These unscrupulous people exploit the naivete of the commoners. You delivered the whole world from the clutches of impersonalistic and voidistic philosophy by planting the seed of true devotion in the hearts of the innocent seekers. Thus, you saved me too!

Am I a proper seeker of the Truth? I cannot say, but even then, having found me you have shown great mercy of a poor soul like me. Oh! How I wish now, that true glory of Your Divine Grace is revealed unto me. I was and am an ignorant fool who never understood true devotion unto the lotus feet of Your Divine Grace.

The Vedic literature, especially the Upanishads identifies and always glorifies the unique position of Guru.

*tad-vijnanarthamsagurumevabhigacchet samit-panihstrotriyam brahma-nistham - [Mundaka Upanishad 1.2.12]*

*“In order to learn the transcendental science, one must approach the bona fide spiritual master in disciplic succession, who is fixed in the Absolute Truth.”*

Shrimad Bhagavatam states,

*tasmādgurumprapadyeta jijṣāsuhśreyauttamam, śābde pare caniṣṇātaraṁ brahmanyupaśamāśrayam [S.B. 11.3.21]*

*“Therefore any person who seriously desires real happiness must seek a bona fide spiritual master and take shelter of him by initiation. The qualification of the bona fide guru is that he has realized the conclusions of the scriptures by deliberation and is able to convince others of these conclusions. Such great personalities, who have taken shelter of the Supreme Godhead, leaving aside all material considerations, should be understood to be bona fide spiritual masters.”*

In this regard Sri Chaitanyamahaprabhu says,

*brahmāṇḍabhramitekonabhāgyavānjīva guru-kṛṣṇa-prasādepāya bhakti-latā-bīja - [C.C. 19.151]*

*“According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service.”*

When I read all these instructions, I can only say that you are the embodiment of all the instructions in the Vedic literatures. Your lectures, conversations, letters etc. are full of Vedic instructions and their purports. Hearing you is always auspicious and uplifts hearts of your disciples who are constantly battling a war with Maya. You are a living Bhagavata who have come down to engage such impure souls like me in Krishna’s service and thus purify us and reclaim what was lost forever. When I read these above instructions all I pictured is Your Divine Grace. I beg Your Divine Grace to be kind upon me and reveal me the best way to serve you. Please teach me to execute my services with proper devotional attitudes and moods for your satisfaction.

*“yasyaprasādādbhagavat-prasādaḥ”*, By the mercy of the spiritual master one is benedict by the mercy of Krishna. So if I could satisfy you then I know I have satisfied Krishna.

Prabhupada, my love for you as you always requested will be shown in my cooperation with my god-brothers. This, I promise you today that I will not leave any stone unturned in this aspect. I am glad that I am in association with best of your disciples whose only desire is to bring a smile on your lotus face. For a poor soul like me what could be the most auspicious place to stay, i.e. in the association of such exalted disciples of yours. Frankly speaking, missionary life is full of challenges on every step. We are fighting the enemies of the eternal functionality of living entities in this world. For outside

war, you have equipped us with proper literary ammunition to handle these challenges. To fight the war outside is not much difficult than to fight a war which is inside. With true introspection, one will understand only if one can fight with these internal enemies one can be in peace with himself and happily execute his devotional service. Our eternal infection of impure habits of past lifetimes, animalistic instincts, acquired innate mode of nature all pose a great threat to our devotional service. These are like Mountain Rivers, more you resist them stronger they precipitate. I am glad that I am stripped naked of my inferior nature in front of my spiritual authority. Now, that I know what to improve, I can only beg your mercy to give me enough strength to tolerate the friction it causes in the heart and also enough patience to endure this treatment.

In the end, I would like to put a humble request at thy lotus feet. In, this war against Maya many soldiers have in the past and are going to be injured in the future. Some might end up in fatal termination. Please show your causeless mercy on them for they too came with intentions to serve you although could not endure, unfortunately. According to Mahabharata, all the soldiers who died in the presence of Lord Krishna were liberated. Here are the soldiers who are laying down their life for Sri ChaitanyaMahaparabhu's divine desire to distribute Love of Krishna. You are the commander in chief of this army. Please consider my request, even if, at the cost of my eternal life. Thus, I will rejoice from far off seeing all the living entities rejoicing in your company. I will then happily wave you off from the shore of the material world while you with others sail away to the spiritual abode of Krishna. I am an offensive creature, hypocrite and a humble fool devoid of any spiritual credits. I deserve to suffer eternally in this material world. But, even if you condemn me in this material world please always keep me in an association with Vaishnavas.

Your fallen servant,

Indradyumna Dasa.

Hare Krishna!

Dear Srila Prabhupada.

Please Accept My Humble Obeisances on this most auspicious day of your divine appearance in this part of the material creation. All Glories to you my eternal Spiritual Master.

As we sing every day during Guru Puja in glorification of you “*śrī-guru karuṇā-sindhu, adhama janāra bandhu*” -

O spiritual master, ocean of mercy and friend of the fallen souls, - I always remember the prayers of Sri Prahlada Maharaja to Lord Narasimhadev in *Srimad Bhagavatam* 7.9.44:

*prāyeṇa deva munayaḥ sva-vimukti-kāmā maunaṁ caranti vijane na parārtha-niṣṭhāḥ  
naitān vihāya kṛpaṇān vimumukṣa eko nānyaṁ tvad asya śaraṇaṁ bhramato 'nupaśye*

“My dear Lord Nṛsiṁhadeva, I see that there are many saintly persons indeed, but they are interested only in their own deliverance. Not caring for the big cities and towns, they go to the Himalayas or the forest to meditate with vows of silence [mauna-vrata]. They are not interested in delivering others. As for me, however, I do not wish to be liberated alone, leaving aside all these poor fools and rascals. I know that without Kṛṣṇa consciousness, without taking shelter of Your lotus feet, one cannot be happy. Therefore I wish to bring them back to shelter at Your lotus feet”. And in Purport, you said, “This is the decision of the Vaiṣṇava, the pure devotee of the Lord”.

Srila Prabhupad, you are such a maha Bhagavata, the pure devotee of the Lord, who, following in the footsteps Sri Prahlada Maharaja, being an ocean of mercy, given yourself by becoming a friend of the fallen souls of the suffering humanity for making them Kṛṣṇa Conscious and happy.

As Lord Krishna tells in the *Bhagavad-Gita* 15.7:

*mamaivāṁśo jīva-loke jīva-bhūtaḥ sanātanaḥ, manaḥ-śaṣṭhānīndriyāṇi prakṛti-sthāni karṣati*

“The living entities in this conditioned world are My eternal fragmental parts. Due to conditioned life, they are struggling very hard with the six senses, which include the mind”. So, even though we belong to Kṛṣṇa’s Sat Chit Ananda nature, but due to forgetfulness of our eternal relationship with Krishna, we are entangled in the strong chain of birth, death, old age, disease and struggling very hard in search of happiness. Even though all our attempts in search of happiness proved hopeless, but your divine appearance in this most fortunate part of the material world, Bharata-bhumi, gave an eternal solace for the suffering humanity at large and make them happy under Kṛṣṇa’s shelter.

Srila Prabhupad, I am eternally indebted to your divine grace for giving me shelter at your lotus feet and such an opportunity to serve you under your sincere and gentle disciples and become Kṛṣṇa Conscious. But, I am so much unfortunate, still, being ignorant in the bodily concept of life and always seeking after material sense gratification and not serious in doing devotional service. I am very much fallen and because of my inability over-controlling myself in becoming the servant of the senses and mind, I am committing offences at your lotus feet and to your disciples and Vaishnavas.

Srila Prabhupad, with all humility I beg at your lotus feet, please forgive me for all the offences committed at your lotus feet and to your disciples and Vaishnavas. Please give me Jnana, Bala and kriya to become more serious, strong and determined in following your instructions to execute devotional service, become Kṛṣṇa Conscious and serve your divine grace through your sincere and gentle disciples and please you.

Desiring to serve your divine grace forever.

Your Most Fallen Servant,

Muralidhara Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All Glories unto you.

Now Srila Prabhupada, you made this fallen soul from a sudra to a brahmana. If you examine me, you will find no qualities of a brahmana still you made me. Your mercy is all that I am made of. If you are not merciful unto me then I will not be able to maintain my life.

In *The Nectar of Devotion*, Śrīla Rūpa Gosvāmī mention one of the basic principle of devotional service is to accepting the shelter of the lotus feet of a bona fide spiritual master. So Srila Prabhupada, your lotus feet is the only way for me attain pure devotional service. Let me always keep in the shelter of your lotus feet.

This year Srila Prabhupada, you have given me lots of things to learn which are essential for my devotional service and spiritual advancement. Please bless me so that I can get them rightly.

It’s mention in SB 10.2.8 Purport:-

*“The Supreme Personality of Godhead appeared from the womb of Devakī, and therefore Devakī symbolically represents bhakti, and Kāṁsa symbolically represents material fear. When a pure devotee always fears material association, his real position of bhakti is manifested, and he naturally becomes uninterested in material enjoyment. When the six sons of Marīci; Kāma, Krodha, Lobha, Moha, Mada and Mātsarya (lust, anger, greed, illusion, madness and envy) are killed by such fear and one is freed from material contamination, within the womb of bhakti the Supreme Personality of Godhead appears. In other words, when one awakens his natural Kṛṣṇa consciousness, Lord Kṛṣṇa appears.”*

This is possible only by your grace Prabhupada because you have the power to give Kṛṣṇa bhakti to me.

Without your association Prabhupada, I have no strength to discharge devotional service. And this is possible only by the association of the devotees of the Lord. So please bless me always, so that in the future I can take up many responsibilities and with my best ability try to serve and please you. Never let me go away from you and all the Vaishnavas association.

In the Kṛṣṇa consciousness, the most important two aspects are humility and tolerance which I always hanker. Without them, it is impossible for me to successfully perform devotional service.

In 3<sup>rd</sup> verse of ŚrīSikṣāṣṭaka, Lord ŚrīCaitanya Mahāprabhu says:-

*trṇādapisunīcena tarorapisahiṣṇunā, amānināmānadena kīrtanīyaḥsadāhariḥ*

“One should chant the holy name of the Lord in a humble state of mind, thinking oneself lower than the straw in the street; one should be more tolerant than a tree, devoid of all sense of false prestige, and should be ready to offer all respect to others. In such a state of mind, one can chant the holy name of the Lord constantly.”

Srila Prabhupada, please bless me with these qualities and also other qualities which are most essential in doing devotional service.

As you know Srila Prabhupada that we are serving your mission in Mumbai for last more than four years and we all depend on your mercy to grow further. Srila Prabhupada if you so desire please bless us so that we can have nice devotees in your movement soon and a beautiful Temple of Lord Kṛṣṇa which will help to attract more and more people to glorify His name and follow His message.

I don't have any words to show my gratitude unto you Srila Prabhupada. The only thing which I can do is to serve your mission with my great desire and make that as my life & soul.

Oh my beloved Srila Prabhupada, I request you to forgive me for all the offences which I have committed at your lotus feet and all the Vaishnavas.

Desiring and Aspiring to be the servant of your servants,

Purna Brahma Dasa.

Dear Srila Prabhupada

On this most auspicious day of your appearance please accept my humble obeisances unto your divine lotus feet. All glories unto you.

In order to deliver this suffering humanity from the cycle repeated of birth and death, on the order of Sri Chaitanya Mahaprabhu, you appeared on this earth. No one in the entire three worlds can sufficiently glorify you. You are Commander in Chief of Sri Chaitanya Mahaprabhu, who has distributed Holy Name all over the world. Your mercy is causeless and at the same time unlimited also. I am also one of the recipients of this causeless mercy. Your mercy is causeless because when I look back, I can undoubtedly see that I am not all qualified for this mercy. But this is your compassion only that today millions of fallen and wretched souls like me are able to chant *Hare Krishna Mahamantra*, taste *Krishna Prasadam*, and perform devotional service.

In the *Hari-bhakti-sudhodaya* (13.2) there is the following verse:

*akṣṇoḥphalaṃtvādr̥ṣa-darśanam hi tanoḥphalaṃtvādr̥ṣa-gātra-saṅgaḥ*

*jihvā-phalaṃtvādr̥ṣa-kīrtanam hi sudurlabhābhāgavatā hi loke*

"O devotee of the Lord, the purpose of the visual sense is fulfilled simply by seeing you, and to touch your body is the fulfilment of bodily touch. The tongue is meant for glorifying your qualities because in this world a pure devotee of the Lord is very difficult to find."

Srila Prabhupada I want to make above verse vision of my life. As SrilaBhaktivinodhas written *tumi to' Thakur, tomarakukur, boliyajanaho more*, you kindly consider me your household dog and engage me in your service. You are an ācārya and no one can take your position. You have shown by your own example how to perform devotional service to *guru* and Lord *Krishna*. In order to understand the position of an Acharya, we can take help of following verse from SrimadBhagavadtam spoken by Lord Himself (11.17.27)

*ācāryamāmvi jānīyān navamanyetakarhicit, namartya-buddhyāsūyeta sarva-deva-mayo guruḥ*

“One should know the ācārya as Me and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods.”

So not anyone and everyone can become an ācārya. All your disciples and followers are the most fortunate souls on this earth because you have accepted them. Nobody can get the seed of devotion without the mercy of a pure devotee.

At last, I would like to beg from you kindly give me strength so that I can follow all your instruction with complete devotion. I know I don't have any ability to serve you. So, I am praying like SrilaBhaktivinod Thakur *yogyata-vicharekichhunahipaitomara karuna-sara*, your mercy is everything for me. Please forgive me for all my offences which I have committed knowingly or unknowingly. I am sure you will forgive me because your mercy is meant for fallen souls like me.

Your aspiring servant,

Sreesha Govind Dasa.

Dear Srila Prabhupada

All Glories to His Divine Grace Vishnupad Paramahansa 108 Sri Srimad Abhaya Charanarvinda Bhaktivedanta Swami Srila Prabhupada.

*om ajñāna-timirāndhasya jñānāñjana-śalākayā, cakṣur unmilitam yena tasmai śrī-gurave namaḥ al*

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge

*mukam karoti vachalaa, pangum langhayate girim, yat-krpa tamaham vande, sri gurum dina-taranam*

“By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains.” (CC Madhya 17.80) Entire world is deaf and dumb spiritually, simply making meaningless noise like croaking toads which will invite dangerous snakes. Everybody is endeavouring hard, day and night, to surpass the material miseries, which are always behind like thieves waiting for an opportunity to rob our happiness. Being ignorant, people are simply engaged in countless misdeeds in countless lives.

The awaiting reactions are like huge mountains, which are impractical to be crossed by own effort, by spiritually lame people. No wonder, I was one among these people, wasting valuable lifetime in mundane research and sense enjoyment... But the wondrous moment of my life is that - I encountered your causeless mercy through your books, Oh my dear Spiritual Master you have provoked a dumb person like me to speak about Krishna, His name, pastimes and qualities. The mountains of reactions are no more impediments as they have melted to small pebbles by the current of your causeless mercy. This fact is evident in Bhagavad-Gita 7.28 –

*yesham tu antagatam papam, jananam punya karmana, te dvandva moha nirmukat, bhajante mam drudha vratah*

Those eligible for elevation to the transcendental position are mentioned in this verse. For those who are sinful, atheistic, foolish and deceitful, it is very difficult to transcend the duality of desire and hate. Only those who have passed their lives

in practising the regulative principles of religion, who have acted piously and who have conquered sinful reactions can accept devotional service and gradually rise to the pure knowledge of the Supreme Personality of Godhead.

My life was completely in contrast to this statement, but whatever little determination I have obtained is solely by the touch of your causeless mercy Prabhupada. Today on this auspicious occasion of your birthday I pray at your lotus feet my dear Spiritual Master that the seed of determination towards service, sowed by you in my heart, may grow stronger till it reaches Krishna's Lotus feet at Goloka Vrindavan.

My dear Srila Prabhupada, you said that Mumbai is my office. I am very happy to do your seva here, I am just trying to follow your instruction. My only humble request is please shower your mercy on our folk boys to become strong in Krishna Consciousness and join the movement as full-time missionaries, soon as possible.

Please show me the spiritual path so that we can fulfil your desire. Folk preaching is going on nicely at Airoli, Thane, Powai and Pune. By your mercy, more than 60 boys are chanting 16 rounds daily. Due to lockdown, our preaching has slowed down, but we are not disturbed much.

Today I am in your movement it's only because of your causeless mercy upon me; please give me the Spiritual strength to follow your instructions and ability to preach. Even though I don't have any qualification, but still you have given me a chance, I am trying best of my ability to just to follow your words. If you would have not come in my life I would have been suffering in this most miserable material world.

Please bless me so that I can follow your process of Chanting and the hearing the same sound, and touch the Nama Prabhu.

This June I have completed 5 years of service in your Movement as a full-time missionary. I am really happy here in the midst of Devotees. Prabhupada, now I am reading your Srimad Bhagwatham 10<sup>th</sup> Canto. Your books are nectar for mind and soul.

Knowingly or unknowingly if I have committed any offences please forgive this most fallen. Please allow me to remain as your servant till my last breath, not only in this life but eternally.

Your insignificant servant,

Urukrama Gauranga Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance on this most auspicious appearance day anniversary of Your Divine Grace.

I am indebted to you for keeping me under your shelter.

There is another very special day that comes almost one month before your appearance day and that is the day when you incorporated ISKCON society in New York in 1966. But this incorporation did not happen so easily. Although you went through many obstacles but the most important driving force for you at that time was your strong faith in your spiritual master.

On appearance day of His Divine Grace Srila Bhaktisiddhanta Sarasvati Gosvami Prabhupada's Appearance Day, Lecture -- Atlanta, March 2, 1975 – you mentioned – “*I never feel that I am alone. Of course, when I came to your country without any friends, without any means... Practically, just like a vagabond, I came. But I had full faith that "My Guru Mahārāja is with me." I never lost this faith, and that is a fact.*”

In a letter to Jayagovinda -- on 15 October 1969 you mentioned – “*I came to your country in ripe old age, but I had one asset: enthusiasm and faith in my Spiritual Master. I think these assets only are giving me some lights of hope, whatever I have achieved so far with your cooperation.*”

All these statements show that a disciple should have a very strong faith in the words of his spiritual master. Maya is always ready to inject doubts in us till we are struggling with our anarthas. In one letter to Subala in 1967, you mentioned – “Anyone who has developed unflinching faith in the Lord and the Spiritual Master can understand the revealed scripture unfold before him.” Then in another letter in 1976, you mentioned – “If you want to stay in Kṛṣṇa Consciousness you will have to develop firm faith in Guru and Sastra.”

On this auspicious day of Vyasa Puja, I beg from you to bestow your mercy in the form of firm faith in your words so that I never get distracted by different types temptations which Maya may present to me. Please continue to shower your unlimited mercy on this fallen soul so that I can become free from false pride and can become a humble servant of your sincere servants.

*guru-mukha-padma-vākya, cittete koriyā aikya, āṛ nā koriho mane āśā*

*śrī-guru-caraṇe rati, ei se uttama-gati, je prasāde pūre sarva āśā*

My only wish is to have my consciousness purified by the words emanating from his lotus mouth. Attachment to his lotus feet is the perfection that fulfils all desires.

Aspiring to be your disciple,

Vrajraj Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

I would just like to Thank You again and again for showering Your causeless mercy upon me and giving this fallen soul innumerable opportunities. Words cannot describe how grateful and thankful I am. I don't know in what condition I would have been if I wouldn't have had Your mercy. I am trying my best to hold on to Your Divine Grace's dhoti as I had heard in one of the Bhagavatam lectures given by You. There are many hurdles but because of constantly associating with devotees who have taken shelter of Your Lotus Feet, I have been able to receive Your mercy through them.

Thank You so much again and again for giving me this wonderful gift of devotional service to Shri Krishna and also the opportunity to associate with devotees. I beg to get more and more strength to serve Your Divine Grace and their Lordships Shri Shri Radha and Krishna more and more throughout my life.

Your aspiring servant,

Bhakta Aditya Ahuja.

Dear Srila Prabhupada,

Please accept my respectful obeisance unto your lotus feet. All glories to you for introducing the rich Vaishnava culture to the society which is degrading day by day and slowly becoming barbaric in the garb of some illusory advancement.

According to your statements, only a Krishna conscious devotee has all the good virtues, and I'm genuinely experiencing this as I've become a completely different individual by following the recommended process. My perspective on how I see life has changed and the efficiency with which I perform tasks has gone up tremendously. The false identification and accreditation that I achieved something have completely dwindled and I could establish myself in the fact that it is Lord

Krishna who has blessed me with knowledge and intelligence to achieve what I had so far. Thank you for explaining the science of Krishna and reinstating me in my real constitutional position.

The books you gave are alone sufficient to deliver the entire humanity, for they contain the essence of all the teachings of the timeless Vedic wisdom. I never encountered a single person who matched to your levels in the presentation of this subject matter, and I profusely thank you, for, without you, I must have never tasted the nectar of Krishna Consciousness. You promised that you shall live forever through your books and with great humility, I submit to your lotus feet whenever I experience the real solace, I receive from reading your books and following the instructions. Thank you for your merciful association provided by the means of your books, recordings, serene temples, and Seva opportunities.

This February you had extended your shelter to me by providing me with your Ashraya in the level of 'sadhaka'. Thank you for opening your doors to me, as from that moment, my spiritual life became more disciplined and my sadhana sincerer. I must also thank you for facilitating the Bhakti Vriksha program and making me one of the servant leaders through your faithful disciples. This exposure further increased my faith that all the questions a person has about his life can be answered if your books are read attentively. One can easily be empowered to tackle any questions posed with the wisdom you have equipped us with. I am firmly convinced that you indeed are an ocean of mercy, for you have given such opportunities to me, who is a completely undeserving soul for often tending to commit mistakes and fall down.

Once again thank you for all that you have done to me. The mission you established is progressing in the intended direction by means of your faithful disciples who have completely surrendered unto your lotus feet, and with every passing day, my zeal to serve you and your institution is increasing. I hope to see myself as one of your vital instruments in the future. I beg your mercy to help me serve you and become a true Vaishnava who is constantly engaged in thoughts of Sri Sri Radha Krishna and Their Lordships Gaur Nitai.

Your meek and aspiring servant,

Bhakta Ajay Nidichenametla.

Dear Srila Prabhupada,

I offer my humble obeisances unto the lotus feet of my spiritual master.

Please give me the opportunity to glorify you on this auspicious day of your appearance.

om aṣṭāna-timirāndhasya ṣṭānāṣjana-śalākayā cakṣur unmīlitaṁ yena tasmai srī-gurave namah

My feelings for you would always be short of words for the kind of selfless service, you have rendered to elevate us. Always felt fortunate to be in association with the pious souls. By your mercy only I am able to chant 16 rounds daily, this happens only by Your causeless mercy, so please give me the strength to face the problems on both material and spiritual platforms.

Every time when I get distracted by Maya, it was you who pulled me back to my original position. I sincerely request you to keep on doing the same to become a self-realized and God-realized person as I am bounded in the clutches of Maya.

My gratitude to you Srila Prabhupad and your disciples who by their kind association try to help the fallen soul like me.

Dandwat pranaam to you Srila Prabhupad, Hare Krishna.

Your most insignificant servant,

Bhakta Ajit Kumar.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious day of your Divine Grace.

I started reading your books and every time I read the book, I get something new to realize about this material world. One of its qualities to relate every situation in human life with some practical approach; like how we spiritual souls get covered by this ignorance as the sun is covered by the dark cloud for a temporary period is an important realization. Your books influence me more towards chanting like how to do quality chanting and how one should be connected to Krishna while doing chanting and how one can escape from this repeated birth and death cycle (if we apply the same intelligence for our sense gratification, we become entangled in material nature and feel anxiety, then we have to change bodies one after another, is your important teaching).

In one of your books, you stated “*advancement of material knowledge is simply the advancement of Maya’s jurisdiction*” which is again important to note. Prior to reading your books my mind always quarreled about the question like Who we are, What is the purpose of our life, how this universe is working, And why we suffer more?, but due to Your divine grace and your books I got all answers in-depth and practical manner. It is because of your blessing that I am preaching more people to spread this knowledge via social media and I request everyone to chant Hare Krishna mantra for spiritual advancement.

Thank you so much Srila Prabhupada for giving me such a wonderful spiritual knowledge.

Your humble servant,

Bhakta Akash Gidde.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

I sometimes wish that I should have born in that era when you were physically present in this material world. Your actions as explained by other devotees always portrayed your humbleness towards your students and I always admired, how you mock down those in the mode of ignorance and passion in this material world by your witty nature.

On this auspicious occasion of Vyasa Puja, I offer my obeisance to you who is none other than the representative of Srila Vyasadeva. You made me aware of the higher taste of spirituality over and above the lowest taste of materiality. Your knowledge is unadulterated and always shows the hope for the liberation of this conditioned soul. Your approach of making things understand to a layman in the simplest way can be always seen in your drafted books.

I always thought of having someone who is very strong and supportive who would always stand with me, then I came in association with devotees who preached me your teachings and further made me aware of “*The Bhagavad Gita – as it is*” which is nothing but the purest version of the compilation made by you.

Practical examples made by you inspired me, due to which I am now able to follow certain austerities like chanting 8 Rounds of Japa and follow Ekadashi Vrata. You made us aware of the infinite nectar in the name of KRSNA, which can be possessed by us by the simple process of Japa.

You were showered with the grace of Lord Chaitanya Mahaprabhu and Prabhu Nityananda and flawlessly spread the Holy Name of Krishna in the form of his teachings and past stories. ISKCON is nothing but a matter of pride and pleasure for us which you have bestowed to us in the form of a wonderful gift.

On this most auspicious day, I humbly beg you to continue to shower your blessings on me to make me an instrument in serving your mission. I beg you to give me the inner strength to take all austerities in serving your mission. Please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhakta Akash Gupta.

Dear Srila Prabhupada (मेरे आध्यात्मिक गुरु)

First & foremost, **thank you** for navigating me and let me utilize my ability as a human to think and analyze for my spiritual growth. I am indebted to you a million times for this. to get a human birth is very rare and on top of that getting a Guru in that particular human birth is even rare. Even if I think about that proportion, it doesn't stand a chance for me to get your mercy and guidance to enable my Spiritual Journey.

All glories to you.

With your Authority & mercy, I have been able to read many small books. Your simplistic way to explain a thing and with easy to grasp examples is exemplary. During this period, my Japa chant count increased from 1 to 10. Earlier it used to feel like more a mechanical process but now feel somewhat connected from one round to another, doesn't feel like a burden. It's a simple process but mind wise not that simple. My journey is ON and in order to improve the quality of the chanting, with your mercy I got an opportunity to undergo a training program on Soulful Japa, that's a great help. Things which I aspire and seek help during the journey automatically manifest, all because of you. It feels as if you are personal spiritual coach, somehow things feel connected. Thanks for all the blessings bestowed on me and with that, I believe my Journey is going to be smooth with guidance at every point from you.

Please give me the mental strength to continue to move ahead and understand things and able to implement them. Please give me the intelligence to understand things in perspective, make material life spiritualized, improve the quality of chanting, get guided by books, and develop a love for Krishna.

Please keep me under your guidance at all times.

Your humble student, Bhakta Anil Bhargava.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

You are very dear to Lord Krishna. By your divine presence, you are saving so many living entities from the clutches of material existence every day. You have created an institution which has allowed so many souls to come in touch with you, take your shelter, and make their lives successful. People from all walks of life are just a wish away to take advantage of your mercy. Thus, your glories are ever-increasing and limitless.

On this auspicious occasion, I pray for your causeless mercy so that I may always be enthusiastic and satisfied by engaging in your service and stop searching for temporary happiness in mundane material endeavors. I pray that in happiness or in difficulty, I may never forget your instructions. Thus allow me to be in constant touch with you.

Your's aspiring servant, Bhakta Aniruddha.

Dear Srila Prabhupada,

Please accept my humble obeisances at your Lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

Srila Prabhupada, because of you we know why Krishna is The Supreme Lord and how he is great...as I am born in the state of Maharashtra... before coming to Krishna consciousness, the realization was Lord Ganesha is supreme lord but after KC you made us realize that Krishna is Supre Lord.. before KC there were only 2 Ekadashi...Ashadhi Ekadashi and kartiki Ekadashi... after KC I came to know that there are total 24 Ekadashi... before KC the dancing had only meant for marriage and other ceremonies.. but after KC you proposed that one should dance only before Krishna. With his holy name.. before KC I thought that prasadam is one spoon of shira... but after KC you showed the unlimited items of prasadam.. before KC for protection I worshipped demigods but after KC, you have given ferocious Lord Narsimha for all protection.. before KC Gita only limited to *yada yada hi dharmasya* Verse.. but after KC, you taught other 557 verses equally... before KC I knew only Vaikuntha is the Supreme destination but after KC you shown Goloka Vrindavan is supreme.. before KC Hare Krishna mantra only chanted at the end of all Aarti in Ganeshotsava but you taught that Hare Krishna Mantra should be chanted continuously...

This is how you changed my life from Indian hippie to real happy...I must have done some punya so I am blessed with having the Acharya like you...

I only pray to lord to empower me to serve you eternally...

All glories to Srila Prabhupada...

Your Servant,

Bhakta Anish Mate.

Dear Srila Prabhupad,

*nama om vishnu-padaya krishna-preshthaya bhuta-tale, srimate bhaktivedanta-svamin iti namine  
namas te sarasvate deve gaura-vani-pracharine, nirvishesha-shunyavadi-pashchatya-desha-tarine*

I offer my most humble obeisances at Your lotus feet.

Before You held my hand around three years back and accepted me as Your disciple, I was totally unaware of the very purpose of human life, was blinded by material glitter, was chasing temporary sense gratifications with each chase ending in another discontent, disillusion, disgruntle and a new desire.

You have most mercifully accepted an undeserving fallen soul at Your lotus feet and blessed me with “*divya gyan hrdaya prakashito*”.

There have been several instances in last 3 years where I can see You and Lord Krishna placing solutions to material and spiritual needs & challenges of my life on a platter for me, in each case I knew I am undeserving and incapable to succeed and that it is Your hand alone that is leading me to progress on the path of spirituality without obstacles.

Though there are many incidents of Your extreme mercy upon me, one of these I cannot stop mentioning - on July 28, 2019, I injured my Achilles tendon in Villa Vrindavan at 5.00 pm. After this, Your blessings energized me to blissfully enjoy Pushpa Abhishekem of the deities and phoolon ki holi with devotees for about 2 hours, then I could walk, travel by car, train and taxi including long walks at two railway stations and returned to the hotel in Rome. It was next morning July 29, I realized the pain and complete inability to even put my foot on the ground and within minutes Mr. Ashok Guleria, one

gentleman unknown to me and my family before, came to my help and took me to two different hospitals for medical examination, served me steaming hot sattvic lunch at his home and spent his entire day from 10.00 am to 7.00 pm attending to all my needs as if he was commissioned by the Lord. In the evening he dropped me and Sadhna to the hotel and next morning we had our return flight to Mumbai via Dubai, the airline car was waiting for us at the hotel door and all through travel to Mumbai I was taken care as if Lord Krishna himself is holding me on his palm. There was a surgery in Mumbai and 3 months of home-stuck recouping period with no mobility and during this period the work continued from home and physically, emotionally, materially and spirituality it appeared as if The Lord was personally caring to every need of mine to give me that blissful experience which I call as Prasadam.

Today I offer my most sincere gratitude to You for all that You have blessed me with though there is no way to repay the debt to You.

Your most fallen Devotee,

Bhakta Anoop Gupta.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

As the representative of Srila Vyasadeva, you have lucidly explained the original teachings of Srila Vyasadeva in your Bhaktivedanta purports for the benefit of all the conditioned souls. Your purports make the most difficult philosophy easy to understand even for a common man.

Prabhupada you founded a very nice Krishna Consciousness movement. And just because of this everybody joined this movement and started chanting Hare Krishna mantra and are enjoying life and became happy.

Srimad Bhagavatam explains that after 84 lakh births we get human birth, so it's very important to come out of this birth and death cycle in this human birth and go back home back to godhead.

On this most auspicious day, I humbly beg you to continue to shower your blessings on me and make me an instrument in serving your mission. I beg you to give me the inner strength to take all austerity in serving your mission. Please forgive me for my offenses and give me the intelligence to carry out your orders under your protection.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhakta Anuj Kushwaha.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your divine lotus feet.

On this day of your divine appearance, let me take the opportunity to make an offering of gratitude to you for your causeless mercy on this most fallen soul. It is only by your mercy that I have come in touch with "Hare Krishna Movement Mumbai" and your disciples who have dedicate their life to your wonderful organization for the betterment of mankind. I am thankful to you Srila Prabhupada for having such a wonderful arrangement in terms of Hare Krishna temples and the qualified devotees who have helped me to understand the purpose of life, the goal of life, and the preaching helped me to set my goals. My confidence level has boosted up and it has helped me to understand that Karma has to be executed as per the defined path.

Thank you Srila Prabhupada for continuing to keep me engaged in your mission and for always inspiring and guiding me with the support from missionary devotees. On this occasion, I beg for your divine blessings to grow up in spiritual life and be a part of your mission eternally and thus become your true servant.

Begging to remain under the shelter of your lotus feet at all times.

Dear Srila Prabhupada,

Please accept my humble obeisances on this utmost holy and auspicious day of your Divine appearance.

Firstly, I would like to thank you for accepting this soul at your lotus feet by giving an opportunity to serve Sri Lord Krishna through Your grace.

Thank you always for-

Accepting me in your movement, helping me realize that I am not the body but conditioned Soul and life's true purpose, sharing the key to happiness - following 4 regulative principles and the gift of bestowing us with the Hare Krishna Mahamantra to liberate ourselves from the cycle of birth and death.

Despite traveling to so many countries abroad, you were never disturbed by the surroundings but had only one focus - to serve your Guru's mission. You lived for preaching at every stage of life, starting the Hare Krishna Movement from scratch and spreading globally despite many challenges.

You have blessed us with your precious gift of many spiritual teachings in your books to make it so simple for every soul to not only read but live spiritually as a way of daily living.

It is your mercy upon this soul that I chant 16 rounds daily and much more learning to be unfolded. Your presence in my life has really changed me as a person (what to say of soul development). Your easy purports and explanation of the Bhagavad Gita made me ever read this holy book in its true essence and many more books to explore.

You help us connect with the Supreme Lord through daily practice of Mangal Aarti, chanting, devotional service, Srimad Bhagavatam class, Krishna Prasadam, book reading, and devotee association.

Reading more about your life, Books, videos, and hearing your priceless recordings bring me closer to your lotus feet and all daily life challenges just melt away.

Kindly forgive me for all my mistakes and please help deliver this fallen conditioned soul with your constant shelter and using me as your instrument to serve your mission.

With deep deep gratitude, respect and, love to you and Lord Radha Krishna, seated in your heart forever.

Begging to remain under the shelter of your divine lotus feet

Your's humble servant,

Bhakta Ashish Agarwal.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus divine feet. All glories to you on this most auspicious appearance day of your divine grace.

First of all, I would like to express my deepest gratitude to you for all the Tapasya and sacrifices you have done to spread this auspicious knowledge of KRSNA consciousness for conditioned souls like myself. You have shown me a new way of living life, living life like human beings and not animals. By all standards I was (am) not at all qualified to render even a little service to KRSNA but by your infinite compassion and mercy, I have got this opportunity. I have by all means wasted the first half of my life running behind wealth, fame, and all temporary pleasures of life. I don't know what I have done to receive your anukampa.

By your mercy today I am able to chant 16 rounds daily and follow the four regulative principles. All my addictions which once seemed impossible to defeat and were killing my desire to exist have now left me in peace. Fear and anxieties have lessened their grip. All this is no less than a miracle for me. A miracle created by the Nama Prabhu who has been brought to us by you through your empowered books and disciples.

I would also like to take this opportunity to ask for your forgiveness. Kindly forgive me for not having complete faith in you and the holy name even after so many transformations you have made in my life. Kindly also forgive me for not being able to give up so many material attachments even after understanding so many instructions on this matter. Although perfection in spiritual life still looks a faraway dream to me, but I have faith that if you don't give up on me in this and future lives this dream can very much be turned into reality. After all what hope do I have apart from your unconditional mercy.

At last, I beg you to bless me with the courage and determination to follow KRSNA consciousness for the rest of my life under your guidance. I beg you to bless me with the focus to chant the holy names soulfully. I beg you to bless me with the ability to spread your teachings and message to all the conditioned souls in this world. Also, I beg you to bless me so that one day I can surrender everything I have for your and KRSNA's service. For that would be the perfection of this life.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhakta Ashtesh Kumar.

Jai Śrīla Prabhupada! O conqueror of the senses, O gracious and mere Master, please accept my humble obeisances at your lotus feet.

This material world is like a dense forest in which all types of indulgences are stored in a hive protected by various dangerous bees by whom one has to be bitten before replenishing the taste of the fake nectar of material pleasure

The imbecile people are running behind the unreal nectar but no one craves for the real one which is 'Krishna Prema'. There is a very special characteristic about this hive containing 'Krishna Prema' because the Queen bee who is ŚrīmatīRadharānī is very eager to distribute this nectar to the wild humans through the one who has perceived it who is the spiritual Master.

O Prabhupada! I am like an ant which is very eager to taste this nectar but am always besieged by the bees of Maya but only by your guidance I can have it. The spiritual Master is the personified form of Krishna's mercy. You are like the pole star who guides the fallen from the darkness of ignorance to the frivolous of knowledge. This mind is like a see-saw on which on one side is sitting the witch 'Maya' and on either side is residing 'bhakti'. O Master, but my mind is very unsteady and only by your mercy I can perform pure devotional service to you and Krishna.

You are the chief of Lord Nityananda's army. Like Lord Nityananda delivered Jagai and Madhai similarly you have delivered thousands of them and are still enlightening your disciples and showering your grace on the fallen souls.

Your scriptural philosophies are of no match and all the atheistic and impersonalist's philosophies are like a piece of metal in comparison to your platinum worth teachings. The people in this age of Kali are not as apprehensive as Maharaj Parikshit but you are as acquainted as Shukadev Goswami who have made us understand the Vedas through your books.

The appearance and disappearance of a pure devotee like you are always very pious. You have valedicted from this world but your instructions are ever existing. So on this occasion of your Vyasa puja, I pay my homage, gratitude, and humble obeisance at your lotus feet.

Please accept me as a tiny atom at your lotus feet.

Your humble servant, Bhakta Ashwin Singh.

Dear Srila Prabhupada,

Please accept my humble obeisance.

Thank you for providing the purpose of life and also the practical example of how to do it, thank you for the rules and the process. In the past, I had an understanding that I already had a friendly relation with Krishna just like a close friend who knows everything about me, but it is just because of you that, I now think of Krishna more properly in the absolute sense, thanks to Lord Krishna and you for doing that. Thank you for clearing all kinds of my previously existing misconceptions, thank you for providing the books, it feels so good to read them, it gives some sort of happiness which I can't explain, I am not eligible right now to be your servant, but I will try to become one by your and Krishna's mercy. Thank you for providing a proper schedule for the day, it makes us more efficient. Thanks for everything.

Please help me in becoming your servant.

Your's servant,

Bhakta Ayush.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Srila Vyasa Deva says in the Bhagavatam that Krishna is The Supreme Personality of Godhead but you have made it very simple for us to understand how Sri Krishna is The Supreme Lord. Your straightforward and absolute Bhaktivedanta purports have made us understand the true importance and meaning of scriptures. You are the ideal Acharya who accepts everyone and gives shelter at Your Lotus feet. You have given us the ripened fruit of Vedanta and your Krishna consciousness movement is showing us the easiest way to reach the supreme destination.

On this day most auspicious day, I pray at your Lotus feet to give me an opportunity to serve your mission with the apex guidance of your disciples.

I beg you to shower mercy and give us enough strength to have the determination to follow your orders with unflinching faith.

I pray to Lord to always have a service attitude towards you, all other Vaishnavas, and your mission. May Lord never put me in such a condition that I forget you and the Lord Himself. Whether in hell or heaven, in happiness or in distress or in any duality of life, I want to only serve you as my spiritual master and the Supreme Lord.

Your humble servant, Bhakta Bharat Yadav.

My Dear Srila Prabhupada,

Please accept my humble obeisance at your Divine Lotus Feet. All glories to Srila Prabhupada. On this most auspicious appearance day of Your Divine Grace, I dance in joy and happiness.

I am a neophyte devotee. On such a fortunate day of your appearance, I render myself as a fallen soul seeking devotion at your lotus feet. I'm so blessed after performing so many austerities finally I have you at last as my Spiritual Master, billions and billions of prostate obeisance to you Gurudev.

The books like Bhagavad-Gita As It Is and many books translated by you in simple language with well-explained purports are like nectar for a fallen soul like me to arise from the misery of this material life. By somehow roaming here and there finally I came in touch with your divine association which has enlightened me to know who I am, what is my role in this human form of life, where I came from and at last salvation at your Lotus Feet is my only desire.

I know you took birth in this human form only to the awake sleeping soul like us and take Back to Godhead. This wonderful gift of Krishna Consciousness is a never-ending source of bliss for my soul. The 500-year-old message by Lord Chaitanya of Hari naam Sankirtan. For spreading the Glory of Mahamantra throughout the world, you performed devotional service strictly, following the instructions of your Spiritual Master. By proving yourself as a personal example you taught us to accept all austerities to carry out the order of the Spiritual Master.

On this pleasant day, I humbly beg at your Lotus Feet to shower your blessings on me and make me an instrument in serving your mission. I beg you to give me Inner Strength that I take all the austerities sincerely serious serving your mission as mine. Please forgive me if any offense happened by me and Please Prabhupada give me Intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Dandvat Pranaam Srila Prabhupada begging to remain under the shelter of Your Lotus feet at all times.

Your eternal faithful servant,

Bhakta Bhavik Sorathia.

## Bhakta Dhruv

Dear Srila Prabhupada

Kindly accept my humble obeisances at your lotus feet.

In this material world, I was suffering so much due to forgetfulness of my relationship with the Lord. When I came in touch with your Divine movement and your devotees, I got a spiritual master like you. Everything was like a boon for me. I am very happy in serving Your lotus feet & the devotees since then. When I was in folk, it was very easy to follow bhakti marg by the mercy of the Vaishnavas. But when I left the folk association and joined my job, it has become very difficult to maintain my bhakti and seva. So my dear spiritual master kindly guides me in this regard and shows your mercy upon me so that I can taste the nectar of devotional service eternally. Kindly always have your mercy upon me. I want to serve your movement wholeheartedly but I don't know why I am unsuccessful in that attempt. I beg you, my dear spiritual master, again, and again, kindly make suitable arrangements for me so that I can serve you with full dedication.

Your very fallen & foolish servant,

Bhakta Dhruv.

You brought to us the Supreme Truth, brought to us Lord Caitanya's mercy and the words of Sri Krishna. By Your Divine Grace, we could have a glimpse into the spiritual world through the eyes of the pure devotee. You are here always in your teaching, manifesting as instruction, lessons, and love, You always reside in our hearts. Thank you, Srila Prabhupada for this intensely personal love. You have given so generously to the most undeserving and fallen thank you. Thank you for your causeless mercy and unlimited grace and your compassionate love. I too wish to serve you with purity, love, and

devotion. You are the *Jagat-guru*, the universal spiritual master and we bow down before you in thanks in gratitude with intense love.

I have learned a lot from your Bhagavad Gita- As it Is. To summarize,

Bhagavad Gita is a real path to enlightenment.

I am the servant of Krishna (Supreme Absolute Truth).

We are not the body but are spiritual sparks and we belong to Krishna.

I could know about the Chain of Karma.

Chanting of Hare Krishna Mahamantra is the only way of our deliverance.

Srila Prabhupada doesn't know how to wish a spiritual master on his appearance day but I just want to thank you for accepting fallen souls like us as your disciples and giving this precious Krishna Bhakti!! Please shower your merciful blessings upon us and forgive our faults and help us to achieve the spiritual goal which is Love of Godhead.

Thanking You for your kind blessings,

My Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to your divine self.

*nama om vishnu-padayakrishna-preshthayabhu-tale srimatebhaktivedanta-svamininitinamine*

*namastesaraswatedevegaura-vani-pracarine, Nirvishesha-shunyavadi-pashchatya-desha-tarine*

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Chaitanya Mahaprabhu and delivering the Western countries, which are filled with impersonalism and voidism.

You opened my eyes to the beauty and wonders of the Absolute Truth -- Krishna, the Supreme Personality of Godhead. You opened my ears to the infinite mercy and unlimited ocean of bliss contained in the Mahamantra. You opened my mind to the transcendental knowledge of Bhagavad-gita, Srimad-Bhagavatam, and Caitanya-caritamrta .... and most of all you opened my heart and filled it with love, compassion, and hope. You have taught us, "*Godhead is light. Nescience is darkness. Where there is Godhead there is no nescience.*"

The only way to avoid the influence of ignorance is to always associate with Godhead by the sublime transcendental process of chanting:

*"Hare Krsna Hare Krsna Krsna Krsna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare"*

You have taught us that every living entity is spirit soul and constitutionally a subordinate part and parcel of Lord, but on account of his forgetfulness of the Lord, he dressed differently and engaged in the service of the external energy of the Lord called Maya and misidentified himself as the material elementary body. Under this adulterated , one is falsely trying to be master or lord over the material energy, which is the source of all miseries.

I would like to offer my infinite obeisances to you and earnestly pray to Lord Krsna on this holy and auspicious Appearance Day to bestow upon me blessings, so that with the association of devotees, I can wholeheartedly follow the divine instructions of my beloved Spiritual Master, His Divine Grace A C Bhaktivedanta Swami Prabhupada, without fail and remember the lotus feet, the day I leave this body.

Your humble servant,

Bhakta Gaurav.

Dear Srila Prabhupada,

Hare Krishna... please accept my humble obeisances at your divine lotus feet. I bow down at your feet.

I feel very much grateful and humble being your bhakta as you are the one who has helped the world gain knowledge about the Supreme Lord Krishna and constantly reminding people about the importance of being Krishna Conscious. This has benefitted each and every soul on the universe as they are aware of the spiritual world, its greatness, and the value being attached to it. Also, people came to know that one should not be attached to the material world as it's temporary and the only thing that can help people be happy is being attached to the spiritual world. I myself have improved by following the instructions given by you as chanting has helped me progress in my life and even got me close to the spiritual world rather than being attracted to the material world. I hope that I too can help spread the message given by you so the world can improve and progress. I wish that I always have your blessings and beg you for the same. Listening to your glories and your divine pastimes make me more attached to you and the Lord. Also, it makes me more enthusiastic about gaining more knowledge about the absolute.

I beg to always remain under the shelter of your feet and always engrossed in bhakti.

Your humble servant,

Dear Srila Prabhupada

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace

Srila Prabhupada, it's because of your kind mercy upon conditioned souls like us that we can read and understand the greatest knowledge explained in Bhagavad Gita and Srimad Bhagwatam in an easy language. It is because of your books that we are able to follow this divine path of Krishna Consciousness. Prabhupada, you give us the perfect example of how to help mankind in this age of Kali. You are a perfect Vaishnava as you give us conditioned souls everything, we need KRISHNA by purifying our consciousness and explaining the science of God. Prabhupada, I don't find myself fit to glorify your qualities, the only thing I can offer you is my humble obeisance so please accept my humble obeisance.

Prabhupada, it is because of your countless mercy that I am able to chant the names of the lord and read about him nicely, please save me from falling down. You, my Divine Grace are a pure devotee of KRISHNA who controls everything. If you desire something then Krishna himself would fulfill them. So, please just keep fallen souls like us under your shelter. We keep making mistakes but please keep us in the shelter of your divine lotus feet because you are everything we have. Please bless us so that we can carry out your orders of spreading this ocean of knowledge to all the fallen souls and serve you nicely.

Dear Srila Prabhupada,

I have got no idea how to express my gratitude towards you, it is beyond words. Your books and lectures are guiding light for me in my life. I am grateful for all you have done for us. To understand Krishna as Supreme Personality is difficult even if we read Vedic literatures on our own. Given your books, it is revealed very easily. Despite your advanced age, on the order of your Spiritual master, you took all the trouble to kindly give us the purports which reflect your realizations and are full of the message of Godhead Krishna.

Prabhupada, I am a person who is full of mistakes. From my heart, I request you to kindly engage me in your service and guide me. Hare Krishna! Dandavatpranam.

Yours sincerely,

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of Your Divine Grace”.

After seeing all yours extraordinary contribution done for the conditioned souls to get liberated and go back to godhead, which can never be imagined by any of the ordinary human beings, has given an altogether different spark. Even though you are situated in all the Bhaktivedanta Books but in one corner of my heart, I always feel unfortunate that I didn't get the golden opportunity of serving your lotus feet at the time of your physical presence.

I belong to a very small village where very less opportunity is available to get all the material opulence. Therefore I came to Mumbai, thinking this will give me all the material opulence and make me the happiest person in the universe. But when I got to know about your Institution, I realized how unfortunate I was, even though I was searching for happiness, but didn't know what the real meaning of happiness is? What is the real purpose of the human form of life? But because of your mercy and teachings, my mind has turned 360 degrees and directed towards it, where it is supposed to be. It is very rare to get the teachings of Lord Krishna as it was spoken to Arjuna.

I know, there exists nothing in this world which can be compared to your most precious contribution but I promise you that I will always try to be your obedient student and follow the instructions given by you.

I again THANK YOU and LORD KRISHNA very much for giving me this life, body, senses and deemed worthy enough for your bhakti, kirtan, glorifying of you, discussing you, reading about you, thinking about you, eating your remnants and many more things. THANKS, A BILLION for all this.

My only request to you is that please give me little space at your lotus feet and in your heart so that I can serve you eternally. Always keep me away from all the material objects and do not let me fall again into that. Always give me the permission of chanting the Hare Krishna Mahamantra and cleansing the material body.

ALWAYS KEEP SHOWERING YOUR MERCY AND BLESSINGS ON ME.

Your Humble Servant,

Bhakta Harshit Gupta.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Like a sun which rises and removes the darkness for lots of miles, in a similar way you have come in my life and removed even the minute darkness of ignorance in my life, you showed me the correct path when I was roaming around the streets of life, not even knowing where to go and what to do. For such a fallen person like me who is not even able to understand your teachings, your words, you humbly give many examples from your experiences which help me better understand the matter of Bhagwat Gita.

You are a true Vaishnava, who bestowed great happiness and peace to my life. You set forth before us a great example of being a disciple, a student, and the seriousness involved, otherwise, we like fools have been making mockeries of our teachers the whole life, not knowing what a great mistake it was. You cleared the dust on my eyes, so that, I could see the play of Maya happening in this world, to whom I was surrendered earlier and misguided, but you took me in your shelter and helped me.

You, my spiritual master like a personal guide showed me all my mistakes misconceptions and wrongdoings which acted as the foundation of my great ego. With your mercy only I am able to come out of this ignorance and follow the correct path, otherwise, I was so fallen that even if I wanted to come out of it I was not able to do so.

You provided help to me in this disastrous life I was living and placed me on the path to the eternal shelter of Krishna's lotus feet. I am very thankful to you for all this as without your mercy it was not possible in this life.

O great Vaishnava, my spiritual master, I am so fallen that even to follow your instructions and to help fulfil the mission of Krishna Consciousness, I need your help and mercy. My words, my behaviour, my positions are not so great to bring someone to Krishna Consciousness. Please bestow your mercy upon me, so that I can help in the mission of Krishna consciousness and I can follow your instructions without falling in the hands of Maya.

Begging to remain under the shelter of your lotus feet eternally.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

I feel I am not worthy to stand before you and speak about you.

We are blessed to have Guru like you, in this Kali-yuga only your books, instructions and lectures can only save us from Maya. I really admire about biography, at the age of 69 you have taken the initiative to spread the Krishna consciousness to

the entire world. You are a torchbearer for many of our generations. After reading your books I came to know how people are suffering from Janma-mrityu-jara-vyadhi. I have started chanting and following 4 regulative principles. What I love in your lectures is the way you explain the scenarios with small stories which are easy to understand the concept.

The very first book I read was the science of self-realization. What a fabulous book it is.

A lot of challenges came to me. After chanting I feel a positive attitude. You have definitely made a positive difference in my life.

I really thank you and many of your devotees who helped me to land into your world.

At any circumstances, I will not leave your lotus feet.

Thank you so much for giving the opportunity to say something about you.

Your humble servant,

Bhakta Jaya Prakash.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Srila Prabhupada, it is because of your great blessings that human beings like me who are not knowing the truth of life, who are entangled in this material life and had lost in the darkness of ignorance and illusion, have got the spark of truth in their life. It is because of you today that lakhs of humans are getting the real knowledge. If you wouldn't have been there today in this world everyone would be under the darkness of ignorance and illusion.

It is because of you that I have got an understanding of the truth of life. I have got that thing which I wouldn't get in any of my births. Through this knowledge and blessings, you have made me and all Krishna bhaktas to get rid of the birth and death cycle and enjoy the eternal bliss and happiness. It is because of your blessings that I have started to chanting 16 rounds and reading your books which have the eternal truth. I am also following the four regulative principles given by you and I always try to spread this knowledge to as many people as I can.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhakta Jayesh Patil.

Dear Srila Prabhupad,

Please accept my humble Obeisances unto your Lotus feet on this auspicious day of your divine appearance.

It has been 3 years since I have associated with your movement. From your lectures, I am learning about Krishna, Krishna Consciousness, the importance of Guru, the goal of life and many more things. Thank you so much for your teachings and for giving the shelter at your lotus feet. Still, I have to learn many more things from you. Your dedication and austerity always inspired me to involve me more and more in Krishna's service.

Once again thank you for everything. Please bless this fallen soul.

Your most fallen servant, Bhakta Kanhu Charan Sahu.

Dear Srila Prabhupada,

Please accept my humble obeisance.

Your life is an inspiration for many, I did not know anything about Krishna consciousness but after knowing your biography I realised that it must be of some tremendous value to make a septuagenarian with cardiac problems to cross the ocean convert hippies to devotees and establish 108 temples.

As a philosopher stone converts everything that comes in contact into gold you turn everyone who came in contact with Krishna devotees.

By your causeless mercy, I had the privilege to understand the real goal of life. I beg to continuously shower your mercy to help me to get detached from the materialistic desires and become your servant.

Begging to remain under the shelter of your lotus feet.

Your humble servant,  
Bhakta Kartheek.

Dear Srila Prabhupada,

Please accept my repeated humble obeisances. All glories to you on this most glorious appearance day of your divine grace.

Your Divine Grace, in the form of books(Shrimad Bhagwat, Gita as it is, Shri Krishna) and purports written by you has awakened a desire to serve the Lord and surrender to him by devotion generated by Kirtans and Japa of HARI NAM(Mahamantra).

Whenever I have travelled during my tenure of work, ISKCON temples have helped me by Prasadam and Harinam by your and grace of Lord Krishna to purify my consciousness.

By your personal example of austerities, while propagating Krishna consciousness throughout the world, you have taught us to take a path of total surrender to Krishna which is an example for us to follow as you being our spiritual master.

I remain at the shelter of your lotus feet.

Your humble disciple,  
Bhakta Krishan Kumar.

I came in touch with you at a time when I was on the verge of slipping into material purports and falling into the darkness of unfulfilled desires which was giving nothing but pain and frustrations.

Through your teachings which came through your disciples, I regained my Krishna consciousness. It feels like a link is established between the individual and the transcendental self. This has totally transformed my life.

Dear SrilaPrabhupada

My sincere gratitude and koti koti dandvat pranams at your lotus feet I can understand that I have gotten the best chance in this life to serve you and, ultimately, the supreme personality of Godhead Lord Krishna. I, therefore, offer my humble obeisance unto you again and again on this most auspicious appearance day of Your Divine Grace in the desire to obtain the ultimate goal of life - devotional service.

Oh, my Spiritual Master, "Bhagavad-gita As It Is" the best ever spiritual treasure given by you, which is filled with the compact essence of all spiritual philosophy, unique among many Gita commentaries translations. This Gita is easy to understand, even for the common man. Its wisdom enlightens and lightens our life-journey by the most challenging philosophical way.

You are the only blessed and true representative of Krishna with lots of countless divine qualities such as no compromise in Krishna's service, complete dedication, detachment from this material world, extraordinarily humble and tolerant with an enthusiastic personality, so on.

At the very beginning, I was impressed by the unique philosophy of ISKCON. Now I am in love with chanting Hare Krishna, reading books, listening to your lectures, having Prsadam, enjoying wonderful kirtan, learning deity worship, and various services to please Krishna which is our ultimate goal everything given by you only. I understood, Krishna is the Supreme enjoyer, and this world belongs to Him. The Bhagavad-gita sloka 10-8: "*aham sarvasya prabhavo, mattaḥ sarvam pravartate, itimatvā bhajantemām*, budhā bhāva-samanvitāḥ" "I am the source of all spiritual and material worlds. Everything emanates

from Me. The wise who perfectly know this engage in My devotional service and worship Me with all their hearts.; they worship me with complete devotion’.

As a researcher of science, I know science stops at the world, whereas spirituality goes beyond the world and far beyond Science. No matter what amount of scientific knowledge we may possess in this world, it will be very little compared to the vast mysteries of the spiritual world, which has been unanswered by science time and again. Now I am trying to understand and realize that spirituality is the deep underlying science that allows us to understand the relation between Krishna and us. Although we are limited due to material nature and controlled by the senses, the true spiritual master can help us to understand the real meaning of human life. Among many of them, Krishna consciousness is given to all religions, races, genders by your Divine Grace Srila Prabhupada. As you told that "I will never leave you. I live forever in my books, so there is no reason to cry”.

Last but not least, I pray before that Supreme Lord Krishna to bless this world again with your presence Srila Prabhupada for our betterment in this age of Kali to realize the exact meaning of the human life and its relationship with Krishna.

Begging your mercy to approach Your lotus feet excepting to the divine Lord Krishna.

With infinite respect, Your most humble and very lowly fallen servant

Bhakta Mantosh Kumar Satapathy.

Dear Srila Prabhupada,

Please accept my humble obeisances. I am most unworthy to call you as my spiritual master. I beg your forgiveness for the countless failures in following your instructions.

As an inanimate object does not move on its own, my life was as bound as it could be on account of my karmas. Your presence in the books is ever felt and your association we get from your instructions. I am blessed to have this opportunity of an extraordinary interaction. I see your body in the organisation you have established. You have displayed so many miraculous movements that I cannot imagine a greater glory for anyone.

Dear Prabhupada, when I have doubts I have begun to find answers in your books or conversations or lectures which have gloriously been spanning the whole of the internet. I am sure that everyone in your shelter will be able to carry out your instructions of spreading the teachings of Sri Chaitanya Mahaprabhu. I too wish to partake in this movement, maybe for my personal gratification but more so for my purification.

Dear Prabhupada, I am still not a strong-headed person. My desires are impure. My free will I am unable to bend. However, I trust that I have no other place to go to. I am satisfied to be the most unsuccessful loser here than be successful anywhere else. I beg your mercy that you continue to illuminate the path with your transcendental wisdom and care.

Dear Prabhupada, the knowledge of the scriptures is impervious to my mundane mind. I take no pleasure in it but when somehow you have still allowed me to continue to read them and make some progress in their understanding. How wonderful would it be if I could really grasp your purports which you have so painstakingly left for us.

Dear Prabhupada, we are constantly in a struggle. It is in so many forms and it keeps us connected to you. I pray that remembrance of you does not fade be it at any level of consciousness I may go into. I say that I accept you as my spiritual master and I fall at your lotus feet only to beg the solace of your care.

Your humble servant,

Bhakta Mayank.

Please accept my humble and respectful obeisances at your lotus feet.

*“OM AJNANA-TIMIRANDHASYA JNANANJAN-SALAKYA, CAKSUR UNMILITAM YENA TASMAI STRI-GURAVE NAMAH”*

It has been one and half years, I joined this Krishna Consciousness Movement. Eager to learn about Bhagavad Gita, pushed me to attend to one of the sessions of Yoga for Happiness – based on Bhagavad Gita. Later I joined FOLK residency as well. In this period, I faced a lot of struggles, not able to cope with and balance my regular work schedule and spiritual life. Sometimes, I felt to leave the organization as well. But something kept on insisting me to stay back. That’s how I travelled this one and a half years.

But in this one and a half year I learned a lot of bitter truth about life, how the world works, who am I ?, why we are here ?, what is the real problem of life?, what is real happiness?, what is Maya?, How Maya keep on trapping us and much more. In the last few months, I am seeing the worst of this material world in the form of COVID19. After seeing all this, I realized how important it is to go back to Godhead. Now no matter, whatever the things happen in my life or whatever the struggle may come in my life, I don’t want to leave the lotus feet of RadhaKrishna, you and this movement.

Kindly bless me to chant Hare Krishna Maha-mantra and help me to go back Godhead in this life itself.

I would like to say special thanks for making this platform where anyone can come and practise Krishna consciousness, hear your lectures and read your books.

Please bless me to read and complete Bhagavatam in this life itself.

Begging to remain under the shelter of your divine lotus feet

Your humble servant,

Bhakta Megaraj.

It is by your mercy only that your movement is accessible to any conditioned soul who wants to understand sincerely the highest goal of life. It is by your exemplified dedication to Lord Krishna that you have distributed his mercy in your divine books and instructions. To the suffering mankind from the material clutches, you have expertly and kindly given the chanting of holy names of Lord to all.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet.

Today Prabhupada after my four years of Krishna consciousness, I really feel empowered and you will be very happy knowing that I conduct weekly five days Bhagavatam classes and remaining days I conduct Bhagavad Gita classes, and boys attending the class are sincere, hope you bless me and them with your special mercy to get constant engagement in service of Krishna. I am very happy to serve you Prabhupada, never felt such satisfaction. And Prabhupada, I have made two videos adhering to your principles for your all-time favourite book “KRSNA ” and I have used best footages, audio, sound effects, fonts and dialogues for that video, hope it satisfies you.

I am in constant fear Prabhupada that I may not simply satisfy my own whimsical desire rather I want to be your instrument to satisfy your desire. I am in constant fear Prabhupada that due my conditioning I wouldn't be able to serve you enough, but I desire to serve you to my full extend please Srila Prabhupada help me. I am in constant fear Prabhupada that I would fail to establish authenticity of your movement, due to misleading argument of atheist, scientist and mayavadis the path of devotion is already shrouded and I beg you Prabhupada that if you desire please let the path of devotion to be reestablished which is delineated in Gaudiya Vaishnava philosophy. I am in constant fear Prabhupada that I may not fall down please save me from my vicious senses Prabhupada.

I feel very happy and satisfied Srila Prabhupada that by your and providence mercy, I am in the hands of your sincere devotees of ISKCON BANGLORE and presently I am trying hard to improve my chanting under the guidance of your staunch devotees as I heard from them that one who chants and hears properly is accepted as a good servant of yours and NAMA PRABHU, therefore, please help me to chant and hear the name of LORD KRISHNA properly with sat bhavana so that I can prepare myself soon and get qualified to act as you desire.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Srila Prabhupada, in this age of hypocrisy you are the only hope and shelter for innocent souls. In the absence of the personal guidance of Lord Sri Krishna Chandra, pure devotees like you give the same benefit to the innocent souls in the material world. So your instructions can only save the people in general from their precarious way of existence.

I read in Bhagwat Gita at many places where you explained the real cause of all anxieties/material existence of a living entity which is ignorance. A person can only be happy/ free from anxieties when he is situated in real spiritual knowledge. That knowledge is very difficult to understand but Dear SrilaPrabhupad You have explained that in such a simple way which is easy to understand and follow. That way is unparalleled. This can only be done by pure devotees like you who have really understand the purports of the Vedas. People give so many commentaries on literatures but they can't touch the real spirit because they lack devotion to the Lord as you yourself tell this. In this time Purity of your instruction is self-evident because by following that one can feel the dynamic change in their way of living.

I am very fortunate because you have blessed me with your causeless mercy. You have chosen me to be the recipient of your mercy. Dear Srila Prabhupada please always keep me under your mercy because I do not have eligibility to follow the

path guided by you as my mind and senses are giving me so much trouble. Only by your strength, I can keep following the path you have shown.

Thank you Srila Prabhupada.

Your insignificant servant.

*By the mercy of the guru, even a dumb man become the greatest orator, and even a Lame man can cross mountains. As advised by Lord Bramha, one should remember this śāstric injunction if one desires success in his life.*

While darkness again covering my path! We can't thank you enough for allowing an extremely fallen soul like us to serve you and your movement. We are extremely worthless and yet you have allowed refuge under you. Your kindness and your endearing smile have helped us a lot and only we know how kind and patient you are with us.

We always wanted to know more about our Scriptures, Bhagavad Gita and its applications for quite some time and in your books and lectures, we are learning it all.

Last 4 years of journey has been remarkable both personally and spiritually.

You have helped us as a family in our calling for service and have always stood by us in spite of our incapability to serve, thus always motivating us.

In the path of Seva, you have spun your magic by converting many challenges into opportunities, whenever there has been.

The power of Srila Prabhupada- which can only be felt has been constantly felt by us all throughout including this season of Culture Camp when we pulled up a Global Camp with the only belief of your presence beside us. We are learning to covert your magic into a better outcome.

We are indebted to you and pray you to continue to allow us with Seva for your various initiatives and not restricting only to ICVK.

We pray you to give us all the necessary skill set, temperament, persistence, capability and perseverance to carry out all the Seva as prescribed by our master and also correct us and stand by us whenever we fail in our Seva.

We have surrendered to you and hope you help us in becoming a Vaishnava in entirety and also render Seva to best of our ability for the movement.

Thanks for being kind and accommodating.

Dear Srila Prabhupada,

Please accept my humble and respectful obeisances at your divine lotus feet.

This is my second offering of Vyasa Puja. Recently I have started reading your biography, and I am currently reading the second volume and completed the first volume which deals with your life before boarding Jaladuta and going to the west as ordered by your spiritual master.

It was truly inspiring! There everything you faced and dedicated your life for the purpose of preaching Krishna Consciousness. Because of you today we can experience spiritual life and ultimately perfect our lives! And make the use of the human form of life for which it is meant to be.

I beg for your mercy and forgiveness for offences committed consciously or unconsciously by me to Vaishnavas and to the lord. Thank you for each and everything and guiding me to the path of Krishna bhakti. I can never repay you. All that I beg is the mercy of you so that I can serve you and ultimately serve Krishna.

Your faithful servant, Bhakta Ninad Sawant.

## **Bhakta Nirbhay Tiwary**

---

Dear Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada!

I know that I am not yet qualified to call myself your disciple but I am trying from my side to follow the path which you laid down for us. I was living in this material world which is full of suffering and ignorance, I had absolutely no idea of good or bad, right or wrong and there were extreme misery and distress in my life. It was in the year 2014 in Chennai that I first came across the *Bhagavad-gita As It Is* which was given to me by my friend. I know that one cannot repay you back

for what you have given to us, even if I serve you for millions of lives, but I am so unfortunate that I still have strong material attachments due to which I am unable to fully surrender to you. I sometimes feel very low because of this reason.

I am trying to focus on my *sadhana* as much as possible; chanting 8 rounds every day, doing the morning and evening *sadhana* and trying to serve other Vaishnavas as per my capacity. I have a strong desire to spread this movement all over the world by distributing your books and other literatures. There are many ways to spread your movement. Whenever Krishna Consciousness movement has reached to a *jiva*, I feel his life will be changed completely. If I had not taken an association of my devotee friends, then I would have continued with my aimless journey. Whenever a devotee gives a lecture or I get a chance to honour *prasadam* or any other spiritual "ray of hope" I see, I move in that direction and try to get the mercy of Guru.

But as I chant my rounds, read your books, listen to your lectures, I am slowly cleansing my heart of accumulated clutter, and I am beginning to experience some joy and bliss.

I pray to the dust of your lotus feet Srila Prabhupada that I always get a chance of serving your lotus feet and get the association of other devotees so that I can do my *sadhana* properly. I often think of you and try to meditate more and more on your words and instructions regarding each and every matter. Sometimes, I really feel horrified and disgusted when I see that there is so much suffering in this material world; still, people are not ready to take up to Krishna Consciousness. Things here are so temporary, yet they are so attractive. Even many devotees, I strongly feel have to correct themselves, but the first need I feel is for me to see my own faults and correct them. The culture and temperament of people are taking a bad shape; people these days have gone morally bankrupt and "morality and conscience" do not exist anymore. Please bless us Srila Prabhupada so that these things change in this material world, and people in this *Kali-yuga* also take back to Vedic culture.

Kindly accept this piece of writing as *Vyasa Puja* offering from my side and shower your blessings upon this most fallen soul. I just beg for your mercy my *Guru Maharaj* and I aspire to be your faithful servant.

Thank you Srila Prabhupada for your unlimited Mercy and Understanding.

Aspiring to be your servant,

Bhakta Nirbhay Tiwary.

Please accept my humble and respectful obeisances at your Divine Lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

On This Anniversary I am happy to state that Guru “Srila Prabhupada” has given me and the whole world “Hare Krishna Mahamantra” which will help everyone to get liberated from birth and death cycle and will lead us to Goloka Vrindavan in the Spiritual world of “Sri.Krishna”.

It also teaches us that we are presently attached to material enjoyment and forgotten our real identity i.e. Spirit Soul. “Srila Prabhupada” has given us “Hare Krishna Mahamantra” which will remove all sorrows in life and lead us to the Supreme Godhead “Sri.Krishna”.

You have given us the Association of devotees who preaches us “Bhagavad Gita” and serves Prasadam which serves as a diet for our soul and which makes us remain pure and devote to the Supreme Personality of Godhead “Sri.Krishna”.

O saviour of the whole world “Srila Prabhupada”, I humbly beg Your Divine Grace to please forgive all my mistakes and offences and to mercifully empower me to become genuine devotee and your true representative.

Please know that our hope rests only in Your Divine Grace’s causeless mercy and in the hope that you will always shower your blessings upon us so we can remain under your shelter eternally.

Dear Srila Prabhupada,

Please accept my most humble obeisances at the dust of your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Srila Prabhupada, today I got the opportunity to write or reveal my feelings for you. Although I do not know how to glorify a spiritual master, as I have spent my whole life in finding faults due to my material vision.

I would like to start by thanking you for showing the right path to the most fallen soul of mine by your transcendental Hare Krishna movement. This movement has shown spiritual light to many souls trapped by the clutches of material sense gratification.

I am so unworthy but still, I get your causeless love and mercy all the time. It is because of you that I’m associated with very nice devotees of HKM-Mumbai, I am able to chant 16 rounds of ‘Hare Krishna Mahamantra’ and able to follow the regulatory principles which help me in spiritual advancement, able to visit various spiritual places and ‘Dhams’, able to stay in FOLK residency and take ‘Krishna Prasadam’ and many other things that you have given to such fallen soul like me that I’m not able to count also. You are my true Lord birth after birth, and you are the true savior of the whole world.

You are the ocean of mercy, the friend of the poor, and the lord and master of the devotees. By your personal example, you teach us to accept all austerities to carry out the order of the Spiritual Master and showed how to take instructions of the spiritual master as your life and soul, please bless me also to follow your instructions as my life and soul and engage me in your devotional service for full time. By your ‘Tapasya’, you have given the wonderful gift of this Hare Krishna movement to the whole World. Also, thank you for freeing my mind by your books, which are really inspiring and it motivates us to serve the Lord as much as possible. By this, I have learned to accept responsibility for making my own judgments and decisions.

I am small and fallible filled with faults and sins. Without You, I would have been lost. May you bless me to get away from all material desires, anger, lust, greed and false ego. Give me the strength and intelligence to fight with all ‘Anarthas’ and ‘Vaishnava Aparadha’.

Thank you very much for everything Srila Prabhupada. All glories to your Lotus Feet. Begging to remain under the shelter of Your Lotus Feet at all times.

SrilaPrabhupadakiJai.

Your aspiring servant, Bhakta Omkar Bhopale.

Dear our spiritual master Srila Prabhupada,

Please accept my humble obeisance on to your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace. Thank you very much for everything.

Thank you for sending to me a saffron devotee and representative of your's for giving me that pamphlet. Not just once but twice. I came first, went back in Maya and you brought me again in Krishna consciousness. Thank you very much for helping me maintain Krishna Consciousness by means of that saffron devotee who always keeps track of my life and helps me carry out my sadhana. This all is your mercy. Thank you very much for your blessings and for uplifting me in spiritual life.

We feel blessed to have a bonafide spiritual master like you. Thank you for writing so many books for us which guide us in spiritual direction from time to time. I commit to do my sadhana etc., chanting, reading, and your devotional services from time to time with full dedication.

Thank you for your mercy. To my surprise, whenever I feel like, Maya is negatively affecting my consciousness, your divine instructions through your disciples comes and rescues me out of nowhere. This event happening in my office premises was a great surprise and I just gained back the required spiritual consciousness. I am negligible and completely fallen. Yet, you make me feel special by your mercy. This is your true glory as you accept one of the most fallen souls as your disciples. Thank you for starting this Hare Krishna Movement for us.

It is because of your mercy that I have started chanting regularly, reading, attend Mangala and Darshana aarti, attend Krishna Consciousness lectures, attend festivals, visit places of spiritual importance viz., Jaipur, Mathura and Vrindavan and of course, have delicious Krishna Prasadam.

Please forgive me for all the mistakes, Anarthas, and Vaishnava-Aparadhas which would have been committed by me knowingly or unknowingly. You have given us a golden opportunity to come back to Godhead by way of your Krishna consciousness movement.

Please guide us to the way back to Godhead, Begging to remain under the shelter of your divine lotus feet.

Your fallen servant,

Bhakta Orel Moses Kolet.

Dear Srila Prabhupada,

Please accept my humble obeisances, All Glories to Srila Prabhupada.

*Tad-vijnanarthamsagurumevabhigacchet, samit-panihstrotriyam brahma-nistham*

After hankering to various Spiritual Organizations and not finding suitable answers to my questions regarding the ultimate objective of human life or one can say the quest for truth, I happened to cross paths with your books, I could finally get the answer of my questions I was seeking the most, to my dismay those were the same answers I wanted to hear before coming to Krishna Consciousness, as every other spiritual organization has only given the impersonalized representation of my spiritual queries, I have been told time and again that Lord Sri Ramachandra and Lord Krishan were just two great personalities and every time I used to have sleepless nights just thinking, how even this could be possible? I even wept to their lotus feet to guide a fool like me towards truth, I was surprised that my prayers have been answered in the form your mercy, I could not believe that the most sinful and foolish person like me will ever get the mercy of your lotus feet.

Srila Prabhupada your words have turned my life upside down and cleared my thoughts which were polluted since years, after listening and reading all Mayavadi thoughts. There is charisma in your voice, I have never heard anyone literally no one, speaking with such authority. It's just because of you and only your Prabhupada, I could have tried attracting everyone associated with me with whatever Krishna Consciousness I learned by your grace, it is just only because of your grace my wife is chanting regularly and I just further wanted a little holy dust of your lotus feet, to have offsprings dedicated to your mission and spreading Krishna consciousness. I humbly apologies to your lotus feet for not being able to become your dedicated servant although daily I woke up with a war, which has been long declared with Maya Devi, sometimes I manage to survive all those wounds on my soul only just by your grace Prabhupada. It is completely because of your mercy I am still holding my grounds to whatever position I could.

Your Most foolish and Rascal Child,

Bhakta Palash Gautam.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Thank you Prabhupada for starting ISKCON, otherwise, we would have been busy in gratifying our senses and end up with nothing happiness. Without you, I would have been lost. Because of you, we were able to comprehend the knowledge of our scriptures as it is in simple language with relevant examples.

Before coming to HKM Mumbai, I have read the books of many great personalities. But they couldn't teach me the real purpose of my life. Even after achieving well material wealth, I was not happy.

Now after attending several sessions of HKM Mumbai, I feel that I am the one of the luckiest soul who starts his journey towards supreme godhead by 1st accepting the pamphlet and 2nd by submissively following the teachings of you. Now my happiness is not in the control of any material desires.

Thank you Srila Prabhupada for giving us the real taste of Harinama.

All glories to Srila Prabhupada. Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Respected Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to Srila Prabhupada

You are the ideal acharya because you teach us everything about spiritual life by your personal example. Even though you have been empowered by Lord Chaitanya to spread the holy name of Krishna throughout the world, you perform your devotional service strictly following the instructions of your spiritual master. By your personal example, you teach us to accept all austerities to carry out the order of the spiritual master. By your Tapasya and austerity you have given the wonderful gift of this Krishna consciousness movement to the whole world.

I am grateful to you for guiding me, as I was in darkness and ignorance. You are an inspiration for me. You have given meaning to my life, else I was wondering in this material world aimlessly. When I am trying to write, I do not know where

to start. I can't thank you enough for what you have given to me and all of us in this age – the Hari Naam – the Hare Krishna Mahamantra.

You taught the real meaning of devotional Service which is to serve the Lord with love and channelize everything in the service of God and not merely meditate on Him and do nothing. You taught compassion when you made the hippies as your first disciples. Your books answer all the questions which arise due to our materially contaminated conditions of life.

I want to thank you for changing my life, and only because of you through your disciples, I realized the power of Krishna consciousness. I feel myself to be fortunate to be under your shelter. Your mercy upon me is just causeless because I feel I am not at all qualified to practice devotional life and render some service to Krishna. I pray at your lotus feet to please bless me that I can read your books and chant regularly so that I can make an attempt to move closer to Krishna.

All glories to Srila Prabhupada.

Begging to remain under the shelter of your divine lotus feet.

Your Humble Servant,

Bhakta Pramod Mishra.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories onto you.

Thank you for imparting me with knowledge and for giving me this opportunity to offer worship unto your lotus feet.

The Supreme Personality of Godhead states that One should know the ācārya as Me and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods.

It is indeed your causeless mercy that I have several opportunities to worship you and to serve Sri Radha Krishnachandra, performing kirtans, living with your other disciples. I sincerely thank you for giving me a glimpse of this extraordinary world of Krishna Consciousness.

I pray that I can strengthen my relationship with you every day and that I can learn to serve you better every day.

Your Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances.

I am blessed to have this opportunity to be in the association of devotees who provided me with the taste of what actually is the goal of this human form of life. From this association, I understood that this human form of life is to engage in the service of the Supreme Lord Krishna. Thank you for giving an opportunity to this fallen soul.

By reading your books and hearing lectures and also by eating Krishna's Prasadam, I got to know of how this civilization is misguided and how I was entangled in this misled civilization which only cares about sense gratification and are always hampered by the clutches of Maya.

Thankyou to throw light on how to be engaged in service of Lord by means of your books and the user manual (Gita) which gives detailed way on how to use this body in service of the lord. Thank you for providing me with a regulated schedule

that helps me to get engaged in devotional service. I sometimes can not understand your teachings and instructions directly but when it is attached with examples it becomes easy to grasp the actual message.

With your kind mercy, I was able to start chanting 16 rounds from the very first week when I came in touch with the devotees association. This was only possible because of your kind full mercy.

Dear Prabhupada, give me more opportunity to improve my quality of chanting, book reading so that I can advance in the spiritual platform by following your instructions and implementing in practical life.

Please shower your mercy upon me so that I can help to contribute most to the mission of Krishna Consciousness.

Dear Prabhupada, I beg you to keep me under your shelter at all time

Your humble Servant,

Dear Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet. All glories to you on this auspicious occasion.

I want to thank you for many things and the list is endless. However, to pen down some, first of all, thank you so much for introducing the most unworthy and most fallen soul like me to Krishna consciousness. I keep on breaking my promises and commitments offered at your lotus feet, however, you just don't give up on me and you hold me every time I fall down. You have always been like a Sun in my life who has removed all the darkness from with-in and with-out. Whenever I'm going through any tough time in my life your eternal instructions in the form of your books and lectures always help me to stay sober.

I'll always be indebted to you Srila Prabhupada for what you have given us and will always strive to serve your lotus feet and follow your instructions as my life and soul.

Eternally your servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet, All glories to His Divine Grace Srila Prabhupada.

I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to mountains.

Dear Srila Prabhupad, you have taught us by your practical example, what the importance of human life is and how to utilize every single moment of human life in Krishna's Service. You have translated 70 volumes of books which contain the Science of Krishna Consciousness for the welfare of all human beings in a very short period of 10 years. Srila Prabhupad you showed us the difference between human life and animal life. You have taken so much hard work for the fallen jiva's like me who are transmigrating in this material world for millions and trillions of year.

Dear Srila-Prabhupad a disciple cannot repay the debt towards the spiritual master by any means, by Your causeless mercy today I am staying in Folk Hostel. A spiritual atmosphere where we all young boys can practice Krishna Consciousness and try to understand the real goal of life, we are very fortunate that we are getting Krishna Prasadam daily without any difficulty by your grace. But after hearing so many instructions about the spiritual subject matter I am committing many offenses knowingly and unknowingly please forgive all my mistakes, I always want to remain in the shelter of your lotus feet, I want

to dedicate my life to serve your instructions and to serve the mission of Lord Chaitanya, without your blessing and mercy this is not possible. Please bless me for this benediction. I have no qualification to chant Hare Krishna Mantra and to live in the association of the devotees. Please bless me with more bhakti and give me strength so that I can follow your instructions very seriously.

Please give me the inner strength to chant more attentively and to progress in Krishna Consciousness.

Begging to remain under the shelter of your lotus feet and your instructions.

Your humble servant,

Bhakta Prashant Pawar.

As per the instructions from your guru, you started preaching the divine knowledge of Krishna to common people and helped them realize their true relationship with the Supreme Lord.

I was under ignorance and under the false belief of this material world, where you have opened my eyes through your books & teachings and shown me the path to Krishna to get out of this Birth and Death Chakra of Material world.

With your help, chanting of holy name is being practiced by this tongue and eyes have started getting engaged in reading your books. I beg for your mercy in order to follow your teachings with my whole heart and please forgive my unconscious mistakes. Please give me the inner strength to spread your teachings to other people.

Please continue to shower your blessings unto me. Begging to remain under the shelter of your divine lotus feet.

Dear Srila Prabhupada,

Please accept my humble and respectful obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

Srila Prabhupada, any number of words from this most fallen soul will be less to glorify your divine grace. Prabhupada thank you so much for changing our lives and showing us the path for going back home back to godhead. I always wanted to read Bhagwad Gita and when I read your Bhagwad Gita as it is, I was amazed. From then on my life has completely changed. Thank you so much for presenting this divine knowledge in the simplest yet effective form.

Prabhupada, by your mercy this insignificant soul has got a chance to come in Krishna Consciousness and learn the principles of Bhakti yoga. Prabhupada please bless me so that I can always follow your instructions and remain under the shelter of the lotus feet of Lord Shri Krishna.

As Lord Krishna says in Bhagwad Gita,

*'tad viddhi pranipatena, pariprasnena sevaya  
upadeksyanti te jnanam, jnaninas tattva-darsinah'*

*"Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth."*

I consider myself very fortunate to have got a spiritual master like you. Please engage me in your service Prabhupada, so that my life can become successful. Please tolerate the wrongs that I may have done to you and bear with me as a father with his son, and give me the intelligence to carry out your orders, in the association of your sincere devotees.

Srila Prabhupada, please bless me so that I shall always remain under the shelter of your lotus feet at all times.

Dear Srila Prabhupada,

Please accept my respectful obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

As the representative of Lord Krishna, you make human life more happy and joyful by your teachings. It's really the savior of all humankind. Lots of people are trying to become a god and cheat people as they say "I am god". But your's teachings are always as a pure devotee and servant of the lord. This humbleness always pleases Lord Krishna. Please shower your mercy on us and give the benediction to us to follow you always, forever.

I have heard Bhagavad Gita so many times by different authors but you simplify in such a way that even common people like me can understand easily. The teachings of Lord Krishna, you propagated all over the world and nowadays almost all countries have Krishna's devotees. It's just possible due to you. Please give us strength and blessings, so that we can also take part in this mission.

I believe that you are with us always. Not bodily but spiritually, through your books and lectures, you personally guide us. This world is full of miseries. Each and every step Maya can attack us. I was residing in Thane when I come here for a job. After a few days, I got the chance to associate with devotees, and after that, my life has changed. All anxieties have comes down gradually. Now I feel very much fresh and blessed than before. This became possible just because of the chanting of

the Mahamantra. Thanks for giving this mantra to the world. I feel that this is the only solution to all problems in this material world.

*"Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Ram Hare Ram Ram Ram Hare Hare".*

On this auspicious day, please shower your mercy on us and give blessings to us. I want to become a part of this Hare Krishna Movement and want to spread and introduce real happiness all over the world.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to *you on this most auspicious appearance day of Your Divine Grace.*

You are an ocean of mercy. You are very compassionate. You have come to deliver the fallen souls. You are very dear to Lord Krishna. You are a bona fide representative of Lord, a genuine Acharya. Srila Prabhupada! Please give me your special protection so that I may not fall down on account of the greater strength of Maya.

Srila Prabhupada! Please help me sincerely practice the principles of Krishna Consciousness with determination, patience, and enthusiasm. Srila Prabhupada! Please give me the right perception. Please give me proper intelligence to discriminate. Please guide me, please lead me.

Thanks, Srila Prabhupada for giving this wonderful Hare Krishna Movement. Thanks for giving the real Knowledge about GOD & to love & chant the name of Lord Krishna. The Srimad Bhagavatam explains that there are two classes of men in this world – the crow class and the swan class. The crow class of men is attracted to the rubbish literatures which are filled with topics of material sense enjoyment. The swan class of men takes interest in the nectarine spiritual literature which contains the glories of the Supreme Lord and His pure devotees.

Unfortunately, the world is filled with the crow class men who are badly entangled in sense gratification and are destined to suffer perpetually with no hope of liberation. You have very kindly appeared to deliver all such suffering souls. Your Krishna consciousness movement is meant to convert the crow class men into swan class. You are the ideal Acharya because you teach us everything about spiritual life by your personal example. Even though you have been empowered by Lord Chaitanya to spread the Holy Name of Krishna throughout the world, you perform your devotional service strictly following the instructions of your spiritual master. By your personal example, you teach us to accept all austerities to carry out the order of the spiritual master. By your Tapasya, you have given the wonderful gift of this Krishna consciousness movement to the whole world.

On this most auspicious day, I humbly beg you to continue to shower your blessings on me to make me an instrument in serving your mission. I beg you to give me the inner strength to take all austerities in serving your mission. Please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Begging to remain under the shelter of your lotus feet at all times.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your Divine Lotus Feet.

All Glories to Your Divine Grace at this most auspicious day of your appearance.

As said by Srila Visvanatha Cakravarti Thakura, this material world is like a big forest fire and we conditioned souls are helplessly entrapped in this fire with no hope for escaping. I personally felt myself struck in this fire and would have surely get burnt like a dry leaf had I not got your divine association through your books and disciples who are tirelessly serving you in spreading your mission of Krishna Consciousness. I was like a lost soul with no shelter, but you mercifully gave me one, at your divine lotus feet. I never hoped for enlightenment, but you blessed me not just with enlightenment but with transcendental loving devotional service at the lotus feet of Lord Sri Krishna and Lord Chaitanya Mahaprabhu which is difficult to get even for great souls.

I being the most fallen soul, beg you to please impart forgiveness on this servant who must have committed offenses in due course of service at Your Divine Grace, knowingly or unknowingly, believe me, which is due to my anarthas for which I am trying very hard to get rid of.

I beg you whole heartedly to not take me away from your service. Even if I go away, hold my ear tightly and bring me back as I don't trust my mind anymore. I know that service on Your Lotus Feet only can free me from the cycle of birth and death, so never leave me Srila Prabhupada. always keep me in an association with your sincere devotees.

Begging at Your Divine Lotus Feet and an aspiring servant,

Dear Srila Prabhupada,

Please accept my humble obeisances.

I am not eligible to glorify you but I would simply pay my repeated obeisances to you for your help to me and entire humanity to provide access to the transcendental knowledge so that we can go back home, back to Godhead.

Indeed, we all should aspire to seek shelter at Your lotus feet. Your association alone can elevate the consciousness of the conditioned soul to its original constitutional position, because of You being a pure devotee of the Lord.

The sublime method of attaining love of Godhead through Krishna Consciousness wouldn't have been possible without your hard labor. You have put in tremendous efforts and undergone severe pain for presenting the true knowledge of Bhagavad Gita as it is and other kinds of literatures to us, without any change. Your literary works have truly changed the lives of many and would continue to do so. We do feel your presence in your instructions which gives us the strength to maintain our KC.

Your glory can't be expressed in these few words as the glory of a guru is unlimited. Without your mercy, we can't get the mercy of Krishna. There is no doubt about this. Therefore, please bestow your mercy on me so that I can keep strong faith in you and Krishna and never forget both of you in any circumstances.

With prayers.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day.

As the representative of SrilaVyasadeva, you are the Senapati Bhakta who has taken the highest teaching of distributing Kṛṣṇa-Prema given by Sri Chaitanya Mahaprabhu across the ocean just to fulfill the desires of your spiritual master. The *jivas* even though feel that the recent pandemic is an ugly reality but the movement that you have established gives us the eyes to witness that the living entities in this material world are always in the ugly reality. The four problems namely birth, death, old age, and disease is seen everywhere but the *jivas* are unable to see it. They are struggling very hard with the senses which show them no mercy. When all the suffering *jivas* are completely submerged into the darkness of sense gratification you have taken the lamp of knowledge to enlighten us. By your mercy, you can deliver the whole planet and enable everyone to go back to godhead. Your institution provides us the shelter just as the tree provides shelter amidst scorching heat of the sun.

This institution needs to grow further to take the Hari Nama to every village and town as predicted by Sri Chaitanya Mahaprabhu. Since your desire is nondifferent from Krishna's, this remaining work also remains my responsibility. I wonder that how can a person like me can help in completing this great mission but then I remember that you used to say "In the service of Krishna no project is impossible and impossible is a word in fool's dictionary". This statement remains a great inspiration for me. So, I beg you to count me on this mission to fulfill your desire.

I beg you to sever my tie of material attachment. Whatever realization I have got it is only because of your mercy. Please train me to dance as you like. I may be born as a *karmic* but would like to die as an extraordinary soldier of yours. Your mercy is my strength. Please forgive all my offenses and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Begging to shower your mercy at all times.

Your's humble servant, Bhakta Ruthran Mudaliyar.

Please accept my humble obeisances on this auspicious 124<sup>th</sup> appearance day of your divine grace.

This is my first Vyasa-puja offering after joining the folk residency and I like to pray to you that it will continue year after year.

I am very thankful to you for giving a nice platform like the Krishna consciousness movement and folk residency. Before knowing about Krishna's conscious movement, I was not very God-consciousness and I didn't know about Lord Krishna that much. I just knew what was being shown on the television, but after joining folk and hearing your lectures I came to know that Krishna is the Super Soul and we are part and parcel of him.

I am very insignificant and not qualified to glorify my spiritual master Srila Prabhupada who is so kind and compassionate towards all the fallen souls.

Srila Prabhupada you only know how much fallen, Mudha, and Sinful I am, but I am so much blessed that by Your causeless mercy I came to know about Krishna consciousness and you helped me to understand the real goal of life. Thank you so much Srila Prabhupada for awakening this fallen soul. Srila Prabhupada, on this auspicious day of your appearance I very sincerely pray at your lotus feet to please help me come out of all the material desires and material illusion and may continue serving you more and more.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on this most auspicious appearance day.

Srila Prabhupada, you are the beloved spiritual master of millions of souls on this earth now. People all over the world are beneficiaries of your transcendental labour of love. I am one of them.

I was the dark veil of ignorance, I was rotting away in material life, becoming increasingly more degraded. Through your causeless mercy, your deepest compassion for the fallen souls of Kali-Yuga, you lifted that dark veil and revealed the light of transcendental knowledge.

Your lectures have always been a treasured source of shelter, challenging my materialistic conceptions, and inspiring me to become Krsna Conscious. Your ecstatic kirtans are also very inspiring. They radiate the bliss of devotional service and show us how to give everything for Krsna's pleasure. You are showing me the power of the Holy Name to purify both the mind and body from all material contamination, for ever-increasing engagement in devotional service. For this, I am eternally grateful.

Thank you for giving me the association of devotees and the opportunity to engage in devotional service. Please allow me to always take shelter of your lotus feet.

Respected Srila Prabhupada,

I pay my respectful obeisances to your lotus feet.

I am so grateful to you for introducing us to the “Hare Krishna” Mahamantra and bringing us into Krishna Consciousness through “Bhagwad Gita As It Is”. This is the matchless gift given by you to humanity at large. At a personal level, reading “Bhagwad Gita As It Is” has been a life-changing event for me. By reading this book I could understand basic concepts of life like Who am I? & What is the goal of my life? What is my relationship with God? What is this material body? How to establish my connection with God? How to do my “Karma” in Krishna Consciousness.

The answer to these questions and many such similar questions has been explained in such a simplistic manner in this book, which I was searching since so many years. Though I am just a beginner student of “Bhagwad Gita As It Is” but your teachings in this book have given meaning to my life for which I shall remain ever obliged to you.

I seek your blessings and guidance so that I can make further progress in the spiritual journey of my life. I also pray to you to give me strength so that I can bring a similar change in the people around me.

Thanking You for your kind blessings.

Yours Sincerely,

Bhakta Sanjay Punglia.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you.

Life is a race. Everyone has to run. Earning more money is the purpose of life. High degrees show reputation in society, this was taught to us since our birth. I was also referring that formula and when I got nothing out of it I slowly went into depression, which impacted my body and suicidal thoughts started coming into my mind.

But somehow or other I came into the contact with Hare Krishna Movement of yours. I am really thankful to you and your disciples. It was my great fortune that I got connected with the Hare Krishna Movement. It's great science. The most powerful statement is " We are not this body". From this only spiritual life begins. Your this movement has given me the new birth. Minimizing needs, always be satisfied, do work for Krishna's pleasure, become stable in both distress and happiness situation. All these teachings of yours purified my mind and gradually I came into the normal stage of life.

Words are insufficient to glorify you. No doctor has cured this depressed mind but you did. This movement is like a hospital for material contaminated people and the chanting Hare Krishna mantra is medicine. Please keep your mercy as it is.

Thanking You.

Your servant(The most fallen Soul),

Bhakta Santhosh.

Dear Srila Prabhupada,

Please accept my humble obeisances on to your lotus feet.

Gurudev, life without your literature is very hard to imagine. They give us the proper directions on how to become a perfect human being who can help himself realize that he is not the body but the eternal soul. You have explained the facts about a living entity lucidly for those like me who are in the darkness of ignorance. After so many births, it is also very much an understanding of how valuable is human life. The moment I came in to touch with the Krishna Consciousness, I wondered how fortunate I am because since then, I have been experiencing so many miracles in my life. Chanting was helping me all the way both spiritually and materially. The Supreme Personality of Godhead Lord Krishna is protecting me in every step of my life.

Prabhupada, without your causeless mercy, it would not have happened. And it is tough to understand the power of your continued strength in liberating the conditioned souls. Prabhupad, I indebted to you forever and inefficient to repay. But I want to become your disciple to commit to serve your mission until I give up this body. Every Vaishnava devotee of your disciples is so gentle, humble, and patient in serving the mission to liberate this entire world. I would love to serve them as much as possible I can. Once again, life without Krishna Consciousness is a waste of time for our entire life.

Srila Prabhupada, let me take this opportunity to offer my obeisances onto your lotus feet on your appearance day.

Your Servant,

Bhakta Santosh Ranga.

## Bhakta Sasank

---

Dear Srila Prabhupada.

Please accept my humble obeisance.

You have started this movement to remove the darkness of ignorance from this world, by which so many un-enlightened souls like me seek strength & hope. Srila Prabhupada you have shown us the way to understand the purpose of life and to reach the supreme lord (KRISHNA).

Of so many confusions, chaos, and challenges this life presents me, I surrender unto your lotus feet, where I receive pure knowledge and find the reason for going through all the troubles of life. Your teachings have a huge impact on me within very less time I am able to follow the principles laid by you. The 4 regulative principals given by you are having a huge impact on me both physically and psychologically. I am also associated with other devotees which is giving means to discuss and understand the deeper meaning of your teachings.

Please forgive me for the mistakes I do while performing the Tapasya and give me a chance to advance spiritually.

Always in your Service.

Your servant,

Bhakta Sasank.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious day of your Divine Grace appearance.

Srila Prabhupada, you are the Founder-Acharya for Hare Krishna Movement. It is because of you that today the World is eagerly painting themselves in the Devotion of the Supreme Personality of Godhead. Srila Prabhupada, you gave means to everyone's Life by giving lectures on Srimad-Bhagavatam and Bhagavad-Gita As It Is, and made them realize about Krishna and that we are the sons of Krishna and we are wandering.

We all have to go back to our Supreme father Lord Krishna's abode. Dear Srila Prabhupada, you opened more than one hundred temples all over the world. You wrote over 7,000 personal letters to your disciples, published seventy volumes of books. You used to sleep for only four hours and write books. You wrote and published more literature than any other Vaisnava who lived during your time or lived after it.

You finally gave us the Hare Krishna Maha Mantra,

*"Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare"*

and said that this is the only way to go to our father Lord Krishna's abode and free ourselves from the cycle birth and death.

When I came in association with your disciples, I left non-veg and also started chanting 16 rounds of Hare Krishna mahamantra. Even I have also started fasting on Ekadashi of every month.

On this auspicious day, my only wish and prayer to you are to please keep me far away from Maya so that my devotion towards Krishna will be pure and without any material desires. Bless me so that my devotion to you is eternal with selfless service.

Begging to remain under the shelter of your divine lotus feet.

Your humble servant, Bhakta Sashi Shekhar.

## Bhakta Satyanarayan Subbarao

Respected Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of your Vyasapuja day.

Attending Gita Classes facilitated by the Hare Krishna Movement has created a shift in my life. It has enlightened me to the deepest, inspired me, helped me to understand the spiritual values of life. Few of the learning are: we need to be steady in both happiness and distress to be eligible for liberation; give up selfish satisfaction and prepare to satisfy supreme Lord Krishna; control the material desire since non-fulfillment leads to anger and do it by engaging in service of higher nature which is to serve Krishna.

I am extremely thankful and once again offer my respectful obeisance unto your lotus feet. I beg you to please continue to inspire me to offer you my every desire, thought, word, and action with heart.

Yours sincerely,

Bhakta Satyanarayan Subbarao.

Dear Srila Prabhupada,

Please accept my most respectful obeisances at your lotus feet.

I'm amazed to know what a charismatic leader you are! You dedicated your entire life to the service of Lord Krishna and your spiritual master. You single-handedly took the initiative and started spreading it across the whole world. You are a true inspiration in this Kali-yuga.

In this world where most are rushing towards material goals, you taught us about our spiritual goals which matter the most. I'm grateful to be under your divine guidance on how to relate to the Supreme Lord Krishna and attain liberation. I seek your blessings to pursue the path of spirituality.

I wish that someday, I'll be able to attain a place under the lotus feet of your Divine grace and our Supreme Lord Krishna. Begging for your merciful glance.

Your Humble Servant,

Bhakta Saurab Das.

Dear Srila Prabhupada,

Please accept my most humble prostrated obeisance unto your divine lotus feet. All glories to you and this most auspicious day of your Vyasa Puja.

*he gurojnana-da dina-bandho, svananda-datahkarunaika-sindho  
vrindavanasinahitavatara, prasidaradha-pranaya-prachara*

*"O spiritual master, O giver of divine wisdom, O friend of the fallen, you are the giver of your own bliss and you are the only ocean of mercy. Although dwelling in Vrindavana, you have descended for the welfare of fallen souls like myself and you are preaching the divine love of Radha for Krishna. Please be kind upon me."*

Srila Prabhupada, before coming in touch with your movement, I had heard various philosophical preachers presenting their own concocted theories about the Lord, which I found highly ambiguous and unsatisfactory. Their talks would always

lead me to doubts and as a result, I never really followed them with full faith like other followers. But when I heard your most flawless philosophy of Krishna Consciousness, it drastically transformed my heart, and the lucidity with which you explained about Sri Krishna and the relationship of the spirit soul with Him, really struck me. Your books, Srila Prabhupada, are indeed your greatest contribution to mankind and one can realize this on reading them. How beautifully you have explained the highest and most confidential knowledge with the utmost simplicity and perspicuity. Although you are eternally living in Sri Goloka Vrindavana, you are still providing guidance through your books and divine instructions. Please award me service at your lotus feet which helps me increase my love for you and Sri Krishna.

*amshobhagavato 'smyaham, sadadaso 'smisarvatha  
tat-kripapakshakonityam, tat-preshthasatkaromivam*

*"I am a tiny part and parcel of the supreme Lord and I am always and in every way His eternal servant. As I am always hoping for His mercy and kindness, I offer myself to His most dear servitor, my spiritual master."*

O my dear Gurudeva, please be merciful unto this most insignificant wretch such as myself. I beg you, please bless me with a lasting love for Sri Vaikunthanatha, the Lord of Vaikuntha. I know I am most unqualified to even think of Sri Krishna. However, had it not been for you, dear Gurudeva, I would not have understood even a tiny bit about Their Lordships Sri Sri Radha Krishna. Thank you Srila Prabhupada for your mercy on this foolish soul.

Your most fallen servant,

Bhakta ShirishSangle.

Revered Swami Srila Prabhupada,

Please accept my humble obeisances on your sacred feet. As a neophyte, I am truly fortunate to be getting the opportunity to write to you on the auspicious occasion of your divine appearance. All glories to your service, Gurudeva.

My journey of learning the most precious lessons started more than four years back and, as I look back, a realization sets in that this would not have been possible without your mercy upon me. Today, thoughts and questions arise and, I, sometimes start casting doubts on my capabilities to control the stubborn senses on a mind-body level. It is again, with your mercy that my desire and resolve to understand the meaning of the human form of life and the prescribed ways to lead it have only strengthened.

Your purports on each verse in the Bhagwad Gita give valuable insights into our forgotten relationship with the Supreme Lord and they guide us on the need for putting curbs on agitating minds and purification of desires. Attending the lectures on verses and your purports from a very senior devotee, I have reached the last chapter and am hoping to complete the first full reading of the Bhagwad Gita soon. Recently, with your blessings, I got some extra time to restart reading this scripture from the first chapter and, this time around, it was easier to recite the shlokas in Sanskrit. Each of the verses, meaning, and the purport highlight how Lord Krishna is the manifestation of the absolute truth. At this moment, I pray that your purport of Text 40 of the Sixth Chapter ever stays on in my mind:

*Pārthanaivehanāmutravinaśhastasyavidyate, na hi kalyāṇa-kṛitkaśhchiddurgatimtātagachchhati*

*"A transcendentalist is supposed to give up all material activities for the sake of spiritual advancement. Any activity, not aimed at ultimate self-realization or liberation from the material bodily concept of life, is not auspicious. Activity in Krishna Consciousness is the only auspicious activity."*

You kindly accepted my prayer for allotment of time from material and professional work commitment to reading other books authored by you. I could read Sri Isopanisad, Light of the Bhagavata, and The Laws of Nature. I am very inclined to repeat reading of the text under the subtitle - Krishna: A Seeming Paradox. To keep this momentum, I continue with my prayer to you to give me such opportunities for reading your books, benefiting from the guidelines, and transforming myself

into a true Vaishnava devotee from a current student. At the same time, I get the opportunity to maximize my association with devotees of the Lord. Again, all glories to your Divine Grace for drafting me in as a student in your spiritual school. Gurudeva, you have been extremely kind to me. I have to overcome the tendencies of the six sense objects and my transformation will happen only with your divine blessings.

My revered Acharya, I thank you several times for granting me Charanashraya, guiding me to quell the attacks of unwanted forces and showing the way to the fulfilment of my aspirations of engaging in devotional service of the Supreme Lord. I beg for forgiveness of any wrongdoings and plead upon your kind mercy to advance on my transformation into the servant of the servant of the Supreme Lord. It is only with your sanction and outstretched hands that I can strive to fulfill the purpose of my human form of life.

Always at your feet,

Bhakta Shirish Sinha.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this occasion of your divine appearance day.

Completed one more year by constantly associating with you through your lectures, Bhaktivedanta purports, books, temples, and your sincere disciples. By your blessings, I kept myself always in touch with your pure devotees who are always ready to distribute your mercy to bring the fallen souls like me closer to your lotus feet which eventually lead us back to godhead.

There have been many new discoveries and learnings last year in my spiritual journey which created more attachment to your lotus feet. I tried to keep myself in Krishna Consciousness by constantly associating with the maha-mantra by regularly chanting 16 rounds, hearing your lectures, kirtans, and reading your books. I also tried to render physical service every week and take association of your pure devotees which kept my consciousness steady without deviation.

Srila Prabhupada, you are an infinitely compassionate person who on the order of your Spiritual Master taken the task of spreading this Krishna Consciousness movement throughout the world at the age of 70. Nothing in this world could match to your efforts in spreading your movement. Though you might be physically distant from us, we are always connected with you through your divine teachings and instructions.

One day, while I was reading one of your books I came across the subject matter of “*Tapasya*” which was very elaborately discussed. I then realized how important it was to be austere to progress in Krishna Consciousness. I always try to keep your instructions deep in my heart so that whenever my mind deviates your divine instructions are always there to protect me. I have full faith that you are protecting me now protected in the past and will protect me at all times in all situations.

I consider myself so fortunate and grateful to get your mercy by which I am able to chant the holy name and associate with Krishna otherwise I have no qualification at all to ever think of being in Krishna Consciousness and I would have been loitering outside without knowing the goal of the human form of life. Attachment to your divine lotus feet is the only boat that saves the one who is drowning in the ocean of material sufferings.

Srila Prabhupada, on this most auspicious occasion I beg forgiveness for my offenses at your lotus feet. Without your forgiveness, I have no hope. I also beg you to please keep me always under the shade of your lotus feet and do not put me into forgetfulness. By your causeless mercy, I am given certain services to render for your pleasure which needs your divine blessings. Please make me an instrument in your movement and please give me the intelligence to execute your orders in the association of Your pure devotees.

Continuously aspiring to be your humble servant, Bhakta Siva Kumar.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of your Vyasa-puja. On this Vyasa puja day, I want to write this letter to thank you for your spiritual presence.

By reading your books, I could understand, how It's hard in this material world when we have to work, family life far from a temple and remember in our hearts Bhakti all the time. This world is so full of obstacles and one needs to be a warrior to follow this path of Bhakti. But, I feel your spiritual presence next to me when I chant my rounds and listen to lectures at FOLK Centre in Kalyani Nagar, Pune.

For all that and much more, I try to follow your instructions.

Your humble servant,

Bhakta Sohil Vaidya.

Dear Srila Prabhupada,

Please accept my humble obeisances.

I am thankful to you because the platform which you have mercifully provided to all mankind in this kaliyuga to grow spiritually, to understand the true meaning of life, is something which is the very extraordinary and greatest gift to mankind.

I feel my self very small to write about your mercy. Even if I try to convert all the oceanic water into ink, convert all the woods of the trees available on the earth into the lead and all the land into paper, then also I find all this thing short and myself incapable to write about you and your mercy towards us.

You have provided us the association of devotees to protect us from the deception of Maya. I pray to you to make me the way you want me to be.

Your servant,

Bhakta Subham Balalia.

Dear Gurudeva SrilaPrabhupada,

Please accept our humble obeisances on your appearance day.

The world is a mirage, and you had appeared to guide us out of the illusion. The jivatma acts forever under the influence of the trigunas and forgets its relationship with the Supreme Personality of Godhead, Shri Krishna.

As a seeker, I have been reading your works since childhood and am glad that I got an opportunity to renew faith and understanding with sincere disciples from your lineage. As it says in the Bhagavad Gita 3.21 and explained by you lucidly,

*YadYadAcarati Shreshtas, Tat Tad EvetaroJanah., Sa Yat Pramanam Kurute, Lokas Tad Anuvartate.*

Your commentary- People in general always require a leader who can teach the public by practical behavior. Due to our frail material senses, we are prone to forget exalted personalities and their glorious life examples. A country with the six Gosvami's of Vrindavan, ShrimatiMirabai, and Shri Surdas as well as you are certainly not lacking in a legacy of pious souls.

Right now, we are facing an unprecedented critical situation on the planet due to a lack of spiritual consciousness and improper role models. I pray for Lord Krishna and your mercy on me, family, the country, the planet, and all sentient

beings. Personally, I was happy that I could visit Lord Chaitanya's birthplace and SrilaBhaktisiddhantaSaraswati's Samadhi in Mayapur this year. Hoping for your continued grace in the spiritual path.

Vyasa Puja Mahotsav Ki Jai! All glories to you and full power to the Sankirtan movement.

A lifelong student,

Bhakta Sunil Kumar.

Dear Srila Prabhupada,

Please accept my humble and respectful obeisances at your divine lotus feet.

This is my 2nd Vyasa Puja offering and I am feeling very happy to write this letter.

Before coming to Krishna consciousness I was very much restless, I did not know what to do in this life. I thought this life is meant for enjoyment but no this life is meant for understanding God and to have a relationship with God. Everything is dependent on lord so we also have to depend upon lord.

At the age of 70, you spread this Krishna Consciousness Movement worldwide. Even at this age, we are finding it difficult to spread among our friends but still because of your mercy only we have tried our best to spread this knowledge.

Earlier I used to chant very less number of rounds but now because of your mercy I chant at least 12 Rounds every day. I humbly beg your divine grace to please forgive all my mistakes and offenses and to mercifully empower me to become a genuine devotee and your true representative.

Please know that hope rests at your divine lotus feet only and keep showering your blessings upon us. So we can remain eternally under your lotus feet.

Thank you for everything.

Your humble servant,

Bhakta Suraj Kumar Seshadev Panigrahy.

## **Bhakta Tanay**

Dear Srila Prabhupada,

Please accept my humble obeisance. May your glories eternally purify the fallen souls like me.

It has been 8 years since I came in touch with your books. The moment I started reading them, least did I know that I was preparing myself for a spiritual adventure with you. And this is not some ordinary classic novel like Treasure Hunt. But a sincere quest to find the greatest treasure mankind can ever have i.e. Our own real spiritual identity and the relationship we have with Lord Krishna. In my teenage, I always fancied characters of fictional novels. Like in Harry Potter, how Hagrid from the magical world came to Muggle World to pick Harry out of the sufferings he had in his life and showed Harry his real identity in the lively Magical World. I too would wonder. Do I have any Hagrid in my life to take me to some Magical World? Years later, when I read your books, I understood that yes there is a magical world which is the Eternal Spiritual Abode of Lord Krishna.

It is our true original Home. But we shunned that magical place for some cheap self centered enjoyment. And here we are bound in the web of threefold miseries. Today when the whole world is gripped under pandemic due to Covid-19, everyone is waiting for some miracle to happen to take them back in time where they had the optimum sense-gratification. However, your followers and disciples are experiencing the most transcendental magic through your books, chanting, and online classes. It is because of your teachings we can now see in the face of the global pandemic, that primary problems are Birth,

Disease, Old Age, and Death. And because society has no solution to these problems, least they can do is "lockdown". But how long are they going to hide like ostriches? Because the world has got no spiritual understanding, fear is the most common element we see. But your teachings make us bold and accept the fact as far as we have this material body in any part of the Material Creation, we will always be dealing with these 4 issues.

Another interesting phenomenon we see is the response of World Leaders towards this disease. During Lockdown, all the Govt.s world over allowed home delivery of Essential Services. But none of them considered Harinam or Krishna Conscious Books under that category! We can't avoid the influx of diseases. But a Krishna Conscious leader would have allowed delivery of Holy Name in order to free the affected souls from the cycle of birth and death. During World War II, Your Divine Grace did not sit at home or fled from the city like others. You with your God-brother rather did Harinam on the streets. When the disease is outrightly challenging us on our face, true devotee like you will be more vigorously chanting the Holy Name and let this transcendental virus spread faster than the material Coronavirus. Right now all we can do is at least imbibe the lessons in your Books and digest them properly. So that when the opportunity comes, we 'll be ready to go on the Battlefield of preaching.

Please keep us guiding and bless us so that we are able to contribute something, howsoever insignificant that be, in the service of Lord Chaitanya. Always seeking your shelter.

Your humble servant,

Bhakta Tanay.

Jai Guru and Gauranga.

Dear Srila Prabhupada,

Please accept my humble obeisances on the occasion of your appearance day.

I am very much blessed to come in touch with your divine instructions which reveal the most confidential knowledge of Vedanta which is the unconditional devotional service unto the Supreme personality of Lord Sri Krishna.

I came across a beautiful Gita Dhyana Sloka from south India.

"If the entire Upanishads are likened to cows, the milker is the son of the cowherd, Gopalanandana and Arjuna, son of Prutha is the calf. The men of purified intellect are the drinkers and the milk is the supreme nectar of Gita."

Sri Krishna by his causeless mercy re-established the substratum of all the Vedic literature through Srimad Bhagavad Gita for benefit of entire Humanity. However, the transfer of the divine knowledge in its true meaning and its practical applications were limited to very few blessed souls born in pious communities. By the causeless mercy of Sri Chaitanya Mahaprabhu and upon order of Srila Rupa Gosvami and all acharyas until Srila Bhakti Siddhantha Saraswathi Thakura, you made a divine revolution and kick-started the distribution of HARI NAMA and Lord Krishna's instructions door to door for all sincere seekers without any discrimination, to elevate them to re-establish a loving relationship with Lord Vasudeva. I am one such blessed soul Srila Prabhupada, I will not be able to repay the debt just by thanking you.

I would like to recall the incident shared in Gita class between Srila Rupa Gosvami and Sri Vallabhacharya. Sri Vallabhacharya told Srila Rupa Gosvami that he is the best of the living entities and has acquired all eligibilities that one gets after performing so many yagnas etc. just because he is constantly chanting Holy Name of the Lordships Sri Sri Radha Krishna.

Srila Prabhupada, it's by your causeless mercy on me which is allowing me to chant such great Nama Chintamani "Hare Krishna" although personally I do not have any eligibility. It's your mission, the "Hare Krishna Movement" which is constantly blessing me to associate with devotees and engaging me in Sravana (listening) seva.

For all these most precious opportunities, I thank you. I will endeavor to follow your instructions. At-last, please hold me from falling down because I am the most fallen soul who does not know the worth of eternal gift that I have and am running behind temporary enjoyments.

Begging to remain under the shelter of your divine lotus feet.

Thank you, Prabhupada.

Servant of Your Servants,

Bhakta Vamsi K.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

I came to know about Krishna consciousness through pamphlets. I started chanting 16 rounds every day, which helped me a lot and I saw many positive changes in me. I started waking up early morning, stopped eating nonveg. I become very disciplined in my life. Whenever I feel stressed or I don't know how to deal with it, I used to chant and it helped me a lot.

I pray that I will always stay connected with ISKCON and Hare Krishna Movement and try to make more spiritual advancement in Krishna consciousness. Begging to remain under the shelter of your divine lotus feet

Dear Srila Prabhupada,

Dandavat Pranaam.

It is you who made it easy for us to understand the complex scriptures. Just thinking what it would have been if you were not present. It is because of you it became easy for us to understand what life is all about and how it can be lived happily.

We came to know that we are in this world which is 'DUKHALAYAM ASHASHVATAM' to suffer because we wanted to enjoy without Krishna. And we are actually trying to enjoy this material life, which of course gives me happiness but is temporary and then again I get caught in the MAYA and then our mind gets bewildered again & again. On this occasion, I request you to please keep continuing your blessings on me forever. Please help me to get liberated, so that I can get rid of this material nature and render you a full time service.

Your humble servant,

Bhakta Ved Bhure.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to Your Divine Grace.

I wish to present this short writing prepared on the occasion of the Vyas puja 2020 for your pleasure.

First of all, I would like to thank you for your causeless mercy upon me. Your words are like a fire which helps me to clean my heart. I would like to join your mission, please give me strength. O venerable Vaisnava, a devotee of Krsna! O ocean of mercy, be merciful unto your servant. Give me the shade of your lotus feet and purify me. I hold on to your lotus feet.

The spiritual master is as good as God and nobody can fully glorify him. God's glory is transcendental, so Spiritual Master's glory is also transcendental. By glorifying God, whatever benefits one gets the same benefits one can get by glorifying spiritual master. In fact, if somebody glorifies a spiritual master like you, who is a pure devotee, Krishna will become more pleased.

Without the mercy of a spiritual master, nobody can attain Krishna bhakti. One has to approach a pure devotee: '*Anyabhilasita-sunyam jnana-karmady-anavrtam*'. Hence, Prabhupada, please keep me under your shelter always.

Prabhupada, I am trying to follow your instructions. But I am still not able to do it. Prabhupada, please forgive me for whatever mistake I have made and kindly bless me so that I am able to follow your instructions and serve Radha Krishna. Prabhupada, I will be always grateful to you. I sincerely beg you for your causeless blessings and mercy so that I may be able to serve the mission of Sri Nitai Gauranga and Your Lotus feet. I pray for your blessings to serve you eternally.

Please forgive me for all the offenses committed by me both knowingly and unknowingly.

Jai Srila Prabhupada.

Your servant of servant of servant,

Bhakta Vijay Adivarekar.

Hare Krishna,

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this very auspicious appearance day of your Divine Grace.

With due respect, this is the second time I am writing my gratitude to you. I would like to thank you for the incredible teachings that you have taught me throughout my journey through your various books/association like Bhagavad-Gita, Science of Self realization, Back to Godhead, Message of Godhead, Raja-Vidya, etc. It has totally changed my perspective towards life. Further, I would like to state here that, I am seeing tremendous changes in myself in various terms like Thoughts, Disciplines, and Humbleness, etc. I feel very blessed for being a part of "ISKCON" which is a very nice movement that you had initiated for mankind. Following your instructed four Regulative principles was a life-changing habits and that I have inculcated as of now.

Once again thank you for your all timely guidance, association through various means for making progress in Spiritual life, also for engaging me in Devotional service. I Beg to remain under the shelter of your lotus feet at all times. Bless me.

Your humble servant,

Bhakta Vijay Dhotre.

Dear Srila Prabhupada,

Please accept my respect & obeisances unto your lotus feet.

All glories to you on this most auspicious appearance day of Your Divine Grace. I don't have the literary capability to present or the intelligence to realize your causeless mercy to be able to thank you enough but I shall try.

Prabhupada, I have never met you in person but I feel your proximity and my love is growing for you with every passing day. Thanks to your recordings that I can listen to every day during a morning walk. Prabhupada, I have never come across a spiritual master who is only focused on glorifying Lord and is straight forward and blunt as you. Your sharp words sometimes pierce through my heart but I am so contaminated, dull-headed, and unintelligent that I go back to my ways of living life where I live in the bodily concept of life and work only for sense gratification. And, I do agree that I am a Go-Khara and a Rascal but I am hoping that this transformation would continue and I will someday be worthy of being your disciple.

Prabhupada, I must admit that with your mercy and blessings, things are much more conducive for me to chant and worship Gaur Nitai at home. Now, I can chant any time of the day unlike before when I had to chant away from home or when everyone was asleep. My spouse has started chanting regularly and cooks Bhoga with a lot of excitement. Also, my son is growing fond of you and Gaur Nitai at home, and sporadically pays obeisances to deities.

Prabhupada, this period of lockdown and corona has been fearful and full of anxiety for most of us. We, as family, are thankful to you because our association with devotees, chanting the holy name, little knowledge of our philosophy, and our naive faith in Krishna has made us slightly less fearful and a bit more tolerant to live through this challenging time.

Lastly, Prabhupada, I would like to admit that it's been a good time that my mind is in splits for what's the right course for me. I get on with every day and duties hoping to be shown the way the next day. I wish you and Krishna showed me the way every day.

Your aspiring servant,

Bhakta Vikas Parchhanda.

My Dear Srila Prabhupada,

Please accept my most respectful and humble obeisances at the dust of your lotus feet. All glories and all glories to your loving divine grace.

I am offering countless obeisances to your lotus feet, for creating such wonderful centers. This year, I was not able to utilize it perfectly for my spiritual growth due to my family conditions, please guide me to overcome from this situation. I did so many offenses at your lotus feet knowingly or unknowingly, please punish or forgive me as per your wish, I am ready to take whatever it may be. My dear spiritual master, I have strong faith in you, you are purifying my sins by giving some temporary material troubles. Please show your causeless mercy on most fallen souls, in this pandemic condition. My dear loving spiritual master please guide me to develop taste in maha mantra, and to distribute this great knowledge to

fallen souls of this kali yuga. Once again I am paying humble obeisances at your lotus feet and begging to remain under the shelter of your lotus feet.

Your servant,

Bhakta Visweswar Naidu.

Dear Srila Prabhupada,

Srila Prabhupad, It would be an injustice to you if I would praise you with my words but since this offering is for my advancement, I would start off with forgiveness from you for any conscious or unconscious offense done to you or to any of the devotees in any form.

Initially, I being an Atheist, I always used to question about the presence of god. Time and again, I used my narrow material brain to question people about them believing in someone they have not seen.

But as Lord Chaitanya Mahaprabhu has said, one cannot become a devotee without the mercy of a pure devotee Lord Krishna. I feel very blessed to know and understand Srila Prabhupada and his teachings which helped me in molding my perception towards God.

Srila Prabhupad you have defined the true meaning of being a Brahma-Nishtham Guru, and a pure devotee. Your work is truly stupendous considering the hardships you undertook.

At last, I would pray at your lotus feet on this occasion to keep showering his mercy upon me. I would be really fortunate.

Your servant,

Bhakta Yash Bharadwaj.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of Your Divine Grace.

As we sing every day, the mercy of a spiritual master is like a cloud who pours torrents of rain to extinguish this material forest fire. I have realized in every walk of my life your divine mercy showering upon me extinguishing the material fire. I could realize your personal presence guiding me day in and out where I receive personal instructions on how to run my life keeping you at the center. Please keep guiding me to serve your mission.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhakta Yashwanth.

Dear Srila Prabhupada,

Please accept my most humble obeisances.

All glories to you on this most auspicious appearance day of your Divine Grace.

“What power do I have to glorify them (the Vaisnavas)? Afflicted by ignorance, I only exhibit conceit. Yet, even one who is dumb (such as me) is greatly fortunate and joyful at heart (to have an opportunity to glorify them). (O Vaisnavas,) forgive the fault of this fallen soul and make me your own servant.” [Vaisnava-Vandana, by SrilaDevakinandana Dasa Thakura]

This verse from the Vaisnava-Vandana clearly represents my fallen position. I'm unqualified to glorify you, O Srila Prabhupada, and yet I'm attempting to do so. There are so many things that I'd like to say to you Prabhupada, but how well and how much I'm able to express, I do not know. Kindly forgive me for any faults and offenses that I may commit.

*Gaṅgāraparāśaḥilepaścatepāvan, darśanepavitrakoro-eitomāraguṇ*

“After bathing in the waters of the sacred Ganges many times, one becomes purified, but just by the sight of you, the fallen souls are purified. This is your great power.” [VaishnaveVijnapti, from Prarthana, by SrilaNarottama Dasa Thakura]

Srila Prabhupada, your lotus feet are served in devotion by multitudes of high, virtuous souls. You are the leader of fortunate souls, blessed with the treasure of eternal pure devotion. You are immensely merciful on the fallen souls, being their only shelter. Like the moon delights the stars, you are surrounded by your circle of personal servitors, making their hearts bloom in ecstasy. The malicious non-devotees are made to flee in panic by the sound of your thunderous roar, and the simple, inoffensive souls attain the ultimate fortune by accepting your lotus feet. You have revealed the magnificent, esoteric beauty of Sri Dham Mayapur, broadcasting the tidings of the supreme magnanimity of Sri Gauranga throughout the universe. You are the eternal shelter and Universal Guru for the souls surrendered unto Sri Gauranga.

You are the crown jewel of the Paramahansas, the Prince of the treasure of the supreme perfection of life, Krsna-Prema. You accepted the robes of a mendicant just to deliver fallen souls. Sri Prahlada Maharaja says that persons very much inclined to materialistic life cannot be attached to the lotus feet of the Lord unless they smear upon their bodies the dust of the lotus feet of a Vaishnava completely freed from material contamination. O Srila Prabhupada, kindly allow the dust of your lotus feet to perpetually fall upon fallen souls like me! There is no other way for my deliverance.

Sri Krishna, the Original Personality of Godhead Himself told Sri Uddhava:

*anuvrajamyahamnyampuyeyetyanghrirenubhih*[Bhag. 11.14.16]: “O Uddhava! Through the foot dust of My devotees, I am helping the universe get purified by attaining bhakti, and therefore I am following My devotees.” My dear Prabhupada, you are so merciful; while you were on this planet, you graciously let the devotees take your foot dust, foot water, and remnants of your Prasadam! As loudly proclaimed by all scriptures, service of these three items yields loves of Krishna, the most priceless treasure!

And so my dear Prabhupada, Prati-janmekoriasacaraneradhuli - I desire the dust of your holy feet in every birth I may take. I remember hearing in a lecture once, the following:

Padma-Madhu, the honey collected from the lotus flower, is a special type of honey. The Ayurveda-sastra says that it is good medicine for the eye. If someone has some eye disease due to impurities in the eye the ayurvedic doctor, will advise him to rub some Padma-Madhu his eyes. Because of these impurities, one cannot see clearly and feels pain. Applying some Padma-Madhu on the eyes will clean out all the impurities and then one will be able to see clearly. Similarly, the guru-Padma-Madhu, the honey emanating from the lotus feet of Sri Guru, is so sweet and nectarean that if a fortunate disciple

gets it and relishes it then the disciple's eyes will be cleansed of the material conception. O Prabhupada, I beg you to kindly give me a drop of this wondrous guru-Padma-Madhu, and cure me of this devilish materialistic disease! Please keep me in the shade of your lotus feet, Srila Prabhupada, for there is no other way for my deliverance. One can get a set of parents in every lifetime, but one may not be fortunate enough to get a guru and Krishna in every lifetime!! I beg you Prabhupada, to please never leave me; even if I ever become forgetful of you and Krishna, please give me the remembrance of you, and by hook or by crook, get me back on track.

Your glories Srila Prabhupada, are unrivaled! You've presented the unparalleled pinnacle of spiritual advancement ever revealed to humanity - pure, spontaneous, intimate, and sweet love of God or Krsna-Prema. Your books possess the most confidential and priceless treasure in all three worlds in the form of the nectarean, honey-like pastimes of the Lord and the spotless, pristine philosophy that you've written. Had you not taken the pain of writing these books and then traveling around the globe to present them, wretches like me would be forever living in darkness, considering this illusory world only to be true! The International Society that you formed is also a blessing to mankind for it brings scores of fallen souls in touch with Krishna Consciousness.

*sādhū-saṅga, nāma-kīrtana, bhāgavata-śravaṇa  
mathurā-vāsa, śrī-mūrtiraśraddhāyasevana*

*“One should associate with devotees, chant the holy name of the Lord, hear Śrīmad-Bhāgavatam, reside at Mathurā and worship the Deity with faith and veneration.” [CC Madhya, 22.128] “These five limbs of devotional service are the best of all. Even a slight performance of these five awakens love for Kṛṣṇa.” [CC Madhya, 22.129]*

On contemplating further on this verse, one can realize that actually, you have designed the Hare Krishna Movement in such a way that anyone who is engaged in Krishna consciousness in this Movement is automatically performing these five activities. The first aspect is sadhu sangha; anyone who is in HKM is getting the association of the sadhus. Similarly, anyone who is a part of your Movement must attend the Bhagavatam class and at least read for some time every day, so this is how one is reading scriptures. Anyone who is in HKM worships the deity; although not all of us worship the deity directly by attending Mangala-arati and the morning program we automatically do that. Then comes residing in the holy dhama; all temples of Krishna are non-different from Goloka Vrindavana. Therefore, those who are living in the temple, or those whose consciousness is in the temple, are actually residing in Mathura. In this way, you have given us a simple process for Krishna consciousness in the most sublime way possible!

Last but not the least, I'd like to express my feelings by quoting the following verses:

*tomarahridoyesadagovinda-visram, govindakohena-mora vaishnavaparan*

*“Krishna, resides in your heart, which is like Vrindavan, the eternal abode of Govinda. He stays there very blissfully and peacefully. He never leaves your heart.” [VaishnaveVijnapti, from Prarthana, by SrilaNarottama Dasa Thakura]*

*krsna se tomara, krsnaditeparo, tomarasakati ache, ami to' kaṅgala, 'krsna' 'krsna' boli', dhaitavapachepache*

*“Krishna is yours. You have the power to give Him to me. I am simply your servant running behind you shouting, 'Krishna! Krishna!'” [BhajanaLalasa Song 7, from Saranagati, by Srila Bhaktivinoda Thakura.*

Praying to always be under your shelter, clutching your lotus feet tightly,

Your wretched servant,

Bhaktin Aditi Sangle.

Dear SrilaPrabhupada,

*om ajnana-timirandhasyajnananjan- salakaya, caksurunmilitamyenatasmaisri-guravenamah*

*Please accept my most humble obeisance unto your lotus feet. You are the spiritual master of the entire world and it is everyone's duty to serve your divine lotus feet. I am very grateful to you for all that you have done to save a wretched soul like myself.*

*titiksavahkarunikah suhrdahsarva-dehinam, ajata-satravahsantah sadhavah sadhu-bhusanah*

*"The symptoms of a sadhu are that he is tolerant, merciful, and friendly to all living entities. He has no enemies. He is peaceful, he abides by the scriptures, and all his characteristics are sublime."*

Gurudev, you are an actual sadhu, unlike all the other sadhus who claim to be authoritative but are nothing but bluffers. They impress people and make them fall under their trap just to live a lavish life. But you, dear Prabhupada, are not like them. You have tolerated so much just for us most unqualified souls. At that time when most people will prefer to retire to their homes, you traveled all the way from Kolkata to Boston for thirty-five days to change the world even though there was so much risk involved in it. You suffered 3 heart attacks on the way, in the middle of the ocean, and yet you took so much pain, just for us! This shows how tolerant you are and so merciful that just for our sake you took so much trouble.

*mukamkarotivachalam pangumlanghayategirim, yat-kripa tam ahamvande sri-gurumdina-taranam*

*"I offer my respectful obeisance unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains."*

Just like when Jada Bharat was a deer, he was careful not to forget Krishna for even a second because it was due to his forgetfulness that he had to enter the body of a deer. But due to the association of great acharyas and great saints who would describe the glories of Lord Mukunda, he was thus delivered from the body of a deer. In the same way, when we read your books and hear your lectures, thus associating with you, you too, by your unlimited compassion, deliver us from our most sinful positions. We have no qualifications to reach the abode of the Lord, but you have made it so easy for us to reach the highest destination of life. I merely want to serve you in whatever way I can. I want to spend the rest of eternity serving you and Sri SriRadhaGokulananda through your infinite causeless mercy. Thankyou Srila Prabhupada, a thousand times. My life is yours to do with as you wish. I know I am nothing but a shameless beggar who has got nothing to do with you or Gopinatha. In my heart, you won't find any trace of love or devotion for Sri Murari. You are an ocean of mercy. And therefore, Gurudev, please bless me with a lasting love for Govinda.

Yours in love and devotion,

Bhaktin Advaita Sangle.

Dear Srila Prabhupada.

With deep gratitude and reverence I offer my obeisance to A C Bhaktivedanta Swami Srila Prabhupada, the founder of the institution of ISKCON. I understood the meaning of A C Abhay Charanavrinda only after my association with ISKCON, through contact with HKM Mumbai in 2016. It was in 1992 that for the first time I got a glimpse of ISKCON devotees in Cologne, Germany where on the main streets they were singing, dancing, chanting and distributing Prasadam. The curiosity was awakened within, and it was in 2016 that finally, the call from the Spiritual Master came in the form of HKM Mumbai.

The teachings of Srila Prabhupada, through his books, notably Bhagavad-gita as it is, through his lectures and discourses and contacts with the ISKCON have not only strengthened but also raised the levels of Krishna Bhakti in me to very high levels for which I bow with folded hands to this great Spiritual Master. My path to Krishna Consciousness is illuminated with the teachings and guidance of Srila Prabhupada.

With Srila Prabhupada as Guru, the contents of both Bhagavad-gita and Srimad Bhagavatam have acquired new and focused meaning for me, and help in my understanding of the purpose of Human Life.

With reverence and pranaams,

Bhaktin Binota Patni.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

At the very outset I, a very menial servant of your's, wish to express my heartfelt gratitude and thank you for giving me the golden opportunity to understand and practice this sublime science of Krishna Consciousness. The Jivas like me take birth in this material world, lead our lives and depart from this world one day leaving behind all we have so painstakingly gathered in terms of wealth, relations, family etc. never to understand what was the real purpose of our human birth if, it was not for the teachings of our beloved respected spiritual master Srila Prabhupada.

Srila Prabhupada you selflessly propagated the message of supreme Lord in its purest form to the entire human society without any discrimination. It is only because of your limitless mercy on a fallen soul like me that today I am able to understand and practice the sublime science of Krishna consciousness in association of other sincere devotees. On the basis

of our revealed scriptures, you have so explicitly explained the way to re-establish our lost relation with Lord Krishna with the help of devotional service.

By reading your books, listening to your lectures, morning walk conversations I get all the inspiration to continue the practices you have instructed so firmly for the Krishna consciousness practitioners to make steady progress on this path.

In BG Shloka 4.34,

*tad viddhi praṇipātena paripraśnena sevayā , upadekṣhyanti te jñānam jñāninas tattva-darśinaḥ*

The Supreme Lord is himself explaining the importance of approaching a bonafide spiritual master for realising the ultimate truth, but you didn't wait for ignorant jivas to approach you rather for Krishna's pleasure and dutifully fulfilling the instructions of your respected spiritual master you went through so many of personal hardships to go the western world and enlighten people about their ultimate duty as a human which will liberate them from all the material sufferings.

Wish to express my deepest gratitude to you for making me realise my constitutional position as the eternal servant of the Supreme Lord. During this corona pandemic times, I have experienced a deeper understanding of your teachings, about this material world being a place of pain and suffering. I have received the material education as every human being around the globe does but this so-called material education doesn't help one to overcome the actual problems of birth, old age, disease and death. I am truly grateful to you for bestowing upon me the invaluable gift of ultimate spiritual science. You have enlightened me about my eternal relationship with the supreme and how can I remain forever happy and blissful by serving the Lord selflessly. Srila Prabhupada I sincerely wish to seek your divine blessings and dust of your lotus feet so that I continue to make progress in my spiritual journey and always keep your instructions as the yardstick to be safe from the influence of Maya.

Begging to remain under the shelter of your lotus feet at all times.

Your servant,

Bhaktin Deepika Dhingra.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada.

We consider ourselves to be extremely fortunate to come under your shelter through the wonderful teachings that you have left behind for us in the form of your writings. The more we read your Charitamrita it brings tears to our eyes to see the number of pains you have undergone to reach out Krishna Consciousness to fallen souls like us. Your beautiful lectures always guide us on how we can grow further in our spiritual journey towards Krishna Consciousness.

It's only because of your guidance and the torchlight you have shown in our dark lives that we are able to render our services unto the lotus feet of Lord. To serve you gives me immense pleasure and to keep you happy we understand that we still have a long way to go but we are trying our best and if your blessings remain on fallen souls like us, we are sure we will also rise up to your expectations soon.

As you have quoted "Child is a father of man " standing true to this quote and the little that we know we are trying our best to introduce the love for Krishna into the little minds and hoping that the seeds sown now into them will help them as they progress in life and one day grows into a beautiful tree bearing fruits of Love for God and faith in Him. Even in this service, we can feel your divine intervention in every aspect without which it is impossible for us to carry out the little that we have been doing. I beg you for forgiveness if I have ever done anything wrong unknowingly.

On this most auspicious occasion, I humbly beg you to keep us always under your ever kind ashraya and may we always remain as humble as a blade of grass all throughout in serving your mission. I also beg for your ever merciful love and

guidance forever to give us the strength to render our service for the movement as a family and also to grow spiritually under the guidance and association of the senior devotees. This appeal is on behalf of our entire family to whom you have been very kind in showering your blessings. Please hold our hands as a father would, whenever we stumble or dwindle from our motive of serving the movement.

Begging to remain under the shelter of your lotus feet at all times.

Your most humble servant of servants,

Bhaktin Gayathri Narayanan.

Dear Srila Prabhupada

Pranams,

I am feeling fortunate to join Geeta sessions conducted by devotees of HKM Mumbai. Since it is still a learning phase for me to understand Bhagvat Gita completely. I am grateful to you that you have kindly written a true edition of Bhagwad Gita As it Is.

But during this entire journey slowly I have learnt a few things which I would like to offer it to you, are:

WORK SELFLESSLY FOR KRISHNA'S SATISFACTION WITHOUT GREED, JEALOUSY AND LUST

NEVER RUN FROM RESPONSIBILITIES AS ARJUNA WANTED TO IN THE BEGINNING.

SAMATVA BHAAVA TOWARDS EVERY LIVING ENTITY.

Up till now, I have understood this much very well that we are part and parcel of Sri Krishna. Keeping Krishna as my true object of meditation by your grace I am working on myself internally.

*Hare Krishna Hare Krishna, Krishna Krishna Hare Hare Hare Rama Hare Rama, Rama Rama Hare Hare*

Thank you and begging for you causeless mercy,

Yours sincerely,

All glories to SrilaPrabhupada.

Please accept my humble obeisance at your lotus feet.

Getting an opportunity to write a letter to you is a true blessing bestowed upon me. It is an opportunity that I have looked forward to yet I find myself short of words to express my gratitude towards the way you have touched my life.

During my short journey in Krishna Consciousness, attending Gita Life classes, reading various books written by you, your erudite and philosophical purports and watching numerous videos have given a new meaning and perspective on life.

It is because of your kind attention on beginners in Krishna Consciousness that Deity worship and performing Mangala Aarti have become a part of my humble devotional service. In spite of several constraints faced over the last few months I have managed to continue this practice and, I owe it to your causeless mercy upon me.

I was a little hesitant and unsure whether I would qualify for the Charanashraya stage in devotional service but with your grace and magnanimity, I could complete the requisite reading of Bhagavad-gita and pass the interview. I consider it a big milestone on my spiritual journey and I am always conscious of the fact that without your guiding inspiration, this would not be possible.

You are so kind that you gave me the precious gift of a complete set of Srimad Bhagavatam at an early stage of my Krishna Consciousness journey. Each verse of the First Canto that I have read so far is explained so beautifully and in such detail that it is very difficult to draw away from reading it and thinking about the knowledge that it imparts.

My revered Acharya, at this phase of my life, please pardon me for my mistakes and illusions that keep springing up as hurdles and give me the mental strength to stay focused on your guidelines and make progress in God-realization. Thank you again, for your kindness and care.

At your lotus feet,

Bhaktin Nalinee Sinha.

Dear Srila Prabhupada

I am filled with gratitude for you, having had the opportunity to read, reflect and contemplate on the teachings of the Bhagavad-gita. This could only happen by regularly attending Gita life sessions.

My worship & rituals got transferred into service mood. I started looking for people's suggestions and complimented them. I started loving them who disagreed with me.

All along, I have been watching my Mind. This alertness has given me clarity in my thoughts, words & actions.

As I abandoned the worldly desires, it became easier for me to have control over my thoughts.

Each time I chanted the Maha-mantra, I seemed it to give me immense peace and satisfaction.

My humble Gratitude to the lotus feet of His Divine Grace Srila Prabhupada.

My humble prostrations to the lotus feet of His Divine Grace Srila Prabhupada.

THANK YOU for being my inspiring Spiritual Master.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. Today is your Vyasa Puja and I am most fortunate to be able to glorify you on this most auspicious day.

I feel extremely indebted to you for bringing an amazing transformation in my life. After hearing your divine words through your lectures and books, I am able to understand the real purpose of my life, the goal of my life. You have opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge. You have given me so much strength to balance my professional and family life. My day starts with reading your daily guidance. After chanting the holy names, reading your books and hearing your divine words, I am able to overcome day-to-day challenges and focus more on Krishna bhakti. Like that, there are many other things that only by Your causeless mercy I have overcome. Also by your causeless mercy, I have been able to serve you and Their Lordships Sri Sri Gaura Nitai and Sri SriLaddooGopalby cooking and preparing prasadam, regularly.

You are bona fide representative of Sri Krishna. Gurudev, give me the direction so that I develop, love and devotion to Sri Krishna and Sri Radhathrough your causeless mercy.

Srila Prabhupada, you are my only hope to deliver me from my most wretched position. I, therefore, beg you to award me ever-lasting love for Sri Sri Radha Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of Your Divine Grace.

Here I am, once again attempting to express my deep gratitude for everything that you have done for us!

*तद्विद्धिप्रणिपातेन परिप्रश्नेनसेवया | उपदेक्ष्यन्तितेज्ञानंज्ञानिनस्तत्त्वदर्शिनः |*

As Lord Krishna says - surrender unto a Guru for he has seen the truth, so do I completely surrender to you to seek the blessings!

*षडङ्गादिवेदोमुखेशास्त्रविद्या , कवित्वादिगद्यंसुपद्यंकरोति*

*मनश्चेनलग्नंगुरोरङ्घ्रिपद्मे , ततःकिततःकिं ततःकिततःकिं॥*

I have realised studying and contemplating the Bhagavad Gita on my own will not yield any success, unless "YOUR" guidance and Krishna's Blessings show me the path.

So, with great humility and respect - I pray to you to be the "Guiding Torch" of my life and help me. I have heard of your wisdom and been highly motivated. Your explanation of the scriptures makes the most difficult philosophy easy to understand even for an ignorant person like me. What attracts me to you the most is the simplicity of your speech and the deep compassion in you to help us find the truth! I find it so endearing even when you scold! It shows the motherly affection that you have towards devotees. It's true that a Guru is known by his disciples and I am so very lucky to have found sincere disciples of yours who have been so instrumental in kindling the love for KRISHNA through your teachings. The faith they have in you and the dedication they show towards promoting Krishna Consciousness is inspiring.

On this most auspicious day, I humbly beg you to continue to shower your blessings on me to make me an instrument in serving Krishna. I beg you to give me the inner strength to take all austerities in serving Krishna. Please forgive my offenses as a mother would forgive an ignorant child. Begging to remain under the shelter of your lotus feet at all times.

Servant of your servants,

Bhaktin Rajeshree Patil.

Respected Srila Prabhupada

Please accept my humble obeisance at your lotus feet. All glories to You on this auspicious appearance day of Your Divine Grace.

In these turbulent times, Your Mercy is saving us from getting drowned in anxiety, stress and disease. As Swami Vivekananda had also said, "our belief become our thoughts, our thoughts become our habit, our habits become our character and our character becomes our destiny", by imparting us this Divine belief in Krishna Consciousness, you have ensured us a Divine destiny. Bit by bit we are improving, inner struggle is still going on, but this firm belief saves us from major entanglements. By connecting us to this Divine family of Krishna Consciousness you have made an excellent arrangement where we can get support in our spiritual journey at so many levels. Even when we are not allowed to go out of homes, we are getting the knowledge of Bhagavad-gita through different means of communication, associating with the devotees and that is all because of your Love and Mercy towards us.

I pray to you Master, to Bless my endeavours in this path leading back to God Head. I know it's a long way, for I might have been a fallen soul since many births, but now that You have found me and given Your Kind Mercy I strive to come out of this imprisonment of material conditioning and cross this path chanting Hari Naam. I pray to You to help me with chanting names of the Lord so that I can focus only on His name and nothing else so that I am saved from the sin of any contempt towards Hari Naam Prabhu.

Without Your kind Blessings, we cannot achieve anything on this path, so I pray to You to always keep Your Merciful grace upon us, Devotees, like a Guiding Star so that we are not lost again in this material world.

Your aspiring servant,

Bhaktin Ruchika Dadhich.

Dear Srila Prabhupada,

My most humble obeisances unto Your lotus feet

Ever since We (me and my husband) came in contact with HKM Mumbai, our life has taken U-turn from material living to Krishna Consciousness and process was almost instant.

Whenever we are in temple or anywhere near the temple when we travel outside Mumbai, we don't miss MangalAarti. I never thought before that the day can begin with such spiritual energy.

I started my journey with 1 round moved to 2 round reluctantly but how I reached 11 round n to 16 I don't know. It's magic. My doing 2 rounds rather reluctantly and now I am chanting 16 rounds joyfully. I don't say I am not making any mistake while chanting but every day at least mindful to do better.

Bhog offering is happening every day. Every meal we offer to Lord and take *prasadam*. Enjoy planning different variety for Lord (sometimes what I like to eat too).

Reading Your books has become joy, almost agreed to know more, so obviously read more. Pilgrimage trips are a joy with devotees understanding all the past times of The Lord and his Pure Devotees. I was reading Lilamrata and one instance where devotees in Africa couldn't cook a good meal for you and I was thinking in my mind that I wish someone could cook a good meal for Your Divine Grace.

You came in my dream and you were eating the meal. I came to ask you if you wanted anything more. You smiled and blessed me. You didn't speak at all and my dream ended. But that blessing and your smile got encrypted on my heart.

Your humble servant  
Bhaktin Sadhna Gupta.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Oh, Prabhupada words always fall short while writing.

I was born in the darkest of ignorance. You pulled me out for the sake of deliverance. All glories to you Srila Prabhupada.

You gave us the holy name the only medicine for Maya's sake. All glories to you Srila Prabhupada.

You introduced us to nitai gauranga sara shiromani parama karuna. All glories to you Srila Prabhupada.

Never would I have known about the achintya bheda bheda which defeats the mayawadis toe to head. All glories to you Srila Prabhupada. You taught us the ultimate goal of life, service to Vaishnava's and service to Krishna which is undoubtedly is an inconceivable Karishma. All glories to you Srila Prabhupada.

Your Humble Servant,  
Bhaktin Sanjukta.

Dear Srila Prabhupada,

Srila Prabhupada, you are the best spiritual ambassador who visited our planet to give us the message of Godhead and invite us to come back to Godhead. You spread this true and valuable knowledge around the world. You have published so many books. You are a pure devotee of the ultimate and supreme truth. In Kaliyuga, if anyone follows your path that person will be free from birth and death cycle.

I am very much thankful to you for giving me the association of the devotees, who taught us about Law of Karma(I still remember the story), Yog-Maya and Kaliyuga Dharma, the importance of chanting Hare Krishna Mahamantra, Geetaupadesh and small stories (which clear doubts and convey good lessons).

I wish all the attempts to propagate Krishna Consciousness will spread more around the world in the coming future and maximum devotees will get benefits from the Hare Krishna Movement.

Thanking you for your blessings,

Yours sincerely,

Bhaktin Sheetal Wankhede.

Dear Srila Prabhupada,

I offer my humble obeisances unto you. Since a toddler, Amma and Appa seeded the thought of serving the Lord. But the problem was that I did not know which lord to surrender and which philosophy to follow. At that time Amma and Appa had put me in various missions but I found solace only under your able guidance. People say it is very difficult for a child to know certain spiritual matters. But by taking shelter under your lotus feet even tough subjects became easy. Knowing some Mantras and Shlokas made me feel I knew a lot but when I surrendered unto you I knew that I actually have known only an atom in the ocean of knowledge.

I sincerely pray to you that you always guide me such that I get submerged in the thought of Krishna and serve his lotus feet in whichever field I go. I ask you the blessing by which I may never get ego or arrogance as a part of life and serve Krishna by whichever means I can. Thank you Srila Prabhupada for getting me into this movement of learning and practising Krishna Consciousness and I hope to always keep chanting and singing the glories of Lord Krishna. I hope to always stay under you.

With this, I would like to thank you for everything. Please only and only grant me the potential and the permission to be in the eternal service of Lord Krishna and Srimati Radharani. I am very grateful to you for writing such beautiful books where even children like me can easily grasp and use the knowledge in our daily lives. Thank you so much for helping us children by translating great books such as the Bhagavad Gita and SrimadBhagavadam into something very simple for us to read every day. As I grow older I hope to spread the knowledge that you have given all of us beyond my capabilities and reach it to those who are aspiring to become a devotee but do not have the authentic source.

Your aspiring servant of the servant of the servant. ,

Bhaktin Shriya Narayanan.

Dear SrilaPrabhupada,

I am very thankful to you for the things I have learnt from you. All your books are guiding light for all of the humanity. I have immensely benefited from them.

To surrender, to be thankful for, to have gratitude for Krishna and Vaishnavas; these are the few things that I learned in the association of your devotees. I have been chanting Hare Krishna Mahamantra from last couple of years by your grace. You have given us a wonderful institution, a worldwide ISKCON. Hare Krishna Movement has really been instrumental in my spiritual growth.

I have been in many Spiritual trips with your disciples in HKM Mumbai and experiences were wonderful. And i am very much thankful.

May you always guide and bless us.

Hare Krishna!

Yours Sincerely, Bhaktin Shubhangi Pai.

Dear Srila Prabhupada,

HARE KRISHNA!

By God's grace, I had a wonderful opportunity to connect with ISKCON recently and that became a turning point to develop myself spiritually.

I started reading and understanding our most valuable religious heritage, Srimad Bhagawad Gita 'As it Is'. Your institution has given us knowledgeable spiritual guides, who make the best efforts to convey the meaning of Gita to us. They motivate us to lead a life (a karmic) for best karmic results even when we are in this materialistic society.

I thank you for your blessings on me and pray to continue showering them so that I pursue this path and enrich my soul, my family and society.

Dandvat Pranaam, Bhaktin Silky Punglia.

Dear Srila Prabhupada,

I am so thankful to you for giving us such nice books, especially Bhagwad-gita As it Is. It is due to Your Divine Grace blessings that revealed the supreme knowledge of the Supreme Lord Krishna! From last few months, I am regularly attending Bhagwad Gita classes conducted by your pristine institution Hare Krishna Movement. These classes help me to learn that, "The Absolute Truth" is "Lord Krishna".

Some points that I learned and will greatly admire in life -

1. We should perform our duties without attachment by never considered ourselves the reason or cause of results. Amongst many factors, ultimately Krishna is the cause of all causes.
2. To be detached from this materialistic world and attached to the true spirit.
3. To control the senses by regular practising to obtain mercy of the Lord.
4. To purify mind and soul by attaining absolute peace in Krishna Consciousness.

5. To become a friend with the mind by properly dealing and training the mind.

I pray for your guidance in spiritual life. Thank you for teaching me the true divinity in all the creation- Krishna who is all attractive. This helps us how to balance life and achieving everything in the presence of a proper attitude in Krishna consciousness! For becoming Krishna consciousness we should always praise and glorify the Lord by chanting His Holy name of Lord Krishna and read holy books by Your Divine Grace.

I'm thankful for all your blessings.

Yours Sincerely Bhaktin Sonali Gochhayat.

### Alarnath Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Prabhupada, Lord Krishna's glories are unlimited. Similarly, your glories are also unlimited. Nobody can fully glorify your qualities. Still, I want to try to say about you.

You are a person from the transcendental world who came into this material world to save people like us. You are as good as Krishna. If I try to say something about you, it will be like showing a lamp to the sun. If I compare you to the sun then, you are more than the sun because the sun is shining only day time but you are shining day and night always through transcendental knowledge.

You are very very merciful. If I compare you to Ganga then, you are more merciful than Ganga because Ganga flows in particular places, but your mercy flows in the whole world through spiritual knowledge. Anybody can take a bath in this spiritual knowledge and become pure. Actually, taking a bath in spiritual knowledge is more powerful than taking bath in Ganga.

Srila Prabhupada, Krishna is your property and you have the power to give Krishna's mercy to anybody. You are an eternal associate of Lord Krishna and you know who Krishna is. Therefore, you can speak about Krishna without any doubt. You are like Chaitanya Mahaprabhu, always distributing Krishna's mercy freely to everyone. You are the saviour of the whole world because you taught the whole world the real aim of life. Due to your mercy, the whole world is chanting the name of Krishna.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare*

In the present time, in the material world, nobody is a spiritual master like you who is saying I will take my disciple back home back to godhead. If anybody is accepting you as his spiritual master, then he is really fortunate in this material world. Your heart is like the ocean. Whoever may come to you, you can give Krishna Prema because Krishna is your property.

Prabhupada, by your mercy the whole world is drinking the nectar of Hare Krishna mahamantra. By your mercy Prabhupada, I am trying to serve your movement. You are my life and soul. You have saved me from so-called Guru who did not know even meaning of Guru and considers himself as good as God. There are so many so-called Gurus who have come and gone, but after some time nobody will remember them. But your glories are increasing day by day. Whatever you have given to the world within ten years, nobody has given and in future nobody can give. You have given me the highest thing the shelter of Radha Krishna, Prasadam, Devotee association, kirtan, Vedic knowledge, and many more. Prabhupada, in this age of Kali no one like you who has distributed Krishna's love to the whole world. You are a real soldier of Chaitanya Mahaprabhu. You are a real disciple of Bhaktisiddantha Saraswathi Thakur Maharaja. The whole world is grateful for your causeless mercy.

In the Bhagavatam, Bharat Maharaj is saying to King Rahugana, "unless one has the opportunity to smear his entire body with the dust of the lotus feet of great devotees, one cannot realize the Absolute Truth. One cannot realize the absolute truth simply by observing celibacy, strictly following the rules and regulations of household life, leaving home as a vanaprastha, accepting sannyasa, or undergoing severe penances. There are many other processes to understand the absolute truth, but the absolute truth is only revealed to one who has attained the mercy of a great devotee."

If we see the past time of Indra Deva, he lost his kingdom because of not giving respect to his spiritual master. In other words, due to displeasing his spiritual master, he lost his kingdom. Other side demons got the Indra Deva Kingdom because of following the order of their spiritual master.

Therefore, without the mercy of spiritual master, nobody can attain Krishna bhakti. One has to approach a pure devotee: *anyābhilāṣitā-sūnyam jñāna-karmādy-anāvṛtam* – Prabhupada, please keep me under your shelter always.

Srila Prabhupada, I am trying to follow your instructions but I am still not able to do. Prabhupada, please forgive me whatever mistakes I have done, bless me so that I am able to follow your instructions and serve Radha Krishna.

Prabhupada, I will be always grateful to you.

Your most fallen servant,

Alarnath Dasa.

ಶ್ರೀ ಭಕ್ತಿವೇದಾಂತ ಸ್ವಾಮಿ ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ ನಾನು ಮಾಡುವ ಸಾಷ್ಟಾಂಗ ಪ್ರಣಾಮಗಳು.

ನನ್ನ ಪೂಜ್ಯಗುರುಗಳಾದ ಶ್ರೀಲ ಪ್ರಭುಪಾದರೆ ನಿಮ್ಮ ಚರಣಕಮಲದ ಆಶ್ರಯ ಪಡೆದ ನಾವೇ ಧನ್ಯರು. ನಿಮ್ಮ ಚರಣ ಕಮಲದಂತೆ ಕೋಮಲ, ನಿಮ್ಮ ಹೃದಯ ಬೆಣ್ಣೆಯಂತೆ ಅದನ್ನು ಸವಿಯಲು ಭಗವಂತನಾದ ಶ್ರೀ ಕೃಷ್ಣ ಅಚಲವಾಗಿ ನೆಲೆಸಿದ್ದಾನೆ. ಇನ್ನು ನಿಮ್ಮ ಹೃದಯ ಕಮಲದಲ್ಲಿ ಅಡಗಿರುವ ಕೃಷ್ಣ ಭಕ್ತಿ ಎನ್ನುವ ರಸಾಮೃತ ಸಿಂಧುವಿನಿಂದ ಕರುಣೆ ಎಂಬ ಒಂದು ಬಿಂದು ಅಮೃತವನ್ನು ನನಗೂ ದಯಪಾಲಿಸಿ, ಪತಿತಪಾವನಳನ್ನಾಗಿಸಿದ್ದೀರಿ.

ಈ ಭವ ಸಾಗರವನ್ನು ದಾಟಲು ಭಗವಂತನ ನಾಮಸ್ಮರಣೆಯನ್ನು ಮಾಡುವಂತೆ ನಮಗೆ ದಾರಿ ತೋರಿಸಿದ್ದೀರಾ. ನಿಮ್ಮ ಕರುಣೆ ಎಂಬ ಹಡಗಿನಲ್ಲಿ ನಾನೂ ಪ್ರಯಾಣಿಸಲು ಒಂದು ಅವಕಾಶವನ್ನು ಕೊಟ್ಟು, ನನ್ನ ಈ ಜೀವನ ಸಾರ್ಥಕ ಪಡಿಸಿಕೊಳ್ಳಲು ಸಹಾಯ ಮಾಡಿದ್ದೀರಿ. ಇದಕ್ಕೆ ನಾನು ಋಣಿಯಾಗಿದ್ದೇನೆ. ಕೃಷ್ಣ ಭಕ್ತಿಯನ್ನು ಸದ್ಯಡ ಮನಸ್ಸಿನಿಂದ ಮಾಡಲು ನನಗೆ ನಿಮ್ಮ ಆಶೀರ್ವಾದದ ಅವಶ್ಯಕತೆ ಇದೆ. ಶುದ್ಧ ಭಕ್ತರ ಸಂಘ ನಮ್ಮನ್ನು ಭಗವಂತನ ಸನಿಹಕ್ಕೆ ಕರೆದುಕೊಂಡು ಹೋಗುತ್ತದೆ, ಎಂದು ನಿಮ್ಮ ಮೂಲಕ ಮನವರಿಕೆಯಾಗಿದೆ. ಭಗವಂತನ ಶುದ್ಧ ನಾಮ ಜಪಿಸಲು ನಿಮ್ಮ ಕರುಣೆಯ ಅವಶ್ಯತೆ ಇದೆ. ನೀವು ಭಗವಂತನ ದಯಾಮಯರು, ನನ್ನ ಈ ವಿನಂತಿಯನ್ನು ಪರಿಗಣಿಸುವಿರೆಂದು ನಿಮ್ಮಲ್ಲಿ ನಿವೇದಿಸಿದ್ದೇನೆ.

ನಿಮ್ಮ ಸೇವೆಯನ್ನು ಮಾಡಲು ಅಲ್ಪಸ್ವಲ್ಪ ಅವಕಾಶ ಸಿಕ್ಕಿತ್ತು, ಆದರೆ, ಈ ವರ್ಷ ಕರೋನ ಎಂಬ ವೈರಸ್ ಬಂದು ನಮ್ಮ ಸೇವಾಅವಕಾಶವನ್ನು ಕಿತ್ತುಕೊಂಡಿದೆ. ಆದರೆ ನಿಮ್ಮ ಕೃಪೆಯಿಂದ ನಿಮ್ಮ ಸಂಸ್ಥೆಗಳು ಈ ವಿಷಯದಲ್ಲಿ ನಮಗೆ ತುಂಬ ಸಹಾಯ ಮಾಡುತ್ತಿದೆ. ಭಾಗವತ ಪ್ರವಚನಗಳನ್ನು ನೇರಪ್ರಸಾರದ ಮೂಲಕ ನೀಡಿ, ನಮ್ಮ ಭಕ್ತಿಯ ಬಳ್ಳಿ ಬಾಡದಂತೆ ಆಧಾರವಾಗಿದೆ.

ಒಂದು ಒಳ್ಳೆಯ ವಿಷಯವೆಂದರೆ, ರೋಗಿಗಳು, ಸಾಮಾನ್ಯ ಜನರು ಕೂಡ ಭಗವಂತನ ಪ್ರಸಾದವನ್ನು ಪಡೆದು ಭಗವಂತನನ್ನು ನೆನೆಯಲು ಅವಕಾಶ ಮಾಡಿದೆ. ನಿಮ್ಮ ಸಂಸ್ಥೆಗಳು ಇದನ್ನು ಮಾಡಿದಾಗ ನನ್ನ ಮನಸ್ಸಿನಲ್ಲಿ ನೀವು ಬಿತ್ತಿರುವ ಈ ಭಕ್ತಿ ಬೀಜ ಗಿಡವಾಗಿ ಮರವಾಗಿ ಬೆಳೆಸಲು ಶ್ರಮಿಸುತ್ತೇನೆ. ಎಂದು ನಿಮ್ಮಲ್ಲಿ ವಿನಂತಿಸುತ್ತೇನೆ ಹಾಗೂ ನಿಮಗೆ ಚಿರಋಣಿಯಾಗಿರುತ್ತೇನೆ.

ನಿಮ್ಮ ಸೇವಕಿ,

ಭಾಗ್ಯ ಲಕ್ಷ್ಮಿ ದೇವೀ ದಾಸೀ.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet on this auspicious appearance day of yours.

All glories to Srila Prabhupada.

I pray to you to give me the wisdom to glorify you rightly. To serve your mission according to your wish is the goal of my life. Please protect me to stay with your wonderful institution ISKCON, that is your body and under the guidance of your valuable temple devotees. Because without your desire, I feel my desire is incomplete.

Dear Srila Prabhupada, since 2004 I have developed a habit of coming to the temple in the early morning. As usual, on 21st Mar 2020 we reached the temple at 5:30 AM. But we were told not to enter due to the COVID pandemic. It was a big shock to me. I don't know anything other than this temple. We returned home. But by spiritual guidance and intelligence provided by you, we became normal the same day. This is possible only because of your causeless mercy Prabhupada. The whole process is taught to us by your dear temple devotees for the last 17 years give strength to face this situation. We follow that and carry out them. I started daily changing the dress, making ornaments of my home deities and just copy the temple program regularly. We are satisfied by your mercy Prabhupada and never felt the separation of Krishna Balaram, that is your greatness Prabhupada.

How much care you have taken for your dependent is immeasurable. For this, I request your causeless mercy upon this most fallen servant and keep with you as a particle of dust in your valuable organization. Without you, we cannot attain the mercy of Sri Sri Krishna Balaram. Practically we experienced in the lockdown period Prabhupada. Nothing will give pleasure other than your protection, your affection and your care Prabhupada. And in my 50 years of life, nobody is giving me this shelter and affection Prabhupada. So "nobody is equal or greater than you" Prabhupada in my life.

Your insignificant servant,

Cinmayi Radha Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet on this auspicious occasion of your divine appearance.

*om ajñāna-timirāndhasya jñānāñjana-śalākayā*

*caḥṣur unmīlitam yena tasmai śrī-gurave namaḥ*

I was born in the darkest of ignorance and full of material lust and sense gratification. Maybe because of my previous birth's sukriti, fortunately, I could associate with your devotees. Since then, I am trying to become a follower of your divine Krishna consciousness movement.

Srila Prabhupada, you were very much eager and enthusiastic to perform the order that your spiritual master had instructed you that is to preach the message of Krishna consciousness to the Western world. For that purpose, you were preparing and translating Srimad Bhagavad-Gita and Srimad Bhagavatam to the English language. You also published Back to Godhead magazine, printed and distributed single-handed with great difficulties undergoing many hardships. And you stayed in the Radha Damodar temple where Srila Rupa Goswami's samadhi is there and prayed for the fulfilment of the order of your Gurudeva. With great difficulties, you went to America in Jaladuta cargo ship with just rupees 40 in hand at the ripe age of 70 years. In about 11 years of period, you have translated Bhagavad-Gita and Srimad Bhagavatam and many other books for the fallen jivas of this kali yuga. You have travelled 14 times all over the world and built more than a hundred Radha Krishna temples. You are the authorised representative of Sri Chaitanya Mahaprabhu to propagate the Krishna consciousness movement all over the world. Your books, lectures, conversations and teachings are always very much helpful for the fallen souls of Kali Yuga.

On this auspicious day of your divine appearance, I beg for your mercy so that I progress in devotion towards Sri Sri Radha Krishna. Please kindly give me shelter at your lotus feet and always guide me in serving and remembering Sri Krishna always.

Kindly forgive me for all my offences committed knowingly or unknowingly while executing devotional service.

Yours most insignificant servant,

Dinanath Shyama Dasa.

“ಗುರುವನ್ನು ಆಚಾರ್ಯ ಮಾಂ ವಿಜಾನೀಯಾನ್” ಎಂದು ಹೇಳಲಾಗಿದೆ. ಅಂದರೆ ಗುರುವನ್ನು ಸ್ವಯಂ ಭಗವಂತನಂತೆಯೇ ಸ್ವೀಕರಿಸಿ ಗೌರವಿಸ ಬೇಕು ಎಂದು ದೇವೋತ್ತಮ ಪುರುಷನೇ ಹೇಳುತ್ತಾನೆ.

ಪ್ರಭುಪಾದ ನಿಜವಾಗಿಯು ನಿಮಂತಹ ಮಹತ್ಕಾರನ್ನು ಗುರುಗಳಾಗಿ ಪಡೆದಿರುವುದು ನನ್ನ ಭಗ್ಯವೆ ಸರಿ ಆದ್ದರಿಂದ ನನ್ನ ಭಕ್ತಿ ಸೇವೆಯನ್ನು ಮುಂದುವರೆಸಲು ನನ್ನಿಂದಾದ ಅಪರಾಧಗಳನ್ನು ಮನ್ನಿಸಿ ನಿಮ್ಮ ಸೇವಕನ ಸೇವನಾಗಿರಲು ಅವಕಾಶವನ್ನು ಕೊಡಿರೆಂದು ಧಿನನಾಗಿ ನಿಮ್ಮ ಪಾದಕಮಲಗಳಲ್ಲಿ ಬೇಡುವೆನು.

ಇಂತಿ ನಿಮ್ಮ ದಾಸರ ದಾಸ,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you!

*om ajñāna-timirāndhasya jñānāñjana-śalākayā*

*caḥṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

Prabhupada, Sri Brahma-samhita states:

*panthās tu koṭi-śata-vatsara-sampragamyo*

*vāyor athāpi manaso muni-puṅgavānām*

which means the jnana and dhyana yogis after performing the severe austerities and meditation for thousands of millions of years, may then be able to approach only the tip of the toe of the Lord. If we reflect on the literal meaning of this verse stating a meditation for thousands of millions of years, it's really an eye-opening fact as compared to the lifestyle you have designed for the devotees in ISKCON which is merely an only one-lifetime process. And that one lifetime also does not contain any severe austerities as much the jnana and dhyana yogis have to take up. Getting up during Brahma muhurta, attending a melodious Mangala aarti, chanting the Hare Krishna maha-mantra, beautiful darshan aarti, guru puja, kirtan and dancing, Bhagavatam class and then delicious maha-prasadam. And afterwards, you have strategised attractive services for the day suiting to modern minds. There is no austerity involved in this. And you promise us that if we repeat this for our life, you will take us back to Godhead. This is really a very much compassionate and mastermind process.

Prabhupada, during darshan aarti we sing,

*śrī-kṛṣṇa-caitanya prabhu doyā koro more*

*tomā binā ke doyālu jagat-saṁsāre*

which means “O Lord Chaitanya! Please be merciful unto me. Who else can be there more merciful than you in this universe?” Again if we reflect on this phrase also, it contains a great meaning that Chaitanya Mahaprabhu is the most merciful incarnation among all incarnations because he is freely distributing Krishna’s love to the souls of kali yuga. But I came across a pastime in which Lord Chaitanya rejected Chhota Haridasa because he glanced on a woman lustfully, just once. But Prabhupada, in your pranam mantra we recite” paschatya-desa-tarine” which means that though we are dipped with such lusty thoughts, you are delivering the souls in the western countries (as well as in the eastern also) by accepting our services and purifying us. So, Prabhupada, I think that it is Your Divine Grace only who is even more merciful than Chaitanya Mahaprabhu.

Prabhupada, I want to thank you for everything you have given and done in my life. But due to my free will only, I am not fully utilizing this opportunity along with committing devotee offences. Kindly forgive me for that and please bless me that I may serve you for rest of all my breaths.

Yours aspiring-to-be-servant,

Hiranya Varna Dasa.

नमस्ते सारस्वते देवे गौरवाणी प्राचारिणे | निर्विशेष शुन्यवादी पाश्चात्य देश तारिणे ॥

मेरे प्रिय गुरुदेव श्रील प्रभुपाद जी,

मैं सर्वप्रथम अपने आराध्यदेव परम पूज्य गुरु कृष्णकृपामूर्ति श्री श्रीमद् ए. सी. भक्तिवेदांत स्वामी श्रील प्रभुपाद जी के चरणकमलों में कोटि-कोटि दंडवत प्रणाम करता हूँ। साथ ही सभी वैष्णव भक्तों को भी मेरा दंडवत प्रणाम। यह दिव्य शब्द ‘प्रभुपाद’ की व्याख्या करना मानव समाज के लिए असम्भव है। फिर भी जिस किसी व्यक्ति को ‘प्रभुपाद’ शब्द पर दृढ़ श्रद्धा उत्पन्न हुआ, उस जीवात्मा का मनुष्य जीवन सार्थक हो गया। हे मेरे प्राण नाथ गुरुदेव श्रील प्रभुपाद

इस भौतिक जगत के बद्धजीवों का उद्धार करने के लिए गोलोक वृंदावन धाम से इस धरा धाम पर भगवद इच्छा की पूर्ति के लिए अवतरित हुए। प्रभुपाद जी की जीवन शैली अति सरल है। अपने गुरु के वचन और शास्त्रों की वाणी को सत्य करने के लिए 70 वर्ष की वृद्धावस्था की परवाह किए वगैर पाश्चात्य देशों का भ्रमण किया। जीवन में बहुत सारी कठिनाईयों को सहन करते हुए प्रभुपाद जी समस्त मानव जाति को वेदों के सार, सरल, प्रमाणिक और दिव्य रूप में प्रदान किया। प्रमाणिक गुरु होने के कारण प्रभुपाद जी त्रिकालज्ञ है। मानव समाज की परेशानियों (दुखों) को देखते हुए उन्होंने भक्ति तत्व को सरल बनाने हेतु इस्कान की स्थापना की। आज करोड़ों व्यक्ति कृष्णभावनामृत का लाभ उठा रहे हैं।

प्रभुपाद जी के चरण कमल का आश्रय ग्रहण करने से ही हमारे अंदर भगवद प्रेम उत्पन्न होगा। महान भक्त भागवद होने के कारण आपके चरण कमल का दर्शन समस्त तीर्थ स्थानों का भ्रमण करने का फल प्रदान करता है। जिस प्रकार आत्मा के वगैर पदार्थ बढ़ना बंद कर देता है उसी प्रकार संसारी व्यक्ति को इस जगत में भौतिक या अध्यात्मिक उन्नति के लिए आत्मा रूपी आप जैसे गुरु का होना अति आवश्यक है। आप कृपा सिन्धु हैं, दयानिधि हैं, पतित पावन हैं, वर देने में कल्प वृक्ष के समान हैं। आपकी असीम करुणा के कारण ही आज सारा संसार भगवान से अभिन्न भगवन का पवित्र नाम का श्रवण और कीर्तन श्रद्धा पूर्वक कर रहा है। इन महान कीर्ति के लिए सारा संसार आपका कोटि-कोटि जन्मों तक ऋणी है। इस महान दिव्य कार्य - भगवद-भक्ति को सारे संसार में फैलाने के कारण आपका नाम सूर्य और चन्द्रमा रहने तक रहेगा। हे मेरे गुरु, मैं मन से, वाणी से तथा कार्यो से आपको प्रसन्न करना चाहता हूँ। मैं आपके दोनों चरण कमल को अपने सिर पर धारण करना चाहता हूँ। मैं आपका दास बनने की कोशिश कर रहा हूँ लेकिन वास्तविक में मेरे अन्दर में कोई योग्यता नहीं है। इसलिए मैं आपसे कोटि-कोटि बार विनम्र होकर आपके चरण कमलों से कृपा बल की याचना कर रहा हूँ। आपकी अंश मात्र कृपा से करोड़ों-करोड़ों बद्ध आत्माओं का कल्याण हुआ है। आप अपनी कृपा दृष्टि हम पर भी डालें। और मैं आपको वचन देता हूँ कि आप जिस स्थिति में मुझे रखें, मैं आपके चरण कमल का आश्रय छोड़कर कहीं नहीं जाऊंगा। जय प्रभुपाद।

आपके चरण कमलों का विनीत दास

I took shelter at your lotus feet 20 years ago. Since then, I am living peacefully. Sometimes I too get agitated by the circumstances. But by your kind grace, I could step over from all those struggles and impediments.

You are not only my Guru but my mother and father as well. You know everything about me that I am a fallen soul. In spite of that, you are putting me in the right path, whenever I am deviating from it.

I want to ask you one benediction. Please bless me with your causeless mercy, so that I would become a sincere devotee and do devotional service to Supreme Lord Sri Krishna and Supreme Mother Sri Radha, following in your footsteps.

With this faith and support that you are always there for me, I am able to continue taking further steps positively in Krishna consciousness. Kindly help me to solidify my own spiritual life and got me more grounded and approach things from the spiritual platform and show me the light, the path that leads to 'mukthi' from this material world.

Thanks for your kindness. In future also I beg you to make me righteous and obedient servitor. Unconditional sharanagathi to your lotus feet.

Hare Krishna! Hare Krishna!

Your servant,

Kamalakshi Devi Dasi.

## Mahaprabhu Gauranga Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. On this most auspicious day of your Divine Grace appearance, I would like to take the opportunity to glorify a few of Your transcendental qualities. Just as even Anantha Deva with his unlimited mouths could not complete the glorification of the transcendental qualities of Lord Krishna since time immemorial, similarly, no one can fully describe your transcendental qualities. Because you are the most beloved devotee of Lord Krishna and you are very dear to Him, Lord Krishna becomes very pleased when someone glorifies you.

It was you who presented the Bhagavad-Gita As It Is. By presenting the most important Vedic literature as it is, you saved the whole world from the dangerous Mayavada philosophers, who twisted the complete meaning of Bhagavad-Gita according to their own whims. This is your most significant contribution to humanity. You never compromised in presenting the truth as it is though common people are not willing to accept it.

Dear Srila Prabhupada,

Your compassion for the living entities cannot be simply described by our limited words. You are the reservoir of compassion for all fallen souls who are rotting in this world. You never had any discrimination among anyone based on their caste or creed. You treated all your disciples equally irrespective of their gender and material qualifications.

You struggled very hard to build the Juhu temple in Mumbai. The first struggle was to get the land, the next struggle was to get permission to build the temple, and the last struggle was to actually build the temple and install the Deities. The order of the municipality is to make a road to access the temple should have a certain width. For that, devotees had to cut some palm trees that were on the pathway to the temple. Once, when you went to the temple, you noticed that one or two of the palm trees had been cut down and you were really upset. You asked, "*Why did you cut down the trees?*" devotees answered: we had to get permission to build the temple. But you said, "*No. You go to the municipality and tell them it is against our religion to cut down trees.*" It shows how much you have concern even for trees then what to speak of us.

One of your disciples shared his experience:

**Soma:** On a morning walk in New Vrindavan we had some kshatriyas who were supposed to be protectors of the devotees and one of them asked Srila Prabhupada if it was all right to kill some of the rabbits and groundhogs because they were eating the produce in Krishna's garden. "*They are stealing from the Deities and the devotees. Is it all right if we kill them?*" Prabhupada was disturbed. He said, "*No. You should grow enough so that they can eat too.*" He was visibly very concerned that they should not be killed.

From this incident, we can see how much you care for other living entities. The way you care for devotees' health issues, mental and spiritual issues is unparalleled in history. It is so touching. Please bless us to develop these qualities a little bit so that we can also render little service to all living entities.

Dear Srila Prabhupada,

You have taken a lot of risks to deliver the fallen souls. When a spiritual master accepts disciples, he accepts all their bad karma also. Though you know very well that your disciples cannot strictly follow the regulative principles. Nonetheless, you have given them shelter at your lotus feet so that they can gradually get purified by engaging in the service of the lord. You had to undergo a lot of bodily pain due to their negligence in following the regulative principles. You never rejected anyone who approached you despite their bad qualities. You tolerated all their offensive attitude and uncultured lifestyle. Though you were more than 70 years old, you would alone make more than 70 Chapatis to feed those who come for Bhagavad-Gita class. You never allowed anyone to go without prasadam. You started this great Krishna Consciousness Movement with all difficulties in your advanced age. That is your greatness and kindness. This shows how much compassion you have for all of us. Please bless me that I may strictly follow the regulative principles and take pleasure in chanting the holy names of the Lord without any offense.

Dear Srila Prabhupada,

Though I underwent some critical phases in my life, by your grace, I could sustain in your movement. Though I accept everything positively, my mind makes a small problem into a big mountain often. I keep getting disturbed due to this. Please bless me that I may overcome all mental problems and become steady in my spiritual life and serve my spiritual authorities nicely and become a small instrument in serving your mission until my last breath.

Dear Srila Prabhupada,

I beg you to kindly forgive me for all the offenses that I might have committed against your disciples knowingly or unknowingly.

Your insignificant servant,

Mahaprabhu Gauranga Dasa.

## Mahapurana Dasa

---

My dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

124 years ago, on this auspicious day, your divine grace made an appearance by the call of Srila Bhaktisiddhanta Saraswati Thakur at Kolkata, as a son of Sri Goura Mohan De.

*sākṣād-dharitvena samasta-śāstrair, uktas tathā bhāvyata eva sadbhiḥ*

*kintu prabhor yaḥ priya eva tasya, vande guroḥ śrī-caraṇāravindam*

*"In the revealed scriptures it is declared that the spiritual master should be worshiped like the Supreme Personality of Godhead, and this injunction is obeyed by pure devotees of the Lord. The spiritual master is the most confidential servant of the Lord. Thus, let us offer our respectful obeisances unto the lotus feet of our spiritual master."*

Srila Prabhupada, on this most auspicious occasion of Vyasa puja, I would like to recollect and remember regarding the statements of the Guru Tattva which you offered during Vyasa puja homage to your spiritual master Srila Bhaktisiddhanta Saraswati Thakura.

You mentioned as follows:

When we speak of the fundamental principle of Gurudeva, or ācāryadeva, we speak of something that is of universal application. There does not arise any question of discriminating my guru from yours or anyone else's. There is only one guru, who appears in an infinity of forms to teach you, me, and all others.

The guru, or ācāryadeva, as we learn from the bonafide scriptures, delivers the message of the absolute world, the transcendental abode of the Absolute Personality, where everything non-differentially serves the Absolute Truth.

*mahājano yena gataḥ sa panthāḥ*

If we scrutinizingly study this proposition, we understand that the mahājana is one, and the royal road to the transcendental world is also one.

*tad vijñānārthaḥ sa gurum eva abhigacchet*

*samit-pāṇiḥ śrotriyaṁ brahma-niṣṭham*

"In order to learn the transcendental science, one must approach the bonafide spiritual master in disciplic succession, who is fixed in the Absolute Truth."

Thus it has been enjoined herewith that in order to receive that transcendental knowledge, one must approach the guru. Therefore, if the Absolute Truth is one, about which we think there is no difference of opinion, the guru also cannot be two.

*ācāryaṁ mām vijānīyān, nāvamanyeta karhicit*

*na martya-buddhyāsūyeta, sarva-devamayo guruḥ*

"One should understand the spiritual master to be as good as I am," said the Blessed Lord. "Nobody should be jealous of the spiritual master or think of him as an ordinary man because the spiritual master is the sum total of all demigods."

That is, the ācārya has been identified with God Himself. He has nothing to do with the affairs of this mundane world. He does not descend here to meddle with the affairs of temporary necessities but to deliver the fallen, conditioned souls or entities, who have come here to the material world with a motive of enjoyment by the mind and the five organs of sense perception. He appears before us to reveal the light of the Vedas and to bestow upon us the blessings of full-fledged freedom, after which we should hanker at every step of our life's journey.

The knowledge that we receive from our Gurudeva is not different from that imparted by God Himself and the succession of the ācāryas in the preceptorial line of Brahmā. We adore this auspicious day as Śrī Vyāsa-pūjā-tithi because the Ācārya is the living representative of Vyāsadeva, the divine compiler of the Vedas, the Purāṇas, the Bhagavad-gītā, the Mahābhārata, and the Śrīmad-Bhāgavatam.

Importance of accepting a genuine spiritual master

One person asked you during an occasion on who is a genuine Guru? and how will I know who is the genuine guru? For which you answered:

*"Just find out the one who is most addicted to Krishna. He is genuine".*

Srila Prabhupada, you are so kind upon this useless soul. But I guess you have some reason. Otherwise why would have accepted this insignificant soul as your disciple. Most of the time I am covered by the material modes of ignorance and passion. Being absorbed in material consciousness, I have no taste for the transcendental message of Krishna. I do not

know when I will be able to overcome it. But I know that your causeless mercy, everything is possible because you are the most expert mystic like lord Krishna in the matter of being compassionate to others, especially for condition souls like me.

Every religion has its own saints, but all saints share one transcendental spiritual quality: compassion, that is there with you always. A Vaishnava always feels compassion for others' distress. He is very afflicted by the miseries of others.

Srila Prabhupada, you are the real Jagad nama pracharak acharya of the entire universe.

Srila Prabhupada, please take me out of the snake pit of seeking self-importance and self-praise. Let me not expect respect but always be ready to give respect to everyone.

Srila Prabhupada, I beg forgiveness for my offenses at your lotus feet and all Vaishnavas. Without your forgiveness, I have no hope.

Srila Prabhupada, please engage me in your service constantly without diverting to anything else.

Your insignificant servant,

Mahapurana Dasa.

## Manamohana Krishna Dasa

---

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet.

Dear Srila Prabhupada,

Is it because of the management or organizational odds, that my life became unorganized? Or is it because of my offenses or false ego that my mind became delusional? Or is it my karma or Maya's test at its best to put me away from Krishna's sight? Delving in such self-centered thoughts had only made me a fool and dragged me deeper into this material ocean. There are things that cannot be undone and there are things that are better left unsaid of me and my life.

Amidst my material griefs, it is your spiritual insights and wisdom that gave me hope and made me more than just a human being. Your nectar-like instructions emanated from your lotus lips made me and millions around the world Krishna Conscious. If there's a miracle in my life I can ever talk of is your causeless mercy of accepting me as your disciple. It gave me and all of us an ultimate purpose in life, to raise ourselves from the passion & pleasure of the self to performance of devotional service to Guru & Gauranga.

You gave us the topmost philosophy for Self-realization. But instead, I use it to conceal my inebrieties by philosophical justifications and excuses. And every time I fall down from your grace, you continue to pick me up and shower your unlimited blessings. You always gave me another chance to continue to serve you and Krishna, though I am no way eligible.

My free will is what keeps me away from serving you & attaining Lord Krishna's lotus feet. You brought us the ocean of love, but I still drown in the ocean of faults. I lost my determination, I lost my dedication and my free will is all that I blame. I pray and beg at your lotus feet to destroy my free will and dictate me within so that I become mindful, and my life becomes meaningful by absorption of devotional service.

You established the truth that beyond this biological body and psychological mind, we are spirit souls. And that the constitution of the spirit soul is to serve the absolute truth, the Supreme Personality of Godhead Sri Krishna.

In history, many legions have come and fallen but your legacy to liberate the fallen souls will endure forever. You gave us Krishna Conscious that will ultimately raise us from material misery to spiritual victory.

But I still live in disgrace because I have yet to learn, to love His Divine Grace.

Your Insignificant Disciple,

Manamohana Krishna Dasa.

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale śrīmate bhaktivedānta-svāmin iti nāmine*

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe nirviṣeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

"I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda, my spiritual master who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhānta Sarasvatī Gosvāmī. You are kindly preaching the message of Lord Caitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism. "

Dear Srila Prabhupada,

On this auspicious day of your Vyasa Puja, again and again, I offer my humble obeisances unto your lotus feet.

Very frankly I submit that today I am a human being just by you and only your mercy towards this poor soul Narakesari Dasa. Even though I have absolutely no qualification to be called a human being, by giving me Harinama Initiation, you have converted this poor animal into a meaningful human, just like a piece of iron becomes gold by the touch of Chintamani.

Even though my mind was closed in the initial opportune moments when our Temple President Sri Madhu Pandit Das Prabhu invited me personally to visit the ISKCON temple, I was really hesitant. To be very frank, during the period 1987-88, on several occasions I used to avoid meeting him because I was so conditioned that God Consciousness was distasteful during those days. I was fully absorbed in how to establish myself in this material world.

As time passed, fortunately, some of your humble servants used to visit me quite often and started preaching me about Bhagavad-Gita As It Is and I also started accepting whatever is given there is true and it was a real eye-opener. I think this is the first time I have come across someone preaching me with reference to some books. It was really astonishing the way your good self has presented spiritual subject matter so precisely and correctly. This is my turning point in my life. I became a member of this esteemed organization and started developing interest and attend the temple regularly on Sunday mornings and festival days. Also, fortunately, started doing Chamara seva for you; my dear Srila Prabhupada.

As time passed, I was very fortunate to do some sevas and attend pilgrimages and to my surprises, I also got initiated by you with the new name Narakesari Dasa. This I consider my greatest wealth or asset what I possess today. With this my life became meaningful.

Earlier, I was not aware of who is Krishna, Balarama, Radha Rani, Panchatattva, spirit and matter, Gopi chandan, Chanting maha mantra, Spiritual literatures, etc., I was just thinking that spirituality is meant only for the priests in the temple.

For me just by visiting any temple and taking arathi and prasada, I am doing great pious activity. After coming in contact with this ISKCON organization, I could see a whole lot of hidden treasure-house of spirituality. All because of your mercy, dear Srila Prabhupada. Not only me but millions of poor souls like me all over the world, you have converted animalistic people into human beings and given a chance to return to our original spiritual abode and get rid of this repeated cycle of birth and death.

Dear Srila Prabhupada, You are very freely distributing pure love of Krishna to the whole world. You are not just a spiritual master but also as the representative of the Supreme Personality of Godhead. You are undoubtedly the external manifestation of Krishna.

Srila Prabhupada, you are the representative of the Supreme Personality of Godhead, and by serving you, we are able to serve all the demigods.

I, therefore, prostrate myself unto the dust of the lotus feet of His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda and pray to him with all the humility at my command to fully engage my body, mind, words, and me, soul, in His transcendental loving service to his satisfaction.

*yasya prasādād bhagavat-prasādo, yasyāprasādānna-gatiḥ kuto 'pi.*

By the mercy of the spiritual master one is benefited by the mercy of Krishna.

You are such a pure devotee and act like a touchstone that your contact can turn any dumb person like me into a lover of Krishna. This is the greatest gift that can be given to anyone. Therefore, I constantly pray for your mercy and worship as Krishna Himself with all due respect and attention.

May be millions of lifetimes I have not done great tapasya, but somehow, I got initiated by you in this lifetime and I should not waste it. At any cost, I should make this life my last life to go back to our eternal home and constantly enjoy your association in serving Sri Sri Radha and Krishna.

Hare Krishna,

Your eternal humble servant,

Narakesari Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to your divine grace.

I was born in the darkest ignorance and you have opened my eyes with the torch of knowledge. I offer my respectful obeisances unto you.

Please keep me engaged in your eternal service life after life. Never let me forget your lotus feet and let me be connected with you eternally as I wander through this material world due to my misdeeds from innumerable lifetimes in the past. I want to serve you. I want to work for you. Please keep me busy in your service and bless me to become a pure devotee of Krishna who can actually accomplish something for your satisfaction.

Srila Prabhupada, Your glance is required for me to advance any further towards Krishna. Please take charge of my life and awaken unflinching determination in me. Please provide me with the strength & intelligence to follow your authority under all circumstances.

Dear Prabhupada, please bless and forgive me for my offenses which I have committed at your lotus feet. And give me the strength to follow your orders and distribute your transcendental books and preach your message as much as possible. This is the only way to enlighten all living entities in this material world for all the time and to practice Krishna consciousness.

My spiritual master, you are the ocean of mercy, the friend of poor and the Lord and Master of the devotees. O, Master! Be merciful unto me and Give me the shade of your lotus feet.

Your humble servant,

Padmadhara Dasa.

*nama om vishnu padaya krishna preshtaya bhutale shrimate bhaktivedanta swamin iti namine*

*namaste saraswate deve gaura vani pracharine nirvishesha shunya vadi pascatyadesha tarine*

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Srila Prabhupada, your preaching of Krishna consciousness is unprecedented. Half a century before no one would have imagined that thousands of Westerners and even Indians would embrace Krishna consciousness so much so that they would dedicate their lives entirely for the service of Lord Krishna. At those times, some devotees were suspecting Lord Chaitanya's

prediction “*pr̥thivīte āche yata nagarādi grāma sarvatra pracāra haibe mora nāma*” – that Krishna consciousness will be spread all over the world. They had diminutively thought that “all over the world” could only mean “all over the Bengal area”. You being the empowered servant of Lord Chaitanya made this prediction true.

In Srimad Bhagavatam, it is said that a conditioned soul in the predicament of lying in the womb of the mother, prays to the Supreme Lord to release him from such a miserable condition. The living entity promises that he will not again forget that Lord, once it comes out of the womb. All of us, the conditioned souls have made this promise. But we have forgotten. Although the Vedic scriptures remind us of this promise, who would take care to read these scriptures in this modern age of machines and take it seriously to heart. Had it not been for you, we would have never learned about this promise. It is just like one friend reminding the other of his forgotten promise. You have not only reminded us of this promise, but you are the only way to fulfilling this promise to the Lord.

Srila Prabhupada, although you are not physically present with us now you are still acting through your instructions & your dear sincere disciples. You are infinitely compassionate. But I have so far been indept in recognizing your mercy. Please forgive me & bestow me the strength to overcome offenses. Please shine your mercy on me so that I can chant the holy name soulfully.

Your aspiring & insignificant servant,

Pavanaprana Dasa.

Dear Srila Prabhupada,

On the occasion of this auspicious Vyasa Puja, my prayers at your lotus feet.

Gurudev, you are krupa bindu and karuna sindu. You have unlimited qualities. My only hope to cross over this material suffering is your lotus feet. If not for your krupa and karuna, a person so fallen as myself, could not come to this movement of yours.

In a morning walk lecture of yours, I have heard you say that there is no plant in the creation which is not of any use and Krishna's creation is always perfect. But myself is not of any use. I am not good at anything. How is it that your causeless merciful eyes fell on an insignificant atom-like me. You are a true ocean of mercy. Only because of your blessings, all this is happening.

I didn't know what is Bhagavad-Gita or anything regarding devotion. You just brought me into this movement.

Thank you, dear Prabhupada. Please keep me always as your servant. Never leave your lotus feet no matter what happens.

Your most fallen disciple,

Pavithra Roopa Devi Dasi.

## Praghosha Krishna Dasa

My ever well-wisher Srila Prabhupāda,

Please accept my respectful and humble obeisances at the dust of your divine lotus feet on this joyous auspicious occasion of your Vyasa puja. It is highly impossible for a neophyte like me to understand or glorify the name, fame, qualities, and activities of your divine self, but duty-bound, I seek the permission and blessings of your devotees in this frail attempt.

Srila Prabhupada, quoting Srila Vishwanatha Cakravarti Thakura, you wrote that the non-devotees are ghostlike as they have no respect for the pure devotees and therefore the Lord never accepts any offerings by such impure ghosts. Continuing you wrote that the first step in devotional service to Lord Krishna is therefore to be a servant of a pure devotee and fulfilling this condition is the actual purport of the statement “reception of the dust of the lotus feet of a pure devotee.”

Quoting Jada Bharata, Srila Prabhupada, you wrote that the perfectional stage of devotional life is never attained by austerity, by the Vedic worshipping process, by acceptance of renounced order of life, by discharge of duties of household life, by chanting of Vedic hymns, or by performance of penances in hot sun or within cold water. But this perfectional stage is obtained only when one is blessed by the dust of the lotus feet of pure devotees of the Lord. This is so because Lord Sri Krishna is the property of His pure unconditional devotees and as such only the pure devotees can deliver Krishna bhakti to another devotee. Therefore, as Lord Himself as Sri Chaitanya Mahaprabhu taught, one should serve a pure devotee spiritual master to attain bhakti to Sri Krishna and not try to serve the Lord directly. By trying to please the servants of the Lord's servants, the Lord becomes pleased and only then can one relish the prasadam offered to the Lord. Therefore, the conclusion is that one should be more serious about seeking the mercy of a pure devotee than that of the Lord directly.

The instructions of a pure devotee spiritual master being nondifferent than the dust of his lotus feet, being blessed by the dust of lotus feet of spiritual master means to take his instructions as one's life and soul. Thus, if the disciple does not develop attraction to such instructions imparted through books, lectures, etc., then one's effort becomes wasted labour only. Srila Prabhupada, thus I beg from you for this blessing of spontaneous attraction to your words and sincere determination to follow the same without any tinge of pride, arrogance, duplicity, lamentation or illusion.

Srila Prabhupada, your vision and the tasks that you accomplished during very short periods though seemingly impossible, seem to be effortless. Whereas whatever I try in my various attempts to serve you or your mission seem an uphill task. Maybe this is because I lack the sincerity in approach that you personified in your life. Srila Prabhupada, I beg from you for a drop of this sincerity to please you in my services too.

Srila Prabhupada, even during these difficult times of pandemic, one thing that is certain is service to your mission in the association of your devotees because in such association one gets to progress quickly through necessary directions and also corrections. Therefore, I eagerly seek from you for this blessing too of continued service in a cooperative mood without any prejudice from my side.

Thanking you,

Your aspiring-to-be-sincere servant,

Praghosha Krishna Dasa.

Dear Srila Prabhupada,

I offer my humble obeisances unto the dust of your lotus feet.

All Glories to you on this occasion of your 124<sup>th</sup> appearance day, the 13<sup>th</sup> day of August 2020.

You are the 32<sup>nd</sup> Acharya in disciplic succession, after Sri Vyasadeva. You are the most important Acharya in the entire world and a bonafide Spiritual Master. You are empowered by Sri Chaitanya Mahaprabhu to preach Krishna consciousness to the Western world.

You are so kind that you were persistently preaching Krishna consciousness to those who were in ignorance and inwardly blind. Lord Krishna is merciful. But you are more merciful and compassionate. You have translated Srimad Bhagavatam & Bhagavad-Gita in simple English language with purports to every shloka. By reading or hearing Srimad Bhagavatam or Bhagavad-Gita, one's heart gets purified, and fallen souls get delivered. It is a miraculous gift from you. You have enlightened the entire world which was in the well of darkness.

I am serving your organization by doing some menial service assigned to me. I regularly read your books and chant 20 Rounds of Hare Krishna Maha Mantra. I find drastic changes in my personal life after coming in contact with you. Although you have disappeared from our vision, you are continuously instructing me through your books and lectures.

I have no words to express my gratitude to you. Please accept my gratitude and love. I ever remain indebted to you. My heartfelt obeisances unto your lotus feet.

Your humble and insignificant servant of the servant,

Raghu Vamsha Dasa.

I was born in the darkness of ignorance, and my spiritual master opened my eyes with the torchlight of knowledge. I offer my respectful obeisances unto him.

By Lord Krishna's mercy, I have come in touch with Your Divine Grace through your temples, lectures, conversations, books, and devotees. I am forever grateful to you for teaching us who we are, what is the purpose of life, who is Krishna &

and what is our relationship with Him. I am indebted to you for opening my eyes and giving me the knowledge without which I would be lurking in the darkness. Through your exemplary life and teachings, you presented the process of Bhakti without diluting the core principles in such a way that a fallen person like me could take up to the process.

Your Divine Grace has also instructed us on how to remember Krishna constantly by chanting His holy name. *yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi* "By the mercy of the spiritual master one is benedicted by the mercy of Lord Krishna. Without the grace of the spiritual master, one cannot make any advancement." It is only through your grace that we can cross over this material existence and attain Krishna.

I beg for your mercy so that I can follow the path you have shown and remain Krishna conscious till the last breath of my life. Due to the causeless mercy and compassion of your divine grace and association of Vaishnavas, I have been able to cross hurdles, overcome reversals, and face challenges in my life and still continue with my devotional practice. I beg forgiveness for my innumerable offenses against you and other Vaishnavas and seek your mercy to remain under the shelter of your lotus feet.

On this auspicious day of your Vyasa puja, I sincerely pray that you engage me in your service birth after birth.

Dear Srila Prabhupada,

All glories to Srila Prabhupada.

I am offering my humble obeisances unto your lotus feet on this auspicious day of your appearance.

Dear Srila Prabhupada, please give me the right intelligence to glorify you.

I have realized that nobody is equal to or greater than you. I would like to be an atom of dust in your institution. To serve your mission is the goal of my life. A life without serving your mission is useless.

Dear Srila Prabhupada, since 2004, we made a habit of coming to Nava Vrindavan temple in the early morning, bringing some garlands for the lotus feet. In the temple, we used to pluck flowers, Tulasi and make bouquets, ear studs, small garland, etc attend darshan Arathi, Srimad Bhagavatam class, and, home. This was happening irrespective of rain, winter, or any condition.

As usual on Mar 21st morning around 5:15 Hrs, we arrived at the temple gate. To our surprise, the security guard refused to allow us inside. After explaining about the garlands that we carried, he allowed us. We were told by the authorities about the lockdown. We submitted the garlands and returned home with a shock.

By your causeless mercy & intelligence provided by you, we became normal the same day. We started utilizing this opportunity to make the wonderful dressing, garlands to our home deities (Laddu Gopala) and performing mangala arathi, darshana arathi, offering prasadam, while making garlands chanting Sri Narasimha Kavacham eleven times. On top of it, we started reading Chaitanya Charitamrita regularly. Almost 90% of the reading is done. None of the days we had a feeling of separation from you, Sri Sri Krishna Balarama.

The lockdown experience of serving the Lord is very much pleasurable Prabhupada.

Dear Srila Prabhupada, all these activities and not forgetting Sri Krishna is happening just by Your causeless mercy. Please bless us to continue to do the devotional service even in a much more worst condition also.

Thank you, Prabhupada. Please forgive me if I am doing any offenses at your lotus feet.

Your insignificant servant,

Ramapathi Dasa.

## Rasika Shekara Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances on this most sacred and auspicious appearance day of your divine grace.

This material world was created by Supreme Lord Krishna with an intention to give chance for the conditioned souls, who have turned away from His pure devotion, to reform themselves and once again join the family of the Lord by voluntarily accepting the path of Bhakti. Out of sheer compassion for the fallen children, the Lord taking the responsibility of a loving father descends to this mortal world, again and again, to teach the path of pure devotion in a simple way for all to embrace happily and return back to the spiritual world, where we eternally belong. Despite repeated appearance and help lent by the Supreme Lord personally, the living entities being victimized by the spell of illusion reject such offers and tend to give more pain to the Lord, our loving father. Understanding the grief of the Lord and to give relief to Him, few of His most confidential servants descend to this material world and strive to reform His lost children by teaching the principles of pure devotion and kindle their hearts with love for Krishna.

Hence such pure devotees, who leave the spiritual world and live here among the mortal beings for doing the highest welfare to mankind by imparting transcendental knowledge and guiding them to return back to their spiritual home, Goloka, are highly glorified in the Vedic literatures.

*janasya kṣṇād vimukhasya daivād, adharmā-śīlasya suduḥkhitasya  
anugrahāyeha caranti nūnam, bhūtāni bhavyāni janārdanasya*

### TRANSLATION

*O my lord, great philanthropic souls travel on the earth on behalf of the Supreme Personality of Godhead to show compassion to the fallen souls who are averse to the sense of subordination to the Lord. (S.B.3.5.3)*

Srila Prabhupada, you being a most confidential servant of Lord Krishna, belonging to the Brahma Madhwa Gaudiya Vaishnava parampara stemming from Lord Krishna Himself, descended to this material world and walked among the mortal beings striving for the spiritual wellbeing of the fallen souls by giving the sacred knowledge of Lord Krishna and Sri Chaitanya Mahaprabhu as presented in the holy texts of Srimad Bhagavad-Gita, Srimad Bhagavatam, and Sri Chaitanya Charitamrutha.

On Sunday, March 6, 1966, you spent the day alone in your room reflecting on your then present situation and expressed your inner thoughts in a diary as follows:

*“According to Mayapur Panjika, today is Adhivas day of Gaura Purnima. Devotees at Vrindavan and Navadvip are enjoying the celebration. I am here alone without any devotee companion. But I have come here to serve the Lord and not for personal happiness. I am prepared to live in hell even, if I am able to serve the Lord. Śrī Caitanya Mahāprabhu wanted that His mission should be propagated all over the world and that is my objective. I do not mind the inconvenience personally felt.”*

This true inner feelings of yours to mitigate our sufferings and your deep yearning to serve Lord Sri Chaitanya Mahaprabhu's desire, depict your transcendental position of being an empowered representative directly sent by the Supreme Lord, as an Acharya to establish His mission in this age of Kali.

In fact, Kali Yuga, the dark age, has engulfed the real intelligence of the human race and time and again making them bereft of the opportunity to reform themselves by creating many allurements of false hopes through technological innovations to lead an independent selfish life of enjoyment in this temporary material world. The current pandemic is a result of such foolishness of mankind. Human beings with their limited intelligence are struggling very hard finding a breakthrough though they are getting baffled every time in their futile attempts to lead a miserable free life in the world of miseries. Noting the continuous sufferings of the living entities in the age of Kali, Srila Vyasadeva, the literary incarnation of the Supreme

Lord, compiled Srimad Bhagavatam as a ray of hope for those who want to escape from the slaughterhouse of material world.

*anarthopaśamaṁ sākṣād, bhakti-yogam adhokṣaje  
lokasyājānato vidvānś, cakre sāvata-samhitām*

#### TRANSLATION

*The material miseries of the living entity, which are superfluous to him, can be directly mitigated by the linking process of devotional service. But the mass of people do not know this, and therefore the learned Vyāsadeva compiled this Vedic literature, which is in relation to the Supreme Truth. (S.B.1.7.6)*

Srila Prabhupada, just like Vyasadeva seeing the people of Kali-yuga wrote Srimad Bhagavatam on the order of Narada Muni, you too belonging to the same branch of a tree, on the order of your spiritual master Srila Bhaktisiddantha Saraswathi Thakura, wrote extensive commentaries on Srimad Bhagavatam for the battered souls of this age to take benefit and perfect their lives.

Your deep faith in the holy texts of Srimad Bhagavatam, which alone can create a revolution in the hearts of conditioned souls when heard from the mouth of a pure devotee are truly adorable.

*“one is sure to become a God-realized soul at the end of finishing the first nine cantos”. (preface of Srimad Bhagavatam)*

*“Ultimately, by reading this one book, Krishna, love of Godhead will fructify”. (preface to Krishna book)*

You declared boldly: *"And if you just give this one life for serving Krishna, you will go back to Godhead. I guarantee. You will go back to Godhead."*

Your establishments of ISKCON temples all over the globe are the embassies of the spiritual world. These are true reformation centers teaching everyone to revive one's lost relationship with Lord Krishna, train the devotees to apply the teachings and to develop a true love of Godhead. Your painstaking struggles in training neophyte devotees in practicing the principles of Krishna consciousness by living together in a community is highly noteworthy and remains as an inspiration for all the fellow practitioners in the ages to come.

As a bonafide Guru, you displayed all the qualities of a spiritual master, presented the cult of devotion by giving sufficient spiritual teachings to fill in our life with Krishna consciousness and gave many varieties of services to be engaged in the service of Lord Krishna whereby we can complete our journey to reach the spiritual world in this very life.

Srila Prabhupada, now it is the time for me, as a disciple to recognize your glorious presentations offered by Guru and accept it wholeheartedly to follow for one's own wellbeing. It is also the duty of the disciple to develop all the qualities needed for a disciple and thereby receive the mercy of spiritual master, which is absolutely necessary for spiritual progress.

*tatra bhāgavatān dharmān, śikṣed gurv-ātma-daivataḥ  
amāyayānuvṛtṭyā yais, tuṣyed ātmātma-do hariḥ*

#### TRANSLATION

*Accepting the bona fide spiritual master as one's life and soul and worshipable deity, the disciple should learn from him the process of pure devotional service. The Supreme Personality of Godhead, Hari, the soul of all souls, is inclined to give Himself to His pure devotees. Therefore, the disciple should learn from the spiritual master to serve the Lord without duplicity and in such a faithful and favorable way that the Supreme Lord, being satisfied, will offer Himself to the faithful disciple. (S.B.11.3.22)*

I happened to read a purport in the Srimad Bhagavatam wherein you mentioned that *“The Krishna consciousness movement is spreading now all over the world, and sometimes I think that even though I am crippled in many ways, if one of my disciples becomes as strong as Dhruva Mahārāja, then he will be able to carry me with him to Vaikuṅṭhaloka”.* (S.B. 4.12.33 purport)

Srila Prabhupada, it is you as Jagadguru, who is delivering the fallen souls from this material world to Vaikuntha or Goloka. But, still out of absolute humility, you are presenting such words to motivate your disciple to be determined in following the instructions of the spiritual master so that the disciple can bring glory to his Guru.

Out of boundless love, without being dejected, you are accepting my faulty services and keeping me in your mission by giving plenty of chances to revive and reform so that one day, I can stand to your principles of practicing pure devotion and thereby exit from this material world as your sincere disciple.

Srila Prabhupada, You left the spiritual abode Goloka for the interest of Lord Krishna. You left the holy dham of Vrindavan for the interest of your spiritual master. You truly set an example of an Acharya, who lives for the interest of Guru and Krishna. Your sacrifices are highly glorious.

On this auspicious appearance day of yours, I humbly beg you to kindly bestow your mercy upon this poor wretched soul to remain always under the shelter of yours and your sincere disciples and bless me to pay you back in return, for all the transcendental sacrifices you have done for us, by offering my life & soul in your service as I owe you being a disciple.

Yours insignificant and unworthy disciple,

Rasika Shekara Dasa.

Dear Srila Prabhupada,

Hare Krishna,

Please accept my humble obeisances at your lotus feet.

This year (June 2020) I turned 50. But in actual sense, I am only 5 years old because I have taken birth into Krishna conscious practice only 5 years back. All these years I thought Krishna was one among the 33 crore demigods. But only after hearing and reading the Bhagavad-Gita, I realized that Krishna is the Supreme Personality of Godhead.

All thanks to you Prabhupada, for making this world a protected place through your unmatched effort in spreading Krishna consciousness all around the globe. I have started enjoying spiritual bliss in its true sense after hearing and reading about Krishna through your various books. I fall short of words to Thank you for what you have done for this human society in this kali yuga.

On this Vyasa puja day, I wholeheartedly applaud you for your genuine effort to remove darkness and bring light into our lives. Through ISKCON, many have realized the true essence of human birth and that chanting the Hare Krishna Mahamantra can only make us happy!

Your servant,

Hare Krishna Dear Srila Prabhupada,

I feel blessed every year that I am given an opportunity to glorify you on this special occasion of Vyasa Puja. Without your causeless mercy, our lives could have never become fortunate and never we could have understood the path of Krishna

consciousness. And we shall continue to follow your teachings birth after birth until we reach to the spiritual abode of Lord Krishna.

I beg you to bestow me with such intelligence that I never forget Your Divine Grace and Sri Sri Radha Krishna even for a moment. Bless me that I eternally engage my body, mind, and soul to serve your lotus feet with reverence and devotion. There is nothing more that can make my life happier than getting a Spiritual Master such as you who is a pure devotee and always absorbed in Krishna consciousness. Those situated on the material platform and work hard day and night for material success, how can they understand your pastimes performed out of devotion and that too at an advanced age? Whether it is your writing books and letters or traveling and preaching; no human being could ever imagine accomplishing such great heights in their lifetime. And you could achieve them out of Love towards Krishna. Because you are not a human being of this earth, but a spiritual being from Krishna's abode who descended to teach us bhakti and lead us to Vaikuntha.

I never understood bhakti until you taught me about how all my senses can be engaged personally to serve the Lord and fulfill one's purpose of life. Following your footsteps, I could see how my life is progressing and how my faith in you and your pure devotees is increasing. This year I couldn't attend Gaura Poornima services due to the demise of my close relative. This concerned me so much and to deviate myself for the next few days I engaged myself reading the pastimes of Lord Jagannath, and in one pastime the devotees were serving their Lordships with varieties of prasadam. I was so much immersed in the pastime that I wanted Jagannath Kaja prasadam by all means. I couldn't even control my mind and the same day night one of your devotees affectionately got the Gaura Poornima prasadam to our doorstep. And when I opened the prasadam box, to my surprise Jagannath Kaja prasadam was there. I quickly had the prasadam to my heart's content. This is an example that you are always in your devotee's heart, always guiding them, taking care of them, fulfilling their devotional wishes, and take personal responsibility of taking them to the abode of Krishna.

You taught us the purpose of life and how we can make each day precious by serving Lord Krishna.

Your servant,

Satyavathi Devi Dasi.

My Dear Srila Prabhupada,

All Glories to you on this glorious 124<sup>th</sup> Vyasa Puja,

Srila Prabhupada, Just as "Krishna Katha" purifies the speaker, the inquirer, and the audience, hearing about the nectarean pastimes of a pure devotee like you in the form of "Srila Prabhupada Katha" also has a similar effect. By observing the main activities of your life, we can see that whatever you did was pure service to Lord Krishna and was a perfect example of how one should surrender to Krishna. You taught not only by precept but by example also.

Recently, after having read a book on your nectarean preaching activities "Chasing Rhinos with the Swami", I was simply amazed how every time you emphasized on "Thinking Big" for ISKCON. Quoting one of your famous analogies for "Thinking Big"

*"If you are going to hunt, then you should hunt for a rhinoceros. In that way, if you don't succeed, everyone will simply say, oh, it couldn't be done anyway. But if you do succeed, then everyone will be surprised. Everyone will be amazed."*

Srila Prabhupada, you once said that your only problem was that you could not think small, you could only think big. You had an extraordinarily bold vision for ISKCON growing like Lord Varaha, Who appeared from Brahma's nostril but expanded to half the size of the universe. Srila Prabhupada your ambitions to spread Krishna Consciousness were enormous, mind-boggling. Quoting a few

Every English speaking gentleman in the world should have a publication of ISKCON.

Nobody should go hungry within a ten-mile radius of an ISKCON temple.

Take over the world with Krishna Consciousness.

Bhagavata Dharma should be taught in all schools.

Double It!!! – Book Marathon punch line.

Build Skyscraper temples for Lord Krishna.

And if someone said these goals are impossible to achieve. You had your answer “*Impossible is a word in a fool’s dictionary*”.

Srila Prabhupada even though you thought big, you were empowered, your life story is not one in which big success came neatly and automatically as if everything was being miraculously enacted by Lord Krishna. Rather, your story is one of the constant attempts on behalf of your spiritual master. Big Successes did come to you, but only after great endeavour and faith.

Srila Prabhupada, when you predicted that “*The Krishna Consciousness movement will go down in history as having saved mankind in its darkest hour*”. It stems from the great faith you have for the extraordinary contribution, your movement is going to make to mankind in the years to come.

Srila Prabhupada, Sri Vaishnava Siddhanta defines 5 symptoms of a Samsthapana-Acharya.

1. *One who does good for others and one who is delivering the others.*
2. *One who awards fearlessness.*
3. *One who gives a detailed commentary of Vaishnava Scriptures.*
4. *One who comments and explains the songs of Vaishnava Acharyas.*
5. *One who becomes extremely important personality in the Sampradaya.*

Srila Prabhupada, you being the Founder-Acharya of ISKCON, satisfied every one of the above symptoms. You were an Acharya not only by your instructions, but also by your conduct, your commitment to live by what you preached, and your genuine regard and empathy for others, as manifested in every moment and in every detail of your life. When the activities of such an Acharya – “Srila Prabhupada Katha” is properly told, it brings the greatest joy and benefit to the hearers.

Srila Prabhupada please forgive me for all the offenses committed knowingly and unknowingly to you and other Vaishnavas and also the guidance not to repeat the same.

Your unworthy disciple,

Saumya Rupa Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble dandvats at your divine lotus feet.

Prabhupada, you have given us a very simple sublime and powerful process - the chanting of Hare Krishna Mantra and to follow the four regulative principles.

Prabhupada, because of your causeless mercy lakhs of people have taken this process and are getting Krishnised.

Prabhupada, Lord Krishna never leaves the hand of the pure devotee. So, I catch hold your divine lotus feet so that you can take me to Krishna with compassion. Gurudeva, to become advanced in spiritual life means no more material hankering knowing the reality that this material world is temporary and one day I have to give up this body, everybody, and everything.

Srila Prabhupada, you have declared that simply eating Krishna Prasadam one can go to the kingdom of Krishna. Always I pray to you and Krishna that till the end of my life, I should offer to Krishna and you and then take prasadam.

Following Krishna or following Krishna's representative is the same. What Guru says is the order of the Lord. Gurudeva, so please give me strength mentally and physically to follow your instructions till the end.

Begging your mercy to cross over the obstacles in the spiritual path.

All glories to Srila Prabhupada

Jai Srila Prabhupada

Your insignificant servant,

Shata Rupa Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. I am writing this homage to you today "July 13" which is the most memorable day for ISKCON, the founding day. This day reminds me of your endurance during the struggling early days in New York. Your shifting of residence from Dr. Mishra to Paul's apartment who was a drug addict. You tolerated all humiliation just because it was an unknown place and also due to your financial constraint. My tears flow out when I read about Mr. Paul's behavior; you moving out of his residence late at night and going to Mr. Carl's residence. Then asking Mr. Mike to find an apartment to yourself; the effort put by you to start this society by making Mr. Carl and Mike as the first members of the society. Your endeavor towards the spread of Krishna consciousness was very high. The speed at which you recognized the right people who can serve you and the institution, the rate at which you gave initiation to devotees, pardoning all the mistakes they did even after initiation shows your desire to spread Krishna consciousness worldwide. Lord Krishna also responded to your endeavor and made your attempts successful.

Prabhupada, you tolerated all the shortcomings of your devotees. The toleration towards the western culture, hippie culture, meat-eaters, and their pets shows your magnanimity and equal vision towards all spiritually.

The sacrifices that you made were just to deliver us the fallen souls from this material existence and to follow the orders of your spiritual master. Me, as your disciple want to serve you the same way as you did for your spiritual master. You have given me the opportunity to serve you and the institution by giving me service even in the midst of all the difficulties of the pandemic in the present situation. I and the team of volunteers have a great desire to serve you and are ever thankful to you for this opportunity.

Please, please Prabhupada, bring us out of this situation. Even though temporary, please let me not be disturbed by such situations and let me enjoy the bliss of serving you and Krishna. I do not know whether this is my anartha which is putting me under such a bad situation. Give me the strength to overcome the present situation by accepting my humble and respectful obeisances unto the dust of your lotus feet.

Thank you, Prabhupada,

Trying to be your humble servant,

Sulakshana Gopi Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of your lotus feet. All Glories to Your Divine Grace, the Founder-Acharya of ISKCON.

The whole world is celebrating the Vyasa Puja on your 124th appearance day. You are a bonafide spiritual master coming in disciplic succession starting from Lord Krishna. As per the scriptures, the spiritual master is to be considered as good as Krishna. You have given a great opportunity to the entire world to cultivate Krishna consciousness. You are very merciful to the living beings by providing the Hare Krishna Maha Mantra

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

By offenseless chanting of Hare Krishna Mantra, one can be purified and will go back To Goloka Vrindavana, the Abode of Krishna.

Your appearance and service to humanity is wonderful & cannot be expressed. I am regularly visiting ISKCON and rendering some devotional service assigned to me.

As per your instructions, I am chanting Hare Krishna Mantra, reading your books, and serving your mission at the Temple. After initiation, I am very much influenced by you to follow Krishna consciousness strictly and intend to serve your mission more and more strictly.

One cannot progress spiritually without your mercy. O Spiritual Master, I beg you to shower your mercy upon me to progress spiritually. I am unable to glorify you adequately. Please accept my love and gratitude.

Your humble servant of the servant, Ujwala Radha Devi Dasi.

Dear Srila Prabhupada,

I offer my respectful obeisances unto Sri Guru and Gauranga.

Please accept my humble obeisances unto your lotus feet on this auspicious occasion of your appearance day. Please bestow your glance of mercy on this fallen servant of yours.

I am very thankful to you for translating such wonderful Vedic wisdom Bhagavad-Gita, Srimad Bhagavatam, Sri Chaitanya Charitamrita, and many other kinds of literature in simple language. By reading your books regularly, I am getting purified day by day, and I am realizing the temporary nature of this material world.

Only by satisfying spiritual master one can understand the essence of Vedic knowledge and go back to Krishna. I am not in a stage to satisfy your Divine grace as my body is getting old and my mind is disturbed and my senses are getting weak. I am unable to offer my body, mind, and senses in your Divine service. I am so unfortunate that I cannot take part in your preaching movement which pleases you the most. I am still immersed in the worldly attachments and delusions. I am not able to give up such petty weaknesses even after knowing so many things through your association.

Now in this old age, I am bereft of all intelligence and my senses are very dull and weak. So I kindly beg for your mercy to stay in any of the dharmas in the association of your devotees till the last breath of my life. I cannot repay for all that I have benefited spiritually, and considering one amongst your servants.

In this materialistic life which is unsurmountable with all the difficulties arising due to my past karma, I am suffering very heavily in this old age. I have been overly attached to my body and its by-products. How can I glorify your Divine qualities? Your real glories cannot be glorified by anyone in this material world. Even the demigods cannot properly understand your glories. But still for my own purification and by Your causeless mercy, this unworthy servant of yours is given a chance to express something on this auspicious occasion.

Oh my master, I lastly pray that in this old age, I feel very lonely in this material world. Day by day I am losing all my hopes of true happiness. So please kindly allow this insignificant unworthy soul to have your association birth after birth.

All glories to Jagadguru Srila Prabhupada.

Your humble servant,

Vasantha Lakshmi Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you & your divine appearance on this planet.

Prabhupada, you are the singular great messenger of bhakti, because at the advanced age of seventy, suffering two major heart attacks, traveled under great hardship from India to America and established the International Society for Krishna Consciousness in 1966 at New York. In twelve short years, you circled the world fourteen times; started 108 temples, more than 5,000 disciples, ashramas, schools, and farms in six continents; you wrote more than seventy books and introduced millions of people, the chanting of the Hare Krishna Maha Mantra.

Prabhupāda, thank you for coming to this world to save us in spite of the tremendous difficulties and obstacles which you had faced alone, depending solely on the mercy of the Supreme Lord Krishna and your eternal spiritual master, Srila Bhaktisiddhanta Sarasvati Thakura. You are the Supreme Personality of Servitor Godhead, freely bestowing your causeless mercy upon the unqualified and ungrateful souls of kali-yuga. I am amongst the most fallen of living entities and yet, by your unlimited causeless mercy you showed compassion on me and accepted me as your disciple, I am very grateful to you.

Prabhupāda, Please forgive my mistakes & please bless me. Let me not go away by ignorance, selfishness, or pride, I can give up my pettiness, arrogance, the tendency to unduly criticize others. Please keep me always under your shelter, please bless me so that I can serve your mission, not much, but at least whatever I can. Please, Always engage me in Yours and Lord's service.

Prabhupada, please bless me and give me all the required spiritual strength to align my life as per your divine instructions. Please bless me with your mercy so that I can always practice Krishna Consciousness sincerely with all determination and enthusiasm forever in my life.

Thank you, Hare Krishna,

Your's insignificant servant,

Vilasini Devi Dasi.

My dear Srila Prabhupada,

Please accept my respectful humble obeisances.

Vyasa-puja is the auspicious appearance day of a true representative of Srila Vyasadeva, who appears in this mortal world to bring back the spiritual knowledge in true form as given by Vyasadeva Himself.

Srila Prabhupada, you have not only given this spiritual knowledge to us but also showed the method of practical application in our lives. Your divine grace is a true acharya in this Kaliyuga. Chaitanya Mahaprabhu inaugurated the Sankirtan movement 500 years back for kaliyuga in order to deliver the fallen souls. But it was lost. Your divine grace revived the Sankirtan movement and also fulfilled the prediction of Chaitanya Mahaprabhu. Your divine grace's incarnation in kali yuga is so special that though Hare Krishna Maha-mantra, Chaitanya Mahaprabhu and His associates are the incarnations of Kali-yuga, you also brought so many avatars like Krishna consciousness movement, archa avatars, and Vedic literature to save all of us.

Vyasa Puja is a day where all devotees glorify the spiritual master in terms of their understanding of guru tattva. As for me concerned, I have not understood your divine grace properly. It is because of your causeless mercy that I am able to render some service to you. Without your mercy I am nothing. Your divine grace is helping me various ways to win over Maya and enter into the Leela of Chaitanya Mahaprabhu. Your divine grace is a representative of Paramatma, who always wants to

help the conditioned souls who are suffering in ignorance. Just like Lord Nityananda Prabhu wanted to deliver Jagai and Madai, your divine grace traveled all over the world and still delivering the fallen souls. Your divine grace, you are a true representative of Lord Nityananda Prabhu.

Prahlad Maharaj says that many saintly persons caring for their own liberation go to the Himalayas living in big cities and towns. But I do not wish to get liberated alone leaving aside all these poor fools and rascals. Srila Prabhupada, since you are fulfilling the desire of Prahlad Maharaj's, you are also a true representative of Prahlad Maharaj. Books are the basis shown by His Divine Grace Srila Bhaktivinod Thakura, Purity is the force shown by His Divine Grace Gaura Kishore Dasa Babaji Maharaj, Preaching is the essence shown by His Divine Grace Srila Bhaktisiddhanta Saraswathi Thakura and Utility is the principle shown by Your Divine Grace A.C. Bhaktivedanta Swami Prabhupada.

Your divine grace's most important contribution is your wonderful, very simple, easily understandable, soul-touching explanations of Vedic literature. Your divine grace said that you live in your instructions eternally.

Thank you Srila Prabhupada for creating such a wonderful society of Krishna consciousness where we can practice devotional service very easily in the association of devotees. Otherwise, it would be very difficult in kali yuga. Just like son enjoys the father's hard-earned money, we are enjoying your austerity in building this institution.

At last, I thank you Srila Prabhupada for selecting this most fallen soul to be in the Leela of the Holy Name and Chaitanya Mahaprabhu.

Please forgive me for all the offenses committed to your divine grace and your devotees.

Please show your causeless mercy.

Your insignificant servant,

Vishnu Charan Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to your divine grace.

It is said in Bhagavad-Gita As It Is, that you a genuine Guru knows the Absolute Truth in Truth.

*tad viddhi pranipātena, paripraśnena sevayā  
upadekṣyanti te jñānam, jñāninas tattva-darśinaḥ*

*"Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth".*

Gurudev, you are the bonafide spiritual master of the current time. By your mercy as well as Lord Krishna's mercy, I came in touch with you. By your mercy only, today I understand a little bit about Lord Krishna for which I will always be grateful to you. Let me bow down at your lotus feet with great respect on this auspicious day.

Srila Prabhupada, you have created a society for sadhu sanga (Vaishnava Association) called International Society for Krishna Consciousness - ISKCON in the entire world, to give chance to all the people to become Krishna conscious and solve all problems of life. Such association is very rare in this material world. It is said in Srimad Bhagavatham; even the demigods desire to have such an association. Such is your contribution to the world. The whole world will ever be grateful to you. Let me be a part of such an association whole of my life by the mercy of your Divine Grace. Let me bow down to you on your divine appearance day.

On this your divine appearance day, I pray to you to protect me from all my weaknesses like less tolerance, unnecessarily pride, uncontrolled mind, and senses, etc. You are the "EVER WELL WISHER OF EVERY ONE".

On the auspicious day of your divine appearance, I also beg at your lotus feet to please forgive me for any offenses committed to you while engaging in devotional service. Please engage me in the service of the servant of your servants eternally.

Yours aspiring humble servant of servants,

Viswa Bhavana Dasa.

Dear Srila Prabhupada,

Life as I know, it would not be the same without your blessing Guruji. Guruji, there is nothing I can say from my sinful mouth that will be enough to express your extraordinary work for human society and even animals. They say we need the help of a Guru to connect our soul to the Supreme Godhead, to achieve our goal to reach our final destination and to help free us from all sufferings, we need a Guru. But, to do that, we humans first need to find a Guru. Prove to the Guru that we are willing to surrender ourselves to the Supreme Personality of Godhead Lord Sri Krishna. Only then the Guru shows His mercy and helps us to achieve our goal. But, Srila Prabhupada, you did something I can say generally no other Guru would do. Instead of disciples going to the Guru, You the Guru went to your disciples. And to do that, you went through unimaginable hardships, in a completely foreign land, with no proper food or shelter, in those cold nights within people who are completely ignorant to your philosophy, drowned in intoxication. You Guruji, with full determination, selflessly with no personal materialistic benefit took up the task of helping people realize their goal and bring them towards the right path of Krishna consciousness.

Guruji, you did what I think no other Guru would do. There is nothing left for me to say more. Your actions have spoken for themselves. The great foundation you created has helped to structure the life of many humans and given them meaning in this seemingly meaningless life. All I can say is Thank You Guruji. Life would not be the same without you.

Jai Srila Prabhupada.

Dear Srila Prabhupada,

I offer my respectful obeisances unto the lotus feet of His Divine Grace A. C. Bhaktivedanta Swami Srila Prabhupada.

Srila Prabhupada, you are one of the greatest acharyas who preached Krishna consciousness and distributed a very exalted Mantra to everybody freely. In other paramparas, to attain salvation lots of tapas, Japa, Yagna and many other very complicated methods are there. But Prabhupada, you made all of them simply by making us chant Hare Krishna, do kirtan, have prasadam etc. In Krishna consciousness, everybody is happy because all of them know that the material pleasures are all temporary and ultimate truth is to serve Lord Krishna.

In my life, Srila Prabhupada, your's instructions played a major role in becoming a good devotee. It is all because of your mercy and Lord Krishna's mercy. Prabhupada, you have made a great contribution to release the people from this material prison and have given Hare Krishna Maha Mantra as a bail to release from the prison. I am always thankful to you, Srila Prabhupada in my life for giving me such a sublime and powerful mantra. I also pray to you that I shall remain in Krishna consciousness forever in life and not get influenced by Maya. I will keep practising Krishna consciousness till my last breath and be in the service of you, Srila Prabhupada and Sri Krishna.

Dear Śrila Prabhupāda,

Please accept my humble obeisances unto the dust of your lotus feet. All glories to you on this one hundred and twenty fourth anniversary of your auspicious appearance within this material world.

Lord Sri Krishna has created this Universe; just like that you have given us the entire transcendental mellow in your books to enhance idiot like me. I feel myself fortunate enough to receive the instructions through disciplic succession. I take this opportunity to convey my gratitude towards you for giving your helping hand to this fallen soul.

Even though you are giving your mercy again and again, I'm not able to grab it. Please forgive this fallen soul for not being sincere in following your instructions. Please shower mercy upon me and grant me pure devotional service unto the lotus feet of yours.

I don't want to waste this human life. Please guide me in receiving the ocean of knowledge from you Gurudeva and kindly catch hold of this ignorant student. Now, I know that devotional service can in fact be attained only through your mercy. My spiritual master, always keep my mind and soul in chanting and hearing the glories of Supreme personality of Godhead Sri Krishna.

As a neophyte devotee, I wanted to go back to the spiritual sky. But now, Śrīla Prabhupāda, I want to stay here, life after life, to serve your lotus feet through my body, mind and words. Please bless me that I can render that service properly.

Your fallen student,

Dear Srila Prabhupada,

I offer my obeisances to you, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada.

Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare

I came in contact with ISKCON 10 years back with a lot of doubts and fears about life. In early days I was advised to attend early morning Bhagavatam class. Gradually, I realized that the real purpose of human life is to serve Lord Krishna. I also understood that no one can escape birth, death, old age and disease without the mercy of Spiritual master such as you, Srila Prabhupada.

Seeking your blessings,

Your devotee,

Bhakta Balaji Singh.

Dear Srila Prabhupada,

I am now studying in Grade 10. I have been into Krishna Consciousness from the age of 4 years. I have been chanting Hare Krishna since then and now I have increased my chanting to 14 rounds. I got many chances to serve in the temple along with my family. Thank you very much for all the opportunities you have given to me.

Thank you very much Srila Prabhupada.

Dearest Srila Prabhupada,

Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare

It is my greatest fortune to be allowed the shelter of your lotus feet. I cannot imagine my life without ISKCON, Prasadam, Kirtan, the temple's spirit of dedication that surrounds me in your sincere followers.

I had the greatest mercy in being allowed to serve many of your wonderful disciples. Each one of them radiates such great devotion and enthusiasm to spread your mission that I can well imagine what the magnitude of your personality and love for Krishna must be like.

I often think of what it must have been to serve you personally and by getting a chance to serve your disciples. I came to learn more about you. Your disciples always speak about your greatness. How your presence was magnetic and how just by being in the association they were motivated to move mountains in service to your mission.

Thank you for engaging me in the service of Lord Krishna and Lord Balaram.

Your devotee,

Bhakta Bharath Mohan H.

Dear Srila Prabhupada,

Please accept my humble obeisance unto you.

As stated in our scriptures

*“Guru Kripa Krishna Milae, Krishna Kripa Guru Miale”.*

We are fortunate to have you as our Guru. You have clearly shown how to value a GURU. At the age of 70 by going to the USA in a cargo ship, surviving two heart attacks and establishing over 100 ISKCON temples across the world, travelling the globe more than 12 times and most important preaching Krishna Conscious.

As stated by Lord Krishna himself in the Bhagavat Gita 4.34

*tad viddhi pranipātena pariprasnena sevayā  
upadekṣyanti te jñānaṁ jñāninas tattva-darśinaḥ*

Translation: Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized souls can impart knowledge unto you because they have seen the truth.

We are surrendering unto you and trying to follow your instructions by chanting 16 rounds of Hare Krishna Maha Mantra, following Ekadashi, doing Aarti and having offered prasadam to lordship.

I remember reading a question being answered by you

When in Surat, early every morning you would have a program, which generally only devotees attended, but in the evening local people came for darshan. At one evening darshan, a man said, "**Ramakrishna says that he was Krishna and Rama. What do you think of that?**". You said, \*"**I don't know, maybe he was.**" Then he held up the Bhagavad-gita and said, "**but I know for sure this is Krishna, so why should I take a chance?**" This shows the belief you had on your Guru & Krishna.

One more thing which comes to mind is the speech by Apple Founder, the late Steve Jobs. "I would walk 7 miles across town every Sunday night to get one good meal a week at the Hare Krishna temple. I loved it." The whole speech is an inspiring and thoughtful reflection, but it was that last bit—about depending upon the Krishna temple for his one good meal a week (and loving it)—that ISKCON devotees especially latched on to. One of the most influential and admired men in the world once relished sanctified vegetarian food at a Krishna temple, and those meals played a defining role in his journey towards success against all odds. All this credit goes to you, Srila Prabhupada.

Even today devotees come to ISKCON mainly for Krishna Prasadam.

Humbleness:

You are such a humble personality that unlike other spiritual leaders, even after erecting a worldwide revolution of Pure Bhakti, you kept yourself at the back and always projected Lord Krishna and His teachings in the forefront.

Your wish of converting every home to the temple was fulfilled at this hour of a pandemic. All the family members perform deity worship, chant Hare Krishna Maha Mantra, have offered prasadam to Lord Jagannath and do kirtans at home.

I humbly request you to shower your blessings on our entire family, to continue to serve you and the lordship and advance in Krishna Consciousness.

Your humble servant,

Bhakta Chandra Shekar.

Dear Srila Prabhupada,

On the occasion of the Vyasa Puja, I would like to present my thoughts on my journey into Krishna conscious life.

Once when I visited the temple by seeing the plan of the construction of the new temple on a glowing screen, I was introduced to ISKCON by becoming a life member in 2009. As such, I was not performing any spiritual or any other regular pooja, nor a regular visitor to the temple. I was a very inactive devotee for more than nine years, but now and then I used to enquire about the progress of new temple construction, either through phone or in-person and I used to get disappointed about the delay in the construction of the temple.

During 2015, I was diagnosed with a major health issue and was advised to undergo Liver Transplant, as I was not sure about the success of the transplant, I postponed indefinitely and taking alternative treatment.

From 2016 to 2018 the disease was worsening gradually, and gradually I started losing hopes on my survival. During this period, I started worrying about not about my departure, but it was about my service to Lord Krishna and for the construction of the new temple. Due to my illness, I was unable to walk, talk and breathe and requested one of my colleagues to visit the temple and enquire about the progress of the construction, and to offer some construction materials, as I may not be alive. Doctors advised me not to move much as it may cause internal bleeding. As my movement was restricted, I started worrying about my service to the Lord in building the temple. During September last-week 2018, I personally visited the temple foregoing all the warnings about my movement and approached the deity of Srila Prabhupada

and Lord Krishna and Balaram to completely surrender to the lord and offered my gratitude to God for giving me all the material benefits in this life and also expressed my inability to serve Him in this life. I requested Him to offer more life to serve Him even in the capacity of a sweeper in the temple. Then I met Swami Sowmya Rupa Dasji and offered him a cheque to use it for the construction work, and I bid him by telling him that this would be my last visit as I was firmly believing that I would not be surviving anymore.

A miracle happened on the next fourth day. I received a call from the hospital, for the transplant and the operation was a success and by next week I was ready to walk out of the hospital. When I was admitted to the hospital, I was having very little funds and my colleagues and friends contributed generously, and 50 people voluntarily came to donate blood. On the third day of the operation, I was made to sit and became unconscious after some time, then I could hear a maha-mantra of Sri Rama Ramethi Rame Rame Manorame Srisahasranama tattulyam Rama Nama Manonane vibrated in the back of my head and a bright light appeared on my forehead with Lord's picture.

I would like to surrender myself to you, Srila Prabhupada for providing an institution to introduce me to Lord Krishna and increase my consciousness. Even though it is a beginning, I want to commit myself to serve the Lord through ISKCON.

I completely bow myself to you, the founder of ISKCON Srila Prabhupada, and a group of full-time devotees for guiding me and helped me to increase my Bhakti and Jnana about Krishna consciousness.

From then onwards for almost a year, I am continuously chanting 16 times japamala Hare Krishna maha-mantra, and have completed readings of Mahabharata, Ramayana, Bhagavad-Gita, and five cantos of Srimad Bhagavatam.

I want to thank the entire team of ISKCON for guiding me from time to time and to increase my commitment.

Hare Krishna,

Bhakta Chandra Shekar M N.

Our beloved Srila Prabhupada,

Please accept our humble and heartfelt obeisances. All glories unto you on this auspicious day of your presence.

Dear master, we never had a chance to see you personally. Still, we see you every day through your purpose – “Purpose of Krishna consciousness”. We feel your energy through your actions for true liberation – “Liberation from all sins”. We admire you for showing the way for real happiness “Happiness of soul”.

We realized that the universe we are in is connected through one or the other form of energy. We eat food to get energy, work to spend the same, which is for bodily life or need. We tend to forget or have limited knowledge to realize the energy

needed for the soul, which is the real way or means to relate to the absolute source of energy – Lord Krishna. When we succeed in that way, then we believe we will see the real change in ourselves, in our day to day life and in our every activity. Which now we are seeing in ourselves and our day to day life is led by following your guidance.

We admit that we are still trying to master it step by step by overcoming limitations of the material world, knowledge, and relations we need to balance. Hence our humble request to you to stay with us all the time to guide and support in our journey and million others. All glories to you my true master, Srila Prabhupada.

Dear Prabhupada,

Please accept my humble obeisances.

All glories to Srila Prabhupada,

My spiritual master Srila Prabhupada, Thank you for setting the foundation of ISKCON. From your blessings, we started from Japa, sankirtan to reading Bhagavad-Gita and Srimad Bhagavatam. I always visualized you as my Spiritual Father. I also want my father to involve in devotional practices. My father works a lot for our future so that I become successful in my career as a doctor. I too want to make my father happy in the world through my studies and also devotional service to Lord Krishna.

As I am in 8<sup>th</sup> standard now, I have started to observe my behaviour and understood that I am not practising Krishna consciousness seriously. Please give me your blessings so that I can excel in my studies and in devotional practices. After chanting Hare Krishna Maha Mantra, so many changes have happened in my life, as I improved in my studies. I noticed that my grandma also involved more in devotional practices and I am very happy to see these changes.

Srila Prabhupada, how much you suffered to establish ISKCON to teach us the importance of Krishna Consciousness. I beg you to please give us the shade of your lotus feet and take us to Krishna.

Your spiritual devotee, Bhakta Gagan.

Dear Srila Prabhupada,

Please accept my humble obeisances.

I bow down before you for your great unimaginable contributions to mankind, especially by establishing ISKCON temples, created many followers and publishing books. It is because of you only, today also we are having a lot of sincere gurus available in ISKCON temples all over the world, who are doing the great work of educating spirituality to the people who are leading normal conditioned life.

Personally, the real change in me started only after reading some of your books like The Laws of Nature – An Infallible Justice, Beyond Birth and Death. Your answers to life's most complicated questions like what is the aim of life, what is soul, what is happening after death, why somebody is rich and somebody is poor and why somebody is suffering and somebody is enjoying, were crystal clear and simple to understand and convincing everyone to accept.

I sincerely thank you from the bottom of my heart and pray for your mercy so that I can continue and advance in my Krishna conscious spiritual life and Go Back to Godhead as mentioned in your book.

Jai Srila Prabhupada.

ನಿಮ್ಮ ಈ 124ನೇ ಹುಟ್ಟುಹಬ್ಬದ ಶುಭದಿನದಂದು ನನ್ನ ಜೀವನದ ಶ್ರೇಷ್ಠ ಭಾಗವನ್ನು ನಿಮ್ಮ ಸೇವೆಯಲ್ಲಿ ಇರಿಸಬೇಕೆಂದು ಹಾಗೂ ನೀವು ನನಗೆ ದಾರಿದೀಪವಾಗಬೇಕೆಂದು ಬೇಡಿಕೊಳ್ಳುತ್ತೇನೆ.

ನಾನು ನಿಮ್ಮ ಬಗ್ಗೆ ಬರೆಯಲು ಯೋಗ್ಯತೆ ಇಲ್ಲದಿದ್ದರೂ ಬರೆದಿದ್ದೇನೆ. ತಪ್ಪಿದ್ದಲ್ಲಿ ದಯವಿಟ್ಟು ಕ್ಷಮಿಸಿ ಮತ್ತು ನಾನು ಬರೆದಿರುವ ಪತ್ರವನ್ನು ಸ್ವೀಕರಿಸಬೇಕೆಂದು ಬೇಡಿಕೊಳ್ಳುತ್ತೇನೆ.

Dear Gurudev Srila Prabhupada,

Hare Krishna,

*Dhyana Moolam Gurur Murti Pooja Moolam Gurur Padam*

*Mantra Moolam Gurur Vakyam Moksha Moolam Gurur Kripa*

Please accept my humble obeisances unto your lotus feet on this most auspicious 124<sup>th</sup> anniversary appearance day of your divine grace. The occasion of Vyasa puja is very special in the life of a disciple as this is the day when the disciple recollects all the wonderful things that have happened in life due to the special mercy of his spiritual master and strengthen his commitment for the service of his spiritual master.

I am very fortunate to have the opportunity to write an offering to you on this auspicious day of your appearance. I take this opportunity to thank your good selves for your mercy in getting me connected to your Krishna consciousness movement in this life by which I could come to Lord Krishna by following your instructions.

By your mercy, I could join your great Krishna consciousness movement only three years back, though a seed was sown in 2008 by way of getting a Bhagavad-Gita As It Is, 3D Lord Krishna's photo and a Japa mala with a chanting bag having your photo printed on it by my army colleague at Pune when I had been there for my elder daughter's engagement. Only on coming to Mysore in November 2016, by your mercy getting in contact with Prabhu's at Mysore Krishna Balarama temple, I and my wife started our spiritual journey by your mercy.

Gurudev, by your mercy the Prabhu's at the temple gave all assistance and guidance regarding the rules and regulations to be followed especially ten offences against chanting of the holy name and the four regulative principles.

By your mercy, I started chanting 16 rounds, reading books of yours, hearing your lectures and attending Bhagavatham classes at the temple. By this, the importance of spiritual master in the journey of spiritual advancement is absolutely essential was understood. Gurudev, by your mercy I realized the following:

It is through spiritual master the divine power acts

Guru Bhakti is the foundation of all spiritual development

A true Guru Bhakta will conquer the world by establishing ISKCON temple all over the world

Guru is the first lamp

Spiritual influence is brought to us by the guru. Anyone can teach, but the spirit must be passed on by guru to shishya

Guru/spiritual master is the means of realization

Spiritual trust is purity

Nothing can be done/achieved without guru parampara

Genuine guru simplifies talks about God and tries to get people to become God's devotees -through Krishna consciousness

An incomparable journey where guru leads you from the visible to invisible, from the material to the Divine, from the external to the eternal.

Gurudev, I did feel / experience that chanting holy names of the Lord Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare, is the only way of self-realization in this age of kali. By chanting Hare Krishna Maha-mantra, one can purify his heart and know his relationship with Lord. Controlling the senses by devotional service is the only and easiest means.

It has been only three years that I have been through Krishna conscious journey and relishing the mellows of pastimes of Lord Sri Krishna. Because of Him, I have taken His Ashraya and want to get more observed in service to Him, surrendering myself unto His lotus feet.

Let me be sincere, humble and intelligent enough to seek the shelter of your lotus feet by submissively hearing, understanding and carrying out your divine instructions

I humbly pray to you to be with me, in me, around me and guide me in my spiritual journey.

Yours servant of the servant,

Bhakta Govindaraju.

Dear Srila Prabhupada,

In Kali Yuga, when Lord Krishna and Srimati Radharani appeared as Prema avatar as Lord Chaitanya Mahaprabhu, His love for Lord Krishna was so intense that his heart over poured with Krishna Bhakti. In the disciplic succession of Lord Chaitanya, is our dear spiritual master Jagadguru "Srila Prabhupada". Srila Prabhupada is the gift of Lord Krishna and Srimati Radharani to the fallen souls of Kali Yuga from Goloka Vrindavana. Our spiritual master spread the light of Krishna Consciousness in this world, which was filled with darkness.

Srila Prabhupada took so many challenges and troubles to spread Krishna Consciousness around the world. Though he had two heart attacks in Jaladutta, he continued his journey by the mercy of Lord Krishna and gave the world the wonderful gift in the form of his organization ISKCON. Srila Prabhupada taught each one of us, how to develop unalloyed faith in Lord Krishna. To escape from the cycle of birth and death, one should have the mercy of Guru, because Guru shows his disciples the path of spiritual enlightenment. Our Srila Prabhupada showed us the way to Goloka Vrindavana. By his preaching, he gave us the nectar of Hare Krishna Mahamantra.

HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE

HARE RAMA HARE RAMA RAMA RAMA HARE HARE

Srila Prabhupada's books are the platform for the fallen souls to reach the spiritual sky. When we read Srila Prabhupada's books, it is not just words, but it is the love of Srimati Radharani to Lord Krishna. Srila Prabhupada showed the whole world, to route Back Home, Back to Godhead. One can achieve Krishna's mercy only by Guru's grace. If Guru accepts one as his devotee, Lord Krishna automatically showers his mercy on that devotee.

The gifts of Srila Prabhupada, to us, are the Hare Krishna Maha Mantra, Sankirtana, Krishna Prasadam, Srimad Bhagavad Gita, Srimad Bhagavatam, Sri Chaitanya Charitamrita etc...and above all the establishment of ISKCON temples all over the world where devotees get an environment to practise Bhakti.

Our Guru, Srila Prabhupada's glories and pastimes are unlimited, which we cannot describe in a few words. Let the blessings of Srila Prabhupada always shower on his devotees.

All Glories to Srila Prabhupada,

HARE KRISHNA.

Your humble follower,

Bhakta Hari Haran, Mysore.

Dear Srila Prabhupada,

Hare Krishna. All glories unto you.

Srila Prabhupada, you possess transcendental qualities and you are a quintessential Guru, the greatest I have ever seen on this planet. I thank you, Srila Prabhupada, for providing books on Lord Krishna, teaching us how to love Supreme Personality of Godhead Lord Krishna and go back to Goloka. It is very difficult to explain the qualities of a great personality like you, Srila Prabhupada. Below are some of the qualities I want to share for your Vyasa Puja and seek your blessings.

### Merciful

The ultimate expression of mercy is to freely afford everyone with the opportunity to develop pure love of Godhead. Your preaching work clearly fits this description. Such a great soul is very rarely found within this material realm, and owing to

your unparalleled purity and exalted status, you are worshipping by the entire world. Those who were honest and sincere were able to sense your unalloyed desire to bestow upon them the highest form of mercy, and guided by the Supersoul, they voluntarily placed themselves under your guidance and protection. Although you are not present from our material vision, your mercy is as attainable even today as it was then. A liberated soul is not bound by time and space, and neither is his mercy.

### **Not Defiant**

When you first met your spiritual master, Srila Bhaktisiddhanta Sarasvati Thakura, you were a supporter of Mahatma Gandhi's effort to free India from the clutches of British rule. During that meeting, both engaged in a discussion in which you expressed your viewpoint concerning the political matter. Srila Bhaktisiddhanta responded by defeating your notion, using sound logic and scriptural evidence to prove that Krishna consciousness alone could rid India, as well as the rest of the world from all forms of material suffering. Because you were not defiant, being blessed with all humility and respect, you surrendered very graciously to your spiritual master's infallible conclusion and accepted him as your spiritual guide.

### **Magnanimous**

Srila Prabhupada, you are magnanimous in the truest sense of the word, as your gifts to the world are unlimited and filled with tremendous spiritual value. You gave us a wonderful philosophy to live by and knowledge of our true spiritual identities, as well as beautiful Deities to worship, the Holy Name to chant, and delicious Krishna prasadam on which to feast. And all, the chance to develop pure love of Godhead and return to a life of eternity, knowledge and bliss in the association of Lord Krishna in the spiritual world.

In return for all these blessings, Srila Prabhupada, you asked nothing for yourself, but simply that we give this opportunity to others, refrain from sinful activities, and chant Hare Krishna. In this way, unselfishly giving of yourself at every step, Srila Prabhupada, you perfectly exhibited the magnanimous nature of a pure devotee of Lord Krishna.

Wanting to be your humble follower,

Bhakta Janardhan.

Dear Srila Prabhupada,

Hare Krishna!

Please accept my humble obeisances unto your lotus feet. I take this opportunity to share with you on my history of entrance into the transcendental movement of ISKCON established by you.

Being born in an Archak family at Koteswar, Udipi district, I had the good fortune of reading Srimad Bhagavad-Gita and doing bhajans in the evening along with my family as it was made compulsory by my mother. This great culture taught from childhood was very deterrent to me from falling prey to bad habits even during my working days when I happened to be posted in many places in India. I had a dream then that rest of my life I should continue my practices and grow more and more towards God realisation in spiritual life. After my voluntary retirement in 2002, by a divine arrangement, I happened to meet His Grace Sukhadev Prabhu in a train who was selling your nectar-filled books which led me to step into the world of ISKCON began in Mysore. Since I had ample time after retirement and I was spiritual by nature, I used to visit the temple regularly and learn the principles mentioned in Srimad Bhagavatam. I remember the time of my submission of voluntary retirement when the DGM, Head Office, Manipal had advised me to take back the retirement as I would go mad without proper engagement. I had encountered by saying that I would go to Kanyakumari and undertake Yatra by walk for two years to prevent such fear. Due to proper training of spiritual practice from younger days that we should serve everyone properly since God is seated in everyone's heart, my service to customers at Bank was spiritualised with this sacred understanding and was turned into devotional service to God. "Vasanad Vasudevasya Vasitam Jagatrayam, Sarvabhoota

Nivasosi, Vasudevo Namostute." As I was attending weekly spiritual discourses of His Holiness Stoka Krishna Maharaj, who was then President of ISKCON, Mysore, I got inspired by your teachings and started chanting 16 rounds of Hare Krishna Mahamantra every day which relieved my mental agony of voluntary retirement and made me find bliss in spiritual life. At the same time, I got an opportunity to assist Sant Bhadragegi Achutdas Ji, who was awarded first Sri Kanaka Purandasa Prashasti by then CM, in joining Harikatha on stage as a supporting vocalist every evening. During the day time, I received a special service of writing important slokas from 10<sup>th</sup> Canto of Srimad Bhagavatam in Kannada, editing and sending it for printing. Reading Krishna's wonderful pastimes from Srimad Bhagavatam made me connect with Krishna even more and I enhanced my chanting from 16 rounds to 32 rounds, which I continued undeterred for 15 months. A major turning point in my life happened when I heard in a discourse on the episode of birth of Akshaya Patra. It was narrated that Srila Prabhupada was very much pained to see children fighting with dogs to snatch food thrown outside Mayapur temple. You gave a mandate that no one within 10 miles radius around ISKCON should go hungry. I was keen on uplifting my soul spiritually, but later I thought of starting consultation services in order to serve God by doing some spiritual wellbeing for humanity. Being moved by your compassion, I wished to be a part of your mission by donating a food delivery vehicle to ISKCON Mysore who had begun Akshaya Patra services then. Though I didn't have enough money to contribute at a time, I had requested His Holiness Stoka Krishna Maharaj to accept my contribution in parts, who agreed to this proposal happily and endorsed by giving a letter. My small tiny services began here. Later, with your special grace, I was fortunate to contribute for 12 food carrying vehicles with 1 big bus size vehicle, costing totalling Rs.1.13 crores, for delivering Sri Krishna Prasadam to hungry children in holy cities like Mathura, Vrindavan, Puri & other places. Later I was blessed to serve the deities of Sri Krishna Balaram and offer my Seva of Rs.10 lakh to Sri Anantha Padmanabha deity, who is yet to manifest His Lila through Nava Brindavan Dham temple project. Further, being a stakeholder in the Tata group, a proposal to support Akshaya Patra was sent to Sri Ratan Tata. Somehow, by the will of Lord, the Tata group made an MOU with Akshaya Patra to support for 5 years with the contribution of Rs.11 crores per year. Now, by your grace, I have made a Sankalpa chant 64 rounds daily which I have been doing from the past 7 months. I also wish to do something for the upcoming Sri Vrindavan Chandrodaya Mandir at Vrindavan and few more other projects of ISKCON Bangalore group.

Kindly bless me to be a part of your great movement and be of some service to your mission always.

Sri Krishnaarpanamastu.

Sri Hari Gurubhyo Namah.

My Dear Spiritual Master,

Please accept my humble obeisances and all glories to you on this auspicious day of your VyasaPuja.

Indeed, it is proud to be the associate of such a great Spiritual Organisation, which is accepted worldwide. The organisation has directed to be in the right path in the spiritual world. The Maha Mantra “HARE KRISHNA HARE KRISHNA, KRISHNA KRISHNA HARE HARE, HARE RAMA HARE RAMA, RAMA RAMA HARE HARE” showed the path to experience the existence of SUPERPOWER to fulfil the desire in spiritual world. I started chanting HARE KRISHNA one round daily, now I am chanting 8 rounds which is giving real happiness and closer to Supreme power and I will chant 16 round daily to experience the greatest happiness in chanting HARE KRISHNA.

The Quotations though it is simple in appearance it's meaning is a guideline in our life

“SPEAK in such a way that others love to LISTEN to you, LISTEN in such a way that others love to SPEAK to you”

“90% of our problems are caused by our own thoughts.”

**Therefore, Arjuna you should always think of Me in the form of Krishna and at the same time carry out your prescribed duty of fighting, with your activities dedicated to Me and your mind and intelligence fixed on Me, you will attain Me without a doubt.**

Such Quotations are leading us towards the Spiritual World and to be simple and humble in this world.

Guru Maharaja, it unbelievable the achievements made by you, travelling to the US in a cargo ship that to in that age, and your commitment towards spreading of KRISHNA CONSCIOUSNESS and Bhagavad Gita in western Countries. Your commitment is wonderful and guideline to those who want to achieve in their life. The Trip organised by ISKCON MYSORE to SRIDHAM MAYAPUR AND JAGANNATH PURI was wonderful to experience the glories of these places. Mayapur is a wonderful place. Only after visiting Mayapur, we were able to know the achievements, GURU MAHARAJ made in his lifetime. It is possible only with the quotation made above “Therefore, Arjuna you should always think of Me in the form of Krishna and at the same time carry out your prescribed duty of fighting, With your activities dedicated to Me and your mind and intelligence fixed on Me, you will attain Me without a doubt.”

The achievements of Humble Guru Maharaj are the guideline in our life that “There is no IMPOSSIBLE, there is only POSSIBLE when you are committed to achieving your goal believing in the existence of KRISHNA”

There is no end to express the Glories of Guru Maharaj, only we have to keep the glories of Guru Maharaj in our hearts. With this humble obeisance My Sastanga Pranam to Guru Maharaj.

Your humble servant,

Bhakta Krishna D.

Dear Srila Prabhupada,

Hare Krishna.

Firstly, my pranams to you, the founder of ISKCON, the great world spiritual master Srila Bhaktivedanta Swami Prabhupada.

Although I was born in a Vaishnava family and having attained the age of 54 now, have not followed any Vaishnava principles. The reason behind was lack of spiritual knowledge and having not come in touch with a real guru. In 2012, due to my official work when I visited ISKCON Dharwad, I met with one of your disciples Sri Umaphathi Dasa and he preached a lot of Vaishnava dharma and also recommended to associate with Mysore ISKCON.

Later in 2018, I visited Mysore ISKCON. I met Sri Mahapurana Dasa and other eminent of your disciples and started following Srimad Bhagavad-Gita, Srimad Bhagavata Purana and started chanting Hare Krishna Maha-mantra. Through this basic knowledge and blessings from great acharya like your Divine Grace, now every day in my house I am chanting some slokas from Bhagavad Gita, Srimad Bhagavatam, Narayana sukthas and Krishna mantra's. As a result, gradually, I entering adyathma and eliminating all evils in my body and mind, through roadmap created through you, ISKCON founder Srila Prabhupada.

Finally, I am here making sastanga pranaams to you and to all your disciples in Mysore ISKCON.

Your humble follower,

Bhakta Krishnamurthy.

Dear Srila Prabhupada,

Kindly accept my humble pranams.

It has been a very enriching experience for me to be associated with the ISKCON Bangalore group and enjoying and learning all the KRISHNA CONSCIOUSNESS taught by you. I have never seen such a professional corporate culture in a spiritual organization like ISKCON BANGALORE GROUP whether it is sending receipts for the donation or prompt annual donation letter with all the donations made by us so that it becomes easy for us to send it to our CA for 80G Tax exemption claims. AKSHAYA PATRA is one of the most revered flagship programs distributing enriching hot food to 30 Lakhs children every day before 12 pm all over the nation (INDIA) irrespective of the weather conditions and road conditions to reach the remote corners of India.

I see so much humility among the ISKCON Devotees and the care they take to ensure people like us learn & progress in KRISHNA CONSCIOUSNESS during the ISKCON PILGRIMAGES & even during normal times.

During COVID-19, AKSHAYA PATRA was the foremost NGO to supply hot healthy food to the people who were homeless, children who were hungry and even giving them groceries to needy people when so many NGOs were scared to come out due to the COVID-19 seriousness. ISKCON Devotees used to call us and enquire about our wellness and keep us in good moral with online talks, Soulful Japa, Srimad Bhagavatham, Srimad Bhagavad Gita, Stories of Srila Prabhupada, etc., ISKCON MYSORE even started serving hot healthy food to COVID-19 Hospitals in Mysore thereby even serving the patients at the time of need.

ONLINE TEMPLE DARSHANS has been very blissful and gives immediate relief to us. I sincerely pray to you Srila Prabhupada to make me an instrument in raising funds for our ISKCON TEMPLES across INDIA through Digital Marketing.

Your humble devotee,

Bhakta Krishnamurthy Ramalingam.

Dearest Srila Prabhupada,

Please accept my humble obeisances. All glories unto you.

Every time I recite the prayer,

mukam karoti vachalam pangum langhayate girim

yat-kripa tam aham vande sri-gurum dina-taranam

I feel that I do not have any good quality or capability in me. Whatever I have learnt or got, it is all but of your kind mercy.

Srila Prabhupada, your conviction in the words of your spiritual master and your strong faith in the teachings of Bhagavad-Gita is really teaching for us to develop such faith and conviction in Guru's words and the holy scriptures. You have opened all our eyes towards the spiritual world by your lectures and teachings.

I am very thankful to you for giving us the opportunity to serve Lord Krishna. We have become devotees of you and Lord Krishna. You have provided a great opportunity for us that we can't get anywhere. I am very thankful for providing the opportunity for me to serve you and to be in the spiritual world created by you in the form of ISKCON.

Thank you Srila Prabhupada

Please accept my humble obeisances.

All glories to Srila Prabhupada.

On the occasion of your Vyasa Puja celebration, I would like to express my gratitude for the boundless mercy you showed upon through your travelling and preaching mission in order to spread Krishna consciousness all over the world. You are helping the conditioned souls go back home back to Godhead.

Srila Prabhupada, I am chanting 16 rounds daily, reading books and I request you to give me more intelligence and knowledge through your instructions. I pray that you bestow me with more energy to chant more number of rounds throughout my life. I have seen how much positive changes the devotional practices have brought in me and my family. Devotees of ISKCON MYSORE has always helped me and showed me the right path to reach the ultimate goal of life that is to attain Krishna's love.

Dear Srila Prabhupada,

Hare Krishna.

It is stated in the Bhagavad-Gita, chapter 4.34 that “Learn the Truth by approaching a spiritual master. Inquire from him with reverence and render service unto him. Such an enlightened Saint can impart knowledge unto you because he has seen the Truth”.

*Krishna the absolute truth or the supreme the personality of godhead immaculately ascribed Arjuna the dutiful servant of Him, the values of guru and disciple succession throughout chapter 4 in Bhagavad Gita.*

So, in the same event, I'd like to share my short experience that how I got started my journey in Krishna consciousness. To be honest, nobody in that past since 2013, ever divulged me anything about Krishna or Bhagavad-Gita or devotional services. I honestly believe that it is due to the fact of my latter connection with Krishna in devotional service maybe through you. It is now in this birth, automatically got started with it from where I had stopped in my previous life.

So, in 2013, I started reading Bhagavad-Gita by the grace of you, our beloved Srila Prabhupada, as I strongly believe your presence in all your books and eventually, that is how I came to Krishna consciousness.

So, coming back to the fundamental topic of this letter, it is true that Guru is a representative of Krishna and He often comes to this material planet to deliver the fallen souls and to regain its spiritual or Krishna consciousness. Without the mercy of Guru, it isn't feasible for anyone to understand Krishna. He can only be understood by his pure devotees like you, Srila Prabhupada.

Srila Prabhupada, you are a prominent guru of the era. You worked and confronted arduous times thought out your life for Krishna to spread His glories to the entire mankind. You also showed the world that serving Krishna or pleasing Him through devotional service is the prime duty of the entire human civilization. Alas, most of us do not know or hardly tries for knowing the prime objective of our life.

So, if one wants to understand Krishna the absolute truth, one first has to capitulate oneself to a bonafide spiritual master who can impart the Knowledge of Krishna attributed in Bhagavad-Gita As It Is.

So, Srila Prabhupada, you are one of the ideal benchmarks of how devout and dutiful servant tries working for Krishna. Without your efforts, ISKCON would have been simply a name.

Again, it is my immense pleasure to expound about the values Guru on the great occasion of our beloved Guru Srila Prabhupada's appearance day.

Hare Krishna, Dandavats, Pranam.

All Glories to His Divine Grace A.C. Bhaktivedanta Swami Prabhupada.

Your servant,

Bhakta Mahesh.

Dear Srila Prabhupada,

Please accept my most respectful obeisances unto your lotus feet. All glories to your Divine grace.

As I came in touch with ISKCON, I met my mentor Prabhu Lakshman Dasa. He taught me about spirituality and concepts of God and how to follow them as per the directions given by you. Today I am following a few Krishna consciousness principles, only because of the mercy given you. I am very much grateful to you throughout my life for being so kind and genuinely helping me to progress in spiritual life.

For me, you are guru brahma guru vishnu gurudeva maheshwara. You are everything to me. I am thankful to you Prabhupada, forgiving soul convincing answers for all my questions regarding how to lead a meaning life, which I was carrying from many years.

I am grateful that I got associated with ISKCON and wonderful disciples of yours. I do not what punya & karma I have done in my previous life to get such benefits to relish Krishna consciousness. But I am indebted to you for whatever you have given to me.

Your most fallen servant,

Bhakta Manish Thakur.

## Bhakta Manjunath Acharya

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

The first verse of Guruvasthaka by Srila Visvanatha Chakravarthi Thakur says, "The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities."

This is not enough to glorify you Srila Prabhupada. Presently, the world needs you through your books and instructions. Kaliyuga is very degraded. But your sankirtan movement is saving millions of jiva from the clutches of Maya. Your books and lectures are ever wonderful and ever fresh.

So, praying at your lotus feet and to all Acharyas of guru parampara to give a chance to this insignificant soul to be a part of your movement which will be the only perfection of my life.

Jai Srila Prabhupada

Aspiring to be your servant,

Bhakta Manjunath Acharya.

ಶ್ರೀಲ ಪ್ರಭುಪಾದರೆ, ನೀವು ಜಗತ್ತಿನ ನಿಜವಾದ ಸೌಂದರ್ಯದ ಬಗ್ಗೆ ತಿಳಿಸಿಕೊಟ್ಟಿದ್ದೀರಿ. ಅಂದರೆ ಪ್ರಸ್ತುತ ಜಗತ್ತಿನಲ್ಲಿ ಆಧ್ಯಾತ್ಮಿಕ ಜೀವನ ಅತಿ ಮೂಲ್ಯವೆಂದು ಜನರಿಗೆ ಅರಿವು ಮುಡಿಸುವಲ್ಲಿ ತಮ್ಮ ಸುಖ ನೆಮ್ಮದಿಯನ್ನು ತ್ಯಾಗಮಾಡಿ ತಮ್ಮ ಪ್ರಾಣವನ್ನು ಲೆಕ್ಕಿಸದೆ ಹಗಲಿರುಳು ಶ್ರಮಿಸಿದ್ದೀರಿ. ಭೌತಿಕ ಜಗತ್ತು ಮತ್ತು ಆಧ್ಯಾತ್ಮಿಕ ಜಗತ್ತು ಮಧ್ಯೆ ಇರುವ ವ್ಯತ್ಯಾಸ ಮತ್ತು ಅರ್ಥವನ್ನು ತಿಳಿಸಿಕೊಟ್ಟಿದ್ದೀರಿ. ಪ್ರತಿಯೊಬ್ಬ ಮನುಷ್ಯನನ್ನು ಸನ್ಮಾರ್ಗದಲ್ಲಿ ನಡೆಯುವಂತೆ ಮಾಡಲು ಸತತ ಪ್ರಯತ್ನ ಮಾಡಿದ್ದೀರಿ.

ಸ್ಪಷ್ಟವಾಗಿ ಹೇಳುವುದಾದರೆ ಶ್ರೀಲ ಪ್ರಭುಪಾದ, ನೀವು ಭಕ್ತಿ ಮಾರ್ಗವನ್ನು ಆಯ್ಕೆ ಮಾಡಿಕೊಂಡು, ಈ ಒಂದೇ ಮಾರ್ಗದಲ್ಲಿ ನೀವು ಅನೇಕ ರೀತಿಯ ಕಷ್ಟ ಕಾರ್ಪಣ್ಯಗಳನ್ನು ಅನುಭವಿಸುತ್ತಾ, ಎದುರಿಸುತ್ತಾ ಕೊನೆಗೆ ಭಗವಾನ್ ಶ್ರೀ ಕೃಷ್ಣನ ಪ್ರೀತಿಗೆ ಪಾತ್ರರಾಗಿದ್ದೀರಾ. ಇದರಿಂದ ನೀವು ಸಾಕ್ಷಾತ್ ಶ್ರೀ ಕೃಷ್ಣನನ್ನು ಒಲಿಸಿಕೊಳ್ಳುವಲ್ಲಿ ಯಶಸ್ವಿಯಾಗಿದ್ದೀರಿ.

ನಿಮ್ಮ ವಿನಯತೆ, ಸಂಸ್ಕಾರ, ಭಕ್ತಿಯಿಂದ ಮಾತ್ರ ದೇವರಿಗೆ ಪಾತ್ರರಾಗಲು ಹಾಗೂ ಶ್ರೀ ಕೃಷ್ಣನ ಪ್ರೀತಿಗೆ ಪಾತ್ರರಾಗಲು ಸಾಧ್ಯ ಎಂದು ತಿಳಿಸಿಕೊಟ್ಟಿದ್ದೀರಿ.

ಆಧುನಿಕ ಜಗತ್ತಿನಲ್ಲಿ ನಾವು ಬದುಕಬೇಕಾದರೆ, ಶ್ರೀ ಕೃಷ್ಣನ ಸ್ಮರಣೆ ದ್ಯಾನವನ್ನು ಮಾಡಬೇಕು. ಈ ಯಜ್ಞವನ್ನು ಮಾಡುವುದರಿಂದ ನಮ್ಮ ಪಾಪಗಳನ್ನು ಕಡಿಮೆ ಮಾಡಿಕೊಳ್ಳಬಹುದು ಮತ್ತು ಮುಂದಿನ ಜನ್ಮದಲ್ಲಿ ಒಳ್ಳೆಯ ವ್ಯಕ್ತಿಯಾಗಿ ಜನಿಸಬಹುದು, ಹಾಗೂ ಕತ್ತಲೆಯಿಂದ ಬೆಳಕಿನೆಡೆಗೆ ಕರೆದೊಯ್ಯುವ ಕೆಲಸವನ್ನು ನೀವು ಮಾಡುತ್ತಿದ್ದೀರಿ. ನಮ್ಮ ಜೀವನ ಸಾರ್ಥಕ ಜೀವನವಾಗಿ ಪರಿವರ್ತನೇ ಮಾಡಲು ಹೊರಟಿದ್ದೀರಿ. ಹಾಗೆಯೇ ನಾವು ಸಹ ನಿಮ್ಮ ಜ್ಞಾನದ ಬೆಳಕಿನಲ್ಲಿ ಸಾಗುತ್ತಲೆ ಭಗವಾನ್ ಶ್ರೀ ಕೃಷ್ಣನ ಪ್ರೀತಿಗೆ ಪಾತ್ರರಾಗುವೆವು.

Please accept my most humble obeisances. All glories to your lotus feet.

First and foremost thing, thank you for showing the path towards Krishna consciousness. We have accepted you as our spiritual master and a guru for understanding Lord Krishna and His pastimes & activities by your preachings.

I pay my respectful obeisances unto you, who saved us from the darkest region of material existence and gave us the knowledge. Millions & millions of Dandavats to you.

I know that one cannot repay you back for what you have given to us; even if we serve you for millions of lives. I would like to glorify you by reciting some of your words that you have allowed me to always remember, and hope that others may be comforted and inspired by them also:

*"Whenever a devotee is in distress or has fallen into difficulty, he thinks that it is the Lord's mercy upon him. He thinks, thanks to my past misdeeds I should suffer far, far greater than I am suffering now. So, it is by the mercy of the Supreme Lord that I am not getting all the punishment I am due. I am just getting a little, by the mercy of the Supreme Personality of Godhead. Therefore, he is always calm, quiet, and patient, despite many distressful conditions."*

(Bhagavad-gita As It Is 12.13-14)

Even though we may not have the fortune to contact the Supreme Lord personally, the Lord's representative is as good as the Lord Himself because such a representative does not say anything unless it is spoken by the Supreme Personality of Godhead.

I remain grateful to you, Srila Prabhupada for 'saving' me from the depths of illusion, delusion, and 'hell'. I am determined that under your watchful eye and guidance, I will eventually fulfil my desires.

So, Dear Srila Prabhupada, thank you from the core of my heart for your enlightening wisdom. There is actually no end to your nectarine words that have saved us all.

Hare Krishna. Bhakta Nagachandra Jain.

Dear Guru Maharaj Srila Prabhupadaji,

I joined ISKCON family as a life patron in the years 1985-86. I joined the International tour organized by ISKCON Bangalore led by His Grace Madhu Pandit Dasji. I visited U.K, U.S.A, Switzerland etc. where I was excited to see places where Guru Maharaj put his efforts for years undertaking so many difficulties to make western people understand what is "Krishna Consciousness". Guru Maharaj, you succeeded and the westerners embraced the God understanding process which is as simple as to always say "HARE KRISHNA" maha-mantra. I had earlier read the biography of yours and enjoyed my foreign trip by seeing all places of your efforts. The "Hare Krishna" movement is spreading all over the world including the communist countries. Krishna Consciousness is spreading on its own with the good work done by devotees all over the world. I am personally benefitted by chanting "Hare Krishna" mantra daily.

I humbly submit my obeisances to you, the great guru – Srila Prabhupada for your achievements.

Your humble servant, Bhakta Nagaraju D.

Dear Srila Prabhupada,

If I had to write this glorification for last year's Vyasa Puja, I could not have picked words to express my homage unto you, His divine grace A.C. Bhaktivedanta Swami Prabhupada. But, with the inspiration that our Guru spent years describing the indescribable, our Supreme Lord, I attempt to glorify him.

After years of exploring into different spiritual paths, I had the blessing to attend a Geeta Saaram course near my house last year. Simply upon hearing your endeavours at the age of 69 onwards, there was a spark of deep interest to know the inspiration behind such dedication - a natural consequence of any sincere seeker. My immediate conclusion was that there has to be a much superior, divine inspiration behind your work, and partook on a mission to know it. And now, after a year, you are nothing less than my saviour. You simply began by strongly pointing out that I'm struggling in this ocean of material existence, something that I've denied passively.

And now, as I'm trying to know your teachings more and more, I think to myself - what would my life be without the movement, your books, your lectures? What would my future be without your instructions? I was almost heading into the void.

I love you, dearest Srila Prabhupada. Developing such love and respect to anybody, especially someone whom I never met in person, is something that I never thought might happen. And this is what would happen to anybody who tries to know you more, to know more of your teachings of this transcendental science of love of God. People who judge only from the outside are so unfortunate that even with as little progress in Krishna Consciousness as mine, I would see all possibilities to give them a taste of what I've partaken - Preaching, as we call it. I hope that I make myself worthy of serving you for as long as I swim here.

Jai Srila Prabhupada

Your humble follower, Bhakta Nandeep.

I was born in the darkest ignorance and my spiritual master opened my eyes with the torch of knowledge I offer my respectful obeisances unto him.

You are the greatest saviour of the fallen souls born. You should be called as “Maha Patita Pavana” because you are empowered by Sri Chaitanya Mahaprabhu to spread the holy names all over the globe and deliver millions of fallen souls as compared to what Lord Chaitanya Himself did by delivering few souls on this Bharata Bhumi.

You see us all suffering due to illusion which has blinded our ultimate goal of life and also bound us to this material world through many attachments. Yet, as a most merciful father embraces the prodigal son, similarly you are embracing and guiding us in the path of Krishna consciousness and have made us be a part of your spiritual family of ISKCON.

We beg to remain as a tiny part of your inconceivable plan of spreading Lord Chaitanya’s message to others and perform some small task in this matter for receiving your causeless mercy.

So, we pray Srila Prabhupada, kindly be pleased with whatever litter we offer you. We are eternally indebted to you for offering us this opportunity of devotional service.

I sincerely wait for the day of my initiation to being blessed by you and Their Lordships. Please direct me with your kind mercy so that I may achieve Lord Krishna’s eternal abode in this very life itself.

All glories unto your lotus feet Srila Prabhupada.

Your aspiring servant, Bhakta Naveen T.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories unto you.

I am very fortunate to have the opportunity to write an offering to you on the auspicious day of your appearance. First of all, I am very thankful that I got connected to your movement in this life. I want to express my gratitude to you today for all your efforts and hard work for fallen conditioned souls who are suffering so badly in this world who don't even know their pains.

Thousands of souls are getting your causeless mercy which has no end. Only by your mercy in this life, I came to know what is the real goal of life, what are the pains which are making more and more sufferings for us. Kindly show us the way by which we can attain perfection and make this life successful.

By your grace only, I realized what kind of happiness can be obtained by loving and serving the Supreme Lord. My words cannot express what kind of gratitude I feel for your mercy. Please always keep me under the shade of your lotus feet.

Your servant,

Bhakta Nitish P.

Dear Srila Prabhupada,

Hare Krishna,

My sincere obeisances unto your lotus feet and wishes to all on the occasion of Vyasa Puja. I wish to express my views on this platform about how everything changed in me within a span of few days/months.

As I am an engineering graduate and very much fashioned about my technical field, I never knew what's the spiritual life is. Now each and every day, I receive quotes of Krishna and about Gita early morning from Lakshmana Prabhu. I am blessed to be shown the right path with a pure heart and we already listened to so many classes from Prabhu. Now we are chanting each day and we are following regulative principles.

All the above things were possible because of you – Spiritual master Srila Prabhupada. Your presence in our lives in taking us from the path of ignorance to truth and from suffering to salvation.

I express my gratitude to the Spiritual master Srila Prabhupada through my salutations.

Hare Krishna.

Your humble servant, Bhakta Pradeep B.

My Dearest Acharya,

Pranams!

A few years ago, I came to Krishna's temple in Mysore built by your grace, as I was a sick man.

Sick in the Body, Mind, Heart and Soul. And there is today, free of all sicknesses. Once I was almost on death bed. Condition improved to "breathing at last" due to the grace of Krishna. As a natural progression, I started hearing your words on Youtube.

The very first step you wanted me to take was to have a bath in the Morning! Which I did. The next step you wanted me to take was to visit Krishna Temple every day, which I did. Then came Japa, Sankirtana, Sunday celebrations, Janmashtami, Gaura Poornima, Narasimha Jayanti, Balaram Jayanti etc. and I was airborne! My food habits changed for good, my way of dressing changed, my thought process changed, my perspective changed, my posture changed, I was no more the marshy mud. I became a small Pink Lotus that had Bloomed! Graciously!

I was always interested in Spirituality, Philosophy and Esoteric subjects since my childhood, as an intellectual exercise, I guess. Your words, in the form of books and recordings, added a whole new dimension. I simply found no alternative but to surrender to Krishna. Not begging him for something-anything, but loving Him, passionately. I have now become “Krishna centric”. I am developing to wake with Krishna, sleep with Krishna, eat with Krishna, walk with Krishna, breathe with Krishna.....Live for Krishna!

Bhagavad-Gita, Srimad Bhagavatam, Chaitanya Charitamrita, Namamrita and few more have kept on filtering the murkiness. Now the water is potable. Perhaps one day, I can be clear enough to be used for Abhishekam and be blessed to become Charanamrita.

Last year, I wrote to you a very small letter, in an emotional vein. This year I feel subdued, I simply have a cosmic rhythm, I am sorry if it sounds grandiose. You once said many people look like Vaishnava-Krishna followers but are not! One is a Vaishnava by his behaviour. I am trying. Although I have tried reading the Gita, it is obvious that I need to evolve more to absorb its essence in all its glory. You also said there are 26 Gunas in a true Vaishnava. However, one need not work hard to attain them, just practice humility and the rest will follow. I am trying that formula earnestly. Sometimes ridiculed and laughed at by even those who are already on the path you have paved. However, you have taught me not to bother, and to just ignore such trivia.

Being a highly reactive person by nature, I am working diligently to be more tolerant, patient as a tree. But at times, Acharya, it's really trying. On the other hand, I now have friends all over the world and locally to whose lives I could add a small quantum of “Truth”. Assisting them to lead a richer life.

You once said loose the “False I”. I am on the verge of it. I am known locally as “Hare Krishna”! I want to see you smiling always at my childish joy. This alone is my humble Guru Dakshina to you. My Master!

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare*

A humble, simple, lover of Krishna created by you, Bhakta Pradeep Gour.

I offer my respectful obeisances unto you.

I cannot be thankful enough for everything you have given me. It is out of your causeless mercy that I and many of the devotees have been able to find the true purpose of life and practice Krishna consciousness. You have revealed and preached principles Krishna consciousness to the world selflessly and you inspire all of us every single day of our lives.

I just have a simple request for you. Please bless me to always remain under the shelter of Lord Krishna. Please bless me to understand the principles of Krishna consciousness better and implement the etiquettes & its principles in my life.

I also want to request you to remove all obstacles in my path of devotional service and empower me to practice Krishna consciousness better. Hare Krishna.

Dear Srila Abhay Charanaravinda Bhaktivedanta Swami Prabhupada,

I offer my respectful obeisances unto you, who is very dear to Lord Krishna, having taken shelter at His lotus feet. We pay our respectful obeisances unto you, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with imperialism and colonialism.

On your 124th divine appearance day, words are not enough to thank you wholeheartedly for bringing me in touch with your ISKCON society. Your divine self brought me in the loving association of Vaishnava devotees at a time when I was clueless about the purpose of life. You are truly a guiding light for the misguided soul who is entangled in this nescience called material world. I admire you for the courage and determination to spread the message of Lord Chaitanya Mahaprabhu and engaging the entire world in embracing Krishna Consciousness. Srila Prabhupada, your legendary life is an exemplary example of dedication, hard work, humility, love, and compassion for the entire world. It is my great fortune to be associated with you through your books, lectures, temples, and devotees. Life is meaningless without engaging our senses in the loving service of Krishna. I do not consider myself worthy of whatever you have given me. It is your inconceivable mercy that my life has been gifted with a second chance. I shamefully admit to having failed on this path due to material engagements. I can only pray for your mercy to somehow bring me back on track and follow your principles to advance in Krishna Consciousness. Thank you for everything, my dear spiritual master.

Dear Srila Prabhupada,

I offer my respectful obeisances unto my spiritual master, Srila Prabhupada, the deliverer of the fallen souls and by whose mercy the dumb is turned into an eloquent speaker and who enables the lame to cross mountains.

With deep appreciation and humbled by your extraordinary example of spiritual quality and authenticity, I cannot find the words to express my gratitude for your loving encouragement. I think PATIENCE says it best. Although COMPASSION is

what that patience comes from. To tolerate such a fallen soul as me who is always struggling in the realm of Maya, to have even a little faith in the Hare Krishna Mahamantra and devotees, is actually an inspiration. If you can show that much compassion and tolerance to me, it means how much I should show to others. You are such a wonderful soul that you have taken Krishna's mission tirelessly all over the globe. I am equally proud to be somehow connected with you and also ashamed of the poor example that I have been and the useless servant I have become. Your words are not lost in me and I pray to be rectified from my fallen condition and be able to assist and help you serve ISKCON.

I pray that you will not give up on me as I struggle to make progress. I pray that you will continue to bless me with the desire to chant the Hare Krishna Mahamantra. I pray that I can have more and more of your association and that I can find some steadiness in my devotional life. You are always my well-wisher and I am eternally grateful for your kindness. I will not give up and promise to try harder to be useful to you in the mission of the International Society for Krishna Consciousness.

Although this day I should be offering you something, I can only beg that you give me a small place anywhere in your mission.

Yours faithfully,  
Bhakta Rakesh L.

## Bhakta Ramnaresh

Respected Srila Prabhupada,

I offer my humble obeisances unto your lotus feet.

The previous calendar year was a special one for me, as I got married and entered grihastha ashram. Because of your grace and blessings of Sri Radha Krishna, I am practising Bhakti without interruption. Entering grihastha ashrama is a new challenge for me as I have to manage both my family and spiritual responsibilities without hindrance.

Because of your grace, luckily my wife is a theist and believes in God. She attends temple festivals and occasions. We are following Ekadashi fasting and Dwadashi offering to the Lord without interruptions.

I am able to get some time to hear lectures. But I'm not able to get time to get actively involved in temple services as I used to do earlier. Sometimes I'm getting really disturbed while doing Pooja and Deity worship. Please bless me to continue my devotion without any disturbances and give me the power to control my mind.

Even though I know some devotional principles still I am not able to execute them to the fullest extent. I feel sad when some initiated full-time temple devotees leave the temple because of internal conflicts among them. They are really finding it difficult to continue their livelihood in this world outside. Please protect them.

I also feel that the concept of the temple congregation is slowly coming down in all the temples. I pray to you to bring back that charm and unity and also the numbers so that we can practice Krishna consciousness as a family.

I also pray at your lotus feet to continue your blessings on me and my family to continue this Bhakti towards Lord Krishna with ardent faith and everlasting enthusiasm. Since it is the time for me to expand my family, I pray to you to please bestow power on me to beget Krishna conscious children.

All glories to Guru and Gauranga. All glories to Srila Prabhupada.

Yours unworthy and undeserving disciple,

Bhakta Ramnaresh.

Dear Srila Prabhupada,

On this blessed day, we celebrate your auspicious appearance in this material world. It is with deep heartfelt gratitude, I offer my humble obeisances at your divine lotus feet.

Where would I be today without you? You have given me the most matchless, most priceless gift anyone has ever given to me. You have given me Krishna. You have told us that there is God and His name is Krishna. You have educated us that Krishna is the Supreme Personality of Godhead, who is full of opulence and who is the source of the entire creation. You have explained the path of Bhakti Yoga, the path of love and devotion which can free us from the cycle of repeated births and deaths and leads one back home, back to Godhead.

Often, I ask myself the question “who are you Srila Prabhupada?” You have blessed the shores of American continent having travelled so far with just only Rs.40/- with you for fulfilling the mission of your Guru Maharaja. A simple sanyasi who looks like a beggar has so much to give? Who has given more to this world than you? And such priceless gifts, you brought. You have brought light to this dark world. You brought Krishna prasadam to feed the starving masses. You brought knowledge to nourish the ignorant minds and you brought kindness and compassion to a cruel and heartless land. You have given me more than anyone else ever has; a fulfilling life, and a hopeful future. Srila Prabhupada, I know who you are now. You are my best guide and ever well-wisher.

Wishing to remain forever in your service

Your humble servant,

Bhakta Ramu K.

I offer my respectful obeisances unto my spiritual master who has opened my eyes blinded by the ignorance with the light of knowledge.

You have given me an opportunity to make my human form of life successful by taking the process of Krishna consciousness. It is by your causeless mercy that today I am trying to practice Krishna bhakti. My success in practising Krishna bhakti lies at your lotus feet. You have given me so many blessings because of that I am able to chant the Holy Names of Krishna.

So, please shower your mercy upon me and let me stay at your lotus feet forever engaging my entire life in your service.

Your aspiring servant,

Dear Srila Prabhupada,

We are born in this world without a choice of religion, country, parents, caste, creed, race, and a name which we can't even choose. All these are predestined, presented & given to us and this is also not our choice. But after this, once we gain the consciousness of who we are, who are our parents are, which is our house, relatives, friends, pets and the list goes on, and the whole world starts looking complicated. On top of this, there are a million questions with all kinds of curiosity and doubts and limited answers to them. When you approach your parents, relatives, teacher, and friends with your questions, you always get an answer according to their intellectual capability which may be superficial but doesn't satisfy the quest for knowing the real answer this is because the inner consciousness knows what the right answer which it wants to hear is. This is when the real quest to find the truth begins and the person starts his journey in the search of the answers he wants to know.

Life has its own nature, energy, and it will make a person do things happily or unhappily. It is important that an individual looks into the real nature of life and find the answers to all these challenges. Now when an individual is so bogged down by their exterior world that they do not know what are they made up of? What is their purpose of life? Why have they come and where shall they go? These basic questions do not have a definite answer and all these answers have to come from within. Now the million-dollar question is how to go within?

In the outer world with the mode of transport, a distance can be covered in a specific time but when the question is to go within, it is there but still, it seems so far and this journey seems to take forever. Now when you have taken a stance to make this journey and the burning desire to know everything grows, a person appears in front of you who seem to be the right person and you instantly connect with him. He seems to know you in and out and has answers for all your doubts and questions, and that's when you accept and revere him as your Guru.

A guru teaches you methods and techniques which can pave the way to liberation which is an ultimate goal for any human being born on this earth. His blessing and grace will help you to cross any hurdle which may be in one's way. He is not the one who carries you on his back but holds your hands and shows you the path on which you need to carry out your journey. The journey to your inner world is just a cakewalk when you have a Guru in your life. Whenever you face tough or challenging situations you always have a Guru's wisdom to handle them most effectively and efficiently.

When the world was invaded by hippies and they were engrossed by sex and drugs, then an old saint from India who had well past his prime age, had the idea of changing the world by introducing a new world of Krishna and His consciousness. He went to the United States without anything in his pocket but a lot in his mind. He was so magnetic that people were just drawn towards him without any reason and they just felt that the world of Krishna was much more beautiful than that of the world of sex and drugs. They loved the bhajans and kirtans because it was a way of transcending them to the real bliss of Krishna Consciousness. The chanting of the Supreme Lord's name was one of the best ways to find enlightenment within oneself. Just by chanting this holy mantra in the Kali Yuga, it is a guaranteed ticket towards enlightenment and liberation. He taught the world the essence of Gita in its true nature. The real sense and meaning in which Krishna wanted to communicate it to Arjuna. Many had, have, and are going to be benefitted by this Saint, My Guru..... His Divine Grace A. C. Bhaktivedanta Swami Prabhupada.

A bow to this Great Saint to have introduced me to the world of Krishna Consciousness where every moment is just bliss and it just keeps dissolving me into it.

Your humble follower,

Bhakta Rao T S.

Dear Srila Prabhupada,

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare*

From the time, we got associated with ISKCON, Mysore, we feel to lead a most spiritual way of life. Through your teachings, we have sustained a simple way of life. The Mahamantra paved way to cross all the hurdles in our daily life. Being in Krishna consciousness has brought many changes in our life. Visiting ISKCON Temple and associating with devotees made us learn many aspects of Krishna consciousness which we have implemented in our daily life like reading Bhagavad-Gita, listening to Srimad Bhagavatam classes, chanting 16 rounds of Hare Krishna Mahamantra have guided us to correct our mistakes in our daily life. Your instruction to have only prasadam is giving us a positive intention in our daily work. In the present situation of COVID 19 when there was a huge downfall in earnings and gave stress to all the surrounding persons, somehow by practising Krishna consciousness, our mind is being kept very normal without any stress and is paving way for our good living.

Srila Prabhupada, I thank you very much for giving us the greatest gift of Bhagavad-Gita As It Is to us. I am inspired by the following two verses from the Bhagavad-Gita which guides us on how we should lead our life by engaging our senses and life in the service of Lord Krishna.

*yas tv indriyāṇi manasā, niyamyārabhate 'rjuna  
karmendriyaiḥ karma-yogam, asaktaḥ sa viśiṣyate*

TRANSLATION

*On the other hand, if a sincere person tries to control the active senses by the mind and begins karma-yoga [in Kṛṣṇa consciousness] without attachment, he is by far superior. (B.G. 3.7)*

*yajñārthāt karmaṇo 'nyatra, loko 'yam karma-bandhanaḥ  
tad-arthaṁ karma kaunteya, mukta-saṅgaḥ samācara*

TRANSLATION

*Work done as a sacrifice for Viṣṇu has to be performed; otherwise, work causes bondage in this material world. Therefore, O son of Kuntī, perform your prescribed duties for His satisfaction, and in that way, you will always remain free from bondage. (B.G. 3.9)*

We thank you, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, for giving us the way on how to become a devotee of Lord Krishna & to lead a good life to reach Lord Krishna's lotus feet.

Your servant,

Bhakta Reuben J. Thilaga.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you and your mission to save the world! On this sacred day, I offer you my heart.

I used to ponder, "Why does the potter knead the clay before forming it?" Later I came to know that it is to remove all impurities from the clay so that when the pot is kept on fire it does not crack. Similarly, a spiritual master also trains his disciples in such a way that they don't crack at the time of death. That "kneading process" comes via the instructions of the spiritual master and in the execution of his orders.

Out of many millions of wandering entities, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, one can easily receive the seed of the creeper of devotional service.

I have read many books written by you and they seem to possess the immense power to change anyone's life and take the person back to Godhead. Even if you are not present physically in this world today, still your divine presence can be felt by reading your sacred books. Your books contain the enlightening knowledge to guide anyone in their spiritual path. They are just like the bright lamp that destroys the darkness of ignorance.

Oh, guru! You are the messenger of divine love, an internationally acclaimed Vedic scholar, a prolific spiritual author, a visionary spiritual leader, a social reformer, builder of worldwide temples, pioneer of Vedic spiritual science and also an empowered devotee of Krishna. I bow to you a hundred times. Today my advancement in the spiritual life is all because of your divine mercy. Please I request you to stay in my heart forever so that I never forget you throughout my life.

Your humble servant,

Bhakta Rishi Shekar Sinha.

Dear Guru Maharaj,

I bow down to your worshipful feet. All glories to you on this auspicious occasion. I always adore you for the spiritual journey of my life. You have shown the correct way to move on in my life by facing all the obstacles and to get grip on it in all the spiritual means. Nevertheless, I always hope to be your servant until the end of my life.

Your shade of lotus feet is the only way to attain devotional service. Even though we cannot see your physical presence, we are fortunate to have your teachings in the form of books and recorded conversations. You have opened my darkened eyes with your ocean of mercy. Your fame is spread all over the world.

You are the only saviour of fallen souls.

Jai Srila Prabhupada.

Always your servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of your holy lotus feet. All glories to your Divine Grace!

I owe everything to you. I feel your presence in many ways. You have shown me the path to spirituality through your teachings and example of dovetailing one's energy and talent in Krishna's service. How could we have ever arrived at such a conclusion without meeting your Divine Grace? Our personal endeavour has revealed to us the practicality and effectiveness of your instructions and it has become obvious that we are never the losers by following your instructions faithfully.

There are so many ways in which I can glorify you, so many ways that you have bathed me in the ecstasy of your mercy - Chanting the Holy Name and dancing, performing devotional service for the pleasure of Lord Krishna and His devotees, preparing nice foodstuff for the Lord and then honouring them. But most of all you are glorious for your divine books in which you have revealed the whole spiritual world.

You not only helped me in the spiritual journey but also guided me in my family life. You have given me intuition powers to decide what is good and what is bad for my life. You also gave me powers to decide what path to take that will guide my soul through the spiritual path. You help me to inculcate discipline in my life. You help me gain self-control over my mind and also help me direct my senses in the right direction. You prevent us to fall into any troubles by helping us control our lives by providing wisdom.

My life has become magical now because of the presence of a Guru in my life. My way of viewing things has completely changed now and I have gained a lot of understanding over things I never even knew. My Guru has helped me know the importance of my human birth and the role and nature of my soul. I am experiencing a lot of miraculous powers in my life because of the presence of my Guru. I beg to remain in your service, eternally,

Thank you, Srila Prabhupada.

You are everything to me. Please let me be your eternal servant.

Your faithful servant,

Bhakta Saurabh Sinha.

Dear Srila Prabhupada,

My humble and respectful obeisances to Sri Chaitanya Mahaprabhu, His associates and Srila Prabhupada.

It is a great pleasure and privilege to say a few words about our great Guru, Acharya, Spiritual Master and a Great Man of the century. We are very fortunate to have Jagad Guru like His Divine Grace A. C. Bhaktivedanta Swami Srila Prabhupada. I do not have any qualification or experience to say anything about you, Srila Prabhupada. But would like to write a few words, about what it has taken to achieve this status of Acharya by you.

Srila Prabhupada, you are a great spiritual master of the 21st century; such people are once in a millennium. You are phenomenal, which will take our whole life to study. You were well versed with Bengali, Sanskrit and English. From the bottom of my heart, I Admire, Appreciate and Adore you Srila Prabhupada. You have built a bridge between the East and the West. You were a simple man and achieved greatness with your dedication, determination and devotion. You have fulfilled your Guru His Divine Grace Srila Bhaktisiddhanta Sarasvati Thakur's desire for spreading Krishna consciousness in the west and writing books in English.

You are a Mahapurusha and Mahamanushya and it will not be wrong if we call you Mahasadhaka.

I thank the President of ISKCON MYSORE and other members for allowing me to write a few words about you, His Divine Grace A. C. Bhaktivedanta Swami Srila Prabhupada.

My special regards to Sri Gunarnava Dasa for encouraging me to do Japa and read Srila Prabhupada Lilamrita and Sri Chaitanya Charitamrita. I pray God that Vyasa Puja celebrations on 13<sup>th</sup> August 2020 will be successful as before last year.

Dear Srila Prabhupada,

Hare Krishna,

Reading the Bhagavad Gita As it is by Swami Prabhupad has given an inner sense of peace. I am forever grateful for all his translation efforts to make it accessible and understandable for everyone.

The reading has calmed the storm in my mind about questions that I've had on why there is so much disparity in this world, why there is such a big difference between rich and poor, or why are some born with lifelong difficulties and some with privileges. The fundamental understanding that we as humans are only created for the enjoyment of the Divine, has allowed me to understand that all emotions or situations we face on a daily basis are only temporary in nature. All material desires are also temporary. I've found a lot of solace with the Hare Krsna chants and prayers on a daily basis, which has given me the strength to be content with all the blessings I have received from the Almighty. This has, in turn, helped me gain a lot of clarity of thought in my entrepreneurial venture to be patient and think long term without panicking or worrying on a small day to day administration problems. In parallel, reading the Gita, chanting and following Ekadashi has played an instrumental role in maintaining good relations with friends and family without feeling homesick or emotionally disconnected, despite being physically away from everyone.

Your sincere follower,

Bhakta Shashank.

Dear Srila Prabhupada,

Please accept my humble obeisance's unto your lotus feet and bless me to become worthy of your causeless mercy.

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale*

*śrīmate bhaktivedānta-svāmin iti nāmine*

*namas te sārāsvate deve gaura-vāñī-pracāriṇe*

*nirviṣeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

I can't imagine how my life would have turned if I hadn't come under your shelter. It's been 10 years since I started attending the Secrets of Success sessions and the experience and journey are astonishing. The journey of just another boy from the Mysuru city to a Folk boy and to a Congregation devotee is remarkable, and it wouldn't have been possible without your causeless mercy.

In these 10 years, I've come across several ups and downs and the only constant in all these years was you and Krishna & no one else. It's only because of the knowledge and wisdom presented beautifully in your books and classes I am able to try to thank you with mere words.

What words can this fallen soul find to express gratitude other than acknowledging the fact that there is no me without your causeless mercy & blessings showered time to time at times of both happiness & distress.

This year I was blessed to visit Sridham Vrindavan Dham along with my wife & it was dream come true for her & me of course, on the journey to Vrindavan I happened to learn from fellow devotees about their personal experiences & was very happy to know how Krishna helps his devotee through various means in the way least expected & It's only because of you that we devotees are able to see the presence of Lord Krishna in our day to day life. also, I thank you for showering your mercy on everyone across the globe & turning them into first-class devotees who are trying their best in taking forward your legacy.

I pray to you to empower all devotees who are in the quest of fulfilling your mission & I wish to see the grand opening of the beautiful & a magnificent Nava Vrindavan Dham temple very soon.

Prabhupad, I now stand before you as a grihastha devotee waiting for your continuous guidance & empowerment to cross this material world and reach back home, back to Godhead.

I have been told of late that I have an aggressive attitude and I am sure it is not a good quality which suits a devotee. I might have offended many devotees as a result of this, and I seek forgiveness and I request your support to overcome this & grow in my spiritual and material life.

Thank you again for all the great opportunities and love showered on me in all these years and I pray humbly to bless me to become a better devotee and contribute to your mission in all the way possible to the best of my abilities.

Thank you Srila Prabhupada!

Yours sincerely,

Dear Srila Prabhupada,

Please accept my respectful humble obeisances unto your lotus feet.

I am spellbound by miracles that have happened in my life. I never expected that I would have progressed to this stage, what I am now, by my mere insignificant endeavour. These all benedictions what I am enjoying it because of your causeless mercy. I am trying to recognize your love in every step of my life.

Some of your instructions which made a significant impact in my life are:

*"One who is ignorant of scientific knowledge of the spirit soul does not look inside the body to find happiness in the soul; instead, he goes outside to search for happiness."*

*"A devotee is always begging the Lord for His mercy."*

*"Simply we have to desire to please Him (Krishna) and not desire anything for ourselves. Then we become simply an instrument for His will. This is the important essence of Krishna consciousness."*

*"The successful execution of Krishna conscious activities requires both patience and confidence. The devotee thinks "Krishna will surely protect me and give me help for the successful execution of devotional service. This is called confidence."*

*"Pride in victory, or moroseness in defeat, is useless. One should fully depend on the Supreme Personality of Godhead, who is responsible for the victory and defeat of all living entities."*

I am specially blessed to get the association of ISKCON Bangalore group devotees and some of the amazing gifts they are distributing to the world are "soulful japa module and sessions", online live darshan, daily darshan, Satsanga etc.

I am begging you Srila Prabhupada, to kindly continue your causeless mercy on all living entities. Please forgive for my inability to vividly describe your glorious mercy that I am relishing.

Trying to be your eternal servant,

Bhakta Shiva Kumar B G.

ನಿರ್ವಿಶೇಷ ಶೂನ್ಯವಾದಿ ಪಾಶ್ಚಾತ್ಯ ದೇಶ ತಾರಿಣಿ"

ಪರಮ ಪೂಜ್ಯ ಭಕ್ತಿವೇದಾಂತ ಸ್ವಾಮಿ ಶ್ರೀಲ ಪ್ರಭುಪಾದರೇ ನಿಮ್ಮ ಪಾದಗಳಿಗೆ ನನ್ನ ಪ್ರಣಾಮಗಳು.

ನಿಮ್ಮ ಅತೀವವಾದ ದಯೆ, ಕರುಣೆ ಮತ್ತು ಕೃಪೆಯ ಕಾರಣದಿಂದ ಕಳೆದ ಹಲವು ವರ್ಷಗಳಿಂದ ಹರೇ ಕೃಷ್ಣ ಮಂತ್ರವನ್ನು ಜಪಿಸುವ, ಪ್ರಸಾದವನ್ನು ಸ್ವೀಕರಿಸುವ ಮತ್ತು ಇಸ್ರಾನ್ ಭಕ್ತವೃಂದದ ಸಜ್ಜನ ಸಹವಾಸದಿಂದ ಉಪಕೃತವಾಗುವ ಸುಕೃತಿಯನ್ನು ಪಡೆದುಕೊಂಡಿದ್ದೇನೆ. ನಾನು ಹುಟ್ಟಿದಂದಿನಿಂದ ಇಲ್ಲಿಯವರೆವಿಗೂ ನಾನು ಯಾರಿಂದಲಾದರೂ ತುಂಬಾ ಪ್ರಭಾವಿತನಾಗಿದ್ದೇನೆ, ಅತಿಯಾಗಿ ಪ್ರಯೋಜನ ಪಡೆದುಕೊಂಡಿದ್ದೇನೆ ಮತ್ತು ವ್ಯಕ್ತಿತ್ವದಲ್ಲಿ ಉತ್ತಮ ಬದಲಾವಣೆ ಕಂಡುಕೊಂಡಿದ್ದೇನೆಂದರೆ ಅದು ನಿಮ್ಮಿಂದಲೇ. ನನ್ನ ಜೀವನದಲ್ಲಿ ನಿಮ್ಮ ಪಾತ್ರ ತುಂಬಾ ದೊಡ್ಡದು. ನಿಮ್ಮ ಆಗಮನ ನನ್ನ ಜೀವನದಲ್ಲಿ ಆಗಿರದಿದ್ದರೆ ನಾನು ಖಂಡಿತವಾಗಿಯೂ ಪೂರ್ಣವಾಗಿ ಅಂಧ ತಮಸ್ಸಿಗೆ ಹೋಗಿ ಬಿಡುತ್ತಿದ್ದೆ. ನಿಮ್ಮಿಂದ ಪಡೆದುಕೊಂಡ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆ ಜ್ಞಾನವಿಲ್ಲದೆ, ಹರಿನಾಮ ಸ್ಮರಣೆಯಿಂದ ಸಿಕ್ಕಿರುವ ಉತ್ತಮ ಸಂಸ್ಕಾರವಿಲ್ಲದೆ ಹೋಗಿದ್ದರೆ ಇಂದು ನನ್ನ ಜೀವನ ಅದೇನಾಗಿರುತ್ತಿತ್ತೋ ನೆನೆಸಿಕೊಂಡರೆ ಭಯವಾಗುತ್ತದೆ. ಈ ಕಲಿಯುಗದಲ್ಲಿ ನೀವು ಮಾತ್ರ ಹೀಗೆ ಒಬ್ಬ ತಮೋಗುಣದ ವ್ಯಕ್ತಿಯನ್ನು ಹರಿನಾಮ ಜಪಿಸುವ ಹಂತಕ್ಕೆ ತರಬಲ್ಲೀರಿ. ಅದಕ್ಕಾಗಿ ನಿಮ್ಮ ಪಾದಗಳಿಗೆ ಅದೆಷ್ಟು ಬಾರಿ ನಮಿಸಿದರೂ ಕಡಿಮೆಯೇ.

ನೀವು ಆ ಭಗವಂತನ ಲೋಕದಿಂದ ಭೌತಿಕ ಲೋಕಕ್ಕೆ ಪತಿತರ ಉದ್ಧಾರಕ್ಕಾಗಿಯೇ ಬಂದವರು, ನಿಮ್ಮ ಸಂಪರ್ಕಕ್ಕೆ ಬಂದ ಪ್ರತಿಯೊಬ್ಬ ಜೀವಿಗೂ ಮುಲಾಜಿಲ್ಲದೆ ದೇವೋತ್ತಮ ಪರಮ ಪುರುಷ ಕೃಷ್ಣನನ್ನೇ ಕೊಟ್ಟು ಜಗದ್ಗುರು ನೀವು. ಭಗವದ್ಗೀತೆ ಯಲ್ಲಿ ಕೃಷ್ಣ ಯಾರನ್ನು ಮಹಾತ್ಮರೆಂದು ಸಂಭೋದಿಸುತ್ತಾನೋ ಆ ಮಹಾತ್ಮರು ನೀವೇ. ಎಲ್ಲಾ ಜೀವಿಗಳ ನಿಜವಾದ ಶ್ರೇಯಸ್ಸನ್ನು ಬಯಸುವ ಪರಮ ಪೂಜ್ಯರು ನೀವು. ಪ್ರಪಂಚದ ಇತಿಹಾಸದಲ್ಲಿ ನಮಗೆ ನಿಮಗಿಂತ ಮುಖ್ಯವಾದವರು ಮತ್ತೊಬ್ಬರು ಸಿಗುವುದಿಲ್ಲ. ಚೈತನ್ಯ ಮಹಾಪ್ರಭುಗಳು ಭವಿಷ್ಯ ನುಡಿದ ಕಲಿಯುಗದ ಸುವರ್ಣಯುಗಕ್ಕೆ ದಿಕ್ಕೊಚ್ಚಿಯಾಗಿರುವ ದೈವಾಂಶ ಸಂಭೂತರು ನೀವು. ನಿಮ್ಮ ಸಂಪರ್ಕಕ್ಕೆ ಬಂದ ನಾವೇ ಧನ್ಯರು.

ನಿಮ್ಮ ಕೃಪೆಯಿಂದ ಇನ್ನಿಲ್ಲದಂತೆ ಉಪಕೃತನಾದರೂ ನನ್ನ ಪತಿತ ಬುದ್ಧಿಯಿಂದ ನಿಮ್ಮ ಪಾದಕಮಲಗಳಿಗೆ ಬಹಳ ಅಪಚಾರ ಮಾಡಿದ್ದೇನೆ, ಮಾಡುತ್ತಿದ್ದೇನೆ. ನನ್ನ ದುರ್ಬುದ್ಧಿಯ ಕಾರಣದಿಂದ ಹತ್ತು ಹಲವು ಬಾರಿ ಗೊತ್ತಿದ್ದು ಗೊತ್ತಿದ್ದು ವೈಷ್ಣವ ಅಪರಾಧಗಳನ್ನು ಮಾಡಿದ್ದೇನೆ. ನಿಮ್ಮ ದಯೆಯಿಂದ ದೊರೆತ ಉನ್ನತವಾದ ಆಚಾರ ವಿಚಾರಗಳ ಪ್ರಾಮುಖ್ಯತೆ ತಿಳಿದಿದ್ದರೂ ನನ್ನ ಮಂದಬುದ್ಧಿಯ ಸ್ವಭಾವದಿಂದ ಸರಿಯಾಗಿ ಭಗವಂತನ ನಾಮಸ್ಮರಣೆ ಮಾಡಲಾಗದೆ ಹೋಗುತ್ತಿದ್ದೇನೆ. ನನ್ನನ್ನು ಕ್ಷಮಿಸಿ.. ನನ್ನ ವ್ಯಕ್ತಿತ್ವದ ದೋಷಗಳನ್ನು ಮನ್ನಿಸಿ.

ನಿಮ್ಮ ನಿಷ್ಕಾರಣ ಕರುಣೆಯಿಂದ ಸಿಕ್ಕಿ ಹರಿನಾಮ ಜಪಿಸುವ ಅವಕಾಶ ಮತ್ತು ಭಕ್ತರ ಸಂಗದಿಂದ ಭಕ್ತಿಸೇವಾ ಮನೋಭಾವವನ್ನು ಬೆಳೆಸಿಕೊಳ್ಳುವ ಅವಕಾಶ ಇದ್ದರೂ ನನ್ನ ಹಳೆಯ ಕರ್ಮದ ಅಭ್ಯಾಸಬಲದಿಂದ ನನ್ನಿಂದಾಗುತ್ತಿರುವ ತಪ್ಪುಗಳನ್ನು ತಿದ್ದಿಕೊಳ್ಳಲು ನನಗೆ ಶಕ್ತಿಯನ್ನು ನೀಡಿ.. ನೀವಲ್ಲದೇ ಈ ಮಂದಬುದ್ಧಿಯ ಮುಟ್ಟಾಳನನ್ನು ಇನ್ಯಾರೂ ಸರಿದಾರಿಗೆ ತರುವುದು ಸಾಧ್ಯವಿಲ್ಲ.. ಈ ಪತಿತನ ಮೇಲೆ ಕರುಣೆ ತೋರಿ ಕಾಪಾಡಿ.

ನಿಮ್ಮ ಪಾದಕಮಲಗಳಿಗೆ ನನ್ನ ಅನಂತಾನಂತ ವಂದನೆಗಳು

ತಮ್ಮ ಭಕ್ತ,

ಭಕ್ತ ಶಿವರಾಜ್ ಕುಮಾರ್

Dear Srila Prabhupada,

Please accept my most respectful obeisances unto your lotus feet. All glories to your Divine grace.

A tree produces fruits, flowers, a shelter for birds, shade for who are tired. It never says what it has done. You are also like a tree giving shelter to the most fallen people and making their lives successful through Krishna consciousness. I am unfit to describe your glories.

I remember one pastime. One of your disciples questioned you "why do u get sick?" Your Divine grace replied, "I suffer because of having many disciples. Still, I'll have more disciples for the sake of preaching Krishna consciousness". From this, we can understand that a great soul like you is very very rare and you are one of the greatest among acharyas.

From when I was introduced to Krishna consciousness right from the first moment and until now, you have never left my hand. You are still guiding me. Whatever I am doing now is because of your mercy. Everyone in this age of Kali, think it is very tough to practice Krishna consciousness. But, by your mercy, it has been easier to practice. Krishna consciousness is the purest consciousness, I am trying my level best to practice by your blessings. My humble request is that please keep guiding me and shower your blessings upon all devotees.

Your most fallen servant,

Bhakta Shivashankar R.

Dear Srila Prabhupada,

Hare Krishna,

At the outset, I offer my pranams to the lotus feet of Poojya Prabhupada.

Prabhupad Ji, the world today is going through most challenging times. The human race is witnessing an unprecedented calamity which is due to man-made mistakes. Abusing the nature, side-lining the divine powers with overconfidence on the capability of human being has hit us very badly. The epidemic has not differentiated anyone. Rich or poor, man or woman - the impact has been the same.

Guruji, you had advised us to know our limitations and focus/worship divine powers of Lord Krishna. However, we seem to ignore your advice and tried to discover the world of our own. The day our bad deeds crossed the threshold, the virus attacked the human race. If we get to the roots of the problem, it is apparent that we started destroying the ecological balance. Started yielding to our 'panchendriyas' and moved away from satwik food and behaviour to tamasik behaviour and food habits. The day when we started killing other creatures to satisfy our taste buds, our downfall started.

You are witnessing our agony and sufferings from Goloka Vrindavana. I am sure you will feel bad to see our sufferings. However, we have to blame ourselves for this state.

At least at this juncture, my request to you Guruji to shower your blessings on us. Pardon our sins and help us to rebuild our life. We promise you to follow your preachings so that this world becomes the place to live in. Please pardon our sins and give us a ray of hope.

Offering my Pranaams on your lotus feet,

Bhakta Shyam Sundar.

Dear Srila Prabhupada,

A guru is one who spreads knowledge and is not hesitant to give all that he has to his disciples. Guru also engages his disciples and keeps his needs secondary at all times and aims to awaken all, who sincerely come under him.

One such guru has been you, lovingly called as Srila Prabhupada by all your devoted disciples. Your grace has been one of the most challenging and daring persons I have read and heard about. Now, why do I say you are challenging and daring? It's obvious. Because, at the age of seventy, you made a trip all by yourself to the United States of America and bringing about a spiritual revival in the American masses which was truly amazing. Glorifying and translating so many books written by former Acharyas, giving us the knowledge of the Gita, the gift of chanting Hare Krishna Mahamantra and completing your Guru's mission at the time of disappearance was one of those transcendental things you did to the human society with the mission of reviving lost consciousness and fallen worship to Lord Krishna.

I have been a young FOLK of ISKCON Mysore from the past one year and I have learnt quite a bit from your Grace through different averages. Your books bring a decisive difference in my life. Your way of revealing specific situations of life and providing appropriate explanations to all keen readers which includes me, with complete detail and gratifying purports. Your grace is providing and guiding me to reach a transcendental platform which is above the material concept of life. Reading your books and listening to all your instructions is like listening to Lord Krishna Himself, reading the Gita to me.

Coming to the Hare Krishna Mahamantra, Srila Prabhupad, you have provided us, has remained a pure changer in my life. During my initial days at ISKCON, I had not understood you to your greatest. I had these thoughts which told me that,

why Prabhupada? Even I can become a person like Prabhupada. All the devotees here can become individual Prabhupada's. But why do I see them serving Prabhupada and showing so much love to Him. As I progressed a little in my spiritual quest, I understood and endured detailed explanations to all my queries.

Your grace is not just a normal man wearing saffron clothes and holding chanting mala. You are a transcendental being who is pure in your journey of God consciousness. You are free from the three modes of material nature and is the topmost guru in all aspects of life.

Thank you, Srila Prabhupada for the wonderful association you have given me. It has been a true turning point in my life. All glories to Srila Prabhupad and all glories to the Lord.

Bhakta Siddanth Achaiah.

Dear Srila Prabhupada,

All glories to you on this auspicious occasion. I am grateful for all that you have bestowed on us.

Honestly, Krishna Consciousness is shaping my life. It is only because of ISKCON I have progressed in my spiritual and personal life. Your teachings have made me understand the real meaning of God. At difficult times, you have made me realize that all problems exist only in our material perspective. Hence, it is almost useless to worry about material life as there is so much to acknowledge in Bhakti. There is absolutely nothing better than a Krishna conscious life.

I always admire you as my source of inspiration. Your infinite knowledge, determination, boldness, and clarity of thought & expression are divinely great. Thank you for introducing Lord Krishna and teachings of Sri Chaitanya Mahaprabhu in our lives. I have no words to express my obeisances. Please keep us away from all influence of Maya. Forgive our mistakes and kindly bless us.

Jai Srila Prabhupada!

Hare Krishna.

I offer my humble obeisances unto the lotus feet of yours, My spiritual master and unto the feet of all the Vaishnavas.

It was filled with darkness, ignorance and greed, you entered as our light, you are the one who showed us the light of Lord Krishna, the Supreme Personality of Godhead and introduced us to Lord Chaitanya Mahaprabhu, the most munificent and merciful of all incarnations of Godhead.

You have given us the ways and means for successfully gathering all resources – material, mental, social, and intellectual – to go further in your mission. I pray to your Divine Grace to bless me so that I may carry your lotus feet in my heart as my life and soul.

Srila Prabhupada, you have given the path of pure devotional service and have opened the door to Goloka, to all classes of people, no matter how fallen and materially conditioned they maybe. I think myself to be one of those blessed ones since my birth.

Oh my Guru, May your pure examples of unselfish devotion service remain, always as the light of ISKCON. May your effulgent Bhakti enlighten my mid-night black heart.

Your servant,

Bhakta Srinidhi B V.

To My Best Spiritual Master Srila Prabhupada,

Thank you for connecting us to our beloved Friend, Lord Krishna in our life. I didn't know what ISKCON was and I didn't know what Krishna consciousness was until I got connected with, 13 years ago in 2007 by one of our close family members. However, my wife got an early opportunity to get introduced to Krishna's mercy. But my Lord had made me realize until the whole family were safe after a sudden accident in the middle of a high traffic road. From then, there is no turnaround. We are engaged in the service of Krishna in constant mode. Started with membership, left the evil senses, performed puja regularly, and participated in all festivals at Lord's temple etc. Lord started His showers on my professional career and I started growing. We are highly blessed with Vrindavan journey and from then our life had experienced peak moments. Lord Himself came to reside with us in the form of Radha Krishna deities. This association made continuous engagements with the Lord and our happiness has no limits as Lord has blessed us with abundant opportunities of wealth

and career developments. We named our home as Brindavanam and our home is the best place of our happiness and worship.

We always love to share our home and prasadam with all and can't wait to celebrate our yearly festival "Sri Krishna Janmashtami". This is our most-awaited and highly prepared festival. Every year God has given us the strength to excel and accelerate this Lord's birthday celebrations not only with us but with all the layout residents and with all near and dear ones. Out of the 2 days festival, one day is celebrated at our Brindavanam home and the other day at the ISKCON temple. Lord Krishna became part of my children and they are blessed to play the roles of Rama and Lakshmana every year on the grand Dussehra festival at ISKCON Mysore. Our family enjoyed these devotional moments every year with the Lord's mercy and gracefulness and wish to continue His showers in the future years too on my children in any form. No matter time passes and children turn young and youngsters become men than old, the cycle should always be in Krishna's track. What else I can pray to Lord, except their well beings as I am abundant with all necessities of this life. My final prayers to you and the Lord is to give me more strength to be in Krishna consciousness and perform till the last breath and avoid the birth and death cycle in this life.

Your Servant,  
Bhakta Srinivas M.

I offer my humble obeisances to your lotus feet. Me and my family are following your path for the past 20 years, the way our lifestyle has changed is not explainable. Though we are not fully following all of your rules, we have changed a lot and the reason for that change is the path laid out by you. We love the way you have described Lord Krishna and His pastimes. We got attracted to kirtans and delicious prasadam served in the temple. The struggle which you have done for establishing ISKCON is so magnanimous and inspirational. I learnt from your teachings that Krishna consciousness is the original truth, which the world should follow and practice. You have been a great freedom fighter; you taught us what is meant by real freedom, freedom from the bondage of material existence.

Thank you Srila Prabhupada, for giving us this opportunity to serve Lord Krishna in the path laid down by you.

Dear Srila Prabhupada,

All glories to you, Srila Prabhupada. I offer my humble obeisances unto your lotus feet. Thank you for showing your cause mercy upon me. I have no such quality to glorify your glories which you did in a very short period of time and delivered the uncountable number of conditioned souls by your causeless mercy, by preaching the message of Lord Chaitanya Mahaprabhu, who was trapped in illusory energy of Supreme Lord called as Maya and due to their forgetfulness of the Supreme Lord. You are the dearest disciple of Srila Bhaktisiddhanta Saraswati Thakura, by whose order you left everything and travelled to western countries to fulfil the order of your spiritual master. You have fully distributed the mercy of Lord Krishna to all fallen conditioned soul by preaching the message of Chaityana Mahaprabhu. You taught the whole world how to develop a love for the Supreme Lord Krishna.

Unless one is favoured by a pure devotee of the Lord like you, he cannot attain the platform of devotional service. And for me, it was more difficult as one of your servants told me that unless one pleases Srila Prabhupada, he cannot join the mission of Chaitanya Mahaprabhu. I was a little depressed, as I never rendered service to you and didn't know how to please you or your authorised representatives. But by your causeless mercy to me, I could become part of your mission. But I need your guidance every step of my life and in every step of my decision. And I am begging for my mistake as sometimes I had a verbal argument with one of your disciple and for the sins, I committed in my life. Please forgive me as we sing "Sri Guru Karuna Sindhu. Adhama Janara Bandhu", you are an ocean of mercy and friend of distress and fallen one.

Thank you, Srila Prabhupada for giving me such a wonderful opportunity to serve your mission.

Your unworthy servant,

Thank you Prabhu for gifting us with your teachings and books. And my most heartfelt thanks to you for forwarding us the message and teachings of the Supreme Lord i.e., Bhagavad-Gita, through which many destructed souls are getting purified and continuing their journey to attain the Supreme Personality of Godhead. I am very happy that even I am one of them. It is been past one year when I came in contact with ISKCON. From then on, I started my journey towards attaining the Supreme Personalities Shri Shri Radha Krishna. Before this, I was only happy by gaining bodily needs in this material world. But now I can experience that my soul being happy by serving you, Shri Shri Radha Krishna, hearing and by reading your teachings. We are very much lucky to have you as our guru and to have your teachings which is guiding the current generation to know their chief purpose of taking birth as humans i.e., to just serve and chant the holy names of Supreme Personality of Godhead. Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. I was an ignorant person in spiritual life. I was such an ignorant person that I didn't know anything about Supreme Lord Krishna. I got an opportunity to get knowledge or in touch with ISKCON through my uncle. Without his introduction to ISKCON, I would have been living an ordinary life as a common materialistic person. With your mercy, I am able to get your association through your books, lectures, visits to temples, pilgrimages and association with devotees. I am able to visit the temple regularly and do daily pooja at home without fail each day. I have taken a vow to chant 18 rounds daily and I am chanting the holy names without any failure. With yours and Krishna's mercy, I got a second son and I beg your mercy upon him and my family for Krishna consciousness progress. I pray to you and Lord Krishna to keep us in good health and continue serving the Lord in these difficult times.

ನಿಮ್ಮ ಅನುಗ್ರಹ ನಮ್ಮ ಮನೆಯ ಮೇಲೆ ಅಪಾರವಾದ್ದರಿಂದ ನಿಮ್ಮ ಮೂರ್ತಿಯನ್ನು ಪ್ರತಿನಿತ್ಯ ಪೂಜಿಸುತ್ತಿದ್ದೇನೆ. ಇದರಿಂದ ನೀವು ಪ್ರಸನ್ನಗೊಂಡು ನನಗೆ ಇನ್ನೂ ಹೆಚ್ಚು ಹೆಚ್ಚು ಆ ಪರಮಪುರುಷ, ಆದಿಪುರುಷ, ಎಲ್ಲದಕ್ಕೂ ಕಾರಣನಾದ ದೇವೋತ್ತಮ ಪರಮಪುರುಷನ ಅನಂತ ಕೋಟಿ ಬ್ರಾಹ್ಮಂಡದ ನಾಯಕ, ಎಲ್ಲಾ ಜೀವ ರಾಶಿಯ ತಂದೆ, ಆದ ಶ್ರೀ ಕೃಷ್ಣನ ಮೇಲೆ ಭಕ್ತಿ ಬರುವಂತೆ ಆಶೀರ್ವದಿಸುತ್ತೀರೆಂದು ಭಾವಿಸುತ್ತೇನೆ.

ನನ್ನ ಮುಂದಿನ ಜನ್ಮ ಭಗವಂತನ ಧಾಮದಲ್ಲಿ ಆಗುವಂತೆ ಆಶೀರ್ವದಿಸಿರಿ. ಪ್ರತಿ ದಿನ ಇನ್ನೂ ಹೆಚ್ಚು ಹೆಚ್ಚು ನಾಮಜಪ ಸಂಕೀರ್ತನೆ ಮಾಡುವಂತೆ ಆಶೀರ್ವದಿಸಿರಿ.

ನಿಮ್ಮ ದಾಸನುದಾಸ,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet on this auspicious day. By a drop of your mercy, make this servant of yours more humble than a blade of grass. Give me the strength to bear all trial and troubles and free me from the desires of personal in nature. I am low, fallen and devoid of all strength and intelligence. Please save this servant. I find nothing of value in me. Your mercy is therefore essential to me in good fortune or bad moment in my life. My difficulties have disappeared by choosing your lotus feet as my only shelter. You are an ocean of mercy and a friend to the fallen souls. You are the teacher of everyone and the life force of all people. O Master, be merciful unto me and give me the shade of your lotus feet.

Dear Srila Prabhupada,

I offer my respectful obeisances unto you. All glories to you on this auspicious day of your Vyasa Puja. On this occasion kindly permit me to recall your plan for the setting up of 'Colleges for Curing the Social Body' for the revival of "division of work" (catur-varnyam) for the "systematic development of Krishna consciousness" (BG 4.13) mentioned in the book 'The Hare Krishna Challenge' (1990). This assumes current significance since most Colleges in India and world over are busy in training the students with the prime objective of empowering them for acquiring wealth and subsequent sense gratification, and end up becoming "killer(s) of the soul" (Mantra 3, Sri Isopanisad). You had envisioned a College "for training people-first according to their natural talents" and awakening "spiritual awareness" by "chanting the Hare Krishna mantra, hearing Bhagavad-Gita and doing everything as an offering to Krishna". The College would train the students to take up an occupational work suited to their natural talents (priests, teachers, advisers, administrators, military, food production, caring cows, workers-trades and crafts) and treating work as "devotional service to the Lord" for a healthy "social body" and hence revive the Vedic civilization with Krishna as the centre of all activities of the human society. I beg for the shelter at your lotus feet and pray for your causeless mercy to bestow in me the strength and intelligence to follow your instructions and serve your mission.

Your humble servant,  
Bhakta Vinay Venugopal.

Dear Srila Prabhupada,

Dandavats Pranam!!! Please accept my humble obeisances unto your Lotus Feet. All glories unto you! My gratitude to you in the form of service to your institution and being a minute part of your mission to spread Harinam humbles me. My pride in being in your institution remains unshaken and at the same time service to the cause you started humbles me. I beg for your mercy to allow me to continue my services in an even more increased manner and inspire the souls inside and outside the institution. By your grace, I am chanting, attending Kirtans, associating with devotees, honouring prasadam, etc. I call myself lucky and blessed to have Soulful Japa realizations, blissful Vrindavan yatra, improved Sadhana, and receiving Mridanga Guru as reciprocation for my previous prayer. This inspires me, fills my confidence, and increases my faith in you. Though the material happenings keep disturbing, the inspiration we derive from your Lila helps us overcome them. Being a genuine Guru, you know the disciple's mind, with no words uttered. In this context, I beg you to keep inspiring me and choose me as an instrument in your mission. I sincerely beg you for physical, mental, and spiritual strength to carry out this service of Harinam Kirtan. I finally request you to help me to improve my quality of chanting, Sadhana and following the regulative principles even more strictly. Please bless me with stable growth for advancement in Krishna Consciousness life. Thank you for everything, Dear Srila Prabhupada.

Your Aspiring Servant,  
Bhakta Viraj Vijay Mane.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to Sri Chaitanya Mahaprabhu. On this auspicious day of Vyasa puja, I would like to express my gratitude to you through this offering. Firstly, I would like to thank devotees of ISKCON Mysuru for giving me this opportunity to write an offering to Srila Prabhupada. Prabhupada, you are the prophecy that was spoken by Sri Chaitanya Mahaprabhu. You took birth just to uplift the sinful and fallen

souls. I don't have any qualification to glorify you. Your achievements and feats are unimaginable and are on a different level for me to understand. The feeling of awe and goosebumps travels through my body while listening to your feats. Without any desire for material enjoyment, you dedicated your whole life to spread awareness to ignorant souls like myself about the knowledge of Krishna. You are a true 'Bhagavata'. You paved the roads to send the suffering souls to a world where there is no return.

"Back to Godhead", you said, this shows your unwavering faith in the lord. The effort you poured into recreating the culture of this world and giving a new syllabus with plenty of grace marks to people so that even the less intelligent people could aspire to achieve the love of God and qualify in the exam (life) and enter the University of God (Kingdom of Godhead). I'm just a beggar at your doorstep waiting to receive the alms of knowledge and love of Krishna. Please make me qualified to enter the University of God. My words are not enough to say your glories, so I beg your pardon.

Aspiring to be your servant,  
Bhakta Yathish Raj.

Jai Srila Prabhupada!!

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada on this auspicious day of your Vyasa puja. I consider myself to be the most unqualified dog of yours, Srila Prabhupada. I have to say that it was you who made me upgrade my living standard from an animal to a somewhat human standard. Although born in a Brahmin family, I was an atheist when I was pursuing my Pre-University. Spirituality was never a part of my family. But somehow, I got an opportunity to associate with ISKCON at Bangalore, and by chance, I read the Bhagavad-Gita As it Is. Everything that was written in that book made sense and answered most of my fundamental questions related to the existence of God. Later on, I attended the Yoga Retreat programs and also involved myself in FOLK activities. I was regularly chanting 16 rounds. I also engaged in Book Distribution, Ratha Yatras, Temple Services, Trips to Vrindavan, Jagannath Puri. After my Engineering, I got a job and slowly my chanting and temple activities came down, as I was travelling extensively across South India. I was working in the Entrepreneurship Development Institute, wherein I had to travel to several rural areas and train rural women to help them to start their own micro-enterprises. I was feeling very guilty as I was not able to carry out the prescribed duties of Krishna Consciousness as ordered by you, Srila Prabhupada.

During that time, whenever I went to ISKCON Bangalore temple, whenever I was interacting with the devotees in the temple, they would ask me about the nature of my job and based on that I was being told by several devotees once in a while to preach to the Rural Women about Krishna Consciousness. I never took it seriously because I never considered myself to be qualified enough to do that. But I got this instruction every now and then by one or the other devotees. In the meanwhile, I read about the Biography of yours written by His Holiness Satsvarupa Swami. I was deeply moved by the kind hard struggle of yours in trying to spread the holy message of Krishna. It made me guiltier as I was wondering that I was wasting my time by indulging in the bodily activities and doing nothing to Srila Prabhupada. Somehow bound up in the family matters, financial issues, etc. I could not take serious steps in my spiritual life. But, I wanted to do something for Srila Prabhupada, contribute in any little way possible for Srila Prabhupada !!

In November of 2011, I was assaulted by thieves in Bangalore in the night at 2.30 am when I was returning from Mysore. I was hospitalized for 10 days, and it was a miracle that I survived the assault. After I recovered from the incident, I visited Mysore ISKCON and shared about this incident with a devotee. He told me that it was Srila Prabhupad's blessings that saved me from the incident and that Srila Prabhupada wanted me to serve him in any which way possible. These words again hit me and made me guilty that I was not doing anything for Srila Prabhupada. Immediately, I contributed some money for a basic Life Membership to ISKCON Mysore and prayed to Srila Prabhupada to guide me to serve him. Subsequently, in 2012, I became a Board Member to one of the leading NGOs in Mysore engaged in skill development and

entrepreneurship development activities. Again, the instructions that I received earlier by the devotees to preach to the rural women struck me. In 2013, I started a factory in Mysore, manufacturing food products. This was a kind of Common Facility Centre model, wherein several women of BPL and Marginalised families would together form a Self-help Group (SHG). The SHG women would purchase the raw materials and use the space and equipment installed by my organization.

We would help these SHG women to market their products, and they would pay a monthly rent for using the facilities provided to them. I remembered the words that you wanted employees in factories to chant. I started to preach to one of the Women Board Member of the Organisation. She liked Krishna Consciousness and ISKCON and she started to chant 2 rounds every day. Gradually, she became instrumental in spreading this message to the other women members working in the factory. I would also interact with the women members and tell them about Chanting. To my surprise, I could witness a day when 12 women members in the factory would chant Hare Krishna - One Mala every day and it became mandatory that they would work only after doing the one mala chanting. Another interesting fact was that there were 2 Muslim ladies in that group. These women members would come to the Temple at Mysore every year for Krishna Janmashthami, including the Muslim ladies. I was awestruck to be a part of this magic by you Srila Prabhupada.

In 2016, we could donate Rs.2 Lakhs to ISKCON Mysore from the surplus money earned by the organization. Later on, due to some unavoidable market changes, the business slacked down, and we had to cut down the production at the factory since 2019. Even to this day, those women members chant at least one mala every day. I can never forget this part of my life and I wish that I could serve Srila Prabhupada more. With Your Grace, I have been doing book distribution every year during the Gita Marathon, although the quantum of books sold is not very high numbers. Whenever I get an opportunity, I try to contribute financially to the temple. At present, I am chanting 4 rounds regularly. One of the Temple Prabhu is kind enough to talk to me once in a while and motivate me to continue in Krishna Consciousness. But, I feel that whatever I have done is a very negligible service to you when I see the full-time devotees and many other devotees who come regularly to the Temple. Whenever I compare myself to the other devotees, I wonder how come I am not able to feel the kind of happiness, joy, and dedication that they are having towards Krishna and Srila Prabhupada. I beg you, Srila Prabhupada to kindly show your mercy on me and never forget me. I also beg you to excuse me for any kind of mistakes that I have done to you, Krishna and other Vaishnavas.

The Most Unqualified Dog of Yours,

Bhakta Yeshaswi Nag.

Dear Srila Prabhupada,

Hare Krishna!! I came to know of Krishna when I first read the story of Mirabai when I was 3 yrs. Ever since I was a child, Bhajans and Prasadam in ISKCON and Lord Jagannath temples in Mumbai made me feel very nice and energetic. When I was told the story of how you spread the holy name of Krishna to the whole world facing so many troubles, I was very much inspired by your sacrifices. Thank you for making Lord Krishna a real Super Hero to the whole world. Please bless me Prabhupada that I always keep Krishna in my mind throughout my life. Hare Krishna.

*"Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth".*

Dear Prabhupada,

As unfortunate as I am, I could never serve your divine personality personally. Hence the best way to render service unto you is by following your instructions and pedagogy blindly and letting you guide me through every stride of life. How can I ever thank you enough for introducing Krishna in my life? From the moment I started encompassing Krishna consciousness in my life, it has only become better. I wouldn't say that following Krishna consciousness doesn't have its own challenges, but what matters is that you have helped me face those challenges. Since I started wearing tilak to work, I've been asked by my friends, my colleagues, and even my cab driver about it. But I've never once been embarrassed or ashamed. If something, I've felt proud about representing the lord's feet on my forehead. My decisions are always backed up by things I've read in Bhagavad Gita or Bhagavatam. My song choices have changed. My food choices have changed. I realize that worldly affairs don't affect me as much anymore. I finally have a shallow but real understanding of what the purpose of a manushya is.

I can never express how indebted I am to you for making me realize this through your unimaginably brilliant books and lectures. Your contribution to my life is immense and words would be insufficient to paraphrase your tremendous significance in my life. You once quoted "Religion means to know God and love him." Thank you so much for introducing Krishna to me and for inspiring me to love him. I beg you to never stop inspiring me to keep Krishna in my heart and soul and to keep loving him all the time. I'm sure you are already aware that the world is undergoing a chaotic crisis right now. Asking you to only guide me would be selfish. I plead you Prabhupada, to guide the entire world out of this disastrous situation and help us overcome this difficult time. "A good teacher holds a hand, opens a mind, and touches the soul." As you have always done, I beg of you to always hold my hand and guide me through difficult times, open my mind all the time to the Supreme Personality of Godhead and help purify my soul.

Your Humble Devotee,

Bhaktin Amrutha Varshini.

Dear Srila Prabhupada,

My Humble Pranams unto you. Offering this homage on Vyasa Puja day to you, Srila Prabhupada is very auspicious and I believe this is all because of your causeless mercy. His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, you are a true Paramahansa, No words could ever do the justice on your glorification. So, I humbly believe our Sadhana Bhakti is the spiritual balance sheet to check. It can tell us where we are on the spiritual platform and reviving of our spiritual business is the true glorification of our spiritual master.

*tad-vijñānārtham sa gurum evābhigacchet  
samit-pāṇiḥ śrotriyam Brahma-niṣṭham (Mundaka Upanishad 1.2.12)*

*The Vedas enjoin us to seek out a guru; actually they say to seek out the Guru, not just a Guru. The Guru is one because he comes in disciplic succession Bhagavad Gita (4:34)*

Sri Krishna, himself tells us the method of seeking out and approaching the Guru:

*tad viddhi praṇipātena paripraśnena sevayā upadekṣyanti te jñānam jñāninas tattva-darśināḥ*

*“Just try to learn the truth by approaching a spiritual master, inquire him submissively and render service unto him. The self-realized souls can impart knowledge unto you because they have seen the truth”.* We have to find an exalted person and willingly surrender before him. Prabhupada’s painstaking presentation of Bhagavad-Gita and Bhagavatam texts themselves are the literary incarnation of Lord Krishna. My frequent visit to the temple dispersed the clouds of doubts and ignorance in my mind. I started to worship you and started to read your books and getting to know about Krishna consciousness. This gave me the opportunity to heighten my spiritual realizations. Prabhupada, you have always preached from the authorized statement of Vedic literature. Emphasized to understand the ultimate goal of this human form of life and how important to chant the holy names of Hare Krishna Mantra and how Lord Krishna will reciprocate for our sincere devotion. Lord only can provide us with the knowledge for what is next.

Have been given the wisdom to experience Lord’s reciprocation, I want to mention my personal experiences and understandings. Here Bhakti must not be on an emotional level, rushing to the temple and reaching out God only when we are in distresses in order to get some material gain. Bhakti is much more than that. Serving the Lord with great austerity “Uthama Bhakti” is to realize God. Krishna knows our past, present and future also who we want to be and where we need to be. Sometimes Krishna takes things away from us to get our attention. Our spiritual master and Lord Krishna mercifully took charge of my life, gave the strength to come out from the loss of the loved one and how wonderfully saved me in so many ways, making the right decision on the right time. Every one of us has the designated time and appointment to transition to take place. Never felt more sincere about Bhakti yoga than I do now. Lord Krishna is riding with us in our every simple act. Yes, it is guaranteed to feel through our spiritual sadhana.

Srila Prabhupada you are a true Vaishnava devotee of the Lord. You had pure compassion for the entire humanity and gave Krishna consciousness and founded ISKCON temples around the world. People around the world are experiencing restricted freedom in this pandemic time. We are at least forever enough to hear your voice through recorded audio and video lectures. Today’s technology and scientific inventions are nothing but the lord’s material energy. Yes, internet is the boon, through which we are enjoying virtual visits to the temples and it keeping us engaged through lectures, kirtans able to hear them any part of the time and from anywhere in the world. This could not have been possible if you would not have been founded ISKCON. God-realization and devotional services are free and available to everyone are not ready to take it. When they are ready they can access it easily. It is a true calling that invoked the mundane way of life in general. Indeed, with Krishna consciousness, we would be able to create a beautiful world around us. Prabhupada, your kind mercy will only be the great fence around my seedling level growth towards Krishna Consciousness.

Your Humble Follower, Bhaktin Amuda Anand.

Dear Srila Prabhupada,

I offer my sincerest, deepest and heartfelt Pranaams to LORD KRISHNA BALARAM and seek Their blessings to help me submit with deep devotion my humble offerings to His Divine Grace Sri Bhaktivedanta Srila Prabhupada. Offering my respectful obeisances to the Lotus Feet of Srila Prabhupada, I fervently seek His blessings to assist me in bringing about the purest and most divine qualities of His Grace Srila Prabhupada Himself, in simple honest words that depict my true feelings of him, which are seated in the womb of my consciousness within my conditioned soul, eagerly waiting to voice out on this auspicious Vyaasa Puja day. I also humbly seek his forgiveness in the beginning in case of any error that I may commit knowingly or unknowingly during my narration on the divine qualities of His Grace Srila Prabhupada.

Srila Prabhupada a magnanimous soul, enriched with superhuman Godly qualities descended to this earth, to benefit humankind by helping them to limit their materialistic miseries faced by them in day to day life, awarding them the most beautiful gift of Krishna Consciousness and finally and most crucially helping them to realise their soul and aiding them to return home back to GODHEAD. Srila Prabhupada, a great human being whose missionary zeal was extraordinary, incomparable to any so-called successful endeavours of the present years. His selfless care nourished every soul around him. Srila Prabhupada, whose only intense desire was to introduce and cultivate Krishna Consciousness in mankind and help him to travel miles and miles in the spiritual path. He did wonders as far as the Sankirthan movement is concerned, taking it to unlimited heights across the world and he deeply persevered to unravel the divinity and simplicity of the HARE KRISHNA MAHA MANTRA.

Srila Prabhupada is one of the purest among the purest, simplest of the simplest and most importantly a True MESSIAH, who came into this materialistic world, bringing with him a wonderful spiritual power to uplift the miserable lives of humans. He brought about miracles even in the western world wherein the importance of Divinity was dwindling and fading. He was surrounded by sinners, conditioned and fallen souls all the time. Srila Prabhupada had such a tremendous Conscience and along with an everlasting flame of Divinity within his humble soul, he strived selflessly and very hard to ignite the torch of Krishna Consciousness in each of them, no matter who they were or what they were. He never considered any clan or colour to preach Krishna Consciousness earnestly. He never discriminated, never had any kind of prejudice while imparting the Gems of his Spiritual Knowledge. Srila Prabhupada felt that dealing with negativity in a positive way is called tolerance. And one can imagine the mountain of tolerance in him. He was a True Spiritual Leader who had a broad insight into the behaviour and attitudes of people around him, and that unique sightedness helped him to be successful in delivering Krishna Consciousness to a great number of souls. In this aspect, one can say that the greatest mistakes done by our present leaders are their unfortunate shortsightedness.

Nothing around him could deter his goals, be it the people, be it the environment, be it the situation, he was unshaken and firmly believed in being an instrument of the LORD in uplifting fallen souls. Forgiveness was his Divine Tool and he said when we forgive we liberate ourselves from the poison of negativity in the heart and soul...My humble simple poems on **SRILA PRABHUPADA:**

"Kindness was his driving force towards helping mankind always.

Hard work was the essence of his soul, wanting to ignite in all the spiritual Rays.

His talks & lectures were brimming with knowledge, delivering to the masses in simpler Ways.

His authentic, enriched graceful writings, a boon to a man in the coming days.

Aura of his spiritual guidance touching the souls is what all need and to achieve it one should Pray.

His Divine Mission of establishing ISKCON is a milestone achieved and it is here to stay.

He is an auspicious example to every soul and to the world it greatly Portrays.

His humble teachings help one to face life,s shades of Grey.

His glories are immeasurable, incomparable, the world perceives with joy and humble homage all pay.

His blessings are ever needed to keep the materialistic fears at bay.  
All glories to Srila Prabhupada, our love and respect to him we humbly display"

ISKCON: "A gift to man, the ISKCON, the Divine Organisation.  
Awakens the Conscience, taking a man on the path of Moralisation.  
Helping every man to come to a spiritual Realisation.  
Sankirthan movement a process of deep Sensitisation.  
Paving the path for cleansing the mind & soul from the worldly Materialisation.  
One relishes the past times of LORD KRISHNA here, a true Mesmerisation.  
Strengthens the soul and helps to face Life's Traumatization.  
KRISHNA, the most beautiful, most powerful, most famous, always in Blissful Visualisation.  
Bhagavad Geetha helps one to understand the soul's Eternalisation.  
KRISHNA and only KRISHNA is a must for souls liberation and Accentualisation."

SANKIRTHAN MOVEMENT: "Sankirthans, a divine way of remembering the Lord lovingly.  
Initiated by CHAITANYA MAHAPRABHU, a blessing for all Everlastingly.  
Was inspired, promoted judiciously by Srila Prabhupada, a noble service done most Efficiently.  
Refreshes the mind, rejuvenates the soul, relaxes the heart, purifies one Continuously.  
Brings about a unique happiness, indescribable making one dance Enchantingly.  
All Glories to Prabhupada for spreading the Sankirthan Movement so excellently and Diligently."

I recently had some misunderstandings with the Vaishnavas and maybe my mistake as well, but it only made me more determined to drown myself in Krishna Consciousness. Spiritual practise gives strength to tolerate the pain and a determination to pursue the spiritual path with more eager. Life in the material world is fraught with misunderstandings and conflicts at every step and coping with the vicissitudes of time is a lesson taught by Srila Prabhupada. Srila Prabhupada says that our Consciousness should be like a stable boat that remains in the ocean of this world where the gushing waves of tragedies, surprises, conflicts & abandonment should not enter the boat of consciousness. I pray and beg sincerely to Prabhupada to forgive the mistakes that I have unintentionally committed towards the Vaishnavas. Hoping He grants his mercy to me. I have filled these pages with sincere, honest breathing of my modest heart. Thank you.

Dear Srila Prabhupada,

On the occasion of your 124th appearance day - Vyasa Puja, I really want to express my gratitude towards you.

*kṛpā-bindu diyā, koro' ei dāse, tṛṇāpekḥā ati hīna  
sakala-sahane, bolo diyā koro nija māne sṛḥā-hīna*

O Gurudeva! By administering a drop of your mercy make this servant of yours infinitely more humble than a blade of grass. Giving me the strength to bear all prayers and troubles, free me from the desires for personal honour. Prabhupada with your guidance following spiritual activities in this (COVID-19) lockdown time made me and my family very blissful. As per your instruction, each home has to become a temple and it is very much proved. Still, we missed Lord Krishna Balaram temple visits and Krishna prasadam during this lockdown. We missed so many festivals in the temple, especially Panihatti festival. Because of your mercy and devotee's association, we managed to get the Panihatti Chiddha Dahi prasadam but missed festival of pilgrimage. Deity worship, doing aarti, chanting, offering prasadam to Lord Jagganath is such a nice experience. Not for our tongue's desire, the offered prasadam automatically tastes delicious and liked by one and all in our family and friends. At the same time, we need devotees association. We had kirtans in our home by your mercy and Devotees.

“ACHARYA MAM VIJANIYAM”

The spiritual master means Acharya, so one should know the Acharya to be as good as Krishna. Krishna has created this whole world for delivering the conditioned soul through the service and teachings of the spiritual master

“CAKHU DAN DILO JEI, JANME JANME PRABHU SEI”

The Guru gives spiritual insight to the disciple and therefore the Guru should be considered as his master life afterlife. O Spiritual Master, Srila Prabhupada, you brought Lord Jagannath to the whole world. Lord Jagannatha is not just Puri-Nath, he is the Lord of Jagath, The Universe. 700 yatras going on in different cities, states, countries and the whole world. It is all by the mercy of the spiritual master, Srila Prabhupada. On the return Ratha Yathra day of Lord Jagannath, We got an opportunity to pull a small ratha of Jagannath in a devotee home.

*Yasya prasada bhagavat-prasado Yasyaprasadan na gatih kuto 'pi  
Dhyayan stuvams tasya yasya tri sandhyam Vande guroh sri caranaravindam*

By the mercy of spiritual master, one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisance unto the lotus feet of my spiritual master. Thank you, Srila Prabhupada. Please accept my humble obeisance.

Your Humble Devotee,

Hare Krishna Dear Srila Prabhupada,

The first place where I learnt about the knowledge of Krishna Consciousness was at ISKCON. I grew up listening to HARE KRISHNA Maha Mantra during my childhood and also when I visited ISKCON BANGALORE when it was still under construction. I was really fascinated by the ISKCON'S way of beautifully decorating the deities of Sri Sri KRISHNA BALARAM and also listening to the chanting of the Hare Krishna maha-mantra sung by Srila Prabhupada. This chanting of Hare Krishna maha-mantra made me closely connected to Lord Krishna very much and that is when I really got attracted to chanting Maha-mantra again and again. So, this is how all my Krishna Conscious journey started and it is becoming more spiritualistic day by day. And now I feel so blessed with Lord Krishna's presence and I am getting enjoyment in becoming aware of Lord's creation and also experiencing miracles, that makes life seems so beautiful!!! I am ever grateful to Srila Prabhupada for creating this platform to worship SRI SRI KRISHNA BALARAM, chant and dance in the name of God. Though Srila Prabhupada is not with us, his teachings and preaching are still spreading worldwide to save mankind. Finally, I learnt that without Krishna Consciousness, life is miserable. In love with Lord Krishna,

Your Humble Follower,  
Bhaktin Anusha Pramod.

Dear Prabhupada,

Dandavats, Pranams.

*kṛṣṇe sva-dhāmapagate dharma-jñānādibhiḥ saha  
kalau naṣṭa-dṛśām eṣa purāṇārko 'dhunoditaḥ*

TRANSLATION: This Bhāgavata Purana is as brilliant as the sun, and it has arisen just after the departure of Lord Krishna to His own abode, accompanied by religion, knowledge, etc. Persons who have lost their vision due to the dense darkness of ignorance in the age of Kali shall get light from this Purana. I came to know this is one of your most favourite sloka in Srimad Bhagavatam! The purport you have written for this sloka is an eye-opener. Real religion means to know God, our relation with Him and our duties in relation with Him and to know ultimately our destination after leaving this material body. The conditioned souls, who are entrapped by the material energy, hardly know all these principles of life. Most of them are like animals engaged in eating, sleeping, fearing and mating. They are mostly engaged in sense enjoyment under the pretension of religiosity, knowledge or salvation. We must, therefore, accept Srimad Bhagavatam as the direct representation of Lord Kṛṣṇa. They are identical.

True Prabhupada. We are still more blind in this age of quarrel or Kali-Yuga. I also see what you have highlighted in this purport. Srimad Bhagavatam and Bhagavad-gita As it is are like torchbearers for the blind people of this age. Thank you so

much, Prabhupada for giving us these divine gifts. These have made an indelible impact on my life. If not for these, surviving would have been difficult in this world even for a moment! The translation, transliteration, word to word meaning in English of the verses from the Sanskrit language (or getting printed in another international/regional language) and of course, those long purport done is humanly impossible. I am convinced, you are truly transcendental. Establishment of International Society of Krishna Consciousness (ISKCON) all around the world for the fallen souls like us so that we can get an association of pure devotee and return back to Godhead is simply marvellous.

My life goals have become crystal clear! Dramatic change has happened in my life after I started chanting “Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare”, the Maha Mantra of Lord Chaitanya given by you. As you said once “I will never die! I live through my books” is a hundred per cent true. The small devotee handbook is packed with message and wonderful bhajans to transcend us! Japa, Nitya Tulasi maatha puja, Sankirtan, Ekadashi and Ratha Yatra are few other wonderful, joyful practices and principles given by you which shows how merciful a guru can become! On this Vyasa Puja day, I would like to thank you from the bottom of my heart for all the blessings you have bestowed upon this fallen soul. Vande Guru Jai Srila A. C. Bhaktivedanta Swami Prabhupada.

Your Servant,  
Bhaktin Devika M N.

Sri Gurubhyo Namah !! Parama Gurubhyo Namah !! Vande Sri Guru Parampara !!

Dear Srila Prabhupada,

By taking the shelter of Sri Hari, who washes away all the pains and fears of the samsara Sagara, all the Rishi Munis who passed down the Sanatana Dharma - a pure knowledge of GOD, all the Acharyas in the Guru Parampara, all the Vaishnavas, I am offering this letter of gratitude to your lotus feet. Only because of the blessings, sukruthi or karuna, a jiva can get in touch with a Guru, who vanishes all the ajnana, ignorance and be directed to follow the true path. Your unconditional mercy has given me an entirely new life. I can say you gave me a new birth. Srila Vyasadeva out of his karuna gave Srimad Bhagavata, Mahabharata to understand the gist of Vedas for all the varnas. Your causeless made even a hippie to chant Lord's holy name. Even a lifetime is not sufficient for me to thank you for the mercy you have showered upon this soul. You wished that each and every house to become a temple and that's happening now!! Especially in these days with less or no access to the temples, each house has become a temple. By doing Kirtans, Deity worship, studying of scriptures, chanting lord's name at whichever place we are in. You made me realize that Every place can be turned into a holy place by chanting the Lord's Name. One can understand the correct meaning of VISHWAM (Vishwam Vishnur Vashatkaro Bhuthabhavya Bhavadprabhuh) which is found in Vishnusahasra Nama (Anushana Parva, Mahabharatha). Supreme Lord is All-Pervading, Omnipresent and Omnipotent.

By your teaching, one can understand a dhira can remember lotus feet of Lord under any circumstances. Please help me to chant the pure names of the Lord, understand the essence of Bhakti in a deeper level and elevate to Shuddha Sattva platform. This is only possible by your mercy. Please bless me to become a Suddha Vaishnava and save me from illusion.

Your Insignificant Servant, Bhaktin Divya.

Dear Srila Prabhupada,

Hare Krishna!

I came to ISKCON for the first time in Juhu 12 years ago. I prayed to Lord Krishna and loved the food. Frankly, I came back to ISKCON again less for Bhakti and more for food. As time progressed, by your grace, I developed Krishna Bhakti and started to chant "Hare Krishna Maha Mantra" daily. I have observed a clear change in me after I have started regular chanting.

Kindly bestow your grace on me to grow the seed of Krishna Bhakti in me to a large tree filled with Lord Krishna's love and blessings.

You are the second Spiritual God of ISKCON for having given this great mantra to all the devotees.

Without Guru, we can't achieve anything and hence, I pray to you to kindly bless me to continue my spiritual practices.

All glories to Srila Prabhupada,

My humble obeisances at your lotus feet.

I bestow my humble gratitude to my beloved Guru Srila Prabhupada and cannot put in words to describe my thankfulness to the spiritual master who has established so many works for our benefit in this kaala. In less than 10 years, Your divine grace Srila Prabhupada has established immense beneficial work for the world that made me personally feel very fortunate to have now known and be a part of the movement and service.

I am very blessed to be associated with Krishna consciousness service. Only with your mercy, I am able to perform whatever services that I can. My first step was when I started practicing the mantra meditation that was so powerful that pulled me right away with no doubt. Later I was enlightened with your books that have made me realize the presence of the Lord in every activity or thing I see and look in the world. Few learnings from the Bhagavad-Gita that I associate in my daily life are as follows:

Chapter 18, Verse 65: that describes the path to reach the lord by surrendering oneself unto the lotus feet. Amongst all the yoga, Bhakti yoga is the most beneficial to self and guides us to reach the lotus feet of the Lord.

No desires in the material world can be satisfied and cannot be satisfactory for a human soul and the only satisfaction is spiritually surrendering to the lotus feet.

Only with your mercy, I am able to resonate with the saying :

*naṣṭa-prāyeṣv abhadreṣu, nityam bhāgavata-sevayā*

*bhagavaty uttama-śloke, bhaktir bhavati naiṣṭhikī*

I am able to practice the same in my routine life. Each and every line while reading has been nectar and thank you for the intellectual transcendental purports and writings. Fortunately, with your grace, I am enlightened with Chaithanya Mahaprabhu's Shikshastaka and His teachings through Bhagavatham.

You have opened my eyes and made me to engage in services to Lord Krishna. You have guided me to lead a spiritual life rightly and just. Due to your mercy, I am able to remember Krishna and chant the Hare Krishna Mahamantra regularly which would have been impossible without your acceptance and blessings. Please help me to continue the same until my last breath. My life has taken a turn and widely has been paved by your path now. I am forever truly grateful and abundantly thankful to you my Guru. I am blessed and very fortunate to have you come into my life and have been my Guru.

O my master, like you, once said "I shall never die I shall live forever in my books", we are very fortunate to have you with us throughout and very undoubtedly thankful for living with us forever through your books and blessings.

Sincerely your servant,

Bhaktin Kumari Subramanian.

Dear Respected Father Srila Prabhupada,

Please accept my humble obeisances. My heartily pranams to your lotus feet.

Firstly, this is my first letter writing

Dear Respected Father Srila Prabhupada,

Please accept my humble obeisances. My heartily pranams to your lotus feet.

Firstly, this is

to a great person and I do not know how to start. Please apologize if there are any mistakes.

I got into the chanting of the Hare Krishna Maha Mantra 3 years ago with 1 round a day and I have gradually increased it to 8 rounds daily as of today. I must acknowledge that I get a great deal of satisfaction after chanting and hence I sincerely thank you from my heart for showing us the Bhakti path and getting me into Krishna Consciousness.

In these 3 years, I have met several devotees and I have travelled with them on several spiritual tours. My favorite trip so far was a trip to Vrindavan which was spiritually touching. I want to thank you for giving me such a wonderful gift, which is the association of devotees and this association has given me a purpose and inspiration to become more Krishna Conscious. I have started to follow Ekadashi regularly without fail and chant 16 rounds on this occasion. I have now started to feel detachment and want to stay away from material things. I have enjoyed immensely doing whatever small service I got to do in the Sunnyvale Krishna Balaram Temple. I would like to thank you for giving me a taste of Krishna's service.

Going forward I beg for your mercy to give me more service of Krishna and His devotees and whatever work it might be I am willing to do it. Please shower your blessings so that I can become a pure and full Krishna conscious devotee. Please give me your mercy and strength to stay away from material attachments and please make me stronger mentally & physically so that I can travel further to several spiritual destinations with Vaishnavas and render more service and contribute in a meaningful way. Thank you.

Hare Krishna!

Your servant,

Bhaktin Malathi Sudhindra Rao.

Dear Srila Prabhupada,

The world has seen many masters. But at whose feet all Master's sit, one who follows divine principles, one who followed his Guru Maharaj's instructions to travel to foreign countries to awaken Krishna consciousness in people through Sankirtan and book distribution is made possible by one and only spiritual master, our beloved A. C. Bhaktivedanta Swami Srila Prabhupada.

Your mood of preaching was traveling from city to city, Street to Street, and conducting Sankirtan, introducing spiritual books, making people chant the Hare Krishna maha-mantra, in the process awakening the love for Krishna within them. By establishing ISKCON, Srila Prabhupada, you have given us an opportunity to be a part of this movement, leading us back to Godhead. One and only our beloved Srila Prabhupada, you could do it.

You taught us that even by being in this material world, fulfilling responsibilities towards our family and society, we can achieve Krishna consciousness and go back to Godhead. You are the only one worthy to surrender.

Jai Srila Prabhupada

Dear Srila Prabhupada,

Om Shree Guruve Namaha.

All glories to Srila Prabhupada. O Gurudeva, please accept my humble obeisances.

I always remain thankful and grateful to you for your transparency and integrity in presenting the transcendental messages as it is. You are the one, who delivers people who are drowning in the vast ocean of material existence and transports them to the shore of the spiritual world by showing us the path to exit from the material world. You did many many difficult services and accomplished many things. You are an embodiment of all qualities and displayed how a devotee should be. I am ignorant. What can I glorify about a learned and divine person like you.

I will deeply and eternally remain indebted to you for all your help. It is only by your blessings I have become courageous in the spiritual path. Although anxiety is one the nature of kali yuga, by your blessings, my anxiety has shifted from material level to the spiritual level. You have blessed me with the ability to think about problems and take decisions in a reasonable way without exaggerating them. Thanks for blessing me with the right perspective and dependence on the Lord. I am also blessed with inspiration and guidance from every situation.

O Gurudeva, please bless the will power that I will stick to my spiritual commitments at any cost. I should not take a step backward and it is only possible by your krupa. Please bless me that I should stay on this path of life after life. I have found the goal. Now it is just a matter of reaching it. I really do not know how long it will take to reach, but all I want to remain on this path and keep on progressing and moving forwards. Ultimately it all depends on the will of the Lord and your mercy. By my own endeavor, I will never be able to reach.

Please give me the shade of your lotus feet so that I will become serious in Bhakti.

Thank you,

Your aspiring devotee,

Bhaktin Megha O.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your lotus feet. Your divine appearance day is a good opportunity for me to express my gratitude towards you for what you have done for me and for mankind.

Your Grace, who successfully distributed the message of Lord Krishna throughout the world is not an ordinary conditioned soul governed by harsh laws of material nature. Although to the unenlightened, you may have appeared to exhibit common man characteristics, it is evident through careful study of your life and activities that you, Srila Prabhupada, perfectly displayed twenty-six qualities of a pure devotee of Lord Krishna. We learn from Vedic literature that one who possesses these qualities is necessarily free from material bondage and enjoys an eternal position in the intimate association of the Supreme Lord.

Srila Prabhupada, you are magnanimous in the truest sense of the word, as your gifts to the world are unlimited and filled with tremendous spiritual value. You gave us wonderful philosophy to live by and knowledge of our true spiritual identities as well as beautiful deities to worship, holy name to chant, and delicious Krishna prasadam on which to feast.

Srila Prabhupada, Your complete surrender to Lord Krishna was demonstrated by your constant engagement in devotional service with body, mind, and words. One symptom of a soul who is fully surrendered to Lord Krishna is his consequent detachment from bodily affection. At the advanced age of seventy, and in face of several heart attacks and various other onslaughts, Srila Prabhupada, you single-handedly broke through Maya's formidable stronghold and planted the seed of devotional service in the hearts of millions of fallen souls.

Srila Prabhupada, Your humility was inconceivably deep and heartfelt, and it inspired a generation of young men and women, whose lifestyle had been practically based upon a rejection of authority, to willingly surrender at His lotus feet.

You brought us the truth of Lord Chaitanya's mercy and the words of Sri Krishna. You let us glimpse into the spiritual world through the eyes of the pure devotee. You are here always teaching manifesting as instruction, lessons, and love. You always reside in our hearts.

On this great occasion I pray to you Srila Prabhupada, to please grant us service to your lotus feet, so that by serving you, we may be able to make rapid progress in our endeavors in spiritual life.

*"prati janme kori aasaa caranera dhuli"*

I desire the dust of your holy feet in every birth I may take.

Your humble servant,

Bhaktin Megha S.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet on this auspicious day of your appearance day.

Oh, spiritual master, I beg to remain forever at your lotus feet. This is only possible due to your causeless mercy on the fallen conditioned soul. I can't glorify your work on a sheet of paper. Your mission of taking poor souls back to godhead is really unimaginable and it has changed my life completely. I have realized that chanting the holy name of the Lord is the only medicine to cure diseases like birth and death. Let me be on the right path even if the progress is slow.

Praying for your guidance and shelter,

Your humble servant,

Bhaktin Mohaneshwari N. G.

Please accept my humble and heartfelt obeisance. All glories to you on this auspicious day of your appearance.

Dear Srila Prabhupada, Krishna created everything in this world but still gave freedom to all of them to be free and make their own choices. All Glories to Srila Prabhupada!

Yet another year enacts by and somehow, I never run out of things to thank you for. I wouldn't disagree with the fact that the world is undergoing complete turmoil at the moment. But to be honest, I personally found this a blessing in disguise. For quite some time now, I found absolutely no time to dedicate to chanting or reading books or any spiritual endeavor. There would always be some homework to get done or dance classes or preparatory exams at the end of the week to prepare

for. Life became so hectic that I forgot what the actual purpose of my existence is. But a good teacher knows how to get his pupil back on track!

The whole lockdown situation not only gave me sufficient time to complete 16 rounds every day but also to read numerous books composed by you. Along with this, I could also follow Ekadashi and prepare delicious prasadam for Jagannath, Baladev, Subhadra, and Laddoo Gopal. I could never thank you enough for giving me this time to get back to you and to Krishna. You are and will always be my eternal spiritual guru and I beg of you to always keep me on this path of Krishna consciousness and always show me the right path whenever I get misled to the path of ignorance.

Oh, Prabhupada! The world today is witnessing a disastrous consequence of the horrifying actions of mankind. It is by your grace and generosity that we can overcome this fatal crisis. Please be kind enough to end this suffering Prabhupada. It is only you who is generous and kind enough to forgive us and save us from this terrible circumstance.

You once said, "Don't ever feel too alone because Krishna is always with you". Always be with me Srila Prabhupada. Always guide me and correct me and lead me to the right path so that I never feel alone. Always bestow upon me your blessings and always keep Lord Krishna in my heart.

Jai Srila Prabhupada!

Your humble devotee,

Bhaktin Mrudula Hamsini.

ಪ್ರೀತಿಯ ಪ್ರಭುಪಾದರೆ,

ಪರಮಪೂಜ್ಯರಾದ ತಮ್ಮ ಚರಣರವಿಂದಗಳಿಗೆ ನಮಸ್ಕರಿಸುತ್ತಾ, ಹೇಳುವ ಒಂದೇ ಒಂದು ಮಾತು ಎಂದರೆ ಹೃದಯಾಳದಿಂದ ಧನ್ಯವಾದಗಳು.

ನನಗೆ ತಿಳಿದಿದೆ. "ಧನ್ಯವಾದ" ಎಂಬುದು ನೀವು ನಮಗೆ ತೋರಿಸಿರುವ ಕೃಪೆಗೆ ಬಹಳ ಚಿಕ್ಕದು. ನಿಮ್ಮ ಈ ಶಿಷ್ಯಳ ಧನ್ಯವಾದವನ್ನು ದಯಮಾಡಿ ಸ್ವೀಕರಿಸಿ, ಆಶೀರ್ವದಿಸಿ.

ನಾನು ಚಿಕ್ಕವಳಿರುವಾಗಲಿನಿಂದಲೂ ನಿಮ್ಮ ಪ್ರವಚನಗಳನ್ನು ಕೇಳುತ್ತಾ, ನೀವು ಬರೆದಿರುವ ಪುಸ್ತಕಗಳನ್ನು ಓದುತ್ತಾ, ನೀವು ತೋರಿಸಿರುವ ಹಾದಿಯಲ್ಲಿ ನಡೆದುಬಂದಿರುವೆ. ನಾವು ಯಾವಾಗಲೂ ಕೃಷ್ಣನ ಚಿಂತೆಯನ್ನು ಮಾಡಬೇಕು. ನಾವು ಭಗವಂತನನ್ನು ನಂಬಿದರೆ ಸಾಕು, ಅವನು ನಮ್ಮನ್ನು ನೋಡಿಕೊಳ್ಳುತ್ತಾನೆಂದು, ನಾವು ನಮ್ಮ ಕರ್ತವ್ಯವನ್ನು ಮಾಡಬೇಕು. ಫಲಾಫಲಗಳನ್ನು ಭಗವಂತನ ಇಚ್ಛೆಗೆ ಬಿಡಬೇಕು, ಎಂದು ಕೃಷ್ಣನು ಭಗವದ್ಗೀತೆಯಲ್ಲಿ ಕರ್ಮಣ್ಯವಾದಿಕಾರಸ್ತೆ ಎಂಬ ಶ್ಲೋಕದಲ್ಲಿ ತಿಳಿಸಲಾಗಿದೆ. ಹೀಗೆ ನೀವು ಹಲವಾರು ಶ್ಲೋಕಗಳ ಉದಾಹರಣೆಗಳನ್ನು ನಮಗೆ ಕೊಟ್ಟು ನಮ್ಮನ್ನು ತಿದ್ದಿ ನಮ್ಮನ್ನು ನೀವು ಕೈಹಿಡಿದು ನಡೆಸಿದ್ದೀರಿ.

ನನಗೆ ಮೊದಲಿಗೆ ನಿಮ್ಮ ಪುಸ್ತಕಗಳನ್ನು ಓದಲು ಪ್ರಾರಂಭಿಸಿದಾಗ ಮೊದಲಿಗೆ ನಿಮ್ಮ ಪರಿಪೂರ್ಣ ಪ್ರಶ್ನೆಗಳು ಹಾಗೂ ಪರಿಪೂರ್ಣ ಉತ್ತರಗಳು ಎಂಬ ಪುಸ್ತಕವನ್ನು ಓದಿದೆ, ಇದರಿಂದ ನನ್ನಲ್ಲಿರುವ ಕೆಲವು ಗೊಂದಲಗಳು ನಿವಾರಣೆಯಾಗಿ ಭಕ್ತಿ ಪಥದಡೆಗೆ ದಾರಿ ಸ್ಪಷ್ಟವಾಯಿತು ಹಾಗೂ ನೀವು ಕೈಹಿಡಿದು ನಡೆಸುತ್ತಾರೆಯೆಂಬ ಧೈರ್ಯವು ಹೆಚ್ಚಿತು.

ಹರೇ ಕೃಷ್ಣ ಮಹಾ ಮಂತ್ರದ ಜಪದ ಬಗೆಗೆ ಅದರ ಪ್ರಾಮುಖ್ಯತೆಯ ಬಗೆಗೆ ನೀವು ಹೇಳಿದ್ದೀರಿ. ಈ ಮಾರ್ಗದಲ್ಲಿ ನಡೆಯುತ್ತಾ ನಾನು ಜಪವನ್ನು ಶುರುಮಾಡುವ ಮೊದಲು, ಹಾಗೂ ಯಾವುದೇ ಕೆಲಸವನ್ನು ಮಾಡುವ ಮೊದಲು ನಿಮ್ಮ ಮುಂದೆ ಬಂದು ಪ್ರಾರ್ಥಿಸುತ್ತೇನೆ. ಅಷ್ಟೇ ಅಲ್ಲಾ ನೀವು ಸದಾ ನನ್ನ ಜೊತೆ ಇದ್ದೇ ಇರುತ್ತೀರಿ ಎಂಬ ಸಂಪೂರ್ಣ ನಂಬಿಕೆ ಇದೆ.

ಪ್ರಭುಪಾದರೆ ನೀವು ಈ ಇಸ್ರಾನ್ ಎಂಬ ದೇವಸ್ಥಾನ ಸ್ಥಾಪಿಸದಿದ್ದರೆ ನಾವೆಲ್ಲಾ ಇವತ್ತು ಏನಾಗುತ್ತಿದ್ದೆವೋ ಅದರ ಬಗೆಗೆ ನೆನಪಿಸಿಕೊಂಡರೆ ಭಯವಾಗುತ್ತದೆ, ಆದರೆ ಇಂದು ನಾವು ಈ ಭಯದ ಬಗ್ಗೆ ಯೋಚನೆ ಮಾಡುವ ಅವಶ್ಯಕತೆಯೇ ನಮಗಿಲ್ಲ, ಏಕೆಂದರೆ ನಮಗೆ ಸ್ವತಃ ನೀವೇ ಗುರುಗಳಾಗಿ ಕೈಹಿಡಿದು ನಡೆಸುತ್ತಿರುವಿರಿ.

Dear Srila Prabhupada,

Hare Krishna.

We are very grateful to Lord Krishna for having made us come in touch with His dearest devotee, Srila Prabhupada.

Our life has completely changed after coming under your shelter and we have developed a great attachment towards Lord Krishna. Only because of your guidance, today we are able to understand the value of Krishna consciousness, Bhagavad-Gita, and Srimad Bhagavatam. Due to this attachment and love towards Krishna (our Laddugopal), we have totally submerged in the bhakti of Shri Krishna. We are offering everything to Laddugopal first and then we eat the prasadam. This is making our mind and body cleansed and Krishna Consciousness is getting improved day by day.

This bhakti has encouraged us to learn Bhagavad-Gita and Srimad Bhagawatam. In this Kaliyuga Srila Prabhupada, you have taught entire humanity about the value of Hare Krishna Mahamantra - *Hare Krishna Hare Krishna Krishna Krishna Hare Rama Hare Rama Rama Rama Hare Hare*. In this Kaliyuga this is the only mantra which can help the living entity to become perfect in Krishna consciousness Gurudev.

We always need your blessings to grow in Krishna consciousness.

Jai Gurudev Srila Prabhupada.

Hare Krishna,

Your humble follower,

Bhaktin Nisha Yashpal.

Dear Srila Prabhupada,

As a marine engineer's wife, I have sailed on many ships over the years with my husband. End of last year, when I was sailing through the mighty Atlantic Ocean during winter, the rough sea made me extremely nauseous and sick. Every day at sea I took comfort in chanting the Hare Krishna Maha Mantra which brings me to the Supreme.

Srila Prabhupada, who at a stage when ordinary men retire, traveled to America in a steamship through the north Atlantic ocean suffering two heart attacks, yet managed to reach America to deliver the message.

My association with you and ISKCON started around 15 years ago when I was in college. The Mysore ISKCON center was the place where I found a great amount of bliss. Over the years my family and I became devotees. I have found immense peace in attending the evening prayers and bhajans right from my college days till now.

Last year, when my life was in turmoil after the sudden loss of my mother, I have managed to have found the strength to cope and understand the larger meaning of life and death through the devotees of ISKCON like Saumya Prabhu who has been instrumental in guiding me and my family by introducing us to "Srimad Bhagavatam" and by teaching us many nuances of the Bhagavad-Gita, the preciousness of Charanamrita, also the importance of Ekadashi fasting.

It is my resolution to finish reading the Srimad Bhagavatam by the end of this year. I am eternally blessed and grateful to have been a part of Krishna consciousness and I am continuing to introduce more of my friends and acquaintances to this road of self-discovery and devotion towards Lord Krishna.

We are forever indebted to our dearest Srila Prabhupada for saving us from our ignorance and enlightening us.

Your humble devotee,

Bhaktin Nivedita Achappa.

Dear Srila Prabhupada,

You are a very great person. The amount of sacrifice you have done for spreading the Krishna conscious movement and to help people understand the real purpose of life is immeasurable. It is through your books I read, I realized so many things. I understood that this human life is very valuable and we should not waste even a little amount of time. Also, it is by your mercy that I have started chanting 16 rounds daily.

Thank you so much for everything Prabhupada.

Please forgive me for all my mistakes and shower your mercy on me.

My Dear Jagadguru Srila Prabhupad,

*om aṣṭāna-timirāndhasya jṣānāṣjana-śalākayā*

*caḡsur unmīlitaṁ yena tasmai srī-gurave namah*

I offer my respectful and heartfelt obeisances unto your lotus feet.

Dear Prabhupada, Truly there is no question of darkness where there is light and Krishna consciousness is the light that dispels the darkness of material enjoyment as you have said.

Due to the outbreak of Covid-19 throughout the world, there has been a lockdown following the closure of temples. Since March 23<sup>rd</sup> for almost 3 months, was very difficult to digest since we were missing temple visit, your darshan and Their Lordships Sri Sri Krishna Balaram's darshan, temple programs, Srimad Bhagavatam and Srimad Bhagavad-Gita classes. But, Prabhupada, for the fear of Maya, I started chanting more rounds of Hare Krishna Mahamantra, daily hearing more about the glories of Supreme Lord from Srimad Bhagavadgita and Srimad Bhagavatam, reading your books and performing Sankirtans.

Prabhupada, please show mercy on me, forgive me for any of my offenses done unknowingly and please let me not deviate from this path of Krishna consciousness. Prabhupada, please bless that this pandemic comes to an end very soon and let the temples open and let me do more devotional service.

Jagadguru Srila Prabhupada Ki Jai.

Thanking you,

Your's humble devotee,

Dear Srila Prabhupada,

Shri Gurubhyo Namah.

Guru plays a very important role in our human lives. The father and mother gave us this body, but the guru gives rebirth to the soul so that we can advance in our spiritual life and come out of the cycle of birth and death and go back to Godhead. Guru never says he is God. He always says that he is the humble servant of God, but our shastras say that Guru has to be worshipped like God.

Even when Gods are born on this earth in human form they taught us that we have to take shelter of a Guru, as Lord Rama's Gurus were Maharishi Vashista and Vishwamitra, Lord Krishna Personality of Godhead whom we worship as "Krishnam Vande Jagadgurum" had to serve His Guru Sandipani Muni.

The Guru must be a man who has realized the divine truth. The greatness of the Guru consists of the simplicity of his language, the power that can transform lives in a moment can be found only in the illumined souls and these shining lights who appear among us from time to time.

One such Guru came into the world in this century i.e., none other than you, our beloved founder Acharya Bhaktivedanta Swami Prabhupada.

A short description of your life is reproduced here for me to remind your glory

Srila Prabhupada appeared in this world in 1896 in Calcutta. In 1922 Srila Prabhupada met his Guru Bhaktisiddhanta Sarasvati Goswami. His Guru requested him to broadcast the Vedic knowledge in English, in the years that followed Srila Prabhupada wrote a commentary on Bhagavad Gita. In 1950, Prabhupada retired from domestic life to spend more time studying scriptures and writing. He traveled to the holy town of Vrindavan and lived in the historic temple of Radha Damodar. In 1959, Srila Prabhupada began to work on his life's masterpiece a multivolume translation of the eighteen thousand verses Srimad Bhagavatam. After publishing three volumes of Bhagavatam, Prabhupada traveled to New York City. He was practically penniless, but he had faith that the mission of his Spiritual Master would be successful. He was 69 then, when the people take rest, he took the task of liberating the fallen souls. On landing in America, he saw the people completely, under the influence of kali yuga, were meat-eating, intoxication, illicit sex and gambling was common in western culture, to such people he attracted them with his bhajans, kirtans, preaching them about Krishna and offering them Krishna prasadam. In 1966, Srila Prabhupada founded the International Society for Krishna Consciousness (ISKCON) which became the formal name for the Hare Krishna Movement. This movement mainly engaged in chanting the holy name. Now we see ISKCON temples all over the world. It was Srila Prabhupada who introduced Universal Lord Krishna to the western world. Like this Prabhupad fulfilled the dream of his Guru.

Srila Prabhupada left his material body on 14th November 1977, but he is always alive in the hearts of his devotees and guiding them with his spiritual body.

Our experience from chanting the Maha Mantra and reading Bhagavad-Gita:-

We have experienced so many positive things in our life by chanting the Hare Krishna Maha-mantra, this makes our mind calm and free from anxiety. In the present situation where the world is completely disturbed with the pandemic, by doing chanting and reading slokas from Bhagavad-Gita and Bhagavatam, we experience some kind of bliss and happiness that nothing bad would happen as Prabhupada and Krishna are taking care of us.

In 2018 we had the opportunity to visit the holy place Vrindavan with the members of Mysore ISKCON, it was a memorable experience.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

Dear Srila Prabhupada,

All glories to my spiritual master A.C. Bhaktivedanta Swami Srila Prabhupada. I pay my humble obeisances unto your lotus feet.

Dear Prabhupada, this is my first written letter which I am offering to you on this special occasion. By your merciful glance, this insignificant soul has got a chance to begin a spiritual life in Krishna consciousness. I am experiencing a new realization and changes in spirituality.

Only because of your mercy, today I am in Krishna consciousness and I have changed myself a lot. I could never understand how the Spiritual Master favors his disciple. But I can see by myself the impact on how my life has been transformed into a better human being and has started a real journey to reach the ultimate goal.

O' Gurudev, I request you to help me to raise myself more sincerely in Krishna consciousness and bless me that no force around me should take my determination and take me away from serving you.

Your humble servant, Bhaktin Poonam Raj Purohit.

namas te sārāsvate deve gaura-vāṇī-pracāriṇe nirviśeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

Please accept my humble obeisances. All glories unto you.

I have started taking small steps in the spiritual journey and it is my first *Vyasa-puja* offering to you. During this initial journey of mine, I have not read enough of your writing to be qualified to thank you, but the little I have read has impacted me a lot, inspired to read more, and helping me to advance in Krishna consciousness. I would have never ever had the chance of tasting the association of *Vaishnavas* and by your mercy, I am getting the chance to associate with *Vaishnavas* now.

Only by the grace of you, I am able to recite the Holy names of Krishna, which is impossible for the sinful soul like me. The Holy names of the Supreme Personality of Godhead are chanted only by those who are free from lust, greed, anger and those who have exhausted all material desires whereas I am able to chant Krishna's name which is the only means for me to be free from such material condition of life. Therefore, on this auspicious day of your *Vyasa-puja*, I fall at the dust of your lotus feet, Srila Prabhupada. Kindly protect me from all my offenses to Your Divine Grace. Please help me to come out of these offenses and to practice Krishna *bhakti* sincerely.

Your humble servant,

Bhaktin Praneetha Naveen.

I am grateful to you and Lord Krishna for showing mercy to us and becoming part of my family. With your kind grace, we got the invitation for Mathura, Vrindavana to have the precious time of our life and enjoy hearing your journey of pastimes. We can proudly say that because of you, we are in Krishna consciousness. You spread Krishna blessings on all beautiful beings living on this planet Earth.

Especially after visiting to Vrindavana, I notice an emotional bond that has enhanced love with Lordship Radha-Krishna in all means both mental and physical. After listening to your lectures, my orientation towards worship of the Deities Radha-Krishna, Nitai Gauranga, Jagannatha, Baladeva, and Subhadra has heightened in all activities starting from *alankara*, *pujas*, Offering *prasadam* and chanting routines. I can only say that the Lord had entered my life to bless me with abundant happiness to all my family and I am fully satisfied with all he has given. I only wish and pray to you and Lord to continue your mercy and make us strong so that we can perform more and more service towards Krishna consciousness.

Dear Srila Prabhupada,

Please accept my most humble obeisances unto your divine lotus feet.

On this most auspicious day marking your divine appearance, I beg you to kindly allow me to become a speck of dust at your lotus feet. All glories to Your Divine Grace, to your powerful love, mercy, and Krishna consciousness. On this occasion all I want to do I say, 'Thank you.' For success in one spiritual search, one has to learn from a great Spiritual Teacher or Acarya. The Krishna Consciousness Movement is rapidly growing everywhere. This is all because of you, Prabhupada. Once again, I feel completely incapable of expressing or even truly appreciating all that you have done for me and for the world.

And I still have to get some more eagerness, lack of depth to understand who you are and how you have transformed the world. Thanking you for everything. I could go on and on as your causeless mercy is limitless but I am limited by words. Srila Prabhupada, please allow me and my loved ones to remain eternally at your lotus feet. I would like to take some time to convey my heartfelt gratitude for all the hard work you have done in bringing Krishna consciousness to the world.

I pray that I always remain sheltered by the Holy name and hope I may continue to serve the Holy names and pray that with your mercy I may never forget Krishna and always remember Him. I pray to you Prabhupada, to give me some more concentration to do Hare Krishna *japa* and to read your books. Thank you, Prabhupada.

Your devotee,

Bhaktin Pruthvika Hemaraj.

## Bhaktin Rakhi Mohan Das

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

What to write about you, Srila Prabhupada. You are a great personality and a representative of Supreme Lord Krishna. You are as good as Lord Krishna only to all of us. You have saved the whole world by distributing chanting of Holy names of Krishna, especially during this Covid-19 situation, everyone is chanting Hare Krishna *Maha-mantra* of 16 words. Your blessings are there for all. Because of the spreading of the virus, the temple doors are closed as a result of the lockdown situation. But Lord Krishna has turned all houses into temples.

By sitting at home, we are celebrating all festivals and chanting the Holy name more and more. Jai Srila Prabhupada. Before, now, hereafter, whenever, wherever Srila Prabhupada, you will save and bless your devotees always. Akshaya Patra is also serving food to the poor and needy. This *prasadam* distribution is all by your grace, Srila Prabhupada. There is more and more to write, we can't end at all. Thanking you for whatever you have given us.

Your humble follower,

You are the Founder-Acharya of ISKCON and the greatest exponent of Krishna consciousness in the western world. Because of you Srila Prabhupada, we learned so many things about Krishna and devotional practices. You have taught us that the ultimate goal of our life is to chant the Holy name of the Lord which is,

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare*

Srila Prabhupada, please bless me always to chant more rounds and read more books. Thank you,

I feel your guidance in my life every day. The more I dedicate myself to your service and instructions, the close I feel to you. First and foremost, I would like to apologize to you that in spite of providing everything in my life in this material world, yet I'm unable to put my whole heart in Krishna consciousness. I'm not able to do soulful *japa* and I'm struggling hard after my marriage to maintain my devotional service due to new family responsibilities.

So, I pray with all my heart that you bless me and give me strength that I can make my whole family Krishna conscious. It is your unconditional love and mercy upon me that I could come out of the darkness and always remember Lord Krishna. I also pray that you forgive the offenses that I committed knowingly or unknowingly. Srila Prabhupada, I humbly request you to please bestow me and my family to engage more in devotional services unto Their Lordships Sri Sri Radha-Krishna. I also request you to give His continuous association through ISKCON devotees. I and my husband are expecting to beget a child and I pray that our child becomes a good devotee of Lord Krishna. I promise you, dear Srila Prabhupada, that I will continue my chanting, follow regulative principles, read all your books and keep association with devotees of ISKCON. Thank you so much Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories unto you.

Prabhupada, you are my eternal Spiritual master. Like you saved millions of *jivas* from these material miseries, you saved me also. I was wandering in this horrible place without any goal or without knowing what to do with this life. But everything changed since I started following your instructions. Gurudeva, I am eternally indebted to you. Whatever service I do at your lotus feet won't be enough to pay that debt.

Prabhupada, you are the Spiritual master to the whole world. Your simplicity, humbleness, knowledge, determination, discipline, and most of all kindness to the fallen souls and unflinching faith and dependence in Krishna attracted everyone. You and ISKCON are a solace now especially in today's misguided aimless people in the world. Dear Prabhupada, please guide me to do more and more services to you and your devotees, so that one day I may reach your lotus feet and take shelter. Prabhupada, please bless me to be always in the association of devotees and in their service. Pranams to your lotus feet. Craving for your mercy,

Your humble servant,

Dear Guru Srila Prabhupada,

*Koti Koti* Namaskars to our Guru Prabhupada.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

I want to share my life's precious moments. This simple *Maha-mantra* taught by our Guru is very simple to chant. But without the grace of the Guru, we will never get its benefits. Only through the Guru, we can reach the Almighty Lord Krishna. Without Guru, we cannot attain the spiritual path. This divine pathway has many obstacles but by holding the hands of our Guru Srila Prabhupada, he makes it easy to overcome the obstacles every day. Chanting *Maha-mantra* 16 times, offering food to Lord Krishna, and taking the *prasadam* makes us feel divine. All these should be experienced by everyone to feel Krishna's presence. As you rightly said, "We should always be in Krishna consciousness, chant *Maha-mantra* and stay blessed." Srila Prabhupada Ki Jai.

Your humble devotee,

Bhaktin Renuka Devi V.

Dearest Srila Prabhupada,

It is an honor in itself to get this opportunity to be writing this letter to you. Thank you, Gurudeva for everything. For helping us understand the very purpose of this life and for helping us fall in love with Krishna. My humble obeisances onto your lotus feet. Life has taken a full circle after we have come out of this ignorance and understood that the real truth of life is none other than Krishna.

Thank you, Prabhupada for writing so many books and making them translated into different languages that could reach around the world and help us all know that we are not this body but we are eternal and that we ultimately must reach the

lotus feet of our Supreme Personality of Godhead Lord Krishna. Thank you for being an epitome of selfless love, service, and love to the society. We are indeed blessed to have been gifted this human birth and the awareness of our *Paramatma*. Forever grateful to you till my last breath. Hare Krishna.

Dear Srila Prabhupada,

Jai Gurudev, Srila Prabhupada. My humble obeisances to you,

Guru Maharaj, this letter of gratitude is like a small drop of water in comparison to your ocean of love and service you have rendered to the whole world. You are an epitome of courage because what you did at the age of 70, where people actually retire is absolutely remarkable. Your exemplary contribution to show us how to be happy through chanting is something the world will cherish forever. I am inspired today to never give up, just like you persisted even in the most trying situations in the western world.

Forgive me, Guru Maharaj, for sometimes not being up to the principles you have laid, giving in to our temptations. I am sorry for all the offenses we commit knowingly or unknowingly! But you Gurudev, you have a heart of Gold. You give us a new opportunity every single day to experience the bliss of chanting the Hare Krishna *maha-mantra*. Thank you for the knowledgeable books written and translated by you, which you wrote sacrificing your sweat and blood. I really love reading your *Srimad-bhagavatam* volumes as they give us so much knowledge which we know nothing about. I would conclude by saying that I love you, Guru Maharaj. Please always keep your mercy upon us.

ಶ್ರೀಲ ಪ್ರಭುಪಾದರೆ ನಿಮ್ಮ ಕೃಪೆಯಿಂದ ನಾನು ಶ್ರೀ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯಲ್ಲಿ ತೊಡಗಿದ್ದೇನೆ. ನೀವು ನಿರ್ಮಿಸಿರುವ ಇಸ್ಕಾನ್ ದೇವಲಾಯದ ಪರಿಚಯದಿಂದ ನನ್ನ ಜೀವನ ಒಂದು ಒಳ್ಳೆಯ ತಿರುವನ್ನು ಕಂಡಿದೆ. ಜೀವನ ಸಮಸ್ಯೆ ಎಂದು ಭಾವಿಸಿದ್ದ ನನಗೆ ಈ ಜೀವನವಿರುವುದು ಭಗವಂತನ ಸೇವೆಗಾಗಿ ಎಂದು ಅರ್ಥೈಸಿದ್ದೀರಾ. ನನ್ನ ಜೀವನದ ಗುರಿಯನ್ನು ಅರ್ಥ ಮಾಡಿಸಿ ಭಗವಂತನ ಕೃಪೆಗೆ ಪಾತ್ರಳನ್ನಾಗಿಸಿದ್ದೀರಿ. ಆದರೆ ನಿಮ್ಮ ಮಾರ್ಗದರ್ಶನ ಹಾಗೂ ಕರುಣೆ ಇಲ್ಲದಿದ್ದರೆ ನನ್ನ ಜೀವನವು ಬೇರೆಯಾವುದೋ ದಾರಿಯಲ್ಲಿ ಹೋಗಿ ವ್ಯರ್ಥವಾಗುತ್ತಿತ್ತು. ಅದಕ್ಕಾಗಿ ನಾನು ಸದಾಕಾಲ ನಿಮಗೆ ಚಿರಖುಣಿಯಾಗಿರುತ್ತೇನೆ.

ಭಕ್ತರ ಸಂಘದಲ್ಲಿ ಹಾಗೂ ಸಂಕೀರ್ತನೆಯಲ್ಲಿ ಪಾಲ್ಗೊಳ್ಳುವುದು ನನಗೆ ತುಂಬಾ ಸಂತೋಷಕೊಡುತ್ತದೆ. ಶ್ರೀಲ ಪ್ರಭುಪಾದರೆ ಭಗವಂತನ ನಾಮ ಸ್ಮರಣೆಯ ಮಹಿಮೆ ಏನೆಂದು ನಮಗೆ ತಿಳಿಸಿದ್ದೀರಿ. ಭಗವಂತನ ನಾಮಸ್ಮರಣೆಯಿಂದ ನಮ್ಮ ಮನಸ್ಸಿಗೆ ಆತ್ಮಕ್ಕೆ ತೃಪ್ತಿ ಸಿಗುತ್ತದೆ. ಭಗವಂತನ ಪ್ರಸಾದದ ಮಹಿಮೆಯನ್ನು ತಿಳಿಸಿಕೊಟ್ಟಿದ್ದೀರಿ. ನಿಮ್ಮ ಕೃಪೆಯಿಂದಾಗಿ ಭಗವಂತನ ದೇವಾಲಯದಲ್ಲಿ ಸೇವೆ ಸಲ್ಲಿಸುವ ಅವಕಾಶ ದೊರಕಿದೆ. ನಿಮಗೆ ನನ್ನ ಧನ್ಯವಾದಗಳನ್ನು ಅರ್ಪಿಸುತ್ತೇನೆ. ಇಸ್ಕಾನ್ ಭಕ್ತರೊಂದಿಗೆ ಒಡಗೂಡಿ ಭಗವಂತನ ಧಾಮವಾದ ಮಧುರ ವೃಂದಾವನದ ದರ್ಶನ ಪಡೆಯುವ ಭಾಗ್ಯವು ನನಗೆ ದೊರೆಯಿತು. ಶ್ರೀ ಕೃಷ್ಣನ ಜನ್ಮ ಸ್ಥಳ ನೊಡುವ ಪುಣ್ಯ ನಮ್ಮದಾಯಿತು. ವೃಂದಾವನದಲ್ಲಿ ಶ್ರೀ ರಾಧಕೃಷ್ಣರ ದರ್ಶನ ಪಡೆದು ಭಗವಂತನ ಲೀಲೆಗಳನ್ನು ಆಧರಿಸಿ ಪುಣ್ಯ ಸ್ಥಳದ ಬಗ್ಗೆ ತಿಳಿದು ಕೊಂಡೆವು.

ವೃಂದಾವನ ಪರಿಕ್ರಮ ಹಾಗೂ ಗೋವರ್ಧನ ಗಿರಿಯ ಪರಿಕ್ರಮ ಮಾಡುವ ಅವಕಾಶ ದೊರೆಯಿತು ನನಗೆ ಕಾಲು ಹಾಗೂ ಬೆನ್ನೂ ನೋವಿನ ಸಮಸ್ಯೆ ಇದ್ದರೂ ಕೂಡ ಪರಿಕ್ರಮದಲ್ಲಿ ಯಾವುದೇ ತೊಂದರೆಯಾಗಲಿಲ್ಲ, ಇದಕ್ಕೆ ಕಾರಣ ನಿಮ್ಮ ಆಶೀರ್ವಾದ ಹಾಗೂ ನೀವು ನನಗೆ ಕೊಟ್ಟಿರುವ ಶಕ್ತಿ ಮತ್ತು ದೈರ್ಯ ಎಂದು ಭಾವಿಸುತ್ತೇನೆ. ನೀವು ವೃಂದಾವನದಲ್ಲಿ ನೆಲೆಸಿದ್ದ ಸ್ಥಳದ ಪರಿಚಯವಾಯಿತು, ನಿಮ್ಮ ಸರಳ ಜೀವನ ಶೈಲಿ ಭಗವಂತನಲ್ಲಿ ನಿರಂತರ ಭಕ್ತಿ ಹಾಗೂ ಭಕ್ತರಿಗೆ ತೊಂದರೆಯಾಗದ ಮಾರ್ಗ ಇವೆಲ್ಲವನ್ನೂ ತಿಳಿದು ನಾನು ಧನ್ಯಳಾದೆ. ನಿಮ್ಮನ್ನು ಅನುಸರಿಸುವುದೇ ಸೂಕ್ತ ಭಕ್ತಿಯ ಮಾರ್ಗವೆಂದು ಅರ್ಥವಾಯಿತು ನನ್ನಂತಹ ಸಾಮಾನ್ಯಳಿಗೆ ಮಧುರಾ ಹಾಗೂ ವೃಂದಾವನದ ದರ್ಶನ ಪಡೆಯುವ ಅವಕಾಶ ಕಲ್ಪಿಸಿಕೊಟ್ಟ ನಿಮಗೆ ಹಾಗೂ ನೀವು ನಿರ್ಮಿಸಿರುವ ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಗೆ ನಾನು ಆಭಾರಿಯಾಗಿದ್ದೇನೆ. ಇನ್ನೂ ಹಲವಾರು ಭಗವಂತನ ಕ್ಷೇತ್ರಗಳ ಧಾಮಗಳ ದರ್ಶನ ಪಡೆಯುವ ಅವಕಾಶ ಕಲ್ಪಿಸಿಕೊಡಿ ಎಂದು ವಿನಂತಿಸುತ್ತೇನೆ.

My dear Srila Prabhupada,

As you once quoted to one of your devotees when asked by him, that whether you would stay in his heart, you replied: "If only you let me in."

Dear Prabhupada, kindly help me to open up my heart for you to stay there however long you please. As you are already aware of how trivial my existence is, I am unable to make any movement without your humble guidance. As fallen as my soul is, I depend upon you to do my basic duties. I keep bothering you to accomplish duties as basic as to stand up or to sit down. I know you are always guiding me to thrive as a good person and you are kind enough to show the path towards spirituality and Lord Krishna.

I am indeed very grateful to you for considering a trodden soul such as me to serve Krishna in the best possible way with the limited intelligence that I possess. Whenever I have been in a stringent situation you have always helped me in keeping up my strength and facing the situation fearlessly and fighting the problem. Before I even ask for help, you have always sent it to me. You are so kind and I am indeed blessed to be under your care.

Regardless of the current situation of the world and the daily hectic schedule, you have always kept a check on my activities, guiding my family towards Lord Krishna. When you are already present in every part of my soul, where is the need for me to ask you to enter my heart, Dear Srila Prabhupada? You reside there always and forever. What is mine in this material world that I can offer you except my love and humble obeisances? Whatever you give me and however you guide me, I will blindly just follow your instructions. You reside and rule in my heart. Kindly keep guiding me and ensure you to never leave my heart. Thank you, My dear Srila Prabhupada. Looking upon you in every strand of life.

Always your devotee,

Bhaktin Sahana Sundar.

ಪರಮ ಪೂಜ್ಯರಾದ ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ಒಬ್ಬ ಶ್ರೇಷ್ಠ ಆಧ್ಯಾತ್ಮಿಕ ಗುರುಗಳು. ಒಬ್ಬ ವ್ಯಕ್ತಿಯು ಆಧ್ಯಾತ್ಮಿಕ ಸಾಧನೆಗಳು ಪ್ರಾರಂಭಿಸುವ ಮುಂಚೆ ಯೋಗ್ಯವಾದ ಪರಂಪರೆಯಿಂದ ಬಂದಂತಹ ಗುರುವಿನಿಂದ ದೀಕ್ಷೆ ಪಡೆಯಬೇಕೆಂದು ಶಾಸ್ತ್ರಗಳು ಒತ್ತಿ ಹೇಳಿವೆ. ಈ ಯೋಗ್ಯ ಗುರು ಹೇಗಿರಬೇಕು ಅವನು, ಸತ್ಕುಲ ಪ್ರಸೂತನಿರ ಬೇಕು. ಆತ್ಮ ನಿಗ್ರಹ ಉಳ್ಳ ವನಾಗಿರಬೇಕು, ವೇದ ಆಗಮನಗಳ ಮತ್ತು ಇವುಗಳಿಗೆ ಸಂಬಂಧಿಸಿದ ಶಾಸ್ತ್ರಗಳ ಭಾವಾರ್ಥ ಮತ್ತು ಸಾರವನ್ನು ಬಲ್ಲವನಾಗಿರ ಬೇಕು, ಪೂಜಾ ವಿಧಿಗಳಲ್ಲಿ ಹೋಮ ಜಪ, ತಪ ಧ್ಯಾನಗಳಲ್ಲಿ ಸಿದ್ಧ ಹಸ್ತನಾಗಿರಬೇಕು. ಗುರುವೂ ಶಾಂತನೂ ವೇದದಲ್ಲಿ ಆಳವಾದ ಜ್ಞಾನವುಳ್ಳವ ವಾಗಿರಬೇಕು ಈ ಮೇಲಿನ ಎಲ್ಲಾ ಗುಣಗಳನ್ನು ಹೊಂದಿ ತಮ್ಮ ಜ್ಞಾನವನ್ನು ಜನ ಸಾಮಾನ್ಯರಿಗೆ ನಿಸ್ವಾರ್ಥವಾಗಿ ಹಂಚುತ್ತಿದ್ದವರು ನೀವು.

ಶ್ರೀಲ ಪ್ರಭುಪಾದರ ಪೂರ್ವಶ್ರಮದ ಹೆಸರು ಶ್ರೀ ಅಭಯ ಚರಣ, ತಂದೆ ಹೆಸರು ಮೋಹನ ಡೇ, ಹುಟ್ಟಿದ್ದು ೧೯೯೬, ಪಶ್ಚಿಮ ಬಂಗಾಳದಲ್ಲಿ, ವಿದ್ಯಾಭ್ಯಾಸ ರಸಾಯನ ಶಾಸ್ತ್ರದಲ್ಲಿ ಪದವಿ, ವೃತ್ತಿ ಔಷಧ ವ್ಯಾಪಾರ. ಇವರ ಆಧ್ಯಾತ್ಮಿಕ ಗುರುಗಳು ಶ್ರೀಲ ಭಕ್ತಿ ಸಿದ್ಧಾಂತ ಸರಸ್ವತಿ. ಇವರು ಧೀಕ್ಷೆ ಪಡೆದ ಉದ್ದೇಶ ಮಾನವ ಕಲ್ಯಾಣ ಮತ್ತು ಶ್ರೀ ಕೃಷ್ಣನ ಪ್ರಚಾರಕ್ಕಾಗಿ. 1944 ರಲ್ಲಿ ಸಾಹಿತ್ಯ ಪುರವಣಿಯನ್ನು ಪ್ರಾರಂಭಿಸಿದರು. 1953ರಲ್ಲಿ ಭಕ್ತಿ ವೇದಾಂತ ಎಂಬ ಬಿರುದನ್ನು ವೈಷ್ಣವ ಸಂಘದಿಂದ ಪಡೆದರು 1959ರಲ್ಲಿ ವೈರಾಗ್ಯ ಜೀವನದ ಸನ್ಯಾಸ ಸ್ವೀಕರಿಸಿ ರಾಧಾಮಾಧವನ ದೇವಾಸ್ಥಾನದಲ್ಲಿ ಇದ್ದು ಕೊಂಡು ಅನೇಕ ಪುಸ್ತಕ ರಚನೆ ಹಾಗೂ ಪ್ರವಚನಗಳನ್ನು ನೀಡುತ್ತಿದ್ದರು. 1965 ರಲ್ಲಿ ಗುರುಗಳ ಆದೇಶದಂತೆ ಪಾಶ್ಚಿಮಾತ್ಯ ದೇಶಕ್ಕೆ ಹೋಗಿ 108 ಕೃಷ್ಣನ ಮಂದಿರಗಳನ್ನು ನಿರ್ಮಿಸಿ ಭಾಗವತ ಭಗವದ್ಗೀತೆಗಳನ್ನು ಆಂಗ್ಲ ಭಾಷೆಗೆ ತರ್ಜುಮೆ ಮಾಡಿ 12 ವರ್ಷಗಳಲ್ಲಿ 7 ಭೂ ಖಂಡಗಳನ್ನು 14 ಬಾರಿ ಪರ್ಯಟನೆ ಮಾಡಿ ಕೃಷ್ಣನ ಲೀಲೆಗಳನ್ನು ಪ್ರಚಾರ ಮಾಡಿ 1977ರಲ್ಲಿ ಇಹ ಲೋಕ ತೊರೆದು ಕೃಷ್ಣನ ಸಾನಿಧ್ಯ ಸೇರಿದರು.

ಶ್ರೀಲ ಪ್ರಭುಪಾದರ ಈ ಎಲ್ಲ ಸಾಧನೆಗಳನ್ನು ಓದಿ ತಿಳಿದ ನನಗೆ ನನ್ನ ಜೀವನದಲ್ಲಿ ಅನೇಕ ಬದಲಾವಣೆಗಳನ್ನು ಹೊಂದಲು ಸಾಧ್ಯವಾಗಿ ಮೊದಲು ಕೃಷ್ಣನ ಕೃಪೆಗೆ ಪಾತ್ರಗಳಾಗಿ ನಿತ್ಯವು ಅವನ ಸ್ಮರಣೆ ಜಪ ಮಾಡುವುದು, ದಿನ ನಿತ್ಯವೂ ಭಗವಂತನಿಗೆ ನೈವೇದ್ಯಮಾಡಿ ಪುಸಾದ ಸ್ವೀಕರಿಸುವುದು, ಹಾಗೂ ನಮ್ಮ ಸಂಭಂದಿಕರಿಗೆ ಅವನ ಲೀಲೆಗಳನ್ನು ನನಗೆ ತಿಳಿದಿರುವ ಜ್ಞಾನ ಹಂಚುವುದು, ಪ್ರಭುಪಾದರು ಬರೆದಿರುವ ಗ್ರಂಥಗಳು ಓದುವುದು, ಹೀಗೆ ಅನೇಕ ಬದಲಾವಣೆ, ಹೊಂದಿ ಕೃಷ್ಣನ ಭಕ್ತಿಯಾಗಿ, ಆದರ್ಶ ಗೃಹಿಣಿಯಾಗಿ ಜೀವನ ಸಾಗಿಸುತ್ತಿದ್ದೇನೆ. ಇದೆಲ್ಲಾ ಶ್ರೀಲ ಪ್ರಭುಪಾದರ ಆಶೀರ್ವಾದ ಹಾಗೂ ಶ್ರೀಕೃಷ್ಣನ ಕೃಪೆ ಇಂದ ಲಭ್ಯವಾಗಿದೆ. ಆದುದರಿಂದ ನಾನು ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ ನನ್ನ ಸಾಷ್ಟಾಂಗ ನಮಸ್ಕಾರಗಳನ್ನು ಹೇಳುತ್ತಾ ಅವರ ಕೃಪೆ ಯಾವಾಗಲೂ ನಮ್ಮ ಮೇಲಿರಲಿ ಎನ್ನುವುದೇ ನನ್ನ ಬಯಕೆ.

Dear Respected Master Srila Prabhupada,

Please accept my humble obeisances. *Sahastra Koti Pranams* to your lotus feet.

I want to take this opportunity on the auspicious day of your *Vyasa-puja* to show my immense gratitude towards you for the blessings that you have showered upon me. It is because of the institute you have founded and the association of the devotees you have given, I have taken a few steps forward in the path of *bhakti* towards Krishna in the most beautiful and simple way of *Nama sankirtana* the chanting of the Hare Krishna *Maha-mantra* every day.

I have also started observing the auspicious *Ekadashi* fasting and getting the strength to do it, all this is because of your mercy that has been showered upon me. While I was in Sunnyvale Krishna Balaram temple, I got an opportunity to do some minor services in the temple. I also got to distribute the most knowledgeable *Bhagavad-gita* As It Is written by you to non-devotees. I must say that I really loved and got so much pleasure doing these services. By the association of devotees from ISKCON Mysore and Bangalore, I got so many opportunities to travel with devotees and visit several holy places and temples. These trips were spiritually invigorating. I am enjoying this phase of my life and I want to thank you for getting me into this path of *bhakti* which will ultimately lead every one to get Krishna *prema*. Furthermore, I want to thank you for getting me this association of devotees from the institute you have founded. Please shower your mercy and blessings so that I can continue to be a good devotee of Krishna and become your humble servant in serving more devotees. Hare Krishna.

Your servant,

Bhaktin Shaila Amarnath.

Dear Srila Prabhupada,

On this auspicious day of Your Divine Grace appearance, I have come with this offering to worship and remember your lotus feet. Please accept my humble obeisances unto your divine lotus feet. All glories to your wonderful devotional services to SRI SRI RADHIKA and MADHAVA, SRI SRI KRISHNA and BLARAMA, SRI SRI NITAI and GAURANGA.

Gurudeva! Lots of changes have taken place from past one year. By you and Krishna's mercy, I am blessed with a baby girl and now along with my baby, I am taking Jagannath to my husband's house. You planted the seed of devotion of Lord Krishna in my heart. Thank you very much.

As I am in the postnatal period I am able to chant 4 rounds. I will gradually increase it to 16 rounds and that is before I begin worshipping my Jagannath. Please bless us to take care of deity worship nicely.

Dear Gurudeva,

Finally, I beg your forgiveness for all the offences that I may have committed knowingly or unknowingly and for the wrong statements or wrong sentences if I have mentioned above in any paragraphs. Please help me to serve your mission, make me an instrument to serve your mission in my life and also to get rid of the entire false ego which is reeling me. Only your mercy can help me in the advancement in Krishna Consciousness. You have given me a chance to utter the lord's holy name. There are no words to glorify your limitless mercy.

I beg you to give me the shelter of your divine lotus feet. "Jai Srila Prabhupada!!!"

Your Aspiring Servant always in need of the dust of your divine lotus feet,

Bhaktin Shobha L Bharath.

Dear Srila Prabhupada,

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale*

*śrīmate bhaktivedānta-svāmin iti nāmine*

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare*

This mantra has changed my life. Every time I chant, I see miracles. Once when I was on a family trip, I wanted to ride on a water boat when I was about to ride on it, a small boy asked me "Didi, can I ride on it first?" I said "Sure, You can go first." When he was riding he fell off the water boat right in the beach and did not know how to swim, I was shocked! I was also thinking if I was in his place, I would have fallen in the beach. I said the Maha Mantra and thanked Lord Krishna for saving me.

In the next Vyasa Puja, I promise I will make your favourite Kachori's and offer it to you. Gurudev, In this quarantine time, I started reading Bhagavatham. It makes my day very blessed and motivated. You are my inspiration and my very first Guru.

*"BY CHANTING KRISHNA'S HOLY NAME ONE CLEANSSES ALL THE DUST FROM THE MIRROR OF ONE'S CONSCIOUSNESS" JAI SRILA PRABHUPADA!*

I seek your humble Blessings Gurudev,

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda.

Srila Prabhupada, you have revealed this world the greatest secret of good fortune in this modern day. I consider myself to be one among the luckiest and completely blessed to have known that the secret is Hare Krishna Maha Mantra. Srila Prabhupada, your glories are unfathomable for all the devotees, who have been rescued from this vicious cycle of the material world. You have given us an opportunity to make our human forms of lives successful by practising Krishna consciousness. It is your causeless mercy which has made us realize the real goal of having taken birth as a human.

Dear Prabhupada, every day I put the utmost effort to progress in Krishna consciousness. My association with Krishna devotees has made me realize that Krishna's NO is not a rejection, but a redirection. I chant every day and also, I have started reading one of your books. The current situation across the globe has got me into complete thinking about how a person's spiritual life is what matters the most.

Thank you, Prabhupada, for being so kind, tolerant and forgiving me from the sins I have committed unknowingly.

On this auspicious occasion, I pray that you grant me strength and divine thoughts to be able to make rapid progress for the endeavours in spiritual life.

Your devotee, Bhaktin Shraddha P.

Dear Srila Prabhupada,

Hare Krishna!! Dandavat Pranams. All glories unto you.

On this auspicious occasion of Vyasa puja ceremony, I would like to express my deep gratitude towards you Srila Prabhupada, who kept me on the path of Krishna consciousness. Your Grace makes sure that I will serve Krishna and His devotees. You have given us scriptures like Bhagavad-Gita and Srimad Bhagavatam. From Srimad Bhagavatam we learn how to serve devotees, from Srimad Ramayana, we learn to be truthful and humble while serving and from Srimad Bhagavad-Gita, we learn to follow the righteous path (Dharma). We learnt Vaishnava bhajans and kirtans of great devotees. Apart from that, we have fun making garlands for the Deities, cooking and serving devotees, participating in the kirtans and having Satsanga.

Srila Prabhupada, you neglected all unnecessary graduation degrees offered by British. You taught devotees how to cook delicious food items, sweets and offer to Krishna. Especially The Grand JANMASHTAMI celebrations. You taught Sankirtan and respecting elders. Very importantly, how to perform Deity worship, take only prasadam after offering bhoga to Krishna, leading a satvik life and a pathway to going back to our real home Go Back to Godhead.

The most I liked was Jagannath Ratha Yatra conducted by you Srila Prabhupada, in your childhood and also choosing Srimad Bhagavatam on the day of your Annaprashana.

Please accept my offering. Bless all of us to get rid of these material sufferings and take shelter at the lotus feet of Krishna and yourself, the real Guru.

With lots of love,

Your servant, Bhaktin Shrilalith.

Dear Srila Prabhupada,

Thank you very much for always being with me. Your books and lectures always brought me close to you day by day. Reading books and listening to lectures have caused an overall change in me that I'm able to tackle and move forward with whatever problem is coming up to me. Moreover, when I started adhering to chanting 16 rounds of Hare Krishna Maha Mantra every day and strictly following the four regulative principles, I could personally feel your reciprocation in my life. In the past, whenever I changed places and went away from your association, I could see you sending devotees to bring me back to you.

Srila Prabhupada, I humbly request you to give me the strength to overcome material affinities so that I can perform my services better and remember Krishna always.

Thank you Srila Prabhupada.

Your Servant,

Bhaktin Shruthi S.

Our most beloved spiritual master Srila Prabhupada,

All glories to Srila Prabhupada, All glories to Guru Gauranga.

In this material world, it is very difficult to understand the purpose of human life and to execute it. You also wanted your disciple to be serious to go back to Godhead in this very lifetime. But still I am lacking the determination to go back to Godhead in this very lifetime. I am in a dangerous situation as I am not serious to keep my mind and activities away from sense gratification. We are children bereft of all knowledge. I beg your mercy to make me serious and sincere to surrender unto your lotus feet. Please bestow your blessings so that I never give up your instructions.

Your fallen servant, Bhaktin Shubashini N. P.

## Bhaktin Sindhu Subramanya

Dear Srila Prabhupada,

I am an ordinary middle-aged homemaker, a bharathanatyam artist, recently exposed to the concept and content of ISKCON. The exposure to ISKCON was accidental through a devotee. The intensity of their involvement, the sustenance of their efforts, the dedication towards their beliefs and devotion towards Krishna exposed me to a different world. I started following the discourses, instructions more out of curiosity and slowly I started getting an unknown unexperienced joy and happiness in simple chanting of Krishna. Never imagined chanting Krishna japa would give such immense satisfaction. Now nama japa has become a routine in my life and I feel the day is incomplete without japa.

I was curious to know more about the founder and the teacher. That is when I started searching for information about you, Sri Prabhupada. I was astonished to know about the great personality. Starting at the age of 70, the works accomplished, the legacy left behind, the movement established defies any human understanding. If not for Krishna's special grace, it would have been impossible for any human being to even think and attempt the sadhana accomplished by you, the great Guru.

On this day, I submit my Pranamas to you, the great teacher, and look forward for a journey in the spiritual path.

Your humble devotee, Bhaktin Sindhu Subramanya.

Dear Srila Prabhupada,

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale śrīmate bhaktivedānta-svāmin iti nāmine  
namas te sārāsvate deve gaura-vāṇī-pracāriṇe nirviṣeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

I bow at your lotus feet and offer you my eternal gratitude for your supreme, eternal gifts. Please accept my most humble obeisances. All Glories to your Divine Grace, the saviour of the fallen souls, inspiration to all the preachers in the Kali Yuga, and the dear most friend to all the devotees engaged in the sankirtan movement of the Lord Chaitanya Mahaprabhu.

Prabhupada, you emphasized that your temples existed mostly for preaching and that Deity worship was meant to support the central program, preaching, by keeping the preachers strong in Krishna consciousness.

In the scriptures, following the footsteps of a Vaishnava acharya is the most recommended process for progressing in spiritual service. Following your footsteps has drastically been a progression in the material world.

By your mercy, we know the power of Krishna's holy names

By your mercy, we know the spirituality scientifically

By your mercy, we know that the Supreme God is Krishna

By your mercy, we have the most precious Bhagavad-Gita

By your mercy, we have got so many temples of the Lord

By your mercy, we are honouring Krishna maha-prasadam

By your mercy, we know how to escape the birth, death, old age and disease

By your mercy, we have Tulasi and Krishna's lotus feet on our foreheads

By your mercy, we got the Hare Krishna Mahamantra

By your mercy, we are worshipping Lord Krishna

By your mercy, we got the great Sankirtana movement

By your mercy, all our bad qualities are being killed

You left us a powerful, relevant, international movement and asked us to expand it or at least maintain it. You are the perpetual reference point of purity, determination, fearlessness, and devotion to Krishna. It is you Prabhupada, that save the innocent from such lesser leaders, As Krishna says in the Gita 3.21, people, in general, follow 'srestha', the best, most excellent, most distinguished person among them. Had Krishna not sent and revealed you as truly the best person, many one-eyed gurus would have ruled the blind valley of the modern world.

Only you, Prabhupada, can bless us with the keen intelligence to properly balance preservation and adaptation. Only you can perfectly teach us to correctly discern the basic, the fundamental, the unchangeable, from the variable, protean, adaptable detail. We must earn your blessings by our genuine, earnest dedication to our own emancipation, and to that of the world. We must also balance attention to self, with attention to other souls. As Krishna teaches us in the Gita, and the Bhagavatam, in a world full of tensions, paradoxes, and competing just claims, we must find a reasonable balance in all things.

Words can't describe how much I'm thankfully grateful, lucky, and blessed to be associated with Krishna consciousness. Please forever bestow me the blessings and strength to continue engaging in the service.

Forever your servant, Bhaktin Suganthi A. B.

Dear Srila Prabhupada,

Hare Krishna,

Long time back in my life I was facing so many distress and sufferings. I could not get the proper way of solving life's problems until one day I received your Bhagavad-Gita As It Is from my brother who was already a devotee of Shri Krishna. I read thoroughly and started adopting in life's situations. Indeed Srila Prabhupada, you have given us lots of eternal treasure in the form of Books, Kirtans and above all is, more attention towards chanting of Hare Krishna Maha-mantra. Your instruction is:

Chant Hare Krishna and you become purified, more, more, and more...And the day will come when you find...that you are completely pure from all material contamination ...and you become eligible to enter into the kingdom of God, and that makes a solution of all problems.

Though no longer physically present among us, you live forever in your instructions, books, videos and audio recordings, and in the hearts of those whose lives you touched.

The mere rush for worldly things, name, fame, power and sense pleasures in order to satisfy ourselves looks useless when we understand that we are not the body but the soul. We realize that everything is a manifestation or an act of the Spirit/Brahman. This sacred teaching of Krishna attunes us to a higher understanding where we come to realize that all that we are looking for is within ourselves. We find that the ultimate goal of human life is Self-realization and the body, sense organs, mind are mere instruments to worship the divine. BHAGAVAD GITA is a formula to ultimate freedom, knowledge and BLISS.

Srimad Bhagavatham is a should and must for every Krishna devotee to understand Krishna more deeply. Below is some of the greatest quotes by you, Srila Prabhupada:

Our only business is to love God, not to ask God for our necessities. (The Science of Self-realization)

To become free from a sinful life, there is only a simple method: if you surrender to Krishna. That is the beginning of bhakti. (Lecture on S.B.1.2.6)

The four major vices of Kali-yuga are (1) illicit connection with women, (2) animal slaughter, (3) intoxication, (4) speculative gambling of all sorts. (S.B. First Canto)

One can attain salvation simply by chanting the holy name of the Lord. (S.B. 1.18.7)

A spiritual master is a representative of God. Likewise, Srila Prabhupada is the greatest bonafide Spiritual Master.

Jai SRILA PRABHUPADA!

Your humble devotee, Bhaktin Suma Rao.

Dear Prabhupada,

Abhaya Caranāravinda Bhaktivedānta Svāmī Ki Jai!

I am overwhelmed with tears of gratitude every time I think of how my life has transformed since you brought Krishna close to my heart. Words cannot express my gratitude for the changes that have happened within me and my life because of Krishna's grace.

At the age of 70, when most elders are struggling to walk, you took your baby step to the USA without money or contact. Krishna carried you on His shoulders to create the ISKCON movement which is in the process of engulfing the whole world with Krishna's grace and love.

You bestowed me with the privilege of conducting the small group Sankirtan in my house even during the lockdown on June 13, 2020.

Oh Swami Prabhupada, I thank you from the bottom of my heart for showing me a simple path of being with the Supreme Lord and filling my life with Happiness, Good Health, Abundance and Peace of mind.

Hare Krishna.

Your servant,

Bhaktin Sunitha Kannan.

Dear Srila Prabhupada,

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare*

First of all, my humble pranams to your lotus feet. It is a great opportunity to write a letter to my Spiritual Master. We are all very fortunate to get you, a pure devotee, as our Spiritual Master. Your appearance in this material world is a great gift to this human society.

Srila Prabhupada, after so many struggles, sacrifices, hard work you establish this unique movement called "ISKCON". Here we are learning the Bhakti Yoga process through devotional service. It purifies our heart and develops the love to Krishna, the Supreme Personality of Godhead. All four regulative principles are very essential to this human society. The Hare Krishna Maha Mantra is a boon given by Chaitanya Mahaprabhu because of His causeless mercy towards the fallen conditioned souls.

Srila Prabhupada, you have written so many books to enlighten human society. Among that the Bhagavad-Gita As It Is and Srimad Bhagavatam are the masterpieces. The way you are explaining the verses and the language is very easy to understand.

Reading your books is very interesting. It gives us the knowledge to understand devotional service to the Supreme Personality of Godhead Krishna. Your lectures about Bhagavad-Gita and Srimad Bhagavatam is guiding us each and every day of our life.

In Srimad Bhagavatam,

*sa vai puṁsām paro dharmo, yato bhaktir adhokṣaje*

*ahaituky apratihātā, yayātmā suprasīdati*

The explanation that the first-class religion teaches one how to love God without any motive. That you have done in your life and also guiding us in that concept. Otherwise, we couldn't get out of this material bondage. It is all your causeless mercy towards mankind.

Srila Prabhupada, today, what I have got in my spiritual life, it is all because of your blessings and guidance of your followers. I am very thankful and proud to be part of this ISKCON movement.

Further seeking the blessings in my spiritual life

By your devotee,

Bhaktin Usha Nandhini K.

Dear Srila Prabhupada,

Hare Krishna,

Since childhood, I was inclined towards Divinity. But I came across Krishna consciousness through my Mother. First I started chanting Hare Krishna Maha Mantra and started experiencing great miracles all the time. My mom had bought so many spiritual based books and more of Srila Prabhupada. We used to visit our nearest ISKCON temple in Mysore and had experienced great positive energy there. Slowly we started adopting Krishna consciousness in our life with the understanding we got from you that "Krishna will protect His devotees in any situations. Keep loving Krishna, that's the best thing we can ever do".

Srila Prabhupada, you were sufficiently qualified to spread KRISHNA consciousness all over the world. Only one of the topmost confidential devotees of LORD KRISHNA could perform such an extraordinary task. By your unparalleled achievements, it is clear that you occupy a unique position in the history of Vaishnavism.

Srila Prabhupada, you were empowered to spread KRISHNA consciousness in a practical and straightforward way, just suitable for the modern world. Without changing or compromising the teachings of KRISHNA consciousness even slightly, you presented its esoteric truths in a clear and intelligible manner, suitable for both the layman and the scholar. Prabhupada, you dedicated your whole life for the service of Krishna. Because to you, there are more than 600 plus beautiful ISKCON temples today. Your life was completely based on Faith and Surrender to the Supreme Lord Krishna. It highlights on the more we surrender with faith, the more we receive Krishna's Grace.

Jai Srila Prabhupada!

Your humble devotee,

Bhaktin Vaishnavi G.

Thank you for coming into this world and saving us from obstacles and difficulties. Dear Srila Prabhupada please shower your mercy unto me and help me to progress in Krishna Consciousness and always keep me in the shade of your lotus feet so that I may never deviate from serving Lord Krishna.

Our dear spiritual master Srila Prabhupada,

Kindly accept my humble obeisances unto your lotus feet.

I have been dragged by you to your movement and you have been showering spontaneously your causeless mercy upon me, for thirteen years for which I have heartfelt gratitude to you.

You once asked your disciples as "what is your purpose behind translating holy books like Srimad Bhagavad Gita, Srimad Bhagavatam, and writing those 32 volumes of books"? And in the answer, you said that the purpose behind it is to make everyone realize the importance of chanting

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare , Hare Rama Hare Rama Rama Rama Hare Hare*

Whenever you told about chanting in your lectures like:

"The process is that you chant Hare Krishna, and exactly the same sound you hear".

"So, practice it, and you'll see how spiritually you are making advancement"

"You simply hear. When you say, "Hare Krishna" you try to hear the very sound,"

"You simply chant Hare Krishna and try to hear the sound, that's all"

"While chanting, you must hear. Hare Krishna-you must give attention to hear".

I took all these lines very lightly all these years. But now that by your mercy we have got a second chance to literally understand what you meant by saying thus through the "soulful Japa" series taken by His Grace Madhu Pandit prabhujī. I request you to please bless me with patience, determination, and devotion to follow your words literally and justify them by chanting soulfully each and every day.

And also, kindly always shower me and my husband with your blessings to very humbly walk in the new path of married relation. Keep this knot tied under your shelter, always under your shelter connected in devotion.

Jagadguru Srila Prabhupad ki jai!!!

Your humble follower,

Bhaktin Vidula Mane.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Srila Prabhupada, when I recollect the activities done by you in your life, I feel you are no ordinary individual. With a strong faith in Lord and Acharyas, you took such a big risk of your life. I get goosebumps whenever I think of your travel from India to another land in a ship where no one was known to you practically, all alone with very little money and ill health. However, you did it Srila Prabhupada, you took all the risk to spread the message of Chaitanya Mahaprabhu- 'Harinam & Love of God'. The sloka I came across recently is so appropriate for you Prabhupada:

*teṣāṁ satata-yuktānām, bhajatām prīti-pūrvakam  
dadāmi buddhi-yogaṁ taṁ, yena mām upayānti te*

TRANSLATION

*To those who are constantly devoted to serving Me with love, I give the understanding by which they can come to Me.*

You are truly a pure devotee of the Lord who proved that the whole world is one family- 'Vasudeva Kutumbakam' and spread the love of God to everyone irrespective of religion, caste, race, and gender. Thank you very much Srila Prabhupada for inspiring so many devotees across the world and also for establishing ISKCON to guide me in the right path. I keep listening to a few of the lectures of your disciples and it's so motivating to rise above the level of what I am today. Your sincere devotees have established so many ISKCON centres and in one of the centres, one day I just happened to watch a video on *Krishna valley in Hungary* which reminded me of Vrindavan where Lord Krishna lived. My humble request is to make me *normal* Srila Prabhupada and to pursue the path of divinity. In sense, I am *very abnormal* with so much of false ego, jealousy, anger, greediness, and many more ill qualities. I have realized that these enemies are lying within me and I am busy trying to find faults on others which indeed are foolish and immature on my part. At least, I am thankful to Lord Krishna for giving me the intelligence to make me aware of my foolish state. However, I don't know how to overcome it. I am so fallen that only acharyas like you who are above these, enlightened and dear most to Lord Krishna can bless me to become *normal* first and aim for the life of divinity. Perhaps, I feel learning simple things are so difficult in life with so many distractions around.

I sincerely thank Lord Krishna for guiding me appropriately in making the decision as to whom to approach in this world of cheaters in the name of God. To conclude, I would like to end with one of my favourite messages of yours Srila Prabhupada – 'you should become advanced in material education, but at the same time you should become Krishna conscious that is our message'.

Your humble follower,

Bhaktin Vijetha Srinivas

ನನ್ನ ಪ್ರೀತಿಯ ಗುರುಗಳಾದ ಶ್ರೀಲ ಪ್ರಭುಪಾದರೆ,

ತಮ್ಮ ಅಪಾರ ಕರುಣೆಯಿಂದ ಹಾಗೂ ತಮ್ಮ ಕೃಪಾಶೀರ್ವಾದದಿಂದ ಈ ದಿನ ನಾನು ತಮಗೆ ಪತ್ರವನ್ನು ಬರೆಯಲು ನಿರ್ದೇಶಿತನಾಗಿದ್ದೇನೆ. ತಮಗೂ ಹಾಗೂ ತಾವು ಬೆಳೆಸಿ ಪೋಷಿಸುತ್ತಿರುವ ಅಪಾರ ವೈಷ್ಣವವೃಂದಕ್ಕೆ ನನ್ನ ಶಿರಸಾಷ್ಟಾಂಗ ಪ್ರಣಾಮಗಳು, ತಾವು ರಚಿಸಿದ ಪುಸ್ತಕಗಳ ಪ್ರೇರಣೆಯಿಂದ ಹಾಗೂ ಶ್ರೀ ರಾಧಾಕೃಷ್ಣರ ಕರುಣೆಯಿಂದ ಆ ವೈಷ್ಣವರಲ್ಲಿ ನನ್ನನ್ನು ಒಬ್ಬನನ್ನಾಗಿ ಸಿದ್ಧೀರಿ ಎಂದು ತುಂಬಾ ಸಂತೋಷವಾಗಿರುತ್ತದೆ. ತಾವು ಎಷ್ಟು ಕಷ್ಟಪಟ್ಟು ಕೃಷ್ಣಪ್ರಜ್ಞಾ ಸಂಘವನ್ನು ಸ್ಥಾಪಿಸಿ ಪ್ರಪಂಚಕ್ಕೆ ಸಮರ್ಪಣೆ ಮಾಡಿದ್ದೀರಿ. ಪ್ರಪಂಚಾದ್ಯಂತ ವೈಷ್ಣವ ವೃಂದವನ್ನು ಕಟ್ಟಿದ್ದೀರಿ. ತಮ್ಮ ಕೃಪಾಶೀರ್ವಾದದಿಂದ ಅವರಲ್ಲಿ ನಾನು ಒಬ್ಬನಾಗಿದ್ದೇನೆ. ನನ್ನ ಜನ್ಮ ಸಾರ್ಥಕ ವಾಗಿದೆ ಎಂದು ತಿಳಿದಿರುತ್ತೇನೆ. ತಾವು ರಚಿಸಿದ ಭಗವದ್ಗೀತಾ ಮತ್ತು ಭಾಗವತಮ್ ಪುಸ್ತಕಗಳ ಪ್ರೇರಣೆಯು ನನ್ನ ಮೇಲೆ ಗಾಢ ಪರಿಣಾಮವನ್ನು ಬೀರಿದೆ. ನಮ್ಮ ಹಿಂದೂ ಸಂಪ್ರದಾಯದಲ್ಲಿ ಹಲವಾರು ಮಂತ್ರಗಳು ಪ್ರಚಲಿತವಿದೆ ಆದರೆ ಚೈತನ್ಯ ಮಹಾಪ್ರಭುಗಳು ಹಾಗೂ “ಹರೇಕೃಷ್ಣ ಹರೇಕೃಷ್ಣ ಕೃಷ್ಣ ಕೃಷ್ಣ ಹರೇ ಹರೇ ಹರೇರಾಮ ಹರೇರಾಮ ರಾಮ ರಾಮ ಹರೇ ಹರೇ” ಎಂಬ ಮಹಾಮಂತ್ರವನ್ನು ನೀಡಿ ಇದೊಂದೇ ಮಂತ್ರ ಜೀವನ ಮುಕ್ತಿಗೆ ಸಾಕು ಎಂದು ತಿಳಿಸಿದ್ದೀರಿ ಮತ್ತು ಜೀವನಪೂರ್ತಿ ಈ ಮಂತ್ರವನ್ನು ಜಪಿಸಿದರೆ ಮುಕ್ತಿಯನ್ನು ಪಡೆದುಕೊಳ್ಳಬಹುದೆಂದು ತಿಳಿಸಿದ್ದೀರಿ ತಮ್ಮ ಆದೇಶದಂತೆ ನಾವು ಪ್ರತಿನಿತ್ಯ ಹರೇಕೃಷ್ಣ ಮಹಾಮಂತ್ರ ಯಜ್ಞವನ್ನು ಮಾಡುತ್ತಿದ್ದೇವೆ. ಮಂತ್ರೋಪಾಸನೆ ಯಲ್ಲಿ ಆಗಾಗ ನಾನು ತಪ್ಪುಗನ್ನು ಮಾಡುತ್ತಿದ್ದು ಅವುಗಳನ್ನು ತಾವು ಕ್ಷಮಿಸಿದ್ದೀರಿ ಹಾಗೂ ತಮ್ಮ ಆಶೀರ್ವಾದದಿಂದ ನಾನು ತಾವು ಸ್ಥಾಪಿಸಿ ಬೆಳೆಸಿ ಪೋಷಿಸುತ್ತಿರುವ ಶ್ರೀಕೃಷ್ಣ ಅಂತರಾಷ್ಟ್ರೀಯ ಪ್ರಜ್ಞಾ ಸಂಘಕ್ಕೆ ಸೇರ್ಪಡೆಗೊಳ್ಳಲು ನನ್ನ ಮಗ ರಾಮು ಮತ್ತು ನನ್ನ ಅಳಿಯನಾದ ರಂಗಯ್ಯ ಇವರಿಗೆ ಜೀವನಪೂರ್ತಿ ಆಭಾರಿಯಾಗಿದ್ದೇನೆ. ಇಲ್ಲದಿದ್ದರೆ ನಾನು ಅಭಕ್ತನಾಗಿ ಜೀವನ ಮರಣಗಳ

ಚಕ್ರದಡಿಯಲ್ಲಿ, ಸಿಲುಕಿ ಮತ್ತೆ ಮತ್ತೆ ಹುಟ್ಟು ಸಾವುಗಳನ್ನು ನೋಡಬೇಕಾಗಿತ್ತು ಹಾಗೂ ನೀವು ತಿಳಿಸಿದಂತೆ ಕೊನೆಯಪಕ್ಷ ತಮ್ಮ ಧೋತಿಯನ್ನು ಹಿಡಿದುಕೊಂಡು ಬಂದರೆ ಸಾಕು ಹಿಂಬಾಗಿಲಿನಿಂದ ನಮ್ಮನ್ನು ಕರೆದುಕೊಂಡು ಹೋಗುತ್ತೇನೆ ಎಂದು, ಹೇಳಿರುವಿರಿ ಹಾಗಾಗಿ ಅದರಂತೆ ತಮ್ಮ ಕೃಪಾಶೀರ್ವಾದದಿಂದ ನನ್ನ ಭಕ್ತಿಸೇವೆಯನ್ನು ಸರಾಗವಾಗಿ ಮುಂದುವರಿಸುತ್ತಿದ್ದೇನೆ.

ಶ್ರೀಲ ಪ್ರಭುಪಾದ ಒಂದು ವರ್ಷದ ಹಿಂದೆ ನನಗೆ ಮರು ಜನ್ಮವನ್ನು ಅಂದರೆ “ಹರಿನಾಮ ದೀಕ್ಷಾ” ನೀಡಿದ್ದೀರಿ. ತಮ್ಮ ಆಶೀರ್ವಾದದಿಂದ ಜೂನ್ 16/2020 ನನ್ನ ಮರಣದ ಕೊನೆಯ ದಿನವಾಗಿತ್ತು, ಎಂದು ನನಗೆ ಅನಿಸುತ್ತದೆ ಏಕೆಂದರೆ ನಾನು ಆ ದಿನ ಕಾರು ಚಾಲನೆ ಮಾಡುತ್ತಿದ್ದಾಗ ಹಾಗೆಯೇ ನಿದ್ರೆಗೆ ಜಾರಿ ಬಿಟ್ಟಿದ್ದೆ ನನ್ನ ಮುಂದಿನ ಕಾರಿಗೆ ದಡ್ಡೆಂದು ಗುದ್ದಿದಾಗ ಶಬ್ದ ಬಂದ ಮೇಲೆ ನನಗೆ ಎಚ್ಚರಿಕೆ ಯಾಗಿತ್ತು, ತಾವು ಕೇವಲ ಒಂದು ಹನಿ ರಕ್ತವನ್ನು ಕೆಳಗೆ ಬೀಳದಂತೆ ನನಗೆ ಮರು ಜನ್ಮವನ್ನು ಮತ್ತೆ ನೀಡಿದ್ದೀರಿ. ಇಂತಹ ಹಲವಾರು ಘಟನೆಗಳು ನನಗೆ ಅನುಭವವಾಗಿರುತ್ತದೆ ಮತ್ತು ಅವೆಲ್ಲವೂ ತಮಗೆ ತಿಳಿದಿರುತ್ತದೆ ಆದುದರಿಂದ ತಮ್ಮ ಆಶೀರ್ವಾದಗಳು ನನ್ನ ಮೇಲೆ ಸದಾ ಹೀಗೆ ಇರಲಿ ಮತ್ತು ಕೃಷ್ಣ ಪ್ರೇಮವನ್ನು ಹೆಚ್ಚು ಹೆಚ್ಚು ದೊರಕಿಸಿಕೊಡಲು ತಮ್ಮ ಪಾದಗಳಲ್ಲಿ ವಿಜ್ಞಾಪಿಸಿ ಕೊಳ್ಳುತ್ತಿದ್ದೇನೆ.

Our most Beloved Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to your divine grace on this auspicious 124th appearance day of your divine grace Om Vishnu Pada Paramahansa Parivrajakacharaya Astottara Sata Sri Srimad A.C. Bhaktivedanta Swami Prabhupada ( Founder Acharya Iskcon ). On this day I wish to glorify your wonderful qualities and divine pastimes.

I am so unfortunate that I am struggling to glorify you on this special day. This shows my fallen position and casual approach towards a lifetime opportunity that is provided to me by your causeless mercy. You are the most confidential servant of Lord Chaitanya Mahaprabhu.

You have taught us to lead a simple life and depend fully on Lord Krishna. It is only because of you that we are able to become fearless even in this most degraded kali yuga. I am very happy to be under your care and guidance of your sincere disciples. Their association gives me great inspiration to serve your divine mission.

I beg at your lotus feet to give me attachment to your lotus feet and the holy name and your devotees to overcome the impediment of loneliness of this material world, to give me the sincerity, sobriety, obedience, and strength to follow your basic instructions of spiritual life. Bless me that I perform my Sadhana reverentially and stop being offensive in mind and words towards your dear and sincere devotees.

Make me grateful and dependent on Lord Krishna in all circumstances rather than treating him as an order supplier. Give me the strength to come out of the current state of illness and laziness to the state of constant engagement in your service.

Aspiring to remain a servant of your Devotees, Bhakta Mahadeva Dasa.

## Manjushree Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories to you. Hare Krishna.

Every year that has passed after coming to Krishna consciousness, you have mercifully bestowed upon me more and more mercy in the form of service. And this year especially after initiation my service has become my utmost priority.

Sometimes Prabhupad, I am so tired and exhausted I forget the basic consciousness that I need to have. Off late this has become my main problem. I know that the only solution is to sincerely hear and chant. Due to exhaustion, I am unable to keep my background Japa in good consciousness. Kindly help me, dear Prabhupada.

Every day I feel like I am in a war-field against my mind's thoughts. I am so fortunate to be receiving the soulful Japa sessions from your sincere devotee. Things were so good when I could keep a track of it. But alas I have failed to keep up with it.

I am feeling so busy and lost in the service that I am unable to appreciate that I am doing Krishna's service. Kindly help me Srila Prabhupada.

Every year my letter to you would be about gratitude and promising to follow, but the time that I am facing now, such a situation has never arisen before. I beg you to walk me through this. I am ashamed of myself for not prioritizing my duties. Please forgive me for my stupidity Prabhupada because I know very well that if I do not read your books for at least one hour, I cannot have a good background consciousness.

Now I will carefully make time for good reading. I didn't know that raising children in Krishna consciousness would be so challenging. Or am I unnecessarily taking everything on my head and trying to become the doer. Dear Prabhupada, I am just lost. As my responsibilities are increasing the war has become stronger. I want to serve you peacefully Prabhupada.

Please continue to guide me with sufficient intelligence without which I will not be able to make any advancement. Thank you very much for letting this spoilt brat enter your family. It's purely your mercy and I do not deserve this title even a pinch. As MPP said mercy is flowing freely but I am unable to catch it because of my impure mind. Please always guide me as you wish. Please keep me engaged in Lord's service for my entire life. Thank you, Gurudeva.

Trying to become your humble servant, Manjushree Devi Dasi.

Dear Srila Prabhupada,

On the occasion of Vyasa Puja and your auspicious appearance day, I offer my humble obeisances unto you. Srila Prabhupada, you at the age of 70 by the order of your Guru crossed the seas in order to spread Krishna consciousness across the world. And to establish this Krishna Consciousness Moment, the struggles you've taken are highly laudable.

Many of us were living in darkness, but by your mercy, you became the beacon of light and showed us the right path and purpose of life. You traveled across the world 14 times, established 108 ISKCON temples, and your significant contribution to the whole world was the multi-volume nectarean literature such as the Bhagavad Gita, Srimad Bhagavatam, and Chaitanya Charitamrita. Your writings were very easily understandable to all levels of people and were very influential in bringing positive transformation in all our lives.

Srila Prabhupada, in my life you always helped me to sail in the right path. It is because of your love for us that made me adopt many devotional qualities in my life. This has expanded my understanding on the ultimate purpose of life. I am very fortunate that you have accepted me as your disciple through initiation. I offer my soul and life in serving Your lotus feet and thereby become Krishna Conscious.

Yours Sincerely, Padmaja Devi Dasi.

Hare Krishna Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Thank you for everything Srila Prabhupada. You have saved us from this material fire, your books and lectures act as an extinguisher to put this fire off. Your knowledge and guidance have filtered our eyes, mind, and purified our hearts. You have made us realize that we have to get out of this suffering and go back to Godhead. Your presence is always felt and you are always there to help, guide, protect, and give care, whenever we fall down or get lost in this material ocean.

You are the captain of Krishna's ship and so you are always rescuing one by one all the drowning soul. You have given us the greatest gift of all the Yugas, Vedas, and Dharma, i.e. Krishna's love.

O Lord Krishna, Nitai Gauranga and Srila Prabhupada, please always guide us and protect us from this burning material fire and please always stay within our heart and mind because you are our only savior.

Dear Srila Prabhupada,

On this special occasion of 124th Vyasa puja and appearance day of His Divine Grace Srila Prabhupada, I offer my humble obeisances at his feet. Srila Prabhupada on the orders of his Guru Maharaj he crossed over the seas at a very advanced age of 70 to spread Krishna consciousness across the globe. He traveled in a ship for 40 days restlessly and even faced a major heart stroke, but he never lost his confidence wherein he was guided by Krishna. He went ahead and fulfilled the dreams of his Guru Mahara.

He traveled around the world for 14 times and constructed 108 ISKCON temples, meanwhile, he translated many books like Bhagavad Gita, Srimad Bhagavatam, etc. for the benefit of mankind. After adopting Krishna consciousness, I'm having a very peaceful and happy life. Until my last breath and life in my body, I promise to serve Lord Krishna and follow the guidance of His divine Grace.

Thanking you,

Yours sincerely

Dear Srila Prabhupada,

We are not as pure as you with respect to the devotion that you showed towards the Supreme Lord Sri Krishna in this material world. It is your mercy upon us that we are able to engage in devotional service towards Lord Krishna by chanting Hare Krishna *maha-mantra* daily, reading the books which are authorized by disciplic succession, attend Sunday congregational programs conducted by your devotees at ISKCON temples, take part in *kirtanas* and involve ourselves in *prasadam* service.

We always love to listen to pastimes of Lord Sri Krishna from the respective devotees who take *Bhagavad-gita* class on Sundays. The only way we can purify ourselves from this material world is by following your teachings and instructions on *bhakti-yoga*.

Hare Krishna.

Your faithful servant,

Dear Srila Prabhupada,

All glories to you.

Please accept my humble obeisances.

Srila Prabhupada, I thank you for all the guidance, help, mercy, teachings that you have been giving me in the process of me trying to become God conscious, that is Krishna conscious. I take this opportunity and put my efforts to write to you about how you have been changing my understanding of real *bhakti-yoga*. It has been a good amount of years for me being in touch with the Hare Krishna Movement and year by year I am relishing the real taste of the philosophy.

I beg at your feet please keep me under the shelter of your lotus feet and shower your mercy on me to chant the *Hari-nama*.

As you said even at the last moment of your physical presence on this planet, "The devotee association is most important." I am always trying to be in devotee association. By your mercy, I have got a big gift to associate with devotees in the past one year.

I feel I am growing both materially and spiritually but I am always trying to stick to your "vani." Please help me in this way too. As Sripada Shankaracharya says in his *Guru-ashtakam*:

Translation: One's physique may be superb, one's consort likewise, one's reputation resplendent and renowned, and one's riches as high as Mount Meru; yet if one's mind be not centred upon the lotus feet of the Guru, what is the use, what is the use, what is the use?

Please continue to show your mercy upon me.

Jai Srila Prabhupada!

Dear Srila Prabhupada,

Kindly accept my humble obeisances at your lotus feet.

Gurudeva, before joining ISKCON I was doing my regular prayers, except chanting Hare Krishna *maha-mantra*. Nearly two years ago ISKCON had started a center and we were doing chanting, *puja*, and attending *Bhagavad-gita* classes near our locality. After getting information from one of our close associates, I along with my family members, visited the ISKCON center at Bicholim town in Goa. We participated in chanting, took part in *satsanga* and *Bhagavad-gita* reading. From that day onwards I used to participate in Krishna conscious activities every Saturday in Goa.

Earlier I used to worry about many things in life, but after joining the ISKCON family, I started surrendering my worries and problems unto the feet of Lord Krishna. All my family members engaged in the chanting of Hare Krishna mantra and used to get peace of mind. After nearly two years, I was deputed to Ballari, Karnataka and found out online the address of the Ballari ISKCON temple. I used to visit the ISKCON temple with my colleagues and participated in prayers, chanting, and honoring *maha-prasadam* on Sunday evening. During these days we used to get fully recharged and empowered with spirituality.

I hereby pray to you to kindly bless all congregation members to grow deeper in Krishna consciousness. If we are doing any sin knowingly or unknowingly kindly help us to walk on the right path.

Thank you Prabhupada for giving me the opportunity to write this offering.

Your devotee,

Bhakta Dattaram Kalanagulkar.

Dear Srila Prabhupada,

I offer my humble obeisances unto you. Thank you so much Prabhupada, for blessing me with Krishna consciousness and allowing me to have *satsanga* and discuss about Krishna and His pastimes. During my childhood, I was seeing *abhishekam* from far and now I am able to take part in the *abhishekam* service and several temple services. All this is happening in my life just because of your mercy.

All glories to you Prabhupada.

Hare Krishna! Dear Srila Prabhupada,

Please accept my humble obeisances unto your holy lotus feet.

I am very grateful to you that with your blessings I could start my spiritual life of engaging oneself in the devotional service to Lord Krishna and gradually give up the mentality of sense gratification which is very prominent in this material world.

I beg at Your Divine Grace's lotus feet to bestow me with the spiritual strength so that I can serve your mission through preaching and book distribution. It is my great honor that I've been provided an opportunity to write about your glories on this very auspicious day of your appearance.

Dear Srila Prabhupada,

I pay my obeisance at your lotus feet. You are very dear to Lord Sri Krishna, who has planted the roots of *maha-mantra* in the heart of every living entity, who introduced us to the mercy of Lord Sri Krishna and blessed us with his preaching, his multi-volume books such as the holy *Bhagavad-gita* and *Srimad-Bhagavatam*.

Since the day I have been introduced to Krishna consciousness by one of your devotees, my soul has found a purpose which is to engage myself in devotional service to Lord Krishna and to you.

Since the day this pandemic has occurred all over the planet I got little distracted and derailed from the path of devotion and chanting of the *maha-mantra* which you have mercifully given us.

Hence I am writing this offering to seek conscience to you and seek pardon from you for all the mistakes I have done. Now, I surrender at your lotus feet and reverently pray to you to pour your blessings and forgive me for all the sins I have done.

I also pray on behalf of all us so that we surpass the suffering against this COVID-19 pandemic and once again, with all good health and devotion, we gather at the doorsteps of the Lord and chant and dance for the glory of Sri Krishna.

Please accept my respects and *dandavats*.

Hare Krishna Dear Srila Prabhupada,

All Glories to you My Spiritual Master.

I was just a normal materialistic boy with no attraction to the lotus feet of Lord Krishna. I don't know what made you, His Divine Grace, on that night that you showed me such mercy that I started reading *Bhagavad-gita*. I'm not at all eligible to write this offering letter Srila Prabhupada because even after reading your books and hearing your lectures so many times, still I am the same fallen soul in this material world with no attraction to the holy names of the Lord. You have shown so much mercy on me. I don't know how many lives I have wasted in this material world. But you showed me the way in this life. But still, foolishly am not following your teachings and advice. Please bless me and make me more attracted to Lord Krishna's name. And I beg you, please make me your servant.

I'm not at all eligible to be even in sight of you because I am a fallen, foolish soul. But I beg you Srila Prabhupada please make me attracted to Lord till I live in this body. And maybe in my next birth, I may be some human or animal—anything—but my only request to you is, "Please bless me, whatever body I get, I shall get the opportunity to serve Lord Krishna and your lotus feet." I'm feeling bad to always be in *maya* and ask you to bless me. I am very insignificant when I see a world filled with such enthusiastic devotees who are following your teachings and spreading the message of Lord. My only qualification to ask your blessings is that my heart is filled with Love and Gratitude towards you, Srila Prabhupada. You are my savior. Let me be the dust of your feet, so that, by being at least, I get little attraction towards Krishna's holy names. Whenever I see your picture I feel you are the only one who cares about me and wants to save me from this material world. Thank you for showing me the way to Krishna. I'm your servant, please use this waste, insignificant soul, who is not eligible to be your servant in your service. So that at least by such service I may become little attracted to Krishna's holy names. I pray for your Grace and blessings that I'll be a good devotee, follow your teachings, and please you and Lord Krishna in all possible ways.

Your insignificant servant,

Bhakta Jaisimha.

Dear Srila Prabhupada,

Firstly, my hearty wishes to you on your appearance day and 124th Vyasa-puja. I am very thankful to you that because of your blessings I got into Krishna consciousness. At the advanced age of 70, you went to spread Krishna consciousness to the whole world and wrote many books like *BHAGAVAD GITA AS IT IS*, *SRIMAD BHAGAVATAM*, and many other books and I even got a new family from the spiritual world (ISKCON). It is from your teachings and devotee association that I came to know about the soul, where we are from, and where we have to go. ISKCON is such a wonderful organization that I always felt why I couldn't associate with it much earlier in my life. Its been three years that I'm in Krishna consciousness and I am very grateful to your lotus feet for showing us the way to go back to Godhead.

O my dear spiritual master,

I offer my respectful obeisances unto the lotus feet of Srila A. C. Bhaktivedanta Swami Prabhupada, one master who made me happy in this material world, and helped me to gain the knowledge of eternity where Sri Radha Krishna lives in a divine world called Goloka Vrindavana. Before joining the ISKCON movement, I was also like all the people—I was also eating, sleeping, and doing the same materialistic things that others do. After joining the ISKCON movement I slowly left the external happiness of sense gratification, gradually gained knowledge that awakened me from inside, and finally prepared me to know about the relation between me and Lord Sri Krishna who is the original father of all *atmas* or living entities.

It is a wonderful feeling that can't be expressed in words or by writing. It can only be enjoyed by us naturally. Before I was like a body without a soul and a brain without knowledge. However, after having *darshana* of the divine form of Srila Prabhupada, I was so pleased to keep that form in my heart forever. After I started reading *Bhagavad-gita* and chanting Hare Krishna *maha-mantra*, I gained a lot of knowledge, happiness and I was not moved by the problems of the material world anymore.

Srila Prabhupada, I pray to you from the bottom of my heart to give me enough energy and *bhakti* to do chanting, reading *Bhagavad-gita* and other Krishna books, and to realize more about Sri Sri Radha Krishna for the rest of my life. I request you, Srila Prabhupada, to consider this insignificant servant of yours to go back to Godhead.

Your obedient disciple, Bhakta Nikhil.

Jai Sri Ram! Jai Sri Krishna!

Dear Srila Prabhupada,

Kindly accept my humble request and my obeisances at your lotus feet. Before joining ISKCON, I was doing my regular prayer and I was thoroughly devoted towards it.

Nearly two years before ISKCON had started in our locality, they were doing *abhisheka puja* and reciting of *Srimad Bhagavad-gita* in our locality. I used to participate in such activities because of my loving devotee father. I used to go there without much idea of these devotional programs. I always listened to 1 and 1/2 hour lecture of Prabhujī and have nice tasty *prasadam*. On YouTube, I also used to listen to the lectures of your disciples.

Initially, I was thinking that I am the captain of the soul, boss of my dream, and master of my faith. This was the concept of life I was holding. I was worrying a lot about my academics, career, and material status. But now, because of your mercy Srila Prabhupada, I could understand that life is meant for much more than just material possessions and our ultimate purpose is to engage one's life in the devotional service at the Lotus Feet of Sri Sri Radha Krishna.

Srila Prabhupada, I kindly pray to you to engage me more and more in Krishna consciousness.

Your faithful devotee,

Bhakta Prajwal Kalangutkar.

Dear Srila Prabhupada

Please accept my humble obeisances.

Thank you Srila Prabhupada and Lord Krishna for bringing me to ISKCON.

ISKCON gave me the opportunity to realize my self and purify myself. It gave me the knowledge to know that we are spirit souls, and our primary responsibility is to engage in the devotional service to Lord Sri Krishna. By your mercy and teachings, I could understand that there is no greater business in one's life other than attaining love of Godhead , and thereby reach the spiritual abode of Sri Krishna.

Srila Prabhupada, I pray at your lotus feet to please guide me to always remember Lord Krishna; to always be in devotee association, and help me to chant Hare Krishna Maha-mantra without any offenses.

Your humble servant

Bhakta Sanjay.

Dear Srila Prabhupada

Please accept my humble obeisances at your lotus feet and all glories to your Divine Grace.

It is my great fortune to get into Krishna Consciousness because of your mercy. It is not easy to get into Krishna Consciousness in this degraded age of kali yuga . Before I came into Krishna Consciousness I was living with animal propensities. One of my devotee uncle took me to the temple though I was not much interested. However, I was very fond of Krishna prasadam. This has gradually increased my interest in Bhajans and Sankirtan. Then I continued to attend every Sunday program. I started associating more with devotees. I learnt karatala and mridanga as well. I became so attached to Krishna Conscious programs, that I eagerly used to wait for the weekend. Over a period of time, my family started coming as well, and then we all started doing Japa. After a few months we got the deities from devotees to my house. It was really a miracle in my life that Radha Shyam Sundar had come to my house, and could understand that it is all due to Srila Prabhupada's mercy. He had given us this great opportunity to serve Their Lordships, and I'm always grateful and indebted to the lotus feet of Srila Prabhupada.

Your humble servant

Bhakta Sharana Basava.

ಭಗವದ್ಗೀತೆಯ ವ್ಯಾಖ್ಯಾನವನ್ನು ಬರೆದು ನಮಗೆ ಸುಲಭವಾಗಿ ಭಗವಂತನನ್ನು ಅರ್ಥ ಮಾಡಿ ಕೊಳ್ಳಲು ಸಹಾಯಮಾಡಿಕೊಟ್ಟಿದ್ದಾರೆ ಮತ್ತು ಇಷ್ಟಲ್ಲದೆ ಭಗವಂತನ ಧಾಮಕ್ಕೆ ಸೇರಲು ಹರೇ ಕೃಷ್ಣ ಮಹಾಮಂತ್ರದ ಸೂತ್ರವನ್ನು ತಿಳಿಸಿಕೊಟ್ಟಿದ್ದಾರೆ. ಮತ್ತು ಇವರು ಮಾಡಿದ ಸಾಧನೆ ಯಾರು ಸಹ ಸಾಮಾನ್ಯ ಮನುಷ್ಯರು ಮಾಡಲು ಸಾಧ್ಯವೇ ಇಲ್ಲ. ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ಮೊದಲ ಬಾರಿಗೆ ಅವರ ಗುರುಗಳ ಹತ್ತಿರ ಹೋದಾಗ ಅವರಿಗೆ ಶ್ರೀಲ ಭಕ್ತಿ ಸಿದ್ಧಂತ ಸರಸ್ವತಿ ಗೋಸ್ವಾಮಿ ಅವರು ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ ಹೇಳಿದರು "ನೀನು ಪಾಶ್ಚಾತ್ಯ ದೇಶಗಳಿಗೆ ಹೋಗಿ ಅಲ್ಲೆಲ್ಲ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆ ಯನ್ನು ಮೂಡಿಸು" ಎಂದು ಅವರು ಹೇಳಿದರು ಆಗ ಪ್ರಭುಪಾದರಿಗೆ ಯಾರು ಜೊತೆಯಿಲ್ಲ. ಅವರೊಬ್ಬರೇ ಪಾಶ್ಚಾತ್ಯದೇಶಗಳಿಗೆ ಹೋಗಿ ಅಲ್ಲಿ ಇರುವ ಜನರಿಗೆ ಭಗವಂತನ ಬಗ್ಗೆ ಪ್ರಚಾರಮಾಡಿ ಮತ್ತು ಭಗವದ್ಗೀತೆಯ ಸಾರವನ್ನು ತಿಳಿಸಿ ಎಲ್ಲರಿಗೂ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯನ್ನು ನೀಡಿ ಮತ್ತು ಇನ್ನು ಹೆಚ್ಚು ಭಗವಂತನ ಬಗ್ಗೆ ತಿಳಿಸಿ ಸಮಗ್ರ ಜೀವನದ ಸಾರ್ಥಕತೆಯನ್ನು ತಿಳಿಸಿ ಮಾರ್ಗದರ್ಶನವನ್ನು ತೋರಿಸಿ ಕೊಟ್ಟಿದ್ದಾರೆ. ಇಷ್ಟಲ್ಲದೆ ಇನ್ನು ಅನೇಕ ಸಾಧನೆ ಮಾಡಿದ್ದಾರೆ. ನಮಗೆ ಪ್ರಭುಪಾದರು ಸಿಗದೆಯಿದ್ದರೆ ನಾವು ಈ ಭೂಮಿಯಲ್ಲಿ ಈ ಮಾಯೆಯ ಒಂದು ಪ್ರಭಾವಕ್ಕೆ ಸಿಲುಕಿ ಬಿಡುತ್ತಿದ್ದೇವು. ಮತ್ತು ನಾವು ಭಗವಂತನೆಡೆಗೆ ಹೋಗಲು ಸಾಧ್ಯವಾಗುತ್ತಿರಲಿಲ್ಲ. ನಾವು ಪ್ರಭುಪಾದರಿಗೆ ಎಷ್ಟು ನಮಿಸಿದರು ಸಾಲದು ಇನ್ನು ಪ್ರಭುಪಾದರು ಶ್ರೀ ಕೃಷ್ಣ ಇಂದಿಗೂ ಎಷ್ಟು ಪ್ರಸ್ತುತ ಎಂಬುದನ್ನು ಜಾಗತಿಕವಾಗಿ ತಿಳಿಸಿಕೊಟ್ಟಿದ್ದಾರೆ. ಅವರಿಗೆ ಚೈತನ್ಯ ಮಹಾಪ್ರಭುಗಳು ಹಾಗೂ ಅವರ ಗುರುಗಳು ಆದರ್ಶ. ಪ್ರಭುಪಾದರು ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯ ಧ್ವಜವನ್ನು ಹಿಡಿದು ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯನ್ನು ತಂದು ಕೊಟ್ಟಿರುವುದು ಪ್ರಭುಪಾದರ ಪವಾಡವೇ ಸರಿ. ಮತ್ತು ಪ್ರಭುಪಾದರ ಶ್ರದ್ಧೆ, ಆತ್ಮವಿಶ್ವಾಸ, ದೃಢನಿಶ್ಚಯ, ಎತ್ತರದಗುರಿ, ಕಾರ್ಯ ಪಟುತ್ವ, ಕಾರ್ಯನಿರ್ವಹಣೆ, ಏನನ್ನಾದರೂ ಸಾಧಿಸಲು ಸಧ್ಯ ಎಂಬುವುದಕ್ಕೆ ಉದಾಹರಣೆ ಪ್ರಭುಪಾದರ ಸರಿ. ಇನ್ನು ಶ್ರೀಲ ಪ್ರಭುಪಾದರ ಬಗ್ಗೆ ಎಷ್ಟು ಹೇಳಿದರು ಸಾಲದು. ಆದುದರಿಂದ ಶ್ರೀಲ ಪ್ರಭುಪಾದರ ಪಾದಗಳಿಗೆ ಶಿರ ಬಾಗಿ ನಮಿಸುತ್ತೇನೆ.

Dear Srila Prabhupada,

I was working at Ballary for few months. One of my friends there who used to visit ISKCON often told me about the Krishna Conscious program. He explained to me its importance so I visited ISKCON with him a few times. When I visited ISKCON I realized the significance of your Hare Krishna Movement and the ultimate purpose of life that is to engage oneself in the devotional service of Lord Krishna. After I returned to my native place I started chanting Hare Krishna Maha Mantra regularly. And within a few months of chanting, I could realize how potential this Maha Mantra is and how it is helping me to progress in all phases of life.

Thank you Prabhupada for giving me this wonderful opportunity to write this offering to you.

Your Devotee,

Bhakta Sukdo Gaonkar.

ಪ್ರೀತಿಯ ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ.

ಶ್ರೀ ಶ್ರೀಮದ್ ಭಕ್ತಿವೇದಾಂತ ಸ್ವಾಮಿ ಪ್ರಭುಪಾದರ ಪಾದಾರವಿಂದಗಳಿಗೆ ನನ್ನ ಹೃದಯ ಪೂರ್ವಕ ಶಿರಾ ಸಾಷ್ಟಾಂಗ ನಮನಗಳು. ಶ್ರೀಲ ಪ್ರಭುಪಾದರು 1896 , ಸೆಪ್ಟೆಂಬರ್ ೧ನೇ ತಾರೀಕು ಕಲ್ಕತ್ತಾದಲ್ಲಿ ಜನಿಸಿದರು. ಅವರು ಹುಟ್ಟಿದಾಗ ಜಾತಕ ನೋಡಿದ ಜೋತಿಷಿಗಳು ಪ್ರಭುಪಾದರು ಅವರ 70 ವಯಸ್ಸಿನಲ್ಲಿ ಭಾರತದ ಸಮುದ್ರವನ್ನು ದಾಟಿ ಇಡೀ ಪ್ರಪಂಚಾದ್ಯಂತ ೧೦೮ ಶ್ರೀ ಕೃಷ್ಣನ ದೇವಾಲಯಗಳನ್ನು ಸ್ಥಾಪಿಸತರೆ ಎಂದು ಹೇಳಿದರು. ಪ್ರಭುಪಾದರು ಬಾಲ್ಯದಲ್ಲೇ ಶ್ರೀ ಕೃಷ್ಣನ ಪರಮ ಭಕ್ತರಾಗಿದ್ದರು. ಅವರ ತಂದೆ ಕೊಟ್ಟಿದ್ದ ಪುಟ್ಟ ರಾಧಕೃಷ್ಣರ ವಿಗ್ರಹಗಳನ್ನು ಅವರು ಬಾಲ್ಯದಿಂದಲೇ ಪೂಜಿಸುತ್ತಿದ್ದರು. 6ನೇ ವಯಸ್ಸಿನಲ್ಲಿ ಪುರಿಯ ಜಗನ್ನಾಥರಥಯಾತ್ರೆಯ ಮಾದರಿಯಲ್ಲಿಯೇ ಒಂದು ಪುಟ್ಟ ರಥವನ್ನು ನಿರ್ಮಿಸಿ ಮನೆ ಮಂದಿಯಲ್ಲಾ ರಥೋತ್ಸವ ಆಚರಿಸಿ ಆನಂದ ಪಟ್ಟರು. ಇದು ೪ ದಿನಗಳ ಕಾಲ ತಡೆಯಿಲ್ಲದೆ ನಡೆಯಿತು.

ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ತಮ್ಮ ಪದವಿ ವಿಸ್ತಾಭ್ಯಾಸವನ್ನು ಸ್ಯಾಟಿಶ್ ಚರ್ಚ್ ಎಂಬ ಪ್ರಸಿದ್ಧ ಕಾಲೇಜಿನಲ್ಲಿ ಮುಗಿಸಿದರು. ಆ ಸಂದರ್ಭದಲ್ಲಿ ಶ್ರೀಲ ಭಕ್ತಿ ಸಿದ್ಧಂತ ಸರಸ್ವತಿ ರಾಕೂರರು ಪ್ರಭುಪಾದರಿಗೆ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯ ಭೋದನೆಯನ್ನು ಪಾಶ್ಚಾತ್ಯ ರಾಷ್ಟ್ರಗಳಲ್ಲಿ ಹರಡಲು

ಹೇಳಿದರು. ಈ ಒಂದು ಪ್ರಸ್ತಾಪನೆಯೇ ಪ್ರಭುಪಾದರ ಹೃದಯ ತುಂಬಿ ಅವರು ತಮ್ಮ ಜೀವನವನ್ನೇ ಈ ಕಾರ್ಯಕ್ಕಾಗಿ ಮುಡಿಪಾಗಿಸಿದರು. ಲೀಗ್ ಆಫ್ ಡಿವೋಟಿಸ್

ಅವರು "ಬ್ಯಾಕ್ ಟು ಗಾಡ್ ಹೆಡ್" ಎಂಬ ಪತ್ರಿಕೆಯನ್ನು ಪ್ರಾರಂಭಿಸಿದರು. ಅಧನ್ನು ಸ್ವತಃ ಬರೆದು ಮುದ್ರಿಸಿ ತಮ್ಮ ಕೈಯಿಂದಲೇ ಹಂಚುತ್ತಿದ್ದರು. ರುಾನಿಯಲ್ಲಿ ಅವರು ಧಾರ್ಮ ಪ್ರಚಾರಕ್ಕಾಗಿ ಲೀಗ್ ಆಫ್ ಡಿವೋಟಿಸ್ ಎಂಬ ಸಂಸ್ಥೆಯನ್ನು ಸ್ಥಾಪಿಸಿದರು. ಪ್ರಭುಪಾದರ ಸಾಧನೆಯನ್ನು ಗುರುತಿಸಿ ಗೌಡಿಯ ವೈಷ್ಣವ ಸಂಘವು ೧೯೫೯ರಲ್ಲಿ ಭಕ್ತಿವೇದಾಂತ ಎಂಬ ಬಿರುದನ್ನು ಕೊಟ್ಟು ಗೌರವಿಸಿತು. ಅವರ ಜೀವನದ ಅತ್ಯಮೂಲ್ಯ ಕೃತಿಯಾದ ಶ್ರೀಮದ್ ಭಾಗವತದ ಹದಿನೆಂಟು ಸಾವಿರ ಶ್ಲೋಕಗಳಿಗೆ ಅನುವಾದ ತಾತ್ಪರ್ಯವನ್ನು ಬರೆಯಲು ಪ್ರಾರಂಭಿಸಿದರು. ಲೀಗ್ ಆಫ್ ಡಿವೋಟಿಸ್

ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ಭಕ್ತರೊಬ್ಬರ ನೆರವಿನಿಂದ ೧೯೬೫ ಸೆಪ್ಟೆಂಬರ್ ೧೩ ರಂದು ನ್ಯೂಯೋರ್ಕ್ ಗೆ ಹಡಗಿನಲ್ಲಿ ಪ್ರಯಾಣ ಮಾಡಿದರು. ಆಗ ಕೆಲವೇ ದಿನಗಳ ಹಿಂದೆ ೬೯ನೇ ಜನ್ಮದಿನವನ್ನು ಪೂರೈಸಿದರು. ಬಹುಪಾಲು ಜನ ಈ ವಯಸ್ಸಿಗೆ ಕೆಲಸದಿಂದಲೇ ನಿವೃತ್ತಿಯನ್ನು ಪಡೆದಿರುತ್ತಾರೆ. ಆದರೆ ಎ. ಸಿ. ಭಕ್ತಿವೇದಾಂತ ಪ್ರಭುಪಾದರು ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯ ಪ್ರಚಾರಕ್ಕಾಗಿ. ಈ ಇಳಿ ವಯಸಿನಲ್ಲಿ ಪಾಶ್ಚಾತ್ಯ ದೇಶಕ್ಕೆ ಪ್ರಯಾಣಬೆಳೆಸಿದರು.

ತಮ್ಮ ಪ್ರಯಾಣದ ಅವಧಿಯಲ್ಲಿ ಶ್ರೀಲ ಪ್ರಭುಪಾದ ರವರಿಗೆ ಎರಡು ಸಲ ಹೃದಯಾಘಾತವಾಯಿತು. ಇಂಥ ಸಂದಿಗ್ಧ ಪರಿಸ್ಥಿತಿಯಲ್ಲಿ ಒಂದು ರಾತ್ರಿ ಪ್ರಭುಪಾದರ ಅಪೂರ್ವವಾದರವರಿಗೆ ಕನಸು ಬಿತ್ತು. ಪರಮ ಪುರುಷ ಶ್ರೀ ಕೃಷ್ಣನು ದೋಣಿಗೆ ಹುಟ್ಟು ಹಾಕಿ ಮುನ್ನಡಿಸುತ್ತಿದ್ದ ಅವನು ಅವರ ಬಳಿ ಅಂಜದೇ ಮುಂದೆ ಸಾಗಬೇಕೆಂದು ಹೇಳಿದನು. ಇದರಿಂದ ಪ್ರಭುಪಾದರಲ್ಲಿ ಅಪಾರವಾದ ಧೈರ್ಯ ಹೆಚ್ಚಿತು. ತಮಗೆ ಪರಮಾತ್ಮನ ರಕ್ಷಣೆ ಇದೆ ಎಂದು ಭಾವಿಸಿದರು. ೩೭ ದಿನಗಳ ನಂತರ ನ್ಯೂಯೋರ್ಕ್ ನಗರವನ್ನು ತಲುಪಿದರು ಅಪರಿಚಿತ ಊರಿನಲ್ಲಿ ಯಾರೊಬ್ಬರ ಪರಿಚಯವೂ ಇರಲಿಲ್ಲ ಅವರ ಬಳಿ ಕೇವಲ ೪೦ ರೂಪಾಯಿಗಳು ಮಾತ್ರ ಇದ್ದವು . ಕೈಯಲ್ಲಿ ಕೆಲವು ಪುಸ್ತಕಗಳು, ಒಂದು ಕಬ್ಬಿಣದ ಟ್ರಂಕು, ಒಂದು ಕೊಡೆ, ತಿನ್ನಲು ಧಾನ್ಯಗಳಿಂದ ಮಡಿದ ಒಣ ಹಿಟ್ಟು ಇತ್ತು. ಆದರೆ ಒಬ್ಬ ಏಕಾಂಗಿ ಮನುಷ್ಯ ಯಾವ ಸಹಾಯ ಸಹಕಾರವಿಲ್ಲದೆ ತನ್ನ ಆರೋಗ್ಯವು ಸರಿಯಿಲ್ಲದೆ ಗುರುತು ಪರಿಚಯವಿಲ್ಲದ ಯಾವ ಕೃಷ್ಣ ಬೋದನೆಯನ್ನು ಕೇಳಿರಿಯದ ಬೃಹತ್ ಅಮೇರಿಕ ದಂತಹ ದೇಶದಲ್ಲಿ ಯಶಸ್ಸನ್ನು ಸಾಧಿಸಬಲ್ಲನೇ? ಎಂಬುದೇ ಪ್ರಶ್ನೆಯಾಗಿತ್ತು. ಈ ಅಲ್ಪಾಧಿಯಲ್ಲಿ ಅಂದರೆ ೧೯೬೫-೧೯೭೭ರ ತನಕ ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ೧೦೮ ಕೃಷ್ಣನ ದೇವಾಲಯಗಳನ್ನು ಸ್ಥಾಪಿಸಿದರು. ಇದರಲ್ಲಿ ನ್ಯೂಯೋರ್ಕ್ನಲ್ಲಿ ೧೩ ಅಂತಸ್ತಿನ ಕೃಷ್ಣ ಮಂದಿರ ಕಟ್ಟಡವೂ ಒಂದು. ತಮ್ಮ ಧೈರ್ಯ ಸಾಧನೆಗಾಗಿ ಇಡೀ ಜಗತ್ತನ್ನು ೧೪ ಪರ್ಯಟನೆ ಮಾಡಿದರು.

ಪ್ರಭುಪಾದ ಈ ನಿಮ್ಮ ಸಾಧನೆಯು ನಿಜವಾಗಿಯೂ ಅವಿಸ್ಮರಣೀಯವಾಗಿದೆ. ಗುರುದೇವ ಭಕ್ತಿಯ ಹಾದಿಗಾಗಿ ನೀವು ಹಾಕಿಕೊಟ್ಟಿರುವ ಹೆಜ್ಜೆಗಳನ್ನು ಚಾಚೂತಪ್ಪದೆ ಪರಿಪಾಲಿಸುವಂತೆ ಅನುಗ್ರಹಿಸಿ ಎಂದು ಬೇಡಿಕೊಳ್ಳುತ್ತೇನೆ.

Revered Srila Prabhupada,

With Your grace, I am slowly evolving in the spiritual ladder. Daily basic principles of I S K C O N movement have increased my horizon of thinking and spiritual progression

I am now reading aloud the Bhagavatam Canto 2 to my family members. I am Thoroughly enjoying Bhagavatam, Half backed spiritual childhood knowledge is cleared with a strong foundation of clarity of things as they are.

I have to increase my chanting to higher levels from present four days. I have to make time for myself for rapid advancement spiritually. With your blessing, I am sure to achieve more mile stones with the association of your organization, your disciples especially Sri.Gunarnavadas.

Your servant,

Bhakta Vinayak P D.

Jai Srila Prabhupada

Dear Srila Prabhupada, Kindly accept my humble obeisances.

Before coming in contact with your ISKCON Movement and devotees, I knew nothing about devotional life and was living a sinful life. Though on many instances I've been requested to chant the Hare Krishna Maha Mantra by your disciple and who also happens to be my cousin, I had only refused to do so. But by constant preaching and association with the devotees, I started chanting the Maha Mantra and gradually could give up my sinful activities. It was then I could realize that my life could not have been better without your mercy. I feel so fortunate that you gave shelter to me at your lotus feet, though I'm not eligible.

Srila Prabhupada, it is because of your teaching that now I have an understanding of what is a soul? Who is Krishna? What is the difference between material life and spiritual life? You are truly unlimited, possessing an ocean of knowledge about Lord Krishna and His pastimes.

At our native place Bellary, Satsang is being conducted every Sunday which proved to be very beneficial to all the members who are taking part in Krishna Consciousness. Srila Prabhupada, I humbly pray to you to bless us to engage more in devotional service to Lord Krishna. Kindly bless us so that we chant the Holy name with more reverence, and without committing offenses.

Forgive us if we have committed any mistakes at your Lotus Feet knowingly or unknowingly. And I am thankful that I've been given this opportunity of writing about you on the occasion of Vyasa Puja.

All glories to Srila Prabhupada!

Your Humble Servant,  
Bhakta Virupakshaiah.

Dear Srila Prabhupad

Please accept my humble obeisances

It is your unconditional love upon us that you could distribute Krishna Conscious to the entire world, which is terribly suffering in this kali yuga. We consider ourselves to be very fortunate to be able to access spiritual literature and understand easily, and it's all because of your causeless mercy. You have written huge volumes of books describing in length on bhakti-yoga, and pastimes of Lord Krishna. You introduced a simple and sublime method of chanting the holy names by which one can reach the spiritual abode of the Supreme Personality of Godhead. Srila Prabhupad, I humbly pray to you to please keep me engaged in the service of Lord Krishna and your devotees.

Your humble servant

Dear Srila Prabhupada

In this age of quarrel and hypocrisy, one cannot find a devotee of Lord Krishna who is pure-hearted such your Divine Grace. You were exemplary in establishing devotional practices by which one can escape the miseries of material life, and relish spiritual joy in the association of devotees. You taught this whole world how one can easily attain the spiritual abode of Lord Sri Krishna by means of chanting holy names, reading spiritual books written and authorized by you.

You made it possible for every person to take part in practical devotional service by your programs such as Sundays congregational meetings at ISKCON, melodious sankirtans, and honoring sumptuous prasadam. We are always eager to listen to the pastimes of Lord Krishna described by respective Prabhujis during the Bhagavad Gita class. The only way we can liberate ourselves from the material pangs is by taking shelter at your lotus feet.

Hare Krishna

Dear Srila Prabhupada,

I offer my respectful obeisances unto your Divine Grace, who is very dear to Lord Krishna, and having taken shelter at the Lotus feet of Lord Krishna.

Gurudev (Srila Prabhupada), God (Supreme Lord Krishna) given you a great ability to change the world into a spiritual one. By Supreme Lord's grace, you are very courageous that is you had traveled around the countries which are unknown to you, and preached and made people into devotees. From a Sanyasi you have become Gurudev of the whole world. Your preachings and books changed this material world to the spiritual world. I feel very happy to be a part in the society of Krishna Consciousness. The valuable thing and universal fact that I understand by your preaching is "I am not the creator and enjoyer" of this material life. Supreme Lord is one and only creator, and we could enjoy only in Krishna Consciousness, chanting Hare Krishna Mantra which is introduced by you. The path shows the golden way towards the Lotus feet of Supreme Lord (Krishna). Gurudev you are always my well-wisher, and you always show us the right path and guide me to lead this life spiritually.

Thank you Prabhupad

Dear Gurudev Srila Prabhupada,

Please accept my humble obeisances.

I don't know where to start. But there were times when I just lost hopes on life, career, faith in God and everything else. However, I was determined to put an end to all my negativity. My family and relatives were much concerned, and asked me to start praying and meditating. I started to develop more belief and faith on the almighty. Once I was chanting "Namo Hari" on the day of Vaikuntha Ekadasi at Lord Narayana's temple. I had been there to seek blessings from Him, and that's when I got a thought of reading Bhagavad Gita. And on the very same auspicious day, when this thought triggered, right then I happened to see ISKCON selling these holy books. Right away I went to them and brought this book. I experienced how Krishna Conscious devotees were really very welcoming, and asked me to even join them for Krishna Consciousness classes to learn more.

Before I start off reading Gita every day, I usually seek blessings from Krishna, and then offer my gratitude towards you because without your mercy this confidential knowledge cannot be understood by a layman like us. And since the day I started reading, I have seen miracles in my life. Maybe that sounds silly to others, but small gestures make a huge difference. Krishna was always trying to show me his presence in some way or another. He helped me get back my belief in life, and completely removed the negative thoughts that I had in me. He even helped me enhance my patience level, and cut off the rage and violence that was prevailing inside me.

Krishna Conscious made me so mindful that I could excel in all phases of life, which also included getting a great job and income that was beyond my expectation. It made me focus on my responsibilities without getting deviated during life's many ups and downs.

Believe me or not, even today when I feel low and hurt, at that very moment I receive a text message from a devotee that very well addresses my problem. I just wish to see these miracles forever. Thank you once again Srila Prabhupada for considering me as one of your Lord Krishna's family members.

your obedient servant

I offer my humble obeisances at the lotus feet of His Divine Grace Srila Prabhupada

Dear Srila Prabhupada

I'm very grateful to you, and it is your mercy that I'm part of this very honourable movement called Krsna Consciousness Movement. I am experiencing a lot of amazing positive changes happening in my life, and It's is all because of your causeless mercy. I have had so many confusions, and went through many ups and downs wherein I even got stuck in life not knowing which way to go ahead. However, by devotee association and by your books, I could get proper guidance to make the right choices which is much more than the support I got from my family and friends. Today I'm in a better position in my life and all thanks to you.

I have read your life story Mahasadhaka, and was inspired by the dedication and love you had towards Krishna. When I realized the obstacles and pains that you have taken to preach Krishna Consciousness all over the world and establish this Movement, that's when I decided that I'll never let you go from my heart. Your presence will always be felt in my life, and I beg you to give me shelter at your lotus feet.

This writing is just a small offering to you, but your glories are much more than my words could express.

Dear Srila Prabhupada

I am very grateful that you accepted me as your disciple, and through your devotees taught me what is Krishna Consciousness. Before coming in contact with your Hare Krishna Movement, we were not having any knowledge about Lord Krishna, His pastimes, our ultimate purpose of life, and our relationship with the Lord. And now by your grace, I and all my family members are strictly following four regulative principles ,and chanting 16 rounds of Hare Krishna Maha Mantra. We are very happy because of your blessings, and are really reaping the benefits of spirituality.

Oh my Spiritual Master Srila Prabhupada

Please accept my humble obeisances on to your Lotus feet.

Firstly, I would like to thank you for showering your causeless mercy on me and my family members. Prabhupada, you are the ocean of mercy. I thank you for each and everything you have given to me in my life. I know I am not eligible to either chant or read your books, but it is possible only due to the causeless mercy that you have showered on to me.

Whatever I am today that is only because of your love and mercy. At the old age, you have taken the pain of spreading Krishna Consciousness across the world as instructed by your spiritual master Srila Bhakti Siddhanta Saraswati Goswami Prabhupada. You wrote so many Krishna Conscious books to enlighten our lives.

I sincerely pray to you to please keep me always in the shelter of your Lotus feet. Day by day there should be progress in my spiritual life. Help me to become more serious about the quality of my chanting and reading. Request you to keep me engaged in your devotional service throughout my life. Also, request you to kindly help me to overcome all my material desires.

Lastly, oh master, please bless me to progress in Krishna Consciousness, and empower me in preaching service. Want to serve you with all my heart, my dear master.

Dear Srila Prabhupada

Please accept my obeisances at your lotus feet.

You are an ardent devotee of Lord Sri Krishna, and one of the greatest teachers and preachers of Krishna Consciousness.

As Sunithi, mother of Druva Maharaj instructed him, likewise, Srila Prabhupad, you have taught us how to always keep Krishna in our heart in the journey of life. You made us realize that our constitutional position and occupational duty, is to always keep our mind fixed on Krishna.

Krishna is very kind to his devotees; when everyone fails to dissolve one's misery, Krishna alone is able to help his devotee. If one sees lotus flower all his fatigue gets relived. Similarly, Prabhupada, you told us that if one sees the lotus feet of Krishna, immediately ones grief reduces. The worshipers of the goddess of fortune and Lord Vishnu are certainly very opulent in all respects, including material life. But attaining love of Godhead by process of the bhakti-yoga is the ultimate goal of life. This has been demonstrated by a mere five-year-old Druva. As soon as one places the Supreme Personality of Godhead within one's heart, everything becomes easy and successful.

Your humble devotee,

Bhaktin Premalatha Vinayak.

I offer my respectful obeisances unto the Lotus feet of my spiritual master

You expel darkness and fill light into the lives of everyone. My master, you are the only ray of hope to liberate the fallen souls from the clutches of the material world. My master, whenever I hear your name the only sentence I remember is “simple living and high thinking”. You lead a very simple life, and made higher-level activities such as spreading Krishna Consciousness throughout the world.

You motivated and convinced many people through your books, magazines, and lectures, and converted them to ultimate real knowledge of God Conscious. I am one among them, and I feel very lucky to have a Spiritual Master like you in my life. You made me realize life's ultimate goal that is to become Krishna Conscious. I have learnt and benefited a lot in the

temple association of devotees, and enjoyed a lot participating in spiritual activities and services. Although your personal presence is not there, but your instructions will make us lead to ultimate goal of devotional service to Lord Krishna.

My Spiritual Master, Srila Prabhupada, you are praised by many devotees and religious scholars around the world. You have come across many obstacles internally and externally, but you never gave up propagating Krishna Consciousness. I admire your passion, strength, confidence, dedication, determination. Words fall short to define your qualities. Oh! master, please bless me with such strength and confidence to progress in my chanting, reading your books with full consciousness. I always desire to be in your association life after life.

Dear Srila Prabhupada,

I offer my respectful obeisances at your lotus feet.

Because of your unconditional love and blessings, we could experience the benefits of Vedic culture. My very first experience when I chanted Hare Krishna Maha-mantra is that I could feel a powerful vibration within my heart and soul.

Since then we are more inclined to take part the chanting of holy names, reading your Divine Grace books such as Bhagavad Gita and Srimad Bhagavatam. We feel very blessed in your presence, and I kindly pray to you to keep us engaged in devotional service to Lord Sri Krishna eternally.

I thank you Srila Prabhupada for giving me this opportunity to share my devotional experience with you.

I wish to express my heartfelt gratitude and sincere thanks to you.

So far no one could present the holy scriptures such as Bhagavat Gita and Srimad Bhagavatam in a way that a common man could understand. You have painstakingly written many volumes of books in a way the whole world can access irrespective of caste, class, and language. This has greatly transformed the lives of many millions, and could apply your teachings to solve the problems of life.

I bow down at your Lotus Feet, for you have founded ISKCON where the whole world can take shelter of Lord Krishna.

Dear Srila Prabhupada,

I am being regular to ISKCON from the past 4 years. Earlier, I was not knowing about the material world in which we are living and how to overcome the material sufferings. But by your mercy, at last, I came to understand that it is possible by completely surrendering myself to the lotus feet of a pure devotee and a Spiritual Master such as your Divine Grace. And that there is no other way by which we can approach Lord, Sri Krishna. The only means to surrender ourselves at your lotus feet is by following regulative principles, your divine instructions, by constant chanting of the holy names and reading books that were written and authorized by you.

So, I am chanting daily 4 rounds and reading Bhagavat Gita and enthusiastically involve myself in many services that I get by the devotees in the ISKCON temple.

Hare Krishna.

I always had a desire to read holy books such as Srimad Bhagavatam and Bhagavat Gita but these books were not easily available. With the grace of Srila Prabhupada, these books are now available through ISKCON temples throughout the world. My dream came true when I visited the Bengaluru ISKCON temple. I got the full set of Bhagavatam. I can't express my happiness in words.

Please accept my humble obeisance at your lotus feet. All glories to your Divine Grace.

You are very dear to Lord Krishna having taken shelter at His Lotus Feet. You have truly executed the will of Srila Bhakti Siddhanta Saraswati Goswami Prabhupada, in preaching Krishna consciousness to the Western world. You have fulfilled the prophecy of Lord Chaitanya by spreading the Sankirtana movement to every city, town, and village.

Though you have given us the most sublime and practical advice to become Krishna Consciousness by devotional activities, still my mind sometimes gets deviated and I feel very sorry about myself. Srila Prabhupada, I pray at your lotus feet to bless me so that I chant the Hare Krishna Maha Mantra with more concentration and love towards the Supreme Personality of Godhead Sri Krishna. Please make me give up the habit of wasting time on non-devotional activities and kindly make me your best disciple.

Hare Krishna Dear Srila Prabhupad,

Kindly accept my humble request, Gurudeva before joining with ISKCON I was doing my regular prayers except for chanting Hare Krishna maha-mantra.

Nearly 2 years back ISKCON had started its activities in our locality and we were engaged in doing chanting, puja, and listening to Bhagavad Gita teachings. Before coming in contact with ISKCON, I joined the Sanskrit classes in which they taught us about Bhagavat Gita. It developed eagerness in me to know more about Krishna and Bhagavad Gita. After a while. I had to give up attending Sanskrit classes due to various reasons and pressures from a few of my family members. I was frustrated in life and contemplated more depending on the Lord's mercy.

Srila Prabhupada it is your causeless mercy that your kind devotees conducted Krishna Conscious programs in our locality and I could cheerfully attend Bhagavad Gita lectures and this time along with my beloved son. Now, all my material problems don't bother me much because you gave me the shelter of your lotus feet. I became more peaceful in my life and realized the ultimate goal of life is to attain the love of Godhead Sri Krishna. Now all my family members chant Hare Krishna Maha Mantra and attend ISKCON center for darshan and doing devotional service.

Srila Prabhupada, I humbly pray and request you to kindly bless all congregation members to grow deep in Krishna Consciousness. if we are doing any sin knowingly or unknowingly kindly help us to walk on the right path and bless all of us and forgive us.

Thank you Srila Prabhupad for giving me this opportunity to write this offering to you.

All glories to Srila Prabhupad

Your faithful devotee,

Bhaktin Smita.

Hare Krishna Dear Srila Prabhupada,

Please accept my humble and respectful obeisances at your lotus feet.

I have no words to sufficiently glorify your divine grace. Your glories are like the fathomless ocean. I am a wretched soul, how can I, who is so insignificant, glorify you properly. But you are like the merciful father who appreciates even the broken words of this child.

I am just amazed again and again at my fortune just to have come in touch with your divine grace, even though I have never met you physically. Your instructions are electrifying. Your life is dedicated to preaching Krishna consciousness and was in a very exalted position, and still, you are more humble than a blade of grass. Your every word is filled with Vedic wisdom.

Thanks a lot for your merciful blessings.

Hare Krishna.

Your Servant,

Bhaktin Soundarya.

My Dear Spiritual Master, Srila Prabhupada.

I offer my humble obeisances unto you.

Prabhupada by your mercy I take an opportunity to thank you for accepting me as your student and showing me the path of Krishna consciousness. I know I am not at all eligible either to understand Krishna or to Chant and read the scriptures, but it is just because of your causeless mercy I am able to chant, read and serve Lord Krishna. I am very grateful that you have brought Lord Krishna into my life.

Whenever I read your books I feel very happy and just can't imagine that you sacrificed so many things and wrote these books to enlighten us and take us back to godhead. This shows how merciful you are. Thank you so much, Prabhupada. Please give me the shelter at your lotus feet and always guide me to engage in devotional service to Lord Sri Krishna. Give me the strength to read more and more and Chant more and more. Give me the power to remember Krishna always and follow your instructions and do service by your mercy. Prabhupada you know I am a number one Rascal and a pig dwelling in the gutter of this material world and you are my only spiritual master. You are the savior of this whole world and I completely understand that it is your mercy that is always protecting me. Thank you so much, Prabhupada. Thank you for everything.

Yours servant of the servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. It is because of taking shelter at your feet that our eagerness towards devotional activities such as Sankirtan, chanting and Krishna Katha increased. Our inclination to go back home back to Godhead, Goloka Dham of Vrindavan has become the very purpose of our life.

Earlier we were more engaged in demigod worship, however by your grace, your disciple who also happened to be my uncle preached that Lord Krishna, is the Supreme Personality. He also taught us on chanting holy names of Lord Krishna. Now I and my family members are gradually progressing towards Krishna Conscious by reading your books such as Bhagavad Gita, honoring the prasadam offered to Krishna, etc.

Srila Prabhupada, I pray to you to bless us with more intelligence to understand the nectarean topics of Lord Krishna and make our life truly successful.

Your Aspiring Devotee,

Bhaktin Tejashwini.

ಪ್ರೀತಿಯ ಶ್ರೀಲ ಪ್ರಭುಪಾದರ

ಶ್ರೀ ಕೃಷ್ಣ ಕೃಪಾಮೂರ್ತಿಯಾದ, ಇಸ್ರಾನ್ ಸಂಸ್ಥೆಯ ಸಂಸ್ಥಾಪಕರಾದ ಹಾಗೂ ನನ್ನ ಪ್ರೀತಿಯ ಗುರುಗಳು ಜಗತ್ತಿಗೆ ಗುರುಗಳೆನಿಸಿರುವ ಶ್ರೀಮದ್ ಎ.ಸಿ. ಭಕ್ತಿವೇದಾಂತ ಸ್ವಾಮಿ ಪ್ರಭುಪಾದರ ಚರಣ ಕಮಲಗಳಲ್ಲಿ ನನ್ನ ಭಕ್ತಿ ಪೂರ್ವಕ ಅನಂತ ಕೋಟಿ ಕೋಟಿ ಪ್ರಣಾಮಗಳು.

ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ನಮ್ಮಂತಹ ಬದ್ಧಾತ್ಮಗಳನ್ನು ಪರಮಪಾಪಿಗಳಲ್ಲಿನ ಪಾಪಿಗಳಾದಂತಹವರನ್ನು ಉದ್ಧಾರ ಮಾಡಲೆಂದು ಬಂದಂತಹ ಚೇತಾತ್ಮರಾಗಿದ್ದಾರೆ. ಜನ್ಮ, ಮೃತ್ಯು, ಜರಾ, ವ್ಯಾಧಿಗಳಿಂದ ಪಾರಾಗಲು ಪ್ರಭುಪಾದರು ತುಂಬಾ ಸರಳವಾದ ಮಾರ್ಗವನ್ನು ತಿಳಿಸಿದ್ದಾರೆ ಅದನ್ನು ಪಾಲಿಸಿಕೊಂಡು ಹೋದರೆ ಸಾಕು ಭಗವಂತಧಾಮಕ್ಕೆ ಕರೆದುಕೊಂಡು ಹೋಗುತ್ತೇನೆ ಎಂದು ಪ್ರಭುಪಾದರು ಅಷ್ಟು ಪರಿಯಾಗಿ ಹೇಳಿದರೂ ಕೂಡ ನಾವೇನು ಮಾಡುತ್ತಿದ್ದೇವೆ. ಇಷ್ಟು ಬದ್ಧಾತ್ಮರಿದ್ದೇವೆ ಎಂದರೆ ಅದನ್ನು ಸರಿಯಾಗಿ ಪಾಲಿಸಲು ಸಹ ನಮಗೆ ಆಗುತ್ತಿಲ್ಲ ಇನ್ನೂ ನಮ್ಮಂತಹ ಪತಿತರನ್ನು ಉದ್ಧಾರ ಮಾಡಲು ಬಂದಿರುವ ಪ್ರಭುಪಾದರು ನಿಜಕ್ಕೂ ತಮ್ಮ ಇಳಿ ವಯಸ್ಸಿನಲ್ಲಿ ತಮ್ಮ ಆರೋಗ್ಯವನ್ನು ಲೆಕ್ಕಿಸದೆ. ತಮ್ಮ ಗುರುಗಳ ಆಜ್ಞೆಯನ್ನು ಚಾಚೂ ತಪ್ಪದೇ ಪಾಲಿಸುವುದಕ್ಕಾಗಿ ಅಮೇರಿಕಾಗೆ ಪ್ರಯಾಣವನ್ನು ಬೆಳೆಸಿದರು. ಹೋಗಿಬೇಕಾದರೆ ಪ್ರಭುಪಾದರಿಗೆ 2 ಬಾರಿ ಹೃದಯಾಘಾತವಾಯಿತು. 3ನೇ ಬಾರಿ ಹೃದಯಾಘಾತ ಸಂಭವಿಸಿದರೆ ಪ್ರಭುಪಾದರು ಉಳಿಯುವುದಿಲ್ಲ ಎಂದು ತಿಳಿಯುತ್ತದೆ. ಆದರೂ ಸಹ ಅದನ್ನು ಲೆಕ್ಕಿಸದೆ ಪ್ರಯಾಣವನ್ನು ಮುಂದುವರೆಸಿ ಅಲ್ಲಿ ಕೃಷ್ಣನನ್ನು ಕೇಳಿಕೊಳ್ಳುತ್ತಾರೆ ಏನೆಂದರೆ "ಈ ದಿನ ಸ್ವಲ್ಪ ಚೆನ್ನಾಗಿ ಅನಿಸುತ್ತಿದೆ ಆದರೆ ವೃಂದಾವನಕ್ಕೆ ದೂರವಾಗಿದ್ದೀನಿ ಎನಿಸುತ್ತಿದೆ. ನನಗೆ ಯಾವುದೇ ರೀತಿಯ ಅರ್ಹತೆಗಳಿಲ್ಲ. ಆದರೆ ಅದು ಕೇವಲ ನನ್ನ ಆಧ್ಯಾತ್ಮಿಕ ಗುರುಗಳಾದ ಭಕ್ತಿವೇದಾಂತ ಸರಸ್ವತಿ ಗೋಸ್ವಾಮಿಯವರ ಆದೇಶಾನುಸಾರವೇ ಈ ಸಾಹಸಕ್ಕೆ ಕೈಹಾಕಿದ್ದೇನೆ" ಎಂದು ಸ್ವತಃ ತಾವೇ ಇದನ್ನು ಹಡಗಿನಲ್ಲಿ ಪ್ರಯಾಣಮಾಡಬೇಕಾದರೆ ಬರೆದುಕೊಂಡಿರುತ್ತೀರಿ.

ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ನಮಗೆ ಪುಸ್ತಕಗಳ ರೂಪದಲ್ಲಿ ಪ್ರಭುಪಾದರ ವಾಣಿಯ ಮೂಲಕ ಇನ್ನು ನಮ್ಮ ಮಧ್ಯದಲ್ಲೇ ಇದ್ದಾರೆ ಎಂದು ಭಾಸವಾಗುತ್ತದೆ. ಪ್ರಭುಪಾದರ ಪ್ರವಚನ ಕೇಳಿದವರಲ್ಲ ತಮ್ಮ ಶಿಷ್ಯರಾಗ ಬೇಕೆಂದು ಬಯಸುತ್ತಿದ್ದರು ಎಂದು, ಅವರ ಮೊದಲ ಶಿಷ್ಯರಾದ ಆಚಾರ್ಯ ಪ್ರಭಾಕರ್ ರವರು ಹೇಳುತ್ತಾರೆ. ಅದಕ್ಕೆ ಪ್ರಭುಪಾದರು "ನಾನು ನಿಮ್ಮನ್ನು ನನ್ನ ಶಿಷ್ಯರನ್ನಾಗಿ ಸ್ವೀಕರಿಸುತ್ತೇನೆ ಅದಕ್ಕೂ ಮೊದಲು ನೀವು ಭಗವಂತನ ನಾಮ ಜಪ ಸ್ಮರಣೆ ಮಾಡಿ" ಎಂದು ಹೇಳುತ್ತಿದ್ದರು. ಪ್ರಭುಪಾದರು ರಚಿಸಿರುವ ಭಾಗವತಂ ಪುಸ್ತಕಗಳನ್ನೂ ಅಂದಿನ ಪ್ರಧಾನಿಗಳಾದಂತೆ ಲಾಲ್ ಬಹುದೂರ್ ಶಾಸ್ತ್ರಿಯವರು ಓದಿ. ಈ ಪುಸ್ತಕಗಳನ್ನು ಭಾರದೇಶದ ಪ್ರಮುಖವಾದ ಗ್ರಂಥಾಲಯಗಳಲ್ಲಿ ಇರಿಸಬೇಕೆಂದು ನಿರ್ಣಯಿಸಿದ್ದರು. ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ಗುರುಕುಲ ಪದ್ಧತಿಯಲ್ಲಿ ಕೆಲವು ನಿಯಮಗಳನ್ನು ನಮಗಲ್ಲಾ ತಿಳಿಸಿಕೊಟ್ಟಿದ್ದಾರೆ. ತಮ್ಮ ಶಿಷ್ಯರಿಗೆ ವಿಗ್ರಹ ಆರಾಧನೆಯನ್ನು ಪರಿಚಯಿಸಿದರು. ಇದು ಅವರ ಆಧ್ಯಾತ್ಮಿಕ ಪ್ರಗತಿಗೆ ಸಹಾಯಮಾಡುತ್ತಿದೆ ಎಂದು. ಕೃಷ್ಣನ ವಿಗ್ರಹಕ್ಕೆ ನಾವು ಮನಃಸೋತಾಗ ಆಗ ನಮ್ಮ ಭೌತಿಕ ದ್ರವ್ಯಗಳ ಮೇಲೆ ವ್ಯಾಪೋಹವು ಕಳೆದುಹೋಗುತ್ತದೆ ಈ ರೀತಿಯಾಗಿ ಭಗವಂತನ ಸೇವೆ ಮಾಡಿ ನಮ್ಮ ಜೀವನದ ಗುರಿಯನ್ನು ತಲುಪಬಹುದು ಎಂದು ಪ್ರಭುಪಾದರು ತಮ್ಮ ಶಿಷ್ಯರಿಗೂ ಎಲ್ಲರಿಗೂ ವಿಗ್ರಹಾರಾಧನೆಯಬಗ್ಗೆ ಶಿಕ್ಷಣವನ್ನೂ ನೀಡಿ ಅದನ್ನು ಪ್ರೋತ್ಸಾಹಿಸಿದ್ದಾರೆ. ಅವರು ಎಷ್ಟೊಂದು ಕರುಣಾಳು ನಮ್ಮೆಲ್ಲರನ್ನು ಉದ್ಧಾರ ಮಾಡಲು ಈ ಭವಸಾರದಿಂದ ಕೊಂಡೊಯ್ಯಲು ಬಂದಿರುವ ಭಗವಂತನ ಪ್ರತಿನಿಧಿಯಾಗಿದ್ದಾರೆ. ಪ್ರಭುಪಾದ ನೀವು ನಮ್ಮೆಲ್ಲರಿಗೋಸ್ಕರ ಏನಲ್ಲ ಮಾಡಿದ್ದೀರ ಆದರೆ ನಾವು ಈಗಲೂ ಗಾಡಾಂಧಕಾರದಲ್ಲಿ ಮುಳುಗಿ ಹೋಗಿದ್ದೇವೆ ಪ್ರಭುಪಾದ ಹಾಗೂ ತಮ್ಮಲ್ಲಿ ಬೇಡಿಕೊಳ್ಳುತ್ತಿದ್ದೇನೆ. ಇದರಿಂದ ಅಜ್ಞಾನದಲ್ಲಿರುವ ನಮ್ಮನ್ನು ಪಾರುಮಾಡಿ ಪ್ರಭುಪಾದ ಭಕ್ತಿಯಲ್ಲಿ ಮುಂದುವರೆಯುವಂತೆ ಆಶೀರ್ವದಿಸಿ ನಿಮ್ಮ ಕೃಪೆಯಿಂದ ಪರಂಪರಾ ಪದ್ಧತಿಯಲ್ಲಿ ದೇವೋತ್ತಮ ಪರಮ ಪುರುಷನ ಗುಣಗಾನವನ್ನು ಮಾಡಲಾಗುತ್ತಿದೆ ಎಂದರೆ ಗುರುವು ಶಿಷ್ಯನಿಗೆ ಇದನ್ನು ತಿಳಿಸುತ್ತಾ ಅಂತಹ ಗುಣಗಾನವು ಈ ಮಿಥ್ಯಾ ಪ್ರಪಂಚದ ಧಳಕು ಬಳಕುಗಳಲ್ಲಿ ಆಸಕ್ತಿಯನ್ನು ಕಳೆದುಕೊಂಡಿರುವವರಿಗೆ ಮಾತ್ರ ರುಚಿಸುತ್ತಿದೆ. ಜನನ ಮರಣಗಳಿಗೆ ಮತ್ತೆ ಮತ್ತೆ ಗುರಿಯಾಗುವ ಬದ್ಧಾತ್ಮರಿಗೆ ಭಗವಂತನ ವರ್ಣನೆಗಳು ಯೋಗ್ಯವಾದ ಔಷಧಗಳಾಗಿವೆ. ಈ ರೀತಿಯಾಗಿ ನೀವು ನಮ್ಮನ್ನು ಉದ್ಧಾರಮಾಡಲು ಇಸ್ರಾನ್ ಸಂಸ್ಥೆಯನ್ನು ಸ್ಥಾಪಿಸಿದರೆ ನಮ್ಮ ಪರಿಸ್ಥಿತಿಯನ್ನು ಊಹಿಸಲು ಅಸಾಧ್ಯವಾಗುತ್ತಿತ್ತು. ನಾವು ಇಸ್ರಾನ್‌ಗೆ ಬರುವ ಮುಂಚೆ ಆಗಿನ ಜೀವನದ ಶೈಲಿ, ಈಗಿನ ಪರಿಸ್ಥಿತಿಗೂ ಅಜಗಜಾಂತರ ವ್ಯತ್ಯಸವಿದೆ. ನಮ್ಮ ಮನುಷ್ಯ ಜೀವನದ ನಿಜವಾದ ಗುರಿ ಏನು ಎಂದು ನೀವು ತೋರಿಸಿಕೊಟ್ಟಿದ್ದೀರಿ ಅದನ್ನು ನಾವು ಚಾಚೂ ತಪ್ಪದೇ ಪಾಲಿಸುತ್ತೇವೆ ಎಂದು ನಾನು ಈ ಮೂಲಕ ತಮ್ಮಲ್ಲಿ ಭಿಕ್ಷೆಯನ್ನು ಬೇಡುತ್ತೇನೆ ಅದಕ್ಕೆ ನೀವು ಶಕ್ತಿಯನ್ನು ಕೊಡಬೇಕೆಂದು ತಮ್ಮ ಚರಣಕಮಲಗಳಿಗೆ ವಂದಿಸುತ್ತಾ ಬೇಡಿಕೊಳ್ಳುತ್ತೇನೆ.

ನಿಜ ನಿರ್ಮಲ ಸುಜ್ಞಾನ, ಧ್ಯಾನದಿಂದ ಜ್ಞಾನ ಪಕ್ವವಾದ ಮನವುಳ್ಳ, ಮಾಧವನಂಭಿ ಕಮಲವನ್ನು ನಿತ್ಯದಲ್ಲಿ ಭಜಿಸುವ, ಸುಜನರ ಉದ್ಧಾರಕ್ಕಾಗಿ ನಿಮ್ಮ ಗುರುಗಳ ಆಜ್ಞೆಯಂತೆ ಪಾಶ್ಚಾತ್ಯ ದೇಶಗಳನ್ನು ತಿರುಗಿದ, ಮಡುವಿನೊಳಗೆ ಬಿದ್ದವರಿಗೆ ನಾವಿ ದೊರಕಿದಂತೆ, ಇಂತಹ ಗುರುಗಳು ದೊರಕಿದ್ದು ನಮ್ಮ ಭಾಗ್ಯ . ಜೈ ಶ್ರೀಲ ಪ್ರಭುಪಾದ!

ಧ್ಯಾನ, ತಪಸ್ಸು ಮಾಡುತ್ತಾ ಬಹುಕಾಲ ಬದುಕಿದ್ದರೂ ಬಾಣವಿಲ್ಲದ ಬಿಲ್ಲಿನಂತೆ ಫಲವಿಲ್ಲ. ನಿಮ್ಮ ಉಪದೇಶ ಬಹುಮುಖ್ಯ. ಈ ಶರೀರವು ಕ್ರಿಮಿ ರಾಶಿ ಎಂಬುದನ್ನು ತಿಳಿಸಿದ, ಡಾಂಭಿಕತನದಿಂದ ದಾಸನಾಗಬಾರದು, ಜೀವಿ ಬದ್ಧ, ದೋಷಕಾರಿ ಎಂದು ತಿಳಿಸಿದ ಹಾಗೂ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆ, ಕೃಷ್ಣ ಪ್ರೇಮ, ಗುರು ಪ್ರೇಮ, ಸಂಸಾರಸಾಗರ ದಾಟುವ ಪರಿ ತಿಳಿಸಿದ, ಜಪಮಾಲೆ ಹಿಡಿಸಿದ, ನಾಮಸ್ಮರಣೆಯಲ್ಲಿ ಭಗವಂತ ನಿಂದಾಡುವನೆಂದು ತಿಳಿಸಿದ, ಶ್ರೀ ಹರಿ ನಾಮ ಹಾಗೂ ನಾಮದ ಮಹತ್ವವನ್ನು ತಿಳಿಸಿದ,

*ಹರೇ ಕೃಷ್ಣ ಹರೇ ಕೃಷ್ಣ ಕೃಷ್ಣ ಕೃಷ್ಣ ಹರೇ ಹರೇ*

*ಹರೇ ರಾಮ ಹರೇ ರಾಮ ರಾಮ ರಾಮ ಹರೇ ಹರೇ*

ಈ ಒಂದೇ ನಾಮದಿಂದ ಪರಮಾತ್ಮನ ಪಟ್ಟಣ ಸೇರಬಹುದು ಎಂದು ತಿಳಿಸಿದ, ಭಕ್ತಿವೇದಾಂತ ಸ್ವಾಮಿ ಶ್ರೀಲಾ ಪ್ರಭುಪಾದರಿಗೆ ಅನಂತಾನಂತ ನಮನಗಳು. ಪ್ರಭು ಪಾದ ದಿಂದಲೇ ಈ ದೇಹ ಉದ್ಧಾರವಾಗುವುದು, ಇವರ ಪಾದವು ನಮಗೆ ವಜ್ರಪಂಜರ, ಇವರು ನೀಡಿದ ಜಪ ಮಂತ್ರದಿಂದಲೇ ಮನಉದ್ಧಾರ .

ಜನುಮ ಸಾರ್ಥಕವಾಗುವ ಸಾಧನೆ ಮಾಡಬೇಕೆಂಬ ಬಯಕೆ ಇದೆ.

ಆದರೆ ನಿಮ್ಮ ಕರುಣಾ ಮೂರ್ತಿಯಾದ ಭಗವಂತನಿಗೆ ಹೇಳಿ , ನನ್ನ ಪಾಪಿ ಮನ ಸ್ಥಿರ ಮಾಡುವುದು ನಿಮ್ಮ ಜವಾಬ್ದಾರಿ ಗುರುವೇ. ದಣಿದಿದ್ದೇನೆ, ಮಣಿದು ಬೇಡುವೆ. ವಿಷಯವೆಂಬ ಸಾಗರದಲ್ಲಿ ಮುಳುಗದಂತೆ ನೋಡಿಕೊಳ್ಳಿ ತಂದೆ. ನಮ್ಮ ಮನೆಯವರಿಗಲ್ಲಾ ಜಪದಲ್ಲಿ ಶ್ರದ್ಧೆ ಮನಸ್ಸು ಕೊಡಿ . ನನ್ನೊಡನೆ ಇದ್ದು ನಾಮದ ಉಚ್ಚಾರಣೆಯನ್ನು ನನ್ನ ನುಡಿಯಲ್ಲಿದ್ದು ಮಾಡಿಸಿ ಗುರುವೆ.

Dearest Srila Prabhupada,

Your lotus feet is the only way by which I can attain pure devotional service. I bow to Your lotus feet with great awe and reverence. By your grace one can cross the ocean of material suffering and obtain the mercy of Krishna.

My only wish is to have my consciousness purified by the words emanating from your lotus mouth. Attachment to your lotus feet is the perfection that fulfills all desires.

You opened my darkened eyes and filled my heart with transcendental knowledge. You are my lord birth after birth. From you ecstatic prema emanates, by you ignorance is destroyed. The Vedic scriptures sing of your character.

You are truly the ocean of mercy, friend of the poor and the lord and the master of the devotees. O master! Be merciful unto me.

Give me the shade of your lotus feet. Your fame is spread all over the three worlds.

Srila Prabhupada Ki Jay!!

Your Servant,

Bhaktin Yashoda Garg.

Dear Srila Prabhupada, all glories to You!

As I sit back to write my offering (always on the request from my superiors) of Your glorification for the auspicious day of Vyasa Puja celebration, I feel immensely grateful to You Prabhupada. Because its only by Your causeless mercy on to this fallen soul, today, I am still in the middle of the association of your sincere disciples. I seek solace in the words of Srila Bhaktivonda Thakura who said, “I am not a devotee but by living in the association of devotees one day I will also become one.” For anyone wanting to develop Krishna consciousness, there's nothing that compares with associating with devotees. You said; “Devotees association is very important. It acts just like a crystal stone, which will reflect anything which is put before it.”

Plants grow best in fertile soil, and our natural spiritual consciousness grows when we keep company with spiritually-minded persons. Krishna consciousness is contagious, and the more time we spend in the company of Krishna conscious people, the more advancement we make. Therefore, every aspiring spiritualist is advised to minimize their contact with worldly-minded, materialistic people who have no interest in spiritual life.

You once said; “It is like a boat. You stay on the boat and Maya may rock the boat. You hold onto the boat and stay on it. Basically, stay in the association of devotees and keep trying. You may get wet but you will still stay on the boat.

These instructions keeps my faith alive to hold onto doing a little bit of devotional service to Your great mission. Whenever we come across memories about You recalled by the senior devotees my faith in You deepens. Only You could accept and save a person like me.

I came across a compilation made by one devotee how You have expressed FAITH in different places in Your books, which really impressed my mind.

A type of Faith by Srila Prabhupada;

- i) By SINCERE FAITH we can have a vision of Sri Kṛṣṇa expounding spiritual knowledge to Arjuna on the Kurukṣetra battlefield.
- ii) I must have COMPLETE FAITH that I am not in danger because Kṛṣṇa is protecting me.
- iii) FIRST CLASS FAITH is the understanding that by worshiping Kṛṣṇa, everything is done,"
- iv) FIXED UP FAITH is faith that whatever God does, whatever God orders, even from mundane calculation it may be wrong, that is right.
- v) We must have FIRM FAITH that “Kṛṣṇa is hearing” when I talk to a deity of Krishna.
- vi) I must surrender to Kṛṣṇa with FULL FAITH that He is quite competent and able to give me protection."

- vii) Prahlada had PERFECT FAITH in chanting the Holy Names and in this way Krishna saved Prahlada in the end.
- viii) Chaitanya Mahaprabhu had RIGID FAITH in Vaishnavism which surprised the Tatvavadis Acharys
- ix) One who has a STAUNCH FAITH in the Supreme Lord and STAUNCH FAITH in the personality of his spiritual master, then he gets all the things revealed in himself.
- x) We must have STRONG FAITH that by Kṛṣṇa consciousness we will be elevated to the highest perfection of life.

I sincerely pray to You Srila Prabhupada on this most auspicious day of Your divine graces appearance that You please grant me all the above types of faith so that I do not miss the chance that you gave me in this life. Please let me keep my heart worthy enough for your presence Srila Prabhupada.

This year has been yet another struggleful year for me with lot more mistakes and very little improvement. My mistakes made me realise that little inattention from your instructions can sway away the consciousness from Krishna and make one spiritually lost. But it was temporary and I must thank You Prabhupada that You did not forgot me and saved me again from all dangers.

Thank you Prabhupada for the continuous opportunities for different services. I need to improve my quality of Japa, please bless me to make little further advancement in the path given by You. Though not qualified still I pray to You dear Prabhupada, please keep me always under the shelter of Your lotus feet as one insignificant servant.

Your eternally indebted servant, Amoghalila Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance, All glories to Your Divine Grace.

There are countless glories of your divine grace, which cannot be described even in a lifetime of Brahma. As time is passing, I am struck with wonder of what a great personality you are. You are the most compassionate person towards the fallen conditioned souls. Right from your appearance up to the last moment, your life is a great revelation of the life of a resident of Vaikuntha. All incidents and parts of your life are full of inspiration for us to take spiritual life seriously, sincerely, and strictly. As Krishna comes to display the pastimes of the spiritual world, to attract and invite the fallen conditioned soul back home, back to Godhead, you have also come to invite us for going back home, back to Godhead. You attract us by your unparalleled qualities of pure devotion.

Your program of ISKCON is so nice that anyone from any part of the world can become qualified to go back to Godhead in a very short time. It is natural for a conditioned soul to create something great and wonderful for his family or country. But you are so great that you built a house where everyone can live, learn how to love God/Krishna, taste the Nectar of Devotional service by following the Nectar of Instructions as revealed in the *Bhagavad-gita* by Krishna, the Supreme Personality of Godhead. Following these instructions in the footsteps of pure devotees—*Bhagavatas*, one can see the philosophy of *Srimad-Bhagavatam* alive with eyes of the *shastras*. Your Divine Grace is the epitome of such devotion. Therefore, your life is Chaitanya charitamrita—activities of the living entities in the liberated stage. Your Divine Grace

taught us the Teachings of Lord Chaitanya, of chanting the Hare Krishna *maha-mantra* in a humble state of mind, being more tolerant than the tree, not expecting any respect from others. At the same time offering all respects to others.

When we are On The Way to Krishna, we may have some inconvenience in the Journey of Self Discovery, but Your Divine Grace always assures that Krishna Consciousness is The Topmost Yoga System, it is the only Path of Perfection, Beyond illusion and Doubt. Even though we are not inclined to learn the Science of Self Realization and to know what is Beyond Birth and Death, your association through your words takes us to Elevation in Krishna Consciousness. You do not teach bogus philosophy rather it is Message of Godhead meant for everyone especially the saints and saintly kings, to help them in the process of Renunciation Through Wisdom by applying Raja-vidya – the King of all Knowledge. Your Divine Grace brought Light of the Bhagavata, taught us the Teachings of Queen Kunti and Teaching of Lord Kapila. Through these teachings we know the process of Easy Journey to Other Planets. You have taught us that Krishna – Reservoir of all Pleasure and His all-pervading nature as mentioned in Sri Isopanishad. In the presence of your Divine Grace all inquiries turn into Perfect Questions and Perfect Answers. Even though we are living in Kali yuga, which is full of faults, Your Divine Grace has given us Krishna consciousness - The Matchless Gift without any discrimination. This brings one to the stage Civilisation and Transcendence by the process of Krishna consciousness, which is Perfection of Yoga. You have exposed the bogus scientists and shown us the reality, Life Comes from Life, and every action of ours is counted and rewarded by Laws of Nature – An Infallible Justice. But we need not fear Maya, as you are always merciful to give us A Second Chance in our Quest for Enlightenment. You have taught us the soul's real nature and characteristic or Dharma – The Way of Transcendence. By following the rules and regulations of *bhakti-yoga* as enunciated in books like *Narada-bhakti-sutra* even a person born in low family can learn and teach about God, by distributing the Transcendental Teachings of Prahlada Maharaja.

Dear Srila Prabhupada you have taught us everything, in the realm of both material and spiritual world. Your each word and sentence has great meaning and import when studied carefully. For example: 'I am not this body', as we read more and more, we come to know the different aspects of the same reality.

I am not the gross body made of *pancha-bhutas*

I am not the senses (both knowledge acquiring and working, which is meant for survival)

I am not the mind (which is reservoir of different emotions)

I am not the intelligence (which is driver of the mind)

I am not the false ego (I am neither identified (body), or identity (belonging to a certain species, country, community, gender, religion etc.)

I am not the life symptoms – *chetana*, represented by consciousness (of touch, smell, taste etc. nor like-dislike, happiness-distress)

I am not the convictions – *dhrti* (which is brought about by the influence of the three modes of material nature)

In other words, we are neither, the twenty-four elements of material nature nor the manifestations of their gross and subtle interactions. These are all happening in the field of activity, *kshetra* or body. But we are actually *kshetrajna*, the knower of the field, the spirit soul entrapped within this body.

Srila Prabhupada, I am greatly indebted to you. You have bestowed so much mercy upon me that I will not be able to repay even a fraction, even after serving your lotus feet birth after birth. I am sinfully inclined, demoniac by nature, full of lust, greed and anger. Yet you never withdraw your mercy upon this fallen conditioned soul, this is the most striking wonder in my life. I commit many, many offences at your lotus feet, yet you seem not to be taking note of it. Even if you take note of it, you punish me very mildly. Please bestow your mercy upon me so that I can serve your lotus feet birth after birth, chant Hare Krishna *maha-mantra* without any offence and follow four regulative principles strictly. Please keep me under the shelter of your lotus feet.

Aspiring to be your sincere servant, Kanja Lochana Krishna Dasa.

## Radha Giridhari Dasa

---

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to your divine instructions, which are continuing to guide the fallen souls of Kali-yuga on the path back to Godhead. Because of your causeless mercy guru-krsna-prasade paya bhakti-lata-bija Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service.

Throughout the whole world, everyone was making big, big plans before the epidemic. People were trying to adjust the miseries of the material world, and this is true at present, in the past and in the future. Nonetheless, although they make elaborate political, social and cultural plans, they have all been described herein as *vimudha*, fools. The material world has been described in *Bhagavad-gita* as *dukkhalayam asasvatam* [Bg. 8.15]—temporary and miserable—but these fools are trying to turn the material world into *sukhalayam*, a place of happiness, not knowing how everything acts by the arrangement of material nature, which works in her own way.

### Mission of Prabhupada

*“O best of the great personalities, I am not at all afraid of material existence, for wherever I stay I am fully absorbed in thoughts of Your glories and activities. My concern is only for the fools and rascals who are making elaborate plans for material happiness and maintaining their families, societies and countries. I am simply concerned with love for them.”* (SB 7.9.43)

Prabhupada is the real example of above *sloka*. Just see the influence of Srila Prabhupada lying on his bed in Vrindavana at the last stage. He was hardly able to move, eat or talk. Yet without even doing anything or going anywhere, he was inspiring his disciples all over the world to distribute his books in unprecedented numbers. His going to London in that condition was another incredible pastime that clearly sets Srila Prabhupada apart from the rest. There, his disciples danced with full enthusiasm before the almost completely immobile Prabhupada. But when Srila Prabhupada slightly moved his finger to indicate even more heavy dancing, the devotees went wild and almost jumped through the ceiling. Srila Prabhupada's influence came, not from mind-control, bribery or force, but was born of deep and powerful love.

### If Srila Prabhupada had stayed.

If Prabhupada had stayed, would he not have continued to push on irresistibly? Would he not have had the whole world talking of Krishna? Would he not have shaken the scientific and pseudo-intellectual communities by his repeated attacks on their foolish theories? Would he not have turned the world into a battlefield of Krishna consciousness versus *maya*, with himself the commander of the troops, out on the front lines? Would he not have sustained the lives of his disciples, established real Krishna conscious *varnasrama-dharma* farm communities, and saved us from the terrible strife we inflicted on each other?

If Srila Prabhupada had stayed, he would almost certainly have done far more than all of our bumbling efforts put together. Why then did Prabhupada leave so early? The answer is not easy to give. Maybe he wanted us to become responsible to do the father's work without remaining dependent children forever. Quite likely he felt the urgent need to establish Krishna consciousness in another part of the universe, or in another universe. As Srila Prabhupada said of his own Guru Maharaja, “Bhaktisiddhanta Sarasvati Thakura, our spiritual master, came in this world to execute the mission of Caitanya Mahaprabhu. So he executed it, and when it was required, he left this place and went to another place to do the same business.” Ultimately, only Krishna and Prabhupada know.

Whatever the reason may be, Srila Prabhupada has left. He gave us a taste for Krishna consciousness, showed us what to do, instructed how to eternally associate with the spiritual master through service, and then moved on.

Some day you have to fly your own plane.

## Srila Prabhupada's Spiritual Revolution

(c.f. Nectar of Devotion, Chapter One). All devotees should:

- (1) read Srila Prabhupada's books one to two hours daily;
- (2) chant and dance together in *kirtana*;
- (3) chant the holy names very carefully and with great attention.

Then we will all quickly become pure devotees, drown in the ocean of bliss, and find all our problems drowned also. Or even if difficulties remain (after all, this world is meant to be problematic), when Krishna is pleased with our sincere efforts to serve Him, surely He will bless us with the realization to overcome problems, or at least to learn how to live with them. Purity is the force.

Satisfaction of the self-realized spiritual master is the secret of advancement in spiritual life.

What should we do for our Spiritual Master?

Everyone should ask themselves, "What am I doing for Srila Prabhupada? Is it enough? Could I do more? What should I be doing that I'm not?"

What does Srila Prabhupada want? Prabhupada had many Krishna conscious desires that he wanted his followers to fulfill. He wanted his disciples to become pure devotees and preach the message of Krishna to others. Both by example and precept he emphasized preaching.

*"Let us do something which will bring a peaceful revolution to the whole human society." (Letter, 1st April, 1974)*

*"Let the whole United States become Vaishnavas, then everyone else in the whole world will follow. That is my real ambition." (Letter, 28th December, 1974)*

On this most auspicious day of your divine appearance in this material world, I place my head at your lotus feet and beg you to please keep me under the shade of your lotus feet for all of eternity. Please make me your fully surrendered servant and take everything I have—my mind, body, words, and my very life air—as my offering unto your divine lotus feet, the safest place in all the three worlds.

Your insignificant servant,

Radha Giridhari Dasa.

On this most sacred occasion of your appearance anniversary in this world, we fall in the dust of your lotus feet and beg for the ability to properly glorify your divine and magnanimous character.

In the *Caitanya-caritamṛta* (*Antya-līla*, 7.12. Purport) you state the following: "The true *acārya*, the spiritual master of the entire world, must be considered an incarnation of Kṛṣṇa's mercy."

By your grace, Srīla Prabhupada, you made such an incredible sacrifice of travelling by steamship across the Atlantic ocean for three weeks at the advanced age of 69 -- suffering two heart attacks in the process -- and arriving on the shores of America armed with a mere seven dollars worth of rupees, a few books and an unshakable desire to serve the mission of your spiritual master, His Divine Grace Srīla Bhaktisiddhanta Sarasvati Gosvami Maharaj Prabhupada. Despite the overwhelming odds against you, your arrival was clearly predicted by the great *acārya* in disciplic succession, Srīla Bhaktivinoda Thakura a century ago, and thus your success was already guaranteed. Because of your completely selfless endeavour, the entire universe has now awakened from an age-old sleep of godless ignorance to the joyous and eternal sound of Lord Caitanya's *harer-nama sankīrtana*.

By your grace, Srīla Prabhupada, so many persons once attached to grossly sinful activities such as meat-eating, intoxication, gambling and illicit sex life are now blissfully following the rules and regulations of *vaidhī-bhakti* under your expert guidance.

By your grace, Srīla Prabhupada, devotees everywhere are now bathing and dressing the Supreme Personality of Godhead in His *arca-vigraha* form, which is nondifferent from Sri Kṛṣṇa Himself.

By your grace, Srīla Prabhupada, devotees from all over the world are regularly travelling to the holy places such as Mayapur, Vrindavan and Mathura, although previously hardly anyone had ever heard of those sacred places. And by your grace, they are also visiting Sri Rādhā-Kunda, whose glories are unlimited and which is unobtainable even by great devotees such as Narada and Sanaka.

By your grace, Srīla Prabhupada, scores of atheists and agnostics are now beginning to understand who is God and who is not God. And by your grace, they are now serving and praying to Him instead of denying and defaming Him.

By your grace, Srīla Prabhupada, so many previously lost souls are now going back home, back to Godhead, the eternal abode of the Supreme Lord.

But most of all, by your grace, Srīla Prabhupada, you have given us your association, your instructions and your example. Now, by your grace, we humbly request that you kindly bless us with the desire and ability to share these matchless gifts with each and every single conditioned soul in the material world. Please help us to someday become your *real* disciples and serve you without reservation according to your desire. May this be our only aspiration, life afterlife.

Thank you very much for everything, Srīla Prabhupada. All glories to your lotus feet.

Your aspiring servants,

Ratisha Dasa, Kavipriya Gopika Devi Dasi, Kaliya Krishna, Haripriya.

Dear Srīla Prabhupada,

Please accept my humble obeisances at your lotus feet.

As Krishna is the Supreme Personality of Godhead the Spiritual Master is the Supreme Personality of servitude Godhead.

If we can assist those who have taken your divine Grace's instruction as their life and soul, then we can consider ourselves intimately associated with yourself.

Srila Prabhupada you come into this world, on Krishna's request, to teach us how to live a pure life of Krishna consciousness & that includes how to finally pass away from this world to attain eternal life.

I beg for your mercy by which I don't leave you, so then I can count on my blessings & with this gratitude chant the holy name

HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE

HARE RAMA HARE RAMA RAMA RAMA HARE HARE.

Your insignificant servant,

Bhakta Chidambara K P.

*chakshur unilitam yena tasmai sri-gurave namah*

*I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer respectful obeisances unto him.*

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on your appearance day.

Prabhupada has said *krsnarpita-pranas tat purusa nisevaya*

One cannot be krsnarpita , one cannot dedicate his life to krishna, unless he has gotten the mercy of spiritual master.

I am not qualified to do any service to you and Lord Sri Krishna, but because of your mercy you have engaged me in the service of the Lord. I am unable to serve properly many times, please forgive me. Please give me consciousness and strength to chant *Hare Krishna Hare Krishna Krishna Krishna Hare Hare/ Hare Rama Hare Rama Rama Rama Hare Hare* and engage me in more service.

Your unqualified servant,

Bhakta Mohan Krishna,

HKNF, MAHADEVAPURA.

Dear Srila Prabhupada

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasapuja.

Thank you, Prabhupada for showing mercy on the most sinful person, that's me. Whenever I am distressed I hear your lecture. It guides and encourages me for spiritual progress.

You changed my materialistic way of life. Your most important words which are very striking to me is,

*Āhāra-nidrā-bhaya-maithunam ca sāmānyam etat paśubhir narāṇām (Hitopadeśa 25).*

Whenever Maya tried to trap me, you saved me every time. Thank you Srila Prabhupada.

Prabhupada, we are eternally indebted to you for what you have done for our sake taking enormous personal inconvenience. Getting a human birth is considered rare, getting birth in India is considered even more fortunate. We had these

opportunities but we were simply wasting them without you. You have done everything for us to perfect our lives. I feel I have wasted enough of my life running after so many materialistic things. Now I want to dedicate myself to your lotus feet.

I pray to you to give me your blessings and guidance so I get the inner strength to rise above my weaknesses and clarity in mind to move forward on the path you have shown us.

Your humble servant,

Bhakta Murali T M.

ಜೈ ಗುರು ಮಹಾರಾಜ್!

ಜೈ ಶ್ರೀಲ ಪ್ರಭುಪಾದ,

ಶ್ರೀಲ ಪ್ರಭುಪಾದರವರನ್ನು ಆಧ್ಯಾತ್ಮಿಕ ಗುರುಗಳೆಂದು ಸ್ವೀಕರಿಸಿದ ಮೇಲೆ ನನ್ನ ಜೀವನದಲ್ಲಿ ಬಹಳಷ್ಟು ಬದಲಾವಣೆಗಳು ಬಂದಿವೆಯಾದರೂ, ಸ್ವಯಂ ಶಿಸ್ತಿನ ಅಗತ್ಯ ನನಗೆ ಇದೆ. ಹರೇಕೃಷ್ಣ ಮಹಾಮಂತ್ರದ ಮಹತ್ವವು ಅರಿವಾಗಿದೆ. ನಾನು ಈಗ ಸನ್ಯಾಸಾರಿಯಾಗಿದ್ದೇನೆ, ಪ್ರತಿದಿನ ಹತ್ತು ಮಾಲ ಜಪ ಮಾಡುತ್ತಿದ್ದೇನೆ. ಇವೆಲ್ಲದಕ್ಕೂ ಕಾರಣಕರ್ತರಾದ ನಿಮಗೆ ನನ್ನ ಅಂತರಂಗದಿಂದ ಕೋಟಿ ಕೋಟಿ ಧನ್ಯವಾದಗಳನ್ನು ಅರ್ಪಿಸುತ್ತೇನೆ. ಶ್ರೀಕೃಷ್ಣ ಪ್ರಜ್ಞೆಗೆ ನನ್ನನ್ನು ಕರೆ ತಂದಂತಹ ನರ-ನಾರಾಯಣ ಪ್ರಭು ಮತ್ತು ಚಾರು ಕೃಷ್ಣ ಪ್ರಭು ನಿಮಗೆ ಧನ್ಯವಾದಗಳನ್ನು ಸಲ್ಲಿಸುತ್ತೇನೆ.

ಪ್ರಭುವೇ ನನಗೆ ನಿತ್ಯ, ಗುಣಮಟ್ಟದ ಜಪ ಮಾಡಲು ನಿಮ್ಮ ಪುಸ್ತಕಗಳನ್ನು ಓದಲು, ಭಗವಂತನ ಸೇವೆ ಮಾಡಲು ನಿರಂತರವಾಗಿ ಉಳಿಯುವಂತೆ ಆಶೀರ್ವದಿಸಿ ಮತ್ತಷ್ಟು ಸೇವೆ ಮಾಡಲು ಅವಕಾಶಗಳನ್ನು ಕಲ್ಪಿಸಿ ಕೊಡಿ ಗುರುವೇ!

ಇಂತಿ ನಿಮ್ಮ,

ಭಕ್ತ ನಿತೀನ್ ಕುಮಾರ್.
